COMMENTARY ON SECTIONS

Part Vi – Child Minding and Day Care for Young Children

Section 79 Amendment of the Children Act 1989

Registration

Section 79J Resignation of registration

199. This section makes new provision for child minders and day care providers to voluntarily give up their registration. This will be helpful, for example, in ensuring that information for parents seeking child care provision relates only to active providers. However, resignation of registration is not permitted in circumstances where cancellation of registration is a possibility.
