##### ***Section 24: Extradition request***

71. This section deals with the situation where, during the extradition hearing, the judge is notified that the Secretary of State has issued a certificate under section 70 in respect of an extradition request. This section applies where that request has not yet been disposed of and an order has been made under section 179(2) for proceedings on the Part 1 warrant to be deferred until the category 2 request has been disposed of (*subsection (1)*). (Section 213 below defines the disposal of a Part 1 warrant and of an extradition request.)
72. The judge is required, in these circumstances, to remand the person in custody or on bail. If he is remanded in custody the person may later be granted bail (*subsections (2) and (3)*).
