- (1) This Chapter applies to a credit-token provided for an employee by reason of the employment which is used by the employee to obtain money, goods or services.
- (2) A credit-token provided for an employee by the employer is to be regarded as provided by reason of the employment unless—
 - (a) the employer is an individual, and
 - (b) the provision is made in the normal course of the employer’s domestic, family or personal relationships.

91 Provision for, or use by, member of employee’s family

For the purposes of this Chapter—

- (a) any reference to a credit-token being provided for an employee includes a reference to it being provided for a member of the employee’s family, and
- (b) use of a credit-token by a member of an employee’s family is to be treated as use of the token by the employee.

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

 - (b) if a third party (“Y”) supplies money, goods or services on its production, to pay Y for what is supplied.
- (2) A card, token, document or other object can be a credit-token even if—
 - (a) some other action is required in addition to its production in order for the money, goods or services to be supplied;
 - (b) X in paying Y may take a discount or commission.
- (3) For the purposes of this section—
 - (a) the use of an object given by X to operate a machine provided by X is to be treated as its production to X, and
 - (b) the use of an object given by X to operate a machine provided by Y is to be treated as its production to Y.
- (4) A “credit-token” does not include a cash voucher or a non-cash voucher.

Credit-tokens: exception

93 Credit-token made available to public generally

This Chapter does not apply to a credit-token if—

- (a) it is of a kind made available to the public generally, and
- (b) it is provided to the employee or a member of the employee’s family on no more favourable terms than to the public generally.

Benefit of credit-token treated as earnings

94 Benefit of credit-token treated as earnings

- (1) On each occasion on which a credit-token to which this Chapter applies is used by the employee in a tax year to obtain money, goods or services, the cash equivalent of the benefit of the token is to be treated as earnings from the employment for that year.
- (2) The cash equivalent is the difference between—
 - (a) the cost of provision, and
 - (b) any part of that cost made good by the employee to the person incurring it.
- (3) In this section the “cost of provision” means the expense incurred—
 - (a) in or in connection with the provision of the money, goods or services obtained on the occasion in question, and
 - (b) by the person at whose cost they are provided.

Status: Point in time view as at 05/12/2005.

General supplementary provisions

95 Disregard for money, goods or services obtained

- (1) This section applies if the cash equivalent of the benefit of a cash voucher, a non-cash voucher or a credit-token—
- (a) is to be treated as earnings from an employee’s employment under this Chapter, or
 - (b) would be so treated but for a dispensation given under section 96.
- (2) Money, goods or services obtained—
- (a) by the employee or another person in exchange for the cash voucher or non-cash voucher, or
 - (b) by the employee or a member of the employee’s family by use of the credit-token,
- are to be disregarded for the purposes of the Income Tax Acts.

- (3) But the goods or services are not to be disregarded for the purposes of applying sections 362 and 363 (deductions where non-cash voucher or credit-token provided).

[^{F13}(3A) In the case of a childcare voucher, the reference in subsection (2)(a) to the services obtained in exchange for the voucher is to the provision of care for a child obtained by using it.]

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

- (3) This subsection applies if, at any time after the relevant time—
 - (a) expenditure in respect of the property has been incurred directly or indirectly by a connected company, or

101 Chevening House

This Chapter does not apply to living accommodation provided for an employee if the accommodation is—

- (a) Chevening House, or
- (b) any other premises held on the trusts of the trust instrument set out in the Schedule to the Chevening Estate Act 1959 (c. 49),

and the employee is a person nominated in accordance with those trusts.

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

Benefit of living accommodation treated as earnings

102 Benefit of living accommodation treated as earnings

- (1) If living accommodation to which this Chapter applies is provided in any period—
 - (a) which consists of the whole or part of a tax year, and
 - (b) throughout which the employee holds the employment,
 the cash equivalent of the benefit of the accommodation is to be treated as earnings from the employment for that year.
- (2) In this Chapter that period is referred to as “the taxable period”.
- (3) Section 103 indicates how the cash equivalent is calculated.

Calculation of cash equivalent

103 Method of calculating cash equivalent

- (1) The cash equivalent is calculated—
 - (a) under section 105 if the cost of providing the living accommodation does not exceed £75,000; and
 - (b) under section 106 if the cost of providing the living accommodation exceeds £75,000.
- (2) Section 104 (general rule) sets out how to calculate the cost of providing living accommodation for the purpose of determining whether or not it exceeds £75,000.
- (3) In this Chapter—
 - “annual value”,
 - “person involved in providing accommodation”, and
 - “the property”,
 have the meaning given by sections 110 to 113, and “the taxable period” has the meaning given by section 102(2).

104 General rule for calculating cost of providing accommodation

For any tax year the cost of providing living accommodation is given by the formula—

$$A + I - P$$

where—

A is any expenditure incurred in acquiring the estate or interest in the property held by a person involved in providing the accommodation,

I is any expenditure incurred on improvements to the property which has been incurred before the tax year in question by a person involved in providing the accommodation, and

P is so much of any payment or payments made by the employee to a person involved in providing the accommodation as represents—

- (a) reimbursement of A or I, or

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

(b) consideration for the grant to the employee of a tenancy or sub-tenancy of the property.

Accommodation costing £75,000 or less

105 Cash equivalent: cost of accommodation not over £75,000

- (1) The cash equivalent is to be calculated under this section if the cost of providing the living accommodation does not exceed £75,000.
- (2) The cash equivalent is the difference between—
 - (a) the rental value of the accommodation for the taxable period, and
 - (b) any sum made good by the employee to the person at whose cost the accommodation is provided that is properly attributable to its provision.
- (3) The “rental value of the accommodation” for the taxable period is the rent which would have been payable for that period if the property had been let to the employee at an annual rent equal to the annual value.
- (4) But if the person at whose cost the accommodation is provided pays rent for the whole or part of the taxable period at an annual rate greater than the annual value—
 - (a) subsection (3) does not apply to that period or (as the case may be) that part of it; and
 - (b) instead the “rental value of the accommodation” for that period or part is the rent payable for it by that person.
- (5) If the rental value of the accommodation for the taxable period does not exceed any sum made good by the employee as mentioned in subsection (2)(b), the cash equivalent is nil.

Accommodation costing more than £75,000

106 Cash equivalent: cost of accommodation over £75,000

- (1) The cash equivalent is calculated under this section if the cost of providing the living accommodation exceeds £75,000.
- (2) To calculate the cash equivalent—

Step 1

Calculate the amount that would be the cash equivalent if section 105 applied (cash equivalent: cost of accommodation not over £75,000).

Step 2

Calculate the following amount (“the additional yearly rent”)—

$$ORI \times (C - £75,000)$$

where—

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

ORI is the official rate of interest in force for the purposes of Chapter 7 of this Part (taxable benefits: loans) on 6th April in the tax year, and

C is the cost of providing the accommodation calculated—

- (a) in accordance with section 104 (general rule for calculating cost of accommodation), or
- (b) in a case where section 107 applies (special rule for calculating cost of providing accommodation), in accordance with that section instead.

Step 3

Calculate the rent which would have been payable for the taxable period if the property had been let to the employee at the additional yearly rent calculated under step 2.

Step 4

Calculate the cash equivalent by—

- (a) adding together the amounts calculated under steps 1 and 3, and
- (b) (if allowed by subsection (3)) subtracting from that total the excess rent paid by the employee.

(3) In step 4—

- (a) paragraph (b) only applies if, in respect of the taxable period, the rent paid by the employee in respect of the accommodation to the person providing it exceeds the rental value of the accommodation for that period as set out in section 105(3) or (4)(b), as applicable, and
- (b) “the excess rent” means the total amount of that excess.

107 Special rule for calculating cost of providing accommodation

- (1) This section contains a special rule for calculating the cost of providing living accommodation which—
 - (a) operates for the purposes of step 2 of section 106(2) (calculating the additional yearly rent), and
 - (b) accordingly only operates where the cost of provision for the purposes of section 106(1) (as calculated under section 104) exceeds £75,000.
- (2) This section applies if, throughout the period of 6 years ending with the date when the employee first occupied the accommodation (“the initial date”), an estate or interest in the property was held by a person involved in providing the accommodation.

It does not matter whether it was the same estate, interest or person throughout.

- (3) For any tax year the cost of providing the living accommodation for the purposes mentioned in subsection (1)(a) is given by the formula—

$$MV + I - P$$

where—

MV is the price which the property might reasonably be expected to have fetched on a sale in the open market with vacant possession as at the initial date,

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

I is any expenditure incurred on improvements to the property which has been incurred during the period—

- (a) beginning with the initial date, and
- (b) ending with the day before the beginning of the tax year,

by a person involved in providing the accommodation, and

P is so much of any payment or payments made by the employee to a person involved in providing the accommodation as represents—

- (a) reimbursement (up to an amount not exceeding MV) of any expenditure incurred in acquiring the estate or interest in the property held on the initial date,
- (b) reimbursement of I, or
- (c) consideration for the grant to the employee of a tenancy or sub-tenancy of the property.

- (4) In estimating MV no reduction is to be made for an option in respect of the property held by—
 - (a) the employee,
 - (b) a person connected with the employee, or
 - (c) a person involved in providing the accommodation.

Apportionment of cash equivalent

108 Cash equivalent: accommodation provided for more than one employee

- (1) If, for the whole or part of a tax year, the same living accommodation is provided for more than one employee at the same time, the total of the cash equivalents for all of the employees is to be limited to the amount that would be the cash equivalent if the accommodation was provided for one employee.
- (2) The cash equivalent for each of the employees is to be such part of that amount as is just and reasonable.

Other tax implications

109 Priority of this Chapter over Chapter 1 of this Part

- (1) This section applies if—
 - (a) under this Chapter the cash equivalent of the benefit of living accommodation is to be treated as earnings from an employee's employment for a tax year, and
 - (b) under Chapter 1 of this Part an amount would, apart from this section, constitute earnings from the employment for the year in respect of the provision of the accommodation.
- (2) The full amount of the cash equivalent is to be treated as earnings from the employment for that year under this Chapter.
- (3) The amount mentioned in subsection (1)(b) is to constitute earnings from the employment for the year under Chapter 1 of this Part only to the extent that it exceeds the amount mentioned in subsection (2).

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

Supplementary

110 Meaning of “annual value”

- (1) For the purposes of this Chapter the “annual value” of living accommodation is the rent which might reasonably be expected to be obtained on a letting from year to year if—
 - (a) the tenant undertook to pay all taxes, rates and charges usually paid by a tenant, and
 - (b) the landlord undertook to bear the costs of the repairs and insurance and the other expenses (if any) necessary for maintaining the property in a state to command that rent.
- (2) For the purposes of subsection (1) that rent—
 - (a) is to be taken to be the amount that might reasonably be expected to be so obtained in respect of the letting of the accommodation, and
 - (b) is to be calculated on the basis that the only amounts that may be deducted in respect of services provided by the landlord are amounts in respect of the cost to the landlord of providing any relevant services.
- (3) If living accommodation is of a kind that might reasonably be expected to be let on terms under which—
 - (a) the landlord is to provide any services which are either—
 - (i) relevant services, or
 - (ii) the repair, insurance or maintenance of any premises which do not form part of the accommodation but belong to or are occupied by the landlord, and
 - (b) amounts are payable in respect of the services in addition to the rent, the rent to be established under subsection (1) in respect of the accommodation is to be increased under subsection (4).
- (4) That rent is to include—
 - (a) where the services are relevant services, so much of the additional amounts as exceeds the cost to the landlord of providing the services;
 - (b) where the services are within subsection (3)(a)(ii), the whole of the additional amounts.
- (5) In this section “relevant service” means a service other than the repair, insurance or maintenance of the accommodation or of any other premises.

111 Disputes as to annual value

- (1) This section applies if there is a dispute as to the amount of the annual value of living accommodation for the purposes of this Chapter.
- (2) The question is to be determined by the General Commissioners.
- (3) The Commissioners must hear and determine the question in the same way as an appeal.

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

112 Meaning of “person involved in providing the accommodation”

For the purposes of this Chapter “person involved in providing the accommodation” means any of the following—

- (a) the person providing the accommodation;
- (b) the employee’s employer (if not within paragraph (a));
- (c) any person, other than the employee, who is connected with a person within paragraph (a) or (b).

113 Meaning of “the property”

142 Car first registered before 1st January 1998: the appropriate percentage

- (1) The appropriate percentage for a car first registered before 1st January 1998 is determined under this section.
- (2) If the car has an internal combustion engine with one or more reciprocating pistons, the appropriate percentage for the year is—

TABLE

<i>Cylinder capacity of car in cubic centimetres</i>	<i>Appropriate percentage</i>
1,400 or less	15%
More than 1,400 but not more than 2,000	22%
More than 2,000	32%

For this purpose a car's cylinder capacity is the capacity of its engine as calculated for the purposes of VERA 1994.

- (3) If subsection (2) does not apply, the appropriate percentage for the year is—
 - (a) 15%, if the car is an electrically propelled vehicle, and
 - (b) 32%, in any other case.
- (4) For the purposes of this section a vehicle is not an electrically propelled vehicle unless—
 - (a) it is propelled solely by electrical power, and
 - (b) that power is derived from—
 - (i) a source external to the vehicle, or
 - (ii) an electrical storage battery which is not connected to any source of power when the vehicle is in motion.

Cars: unavailability or payments for private use

143 Deduction for periods when car unavailable

- (1) A deduction is to be made from the amount carried forward from step 6 of section 121(1) if the car has been unavailable on any day during the tax year in question.
- (2) For the purposes of this section a car is unavailable on any day if the day—
 - (a) falls before the first day on which the car is available to the employee,
 - (b) falls after the last day on which the car is available to the employee, or
 - (c) falls within a period of 30 days or more throughout which the car is not available to the employee.
- (3) The amount of the deduction is given by the formula—

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

$$\frac{U}{Y} \times A$$

where—

U is the number of days in the year on which the car is unavailable,

Y is the number of days in that year, and

A is the amount carried forward from step 6.

(4) This section is subject to section 145 (modification where car temporarily replaced).

144 Deduction for payments for private use

(1) A deduction is to be made from the provisional sum calculated under step 7 of section 121(1) if, as a condition of the car being available for the employee's private use, the employee—

- (a) is required in the tax year in question to pay (whether by way of deduction from earnings or otherwise) an amount of money for that use, and
- (b) makes such payment.

(2) If the amount paid by the employee in respect of that year is equal to or exceeds the provisional sum, the provisional sum is reduced so that the cash equivalent of the benefit of the car for that year is nil.

(3) In any other case the amount paid by the employee in respect of the year is deducted from the provisional sum in order to give the cash equivalent of the benefit of the car for that year.

(4) In this section the reference to the car being available for the employee's private use includes a reference to the car being available for the private use of a member of the employee's family or household.

(5) This section is subject to section 145 (modification where car temporarily replaced).

145 Modification of provisions where car temporarily replaced

(1) This section applies if—

- (a) the car normally available to an employee ("the normal car") is not available to the employee for a period of less than 30 days,
- (b) another car ("the replacement car") is made available to the employee in order to replace the normal car for the whole or part of that period,
- (c) the employee is chargeable to tax in respect of both the normal car and the replacement car by virtue of section 120, and
- (d) the replacement car meets condition A or B.

(2) Condition A is met if the replacement car is not materially better than the normal car.

(3) Condition B is met if the replacement car is not made available to the employee under an arrangement of which the main purpose, or one of the main purposes, is to provide the employee with the benefit of a car which is materially better than the normal car.

(4) If this section applies—

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

 - (b) section 144 (deduction for payments for private use) applies as if the replacement had not been made and the replacement car were a continuation of the normal car.
- (5) A replacement car is regarded as materially better than the normal car if—
- (a) it is materially better in quality, or
 - (b) when calculating the cash equivalent of the benefit of the replacement car, the interim sum calculated under step 4 of section 121(1) is materially higher than the interim sum calculated in relation to the normal car.

146 Cars that run on road fuel gas

- (1) This section applies if the car—
 - (a) has been manufactured so as to be capable of running on road fuel gas, and
 - (b) is not a car to which section 137 (different CO₂ emissions figure for bi-fuel cars) applies.
- (2) The price of the car found under step 1 of section 121(1) is to be reduced by so much of that price as it is reasonable to attribute to the car being manufactured in such a way as to be capable of running on road fuel gas rather than in such a way as to be capable of running only on petrol.

147 Classic cars: 15 years of age or more

- (1) This section applies in calculating the cash equivalent of the benefit of a car for a tax year if—
 - (a) the age of the car at the end of the year is 15 years or more,
 - (b) the market value of the car for the year is £15,000 or more, and
 - (c) that market value exceeds the amount carried forward from step 3 of section 121(1).
- (2) For the amount carried forward from step 3 substitute the market value of the car for the tax year in question less any deductions under subsection (6).
- (3) The market value of a car for a tax year is the price which the car might reasonably have been expected to fetch on a sale in the open market on—
 - (a) the last day of that year, or
 - (b) the last day in that year on which the car is available to the employee if that is earlier.
- (4) It is assumed that any qualifying accessories available with the car on that day are included in the sale.

 - (a) the car, or

Status: Point in time view as at 05/12/2005.

- (7) The amount of the deduction allowed in any tax year is the lesser of—
 - (a) the total of the capital sums contributed by the employee in that year and any earlier years to expenditure on the provision of—
 - (i) the car, or
 - (ii) any qualifying accessory which is taken into account in determining the market value of the car for the tax year in question, and
 - (b) £5,000.

- (2) The cash equivalent of the benefit of the car to each of those employees for that year—
 - (a) is to be calculated separately under section 121, and
 - (b) is then to be reduced on a just and reasonable basis.

150 Car fuel: calculating the cash equivalent

- (1) The cash equivalent of the benefit of the fuel is the appropriate percentage of £14,400.
- (2) The “appropriate percentage” means the appropriate percentage determined in accordance with sections 133 to 142 for the purpose of calculating the cash equivalent of the benefit of the car for which the fuel is provided.

- (4) Where the cash equivalent is to be proportionately reduced under subsection (1) or (2) (or under both those subsections), the reduced amount is given by the formula—

$$CE \times \frac{Y-D}{Y}$$

where—

CE is the amount of the cash equivalent before any reduction,

Y is the number of days in the tax year in question, and

D is the total number of days in that year on which either the car is unavailable or one or more of the conditions in subsection (2) is met.

- (3) The £5,000 threshold for non-qualifying loans is not exceeded if at all times in the year the amount outstanding on the loan (or if two or more employment-related loans which are non-qualifying loans are outstanding in the year, the aggregate of the amounts outstanding on them) does not exceed £5,000.

Calculation of amount of interest at official rate

181 The official rate of interest

- (1) “The official rate of interest” for the purposes of this Chapter means the rate applicable under section 178 of FA 1989 (general power of Treasury to specify rates of interest).
- (2) Regulations under that section may make different provision in relation to a loan if—
- it was made in the currency of a country or territory outside the United Kingdom, and
 - the employee normally lives in that country or territory, and has actually lived there at some time in the period of 6 years ending with the tax year in question.
- (3) Subsection (2) does not affect the general power under section 178(3) of FA 1989 to make different provision for different purposes.

182 Normal method of calculation: averaging

The normal method of calculating for the purposes of this Chapter the amount of interest that would be payable on a loan for a tax year at the official rate is as follows.

Step 1

Calculate the average amount of the loan outstanding during the tax year—

- Find the maximum amount of the loan outstanding on 5th April preceding the tax year or, if the loan was made in the tax year, on the date it was made.
- Find the maximum amount outstanding on 5th April of the tax year or, if the loan was discharged in the tax year, on the date of discharge.
- Add these amounts together and divide the result by 2.

Step 2

If the official rate of interest changed during the period in the tax year when the loan was outstanding, calculate the average official rate of interest for that period as follows—

- Multiply each official rate of interest in force during the period by the number of days when it is in force.

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

2. Add these products together.
3. Divide the result by the number of days in the period.

Step 3

Calculate the amount of interest that would be payable on the loan for the tax year at the official rate as follows—

$$A \times I \times \frac{M}{12}$$

where—

A is the average amount of the loan outstanding during the tax year obtained from step 1,

I is the official rate of interest in force during the period in the tax year when the loan was outstanding or, if the official rate changed, the average official rate of interest obtained from step 2, and

M is the number of whole months during which the loan was outstanding in the year.

For this purpose a month begins on the sixth day of the calendar month.

183 Alternative method of calculation

- (1) The alternative method of calculating for the purposes of this Chapter the amount of interest that would be payable on a loan for a tax year at the official rate applies for a tax year—
 - (a) if [^{F3}an officer of Revenue and Customs] so [^{F44}requires] , by notice to the employee, or
 - (b) if the employee so elects, by notice to [^{F3}an officer of Revenue and Customs] .
- (2) Notice may be given on or before the first anniversary of the normal self-assessment filing date for the tax year in relation to which the question arises whether the loan is a taxable cheap loan.
- (3) The alternative method is as follows—

Step 1

Find for each day in the tax year in question the maximum amount of the loan outstanding on that day and multiply it by the official rate of interest in force on that day.

Step 2

Add together each of the amounts obtained under step 1.

Supplementary provisions relating to taxable cheap loans

184 Interest treated as paid

- (1) This section applies where the cash equivalent of the benefit of a taxable cheap loan is treated as earnings from an employee's employment for a tax year under section 175(1).
- (2) The employee is to be treated for the purposes of the Tax Acts as having paid interest on the loan in that year equal to the cash equivalent.
- (3) But the employee is not to be treated as having paid that interest for the purposes of this Chapter or of any of the other Chapters of this Part listed in section 216(4) (provisions of the benefits code which do not apply to lower-paid employment).
- (4) The interest is to be treated—
 - (a) as accruing during the period in the tax year during which the employee holds the employment and the loan is outstanding, and
 - (b) as paid by the employee at the end of the period.
- (5) The interest is not to be treated—
 - (a) as income of the person making the loan, or
 - (b) as relevant loan interest to which section 369 of ICTA applies (mortgage interest payable under deduction of tax).

185 Apportionment of cash equivalent in case of joint loan etc.

Where in any tax year the cash equivalent of the benefit of the same taxable cheap loan is to be treated as earnings of two or more employees—

- (a) the cash equivalent of the benefit of the loan (determined in accordance with the provisions of this Chapter) is to be apportioned between them in a just and reasonable manner, and
- (b) the portion allocated to each employee is to be treated as the cash equivalent of the benefit of the loan so far as that employee is concerned.

186 Replacement loans

- (1) This section applies where an employment-related loan (“the original loan”) is replaced, directly or indirectly, by—
 - (a) a further employment-related loan, or

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

- (b) a loan which is not an employment-related loan but which in turn is, in the same tax year or within 40 days after the end of the tax year, replaced, directly or indirectly, by a further employment-related loan.
- (2) In such a case, for the purposes of calculating the cash equivalent of the benefit of the original loan under section 175(3), section 182 (normal method of calculating interest at the official rate) applies as if the replacement loan, or each of the replacement loans, were the same loan as the original loan.
- (3) Where section 182 is applied as modified by subsection (2) then for the purposes of section 175(3)(b) the amount of interest actually paid on the loan for the tax year in question is the total of—
 - (a) the amount of interest actually paid on the original loan for that year, and
 - (b) the amount of interest actually paid on the replacement loan or on each of the replacement loans for that year.
- (4) In this section a “further employment-related loan” means a loan which is an employment-related loan made in relation to—
 - (a) the same or other employment with the person who is the employer in relation to the original loan, or
 - (b) employment with a person who is connected with that employer.

187 Aggregation of loans by close company to director

- (1) This section applies where, in relation to any tax year, there are employment-related loans between the same lender and borrower which are aggregable with each other.
- (2) The lender may elect for aggregation to apply for that tax year in the case of the borrower.
- (3) The effect of the election is that all the aggregable loans are to be treated as a single loan for the purposes of—
 - section 175 (benefit of taxable cheap loan treated as earnings),
 - the provisions of this Chapter relating to the calculation of the cash equivalent of the benefit of a taxable cheap loan, and
 - section 184 (interest treated as paid).
- (4) For this purpose loans are aggregable for any tax year if they are made in the same currency and all the following conditions are met in relation to each of them—
 - (a) there is a time in the tax year when—
 - (i) the loan is outstanding,
 - (ii) the lender is a close company, and
 - (iii) the borrower is a director of that company;
 - (b) at all times in the tax year the rate of interest on the loan is less than the official rate applying at that time;
 - (c) the loan is not a qualifying loan within the meaning of section 180 (see section 180(5)).
- (5) An election under this section must be made by the lender in a notice given—
 - (a) to ^{F3}an officer of Revenue and Customs], and
 - (b) before 7th July after the end of the tax year to which the election relates.

Loan released or written off

188 Loan released or written off: amount treated as earnings

- (1) If—
- (a) the whole or part of an employment-related loan is released or written off in a tax year, and
 - (b) at the time when it is released or written off the employee holds the employment in relation to which the loan is an employment-related loan (“employment E”),
- the amount released or written off is to be treated as earnings from the employment for that year.
- (2) But if the employment has terminated or become an excluded employment and there was a time when—
- (a) the whole or part of the loan was outstanding,
 - (b) the employee held the employment, and
 - (c) it was not an excluded employment,
- subsection (1) applies as if the employment had not terminated or become an excluded employment.
- (3) Where subsection (2) applies, any loan which replaces directly or indirectly the employment-related loan is to be treated as an employment-related loan in relation to employment E if—
- (a) it would, if employment E had not terminated or become excluded employment, have been an employment-related loan in relation to employment E, and
 - (b) it is not an employment-related loan in relation to other employment.
- (4) This section is subject to section 189 (exception where double charge).

189 Exception where double charge

- (1) Section 188 (loan released or written off: amount treated as earnings) does not apply if, by virtue of any other provision of the Income Tax Acts, the amount released or written off—
- (a) is employment income of the employee, or
 - (b) is or is treated as income of the employee (or of the employee as a borrower) which is not employment income and upon which that person is liable to pay income tax.

This is subject to subsections (2) and (3).

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

- (2) If, as a result of subsection (1), Chapter 3 of Part 6 (payments and benefits on termination of employment etc.) would be the only provision by virtue of which the amount released or written off would be income of the employee—
- (a) section 188 does apply, and
 - (b) accordingly Chapter 3 of Part 6 does not apply.
- (3) If—
- (a) an amount is treated as the employee's income under [^{F45}section 633 of ITTOIA 2005 (capital sums paid to settlor by trustees of settlement)] in respect of a capital sum paid in relation to the release or writing-off of the loan, and
 - (b) the amount released or written off exceeds the amount so treated as income, section 188 does apply but only the amount of the excess is to be treated as earnings from the employment for the tax year in question under that section.

Textual Amendments

- F45** Words in s. 189(3)(a) substituted (6.4.2005) by [Income Tax \(Trading and Other Income\) Act 2005 \(c. 5\), s. 883\(1\), Sch. 1 para. 589](#) (with Sch. 2)

General supplementary provisions

190 Exclusion of charge after death of employee

- (1) On the employee's death a taxable cheap loan is to be treated—
- (a) for the purposes of this Chapter as ceasing to be outstanding, and
 - (b) for the purposes of section 182 (normal method of calculating interest at the official rate) as being discharged on the date of death.
- (2) Section 188 (loan released or written off: amount treated as earnings) does not apply in relation to a release or writing off which takes effect on or after the death of the employee.

191 Claim for relief to take account of event after assessment

- (1) A claim may be made for relief in the following cases.
- (2) The first case is where—
- (a) the tax payable by an employee for a tax year in respect of a loan has been decided on the basis that, for the purposes of section 175 (benefit of taxable cheap loan treated as earnings), the whole or part of the interest payable on the loan for that year was not paid, and
 - (b) it is subsequently paid.
- (3) The second case is where—
- (a) the tax payable by an employee for a tax year in respect of a loan has been decided on that basis that, for the purposes of section 188 (loan released or written off: amount treated as earnings), the loan has been released or written off in that year, and
 - (b) the whole or part of the loan is subsequently repaid.

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

- (4) The third case is where—
- (a) the tax payable by an employee for a tax year in respect of a loan has been decided on the basis that—
 - (i) section 288 (limited exemption of certain bridging loans connected with employment moves), and
 - (ii) section 289 (relief for certain bridging loans not qualifying for exemption under section 288),will not apply because the condition in section 288(1)(b) (which requires that the limit on the exemption under section 287(1) has not been reached) will not be met, and
 - (b) that condition is met.
- (5) Where a claim is made under this section the tax payable is to be adjusted accordingly.

CHAPTER 10

TAXABLE BENEFITS: RESIDUAL LIABILITY TO CHARGE

Introduction

201 Employment-related benefits

(1) This Chapter applies to employment-related benefits.

(2) In this Chapter—

“benefit” means a benefit or facility of any kind;

“employment-related benefit” means a benefit, other than an excluded benefit, which is provided in a tax year—

(a) for an employee, or

(b) for a member of an employee’s family or household,

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

by reason of the employment. For the definition of “excluded benefit” see section 202.

- (3) A benefit provided by an employer is to be regarded as provided by reason of the employment unless—
- (a) the employer is an individual, and
 - (b) the provision is made in the normal course of the employer’s domestic, family or personal relationships.
- (4) For the purposes of this Chapter it does not matter whether the employment is held at the time when the benefit is provided so long as it is held at some point in the tax year in which the benefit is provided.
- (5) References in this Chapter to an employee accordingly include a prospective or former employee.

202 Excluded benefits

- (1) A benefit is an “excluded benefit” for the purposes of this Chapter if—
- (a) any of Chapters 3 to 9 of the benefits code applies to the benefit,
 - (b) any of those Chapters would apply to the benefit but for an exception, or
 - (c) the benefit consists in the right to receive, or the prospect of receiving, sums treated as earnings under section 221 (payments where employee absent because of sickness or disability).
- (2) In this section “exception”, in relation to the application of a Chapter of the benefits code to a benefit, means any enactment in the Chapter which provides that the Chapter does not apply to the benefit.

But for this purpose section 86 (transport vouchers under pre-26th March 1982 arrangements) is not an exception.

Cash equivalent of benefit treated as earnings

203 Cash equivalent of benefit treated as earnings

- (1) The cash equivalent of an employment-related benefit is to be treated as earnings from the employment for the tax year in which it is provided.
- (2) The cash equivalent of an employment-related benefit is the cost of the benefit less any part of that cost made good by the employee to the persons providing the benefit.
- (3) The cost of an employment-related benefit is determined in accordance with section 204 unless—
- (a) section 205 provides that the cost is to be determined in accordance with that section, or
 - (b) section 206 provides that the cost is to be determined in accordance with that section.

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

Determination of the cost of the benefit

204 Cost of the benefit: basic rule

The cost of an employment-related benefit is the expense incurred in or in connection with provision of the benefit (including a proper proportion of any expense relating partly to provision of the benefit and partly to other matters).

205 Cost of the benefit: asset made available without transfer

- (1) The cost of an employment-related benefit (“the taxable benefit”) is determined in accordance with this section if—
 - (a) the benefit consists in—
 - (i) an asset being placed at the disposal of the employee, or at the disposal of a member of the employee’s family or household, for the employee’s or member’s use, or
 - (ii) an asset being used wholly or partly for the purposes of the employee or a member of the employee’s family or household, and
 - (b) there is no transfer of the property in the asset.
- (2) The cost of the taxable benefit is the higher of—
 - (a) the annual value of the use of the asset, and
 - (b) the annual amount of the sums, if any, paid by those providing the benefit by way of rent or hire charge for the asset,
 together with the amount of any additional expense.
- (3) For the purposes of subsection (2), the annual value of the use of an asset is—
 - (a) in the case of land, its annual rental value;
 - (b) in any other case, 20% of the market value of the asset at the time when those providing the taxable benefit first applied the asset in the provision of an employment-related benefit (whether or not the person provided with that benefit is also the person provided with the taxable benefit).

If those providing the taxable benefit first applied the asset in the provision of an employment-related benefit before 6th April 1980, paragraph (b) is to be read as if the reference to 20% were a reference to 10%.
- (4) In this section “additional expense” means the expense incurred in or in connection with provision of the taxable benefit (including a proper proportion of any expense relating partly to provision of the benefit and partly to other matters), other than—
 - (a) the expense of acquiring or producing the asset incurred by the person to whom the asset belongs, and
 - (b) any rent or hire charge payable for the asset by those providing the asset.

206 Cost of the benefit: transfer of used or depreciated asset

- (1) The cost of an employment-related benefit is determined in accordance with this section if—
 - (a) the benefit consists in the transfer of an asset, and
 - (b) the asset has been used, or has depreciated, since the person transferring the asset (“the transferor”) acquired or produced it.

Status: Point in time view as at 05/12/2005.

Changes to legislation: There are currently no known outstanding effects for the Income Tax (Earnings and Pensions) Act 2003, Part 3. (See end of Document for details)

- (2) The cost of the benefit is the market value of the asset at the time of the transfer.
- (3) But the cost of the benefit (“the current benefit”) is the higher of the market value of the asset at the time of the transfer and the amount calculated in accordance with subsection (5) if—
- (a) the asset is not [^{F48}an excluded asset (see subsection (6))],
 - (b) the asset has previously been applied in the provision of a relevant employment-related benefit (whether or not the person provided with that benefit is also the transferee), and
 - (c) the transferor first applied the asset in the provision of an employment-related benefit after 5th April 1980.

(4) In this section “relevant employment-related benefit” means an employment-related benefit the cost of which was to be determined in accordance with section 205.

(5) The amount referred to in subsection (3) is calculated in accordance with the following steps—

Step 1

Determine the tax years in which the asset was applied in the provision of a relevant employment-related benefit (including, if appropriate, the current tax year).

Step 2

Determine the cost of the benefit for each of those tax years in accordance with section 205.

Step 3

Calculate the total of the amounts determined under step 2.

Step 4

Calculate the market value of the asset at the time when the transferor first applied it in the provision of an employment-related benefit.

Step 5

Deduct the total calculated under step 3 from the market value calculated under step 4.

The result is the amount referred to in subsection (3).

[^{F49}(6) An excluded asset is—

- (a) a car (within the meaning of Chapter 6),
- (b) computer equipment that has previously been applied as mentioned in subsection (3)(b) in circumstances in which the conditions set out in section 320 were met, or
- (c) a cycle or cyclist's safety equipment that has previously been so applied in circumstances in which the conditions set out in section 244 were met.]

- (3) If the land is of a kind that might reasonably be expected to be let on terms under which—
- (a) the landlord is to provide any services which are either—
 - (i) relevant services, or
 - (ii) the repair, insurance or maintenance of any premises which do not form part of the land but belong to or are occupied by the landlord, and

 - (b) where the services are within subsection (3)(a)(ii), the whole of the additional amounts.
- (5) In this section “relevant service” means a service other than the repair, insurance or maintenance of the land or of any other land.

For the purposes of this Chapter the market value of an asset at any time is the price which the asset might reasonably be expected to fetch on a sale in the open market at that time.

209 Meaning of “persons providing benefit”

For the purposes of this Chapter the persons providing a benefit are the person or persons at whose cost the benefit is provided.

Status: Point in time view as at 05/12/2005.

- (1) The Treasury may make provision by regulations for exempting from the application of this Chapter such minor benefits as may be specified in the regulations.
- (2) An exemption conferred by such regulations is conditional on the benefit being made available to the employer's employees generally on similar terms.

Special rules for scholarships

211 Special rules for scholarships: introduction

- (1) Sections 212 to 214 supplement the preceding provisions of this Chapter in the following ways—
 - section 212 provides for certain scholarships provided under arrangements entered into by an employer or a connected person to be regarded as provided by reason of an employment;
 - section 213 provides that this Chapter does not apply to certain scholarships provided under a trust fund or a scheme;

- (2) Subsection (1) applies whether or not the arrangements require the employer or the connected person to contribute directly or indirectly to the cost of providing the scholarship.
- (3) A scholarship is not to be regarded as provided by reason of an employment by virtue of subsection (1) if—

213 Exception for certain scholarships under trusts or schemes

- (1) This Chapter does not apply to an employment-related benefit consisting in the provision of a scholarship if conditions A, B, C and D are met.

- (b) the cost of the benefit is the total of the payments made from the fund to the person holding the scholarship.

215 Limitation of exemption for scholarship income in section 331 of ICTA

If an employment-related benefit consists in the provision of a scholarship, section 331(1) of [^{F50}section 776(1) of ITTOIA 2005] (exemption for scholarship income) applies only in relation to the holder of the scholarship.
