CHAPTER 2

NHS HEALTH CARE: INTRODUCTORY

45 Quality in health care

(1) It is the duty of each [F6Welsh] NHS body to put and keep in place arrangements for the purpose of monitoring and improving the quality of health care provided by and for that body.

(2) In this Part “health care” means—

(a) services provided to individuals for or in connection with the prevention, diagnosis or treatment of illness; and

(b) the promotion and protection of public health.

(3) In subsection (2)(a), “illness” has the meaning given by [F7section 275 of the 2006 Act].

[F8(4) In this Chapter references to the provision of health care for a body include in the case of an English NHS body references to the provision of health care in respect of which direct payments are made by that body under section 12A(1), or under regulations under section 12A(4), of the National Health Service Act 2006. ]
47 Standards set by Assembly

(1) The Assembly may prepare and publish statements of standards in relation to the provision of health care by and for Welsh NHS bodies.

(2) The Assembly must keep the standards under review and may publish amended statements whenever it considers it appropriate.

(3) The Assembly must consult such persons as it considers appropriate—
   (a) before publishing a statement under this section;
   (b) before publishing an amended statement under this section which in the opinion of the Assembly effects a substantial change in the standards.

(4) The standards set out in statements under this section are to be taken into account by every Welsh NHS body in discharging its duty under section 45.

(8) The circumstances are that—
   (a) at the time the payment is made by the person—
      (i) no certificate has been issued to him in respect of the injured person, or
      (ii) if such a certificate has been issued to him, it is no longer in force, and
