Section 85: Criteria

207. This section provides for the Secretary of State to make regulations requiring the CSCI to devise and publish criteria to be used in relation to its functions under this Chapter (other than the annual review function in respect of which provision about criteria is made in *section 79*). The regulations will be used to specify exactly what functions CSCI will need to draw up inspection criteria for. The Secretary of State must approve the criteria prior to their publication.
