- (3) The code may make different provision in relation to persons, cases or circumstances of different descriptions.
- (4) The Authority may at any time alter or replace the code.
- (5) If the code is altered or replaced, the altered or replacement code must be issued by the Authority.
- (6) A code issued under this section must be published by the Authority in the way appearing to the Authority to be best calculated to bring it to the attention of the public.

- (8) The Authority may charge a reasonable fee for providing a person with a copy of the code.

120 Provisions included in the Authority’s code by reference to the City Code.

- (1) The Authority may include in a code issued by it under section 119 (“the Authority’s code”) provision to the effect that in its opinion behaviour conforming with the City Code—

 - (b) does not amount to market abuse in specified circumstances; or
 - (c) does not amount to market abuse if engaged in by a specified description of person.
- (2) But the Treasury’s approval is required before any such provision may be included in the Authority’s code.
- (3) If the Authority’s code includes provision of a kind authorised by subsection (1), the Authority must keep itself informed of the way in which the Panel on Takeovers and Mergers interprets and administers the relevant provisions of the City Code.

- (5) “Specified” means specified in the Authority’s code.

121 Codes: procedure.

 - (b) notice that representations about the proposal may be made to the Authority within a specified time.
- (3) Before issuing the proposed code, the Authority must have regard to any representations made to it in accordance with subsection (2)(b).
- (4) If the Authority issues the proposed code it must publish an account, in general terms, of—
- (a) the representations made to it in accordance with subsection (2)(b); and

- (5) If the code differs from the draft published under subsection (1) in a way which is, in the opinion of the Authority, significant—
- (a) the Authority must (in addition to complying with subsection (4)) publish details of the difference; and

122 Effect of the code.

- (1) If a person behaves in a way which is described (in the code in force under section 119 at the time of the behaviour) as behaviour that, in the Authority’s opinion, does not amount to market abuse that behaviour of his is to be taken, for the purposes of this Act, as not amounting to market abuse.
- (2) Otherwise, the code in force under section 119 at the time when particular behaviour occurs may be relied on so far as it indicates whether or not that behaviour should be taken to amount to market abuse.
