PART I

THE WINDFALL TAX

1 Charge to windfall tax

- (1) Every company which, on 2nd July 1997, was benefitting from a windfall from the flotation of an undertaking whose privatisation involved the imposition of economic regulation shall be charged with a tax (to be known as the "windfall tax") on the amount of that windfall.
- (2) Windfall tax shall be charged at the rate of 23 per cent.
- (3) Schedule 1 to this Act (which sets out how to quantify the windfall from which a company was benefitting on 2nd July 1997) shall have effect.

2 The companies benefitting from windfalls

- (1) For the purposes of this Part a company in existence on 2nd July 1997 was benefitting on that date from a windfall from the flotation of an undertaking whose privatisation involved the imposition of economic regulation if—
 - (a) that company, or a company of which it was on that date a demerged successor, had before that date been privatised by means of a flotation;
 - (b) there had, before that flotation, been a statutory transfer of property, rights and liabilities from a public corporation to the floated company or to a company which, at the time of the flotation, was a subsidiary undertaking of the floated company; and

- (4) For the purposes of this Part a company in existence on 2nd July 1997 ("the relevant company") was on that date a demerged successor of a company privatised by means of a flotation if—
 - (a) after the flotation of the floated company but before 2nd July 1997, there had been a statutory transfer of property, rights and liabilities from the floated company to a company ("the transferee company") which was a subsidiary undertaking of the floated company at the time of the transfer;
 - (b) the transferee company was not a subsidiary undertaking of the floated company on 2nd July 1997 but was, on that date, a subsidiary undertaking of the relevant company; and
 - (c) before 2nd July 1997 shares in the relevant company had been admitted to listing on the Official List of the Stock Exchange in pursuance of an application made in connection with the transaction, or series of transactions, by virtue of which the transferee company ceased to be a subsidiary undertaking of the floated company.
- (5) For the purposes of this section a company was, at the time of its flotation, carrying on an undertaking whose privatisation involved the imposition of economic regulation if that company, or a company which at that time was a subsidiary undertaking of that company, was at that time—

- (6) In subsection (5) above “airport operator” has the same meaning as in the Airports Act 1986.

3 Administration of the windfall tax etc

- (1) The windfall tax shall be under the care and management of the Commissioners of Inland Revenue.
- (2) Schedule 2 to this Act (which makes provision with respect to the management and collection of the windfall tax) shall have effect.

(5C) Where under subsection (5A) above only part of any capital expenditure on the provision of any machinery or plant may be included in a person's qualifying expenditure for any chargeable period, subsection (1)(a)(i) above shall not prevent the whole or any part of the remainder of that expenditure from being included in his qualifying expenditure for the next following chargeable period."

- (3) In subsection (6) (disposal values brought into account on an assignment)—
- (a) for the words "subsection (5) above", in the first place where they occur, there shall be substituted "subsection (5) or (5B) above"; and

46 Sale and leaseback etc. using finance leases

- (1) In the Capital Allowances Act 1990—
- (a) in section 75(1), (2) and (3) (further restrictions on allowances), for the words "sections 76 and 77", in each place where they occur, there shall be substituted "sections 76, 76A and 77"; and
 - (b) in section 76, after subsection (6) there shall be inserted the following subsection—

Status: This is the original version (as it was originally enacted).

“(7) This section has effect subject to the modifications made by section 76A in cases where there is a finance lease.”

(2) After section 76 of that Act there shall be inserted the following section—

“76A Special provision for finance lease cases

(1) Where—

- (a) any machinery or plant is used for the purposes of any non-trading activities carried on by any person, and
- (b) it is directly or indirectly as a consequence of the machinery or plant having been leased under a finance lease that it is available for that use,

subsections (1), (2) and (3) of section 75 and subsection (1) of section 76 (except the words after “without”) shall have effect as if the use for the purposes of those activities were a use for the purposes of a trade carried on by that person.

(2) Where—

- (a) subsection (1), (2) or (3) of section 75 applies by virtue of paragraph (b) of that subsection, or is treated (under one or both of section 76(1) and subsection (1) above) as so applying,
- (b) it is directly or indirectly as a consequence of the machinery or plant having been leased under a finance lease that it is available after—
 - (i) the date of the sale,
 - (ii) the date of the making of the contract, or
 - (iii) the date of the assignment,

for the use which is mentioned in that paragraph, or which is treated as if it were a use so mentioned, and

- (c) apart from this subsection the disposal value to be brought into account under sections 24, 25 and 26 by reason of the sale, contract or assignment would be more than the amount (“the section 76(2) amount”) which (if no disposal value fell to be brought into account) would be applicable instead in accordance with section 76(2) and subsection (5) below,

sections 24, 25 and 26 (and, accordingly, subsections (1) to (3) of section 75) shall have effect as if the disposal value to be so brought into account were equal to the section 76(2) amount.

(3) Where—

- (a) a disposal value has fallen, in a case within sub-paragraphs (a) and (b) of subsection (2) above, to be brought into account under sections 24, 25 and 26 by reason of the sale, contract or assignment,
- (b) the machinery or plant in question falls to be treated as belonging, at a time after the event by reason of which that disposal value fell to be brought into account, to any person in consequence of his incurring any capital expenditure,
- (c) the allowances under this Part in respect of that capital expenditure are not restricted by subsection (1), (2) or (3) of section 75, and

Status: This is the original version (as it was originally enacted).

(d) the amount of that expenditure (“the actual amount”) exceeds the maximum allowable amount,

this Part shall have effect in relation to that expenditure as if it were expenditure of an amount equal to the maximum allowable amount.

(4) In subsection (3) above “the maximum allowable amount” means the sum of the following amounts—

(a) the disposal value falling to be brought into account as mentioned in subsection (3)(a) above, and

(b) so much of the actual amount of the expenditure as is equal to the amount included in that expenditure by virtue of section 66 (installation costs).

(5) In a case which—

(a) falls within paragraphs (a) and (b) of subsection (2) above, but

(b) is a case in which no disposal value falls to be brought into account as mentioned in the applicable subsection of section 75,

subsections (2) to (4) of section 76 shall have effect as if the amounts referred to in each of paragraphs (b) and (c) of section 76(2) were equal to the notional written-down value of the capital expenditure incurred by the person mentioned in that paragraph on the provision of the machinery or plant.

(6) Subsection (7) below applies where, in a case falling within paragraphs (a) and (b) of subsection (2) above—

(a) the finance lease, or

(b) any transaction or series of transactions of which it forms a part,

makes provision (otherwise than by means of guarantees from persons connected with the lessee) the effect of which (if the lessor and the persons connected with him are treated as the same person) is to remove the whole, or the greater part, of any non-compliance risk which (apart from that provision) would fall directly or indirectly on the lessor.

(7) Where this subsection applies—

(a) subsections (1), (2) and (3) of section 75 shall have effect as if (as well as excluding the making of a first-year allowance), they also required—

(i) the whole amount of the expenditure, and

(ii) any additional VAT liability incurred in respect of it,

to be left out of account in determining the amount for any period of a person’s qualifying expenditure under section 25; and

(b) subsections (2), (3) and (5) above shall not apply.

(8) Where subsection (7) above applies in a case where the buyer, person entering into the contract or assignee is different from the lessor—

(a) any capital expenditure incurred on the provision of the machinery or plant by the lessor, and

(b) any additional VAT liability incurred in respect of it,

shall also be disregarded both for the purposes of determining the amount for any period of the lessor’s qualifying expenditure under section 25 and for the purposes of any claim by the lessor to a first-year allowance.

Status: This is the original version (as it was originally enacted).

- (9) In this section “the notional written-down value”, in relation to any expenditure incurred by a person on the provision of any machinery or plant, means the amount which, if—
- (a) the sale, contract or assignment were an event by reason of which a disposal value of that machinery or plant fell to be brought into account in that person’s case, and
 - (b) the further assumptions set out in subsection (10) below were made in relation to that expenditure,
- would give rise to neither a balancing allowance nor a balancing charge for the chargeable period for which that disposal value would be brought into account in that person’s case.
- (10) Those assumptions are—
- (a) that the person in question incurred the expenditure on the provision of the machinery or plant wholly and exclusively for the purposes of a trade carried on by him (until its deemed discontinuance) separately from any other trade or other activities carried on or assumed to be carried on by him;
 - (b) that that person was within the charge to tax in respect of that separate trade;
 - (c) that the expenditure was the only capital expenditure ever taken into account in respect of that trade in determining qualifying expenditure for the purposes of section 24;
 - (d) that the expenditure is to be treated in relation to that person as expenditure to which Chapter IVA of this Part applies if, but only if, it is expenditure falling in fact to be so treated apart from the preceding assumptions; and
 - (e) that there had been made to that person the full amount of every allowance to which, on the assumptions specified in paragraphs (a) to (c) above, that person was entitled in respect of that expenditure.
- (11) This section and sections 75 and 76 shall have effect in relation to machinery or plant where—
- (a) it is directly or indirectly as a consequence of the machinery or plant having been leased under a finance lease that it is available for any use to which it is put, and
 - (b) the machinery or plant has at any time been acquired by one public authority from another otherwise than by purchase,
- as if the public authority from whom it was acquired were connected with the public authority that acquired it and with every person connected with the acquiring authority.
- (12) In this section—
- “deemed discontinuance”, in relation to the trade assumed under subsection (10) above in a case in which section 75(1), (2) or (3) applies or is treated as applying, means a permanent discontinuance of that trade at the time of the sale, of the performance of the contract or, as the case may be, of the assignment;
- “non-compliance risk”, in relation to a finance lease, means a risk that a loss will be sustained by any person if payments under the lease are not made in accordance with its terms;

Status: This is the original version (as it was originally enacted).

“non-trading activities” means any activities that do not constitute a trade; and

“public authority” includes the Crown or any government or local authority;

and (subject to subsection (11) above) references in this section to persons connected with each other shall be construed in accordance with section 839 of the principal Act.”

- (3) This section has effect for chargeable periods ending on or after 2nd July 1997 except in relation to expenditure incurred before 2nd July 1998 in a case in which—
- (a) the sale referred to in subsection (1) of section 75 of that Act is a sale under a contract entered into before 2nd July 1997;
 - (b) the contract referred to in subsection (2) of that section is itself a contract entered into before 2nd July 1997; or
 - (c) the assignment referred to in subsection (3) of that section is an assignment made before 2nd July 1997 or in pursuance of a contract entered into before that date.

47 Meaning of “finance lease”

- (1) After section 82 of the Capital Allowances Act 1990 there shall be inserted the following section—

“82A Meaning of “finance lease”

- (1) In this Part “finance lease” means any arrangements which—
- (a) provide for machinery or plant to be leased or otherwise made available by a person (“the lessor”) to another (“the lessee”); and
 - (b) are such that, in cases where the lessor and persons connected with the lessor are all UK companies—
 - (i) the arrangements, or
 - (ii) arrangements in which they are comprised,
 fall, in accordance with normal accountancy practice, to be treated in the accounts of one or more of those companies as a finance lease or as a loan.
- (2) In this section—
- “accounts”, in relation to a company, includes any consolidated group accounts relating to two or more companies of which that company is one;
- “consolidated group accounts” means accounts prepared in accordance with—
- (a) section 227 of the Companies Act 1985, or
 - (b) Article 235 of the Companies (Northern Ireland) Order 1986;

- (1) Subject to subsection (4) below, section 42 of the Finance (No. 2) Act 1992 shall have effect in relation to any expenditure to which this section applies as if the following subsection were substituted for subsections (4) and (5) (which for any period limit relief for film production and acquisition expenditure to a third, or a proportionately reduced fraction, of the relievable expenditure)—
- “(4) The amount deducted for a relevant period under subsection (1) above shall not exceed so much of the total expenditure incurred by the claimant on—
- (a) the production of the film concerned, or
- (b) the acquisition of the master negative or any master tape or master disc of it,
- as has not already been deducted by virtue of section 68(3) to (6) of the 1990 Act, section 41 above or this section.”
- (2) Subject to subsection (3) below, this section applies to so much of any expenditure falling within paragraphs (a) and (b) of section 42(1) of the Finance (No. 2) Act 1992 as is expenditure in relation to which each of the following conditions is satisfied, that is to say—
- (a) the expenditure is expenditure incurred on or after 2nd July 1997 and before 2nd July 2000;
- (b) the film concerned is a film with a total production expenditure of £15 million or less; and
- (c) the film concerned is a film completed on or after 2nd July 1997.
- (3) This section does not apply to so much of any expenditure falling within section 42(3) of the Finance (No. 2) Act 1992 (acquisition expenditure) as exceeds the amount of the total production expenditure on the film concerned.
- (4) Where this section applies to only part of any expenditure to which subsection (2) or (3) of section 42 of the Finance (No. 2) Act 1992 applies in the case of any film, the amount deducted by virtue of subsection (1) of that section for a relevant period shall not exceed the sum of the following amounts—
- (a) the maximum amount of expenditure to which this section applies that is deductible for that period in accordance with subsection (1) above; and
- (b) the maximum amount specified in subsection (5) below.
- (5) The amount mentioned in subsection (4) above is the maximum amount which would be deductible for the relevant period in accordance with subsection (4) of section 42 of the Finance (No. 2) Act 1992 if—
- (a) in paragraphs (a) and (b) of that subsection (but not in paragraph (c)) the references to expenditure incurred by the claimant did not include references to any expenditure to which this section applies; and
- (b) the maximum amount mentioned in subsection (4)(a) above had already been deducted by virtue of that section.

Status: This is the original version (as it was originally enacted).

- (6) In this section “total production expenditure”, in relation to any claim for relief under section 42 of the Finance (No. 2) Act 1992 in the case of any film, means (subject to subsection (7) below) the total of all expenditure on the production of the film, whenever incurred and whether or not incurred by the claimant.
- (7) For the purposes of this section where—
- (a) any part of the expenditure incurred by any person on the production of a film is incurred under or by virtue of any transaction directly or indirectly between that person and a person connected with him, and
 - (b) that part of that expenditure might have been expected to have been of a greater amount (“the arm’s length amount”) if the transaction had been between independent persons dealing at arm’s length,
- that part of that expenditure shall be deemed, for the purpose of determining the amount of the total production expenditure on the film, to have been expenditure of an amount equal to the arm’s length amount.
- (8) Subsection (3) of section 43 of the Finance (No. 2) Act 1992 (time of completion of a film) shall apply for the purposes of this section as it applies for the purposes of sections 41 and 42 of that Act, but with the omission of paragraph (b) (completion on incurring acquisition expenditure) and the word “or” immediately preceding it.
- (9) Subsections (3) to (6) of section 159 of the Capital Allowances Act 1990 (time when expenditure incurred) shall apply for determining when for the purposes of this section any expenditure is incurred as they apply for determining when for the purposes of that Act any capital expenditure is incurred, but as if, in subsection (6) of that section, the words “at a time” were substituted for the words “in a chargeable period”.
- (10) Section 839 of the Taxes Act 1988 (meaning of “connected person”) applies for the purposes of this section.
- (11) This section applies for the making of a deduction for any relevant period ending on or after 2nd July 1997.

SCHEDULES

SCHEDULE 1

Section 1.

QUANTIFICATION OF A PRIVATISATION WINDFALL

The basic rule

- 1 (1) Subject to paragraph 7 below, where a company was benefitting on 2nd July 1997 from a windfall from the flotation of an undertaking whose privatisation involved the imposition of economic regulation, the amount of that windfall shall be taken for the purposes of this Part to be the excess (if any) of the amount specified in sub-paragraph (2)(a) below over the amount specified in sub-paragraph (2)(b) below.
- (2) Those amounts are the following amounts (determined in accordance with paragraphs 2 to 6 below), that is to say—
- (a) the value in profit-making terms of the disposal made on the occasion of the company's flotation; and
 - (b) the value which for privatisation purposes was put on that disposal.

Value of a disposal in profit-making terms

- 2 (1) Subject to paragraph 4 below, the value in profit-making terms of the disposal made on the occasion of a company's flotation is the amount produced by multiplying the average annual profit for the company's initial period by the applicable price-to-earnings ratio.
- (2) For the purposes of this paragraph the average annual profit for a company's initial period is the amount produced by the following formula—

$$A \div 365 \times \frac{P}{D}$$

Where—

A is the average annual profit for the company's initial period;
P is the amount, ascertained in accordance with paragraph 5 below, of the total profits for the company's initial period; and
D is the number of days in the company's initial period.

- (3) For the purposes of this paragraph the applicable price-to-earnings ratio is 9.

Value put on a disposal for privatisation purposes

- 3 (1) Subject to paragraph 4 below, the value which for privatisation purposes was put on the disposal made on the occasion of a company's flotation is the amount produced by multiplying the institutional price by the number of shares comprised in the ordinary share capital of the company at the time of its flotation.

Status: This is the original version (as it was originally enacted).

- (2) In this paragraph “the institutional price”, in relation to a company, means the highest fixed price per share at which publicly-owned shares in the company were offered for disposal on the occasion of the company’s flotation.
- (3) Subject to sub-paragraph (4) below, where publicly-owned shares in a company were offered for disposal in accordance with any arrangements for the payment of the price in two or more instalments, the price per share at which those shares were offered shall be ascertained by aggregating the instalments.
- (4) Where the arrangements under which any publicly-owned shares in a company were offered for disposal provided for any discount on the payment of the whole or any part of the price for those shares, that discount shall be disregarded for the purposes of this paragraph in determining the price per share at which those shares were offered.

Cases where company privatised in stages

- 4 (1) For the purposes of this Schedule, where the disposal percentage in the case of any company was 85 per cent. or less—
 - (a) the value in profit-making terms of the disposal made on the occasion of the company’s flotation, and
 - (b) the value which for privatisation purposes was put on that disposal,
 shall each be taken to be the disposal percentage of the amount which, under paragraph 2 or 3 above, would be the amount of that value but for this paragraph.
- (2) For the purposes of this paragraph “the disposal percentage”, in relation to any company, means the percentage which expresses (in terms of nominal value) how much of the ordinary share capital of the company at the time of its flotation was represented by the publicly-owned shares in the company offered for disposal on the occasion of the company’s flotation.

Total profits for the initial period

- 5 (1) For the purposes of paragraph 2 above the amount of the total profits for a company’s initial period is the sum of the amounts falling within sub-paragraph (2) below.
- (2) Subject to sub-paragraph (3) and paragraph 6(3) below, those amounts are every amount which, for a financial year of the company ending in or at the end of its initial period, is shown in the relevant accounts for that year—
 - (a) where those accounts are prepared in accordance with section 227 of the Companies Act 1985 (group accounts), as the profit of that company and its subsidiary undertakings for that year; and
 - (b) in any other case, as the profit of that company for that year.
- (3) Where—
 - (a) any profit shown in the relevant accounts of a company for any financial year has been computed using a current cost accounting method, but
 - (b) the information which was contained in those accounts, or which was provided to the registrar together with those accounts, included information from which it can be ascertained what that profit would have been if an historical cost accounting method had been used,

Status: This is the original version (as it was originally enacted).

the amount shown as that profit in those accounts shall be deemed to be the amount (as ascertained from that information) which would have been so shown if that historical cost accounting method had been used.

- (4) In this paragraph references, in relation to any financial year of a company, to the relevant accounts are references to any such accounts for that year as have been or are delivered to the registrar under section 242 of the Companies Act 1985 and consist—
- (a) in the case of a financial year at the end of which the company was a parent undertaking, in consolidated group accounts prepared in accordance with section 227 of that Act (group accounts); and
 - (b) in any other case, in accounts prepared in accordance with section 226 of that Act (individual accounts).
- (5) Subject to sub-paragraph (6) below, references in this paragraph to the amount shown in any accounts as the profit for any financial year are references to the amount of the profit (if any) for that year which is set out in the profit and loss account comprised in those accounts as the item which is, or is the equivalent of, the final item of the statutory format which for that year was used for that profit and loss account.
- (6) Where any amount shown in any accounts is less than it would have been if no provision or other deduction had been made—
- (a) in relation to the windfall tax, or
 - (b) in anticipation of the imposition of a charge with characteristics similar to those of the windfall tax,

this Schedule shall have effect as if the amount shown were the amount it would have been if that provision or deduction had not been made.

- (7) Nothing in this paragraph shall, in the case of any company—
- (a) prevent any charge to windfall tax from being treated as having arisen on 2nd July 1997 by reference to accounts delivered to the registrar after that date; or
 - (b) prevent any requirement to pay an instalment of windfall tax, or any other liability under Schedule 2 to this Act, from arising before the delivery to the registrar of the accounts by reference to which the amount of that charge is computed;

and any power of the Board under that Schedule to make an assessment shall include power to make an assessment on the basis that accounts will be delivered to the registrar showing such amounts as may, to the best of their judgement, be determined by the Board.

- (8) Subject to sub-paragraph (9) below, this paragraph shall have effect in relation to any time at which the Companies Act 1985 had effect without the amendments made by the Companies Act 1989—
- (a) as if the references in sub-paragraphs (2) and (4) above to sections 226, 227 and 242 of the Companies Act 1985 were references, respectively, to sections 227, 229 and 241 of that Act, as it had effect without those amendments;
 - (b) as if the reference in sub-paragraph (2) above to a company's subsidiary undertakings were a reference to its subsidiaries (within the meaning of that Act as it so had effect); and
 - (c) as if the reference in sub-paragraph (4)(a) above to a company's being a parent undertaking were a reference to its having such subsidiaries.

Status: This is the original version (as it was originally enacted).

- (9) In relation to a company formed and registered in Northern Ireland, this paragraph shall have effect as if the references in sub-paragraphs (2) and (4) above to sections 226, 227 and 242 of the Companies Act 1985 were references, respectively, to Articles 234, 235 and 250 of the Companies (Northern Ireland) Order 1986.
- (10) In this paragraph—
- “the registrar” means—
- (a) except in relation to a company formed and registered in Northern Ireland, the registrar within the meaning of the Companies Act 1985; and
- (b) in relation to a company so formed and registered, the registrar within the meaning of the Companies (Northern Ireland) Order 1986;
- and
- “statutory format”, in relation to a profit and loss account, means a format set out in the provisions (as they had effect in relation to that account) of Schedule 4 to the Companies Act 1985 or Schedule 4 to the Companies (Northern Ireland) Order 1986.

Meaning of the initial period etc

- 6 (1) In this Schedule “initial period”, in relation to a company privatised by means of a flotation, means (subject to sub-paragraph (2) below) the period which—
- (a) begins with the first day of the first financial year of the company to begin after the time of its flotation; and
- (b) ends with the end of the fourth financial year of the company to begin after the time of its flotation.
- (2) Where the initial period of a company privatised by means of a flotation would (but for this sub-paragraph) include any time on or after 1st April 1997, sub-paragraph (1) above shall not apply and the initial period of that company shall be taken, instead, to be the period which—
- (a) begins with the day on which the time of its flotation falls; and
- (b) ends with the end of the last financial year of the company to end before 1st April 1997.
- (3) Where—
- (a) sub-paragraph (2) above applies for determining a company’s initial period, and
- (b) there is a financial year of that company beginning before but ending after the beginning of that initial period,
- the amount which for that year is shown as mentioned in paragraph 5(2) above shall be included in the sums added together for the purposes of paragraph 5(1) above to the extent only that that amount is attributable, on an apportionment made in accordance with the following provisions of this paragraph, to the part of that year falling within the company’s initial period.
- (4) Except in a case where sub-paragraph (5) below applies, an apportionment for the purposes of sub-paragraph (3) above shall be made on a time basis according to the respective lengths of—
- (a) the part of the financial year falling before the beginning of the company’s initial period; and

Status: This is the original version (as it was originally enacted).

- (b) the remainder of that financial year.
- (5) Where the circumstances of a particular case are such that—
 - (a) the making of an apportionment on the basis mentioned in sub-paragraph (4) above would work in a manner that would be unjust or unreasonable, but
 - (b) it would be just and reasonable to make the apportionment on the alternative basis,the apportionment shall be made, instead, on the alternative basis.
- (6) For the purposes of this paragraph an apportionment in the case of any company of the amount shown for any financial year as a profit for that year is made on the alternative basis where it is made according to how much of that profit accrued in each of the two parts of that financial year that are mentioned in sub-paragraph (4) above.

Apportionment between demerged successors and predecessors

- 7
- (1) This paragraph applies where—
 - (a) a company (“the predecessor company”) was benefitting on 2nd July 1997 from a windfall from the flotation of an undertaking whose privatisation involved the imposition of economic regulation; and
 - (b) another company which on that date was a demerged successor of the predecessor company is also taken for the purposes of this Part to have been benefitting from such a windfall on that date.
 - (2) Where this paragraph applies—
 - (a) the amount of the windfall from which the predecessor company was benefitting on 2nd July 1997 shall be equal to only the appropriate fraction of the amount (“the total windfall”) which (but for this paragraph) would have been the amount of that windfall under paragraphs 1 to 6 above; and
 - (b) the amount of the windfall from which the demerged successor shall be taken to have been benefitting on that date shall be equal to the remainder of the total windfall.

- (3) In this paragraph “the appropriate fraction” means the following fraction—

$$\frac{\mathbf{P}}{\mathbf{P} + \mathbf{S}}$$

Where—

P is the amount produced by multiplying the number of shares comprised at the end of the relevant day in the ordinary share capital of the predecessor company by the market price on that day of an ordinary share in that company; and

S is the amount produced by multiplying the number of shares comprised at the end of the relevant day in the ordinary share capital of the demerged successor by the market price on that day of an ordinary share in the demerged successor.

- (4) For the purposes of this paragraph references to the market price of shares on any day are references to the sum of—
 - (a) the lower of the two prices shown in the Stock Exchange Daily Official List for that day as the closing prices for the shares on that day; and
 - (b) one half of the difference between those two prices.

Status: This is the original version (as it was originally enacted).

- (5) In this paragraph “the relevant day” means the day on which shares in the demerged successor were first listed on the Official List of the Stock Exchange.

General interpretation of the Schedule

- 8 (1) In this Schedule “financial year”, in relation to a company, means (subject to sub-paragraph (2) below)—
- (a) a financial year of that company within the meaning of Part VII of the Companies Act 1985; or
 - (b) any period which—
 - (i) began before the coming into force of section 3 of the Companies Act 1989 (new definition of financial year); and
 - (ii) was a financial year of that company for the purposes of that Part, as it had effect without the amendments made by that section.
- (2) Sub-paragraph (1) above does not apply to a company formed and registered in Northern Ireland; and in relation to such a company, references in this Schedule to a financial year are references to a financial year within the meaning of Part VIII of the Companies (Northern Ireland) Order 1986.
- (3) In this Schedule references, in relation to a company privatised by means of a flotation, to the shares offered for disposal on the occasion of the company’s flotation are references to the following shares in that company, that is to say—
- (a) those that were the subject-matter of the offer to the public in respect of which that company is regarded for the purposes of this Part as having been so privatised; and
 - (b) any publicly-owned shares not falling within paragraph (a) above that were the subject-matter of an offer for disposal made on the same occasion as the offer mentioned in that paragraph.
- (4) References in this Schedule to an offer for the disposal of shares in a company include references to any offer to transfer or confer an immediate or contingent right to or interest in any such shares, whether or not for a consideration; and (subject to sub-paragraph (5) below) references to the shares that are the subject-matter of such an offer shall be construed accordingly.
- (5) For the purposes of sub-paragraph (3) above where—
- (a) an offer for the disposal of publicly-owned shares in a company contained provision for a person to become entitled to further shares in that company if he satisfied conditions specified in the offer, and
 - (b) those conditions included a condition as to the period for which shares in that company continued to be held by that person,
- shares which (apart from this sub-paragraph) would fall to be treated as the subject-matter of the offer by virtue only of that provision shall be treated as the subject-matter of the offer to the extent only that persons did in fact become entitled to them before 2nd July 1997 as a result of having satisfied the conditions in question.
- (6) In this Schedule a reference, in relation to any time, to the ordinary share capital of a company is a reference to the following, taken together, that is to say—
- (a) the shares comprised in the ordinary share capital of the company (within the meaning of the Tax Acts); and

- (b) any shares that would have been so comprised at that time if the issued share capital of the company at that time had included any shares in the company that had been allotted but not issued.

- (3) Where the amount of any assessment to windfall tax is reduced, the company assessed shall not for the purposes of this paragraph be treated, at any time after the reduction, as having been already assessed to the amount of windfall tax comprised in the reduction.

 - (a) shall be deemed (subject to the provisions of this Schedule) to be an amount of windfall tax with which that company is charged; and
 - (b) subject to the provisions of this Part about the payment of windfall tax in instalments, may be recovered accordingly.
 - (6) Liability to pay an instalment of windfall tax does not depend on the making of an assessment; and nothing in the provisions of this Schedule about the making of assessments shall affect the times which are taken for the purposes of this Part to be the times by which companies are required under paragraph 3 above to pay instalments of windfall tax.

Claims to relieve double assessment

- 7
- (1) If, on a claim made to the Board, it appears to their satisfaction that a company has been assessed to the same amount of windfall tax more than once, the Board shall direct that so much of any assessment made on that company under this Schedule as appears to them to be excessive is to be vacated.

 - (b) that there was no unreasonable delay in the making of that application;
- and, where the Board are not so satisfied, they shall refer the application to the Special Commissioners, who (if they are so satisfied) may themselves allow the appeal to be brought out of time.
- (5) The Special Commissioners—
- (a) may allow grounds in addition to those specified in the notice of appeal to be put forward on an appeal under this paragraph; and

Status: This is the original version (as it was originally enacted).

- (b) may take the additional grounds into consideration if they are satisfied that their omission from the notice was neither wilful nor unreasonable.
- (6) Section 55 of the Management Act (postponement of tax to which an appeal relates) shall apply to an appeal under this paragraph against an assessment under this Schedule as it applies to an appeal against an assessment mentioned in subsection (1) of that section but as if, in that section—

Procedures on appeal

- 11 (1) Subject to the following provisions of this paragraph, the following provisions of the Management Act shall apply for the purposes of and in relation to appeals to the Special Commissioners under paragraph 9 above as they apply for the purposes of or in relation to appeals to the Special Commissioners under the Tax Acts, that is to say—
 - (a) section 46A (regulations about the jurisdiction of the Special Commissioners);
 - (b) section 54 (settling appeals by agreement);
 - (c) section 56A (appeals from the Special Commissioners);
 - (d) sections 56B to 56D (regulations about practice and procedure etc.).
- (2) The Special Commissioners (Jurisdiction and Procedure) Regulations 1994 shall have effect, with the necessary modifications, in relation to appeals to the Special Commissioners under this Schedule as they have effect in relation to appeals to the Special Commissioners under the Tax Acts; but this sub-paragraph shall be without prejudice to the power of the Lord Chancellor, by virtue of sub-paragraph (1) above, to modify those regulations as applied by this sub-paragraph.

Status: This is the original version (as it was originally enacted).

- (b) in determining whether an amount received by way of dividend exceeds a normal return, regard shall be had to the length of time previous to the receipt of that amount since the claimant first acquired any of the relevant shares or securities and to any dividends and other distributions made in respect of them during that time.

“403A Limits on group relief

 - (a) the unused part of the surrenderable amount for the overlapping period; and
 - (b) the unrelieved part of the claimant company’s total profits for the overlapping period.

 - (b) the unrelieved part of the claimant company’s total profits for the overlapping period is the amount of its total profits for that period reduced by the amount of any previously claimed group relief attributable to the overlapping period.
- (3) For the purposes of any claim for group relief—

Status: This is the original version (as it was originally enacted).

- (a) the surrenderable amount for the overlapping period is so much of the surrenderable amount for the accounting period of the surrendering company to which the claim relates as is attributable, on an apportionment in accordance with section 403B, to the overlapping period;
 - (b) the surrenderable amount for an accounting period of the surrendering company is the total amount for that accounting period of the losses and other amounts which (disregarding this section and section 403C) are available in that company's case for set off by way of group relief; and
 - (c) the amount of the claimant company's total profits for the overlapping period is so much of its total profits for the claim period as is attributable, on an apportionment in accordance with section 403B, to the overlapping period.
- (4) In relation to any claim for group relief ("the relevant claim") the amount of the prior surrenders attributable to the period which is the overlapping period in the case of the relevant claim is equal to the aggregate amount (if any) produced by—
- (a) taking the amount of every claim for group relief (whether a group claim or a consortium claim) which—
 - (i) has been made before the relevant claim,
 - (ii) was made in respect of the whole or any part of the amount which, in relation to the relevant claim, is the surrenderable amount for the accounting period of the surrendering company to which the claim relates, and
 - (iii) has not been withdrawn;
 - (b) treating the amount of group relief which (having regard to the provisions of this section) is allowable under each such claim as an amount of relief for the period which is the overlapping period in the case of that claim;
 - (c) determining how much of each amount treated in accordance with paragraph (b) above as an amount of relief for a particular period is attributable, on an apportionment in accordance with section 403B, to the period (if any) which is common to both—

 - (ii) the period which is the overlapping period in the case of the relevant claim;
- and
- (d) aggregating all the amounts determined under paragraph (c) above in respect of the previously made claims.

 - (i) has been made before the relevant claim,
 - (ii) was a claim to set off an amount by way of group relief against the claimant company's total profits for the period

Status: This is the original version (as it was originally enacted).

- which, in relation to the relevant claim, is the claim period,
and
- (iii) has not been withdrawn;
- (b) treating the amount of group relief which (having regard to the provisions of this section) is allowable under each such claim as an amount of relief for the period which is the overlapping period in the case of that claim;
- (c) determining how much of each amount treated in accordance with paragraph (b) above as an amount of relief for a particular period is attributable, on an apportionment in accordance with section 403B, to the period (if any) which is common to both—
- (i) that period; and
- (ii) the period which is the overlapping period in the case of the relevant claim;

- (a) every claim that became incapable of being withdrawn before that time were a claim made before the finalised claim; and
- (b) every claim that remains capable of being withdrawn at that time were a claim made after the finalised claim.
- (7) Subject to subsection (6) above and without prejudice to any power to withdraw and resubmit claims, where (but for this subsection) more than one claim for group relief would be taken for the purposes of subsections (4) and (5) above to have been made at the same time, those claims shall be deemed, instead, to have been made—
- (a) in such order as the company or companies making them may, by notice to any officer of the Board, elect or, as the case may be, jointly elect; and
- (b) if there is no such election, in such order as an officer of the Board may direct.
- (8) In this section “the overlapping period”, in relation to a claim for group relief, means (subject to subsection (9) below and section 406(3) and (7)) the period which is common to both—
- (a) the claim period; and
- (b) the accounting period of the surrendering company to which the claim relates.
- (9) For the purposes of this section any time in the period which, in relation to any claim for group relief, is common to both the accounting periods mentioned in subsection (8) above but which is a time when the qualifying conditions were not satisfied—
- (a) shall be treated as not comprised in the period which is the overlapping period in the case of that claim; and

Status: This is the original version (as it was originally enacted).

- (b) shall be treated instead, in relation to each of those accounting periods, as if it constituted a part of that accounting period which was not common to both periods.
- (10) For the purposes of subsection (9) above the qualifying conditions are satisfied in relation to any claim for group relief at the following times, that is to say—
 - (a) if the claim is a group claim, whenever the claimant company and the surrendering company are both members of the same group; and
 - (b) if the claim is a consortium claim, whenever the conditions specified in section 402(3) for the making of that claim are satisfied in the case of the claimant company and the surrendering company.

403B Apportionments under section 403A

- (1) Subject to subsection (2) below, where an apportionment falls to be made under section 403A for the purpose of determining how much of an amount for any period (“the first period”) is attributable to any other period (“the second period”) which comprises the whole or a part of the first period—
 - (a) the whole of that amount shall be attributed to the second period if the first and second periods begin and end at the same times; and
 - (b) in any other case, the apportionment shall be made on a time basis according to how much of the first period coincides with the second period.
- (2) Where the circumstances of a particular case are such that the making on the time basis mentioned in subsection (1)(b) above of some or all of the apportionments to be made in that case would work in a manner that would be unjust or unreasonable in relation to any person, those apportionments shall be made instead (to the extent only that is necessary in order to avoid injustice and unreasonableness) in such other manner as may be just and reasonable.

403C Special rules for consortium cases

- (1) Where—
 - (a) in the case of a consortium claim, the surrendering company is a member of the consortium, and
 - (b) the amount produced by multiplying the surrenderable amount for the overlapping period by the relevant fraction is less than the smaller of the amounts given by subsection (1)(a) and (b) of section 403A,

the amount which, on that claim, may be set off against the total profits of the claimant company for the claim period shall not exceed the amount produced by that multiplication.

- 6 Sections 408, 409 and 411(2) to (9) (which limit group relief where the accounting periods of the claimant company and the surrendering company do not coincide and where companies join and leave groups and make other provision for excluding double relief) shall cease to have effect.
- 7 In section 413 (interpretation), after subsection (2) there shall be inserted the following subsection—

Commencement

- 9 (1) This Schedule has effect, subject to sub-paragraphs (2) to (4) below, in relation to any claim for group relief if—
- (a) the accounting period of the claimant company for which relief is claimed, or
 - (b) the accounting period of the surrendering company to which that claim relates,
- is an accounting period ending on or after 2nd July 1997.
- (2) This Schedule does not apply in relation to any claim for group relief for which the overlapping period for the purposes of section 403A of the Taxes Act 1988 would be a period falling entirely before 2nd July 1997.
- (3) Where in the case of any claim for group relief the overlapping period begins before but ends on or after 2nd July 1997, the maximum amount which in the claimant’s case is allowable on that claim by way of group relief shall (instead of being determined in accordance with this Schedule) be the amount determined by—
- (a) taking the maximum amount that would have been allowable on that claim if this Schedule had not been enacted; and
 - (b) reducing that amount by the amount (if any) of the relief withdrawn in respect of the part of the claimant company’s accounting period beginning with 2nd July 1997.

Status: This is the original version (as it was originally enacted).

- (4) For the purposes of sub-paragraph (3) above the relief withdrawn in respect of the part of the claimant company's accounting period beginning with 2nd July 1997 is the amount (if any) by which the amount specified in paragraph (a) below exceeds the amount specified in paragraph (b) below, that is to say—
- (a) the maximum amount which would have been allowable by way of group relief on the claimant company's claim if this Schedule had not been enacted but it were assumed that the qualifying conditions were not satisfied in relation to that claim at any time before 2nd July 1997; and
 - (b) the maximum amount which would be allowable by way of group relief on that claim if that were assumed but relief fell to be given in accordance with Chapter IV of Part X of the Taxes Act 1988 as amended by this Schedule.
- (5) For the purposes of sub-paragraph (4) above an assumption in relation to any claim that the qualifying conditions were not satisfied at a particular time is an assumption that, at that time, the claimant company and the surrendering company—
- (a) were not both members of the same group; and
 - (b) did not satisfy in relation to each other the conditions specified in section 402(3) of the Taxes Act 1988 for the making of a consortium claim.
