- (4) On and after the day on which the conditions in subsections (2) and (3) above become satisfied in the case of an asset, the only accounting method authorised for the purposes of this Chapter for use by any company as respects a creditor relationship represented by the asset shall be an authorised mark to market basis of accounting.
- (5) Where section 90 below applies in consequence of subsection (4) above, no debit shall be brought into account under subsection (2)(c) or (3)(b) of that section.
- (6) In determining the fair value of an asset for any purpose of this section it shall be assumed that all amounts payable by the debtor will be paid in full as they fall due.”.

(2) This section has effect on and after the relevant day.

- (3) Where an authorised mark to market basis of accounting—
- (a) is required by virtue of this section to be used on and after the relevant day as respects a creditor relationship of a company, but
 - (b) was not being used immediately before that day as respects the relationship,

the asset representing the relationship shall be treated for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 as having been acquired by the company for the asset’s fair value (as determined for the purposes of section 88A of that Act) on the relevant day.

(4) For the purposes of this section “the relevant day” is—

 - (a) for “the right” substitute “the rights”, and
 - (b) omit “and”.
- (9) After paragraph (e) insert—

 - (ii) in a case where exercising the rights to acquire shares to their full extent would not confer an entitlement to a whole number of shares, wholly by shares and a cash adjustment in respect of the fraction of a share so arising, and the ending of the creditor relationship; and”.

(10) After subsection (1) insert—

“(1A) In subsection (1) above—

(a) “the relevant shares” means the shares which would be acquired by exercising the rights attached to the asset to their full extent, and

(b) “the relevant time” means the time at which the rights to acquire those shares are exercised.”.

(12) In consequence of the amendments made by this section and sections 73 and 74, the sidenote becomes “Convertible securities etc: creditor relationships”.

(14) Subsection (15) has effect where—

 - (1F) If, in the case of an asset representing a creditor relationship of a company, the company and the company which is the issuing company in relation to that asset become companies between which, for any accounting period, there is a connection—
 - (a) the asset shall cease to be an asset to which this section applies, and
 - (b) it shall be treated, for the purposes of subsection (7)(a) below, as having ceased to be such an asset at the time when the circumstances giving rise to that connection arose.

 - (b) which equates, in substance, to the return on an investment of money at interest.
- (4) For the purposes of subsection (3) above the cases where risks from fluctuations in the underlying subject matter are eliminated or reduced shall be deemed to include any case where the main reason, or one of the main reasons, for the choice of that subject matter is—

 - (b) when a balancing period ends, a new one begins;

 - (d) unless the supplier specifies an earlier time, that time is the time when he is treated as making the first of the exempt CHP supplies;
 - (e) when an averaging period ends, a new one begins;
 - (f) an averaging period ends once it has run for two years (but may end sooner under paragraph (g) or sub-paragraph (4)(a) or (5)(a));
 - (g) if the supplier stops making exempt CHP supplies, the end of the balancing period in which he makes the last exempt CHP supply is also the end of the averaging period in which the balancing period falls.
- (3) At the end of each balancing period calculate—
- (a) the total of—
 - (i) the quantity of CHP electricity that the supplier acquired or generated in that period, and
 - (ii) any balancing credit carried forward to that balancing period; and

 - (a) is made at the end of the balancing period, and
 - (b) is a supply of a quantity of electricity equal to the difference between the two totals.
- For the purposes of this Schedule, the amount for which the supplier is liable to account shall be treated as an amount of levy for which he is liable to account for an accounting period ending at the end of the balancing period.
- (8) Where sub-paragraph (7) does not apply, a balancing debit equal to the difference between the two totals is carried forward to the next balancing period.”.

- (6) References to “the grossed-up amount” of an estimate of the amount of a brewery’s production in a calendar year are to the amount given by—

$$\frac{E}{(365 - N)} \times 365$$

where—

E is the amount of the estimate, and

N is the number of days (if any) in the calendar year before the brewery begins to be used as beer-production premises.

36C Meaning of “small brewery beer”: beer from singleton breweries

- (1) This section applies to beer produced in a brewery at a time in a calendar year (“the current year”) when the brewery is a singleton brewery.
- (2) The beer is “small brewery beer” if the following conditions are satisfied; but this is subject to subsections (9) and (10) below.
- (3) The first condition is that either—
 - (a) no beer was produced in the brewery in the previous calendar year (“the previous year”), or

- (b) the amount of beer produced in the brewery in the previous year was not more than 30,000 hectolitres.
- (4) For the purposes of subsection (3)(b) above, where the brewery was in use as beer-production premises during part only of the previous year, the amount of beer produced in the previous year in the brewery shall be taken to have been –

$$\frac{A}{D} \times 365$$

where –

A is the amount of beer actually produced in the previous year in the brewery, and

D is the number of days in that part of the previous year.

- (5) The second condition is that the amount of the estimate under subsection (9) below of the brewery's production in the current year is not more than 30,000 hectolitres.
- (6) The third condition is that if the brewery begins to be used as beer-production premises part-way through the current year, the grossed-up amount of that estimate is not more than 30,000 hectolitres.
- (7) The fourth condition is that less than half of the beer produced in the brewery in the previous year was produced under licence.
- (8) The fifth condition is that the beer is not produced under licence.
- (9) Beer produced in the brewery in the current year before the person who first produces beer in the brewery in that year has made a reasonable estimate of the amount of beer that will be produced in the brewery in that year is not small brewery beer.
- (10) Beer produced in the brewery in the current year after the amount of beer produced in the brewery in the current year has reached 30,000 hectolitres is not small brewery beer.
- (11) Subsection (10) above is without prejudice to section 167(4) of the Customs and Excise Management Act 1979 (recovery of duty unpaid by reason of untrue document or statement).

36D Rate of duty for small brewery beer from singleton breweries

- (1) This section applies to small brewery beer produced in a brewery at a time in a calendar year ("the current year") when the brewery is a singleton brewery.
- (2) The rate of duty in the case of that beer ("the brewery rate") is determined in accordance with this section.
- (3) Subsection (4) below applies if –
- (a) beer was produced in the brewery in the previous calendar year ("the previous year") and the amount produced in the brewery in that year was not more than 5,000 hectolitres, or
 - (b) no beer was produced in the brewery in the previous year and the grossed-up amount of the estimate under section

36C(9) above of the brewery’s production in the current year is not more than 5,000 hectolitres.

- (4) If this subsection applies, “the brewery rate” is 50% of the standard beer duty rate at the time concerned; but this is subject to rounding under subsection (7) below.
- (5) Subsection (6) below applies if –
- (a) beer was produced in the brewery in the previous year and the amount produced in the brewery in that year was more than 5,000 hectolitres but not more than 30,000 hectolitres, or
 - (b) no beer was produced in the brewery in the previous year and the grossed-up amount of the estimate under section 36C(9) above of the brewery’s production in the current year is more than 5,000 hectolitres but not more than 30,000 hectolitres.
- (6) If this subsection applies, “the brewery rate” is, subject to rounding under subsection (7) below, given by –

$$\frac{P - 2,500}{P} \times \text{the standard beer duty rate at the time concerned}$$

where –

if this subsection applies by reason of subsection (5)(a) above, P is the amount, in hectolitres, of beer produced in the brewery in the previous year, and

if this subsection applies by reason of subsection (5)(b) above, P is the grossed-up amount (expressed in hectolitres) mentioned in subsection (5)(b).

- (7) Where a rate given by subsection (4) or (6) above would (apart from this subsection) not be a whole number of pennies, the rate given by that subsection shall be taken to be the rate actually given by that subsection rounded up to the nearest penny.
- (8) Where the brewery was in use as beer-production premises during part only of the previous year, for the purposes of subsections (3)(a), (5)(a) and (6) above the amount of beer produced in the brewery in the previous year shall be taken to have been –

$$\frac{A}{D} \times 365$$

where –

A is the amount of beer actually produced in the previous year in the brewery, and

D is the number of days in that part of the previous year.

36E Meaning of “small brewery beer”: beer from co-operated breweries

- (1) This section applies to beer produced in a brewery at a time in a calendar year (“the current year”) when the brewery is a co-operated brewery.

- (2) The beer is “small brewery beer” if the following conditions are satisfied; but this is subject to subsections (10) and (11) below.
- (3) In this section –
- “the group” means the group of breweries consisting of –
- (a) the co-operated brewery, and
 - (b) every brewery (other than the co-operated brewery) in which beer is produced at the time mentioned in subsection (1) above, or at any earlier time in the current year, by –
 - (i) a person who produces beer in the co-operated brewery at the time so mentioned or at any earlier time in the current year, or
 - (ii) a person connected with such a person;
- “group brewery” means a brewery that is in the group;
- “the previous year” means the calendar year immediately preceding the current year.
- (4) The first condition is that either –
- (a) no beer was produced in the previous year in the group, or
 - (b) the amount given by $PY + GE$ is not more than 30,000 hectolitres, where –

PY is the amount of beer produced in the previous year in the group, and

GE is the aggregate of the grossed-up amount of each estimate that –

 - (i) is an estimate for the purposes of subsection (10) below of the amount of the production in the current year in a group brewery in which no beer was produced in the previous year, and
 - (ii) is made no later than the time mentioned in subsection (1) above.
- (5) For the purposes of subsection (4)(b) above, where a group brewery was in use as beer-production premises during part only of the previous year, the amount of beer produced in the previous year in that brewery shall be taken to have been –

$$\frac{A}{D} \times 365$$

where –

A is the amount of beer actually produced in the previous year in that brewery, and

D is the number of days in that part of the previous year.

- (6) The second condition is that the aggregate of each estimate that –
- (a) is an estimate for the purposes of subsection (10) below of the amount of a group brewery’s production in the current year, and
 - (b) is made no later than the time mentioned in subsection (1) above,
- is not more than 30,000 hectolitres.

- (7) The third condition is that if any group brewery begins to be used as beer-production premises part-way through the current year, the aggregate of the grossed-up amount of each estimate that –
- (a) is an estimate for the purposes of subsection (10) below of the amount of a group brewery’s production in the current year, and
 - (b) is made no later than the time mentioned in subsection (1) above,
- is not more than 30,000 hectolitres.
- (8) The fourth condition is that less than half of the beer produced in the previous year in each group brewery was produced under licence.
- (9) The fifth condition is that the beer is not produced under licence.
- (10) Beer produced in the co-operated brewery at an unestimated time is not small brewery beer; and here “unestimated time” means a time in the current year when there is a group brewery for which there does not exist a reasonable estimate, made by the person who first produces beer in that brewery in that year, of the amount of beer that will be produced in that brewery in that year.
- (11) Beer produced in the co-operated brewery in the current year after the amount of beer produced in the group in the current year has reached 30,000 hectolitres is not small brewery beer.
- (12) Subsection (11) above is without prejudice to section 167(4) of the Customs and Excise Management Act 1979 (recovery of duty unpaid by reason of untrue document or statement).

36F Rate of duty for small brewery beer from co-operated breweries

- (1) This section applies to small brewery beer produced in a brewery at a time in a calendar year (“the current year”) when the brewery is a co-operated brewery.
- (2) The rate of duty in the case of that beer (“the brewery rate”) is determined in accordance with this section.
- (3) In this section –
- “the group” means the group of breweries consisting of –

 - (ii) a person connected with such a person;
- “group brewery” means a brewery that is in the group;
- “the previous year” means the calendar year immediately preceding the current year;
- “the notional previous year’s production” has the meaning given by subsection (4) below.

- (4) In this section “the notional previous year’s production” means the amount, in hectolitres, given by PY + GE where—
- PY is the amount of beer produced in the group in the previous year, and
- GE is the aggregate of the grossed-up amount of each estimate that—
- (a) is an estimate for the purposes of section 36E(10) above of the amount of the production in the current year in a group brewery in which no beer was produced in the previous year, and
 - (b) is made no later than the time mentioned in subsection (1) above.
- (5) Where a group brewery was in use as beer-production premises during part only of the previous year, in calculating PY for the purposes of subsection (4) above the amount of beer produced in that brewery in the previous year shall be taken to have been—

$$\frac{A}{D} \times 365$$

where—

A is the amount of beer actually produced in the previous year in that brewery, and

D is the number of days in that part of the previous year.

- (6) Subsection (7) below applies if—
- (a) beer was produced in at least one group brewery in the previous year and the notional previous year’s production is not more than 5,000 hectolitres, or
 - (b) no beer was produced in the group in the previous year and the aggregate of each estimate that—
 - (i) is an estimate for the purposes of section 36E(10) above of the amount of a group brewery’s production in the current year, and
 - (ii) is made no later than the time mentioned in subsection (1) above,
 is not more than 5,000 hectolitres.
- (7) If this subsection applies, “the brewery rate” is 50% of the standard rate at the time mentioned in subsection (1) above; but this is subject to rounding under subsection (10) below.
- (8) Subsection (9) below applies if—
- (a) beer was produced in at least one group brewery in the previous year and the notional previous year’s production is more than 5,000 hectolitres but not more than 30,000 hectolitres, or
 - (b) no beer was produced in the group in the previous year and the aggregate mentioned in subsection (6)(b) above is more than 5,000 hectolitres but not more than 30,000 hectolitres.
- (9) If this subsection applies, “the brewery rate” is, subject to rounding under subsection (10) below, given by—

$$\frac{P - 2,500}{P} \times \text{the standard rate}$$

where—

- if this subsection applies by reason of subsection (8)(a) above, P is the previous year's notional production,
- if this subsection applies by reason of subsection (8)(b) above, P is the amount, in hectolitres, of the aggregate mentioned in subsection (6)(b) above, and
- “the standard rate” means the standard beer duty rate at the time mentioned in subsection (1) above.

- (10) Where a rate given by subsection (7) or (9) above would (apart from this subsection) not be a whole number of pennies, the rate given by that subsection shall be taken to be the rate actually given by that subsection rounded up to the nearest penny.

36G Assessments where incorrectly low rate of duty applied

- (1) Subsection (3) below applies if—
- (a) duty is charged by section 36 above on any beer, and
 - (b) it appears at the excise duty point that the beer is small brewery beer for the purposes of section 36(1AA) above, but
 - (c) it turns out that the beer was not small brewery beer for those purposes (because, for example, circumstances were not as they appeared at that point or they subsequently changed).
- (2) Subsection (3) below also applies if—
- (a) duty is charged by section 36 above on any beer that is small brewery beer for the purposes of section 36(1AA) above, and
 - (b) the rate of duty that at the excise duty point appeared to be the correct rate turns out to have been lower than the correct rate (because, for example, circumstances were not as they appeared at that point or they subsequently changed).
- (3) In any such case the Commissioners—
- (a) may assess the amount that is the difference between—
 - (i) the actual amount of the duty charged on the beer by section 36 above, and
 - (ii) the lower amount that, at the excise duty point, appeared to be the amount charged,
 as being excise duty due from the person liable to pay the duty charged on the beer by section 36 above, and
 - (b) may notify him or his representative accordingly.
- (4) Where two or more persons are liable to pay the duty charged on the beer—
- (a) the reference in subsection (3)(a) above to the person liable to pay the duty is to any one or more of those persons, and
 - (b) the reference in subsection (3)(b) above to notifying the person liable or his representative is to notifying each person assessed or his representative.

 - (c) at a different reduced rate.
- (2) In this section –

“reduced rate” means a rate lower than the standard rate, and

 - (c) make such other consequential provision, and such incidental and transitional provision, as appears to the Treasury to be necessary or expedient.
- (4) A statutory instrument by which there is made an order under subsection (1) above shall be laid before the House of Commons after being made.

Unless the instrument is approved by the House of Commons before the expiration of 28 days beginning with the date on which the instrument was made, the order shall cease to have effect on the expiration of that period.

Where the order so ceases to have effect, that does not prejudice –

- (a) anything previously done under the order, or
- (b) the making of a new order.

In reckoning any such period of 28 days, no account shall be taken of any time during which Parliament is dissolved or prorogued or during which the House of Commons is adjourned for more than 4 days.”.

- 3 In section 49(1) of the Alcoholic Liquor Duties Act 1979 (c. 4) (beer regulations), after paragraph (j) insert –
 - “(k) requiring the production of certificates as to matters relating to beer imported into the United Kingdom and the beer’s production and producer, whether as alternative conditions for charging the duty on the beer at a rate lower than that specified by section 36(1AA)(a) above or as evidence that conditions for charging the duty at such a rate are satisfied.”.
- 4 (1) The Finance Act 1994 (c. 9) is amended as follows.

- (4) In section 14(1)(ba) (review of assessments), for “or 11” substitute “, 11 or 36G”.

- (a) in paragraph (a) for the words from the beginning to “chargeable assets” substitute “that company A is resident in the United Kingdom at the time of accrual, or the relevant asset (or, as the case may be, the property mentioned in section 179(3)(b)) is a chargeable asset”;
- (b) in paragraph (b) for “the assets” substitute “the new assets (within the meaning of section 152)”.
- (4) Immediately before subsection (2B) of that section (roll-over relief for group member not itself carrying on trade) insert—
- “(2AB) Section 152 or 153 shall apply where—
- (a) company B was not carrying on a trade at the time when it disposed of the relevant asset to company A, but was a member of a group of companies at that time, and
- (b) immediately before that time the relevant asset was used, and used only, for the purposes of the trade which (in accordance with subsection (1) above) is treated as carried on by the members of the group which carried on a trade,
- as if company B had been carrying on that trade.”.
- (5) In subsection (2B) of that section—
- (a) omit paragraph (a);
- (b) in paragraph (b), for “those purposes” substitute “the purposes of the trade which (in accordance with subsection (1) above) is treated as carried on by the members of the group which carry on a trade”.
- (6) Omit subsection (4) of that section (acquisitions before 20th March 1990).

- 8 (1) In subsection (3) of section 185 (no roll-over relief in certain cases where company acquires new assets after becoming non-resident)—

- “(1) If at the time of accrual the relevant asset (or, as the case may be, the property mentioned in section 179(3)(b)) was used by company A for the purposes of a ring fence trade carried on by it, section 152 or 153 shall not apply unless the new assets are on acquisition taken into use, and used only, for the purposes of that trade.”.
- (2) In subsection (3) of that section (new asset conclusively presumed to be depreciating asset), for “in relation to any of the consideration on a material disposal” substitute “in a case falling within subsection (1) above”.

SCHEDULE 8

Section 44(2)

CHARGEABLE GAINS: EXEMPTIONS IN CASE OF SUBSTANTIAL SHAREHOLDING

PART 1

NEW SCHEDULE 7AC TO THE TAXATION OF CHARGEABLE GAINS ACT 1992

- 1 The following Schedule is inserted after Schedule 7AB to the Taxation of Chargeable Gains Act 1992 (c. 12)—

“SCHEDULE 7AC

EXEMPTIONS FOR DISPOSALS BY COMPANIES WITH SUBSTANTIAL SHAREHOLDING

PART 1

THE EXEMPTIONS

The main exemption

- 1 (1) A gain accruing to a company (“the investing company”) on a disposal of shares or an interest in shares in another company

("the company invested in") is not a chargeable gain if the requirements of this Schedule are met.

- (2) The requirements are set out in –
 - Part 2 (the substantial shareholding requirement), and
 - Part 3 (requirements to be met in relation to the investing company and the company invested in).
- (3) The exemption conferred by this paragraph does not apply in the circumstances specified in paragraph 5 or the cases specified in paragraph 6.

Subsidiary exemption: disposal of asset related to shares where main exemption conditions met

- 2 (1) A gain accruing to a company ("company A") on a disposal of an asset related to shares in another company ("company B") is not a chargeable gain if either of the following conditions is met.
- (2) The first condition is that –
 - (a) immediately before the disposal company A holds shares or an interest in shares in company B, and
 - (b) any gain accruing to company A on a disposal at that time of the shares or interest would, by virtue of paragraph 1, not be a chargeable gain.
- (3) The second condition is that –
 - (a) immediately before the disposal company A does not hold shares or an interest in shares in company B but is a member of a group and another member of that group does hold shares or an interest in shares in company B, and
 - (b) if company A, rather than that other company, held the shares or interest, any gain accruing to company A on a disposal at that time of the shares or interest would, by virtue of paragraph 1, not be a chargeable gain.
- (4) Where assets of a company are vested in a liquidator under section 145 of the Insolvency Act 1986 or Article 123 of the Insolvency (Northern Ireland) Order 1989 or otherwise, this paragraph applies as if the assets were vested in, and the acts of the liquidator in relation to the assets were the acts of, the company (acquisitions from or disposals to him by the company being disregarded accordingly).
- (5) The exemption conferred by this paragraph does not apply in the circumstances specified in paragraph 5 or the cases specified in paragraph 6.

Subsidiary exemption: disposal of shares or related asset where main exemption conditions previously met

- 3 (1) A gain accruing to a company ("company A") on a disposal of shares, or an interest in shares or an asset related to shares, in another company ("company B") is not a chargeable gain if the following conditions are met.
- (2) The conditions are –

-
- (a) that at the time of the disposal company A meets the requirement in paragraph 7 (the substantial shareholding requirement) in relation to company B;
 - (b) that a chargeable gain or allowable loss would, apart from this paragraph, accrue to company A on the disposal (but see sub-paragraph (3) below);
 - (c) that at the time of the disposal—
 - (i) company A is resident in the United Kingdom, or
 - (ii) any chargeable gain accruing to company A on the disposal would, by virtue of section 10(3), form part of that company’s chargeable profits for corporation tax purposes;
 - (d) that there was a time within the period of two years ending with the disposal (“the relevant period”) when, if—
 - (i) company A, or
 - (ii) a company that at any time in the relevant period was a member of the same group as company A, had disposed of shares or an interest in shares in company B that it then held, a gain accruing would, by virtue of paragraph 1, not have been a chargeable gain; and
 - (e) that, if at the time of the disposal the requirements of paragraph 19 (requirements relating to company invested in) are not met in relation to company B, there was a time within the relevant period when company B was controlled by—
 - (i) company A, or
 - (ii) company A together with any persons connected with it, or
 - (iii) a company that at any time in the relevant period was a member of the same group as company A, or
 - (iv) any such company together with any persons connected with it.
- (3) Sub-paragraph (1) does not apply if—
- (a) the condition in sub-paragraph (2)(b) is met but would not be met but for a failure to meet the requirement in paragraph 18(1)(b) (requirement as to investing company to be met immediately after the disposal), and
 - (b) the failure to meet that requirement is not due to—
 - (i) the fact that company A has been wound up or dissolved, or
 - (ii) where the winding up or dissolution takes place as soon as is reasonably practicable in the circumstances, the fact that company A is about to be wound up or dissolved.
- (4) In determining for the purpose of sub-paragraph (2)(d) whether a gain accruing on the hypothetical disposal referred to would have been a chargeable gain, the requirements of paragraph 18(1)(b) and of paragraph 19(1)(b) (requirement as to company invested in to be met immediately after the disposal) shall be assumed to be met.
- (5) Where—

- (a) immediately before the disposal company B holds an asset,
 - (b) the expenditure allowable in computing any gain or loss on that asset, were it to be disposed of by company B immediately before that disposal, would fall to be reduced because of a claim to relief under section 165 (gifts relief) in relation to an earlier disposal, and
 - (c) that earlier disposal took place within the relevant period, sub-paragraph (1) does not prevent a gain accruing to company A on the disposal from being a chargeable gain but any loss so accruing is not an allowable loss.
- (6) Where assets of company B are vested in a liquidator under section 145 of the Insolvency Act 1986 or Article 123 of the Insolvency (Northern Ireland) Order 1989 or otherwise, sub-paragraph (5)(a) applies as if the assets were vested in the company.
- (7) In determining “the relevant period” for the purposes of sub-paragraph (2)(d) or (e) or sub-paragraph (5)(c), section 28 (time of disposal under contract) applies with the omission of subsection (2) (postponement of time of disposal in case of conditional contract).
- (8) The exemption conferred by this paragraph does not apply in the circumstances specified in paragraph 5 or the cases specified in paragraph 6.

Application of exemptions in priority to provisions deeming there to be no disposal etc

- 4 (1) For the purposes of determining whether an exemption conferred by this Schedule applies, the question whether there is a disposal shall be determined without regard to—
- (a) section 116(10) (reorganisation, conversion of securities, etc treated as not involving disposal),
 - (b) section 127 (share reorganisations etc treated as not involving disposal), or
 - (c) section 192(2)(a) (distribution not treated as capital distribution).
- (2) Sub-paragraph (1) does not apply to a disposal of shares if the effect of its applying would be that relief attributable to the shares under Schedule 15 to the Finance Act 2000 (corporate venturing scheme) would be withdrawn or reduced under paragraph 46 of that Schedule (withdrawal or reduction of investment relief on disposal of shares).
- (3) Where or to the extent that an exemption conferred by this Schedule does apply—
- (a) the provisions mentioned in sub-paragraph (1)(a) and (b) do not apply in relation to the disposal, and
 - (b) the provision mentioned in sub-paragraph (1)(c) does not apply in relation to the subject matter of the disposal.
- (4) Where section 127 is disapplied by sub-paragraph (3)(a) in a case in which that section would otherwise have applied in relation to the disposal by virtue of paragraph 84 of Schedule 15 to the

Finance Act 2000 (corporate venturing scheme: share exchanges), paragraph 85 of that Schedule (attribution of relief to new shares) does not apply.

- (5) In this paragraph any reference to section 127 includes a reference to that provision as applied by any enactment relating to corporation tax.

Circumstances in which exemptions do not apply

- 5 (1) Where in pursuance of arrangements to which this paragraph applies –
- (a) an untaxed gain accrues to a company (“company A”) on a disposal of shares, or an interest in shares or an asset related to shares, in another company (“company B”), and
 - (b) before the accrual of that gain –
 - (i) company A acquired control of company B, or the same person or persons acquired control of both companies, or
 - (ii) there was a significant change of trading activities affecting company B at a time when it was controlled by company A, or when both companies were controlled by the same person or persons,
 none of the exemptions in this Schedule applies to the disposal.
 - (2) This paragraph applies to arrangements from which the sole or main benefit that (but for this paragraph) could be expected to arise is that the gain on the disposal would, by virtue of this Schedule, not be a chargeable gain.
 - (3) For the purposes of sub-paragraph (1)(a) a gain is “untaxed” if the gain, or all of it but a part that is not substantial, represents profits that have not been brought into account (in the United Kingdom or elsewhere) for the purposes of tax on profits for a period ending on or before the date of the disposal.
 - (4) The reference in sub-paragraph (3) to profits being brought into account for the purposes of tax on profits includes a reference to the case where –
 - (a) an amount in respect of those profits is apportioned to a company resident in the United Kingdom by virtue of subsection (3) of section 747 of the Taxes Act 1988 (imputation of chargeable profits etc of controlled foreign companies), and
 - (b) a sum is chargeable on that company in respect of that amount by virtue of subsection (4) of that section for an accounting period of that company ending on or before the date of the disposal.
 - (5) For the purposes of sub-paragraph (1)(b)(ii) there is a “significant change of trading activities affecting company B” if –
 - (a) there is a major change in the nature or conduct of a trade carried on by company B or a 51% subsidiary of company B, or

- (b) there is a major change in the scale of the activities of a trade carried on by company B or a 51% subsidiary of company B, or
 - (c) company B or a 51% subsidiary of company B begins to carry on a trade.
- (6) In this paragraph –
- “arrangements” includes any scheme, agreement or understanding, whether or not legally enforceable;
 - “major change in the nature or conduct of a trade” has the same meaning as in section 768 of the Taxes Act (change of ownership of company: disallowance of trading losses);
 - “profits” means income or gains (including unrealised income or gains).

Other cases excluded from exemptions

- 6 (1) The exemptions conferred by this Schedule do not apply –
- (a) to a disposal that by virtue of any enactment relating to chargeable gains is deemed to be for a consideration such that no gain or loss accrues to the person making the disposal,
 - (b) to a disposal a gain on which would, by virtue of any enactment not contained in this Schedule, not be a chargeable gain, or
 - (c) to a deemed disposal under section 440(1) or (2) of the Taxes Act (deemed disposal on transfer of asset of insurance company from one category to another).
- (2) The hypothetical disposal referred to in paragraph 2(2)(b) or (3)(b) or paragraph 3(2)(d) shall be assumed not to be a disposal within sub-paragraph (1)(a), (b) or (c) above.

PART 2

THE SUBSTANTIAL SHAREHOLDING REQUIREMENT

The requirement

- 7 The investing company must have held a substantial shareholding in the company invested in throughout a twelve-month period beginning not more than two years before the day on which the disposal takes place.

Meaning of “substantial shareholding”

- 8 (1) For the purposes of this Schedule a company holds a “substantial shareholding” in another company if it holds shares or interests in shares in that company by virtue of which –
- (a) it holds not less than 10% of the company’s ordinary share capital,
 - (b) it is beneficially entitled to not less than 10% of the profits available for distribution to equity holders of the company, and

- (c) it would be beneficially entitled on a winding up to not less than 10% of the assets of the company available for distribution to equity holders.

This is without prejudice to what is meant by “substantial” where the word appears in other contexts.

- (2) Schedule 18 to the Taxes Act 1988 (meaning of equity holder and determination of profits or assets available for distribution) applies for the purposes of sub-paragraph (1).
- (3) In that Schedule as it applies for those purposes—
- (a) for any reference to sections 403C and 413(7) of that Act, or either of those provisions, substitute a reference to sub-paragraph (1) above;
 - (b) omit the words in paragraph 1(4) from “but” to the end;
 - (c) omit paragraph 5(3) and paragraphs 5B to 5F; and
 - (d) omit paragraph 7(1)(b).

Aggregation of holdings of group companies

- 9 (1) For the purposes of paragraph 7 (the substantial shareholding requirement) a company that is a member of a group is treated—
- (a) as holding any shares or interest in shares held by any other company in the group, and
 - (b) as having the same entitlement as any such company to any rights enjoyed by virtue of holding shares or an interest in shares.
- (2) Sub-paragraph (1) is subject to paragraph 17(4) (exclusion of aggregation in case of assets of long-term insurance fund of insurance company).

Effect of earlier no-gain/no-loss transfer

- 10 (1) For the purposes of this Part the period for which a company has held shares is treated as extended by any earlier period during which the shares concerned, or shares from which they are derived, were held—
- (a) by a company from which the shares concerned were transferred to the first-mentioned company on a no-gain/no-loss transfer, or
 - (b) by a company from which the shares concerned, or shares from which they are derived, were transferred on a previous no-gain/no-loss transfer—
 - (i) to a company within paragraph (a), or
 - (ii) to another company within this paragraph.
- (2) For the purposes of sub-paragraph (1)—
- (a) a “no-gain/no-loss transfer” means a disposal and corresponding acquisition that by virtue of any enactment relating to chargeable gains are deemed to be for a consideration such that no gain or loss accrues to the person making the disposal;
 - (b) a transfer shall be treated as if it had been a no-gain/no-loss transfer if it is a transfer to which subsection (1) of

section 171 (transfers within a group) would apply but for subsection (3) of that section.

- (3) Where sub-paragraph (1) applies to extend the period for which a company (“company A”) is treated as having held any shares, that company shall be treated for the purposes of this Part as having had at any time the same entitlement—
- (a) to shares, and
 - (b) to any rights enjoyed by virtue of holding shares,
- as the company (“company B”) that at that time held the shares concerned or, as the case may be, the shares from which they are derived.
- (4) The shares and rights to be so attributed to company A include any holding or entitlement attributed at that time to company B under paragraph 9 (aggregation of holdings of group companies).
- (5) In this paragraph, except in paragraphs (a) to (c) of sub-paragraph (6), “shares” includes an interest in shares.
- (6) For the purposes of this paragraph shares are “derived” from other shares only where—
- (a) a company becomes a co-owner of shares previously owned by it alone, or vice versa,
 - (b) a company’s interest in shares as co-owner changes (without the company ceasing to be a co-owner),
 - (c) one holding of shares is treated by virtue of section 127 as the same asset as another, or
 - (d) there is a sequence of two or more of the occurrences mentioned in paragraphs (a) to (c).

The reference in paragraph (c) to section 127 includes a reference to that provision as applied by any enactment relating to corporation tax.

Effect of deemed disposal and reacquisition

- 11 (1) For the purposes of this Part a company is not regarded as having held shares throughout a period if, at any time during that period, there is a deemed disposal and reacquisition of—
- (a) the shares concerned, or
 - (b) shares, or an interest in shares, from which those shares are derived.
- (2) For the purposes of this Part a company is not regarded as having held an interest in shares throughout a period if, at any time during that period, there is a deemed disposal and reacquisition of—
- (a) the interest concerned, or
 - (b) shares, or an interest in shares, from which that interest is derived.
- (3) In this paragraph—
- “deemed disposal and reacquisition” means a disposal and immediate reacquisition treated as taking place under any enactment relating to corporation tax;
- “derived” has the same meaning as in paragraph 10.

Effect of repurchase agreement

- 12 (1) This paragraph applies where—
- (a) a company that holds shares in another company transfers the shares under a repurchase agreement, and
 - (b) by virtue of section 263A(1) (agreements for sale and repurchase of securities) the disposal is disregarded for the purposes of the enactments relating to chargeable gains.
- (2) During the period of the repurchase agreement—
- (a) the original owner shall be treated for the purposes of this Part as continuing to hold the shares transferred and accordingly as retaining his entitlement to any rights attached to them, and
 - (b) the interim holder shall be treated for those purposes as not holding the shares transferred and as not becoming entitled to any such rights.

This is subject to the following qualification.

- (3) If at any time before the end of the period of the repurchase agreement the original owner, or another member of the same group as the original owner, becomes the holder—
- (a) of any of the shares transferred, or
 - (b) of any shares directly or indirectly representing any of the shares transferred,
- sub-paragraph (2) does not apply after that time in relation to those shares or, as the case may be, in relation to the shares represented by those shares.
- (4) In this paragraph a “repurchase agreement” means an agreement under which—
- (a) a person (“the original owner”) transfers shares to another person (“the interim holder”) under an agreement to sell them, and
 - (b) the original owner or a person connected with him is required to buy them back either—
 - (i) in pursuance of an obligation to do so imposed by that agreement or by any related agreement, or
 - (ii) in consequence of the exercise of an option acquired under that agreement or any related agreement.

For the purposes of paragraph (b) agreements are related if they are entered into in pursuance of the same arrangements (regardless of the date on which either agreement is entered into).

- (5) Any reference in this paragraph to the period of a repurchase agreement is to the period beginning with the transfer of the shares by the original owner to the interim holder and ending with the repurchase of the shares in pursuance of the agreement.

Effect of stock lending arrangements

- 13 (1) This paragraph applies where—
- (a) a company that holds shares in another company transfers the shares under a stock lending arrangement, and

- (b) by virtue of section 263B(2) (stock lending arrangements) the disposal is disregarded for the purposes of the enactments relating to chargeable gains.
- (2) During the period of the stock lending arrangement—
- (a) the lender shall be treated for the purposes of this Part as continuing to hold the shares transferred and accordingly as retaining his entitlement to any rights attached to them, and
 - (b) the borrower shall be treated for those purposes as not holding the shares transferred and as not becoming entitled to any such rights.
- This is subject to the following qualification.
- (3) If at any time before the end of the period of the stock lending arrangement the lender, or another member of the same group as the lender, becomes the holder—
- (a) of any of the shares transferred, or
 - (b) of any shares directly or indirectly representing any of the shares transferred,
- sub-paragraph (2) does not apply after that time in relation to those shares or, as the case may be, in relation to the shares represented by those shares.
- (4) In this paragraph a “stock lending arrangement” means arrangements between two persons (“the borrower” and “the lender”) under which—
- (a) the lender transfers shares to the borrower otherwise than by way of sale, and
 - (b) a requirement is imposed on the borrower to transfer those shares back to the lender otherwise than by way of sale.
- (5) Any reference in this paragraph to the period of a stock lending arrangement is to the period beginning with the transfer of the shares by the lender to the borrower and ending—
- (a) with the transfer of the shares back to the lender in pursuance of the arrangement, or
 - (b) when it becomes apparent that the requirement for the borrower to make a transfer back to the lender will not be complied with.
- (6) The following provisions apply for the purposes of this paragraph as they apply for the purposes of section 263B—
- (a) subsections (5) and (6) of that section (references to transfer back of securities to include transfer of other securities of the same description);
 - (b) section 263C (references to transfer back of securities to include payment in respect of redemption).

Effect in relation to company invested in of earlier company reconstruction etc

- 14 (1) This paragraph applies where shares in one company (“company X”)—
- (a) are exchanged (or deemed to be exchanged) for shares in another company (“company Y”), or

- (b) are deemed to be exchanged by virtue of section 136 for shares in company X and shares in another company (“company Y”),
 in circumstances such that, under section 127 as that section applies by virtue of section 135 or 136, the original shares and the new holding are treated as the same asset.
- (2) Where company Y –
- (a) is the company invested in, and is accordingly the company by reference to which the requirement of paragraph 7 (the substantial shareholding requirement) falls to be met, or
 - (b) is a company by reference to which, by virtue of this paragraph, that requirement may be met, or
 - (c) is a company by reference to which, by virtue of paragraph 15 (effect of earlier demerger) that requirement may be met,
- that requirement may instead be met, in relation to times before the exchange (or deemed exchange), by reference to company X.
- (3) If in any case that requirement can be met by virtue of this paragraph (or by virtue of this paragraph together with paragraph 15), it shall be treated as met.
- (4) In sub-paragraph (1) “original shares” and “new holding” shall be construed in accordance with sections 126, 127, 135 and 136.

Effect in relation to company invested in of earlier demerger

- 15 (1) This paragraph applies where shares in one company (“the subsidiary”) are transferred by another company (“the parent company”) on a demerger.
- (2) Where the subsidiary –
- (a) is the company invested in, and is accordingly the company by reference to which the requirement of paragraph 7 (the substantial shareholding requirement) falls to be met, or
 - (b) is a company by reference to which, by virtue of this paragraph, that requirement may be met, or
 - (c) is a company by reference to which, by virtue of paragraph 14 (effect of earlier company reconstruction etc), that requirement may be met,
- that requirement may instead be met, in relation to times before the transfer, by reference to the parent company.
- (3) If in any case that requirement can be met by virtue of this paragraph (or by virtue of this paragraph together with paragraph 14), it shall be treated as met.
- (4) In this paragraph a “transfer of shares on a demerger” means a transfer such that, by virtue of section 192(2)(b), sections 126 to 130 apply as if the parent company and the subsidiary were the same company and the transfer were a reorganisation of that company’s share capital not involving a disposal or acquisition.

Effect of investing company's liquidation

- 16 Where assets of the investing company, or of a company that is a member of the same group as the investing company, are vested in a liquidator under section 145 of the Insolvency Act 1986 or Article 123 of the Insolvency (Northern Ireland) Order 1989 or otherwise, this Part applies as if the assets were vested in, and the acts of the liquidator in relation to the assets were the acts of, the company (acquisitions from or disposals to him by the company being disregarded accordingly).

Special rules for assets of insurance company's long-term insurance fund

- 17 (1) In the following two cases paragraph 8(1) (meaning of substantial shareholding) has effect as if, in paragraphs (a), (b) and (c), “30%” were substituted for “10%”.
- (2) The first case is where the investing company is an insurance company and the disposal is of an asset of its long-term insurance fund.
- (3) The second case is where—
- (a) the investing company is a 51% subsidiary of an insurance company, and
 - (b) the insurance company holds as an asset of its long-term insurance fund shares or an interest in shares—
 - (i) in the investing company, or
 - (ii) in another company through which it owns shares in the investing company.

The reference in paragraph (b)(ii) to owning shares through another company has the same meaning as in section 838 of the Taxes Act (subsidiaries).
- (4) Where the investing company is a member of a group that includes an insurance company, paragraph 9 (aggregation of holdings of group companies) does not apply in relation to shares or an interest in shares held by the insurance company as assets of its long-term insurance fund.
- (5) In this paragraph “insurance company” and “long-term insurance fund” have the meanings given by section 431(2) of the Taxes Act.

PART 3

REQUIREMENTS TO BE MET IN RELATION TO INVESTING COMPANY AND
COMPANY INVESTED IN*Requirements relating to the investing company*

- 18 (1) The investing company must—
- (a) have been a sole trading company or a member of a qualifying group throughout the period (“the qualifying period”)—
 - (i) beginning with the start of the latest twelve-month period by reference to which the requirement of

- paragraph 7 (the substantial shareholding requirement) is met, and
- (ii) ending with the time of the disposal, and
- (b) be a sole trading company or a member of a qualifying group immediately after the time of the disposal.
- (2) For this purpose a “qualifying group” means –
- (a) a trading group, or
- (b) a group that would be a trading group if the activities of any group member that is not established for profit were disregarded to the extent that they are carried on otherwise than for profit.
- In determining whether a company is established for profit, no account shall be taken of any object or power of the company that is only incidental to its main objects.
- (3) The requirement in sub-paragraph (1)(a) is met if the investing company was a sole trading company for some of the qualifying period and a member of a qualifying group for the remainder of that period.
- (4) The requirement in sub-paragraph (1)(a) is treated as met if at the time of the disposal –
- (a) the investing company is a member of a group, and
- (b) there is another member of the group in relation to which that requirement would have been met if –
- (i) the subject matter of the disposal had been transferred to it immediately before the disposal in circumstances in which section 171(1) (transfers within a group) applied, and
- (ii) it had made the disposal.
- (5) If the disposal is by virtue of section 28(1) or (2) (asset disposed of under contract) treated as made at a time before the asset is conveyed or transferred, the requirements in sub-paragraph (1)(a) and (b) must also be complied with as they would have effect if the references in those provisions and sub-paragraph (4) to the time of the disposal were to the time of the conveyance or transfer.
- (6) In this paragraph a “sole trading company” means a trading company that is not a member of a group.

Requirements relating to the company invested in

- 19 (1) The company invested in must –
- (a) have been a qualifying company throughout the period –
- (i) beginning with the start of the latest twelve-month period by reference to which the requirement of paragraph 7 (the substantial shareholding requirement) is met, and
- (ii) ending with the time of the disposal, and
- (b) be a qualifying company immediately after the time of the disposal.

- (2) For this purpose a “qualifying company” means a trading company or the holding company of a trading group or a trading subgroup.

Meaning of “scheme of reconstruction”

- 3 After Schedule 5A to the Taxation of Chargeable Gains Act 1992 insert –

“SCHEDULE 5AA

MEANING OF “SCHEME OF RECONSTRUCTION”

Introductory

- 1 In section 136 “scheme of reconstruction” means a scheme of merger, division or other restructuring that meets the first and second, and either the third or the fourth, of the following conditions.

First condition: issue of ordinary share capital

- 2 The first condition is that the scheme involves the issue of ordinary share capital of a company (“the successor company”) or of more than one company (“the successor companies”) –
- (a) to holders of ordinary share capital of another company (“the original company”) or, where there are different classes of ordinary share capital of that company, to holders of one or more classes of ordinary share capital of that company (the classes “involved in the scheme of reconstruction”), or
 - (b) to holders of ordinary share capital of more than one other company (“the original companies”) or, where there are different classes of ordinary share capital of one or more of the original company or companies, to holders of ordinary share capital of any of those companies or of one or more classes of ordinary share capital of any of those companies (the classes “involved in the scheme of reconstruction”),
- and does not involve the issue of ordinary share capital of the successor company, or (as the case may be) any of the successor companies, to anyone else.

Second condition: equal entitlement to new shares

- 3 (1) The second condition is that under the scheme the entitlement of any person to acquire ordinary share capital of the successor company or companies by virtue of holding relevant shares, or relevant shares of any class, is the same as that of any other person holding such shares or shares of that class.
- (2) For this purpose “relevant shares” means shares comprised –
- (a) where there is one original company, in the ordinary share capital of that company or, as the case may be, in the ordinary share capital of that company of a class involved in the scheme of reconstruction;
 - (b) where there is more than one original company, in the ordinary share capital of any of those companies or, as the case may be, in the ordinary share capital of any of those companies of a class involved in the scheme of reconstruction.

Third condition: continuity of business

- 4 (1) The third condition is that the effect of the restructuring is –
- (a) where there is one original company, that the business or substantially the whole of the business carried on by the company is carried on –
 - (i) by a successor company which is not the original company, or
 - (ii) by two or more successor companies (which may include the original company);
 - (b) where there is more than one original company, that all or part of the business or businesses carried on by one or more of the original companies is carried on by a different

company, and the whole or substantially the whole of the businesses carried on by the original companies are carried on –

- (i) where there is one successor company, by that company (which may be one of the original companies), or
 - (ii) where there are two or more successor companies, by those companies (which may be the same as the original companies or include any of those companies).
- (2) The reference in sub-paragraph (1)(a)(ii) or (b)(ii) to the whole or substantially the whole of a business, or businesses, being carried on by two or more companies includes the case where the activities of those companies taken together embrace the whole or substantially the whole of the business, or businesses, in question.
- (3) For the purposes of this paragraph a business carried on by a company that is under the control of another company is treated as carried on by the controlling company as well as by the controlled company.
Section 840 of the Taxes Act (meaning of “control”) applies for the purposes of this sub-paragraph.
- (4) For the purposes of this paragraph the holding and management of assets that are retained by the original company, or any of the original companies, for the purpose of making a capital distribution in respect of shares in the company shall be disregarded.
In this sub-paragraph “capital distribution” has the same meaning as in section 122.

Fourth condition: compromise or arrangement with members

- 5 The fourth condition is that –
- (a) the scheme is carried out in pursuance of a compromise or arrangement –
 - (i) under section 425 of the Companies Act 1985 or Article 418 of the Companies (Northern Ireland) Order 1986, or
 - (ii) under any corresponding provision of the law of a country or territory outside the United Kingdom, and

- (a) 50% of so much of the qualifying expenditure as is expenditure in respect of which the company is also entitled to relief under Schedule 20 to the Finance Act 2000, and
 - (b) 150% of so much of the qualifying expenditure as is not expenditure in respect of which the company is also entitled to relief under that Schedule.
- (3) Section 401 of the Taxes Act 1988 (relief for pre-trading expenditure) does not apply to qualifying expenditure in respect of which an election is made under this paragraph.
- (4) An election under this paragraph must –
- (a) specify the accounting period in respect of which it is made, and
 - (b) be made by notice in writing to the Inland Revenue given not later than two years after the end of the accounting period to which the election relates.

- (5) Where a company is treated under this paragraph as incurring a trading loss in an accounting period, the trading loss may not be set off against profits of a preceding accounting period under section 393A(1)(b) of the Taxes Act 1988 unless the company is entitled to tax relief under this paragraph for that earlier period.
- (6) Where a company is treated under this paragraph as incurring a trading loss in an accounting period and the company begins, in that accounting period or a later accounting period, to carry on a trade derived from the research and development in relation to which the tax relief in question was obtained under this paragraph, then—
- (a) subject to paragraph 19 (restriction on losses carried forward), and
 - (b) to the extent that—
 - (i) the company has not obtained relief in respect of the trading loss under any other provision, and
 - (ii) the loss has not been surrendered under section 403(1) of the Taxes Act 1988 (surrender of relief to group or consortium members),
- the loss shall be treated as if it were a loss of that trade brought forward under section 393 of that Act (relief of trading losses against future trading profits).

Entitlement to tax credit

- 16 (1) A company may claim a tax credit for an accounting period in which it has a surrenderable loss.
- (2) A company has a “surrenderable loss” for an accounting period—
- (a) if paragraph 14 applies and the company incurs a trading loss in that period in the trade mentioned in sub-paragraph (1)(b) of that paragraph;
 - (b) if paragraph 15 applies and the company is treated under that paragraph as incurring a trading loss.
- (3) The amount of the surrenderable loss is equal to the lower of—
- (a) so much of the trading loss referred to in sub-paragraph (2) above as is unrelieved, and
 - (b) the total amount deductible under paragraph 14 or, as the case may be, the total deemed trading loss under paragraph 15.
- (4) For this purpose the amount of a trading loss that is “unrelieved” means the amount of that loss reduced by—
- (a) any relief that was or could have been obtained by the company making a claim under section 393A(1)(a) of the Taxes Act 1988 to set the loss against profits of whatever description of the same accounting period,
 - (b) any other relief obtained by the company in respect of the loss, including relief under section 393A(1)(b) of that Act (losses set against profits of an earlier accounting period),
 - (c) any loss surrendered under section 403(1) of that Act (surrender of relief to group or consortium members), or
 - (d) any loss surrendered under paragraph 15 of Schedule 20 to the Finance Act 2000 (c. 17) (entitlement to R&D tax credit).
- (5) No account shall be taken for this purpose of any losses—

- (a) brought forward from an earlier accounting period under section 393(1) of the Taxes Act 1988, or
- (b) carried back from a later accounting period under section 393A(1)(b) of that Act.

Amount of credit

- 17 (1) The amount of the tax credit to which a company is entitled for an accounting period is 16% of the surrenderable loss for the period, subject to the following limit.
- (2) The limit is that the total of the tax credits to which the company is entitled for an accounting period under this Schedule and under Schedule 20 to the Finance Act 2000 (c. 17) may not exceed the total of the company's PAYE and NICs liabilities for payment periods ending in that accounting period.
 - (3) The Treasury may by order substitute for the percentage for the time being specified in sub-paragraph (1) such other percentage as they think fit.
 - (4) An order under sub-paragraph (3) may make such incidental, supplementary, consequential and transitional provision as the Treasury think fit.
 - (5) Paragraph 17 of Schedule 20 to the Finance Act 2000 (calculation of total amount of company's PAYE and NICs liabilities for a payment period) applies for the purposes of this paragraph as it applies for the purposes of paragraph 16 of that Schedule.

Payment in respect of tax credit

- 18 (1) Where—
- (a) a company is entitled to a tax credit under this Schedule for an accounting period, and
 - (b) makes a claim,
- the Inland Revenue shall pay to the company the amount of the credit.
- (2) An amount payable in respect of—
- (a) a tax credit under this Schedule, or
 - (b) interest on a tax credit under this Schedule under section 826 of the Taxes Act 1988,
- may be applied in discharging any liability of the company to pay corporation tax, and to the extent that it is so applied the Inland Revenue's obligation under sub-paragraph (1) is discharged.
- (3) Where the company's company tax return for the accounting period is enquired into by the Inland Revenue, no payment in respect of a tax credit under this Schedule for that period need be made before the Inland Revenue's enquiries are completed (see paragraph 32 of Schedule 18 to the Finance Act 1998 (c. 36)).
- In those circumstances the Inland Revenue may make a payment on a provisional basis of such amount as they think fit.
- (4) No payment need be made in respect of a tax credit under this Schedule for an accounting period before the company has paid to the Inland Revenue any amount that it is required to pay for payment periods ending in that accounting period—
- (a) under the PAYE regulations, or

- (b) in respect of Class 1 national insurance contributions.

Restriction on losses carried forward

- 19 (1) For the purposes of section 393 of the Taxes Act 1988 (relief of trading losses against future trading profits), a company's trading loss for a period for which it claims a tax credit under this Schedule is treated as reduced by the amount of the loss surrendered.
- (2) The amount of the loss surrendered is—
- (a) where the maximum amount of tax credit was claimed, the whole of the surrenderable loss for that period, and
 - (b) where less than the maximum amount was claimed, a corresponding proportion of the surrenderable loss for that period.
- The "maximum amount" here means the amount specified in paragraph 17(1).

Payment in respect of tax credit not income

- 20 A payment in respect of a tax credit under this Schedule is not income of the company for tax purposes.

PART 3

MANNER OF GIVING EFFECT TO RELIEF: LARGE COMPANIES

Deduction in computing profits of trade

- 21 (1) This paragraph applies where a company that does not qualify as a small or medium-sized enterprise in an accounting period is entitled to relief under this Schedule for that period.
- (2) In so far as the company's qualifying expenditure for that period is deductible in computing for tax purposes the profits for that period of a trade carried on by the company, it is entitled (on making a claim) to an additional deduction in computing the profits of the trade for that period of an amount equal to 50% of the qualifying expenditure.
- (3) In so far as the company's qualifying expenditure for that period is not so deductible, it may (on making a claim) treat 150% of that qualifying expenditure as if it were so deductible.
- (4) This paragraph is without prejudice to any other deduction in respect of the qualifying expenditure.

PART 4

SPECIAL PROVISION FOR GIVING RELIEF TO INSURANCE COMPANIES

Treated as large companies

- 22 Where, in an accounting period, an insurance company (within the meaning of Chapter 1 of Part 12 of the Taxes Act 1988)—
- (a) carries on life assurance business, and
 - (b) qualifies as a small or medium-sized enterprise,

Parts 2 and 3 of this Schedule apply to that company as if it did not qualify as such an enterprise in that period.

Entitlement to relief in respect of “I minus E” basis

- 23 (1) This paragraph applies where for any accounting period the profits arising to a company from its life assurance business are not charged to corporation tax under Case I of Schedule D.
- (2) The provisions of Part 3 which allow a deduction in calculating the profits of a trade apply in relation to the company to treat amounts as disbursed as expenses of management.
- (3) Where by virtue of section 436, 439B or 441 of the Taxes Act 1988—
- (a) any profits arising to the company from any category of life assurance business are treated as income chargeable under Case VI of Schedule D, and
 - (b) the profits of that part of that business are computed in accordance with the provisions of that Act applicable to Case I of that Schedule, Part 3 of this Schedule has effect as if the references to the trade carried on by the company were references to that part of that business (and sub-paragraph (2) does not apply in relation to that part).
- (4) Subject to sub-paragraph (3), the provisions of Part 3 do not apply to allow any deduction in any computation of the profits of the company’s life assurance business made in accordance with the provisions of the Taxes Act 1988 applicable to Case I of Schedule D.

PART 5

SUPPLEMENTARY PROVISIONS

Artificially inflated claims for deduction or tax credit

- 24 (1) To the extent that a transaction is attributable to arrangements entered into wholly or mainly for a disqualifying purpose, it shall be disregarded in determining for an accounting period the amount of—
- (a) any relief to which a company is entitled under paragraph 14, 15 or 21, and
 - (b) any tax credit to which a company is entitled under this Schedule.
- (2) Arrangements are entered into wholly or mainly for a “disqualifying purpose” if their main object, or one of their main objects, is to enable a company to obtain—

 - (b) any qualifying expenditure on contributions to independent research and development (see paragraph 12),
- in respect of which it obtains relief under this Schedule.
- (2) The appropriate amount shall be treated as income of the company chargeable to tax under Case I of Schedule D for the accounting period in which the payment is made.
- (3) Where, by virtue paragraph 23(3) (profits of life assurance business chargeable to tax under Case VI of Schedule D), the relief obtained in respect of the contribution or expenditure concerned is a deduction in computing for tax purposes the profits of a part of the life assurance business of the company—
- (a) sub-paragraph (2) does not apply, and
 - (b) the appropriate amount shall be treated as income referable to that part which is chargeable to tax under Case VI of Schedule D for the accounting period in which the payment is made.
- (4) For this purpose “the appropriate amount” means—
- (a) where the company qualifies as a small or medium-sized enterprise in the accounting period in which it obtains the relief—
 - (i) if it is entitled to relief under Schedule 20 to the Finance Act 2000 (c. 17) in respect of the qualifying expenditure refunded, 50% of the payment, and
 - (ii) in any other case, 150% of the payment; and
 - (b) where the company does not so qualify—
 - (i) if the relief falls within paragraph 21(2) (relief for qualifying expenditure deductible in computing profits for tax purposes), 50% of the payment, and
 - (ii) in any other case, 150% of the payment.

Funding of tax credits

- 26 Section 10 of the Exchequer and Audit Departments Act 1866 (c. 39) (gross revenues to be paid to Exchequer) shall be construed as allowing the Commissioners of Inland Revenue to deduct payments for or in respect of tax credits under this Schedule before causing the gross revenues of their department to be paid to the account mentioned in that section.

 - (b) the investment is a qualifying investment (see Part 3); and
 - (c) the general conditions of Part 4 are satisfied.
- (2) In this Schedule references to “the CDFI” are to the body in which the investment is made.

Meaning of “investment”

- 2 (1) For the purposes of this Schedule, a person makes an investment in a body at any time when—
- (a) he makes a loan (whether secured or unsecured) to the body, or
 - (b) an issue of securities of or shares in the body, for which he has subscribed, is made to him.
- (2) For the purposes of sub-paragraph (1)(a)—

- (6) Without prejudice to the generality of sub-paragraph (5)(b), those regulations may, in particular, make different provision in the case of bodies whose principal objective in providing finance as mentioned in sub-paragraph (2)(a) is to invest directly in enterprises that use the money raised for the purposes of the business of the enterprise in cases where—
- (a) that business does not include the provision of finance for other enterprises, or
 - (b) if it includes any such provision, the nature and extent of that provision satisfies such conditions as the Treasury may, by regulations, prescribe.
- (7) Where the Secretary of State accredits a body of the kind mentioned in sub-paragraph (6), he shall specify in the accreditation that the body is accredited as a retail community development finance institution.

Terms and conditions of accreditation

- 6 The Secretary of State may delegate any functions conferred on him by or under this Part.

Period of accreditation

- 7 (1) An accreditation has effect for a period of three years beginning on such day as may be specified in the accreditation, being a day which is no earlier than –
- (a) if the body is not accredited under this Schedule at the time the application is made, the day the accreditation is granted, and
 - (b) if the body is so accredited, the time the body’s current accreditation expires.

This is subject to sub-paragraphs (2) and (3).

- (2) Where the application for an accreditation is made before 6th April 2003, the accreditation may specify that it is to have effect for a period –

- (4) This paragraph has effect subject to paragraph 5(3)(b) (power to provide for the withdrawal of accreditation).

PART 3

QUALIFYING INVESTMENTS

Introduction

- 8 For the purposes of this Schedule the investment is a “qualifying investment” in the CDFI if –
- (a) the investment consists of –
 - (i) a loan in relation to which the conditions of paragraph 9 are satisfied,
 - (ii) securities in relation to which the conditions of paragraph 10 are satisfied, or
 - (iii) shares in relation to which the conditions of paragraph 11 are satisfied;
 - (b) the investor receives from the CDFI a valid tax relief certificate in relation to the investment (see paragraph 12); and
 - (c) the requirements of paragraph 13 are met in relation to pre-arranged protection against risks.

Conditions to be satisfied in relation to loans

- 9 (1) The first condition of this paragraph is that either –
- (a) the CDFI receives from the investor, on the investment date, the full amount of the loan, or
 - (b) if the loan agreement authorises the CDFI to draw down amounts of the loan over a period of time, the end of that period is not later than 18 months after the investment date.
- (2) The second condition is that the loan must not carry any present or future right to be converted into or exchanged for a loan which is, or securities, shares, or other rights which are, redeemable within the five year period.
- (3) The third condition is that the loan must not have been made on terms that allow any person to require –
- (a) the repayment during the first two years of the five year period of any of the loan capital advanced in those two years,
 - (b) the repayment during the third year of that period of more than 25% of the loan capital outstanding at the end of those two years,
 - (c) the repayment before the end of the fourth year of that period of more than 50% of that loan capital, or

- (d) the repayment before the end of that period of more than 75% of that loan capital.
- (4) For the purposes of sub-paragraph (3), any requirement arising as a consequence of a failure of the CDFI to fulfil any obligation of the loan agreement shall be disregarded if that obligation –
 - (a) is imposed by reason only of the commercial risks to which the investor is exposed as lender under that agreement, and
 - (b) is no more likely to be breached than any obligation that might reasonably have been agreed in respect of the loan in the absence of this Schedule.
- (5) The Treasury may by order substitute for any percentage for the time being specified in sub-paragraph (3) such other percentage as they think fit; and any such substitution shall have effect in relation to loans made by a person on or after such date as may be specified in the order.

Conditions to be satisfied in relation to securities

- 10 (1) The first condition of this paragraph is that the securities must be –
 - (a) subscribed for wholly in cash, and
 - (b) fully paid for on the investment date.
- (2) The second condition is that the securities must not carry –
 - (a) any present or future right to be redeemed within the five year period, or

This is subject to the provisions of Part 6 for the withdrawal or reduction of relief.

- (2) Where the investor's liability to income or corporation tax is reduced for a tax year or accounting period under this Part, then—

- any relief attributable to the investment in respect of any tax year or accounting period must be withdrawn.
- (2) For the purposes of this paragraph—
- (a) a disposal is “permitted” if—
 - (i) it is by way of a distribution in the course of dissolving or winding up the CDFI,
 - (ii) it is a disposal within section 24(1) of the 1992 Act (entire loss, destruction, dissipation or extinction of asset),
 - (iii) it is a deemed disposal under section 24(2) of that Act (claim that value of asset has become negligible), or
 - (iv) it is made after the CDFI has ceased to be accredited under this Schedule, and
 - (b) a full or partial repayment of the loan shall not be treated as giving rise to a disposal.

Disposal of shares or securities during five year period

- 29 (1) This paragraph applies where the investment consists of securities or shares and—
- (a) the investor disposes of the whole or any part of the investment (“the former investment”) within the five year period,
 - (b) the CDFI has not ceased to be accredited before the disposal, and
 - (c) the disposal does not arise by virtue of an event within paragraph 35(1)(a) (repayment, redemption or repurchase of securities or shares included in the investment).

- (2) If the disposal is not a qualifying disposal, any relief attributable to the former investment in respect of any tax year or accounting period must be withdrawn.
- (3) If the disposal is a qualifying disposal, any relief attributable to the former investment for a tax year or accounting period must –
- (a) if it is greater than an amount equal to 5% of the amount or value of the consideration (if any) which the investor receives for the former investment, be reduced by that amount, and
 - (b) in any other case, be withdrawn.
- (4) For the purposes of this paragraph “qualifying disposal” means a disposal that is –

 - (b) the amount (“B”) which is equal to 5% of the invested amount in respect of the former investment for that year or period,
- sub-paragraph (3)(a) shall have effect in relation to that year or period as if the amount or value referred to in that sub-paragraph were reduced by multiplying it by the fraction –

$$\frac{A}{B}$$

- (6) Where the amount of relief attributable to the former investment in respect of a tax year or accounting period has been reduced before the relief was obtained, the amount of relief attributable to that investment shall be deemed for the purposes of sub-paragraph (5) to be the amount of the relief that would have been attributable had no such reduction been made before the relief was obtained.
- (7) Sub-paragraph (6) does not apply to a reduction by virtue of paragraph 26(5) (attribution of relief where there is a corresponding issue of bonus shares).

Repayments of loan capital

- 30 (1) Where the investment consists of a loan, if –
- (a) the average capital balance of the loan for the third, fourth or final year of the five year period is less than the permitted balance for the year in question, and

 - (b) for the fourth year of that period, 50% of that balance, and
 - (c) for the final year of that period, 25% of that balance.
- (3) For the purposes of sub-paragraph (2), a repayment of the loan is a non-standard repayment if it is made –
- (a) at the choice or discretion of the CDFI and not as a direct or indirect consequence of any obligation provided for under the terms of the loan agreement, or
 - (b) as a consequence of the failure of the CDFI to fulfil any obligation of the loan agreement which –
 - (i) is imposed by reason only of the commercial risks to which the investor is exposed as lender under that agreement, and
 - (ii) is no more likely to be breached than any obligation that might reasonably have been agreed in respect of the loan in the absence of this Schedule.
- (4) For the purposes of this paragraph “an amount of insignificant value” means an amount which –
- (a) does not exceed £1,000, or

 - (b) paragraph 30 (repayments of loan capital),
- as having received a repayment of the loan of an amount equal to the amount of the value received.
- (3) For those purposes the repayment shall be treated as made –
- (a) where the value was received in the first or second year of the period of restriction, at the beginning of that second year, and

- (a) does not exceed £1,000, or
 - (b) if it exceeds that amount, is insignificant in relation to the average capital balance of the loan for the year of the period of restriction in which the value is received.

- (6) For the purposes of sub-paragraph (5)(b)–
- (a) “the average capital balance” of the loan for a year is the mean of the daily balances of capital outstanding during the year (disregarding the receipt of value in question), and
 - (b) any value received in the first year of the period of restriction shall be treated as received at the beginning of the second year of that period.
- (7) This paragraph is subject to paragraph 37 (value received where there is more than one investment).
- (8) Value received shall be disregarded, for the purposes of this paragraph, to the extent to which relief attributable to any loan, securities or shares in respect of any one or more tax years or accounting periods has already been reduced or withdrawn on its account.

 - (c) the receipt is wholly or partly in excess of the permitted level of receipts in respect of the continuing investment, and
 - (d) the amount of that excess (“the excess”) is not an amount of insignificant value,
- any relief attributable to the continuing investment in respect of any tax year or accounting period must be withdrawn.
- (2) For the purposes of sub-paragraph (1) the permitted level of receipts is exceeded where–
- (a) any amount of value is received by the investor (disregarding any amounts of insignificant value) in the first three years of the period of restriction, or
 - (b) the aggregate amount of value received by the investor (disregarding any amounts of insignificant value)–
 - (i) before the beginning of the fifth year of that period, exceeds 25% of the invested capital;
 - (ii) before the beginning of the final year of that period, exceeds 50% of the invested capital;

- (4) This paragraph is subject to paragraph 37 (value received where there is more than one investment).
- (5) Value received shall be disregarded, for the purposes of this paragraph, to the extent to which relief attributable to any loan, securities or shares in respect of any one or more tax years or accounting periods has already been reduced or withdrawn on its account.

Meaning of “period of restriction”

- 33 In this Part “the period of restriction” in relation to the investment is the period of six years beginning one year before the investment date.

 - (c) the aggregate amount of the value of the receipts within paragraphs (a) and (b) is not an amount of insignificant value,
- the investor shall be treated for the purposes of this Schedule as if the relevant receipt had been a receipt of an amount of value equal to that aggregate amount.
- For this purpose a receipt does not fall within paragraph (b) if the whole or any part of it has previously been aggregated under this sub-paragraph.
- (2) For the purposes of this paragraph “an amount of insignificant value” means an amount of value which—
 - (a) does not exceed £1,000, or

 - (ii) have been held by him, as sole beneficial owner, continuously since the investment was made.

 - (b) the amount of any debt due from the investor to a third person which has been assigned to the CDFI.
- (4) For the purposes of this paragraph—
- (a) references to a debt or liability do not, in relation to a person, include references to any debt or liability which would be discharged by the making by that person of a qualifying payment;
 - (b) references to a benefit or facility do not include references to any benefit or facility provided in circumstances such that, if a payment had been made of an amount equal to its value, that payment would have been a qualifying payment; and
 - (c) any reference to a payment or disposal to a person includes a reference to a payment or disposal made to that person indirectly or to his order or for his benefit.

In paragraphs (a) to (c) references to “a person” include references to any person who, at any time in the period of restriction in question, is connected with that person, whether or not he is so connected at the material time.

(5) In this paragraph—

“qualifying payment” means—

- (a) any payment by any person for any goods, services or facilities provided by the investor (in the course of his trade or otherwise) which is reasonable in relation to the market value of those goods, services or facilities;
- (b) the payment by any person of any interest which represents no more than a reasonable commercial return on money lent to that person;
- (c) the payment by any company of any dividend or other distribution which does not exceed a normal return on any investment in shares in or securities of that company;
- (d) any payment for the acquisition of an asset which does not exceed its market value;
- (e) the payment by any person, as rent for any property occupied by the person, of an amount not exceeding a reasonable and commercial rent for the property; and
- (f) a payment in discharge of an ordinary trade debt; and

“ordinary trade debt” means any debt for goods or services supplied in the ordinary course of a trade or business where any credit given—

- (a) does not exceed six months, and
- (b) is not longer than that normally given to customers of the person carrying on the trade or business.

The amount of value received

36 For the purposes of this Part the amount of the value received is—

- (a) in a case within paragraph 35(1)(a), the amount received by the investor;
- (b) in a case within paragraph 35(1)(b), the amount of the liability;
- (c) in a case within paragraph 35(1)(c)—
 - (i) the amount of the loan or advance, less
 - (ii) the amount of any repayment made before the investment is made;
- (d) in a case within paragraph 35(1)(d)—
 - (i) the cost to the CDFI of providing the benefit or facility, less
 - (ii) any consideration given for it by the investor or any associate of his;
- (e) in a case within paragraph 35(1)(e) or (f), the difference between the market value of the asset and the consideration (if any) received for it; and
- (f) in a case within paragraph 35(1)(g), the amount of the payment.

Value received where there is more than one investment

37 (1) This paragraph applies where—

- (a) the investor makes two or more investments in the CDFI (being investments in relation to which the investor is eligible for and claims relief), and
 - (b) the investor receives value (other than value within paragraph 35(1)(a)) which falls within the periods of restriction relating to two or more of those investments.
- (2) Where this paragraph applies, paragraphs 31, 32, 34 and 38 have effect in relation to each investment referred to in sub-paragraph (1)(b) as if the amount of the value received were reduced by multiplying it by the fraction—

$$\frac{A}{B}$$

- (3) For this purpose—
- (a) A is the appropriate amount in respect of the investment in question, and
 - (b) B is the aggregate of that amount and the appropriate amount or amounts in respect of the other investment or investments.
- (4) Where the investment consists of a loan, the appropriate amount for the purposes of sub-paragraph (3) is—
- (a) if the value is received in the first or second year of the period of restriction, the average capital balance of the loan for the second year of that period, and
 - (b) if the value is received in a later year, the average capital balance of the loan for the year in question.
- (5) For the purposes of sub-paragraph (4)—
- (a) the average capital balance of the loan for a year is the mean of the daily balances of capital outstanding during the year, and
 - (b) the receipt of value shall be disregarded when calculating the average capital balance for the year in question.
- (6) Where the investment consists of securities or shares, the appropriate amount for the purposes of sub-paragraph (3) is—
- (a) if the value is received in the first year of the period of restriction, the amount subscribed for the securities or shares, and
 - (b) in any other case, the amount subscribed for such of the securities or shares as—
 - (i) are held by the investor at the time the value is received, and
 - (ii) have been held by him, as sole beneficial owner, continuously since the investment was made.

Effect of receipt of value on future claims for relief

- 38 (1) This paragraph applies where the investment consists of securities or shares and—
- (a) the investor receives any value (other than insignificant value) from the CDFI during the period of restriction, and
 - (b) the investment or a part of it is held by the investor at the time the value is received and has been held by him, as sole beneficial owner,

- continuously since the investment was made (“the continuing investment”),
but no relief attributable to the continuing investment is withdrawn under paragraph 32 as a result of the receipt.
- (2) For the purposes of calculating any relief in respect of any securities or shares included in the continuing investment for any relevant tax year or accounting period, the amount subscribed for the securities or shares comprising the continuing investment shall be treated as reduced by the amount of the value received.
- (3) For this purpose the “relevant” tax years or accounting periods are—
- (a) any tax year or accounting period ending on or after the anniversary of the investment date immediately preceding the receipt of value, or
 - (b) if the value was received on an anniversary of the investment date, any tax year or accounting period ending on or after that anniversary.
- (4) For the purposes of this paragraph the investor receives insignificant value where he receives an amount of insignificant value; and for these purposes “an amount of insignificant value” means an amount of value which—
- (a) does not exceed £1,000, or
 - (b) if it exceeds that amount, is insignificant in relation to the amount subscribed by the investor for the securities or shares comprising the continuing investment.

Receipts of value by and from connected persons

- 39 In paragraphs 31 to 38 references to the investor or the CDFI include references to any person who at any time in the period of restriction relating to the investment is connected with the investor or, as the case may be, CDFI, whether or not he is connected at the material time.

PART 7

 - (b) there is by virtue of such an allotment as is mentioned in section 126(2)(a) of the 1992 Act (an allotment of shares or debentures in respect of and in proportion to an original holding), other than an allotment of corresponding bonus shares, a reorganisation affecting the existing holding,
 - (c) immediately following the reorganisation, relief is attributable to the shares comprised in the existing holding or the shares or debentures allotted in respect of those shares, in respect of one or more tax years or accounting periods, and
 - (d) if relief is attributable to the shares comprised in the existing holding at that time, those shares have been held by the investor continuously from the time they were issued until the reorganisation,

 - (d) the shares or debentures comprised in the existing holding have been held by the investor continuously from the time they were issued until the reconstruction or amalgamation,
- sections 135 and 136 of the 1992 Act (share exchanges and company reconstructions) shall not apply in respect of the existing holding.
- (2) Sub-paragraph (1)(a) applies only where the shares or debentures are held by the investor in the same capacity.
- (3) For the purposes of sub-paragraph (1) a “reconstruction or amalgamation” means an issue by a company of shares in or debentures of that company in exchange for or in respect of shares in or debentures of company A.

SCHEDULE 22

Section 64

COMPUTATION OF PROFITS: ADJUSTMENT ON CHANGE OF BASIS

PART 1

INTRODUCTION

General scheme

- 1 (1) Where there is a change of basis within section 64, one or more adjustments shall be made in accordance with this Schedule.
- (2) Any such adjustment shall be calculated and given effect in accordance with the provisions of Part 2 of this Schedule (general rules), subject to the provisions of Part 3 of this Schedule (special rules for certain cases).
- (3) Part 4 of this Schedule contains supplementary provisions and Part 5 provides for commencement.

PART 2

GENERAL RULES

Calculation of adjustment

- 2 The amount of the adjustment is calculated as follows:

First step

Add together any amounts representing the extent to which, comparing the two bases, profits were understated (or losses overstated) on the old basis:

1. Receipts which on the new basis would have been brought into account in computing the profits of a period of account before the change of basis, to the extent that they were not so brought into account.
2. Expenses which on the new basis fall to be brought into account in computing the profits of a period of account after the change, to the extent that they were brought into account in computing the profits of a period of account before the change of basis.
3. Deductions in respect of opening trading stock or opening work in progress in the first period of account on the new basis, to the extent that they –
 - (a) are not matched by credits in respect of closing trading stock or closing work in progress in the last period of account before the change, or
 - (b) are calculated on a different basis that if used to calculate those credits would have given a higher figure.
4. Amounts recognised for accounting purposes in respect of depreciation in the last period of account before the change, to the extent that they were not the subject of an adjustment for tax purposes, where such an adjustment would be required on the new basis.

Second step

Then deduct any amounts representing the extent to which, comparing the two bases, profits were overstated (or losses understated) on the old basis:

1. Receipts which were brought into account in a period of account before the change, to the extent that they would not have been so brought into account if the profits had been computed on the new basis.
2. Expenses which were not brought into account in computing the profits of a period of account before the change, to the extent that they –
 - (a) would have been brought into account for a period of account before the change if the profits had been computed on the new basis, and
 - (b) would have been brought into account for a period of account after the change if the profits had continued to be computed on the old basis.
3. Credits in respect of closing trading stock or closing work in progress in the last period of account before the change of basis, to the extent that they –

- (a) are not matched by deductions in respect of opening trading stock or opening work in progress in the first period of account on the new basis, or
- (b) are calculated on a different basis that if used to calculate those deductions would have given a lower figure.

An amount so deducted may not be deducted again in computing the profits of a period of account.

Meaning of items being brought into account

- 3 (1) The references in paragraph 2 to items being brought into account in a period of account before the change of basis are to their being brought into account—
- (a) in computing the profits of the same trade, profession or vocation, and
 - (b) in accordance with the law or practice then applicable.
- (2) For the purposes of sub-paragraph (1)(a) a trade, profession or vocation is not regarded as the same if section 113(1) or 337(1) of the Taxes Act 1988 applies (deemed discontinuance on change of persons carrying on trade, profession or vocation).
- (3) For the purposes of sub-paragraph (1)(b) the practice applicable in any case means the accepted practice in cases of that description as to how profits should be computed for the purposes of Case I or II of Schedule D.

Giving effect to positive adjustment

- 4 (1) If the amount of the adjustment is positive, it is chargeable to tax.
- (2) An amount so chargeable to income tax—
- (a) is treated as income arising on the last day of the first period of account for which the new basis is adopted;
 - (b) is chargeable under Case VI of Schedule D;
 - (c) in the case of an individual whose income from the trade, profession or vocation in question is—
 - (i) relevant earnings within section 623(2)(c) or 644(2)(c) of the Taxes Act 1988, or

- (b) the amount paid is not interest which, in the case of the trust or company, was brought into account for the purposes of corporation tax for an old accounting period,
- (c) the amount paid is not interest in relation to which any credit falls (apart from under this sub-paragraph) to be brought into account for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (c. 8) (loan relationships) in the case of the trust or company, and
- (d) the amount paid is not an amount of interest which, in relation to a transfer before the first new day, was unrealised interest within the meaning of section 716 of the Taxes Act 1988,

credits shall be brought into account for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 in the case of the trust or company as if the amount paid were interest accruing, and becoming due and payable, at the time when it is paid.

- (2) Where, apart from Chapter 2 of Part 4 of the Finance Act 1996, any authorised unit trust or open-ended investment company would be treated under subsection (2) or (4) of section 714 of the Taxes Act 1988 (treatment of deemed sums and reliefs under accrued income scheme) –

- (a) as receiving any amount at the end of a period beginning before, and ending during, the trust or company's first new accounting period, or
- (b) as entitled to any allowance of any amount in such a period,

that amount shall be brought into account as a non-trading credit or, as the case may be, a non-trading debit given for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 for the trust or company's first new accounting period.

- (3) Where –

- (a) an authorised unit trust or open-ended investment company holds a relevant discounted security on the last old day,
- (b) the security was not transferred or redeemed on that day, and
- (c) there is an amount which, if the trust or company had made a transfer of that security on that day, by selling it for its adjusted closing value, –
 - (i) would have been charged under paragraph 1 of Schedule 13 to the Finance Act 1996 to tax under Case III or IV of Schedule D, or
 - (ii) would have been eligible for relief from tax on a claim for the purposes of paragraph 2 of that Schedule,

that amount shall be brought into account as a non-trading credit, or (as the case may be) a non-trading debit, given for the purposes of Chapter 2 of Part 4 of that Act for the accounting period mentioned in sub-paragraph (4) below.

- (4) That period is the accounting period in which falls whichever is the earliest of the following, that is to say, –

- (a) the first day that falls after the last old day and is a day on which, under the terms on which the security was issued, the holder of the security is entitled to require it to be redeemed;
- (b) the day on which the security is redeemed; or

- (c) the day on which the trust or company makes a disposal of the security.
- (5) For the purposes of sub-paragraph (3)(c), the “adjusted closing value” of a relevant discounted security held by the trust or company on the last old day is the amount which for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (c. 8) is the opening value, as at the first new day, of the trust or company’s rights and liabilities under the relationship represented by that security.
- (6) Sub-paragraph (7) of paragraph 5 of Schedule 15 to the Finance Act 1996 (determination of opening value where accruals basis of accounting is used) applies for the purposes of sub-paragraph (5) as it applies for the purposes of that paragraph, but—
- (a) taking the reference to 1st April 1996 as a reference to the first new day; and
 - (b) applying paragraph 4 of that Schedule (determination of amounts treated as accruing on or after 1st April 1996) for these purposes with the same modification.
- (7) In sub-paragraphs (3) to (6)—
- “redeem” shall be construed in accordance with Schedule 13 to the Finance Act 1996 (discounted securities: income tax provisions);

- (4) For the purposes of sub-paragraph (1)(b), a relevant contract of a company is treated for accounting purposes as a financial asset for an accounting period if, for that accounting period, it is so treated for the purposes of the relevant accounting standard used by the company for that accounting period (or would be so treated if the company were a company which used the relevant accounting standard in respect of the relevant contract).
- (5) For the purposes of sub-paragraphs (3) and (4), the "relevant accounting standard" used by a company for an accounting period is –

- 4 (1) A relevant contract is not a derivative contract for the purposes of this Schedule if its underlying subject matter consists wholly of any one or more of the excluded types of property or is treated as consisting wholly of such property.

- (4) Paragraph 9 applies for the purpose of determining whether the underlying subject matter of a relevant contract is to be treated as consisting wholly of any one or more of the excluded types of property.
- (5) This paragraph has effect subject to paragraphs 5 to 8 (which qualify the exclusion of relevant contracts by this paragraph).

Qualified exclusion: contract held by company for purposes of trade

- 5 (1) Paragraph 4 does not prevent a relevant contract to which this paragraph applies from being a derivative contract.
- (2) This paragraph applies to a relevant contract of a company if—
 - (a) it is entered into or acquired by the company for the purposes of a trade carried on by it, and
 - (b) its underlying subject matter consists, or is treated as consisting, wholly of—

 - (ii) rights of a unit holder under a unit trust scheme, or
 - (iii) assets representing a loan relationship to which either section 92 or 93 of the Finance Act 1996 applies.

- (2) This paragraph applies to a relevant contract of a company if—

 - (i) shares in a company,

- (3) The condition referred to in sub-paragraph (2)(b) is that—
- (a) the relevant contract is designed to produce a guaranteed return, or
 - (b) the relevant contract and one or more of the following, namely—
 - (i) one or more other relevant contracts, whose underlying subject matter consists wholly or partly of shares in a company, rights of a unit holder under a unit trust scheme or assets representing loan relationships to which either section 92 or 93 of the Finance Act 1996 applies, and which would be derivative contracts if the condition in this sub-paragraph were satisfied in relation to them,
 - (ii) one or more assets representing loan relationships to which either section 92 or 93 of that Act applies, and
 - (iii) one or more assets representing loan relationships to which section 93A of that Act applies,are associated transactions designed to produce a guaranteed return.

 - (b) the return on an asset representing a loan relationship of a company is the amount that must be paid to discharge the money debt arising in connection with that relationship.
- (5) For the purposes of this paragraph the relevant contract in question is, or that contract and the other associated transactions are, designed to produce a guaranteed return if, as regards that contract, or as regards that contract and the other associated transactions taken together, it would be reasonable to assume, from considering—

 - (i) that contract is entered into or acquired, or
 - (ii) the contract and the other associated transactions, or any of them, are entered into or acquired, or

- (6) For the purposes of this paragraph a guaranteed return is produced from the relevant contract in question, or from that contract and any one or more of the other associated transactions, wherever (as regards that contract or as regards that contract and those transactions, taken together) risks from fluctuations in the underlying matter of that contract, or of that contract or any one or more of the other associated transactions, are so eliminated or reduced as to produce a return from that contract, or from that contract and any one or more of the other associated transactions, which equates, in substance, to the return on an investment of money at interest.
- (7) For the purposes of sub-paragraph (6) the cases where risks from fluctuations in the underlying matter of the relevant contract in question, or of that contract or any one or more of the other associated transactions, are eliminated or reduced shall be deemed to include any case where the main reason, or one of the main reasons, for the choice of that underlying matter is—
- (a) that there appears to be no risk that it will fluctuate, or
 - (b) that the risk that it will fluctuate appears to be insignificant.
- (8) In this paragraph—
- (a) the references, in relation to an asset representing a loan relationship to which section 92 of the Finance Act 1996 (c. 8) applies, to the underlying matter are references to the value of shares in a company which may be acquired under that relationship;
 - (b) the references, in relation to an asset representing a loan relationship to which section 93 or 93A of the Finance Act 1996 applies, to the underlying matter are references to the value of chargeable assets of a particular description to which that relationship is linked;
 - (c) the references, in relation to a relevant contract, to fluctuations in the underlying matter are references to fluctuations determined by reference to its underlying subject matter.
- (9) For the purposes of this paragraph a company is a connected company in relation to another company if, in the accounting period in question, there is a connection between the company and that other company; and whether there is a connection between those companies shall be determined in accordance with sections 87(3) and (4) and 87A of the Finance Act 1996 (disregarding section 88 of that Act).
- (10) Paragraph 9 applies for the purpose of determining whether the underlying subject matter of a relevant contract is to be treated as consisting wholly of the property referred to in sub-paragraph (2)(a).

 - (b) the relevant contract and one or more of the following, namely –
 - (i) one or more other relevant contracts, whose underlying subject matter consists wholly or partly of shares in a company, rights of a unit holder under a unit trust scheme or assets representing loan relationships to which either section 92 or 93 of the Finance Act 1996 (c. 8) applies, and which would be derivative contracts if the condition in this sub-paragraph were satisfied in relation to them,
 - (ii) one or more assets representing loan relationships to which either section 92 or 93 of that Act applies, and
 - (iii) one or more assets representing loan relationships to which section 93A of that Act applies,are associated transactions designed to secure that the relevant amount payable in respect of the associated transactions does not fall below the guaranteed amount.
- (4) For the purposes of this paragraph the relevant contract in question is, or that contract and the other associated transactions are, designed to secure that the relevant amount payable in respect of that contract, or that contract and any one or more of the other associated transactions, does not fall below the guaranteed amount if, as regards that contract, or as regards that contract and the transactions, taken together, it would be reasonable to assume, from considering –
- (a) the likely effect of that contract or of that contract and the other associated transactions,
 - (b) the circumstances in which –
 - (i) that contract is entered into or acquired, or
 - (ii) that contract and the other associated transactions, or any of them, are entered into or acquired, or
 - (c) the matters in both of paragraphs (a) and (b),
- that the main purpose (or one of the main purposes) of that contract, or of that contract and the other associated transactions, is or was to secure that the relevant amount so payable does not fall below the guaranteed amount.

- (a) in a case where the relevant contract in question is designed as described in sub-paragraph (3)(a), 80% of the consideration paid or payable by the company for entering into, or acquiring, that contract, or
 - (b) in a case where the relevant contract in question and the other associated transactions are designed as described in sub-paragraph (3)(b), 80% of the consideration paid or payable by the company or a company which is a connected company in relation to that company for entering into, or acquiring, any one or more of the associated transactions.
- (6) For the purposes of this paragraph the relevant amount payable is –
- (a) in a case where the relevant contract in question is designed as described in sub-paragraph (3)(a), the amount payable, in money or money's worth, to any person on the maturity of that contract, or

- (8) For the purposes of this paragraph a company is a connected company in relation to another company if, in the accounting period in question, there is a connection between the company and that other company; and whether there is a connection between those companies shall be determined in accordance with sections 87(3) and (4) and 87A of the Finance Act 1996 (c. 8) (disregarding section 88 of that Act).
- (9) Paragraph 9 applies for the purpose of determining whether the underlying subject matter of a relevant contract is to be treated as consisting wholly of the property referred to in sub-paragraph (2)(a).

- (a) the terms of the policy or contract permit part of the rights conferred by the policy or contract to be surrendered by the holder of the policy or contract at intervals of one year or less, and
- (b) the amount which may be paid on the surrender of such part of the rights conferred equates, in substance, to the return on an investment of money at interest.

- (3) For the purposes of this paragraph the cases in which any two or more transactions are to be taken to be entered into or acquired in pursuance of the same scheme or arrangements shall include any case in which it would be reasonable to assume, from either or both of –
- (a) the likely effect of the transactions, and
 - (b) the circumstances in which the transactions, or any of them, are entered into or acquired,
- that neither of them or, as the case may be, none of them would have been entered into or acquired independently of the other or the others.

- (2) To the extent that, in any accounting period, a derivative contract of a company is one to which the company is party for the purposes of a trade carried on by it, the credits and debits given in respect of that contract for that period shall be treated (according to whether they are credits or debits) either –
- (a) as receipts of that trade falling to be brought into account in computing the profits of that trade for that period; or
 - (b) as expenses of that trade which are deductible in computing those profits.
- (3) Where for any accounting period there are, in respect of the derivative contracts of a company, credits and debits that are not brought into account under sub-paragraph (2), they shall be brought into account for that accounting period as if they were non-trading credits or non-trading debits falling to be brought into account for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (c. 8) in respect of loan relationships of the company.

PART 4

ACCOUNTING METHODS

Authorised accounting methods

- 17 (1) Subject to the following provisions of this Schedule, the alternative accounting methods that are authorised for the purposes of this Schedule are –
 - (a) an accruals basis of accounting; and
 - (b) a mark to market basis of accounting under which any derivative contract to which that basis is applied is brought into account in each accounting period at a fair value.
- (2) An accounting method applied in any case shall be treated as authorised for the purposes of this Schedule only if –
 - (a) subject to paragraphs (b) to (d), it is in conformity with generally accepted accounting practice to use that method in that case;
 - (b) it contains proper provision for allocating payments under a derivative contract, or arising as a result of a related transaction, to accounting periods;
 - (c) it contains proper provision for determining exchange gains and losses from a derivative contract for accounting periods; and
 - (d) where it is an accruals basis of accounting, it does not contain any provision (other than provision in respect of exchange losses or provision comprised in authorised arrangements for bad debt) that gives debits by reference to the valuation at different times of any derivative contract.
- (3) In the case of an accruals basis of accounting, proper provision for allocating payments under a derivative contract to accounting periods is provision which –

- (a) allocates payments to the period to which they relate, without regard to the periods in which they are made or received or in which they become due and payable;
 - (b) includes provision which, where payments relate to two or more periods, apportions them on a just and reasonable basis between the different periods;
 - (c) assumes, subject to authorised arrangements for bad debt, that every amount payable to the company under the derivative contract will be paid in full as it becomes due;
 - (d) secures the making of the adjustments required in the case of the derivative contract by authorised arrangements for bad debt; and
 - (e) provides, subject to authorised arrangements for bad debt, that, where there is a release of any liability owed by the company under the derivative contract, the appropriate amount in respect of the release is credited to the company in the accounting period in which the release takes place.
- (4) In the case of a mark to market basis of accounting, proper provision for allocating payments under a derivative contract to accounting periods is provision which allocates payments to the periods in which they become due and payable.
- (5) In this paragraph the references to authorised arrangements for bad debt are references to accounting arrangements under which debits and credits are brought into account in conformity with the provisions of paragraph 22.
- (6) In this paragraph “fair value”, in relation to a derivative contract of a company, means the amount which, at the time as at which the value falls to be determined, is the amount that the company would obtain from or, as the case may be, would have to pay to an independent person for –
- (a) the transfer of all the company’s rights under the contract in respect of amounts which at that time are not yet due and payable; and
 - (b) the release of all the company’s liabilities under the contract in respect of amounts which at that time are not yet due and payable.

Application of accounting methods

- 18 (1) This paragraph has effect, subject to the following provisions of this Schedule, for the determination of which of the alternative authorised accounting methods that are available by virtue of paragraph 17 is to be used as respects the derivative contracts of a company.
- (2) Different methods may be used as respects different derivative contracts or, as respects the same derivative contract, for different accounting periods or different parts of the same accounting period.
- (3) If a basis of accounting which is or equates with an authorised accounting method is used as respects any derivative contract of a company in a company’s statutory accounts, then the method which is to be used for the purposes of this Schedule as respects that contract for the accounting period, or part of a period, for which that basis is used in those accounts shall be –
- (a) where the basis used in those accounts is an authorised accounting method, that method; and
 - (b) where it is not, the authorised accounting method to which it equates;

but this sub-paragraph is subject to paragraphs 19 to 21.

- (4) For any period or part of a period for which the authorised accounting method to be used as respects a derivative contract of a company is not—
- (a) the method determined under sub-paragraph (3),
 - (b) an authorised mark to market basis of accounting in accordance with an election under paragraph 19, or
 - (c) an authorised mark to market basis of accounting in accordance with paragraph 20 or 21,
- an authorised accruals basis of accounting shall be used for the purposes of this Schedule as respects that derivative contract.
- (5) For the purposes of this paragraph (but subject to sub-paragraph (6))—
- (a) a basis of accounting equates with an authorised accruals basis of accounting if it purports to allocate payments under a derivative contract to accounting periods according to when they are taken to accrue; and
 - (b) a basis of accounting equates with an authorised mark to market basis of accounting if it purports in respect of a derivative contract—
 - (i) to produce credits or debits computed by reference to the determination, as at different times in an accounting period, of a fair value; and
 - (ii) to produce credits or debits relating to payments under that derivative contract according to when they become due and payable.
- (6) An accounting method which purports to make any such allocation of payments under a derivative contract as is mentioned in sub-paragraph (5)(a) shall be taken for the purposes of this paragraph to equate with an authorised mark to market basis of accounting (rather than with an authorised accruals basis of accounting) if—
- (a) it purports to bring that derivative contract into account in each accounting period at a value which would be fair value if the valuation were made on the basis that any periodic payments falling to be made under the contract were to be disregarded to the extent that they have already accrued; and
 - (b) the credits and debits produced in the case of that contract by that method (when it is properly applied) correspond, for all practical purposes, to the credits and debits produced in the case of that contract, and for the same accounting period, by an authorised mark to market basis of accounting.

Application of accounting methods: election to follow generally accepted accounting practice

- 19 (1) Sub-paragraph (2) has effect if, in the case of a company falling within paragraph 52(1)(c) or (d) (companies whose statutory accounts are accounts to which Part 1 of Schedule 21C or 21D to the Companies Act 1985 (c. 6) applies or accounts falling to be drawn up in accordance with the requirements imposed under the law of the home State),—
- (a) an authorised mark to market basis of accounting would be used as respects some or all of the company's derivative contracts, were the company a UK company following generally accepted accounting practice, but
 - (b) that is not the basis of accounting used as respects those derivative contracts in the company's statutory accounts.

- (2) Where this sub-paragraph has effect in relation to a company, the company may elect to use an authorised mark to market basis of accounting as its authorised accounting method for the purposes of this Schedule in relation to every derivative contract as respects which that basis would be used were it a UK company following generally accepted accounting practice.
- (3) Any election under sub-paragraph (2) –
 - (a) must be made before the expiration of the period of two years following the end of the company's first accounting period beginning on or after 1st October 2002 in which it is party to a derivative contract in relation to which an election under sub-paragraph (2) may be made;
 - (b) has effect for that accounting period and all subsequent accounting periods of the company; and
 - (c) is irrevocable.
- (4) A company which makes an election under sub-paragraph (2) as respects its derivative contracts shall be taken for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (c. 8) to have at the same time made an election under section 86(3A) of that Act having effect –
 - (a) for the accounting periods mentioned in sub-paragraph (3)(b), and
 - (b) as respects any loan relationships to which the company is or may become a party in any of those accounting periods,and that election shall so have effect notwithstanding anything in paragraph (a) or (b) of subsection (3B) of that section.

Application of accounting methods: requirement to follow generally accepted accounting practice

- 20 (1) Sub-paragraph (2) has effect if, in the case of a company falling within paragraph 52(1)(c) or (d), –
- (a) the company has not made an election under paragraph 19,
 - (b) an authorised mark to market basis of accounting would be used for an accounting period –
 - (i) as respects some or all of the company's derivative contracts, and
 - (ii) as respects some or all of its loan relationships,were the company a UK company following generally accepted accounting practice, and
 - (c) that basis of accounting –
 - (i) is used in the company's statutory accounts as respects those loan relationships for that accounting period, but
 - (ii) is not the basis of accounting used in the company's statutory accounts as respects those derivative contracts for that accounting period.
- (2) Where this sub-paragraph has effect in relation to any accounting period, the company must for that accounting period use an authorised mark to market basis of accounting as its authorised accounting method for the purposes of this Schedule in relation to every derivative contract as respects which that basis would be used were it a UK company following generally accepted accounting practice.
- (3) Sub-paragraph (4) has effect where, in the case of a derivative contract of a company, –

- (a) the company uses, as respects the contract, a basis of accounting other than an authorised mark to market basis of accounting for an accounting period (the “preceding period”), but
 - (b) by virtue of sub-paragraph (2), the company must for the succeeding accounting period (the “first mark to market period”) use, as respects the contract, an authorised mark to market basis of accounting as its authorised accounting method for the purposes of this Schedule.
- (4) Where this sub-paragraph has effect in relation to a derivative contract of a company, the company shall be deemed—
- (a) to have disposed of the contract immediately before the end of the preceding period for a consideration of an amount equal to the fair value of the contract at that time, and
 - (b) to have reacquired it for the same consideration immediately after the beginning of the first mark to market period.

Basis of accounting for contracts falling within paragraph 6, 7 or 8

- 21 (1) This paragraph applies in relation to a contract which is a derivative contract for the purposes of this Schedule by virtue of—
- (a) paragraph 6 (contracts producing a guaranteed return),
 - (b) paragraph 7 (contracts where guaranteed amount payable on maturity), or
 - (c) paragraph 8 (contracts to provide insurance benefits).
- (2) Where this paragraph applies in relation to a derivative contract, the accounting method to be used as respects the derivative contract for an accounting period shall be an authorised mark to market basis of accounting.

PART 5

SPECIAL PROVISION FOR BAD DEBT ETC

Bad debt etc

- 22 (1) In determining the credits and debits to be brought into account in accordance with an accruals basis of accounting, a departure from the assumption in the case of the derivative contracts of a company that every amount payable under those contracts to the company will be paid in full as it becomes due shall be allowed to the extent only that—
- (a) a debt is a bad debt;
 - (b) a doubtful debt is estimated to be bad; or
 - (c) a liability to pay any amount is released.
- (2) Such a departure shall be made only where the accounting arrangements of the company satisfy sub-paragraphs (3) and (4).
- (3) This sub-paragraph is satisfied if the accounting arrangements allowing the departure also require appropriate adjustments, in the form of credits, to be made if the whole or any part of an amount taken or estimated to represent an amount of bad debt is paid or otherwise ceases to be an amount in respect of which such a departure is allowed.
- (4) This sub-paragraph is satisfied if, in determining any credits and debits to be brought into account in respect of exchange gains and losses arising from

the company's derivative contracts, the accounting arrangements allowing the departure require an amount payable under a derivative contract—

- (a) to be left out of account, to the extent that such a departure is allowed; and
- (b) to be taken into account again, to the extent that it is represented by credits brought into account under sub-paragraph (3).

(5) Where—

- (a) in the case of a derivative contract of a company, a liability owed by the company to pay an amount under the contract is released, and
- (b) the release takes place in an accounting period for which an authorised accruals basis of accounting is used as respects the contract,

no credit in respect of the release shall be required to be brought into account in the case of the company if the release is part of a relevant arrangement or compromise (within the meaning given by section 74(2) of the Taxes Act 1988).

PART 6

SPECIAL COMPUTATIONAL PROVISIONS

Derivative contracts for unallowable purposes

- 23 (1) Where in any accounting period a derivative contract of a company has an unallowable purpose, this paragraph shall apply for the purpose of determining the credits and debits which fall, in the case of the company, to be brought into account for the purposes of this Schedule.
- (2) Subject to sub-paragraph (4), the credits to be brought into account in the case of the derivative contract for the accounting period shall not include so much of the exchange credits given by the authorised accounting method used as respects the contract as, on a just and reasonable apportionment, is referable to the unallowable purpose.
- (3) Subject to sub-paragraph (4), the debits to be brought into account in the case of the derivative contract for the accounting period shall not include so much of the debits given by the authorised accounting method used as respects the contract as, on a just and reasonable apportionment, is referable to the unallowable purpose.
- (4) If, in the case of the derivative contract,—
- (a) the amount of the debits referable to the unallowable purpose, in accordance with sub-paragraph (3), for that accounting period, exceeds
 - (b) the amount of the exchange credits referable to that purpose, in accordance with sub-paragraph (2), for that accounting period,
- the difference between the amounts (the “net loss”) may be brought into account as a debit to the extent permitted by sub-paragraph (5).
- (5) An amount of accumulated net losses may be brought into account for an accounting period if, and to the extent that, there is for that period an amount of accumulated credits (other than exchange credits).
- (6) For the purposes of sub-paragraph (5) the amount of accumulated net losses is, in relation to an accounting period,—

- (a) the amount of any net loss arising, in the case of the derivative contract, for that accounting period or any earlier accounting period, in accordance with sub-paragraph (4), less

- (7) For the purposes of sub-paragraph (5) the amount of accumulated credits (other than exchange credits) is, in relation to an accounting period, –
- (a) the amount of any credits (other than exchange credits) arising, in the case of the derivative contract, for that accounting period or any earlier accounting period, less
 - (b) an amount equal to the amount of any net loss, arising in the case of the derivative contract, which was brought into account in accordance with sub-paragraph (5) in any earlier accounting period.
- (8) Amounts which, by virtue of this paragraph, are not brought into account for the purposes of this Schedule as respects any matter are in consequence also amounts which, in accordance with paragraph 1(2), are not to be brought into account for the purposes of corporation tax as respects that matter apart from this Schedule.
- (9) For the purposes of this paragraph, a credit is an exchange credit, in the case of a company, to the extent that it is attributable to any exchange gains arising to the company which, by virtue of paragraph 16, are included in the reference to the profits arising to the company in paragraph 15(1)(a).
- (10) This paragraph is supplemented by paragraph 24.

Derivative contracts for unallowable purposes: supplementary

- 24 (1) For the purposes of paragraph 23 a derivative contract to which a company is party shall be taken to have an unallowable purpose in an accounting period where the purposes for which, at times during that period, the company –
- (a) is party to the contract, or
 - (b) enters into transactions which are related transactions by reference to that contract,
- include a purpose (“the unallowable purpose”) which is not amongst the business or other commercial purposes of the company.
- (2) For the purposes of this paragraph the business and other commercial purposes of a company do not include the purposes of any part of its activities in respect of which it is not within the charge to corporation tax.
- (3) For the purposes of this paragraph, where one of the purposes for which a company –
- (a) is party to a derivative contract at any time, or
 - (b) enters into a transaction which is a related transaction by reference to any derivative contract of the company,
- is a tax avoidance purpose, that purpose shall be taken to be a business or other commercial purpose of the company only where it is not the main purpose, or one of the main purposes, for which the company is party to the contract at that time or, as the case may be, for which the company enters into that transaction.
- (4) The reference in sub-paragraph (3) to a tax avoidance purpose is a reference to any purpose that consists in securing a tax advantage (whether for the company or any other person).

- (5) In this paragraph “tax advantage” has the same meaning as in Chapter 1 of Part 17 of the Taxes Act 1988 (tax avoidance).

Debits and credits treated as relating to capital expenditure

- 25 (1) This paragraph applies where any debit or credit given by an authorised accounting method for any accounting period in respect of a company’s derivative contract is allowed by generally accepted accounting practice to be treated, in the accounts of the company, as an amount brought into account in determining the value of a fixed capital asset or project.
- (2) Notwithstanding the application to it of the treatment allowed by generally accepted accounting practice, the debit or credit shall be brought into account for the purposes of corporation tax, for the accounting period for which it is given, in the same way as a debit or credit which, in accordance with generally accepted accounting practice, is brought into account in determining the company’s profit or loss for that period.
- (3) No debit may be brought into account by virtue of this paragraph if it is taken into account in arriving at the amount of expenditure in relation to which a debit may be given by Schedule 29 to this Act.

Transfers of value to connected companies

- 26 (1) This paragraph applies where—
- (a) as a result of the expiry of an option of a company which, until its expiry, was a derivative contract of the company, there is a transfer of value by the company (“the transferor”) to a company which is a connected company in relation to it (“the transferee”), and
 - (b) the transferee is not chargeable to corporation tax, in respect of the derivative contract, under or by virtue of this Schedule.
- (2) In order to determine, for the purposes of sub-paragraph (1)(a), whether there is a transfer of value, it shall be assumed that—
- (a) if there had not been a connection between the transferor and the transferee, the option would not have expired, and
 - (b) if there had not been such a connection, it would have been exercised on the date on which it expired.
- (3) Where this paragraph applies in relation to the expiry of the option of the transferor, the transferor shall bring the appropriate amount into account in accordance with paragraph 15 for the appropriate accounting period as a credit in respect of the derivative contract.
- (4) In sub-paragraph (3)—
- (a) the appropriate accounting period is the accounting period of the transferor in which the option expired, and
 - (b) the appropriate amount is the amount (if any) paid by the transferor to the transferee for the grant of the option by the transferee.
- (5) In this paragraph “option” has the same meaning as in paragraph 12, apart from sub-paragraph (10).
- (6) For the purposes of this paragraph, a company is a connected company in relation to another company if, in the accounting period in question, there is a connection between the company and that other company; and whether there is a connection between those companies shall be determined in

accordance with sections 87(3) and (4) and 87A of the Finance Act 1996 (c. 8) (disregarding section 88 of that Act).

Exchange gains and losses where derivative contracts not on arm's length terms

- 27 (1) Sub-paragraph (2) applies where—

- (2) Where this sub-paragraph applies, any exchange gains and losses which arise to the company from the derivative contract for the accounting period in question shall be left out of account in determining the credits and debits which are, in the case of the company, to be brought into account for the purposes of this Schedule.
- (3) Sub-paragraph (4) applies where—
- (a) a company is party to a derivative contract in an accounting period,
 - (b) as regards the derivative contract, an exchange gain or exchange loss arises to the company for the accounting period in question, and
 - (c) the profits and losses of the company fall by virtue of Schedule 28AA to the Taxes Act 1988 to be computed for tax purposes as if the terms of the derivative contract were those that would have been agreed by the company and the other party to the derivative contract had they been dealing at arm's length.
- (4) Where this sub-paragraph applies, the credits and debits which are, in the case of the company, to be brought into account for the purposes of this Schedule shall be determined on the assumption that, in the accounting period in question, the amount of any exchange gain or loss arising to the company from the derivative contract is the adjusted amount.
- (5) In sub-paragraph (4) the “adjusted amount” is the amount of an exchange gain or loss (including an exchange gain of nil) which would have arisen from the derivative contract if the terms of the contract were those that would have been agreed by the company and the other party to the derivative contract had they been dealing at arm's length.

Transactions within groups

- 28 (1) This paragraph applies where, as a result of any transaction or series of transactions falling within sub-paragraph (2), one of the companies there referred to (“the transferee company”) directly or indirectly replaces the other (“the transferor company”) as a party to a derivative contract.

 - (ii) within the charge to corporation tax in respect of that transaction;

- (b) a series of transactions having the same effect as a related transaction between two companies each of which –

 - (c) a transfer between two companies of business consisting of the effecting or carrying out of contracts of long-term insurance which has effect under an insurance business transfer scheme; and
 - (d) any transfer between two companies which is a qualifying overseas transfer within the meaning of paragraph 4A of Schedule 19AC to the Taxes Act 1988 (transfer of business of overseas life insurance company).
- (3) The credits and debits to be brought into account for the purposes of this Schedule in the case of the two companies shall be determined as follows –
- (a) the transaction, or series of transactions, by virtue of which the replacement takes place shall be disregarded except for the purpose of identifying the company in whose case any credit or debit not relating to that transaction, or those transactions, is to be brought into account; and
 - (b) the transferor company and the transferee company shall be deemed (except for that purpose) to be the same company.
- (4) References in this paragraph to one company replacing another as a party to a derivative contract shall include references to a company becoming a party to any derivative contract which confers rights or imposes duties which are equivalent to any rights or duties of the other company under a derivative contract of which that other company has previously ceased to be a party.
- (5) In this paragraph “insurance business transfer scheme” means a scheme falling within section 105 of the Financial Services and Markets Act 2000 (c. 8), including an excluded scheme falling within Case 2, 3 or 4 of subsection (3) of that section.
- (6) In this paragraph references to companies being members of the same group of companies shall be construed in accordance with section 170 of the Taxation of Chargeable Gains Act 1992 (c. 12).
- (7) This paragraph has effect subject to paragraphs 29 and 30.

- (a) was an asset within one of the categories set out in section 440(4) of the Taxes Act 1988 immediately before the transfer, and
 - (b) is not an asset within that category immediately afterwards.

- (3) For the purposes of sub-paragraph (2) above, where one of the companies is an overseas life insurance company an asset shall be taken to be within the same category both immediately before the transfer and immediately afterwards if it—
- (a) was an asset within one category immediately before the transfer, and
 - (b) is an asset within the corresponding category immediately afterwards.
- (4) In this paragraph “overseas life insurance company” has the same meaning as in Chapter 1 of Part 12 of the Taxes Act 1988.

Transactions within groups: authorised mark to market basis of accounting

- 30 Paragraph 28 does not apply where the transferor company uses an authorised mark to market basis of accounting as respects the derivative contract in question, but in any such case the amount to be brought into account by the transferee company in respect of the transaction referred to in that paragraph, or in respect of the series of transactions there referred to, taken together, must be the fair value of the derivative contract as at the date of transfer to the transferee company.

Derivative contracts with non-residents

- 31 (1) This paragraph applies in relation to a company where, as a result of any transaction,—
- (a) the company and a non-resident both become party to a derivative contract,
 - (b) the company becomes party to a derivative contract to which a non-resident is party, or
 - (c) a non-resident becomes party to a derivative contract to which the company is party.
- (2) For each accounting period for any part of which the company and the non-resident are both party to a derivative contract, the credits and debits which fall, in the case of the company, to be brought into account for the purposes of this Schedule as respects the derivative contract shall not include, in a case where that contract makes provision for notional interest payments, any relevant debit arising in relation to that contract.
- (3) For the purposes of sub-paragraph (2) the amount of a relevant debit shall be computed by determining, as regards that accounting period, the amount (if any) by which—
- (a) the aggregate of any notional interest payments made by the company to the non-resident while the company and the non-resident are both party to the derivative contract, exceeds
 - (b) the aggregate of any notional interest payments made by the non-resident to the company during that time.
- (4) For the purposes of sub-paragraphs (2) and (3) a notional interest payment is any payment the amount of which falls to be determined (wholly or mainly) by applying to a notional principal amount specified in a derivative contract, for a period so specified, a rate the value of which at all times is the same as that of a rate of interest so specified.
- (5) Sub-paragraph (2) shall not apply where the company is a bank, building society, financial trader or recognised clearing house and—

- (a) the company is party to the derivative contract solely for the purposes of a trade or part of a trade carried on by it in the United Kingdom, and
 - (b) it is party to the derivative contract otherwise than as agent or nominee of another person.
- (6) Sub-paragraph (2) shall not apply where—
- (a) the non-resident is party to the derivative contract solely for the purposes of a trade or part of a trade carried on by him in the United Kingdom through a branch or agency, and
 - (b) he is party to the derivative contract otherwise than as agent or nominee of another person.
- (7) Sub-paragraph (2) shall not apply where arrangements made in relation to the territory in which the non-resident is resident—
- (a) have effect by virtue of section 788 of the Taxes Act 1988, and
 - (b) make provision, whether for relief or otherwise, in relation to interest (as defined in the arrangements).
- (8) Where the non-resident is party to the contract as agent or nominee of another person, sub-paragraph (7) shall have effect as if the reference to the territory in which the non-resident is resident were a reference to the territory in which that other person is resident.
- (9) In this paragraph—
- “non-resident” means a person who is not resident in the United Kingdom;
 - “recognised clearing house” has the meaning given by section 285 of the Financial Services and Markets Act 2000 (c. 8).

PART 7

COLLECTIVE INVESTMENT SCHEMES

Authorised unit trusts: capital profits and losses

- 32 (1) Where any profits or losses arising to an authorised unit trust from a derivative contract in an accounting period are capital profits or losses, they must not be brought into account as credits or debits for the purposes of this Schedule, notwithstanding paragraph 15.
- (2) For the purposes of this paragraph, capital profits and losses arising from a derivative contract in an accounting period are such profits and losses arising from a derivative contract as fall to be dealt with under—
- (a) the heading “net gains/losses on investments during the period”, or
 - (b) the heading “other gains/losses”,
- in the statement of total return for the accounting period.
- (3) For the purposes of sub-paragraph (2), the statement of total return for an accounting period is the statement of total return which, in accordance with the Statement of Recommended Practice used for the accounting period, must be included in the accounts contained in the annual report of the authorised unit trust which deals with the accounting period.
- (4) For the purposes of sub-paragraph (3), the “Statement of Recommended Practice” used for an accounting period is—

- (a) in relation to any accounting period for which it is required or permitted to be used, the Statement of Recommended Practice relating to Authorised Unit Trust Schemes issued by the Investment Management Regulatory Organisation Limited in January 1997, as from time to time modified, amended or revised, or
- (b) in relation to any accounting period for which it is required or permitted to be used, any subsequent statement of recommended practice dealing with accounting requirements relating to authorised unit trust schemes, as from time to time modified, amended or revised.

Open-ended investment companies: capital profits and losses

- 33 (1) Where any profits or losses arising to an open-ended investment company from a derivative contract in an accounting period are capital profits or losses, they must not be brought into account as credits or debits for the purposes of this Schedule, notwithstanding paragraph 15.
- (2) For the purposes of this paragraph, capital profits and losses arising from a derivative contract in an accounting period are such profits and losses arising from a derivative contract as fall to be dealt with under—
- (a) the heading “net gains/losses on investments during the period”, or
 - (b) the heading “other gains/losses”,
- in the statement of total return for the accounting period.
- (3) For the purposes of sub-paragraph (2), the statement of total return for an accounting period is the statement of total return which, in accordance with the Statement of Recommended Practice used for the accounting period, must be included in the accounts contained in the annual report of the open-ended investment company which deals with the accounting period.
- (4) For the purposes of sub-paragraph (3), the “Statement of Recommended Practice” used for an accounting period is—
- (a) in relation to any accounting period for which it is required or permitted to be used, the Statement of Recommended Practice relating to Open-Ended Investment Companies issued by the Financial Services Authority in November 2000, as from time to time modified, amended or revised, or
 - (b) in relation to any accounting period for which it is required or permitted to be used, any subsequent statement of recommended practice dealing with accounting requirements relating to open-ended investment companies issued by the Financial Services Authority, as from time to time modified, amended or revised.

Power to amend paragraphs 32 and 33

- 34 (1) The Treasury may by order amend paragraph 32 or 33 so as to alter the definition of capital profits or losses in consequence of the modification, amendment, revision or replacement of a Statement of Recommended Practice.
- (2) The power to make an order under this paragraph includes power—
- (a) to make different provision for different cases, and
 - (b) to make such consequential, supplementary, incidental or transitional provisions, or savings, as appear to the Treasury to be

necessary or expedient (including provision amending any enactment or any instrument made under an enactment).

Distributing offshore funds

- 35 (1) For the purposes of paragraph 5(1) of Schedule 27 to the Taxes Act 1988 (computation of UK equivalent profit), the assumptions to be made in determining what, for any period, would be the total profits of an offshore fund are to include the assumptions in sub-paragraphs (2) and (3).
- (2) The first assumption is that this Schedule does not apply for the purposes of corporation tax in computing the profits or loss of an offshore fund.
- (3) The second assumption is that for the purposes of corporation tax the profits and losses that are to be taken to arise from the derivative contracts of an offshore fund are to be computed –
- (a) in accordance with the provisions applicable, in the case of unauthorised unit trusts, for the purposes of income tax; and
 - (b) as if the provisions so applicable had effect in relation to an accounting period of an offshore fund as they have effect, in the case of unauthorised unit trusts, in relation to a year of assessment.
- (4) In this paragraph “unauthorised unit trust” means the trustees of any unit trust scheme which is not an authorised unit trust but is a unit trust scheme for the purposes of section 469 of the Taxes Act 1988.

Contracts relating to holdings in unit trust schemes, open-ended investment companies and offshore funds

- 36 (1) This paragraph applies in relation to a relevant contract to which a company is party in an accounting period if –
- (a) it is not a derivative contract for the purposes of this Schedule, and
 - (b) its underlying subject matter consists wholly or partly of a holding which is, in that period, a relevant holding.
- (2) Where this paragraph applies in relation to a relevant contract of a company in an accounting period –
- (a) the Corporation Tax Acts shall have effect for that period (and any succeeding accounting period in which the relevant contract is a relevant contract of the company) as if the relevant contract were a derivative contract, and
 - (b) the accounting method to be used as regards the relevant contract for that period (and any such succeeding period) shall be an authorised mark to market basis of accounting.
- (3) For the purposes of this paragraph a person holds a relevant holding in an accounting period if, at any time in that period, he holds –
- (a) any rights under a unit trust scheme,
 - (b) any shares in an open-ended investment company, or
 - (c) any relevant interests in an offshore fund,
- and there is a time in that period when that scheme, company or fund fails to satisfy the non-qualifying investments test.
- (4) For the purposes of this paragraph –
- (a) “a relevant interest in an offshore fund” has the same meaning as in paragraph 7 of Schedule 10 to the Finance Act 1996 (c. 8), and

- (b) a unit trust scheme, open-ended investment company or offshore fund fails to satisfy the non-qualifying investments test if it fails to satisfy the test in paragraph 8 of that Schedule.

Contract which becomes contract to which paragraph 36 applies

- 37 (1) This paragraph applies if the conditions in sub-paragraphs (2) and (3) are satisfied in relation to any relevant contract of a company.
- (2) The first condition is that—
- (a) the company is party to the relevant contract in two successive accounting periods (“the first and second accounting periods”), and
- (b) paragraph 36 applies in relation to that relevant contract for the second accounting period but not the first.
- (3) The second condition is that the relevant contract was, immediately before the beginning of the second accounting period, a chargeable asset.
- (4) Where an opening valuation of the relevant contract falls to be made at the beginning of the second accounting period (for the purposes of bringing an amount into account for that period on a mark to market basis of accounting), the value of that contract at that time shall be taken for the purpose of the opening valuation to be equal to whatever, in relation to a disposal immediately before the end of the first accounting period, would have been taken to be the market value of that contract for the purposes of the Taxation of Chargeable Gains Act 1992 (c. 12).
- (5) When the company ceases to be a party to the relevant contract it shall bring into account, for the accounting period in which it ceased to be a party to that contract, the amount of any chargeable gain or allowable loss which would have been treated as accruing to the company on the assumption—
- (a) that it had made a disposal of the asset immediately before the beginning of the second accounting period, and
- (b) that the disposal had been for a consideration equal to the value (if any) given to the relevant contract in the accounts of the company at the end of the first accounting period.
- (6) For the purposes of this paragraph an asset is a chargeable asset if any gain accruing on the disposal of the asset by the company would be a chargeable gain for the purposes of the Taxation of Chargeable Gains Act 1992 (and includes any obligations under futures contracts which, by virtue of section 143 of that Act, are regarded as assets to the disposal of which that Act applies).

Investment trusts and venture capital trusts: capital reserves

- 38 (1) Where any profits or losses arising to an investment trust from a derivative contract for an accounting period are carried to or sustained by a capital reserve in accordance with the Statement of Recommended Practice used for the accounting period, those profits and losses must not be brought into account as credits or debits for the purposes of this Schedule, notwithstanding paragraph 15.
- (2) Where any profits or losses arising to a venture capital trust from a derivative contract for an accounting period—
- (a) are carried to or sustained by a capital reserve in accordance with the Statement of Recommended Practice used for the accounting period as if the venture capital trust were an investment trust, or

- (b) would be carried to or sustained by a capital reserve if the venture capital trust were an investment trust and were using that Statement of Recommended Practice,
those profits and losses must not be brought into account as credits or debits for the purposes of this Schedule, notwithstanding paragraph 15.
- (3) For the purposes of this paragraph, the “Statement of Recommended Practice” used for an accounting period is –
 - (a) in relation to any accounting period for which it is permitted to be used, the Statement of Recommended Practice relating to Investment Trust Companies issued by the Association of Investment Trust Companies in December 1995, as from time to time modified, amended or revised, or
 - (b) in relation to any accounting period for which it is permitted to be used, any subsequent statement of recommended practice relating to investment trusts, as from time to time modified, amended or revised.

Investment trusts: approval for purposes of section 842 of the Taxes Act 1988

- 39 (1) For the purpose of determining whether a company may be approved for the purposes of section 842 of the Taxes Act 1988 (investment trusts) for any accounting period, the excess of any relevant credits arising in that period over any relevant debits so arising shall be treated for the purposes of that section as income derived from shares or securities.
- (2) For the purposes of this paragraph “relevant credits” and “relevant debits”, in relation to an accounting period, are credits and debits which are brought into account in respect of that period by virtue of paragraph 14(3) as if they were non-trading credits and non-trading debits falling to be brought into account for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (c. 8) in respect of loan relationships of the company.

Venture capital trusts: approval for purposes of section 842AA of the Taxes Act 1988

- 40 (1) For the purpose of determining whether a company may be approved for the purposes of section 842AA of the Taxes Act 1988 (venture capital trusts) for any accounting period, the excess of any relevant credits arising in that period over any relevant debits so arising shall be treated for the purposes of that section as income derived from shares or securities.
- (2) For the purposes of this paragraph “relevant credits” and “relevant debits”, in relation to an accounting period, are credits and debits which are brought into account in respect of that period by virtue of paragraph 14(3) as if they were non-trading credits and non-trading debits falling to be brought into account for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 in respect of loan relationships of the company.

PART 8

INSURANCE AND MUTUAL TRADING COMPANIES

Application of Schedule to insurance and mutual trading companies

- 41 (1) This Schedule shall apply in relation to insurance and mutual trading companies as it applies in relation to other companies.

- (2) Sub-paragraph (1) is subject to paragraphs 42 and 43.

Application of Part 1 of Schedule 11 to the Finance Act 1996

- 42 (1) Part 1 of Schedule 11 to the Finance Act 1996 (c. 8) (special provision with respect to loan relationships for insurance companies) shall have effect (subject to sub-paragraphs (2) to (4)) in relation to derivative contracts as it has effect in relation to loan relationships.
- (2) Any provision of that Part of that Schedule which applies only to debtor relationships (within the meaning of Chapter 2 of Part 4 of that Act) shall not have effect in relation to derivative contracts for the purposes of sub-paragraph (1).
- (3) That Part of that Schedule shall have effect in its application in relation to derivative contracts as if—
- (a) references to Chapter 2 of Part 4 of the Finance Act 1996 were references to this Schedule,
 - (b) references to section 80(5) of that Act were references to paragraph 1(2) of this Schedule,
 - (c) references to section 82(2) of that Act were references to paragraph 14(2) of this Schedule, and
 - (d) references to credits and debits given in respect of a loan relationship by Chapter 2 of Part 4 of that Act were references, respectively, to the credits and debits given in respect of a derivative contract by this Schedule.
- (4) In the application of that Part of that Schedule in the case of any contract of an insurance company—
- (a) which is a derivative contract by virtue of paragraph 5, and
 - (b) to which the insurance company is party for the purposes of any life assurance business, or any category of life assurance business, carried on by it or partly for those purposes,
- any credits or debits given in respect of the contract shall not, to the extent that they are referable to that business or any category of that business, be brought into account in accordance with that Schedule as it has effect by virtue of this paragraph (and accordingly the provisions applicable apart from this Schedule shall, to that extent, apply for the purposes of computing the profits of an insurance company for the purposes of corporation tax).

Non-life mutual business

- 43 (1) This paragraph applies in relation to any contract of a mutual trading company—
- (a) which is a derivative contract by virtue of paragraph 5, and
 - (b) to which the mutual trading company is party, at any time in an accounting period, for the purposes of any non-life mutual business carried on by it or partly for those purposes.
- (2) Where this paragraph applies in relation to a contract, this Schedule shall have effect in relation to the contract subject to sub-paragraph (3).
- (3) To the extent that the credits or debits which, but for this sub-paragraph, fall to be brought into account in respect of the contract for that period are referable to any non-life mutual business they shall not be brought into account under this Schedule.

- (4) The extent to which any credits or debits are referable to the purposes of any non-life mutual business or to other purposes shall be determined by apportioning those credits and debits on a just and reasonable basis.

PART 9

MISCELLANEOUS

Derivative contracts ceasing to be held for purposes of trade

- 44 (1) This paragraph applies where—
- (a) a company is party to a relevant contract which is a derivative contract by virtue of paragraph 5 (contracts entered into or acquired by a company for the purposes of a trade carried on by it), and
 - (b) the purposes for which the company entered into or acquired the relevant contract cease at any time (“the relevant time”) to be the company’s purposes in relation to that relevant contract, but
 - (c) the company continues to be party to the relevant contract after the relevant time.
- (2) Where this paragraph applies, the company shall be deemed—
- (a) to have disposed of the relevant contract immediately before the relevant time for a consideration of an amount equal to the fair value of the contract at the relevant time, and
 - (b) to have reacquired it immediately after that time for the same consideration.

Contracts becoming held for purposes of trade

- 45 (1) This paragraph applies where a relevant contract of a company—
- (a) whose underlying subject matter consists, or is treated as consisting, wholly of—
 - (i) shares in a company,
 - (ii) rights of a unit holder under a unit trust scheme, or
 - (iii) assets representing a loan relationship to which either section 92 or 93 of the Finance Act 1996 (c. 8) applies,
 - (b) which is a chargeable asset, and
 - (c) which was entered into or acquired by the company otherwise than for the purposes of a trade carried on by it,
- is at any time appropriated by the company for the purposes of a trade carried on by it.
- (2) Where this paragraph applies—
- (a) section 161 of the Taxation of Chargeable Gains Act 1992 (c. 12) (appropriations to and from stock) shall have effect in relation to the appropriation of that contract, but
 - (b) the company may not make an election under subsection (3) of that section in relation to that appropriation.
- (3) For the purposes of this paragraph an asset is a chargeable asset if any gain accruing on the disposal of the asset by the company would be a chargeable gain for the purposes of the Taxation of Chargeable Gains Act 1992 (and includes any obligations under futures contracts which, by virtue of section

143 of that Act, are regarded as assets to the disposal of which that Act applies).

- (4) Paragraph 9 applies for the purpose of determining whether the underlying subject matter of a relevant contract is to be treated as consisting wholly of the property referred to in sub-paragraph (1)(a).

Contracts where part of underlying subject matter of excluded type

- 46 (1) This paragraph applies to a relevant contract of a company –
- (a) which is an option or future,
 - (b) which satisfies the requirements of paragraph 3 (accounting requirements etc), and
 - (c) whose underlying subject matter falls within sub-paragraph (2).
- (2) The underlying subject matter of a relevant contract falls within this sub-paragraph if it consists of –
- (a) any one or more of the excluded types of property falling within paragraphs (a) to (f) of sub-paragraph (2) of paragraph 4, and
 - (b) underlying subject matter other than that referred to in paragraph (a).
- (3) Where this paragraph applies to a relevant contract of a company, it shall be treated for the purposes of the Corporation Tax Acts as if it were two separate contracts, namely –
- (a) a relevant contract of the company whose underlying subject matter consists of the excluded types of property referred to in sub-paragraph (2)(a), and
 - (b) a relevant contract of the company whose underlying subject matter consists of the underlying subject matter referred to in sub-paragraph (2)(b).
- (4) For the purposes of giving effect to sub-paragraph (3) all such apportionments as are just and reasonable shall be made.
- (5) This paragraph does not apply to a relevant contract if it is determined in accordance with paragraph 9 that the underlying subject matter of the relevant contract in question is to be treated as consisting wholly of any one or more of the excluded types of property referred to in sub-paragraph (2)(a).

Contracts where underlying subject matter of different excluded types

- 47 (1) This paragraph applies to a relevant contract of a company –
- (a) which is an option or future,
 - (b) which satisfies the requirements of paragraph 3 (accounting requirements etc), and
 - (c) whose underlying subject matter falls within sub-paragraph (2).
- (2) The underlying subject matter of the relevant contract falls within this sub-paragraph if it consists, or is treated as consisting, wholly of –
- (a) any one or more of the excluded types of property falling within paragraphs (a) to (c) of sub-paragraph (2) of paragraph 4, and
 - (b) any one or more of the excluded types of property falling within paragraphs (d) to (f) of that sub-paragraph.

- (3) Where this paragraph applies to a relevant contract of a company, it shall be treated for the purposes of the Corporation Tax Acts as if it were two separate contracts, namely –
 - (a) a relevant contract of the company whose underlying subject matter consists of the excluded types of property referred to in sub-paragraph (2)(a), and
 - (b) a relevant contract of the company whose underlying subject matter consists of the excluded types of property referred to in sub-paragraph (2)(b).
- (4) For the purposes of giving effect to sub-paragraph (3) all such apportionments as are just and reasonable shall be made.
- (5) Paragraph 9 applies for the purpose of determining whether the underlying subject matter of a relevant contract is to be treated as consisting wholly of the excluded types of property referred to in paragraphs (a) and (b) of sub-paragraph (2).
- (6) If a relevant contract of a company is one to which this paragraph applies in consequence of the application of paragraph 9 (as described in sub-paragraph (5)), any underlying subject matter of the contract which is subordinate or of small value and which is disregarded in accordance with that paragraph shall be apportioned in accordance with sub-paragraph (4). But if and so far as the underlying subject matter of a relevant contract is disregarded in accordance with paragraph 9 by reason of being subordinate in relation to such property as is referred to in paragraph (a) or, as the case may be, paragraph (b) of sub-paragraph (3), it shall be apportioned accordingly.
- (7) This paragraph does not apply to a relevant contract if it is determined in accordance with paragraph 9 that the underlying subject matter of the relevant contract in question is to be treated as consisting wholly of –
 - (a) any one or more of the excluded types of property falling within paragraphs (a) to (c) of sub-paragraph (2) of paragraph 4, or
 - (b) any one or more of the excluded types of property falling within paragraphs (d) to (f) of that sub-paragraph.

Election to treat contract as two assets

- 48 (1) This paragraph applies to a relevant contract of a company if it would, but for an election under this paragraph, be a derivative contract to which paragraph 7 applies.
- (2) Where this paragraph applies to a relevant contract of a company, the company may elect that its relevant contract shall be treated for the purposes of the Corporation Tax Acts as if it were –
 - (a) a creditor relationship of the company which is a relevant zero coupon bond, and
 - (b) an option of the company whose underlying subject matter is the same as the underlying subject matter of the relevant contract to which this paragraph applies.
- (3) For the purposes of sub-paragraph (2) a relevant zero coupon bond is a zero coupon bond –
 - (a) issued at the time when the consideration for entering into, or acquiring, the relevant contract to which this paragraph applies was payable by the company,

- (b) falling to be redeemed –
 - (i) on the date on which that relevant contract falls to be performed, or
 - (ii) in a case where that relevant contract may fall to be performed on more than one date, on the date which is the last of those dates, and
 - (c) issued at a price equal to the amount that would have been the market value of a zero coupon bond –
 - (i) issued at that time,
 - (ii) falling to be redeemed on that date or, as the case may be, on that last date, and
 - (iii) producing, by the time of its redemption, an amount equal to the amount which is the guaranteed amount in relation to that relevant contract.
- (4) The only accounting method authorised for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (c. 8) for use by a company as respects a creditor relationship arising under sub-paragraph (2)(a) shall be an authorised mark to market basis of accounting.
- (5) None of paragraphs 6 to 8 shall apply to an option arising under paragraph (2)(b).
- (6) For the purposes of giving effect to sub-paragraph (2) all such apportionments as are just and reasonable shall be made.
- (7) An election under sub-paragraph (2) in relation to a relevant contract –
- (a) may only be made within the period of two years following the end of the company’s first accounting period in which it is party to the relevant contract;
 - (b) has effect for that accounting period and all subsequent accounting periods of the company; and
 - (c) is irrevocable.
- (8) For the purposes of this paragraph a “zero coupon bond” is a security –
- (a) whose issue price is less than the amount payable on redemption, and
 - (b) which does not provide for any amount to be payable by way of interest.
- (9) For the purposes of this paragraph “market value” has the same meaning as in the Taxation of Chargeable Gains Act 1992 (c. 12).

Partnerships involving companies

- 49 (1) This paragraph applies where –
- (a) a trade, profession or business is carried on by persons in partnership (“the firm”);
 - (b) any of those persons is a company (a “company partner”); and
 - (c) the firm is party to a contract which is a derivative contract or would be a derivative contract if the firm were a company.
- (2) In any such case –
- (a) in computing the profits and losses of the trade, profession or business for the purposes of corporation tax in accordance with section 114(1) of the Taxes Act 1988 (computation as if the

- partnership were a company) no credits or debits shall be brought into account under this Schedule in respect of the contract; but
- (b) credits and debits shall be brought into account under this Schedule in respect of the contract in accordance with the following provisions of this paragraph by each company partner for each of its accounting periods in which the conditions in sub-paragraph (1) are satisfied.
- (3) The credits and debits to be brought into account as mentioned in sub-paragraph (2)(b) shall be determined separately in the case of each company partner.
- (4) For the purpose of determining those credits and debits in the case of any particular company partner –
- (a) the contract entered into or acquired by the firm shall be treated as if it were instead entered into or acquired by that company partner, for the purposes of the trade, profession or business which that company partner carries on,
 - (b) anything done by or in relation to the firm in connection with the contract shall be treated as done by or in relation to the company partner, and
 - (c) to the extent that any exchange gains or losses arising from the contract are carried to or sustained by a reserve maintained by the firm and are set off by or against another amount as described in paragraph 16(4), the exchange gains or losses shall to that extent be treated as carried to or sustained by such a reserve maintained by the company partner and set off by or against another amount,
- and credits and debits (the “gross credits and debits”) shall be determined accordingly.
- (5) The credits and debits to be brought into account under this Schedule pursuant to sub-paragraph (2)(b) in the case of any particular company partner shall be that company partner’s appropriate share of the gross credits and debits determined in accordance with sub-paragraph (4) in the case of that company partner.
- (6) For the purposes of sub-paragraph (5), the “appropriate share”, in the case of a company partner, is the share that would be apportioned to that company partner if –
- (a) the gross credits and debits determined in accordance with sub-paragraph (4) in the case of that company partner fell to be apportioned between the partners; and
 - (b) the apportionment fell to be made in the shares in which any profit or loss computed in accordance with subsection (1) of section 114 of the Taxes Act 1988 would be apportioned between them under subsection (2) of that section.

Partnerships involving companies: application of accounting methods

- 50 (1) This paragraph has effect where, in accordance with paragraph 49, credits and debits in respect of a contract of a firm are to be brought into account under this Schedule by a company partner for any accounting period of that company partner.
- (2) Where this paragraph has effect, paragraph 18 shall apply in relation to the contract, subject to sub-paragraph (3).

- (3) Where as respects any accounting period or any part of an accounting period –
- (a) the credits and debits in respect of the contract, which fall to be brought into account under this Schedule by the company partner in accordance with paragraph 49, are not brought into account by the company partner for the purposes of its statutory accounts, but
 - (b) the company partner brings its share in the profits or loss of the firm into account on a mark to market basis of accounting for the purposes of its statutory accounts,
- the company partner must use in relation to that period or, as the case may be, that part of a period, an authorised mark to market basis of accounting in relation to the contract for the purposes of this Schedule.
- (4) For the purposes of this paragraph “company partner” and “firm” have the same meaning as in paragraph 49.

Prevention of deduction of tax

- 51 Notwithstanding anything in section 349 of the Taxes Act 1988 or any other provision of the Tax Acts, where the profits and losses arising from a derivative contract of a company are computed in accordance with this Schedule, the company shall not be required, on making a payment under the contract, to deduct out of it any sum representing an amount of income tax on it.

- (7) The company may elect that a debit representing the amount of any allowable loss, which under sub-paragraph (5) is to be brought into account for the accounting period in which it ceases to be a party to the contract, shall be brought into account for that accounting period as if it were a non-trading debit falling to be brought into account for the purposes of Chapter 2 of Part

4 of the Finance Act 1996 (c. 8) in respect of a loan relationship of the company.

- (8) An election under sub-paragraph (7) may only be made within the period of two years following the end of the accounting period in which the company ceases to be a party to the contract.
- (9) For the purposes of this paragraph an asset is a chargeable asset if any gain accruing on the disposal of the asset by the company would be a chargeable gain for the purposes of the Taxation of Chargeable Gains Act 1992 (c. 12) (and includes any obligations under futures contracts which, by virtue of section 143 of that Act, are regarded as assets to the disposal of which that Act applies).
- (10) This paragraph has effect subject to paragraph 5.

Contracts: election to treat as two assets

- 5 (1) This paragraph applies if the conditions in sub-paragraphs (2) to (4) are satisfied in relation to any contract of a company.
- (2) The first condition is that the company is a party to the contract immediately before and on its commencement day.
- (3) The second condition is that the contract –
 - (a) was not a qualifying contract (within the meaning of Chapter 2 of Part 4 of the Finance Act 1994 (c. 9)) immediately before the company's commencement day, but
 - (b) as from that day would, but for an election under sub-paragraph (5) of this paragraph, be a derivative contract to which paragraph 7 of Schedule 26 (contracts designed to secure guaranteed amount) applies.
- (4) The third condition is that the contract was, immediately before the company's commencement day, a chargeable asset.
- (5) Where this paragraph applies the company may elect that its contract shall be treated for the purposes of the Corporation Tax Acts as if it were –
 - (a) a creditor relationship of the company which is a zero coupon bond (within the meaning of paragraph 48 of Schedule 26), and
 - (b) an option of the company whose underlying subject matter is the same as the underlying subject matter of the contract to which this paragraph applies;
 and sub-paragraphs (4) to (6) of that paragraph shall apply to a creditor relationship and an option arising under this sub-paragraph as they apply to a creditor relationship and an option arising under paragraph 48(2) of Schedule 26.
- (6) An election under sub-paragraph (5) in relation to a contract –
 - (a) may only be made within the period of two years following the end of the company's first new period;
 - (b) has effect for the company's first new period and all subsequent accounting periods of the company; and
 - (c) is irrevocable.
- (7) Where an election under sub-paragraph (5) has been made by a company in relation to a contract, the company shall, when it ceases to be a party to the contract, bring into account, for the accounting period in which it ceases to be a party to the contract, the amount of any chargeable gain or allowable

- loss which would have been treated as accruing to the company on the assumption –
- (a) that it had made a disposal of the asset immediately before its commencement day, and
 - (b) that the disposal had been for a consideration equal to the value (if any) given to the contract in the accounts of the company at the end of the company's accounting period immediately before its first new period.
- (8) Sub-paragraph (7) has effect subject to sub-paragraph (9).
- (9) The company may elect that a debit representing the amount of any allowable loss, which under sub-paragraph (7) is to be brought into account for the accounting period in which it ceases to be a party to the contract, shall be brought into account for that accounting period as if it were a non-trading debit falling to be brought into account for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (c. 8) in respect of a loan relationship of the company.
- (10) An election under sub-paragraph (9) may only be made within the period of two years following the end of the accounting period in which the company ceases to be a party to the contract.
- (11) For the purposes of this paragraph references to an asset being a chargeable asset shall be construed in accordance with paragraph 4(9).
- (12) In this paragraph “option” and “underlying subject matter” have the same meaning as in Schedule 26.

Contracts which become derivative contracts: contracts within Schedule 5AA to the Taxes Act 1988

- 6 (1) This paragraph applies if the conditions in sub-paragraphs (2) to (5) are satisfied in relation to any contract of a company.
- (2) The first condition is that the company is a party to the contract immediately before and on its commencement day.
- (3) The second condition is that the contract –
- (a) was not a qualifying contract (within the meaning of Chapter 2 of Part 4 of the Finance Act 1994 (c. 9)) immediately before the company's commencement day, but
 - (b) as from that day is a derivative contract.
- (4) The third condition is that the contract was, immediately before the company's commencement day, a transaction to which Schedule 5AA to the Taxes Act 1988 applied.
- (5) The fourth condition is that, on or after the company's commencement day, a relevant event occurs.
- (6) For the purposes of this paragraph a relevant event is an event which would, if Schedule 5AA to the Taxes Act 1988 had continued to apply to the contract for the purposes of corporation tax, have given rise to an amount of profits falling to be charged under that Schedule.
- (7) A credit representing that amount of profits (“a relevant credit”) shall be brought into account by virtue of paragraph 14(3) of Schedule 26 for the accounting period in which the relevant event occurs as if it were a non-trading credit falling to be brought into account for the purposes of Chapter

2 of Part 4 of the Finance Act 1996 in respect of a loan relationship of the company.

- (8) The amount of the relevant credit is the sum of—
- (a) the amount of profits which would have been chargeable under Schedule 5AA to the Taxes Act 1988 if it had continued to apply to the contract, and
 - (b) the amount of any debits given by Schedule 26 in respect of the contract for the first new period and any subsequent accounting period ending with the accounting period in which the relevant event occurred,
- less the amount of any credits given by Schedule 26 in respect of the contract for those accounting periods.

Interpretation

- 7 For the purposes of this Schedule—
- (a) a company's commencement day is the first day of its first accounting period to begin on or after 1st October 2002,
 - (b) a company's first new period is its first accounting period to begin on or after that date, and
 - (c) an old period of the company is any accounting period of the company ending before the first day of its first new period.

SCHEDULE 29

Section 84(1)

GAINS AND LOSSES OF A COMPANY FROM INTANGIBLE FIXED ASSETS

PART 1

INTRODUCTION

Gains and losses in respect of intangible fixed assets

- 1 (1) A company's gains in respect of intangible fixed assets are chargeable to corporation tax as income in accordance with this Schedule.
- (2) This Schedule also has effect for determining how a company's losses in respect of intangible fixed assets are brought into account for the purposes of corporation tax.
- (3) Except where otherwise indicated, the amounts to be brought into account in accordance with this Schedule in respect of any matter are the only amounts to be brought into account for the purposes of corporation tax in respect of that matter.

Intangible assets

- 2 (1) In this Schedule "intangible asset" has the meaning it has for accounting purposes.
- (2) References in this Schedule to an intangible asset include, in particular, any intellectual property.
- For this purpose "intellectual property" means —

- (a) any patent, trade mark, registered design, copyright or design right, plant breeders' rights or rights under section 7 of the Plant Varieties Act 1997 (c. 66),
 - (b) any right under the law of a country or territory outside the United Kingdom corresponding to, or similar to, a right within paragraph (a),
 - (c) any information or technique not protected by a right within paragraph (a) or (b) but having industrial, commercial or other economic value, or
 - (d) any licence or other right in respect of anything within paragraph (a), (b) or (c).
- (3) This paragraph is subject to Part 10 (excluded assets).

Intangible fixed assets

- 3 (1) In this Schedule an “intangible fixed asset”, in relation to a company, means an intangible asset acquired or created by the company for use on a continuing basis in the course of the company's activities.
- (2) References in this Schedule to an intangible fixed asset include an option or other right—
- (a) to acquire an intangible asset that if acquired would be a fixed asset, or
 - (b) to dispose of an intangible fixed asset.
- (3) Unless otherwise indicated, the provisions of this Schedule apply to an intangible fixed asset whether or not it is capitalised in the company's accounts.
- (4) This paragraph is subject to any such provision of regulations under paragraph 104 (finance leasing etc) as is mentioned in sub-paragraph (2)(a) of that paragraph (assets to be treated as intangible fixed assets of finance lessor).

Goodwill

- 4 (1) Except as otherwise indicated, the provisions of this Schedule apply to goodwill as to an intangible fixed asset.
- (2) In this Schedule “goodwill” has the meaning it has for accounting purposes.

Company not drawing up correct accounts

- 5 (1) If a company does not draw up accounts in accordance with generally accepted accounting practice (“correct accounts”)—
- (a) the provisions of this Schedule apply as if correct accounts had been drawn up, and
 - (b) the amounts referred to in this Schedule as being recognised for accounting purposes are those that would have been recognised if correct accounts had been drawn up.
- (2) If a company draws up accounts that rely to any extent on amounts derived from an earlier period of account for which the company did not draw up correct accounts, the amounts referred to in this Schedule as being recognised for accounting purposes in the later period are those that would

have been recognised if correct accounts had been drawn up for the earlier period.

- (3) The provisions of this paragraph apply where the company does not draw up accounts at all as well as where it draws up accounts that are not correct.

Reference to consolidated group accounts

- 6 (1) In determining whether a company's accounts are correct, reference may be made to any view as to—
- (a) the useful life of an asset, or
 - (b) the economic value of an asset,
- taken for the purposes of consolidated group accounts prepared for any group of companies of which the company is a member.
- (2) In sub-paragraph (1)—
- “consolidated group accounts” means group accounts that satisfy the requirements of—
- (a) section 227 of the Companies Act 1985 (c. 6), or
 - (b) in Northern Ireland, Article 235 of the Companies (Northern Ireland) Order 1986 (SI 1986/1032 (N.I. 6)),
- or the corresponding requirements of the law of a country outside the United Kingdom; and
- “group of companies” means a group as defined in—
- (a) section 262(1) of that Act, or
 - (b) in Northern Ireland, Article 270(1) of that Order,
- or the corresponding provision of the law of a country outside the United Kingdom.
- (3) This paragraph does not apply if or to the extent that the consolidated group accounts are prepared—
- (a) in accordance with the requirements of the law of a country outside the United Kingdom, and
 - (b) on a basis that, in relation to the matters mentioned in sub-paragraph (1), substantially diverges from generally accepted accounting practice.

PART 2

DEBITS IN RESPECT OF INTANGIBLE FIXED ASSETS

Introduction

- 7 (1) This Part provides for debits to be brought into account by a company for tax purposes in respect of—
- (a) expenditure on an intangible fixed asset that is written off for accounting purposes as it is incurred (see paragraph 8);
 - (b) writing down the capitalised cost of an intangible fixed asset—
 - (i) on an accounting basis (see paragraph 9), or
 - (ii) on a fixed-rate basis (see paragraphs 10 and 11); and
 - (c) the reversal of a previous accounting gain in respect of an intangible fixed asset (see paragraph 12).

- (2) This Part does not apply in relation to amounts brought into account in connection with the realisation of an intangible fixed asset (see Part 4).

Expenditure written off as it is incurred

- 8 (1) Where in a period of account expenditure on an intangible fixed asset is recognised in a company's profit and loss account, a corresponding debit shall be brought into account for tax purposes.
- (2) Subject to any adjustment required for tax purposes, the amount of the debit recognised for tax purposes is the same as the amount of the loss recognised by the company for accounting purposes.
- (3) Nothing in—
 section 74(1)(m) or (p) of the Taxes Act 1988 (annual payments and patent royalties not to be deducted in computing profits under Case I or II of Schedule D), or
 section 817(1)(b) of that Act (annual payments not to be deducted in arriving at the amount of profits or gains for tax purposes),
 has effect to prevent a debit being brought into account for tax purposes by a company in accordance with this paragraph (and given effect accordingly under Part 6).
- (4) This paragraph does not apply to a loss that represents previously capitalised expenditure.

Writing down on accounting basis

- 9 (1) Where in a period of account a loss is recognised in the company's profit and loss account in respect of capitalised expenditure on an intangible fixed asset—
 (a) by way of amortisation, or
 (b) as a result of an impairment review,
 a corresponding debit shall be brought into account for tax purposes.
- (2) The reference in sub-paragraph (1) to an "impairment review" does not include the valuation of an asset for the purpose of determining the amount of expenditure to be capitalised in the first place.
- (3) The amount of the debit for tax purposes in respect of expenditure on an asset is, in the period of account in which the expenditure is capitalised:

$$\text{Accounting Loss} \times \frac{\text{Tax Cost}}{\text{Accounting Cost}}$$

where—

Accounting Loss is the amount of the loss recognised for accounting purposes,

Tax Cost is the amount of expenditure on the asset that is recognised for tax purposes, and

Accounting Cost is the amount capitalised in respect of expenditure on the asset.

- (4) Subject to any adjustment required for tax purposes, the amount of the expenditure on the asset that is recognised for tax purposes is the same as the amount of expenditure on the asset capitalised by the company.

- (5) The amount of the debit for tax purposes in respect of expenditure on an asset is, in a subsequent period of account:

$$\text{Accounting Loss} \times \frac{\text{Tax Value}}{\text{Accounting Value}}$$

where—

Accounting Loss is the amount of the loss recognised for accounting purposes,

Tax Value is the tax written down value of the asset immediately before the amortisation charge is made or, as the case may be, the impairment loss is recognised for accounting purposes, and

Accounting Value is the value of the asset recognised for accounting purposes immediately before the amortisation charge or, as the case may be, the impairment review.

- (6) In this paragraph “capitalised” means capitalised for accounting purposes.

Writing down at fixed rate: election for fixed-rate basis

- 10 (1) A company may elect to write down the cost of an intangible fixed asset for tax purposes at a fixed rate.
- (2) An election to that effect may be made whether or not the asset is written down for accounting purposes.
- (3) An election under this paragraph must be made—
- (a) in writing,
 - (b) to the Inland Revenue,
 - (c) no later than two years after the end of the accounting period in which the asset is created or acquired by the company making the election.
- (4) An election under this paragraph in relation to an asset has effect in relation to all expenditure on the asset that is capitalised for accounting purposes.
- (5) An election under this paragraph is irrevocable.
- (6) Paragraph 9 (writing down on accounting basis) does not apply to an asset in respect of which an election is made under this paragraph.

Writing down at fixed rate: calculation

- 11 (1) Where an election is made for writing down at a fixed rate, a debit equal to—
- (a) 4% of the cost of the asset, or
 - (b) if less, the balance of the tax written down value,
- shall be brought into account for tax purposes in each accounting period beginning with that in which the relevant expenditure is incurred.
- (2) If the accounting period is less than 12 months, the amount mentioned in sub-paragraph (1)(a) above shall be proportionately reduced.
- (3) The cost of the asset means the cost recognised for tax purposes.
- (4) Subject to any adjustment required for tax purposes, the cost of the asset recognised for tax purposes is the same as the amount capitalised for accounting purposes in respect of expenditure on the asset.
- (5) After a part realisation of the asset the reference in sub-paragraph (1)(a) to the cost of the asset shall be read as a reference to—

- (a) the cost recognised for tax purposes in respect of the value of the asset recognised for accounting purposes immediately after the part realisation, and
 - (b) the cost so recognised of any subsequent expenditure on the asset that is capitalised for accounting purposes.
- (6) On a further part realisation, sub-paragraph (5) applies again.

Reversal of previous accounting gain

- 12 (1) Where in a period of account a loss is recognised in the company's profit and loss account reversing (in whole or in part) a gain recognised in a previous period of account in respect of which a credit was brought into account for tax purposes under Part 3 (credits in respect of intangible fixed assets), a corresponding debit shall be brought into account for tax purposes.
- (2) The amount of the debit to be brought into account for tax purposes is:

$$\text{Accounting Loss} \times \frac{\text{Previous Credit}}{\text{Accounting Gain}}$$

where—

Accounting Loss is the amount of the loss recognised for accounting purposes,

Accounting Gain is the amount of the gain that is (in whole or in part) reversed, and

Previous Credit is the amount of the credit previously brought into account for tax purposes in respect of the gain.

- (3) References in this paragraph to the recognition of a loss reversing a gain recognised in a previous period of account do not include a loss recognised by way of amortisation, or as a result of an impairment review, of an asset that has previously been the subject of a revaluation within the meaning of paragraph 15.

PART 3

CREDITS IN RESPECT OF INTANGIBLE FIXED ASSETS

Introduction

- 13 (1) This Part provides for credits to be brought into account by a company for tax purposes in respect of—
- (a) receipts in respect of intangible fixed assets that are recognised in the profit and loss account as they accrue (see paragraph 14),
 - (b) revaluation of an intangible fixed asset (see paragraph 15),
 - (c) credits recognised for accounting purposes in respect of negative goodwill (see paragraph 16), and
 - (d) the reversal of previous accounting debits in respect of an intangible fixed asset (see paragraph 17).
- (2) This Part does not apply in relation to amounts brought into account in connection with the realisation of an intangible fixed asset within the meaning of Part 4.

Receipts recognised as they accrue

- 14 (1) Where in a period of account a gain representing a receipt in respect of an intangible fixed asset is recognised in the company's profit and loss account, a corresponding credit shall be brought into account for tax purposes.
- (2) Subject to any adjustment required for tax purposes, the amount of the credit recognised for tax purposes under this paragraph is the same as the amount of the gain recognised by the company for accounting purposes.

Revaluation

- 15 (1) Where in a period of account the accounting value of an intangible fixed asset is increased on a revaluation, a credit shall be brought into account for tax purposes.
- (2) The amount of the credit for tax purposes is—
- (a) the amount corresponding for tax purposes to the increase in value (see sub-paragraph (3)), or
 - (b) if less, the net aggregate amount of relevant tax debits previously brought into account (see sub-paragraph (4)).
- (3) The amount corresponding for tax purposes to the increase in value is:

$$\text{Accounting Adjustment} \times \frac{\text{Tax Value}}{\text{Accounting Value}}$$

where—

Accounting Adjustment is the amount of the increase in the accounting value of the asset,

Tax Value is the tax written down value of the asset immediately before the revaluation, and

Accounting Value is the accounting value of the asset by reference to which the revaluation is carried out.

- (4) The net aggregate amount of relevant tax debits previously brought into account is:

$$\text{Previous Debits} - \text{Previous Credits}$$

where—

Previous Debits is the total amount of debits previously brought into account for tax purposes in respect of the asset under paragraph 9 (writing down on accounting basis), and

Previous Credits is the total amount of any credits previously brought into account for tax purposes in respect of the asset under this paragraph.

- (5) For the purposes of this paragraph a “revaluation” includes—
- (a) the valuation of an asset for which a value is shown in the company's balance sheet but which has not previously been the subject of a valuation, and
 - (b) the restoration of past losses.
- (6) This paragraph does not apply to an asset in respect of which an election has been made under paragraph 10 (election for writing down at fixed rate).

Negative goodwill

- 16 (1) Where in a period of account a gain is recognised in the company's profit and loss account in respect of negative goodwill arising on an acquisition of a business, a corresponding credit shall be brought into account for tax purposes.
- (2) The amount of the credit is so much of the gain recognised for accounting purposes as, on a just and reasonable apportionment, is attributable to intangible fixed assets.

Reversal of previous accounting loss

- 17 (1) Where in a period of account a gain is recognised in the company's profit and loss account reversing (in whole or in part) a loss recognised in a previous period of account in respect of which a debit was brought into account for tax purposes under Part 2 (debits in respect of intangible fixed assets), a corresponding credit shall be brought into account for tax purposes.
- (2) The amount of the credit to be brought into account for tax purposes is:

$$\text{Accounting Gain} \times \frac{\text{Tax Debit}}{\text{Accounting Loss}}$$

where—

Accounting Gain is the amount of the gain recognised for accounting purposes,

Accounting Loss is the amount of the loss that is reversed (in whole or in part), and

Tax Debit is the amount of the tax debit brought into account in respect of the loss.

- (3) This paragraph does not apply to a gain on a revaluation within the meaning of paragraph 15.

PART 4

REALISATION OF INTANGIBLE FIXED ASSETS

Introduction

- 18 This Part provides for credits or debits to be brought into account for tax purposes on the realisation by a company of an intangible fixed asset.

Meaning of "realisation"

- 19 (1) References in this Schedule to the realisation of an intangible fixed asset are to a transaction resulting, in accordance with generally accepted accounting practice—
- (a) in the asset ceasing to be recognised in the company's balance sheet, or
- (b) in a reduction in the accounting value of the asset.

For this purpose a "transaction" includes any event giving rise to a gain recognised for accounting purposes.

- (2) In relation to an intangible fixed asset that has no balance sheet value (or no longer has a balance sheet value), sub-paragraph (1) applies as if it did have a balance sheet value.
- (3) References in this Schedule to a “part realisation” are to a realisation falling within sub-paragraph (1)(b).

Realisation of asset written down for tax purposes

- 20 (1) This paragraph applies where there is a realisation of an intangible fixed asset in respect of which debits have been brought into account for tax purposes –
 - (a) under paragraph 9 (writing down on accounting basis), or
 - (b) under paragraphs 10 and 11 (writing down at fixed rate).
- (2) Where this paragraph applies –
 - (a) if the proceeds of realisation exceed the tax written down value of the asset, a credit equal to the excess shall be brought into account for tax purposes;
 - (b) if the proceeds of realisation are less than the tax written down value of the asset, a debit equal to the shortfall shall be brought into account for tax purposes; and
 - (c) if there are no proceeds of realisation, a debit equal to the tax written down value shall be brought into account for tax purposes.
- (3) References in this paragraph to the tax written down value of an asset are to its tax written down value immediately before the realisation.

Realisation of asset shown in balance sheet and not written down for tax purposes

- 21 (1) This paragraph applies where there is a realisation of an intangible fixed asset for which a value is shown in the company’s balance sheet but which is not within paragraph 20 (asset written down for tax purposes).
- (2) Where this paragraph applies –
 - (a) if the proceeds of realisation exceed the cost of the asset, a credit equal to the excess shall be brought into account for tax purposes;
 - (b) if the proceeds of realisation are less than the cost of the asset, a debit equal to the shortfall shall be brought into account for tax purposes; and
 - (c) if there are no proceeds of realisation, a debit equal to the cost of the asset shall be brought into account for tax purposes.
- (3) The cost of the asset means the cost recognised for tax purposes.
- (4) Subject to any adjustment required for tax purposes, the cost of the asset recognised for tax purposes is the same as the amount of expenditure on the asset capitalised by the company for accounting purposes.
- (5) After a part realisation of the asset the references in sub-paragraph (2)(a), (b) and (c) to the cost of the asset shall be read as a reference to –
 - (a) the cost recognised for tax purposes in respect of the value of the asset recognised for accounting purposes immediately after the part realisation, and
 - (b) the cost so recognised of any subsequent expenditure on the asset that is capitalised for accounting purposes.
- (6) On a further part realisation, sub-paragraph (5) applies again.

Apportionment in case of part realisation

- 22 (1) In the case of a part realisation the references in paragraph 20 to the tax written down value of the asset, or, as the case may be, the references in paragraph 21 to the cost of the asset, shall be read as references to the appropriate proportion of that amount.
- (2) That proportion is given by:

$$\frac{\text{Reduction in Accounting Value}}{\text{Previous Accounting Value}}$$

where—

Reduction in Accounting Value is the difference between the accounting value immediately before the realisation compared with that immediately after the realisation; and

Previous Accounting Value is the accounting value immediately before the realisation.

Realisation of asset not shown in balance sheet

- 23 (1) This paragraph applies where there is a realisation of an intangible fixed asset in relation to which neither paragraph 20 (asset written down for tax purposes) nor paragraph 21 (asset shown in balance sheet but not written down) applies.
- (2) Where this paragraph applies, a credit equal to any proceeds of realisation shall be brought into account for tax purposes.

Meaning of “proceeds of realisation”

- 24 (1) In this Schedule the “proceeds of realisation” of an asset means the amount recognised for accounting purposes as the proceeds of realisation, reduced by the amount so recognised as incidental costs of realisation.
- (2) The amounts referred to in sub-paragraph (1) are subject to any adjustment required for tax purposes.

Relief in case of reinvestment

- 25 The preceding provisions of this Part have effect subject to Part 7 (relief in case of reinvestment).

Abortive expenditure on realisation

- 26 (1) Where in a period of account—
- (a) a loss is recognised in the company’s profit and loss account in respect of expenditure by the company for the purposes of a transaction that would constitute a realisation of an intangible fixed asset, but
 - (b) the transaction does not proceed to completion,
- a corresponding debit shall be brought into account for tax purposes.
- (2) Subject to any adjustment required for tax purposes, the amount of the debit recognised for tax purposes is the same as the amount of the loss recognised by the company for accounting purposes.

PART 5

CALCULATION OF TAX WRITTEN DOWN VALUE

Asset written down on accounting basis

- 27 (1) For the purposes of this Schedule the tax written down value of an intangible fixed asset to which paragraph 9 applies (writing down on accounting basis) is given by:

$$\text{Tax Cost} - \text{Debits} + \text{Credits}$$

where—

Tax Cost is the cost of the asset recognised for tax purposes;
 Debits is the total amount of the debits previously brought into account for tax purposes in respect of the asset under paragraph 9;
 and
 Credits is the total amount of any credits previously brought into account for tax purposes in respect of the asset under paragraph 15 (revaluation).

- (2) Subject to any adjustment required for tax purposes, the cost of the asset recognised for tax purposes is the same as the amount of the expenditure on the asset that is capitalised for accounting purposes.
- (3) This paragraph has effect subject to paragraph 29 in the case of an asset that has been the subject of a part realisation.

Asset written down at fixed rate

- 28 (1) For the purposes of this Schedule the tax written down value of an intangible fixed asset in respect of which an election has been made under paragraph 10 (election for writing down at fixed rate) is given by:

$$\text{Tax Cost} - \text{Debits}$$

where—

Tax Cost is the cost of the asset recognised for tax purposes; and
 Debits is the total amount of the debits previously brought into account for tax purposes in respect of the asset under paragraph 11 (writing down on fixed-rate basis: calculation).

- (2) Subject to any adjustment required for tax purposes, the cost of the asset recognised for tax purposes is the same as the amount of the expenditure on the asset that is capitalised for accounting purposes.
- (3) This paragraph has effect subject to paragraph 29 in the case of an asset that has been the subject of a part realisation.

Effect of part realisation of asset

- 29 (1) The tax written down value of an intangible asset that has been the subject of a part realisation is determined as follows.

- (2) The tax written down value of the asset immediately after the part realisation is given by:

$$\text{Previous Tax Value} \times \frac{\text{New Accounting Value}}{\text{Previous Accounting Value}}$$

where—

Previous Tax Value is the tax written down value of the asset immediately before the part realisation;

New Accounting Value is the accounting value of the asset immediately after the part realisation; and

Previous Accounting Value is the accounting value immediately before the part realisation.

- (3) Subsequently, the tax written down value of the asset is determined in accordance with paragraph 27 or 28—
- (a) taking the cost of the asset recognised for tax purposes to be the tax written down value given by sub-paragraph (2) above together with the cost recognised for tax purposes of subsequent expenditure on the asset that is capitalised for accounting purposes; and
 - (b) taking account only of debits and credits brought into account for tax purposes after the part realisation.
- (4) On a further part realisation, the preceding provisions of this paragraph apply again.

PART 6

HOW CREDITS AND DEBITS ARE GIVEN EFFECT

Introduction

- 30 (1) Credits and debits to be brought into account for tax purposes under this Schedule are given effect in accordance with this Part.
- (2) Credits and debits in respect of assets held for the purposes mentioned in—
- (a) paragraph 31 (assets held for purposes of trade), or
 - (b) paragraph 32 (assets held for purposes of property business) or
 - (c) paragraph 33 (assets held for purposes of certain concerns taxed under Case I of Schedule D),
- are given effect in accordance with the paragraph in question.
- (3) Other credits and debits (“non-trading credits and debits”) are given effect in accordance with paragraphs 34 and 35.
- (4) Any apportionment necessary where an asset is held for purposes falling within more than one of the provisions mentioned above shall be made on a just and reasonable basis.
- (5) The provisions mentioned in this paragraph have effect subject to paragraph 36 (special provisions relating to insurance companies).

Asset held for purposes of trade

- 31 Credits and debits to be brought into account in any accounting period in respect of an asset held by the company for the purposes of a trade carried on by it in that period are given effect by treating—

- (a) credits as receipts of the trade, and
 - (b) debits as expenses of the trade,
- in calculating the profits of the trade for tax purposes.

Asset held for purposes of property business

- 32 (1) Credits and debits to be brought into account in any accounting period in respect of an asset held by the company for the purposes of a property business carried on by it in that period are given effect by treating—
- (a) credits as receipts of the business, and
 - (b) debits as expenses of the business,
- in computing the profits of the business for tax purposes.
- (2) A “property business” means—
- (a) an ordinary Schedule A business,
 - (b) a furnished holiday lettings business, or
 - (c) an overseas property business.
- (3) In this paragraph—
- “ordinary Schedule A business” means a Schedule A business except in so far as it is a furnished holiday lettings business; and
 - “furnished holiday lettings business” means a Schedule A business in so far as it consists of the commercial letting of furnished holiday accommodation (as defined in section 504 of the Taxes Act 1988) in the United Kingdom.
- (4) Section 503 of the Taxes Act 1988 (letting of furnished holiday accommodation treated as separate, single trade) applies for the purposes of this Schedule.

Assets held for purposes of mines, transport undertakings, etc

- 33 Credits and debits to be brought into account in any accounting period in respect of an asset held by the company for the purposes of a concern listed in section 55(2) of the Taxes Act 1988 (mines, transport undertakings, etc) that is carried on by the company in that period are given effect by treating—
- (a) credits as receipts of the concern, and
 - (b) debits as expenses of the concern,
- in computing the profits of the concern under Case I of Schedule D.

Non-trading credits and debits

- 34 (1) Where, or to the extent that, in an accounting period, there are—
- (a) credits in respect of intangible fixed assets that are not within any of paragraphs 31 to 33 (“non-trading credits”), or
 - (b) debits in respect of intangible fixed assets that are not within any of those paragraphs (“non-trading debits”),
- the company’s aggregate non-trading gain or loss on intangible fixed assets must be calculated.
- (2) There is a non-trading gain on intangible fixed assets if—
- (a) there are only non-trading credits, or
 - (b) there are both non-trading credits and non-trading debits and the aggregate of the former exceeds the aggregate of the latter.

The amount of the non-trading gain is the aggregate amount of the credits or, as the case may be, the amount of the excess.

- (3) There is a non-trading loss on intangible fixed assets if—
- (a) there are only non-trading debits, or
 - (b) there are both non-trading credits and non-trading debits and the aggregate of the latter exceeds the aggregate of the former.

The amount of the non-trading loss is the aggregate amount of the debits or, as the case may be, the amount of the excess.

- (4) A non-trading gain on intangible fixed assets is chargeable to tax under Case VI of Schedule D.
- (5) A non-trading loss on intangible fixed assets is given effect in accordance with the following paragraph.

Claim to set non-trading loss against total profits

- 35 (1) A company that has a non-trading loss on intangible fixed assets for an accounting period may claim to have the whole or part of the loss set off against the company's total profits for that period.
- (2) Any such claim must be made not later than the end of the period of two years immediately following the end of the accounting period to which it relates, or within such further period as the Inland Revenue may allow.
- (3) To the extent that the loss is not—
- (a) set off against total profits on a claim under sub-paragraph (1), or
 - (b) surrendered by way of group relief (see section 403 of the Taxes Act 1988),
- it is carried forward to the next accounting period of the company and treated as if it were a non-trading debit of that period.

Special provisions relating to insurance companies

- 36 (1) Nothing in this Schedule shall be read as preventing profits and gains arising from intangible fixed assets of an insurance company from being included, where—
- (a) the assets are referable to life assurance business carried on by the company, and
 - (b) the I minus E basis is applied in relation to that business,
- in profits and gains on which the company is chargeable to tax in accordance with that basis.
- (2) Where for any accounting period the I minus E basis is applied in relation to life assurance business carried on by an insurance company, the effect of applying that basis is that credits or debits falling to be brought into account under this Schedule in respect of intangible fixed assets of the company referable to that business—
- (a) are not brought into account as mentioned in paragraph 31 (assets held for purposes of trade), but
 - (b) subject to the following provisions of this paragraph, are instead brought into account under paragraph 34 as non-trading credits or, as the case may be, non-trading debits.
- (3) Where an insurance company carries on basic life assurance and general annuity business—

- (a) a separate computation of the credits and debits referable to that business shall be made under paragraph 34 (non-trading credits and debits),
 - (b) any resulting non-trading gain in respect of intangible assets is chargeable to tax as mentioned in sub-paragraph (4) of that paragraph, and
 - (c) any resulting non-trading loss in respect of intangible assets is treated as additional expenses of management within section 76 of the Taxes Act 1988.
- (4) References in any enactment to the computation of any profits of an insurance company in accordance with the provisions of the Taxes Act 1988 applicable to Case I of Schedule D have effect as if those provisions included the provisions of this Schedule, but only to the extent that they relate to the bringing into account of debits in respect of royalties.
- (5) Where an insurance company carries on life assurance business or any category of life assurance business –
- (a) the credits and debits under this Schedule referable to that business or category of business, other than debits in respect of royalties, shall be disregarded for the purposes of any computations falling to be made in relation to that business or category of business in accordance with the provisions applicable to Case I of Schedule D, and
 - (b) accordingly, the amounts to be brought into account in any such computations shall be determined under the provisions applicable apart from this Schedule.
- (6) In this paragraph “the I minus E basis” means the basis commonly so called under which a company carrying on life assurance business is charged to tax on that business otherwise than under Case I of Schedule D.

PART 7

ROLL-OVER RELIEF IN CASE OF REALISATION AND REINVESTMENT

The relief

- 37 (1) This Part provides for relief where a company realises an intangible fixed asset (the “old asset”) and incurs expenditure on other intangible fixed assets (“other assets”).
- (2) A company is entitled to relief under this Part only if –
- (a) the conditions in paragraph 38 are met in relation to the old asset and its realisation,
 - (b) the conditions in paragraph 39 are met in relation to the expenditure on other assets, and
 - (c) the company claims the relief in accordance with paragraph 40.

Conditions to be met in relation to the old asset and its realisation

- 38 (1) The following conditions must be met in relation to the old asset and its realisation –
- (a) the asset must have been a chargeable intangible asset of the company throughout the period during which it was held by the company; and

- (b) the proceeds of realisation of the asset must exceed –
 - (i) the cost of the asset, or
 - (ii) in the case of a part realisation, the appropriate proportion of the cost of the asset, or
 - (iii) in the case of the realisation of an asset that has been the subject of a part realisation, the adjusted cost of the asset.
- (2) If the asset was a chargeable intangible asset of the company –
 - (a) at the time of its realisation, and
 - (b) for a substantial part of, but not throughout, the period during which it was held by the company,
 a part of the asset representing the time for which it was a chargeable intangible asset shall be treated for the purposes of this Part as if it were a separate asset in relation to which the condition in sub-paragraph (1)(a) was wholly met.
 Any apportionment necessary for this purpose shall be made on a just and reasonable basis.
- (3) In sub-paragraph (1)(b) “the cost of the asset” means the total of the capitalised expenditure on the asset recognised for tax purposes.
 For the calculation of the appropriate proportion or adjusted cost, see paragraph 42.
- (4) The condition in sub-paragraph (1)(b) is necessarily met if the asset has no cost as defined above.

Conditions to be met in relation to the expenditure on other assets

- 39 (1) The following conditions must be met in relation to the expenditure on other assets –
- (a) the expenditure must be incurred in the period –
 - (i) beginning twelve months before the date of realisation of the old asset or at such earlier time as the Inland Revenue may by notice allow, and
 - (ii) ending three years after the date of realisation of the old asset or at such later time as the Inland Revenue may by notice allow;
 - (b) the expenditure must be capitalised by the company for accounting purposes; and
 - (c) the assets on which the expenditure is incurred must be chargeable intangible assets in relation to the company immediately after the expenditure is incurred.
- (2) For the purposes of this paragraph expenditure is regarded as incurred when it is recognised for accounting purposes.

Claim for relief

- 40 A claim by a company for relief under this Part must specify –
- (a) the old assets to which the claim relates, and
 - (b) in relation to each old asset –
 - (i) the expenditure on other assets by reference to which relief is claimed, and
 - (ii) the amount of the relief claimed.

How the relief is given: general

- 41 (1) A company that is entitled to, and claims, relief under this Part is treated for the purposes of this Schedule as if –
- (a) the proceeds of realisation of the old asset, and
 - (b) the cost recognised for tax purposes of acquiring the other assets,
- were each reduced by the amount available for relief.
- (2) If the amount of qualifying expenditure on other assets is equal to or greater than the proceeds of realisation of the old asset, the amount available for relief is the amount by which the proceeds of realisation exceed the cost of the old asset.
- (3) If the amount of qualifying expenditure on other assets is less than the proceeds of realisation of the old asset, the amount available for relief is the amount (if any) by which the qualifying expenditure on other assets exceeds the cost of the old asset.
- (4) In this paragraph –
- (a) “qualifying expenditure” means expenditure in relation to which the conditions in paragraph 39 are met;
 - (b) “the cost of the old asset” means the total of the capitalised expenditure on the asset recognised for tax purposes;
 - (c) the references to the cost of the old asset shall be read –
 - (i) in the case of a part realisation, as references to the appropriate proportion of the cost, and
 - (ii) in the case of the realisation of an asset that has been the subject of a part realisation, as references to the adjusted cost.
- For the calculation of the appropriate proportion and the adjusted cost, see paragraph 42.
- (5) The relief does not affect the treatment for any purpose of the Taxes Acts of any other party to any transaction involved in the realisation of the old asset or the expenditure on the other assets.

Determination of appropriate proportion or adjusted cost

- 42 (1) Any reference in paragraph 38 or 41 to the appropriate proportion of the cost of the old asset in the case of a part realisation is to the proportion given by:

$$\frac{\text{Reduction in Accounting Value}}{\text{Previous Accounting Value}}$$

where –

Reduction in Accounting Value is the difference between the accounting value immediately before the part realisation compared with that immediately after the part realisation; and

Previous Accounting Value is the accounting value immediately before the part realisation.

- (2) In the case of an asset that has previously been the subject of a part realisation the reference in sub-paragraph (1) to the cost of the old asset shall be read as a reference to the adjusted cost.
- (3) Any reference in paragraph 38 or 41, or sub-paragraph (2) above, to the adjusted cost in the case where the old asset has previously been the subject of a part realisation is to the amount given by deducting from the cost of the

old asset the total of the amounts given by sub-paragraphs (1) and (2) above in relation to earlier part realisations.

Declaration of provisional entitlement to relief

- 43 (1) A company realising an intangible fixed asset may make a declaration of provisional entitlement to relief under this Part.
- (2) A declaration of provisional entitlement is a declaration by the company, in its company tax return for the accounting period in which the realisation takes place, that the company –
- (a) has realised an intangible fixed asset,
 - (b) proposes to meet the conditions for relief under this Part, and
 - (c) is accordingly provisionally entitled to relief of a specified amount.
- (3) While the declaration continues in force, this Part applies as if the conditions for relief under this Part were met.
- (4) A declaration of provisional entitlement ceases to have effect if, or to the extent that –
- (a) it is withdrawn, or
 - (b) it is superseded by a claim for relief under this Part.
- (5) So far as not previously withdrawn or superseded, a declaration of provisional entitlement ceases to have effect four years after the end of the accounting period in which the realisation took place.
- (6) On a declaration of provisional entitlement ceasing to have effect, in whole or in part, all necessary adjustments shall be made, by assessment or otherwise.
This applies notwithstanding any limitation on the time within which assessments or amendments may be made.

Realisation and reacquisition

- 44 This Part applies where a company realises an asset and subsequently reacquires it as if what is reacquired were a different asset from that previously realised.

Deemed realisations and deemed acquisitions to be disregarded

- 45 (1) This Part does not apply in relation to a deemed realisation of an asset except as provided by –
- (a) paragraph 65 (application of roll-over relief in relation to deemed realisation as a result of degrouping), or
 - (b) paragraph 67 (application of roll-over relief in relation to reallocated degrouping charge).
- (2) No account shall be taken for the purposes of this Part of any deemed reacquisition.

PART 8

GROUPS OF COMPANIES

Introduction

- 46 (1) This Part has effect for the purposes of this Schedule to determine whether companies form a group and, where they do, which is the principal company of the group.
- (2) In this Part references to a company apply only to—
- (a) a company within the meaning of the Companies Act 1985 (c. 6) or the Companies (Northern Ireland) Order 1986 (S.I. 1986/1032 (N.I. 6));
 - (b) a company (other than a limited liability partnership) constituted under any other Act or by a Royal Charter or letters patent;
 - (c) a company formed under the law of a country or territory outside the United Kingdom;
 - (d) a registered industrial and provident society within the meaning of section 486 of the Taxes Act 1988;
 - (e) an incorporated friendly society within the meaning of the Friendly Societies Act 1992 (c. 40); or
 - (f) a building society.
- (3) In this Schedule the expressions “group” and “subsidiary” shall be construed with any necessary modifications where applied to a company formed under the law of a country outside the United Kingdom.

General rule: a company and its 75% subsidiaries form a group

- 47 (1) A company (“the principal company of the group”) and all its 75% subsidiaries form a group, and if any of those subsidiaries have 75% subsidiaries the group includes them and their 75% subsidiaries, and so on.
- (2) Sub-paragraph (1) has effect subject to the following provisions of this Part.

Membership of group restricted to effective 51% subsidiaries of principal company

- 48 A group of companies does not include any company (other than the principal company of the group) that is not an effective 51% subsidiary of the principal company of the group.

Principal company cannot be 75% subsidiary of another company

- 49 (1) A company cannot be the principal company of a group if it is itself a 75% subsidiary of another company.
- (2) Notwithstanding sub-paragraph (1), where—
- (a) a company (“the subsidiary”) is a 75% subsidiary of another company, and
 - (b) those companies are prevented from being members of the same group by paragraph 48 (the effective 51% subsidiary requirement),
- the subsidiary may, if the requirements of paragraphs 47 and 48 are met, itself be the principal company of another group, unless this enables a further company to be the principal company of a group of which the subsidiary would be a member.

Company cannot be member of more than one group

- 50 (1) A company cannot be a member of more than one group.
- (2) If a company would otherwise be a member of two or more groups, the group of which it is a member is determined by applying the following rules (applying the rules successively in the order shown until an answer is obtained).
- (3) In the following provisions the principal company of each group is referred to as the “head of a group”.
- (4) The first rule is that the company is a member of the group of which it would be a member if, in applying paragraph 48 (the effective 51% subsidiary requirement), there were left out of account –
- (a) any amount to which a head of a group is beneficially entitled of any profits available for distribution to equity holders of a head of another group, or
 - (b) any amount to which a head of a group would be beneficially entitled of any assets of a head of another group available for distribution to its equity holders on a winding up.
- (5) The second rule is that the company is a member of the group the head of which is beneficially entitled to a percentage of the profits available for distribution to equity holders of the company that is greater than the percentage of those profits to which any other head of a group is so entitled.
- (6) The third rule is that the company is a member of the group the head of which would be beneficially entitled to a percentage of any assets of the company available for distribution to its equity holders on a winding up that is greater than the percentage of those assets to which any other head of a group would be so entitled.
- (7) The fourth rule is that the company is a member of the group the head of which owns directly or indirectly a percentage of the company’s ordinary share capital that is greater than the percentage of that capital owned directly or indirectly by any other head of a group.
- The provisions of section 838(2) to (10) of the Taxes Act 1988 apply for the interpretation of this sub-paragraph as they apply for the interpretation of subsection (1)(a) of that section (definition of “51% subsidiary”).

Continuity of identity of group

- 51 (1) For the purposes of this Schedule –
- (a) a group of companies remains the same group of companies so long as the same company is the principal company of the group, and
 - (b) if the principal company of a group becomes a member of another group, the first group and the other group shall be regarded as the same (and the question whether a company has ceased to be a member of a group shall be determined accordingly).
- (2) For the purposes of this Schedule the passing of a resolution or the making of an order, or any other act, for the winding up of a member of a group is not regarded as the occasion of that or any other company ceasing to be a member of the group.

Meaning of “effective 51% subsidiary”

- 52 For the purposes of this Schedule a company (“the subsidiary”) is an effective 51% subsidiary of another company (“the parent”) if, and only if, the parent—
- (a) is beneficially entitled to more than 50% of any profits available for distribution to equity holders of the subsidiary, and
 - (b) would be beneficially entitled to more than 50% of any assets of the subsidiary available for distribution to its equity holders on a winding up.

Meaning of equity holder and profits or assets available for distribution

- 53 (1) Schedule 18 to the Taxes Act 1988 (meaning of equity holder and determination of profits or assets available for distribution) applies for the purposes of paragraphs 50 and 52.
- (2) In that Schedule as it applies for the purposes of those paragraphs—
- (a) for any reference to sections 403C and 413(7) of that Act, or either of those provisions, substitute a reference to those paragraphs;
 - (b) omit the words in paragraph 1(4) from “but” to the end;
 - (c) omit paragraph 5(3) and paragraphs 5B to 5F; and
 - (d) omit paragraph 7(1)(b).

Supplementary provisions

- 54 (1) In applying for the purposes of this Part the definition of “75% subsidiary” in section 838 of the Taxes Act 1988, any share capital of a registered industrial and provident society shall be treated as ordinary share capital.
- (2) The provisions of section 170(12) to (14) of the Taxation of Chargeable Gains Act 1992 (c. 12) (application to certain statutory bodies of provisions relating to groups of companies) apply for the purposes of this Part as they apply for the purposes of sections 171 to 181 of that Act.

PART 9

APPLICATION OF PROVISIONS TO GROUPS OF COMPANIES

Transfers within a group

- 55 (1) Where—
- (a) an intangible fixed asset is transferred from one company (“the transferor”) to another company (“the transferee”) at a time when both companies are members of the same group, and
 - (b) the asset is a chargeable intangible asset in relation to the transferor immediately before the transfer and in relation to the transferee immediately after the transfer,
- the transfer of the asset is treated for the purposes of this Schedule as tax-neutral (see paragraph 140).
- (2) Sub-paragraph (1) does not apply—
- (a) if the transferor or transferee is a qualifying society within the meaning of section 461A of the Taxes Act 1988 (incorporated friendly societies entitled to exemption from tax), or

- (b) if the transferee is a dual resident investing company within the meaning of section 404 of that Act (limitation of group relief).

Roll-over relief on reinvestment: application to group member

- 56 (1) The following provisions have effect as regards the application of Part 7 (roll-over relief in case of realisation and reinvestment) in relation to a company that is a member of a group.
- (2) That Part applies where—
- (a) the realisation of the old asset is by a company that, at the time of the realisation, is a member of a group,
 - (b) the expenditure on other assets is by another company that, at the time the expenditure is incurred—
 - (i) is a member of the same group as the company mentioned in paragraph (a), and
 - (ii) is not a dual resident investing company,
 - (c) the other assets are chargeable intangible assets in relation to the company mentioned in paragraph (b) immediately after the expenditure is incurred, and
 - (d) the claim is made by both companies, as if both companies were the same person.
- (3) That Part does not apply if the expenditure on other assets is expenditure on the acquisition of assets acquired from another member of the same group by a tax-neutral transfer.
- (4) Expressions used in this paragraph that are defined for the purposes of Part 7 have the same meaning in this paragraph.

Roll-over relief on reinvestment: acquisition of group company treated as equivalent to acquisition of underlying assets

- 57 (1) Where a company (“company A”) acquires a controlling interest in another company (“company B”) and intangible fixed assets (“underlying assets”) are held—
- (a) by company B, or
 - (b) by one or more other companies that were not in the same group as company A before its acquisition of a controlling interest in company B but as a result of that acquisition are in the same group as company A immediately after the acquisition,
- Part 7 (roll-over relief in case of realisation and reinvestment) has effect in accordance with the following provisions.
- (2) The expenditure by company A on the acquisition of a controlling interest in company B is treated as expenditure on acquiring the underlying assets.
 - (3) The amount of expenditure that is treated as incurred by company A on acquiring the underlying assets is taken to be—
 - (a) the tax written down value of the underlying assets immediately before the acquisition, or
 - (b) if less, the amount or value of the consideration for the acquisition by company A of the controlling interest in company B.
 - (4) The requirement that the assets be chargeable intangible assets in relation to company A immediately after the expenditure is incurred on acquiring them is treated as met in relation to the underlying assets if they are chargeable

intangible assets in relation to the company by which they are held immediately after the acquisition by company A of a controlling interest in company B.

- (5) The tax written down value of the underlying assets in the hands of the company by which they are held shall be reduced by the amount available for relief, and if—
- (a) there is more than one underlying asset, and
 - (b) the amount of expenditure on other assets that is treated as incurred exceeds the amount available for relief,
- the company by which the underlying assets are held may decide how the amount available for relief is to be allocated in reducing the tax written down values of the assets.
- If there is more than one such company, they may agree between them how that amount is to be allocated.
- (6) A claim for relief under Part 7 made by virtue of this paragraph must be made jointly by company A and the company or companies holding the underlying assets concerned.
- (7) For the purposes of this paragraph company A acquires a controlling interest in company B if the two companies are not in the same group and there is an acquisition by company A of shares in company B such that those two companies are in the same group immediately after the acquisition.
- (8) Expressions used in this paragraph that are defined for the purposes of Part 7 have the same meaning in this paragraph.

Company ceasing to be member of group (“degrouing”)

- 58 (1) This paragraph applies where—
- (a) a company (“the transferor”) that is a member of a group (“the group”) transfers an intangible fixed asset (“the relevant asset”) to another company (“the transferee”),
 - (b) the relevant asset is a chargeable intangible asset in relation to the transferor immediately before the transfer and in relation to the transferee immediately after the transfer, and
 - (c) the transferee—
 - (i) having been a member of the group at the time of the transfer, or
 - (ii) having subsequently become a member of the group, ceases to be a member of the group after the transfer and before the end of the period of six years after the date of the transfer.
- (2) If, when the transferee ceases to be a member of the group, the relevant asset is held by the transferee or an associated company also leaving the group, this Schedule has effect as if the transferee, immediately after the transfer of the relevant asset to it, had realised the asset for its market value at that time and immediately reacquired the asset at that value.
- (3) The adjustments required to be made in consequence of sub-paragraph (2), by the transferee or a company to which the relevant asset has been subsequently transferred, in relation to the period between—
- (a) the transfer of the relevant asset to the transferee, and
 - (b) the transferee ceasing to be a member of the group,

shall be made by bringing the aggregate net credit or debit into account as if it had arisen immediately before the transferee ceased to be a member of the group.

- (4) For the purposes of Part 6 (how credits and debits are given effect) credits or debits brought into account by virtue of this paragraph take their character from the purposes for which the relevant asset was held by the transferee immediately after the transfer.

Provided that, in a case where—

- (a) the asset was then held by the transferee for the purposes of a trade, business or concern within paragraph 31, 32 or 33, and
- (b) the transferee ceased to carry on that trade, business or concern before it ceased to be a member of the group,

any credit or debit brought into account by virtue of this paragraph in respect of the asset shall be treated for the purposes of Part 6 as a non-trading credit or debit.

- (5) This paragraph has effect subject to—
- paragraph 59 (associated companies leaving group at the same time),
 - paragraph 60 (principal company becoming member of another group),
 - paragraph 61 (company ceasing to be member of group by reason of exempt distribution), and
 - paragraph 62 (merger carried out for bona fide commercial reasons).

Degrouping: associated companies leaving group at the same time

- 59 (1) Where two or more associated companies cease to be members of a group at the same time, paragraph 58 does not have effect in relation to a transfer from one to another of those companies.

- (2) But where—

- (a) a company (“the transferee”) that has ceased to be a member of a group of companies (“the first group”) acquired an asset from another company (“the transferor”) which was a member of that group at the time of the transfer,
- (b) sub-paragraph (1) applies in relation to the transferee’s ceasing to be a member of the first group so that paragraph 58 does not have effect,
- (c) the transferee subsequently ceases to be a member of another group of companies (“the second group”), and
- (d) there is a relevant connection between the two groups (see sub-paragraph (3)),

paragraph 58 has effect in relation to the transferee’s ceasing to be a member of the second group as if it were the second group of which both companies had been members at the time of the transfer.

- (3) For the purposes of sub-paragraph (2) there is a relevant connection between the first group and the second group if, at the time when the transferee ceases to be a member of the second group, the company which is the principal company of that group is under the control of—

- (a) the company that is the principal company of the first group or, if that group no longer exists, was the principal company of that group when the transferee ceased to be a member of it; or
- (b) any person or persons who control the company mentioned in paragraph (a) or who have had it under their control at any time in

the period since the transferee ceased to be a member of the first group; or

- (c) any person or persons who have, at any time in that period, had under their control either—
- (i) a company that would have been a person falling within paragraph (b) if it had continued to exist, or
 - (ii) a company that would have been a person falling within this paragraph (whether by reference to a company that would have been a person falling within paragraph (b) or by reference to a company or series of companies falling within this provision).

- (4) The provisions of section 416(2) to (6) of the Taxes Act 1988 (meaning of control) have effect for the purposes of sub-paragraph (3) as they have effect for the purposes of Part 11 of that Act.

But a person carrying on a business of banking shall not be regarded for those purposes as having control of a company by reason only of having, or of the consequences of having exercised, any rights in respect of loan capital or debt issued or incurred by the company for money lent by that person to the company in the ordinary course of that business.

Degrouping: principal company becoming member of another group

- 60 (1) Paragraph 58 does not apply where a company ceases to be a member of a group by reason only of the fact that the principal company of the group becomes a member of another group (“the second group”).
- (2) But if, in a case where paragraph 58 would have applied but for sub-paragraph (1) above, after the transfer and before the end of the period of six years after the date of the transfer—
- (a) the transferee ceases to satisfy the condition that it is both a 75% subsidiary and an effective 51% subsidiary of one or more members of the second group (“the qualifying condition”), and
 - (b) at the time at which the transferee ceases to satisfy that condition, the relevant asset is held by the transferee or another company in the same group,

this Schedule has effect as if the transferee, immediately after the transfer to it of the relevant asset, had realised the asset for its market value at that time and immediately reacquired the asset at that value.

- (3) The adjustments required to be made in consequence of sub-paragraph (2), by the transferee or a company to which the relevant asset has been subsequently transferred, in relation to the period between—
- (a) the transfer of the relevant asset to the transferee, and
 - (b) the transferee ceasing to satisfy the qualifying condition,
- shall be made by bringing the aggregate net credit or debit into account as if it had arisen immediately before the transferee ceased to satisfy the qualifying condition.
- (4) For the purposes of Part 6 (how credits and debits are given effect) credits or debits brought into account by virtue of this paragraph take their character from the purposes for which the relevant asset was held by the transferee immediately after the transfer.
- Provided that, in a case where—

- (a) the asset was then held by the transferee for the purposes of a trade, business or concern within paragraph 31, 32 or 33, and
 - (b) the transferee ceased to carry on that trade, business or concern before it ceased to satisfy the qualifying condition,
- any credit or debit brought into account by virtue of this paragraph in respect of the asset shall be treated for the purposes of Part 6 as a non-trading credit or debit.
- (5) This paragraph is subject to paragraph 62 (merger carried out for bona fide commercial reasons).

Degrouping: company ceasing to be member of group by reason of exempt distribution

- 61 (1) Paragraphs 58 and 60 do not apply in a case where a company ceases to be a member of a group by reason only of an exempt distribution, unless there is a chargeable payment within five years after the making of the exempt distribution.
- (2) If within five years after the making of the exempt distribution there is a chargeable payment, all such adjustments as may be required, by way of assessment, amendment of returns or otherwise, may be made within the period of three years after the making of the chargeable payment.
This applies notwithstanding any time limit on the making of an assessment or the amendment of a return.
- (3) In this paragraph –
“exempt distribution” means a distribution that is exempt by virtue of section 213(2) of the Taxes Act 1988; and
“chargeable payment” has the meaning given in section 214(2) of that Act.
- (4) In determining for the purposes of this paragraph whether one company is a 75% subsidiary of another, the other company –
(a) shall be treated as not being the owner of any share capital that it owns directly in a body corporate if a profit on a sale of the shares would be treated as a trading receipt of its trade, and
(b) shall be treated as not being the owner of any share capital that it owns indirectly and which is owned directly by a body corporate for which a profit on the sale of the shares would be a trading receipt.

Degrouping: merger carried out for bona fide commercial reasons

- 62 (1) Paragraphs 58 to 61 do not apply where –
(a) the transferee ceases to be a member of a group of companies (“the group”) as part of a merger, and
(b) the merger is carried out for bona fide commercial reasons and the avoidance of liability to tax is not the main or one of the main purposes of the merger.
- (2) For this purpose a “merger” means an arrangement (which in this paragraph includes a series of arrangements) whereby –
(a) one or more companies (“the acquiring company” or, as the case may be, “the acquiring companies”) none of which is a member of the group acquires or acquire, otherwise than with a view to their disposal, one or more interests in the whole or part of the business

which, before the arrangement took effect, was carried on by the transferee, and

- (b) one or more members of the group acquires or acquire, otherwise than with a view to their disposal, one or more interests in the whole or part of the business or each of the businesses which, before the arrangement took effect, was carried on either by the acquiring company or acquiring companies or by a company at least 90% of the ordinary share capital of which was then beneficially owned by two or more of the acquiring companies,

and in respect of which the conditions in sub-paragraph (4) below are fulfilled.

- (3) For the purposes of sub-paragraph (2) a member of a group of companies shall be treated as carrying on as one business the activities of that group.
- (4) The conditions referred to in sub-paragraph (2) are—
 - (a) that not less than 25% by value of each of the interests acquired as mentioned in sub-paragraph (2)(a) and (b) consists of a holding of ordinary share capital, and the remainder of the interest, or as the case may be of each of the interests, acquired as mentioned in sub-paragraph (2)(b) consists of a holding of share capital (of any description) or debentures or both; and
 - (b) that the value or, as the case may be, the aggregate value of the interest or interests acquired as mentioned in sub-paragraph (2)(a) is substantially the same as the value or, as the case may be, the aggregate value of the interest or interests acquired as mentioned in sub-paragraph (2)(b); and
 - (c) that the consideration for the acquisition of the interest or interests acquired by the acquiring company or acquiring companies as mentioned in sub-paragraph (2)(a), disregarding any part of that consideration which is small by comparison with the total, either consists of, or is applied in the acquisition of, or consists partly of and as to the balance is applied in the acquisition of, the interest or interests acquired by members of the group as mentioned in sub-paragraph (2)(b).
- (5) For the purposes of sub-paragraph (4) the value of an interest shall be determined as at the date of its acquisition.

Degrouping: group member ceasing to exist

- 63 References in paragraphs 58 to 61 (degrouing) to a company ceasing to be a member of a group do not include cases where a company ceases to be a member of a group in consequence of another member of the group ceasing to exist.

Degrouping: supplementary provisions

- 64 For the purposes of paragraphs 58 to 61 (degrouing)—
 - (a) two or more companies are associated if, by themselves, they would form a group of companies; and
 - (b) an asset acquired by a company is treated as the same as an asset owned at a later time by that company or an associated company if the value of the second asset is derived in whole or in part from the first asset.

Degrouping: application of roll-over relief in relation to degrouping charge

- 65 (1) Part 7 (roll-over relief in case of reinvestment) applies with the following modifications where a company is treated as having realised an asset by virtue of paragraph 58 or 60 (degrouping)–
- (a) in paragraph 38 (conditions to be met in relation to the old asset), for the references to the old asset being a chargeable intangible asset in relation to the company substitute references to its being a chargeable intangible asset in relation to the transferor;
 - (b) in paragraph 39(1) (conditions to be met in relation to expenditure on other assets), for the references to the date of realisation of the old asset substitute references to –
 - (i) in a case within paragraph 58, the date on which the transferee ceased to be a member of the group, and
 - (ii) in a case within paragraph 60, the date on which the transferee ceased to satisfy the qualifying condition;
 - (c) references to the proceeds of realisation shall be read as references to the amount for which the transferee is treated as having realised the asset.
- (2) A reduction of the deemed realisation proceeds as a result of a claim for relief under Part 7 does not affect the value at which the company is deemed to have reacquired the asset.
- (3) In this paragraph “the transferee” and “the transferor” have the same meaning as in paragraph 58.

Reallocation of degrouping charge within group

- 66 (1) This paragraph applies where a chargeable realisation gain accrues to a company (“company X”) under paragraph 58 or 60 in respect of an asset.
- (2) For the purposes of this paragraph–
- (a) “the relevant time” is –
 - (i) in a case within paragraph 58, immediately before company X ceases to be a member of the group;
 - (ii) in a case within paragraph 60, immediately before company X ceases to satisfy the qualifying condition;
 - (b) “the relevant group” is –
 - (i) in a case within paragraph 58, the group of which company X was a member at the relevant time;
 - (ii) in a case within paragraph 60, the second group (within the meaning of that paragraph).
- (3) Company X and a company that was a member of the relevant group at the relevant time (“company Y”) may jointly elect that the gain, or such part of it as may be specified in the election, shall be treated as accruing to company Y and not to company X.
- (4) An election to that effect may be made only if the following two conditions are met.
- (5) The first condition is that at the relevant time company Y–
- (a) was resident in the United Kingdom, or
 - (b) carried on a trade in the United Kingdom through a branch or agency and was not by virtue of arrangements under Part 18 of the Taxes Act

1988 (double taxation relief) exempt from corporation tax in respect of the profits or gains of that branch or agency.

- (6) The second condition is that company Y was not at the relevant time—
 - (a) a qualifying society within the meaning of section 461A of the Taxes Act 1988 (incorporated friendly societies entitled to exemption from tax), or
 - (b) a dual resident investing company within the meaning of section 404 of that Act (limitation of group relief).
- (7) An election under this paragraph must be made—
 - (a) by notice in writing to the Inland Revenue,
 - (b) not later than two years after the end of the accounting period of company X in which the relevant time falls.
- (8) The effect of the election is that the gain, or the part specified in the election, is treated—
 - (a) as if it had accrued to company Y at the relevant time as a non-trading credit for the purposes of Part 6 (how credits and debits are given effect), and
 - (b) where company Y is not resident in the United Kingdom at the relevant time, as if it had accrued in respect of an asset held for the purposes of a branch or agency of the company in the United Kingdom.

Application of roll-over relief in relation to reallocated degrouping charge

- 67 (1) Where an election has been made under paragraph 66, this paragraph applies for the purpose of enabling company Y to make a claim under Part 7 (roll-over relief on reinvestment).
- (2) For that purpose—
 - (a) Part 7 applies as if the deemed realisation of the asset had been by company Y and not company X,
 - (b) the conditions in paragraph 38 (conditions to be met in relation to the old asset) are treated as met in relation to the asset if they would have been met if there had been no election and company X had made the claim, and
 - (c) the proceeds of realisation and the cost of the old asset recognised for tax purposes are what they would have been if there had been no election and company X had made the claim.
- (3) Where the election relates to part only of the gain on the deemed realisation of an asset, Part 7 and this paragraph apply as if the deemed realisation had been of a separate asset representing a corresponding part of the asset, and any necessary apportionments shall be made accordingly.

Recovery of degrouping charge from another group company or controlling director

- 68 (1) This paragraph applies where—
 - (a) a company (“the taxpayer company”) is liable to a degrouping charge,
 - (b) an amount of corporation tax has been assessed on the company for the relevant accounting period, and
 - (c) the whole or part of that amount is unpaid at the end of the period of six months after the time when it became payable.

- (2) The following persons may be required, by notice under paragraph 69, to pay the amount of corporation tax referable to the degrouping charge or, if less, the amount of the unpaid tax—
- (a) if the taxpayer company was a member of a group at the relevant time—
 - (i) a company that was at that time the principal company of the group, and
 - (ii) any other company that at any time in the period of twelve months ending with the relevant time was a member of that group and owned the relevant asset or any part of it;
 - (b) if at the relevant time the taxpayer company is not resident in the United Kingdom but carries on a trade in the United Kingdom through a branch or agency, any person who is, or during the period of twelve months ending with that time was, a controlling director of the taxpayer company or of a company that has, or within that period had, control of the taxpayer company.

 - (c) the relevant asset is the asset in respect of which the degrouping charge arises.
- (4) The amount of corporation tax referable to a degrouping charge is the difference between—
- (a) the tax in fact payable for the relevant accounting period, and
 - (b) the tax that would have been payable for that period in the absence of the degrouping charge.
- (5) References in this paragraph to a degrouping charge are to—
- (a) a credit required to be brought into account under paragraph 58(3) or 60(3), or
 - (b) where there has been an election under paragraph 66 (reallocation of degrouping charge within group), a credit required to be brought into account as a result of the election.
- (6) In this paragraph—
- “director”, in relation to a company, has the meaning given by section 168(8) of the Taxes Act 1988 (read with subsection (9) of that section) and includes any person falling within section 417(5) of that Act (read with subsection (6) of that section);
- “controlling director”, in relation to a company, means a director of the company who has control of it (construing control in accordance with section 416 of the Taxes Act 1988); and

“group” and “principal company” have the meaning that would be given by Part 8 of this Schedule if in that Part for references to 75% subsidiaries there were substituted references to 51% subsidiaries.

 - (b) the transferor receives no part of the consideration for the transfer (otherwise than by the transferee taking over the whole or part of the liabilities of the business).
- For this purpose “scheme of reconstruction” has the same meaning as in section 136 of the Taxation of Chargeable Gains Act 1992 (c. 12).
- (2) If the assets included in the transfer include intangible fixed assets that are chargeable intangible assets in relation to the transferor immediately before the transfer and in relation to the transferee immediately after the transfer, the transfer of those assets is treated for the purposes of this Schedule as tax-neutral (see paragraph 140).

 - (c) a claim is made under this paragraph by the transferor and the transferee.
- (2) If the transfer includes intangible fixed assets that are chargeable intangible assets in relation to the transferor immediately before the transfer and in relation to the transferee immediately after the transfer, the transfer of those assets is treated for the purposes of this Schedule as tax-neutral (see paragraph 140).
- (3) For the purposes of this paragraph a company is regarded as resident in a member State if it is within a charge to tax under the law of the State because it is regarded as resident for the purposes of the charge.
For this purpose a company is treated as not within a charge to tax under the law of a member State if it falls to be regarded for the purposes of any double taxation relief arrangements to which the State is a party as resident in a territory which is not within any of the member States.
- (4) This paragraph applies only if the transfer of the trade or part—
- (a) is effected for bona fide commercial reasons, and
 - (b) does not form part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoidance of liability to corporation tax, capital gains tax or income tax.
- (5) The requirements of sub-paragraph (4) are treated as met where, before the transfer, the Inland Revenue have, on the application of the transferor and the transferee, notified those companies that they are satisfied that the requirements of that sub-paragraph will be met.
For the procedure on such an application, see paragraph 88.
- (6) In this paragraph—
- (a) “EU company” means a body incorporated under the law of a member State; and
 - (b) “securities” includes shares.

Postponement of charge on transfer of assets to non-resident company.

- 86 (1) This paragraph applies where—
- (a) a company resident in the United Kingdom and carrying on a trade outside the United Kingdom through a branch or agency (“the transferor”) transfers that trade, or part of it, together with the whole assets of the company used for the purposes of the trade or part (or

together with the whole of those assets other than cash) to a company not resident in the United Kingdom (“the transferee”),

- (b) the trade or part is so transferred wholly or partly in exchange for securities consisting of shares, or of shares and loan stock, issued by the transferee to the transferor, and
 - (c) the shares so issued, either alone or taken together with any other shares in the transferee already held by the transferor, amount in all to not less than one quarter of the ordinary share capital of the transferee.
- (2) If the transfer includes intangible fixed assets that are chargeable intangible assets in relation to the transferor immediately before the transfer (“relevant assets”), the transferor may claim that this Schedule shall have effect in accordance with the following provisions.
- (3) If the proceeds of realisation of a relevant asset exceed the cost of the asset recognised for tax purposes, the proceeds of realisation are treated as reduced—
- (a) if the securities are the whole consideration for the transfer, by the amount of the excess, and
 - (b) if the securities are not the whole of that consideration, by the appropriate proportion of the excess.

For this purpose “the appropriate proportion” means the proportion that the market value of the securities at the time of the transfer bears to the market value of the whole of the consideration at that time.

- (4) If at any time after the transfer the transferor realises the whole or part of the securities held by it immediately before that time, the transferor shall bring into account for tax purposes a credit equal to the whole or the appropriate proportion of the aggregate deferred gain.

For this purpose—

“the appropriate proportion” means the proportion that the market value of the part of the securities disposed of bears to the market value of the securities held immediately before the disposal; and

“the aggregate deferred gain” means the aggregate of the amounts by which the proceeds of realisation of relevant assets were reduced under sub-paragraph (3), so far as not already taken into account under this sub-paragraph or sub-paragraph (5).

- (5) If at any time within six years after the transfer the transferee realises any of the relevant assets held by it immediately before that time, the transferor shall bring into account for tax purposes a credit equal to the whole or the appropriate proportion of the aggregate deferred gain.

For this purpose—

“the appropriate proportion” means the proportion that the deferred gain attributable to the relevant assets realised bears to the deferred gain attributable to the relevant assets held immediately before the time of the realisation;

“the aggregate deferred gain” means the aggregate of the amounts by which the proceeds of realisation of relevant assets were reduced under sub-paragraph (3), so far as not already taken into account under this sub-paragraph or sub-paragraph (4); and

“the deferred gain attributable to” any relevant assets means the aggregate of the amounts by which the proceeds of realisation of those assets were reduced under sub-paragraph (3).

- (6) There shall be disregarded –
- (a) for the purposes of sub-paragraph (4), any disposal within section 171 of the Taxation of Chargeable Gains Act 1992 (c. 12) (transfers within a group); and
 - (b) for the purposes of sub-paragraph (5), any transfer by one member of a group (within the meaning of Part 8 of this Schedule) to another.
- (7) Where a person acquires securities or an asset on a disposal disregarded under sub-paragraph (6) (and without there having been a previous disposal not so disregarded), a subsequent disposal of the securities or asset by that person shall be treated as a disposal by the transferor or, as the case may be, the transferee.
- (8) This paragraph applies only if the transfer of the trade or part –
- (a) is effected for bona fide commercial reasons, and
 - (b) does not form part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoidance of liability to corporation tax, capital gains tax or income tax.
- (9) The requirements of sub-paragraph (8) are treated as met where, before the transfer, the Inland Revenue have, on the application of the transferor, notified that company that they are satisfied that the requirements of that sub-paragraph will be met.
For the procedure on such an application, see paragraph 88.
- (10) No claim may be made under this paragraph as regards a transfer in relation to which a claim is made under paragraph 87 (transfer of non-UK trade).

Transfer of non-UK trade

- 87 (1) This paragraph applies where –
- (a) an EU company resident in the United Kingdom (“the transferor”) transfers to an EU company resident in another member State (“the transferee”) the whole or part of a trade that, immediately before the time of the transfer, the transferor carried on in a member State other than the United Kingdom (“the other member State”) through a branch or agency,
 - (b) the transfer –
 - (i) includes the whole of the assets of the transferor used for the purposes of the trade or part (or the whole of those assets other than cash), and
 - (ii) is wholly or partly in exchange for securities issued by the transferee to the transferor,
 - (c) the transfer includes intangible fixed assets –
 - (i) that are chargeable intangible assets in relation to the transferor immediately before the transfer, and
 - (ii) in the case of one or more of which the proceeds of realisation exceed the cost recognised for tax purposes, and
 - (d) the transferor makes a claim under this paragraph.
- (2) Where tax would have been chargeable under the law of the other member State in respect of the transfer of those assets but for the Mergers Directive, Part 18 of the Taxes Act 1988 (double taxation relief), including any arrangements having effect by virtue of section 788 of that Act (bilateral relief), shall apply as if the amount of tax, calculated on the required basis,

that would have been payable under that law in respect of the transfer of those assets but for that Directive, were tax payable under that law.

- (3) For this purpose “the required basis” is that –
- (a) so far as permitted under the law of the other member State, any losses arising on the transfer are set against any gains so arising, and
 - (b) any relief available to the transferor under that law has been duly claimed.
- (4) In this paragraph –
- “EU company” means a body incorporated under the law of a member State;
- “the Mergers Directive” means the Directive of the Council of the European Communities dated 23rd July 1990 on the common system of taxation applicable to mergers, divisions, transfers of assets and exchanges of shares concerning companies of different member States (No. 90/434/EEC);
- “securities” includes shares.
- (5) For the purposes of this paragraph a company is regarded as resident in another member State if it is within a charge to tax under the law of the State because it is regarded as resident for the purposes of the charge.
- For this purpose a company shall be treated as not within a charge to tax under the law of a member State if it falls to be regarded for the purposes of any double taxation relief arrangements to which the State is a party as resident in a territory which is not within any of the member States.
- (6) No claim may be made under this paragraph as regards a transfer in relation to which a claim is made under paragraph 86 (postponement of charge on transfer of assets to non-resident company).
- (7) This paragraph applies only if the transfer of the trade or part –
- (a) is effected for bona fide commercial reasons, and
 - (b) does not form part of a scheme or arrangements of which the main purpose, or one of the main purposes, is avoidance of liability to corporation tax, capital gains tax or income tax.
- (8) The requirements of sub-paragraph (7) are treated as met where, before the transfer, the Inland Revenue have, on the application of the transferor, notified that company that they are satisfied that the requirements of that sub-paragraph will be met.
- For the procedure on such an application, see paragraph 88.

Procedure on application for clearance

- 88 (1) This paragraph applies in relation to an application under paragraph 84(6), 85(5), 86(9) or 87(8).
- (2) The application must be in writing and must contain particulars of the operations that are to be effected.
- (3) The Inland Revenue may, within 30 days of the receipt of the application or of any further particulars previously required under this sub-paragraph, by notice require the applicant to furnish further particulars for the purpose of enabling the Inland Revenue to make their decision.
- If any such notice is not complied with within 30 days or such longer period as the Inland Revenue may allow, the Inland Revenue need not proceed further on the application.

- (4) The Inland Revenue shall notify their decision to the applicant within 30 days of receiving the application or, if they give a notice under sub-paragraph (3), within 30 days of the notice being complied with.
- (5) If the Inland Revenue notify the applicant that they are not satisfied as mentioned in paragraph 84(6), 85(5), 86(9) or 87(8) or do not notify their decision to the applicant within the time required by sub-paragraph (4), the applicant may within 30 days of the notification or of that time require the Inland Revenue to transmit the application, together with any notice given and further particulars furnished under sub-paragraph (3), to the Special Commissioners.
In that event any notification by the Special Commissioners shall have effect for the purposes of paragraph 84(6), 85(5), 86(9) or 87(8) as if it were a notification by the Inland Revenue.
- (6) If any particulars furnished under this paragraph do not fully and accurately disclose all facts and considerations material for the decision of the Inland Revenue or the Special Commissioners, any resulting notification by the Inland Revenue or the Commissioners is void.

Transfer of life assurance business

- 89 (1) This paragraph applies where there is—
- (a) a transfer between two companies of business consisting of the effecting or carrying out of contracts of long-term insurance which has effect under an insurance business transfer scheme, or
 - (b) a transfer between two companies that is a qualifying overseas transfer within the meaning of paragraph 4A of Schedule 19AC to the Taxes Act 1988 (transfer of business of overseas life insurance company),
- and the assets included in the transfer include intangible fixed assets that are chargeable intangible assets in relation to the transferor company immediately before the transfer and in relation to the successor company immediately after the transfer.
- (2) Where this paragraph applies the transfer of those assets is treated for the purposes of this Schedule as tax-neutral (see paragraph 140).
- (3) In this paragraph—
- “contracts of long-term insurance” means contracts that fall within Part II of Schedule 1 to the Finance Services and Markets Act (Regulated Activities) Order 2001 (S.I. 2001/544); and
- “insurance business transfer scheme” means a scheme falling within section 105 of the Financial Services and Markets Act 2000 (c. 8) or an excluded scheme falling within Case 2, 3 or 4 of subsection (3) of that section.

Transfer of business of building society to company

- 90 (1) Where—
- (a) there is a transfer of the whole of a building society’s business to a company (“the successor company”) in accordance with section 97 and the other applicable provisions of the Building Societies Act 1986 (c. 53), and
 - (b) the assets included in the transfer include intangible fixed assets that are chargeable intangible assets in relation to the society

immediately before the transfer and in relation to the successor company immediately after the transfer,
the transfer of those assets is treated for the purposes of this Schedule as tax-neutral (see paragraph 140).

- (2) If because of the transfer a company ceases to be a member of the same group as the society, that event shall not cause paragraph 58 or 60 (deemed realisation and reacquisition) to have effect as respects any asset acquired by the company from the society or any other member of the same group.
- (3) Where the society and the successor company are members of the same group at the time of the transfer but later cease to be so, that later event shall not cause paragraph 58 or 60 to have effect as respects—
 - (a) any asset acquired by the successor company on or before the transfer from the society or any other member of the same group, or
 - (b) any asset acquired from the society or any other member of the same group by a company other than the successor company that is a member of the same group at the time of the transfer.
- (4) Where a company which is a member of the same group as the society at the time of the transfer—
 - (a) ceases to be a member of that group and becomes a member of the same group as the successor company, and
 - (b) subsequently ceases to be a member of that group,
paragraph 58 has effect on that later event as respects any asset to which this sub-paragraph applies that is acquired by the company otherwise than from the successor company as if it had been acquired from the successor company.
- (5) Sub-paragraph (4) applies to any asset acquired by the company from the society, or from another company which is a member of the same group at the time of the transfer, when the company and the society, or the company, the society and the other company, were members of the same group.
- (6) Sub-paragraph (4) does not apply where—
 - (a) the company which acquired the asset is a 75% subsidiary of the company from which it was acquired, or vice versa, and
 - (b) those companies cease simultaneously to be members of the same group as the successor company but continue to be members of the same group as one another.

Amalgamation of or transfer of engagements by certain societies

- 91 (1) Where—
 - (a) there is an amalgamation of two or more societies to which this paragraph applies or a transfer of engagements from one such society to another, and
 - (b) in the course of or as part of the amalgamation or transfer of engagements, there are transferred from one society (“the transferor”) to another (“the transferee”) intangible fixed assets that are chargeable intangible assets in relation to the transferor immediately before the transfer and in relation to the transferee immediately after the transfer,
the transfer of those assets is treated for the purposes of this Schedule as tax-neutral (see paragraph 140).
- (2) The societies to which this paragraph applies are—

- (a) a building society,
- (b) a registered industrial and provident society within the meaning of section 486 of the Taxes Act 1988, and
- (c) a co-operative association in relation to which subsections (1) and (8) of that section have effect as they have effect in relation to a registered industrial and provident society.

PART 12

TRANSACTIONS BETWEEN RELATED PARTIES

Transfer between company and related party treated as being at market value

- 92 (1) Where there is a transfer of an intangible asset from a company to a related party or to a company from a related party and, in either case, the asset is a chargeable intangible asset—
- (a) in relation to the transferor immediately before the transfer, or
 - (b) in relation to the transferee immediately after the transfer,
- the transfer is treated for all purposes of the Taxes Acts (as regards both the transferor and the transferee) as being at market value.
- This is subject to the following two exceptions.
- (2) The first exception is where the consideration for the transfer—
- (a) falls to be adjusted for tax purposes under Schedule 28AA to the Taxes Act 1988 (provision not at arm's length), or
 - (b) falls within that Schedule without falling to be so adjusted.
- (3) For the purposes of sub-paragraph (2)(b) the consideration for a transfer falls within Schedule 28AA to the Taxes Act 1988 without falling to be adjusted under that Schedule in a case where—
- (a) the conditions in paragraph 1(1) of that Schedule are met,
 - (b) the actual provision does not differ from the arm's length provision, and
 - (c) if the actual provision had differed from the arm's length provision in such a way as to confer a potential advantage in relation to United Kingdom taxation as defined in paragraph 5(1) of that Schedule, paragraph 5(2) of that Schedule would not have applied (under which there is taken to be no such potential advantage if certain conditions are met).
- (4) The second exception is where any provision of this Schedule applies so as to make the transfer tax-neutral.
- (5) In sub-paragraph (1) “market value” means the price the asset might reasonably be expected to fetch on a sale in the open market.

Exclusion of roll-over relief in case of part realisation involving related party

- 93 Part 7 (roll-over relief in case of reinvestment) does not apply in relation to the part realisation by a company of an intangible fixed asset if a person who is a related party in relation to the company acquires an interest of any description—
- (a) in that asset, or
 - (b) in an asset whose value is derived in whole or in part from that asset, as a result of, or in connection with, the part realisation.

Delayed payment of royalty payable by company to related party

- 94 (1) This paragraph applies where a royalty is payable by a company to or for the benefit of a related party.
- (2) If—
- (a) the royalty is not paid in full within the period of twelve months after the end of the period of account in which a debit in respect of it is recognised by the company for accounting purposes, and
 - (b) credits representing the full amount of the royalty are not brought into account under this Schedule in any accounting period by the person to whom it is payable,
- the royalty shall be brought into account for the purposes of this Schedule only when it is paid.

Meaning of “related party”

- 95 (1) For the purposes of this Schedule a person (“P”) is a “related party” in relation to a company (“C”) in the following cases:

Case One

P is a company and either—

- (a) P has control of, or holds a major interest in, C, or
- (b) C has control of, or holds a major interest in, P.

Case Two

P is a company and P and C are both under the control of the same person (but see sub-paragraph (2)).

Case Three

C is a close company and P is—

- (a) a participator in C, or
- (b) an associate of a participator in C.

- (2) Case Two does not apply if the person controlling both P and C is—
- the Crown,
 - a Minister of the Crown or a government department,
 - the Scottish Ministers,
 - the National Assembly for Wales,
 - a Minister within the meaning of the Northern Ireland Act 1998 (c. 47) or a Northern Ireland department,
 - a foreign sovereign power, or
 - an international organisation.

Meaning of “control” and “major interest”

- 96 (1) For the purposes of this Part “control”, in relation to a company, is the power of a person to secure—
- (a) by means of the holding of shares or the possession of voting power in or in relation to the company or any other company, or
 - (b) by virtue of any powers conferred by the articles of association or other document regulating the company or any other company,
- that the affairs of the company are conducted in accordance with his wishes.
- (2) For the purposes of this Part, a person has a “major interest” in a company if—

- (a) he and one other person together have control of that company, and
- (b) the rights and powers by means of which they have such control represent, in the case of each of them, at least 40% of the total.

The reference in paragraph (a) to two persons together having control of a company is to two persons who, taken together, have the power mentioned in sub-paragraph (1).

- (3) Paragraphs 97 to 99 (rights and powers to be taken into account) apply in relation to the determination for the purposes of this Part whether a person has control of, or a major interest in, a company.

Rights and powers to be taken into account: general

- 97 (1) There shall be attributed to each relevant person –
- (a) rights and powers that he is entitled to acquire at a future date or will, at a future date, become entitled to acquire;
 - (b) rights and powers of other persons, to the extent that they are required, or may be required, to be exercised in any one or more of the following ways –
 - (i) on his behalf;
 - (ii) under his direction;
 - (iii) for his benefit;
 - (c) rights and powers of a person connected with him;
 - (d) rights and powers that would be attributed to a person connected with him if that person were a relevant person.
- (2) Sub-paragraph (1)(b) does not apply, in a case where a loan has been made by one person to another, to rights and powers conferred in relation to property of the borrower by the terms of any security relating to the loan.
- (3) In sub-paragraph (1)(b) to (d), the references to a person’s rights and powers include rights or powers that he is entitled to acquire at a future date or will, at a future date, become entitled to acquire.
- (4) In this paragraph a “relevant person” means a person whose rights or powers are relevant to the determination of the question whether a person has control of or a major interest in a company.

Rights and powers to be taken into account: rights and powers held jointly

- 98 (1) References in this Part of this Schedule –
- (a) to rights and powers of a person, or
 - (b) to rights and powers that a person is or will become entitled to acquire,
- include rights or powers that are exercisable by that person, or when acquired will be exercisable by him, only jointly with one or more other persons.
- (2) Sub-paragraph (1) has effect subject to paragraph 99 (partnerships).

Rights and powers to be taken into account: partnerships

- 99 (1) The rights and powers of a person as a member of a partnership shall be disregarded unless he has control of or a major interest in the partnership.

- (2) Whether a person has control of or a major interest in a partnership shall be determined in accordance with paragraphs 96 to 98 as in relation to a company.

For this purpose references in those paragraphs to any other company shall be read as including any other partnership.

Meaning of “participator” and “associate”

- 100 (1) In this Part “participator”, in relation to a close company, has the meaning it has for the purposes of Part 11 of the Taxes Act 1988 (close companies) (see section 417(1) of that Act), except that it does not include a person by reason only of his being a loan creditor of the company within the meaning of that Part (see section 417(7) to (9) of that Act).
- (2) In this Part “associate”, in relation to a participator in a close company, has the meaning given by section 417(3) of that Act.

Connected persons

- 101 (1) This paragraph explains what is meant in this Part when a person is referred to as being connected with another person.
 Any provision that one person is connected with another means that they are connected with one another.
- (2) A person is connected with an individual if that person is the individual’s wife or husband, or is a relative, or the wife or husband of a relative, of the individual or of the individual’s wife or husband.
 For the purposes of this sub-paragraph “relative” means brother, sister, ancestor or lineal descendant.
- (3) A person in his capacity as trustee of a settlement is connected with—
- (a) any individual who in relation to the settlement is a settlor,
 - (b) any person who is connected with such an individual, and
 - (c) any body corporate that is connected with that settlement.
- For the purposes of this sub-paragraph “settlement” and “settlor” have the same meaning as in Chapter 1A of Part 15 of the Taxes Act 1988 (settlements: liability of settlor) (see section 660G(1) and (2) of that Act).
- (4) For the purposes of sub-paragraph (3) above a body corporate is connected with a settlement if—
- (a) it is a close company (or only not a close company because it is not resident in the United Kingdom) and the participators include the trustees of the settlement, or
 - (b) it is controlled by a company falling within paragraph (a) above.
- (5) A person is connected with a company if they are related parties within Case One or Case Two in paragraph 95(1) above.
- (6) For the purposes of sub-paragraph (5) above and for the purposes of paragraph 95 as it applies for the purposes of that sub-paragraph—
- (a) “company” includes any body corporate or unincorporated association, but does not include a partnership; and
 - (b) a unit trust scheme shall be treated as if it were a company and as if the rights of the unit holders were shares in the company.

PART 13

SUPPLEMENTARY PROVISIONS

Treatment of grants and other contributions to expenditure

- 102 (1) This paragraph applies where a grant or other payment is intended by the payer to meet, directly or indirectly, expenditure of a company on an intangible fixed asset.
- (2) A gain recognised in the company's profit and loss account in respect of the grant or other payment is treated for the purposes of paragraph 14 (receipts recognised as they accrue) as a gain representing a receipt in respect of the intangible fixed asset.
- (3) This paragraph does not apply to a grant within paragraph 103 (grants to be left out of account for tax purposes).

Grants to be left out of account for tax purposes

- 103 (1) This paragraph applies to—
- (a) grants under Part 2 of the Industrial Development Act 1982 (c. 52) (regional development grants); and
 - (b) grants made under Northern Ireland legislation and declared by the Treasury by order to correspond to a grant under that Part.
- These are referred to below in this paragraph as “exempt grants”.
- (2) Any gain recognised in the company's profit and loss account in respect of an exempt grant shall be disregarded for the purposes of this Schedule.
- (3) Where as a result of an exempt grant being brought into account by a company there is a reduction—
- (a) in the amount of a loss recognised in the company's profit and loss account, or
 - (b) in the amount of expenditure on an intangible fixed asset that is capitalised for accounting purposes,
- the amount of the reduction shall be added back for the purposes of this Schedule.

Finance leasing etc

- 104 (1) The Treasury may make provision by regulations as to the application of this Schedule in relation to a company that is the finance lessor of an intangible asset that is the subject of a finance lease.
- (2) The regulations may provide—
- (a) that, notwithstanding that the asset is accounted for by the finance lessor as a financial asset, this Schedule shall apply as if the asset were an intangible fixed asset of the lessor and not a financial asset;
 - (b) that this Schedule shall apply as if the amount at which the asset is recognised in the finance lessor's balance sheet were capitalised expenditure on an intangible fixed asset, but that—
 - (i) no election may be made under paragraph 10 (election for writing down on fixed rate basis) in respect of that amount; and

- (ii) that amount is not to be treated as capitalised expenditure for the purposes of paragraph 39(1)(b) (roll-over relief in case of realisation and reinvestment: conditions to be met in relation to expenditure on other assets);
- (c) that where an asset formerly recognised by the lessor for accounting purposes as an intangible fixed asset becomes subject to a finance lease (and accordingly comes to be accounted for as a financial asset) the value of the asset so created is recognised as realisation proceeds of the intangible fixed asset on the change of accounting treatment;
- (d) that assets partially excluded from this Schedule by paragraph 78 to 81 (assets excluded except as regards royalties) are entirely excluded from this Schedule as regards the finance lessor if they are subject to a finance lease and are accounted for by the lessor as financial assets;
- (e) for excluding from the regulations assets used by the finance lessee for the purposes of a trade or business in respect of which he is within the charge to income tax;
- (f) that an intangible asset counts as an existing asset in the hands of the finance lessor if the finance lessee is –
 - (i) a company for whom the asset was the whole or part of an existing asset, or
 - (ii) a person who is a related party in relation to such a company.
- (3) The regulations may contain such consequential, supplementary, incidental and transitional provision, including provision modifying the operation of other provisions of the Corporation Tax Acts, as appears to the Treasury to be appropriate.
- (4) References in this paragraph to a finance lease –
 - (a) have the meaning they have for accounting purposes, and
 - (b) include hire-purchase, conditional sale or other arrangements if they are of a similar character to a finance lease.
- (5) References to the finance lessor or finance lessee have a corresponding meaning.
- (6) Regulations under this paragraph may be made so as to have effect from 1st April 2002.

Assets acquired or realised together

- 105 (1) Any reference in this Schedule to the acquisition or realisation of an asset includes the acquisition or realisation of that asset together with other assets.
- (2) For the purposes of this Schedule assets acquired or realised as a result of one bargain are treated as acquired or realised together even though –
- (a) separate prices are, or purport to be, agreed for separate assets, or
 - (b) there are, or purport to be, separate acquisitions or realisations of separate assets.
- (3) Where assets are acquired together –
- (a) any values allocated to particular assets by the company in accordance with generally accepted accounting practice shall be accepted for the purposes of this Schedule;
 - (b) if no such values are allocated by the company, so much of the expenditure as on a just and reasonable apportionment is properly attributable to each asset shall be treated for the purposes of this Schedule as referable to that asset.

- (4) Where assets are realised together, so much of the proceeds of realisation as on a just and reasonable apportionment is properly attributable to each asset shall be treated for the purposes of this Schedule as proceeds of the realisation of that asset.

Deemed market value acquisition: adjustment of amounts in case of nil accounting value

- 106 (1) This paragraph applies where a company is treated for the purposes of this Schedule as acquiring an asset at market value but the accounting value of the asset transferred, in the hands of the transferee, is nil.
- (2) Where this paragraph applies –
- (a) any reference in this Schedule to –
 - (i) the cost of the asset recognised for accounting purposes,
 - (ii) the accounting value of the asset, or
 - (iii) the amount of any loss recognised for accounting purposes in respect of capitalised expenditure on the asset,
 shall be read as references to the cost, value or loss that would have been recognised if the asset had been acquired at market value; and
 - (b) any revaluation of the asset (as defined in paragraph 15) shall be disregarded.

Treatment of fungible assets

- 107 (1) For the purposes of this Schedule fungible assets of the same kind held by the same person in the same capacity shall be treated as indistinguishable parts of a single asset, growing or diminishing as additional assets of the same kind are created or acquired or some of the assets are realised.
- (2) In this Schedule “fungible assets” here means assets of a nature to be dealt in without identifying the particular assets involved.

Asset ceasing to be chargeable intangible asset: deemed realisation at market value

- 108 (1) Where an asset ceases to be a chargeable intangible asset in relation to a company –
- (a) on the company ceasing to be resident in the United Kingdom, or
 - (b) in the case of a company that is not resident in the United Kingdom, in any circumstances not involving the realisation of the asset by the company, or
 - (c) on the asset beginning to be held for the purposes of a mutual trade or business,
- this Schedule has effect as if the company had, immediately before the asset ceased to be a chargeable intangible asset in relation to it, realised the asset for its market value at that time and immediately reacquired it at that value.
- (2) Sub-paragraph (1) has effect subject to paragraph 109 (postponement of gain in certain cases).

Asset ceasing to be chargeable intangible asset: postponement of gain in certain cases

- 109 (1) Where –
- (a) paragraph 108 (asset ceasing to be chargeable asset: deemed realisation at market value) applies by reason of a company (“company A”) ceasing to be resident in the United Kingdom,

- (b) immediately before company A ceases to be resident in the United Kingdom the asset is held by it for the purposes of a trade carried on by it outside the United Kingdom through a branch or agency,
- (c) the proceeds of the deemed realisation of the asset exceed the original cost of the asset recognised for tax purposes,
- (d) immediately after company A ceases to be resident in the United Kingdom it is a 75% subsidiary of another company (“company B”) that is resident in the United Kingdom, and
- (e) company A and company B so elect by notice given to the Inland Revenue not later than two years after the date when company A ceased to be resident in the United Kingdom,

this Schedule has effect as if the proceeds of the deemed realisation of the asset were reduced by the amount of the excess referred to in paragraph (c). The amount of the reduction is referred to below in this paragraph as “the postponed gain”.

- (2) If company A subsequently realises the asset before the end of the period of six years after the date on which the company ceased to be resident in the United Kingdom, company B shall bring into account for tax purposes a credit equal to the postponed gain or, in the case of a part realisation, the appropriate proportion of the postponed gain.

The appropriate proportion is given by:

$$\frac{\text{Old Value} - \text{New Value}}{\text{Old Value}}$$

where—

Old Value is the market value of the asset immediately before the part realisation, and

New Value is the market value of the asset immediately after the part realisation.

- (3) Sub-paragraph (2) does not apply —
- (a) to the extent that the postponed gain has already been brought into account on a previous part realisation, or
 - (b) if the postponed gain has already been brought into account under sub-paragraph (4).
- (4) If at any time after company A ceases to be resident in the United Kingdom—
- (a) it ceases to be a 75% subsidiary of company B on the disposal by that company of ordinary shares of company A, or
 - (b) after it has ceased to be such a subsidiary otherwise than on such a disposal, company B disposes of such shares, or
 - (c) company B ceases to be resident in the United Kingdom,
- company B shall bring into account for tax purposes a credit equal to the postponed gain.
- This sub-paragraph does not apply if, or to the extent that, the postponed gain has already been brought into account under sub-paragraph (2).
- (5) Any credit falling to be brought into account under sub-paragraph (4)(c) shall be brought into account immediately before company B ceases to be resident in the United Kingdom.

- (6) A credit brought into account by company B under this paragraph is treated as a non-trading credit for the purposes of Part 6 (how debits and credits are given effect).

Asset becoming chargeable intangible asset

- 110 (1) This paragraph applies where an asset becomes a chargeable intangible asset in relation to a company –
- (a) on the company becoming resident in the United Kingdom, or
 - (b) in the case of a company that is not resident in the United Kingdom, on beginning to be held for the purposes of a trade carried on by it in the United Kingdom through a branch or agency, or
 - (c) on the asset ceasing to be held for the purposes of a mutual trade or business.
- (2) Where this paragraph applies this Schedule has effect as if the company had acquired the asset, immediately after it became a chargeable intangible asset in relation to the company, for its accounting value at that time.

Tax avoidance arrangements to be disregarded

- 111 (1) Tax avoidance arrangements shall be disregarded in determining –
- (a) whether debits are to be brought into account under paragraph 9 (writing down on accounting basis) or the amount of such debits, or
 - (b) whether a credit is to be brought into account under Part 4 (realisation) or the amount of any such credit.
- (2) Arrangements are “tax avoidance arrangements” if their main object or one of their main objects is to enable a company –
- (a) to obtain a debit under paragraph 9 to which it would not otherwise be entitled or of a greater amount than that to which it would otherwise be entitled, or
 - (b) to avoid having to bring a credit into account under Part 4 or to reduce the amount of any such credit.
- (3) In this paragraph –
- “arrangements” includes any scheme, agreement or understanding, whether or not legally enforceable; and
- “brought into account” means brought into account for tax purposes.

Debits not allowed in respect of expenditure not generally deductible for tax purposes

- 112 (1) No debit may be brought into account for tax purposes under this Schedule in respect of expenditure that is not generally deductible for tax purposes.
- (2) Expenditure is “not generally deductible for tax purposes” if, or to the extent that, revenue expenditure of that description incurred for the purposes of a trade would be non-deductible by virtue of –
- (a) section 577 of the Taxes Act 1988 (expenditure on business entertainment or gifts),
 - (b) section 577A of that Act (crime-related expenditure),
 - (c) section 578A of that Act (expenditure on expensive hired cars), or
 - (d) section 76(1) to (3) of the Finance Act 1989 (c. 26) (expenditure on providing non-approved non-taxable retirement benefits).

Delayed payment of emoluments

113 (1) Where—

- (a) a debit in respect of emoluments is recognised by a company for accounting purposes, and
- (b) the emoluments are not paid until after the end of the period of nine months beginning with the end of the period of account in which the debit is recognised,

the emoluments shall be brought into account for the purposes of this Schedule only when they are paid.

(2) For the purposes of this paragraph—

- (a) “emoluments” means emoluments allocated either—
 - (i) in respect of particular offices or employments (or both), or
 - (ii) generally in respect of offices or employments (or both); and
- (b) emoluments are paid when they are treated as received (applying the rules in section 202B of the Taxes Act 1988 as for the purposes of section 202A(1)(a) of that Act (receipts basis of assessment for Schedule E)).

(3) This paragraph applies to potential emoluments as it applies to emoluments. For this purpose—

- (a) potential emoluments are amounts or benefits reserved in the accounts of an employer, or held by an intermediary, with a view to their becoming emoluments, and
- (b) potential emoluments are regarded as paid when they become emoluments that are paid.

(4) Any adjustment required by this paragraph of an accounting debit that is partly referable to an amount to which this paragraph applies and partly to other matters shall be made on a just and reasonable basis.

(5) If a calculation for tax purposes has to be made before the end of the period of nine months mentioned in sub-paragraph (1)(b) and emoluments have not been paid—

- (a) it shall be assumed for the purpose of making the calculation that they will not be paid before the end of that period, but
- (b) the calculation shall be adjusted if the emoluments are subsequently paid before the end of that period and a claim is made.

Any such claim to adjust a calculation must be made to the Inland Revenue before the end of the period of two years beginning with the end of the period of account concerned.

Delayed payment of pension contributions

114 (1) This paragraph applies where—

- (a) a debit in respect of pension contributions is recognised by a company for accounting purposes, and
- (b) the contributions are not paid until after the end of the period of account in which the debit is recognised.

(2) Where this paragraph applies, the contributions shall be brought into account for the purposes of this Schedule only when they are paid.

(3) For the purposes of this paragraph “pension contributions” means—

- (a) sums paid by an employer by way of contributions under a scheme to which section 592 of the Taxes Act 1988 applies (exempt approved schemes),
 - (b) sums paid to the trustees of such a scheme that are treated for the purposes of that section as employer's contributions (see subsection (6A) of that section), or
 - (c) expenses within section 76(5) or (6) of the Finance Act 1989 (c. 26) (expenses of providing benefits under non-approved retirement benefit scheme).
- (4) Any adjustment required by this paragraph of an accounting debit that is partly referable to an amount to which this paragraph applies and partly to other matters shall be made on a just and reasonable basis.

Bad debts etc

- 115 (1) For the purposes of this Schedule a debt shall be brought into account on the assumption that the amount payable will be paid in full when it becomes due, except to the extent that –
- (a) the debt is bad,
 - (b) the debt is estimated to be bad, or
 - (c) the debt is released as part of a statutory insolvency arrangement.
- (2) In sub-paragraph (1)(c) a “statutory insolvency arrangement” means –
- (a) a voluntary arrangement that has taken effect under or by virtue of the Insolvency Act 1986 (c. 45) or the Insolvency (Northern Ireland) Order 1989 (SI 1989/2405 (N.I. 19)), or
 - (b) a compromise or arrangement that has taken effect under section 425 of the Companies Act 1985 (c. 6) or Article 418 of the Companies (Northern Ireland) Order 1986 (SI 1986/1032 (N.I. 6)).
- (3) Where a debt is released as mentioned in sub-paragraph (1)(c) any gain in respect of the release brought into account for accounting purposes by the debtor shall be disregarded for the purposes of this Schedule.
- (4) Any other gain in respect of an unpaid debt in respect of an intangible fixed asset that is brought into account by the debtor for accounting purposes is treated for the purposes of paragraph 14 (receipts recognised as they accrue) as a gain in respect of an intangible fixed asset.
- (5) Any adjustment required by this paragraph of an accounting gain or loss that is partly referable to an amount affected by this paragraph and partly to other matters shall be made on a just and reasonable basis.

Assumptions for computing chargeable profits of controlled foreign companies

- 116 (1) In computing the amount mentioned in section 747(6) of the Taxes Act 1988 (chargeable profits of controlled foreign company) the following assumptions shall be made for the purpose of applying the provisions of this Schedule.
- (2) It shall be assumed that any intangible fixed asset acquired or created by the company before the beginning of the first accounting period –
- (a) in respect of which an apportionment under section 747(3) falls to be made, or
 - (b) which is an ADP exempt period,

was acquired or created by the company at the beginning of that accounting period at a cost equal to its value recognised for accounting purposes at that time.

- (3) Notwithstanding paragraph 4(1) of Schedule 24 of the Taxes Act 1988 (assumption that all available reliefs have been claimed), it shall be assumed that the company has not claimed any relief under Part 7 (roll-over relief in case of reinvestment) or made any provisional declaration of entitlement to such relief.

But this assumption does not apply, if notice is given in accordance with paragraph 4(2) of that Schedule requesting that it should not apply, to such claims, and to such extent, as may be specified in the notice.

- (4) Expressions used in this paragraph that are defined for the purposes of Chapter 4 of Part 17 of the Taxes Act 1988 (controlled foreign companies) have the same meaning in this paragraph.
- (5) The assumption in sub-paragraph (2) above does not affect the determination of the question whether this Schedule applies to an asset in accordance with paragraph 118 (application of Schedule to assets created or acquired after commencement).

PART 14

COMMENCEMENT AND TRANSITIONAL PROVISIONS

Commencement date

- 117 (1) The commencement date for the purposes of this Schedule is 1st April 2002.
- (2) In this Part—
- “after commencement” means on or after that date and “before commencement” means before that date; and
 - “the existing law” means the law as it was before commencement.

Application of Schedule to assets created or acquired after commencement

- 118 (1) Except as otherwise expressly provided, the provisions of this Schedule apply only to intangible fixed assets of a company (“the company”) that—
- (a) are created by the company after commencement, or
 - (b) are acquired by the company after commencement from a person who at the time of the acquisition is not a related party in relation to the company, or
 - (c) are acquired by the company after commencement from a person who at the time of the acquisition is a related party in relation to the company in the cases specified in sub-paragraph (2).

As to when assets are regarded as created or acquired, see paragraphs 120 to 125.

- (2) The cases mentioned in sub-paragraph (1)(c) in which this Schedule applies to assets acquired by the company after commencement from a related party are—
- (a) where the asset is acquired from a company in relation to which the asset was a chargeable intangible asset immediately before the acquisition;

- (b) where the asset is acquired from a person (“the intermediary”) who acquired the asset after commencement from a third person –
 - (i) who was not at the time of that acquisition a related party in relation to the intermediary or, where the intermediary was not a company, a company in relation to which the intermediary was a related party, and
 - (ii) who is not, at the time of the acquisition by the company, a related party in relation to the company;
 - (c) where the asset was created, whether by the person from whom it is acquired or any other person, after commencement.
- (3) Intangible fixed assets to which, by virtue of sub-paragraph (1), this Schedule does not apply in the absence of express provision to that effect are referred to in this Schedule as “existing assets”.
- (4) Sub-paragraph (1) has effect subject to –
- (a) paragraph 126 (application of Schedule to fungible assets), and
 - (b) paragraph 127 (certain assets acquired on transfer of a business treated as existing assets).
- (5) The following paragraphs contain provision for the application of this Schedule in relation to certain existing assets –
- paragraphs 128 and 129 (application of Schedule to certain existing assets);
 - paragraphs 130 to 132 (application of roll-over relief in relation to certain existing assets).
- (6) Nothing in this paragraph shall be read as restricting the application of this Schedule in accordance with paragraph 119 (application of Schedule to royalties).

Application of Schedule to royalties

119 (1) This Schedule –

- (a) applies to royalties recognised for accounting purposes after commencement, and
 - (b) does not apply to royalties recognised for accounting purposes before commencement,
- subject to the following provisions.
- (2) To the extent that royalties have been brought into account before commencement, they shall not be brought into account again under this Schedule after commencement.
- (3) To the extent that royalties would have been brought into account before commencement if the provisions of this Schedule had been in force, and were not so brought into account, they shall be brought into account immediately after commencement.
- (4) For the purposes of this paragraph an amount is “brought into account” if –
- (a) it is brought into account for tax purposes, or
 - (b) it would have been so brought into account if the person concerned had been within the charge to corporation tax.

Assets regarded as created or acquired when expenditure incurred

- 120 (1) This paragraph has effect for the purposes of paragraph 118 (application of Schedule to assets created or acquired after commencement) and applies to all intangible assets except those to which paragraph 121 or 122 applies (certain internally-generated assets).
- (2) An intangible asset to which this paragraph applies is regarded as created or acquired after commencement to the extent that expenditure on its creation or acquisition is incurred after commencement.
As to whether expenditure on the creation or acquisition of the asset was incurred after commencement, see paragraphs 123 to 125.
- (3) If only part of the expenditure on the creation or acquisition of the asset is incurred after commencement –
- (a) this Schedule has effect as if there were a separate asset representing the expenditure so incurred, and
 - (b) the enactments that apply where this Schedule does not apply have effect as if there were a separate asset representing the expenditure not so incurred.

Any apportionment necessary for this purpose shall be made on a just and reasonable basis.

Internally-generated goodwill: whether created before or after commencement

- 121 For the purposes of paragraph 118 (application of Schedule to assets created or acquired after commencement) internally-generated goodwill is regarded as created before (and not after) commencement if the business in question was carried on at any time before commencement by the company or a related party.

Certain other internally-generated assets: whether created before or after commencement

- 122 (1) This paragraph has effect for the purposes of paragraph 118 (application of Schedule to assets created or acquired after commencement) and applies to an internally-generated asset representing expenditure that under the existing law is not qualifying expenditure for the purposes of any allowance under the Capital Allowances Act 2001 (c. 2) (“non-qualifying expenditure”).
- (2) If only part of the expenditure on the creation or acquisition of the asset is non-qualifying expenditure –
- (a) this Schedule has effect as if there were separate assets representing the non-qualifying expenditure and the other expenditure, and
 - (b) if this Schedule does not apply to the former, the enactments that apply where this Schedule does not apply also have effect as if there were a separate asset representing the non-qualifying expenditure.

Any apportionment necessary for this purpose shall be made on a just and reasonable basis.

- (3) An asset to which this paragraph applies is regarded for the purposes of paragraph 118 as created before (and not after) commencement if the asset in question was held at any time before commencement by the company or a related party.

Expenditure on acquisition treated as incurred when recognised for accounting purposes

- 123 (1) For the purposes of paragraph 120 (assets regarded as created or acquired when expenditure incurred) the general rule is that expenditure on the acquisition of an asset is treated as incurred when it is recognised for accounting purposes.
- (2) This is subject to—
- paragraph 124 (chargeable gains rules to be followed in certain cases),
 - and
 - paragraph 125 (capital allowances rule to be followed in certain cases).

When expenditure treated as incurred: chargeable gains rule to be followed in certain cases

- 124 For the purposes of paragraph 120 (assets regarded as created or acquired when expenditure incurred) expenditure on the acquisition of the asset that—
- (a) does not qualify for any form of tax relief against income under the existing law, and
 - (b) would be treated as incurred after commencement under the general rule in paragraph 123,
- shall be treated as incurred before commencement if the asset is (or would be) treated as disposed of (and thus acquired) before commencement for the purposes of the Taxation of Chargeable Gains Act 1992 (c. 12).

When expenditure treated as incurred: capital allowances general rule to be followed in certain cases

- 125 (1) For the purposes of paragraph 120 (assets regarded as created or acquired when expenditure incurred) expenditure on the creation or acquisition of an asset that under the existing law is qualifying expenditure for the purposes of any allowance under the Capital Allowances Act 2001 (c. 2) is treated as incurred when an unconditional obligation to pay it comes into being.
- (2) For this purpose there may be an unconditional obligation to pay although the whole or part of the expenditure is not required to be paid until a later date.

Application of Schedule to fungible assets

- 126 (1) The provisions of this paragraph have effect for the purposes of this Part in relation to assets to which paragraph 107 applies (treatment of fungible assets as single asset)
- (2) Paragraph 107 applies as if—
- (a) existing assets, and
 - (b) intangible fixed assets that are not existing assets,
- were assets of different kinds.
- (3) Where paragraph 107 applies (by virtue of sub-paragraph (2) or otherwise)—
- (a) a single asset comprising existing assets is treated as itself being an existing asset, and
 - (b) a single asset comprising intangible fixed assets that are not existing assets is treated as itself being an asset to which this Schedule applies.

- (4) The realisation by a company of an intangible fixed asset that apart from sub-paragraph (2) would be regarded as part of a single asset comprising both existing assets and assets that are not existing assets shall be regarded as diminishing the single asset of the company comprising existing assets in priority to diminishing the single asset of the company comprising assets that are not existing assets.
- (5) Intangible fixed assets acquired by a company that would not otherwise be regarded as existing assets shall be treated as existing assets to the extent that they are to be identified, in accordance with the following rules, with existing assets realised by the company.
- (6) The rules are—
- (a) that assets acquired are to be identified with existing assets of the same kind realised by the company within the period beginning 30 days before and ending 30 days after the date of the acquisition;
 - (b) that assets realised earlier are to be identified before assets realised later;
 - (c) that assets acquired earlier are to be identified before assets acquired later.

The reference in paragraph (a) to assets “of the same kind” are to assets that are, or but for sub-paragraph (2) would be, treated by virtue of paragraph 107 as part of a single asset.

Certain assets acquired on transfer of business treated as existing assets

- 127 (1) This paragraph applies where—
- (a) an asset that is an existing asset in the hands of a company (“the transferor company”) is transferred to another company (“the transferee company”), and
 - (b) the transfer is one in relation to which—
 - (i) section 139 of the Taxation of Chargeable Gains Act 1992 (c. 12) (reconstruction involving transfer of business), or
 - (ii) section 140A of that Act (transfer of UK trade to company resident in another member State),
 applies with the effect that the transferor company is treated for the purposes of that Act as disposing of the asset for a consideration that secures that neither a gain nor a loss accrues to that company.
- (2) Where this paragraph applies the asset shall be treated for the purposes of this Schedule as an existing asset in the hands of the transferee company.
- (3) This paragraph does not apply where the transfer mentioned in sub-paragraph (1) occurred before 28th June 2002.

Application of Schedule to certain existing telecommunication rights

- 128 (1) This Schedule applies to an existing asset consisting of a licence or other right within Schedule 23 to the Finance Act 2000 (c.17) (certain telecommunication rights).
- (2) This Schedule has effect in relation to the asset—
- (a) as regards amounts to be brought into account for tax purposes in accounting periods ending after commencement, and

- (b) as if amounts brought into account for tax purposes in earlier accounting periods under Schedule 23 to the Finance Act 2000 (c. 17) had been so brought into account under this Schedule.
- (3) If the asset –
- (a) was acquired before the beginning of the first accounting period to which this Schedule applies in relation to it, and
 - (b) is a chargeable intangible asset immediately after the beginning of that period,
- it shall be treated for the purposes of Part 7 (roll-over relief on realisation and reinvestment) as if it had been a chargeable intangible asset at all material times between its acquisition and the beginning of that period.
- (4) Schedule 23 to the Finance Act 2000 shall cease to have effect for the purposes of corporation tax as regards accounting periods ending after commencement.

Application of Schedule to existing Lloyd's syndicate capacity

- 129 (1) This Schedule applies to an existing asset consisting of the rights of a member of Lloyd's under a syndicate within the meaning of Chapter 5 of Part 4 of the Finance Act 1994 (c. 9) (taxation of corporate members of Lloyd's).
- (2) This Schedule has effect in relation to the asset as regards amounts to be brought into account for tax purposes in accounting periods ending after commencement.
- (3) For the purposes of paragraph 9(5) (writing down on accounting basis: calculation of amount of debit for tax purposes) as it applies to the first accounting period to which this Schedule applies in relation to such an asset, the tax written down value of the asset shall be computed under paragraph 27 as if the debits to be deducted under that paragraph included all accounting losses previously recognised in respect of the asset, whether or not they gave rise to a deduction for tax purposes.
- (4) If the asset –
- (a) was acquired before the beginning of the first accounting period to which this Schedule applies in relation to it, and
 - (b) is a chargeable intangible asset immediately after the beginning of that period,
- it shall be treated for the purposes of Part 7 (roll-over relief on realisation and reinvestment) as if it had been a chargeable intangible asset at all material times between its acquisition and the beginning of that period.

Roll-over relief: application in relation to disposal of existing asset after commencement

- 130 (1) This paragraph provides for the application of Part 7 (roll-over relief in case of reinvestment) where a company disposes of an existing asset after commencement.
- References in this paragraph to the disposal of an asset have the same meaning as in the Taxation of Chargeable Gains Act 1992 (c. 12).
- (2) Part 7 applies in accordance with this paragraph with the following adaptations –
- (a) for references to the realisation of the old asset substitute references to its disposal;

- (b) for references to its being a chargeable intangible asset substitute references to its being a chargeable asset within the Taxation of Chargeable Gains Act 1992 (c. 12);
 - (c) for references to the proceeds of its realisation substitute references to the net proceeds of disposal under that Act; and
 - (d) for references to its cost recognised for tax purposes substitute references to the cost under that Act.
- (3) For the purposes of sub-paragraph (2)(b) an asset is a chargeable asset within the Taxation of Chargeable Gains Act 1992 in relation to a company at any time if, were the asset to be disposed of at that time, any gain accruing to the company on the disposal would be a chargeable gain within the meaning of that Act, and either—
- (a) at that time the company is resident or ordinarily resident in the United Kingdom, or
 - (b) the gain would form part of the company's chargeable profits for corporation tax purposes by virtue of section 10(3) of that Act,
- unless the company (were it to dispose of the asset at that time) would fall to be regarded for the purposes of any double taxation relief arrangements as not liable in the United Kingdom to tax on any gain accruing to it on the disposal.
- (4) For the purposes of sub-paragraph (2)(c) the net proceeds of disposal under the Taxation of Chargeable Gains Act 1992 shall be taken to be the amount or value of the consideration for the disposal reduced by any incidental costs of making the disposal that would be allowable as a deduction under section 38(1)(c) of that Act.
- (5) For the purposes of sub-paragraph (2)(d) the cost under the Taxation of Chargeable Gains Act 1992 shall be taken to be an amount equal to the difference between the net proceeds of disposal as defined in sub-paragraph (4) and the amount of the chargeable gain on the disposal.
- (6) Paragraph 93 (exclusion of roll-over relief in case of part realisation involving related party) does not apply in a case where Part 7 applies by virtue of this paragraph.
- (7) Where a company is entitled to relief under Part 7 by virtue of this paragraph, it is treated for the purposes of the Taxation of Chargeable Gains Act 1992 as if the consideration for the disposal of the old asset were reduced by the amount available for relief.
- This does not affect the treatment for any purpose of the Taxes Acts of the other party to any transaction involved in the disposal of the old asset or the expenditure on other assets.

Roll-over relief: application in relation to degrouping charge on existing asset arising after commencement

- 131 (1) This paragraph provides for the application of Part 7 (roll-over relief in case of reinvestment) where—
- (a) a company is treated by virtue of subsection (3) or (6) of section 179 of the Taxation of Chargeable Gains Act 1992 (degrouping charge) as having sold and reacquired an existing asset, and
 - (b) the time at which by virtue of subsection (4) or (8) of that section the gain is treated as accruing is after commencement.

- (2) Part 7 applies in accordance with this paragraph with the adaptations specified in paragraph 130(2) and the following further adaptations (which correspond to those in paragraph 65) –
- (a) in paragraph 38 (conditions to be met in relation to the old asset), for the references to the old asset being a chargeable intangible asset throughout the period during which it was held by the company substitute a reference to its being a chargeable asset within the Taxation of Chargeable Gains Act 1992 (c. 12) throughout the period during which it was held by the company referred to in section 179 of that Act as company B;
 - (b) in paragraph 39(1) (conditions to be met in relation to expenditure on other assets), for the references to the date of realisation of the old asset substitute references to –
 - (i) in a case within subsection (3) of section 179 of that Act, the time at which the gain is treated as accruing under subsection (4) of that section, and
 - (ii) in a case within subsection (6) of that section, the time at which the gain is treated as accruing under subsection (8) of that section;
 - (c) references to the proceeds of realisation shall be read as references to the amount of the consideration for which the company is treated under that Act as having sold and reacquired the asset.
- (3) Paragraph 130(3) (meaning of “chargeable asset”) applies for the purposes of sub-paragraph (2)(a) of this paragraph.
- (4) Paragraph 93 (exclusion of roll-over relief in case of part realisation involving related party) does not apply in a case where Part 7 applies by virtue of this paragraph.
- (5) A company entitled to relief under Part 7 by virtue of this paragraph is treated for the purposes of the Taxation of Chargeable Gains Act 1992 as if the consideration for the disposal of the old asset were reduced by the amount available for relief.

This does not affect the treatment for any purpose of the Taxes Acts of the other party to any transaction involved in the disposal of the old asset or the expenditure on other assets.

Roll-over relief: transitory interaction with relief on replacement of business asset

- 132 (1) In relation to the disposal after commencement of an asset that is both –
- (a) an asset of a class specified in section 155 of the Taxation of Chargeable Gains Act 1992 (assets qualifying for roll-over relief on replacement of business asset), and
 - (b) an intangible fixed asset,
- the period specified in section 152(3) of that Act (period within which new assets must be acquired) does not include, and may not be extended so as to include, any period after commencement.
- (2) Subject to that, relief may be claimed in such a case either under Part 7 of this Schedule (roll-over relief on realisation and reinvestment) or under section 152 or 153 of the Taxation of Chargeable Gains Act 1992, or partly under Part 7 and partly under section 152 or 153.

- (3) For the purposes of any such claim under section 152 or 153 any expenditure on other assets within the meaning of Part 7 shall be treated as if it were an amount applied as mentioned in section 152(1).
- (4) For the purposes of any such claim under Part 7 any amount applied as mentioned in section 152(1) shall be treated as if it were expenditure incurred on other assets.
- (5) Classes 4 to 7 in section 155 of the Taxation of Chargeable Gains Act 1992 (c. 12) (goodwill and various types of quota) shall cease to have effect for the purposes of corporation tax as regards the acquisition of new assets that are chargeable intangible assets.
- (6) References in this paragraph to the disposal of an asset have the same meaning as in that Act.

PART 15

INTERPRETATION

References to expenditure on an asset

- 133 (1) References in this Schedule to expenditure on an asset are to any expenditure (including abortive expenditure) –
- (a) for the purpose of acquiring or creating, or establishing title to, the asset, or

Meaning of “chargeable intangible asset” and “chargeable realisation gain”

- 137 (1) For the purposes of this Schedule –

 - (b) there is a “chargeable realisation gain” if a gain on the realisation of an asset gives rise to a credit required to be brought into account for tax purposes under Part 4 (realisation of intangible fixed asset).
- (2) For the purposes of sub-paragraph (1) –
- (a) there is a gain on the realisation of an asset in any case if the circumstances are such that paragraph 20(2)(a), 21(2)(a) or 23(2) applies, and

- (b) that all such debits and credits in relation to the asset as have been brought into account for tax purposes by the transferor under this Schedule are treated as if they had been so brought into account by the transferee.

The reference in paragraph (a) to the cost of the asset is to the cost recognised for tax purposes.

SCHEDULE 31

Section 85

GAINS OF INSURANCE COMPANY FROM VENTURE CAPITAL INVESTMENT PARTNERSHIP

The following Schedule is inserted after Schedule 7AC to the Taxation of Chargeable Gains Act 1992 (c. 12)—

“SCHEDULE 7AD

GAINS OF INSURANCE COMPANY FROM VENTURE CAPITAL INVESTMENT
PARTNERSHIP*Introduction*

- 1 This Schedule applies where the assets of the long-term insurance fund of an insurance company (“the company”) include assets held by the company as a limited partner in a venture capital investment partnership (“the partnership”).

Meaning of “venture capital investment partnership”

- 2 (1) A “venture capital investment partnership” means a partnership in relation to which the following conditions are met.
- (2) The first condition is that the sole or main purpose of the partnership is to invest in unquoted shares or securities. This condition shall not be regarded as met unless it appears from—
- (a) the agreement constituting the partnership, or
 - (b) any prospectus issued to prospective partners,
- that that is the sole or main purpose of the partnership.
- (3) The second condition is that the partnership does not carry on a trade.
- (4) The third condition is that not less than 90% of the book value of the partnership’s investments is attributable to investments that are either—
- (a) shares or securities that were unquoted at the time of their acquisition by the partnership, or
 - (b) shares that were quoted at the time of their acquisition by the partnership but which it was reasonable to believe would cease to be quoted within the next twelve months.
- (5) For the purposes of the third condition—
- (a) the following shall be disregarded—
 - (i) any holding of cash, including cash deposited in a bank account or similar account but not cash acquired wholly or partly for the purpose of realising a gain on its disposal;
 - (ii) any holding of quoted shares or securities acquired by the partnership in exchange for unquoted shares or securities;
 - (b) whether the 90% test is met shall be determined by reference to the values shown in the partnership’s accounts at the end of a period of account of the partnership.
- (6) Where a partnership ceases to meet the above conditions, the company shall be treated as if the partnership had continued to be a venture capital investment partnership until the end of the period of account of the partnership during which it ceased to meet the conditions.

- (7) A partnership that ceases to meet those conditions cannot qualify again as a venture capital investment partnership.

For this purpose a partnership is treated as the same partnership notwithstanding a change in membership if any person who was a member before the change remains a member.

Interest in relevant assets of partnership treated as single asset

- 3 (1) Where this Schedule applies section 59 (partnerships) does not have effect to make the company chargeable on its share of gains accruing on each disposal of relevant assets of the partnership.
- (2) Instead –
- (a) the company’s interest in relevant assets of the partnership is treated as a single asset (“the single asset”) acquired by the company when it became a member of the partnership, and
- (b) the following provisions of this Schedule have effect.
- (3) For the purposes of this Schedule the “relevant assets” of the partnership are the shares and securities held by the partnership, other than qualifying corporate bonds.
- (4) Nothing in this Schedule shall be read –
- (a) as affecting the operation of section 59 in relation to partners who are not insurance companies carrying on long-term business or are not limited partners, or
- (b) as imposing any liability on the partnership as such.

The cost of the single asset

- 4 (1) The company is treated as having given, wholly and exclusively for the acquisition of the single asset, consideration equal to the amount of capital contributed by it on becoming a member of the partnership.
- (2) Any further amounts of capital contributed by it to the partnership are treated on a disposal of the single asset as expenditure incurred wholly and exclusively on the asset for the purpose of enhancing its value and reflected in its state or nature at the time of the disposal.
- (3) Where the investments of the partnership include qualifying corporate bonds, the amount to be taken into account under subparagraph (1) or (2) is proportionately reduced.
- (4) The reduction is made by applying to that amount the fraction:

$$\frac{A - B}{A}$$

where –

A is the book value of all shares and securities held by the partnership at the end of the period of account of the partnership in which the amount of capital in question is fully invested by the partnership, and

B is the book value of all qualifying corporate bonds held by the partnership at the end of that period of account.

- (5) For the purposes of sub-paragraph (4) the “book value” means the value shown in the partnership’s accounts at the end of the period of account.

Deemed disposal of single asset in case of distribution

- 5 (1) There is a disposal of the single asset on each occasion on which the company receives a distribution from the partnership that does not consist entirely of income or the proceeds of sale or redemption of assets that are not relevant assets.
- (2) The disposal is taken to be for a consideration equal to the amount of the distribution or of so much of it as does not consist of income or the proceeds of sale or redemption of assets that are not relevant assets.
- (3) Where—
- (a) the partnership disposes of relevant assets on which a chargeable gain or allowable loss would accrue if they were held by the company alone, and

- (2) If duty has been paid under section 115 on one or more intervening subsales, sub-paragraph (1) has effect with the following modifications—
 - (a) the reference to duty having been paid on the original sale shall be read as a reference to duty having been paid either on the original sale or on an intervening subsale;
 - (b) the reference to the amount of duty paid on the original sale shall be read as a reference to the aggregate of the amounts paid on the original sale and any intervening subsales, and
 - (c) any repayment shall be apportioned among the persons by whom those amounts were paid.
