[F8(2A) Arrangements made under subsection (1) may allow the parent of a child to express preferences for more than one school; but nothing in this section requires the admission authority for a maintained school for which a child's parent has expressed a preference to offer the child admission to the school if, in accordance with a scheme adopted or made by virtue of section 89B, the child is offered admission to a different school for which the parent has also expressed a preference.]

- (b) F10

- (a) the arrangements for admission to the school for secondary education suitable to the requirements of pupils who are over compulsory school age, or

(4) For the purposes of subsection (3)(a) prejudice of the kind referred to in that provision may arise by reason of measures required to be taken in order to ensure compliance with the duty imposed by section 1(6) (duty of local education authority and governing body to comply with limit on infant class sizes).

[F12(5) No prejudice shall be taken to arise for the purposes of subsection (3)(a) from the admission to a maintained school in a school year of a number of pupils in a relevant age group which does not exceed the number determined under section 89 as the number of pupils in that age group that it is intended to admit to the school in that year; but this subsection does not apply if the conditions set out in subsection (5A) are met in relation to the school and the school year.

 - (b) the admission to the school in that year otherwise than as boarders of a number of pupils in a relevant age group which does not exceed the number determined under section 89 as the number of pupils in that age group that it is intended to admit to the school in that year otherwise than as boarders.]
- (6) [^{F13}Where—
- (a) the admission arrangements for two or more maintained schools provide for co-ordinated admissions on the part of those schools, and
 - (b) they are approved by the Secretary of State for the purposes of this subsection, they shall have effect in relation to each of those schools despite anything in subsection (2).]

(7) Where the arrangements for the admission of pupils to a maintained school provide for applications for admission to be made to (or to a person acting on behalf of) the governing body of the school, a parent who makes such an application shall be regarded for the purposes of this section as having expressed a preference for that school in accordance with arrangements made under subsection (1).

(8) The duty imposed by subsection (2) in relation to a preference expressed in accordance with arrangements made under subsection (1) shall apply also in relation to—

 - (a) any application for the admission to a maintained school of a child who is not in the area of the authority maintaining the school, and

(9) Where admission arrangements for a school [^{F15}, or arrangements such as are mentioned in subsection (3B), provide for all pupils selected under the arrangements] to be selected by reference to ability or aptitude, those arrangements shall be taken for the purposes of this section to be wholly based on selection by reference to ability or aptitude, whether or not they also provide for the use of additional criteria in circumstances where the number of children in a relevant age group who are assessed to be of the requisite ability or aptitude is greater than the number of pupils which it is intended to admit to the school in that age group.
