1 Licensable activities and qualifying club activities

(1) For the purposes of this Act the following are licensable activities—
   (a) the sale by retail of alcohol,
   (b) the supply of alcohol by or on behalf of a club to, or to the order of, a member of the club,
   (c) the provision of regulated entertainment, and
   (d) the provision of late night refreshment.

(2) For those purposes the following licensable activities are also qualifying club activities—
   (a) the supply of alcohol by or on behalf of a club to, or to the order of, a member of the club,
   (b) the sale by retail of alcohol by or on behalf of a club to a guest of a member of the club for consumption on the premises where the sale takes place, and
   (c) the provision of regulated entertainment where that provision is by or on behalf of a club for members of the club or members of the club and their guests.

(3) In this Act references to the supply of alcohol by or on behalf of a club to, or to the order of, a member of the club do not include a reference to any supply which is a sale by retail of alcohol.

(4) Schedule 1 makes provision about what constitutes the provision of regulated entertainment for the purposes of this Act.

(5) Schedule 2 makes provision about what constitutes the provision of late night refreshment for those purposes (including provision that certain activities carried on in
relation to certain clubs or hotels etc, or certain employees, do not constitute provision of late night refreshment and are, accordingly, not licensable activities).

(6) For the purposes of this Act premises are “used” for a licensable activity if that activity is carried on on or from the premises.

(7) This section is subject to sections 173 to 175 (which exclude activities from the definition of licensable activity in certain circumstances).

2 Authorisation for licensable activities and qualifying club activities

(1) A licensable activity may be carried on—
   (a) under and in accordance with a premises licence (see Part 3), or
   (b) in circumstances where the activity is a permitted temporary activity by virtue of Part 5.

(2) A qualifying club activity may be carried on under and in accordance with a club premises certificate (see Part 4).

(3) Nothing in this Act prevents two or more authorisations having effect concurrently in respect of the whole or a part of the same premises or in respect of the same person.

(4) For the purposes of subsection (3) “authorisation” means—
   (a) a premises licence;
   (b) a club premises certificate;
   (c) a temporary event notice.

PART 2

   (h) the Council of the Isles of Scilly.

(2) For the purposes of this Act, a licensing authority’s area is the area for which the authority acts.
4 General duties of licensing authorities

(1) A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives.

(2) The licensing objectives are—

(a) the prevention of crime and disorder;
(b) public safety;
(c) the prevention of public nuisance; and
(d) the protection of children from harm.

(3) In carrying out its licensing functions, a licensing authority must also have regard to—

(a) its licensing statement published under section 5, and
(b) any guidance issued by the Secretary of State under section 182.

5 Statement of licensing policy

(1) Each licensing authority must in respect of each five year period—

(a) determine its policy with respect to the exercise of its licensing functions, and
(b) publish a statement of that policy... before the beginning of the period.

(3) Before determining its policy for a five year period, a licensing authority must consult—

(a) the chief officer of police for the licensing authority’s area,
(b) the fire and rescue authority for that area,

(ba) each Local Health Board for an area any part of which is in the licensing authority's area,

(bbb) each local authority in England whose public health functions within the meaning of the National Health Service Act 2006 are exercisable in respect of an area any part of which is in the licensing authority's area,

(c) such persons as the licensing authority considers to be representative of holders of premises licences issued by that authority,
(d) such persons as the licensing authority considers to be representative of holders of club premises certificates issued by that authority,
(e) such persons as the licensing authority considers to be representative of holders of personal licences issued by that authority, and
(f) such other persons as the licensing authority considers to be representative of businesses and residents in its area.

(4) During each five year period, a licensing authority must keep its policy in respect of that period under review and make such revisions to it, at such times, as it considers appropriate.

(5) Subsection (3) applies in relation to any revision of an authority’s policy as it applies in relation to the original determination of that policy.

(6) Where revisions are made, the licensing authority must publish a statement of the revisions or the revised licensing statement.
(6A) Without prejudice to subsection (4), a licensing authority may replace its policy in respect of a period, with effect from any date during that period, by—

(a) determining its policy with respect to the exercise of its licensing functions in respect of a period of five years beginning with that date, and

(b) publishing a statement of that policy before that date.

(6B) Subsection (3) applies in relation to any determination under subsection (6A) as it applies in relation to a determination under subsection (1).

(6C) A licensing statement must specify the five year period to which it relates.

(6D) In determining or revising its policy, a licensing authority must have regard to any cumulative impact assessments published by it under section 5A.

(a) summarise any cumulative impact assessments published by the licensing authority under section 5A, and

(b) explain how the licensing authority has discharged its duty under subsection (6D).

(7) Regulations may make provision about the determination and revision of policies, and the preparation and publication of licensing statements, under this section.

“five year period”, in relation to a licensing authority, means—

(a) if paragraph (b) does not apply, the period of five years ending with 6 January 2016, and each subsequent period of five years, or

(b) if a licensing authority has published a licensing statement under subsection (6A), the period of five years to which the most recently published such statement relates, and each subsequent period of five years;

“licensing statement” means a statement published under subsection (1)(b) or (6A)(b).]
5A Cumulative impact assessments

(1) A licensing authority may publish a document (“a cumulative impact assessment”) stating that the licensing authority considers that the number of relevant authorisations in respect of premises in one or more parts of its area described in the assessment is such that it is likely that it would be inconsistent with the authority’s duty under section 4(1) to grant any further relevant authorisations in respect of premises in that part or those parts.

(2) A cumulative impact assessment must set out the evidence for the authority's opinion as set out in the assessment in accordance with subsection (1).

(3) For the purposes of this section, “relevant authorisations” means—
   (a) premises licences;
   (b) club premises certificates.

(4) A cumulative impact assessment may relate to all relevant authorisations or only to relevant authorisations of a kind described in the assessment.

(5) Before publishing a cumulative impact assessment, the licensing authority must consult the persons mentioned in section 5(3).

(6) For the purposes of the consultation, the licensing authority must provide the persons mentioned in section 5(3) with the following information—
   (a) the reasons why it is considering publishing a cumulative impact assessment;
   (b) a general indication of the part or parts of its area which it is considering describing in the assessment;
   (c) whether it considers that the assessment will relate to all relevant authorisations or only to relevant authorisations of a particular kind.

(7) Where a licensing authority publishes a cumulative impact assessment, it must, before the end of each relevant period, consider whether it remains of the opinion stated in the assessment.

(8) Before deciding whether it remains of that opinion, the licensing authority must consult the persons mentioned in section 5(3).

(9) If the licensing authority is no longer of that opinion—
   (a) it must publish a statement to that effect, and
   (b) the duties in section 5(6D) and (6E) and subsection (7) of this section cease to apply in relation to the assessment.
(10) If the licensing authority remains of that opinion, it must revise the cumulative impact assessment so that it—
   (a) includes a statement to that effect, and
   (b) sets out the evidence as to why the authority remains of that opinion.

(11) A licensing authority must publish any revision of a cumulative impact assessment.

(12) In subsection (7), “relevant period” means the period of three years beginning with the publication of the cumulative impact assessment or a revision of the cumulative impact assessment.

       the promotion of any of the licensing objectives, or
   (b) if more than one variation is proposed, none of them, whether considered
       separately or together could have such an effect,
       it must grant the application.

(1) Where a management committee which holds a premises licence in respect of community premises makes an application under section 34 for variation of the licence so as to authorise the supply of alcohol, the application may include an application for the alternative licence condition to be included in the licence instead of the conditions in section 19(2) and (3).

(2) A management committee which holds a premises licence in respect of community premises which includes the conditions in section 19(2) and (3) may make an application under section 34 for (or which includes an application for) variation of the licence to include the alternative licence condition instead of those conditions.

\[(b) \text{ if any representations are made pursuant to section 35(5)(aa), the authority does not consider the inclusion of the conditions in subsections (2) and (3) to be appropriate to promote the crime prevention objective, the licence must not include the conditions in subsections (2) and (3) but must include the alternative licence condition referred to in section 41D(3) instead.} \]

(6) Section 35 has effect as if—

(1) This section applies where—

(a) a premises licence lapses under section 27 in a case within subsection (1)(a), (b) or (c) of that section (death, incapacity or insolvency of the holder), but

(b) no application for transfer of the licence has been made by virtue of section 50 (reinstatement of licence on transfer following death etc.).

(2) A person who—

(a) has a prescribed interest in the premises concerned, or

(b) is connected to the person who held the premises licence immediately before it lapsed (“the former holder”),

may, during the initial 28 day period, give to the relevant licensing authority a notice (an “interim authority notice”) in respect of the licence.

(3) Subsection (2) is subject to subsection (3A) and regulations under—

(a) section 54 (form etc. of notices etc.);

(b) section 55 (fees to accompany applications etc.).

(3A) Where the premises licence authorises premises to be used for a licensable activity within section 1(1)(a) or (d), a person falling within subsection (2)(a) or (b) who is an individual who is resident in the United Kingdom may give an interim authority notice only if the person is entitled to work in the United Kingdom.

(4) Only one interim authority notice may be given under subsection (2).

(5) For the purposes of subsection (2) a person is connected to the former holder of the premises licence if, and only if—

(a) the former holder has died and that person is his personal representative,

(b) the former holder lacks capacity (within the meaning of the Mental Capacity Act 2005) to hold the licence and that person acts for him under an enduring power of attorney or lasting power of attorney registered under that Act,

(c) the former holder has become insolvent and that person is his insolvency practitioner.

(6) Where an interim authority notice is given in accordance with this section—

(a) the premises licence is reinstated from the time the notice is received by the relevant licensing authority, and
(b) the person who gave the notice is from that time the holder of the licence.

(7) But the premises licence lapses again—

(a) at the end of the initial [F108 28 day] period unless before that time the person who gave the interim authority notice has given a copy of the notice to the chief officer of police for the police area (or each police area) in which the premises are situated;

[F112(aa)] where the premises licence authorises premises to be used for a licensable activity within section 1(1)(a) or (d), at the end of the initial 28 day period unless before that time the person who gave the interim authority notice has given a copy of the notice to the Secretary of State;

(b) at the end of the interim authority period, unless before that time a relevant transfer application is made to the relevant licensing authority.

[F113(7A)] Where the interim authority notice was given to the relevant licensing authority by means of a relevant electronic facility—

(a) [F114 paragraphs (a) and (aa) of subsection (7) do not apply, and

(b) the relevant licensing authority must forthwith give a copy of the notice to the chief officer of police for the police area (or each police area) in which the premises are situated] [F115 and, where the premises licence authorises premises to be used for a licensable activity within section 1(1)(a) or (d), to the Secretary of State.]

(8) Nothing in this section prevents the person who gave the interim authority notice from making a relevant transfer application.

(9) If—

(a) a relevant transfer application is made during the interim authority period, and

(b) that application is rejected or withdrawn,

the licence lapses again at the time of the rejection or withdrawal.

(10) In this section—

“becomes insolvent” is to be construed in accordance with section 27;

[F116 “initial 28 day period”, in relation to a licence which lapses as mentioned in subsection (1), means the period of 28 days beginning with the day after the day the licence lapses;]

“insolvency practitioner”, in relation to a person, means a person acting as an insolvency practitioner in relation to him (within the meaning of section 388 of the Insolvency Act 1986 (c. 45));

“interim authority period” means the period beginning with the day on which the interim authority notice is received by the relevant licensing authority and ending—

(a) [F117 three months] after that day, or

(b) if earlier, when it is terminated by the person who gave the interim authority notice notifying the relevant licensing authority to that effect;

“relevant transfer application” in relation to the premises licence, is an application under section 42 which is given interim effect by virtue of section 43.
48  Cancellation of interim authority notice following F119... objections

(1) [F128]Subsection (2)] applies where—

(a) an interim authority notice by a person ("the relevant person") is given in accordance with section 47,

(b) the chief officer of police for the police area (or each police area) in which the premises are situated is given a copy of the interim authority notice before the end of the initial [F128]28 day] period (within the meaning of that section), and

(c) that chief officer (or any of those chief officers) is satisfied that the exceptional circumstances of the case are such that a failure to cancel the interim authority notice would undermine the crime prevention objective.

(2) The chief officer of police must [F129]before the end of the second working day following the day on which] he receives the copy of the interim authority notice give the relevant licensing authority a notice stating why he is so satisfied.

[F123](2A) Subsection (2B) applies where—
(a) an interim authority notice by a person ("the relevant person") is given in accordance with section 47,
(b) the Secretary of State is given a copy of the interim authority notice before the end of the initial 28 day period (within the meaning of that section), and
(c) the Secretary of State is satisfied that the exceptional circumstances of the case are such that a failure to cancel the interim authority notice would be prejudicial to the prevention of illegal working in licensed premises.

(2B) The Secretary of State must before the end of the second working day following receipt of the copy of the interim authority notice give the relevant licensing authority a notice stating why the Secretary of State is so satisfied.

(3) Where a notice is given under subsection (2) or (2B) (and not withdrawn), the authority must—
(a) hold a hearing to consider it, unless the authority, the relevant person and the person who gave the notice agree that a hearing is unnecessary, and
(b) having regard to the notice—
   (i) where the notice is given under subsection (2), cancel the interim authority notice if it considers it appropriate for the promotion of the crime prevention objective to do so, or
   (ii) where the notice is given under subsection (2B), cancel the interim authority notice if it considers it appropriate for the prevention of illegal working in licensed premises to do so.

(4) An interim authority notice is cancelled under subsection (3)(b) by the licensing authority giving the relevant person a notice stating that it is cancelled and the authority’s reasons for its decision.

(5) The licensing authority must give a copy of a notice under subsection (4) to the chief officer of police for the police area (or each police area) in which the premises are situated.

(5A) Where an interim authority notice is cancelled under subsection (3)(b)(ii), the licensing authority must also give a copy of the notice under subsection (4) to the Secretary of State.

(6) The premises licence lapses if, and when, a notice is given under subsection (4).

This is subject to paragraph 7(5) of Schedule 5 (reinstatement of premises licence where appeal made against cancellation of interim authority notice).

(7) The relevant licensing authority must not cancel an interim authority notice after a relevant transfer application (within the meaning of section 47) is made in respect of the premises licence.

**Review of licences**

51 **Application for review of premises licence**

(1) Where a premises licence has effect, \([\text{F130}a \text{ responsible authority or any other person}]\) may apply to the relevant licensing authority for a review of the licence.

(2) Subsection (1) is subject to regulations under section 54 (form etc. of applications etc.).

(3) The Secretary of State must by regulations under this section—
   (a) require the applicant to give a notice containing details of the application to the holder of the premises licence and each responsible authority within such period as may be prescribed;
   (b) require the authority to advertise the application and invite representations about it to be made to the authority by \([\text{F131} \text{responsible authorities and other persons}]\);
   (c) prescribe the period during which representations may be made by the holder of the premises licence, any responsible authority or any \([\text{F132} \text{other person}]\);
   (d) require any notice under paragraph (a) or advertisement under paragraph (b) to specify that period.

(4) The relevant licensing authority may, at any time, reject any ground for review specified in an application under this section if it is satisfied—

      (i) the ground is frivolous or vexatious, or
      (ii) the ground is a repetition.
(5) For this purpose a ground for review is a repetition if—
   (a) it is identical or substantially similar to—
      (i) a ground for review specified in an earlier application for review made in respect of the same premises licence and determined under section 52, or
      (ii) representations considered by the relevant licensing authority in accordance with section 18, before it determined the application for the premises licence under that section, or
      (iii) representations which would have been so considered but for the fact that they were excluded representations by virtue of section 32, and
   (b) a reasonable interval has not elapsed since that earlier application for review or the grant of the licence (as the case may be).

(6) Where the authority rejects a ground for review under subsection (4)(b), it must notify the applicant of its decision and, if the ground was rejected because it was frivolous or vexatious, the authority must notify him of its reasons for making that decision.

(7) The application is to be treated as rejected to the extent that any of the grounds for review are rejected under subsection (4).

Accordingly the requirements imposed under subsection (3)(a) and (b) and by section 52 (so far as not already met) apply only to so much (if any) of the application as has not been rejected.

F378 (1A) This section also applies where a court has made an illegal working compliance order under Schedule 6 to the Immigration Act 2016 and the relevant licensing authority has accordingly received a notice under that Schedule.

(2) The relevant licensing authority must review the premises licence.

(3) The authority must reach a determination on the review no later than 28 days after the day on which it receives the notice mentioned in subsection (1)(b).

(4) The Secretary of State must by regulations—

(a) require the relevant licensing authority to give, to the holder of the premises licence and each responsible authority, notice of the review and of the order mentioned in subsection (1)(a);

(c) prescribe the period during which representations may be made by the holder of the premises licence, any responsible authority or any other person;

and for this purpose the conditions of a premises licence are modified if any of them is altered or omitted or any new condition is added.

(7) Subsection (5)(b) is subject to sections [F384 19 to 21] (requirement to include certain conditions in premises licences).

(8) Where the authority takes a step within subsection (6)(a) or (b), it may provide that the modification or exclusion is to have effect only for a specified period (not exceeding three months).

(9) In this section “relevant representations” means representations which—
   (a) are relevant to one or more of the licensing objectives, and
   (b) meet the requirements of subsection (10).

   (b) that they have not been withdrawn, and

Modification of premises licences to authorise off-sales for limited period

Textual Amendments
F414 Ss. 172F-172L and cross-heading inserted (temp.) (22.7.2020) by virtue of Business and Planning Act 2020 (c. 16), ss. 11(2), 25(1) (with s. 11(13))

172F  Authorisation of off-sales for limited period

(1) Subsection (2) applies to a premises licence if—
   (a) the licence has effect, or is capable of having effect, on the day on which this section comes into force (“day X”),
   (b) immediately before day X, it is an on-sales only licence, and
   (c) no disqualifying event has occurred in relation to the licence in the period of three years ending with day X.

(2) The premises licence is to be treated as if, at the beginning of day X, it is varied so that it authorises off-sales during the relevant period subject to the condition that every off-sale must be made at a pre-cut off time when the licensed premises are open for the purposes of selling alcohol for consumption on the premises.

(3) Any provisions of the premises licence on day X are suspended in so far as they are inconsistent with the authorisation granted by virtue of subsection (2) (and for so long as that authorisation has effect).

(4) Subsection (5) applies to a premises licence if—
   (a) the licence has effect, or is capable of having effect, on day X,
   (b) immediately before day X, it authorises the sale by retail of alcohol for consumption on the licensed premises and it also authorises off-sales, and
   (c) at that time that authorisation is subject to one or more of the following—
      (i) one or more conditions relating to the time when an off-sale may be made that would prevent an off-sale during the relevant period being made at a pre-cut off time when the licensed premises are open for the purposes of selling alcohol for consumption on the premises;
      (ii) one or more conditions applicable to pre-cut off times that would prevent an off-sale during the relevant period where the alcohol is sold in an open container;
      (iii) one or more conditions applicable to pre-cut off times that would prevent an off-sale during the relevant period where it is a sale for delivery.

(5) The premises licence is to be treated as if, at the beginning of day X, it is varied so that, in so far as and for so long as it authorises off-sales during the relevant period, it includes—
   (a) where the requirement in subsection (4)(c)(i) is met, a condition that off-sales that would otherwise have been prevented by the condition or conditions mentioned in subsection (4)(c)(i) from being made at a pre-cut off time when the licensed premises are open for the purposes of selling alcohol for consumption on the premises may be made at such a time;
   (b) where the requirement in subsection (4)(c)(ii) is met, a condition that off-sales at a pre-cut off time that would otherwise have been prevented by the
condition or conditions mentioned in subsection (4)(c)(ii) from being in the form of alcohol sold in an open container may be in that form;

(c) where the requirement in subsection (4)(c)(iii) is met, a condition that off-sales at a pre-cut off time that would otherwise have been prevented by the condition or conditions mentioned in subsection (4)(c)(iii) from being a sale for delivery may be such a sale.

(6) For so long as a condition has effect by virtue of subsection (5)(a), (b) or (c), the conditions of the licence referred to in subsection (4)(c)(i), (ii) or (iii) (as the case may be) are suspended in so far as they prevent the matters mentioned in that provision.

(7) The references in subsections (3) and (6) to an authorisation or condition having effect include the authorisation or condition as subsequently varied or modified in so far as it has effect in relation to the relevant period.

(8) For the purposes of subsection (1)(c) a disqualifying event has occurred in relation to a premises licence in the three year period mentioned in that provision if, at any time during that period—

(a) the relevant licensing authority refused to grant a premises licence in respect of the licensed premises authorising off-sales,

(b) the relevant licensing authority refused to vary the premises licence so as to authorise off-sales, or

(c) the premises licence was varied or modified so as to exclude off-sales from the scope of the licence.

(9) In the case of a premises licence which is capable of having effect on day X, references in this section to what the licence authorises are to be read as references to what it would authorise were it to have effect.

(10) In this section—

(a) “on-sales only licence” means a premises licence which—

(i) authorises the sale by retail of alcohol for consumption on the licensed premises, but

(ii) does not authorise off-sales;

(b) “off-sales” in relation to a premises licence means the sale by retail of alcohol for consumption off the licensed premises; and references to an off-sale are to be read accordingly;

(c) “sale for delivery” in relation to a premises licence means an off-sale for delivery by or on behalf of the holder of the licence to a building which is used for residential or work purposes (or both);

(d) “the relevant period” means the period beginning with day X and ending with—

(i) 30 September 2021, or

(ii) if earlier, the revocation or expiry of the premises licence or the exclusion of off-sales from the scope of the licence.

(11) In this section “pre-cut off time”—

(a) in relation to licensed premises and a day, means any time between when the premises first open that day for the purposes of selling alcohol for consumption on the premises and 11pm (but this is subject to paragraph (b));

(b) in relation to licensed premises and a day throughout which the premises are open for the purposes of selling alcohol for consumption on the premises,
means any time between when the premises are first open that day for the purposes of selling alcohol for consumption on the premises and 11pm.

(12) Where a premises licence authorises the sale by retail of alcohol for consumption in an outdoor area of the licensed premises at some, but not all, of the times when it authorises the sale by retail of alcohol for consumption elsewhere on the premises, times when the premises are not open for the purposes of selling alcohol for consumption in the outdoor area of the premises are to be regarded for the purposes of this section as times when the premises are not “open for the purposes of selling alcohol for consumption on the premises”.

(1) A responsible authority may apply under this section to the relevant licensing authority for an off-sales review of a premises licence to which section 172F(2) or (5) applies on grounds which are relevant to one or more of the licensing objectives.

(2) An “off-sales review” of a premises licence is a review of the licence in so far as it relates to—
   (a) in the case of a licence to which section 172F(2) applies, off-sales authorised by virtue of section 172F(2) (see subsection (5)), or
   (b) in the case of a licence to which section 172F(5) applies, the section 172F(5) condition or conditions (as the case may be) (see subsection (6)).

(3) On receipt of such an application, the relevant licensing authority must—
   (a) within 48 hours of the time of its receipt, consider under section 172H whether it is necessary to take interim steps pending the determination of the off-sales review, and
   (b) within 28 days after the day of its receipt, review that licence in accordance with section 172I and reach a determination on that review.

(4) In computing the period of 48 hours mentioned in subsection (3)(a) time that is not part of a working day is to be disregarded.

(5) For the purposes of this section and sections 172H to 172J, “off-sales authorised by virtue of section 172F(2)”, in relation to a premises licence, means the sale by retail of alcohol for consumption off the licensed premises authorised by the authorisation granted by virtue of section 172F(2) (including that authorisation as subsequently varied or modified in so far as it has effect in relation to the relevant period).

(6) For the purposes of this section and sections 172H to 172J, “section 172F(5) condition”, in relation to a premises licence, means a condition that has effect by virtue of section 172F(5)(a), (b) or (c) in relation to the licence (including such a condition as subsequently varied or modified in so far as it has effect in relation to the relevant period).
(7) See section 172K regarding procedural requirements in relation to applications under this section, off-sales reviews and related hearings.

### 172H Interim steps pending off-sales review

(1) This section applies to the consideration by a relevant licensing authority on an application under section 172G whether it is necessary to take interim steps pending the determination of the off-sales review.

(2) The consideration may take place without the holder of the premises licence having been given an opportunity to make representations to the relevant licensing authority.

(3) In the case of a premises licence to which section 172F(2) applies, the interim steps the relevant licensing authority must consider taking are—

   a) the modification of the conditions of the licence in so far as it relates to off-sales authorised by virtue of section 172F(2);

   b) the exclusion of off-sales authorised by virtue of section 172F(2) from the scope of the licence;

   c) the suspension of off-sales authorised by virtue of section 172F(2).

(4) In the case of a premises licence to which section 172F(5) applies, the interim steps the relevant licensing authority must consider taking are—

   a) the alteration or omission of the section 172F(5) condition or conditions (as the case may be);

   b) the addition of one or more new conditions which relate to a section 172F(5) condition.

(5) But the steps taken under subsection (4) may not affect any conditions of the premises licence which exist immediately before the day on which section 172F comes into force.

(6) Where on its consideration of whether to take interim steps the relevant licensing authority does take one or more such steps—

   a) its decision takes effect immediately or as soon after that as the authority directs, but

   b) it must give immediate notice of its decision and of its reasons for making it to—

      i) the holder of the premises licence,

      ii) the applicant under section 172G, and

      iii) (if not the applicant), the chief officer of police for the police area in which the premises are situated (or for each police area in which they are partly situated).

(7) Subject to subsection (11), if the holder of the premises licence makes, and does not withdraw, representations against any interim steps taken by the relevant licensing authority—

C10 Ss. 172F-172J modified by S.I. 2020/1374, Sch. 3A para. 13(8) (as inserted (20.12.2020 at 7.00am) by The Health Protection (Coronavirus, Restrictions) (All Tiers and Obligations of Undertakings) (England) (Amendment) Regulations 2020 (S.I. 2020/1611), regs. 1(2), 2(13))
authority, the authority must, within 48 hours of the time of its receipt of the representations, hold a hearing to consider those representations.

(8) The relevant licensing authority must give advance notice of the hearing to—
    (a) the holder of the premises licence, and
    (b) the applicant under section 172G.

(9) At the hearing, the relevant licensing authority must—
    (a) consider whether the interim steps are appropriate for the promotion of the licensing objectives, and
    (b) determine whether to withdraw or modify the steps taken.

(10) In considering those matters the relevant licensing authority must have regard to—
    (a) any representations made by any responsible authority, and
    (b) any representations made by the holder of the premises licence.

(11) Where the relevant licensing authority has determined under subsection (9) whether to withdraw or modify the interim steps taken, the holder of the premises licence may only make further representations under subsection (7) if there has been a material change in circumstances since the authority made its determination.

(12) In computing the period of 48 hours mentioned in subsection (7) time that is not part of a working day is to be disregarded.

172I Off-sales review of premises licence following review application

(1) This section applies to an off-sales review of a premises licence which a relevant licensing authority has to conduct on an application under section 172G.

(2) The relevant licensing authority must—
    (a) hold a hearing to consider the application for the review and any relevant representations, and
    (b) take such steps mentioned in subsection (3) or (4) (if any) as it considers appropriate for the promotion of the licensing objectives.

(3) In the case of a premises licence to which section 172F(2) applies, those steps are—

(b) that they have not been withdrawn, and
(c) if they are made by a person who is not a responsible authority, that they are not, in the opinion of the relevant licensing authority, frivolous or vexatious.

(9) Where the relevant licensing authority determines that any representations are frivolous or vexatious, it must notify the person who made them of the reasons for that determination.

(10) Where the authority takes a step within subsection (3)(a) or (b) or (4), it may provide that the modification or exclusion is to have effect only for a specified period (not exceeding three months).

(11) Where a relevant licensing authority determines an off-sales review under this section it must notify the determination and its reasons for making it to—
