- (2) Where—
- (a) an individual holds shares (“the existing holding”) which form part of the ordinary share capital of a company,
  - (b) there is, by virtue of any such allotment for payment as is mentioned in section 126(2)(a), a reorganisation affecting the existing holding, and

- (2) For the purposes of this Schedule, deferral relief attributable to any old shares shall be attributable instead to the new shares for which they are exchanged.

- (a) the new shares had been subscribed for at the time when, and for the amount for which, the old shares were subscribed for;
  - (b) the new shares had been issued by the new company at the time when the old shares were issued by the old company; and
  - (c) the claim under this Schedule made in respect of the old shares had been made in respect of the new shares.
- (5) Where deferral relief becomes so attributable to any new shares—
- (a) this Schedule shall have effect as if anything which, under paragraph 1A(5) above, paragraph 16 below or section 306(2) of the Taxes Act as applied by paragraph 6 above has been done, or is required to be done, by or in relation to the old company had been done, or were required to be done, by or in relation to the new company; and
  - (b) any appeal brought by the old company against a notice under paragraph 1A(5)(b) may be prosecuted by the new company as if it had been brought by that company.
- (6) For the purposes of this paragraph old shares and new shares are of a corresponding description if, on the assumption that they were shares in the same company, they would be of the same class and carry the same rights; and in sub-paragraph (1) above references to shares, except in the expressions “eligible shares” and “subscriber shares”, include references to securities.

- (4) The condition is that at some time before the issue of the new shares—
- (a) the company issuing them issued eligible shares, and
