(2) In paragraph 5 (advantage in relation to United Kingdom taxation)—

(a) in sub-paragraph (1) omit “(but subject to sub-paragraph (2) below)”; 

(b) omit sub-paragraphs (2) to (6); and

(c) at the end of the paragraph insert—

“(7) In determining for the purposes of sub-paragraph (1) above the amount that would be taken for tax purposes to be the amount of the profits or losses for a year of assessment in the case of a person who is not resident in the United Kingdom, there shall be left out of account any income of that person which is—
(a) excluded income for the purposes of section 128 of the Finance Act 1995 (limit on income chargeable on non-residents: income tax), or
(b) income to which section 151 of the Finance Act 2003 applies (non-resident companies: extent of charge to income tax).”.

(3) Paragraph 6 (elimination of double counting) is amended as follows.

(4) For sub-paragraph (1) (application of paragraph) substitute—

“(1) This paragraph applies where—
(a) only one of the affected persons (“the advantaged person”) is a person on whom a potential advantage in relation to United Kingdom taxation is conferred by the actual provision; and
(b) the other affected person (“the disadvantaged person”) is within the charge to income tax or corporation tax in respect of profits arising from the relevant activities.”.

(5) In sub-paragraph (2) (application, on a claim, of arm’s length provision to disadvantaged person)—

(a) in the opening words (subjection to paragraph 7 etc)—
(i) for “paragraph”, where first occurring, substitute “ paragraphs ”, and
(ii) after “7” insert “ and 8 ”;

7A “Balancing payments between affected persons: no charge to, or relief from, tax

(1) This paragraph applies where—
(a) the circumstances are as described in paragraph 6(1) above,
(b) one or more payments (the “balancing payments”) are made to the advantaged person by the disadvantaged person, and
(c) the sole or main reason for making those payments is that paragraph 1(2) above applies.

(2) To the extent that the balancing payments do not in the aggregate exceed the amount of the available compensating adjustment, those payments—
(a) shall not be taken into account in computing profits or losses of either of the affected persons for the purposes of income tax or corporation tax, and
(b) shall not for any of the purposes of the Corporation Tax Acts be regarded as distributions or charges on income.

(3) In this paragraph “the available compensating adjustment” means the difference between PL1 and PL2 where—

PL1 is the profits and losses of the disadvantaged person computed for tax purposes on the basis of the actual provision, and
PL2 is the profits and losses of the disadvantaged person as they fall (or would fall) to be computed for tax purposes on a claim under paragraph 6 above,

for this purpose taking PL1 or PL2 as a positive amount if it is an amount of profits and as a negative amount if it is an amount of losses.”.

(7) In paragraph 11 (special provision for companies carrying on ring fence trades) in sub-paragraph (3) (Schedule to have effect as if ring fence trade and other activities were carried on by separate persons etc)—

(a) at the end of paragraph (c) insert “ and ”;

31 Exemptions for dormant companies and small and medium-sized enterprises

(2) In paragraph 1 (basic rule on transfer pricing etc) in sub-paragraph (2) (profits and losses to be computed as if the arm’s length provision had been made) after “Subject to paragraphs” insert “ 5A, 5B, ”.

(3) After paragraph 5 insert—

5A “Exemption for dormant companies

(1) Paragraph 1(2) above does not apply in computing for any chargeable period the profits and losses of a potentially advantaged person if that person is a company which satisfies the condition in sub-paragraph (2) below.

(2) The condition is that—

(a) the company was dormant throughout the pre-qualifying period, and

(b) apart from paragraph 1 above, the company has continued to be dormant at all times since the end of the pre-qualifying period.

(3) In sub-paragraph (2) above “the pre-qualifying period” means—

(a) if there is an accounting period of the company that ends on 31st March 2004, that accounting period, or

(b) if there is no such accounting period, the period of 3 months ending with that date.

(4) In this paragraph “dormant” has the same meaning as in section 249AA of the Companies Act 1985 (see subsections (4) to (7) of that section).”.

(4) After paragraph 5A insert—
5B  “Exemption for small or medium-sized enterprises

(1) Paragraph 1(2) above does not apply in computing for any chargeable period the profits and losses of a potentially advantaged person if that person is a small or medium-sized enterprise for that chargeable period (see paragraph 5D below).

(2) Exceptions to sub-paragraph (1) above are provided—
   (a) in the case of a small enterprise, by sub-paragraphs (3) and (4) below, and
   (b) in the case of a medium-sized enterprise, by sub-paragraphs (3) and (4) and paragraph 5C below.

(3) The first exception is where the small or medium-sized enterprise elects for sub-paragraph (1) above not to apply in relation to the chargeable period.
   Any such election is irrevocable.

(4) The second exception is where, at the time when the actual provision is or was made or imposed,—
   (a) the other affected person, or
   (b) a party to a relevant transaction (see sub-paragraph (5) below),
      is a resident (see sub-paragraph (6) below) of a non-qualifying territory (whether or not that person is also a resident of a qualifying territory).

(5) For the purposes of sub-paragraph (4) above, a “party to a relevant transaction” is a person who, in a case where the actual provision is or was imposed by means of a series of transactions, is or was a party to one or more of those transactions.

(6) In this paragraph “resident”, in relation to a territory,—
   (a) means a person who, under the laws of that territory, is liable to tax there by reason of his domicile, residence or place of management, but
   (b) does not include a person who is liable to tax in that territory in respect only of income from sources in that territory or capital situated there.

(7) The definitions of “qualifying territory” and “non-qualifying territory” are in paragraph 5E below.

5C  Additional provisions for medium-sized enterprises

(1) Paragraph 5B(1) above does not apply as respects any provision made or imposed if—
   (a) the potentially advantaged person in question is a medium-sized enterprise for the chargeable period in question, and
   (b) the Board gives that person a notice under this sub-paragraph (a “transfer pricing notice”) requiring him to compute the profits and losses of that chargeable period in accordance with paragraph 1(2) above in the case of that provision.

(2) A transfer pricing notice may be given in respect of —
(a) any provision specified, or of a description specified, in the notice, or
(b) every provision in relation to which the assumption in paragraph 1(2) above would fall to be made apart from paragraph 5B(1) above.

(3) A transfer pricing notice may be given only after a notice of enquiry has been given to the potentially advantaged person in respect of his tax return for the chargeable period.

(4) A transfer pricing notice must identify the officer of the Board to whom any notice of appeal under this paragraph is to be given.

(5) A person to whom a transfer pricing notice is given may appeal against the decision to give the notice, but only on the grounds that the condition in sub-paragraph (1)(a) above is not satisfied.

(a) the circumstances are as described in paragraph 6D(1) above,

(b) one or more payments (the “balancing payments”) are made by the guarantor company to the issuing company, and

(c) the sole or main reasons for making those payments are that paragraph 1(2) above applies by virtue of paragraph 1B above or that paragraph 6D above applies.

(2) To the extent that the balancing payments made by all the guarantor companies do not in the aggregate exceed the amount TR in paragraph 6D(3) above (total reductions within paragraph 6D(1)(c) above), those payments—
(a) shall not be taken into account in computing for the purposes of corporation tax the profits or losses of the guarantor company or companies or the issuing company, and

(3) The relevant security is the security in paragraph 1B(1)(a) above.

(4) In sub-paragraph (4) (nature of the election)—

(a) for “paragraph 7A above” substitute “ paragraph 7C below ”;

(b) for “paragraph 1A”, in both places, substitute “ paragraph 1B ”.

Transfer pricing and thin capitalisation: commencement

37 Commencement and transitional provisions

(1) In this section “the amending provisions” means—

(a) sections 30 to 32 (transfer pricing);

(b) sections 34 to 36 (thin capitalisation);

(c) Schedule 5 (provision not at arm’s length: related amendments).

(2) The amendments made by those provisions have effect in relation to chargeable periods beginning on or after 1st April 2004 (whenever the actual provision, within the meaning of Schedule 28AA to the Taxes Act 1988, is or was made or imposed).

(3) Where an accounting period of a company begins before, and ends on or after, 1st April 2004, it shall be assumed for the purposes of the amending provisions, the amendments which they make and subsection (2) that that accounting period (“the straddling period”) consists of two separate accounting periods—

(a) the first beginning with the straddling period and ending with 31st March 2004, and

(b) the second beginning with 1st April 2004 and ending with the straddling period,

and the company’s profits and losses shall be computed accordingly for tax purposes.

(4) Where a period of account of any person within the charge to income tax begins before, and ends on or after, 6th April 2004, it shall be assumed for the purposes of the amending provisions, the amendments which they make and subsection (2) that

(a) the first beginning with the straddling period of account and ending with 5th April 2004, and
(b) the second beginning with 6th April 2004 and ending with the straddling period of account,
and the person’s profits and losses shall be computed accordingly for the purposes of income tax.

Expenses of companies with investment business and insurance companies

38 Expenses of management: companies with investment business

39 Accounting period to which expenses of management are referable

40 Expenses of insurance companies

(1) For section 76 of the Taxes Act 1988 (expenses of management of insurance companies) substitute—

76 Expenses of insurance companies

(1) In computing for the purposes of corporation tax the profits for any accounting period of a company—
(a) which carries on life assurance business, and
(b) which is not charged to tax in respect of that business under Case I of Schedule D,
section 75 is not to apply in computing the profits of that business, but a deduction for expenses payable (the “expenses deduction”) is to be allowed in accordance with the following provisions of this section.

See also subsection (14) below for the application of this section in relation to a company which carries on capital redemption business.
(2) The expenses deduction is to be made from so much of the income and gains of the accounting period referable to basic life assurance and general annuity business as remains after any deduction falling to be made by virtue of paragraph 4(2) of Schedule 11 to the Finance Act 1996 (non-trading deficits on loan relationships).

(3) For the purposes of this section “expenses payable” means expenses brought into account in line 12, 22 or 25 of Form 40 (the revenue account) in the periodical return of the company for a period of account, but does not include any of the amounts falling within subsection (4), (5) or (6) below.

(4) The amounts falling within this subsection are the following—
   (a) reinsurance premiums,
   (b) refunds of premiums,
   (c) profit commissions and profit participations (however described),
   (d) expenses or other amounts payable, to the extent that the company’s purpose in incurring the liability to make the payment is not a business or other commercial purpose of the company.

   For the purposes of paragraph (d) above, it is not one of the business or commercial purposes of a company to incur a liability to pay an amount of commission or other expenses which exceeds the amount which it could reasonably be expected to pay if the company were charged to tax under Case I of Schedule D in respect of its life assurance business.

(5) The amounts falling within this subsection are any amounts payable in connection with a policy or contract to—
   (a) a policy holder or annuitant under the policy or contract (except where the policy holder is an insurance company),
   (b) any other person who is entitled to receive benefits under the policy or contract,
   (c) any person acting on behalf of a person falling within paragraph (a) or (b) above,
   (d) the personal representatives of a deceased person who fell within paragraphs (a) to (c) above.

(6) The amounts falling within this subsection are expenses of a capital nature.

   But this subsection does not apply in the case of an amount which, by virtue of any provision of the Tax Acts other than this section, falls to be treated for the purposes of this section as expenses payable which fall to be brought into account at Step 1 in subsection (7) below (the reference to Step 1 being express in the provision).

(7) The amount of the expenses deduction for an accounting period is found by taking the following steps—

   Step 1
   Find so much of the expenses payable as are—
   (a) attributable to basic life assurance and general annuity business (see subsection (8) below), and
   (b) referable to the accounting period (see subsection (9) below).

   Step 2

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Finance Act 2004. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes
Reduce each of the amounts found at Step 1 by excluding so much of the amount as is—

(a) deductible in computing income for the purposes of Schedule A,
(b) deductible by virtue of section 85(2B) of the Finance Act 1989, or
(c) deductible by virtue of section 121(3) in computing income from the letting of rights to work minerals in the United Kingdom.

**Step 3**

Find the amounts (so far as not included at Step 1) which fall to be treated for the purposes of this section as expenses payable for the accounting period by virtue of any of the following provisions—

- section 432AB(3) (Schedule A loss or an overseas property business loss referable to basic life assurance and general annuity business);
- section 437(1A) (relief for income element of new annuities);
- section 587B(8)(b)(i) (relief for company carrying on life assurance business in relation to gifts of shares and securities);
- paragraph 16(1) of Schedule 7 to the Finance Act 1991 (transitional relief for old annuities);
- paragraph 4(4)(b) of Schedule 11 to the Finance Act 1996 (carried forward non-trading deficit on loan relationships produced by separate computation for basic life assurance and general annuity business);
- section 256(2)(a) of the Capital Allowances Act (capital allowances on plant and machinery used in the management of life assurance business);
- paragraph 23 of Schedule 22 to the Finance Act 2001 (150% relief in respect of the remediation expenditure on contaminated land owned by a company carrying on life assurance business and acquired to be a management asset);
- paragraph 13(2) of Schedule 12 to the Finance Act 2002 (125% of relevant expenditure on R&D in the case of a life assurance company);
- paragraph 23(2) of Schedule 13 to the Finance Act 2002 (150% of relevant expenditure on research into vaccines in the case of a life assurance company);
- paragraph 36(3) of Schedule 29 to the Finance Act 2002 (relief for non-trading loss on intangible fixed assets).

**Step 4**

Give effect to the provisions specified in Step 3 by adding together—

(a) so much of the amounts found at Step 1 as remains after making any reductions at Step 2, and
(b) the amounts found at Step 3,
and then deduct the amount of any reversal (wherever brought into account) of an expense included at Step 1 in a previous period, to give Subtotal 1.

**Step 5**

If the whole or any part of a loss arising to the company in respect of its life assurance business in the accounting period is set off under section 393A or 403(1)—

(a) find the amount (“amount L”) that is equal to so much of the loss as, in the aggregate, is so set off,
(b) find the sum (“amount S”) of the amounts by which any losses for that period under section 436 or 439B fall to be reduced under section 434A(2)(b),

(c) from amount L deduct amount S, to give the adjusted loss deduction,

then reduce Subtotal 1 by deducting from it the adjusted loss deduction, to give Subtotal 2.

**Step 6**
Give effect to subsection (6) of section 86 of the Finance Act 1989 (spreading of acquisition expenses) by—

(a) finding the amount that is equal to six-sevenths of the adjusted amount of the acquisition expenses (within the meaning of that section) for the accounting period, and

(b) deducting that amount from Subtotal 2,

to give Subtotal 3.

**Step 7**
Add together the following amounts—

(a) Subtotal 3, and

(b) any amounts carried forward to the accounting period under subsection (12) or (13) below (unrelieved excesses from earlier accounting periods),

to give Subtotal 4.

**Step 8**
Give effect to subsections (8) and (9) of section 86 of the Finance Act 1989 (fraction of adjusted amount of acquisition expenses for earlier accounting periods) by adding together—

(a) Subtotal 4, and

(b) any amounts which are to be relieved under this section by virtue of those subsections,

to give the basic deduction.

**Step 9**
If—

(a) amount D1 (see subsection (10) below), exceeds

(b) amount R (see subsection (11) below),

deduct an amount equal to the excess from the basic deduction.

**Step 10: the amount of the expenses deduction**
The amount of the expenses deduction is so much of the basic deduction (see Step 8) as remains after making any deduction required at Step 9.

(8) For the purposes of Step 1, the expenses that are attributable to basic life assurance and general annuity business are the expenses which are attributable to that business in accordance with proper internal accounting practice.

In this subsection “proper internal accounting practice” means the practice of insurance companies in allocating all the expenses of the company to particular categories of business in accordance with any applicable requirements of—

(a) generally accepted accounting practice, or

(b) the Prudential Sourcebook (Insurers).
(9) The following rules have effect for determining for the purposes of Step 1 the expenses that are referable to an accounting period.

**Rule A**

Where a period of account coincides with an accounting period, the expenses brought into account for the period of account are the expenses referable to the accounting period.

**Rule B**

Where—

(a) two or more accounting periods fall within the same period of account, and  
(b) that period of account is longer than 12 months,

section 834(4) (apportionment on time basis) is to apply.

**Rule C**

In any other case where two or more accounting periods fall within the same period of account, the expenses referable to any of those accounting periods are the expenses that would have been referable to that accounting period if—

(a) the accounting period had coincided with a period of account, and  
(b) a separate periodical return had been made for that period of account,

and section 834(4) (apportionment on time basis) is not to apply.

**Rule D**

Rules A to C are subject to any provision of the Corporation Tax Acts which provides for an amount to be treated as expenses payable for, or referable to, a particular period.

(10) The amount D1 in Step 9 is the amount that would be the profits of the company’s life assurance business for the accounting period if—

(a) computed in accordance with the provisions applicable to Case I of Schedule D, and  
(b) adjusted in respect of losses.

The adjustment in respect of losses is a deduction of the amount which, disregarding sections 434A(2) and 440B, would fall to be set off under section 393 against the company’s income for that period if the company had always been charged to tax under Case I of Schedule D in respect of its life assurance business.

(11) The amount R in Step 9 (which may be a negative amount) is found for the accounting period by—

(a) taking the company’s relevant income, and  
(b) deducting from it the relevant aggregate.

The “relevant income” is the sum of—

(a) the income and gains referable by virtue of section 432A to the company’s basic life assurance and general annuity business;
(b) distributions received by the company from companies resident in the United Kingdom which are referable by virtue of section 432A to its basic life assurance and general annuity business;
(c) profits chargeable under Case VI of Schedule D under section 436, 439B or 441.

The “relevant aggregate” is the sum of—
(a) the basic deduction (see Step 8);
(b) any non-trading deficit on the company’s loan relationships which is produced for the period in relation to the company’s basic life assurance and general annuity business by a separate computation under paragraph 2 of Schedule 11 to the Finance Act 1996;
(c) any amount which in pursuance of a claim under paragraph 4(3) of that Schedule is carried back to the period and (in accordance with paragraph 4(5) of that Schedule) applied in reducing profits of the company for that period.

(12) Where for any accounting period—
(a) the amount of the expenses deduction (see Step 10), exceeds
(b) the amount from which that deduction is to be made (see subsection (2) above),
the excess is to be carried forward to the next accounting period and brought into account for that period in accordance with Step 7.

(13) Subject to paragraph 4(11) to (13) of Schedule 11 to the Finance Act 1996, where for any accounting period—
(a) the basic deduction (see Step 8), exceeds
(b) the expenses deduction (see Step 10),
the excess is to be carried forward to the next accounting period and brought into account for that period in accordance with Step 7.

(14) In this section any reference to—
(a) life assurance business, or
(b) basic life assurance and general annuity business,
includes a reference to capital redemption business.

(15) In this section—
“capital redemption business” means any capital redemption business, within the meaning of section 458, which is business to which that section applies;
“expenses payable” has the meaning given by subsection (3) above; and other expressions have the same meaning as in Chapter 1 of Part 12.”.

(2) This section has effect in accordance with sections 42 and 44 (commencement and transitional provisions).
41  Related amendments to other enactments

(1) The enactments mentioned in Schedule 6 to this Act shall have effect with the amendments specified in that Schedule.

(2) Subsection (1) has effect in accordance with sections 42, 43 and 44 (commencement and transitional provisions).

42  Commencement of sections 38 to 41

(1) The amendments made by sections 38 to 41 and Schedule 6 have effect for accounting periods beginning on or after 1st April 2004.

(2) This is subject to the transitional provisions in sections 43 and 44 and that Schedule.

43  Companies with investment business: transitional provisions

(1) Any amount which, apart from this subsection, would have fallen to be treated under the old section 75(3) as if it had been disbursed as expenses of management for the first new accounting period of a company shall instead be treated as if it were expenses of management deductible for that period by virtue of the new section 75(9).

(2) To the extent that any amount was deductible under subsection (1) of section 75 for an old accounting period, the amount shall not again be deductible under that subsection for a new accounting period.

(3) Subsection (2) is without prejudice to the old section 75(3) and the new section 75(9) (carry forward of unrelieved excess to later accounting period).

(4) To the extent that an amount—

(a) was not deductible under section 75(1) by an investment company for any old accounting period, but

(b) would have been deductible under the new section 75(1) for an old accounting period if the amendments made by sections 38 and 39 and Schedule 6 or any order under section 46 (so far as having effect in relation to the first new accounting period) had been in force in relation to that period,

the amount shall be deductible under section 75(1) for the first new accounting period of the company.

(5) Where there is an accounting period that begins before, and ends on or after, 1st April 2004 (“the commencement date”), it shall be assumed, for the purpose of determining the amounts that are deductible for that period under section 75(1) of the Taxes Act 1988, that that accounting period (the “straddling period”) consists of two separate accounting periods—

(a) the first beginning with the straddling period and ending with the day preceding the commencement date, and

(b) the second beginning with the commencement date and ending with the straddling period,

but this is subject to subsection (6).

(6) In the case of an investment company, subsection (5) does not have effect for the purpose of determining the amounts that are deductible for the straddling period under section 75(1) by virtue of—

(a) subsection (3) of the old section 75, or
(b) any provision of the Corporation Tax Acts, apart from section 75 and this section.

(7) Where, for the purposes of section 768B or 768C of the Taxes Act 1988, there is a change in the ownership of a company during the straddling period, then for the purposes of the section in question (and Schedule 28A to that Act), before making any such division as is required by section 768B(4) or 768C(3) of that Act,—

(a) the straddling period shall be divided into two parts in accordance with subsection (5), and

(b) those parts shall be treated in accordance with that subsection as two separate accounting periods, but

(c) subsection (6) shall be disregarded,

and section 768B or 768C of, and Schedule 28A to, the Taxes Act 1988 shall have effect accordingly.

(8) In this section—

“the commencement date” shall be construed in accordance with subsection (5);

“investment company” has the same meaning as in Part 4 of the Taxes Act 1988 (see section 130 of that Act);

“new accounting period” means an accounting period beginning on or after the commencement date;

“old accounting period” means an accounting period beginning before the commencement date;

“the new section 75” means section 75 as it has effect in relation to a new accounting period;

“the old section 75” means section 75 as it has effect (apart from subsection (5) above) in relation to an old accounting period;

“section 75” means section 75 of the Taxes Act 1988.

44 Insurance companies: transitional provisions

(1) Step 7 has effect for the first new accounting period as if, in paragraph (b) of that Step, the reference to amounts carried forward under subsection (12) or (13) of the new section 76 (carry forward of unrelieved excess to later accounting period) included—

(a) a reference to amounts falling to be carried forward from the last old accounting period under section 75(3) by virtue of the old section 76(1) (including any amounts falling to be so carried forward by virtue of the old section 76(5)), and

(b) a reference to so much of any pool under subsection (6) of section 87 of the Finance Act 1989 (c. 26) (pre-1990 expenses) as remains after making any reduction required by paragraph (c) of that subsection for the last old accounting period.

(2) To the extent that an amount—

(a) was not deductible under the old section 76(1) by a company for any old accounting period, but

(b) would have fallen to be taken into account by the company in determining the expenses deduction to be made under the new section 76(1) for an old accounting period if the amendments made by section 40 and Schedule 6 had been in force in relation to that period,
the company’s basic deduction (see Step 8) for the first new accounting period shall be increased by the addition of that amount.

(3) Where there is an accounting period that begins before, and ends on or after, 1st April 2004 (“the commencement date”), it shall be assumed, for the purpose of determining the deduction to be made under section 76(1), that that accounting period (“the straddling period”) consists of two separate accounting periods—

(a) the first beginning with the straddling period and ending with the day preceding the commencement date (“the first notional period”), and

(b) the second beginning with the commencement date and ending with the straddling period (“the second notional period”),

and the deduction shall be determined in accordance with subsections (4) to (6).

(4) For the purpose of determining the deduction to be made under section 76(1) for the straddling period—

(a) first add together—

(i) such amounts falling within the old section 76(1) as were disbursed for the first notional period, but without deducting amounts falling within the old section 76(1)(aa), (a), (c), or (ca),

(ii) the amounts falling to be brought into account at Step 1, as reduced at Step 2, for the second notional period, and

(iii) amounts falling to be carried forward from the previous accounting period under the old section 75(3) by virtue of the old section 76(1) (including any amounts falling to be so carried forward by virtue of the old section 76(5)),

(b) then reduce the aggregate of those amounts (but not below nil), by deducting from that aggregate any amounts falling within the old section 76(1)(aa), (a), (c), or (ca) for the straddling period,

and that aggregate, as so reduced, is deductible in accordance with the old section 76(1) (c) but subject to the old section 76(2) to (2D).

(5) Subsection (3) does not have effect for the purpose of determining the amounts that are deductible for the straddling period under section 76(1) by virtue of any provision of the Corporation Tax Acts apart from—

(a) the old section 75(3),

(b) section 76, and

(c) this section,

(so that, in particular, the old section 86 has effect for the straddling period).

(6) No amount shall be brought into account in determining the deduction to be made under section 76(1) for the straddling period except as provided by subsections (4) and (5).

(7) Any reference in this section to a numbered Step is a reference to the Step so numbered in subsection (7) of the new section 76.

(8) In this section—

“the commencement date” shall be construed in accordance with subsection (3);

“new accounting period” means an accounting period beginning on or after the commencement date;
“old accounting period” means an accounting period beginning before the commencement date;
“the new section 76” means section 76 as it has effect in relation to a new accounting period;
“the old section 76” means section 76 as it has effect (apart from subsection (3) above) in relation to an old accounting period;
“section 75” means section 75 of the Taxes Act 1988;
“section 76” means section 76 of the Taxes Act 1988;
“the old section 86” means section 86 of the Finance Act 1989 (c. 26) as it has effect (apart from subsection (3) above) in relation to an old accounting period.

(1) This section applies where—

**Deductions on account of tax from contract payments to sub-contractors**

### 60 Contract payments

(1) In this Chapter “contract payment” means any payment which is made under a construction contract and is so made by the contractor (see section 57(3)) to—

- (a) the sub-contractor,
- (b) a person nominated by the sub-contractor or the contractor, or
- (c) a person nominated by a person who is a sub-contractor under another such contract relating to all or any of the construction operations.

(2) But a payment made under a construction contract is not a contract payment if any of the following exceptions applies in relation to it.

(3) This exception applies if the payment is treated as earnings from an employment by virtue of Chapter 7 of Part 2 of the Income Tax (Earnings and Pensions) Act 2003 (c. 1) (agency workers).

(4) This exception applies if the person to whom the payment is made or, in the case of a payment made to a nominee, each of the following persons—

- (a) the nominee,
- (b) the person who nominated him, and
(c) the person for whose labour (or, where that person is a company, for whose employees' or officers' labour) the payment is made, is registered for gross payment when the payment is made.

But this is subject to subsections (5) and (6).

(5) Where a person is registered for gross payment as a partner in a firm (see section 64), subsection (4) applies only in relation to payments made under contracts under which—

(a) the firm is a sub-contractor, or
(b) where a person has nominated the firm to receive payments, the person who has nominated the firm is a sub-contractor.

(6) Where a person is registered for gross payment otherwise than as a partner in a firm but he is or becomes a partner in a firm, subsection (4) does not apply in relation to payments made under contracts under which—

(a) the firm is a sub-contractor, or
(b) where a person has nominated the firm to receive payments, the person who has nominated the firm is a sub-contractor.

(7) This exception applies if such conditions as may be prescribed in regulations made by the Board of Inland Revenue for the purposes of this subsection are satisfied; and those conditions may relate to any one or more of the following—

(a) the payment,
(b) the person making it, and
(c) the person receiving it.

(8) For the purposes of this Chapter a payment (including a payment by way of loan) that has the effect of discharging an obligation under a contract relating to construction operations is to be taken to be made under the contract; and if—

(a) the obligation is to make a payment to a person (“A”) within paragraph (a) to (c) of subsection (1), but
(b) the payment discharging that obligation is made to a person (“B”) not within those paragraphs,

the payment is for those purposes to be taken to be made to A.

61 Deductions on account of tax from contract payments

(1) On making a contract payment the contractor (see section 57(3)) must deduct from it a sum equal to the relevant percentage of so much of the payment as is not shown to represent the direct cost to any other person of materials used or to be used in carrying out the construction operations to which the contract under which the payment is to be made relates.

(2) In subsection (1) “the relevant percentage” means such percentage as the Treasury may by order determine.

(3) That percentage must not exceed—

(a) if the person for whose labour (or for whose employees' or officers' labour) the payment in question is made is registered for payment under deduction, the percentage which is the basic rate for the year of assessment in which the payment is made, or
(b) if that person is not so registered, the percentage which is the higher rate for that year of assessment.

62  Treatment of sums deducted

(1) A sum deducted under section 61 from a payment made by a contractor—
   (a) must be paid to the Board of Inland Revenue, and
   (b) is to be treated for the purposes of income tax or, as the case may be, corporation tax as not diminishing the amount of the payment.

(2) If the sub-contractor is not a company a sum deducted under section 61 and paid to the Board is to be treated as being income tax paid in respect of the sub-contractor’s relevant profits.

If the sum is more than sufficient to discharge his liability to income tax in respect of those profits, so much of the excess as is required to discharge any liability of his for Class 4 contributions is to be treated as being Class 4 contributions paid in respect of those profits.

(3) If the sub-contractor is a company—
   (a) a sum deducted under section 61 and paid to the Board is to be treated, in accordance with regulations, as paid on account of any relevant liabilities of the sub-contractor;
   (b) regulations must provide for the sum to be applied in discharging relevant liabilities of the year of assessment in which the deduction is made;
   (c) if the amount is more than sufficient to discharge the sub-contractor’s relevant liabilities, the excess may be treated, in accordance with the regulations, as being corporation tax paid in respect of the sub-contractor’s relevant profits; and
   (d) regulations must provide for the repayment to the sub-contractor of any amount not required for the purposes mentioned in paragraphs (b) and (c).

(4) For the purposes of subsection (3) the “relevant liabilities” of a sub-contractor are any liabilities of the sub-contractor, whether arising before or after the deduction is made, to make a payment to the Inland Revenue in pursuance of an obligation as an employer or contractor.

(5) In this section—
   (a) “the sub-contractor” means the person for whose labour (or for whose employees' or officers' labour) the payment is made;
   (b) references to the sub-contractor’s “relevant profits” are to the profits from the trade, profession or vocation carried on by him in the course of which the payment was received;
   (c) “Class 4 contributions” means Class 4 contributions within the meaning of the Social Security Contributions and Benefits Act 1992 (c. 4) or the Social Security Contributions and Benefits (Northern Ireland) Act 1992 (c. 7).

(6) References in this section to regulations are to regulations made by the Board of Inland Revenue.

CHAPTER 7

SAVINGS INCOME: DOUBLE TAXATION ARISING FROM WITHHOLDING TAX

Introductory

107 Introductory

(1) This Chapter has effect for the purpose of giving relief from double taxation in respect of special withholding tax.

(2) Such relief is given—
   (a) by set-off against income tax or capital gains tax;
   (b) to the extent that it cannot be so set off, by repayment.

(3) “Special withholding tax” means a withholding tax (however described) levied under the law of a territory outside the United Kingdom implementing—
   (b) in the case of a territory other than a member State, any corresponding provision of international arrangements (whatever the period for which the provision is to have effect).

(4) “International arrangements”, in relation to a territory, means arrangements made in relation to that territory with a view to ensuring the effective taxation of savings income under—
   (a) the law of the United Kingdom, or
   (b) that law and the law of that territory.

(5) For the purposes of Part 18 of the Taxes Act 1988 (double taxation relief)—
(a) relief from double taxation in respect of special withholding tax is not to be available under Chapters 1 and 2 of that Part; and
(b) special withholding tax is not to be regarded as foreign tax for the purposes of Chapter 2 of that Part.

(6) Sections 113 and 114 also make provision for implementing—
(a) Article 13(2) of the Savings Directive (provision of certificate to avoid levy of special withholding tax), and
(b) any corresponding provision of international arrangements.

(7) In this Chapter—
“double taxation arrangements” means arrangements having effect by virtue of section 788 of the Taxes Act 1988 (double taxation relief by agreement with other territories);
“international arrangements” has the meaning given by subsection (4);
“the Savings Directive” has the meaning given by subsection (3)(a);
“savings income”—
(a) in the case of special withholding tax levied under the law of a member State, has the same meaning as the expression “interest payment” has for the purposes of the Savings Directive (see Articles 6 and 15 of the Directive), and
(b) in the case of special withholding tax levied under the law of a territory other than a member State, has the same meaning as the corresponding expression has for the purposes of the international arrangements concerned;
“special withholding tax” has the meaning given by subsection (3).

(8) In the application of this Chapter in relation to capital gains tax, expressions used in this Chapter and in the Taxation of Chargeable Gains Act 1992 (c. 12) have the same meaning in this Chapter as in that Act.

Credit etc for special withholding tax

108 Income tax credit etc for special withholding tax

(1) This section applies where—
(a) a person is chargeable to income tax for a year of assessment in respect of a payment of savings income or would be so chargeable but for any exemption or relief which has effect in respect of that payment,
(b) special withholding tax is levied in respect of the payment, and
(c) the person is resident in the United Kingdom for that year of assessment.

(2) On the making of a claim, income tax (“the deemed tax”) of an amount equal to the amount of the special withholding tax levied is to be treated as having been—
(a) paid by or on behalf of the person for that year of assessment, and
(b) deducted at source for that year of assessment for the purposes of the provisions in subsection (3).

(3) The provisions are—
section 7 of the Taxes Management Act 1970 (c. 9) (notice of liability to income tax and capital gains tax);
section 8 of that Act (personal return);
section 8A of that Act (trustee’s return);
section 9 of that Act (returns to include self-assessment);
section 59A of that Act (payments on account of income tax);
section 59B of that Act (payments of income tax and capital gains tax);
section 824(3) of the Taxes Act 1988 (repayment supplements: determination of relevant time).

(4) Where the amount of the deemed tax exceeds the amount (which may be nil) of income tax for which the person is liable for the year of assessment (before any set-off for the deemed tax), then, to the extent that it would not otherwise be the case,—
(a) the excess is to be set against any capital gains tax for which he is liable for the year of assessment, and
(b) he is entitled to a repayment of income tax in respect of any remaining balance of that excess.

(5) But subsection (2) does not apply in relation to an amount of special withholding tax levied if—
(a) the person has obtained relief from double taxation in respect of that special withholding tax under the law of a territory outside the United Kingdom, and
(b) the person was resident in that territory, or was treated as being so resident under any double taxation arrangements, in the year of assessment in question.

109 Capital gains tax credit etc for special withholding tax

(1) This section applies where—
(a) a person makes a disposal of assets in a year of assessment,
(b) on the assumption that a chargeable gain were to accrue on the disposal,—
    (i) it would accrue to the person, and
    (ii) he would be chargeable to capital gains tax in respect of it,
(c) the consideration for the disposal consists of or includes an amount of savings income,
(d) special withholding tax is levied in respect of the whole or any part of the consideration for the disposal, and
(e) the person is resident in the United Kingdom for that year of assessment.

(2) For the purposes of subsection (1)(b)(ii), there are to be disregarded—
(a) any deductions that fall to be made from the total amount referred to in section 2(2) of the Taxation of Chargeable Gains Act 1992 (c. 12) (deductions for allowable losses),
(b) section 3 of that Act (annual exempt amount), and
(c) section 77(1) of that Act (settlor with interest in settlement: trustees not to be chargeable in certain circumstances).

(3) On the making of a claim, capital gains tax (“the deemed tax”) of an amount equal to the amount of the special withholding tax levied is to be treated as having been paid—
(a) by or on behalf of the person for that year of assessment, and
(b) for the purposes of section 283(2) of the Taxation of Chargeable Gains Act 1992 (repayment supplements: determination of relevant time), on 31st January next following that year of assessment.
(4) For the purposes of the application of the following provisions in relation to the person for that year of assessment, references in those provisions to income tax deducted at source for that year of assessment are to be taken to include the amount of the deemed tax—

section 7 of the Taxes Management Act 1970 (c. 9) (notice of liability to income tax and capital gains tax);
section 8 of that Act (personal return);
section 8A of that Act (trustee’s return);
section 9 of that Act (returns to include self-assessment);
section 59B of that Act (payments of income tax and capital gains tax).

(5) Where the amount of the deemed tax exceeds the amount (which may be nil) of capital gains tax for which the person is liable for the year of assessment (before any set-off for the deemed tax), then, to the extent that it would not otherwise be the case,—

(a) the excess is to be set against any income tax for which he is liable for the year of assessment, and
(b) he is entitled to a repayment of capital gains tax in respect of any remaining balance of that excess.

(6) But subsection (3) does not apply in relation to an amount of special withholding tax levied if—

(a) the person has obtained relief from double taxation in respect of that special withholding tax under the law of a territory outside the United Kingdom, and
(b) he was resident in that territory, or was treated as being so resident under any double taxation arrangements, in the year of assessment in question.

(7) To the extent that section 108 of this Act applies in relation to an amount of special withholding tax levied (or would so apply on the making of a claim), this section does not apply in relation to that amount.

110 Credit under Part 18 of Taxes Act 1988 to be allowed first

(1) Any credit for foreign tax that falls to be allowed under Chapters 1 and 2 of Part 18 of the Taxes Act 1988 (double taxation relief) against income tax or capital gains tax is to be so allowed before effect is given to section 108 or 109.

(2) In this section “foreign tax” has the same meaning as in Chapter 2 of Part 18 of the Taxes Act 1988 (see section 792(1) of that Act).

Computation of income etc

111 Computation of income etc subject to special withholding tax only

(1) This section applies where—

(a) a person is chargeable to income tax in respect of a payment of savings income, or
(b) a chargeable gain accrues to a person on a disposal by him of assets in circumstances where the consideration for the disposal consists of or includes an amount of savings income,
and the conditions in subsections (2) and (3) are satisfied.
(2) The first condition is that special withholding tax is levied in respect of—
   (a) the payment of savings income, or
   (b) the whole or any part of the consideration for the disposal.

(3) The second condition is that no credit for foreign tax in respect of the savings income
or the chargeable gain in question falls to be allowed under Chapters 1 and 2 of Part
18 of the Taxes Act 1988 (double taxation relief) (so that section 795(1) and (2) of
that Act, which make similar provision to subsections (4) to (6) of this section, do
not apply).

(4) If income tax is payable by reference to the amount of the savings income received in
the United Kingdom, the amount received is to be treated for the purposes of income
tax as increased by the amount of special withholding tax levied in respect of it.

(5) If capital gains tax is payable by reference to the amount of the chargeable gain
received in the United Kingdom, the amount received is to be treated for the purposes
of capital gains tax as increased by an amount equal to—

\[ \text{SWT} \times \frac{\text{GUk}}{G - \text{SWT}} \]

where—

SWT is the amount of special withholding tax levied in respect of the whole or the
part of the consideration for the disposal,

GUk is the amount of the chargeable gain received in the United Kingdom, and

G is the amount of the chargeable gain accruing to the person on the disposal.

(6) If neither subsection (4) nor subsection (5) applies, then, in computing—
   (a) the amount of the income or gain in question for the purposes of income tax, or
   (b) the amount of any chargeable gain for the purposes of capital gains tax,
no deduction is to be made for special withholding tax (whether in respect of the same
or any other income or gain or, as the case may be, chargeable gains).

(7) In this section references to special withholding tax are to special withholding tax in
respect of which a claim has been made under this Chapter.

112 Computation of income etc subject to foreign tax and special withholding tax

(1) Section 795 of the Taxes Act 1988 (double taxation relief: computation of income
subject to foreign tax) is amended as follows.

(2) In subsection (1) (remittance basis: grossing up) after “increased by” insert “— (a)
   ” and at the end insert—

   “, and

   (b) the amount of any special withholding tax levied in respect of the
   income.”.

(3) In subsection (2)(a) (other cases: no deduction for foreign tax) after “foreign tax” insert
“ or special withholding tax ”.
(4) After subsection (4) insert—

“(5) In this section—

(a) “special withholding tax” has the same meaning as in Chapter 7 of Part 3 of the Finance Act 2004 (see section 107(3) of that Act); and

(b) references to special withholding tax are to special withholding tax in respect of which a claim has been made under that Chapter.”.

(5) Section 277 of the Taxation of Chargeable Gains Act 1992 (c. 12) (which applies Chapters 1 and 2 of Part 18 of the Taxes Act 1988 in relation to capital gains tax) is amended as follows.

(6) After subsection (1) insert—

“(1A) Subsection (1B) below applies where—

(a) a chargeable gain accrues to a person on a disposal by him of assets in circumstances where the consideration for the disposal consists of or includes an amount of savings income, and

(b) special withholding tax is levied in respect of the whole or any part of the consideration for the disposal.

(1B) In section 795 of the Taxes Act, as applied by this section, for the reference in subsection (1)(b) to the amount of any special withholding tax levied in respect of the income, there shall be substituted a reference to an amount equal to—

\[ SWT \times \frac{GUK}{G - SWT} \]

where—

SWT is the amount of special withholding tax levied in respect of the whole or the part of the consideration for the disposal,

GUK is the amount of the chargeable gain received in the United Kingdom, and

G is the amount of the chargeable gain accruing to the person on the disposal.

(1C) In subsections (1A) and (1B) above “savings income” and “special withholding tax” have the same meaning as in Chapter 7 of Part 3 of the Finance Act 2004 (see section 107 of that Act); and references to special withholding tax are to special withholding tax in respect of which a claim has been made under that Chapter.”.

Certificates to avoid levy of special withholding tax

113 Issue of certificate

(1) This section has effect for enabling the Inland Revenue to issue certificates to be used under the law of a territory outside the United Kingdom implementing—

(a) in the case of a member State, Article 13(1)(b) of the Savings Directive (procedure to avoid levy of special withholding tax where beneficial owner
presents to his paying agent certificate drawn up by competent authority of his member State of residence for tax purposes), or

(b) in the case of a territory other than a member State, any corresponding provision of international arrangements (whatever the period for which the provision is to have effect).

(2) If, on the written application of a person, the Inland Revenue are satisfied that the applicant has provided them with—

(a) the required information, and

(b) such documents as they may require to verify that information,

the Inland Revenue must issue a certificate to the applicant.

(3) “The required information” means—

AVOIDANCE: MISCELLANEOUS

Finance leasebacks

(1) After section 228 of the Capital Allowances Act 2001 (c. 2) (sale and leaseback: election) insert—
**228A Application of sections 228B to 228E**

(1) Sections 228B to 228E apply where—
   (a) plant or machinery is the subject of a sale and finance leaseback for the purposes of section 221, and
   (b) section 222 (restriction of disposal value) applies.

(2) Sections 228B to 228D also apply, with the modifications set out in section 228F, where plant or machinery is the subject of a lease and finance leaseback (as defined in section 228F).

**228B Lessee’s income or profits: deductions**

(1) For the purpose of income tax or corporation tax, in calculating the lessee’s income or profits for a period of account the amount deducted in respect of amounts payable under the leaseback may not exceed the permitted maximum.

(2) The permitted maximum is the total of—
   (a) finance charges shown in the accounts, and
   (b) depreciation, taking the value of the plant or machinery at the beginning of the leaseback to be the restricted disposal value.

(3) In relation to a period of account during which the leaseback terminates, the permitted maximum shall also include an amount calculated in accordance with subsection (4).

(4) The calculation is—

\[
\text{CurrentBookValue} \times \frac{\text{OriginalConsideration}}{\text{OriginalBookValue}}
\]

where—

“Current Book Value” means the net book value of the leased plant or machinery immediately before the termination,

“Original Consideration” means the consideration payable to S for entering into the relevant transaction, and

“Original Book Value” means the net book value of the leased plant or machinery at the beginning of the leaseback.

**228C Lessee’s income or profits: termination of leaseback**

(1) Subsection (2) applies where the leaseback terminates.

(2) For the purpose of the calculation of income tax or corporation tax, the income or profits of the lessee from the relevant qualifying activity for the period in which the termination occurs shall be increased by an amount calculated in accordance with subsection (3).
(3) The calculation is—

\[
\text{Net Consideration} \times \frac{\text{Current Book Value}}{\text{Original Book Value}}
\]

where—

“Net Consideration” means—

(a) the consideration payable to S for entering into the relevant transaction, minus

(b) the restricted disposal value,

“Current Book Value” means the net book value of the leased plant or machinery immediately before the termination, and

“Original Book Value” means the net book value of the leased plant or machinery at the beginning of the leaseback.

(4) In this section “relevant qualifying activity” means the qualifying activity for the purposes of which the leased plant or machinery was used immediately before the termination.

(5) Section 228B has no effect on the treatment for the purposes of income tax or corporation tax of amounts received by way of refund on the termination of a leaseback of amounts payable under it.

(6) In subsection (5), “amounts received by way of refund” includes any amount that would be so received in respect of the lessee’s interest under the leaseback if any amounts due to the lessor under the leaseback were disregarded.

228D Lessor’s income or profits

(1) This section applies in relation to the calculation of the lessor’s income or profits for a period of account for the purpose of income tax or corporation tax.

(2) Where—

(a) an amount receivable in respect of the lessor’s interest under the leaseback falls to be taken into account in that calculation, and

(b) that amount is reduced by an amount due to the lessee under the leaseback,

that reduction shall be disregarded when taking the amount receivable into account.

(3) The amounts receivable in respect of the lessor’s interest under the leaseback that fall to be taken into account in that calculation may be disregarded to the extent that they exceed the permitted threshold (whether or not subsection (2) applies).

(4) The permitted threshold is the total of—

(a) gross earnings, and

(b) the allowable proportion of the capital repayment.
(5) In subsection (4)(a) “gross earnings” means the amount shown in the lessor’s accounts in respect of the lessor’s gross earnings under the leaseback.

(6) In subsection (4)(b) “allowable proportion of the capital repayment” means the amount obtained by this calculation—

\[
\text{RestrictedDisposableValue} \times \frac{\text{InvestmentReduction}}{\text{NetInvestment}}
\]

where—

“Investment Reduction For Period” means the amount shown in the lessor’s accounts in respect of the reduction in net investment in the leaseback, and

“Net Investment” means the amount shown in the lessor’s accounts as the lessor’s net investment in the leaseback at the beginning of its term.

(7) This section does not apply to a leaseback if the lessee is a lessee by way of an assignment made before 17 March 2004.

228E Lessor’s income or profits: termination of leaseback

(1) Subsection (2) applies where—
   (a) the leaseback terminates,
   (b) the lessor disposes of the plant or machinery, and
   (c) the amount of the disposal value required to be brought into account because of that disposal is limited by section 62.

(2) For the purpose of income tax or corporation tax, in calculating the lessor’s income or profits for the period in which the termination occurs the amount deducted in respect of any amount refunded to the lessee may not exceed the amount to which the disposal value is limited by section 62.

228F Lease and finance leaseback

(1) Sections 228B, 228C and 228D apply, with the following modifications, where plant or machinery is the subject of a lease and finance leaseback.

(2) In determining the permitted maximum for the purposes of section 228B, depreciation shall be disregarded.

(3) In the calculation under section 228C(3), the amount of the consideration referred to in subsection (6)(b) of this section shall be substituted for the Net Consideration.

(4) In determining the permitted threshold for the purposes of section 228D, the allowable proportion of the capital repayment shall be disregarded.

(5) Plant or machinery is the subject of a lease and finance leaseback if—
   (a) a person (“S”) leases the plant or machinery to another (“B”),
   (b) after the date of that transaction, the use of the plant or machinery falls within sub-paragraph (i), (ii) or (iii) of section 221(1)(b), and
(c) it is directly as a consequence of having been leased under a finance lease that the plant or machinery is available to be so used after that date.

(6) For the purposes of subsection (5), S leases the plant or machinery to B only if—

(a) S grants B rights over the plant or machinery,
(b) consideration is given for that grant, and
(c) S is not required to bring all of that consideration into account under this Part.

(7) Plant or machinery is not the subject of a lease and finance leaseback for the purposes of this section in any case where the condition in subsection (6)(c) is met only because of an election under section 199 made before 18 May 2004.

(8) In the application of sections 228B to 228D in relation to a lease and finance leaseback—

(a) references to the lessee are references to the person referred to as S in this section, and
(b) references to the lessor are references to the person referred to as B in this section or, where appropriate, to an assignee of that person.

228G Leaseback not accounted for as finance lease in accounts of lessee

(1) Sections 228B and 228C are subject to this section in their application in relation to a leaseback that is not accounted for as a finance lease in the accounts of the lessee.

(2) Subsection (3) applies where the leaseback is accounted for as a finance lease in the accounts of a person connected with the lessee; and in that subsection “relevant calculation” means the calculation of—

(a) the permitted maximum for the purposes of section 228B, or
(b) the amount by which the income or profits of the lessee are to be increased in accordance with section 228C.

(3) Where an amount that falls to be used for the purposes of a relevant calculation—

(a) cannot be ascertained by reference to the lessee’s accounts because the leaseback is not accounted for as a finance lease in those accounts, but
(b) can be ascertained by reference to the connected person’s accounts for one or more periods, that amount as ascertained by reference to the connected person’s accounts shall be used for the purposes of the relevant calculation.

(4) Subsections (5) and (6) apply in a case where the leaseback is not accounted for as a finance lease in the accounts of a person connected with the lessee.

(5) Sections 228B and 228C do not apply in relation to the leaseback.

(6) If the term of the leaseback begins on or after 18 May 2004 then, for the purposes of income tax or corporation tax, the income or profits of the lessee
from the relevant qualifying activity for the period of account during which the term of the leaseback begins shall be increased by—

(a) the net consideration for the purposes of section 228C(3) (in the case of a sale and finance leaseback), or

(b) the consideration referred to in section 228F(6)(b) (in the case of a lease and finance leaseback).

(7) For the purposes of this section the leaseback is accounted for as a finance lease in a person’s accounts if—

(a) the leaseback falls, under generally accepted accounting practice, to be treated in that person’s accounts as a finance lease or loan, or

(b) in a case where the leaseback is comprised in other arrangements, those arrangements fall, under generally accepted accounting practice, to be so treated.

228H Sections 228A to 228G: supplementary

(1) In sections 228A to 228G—

“lessee” does not include a person who is lessee by way of an assignment;
the “net book value”of leased plant or machinery means the book value of the plant or machinery having regard to any relevant entry in the lessee’s accounts, but—

(a) also having regard to depreciation up to the time in question, and

(b) disregarding any revaluation gains or losses and any impairments;
“restricted disposal value” means the disposal value under section 222;
“termination” in relation to a leaseback includes (except in section 228E)—

(a) the assignment of the lessee’s interest,

(b) the making of any arrangements (apart from an assignment of the lessee’s interest) under which a person other than the lessee becomes liable to make some or all payments under the leaseback, and

(c) a variation as a result of which the leaseback ceases to be a finance lease.

(2) In a case where accounts drawn up are not correct accounts, or no accounts are drawn up—

(a) the provisions of sections 228A to 228G apply as if correct accounts had been drawn up, and

(b) amounts referred to in any of those sections as shown in accounts are those that would have been shown in correct accounts.

(3) In a case where accounts are drawn up in reliance upon amounts derived from an earlier period of account for which correct accounts were not drawn up, or no accounts were drawn up, amounts referred to in sections 228A to 228G as shown in the accounts for the later period are those that would have been shown if correct accounts had been drawn up for the earlier period.
(4) In subsections (2) and (3) “correct accounts” means accounts drawn up in accordance with generally accepted accounting practice.

228J Plant or machinery subject to further operating lease

(1) This section applies where—
   (a) plant or machinery is the subject of—
      (i) a sale and finance leaseback, or
      (ii) a lease and finance leaseback, and
   (b) some or all of the plant or machinery becomes, while the subject of the leaseback, also the subject of a lease in relation to which the following conditions are met—
      (i) the term of the lease begins on or after 18 May 2004;
      (ii) S, or a person connected with S, is the lessee under the lease;
      (iii) the lease is not accounted for as a finance lease in the accounts of the lessee.

(2) For the purpose of income tax or corporation tax, in calculating the lessee’s income or profits for a period of account the amount deducted in respect of amounts payable under the operating lease shall not exceed the relevant amount.

(3) Subsections (4) and (5) apply in relation to the calculation of the lessor’s income or profits for a period of account for the purpose of income tax or corporation tax.

(4) Where—
   (a) an amount receivable in respect of the lessor’s interest under the operating lease falls to be taken into account in that calculation, and
   (b) that amount is reduced by an amount due to the lessee under the operating lease,
    that reduction shall be disregarded when taking the amount receivable into account.

(5) The amounts receivable in respect of the lessor’s interest under the operating lease that fall to be taken into account in that calculation may be disregarded to the extent that they exceed the relevant amount (whether or not subsection (4) applies).

(6) Where only some of the plant or machinery is the subject of the operating lease, subsections (2) to (5) shall apply subject to such apportionments as may be just and reasonable.

(7) For the purposes of this section a lease is accounted for as a finance lease in a person’s accounts if—
   (a) the lease falls, under generally accepted accounting practice, to be treated in that person’s accounts as a finance lease or loan, or
   (b) in a case where the lease is comprised in other arrangements, those arrangements fall, under generally accepted accounting practice, to be so treated.

(8) In this section—

“lessee” means the lessee under the operating lease;
“lessor” means the lessor under the operating lease;
“operating lease” means the lease referred to in subsection (1)(b);
“relevant amount” means an amount equal to the permitted maximum under section 228B as it applies in relation to the leaseback.”.

(2) In sections 228A to 228J of the Capital Allowances Act 2001 (c. 2) (as inserted by subsection (1) above), a reference to a provision of that Act includes a reference to an equivalent provision of the Capital Allowances Act 1990 (c. 1) (with any necessary modification).

(3) This section applies to income tax and corporation tax chargeable in relation to periods that end on or after 17 March 2004.

(4) Schedule 23 contains transitional provision.

135 Rent factoring of leases of plant or machinery

(1) After section 785 of the Taxes Act 1988 insert—

“785A Rent factoring of leases of plant or machinery

(1) This section applies in any case where the following conditions are satisfied—
(a) a person (call him “P”) is entitled to receive rentals under a lease of plant or machinery,
(b) the rentals, so far as receivable by him, fall to be brought into account as income for the purpose of calculating his tax liability,
(c) P enters into arrangements for the transfer of his right to receive some or all of the rentals to another person,
(d) apart from this section, some or all of the amount or value of the consideration for the transfer (“the relevant portion of the consideration”) would fall to be brought into account neither—
(i) as income, nor
(ii) as a capital allowances disposal receipt,
for the purpose of calculating P’s tax liability.
(2) In any such case, the relevant portion of the consideration—
(a) shall be treated for tax purposes as income of P,
(b) shall be taxable as rentals receivable by P under the lease (apart from any transfer of his right to receive some or all of the rentals), and
(c) shall be brought into account in a period of account to the extent that it is receivable in that period of account.
(3) Any reference to the transfer from P to another person of a right to receive rentals includes a reference to any arrangement under which rental ceases to form part of the receipts taken into account as income for the purposes of calculating P’s tax liability.
(4) Where P is a partnership, any reference in this section to calculating P’s tax liability includes a reference to calculating the tax liability of the partners, notwithstanding that the partnership has legal personality.

136 Manufactured dividends

Schedule 24 to this Act (which makes provision in relation to cases where payments are or have been made, or treated as made, which are representative of dividends on shares of companies resident in the United Kingdom) has effect.

137 Manufactured payments under arrangements having an unallowable purpose

(1) In Schedule 23A to the Taxes Act 1988 (manufactured dividends and interest) after paragraph 7 (irregular manufactured payments) insert—

“7A (1) This paragraph applies in any case where—

(a) a manufactured payment falls to be made by a company in an accounting period in pursuance of any arrangements (see subparagraphs (9) and (10) for definitions), and

(b) the arrangements have an unallowable purpose at any time (see subparagraphs (3) to (5)).

But this is subject to sub-paragraph (8) below (cases where tax relief is denied apart from this paragraph).

(2) The company is not entitled, by virtue of anything in this Schedule or any provision of regulations under it, or otherwise, to any relevant tax relief (see sub-paragraph (10)), to the extent that the relief is in respect of, or referable to, the whole or any part of so much of the manufactured payment as, on a just and reasonable apportionment, is attributable to the unallowable purpose.

(3) Arrangements have an unallowable purpose at any time if at that time the purposes for which the company is a party to—

(a) the arrangements,

(b) any related transaction (see subparagraphs (6) and (7)), or
(c) any transaction in pursuance of the arrangements,
include a purpose (“the unallowable purpose”) which is not among the
business or other commercial purposes of the company.

(4) The business and other commercial purposes of a company do not include
the purposes of any part of its activities in respect of which it is not within
the charge to corporation tax.

(5) Where one of the purposes for which a company is at any time a party to—

(a) any arrangements,
(b) any related transaction in the case of any arrangements, or
(c) any transaction in pursuance of any arrangements,
is a tax avoidance purpose, that purpose shall be taken to be a business or
other commercial purpose of the company only where it is not the main
purpose, or one of the main purposes, for which the company is party to
the arrangements or transaction at that time.

(6) One or more transactions are to be regarded as related transactions, in the
case of any arrangements, if it would be reasonable to assume, from either
or both of—

(a) the likely effect of the transactions, and
(b) the circumstances in which the transactions are entered into or
effected,

that none of the transactions would have been entered into or effected
independently of the arrangements.

(7) Transactions are not prevented from being related transactions, in the case
of any arrangements, just because the transactions—

(a) are not between the same parties, or
(b) are not between the parties to the arrangements.

(8) This paragraph does not apply if, as a result of any of the following
provisions—

(a) section 75(4)(b) (expenses of management of companies with

relationships with unallowable purposes),

the company in question is not entitled to a relevant tax relief in respect
of, or referable to, the whole or any part of the manufactured payment.

The references to sections 75 and 76 are references to those provisions
as they have effect in relation to accounting periods beginning on or after
1st April 2004.

(9) Any reference in this paragraph to a manufactured payment falling to
be made by a company includes a reference to a manufactured payment
which is deemed by or under any provision of the Tax Acts to be made by
a company (and references to a transaction, or to a company being party
to a transaction, are to be construed accordingly).

(10) In this paragraph—

“tax avoidance purpose” means any purpose that consists in securing a tax advantage (whether for the company in question or any other person);

and sub-paragraphs (3) to (7) above have effect for the purposes of this paragraph.”.

(2) The amendment made by subsection (1) has effect—
(a) in the case of new arrangements, in relation to manufactured payments made, or deemed by or under any provision of the Tax Acts to be made, on or after the commencement date, and
(b) in the case of old arrangements, in relation to manufactured payments made, or deemed by or under any provision of the Tax Acts to be made, on or after the day on which this Act is passed.

(4) But where—

(b) the income or gain is or was within the charge to corporation tax, and
(c) a manufactured payment in pursuance of the arrangements is made, or deemed by or under any provision of the Tax Acts to be made, by the company on or after the day on which this Act is passed,

the amendment made by subsection (1) does not have effect in relation to so much of the manufactured payment as (on such just and reasonable apportionments as may be necessary) represents the income or gain.

(5) For the purposes of subsection (4)—
(a) “income” includes any income deemed by or under any provision of the Tax Acts to arise or accrue,

Recognised transfers

(1) A “recognised transfer” is a transfer of sums or assets held for the purposes of, or representing accrued rights under, a registered pension scheme so as to become held for the purposes of, or to represent rights under—

(a) another registered pension scheme, or

(b) a qualifying recognised overseas pension scheme, in connection with a member of that pension scheme.

[F130](1A) A transfer of sums or assets held for the purposes of, or representing accrued rights under, a registered pension scheme to an insurance company is to be treated as a recognised transfer if the sums or assets had been applied by the pension scheme towards the provision of a scheme pension or a dependants’ scheme pension (but subject to regulations under subsections (1B) and (1C)).

(1B) The Board of Inland Revenue may by regulations provide that, where any of the sums or assets transferred represent rights in respect of a scheme pension to which a member of a registered pension scheme has become entitled (“the original scheme pension”)—

(a) the transfer is not a recognised transfer unless those sums and assets are, after the transfer, applied towards the provision of a scheme pension (a “new scheme pension”), and

(b) if they are so applied, the new scheme pension is to be treated, to such extent as is prescribed by the regulations and for such of the purposes of this Part as are so prescribed, as if it were the original scheme pension.

(1C) The Board of Inland Revenue may by regulations provide that, where any of the sums or assets transferred represent rights in respect of a dependants' scheme pension to which a dependant of a member of a registered pension scheme has become entitled in respect of the member (“the original dependants' scheme pension”)—

(a) the transfer is not a recognised transfer unless those sums and assets are, after the transfer, applied towards the provision of a dependants' scheme pension (a “new dependants' scheme pension”), and

(b) if they are so applied, the new dependants' scheme pension is to be treated, to such extent as is prescribed by the regulations and for such of the purposes of this Part as are so prescribed, as if it were the original dependants' scheme pension.
The Board of Inland Revenue may by regulations provide that, where any of the sums or assets transferred represent—

(a) a person's unsecured pension fund or dependant's unsecured pension fund, or
(b) a person's alternatively secured pension fund or dependant's alternatively secured pension fund,

under an arrangement (“the old arrangement”), the transfer is not a recognised transfer unless all of those sums and assets become held under an arrangement under which no other sums or assets are held (“the new arrangement”).

If regulations so provide they may make in relation to cases in which the sums and assets become so held provision as to the treatment for the purposes of any provision of this Part of—

(a) the sums and assets transferred, and
(b) the new arrangement,

including provision for treating the sums and assets transferred as remaining, to such extent as is prescribed by the regulations and for such of the purposes of this Part as are so prescribed, sums and assets held under the old arrangement.

For the purposes of this Part a recognised overseas pension scheme is a qualifying recognised overseas pension scheme if—

(a) the scheme manager has given to the Inland Revenue notification that it is a recognised overseas pension scheme and has provided any such evidence that it is a recognised overseas pension scheme as the Inland Revenue may require,
(b) the scheme manager has undertaken to the Inland Revenue to inform the Inland Revenue if it ceases to be a recognised overseas pension scheme,
(c) the scheme manager has undertaken to the Inland Revenue to comply with any prescribed information requirements imposed on the scheme manager, and
(d) the recognised overseas pension scheme is not excluded from being a qualifying recognised overseas pension scheme by subsection (5).

In this Part “scheme manager”, in relation to a pension scheme, means the person or persons administering, or responsible for the management of, the pension scheme.

(b) requirements specified by regulations so made to provide information to an authority so specified in circumstances so specified.

A recognised overseas pension scheme is excluded from being a qualifying recognised overseas pension scheme by this subsection if the Inland Revenue has decided that—

(a) there has been a failure to comply with any prescribed information requirements imposed on the scheme manager and the failure is significant, and
(b) by reason of the failure it is not appropriate that transfers of sums or assets held for the purposes of, or representing accrued rights under, registered pension schemes so as to become held for the purposes of, or to represent rights under, the recognised overseas pension scheme should be recognised transfers, and has notified the person or persons appearing to be the scheme manager of that decision (but subject to subsection (7) and section 170).
(6) A failure to comply with prescribed information requirements imposed on the scheme manager is significant if—
   (a) the amount of the information which has not been provided is substantial, or
   (b) the failure to provide the information is likely to result in serious prejudice to the assessment or collection of tax.

(7) The Inland Revenue—
   (a) may at any time after a recognised overseas pension scheme becomes excluded from being a qualifying recognised overseas pension scheme decide that the pension scheme is to cease to be so excluded, and
   (b) must notify the scheme manager of the decision.

(1) This section applies where a recognised overseas pension scheme is excluded from being a qualifying recognised overseas pension scheme by a decision of the Inland Revenue under section 169(5).

(2) The scheme manager may appeal against the decision.

F131 (3) ..................................................
F131 (4) ..................................................

(5) An appeal under this section against a decision must be brought within the period of 30 days beginning with the day on which the notification of the decision was given.

(6) F132 On an appeal that is notified to the tribunal, the tribunal must consider whether the recognised overseas pension scheme ought to have been excluded from being a qualifying recognised overseas pension scheme.

(7) If F133 the tribunal decides that the recognised overseas pension scheme ought to have been excluded from being a qualifying recognised overseas pension scheme, F134 the tribunal must dismiss the appeal.

(8) If F135 the tribunal decides that the recognised overseas pension scheme ought not to have been excluded from being a qualifying recognised overseas pension scheme, the recognised overseas pension scheme is to be treated as having remained a qualifying recognised overseas pension scheme (but subject to any further appeal F136 ...).

   (b) payments made for the purchase of assets to be held for the purposes of the pension scheme.

(1) Subsection (2) applies if a member of a registered pension scheme (or the member’s personal representatives) assigns or agrees to assign

\[ F139(a) \] any benefit, other than an excluded pension, to which the member (or any dependant of the member) has an actual or prospective entitlement under the pension scheme, or

\( b \) any right in respect of any sums or assets held for the purposes of any arrangement under the pension scheme.

(3) Subsection (4) applies if a person (or a person’s personal representatives) assigns or agrees to assign

\[ F140(a) \] any benefit, other than an excluded pension, to which the person has prospective entitlement under the pension scheme in respect of a member of the pension scheme, or

\[ F141 \] any right in respect of any sums or assets held for the purposes of any arrangement relating to a member of the pension scheme.

(4) Unless the assignment or agreement is pursuant to a pension sharing order or provision, the pension scheme is to be treated as making an unauthorised payment to the person (or the person’s personal representatives) in respect of the member.

(5) The amount of the unauthorised payment is the greater of—

\( a \) the consideration received in respect of the assignment or agreement, and

\( b \) the consideration which might be expected to be received in respect of the assignment or agreement if the parties to the transaction were at arm’s length and any power to reduce the entitlement to the benefit or right did not exist.

(6) Where a pension scheme is treated by this section as having made an unauthorised payment in relation to an assignment (or an agreement to assign), payments by the pension scheme of the benefit or right assigned (or agreed to be assigned) are not unauthorised payments.

\[ F145(6A) \] References in this section to a benefit to which the member or a person has an entitlement under the pension scheme includes rights to payments under—

\( a \) a scheme pension or dependants’ scheme pension provided by the scheme administrator or as a result of the application of sums or assets held for the purposes of the pension scheme, or

\( b \) a lifetime annuity or dependants’ annuity purchased by the application of sums or assets held for the purposes of the pension scheme.

\[ F146(7) \] An excluded pension is so much of any pension which under pension rule 2 may continue to be paid after the member’s death as may be so paid.

(5) Subsections (2) and (4) do not apply to—

(a) a surrender pursuant to a pension sharing order or provision,

(b) a surrender (or agreement to surrender) by the member in return for the conferring on a dependant of an entitlement to benefits after the member's death,
(c) a transfer of (or agreement to transfer) benefits or rights so as to become benefits or rights under another arrangement under the pension scheme relating to the member or dependant,

(9) In this section “surrender”, in relation to any benefit or right of a member (or dependant of a member) of a pension scheme or other person, includes any schemes, arrangements or understandings of any kind (whether or not legally enforceable) the main purpose, or one of the main purposes, of which is to reduce the member's (or dependant's), or person's, entitlement to the benefit or right.

(d) the surrender and the making of the new arrangement constitute or form part of a transaction the purpose of which is to secure that the activities of the pension scheme are limited to retirement-benefit activities within the meaning of section 255 of the Pensions Act 2004 or Article 232 of the Pensions (Northern Ireland) Order 2005, and

(e) the rights surrendered and the rights conferred under the new arrangement are not significantly different.

(11) \[F155\] For the purposes of this section whether a person is connected with another person is determined in accordance with section 993 of ITA 2007.

(b) otherwise, is the amount which would be the cash equivalent of the benefit under the benefits code if the benefit were received by reason of an employment and the benefits code applied to it.

(9) For the purposes of subsection (8)—

(a) references in the benefits code to the employee are to be treated as references to the \[F180\] person who is or has been a \[F180\] member, and

(b) references in the benefits code to the employer are to be treated as references to the pension scheme.

(10) In this section—

“the benefits code” has the meaning given by section 63(1) of ITEPA 2003,

“director” has the meaning given by section 67 of that Act,

“excluded employment” has the meaning given by section 63(4) of that Act, and

“material interest” has the meaning given by section 68 of that Act.

(11) Section 721 of ITEPA 2003 applies for the purposes of determining the members of a person’s family or household.
174 Value shifting

(1) A registered pension scheme is to be treated as having made an unauthorised payment to a person who is or has been a member of the pension scheme if, in connection with any of the events mentioned in subsection (3) or a change in the value of a currency—

(a) the value of an asset held for the purposes of the pension scheme is reduced or a liability of the pension scheme is increased, and

(b) the value of an asset held by or for the benefit of a person is increased, a liability of the person is reduced, or a liability of another person is reduced for the benefit of a person.

(2) But if the event or the change in the value of the currency occurs after the person's death—

(a) the pension scheme is to be treated as having made an unauthorised payment in respect of the person (rather than to the person), and

(b) the person who holds the asset or is subject to the liability in relation to which subsection (1)(b) is satisfied is to be treated as having received the unauthorised payment.

(3) The events are—
(a) the creation, alteration, release or extinction of any power, right, option or liability relating to assets held for the purposes of the pension scheme (whether or not provided for in the terms on which the asset is acquired or held),

(b) the creation, alteration, release or extinction of any power, right or option relating to a liability of the pension scheme (whether or not provided for in the terms on which the liability is incurred),

(c) the exercise of, or failure to exercise, any power, right or option in relation to assets held for the purposes of the pension scheme or a liability of the pension scheme, or

(d) the exercise of, or failure to exercise, any power, right or option which constitutes an asset held for the purposes of the pension scheme, in a way which differs from that which might be expected if the parties to the transaction were at arm’s length.

(4) The amount of the unauthorised payment is the amount by which the reduction in value of the asset held for the purposes of the pension scheme, or the increase in the liability of the pension scheme, exceeds that which might be expected if the parties to the transaction were at arm’s length.

(5) Regulations made by the Board of Inland Revenue may make provision as to how the excess is to be calculated in relation to events of a description specified in the regulations (including provision as to the times at which the asset or liability is to be valued).

(1) A loan made to or in respect of a [F187 person who is or has been a] sponsoring employer is an authorised employer loan if—

(3) Scheme administration employer payments include in particular—

(a) the payment of wages, salaries or fees to persons engaged in administering the pension scheme, and

181 **Value shifting**

(1) A registered pension scheme that is an occupational pension scheme is to be treated as having made an unauthorised payment to a \[F192\]person who is or has been a [sponsoring employer if, in connection with any of the events mentioned in subsection (2) or a change in the value of a currency—

(a) the value of an asset held for the purposes of the pension scheme is reduced or a liability of the pension scheme is increased, and

(b) the value of an asset held by or for the benefit of the [\[F193\]person] is increased, a liability of the [\[F193\]person] is reduced, or a liability of another person is reduced for the benefit of the [\[F193\]person].

(3) The amount of the unauthorised payment is the amount by which the reduction in value of the asset held for the purposes of the pension scheme, or the increase in the liability of the pension scheme, exceeds that which might be expected if the parties to the transaction were at arm’s length.

(4) Regulations made by the Board of Inland Revenue may make provision as to how the excess is to be calculated in relation to events of a description specified in the regulations (including provision as to the times at which the asset or liability is to be valued).
181A Minimum level of payment

(1) The total amount of alternatively secured pension paid to a member of a registered pension scheme in each alternatively secured pension year in respect of a money purchase arrangement under the pension scheme must be at least 55% of the basis amount for the alternatively secured pension year (but subject to subsection (5)).

(2) The total amount of dependants' alternatively secured pension paid to a dependant of a member of a registered pension scheme in each alternatively secured pension year in respect of a money purchase arrangement under the pension scheme must be at least 55% of the basis amount for the alternatively secured pension year (but subject to subsection (5)).

(3) If subsection (1) or (2) is not complied with in an alternatively secured pension year in the case of any arrangement under a registered pension scheme, the pension scheme is to be treated as having made a scheme chargeable payment when the alternatively secured pension year ends.

(4) The amount of the scheme chargeable payment is the difference between—

(a) the total amount of alternatively secured pension paid to the member, or of the dependants' alternatively secured pension paid to the dependant, in respect of the arrangement in the alternatively secured pension year, and

(b) 55% of the basis amount for the alternatively secured pension year,

(or, if nothing is so paid, 55% of the basis amount for the alternatively secured pension year).

(5) Subsection (1) or (2) does not apply in relation to an alternatively secured pension year if—

(a) it is the alternatively secured pension year ending immediately before the death of the member or dependant, or

(b) in the alternatively secured pension year the member’s alternatively secured pension fund, or the dependant’s alternatively secured pension fund, in respect of the arrangement is applied on pension or annuity provision (see subsection (6)).
(6) The member’s alternatively secured pension fund, or the dependant’s alternatively secured pension fund, in respect of the arrangement is applied on pension or annuity provision if all of the sums and assets representing it are applied in one or more of the following ways—

(a) towards the provision of a scheme pension or dependants' scheme pension;
(b) to purchase a scheme pension or dependants' scheme pension;
(c) to purchase a lifetime annuity or dependants' annuity.

Borrowing

182 Unauthorised borrowing: money purchase arrangements

(1) A registered pension scheme is not authorised to borrow an amount in respect of a money purchase arrangement unless the arrangement borrowing condition is met.

(2) The arrangement borrowing condition is met if—

\[
\left( \frac{APB + PB}{2} \right) \leq \frac{VA}{2}
\]

where—

APB is the aggregate of the amounts previously borrowed in respect of the arrangement (excluding any amounts which have been repaid),

PB is the amount proposed to be borrowed in respect of the arrangement, and

VA is the value of the arrangement.

(3) The value of the arrangement is the aggregate of—

(a) the amount of such of the sums and the market value of such of the assets as represent the member’s unsecured pension fund or alternatively secured pension fund in respect of the arrangement (if any),

(b) the amount of such of the sums and the market value of such of the assets as represent dependants' unsecured pension funds or alternatively secured pension funds in respect of the arrangement (if any),

(c) the aggregate of the value of each scheme pension or dependants' scheme pension payable in respect of the arrangement, and

(d) the value of the uncrystallised rights under the arrangement.

(4) The value of a scheme pension or dependants' scheme pension payable in respect of the arrangement is—

\[
RVF \times ARP
\]

where—
RVF is the relevant valuation factor (see section 276), and
ARP is the annual rate at which the pension is payable.

(5) Rights are uncrystallised if no-one has become entitled to the present payment of benefits in respect of the rights; and a person is to be treated as entitled to the present payment of benefits in respect of the sums and assets representing the person’s unsecured pension fund or alternatively secured pension fund.

(6) If the arrangement is a cash balance arrangement, the value of the uncrystallised rights under the arrangement is the amount which would, on the valuation assumptions (see section 277), be available for the provision of benefits in respect of those rights if a person became entitled to benefits in respect of those rights.

(7) If the arrangement is a money purchase arrangement other than a cash balance arrangement, the value of the uncrystallised rights under the arrangement is the aggregate of the amount of such of the sums, and the market value of such of the assets, held for the purposes of the arrangement as represent those rights.

(8) If the arrangement is a hybrid arrangement under which either cash balance benefits or other money purchase benefits (but not defined benefits) may be provided, the value of the uncrystallised rights under the arrangement is the greater of—
   (a) their value calculated under subsection (6) (on the assumption that cash balance benefits are provided), and
   (b) their value calculated under subsection (7) (on the assumption that other money purchase benefits are provided).

Effect of unauthorised borrowing: money purchase arrangements

(1) Subsection (2) applies if a registered pension scheme borrows in respect of a money purchase arrangement an amount which it is not authorised to borrow under section 182.

(2) The pension scheme is to be treated as having made a scheme chargeable payment—
   (a) if subsection (3) applies, of an amount calculated in accordance with subsection (4), and
   (b) otherwise, of the amount borrowed.

(3) This subsection applies if, immediately before the amount is borrowed—

\[ \text{APB} \leq \frac{V_A}{2} \]
(4) If subsection (3) applies, the amount of the scheme chargeable payment is—

\[ \text{APB} + \text{AB} - \frac{\text{VA}}{2} \]

(5) In subsections (3) and (4)—

APB is the aggregate of the amounts previously borrowed in respect of the arrangement (excluding any amounts which have been repaid),

AB is the amount borrowed, and

VA is the value of the arrangement, calculated in accordance with section 182(3), immediately before the amount is borrowed.

184 **Unauthorised borrowing: other arrangements**

(1) A registered pension scheme is not authorised to borrow an amount in respect of any arrangement which is not a money purchase arrangement unless the scheme borrowing condition is met.

(2) The scheme borrowing condition is met if—

\[ (\text{APB} + \text{PB}) < \frac{\text{AARA}}{2} \]

where—

APB is the aggregate of the amounts previously borrowed by the pension scheme in respect of arrangements which are not money purchase arrangements (excluding any amounts which have been repaid),

PB is the amount proposed to be borrowed by the pension scheme, and

AARA is the aggregate amount of the relevant sums and assets.

(3) The aggregate amount of the relevant sums and assets is the aggregate of—

(a) the amount of the sums held for the purposes of such of the arrangements under the pension scheme as are not money purchase arrangements, and

(b) the market value of the assets held for the purposes of such of the arrangements under the pension scheme as are not money purchase arrangements.
185  Effect of unauthorised borrowing: other arrangements

(1) Subsection (2) applies if a registered pension scheme borrows, in respect of an arrangement which is not a money purchase arrangement, an amount which it is not authorised to borrow under section 184.

(2) The pension scheme is to be treated as having made a scheme chargeable payment—
   (a) if subsection (3) applies, of an amount calculated in accordance with subsection (4), and
   (b) otherwise, of the amount borrowed.

(3) This subsection applies if, immediately before the amount is borrowed—

\[ \text{APB} < \frac{\text{AARA}}{2} \]

(4) If subsection (3) applies, the amount of the scheme chargeable payment is—

\[ \text{APB} + \text{AB} - \frac{\text{AARA}}{2} \]

(5) In subsections (3) and (4)—
   APB is the aggregate of the amounts previously borrowed by the pension scheme in respect of arrangements which are not money purchase arrangements (excluding any amounts which have been repaid),
   AB is the amount borrowed, and
   AARA is the aggregate amount of the relevant sums and assets, calculated in accordance with section 184(3), immediately before the amount is borrowed.
185A Income from taxable property

(1) An investment-regulated pension scheme is to be treated as having made a scheme chargeable payment if the pension scheme holds an interest in taxable property in a tax year.

(2) The amount of the scheme chargeable payment depends on whether a person who holds the interest in the property directly receives profits arising from the interest in the tax year.

(3) If a person who holds the interest in the property directly receives such profits in the tax year, the amount of the scheme chargeable payment is the greater of—
   (a) an amount equal to the amount of the annual profits from the interest in the property (see section 185B(1)), and
   (b) the amount of the deemed profits from the interest in the property for the year (see sections 185B(2) and 185C).

(4) If no person who holds the interest in the property directly receives such profits in the tax year, the amount of the scheme chargeable payment is the amount of the deemed profits from the interest in the property for the year (see sections 185B(2) and 185C).

(5) But where section 185D applies, the amount of the scheme chargeable payment is the amount found under subsection (3) or (4) as apportioned to the pension scheme in accordance with that section.

(6) Section 185E makes provision for credits against income tax charged under section 239 (scheme sanction charge) in respect of a scheme chargeable payment treated as made by virtue of this section.

185B Annual profits and deemed profits

(1) For the purposes of section 185A(3) the amount of the annual profits from the interest in the property is the total amount of profits received from the interest in the tax year—
   (a) by each person who holds the interest directly, and
   (b) at a time when the property is scheme-held taxable property.

(2) For the purposes of section 185A(3) and (4) the amount of the deemed profits from the interest in the property for the tax year is—

(3) In this Part “scheme-held taxable property” means property—
(a) which is taxable property, and
(b) an interest in which is held by the pension scheme.

185C Deemed market value

(1) For the purposes of section 185B(2), where no person who holds the interest in the property directly during the tax year does so by virtue of a lease of residential property, the deemed market value of the interest for the year is—

\[(MV + UP) \times (1 + RPI)\]

where—

MV is the opening market value (see subsection (2)),

UP is the total of any unauthorised payments treated as made by the pension scheme under section 174A in relation to the property in the tax year, other than any such payment treated as made by virtue of the property becoming scheme-held taxable property in the year, and

RPI is the figure expressed as a decimal which represents the percentage increase in the retail prices index between the first day in the tax year on which the property is scheme-held taxable property and the last such day (or, if there is no such increase, is nil).

(2) In subsection (1) “the opening market value” means—
(a) if the property is not scheme-held taxable property immediately before the beginning of the tax year, the market value of the interest in the property immediately after the time during the year when the property first becomes scheme-held taxable property, and
(b) otherwise, the deemed market value of the interest for the previous tax year.
(3) For the purposes of section 185B(2), where a person who holds the interest in the property directly during the tax year does so by virtue of a lease of residential property, the deemed market value of the interest for the year is the relevant rental value of the property calculated in accordance with paragraph 34 of Schedule 29A on the following assumptions—

(a) that the lease was granted when the property first became scheme-held taxable property;
(b) that the term of the lease is 50 years;
(c) that a fully commercial rent is payable for the first five years of that term;
(d) that afterwards the rent is reviewed on an upwards-only basis.

185D  Apportionment to pension scheme

(1) This section applies where the pension scheme holds the interest in the property indirectly for the whole of the period in the tax year for which the property is scheme-held taxable property.

(2) The amount that would otherwise be the amount of the scheme chargeable payment is to be apportioned to the pension scheme by applying paragraphs 41 to 43 of Schedule 29A to it as if it were the total taxable amount in relation to an unauthorised payment treated as made—

(a) by the pension scheme,
(b) in connection with the acquisition of the interest in the property, and
(c) at the end of the last day in the tax year on which the property is scheme-held taxable property.

(3) But where—

(a) the amount found in relation to the pension scheme on the day mentioned in paragraph (c) of subsection (2), differs from
(b) the amount that would be found in relation to the pension scheme under that subsection on another day in the tax year on which the property is scheme-held taxable property,

the amount to be apportioned to the pension scheme under this section is the average of the amounts produced by applying subsection (2) in relation to the pension scheme on each day in the tax year on which the property is scheme-held taxable property.
185E Credit for tax paid

(1) This section applies where—
   (a) the pension scheme holds the interest in the property indirectly in the tax year,
   (b) a person who holds the interest directly receives profits arising from the interest at a time in the tax year when the property is scheme-held taxable property,
   (c) tax is payable on those profits by that person (assuming them to be the highest part of the person's income for the tax year in which they are received), and
   (d) that tax has been paid.

(2) The amount determined under subsection (3) is to be allowed as a credit against any income tax charged under section 239 in respect of the scheme chargeable payment treated as made by virtue of the pension scheme holding the interest in the property in the tax year.

(3) That amount is a proportion of the tax payable and paid determined by reference to the proportion of the amount that would otherwise be the amount of the scheme chargeable payment that is apportioned to the pension scheme under section 185D.

(4) Where—
   (a) by virtue of this section an amount is allowed as a credit against income tax charged under section 239, and
   (b) the amount of tax payable and paid by reference to which the amount of the credit was calculated is subsequently varied,
   the amount of the credit is to be varied accordingly, and any necessary adjustments are to be made to give effect to the variation (whether by making assessments or otherwise).

185F Gains from taxable property

(1) An investment-regulated pension scheme is to be treated as having made a scheme chargeable payment where—
   (a) in a tax year the pension scheme holds an interest in property which is taxable property or which has been taxable property at any time whilst the interest has been held by the pension scheme (a “taxable interest”),
   (b) a gain is treated as accruing to the pension scheme in respect of the taxable interest in the tax year, and
   (c) the total amount of gains treated as accruing to the pension scheme in respect of taxable interests in the tax year exceeds the total amount of losses treated as accruing to the pension scheme in respect of taxable interests in the tax year.

(2) The amount of the scheme chargeable payment is an amount equal to the difference between—
   (a) the total amount of gains treated as accruing to the pension scheme in respect of taxable interests in the tax year, and
(b) the total amount of losses treated as accruing to the pension scheme in respect of taxable interests in the tax year, (but this is subject to section 185G(10)).

(3) A gain or loss is treated as accruing to a pension scheme in respect of a taxable interest in a tax year if—

(a) by virtue of section 185G a chargeable gain or allowable loss is treated for the purposes of this section as accruing in the tax year to the person who holds the taxable interest directly, or

(b) in the tax year the pension scheme or another vehicle ceases to hold all or part of an interest in a vehicle through which the pension scheme holds the taxable interest indirectly (see section 185H).

185G Disposal by person holding directly

(1) For the purposes of this section the person (“the transferor”) who holds the taxable interest directly is to be treated as holding an asset (a “taxable asset”) consisting of the interest.

(2) For the purpose of determining—

(a) whether the transferor disposes of the taxable asset,

(b) when such a disposal takes place, and

(c) whether a chargeable gain or allowable loss is treated for the purposes of section 185F as accruing to the transferor on a disposal of the taxable asset in a tax year and, if so, the amount of the chargeable gain or allowable loss,

TCGA 1992 is to be treated as applying to the transferor and the taxable asset, but subject as follows.

(3) TCGA 1992 is to be treated as applying as if—

(a) throughout the tax year the transferor were resident, ordinarily resident and domiciled in the United Kingdom,

(b) no allowable losses accrued to the transferor in any previous tax year,

(c) ........................................

(d) notice under section 16(2A) (losses) of that Act were given by the transferor in relation to the year in respect of any loss treated as accruing to the transferor in the year from a disposal of the taxable asset,

(e) section 45(1) (wasting assets) of that Act did not apply to a disposal of the taxable asset,

(f) for the purposes of section 53 (indexation allowance) of that Act the transferor were not chargeable to corporation tax in respect of any chargeable gain accruing to the transferor from a disposal of the taxable asset,

(g) section 171(1) (transfers within a group) of that Act did not apply to a disposal of the taxable asset (so that no election could be made in relation to such a
disposal under section 171A (notional transfers within a group) of that Act), and

(h) sections 222 to 224 (relief on disposal of private residence) of that Act did not apply to a gain on a disposal of the taxable asset by virtue of section 225 (private residence occupied under terms of settlement) of that Act.

(4) Where the taxable asset became taxable property whilst held directly by the pension scheme, TCGA 1992 is to be treated as applying to a disposal of the asset as if—

(a) the asset had been acquired by the transferor at the time it became taxable property, and

(b) the amount deductible under section 38(1)(a) (consideration for acquisition of asset) of that Act in respect of the disposal were the amount of the unauthorised payment treated as made by the pension scheme at that time.

(5) Subsections (6) to (8) apply where the pension scheme holds the taxable asset indirectly.

(6) TCGA 1992 is to be treated as applying to a disposal of the asset as if the amount deductible under section 38(1) of that Act in respect of the disposal were—

(a) the total amount of unauthorised payments treated as made by the pension scheme in respect of the taxable asset up to the time of the disposal, less

(b) the amount found under paragraph (a) to the extent that it has already been taken into account in calculating the gains or losses accruing to the pension scheme in respect of the taxable asset by virtue of this section or section 185H.

(7) The amount that would otherwise be the amount of the consideration for which the disposal is made (or treated as made) is to be scaled down by applying paragraphs 41 to 43 of Schedule 29A to it as if it were the total taxable amount in relation to an unauthorised payment treated as made—

(a) by the pension scheme,

(b) in connection with the acquisition of the interest in the property which constitutes the taxable asset, and

(c) at the time of the disposal.

(8) Subsection (6) is subject to section 42 of TCGA 1992 (part disposals); but in the application of that section in relation to the taxable asset the amount of the consideration for the disposal is to be taken to be that amount apart from subsection (7).

(9) Where the taxable asset was not taxable property for the whole period beginning with—

(a) the time when the pension scheme acquired the asset, or

(b) if later, the time when the asset first became taxable property,

and ending with the disposal, the amount that would otherwise be the amount of any chargeable gain or allowable loss treated as accruing on a disposal of the asset is to be reduced by reference to the proportion of the period for which the asset was not taxable property.

(10) Where—

(a) the taxable asset is a wasting asset consisting of tangible moveable property, and

(b) by virtue of section 185F, a loss is treated as accruing to the pension scheme from a disposal of the asset in a tax year,
the loss is only to be allowed as a deduction from any gains treated as accruing to the pension scheme by virtue of that section from other disposals in the year of taxable assets which are wasting assets consisting of tangible moveable property.

**185H Disposal of interest in vehicle**

(1) This section applies for the purposes of section 185F where the pension scheme or another vehicle ceases to hold all or part of an interest in a vehicle through which the pension scheme holds the taxable interest indirectly.

(2) The pension scheme is to be treated as disposing of the interest in the vehicle through which the pension scheme holds the taxable interest indirectly.

(3) The amount of the gain or loss treated as accruing to the pension scheme on the disposal of the interest in the vehicle is the difference between—

(a) the deemed consideration received for the disposal of the interest, and

(b) the deemed consideration given for the interest.

(4) The deemed consideration received for the disposal of the interest in the vehicle is the difference between—

(a) the market value of the taxable interest at the time of the disposal, apportioned to the pension scheme in accordance with subsection (5) immediately before that time, and

(b) the market value of the taxable interest at the time of the disposal, apportioned to the pension scheme in accordance with subsection (5) immediately after that time.

(5) An amount mentioned in subsection (4) is to be apportioned to the pension scheme by applying paragraphs 41 to 43 of Schedule 29A to it as if it were the total taxable amount in relation to an unauthorised payment treated as made—

(a) by the pension scheme,

(b) in connection with the acquisition of the taxable interest, and

(c) at the time at which the amount is to be apportioned to the pension scheme in accordance with that subsection.

(6) The deemed consideration given for the interest in the vehicle is—

(a) the total amount of unauthorised payments treated as made by the pension scheme in respect of the taxable interest up to the time of the disposal, less

(b) the amount found under paragraph (a) to the extent that it has already been taken into account in calculating the gains or losses accruing to the pension scheme in respect of the taxable interest by virtue of section 185G or this section.
185I  Credit for tax paid

(1) This section applies where by virtue of section 185F a pension scheme is to be treated as making a scheme chargeable payment which is to any extent attributable—

(a) to a chargeable gain treated by virtue of section 185G as accruing to another person on a disposal of a taxable asset, or

(b) to a gain treated by virtue of section 185H as accruing to the pension scheme as a result of another person disposing of an interest in a vehicle through which the pension scheme holds a taxable interest indirectly.

(2) Where—

(a) tax is payable in respect of the disposal by the person who makes the disposal, and

(b) that tax has been paid,

the amount determined under subsection (3) or (4) (as appropriate) is to be allowed as a credit against any income tax charged under section 239 in respect of the scheme chargeable payment.

(3) In a case within paragraph (a) of subsection (1), that amount is a proportion of the amount of tax paid and payable determined by reference to the proportion of the amount of consideration for the disposal that is apportioned under section 185G(7).

(4) In a case within paragraph (b) of subsection (1), that amount is the amount of tax paid and payable apportioned to the pension scheme by applying paragraphs 41 to 43 of Schedule 29A to it as if it were the total taxable amount in relation to an unauthorised payment treated as made—

(a) by the pension scheme,

(b) in connection with an acquisition of the taxable interest by the person disposing of the interest in the vehicle, and

(c) at the time of the disposal.

(5) Where—

(a) by virtue of this section an amount is allowed as a credit against income tax charged under section 239, and

(b) the amount of tax payable and paid by reference to which the amount of the credit was calculated is subsequently varied,

the amount of the credit is to be varied accordingly, and any necessary adjustments are to be made to give effect to the variation (whether by making assessments or otherwise).}
CHAPTER 4

REGISTERED PENSION SCHEMES: TAX RELIEFS AND EXEMPTIONS

Scheme investments

186 Income

(1) No liability to income tax arises in respect of—

(a) income derived from investments or deposits held for the purposes of a registered pension scheme, or

(b) underwriting commissions applied for the purposes of a registered pension scheme [F197] which are not relevant foreign income and which would otherwise be chargeable to income tax under Chapter 8 of Part 5 of ITTOIA 2005 (income not otherwise charged).

(2) The exemption provided by subsection (1) does not apply to income derived from investments or deposits held as a member of a property investment LLP; and for this purpose “income” includes relevant stock lending fees, in relation to any investments, to which subsection (1) would apply by virtue of section 129B of ICTA (inclusion of relevant stock lending fees in income).

[F198](2A) The exemption provided by subsection (1) does not prevent the income from being charged to tax by virtue of section 185A.

(3) In this Part “investments”, in relation to a registered pension scheme, includes futures contracts and options contracts; and income derived from transactions relating to futures contracts or options contracts is to be treated as derived from the contracts.

(4) For that purpose a contract is not prevented from being a futures contract or an options contract by the fact that a party is or may be entitled to receive or liable to make, or entitled to receive and liable to make, only a payment of a sum (as opposed to a transfer of assets) in full settlement of all obligations.

192 Relief at source

(1) Where an individual is entitled to be given relief in accordance with this section in respect of the payment of a contribution under a pension scheme, the individual or other person by whom the contribution is paid is entitled, on making the payment, to deduct and retain out of it a sum equal to income tax on the contribution at the basic rate for the tax year in which the payment is made.

(2) If a sum is deducted from the payment of the contribution—
   (a) the scheme administrator must allow the deduction on receipt of the residue,
   (b) the individual or other person is acquitted and discharged of so much money as is represented by the deduction as if the sum had actually been paid, and
   (c) the sum deducted is to be treated as income tax paid by the scheme administrator.

(3) When the payment of the contribution is received—
   (a) the scheme administrator is entitled to recover from the Board of Inland Revenue the amount which is treated as income tax paid by the scheme administrator in relation to the contribution, and
   (b) any amount so recovered is to be treated for the purposes of the Tax Acts in the same manner as the payment of the contribution.

(4) If (apart from this subsection) income tax or capital gains tax at the higher rate is chargeable in respect of any part of the individual’s total income or chargeable gains for the tax year, on the making of a claim the basic rate limit for that year in the individual’s case is increased by the amount of the contribution.

(5) Subsections (1) and (2) have effect subject to such conditions as the Board of Inland Revenue may prescribe by regulations.

   (b) for the giving of such information, in such form, as may be prescribed by or under the regulations,
   (c) for the inspection of documents by persons authorised by the Board of Inland Revenue, and

(10) Where relief is given to an individual in accordance with this section for a tax year in respect of a contribution, relief is not to be given—
   (a) in respect of the contribution under any other provision of the Income Tax Acts, or

(4) “The permitted period”—
   (a) in relation to shares which the individual has exercised a right to acquire in accordance with the provisions of an SAYE option scheme, is the period of 90 days following the exercise of that right, and
   (b) in relation to shares which have been appropriated to the individual in accordance with the provisions of a share incentive plan, is the period of 90 days following the date when the individual directed the trustees of the share incentive plan to transfer the ownership of the shares to the individual.

(5) In this section—
   “SAYE option scheme” has the same meaning as in the SAYE code (see section 516 of ITEPA 2003 (approved SAYE option schemes)), and
   “share incentive plan” has the same meaning as in the SIP code (see section 488 of ITEPA 2003 (approved share incentive plans)).

(5) But where—
   (a) the benefits under the policy relate to the death of one or more of a group of individuals, and
   (b) contributions are also paid under the pension scheme in the tax year by or on behalf of another member or other members of the group,
   the amount of the contributions paid by or on behalf of the individual which are treated as paid in respect of premiums under the policy by subsection (4) does not exceed what is just and reasonable having regard to the operation of section 188(3)(aa) in relation to the contributions paid by or on behalf of another member or other members of the group.

(6) The Commissioners for Her Majesty's Revenue and Customs may by regulations amend subsections (2) to (5).

(1) The Board of Inland Revenue may make regulations for restricting the extent to which contributions paid by an employer under a registered pension scheme in respect of an individual are subject to relief in circumstances in which subsection (2) or (3) applies (or both do).

(2) This subsection applies where any of the benefits which will or may be payable to or in respect of the individual under the registered pension scheme will be payable only if relevant benefits expected to be so paid under an employer-financed retirement benefits scheme are not so paid.

(3) This subsection applies where, because relevant benefits are or may be payable to or in respect of the individual under an employer-financed retirement benefits scheme, the aggregate of the amount of any sums and the market value of any assets—

the registered pension scheme which may be transferred by way of a recognised transfer in respect of the individual will or may be less than it otherwise would be.

(4) The reference in subsection (1) to contributions paid by an employer being subject to relief is to—

(a) their being deductible in computing the amount of the profits of the employer for the purposes of Part 2 of ITTOIA 2005 [F218] or Part 3 of CTA 2009 (trading income),

198  Spreading of relief: cessation of business

(1) This section applies if—
    (a) the employer ceases to carry on business in the current chargeable period or a later chargeable period in which section 197(4) would require a fraction of the amount of the relevant excess contributions to be treated as paid, and
    (b) were section 197(4) to apply, relief in relation to the whole of the amount of the relevant excess contributions would not be given pre-cessation.

(2) Relief is given pre-cessation if it is given for the chargeable period in which the employer ceases to carry on business or any earlier chargeable period.

(3) The portion of the amount of the relevant excess contributions in relation to which relief would not have been given pre-cessation (“the unrelieved portion”) is be treated as paid (at the option of the employer) either—

(2) The making of the payment is to be treated for the purposes of [F226the relieving provisions (within the meaning of section 197) and sections 197 and 198] as if it were the payment of a contribution by the employer under the pension scheme.

(3) Subsections (4) and (5) apply if the employer’s trade, profession, vocation or business is discontinued before the making of the payment.

(4) The payment is to be relieved—

Indirect contributions

(1) This section applies where an employer (“E”)—
   (a) pays contributions under a registered pension scheme (“the original scheme”) in a chargeable period, and
   (b) would (apart from subsection (4)) be entitled in the next chargeable period to an amount of relief in respect of a payment within subsection (2),
and the avoidance condition is met.
(2) A payment is within this subsection if all or part of the payment is intended to facilitate the payment of pension contributions under the original scheme or a substitute scheme by a person other than E.

(3) The avoidance condition is that—
   (a) section 197 would apply if, in the chargeable period mentioned in subsection (1)(b), E paid pension contributions under the original scheme of the amount of the relevant relief, and
   (b) the purpose, or one of the purposes, of facilitating the payment of pension contributions by a person other than E is to enable pension contributions to be paid without that section applying.

(4) For the purposes of the spreading provisions, the amount of the relevant relief is to be treated as the amount of a pension contribution paid by E under the original scheme in the chargeable period mentioned in subsection (1)(b).

   (b) to which it is envisaged that a relevant transfer will or may be made after that day.

(7) A relevant transfer is a recognised transfer from the original scheme of more than 30% of the aggregate of—
   (a) in a case within subsection (6)(a), the amount of the sums and the market value of the assets held for the purposes of, or representing accrued rights under, the original scheme immediately before the transfer, and
   (b) in a case within subsection (6)(b), the amount of those sums and the market value of those assets on the day on which the payment is made.

(8) If there is a transfer from a substitute scheme to another registered pension scheme which would have been a relevant transfer had it been a transfer from the original scheme at the time the relevant transfer was made, that other scheme is also a substitute scheme.

(9) In subsection (1)(b) the reference to relief in respect of a payment within subsection (2) includes relief for a liability in respect of the making of the payment by a person other than E.

(10) In this section references to E being entitled to an amount of relief are to an amount—
   (a) being deductible in computing the amount of the profits of E for the purposes of Part 2 of ITTOIA 2005 [\textsuperscript{1225}] or Part 3 of CTA 2009 (trading income),

\[
\frac{\text{UMP}}{\text{VR}} \times 100
\]

where—

UMP is the amount of the unauthorised member payment, and

VR is an amount equal to the aggregate of the value of the member's rights under arrangements relating to the member under the pension scheme when the unauthorised payment is made (or, if the unauthorised member payment is made after the member has died or has otherwise ceased to be a member of the pension scheme, at the date when the member died or otherwise ceased to be a member).

(2) The value of a scheme pension or lifetime annuity is—

\[ \text{RVF} \times \text{ARP} \]

where—

RVF is the relevant valuation factor (see section 276), and

ARP is an amount equal to the annual rate of the pension or annuity on the date.
212 Valuation of uncrystallised rights for purposes of section 210

(5) If this subsection applies, the value of the member’s uncrystallised rights under the arrangement on the date is the aggregate of—
   (a) the amount of such of the sums held for the purposes of the arrangement on the date as represent those rights, and
   (b) the market value of such of the assets held for the purposes of the arrangement on the date as represent those rights.

(6) If this subsection applies, the value of the member’s uncrystallised rights under the arrangement on the date is—

\[ (RVF \times ARP) + LS \]

where—
RVF is the relevant valuation factor (see section 276),
ARP is the annual rate of pension to which the member would, on the valuation assumptions, be entitled under the arrangement on the date if, on the date, the member acquired an actual (rather than a prospective) right to receive a pension in respect of the rights, and
LS is the amount of any lump sum to which the member would, on the valuation assumptions, be entitled under the arrangement on the date (otherwise than by way of commutation of pension) if, on the date, the member acquired an actual (rather than a prospective) right to payment of a lump sum in respect of the rights.

(7) If this subsection applies, the value of the member’s uncrystallised rights under the arrangement on the date is—
   (a) if each of subsections (4), (5) and (6) is relevant, the greatest of the values of the rights calculated in accordance with each of those subsections, or
(b) if only two of those subsections are relevant, the greater of the values of the rights calculated in accordance with each of the two subsections.

(8) Subsection (4) is relevant if, in any circumstances, cash balance benefits may be provided to or in respect of the member under the arrangement.

(9) Subsection (5) is relevant if, in any circumstances, money purchase benefits other than cash balance benefits may be provided to or in respect of the member under the arrangement.

(10) Subsection (6) is relevant if, in any circumstances, defined benefits may be provided to or in respect of the member under the arrangement.

(a) a benefit crystallisation event occurs in relation to an individual who is a member of one or more registered pension schemes, and

(b) either the first lifetime allowance charge condition or the second lifetime allowance charge condition is met.

(2) The first lifetime allowance charge condition is that—

(b) the amount crystallised by the benefit crystallisation event exceeds the amount of the individual’s lifetime allowance which is available on the benefit crystallisation event.

(3) The second lifetime allowance charge condition is that none of the individual’s lifetime allowance is available on the benefit crystallisation event.

(4) The following sections make further provision about the lifetime allowance charge—
section 215 (amount of charge),
section 216 and Schedule 32 (benefit crystallisation events and amounts crystallised),

(b) any amount which is treated as forming part of the lump-sum amount under subsection (6) or of the retained amount under subsection (8).

(4) The “basic amount”—

(5) The “lump-sum amount” is the aggregate of—
(a) so much of the basic amount as is paid as a lump sum to the individual or a lump sum death benefit in respect of the individual, and

(7) The “retained amount” is the aggregate of—
(a) so much of the basic amount as is not paid as a lump sum to the individual or a lump sum death benefit in respect of the individual, and
(b) any amount which is treated as forming part of the retained amount under subsection (8).

217 Persons liable to charge

(1) The persons liable to the lifetime allowance charge are—
   (a) the individual, and
   (b) the scheme administrator of the pension scheme,
   and their liability is joint and several.

(2) But where the liability arises by reason of the payment of a relevant lump sum death benefit it is a liability of the person to whom the lump sum death benefit is paid.

(3) Subsection (4) applies if—
   (a) more than one relevant lump sum death benefit is paid in respect of an individual, and
   (b) tax is not chargeable on the whole amount of all of them.

(4) In that case each of the persons to whom any of the relevant lump sum death benefits is paid is liable under subsection (2) to such portion of the total amount of the tax payable by reason of their having been paid as appears to the Inland Revenue to be just and reasonable.

(5) A person is liable to the lifetime allowance charge whether or not—
   (a) that person,
   (b) any other person who is liable to the lifetime allowance charge, and
   (c) the scheme administrator (if not so liable),
   are resident, ordinarily resident or domiciled in the United Kingdom.

218 Individual’s lifetime allowance and standard lifetime allowance

(1) Subject as follows, the individual’s lifetime allowance is the standard lifetime allowance.

(2) The standard lifetime allowance for the tax year 2006-07 is £1,500,000.

(3) The standard lifetime allowance for each subsequent tax year is such amount, not being less than the standard lifetime allowance for the immediately preceding tax year, as is specified by order made by the Treasury.
(4) Where one or more lifetime allowance enhancement factors operate in relation to a benefit crystallisation event occurring in relation to the individual, the individual’s lifetime allowance at the time of the benefit crystallisation event is—

\[ \text{SLA} + (\text{SLA} \times \text{LAEF}) \]

where—

SLA is the standard lifetime allowance at the time of the benefit crystallisation event, and

LAEF is the lifetime allowance enhancement factor which operates with respect to the benefit crystallisation event and the individual or (where more than one so operates) the aggregate of them.

(5) The following make provision for the operation of lifetime allowance enhancement factors—

- section 220 (pension credits from previously crystallised rights),
- sections 221 to 223 (individuals who are not always relevant UK individuals),
- sections 224 to 226 (transfers from recognised overseas pension schemes),
- paragraphs 7 to 11 of Schedule 36 (primary protection), and
- paragraph 18 of that Schedule (pre-commencement pension credits).

(6) Paragraph 19 of that Schedule makes provision for the reduction of what would otherwise be the individual’s lifetime allowance in certain cases where the individual is permitted to take pension before normal minimum pension age.

(7) In this Part references (however expressed) to a person’s lifetime allowance at any time are to what would be the person’s lifetime allowance, calculated in accordance with this section, if a benefit crystallisation event occurred in relation to the person at that time.
(3) If one or more benefit crystallisation events have occurred in relation to the individual before the current benefit crystallisation event—

(a) in a case in which the previously-used amount is equal to or greater than the amount of the individual’s lifetime allowance, none of the individual’s lifetime allowance is available on the current benefit crystallisation event, and

(b) in any other case, so much of the individual’s lifetime allowance as is left after deducting the previously-used amount is available on the current benefit crystallisation event.

(4) The previously-used amount is—

(a) where one benefit crystallisation event has occurred in relation to the individual before the current benefit crystallisation event, the amount which is the relevant untaxed amount in relation to the previous benefit crystallisation event as adjusted under subsection (5), or

(b) where two or more benefit crystallisation events have occurred in relation to the individual before the current benefit crystallisation event, the aggregate of the amounts which are the relevant untaxed amounts in relation to each previous benefit crystallisation event as adjusted under subsection (5).

(4A) “The relevant untax amount”, in relation to a previous benefit crystallisation event, is—

(a) where no tax was charged in relation to the benefit crystallisation event, the amount in respect of which tax would have been so charged if none of the individual’s lifetime allowance had been available, and

(b) where tax was charged in relation to the benefit crystallisation event, so much of the amount in respect of which tax would have been so charged if none of the individual’s lifetime allowance had been available as exceeds the amount in respect of which tax was so charged.

(5) The adjustment of the relevant untaxed amount in relation to a previous benefit crystallisation event referred to in subsection (4)(a) and (b) is the multiplication of that amount by—

\[
\frac{\text{CSLA}}{\text{PSLA}}
\]

where—

CSLA is the standard lifetime allowance at the time of the current benefit crystallisation event, and

PSLA is the standard lifetime allowance at the time of the previous benefit crystallisation event.

(6) Where more than one benefit crystallisation event occurs in relation to an individual on the same day, it is for the individual to decide the order in which they are to be treated as occurring for the purposes of this section; but this subsection is subject to section 166(2) (entitlement to pension commencement lump sum to arise immediately before entitlement to associated pension).

LSE is the amount of the lump sum to which the individual would, on the valuation assumptions, be entitled under the arrangement (otherwise than by commutation of pension) if the individual became entitled to the payment of it at that time.

(1) This section applies for adjusting the closing value of the individual’s rights as calculated under section 234(5).

(2) If, during the pension input period, the rights of the individual under the arrangement have been reduced by having become subject to a pension debit, the amount of the debit is to be added.

(3) If, during the pension input period, the rights of the individual under the arrangement have been increased by the individual having become entitled to a pension credit deriving from the same or another registered pension scheme, the amount of the credit is to be subtracted.
(4) Subsection (5) applies if, during the pension input period, there is a transfer relating to the individual of any sum or asset held for the purposes of, or representing accrued rights under, the arrangement so as to become held for the purposes of, or to represent rights under, any other pension scheme that is—
(a) a registered pension scheme, or
(b) a qualifying recognised overseas pension scheme.

(5) The aggregate of the amount of any sums transferred and the market value of any assets transferred is to be added.

(6) Subsection (7) applies if, during the pension input period, there is a transfer relating to the individual of any sums or assets held for the purposes of, or representing accrued rights under, any pension scheme so as to become held for the purposes of, or to represent rights under, the arrangement.

(8) If, during the pension input period, a benefit crystallisation event occurs in relation to the individual and the arrangement, the amount crystallised is to be added (but this is subject to section 229(3)).

(9) If, during the pension input period, minimum payments are made under—
(a) section 8 of the Pension Schemes Act 1993 (c. 48), or

(2) “The relevant commencement date” means—

(b) tax charged in relation to that payment, or any of those payments, under section 208 (unauthorised payments charge) has been paid,

a deduction is to be made from the amount of tax that would otherwise be chargeable for the tax year by virtue of subsection (1).

(3) The amount of the deduction is the lesser of—

(a) 25% of the amount of the scheme chargeable payment, or of the aggregate amount of such of the scheme chargeable payments as are tax-paid, and

(b) the amount of the tax which has been paid under section 208 in relation to the scheme chargeable payment, or in relation to such of the scheme chargeable payments as are tax-paid.

(4) A scheme chargeable payment is “tax-paid” if the whole or any part of the tax chargeable in relation to it under section 208 has been paid.

(b) a scheme chargeable payment which the pension scheme is to be treated as having made by section 183 or 185 (unauthorised borrowing), and

(c) a scheme chargeable payment which the pension scheme is to be treated as having made by section 185A (income from taxable property) or 185F (gains from taxable property).

(2) An unauthorised payment is exempt from being scheme chargeable if—

(a) it is treated as having been made by section 173 (use of scheme assets to provide benefits) and the asset used to provide the benefit in question is not a wasting asset,

(b) it is a compensation payment (see section 178),

(c) it is made to comply with an order of a court or of a person or body with power to order the making of the payment,

(a) the expenses do not consist of the making of contributions under the scheme, but

(b) in accordance with generally accepted accounting practice they are shown in the employer’s accounts.

(2) Unless the benefits are ones in respect of which a person is, on receipt, chargeable to income tax, the expenses—

(a) are not deductible in computing the amount of the profits of the employer for the purposes of Part 2 of ITTOIA 2005 or Part 3 of CTA 2009 (trading income),

(b) are not expenses of management of the employer for the purposes of Chapter 2 of Part 16 of CTA 2009 (expenses of management: companies with investment business), and

(3) But where the benefits are ones in respect of which a person is, on receipt, chargeable to income tax—

(a) if the expenses are allowed to be deducted in computing the amount of the profits of the employer to be charged under Part 2 of ITTOIA 2005 or Part 3 of CTA 2009 (trading income), they are deductible in computing the amount of the profits for the period of account in which they are paid, and

Case where no relief for provision by an employer

(1) An employer's expenses of providing relevant benefits to or in respect of a present or former employee (“the employee”) under an employer-financed retirement benefits scheme (whether or not by the making of contributions under the scheme) are not subject to relief if subsection (2) applies.

(2) This subsection applies where—
   (a) the provision of the relevant benefits results in a reduction in the benefits payable to or in respect of the employee under a registered pension scheme, or
   (b) a reduction in the benefits payable to or in respect of the employee under a registered pension scheme results in the provision of the relevant benefits.

(3) But if the extent to which contributions paid by the employer under the registered pension scheme in respect of the employee are subject to relief has been restricted in accordance with regulations under section 196A, the employer's expenses of providing the relevant benefits are not prevented from being subject to relief to the extent that is just and reasonable.

(4) The references in this section to expenses of an employer being subject to relief are to—
   (a) their being deductible in computing the amount of the profits of the employer for the purposes of Part 2 of ITTOIA 2005,[F283] or Part 3 of CTA 2009 (trading income),
   (b) their being expenses of management of the employer for the purposes of [F284]Chapter 2 of Part 16 of CTA 2009 (expenses of management: companies with investment business), or

(i) condition A in section 481 of that Act would be met if paragraph (a) in that condition referred to the death, in any circumstances or except in specified circumstances, of that individual (rather than the death in any circumstances of each of the individuals insured under the policy) and if the condition did not include paragraph (b), and

(ii) conditions C and D in that section and conditions A and C in section 482 of that Act are met, or

(1) This section applies in relation to a relevant benefit under an employer-financed retirement benefits scheme in the form of a lump sum where, under the scheme, an employee has paid any sum or sums by way of contribution to the provision of the lump sum.

(2) The amount which, by virtue of section 394, counts as employment income, or is chargeable to tax under [F287]subsection (2) of that section, is the amount of the lump sum reduced by the sum, or the aggregate of the sums, paid by the employee by way of contribution to the provision of the lump sum.
(3) A reduction under this section may not be claimed in respect of the same contribution in relation to more than one lump sum.

Discharge of tax liability: good faith

267 Lifetime allowance charge

(1) This section applies where the scheme administrator of a registered pension scheme is liable to the lifetime allowance charge in respect of a benefit crystallisation event.

(2) The scheme administrator may apply to the Inland Revenue for the discharge of the scheme administrator’s liability to the lifetime allowance charge in respect of the benefit crystallisation event on the ground mentioned in subsection (3).

(3) The ground is that—

(a) the scheme administrator reasonably believed that there was no liability to the lifetime allowance charge in respect of the benefit crystallisation event, and

(b) in all the circumstances of the case, it would not be just and reasonable for the scheme administrator to be liable to the lifetime allowance charge in respect of the benefit crystallisation event.
(4) On receiving an application under subsection (2), the Inland Revenue must decide whether to discharge the scheme administrator’s liability to the lifetime allowance charge in respect of the benefit crystallisation event.

(5) The scheme administrator may apply to the Inland Revenue for the discharge of part of the scheme administrator’s liability to the lifetime allowance charge in respect of the benefit crystallisation event on the ground mentioned in subsection (6).

(6) The ground is that—

(a) the scheme administrator reasonably believed that the amount of the lifetime allowance charge in respect of the benefit crystallisation event was less than the actual amount, and

(b) in all the circumstances of the case, it would not be just and reasonable for the scheme administrator to be liable to an amount (“the excess amount”) equal to the difference between the amount which the scheme administrator believed to be the amount of the charge and the actual amount.

(7) On receiving an application under subsection (5), the Inland Revenue must decide whether to discharge the scheme administrator’s liability to the lifetime allowance charge in respect of the excess amount (or part of the excess amount).

(8) The discharge of the scheme administrator’s liability to the lifetime allowance charge (or to the excess amount or part of the excess amount) does not affect the liability of any other person to the lifetime allowance charge.

(9) The Inland Revenue must notify the scheme administrator of the decision on an application under this section.

(10) Regulations made by the Board of Inland Revenue may make provision supplementing this section; and the regulations may in particular make provision as to the time limits for the making of an application.

(3) The ground is that in all the circumstances of the case, it would be not be just and reasonable for the person to be liable to the unauthorised payments surcharge in respect of the payment.

(4) On receiving an application by a person under subsection (2) the Inland Revenue must decide whether to discharge the person’s liability to the unauthorised payments surcharge in respect of the payment.

(5) The scheme administrator may apply to the Inland Revenue for the discharge of the scheme administrator’s liability to the scheme sanction charge in respect of a scheme chargeable payment on the ground mentioned in subsection (6) or (7).

(6) In the case of a scheme chargeable payment which is treated as being an unauthorised member payment by section 172, 172A, 172B, 172BA, 172C or 172D or arises under section 181A, the ground is that, in all the circumstances of the case, it would not be just and reasonable for the scheme administrator to be liable to the scheme sanction charge.

(7) In any other case, the ground is that—
   (a) the scheme administrator reasonably believed that the unauthorised payment was not a scheme chargeable payment, and
   (b) in all the circumstances of the case, it would not be just and reasonable for the scheme administrator to be liable to the scheme sanction charge in respect of the unauthorised payment.

(8) On receiving an application under subsection (5), the Inland Revenue must decide whether to discharge the scheme administrator’s liability to the scheme sanction charge in respect of the unauthorised payment.

(9) The Inland Revenue must notify the applicant of the decision on an application under this section.

(8) If [F302] the tribunal considers [F303] that the applicant’s liability ought to have been discharged, [F304] the tribunal must [F305] grant the application.

(9) [F304] On an appeal under subsection (1)(b) that is notified to the tribunal, the tribunal must consider whether the applicant’s liability to the lifetime allowance charge ought to have been discharged in respect of the excess amount or a greater part of the excess amount.

(1) The Oil Taxation Act 1983 (c. 56) is amended as follows.

(2) In section 6(2) (meaning of tariff receipts) after “Subject to the provisions of this section” insert “ and section 6A below ”.

(3) After section 6 insert—

“6A Tax-exempt tariffing receipts

(1) An amount which is a tax-exempt tariffing receipt (see subsection (2) below) does not constitute a tariff receipt for the purposes of the Oil Taxation Acts.

(2) An amount is a “tax-exempt tariffing receipt” for the purposes of the Oil Taxation Acts if—

(a) it would, apart from this section, be a tariff receipt of a participator in an oil field,

(b) it is received or receivable by the participator in a chargeable period ending on or after 30th June 2004 under a contract entered into on or after 9th April 2003, and

(c) it is in respect of tax-exempt business (see subsection (3) below).

(3) For the purposes of this section an amount is in respect of tax-exempt business if it is an amount received or receivable by a participator in an oil field in respect of—

(a) the use of a qualifying asset, or

(b) the provision of services or other business facilities of whatever kind in connection with the use, otherwise than by the participator himself, of a qualifying asset,

and that use of the qualifying asset falls within subsection (4) below.

(4) Use of a qualifying asset falls within this subsection if it is—

(a) use in relation to a new field (see subsection (5) below) or oil won from such a field, or

(b) use in relation to a qualifying existing field (see subsection (5) below) or oil won from such a field.

(5) In this section—

“existing field” means any oil field or foreign field which is not a new field;

“foreign field” means, subject to subsection (6) below (treatment of transmedian fields), any hydrocarbon accumulation which is not under the jurisdiction of the government of the United Kingdom;

“licensee”, in relation to a foreign field, means a person who has rights, interests or obligations in respect of the foreign field under a licence or other authority granted by the government of a country other than the United Kingdom;
“new field” means—
(a) an oil field for no part of which had—
   (i) consent for development been granted to a licensee by the Secretary of State before 9th April 2003; or
   (ii) a programme of development been served on a licensee or approved by the Secretary of State before that date; or
(b) a foreign field for no part of which had—
   (i) any consent for development been granted to a licensee by the government of a country other than the United Kingdom before 9th April 2003; or
   (ii) a programme of development been served on a licensee or approved by such a government before that date;

and subsections (4) and (5) of section 36 of the Finance Act 1983 (which define “development” for the purposes of subsections (2) and (3) of that section) shall apply also for the purposes of this definition;

“the Oil Taxation Acts” means—
(a) Parts 1 and 3 of the principal Act;
(b) this Act; and
(c) any other enactment relating to petroleum revenue tax;

“qualifying existing field” means an existing field as respects which the condition in section 6B(1) below is satisfied.

(6) For the purposes of this section, in the case of an oil field which, by virtue of section 107 of the Finance Act 1980 (transmedian fields), is deemed to include the sector mentioned in subsection (1)(a)(ii) of that section—
   (a) that sector shall be treated as a foreign field, and
   (b) the remainder of that field shall be treated as a separate oil field.

(7) In the application of provisions of the Oil Taxation Acts relating to tax-exempt tariffing receipts, references to oil, in relation to a foreign field, are references to any substance that would be oil within the meaning of the principal Act if the enactments mentioned in section 1(1) of that Act extended to the foreign field.

(8) This section is subject to the transitional provisions in Part 2 of Schedule 37 to the Finance Act 2004 (expenditure incurred between 9th April and 31st December 2003: treatment of initial portion of tax-exempt tariffing receipts as tariff receipts).

6B The condition for being a qualifying existing field

(1) The condition for an existing field to be a qualifying existing field for the purposes of section 6A above is that at no time in the period of 6 years ending with 8th April 2003 (“the 6 year period”) was there—
   (a) any use of a disqualifying asset (see subsection (2) below) in a UK area (see subsection (11) below) in relation to the field or oil won from it, or
   (b) any provision of any services or other business facilities of whatever kind in connection with the use of a disqualifying asset in a UK area in relation to the field or oil won from it.
(2) For the purposes of subsection (1) above “disqualifying asset”, in relation to an existing field and any time in the 6 year period, means an asset which at that time—
   (a) was a qualifying asset in relation to a participator in an oil field; and
   (b) was not an excepted asset (see subsection (3) below).

(3) For the purposes of subsection (2) above “excepted asset”, in relation to an existing field and any time in the 6 year period, means any of the following—
   (a) any asset (other than a tanker) which at that time was wholly situated in the existing field;
   (b) any tanker which at that time was a non-dedicated tanker (see subsection (10) below) being used for transporting from the existing field oil which had been won from that field;
   (c) any asset which at that time was being used in relation to oil which had been won from the existing field and transported from that field by a non-dedicated tanker;
   (d) if the existing field is an oil field and is expected not to be a tanker loading field (see subsection (7) below)—
      (i) any tanker which at that time was a dedicated tanker (see subsection (9) below) being used for transporting from the existing field oil which had been won from that field;
      (ii) any asset which at that time was being used in relation to oil which had been won from the existing field and transported from that field by a dedicated tanker;
      (iii) any asset which at that time was being used to transport from the existing field oil consisting of gas won from that field to another oil field for the purpose of enabling that oil to be used for assisting the extraction of oil from that other field;
   (e) if at that time the existing field was not a taxable field, any asset by reference to which an election under section 231 of the Finance Act 1994 (election by reference to asset with excess capacity) was at that time in operation with respect to an oil field.

(4) Where any use of an asset is, by virtue of subsection (3) above, use of an excepted asset, the provision of any services or other business facilities of whatever kind in connection with that use of that asset accordingly falls to be disregarded for the purposes of subsection (1)(b) above.

(5) Where an asset in a UK area—
   (a) is a qualifying asset in relation to a participator in such an oil field as is mentioned in section 107 of the Finance Act 1980 (a “participator in the UK sector”), and
   (b) is also, by virtue of paragraph 3 of Schedule 4 to this Act, a chargeable asset in relation to a participator in a foreign field (a “participator in the foreign sector”),

subsection (6) below applies in relation to use of the asset in relation to the existing field or oil won from it.

(6) Where this subsection applies, then, in determining for the purposes of subsection (1) above whether there has been any use of a disqualifying asset in
relation to the existing field or oil won from it, any use of the asset in relation to that field or oil won from it shall be treated—
(a) as use of a qualifying asset in relation to a participator in an oil field, if or to the extent that the use is attributable, on a just and reasonable basis, to a participator in the UK sector, or
(b) as use of an asset which was not a qualifying asset in relation to a participator in an oil field, if or to the extent that the use is attributable, on a just and reasonable basis, to a participator in the foreign sector.

(7) For the purposes of subsection (3) above, the existing field is expected not to be a tanker loading field if, at the time when the relevant contract is entered into, it is expected that all (or virtually all) of the oil (other than oil consisting of gas) to be won from that field and transported from it after the beginning of the operational period will be so transported otherwise than by tanker.

(8) For the purposes of subsection (7) above—
(a) “the relevant contract” means the contract mentioned in section 6A(2) above; and
(b) “the beginning of the operational period” means the time at which the qualifying asset to which that contract relates begins to be used under that contract in relation to the existing field or oil won from that field.

(9) For the purposes of subsection (3) above a tanker is a dedicated tanker at any time if—
(a) the existing field mentioned in that subsection is an oil field, and
(b) at that time the tanker is a mobile asset dedicated to that oil field (see section 2 above).

(10) For the purposes of subsection (3) above a tanker is a non-dedicated tanker—
(a) at any time, if the existing field mentioned in that subsection is not an oil field, or
(b) where that field is an oil field, at any time when the tanker is not a mobile asset dedicated to that oil field.

(11) In this section “UK area” means each of the following—
(a) the United Kingdom;
(b) the territorial sea of the United Kingdom;
(c) a designated area, to the extent that it does not fall to be treated by virtue of section 6A(6) above as a foreign field.

(12) This section shall be construed as one with section 6A above.”.

(4) In Schedule 2 (supplemental provisions in relation to receipts from qualifying assets) in paragraph 12 (purchase at place of extraction)—
(a) in sub-paragraph (1), for “Subject to sub-paragraphs (4) and (5)” substitute “Subject to sub-paragraphs (4) to (6)”, and
(b) at the end of the paragraph add—
“(6) In any chargeable period ending on or after 30th June 2004, sub-paragraph (1) above does not apply to oil in a case where—
(a) had the operation or operations to which the oil was subjected as mentioned in paragraph (b) of that sub-paragraph been
carried out under a contract entered into on or after 9th April 2003, and

(b) had an amount been received or receivable under the contract in that chargeable period by the participator, that amount would have been a tax-exempt tariffing receipt.”.

(5) Schedule 37 to this Act has effect; and in that Schedule—
Part 1 makes amendments to the Oil Taxation Act 1983 (c. 56) relating to allowable expenditure and disposal receipts;
Part 2 makes transitional provision;
Part 3 makes amendments to the Taxes Act 1988;
Part 4 makes amendments to other enactments.

(6) In Part 1 of Schedule 37 to this Act—
(a) the amendments made by paragraph 5 (which relate to disposal receipts) have effect in relation to disposals in chargeable periods ending on or after 30th June 2004, and
(b) the other amendments made by that Part have effect in relation to expenditure incurred on or after 1st January 2004.

(7) The amendments made by Part 3 of that Schedule have effect in relation to chargeable periods, within the meaning of the Taxes Act 1988, ending on or after 1st January 2004.

(3) Before Schedule 20 insert the Schedule 19B set out in Schedule 38 to this Act.

287 Restrictions on expenditure allowable

(1) In Schedule 4 to the Oil Taxation Act 1975 (c. 22), paragraph 2 (restrictions on expenditure allowable where acquisition etc from connected person or otherwise not at arm’s length) is amended as follows.

(2) In sub-paragraph (1), for the words following paragraph (b) (which limit the expenditure allowable to the cost in a transaction to which paragraph 2 does not apply) substitute— “as having incurred that expenditure only to the extent that it does not exceed the lowest of the amounts described in sub-paragraph (1ZA) below which is applicable in the particular case.”.

(3) After sub-paragraph (1) insert—
“(1ZA) Those amounts are—
(a) the amount of expenditure (other than loan expenditure) incurred up to the time mentioned in sub-paragraph (1) above in a transaction to which this paragraph does not apply (or, if there has been more than one such transaction, the later or latest of them) in acquiring, bringing into existence, or enhancing the value of, the asset;
(b) the amount of the open market consideration for the acquisition, bringing into existence, or enhancement of the value, of the asset;
(c) in a case where the other party to the transaction is a participator in a taxable field and in the case of that participator either—
(i) an amount is brought into account under section 2 of this Act in accordance with section 7(1) of the Oil Taxation Act 1983 as disposal receipts in respect of the transaction, or
(ii) no amount is so brought into account by reason of reductions falling to be made in the amount that would have been so brought into account apart from those reductions,
the amount so brought into account or, as the case may be, nil;
(d) in a case where the other party to the transaction is not a participator in a taxable field but—
(i) the transaction is the latest in a series of transactions in respect of the asset (or in respect of an asset or assets in which the asset was comprised),
(ii) those transactions are transactions to which this paragraph applies,
(iii) in the case of at least one of those transactions, there is a party who is a participator in an oil field, and
(iv) in the case of any such party, an amount either is brought into account as mentioned in paragraph (c)(i) above in respect of the transaction or would have been so brought into account but for such reductions as are mentioned in paragraph (c)(ii) above,
so much of the amount so brought into account in respect of that transaction (or, where there are two or more such transactions, the later or latest of them) as is justly and reasonably referable to the asset mentioned in sub-paragraph (1) above (taking that amount as being nil in the case of any transaction where no amount is so brought into account by reason of any such reductions).”.

(4) In sub-paragraph (1B) (meaning of “loan expenditure” in sub-paragraph (1)) for “(1)” substitute “ (1ZA)(a) ”.

(5) After sub-paragraph (1B) insert—
“(1C) The reference in sub-paragraph (1ZA)(b) above to the open market consideration for the acquisition, bringing into existence, or enhancement of the value, of an asset is a reference to the consideration which might reasonably have been given for the acquisition, bringing into existence, or enhancement of the value, of the asset (whatever the nature of the acquisition, bringing into existence or enhancement of the value) had it been made in a transaction to which this paragraph does not apply.”.
The amendments made by this section have effect in relation to expenditure incurred on or after 17th March 2004.

288 Terminal losses

(1) Schedule 17 to the Finance Act 1980 (c. 48) (transfers of interests in oil fields) is amended as follows.

(2) For paragraph 15 (terminal losses) substitute—

15 “Terminal losses

(1) This paragraph applies in any case where—

(a) such an allowable loss as falls to be relieved under section 7(3) accrues to the new participator from the field in a chargeable period ending after 17th March 2004, but
(b) some or all of the loss cannot be relieved under section 7(3) against assessable profits accruing to him from the field.

(2) So much of the loss as cannot be so relieved (“the remaining loss”) shall be regarded as an allowable unrelievable field loss in relation to the new participator (“the loss-maker”) only to the extent that—

(a) so much of it as cannot be relieved in accordance with sub-paragraphs (3) to (6) below,
(b) the aggregate of any relevant previous participators’ expenditure unrelated to the field (see sub-paragraphs (10) and (11) below).

(3) The remaining loss shall be treated as an allowable loss which falls to be relieved under section 7(3) against so much of any assessable profits accruing to the old participator from the field as is attributable to his represented interest (see sub-paragraphs (9) and (12) below).

(4) Where a person is the new participator in relation to two or more old participators—

(a) the remaining loss shall be apportioned between those old participators in such manner as is just and reasonable having regard to the interests respectively transferred by them to the new participator,
(b) sub-paragraph (3) above shall have effect separately in relation to each of them (and the part of the remaining loss apportioned to him).

(5) Any relief by virtue of sub-paragraph (3) above shall be given against the assessable profits accruing to the old participator in an earlier chargeable period only to the extent to which it cannot be given against the assessable profits accruing to him in a later chargeable period.

(6) If—

(a) the old participator acquired some or all of his interest in the field by a previous transfer in relation to which he was the new participator,
(b) Parts 2 and 3 of this Schedule applied in relation to that previous transfer, and
(c) some or all of the part of the remaining loss treated as an allowable loss of his cannot be relieved in accordance with sub-paragraph (3) above,

sub-paragraphs (3) to (5) above shall apply in relation to so much of that part of the remaining loss as cannot be so relieved as they apply in relation to the remaining loss, but construing the references in those sub-paragraphs to the new participator and the old participator by reference to that previous transfer and the parties to it, and then applying this sub-paragraph accordingly (and so on).

(7) But where—

(a) the person who is the old participator in relation to a transfer made before 17th March 2004 (“the later transfer”) is also the new participator in relation to a previous transfer, and

(b) Parts 2 and 3 of this Schedule applied in relation to both of those transfers,

sub-paragraph (3) above shall not apply by virtue of sub-paragraph (6) above in relation to so much of the assessable profits of the person who is the old participator in relation to that previous transfer as is attributable to so much of his interest as constitutes the whole or part of his represented interest by virtue of the later transfer.

(8) Where losses accruing to each of two or more participators fall to be relieved by virtue of sub-paragraph (3) above against the same assessable profits, a loss accruing to the person who last had an interest representing the whole or part of the transferred interest at an earlier time shall be so relieved before one accruing to a person who last had such an interest at a later time.

In this sub-paragraph “the transferred interest” means the interest transferred by the person against whose assessable profits the losses fall to be relieved.

(9) In determining for the purposes of this paragraph the assessable profits of a participator that are attributable to his represented interest, the assessable profits shall be apportioned between—

(a) the represented interest, and

(b) the remainder of the participator’s interest,

using such method as is just and reasonable, having regard to the respective sizes of those interests.

(10) For the purposes of this paragraph “relevant previous participators' expenditure unrelated to the field” means so much of each relevant previous participator’s allowed expenditure unrelated to the field as is referable to his represented interest, other than excepted old expenditure.

(11) For the purposes of sub-paragraph (10) above—

“allowed expenditure unrelated to the field”, in relation to a participator, is expenditure unrelated to the field which is allowed on a claim or election made by the participator;

“excepted old expenditure” is expenditure which has been allowed in pursuance of a claim or election for its allowance received by the Board before 17th March 2004;
“relevant previous participator” means a participator against any of whose assessable profits relief is given in accordance with sub-paragraphs (3) to (6) above;

and sub-paragraph (9) above shall apply in relation to allowed expenditure unrelated to the field as it applies in relation to assessable profits.

(12) In this paragraph—
“expenditure unrelated to the field” has the meaning given by section 6(9);
“the loss-maker” shall be construed in accordance with sub-paragraph (2) above;
“previous owner” means a person from whom the loss-maker directly or indirectly derives his title to the whole or any part of his interest;
“represented interest”, in the case of a previous owner, means so much of the interest which that previous owner transferred, by a transfer to which Parts 2 and 3 of this Schedule apply, as is represented in the loss-maker’s interest by virtue only of—
(a) that transfer, or
(b) that transfer and one or more subsequent transfers to which those Parts apply,
making, for the purposes of paragraph (b) above, such apportionments as are just and reasonable, having regard to the interests transferred by each of the transferors.”.

(3) The amendment made by this section has effect in relation to losses accruing in chargeable periods ending after 17th March 2004.

Duty to notify Commissioners

6 (1) This paragraph applies in relation to a taxable person where—
(a) the amount of VAT shown in a return in respect of a prescribed accounting period as payable by or to him is less than or greater than it would be but for any notifiable scheme to which he is party, or
(b) he makes a claim for the repayment of output tax or an increase in
credit for input tax in respect of any prescribed accounting period in
respect of which he has previously delivered a return and the amount
claimed is greater than it would be but for such a scheme.

(2) Where the scheme is a designated scheme, the taxable person must notify the
Commissioners within the prescribed time, and in such form and manner as
may be required by or under regulations, of the reference number allocated
to the scheme under paragraph 3(3).

(3) Where the scheme is not a designated scheme, the taxable person must,
subject to sub-paragraph (4), provide the Commissioners within the
prescribed time, and in such form and manner as may be required by or under
regulations, with prescribed information relating to the scheme.

(4) Sub-paragraph (3) does not apply where the scheme is one in respect of
which any person has previously—

(a) provided the Commissioners with prescribed information under
paragraph 9, and

(b) provided the taxable person with a reference number notified to him
by the Commissioners under paragraph 9(2)(b).

(5) The taxable person is not obliged to comply with sub-paragraph (2) or (3) in
relation to any scheme if he has on a previous occasion complied with that
sub-paragraph in relation to that scheme.

(6) This paragraph has effect subject to paragraph 7.

Exemptions from duty to notify under paragraph 6

7 (1) Paragraph 6 does not apply to a taxable person in relation to a scheme—

(a) where the taxable person is not a group undertaking in relation to
any other undertaking and conditions A and B below, as they have
effect in relation to the scheme, are met in relation to the taxable
person, or

(b) where the taxable person is a group undertaking in relation to any
other undertaking and conditions A and B below, as they have effect
in relation to the scheme, are met in relation to the taxable person
and every other group undertaking.

(2) Condition A is that the total value of the person’s taxable supplies and
exempt supplies in the period of twelve months ending immediately before
the beginning of the relevant period is less than the minimum turnover.

(3) Condition B is that the total value of the person’s taxable supplies and
exempt supplies in the prescribed accounting period immediately preceding
the relevant period is less than the appropriate proportion of the minimum
turnover.

(4) In sub-paragraphs (2) and (3) “the minimum turnover” means—

(a) in relation to a designated scheme, £600,000, and

(b) in relation to any other notifiable scheme, £10,000,000.

(5) In sub-paragraph (3) “the appropriate proportion” means the proportion
which the length of the prescribed accounting period bears to twelve months.
(6) The value of a supply of goods or services shall be determined for the purposes of this paragraph on the basis that no VAT is chargeable on the supply.

(7) The Treasury may by order substitute for the sum for the time being specified in sub-paragraph (4)(a) or (b) such other sum as they think fit.

(8) This paragraph has effect subject to paragraph 8.

(9) In this paragraph—
   “relevant period” means the prescribed accounting period referred to in paragraph 6(1)(a) or (b);
   “undertaking” and “group undertaking” have the same meanings as in Part 7 of the Companies Act 1985.

Power to exclude exemption

8 (1) The purpose of this paragraph is to prevent the maintenance or creation of any artificial separation of business activities carried on by two or more persons from resulting in an avoidance of the obligations imposed by paragraph 6.

(2) In determining for the purposes of sub-paragraph (1) whether any separation of business activities is artificial, regard shall be had to the extent to which the different persons carrying on those activities are closely bound to one another by financial, economic and organisational links.

(3) If the Commissioners make a direction under this section—
   (a) the persons named in the direction shall be treated for the purposes of paragraph 7 as a single taxable person carrying on the activities of a business described in the direction with effect from the date of the direction or, if the direction so provides, from such later date as may be specified in the direction, and
   (b) if paragraph 7 would not exclude the application of paragraph 6, in respect of any notifiable scheme, to that single taxable person, it shall not exclude the application of paragraph 6, in respect of that scheme, to the persons named in the direction.

(4) The Commissioners shall not make a direction under this section naming any person unless they are satisfied—
   (a) that he is making or has made taxable or exempt supplies,
   (b) that the activities in the course of which he makes those supplies form only part of certain activities, the other activities being carried on concurrently or previously (or both) by one or more other persons, and
   (c) that, if all the taxable and exempt supplies of the business described in the direction were taken into account, conditions A and B in paragraph 7(2) and (3), as those conditions have effect in relation to designated schemes, would not be met in relation to that business.

(5) A direction under this paragraph shall be served on each of the persons named in it.
(6) A direction under this paragraph remains in force until it is revoked or replaced by a further direction.

Voluntary notification of avoidance scheme that is not designated scheme

(1) Any person may, at any time, provide the Commissioners with prescribed information relating to a scheme or proposed scheme of a particular description which is (or, if implemented, would be) a notifiable scheme by virtue of paragraph 5(1)(b).

(2) On receiving the prescribed information, the Commissioners may—
   (a) allocate a reference number to the scheme (if they have not previously done so under this paragraph), and
   (b) notify the person who provided the information of the number allocated.

Penalty for failure to notify use of notifiable scheme

(1) A person who fails to comply with paragraph 6 shall be liable, subject to sub-paragraphs (2) and (3), to a penalty of an amount determined under paragraph 11.

(2) Conduct falling within sub-paragraph (1) shall not give rise to liability to a penalty under this paragraph if the person concerned satisfies the Commissioners or, on appeal, a tribunal that there is a reasonable excuse for the failure.

(3) Where, by reason of conduct falling within sub-paragraph (1)—
   (a) a person is convicted of an offence (whether under this Act or otherwise), or
   (b) a person is assessed to a penalty under section 60,
      that conduct shall not give rise to a penalty under this paragraph.

Amount of penalty

(1) Where the failure mentioned in paragraph 10(1) relates to a notifiable scheme that is not a designated scheme, the amount of the penalty is £5,000.

(2) Where the failure mentioned in paragraph 10(1) relates to a designated scheme, the amount of the penalty is 15 per cent. of the VAT saving (as determined under sub-paragraph (3)).

(3) For this purpose the VAT saving is—
   (a) to the extent that the case falls within paragraph 6(1)(a), the aggregate of—
      (i) the amount by which the amount of VAT that would, but for the scheme, have been shown in returns in respect of the relevant periods as payable by the taxable person exceeds the amount of VAT that was shown in those returns as payable by him, and
      (ii) the amount by which the amount of VAT that was shown in such returns as payable to the taxable person exceeds the
amount of VAT that would, but for the scheme, have been shown in those returns as payable to him, and

(b) to the extent that the case falls within paragraph 6(1)(b), the amount by which the amount claimed exceeds the amount which the taxable person would, but for the scheme, have claimed.

(4) In sub-paragraph (3)(a) “the relevant periods” means the prescribed accounting periods beginning with that in respect of which the duty to comply with paragraph 6 first arose and ending with the earlier of the following—

(a) the prescribed accounting period in which the taxable person complied with that paragraph, and

(b) the prescribed accounting period immediately preceding the notification by the Commissioners of the penalty assessment.

Penalty assessments

12 (1) Where any person is liable under paragraph 10 to a penalty of an amount determined under paragraph 11, the Commissioners may, subject to sub-paragraph (3), assess the amount due by way of penalty and notify it to him accordingly.

(2) The fact that any conduct giving rise to a penalty under paragraph 10 may have ceased before an assessment is made under this paragraph shall not affect the power of the Commissioners to make such an assessment.

(3) In a case where the penalty falls to be calculated by reference to the VAT saving as determined under paragraph 11(3) and the VAT that would, but for the scheme, have been shown in returns as payable by or to the taxable person cannot be readily attributed to any one or more prescribed accounting periods, it shall be treated for the purposes of this Schedule as VAT that would, but for the scheme, have been shown as payable by or to the taxable person in returns for such period or periods as the Commissioners may determine to the best of their judgment and notify to the person liable for the penalty.

(4) No assessment to a penalty under this paragraph shall be made more than two years from the time when facts sufficient, in the opinion of the Commissioners, to indicate that there has been a failure to comply with paragraph 6 in relation to a notifiable scheme came to the Commissioners’ knowledge.

(5) Where the Commissioners notify a person of a penalty in accordance with sub-paragraph (1), the notice of assessment shall specify—

(a) the amount of the penalty,

(b) the reasons for the imposition of the penalty,

(c) how the penalty has been calculated, and

(d) any reduction of the penalty in accordance with section 70.

(6) Where a person is assessed under this paragraph to an amount due by way of penalty and is also assessed under section 73(1), (2), (7), (7A) or (7B) for any of the prescribed accounting periods to which the assessment under this paragraph relates, the assessments may be combined and notified to him as
one assessment, but the amount of the penalty shall be separately identified in the notice.

(7) If an amount is assessed and notified to any person under this paragraph, then unless, or except to the extent that, the assessment is withdrawn or reduced, that amount shall be recoverable as if it were VAT due from him.

(8) Subsection (10) of section 76 (notification to certain persons acting for others) applies for the purposes of this paragraph as it applies for the purposes of that section.

Penalty assessments

Regulations under this Schedule—

(a) may make different provision for different circumstances, and

(b) may include transitional provisions or savings.”.

(a) in the case of a repayment or refund of acquisition expenses, the acquisition expenses fell within section 86 below,

(b) in the case of a reinsurance commission, the policy or contract reinsured under the arrangement in respect of which the commission is paid constitutes basic life assurance and general annuity business, and

UAE is the amount of the acquisition expenses, before making the reduction required by this subsection; and

S1 is the sum of the amounts described in paragraphs (a) and (b) in Step 4.”.

In any such case—

(a) a further fraction of the adjusted amount of those expenses is to be relieved under that section for each succeeding accounting period after the base period, until the whole of the adjusted amount has been relieved,

(b) the fraction is one-seventh, except that for any accounting period of less than a year the fraction is to be proportionately reduced, and

(c) the relief is given by including that fraction of the adjusted amount at paragraph (b) of Step 8,

but this is subject to subsection (9) below.

(9) For any accounting period for which—

(a) the fraction of the adjusted amount of the acquisition expenses for the base period which would otherwise fall to be relieved in accordance with subsection (8) above, exceeds

only that balance shall be so relieved.”.

(3) An applicant or company that has failed to comply with such an obligation or request as—
   (a) is referred to in sub-paragraph (1), and

   (a) such obligations as are referred to in sub-paragraphs (1) to (6), and
   (b) such requests as are referred to in sub-paragraph (1).
(8) Subject to sub-paragraphs (3) and (4), a person is not to be taken for the purposes of this paragraph to have complied with any such obligation or request as is referred to in sub-paragraphs (1) to (5) if there has been a contravention of a requirement as to—

(2) In sub-paragraph (1) “the multiple turnover threshold" means the sum of—

(b) in respect of each partner in the firm which is a company (other than one to which paragraph 11(1)(b) would apply), the amount equal to what would have been the minimum turnover for the purposes of paragraph 11 (1) if the application had been for registration of that company for gross payment.

(3) Where a person has failed to comply with such an obligation or request as is referred to in sub-paragraph (1), the firm is to be treated, in relation to that partner, as satisfying the condition in that sub-paragraph as regards that obligation or request if the Board of Inland Revenue are of the opinion that—

(a) the person had a reasonable excuse for the failure to comply, and

(b) if the excuse ceased, he complied with the obligation or request without unreasonable delay after the excuse had ceased.

(4) There must be reason to expect that each of the persons who are from time to time partners in the firm will, in respect of periods after the qualifying period, comply with such obligations and requests as are referred to in sub-paragraph (1).

(5) Subject to sub-paragraphs (2) and (3), a person is not to be taken for the purposes of this paragraph to have complied with any such obligation or request as is referred to in sub-paragraph (1) if there has been a contravention of a requirement as to—

(2) A “qualifying childcare voucher” means a non-cash voucher in relation to which Conditions A to C are met.

(3) Condition A is that the voucher is provided to enable an employee to obtain care for a child who—

(7) A “qualifying week” means a tax week in respect of which a qualifying childcare voucher is received.

A “tax week” means one of the successive periods in a tax year beginning with the first day of that year and every seventh day after that (so that the last day of a tax year or, in the case of a tax year ending in a leap year, the last two days is treated as a separate week).

2 (1) Section 114 (cars, vans and related benefits) is amended as follows.

(2) In subsection (2), in paragraph (c), for “166” substitute “159” and after that paragraph insert “; and

(d) sections 160 to 164 provide for the cash equivalent of the benefit of any fuel provided for the van to be treated as earnings in certain circumstances.”

(3) After subsection (3) insert—

“(3A) This Chapter does not apply to a van in relation to a tax year if the private use of the van during the tax year by the employee or member of the employee’s family or household is insignificant.”
(4) In subsection (4), insert at the end—“section 169A (van available to more than one member of family or household employed by same employer).”

3 In section 116(2) (when car is first made available and last day on which car is available), after “car”, in each place, insert “or van”.

4 In section 119 (where alternative to benefit of car offered), after “car”, in each place (including the heading), insert “or van”.

5 For sections 155 to 166 substitute——

**Cash equivalent of the benefit of a van**

**“155 Cash equivalent of the benefit of a van**

(1) What is the cash equivalent of the benefit of a van for a tax year depends on whether or not the restricted private use condition is met in relation to the van for the year.

(2) The cash equivalent of the benefit of the van for the year is—

(a) nil if that condition is met in relation to the van for the tax year, and

(b) the amount given by subsection (3) if it is not.

(3) That amount is—

(a) where the tax year is the tax year 2005-06 or 2006-07—

(i) £500 if the age of the van is less than 4 years at the end of the tax year, and

(ii) £350 in any other case, and

(b) where the tax year is a later tax year, £3,000.

(4) The restricted private use condition is met in relation to a van for a tax year if—

(a) the commuter use requirement is satisfied throughout the year (or the part of the year on which it is available to the employee) or the extent to which it is not satisfied during that period is insignificant, and

(b) the business travel requirement is satisfied throughout the year (or the part of the year on which it is available to the employee).

(5) The commuter use requirement is satisfied at any time if—

(a) the terms on which the van is available to the employee at the time prohibit its private use otherwise than for the purposes of ordinary commuting or travel between two places that is for practical purposes substantially ordinary commuting, and

(b) neither the employee nor a member of the employee’s family or household makes private use of the van at the time otherwise than for those purposes.

(6) In subsection (5) “ordinary commuting” has the same meaning as in section 338 (travel for necessary attendance) (see subsection (3) of that section).
(7) The business travel requirement is satisfied at a time if the van is available to the employee at the time mainly for use for the purposes of the employee’s business travel (see section 171(1)).

(8) The cash equivalent of the van may be reduced—
   (a) under section 156 for any periods when the van is unavailable,
   (b) under section 157 where the van is shared, and
   (c) under section 158 in respect of payments by the employee for the private use of the van.

Vans: reductions of cash equivalent

Reduction for periods when van unavailable

156 Reduction for periods when van unavailable

(1) The cash equivalent of the benefit of a van for a tax year under section 155(2) (a) or (b) is to be reduced if the van has been unavailable on any day during the year.

(2) For the purposes of this section a van is unavailable on any day if the day—
   (a) falls before the first day on which the van is available to the employee,
   (b) falls after the last day on which the van is available to the employee, or
   (c) falls within a period of 30 days or more throughout which the van is not available to the employee.

(3) The amount of the reduction is given by the formula—

$$\frac{U}{Y} \times CE$$

where—

U is the number of days in the year on which the van is unavailable,

Y is the number of days in the year, and

CE is the amount of the cash equivalent before any reduction.

Reduction of cash equivalent where van is shared

157 Reduction of cash equivalent where van is shared

(1) This section applies if in a tax year a van—
   (a) is available to more than one employee concurrently,
   (b) is so made available by the same employer, and
   (c) is available concurrently for each employee’s private use.
(2) The cash equivalent of the benefit of the van to each of those employees for that year—
(a) is to be calculated separately under sections 155 and 156, and
(b) is then to be reduced on a just and reasonable basis.

(3) If —
(a) any of the employees mentioned in subsection (1)(a) (“E”) is a member of the family or household of another of them (“M”), and
(b) E’s employment is an excluded employment,
the availability of the van to E is to be disregarded when applying subsection (2)(b) in respect of M.

(4) In this section the reference to the van being available for each employee’s private use includes a reference to the van being available for the private use of a member of the employee’s family or household.

Reduction for payments for private use

158 Reduction for payments for private use

(1) The cash equivalent of the benefit of a van for a tax year under section 155(2) (a) or (b) (after any reduction under sections 156 and 157) is to be reduced if, as a condition of the van being available for the employee’s private use, the employee—
(a) is required in that year to pay (whether by way of deduction from earnings or otherwise) an amount of money for that use, and
(b) makes such payment.

(2) If the amount paid by the employee in respect of that year is equal to or exceeds that cash equivalent, it is reduced to nil.

(3) In any other case that cash equivalent is reduced by the amount paid by the employee.

(4) In this section the reference to the van being available for the employee’s private use includes a reference to the van being available for the private use of a member of the employee’s family or household.

Modification of provisions where van temporarily replaced

159 Modification of provisions where van temporarily replaced

(1) This section applies if—
(a) the van normally available to an employee (“the normal van”) is not available to the employee for a period of less than 30 days,
(b) another van (“the replacement van”) is made available to the employee in order to replace the normal van for the whole or part of that period, and
(c) the employee is chargeable to tax in respect of both the normal van and the replacement van by virtue of section 154.

(2) If this section applies—
(a) section 156 applies so that the replacement van is to be treated as unavailable on the days during the period on which it replaces the normal van, and
(b) sections 155, 157 and 158 apply as if the replacement van were the normal van.

**Van fuel: benefit treated as earnings**

**Benefit of van fuel treated as earnings**

**160 Benefit of van fuel treated as earnings**

(1) If in a tax year—
(a) fuel is provided for a van by reason of an employee’s employment,
(b) that person is chargeable to tax in respect of the van by virtue of section 154, and
(c) the cash equivalent of the van for that year is that under section 155(2)(b),

the cash equivalent of the benefit of the fuel is to be treated as earnings from the employment for that year.

(2) The cash equivalent of the benefit of the fuel is calculated in accordance with sections 161 to 164.

(3) Fuel is to be treated as provided for a van, in addition to any other way in which it may be provided, if—
(a) any liability in respect of the provision of fuel for the van is discharged,
(b) a non-cash voucher or a credit-token is used to obtain fuel for the van,
(c) a non-cash voucher or a credit-token is used to obtain money which is spent on fuel for the van, or
(d) any sum is paid in respect of expenses incurred in providing fuel for the van.

(4) References in this section to fuel do not include any facility or means for supplying electrical energy for an electrically propelled vehicle.

**Van fuel: the cash equivalent**

**161 Van fuel: the cash equivalent**

The cash equivalent of the benefit of the fuel is—
(a) where the tax year is the tax year 2005-06 or 2006-07, nil, and
(b) where the tax year is a later tax year, £500.
Van fuel: nil cash equivalent

162 Van fuel: nil cash equivalent

(1) The cash equivalent of the benefit of the fuel is nil if condition A or B is met.

(2) Condition A is met if in the tax year in question—
   (a) the employee is required to make good to the person providing the fuel the whole of the expense incurred by that person in connection with the provision of the fuel for the employee’s private use, and
   (b) the employee does make good that expense.

(3) Condition B is met if in the tax year in question the fuel is made available only for business travel (see section 171(1)).

Van fuel: proportionate reduction of cash equivalent

163 Van fuel: proportionate reduction of cash equivalent

(1) The cash equivalent of the benefit of the fuel is to be proportionately reduced if for any part of the tax year in question the van for which the fuel is provided is unavailable (within the meaning of section 156 (reduction for periods when van unavailable)).

(2) But if section 159 (van temporarily replaced) applies—
   (a) section 160 applies as if the replacement van were the normal van, and
   (b) for the purposes of subsection (1) the replacement van is to be treated as unavailable on the days during the period on which it replaces the normal van.

(3) The cash equivalent of the benefit of the fuel is also to be proportionately reduced if for any part of the tax year in question—
   (a) the facility for the provision of fuel as mentioned in section 160 (1) is not available,
   (b) the fuel is made available only for business travel (see section 171(1)), or
   (c) the employee is required to make good to the person providing the fuel the whole of the expense incurred by that person in connection with the provision of the fuel for the employee’s private use and the employee does make good that expense.

(4) The fact that any of the conditions specified in subsection (3) is met for part of a tax year is to be disregarded if there is a time later in that year when none of those conditions is met.

(5) Where the cash equivalent is to be proportionately reduced under subsection (1) or (3) (or under both those subsections), the reduced amount is given by the formula—

\[ CE \times \frac{Y - D}{Y} \]
where—

CE is the amount of the cash equivalent before any reduction,

Y is the number of days in the tax year in question, and

D is the total number of days in the tax year on which either the van is unavailable or one or more of the conditions in subsection (3) is met.

Van fuel: reduction of cash equivalent

164 Van fuel: reduction of cash equivalent

If a reduction of the cash equivalent of the benefit of the van for which the fuel is provided is made under section 157 (reduction of cash equivalent where van is shared), a corresponding reduction is to be made in relation to the cash equivalent of the benefit of the fuel.”

6 After section 169 insert—

Van available to more than one member of family or household employed by same employer

“169A Van available to more than one member of family or household employed by same employer

(1) This section applies where—

(a) an employee (“E”) and a member of the employee’s family or household (“M”) are employed by the same employer, and

(b) as a result of a van being made available to M in a tax year, E would (apart from this section) be chargeable to tax in respect of the van in that year by virtue of section 154.

(2) The cash equivalent of the benefit of the van and of any fuel provided for the van by reason of E’s employment is not to be treated as E’s earnings for that year if—

(a) M is chargeable to tax in respect of the van in that year by virtue of section 154, or

(b) where M’s employment is an excluded employment, M had the benefit of the van in M’s own right as an employee and condition A or B is met.

(3) Condition A is met if equivalent vans are made available on the same terms to employees who—

(a) are in similar employment to M with the same employer, and

(b) are not members of the family or household of employees of that employer who are employed in employment which is not an excluded employment.

(4) Condition B is met if the making available of an equivalent van is in accordance with the normal commercial practice for an employment of the kind held by M.”

7 (1) Section 170 (orders etc.) is amended as follows.
(2) After subsection (1) insert—

“(1A) The Treasury may by order substitute a different amount for that for the time being specified in—

(a) section 155(2)(a) (cash equivalent where van subject only to restricted private use by employee), and

(b) section 155(3)(b) (cash equivalent in other cases).”

(3) In subsection (2), after “(1)” insert “ or (1A) ”.

(4) In subsection (5), insert at the end “ or section 161(b) (van fuel: cash equivalent) ”.

8 In section 237 (exemption from Chapter 10 of Part 3 in respect of provision of workplace parking), in subsection (3)(a) (car parking space to be “workplace parking”), for “car parking space” substitute “ parking space for a car or van ”.

F443 (1) For the purposes of this Schedule whether a person is connected with another person is determined in accordance with section 993 of the Income Tax Act 2007.
(2) But for those purposes sections 993 and 994 of that Act are to be read as if in those sections—
   (a) “relative” included uncle, aunt, nephew and niece, and
   (b) “settlement”, “settlor” and “trustee” had the same meanings as in IHTA 1984.

---

(1) This paragraph applies where—
   (a) an individual (“the chargeable person”) occupies any land (“the relevant land”), whether alone or together with other persons, and
   (b) the disposal condition or the contribution condition is met as respects the land.

(2) The disposal condition is that—
   (a) at any time after 17th March 1986 the chargeable person owned an interest—
      (i) in the relevant land, or
      (ii) in other property the proceeds of the disposal of which were (directly or indirectly) applied by another person towards the acquisition of an interest in the relevant land, and
   (b) the chargeable person has disposed of all, or part of, his interest in the relevant land or the other property, otherwise than by an excluded transaction.

(3) The contribution condition is that at any time after 17th March 1986 the chargeable person has directly or indirectly provided, otherwise than by an excluded transaction, any of the consideration given by another person for the acquisition of—
   (a) an interest in the relevant land, or
   (b) an interest in any other property the proceeds of the disposal of which were (directly or indirectly) applied by another person towards the acquisition of an interest in the relevant land.

(4) For the purposes of this paragraph a disposition which creates a new interest in land out of an existing interest in land is to be taken to be a disposal of part of the existing interest.

(5) Where this paragraph applies to a person in respect of the whole or part of a year of assessment, an amount equal to the chargeable amount determined under paragraph 4 is to be treated as income of his chargeable to income tax.

(1) For any taxable period the chargeable amount in relation to the relevant land is the appropriate rental value (as determined under sub-paragraph (2)), less the amount of any payments which, in pursuance of any legal obligation, are made by the chargeable person during the period to the owner of the relevant land in respect of the occupation of the land by the chargeable person.

(2) The appropriate rental value is—
$R \times \frac{DV}{V}$

where—

R is the rental value of the relevant land for the taxable period,

DV is—

(a) in a case falling within paragraph 3(2)(a)(i), the value as at the valuation date of the interest in the relevant land that was disposed of as mentioned in paragraph 3(2)(b) by the chargeable person or, where the disposal was a non-exempt sale, the appropriate proportion of that value,

(b) in a case falling within paragraph 3(2)(a)(ii), such part of the value of the relevant land at the valuation date as can reasonably be attributed to the property originally disposed of by the chargeable person or, where the original disposal was a non-exempt sale, to the appropriate proportion of that property, and

(c) in a case falling within paragraph 3(3), such part of the value of the relevant land at the valuation date as can reasonably be attributed to the consideration provided by the chargeable person, and

V is the value of the relevant land at the valuation date.

(3) The “rental value” of the land for the taxable period is the rent which would have been payable for the period if the property had been let to the chargeable person at an annual rent equal to the annual value.

(4) The disposal by the chargeable person of an interest in land is a “non-exempt sale” if (although not an excluded transaction) it was a sale of his whole interest in the property for a consideration paid in money in sterling or any other currency; and, in relation to a non-exempt sale, “the appropriate proportion” is—

$$\frac{MV - P}{MV}$$

where—

MV is the value of the interest in land at the time of the sale;

P is the amount paid.

(5) Regulations may—

(a) in relation to any valuation date, provide for a valuation of the relevant land or any interest in the relevant land by reference to an earlier valuation date to apply subject to any prescribed adjustments, and

(b) in relation to any year of assessment, provide for a determination of the rental value of the land by reference to any earlier year of assessment to apply subject to any prescribed adjustments.

(6) In this paragraph—

“the taxable period” means the year of assessment, or part of a year of assessment, during which paragraph 3 applies to the chargeable person;
“the valuation date”, in relation to a taxable period, means such date as may be prescribed.

5 (1) For the purposes of paragraph 4 the annual value of the relevant land is the rent which might reasonably be expected to be obtained on a letting from year to year if—
   (a) the tenant undertook to pay all taxes, rates and charges usually paid by a tenant, and
   (b) the landlord undertook to bear the costs of the repairs and insurance and the other expenses (if any) necessary for maintaining the property in a state to command that rent.

(2) For the purposes of sub-paragraph (1) that rent—
   (a) is to be taken to be the amount that might reasonably be expected to be so obtained in respect of a letting of the land, and
   (b) is to be calculated on the basis that the only amounts that may be deducted in respect of services provided by the landlord are amounts in respect of the cost to the landlord of providing any relevant services.

(3) In this paragraph “relevant service” means a service other than the repair, insurance or maintenance of the premises.

Chattels

6 (1) This paragraph applies where—
   (a) an individual (“the chargeable person”) is in possession of, or has the use of, a chattel, whether alone or together with other persons, and
   (b) the disposal condition or the contribution condition is met as respects the chattel.

(2) The disposal condition is that—
   (a) at any time after 17th March 1986 the chargeable person had (whether alone or jointly with others) owned—
      (i) the chattel, or
      (ii) any other property the proceeds of the disposal of which were (directly or indirectly) applied by another person towards the acquisition of the chattel, and
   (b) the chargeable person disposed of all or part of his interest in the chattel or other property otherwise than by an excluded transaction.

(3) The contribution condition is that at any time after 17th March 1986 the chargeable person had directly or indirectly provided, otherwise than by an excluded transaction, any of the consideration given by another person for the acquisition of—
   (a) the chattel, or
   (b) any other property the proceeds of the disposal of which were (directly or indirectly) applied by another person towards the acquisition of the chattel.

(4) For the purposes of this paragraph, a disposition which creates a new interest in a chattel out of an existing interest in a chattel is to be taken to be a disposal of part of the existing interest.

(5) Where this paragraph applies to a person in respect of the whole or part of a year of assessment, an amount equal to the chargeable amount determined under paragraph 7 is to be treated as income of his chargeable to income tax.
7 (1) For any taxable period the chargeable amount in relation to any chattel is the appropriate amount (as determined under sub-paragraph (2)), less the amount of any payments which, in pursuance of any legal obligation, are made by the chargeable person during the period to the owner of the chattel in respect of the possession or use of the chattel by the chargeable person.

(2) The appropriate amount is—

\[ N \times \frac{DV}{V} \]

where—

N is the amount of the interest that would be payable for the taxable period if interest were payable at the prescribed rate on an amount equal to the value of the chattel as the valuation date,

DV is—

(b) in a case falling within paragraph 6(2)(a)(ii), such part of the value of the chattel at the valuation date as can reasonably be attributed to the property originally disposed of by the chargeable person or, where the original disposal was a non-exempt sale, to the appropriate proportion of that property, and

(c) in a case falling within paragraph 6(3), such part of the value of the chattel at the valuation date as can reasonably be attributed to the consideration provided by the chargeable person, and

V is the value of the chattel at the valuation date.

(3) The disposal by the chargeable person of an interest in a chattel is a “non-exempt sale” if (although not an excluded transaction) it was a sale of his whole interest in the chattel for a consideration paid in money in sterling or any other currency; and, in relation to a non-exempt sale, “the appropriate proportion” is—

\[ \frac{MV - P}{MV} \]

where—

MV is the value of the interest in the chattel at the time of the sale;

P is the amount paid.

(4) Regulations may, in relation to any valuation date, provide for a valuation of the chattel or any interest in the chattel by reference to an earlier valuation date to apply subject to any prescribed adjustments.

(5) In this paragraph—

“the taxable period” means the year of assessment, or part of a year of assessment, during which paragraph 6 applies to the chargeable person;
“the valuation date”, in relation to a taxable period, means such date as may be prescribed.

**Intangible property comprised in settlement where settlor retains an interest**

8 (1) This paragraph applies where—

(a) the terms of a settlement, as they affect any property comprised in the settlement, are such that any income arising from the property would be treated by virtue of [F444 §624 of ITTOIA 2005] (income arising under settlement where settlor retains an interest) as income of a person (“the chargeable person”) who is for the purposes of [F445 Chapter 5 of Part 5] of that Act the settlor,

(b) any such income would be so treated even if [F446 §625(1) of ITTOIA 2005 (settlor’s retained interest)] did not include any reference to the spouse [F447 or civil partner] of the settlor, and

(c) that property includes any property as respects which the condition in sub-paragraph (2) is met (“the relevant property”).

(2) The condition mentioned in sub-paragraph (1)(c) is that the property is intangible property which is or represents property which the chargeable person settled, or added to the settlement, after 17th March 1986.

(3) Section 228B is subject to sub-paragraph (4) in its application to—
   (a) the transitional period of account if the lessee’s excess rentals are not greater than the notional rental deduction for that period, or
   (b) a subsequent period of account if the unrelieved portion of the lessee’s excess rentals is not greater than the notional rental deduction for that period.

(4) The permitted maximum for that period of account is the total of—
   (a) the lessee’s excess rentals (in the case of the transitional period of account) or the unrelieved portion of the lessee’s excess rentals (in the case of a subsequent period of account), and
   (b) the amount given by this calculation—

\]

where—
   “Basic Amount” means the amount calculated in accordance with section 228B(2),

permitted maximum by virtue of section 228B(3) and (4).

of account for which the permitted maximum has been determined in accordance
with sub-paragraph (3) to (5).

3 (1) This paragraph applies where—

(a) the existing leaseback terminates, and

(b) in the period of account immediately following that in which it terminates,
paragraph 2(2)(b) or 2(3)(b) would apply were it not for the termination.

(2) The permitted maximum for the period of account in which the leaseback terminates
shall also include an amount equal to the amount that the unrelieved portion of
the lessee’s excess rentals would have been in the period of account immediately
following.

Section 228C

4 Section 228C shall not apply where the existing leaseback terminates before 17
March 2004.

Section 228C

5 (1) Section 228C applies subject to this paragraph where—

where—

“Original Consideration” has the same meaning as in section 228B;

“Relevant Rentals” means—

(c) the person who first acquires the plant or machinery from the lessor does so as a result of incurring capital expenditure equal (at least) to the market value of the plant or machinery at the termination of the leaseback, and
(d) the amount of the lessee acquisition expenditure that counts as qualifying expenditure is restricted under section 226.

(2) If the section 226 restriction is greater than the amount calculated in accordance with section 228C(3)—
   (a) section 228C(2) to (4) shall not apply, but
   (b) if there is a taxable disposal, section 228C(2) to (4) shall apply subject to sub-paragraph (5).

(3) If the section 226 restriction is not greater than the amount calculated in accordance with section 228C(3)—
   (a) the amount by which profits or income are increased in accordance with section 228C(2) shall be reduced by the section 226 restriction, and
   (b) if there is a taxable disposal, section 228C(2) to (4) shall apply again subject to sub-paragraph (5).

(4) For the purposes of sub-paragraphs (2) and (3) there is a taxable disposal if, during the period of six years beginning with the date of termination of the leaseback—
(a) the whole of the plant or machinery is the subject of a disposal event (within the meaning of Part 2), or
(b) part of the plant or machinery is the subject of such a disposal event.

(5) Where section 228C(2) to (4) applies subject to this sub-paragraph—

(a) a reference to the termination shall be treated as a reference to the cessation of ownership of the plant or machinery, and
(b) the amount by which profits or income are increased in accordance with section 228C(2) shall be—

(i) in a case falling within sub-paragraph (2)(b), the relevant fraction of the amount calculated in accordance with section 228C(3), or

\]

where “Disposal Proceeds” means the consideration due to the lessee under the taxable disposal or, if higher, the market value of the plant or machinery at the time of the taxable disposal; but—

(a) where that amount is greater than the lessee acquisition expenditure, the Disposal Proceeds shall be the amount of the lessee acquisition expenditure, or
(b) where that amount is less than the restricted qualifying expenditure, the Disposal Proceeds shall be the amount of the restricted qualifying expenditure.

(7) Where there is a taxable disposal by virtue of sub-paragraph (4)(b), this paragraph applies in relation to that disposal with the following modifications—

(a) references in sub-paragraphs (5)(a) and (6) to the plant or machinery shall be taken to be references to the part of the plant or machinery comprised in the taxable disposal;
(b) the amount by which profits or income are to be increased by virtue of sub-paragraph (5)(b) shall be the partial disposal fraction of the amount given by sub-paragraph (5)(b)(i) or (ii);
(c) the partial disposal fraction of the restricted qualifying expenditure and of the lessee acquisition expenditure shall be used for the purposes of sub-paragraph (6) instead of those amounts of expenditure.

\[
\frac{\text{Apportioned Lessee Acquisition Expenditure}}{\text{Lessee Acquisition Expenditure}}
\]

where “Apportioned Lessee Acquisition Expenditure” means so much of the lessee acquisition expenditure as was attributable to the acquisition of the part of the plant or machinery comprised in the taxable disposal.

(9) In this paragraph—

(2) The following fraction of the relevant chargeable gain shall instead be taken into account for the purposes of the chargeable gains computation—

\[
\frac{\text{Net Rentals} - \text{Termination Charge}}{\text{Lease Premium}}
\]

where—

“Net Rentals” means—

(a) the total of the amounts deducted in calculating the user’s income or profits, for the purpose of income tax or corporation tax, in respect of amounts payable under the leaseback, minus

(a) a member gives notice of his resignation from membership of Lloyd’s in accordance with the rules or practice of Lloyd’s,
(b) in accordance with such rules or practice, the member does not undertake any new insurance business at Lloyd’s after the end of the member’s last underwriting year, and
(c) the member does not withdraw that notice.

(3) Condition 2 is that all of the member’s outstanding syndicate capacity is disposed of by the member under a conversion arrangement to a successor company (“the syndicate capacity disposal”) with effect from the beginning of the underwriting year next following the member’s last underwriting year.

(4) Condition 3 is that, immediately before the syndicate capacity disposal,—

(a) the member controls the successor company, and
(b) more than 50% of the ordinary share capital of the successor company is beneficially owned by the member.

(5) Condition 4 is that the syndicate capacity disposal is made in consideration solely of the issue to the member of shares in the successor company.
(6) Condition 5 is that the successor company starts to carry on its underwriting business in the underwriting year (“the successor company’s first underwriting year”) next following the member’s last underwriting year.

(7) In this paragraph “the member’s last underwriting year”, in relation to a member who gives notice of his resignation from membership of Lloyd’s, means the underwriting year during which, or at the end of which, he ceases to be an underwriting member and becomes a non-underwriting member in accordance with the rules or practice of Lloyd’s.

(8) In this paragraph “outstanding syndicate capacity”, in relation to a member, means the syndicate capacity of the member other than any which—

   (a) the member’s total income for a year of assessment includes any income derived by the member from the successor company (whether by way of dividends on the shares issued to the member or otherwise), and
   (b) throughout the period beginning with the time of the syndicate capacity disposal and ending with the end of that year of assessment, 
      (i) the member controls the successor company, and
      (ii) more than 50% of the ordinary share capital of the successor company is beneficially owned by the member.

(2) The carry-forward provision shall apply as if the income so derived were profits on which the member was assessed under Schedule D in respect of the member’s underwriting business for that year.

(3) But where under the carry-forward provision as applied by sub-paragraph (2) above a loss falls to be deducted from or set off against any income for any year of assessment, the deduction or set-off shall be made in the first place against that part, if any, of the income in respect of which the member has been, or is liable to be, assessed to tax for that year.

   (b) the sums allowable as a deduction under section 38(1)(a) of the Gains Tax Act shall be reduced by the amount apportioned to the issued share under paragraph (a) above; but, in the case of a derived asset, the reduction shall be by an appropriate proportion of that amount;

and if the issued shares are not all of the same class, the apportionment between the shares under paragraph (a) above shall be in accordance with their market values at the time they were acquired by the member.

(4) In this paragraph "the amount of the rolled-over gain" means the lesser of—
   (a) the amount of the syndicate capacity gain, and
   (b) the aggregate amount of any sums which would be allowable as a deduction under section 38(1)(a) of the Gains Tax Act if the issued shares were disposed of as a whole by the member in circumstances giving rise to a chargeable gain.

(5) In this paragraph the "issued shares" means the shares in the successor company issued to the member in consideration for the syndicate capacity disposal.

SCHEDULE 28

REGISTERED PENSION SCHEMES: AUTHORISED PENSIONS—SUPPLEMENTARY

PART 1

PENSION RULES

Defined benefits and money purchase arrangements

Ill-health condition

1 For the purposes of this Part the ill-health condition is met if—

(a) the scheme administrator has received evidence from a registered medical practitioner that the member is (and will continue to be) incapable of carrying on the member’s occupation because of physical or mental impairment, and

(b) the member has in fact ceased to carry on the member’s occupation.

Scheme pension

2 F490(1) ..................................
(2) A pension payable to the member is a scheme pension for the purposes of this Part if—

(a) it is payable by the scheme administrator or by an insurance company selected by the scheme administrator, and
(b) it satisfies the condition in sub-paragraph (3).

(3) The condition is that (subject to sub-paragraph (4)—

(a) the pension is payable (at least annually) until the member’s death or until the later of the member’s death and the end of a term certain not exceeding ten years, and
(b) the rate of pension payable at any time during any relevant 12 month period is not less than the rate payable at the relevant time.

(3A) “The relevant time” is—

(a) in the case of the first relevant 12 month period, the day on which the member becomes entitled to the pension, and
(b) in the case of any other relevant 12 month period, immediately before the beginning of that period.

(4) None of the following prevent the pension satisfying the condition in sub-paragraph (3)—

(a) the reduction of the pension if the member became entitled to it by reason of the ill-health condition being met,
(b) a reduction in the rate of the pension which applies to all the scheme pensions being paid to or in respect of members of the pension scheme,
(c) a reduction in the rate of the pension, taking effect at a time not earlier than when the member reaches the age of 60 and not later than when the member reaches the age of 65, which does not exceed the relevant state retirement pension rate at that time (or the pension ceasing to be payable at such a time if at that time that rate is greater than the rate of the pension),
(d) the reduction of the pension in consequence of a pension sharing order or provision,
(e) forfeiture of entitlement to the pension in circumstances prescribed by regulations made by the Board of Inland Revenue,
(f) the reduction of the pension in consequence of an order of a court,
(g) if the pension is under a public service pension scheme, its reduction by abatement, or
(h) the reduction of the pension in any other circumstances prescribed by regulations made by the Board of Inland Revenue.

(4A) In sub-paragraph (4) references to the reduction of a pension include its ceasing to be payable (whether temporarily or permanently).

(5) For the purposes of sub-paragraph (4)(c) “the relevant state retirement pension rate” at any time—

(a) where no employment of the member to which the pension scheme relates is or has been other than contracted-out employment by reference to the pension scheme, is 125% of the rate of the basic pension at that time or such higher percentage of that rate as the Treasury may by regulations prescribe,
(b) where no such employment of the member is or has been contracted-out employment by reference to the pension scheme, is 250% of the rate of
the basic pension at that time or such higher percentage of that rate as the Treasury may by regulations prescribe, and

(c) otherwise, is such percentage of the rate of the basic pension at that time falling between the percentages for the time being specified under or by virtue of paragraphs (a) and (b) as the Treasury by regulations prescribe;

and regulations under paragraph (c) may prescribe different percentages for different cases.

(5A) For the purposes of sub-paragraph (5)—

(a) for the meaning of “contracted-out employment” see section 8(1) of the Pension Schemes Act 1993 or section 4(1) of the Pension Schemes (Northern Ireland) Act 1993, and

(b) “the basic pension” means the basic pension specified in section 44 of SSCBA 1992 or section 44 of SSCB(NI)A 1992.

(a) marrying,

(b) reaching the age of 18, or

(c) ceasing to be in full-time education.

(6A) The Board of Inland Revenue may by regulations provide that if—

(a) a scheme pension payable by an insurance company selected by the scheme administrator of a registered pension scheme (“the original scheme pension”) ceases to be payable, and

(b) in consequence of the transfer of sums or assets (or both) from the insurance company to another insurance company in connection with the original scheme pension ceasing to be payable, another scheme pension becomes payable by the other insurance company (“the new scheme pension”),

the new scheme pension is to be treated, to such extent as is prescribed by the regulations and for such of the purposes of this Part as are so prescribed, as if it were the original scheme pension.

(7) A relevant 12 month period is any 12 month period which—

(a) begins on or after the first anniversary of the day on which the member becomes entitled to the pension, and

(b) ends before the day on which the pension ceases to be payable.

(8) Regulations under sub-paragraph (4(e) or (h) or (5)] may include provision having effect in relation to times before they are made.]
Sch. 28 para. 2A inserted (6.4.2006) by Finance Act 2005 (c. 7), Sch. 10 paras. 12, 64(1)

(1) Where this paragraph applies in relation to a pension payable to the member, the pension scheme is to be treated as making an unauthorised payment to the member of the appropriate amount.

(2) This paragraph applies to a pension if it fails to satisfy the condition in sub-paragraph (3) of paragraph 2—
   (a) by reason of not complying with paragraph (a) of that sub-paragraph, or
   (b) by reason of not complying with paragraph (b) of that sub-paragraph because a substantial reduction occurs in the rate of the pension,

or if it is a pension which is reduced in accordance with paragraph (a) of sub-paragraph (4) of paragraph 2, or the rate of which is reduced in accordance with paragraph (b) of that sub-paragraph, and

the reduction is part of avoidance arrangements.

(3) For the purposes of sub-paragraph (2)(b) a substantial reduction occurs in the rate of a pension if the rate at which the pension is payable at any time during any relevant 12 month period (within the meaning of paragraph 2(7)) is less than 80% of the rate payable when the member became entitled to the pension.

(4) For the purposes of sub-paragraph (2) “avoidance arrangements” includes schemes, arrangements and understandings of any kind (whether or not legally enforceable) the main purpose, or one of the main purposes, of which is to increase the member’s entitlement to a lump sum on which there is no liability to income tax.

(5) “The appropriate amount”, in relation to the pension, is the amount of any lump sum on which there is no liability to tax to which the member became entitled in connection with the pension.

(6) Once this paragraph has applied in relation to the pension, it does not apply in relation to it again.

(7) The application of this paragraph in relation to the pension does not prevent any payments of the pension themselves being unauthorised member payments.
Money purchase arrangements

(1) For the purposes of this Part an annuity payable to the member is a lifetime annuity if—
(a) it is payable by an insurance company,
(b) the member had an opportunity to select the insurance company,
(c) it is payable until the member’s death or until the later of the member’s death and the end of a term certain not exceeding ten years, and
(d) its amount either cannot decrease or falls to be determined in any manner prescribed by regulations made by the Board of Inland Revenue.

(2) An annuity is payable until the end of a term certain even if it may, after the death of the member during the term, end on the annuitant—
(a) marrying,
(b) reaching the age of 18, or
(c) ceasing to be in full-time education.

(2A) An annuity does not fail to satisfy sub-paragraph (1)(d) by reason of the operation of a pension sharing order or provision.

(2B) The Board of Inland Revenue may by regulations make provision in relation to cases in which a lifetime annuity payable by an insurance company (“the original lifetime annuity”) ceases to be payable and in consequence of that—
(a) sums or assets (or both) are transferred from the insurance company to another insurance company and are applied towards the provision of either another lifetime annuity (a “new lifetime annuity”) or a scheme pension, short-term annuity, dependants’ scheme pension, dependants’ annuity or dependants’ short-term annuity by the other insurance company, or
(b) sums or assets are transferred to the relevant registered pension scheme.

(2C) The regulations may provide that—
(a) in a case where a new lifetime annuity becomes payable, the new lifetime annuity is to be treated, to such extent as is prescribed by the regulations and for such of the purposes of this Part as are so prescribed, as if it were the original lifetime annuity, and
(b) in any other case, the relevant registered pension scheme is to be treated as making an unauthorised payment to the member of an amount equal to the aggregate of the amount of the sums, and the market value of the assets, transferred.

(2CA) The regulations may include provision having effect in relation to times before they are made if that provision does not increase any person’s liability to tax.

(2D) For the purposes of sub-paragraphs (2B) and (2C) a registered pension scheme is the relevant registered pension scheme if the original lifetime annuity was acquired using sums or assets held for the purposes of the pension scheme.
Unsecured pension and alternatively secured pension

“Unsecured pension” means—
(a) a short-term annuity, or
(b) income withdrawal.

“Alternatively secured pension” means income withdrawal.

Short-term annuity

(1) [F512] For the purposes of this Part an annuity payable to the member is a short-term annuity if—
(a) it is purchased by the application of sums or assets representing the whole or any part of the member’s unsecured pension fund in respect of an arrangement,
(b) it is payable by an insurance company,
(c) the member had an opportunity to select the insurance company,
(d) it is payable for a term which does not exceed five years and ends before the member reaches the age of 75, and
[e] its amount either cannot decrease or falls to be determined in any manner prescribed by regulations made by the Board of Inland Revenue.[F513]

[F514] An annuity does not fail to satisfy sub-paragraph (1)(e) by reason of the operation of a pension sharing order or provision.

(1A) The Board of Inland Revenue may by regulations make provision in relation to cases in which a short-term annuity payable by an insurance company (“the original short-term annuity”) ceases to be payable and in consequence of that—
(a) sums or assets (or both) are transferred from the insurance company to another insurance company and are applied towards the provision of either another short-term annuity (a “new short-term annuity”) or a scheme pension, lifetime annuity, dependants’ scheme pension, dependants’ annuity or dependants' short-term annuity by the other insurance company, or
(b) sums or assets are transferred to the relevant registered pension scheme.

(1C) The regulations may provide that—

(a) in a case where a new short-term annuity becomes payable, the new short-term annuity is to be treated, to such extent as is prescribed by the regulations and for such of the purposes of this Part as are so prescribed, as if it were the original short-term annuity, and

(b) in any other case, the relevant registered pension scheme is to be treated as making an unauthorised payment to the member of an amount equal to the aggregate of the amount of the sums, and the market value of the assets, transferred.

(1D) For the purposes of sub-paragraphs (1B) and (1C) a registered pension scheme is the relevant registered pension scheme if the original short-term annuity was acquired using sums or assets held for the purposes of the pension scheme.]

and have not been applied towards the provision of a scheme pension.

(3) “Relevant uncrystallised funds” means

\[F518\]

(a) if the arrangement is a cash balance arrangement, a sum equal to what would, on the valuation assumption in section 277(a), be available for the provision of benefits to or in respect of the member if the member became entitled to them on reaching the age of 75, and

(b) if it is not, such of the sums and assets held for the purposes of the arrangement as are not member-designated funds and have not been applied towards the provision of a scheme pension or a dependants' scheme pension.

(b) in relation to any subsequent reference period, is such day, within the period of 60 days ending with the reference date, as is nominated by the scheme administrator (or, if no day is nominated by the scheme administrator, is the reference date).

(4) For each other unsecured pension year falling within a reference period, the basis amount is the annual amount of the relevant annuity which could have been purchased by the application of the sums and assets representing the member’s unsecured pension fund—
(a) if there has been no recent annuity purchase \[\text{F521}, \text{recent additional fund designation or recent pension sharing event}], on the nominated date, and
(b) otherwise, immediately after the last annuity purchase \[\text{F522}, \text{additional fund designation or pension sharing event}],

F541 Sch. 28 paras. 16A-16C inserted (6.4.2006) by Finance Act 2005 (c. 7), Sch. 10 paras. 28, 64(1)

Modifications etc. (not altering text)
C106 Sch. 28 para. 16A modified (6.4.2006) by The Taxation of Pension Schemes (Transitional Provisions)
Order 2006 (S.I. 2006/572), arts. 1(1), 24

16B (1) Where a pension is payable under the pension scheme to a dependant of the member
in the period of 12 months beginning with the date of the member's death ("the post-
death year"), so much of the pension as exceeds the initial member pension limit is
not a dependants' scheme pension.

(2) But if—
(a) more than one pension is so payable to one of the dependants of the member
in the post-death year, or
(b) pensions are so payable to more than one dependant of the member in the
post-death year,
(or both), so much of any of the pensions as exceeds the appropriate portion of the
initial member pension limit is not a dependants' scheme pension.

(3) The "initial member pension limit" is (subject to sub-paragraph (4)) the sum of—
(a) the aggregate of the amounts of the scheme pensions to which the member
is actually entitled under the pension scheme immediately before his death payable to the member in the period of 12 months ending with the date of his death ("the pre-death year"),
(b) the aggregate of the amounts of the scheme pensions to which the member
is prospectively entitled under the pension scheme at that time which would have been so payable if he had been actually entitled to the pensions throughout the pre-death year, and
(c) 5% of the aggregate of the amounts of the lump sums on which there is
no liability to income tax to which the member has become entitled in connection with scheme pensions under the pension scheme before his death.

(4) But if the member became (actually) entitled to a scheme pension under the pension
scheme during the pre-death year, sub-paragraph (3)(a) has effect as if the amount
of that scheme pension which was payable to the member under the pension scheme
in the pre-death year were the amount which would have been payable to him in the
period of 12 months beginning with the date on which he became entitled to it had he not died.

(5) The "appropriate portion" of the initial member pension limit, in relation to any
pension payable under the pension scheme to a dependant of the member in the post-
death year, is—
\[
\frac{P}{AP}
\]

where—

P is the amount of that pension payable in the post-death year, and

AP is the aggregate of the amounts of each of the pensions payable under the pension scheme to dependants of the member in the post-death year.

F541 Sch. 28 paras. 16A-16C inserted (6.4.2006) by Finance Act 2005 (c. 7), Sch. 10 paras. 28, 64(1)

16C (1) Where a pension is payable under the pension scheme to a dependant of the member, otherwise than in excepted circumstances, in—

(a) the period of 12 months beginning with the end of the post-death year, or

(b) any succeeding period of 12 months,

(“the 12 months in question”), so much of the pension as exceeds the current member pension limit is not a dependants' scheme pension.

(2) But if—

(a) more than one pension is so payable to one of the dependants in the 12 months in question, or

(b) pensions are so payable to more than one dependant of the member in the 12 months in question,

(or both), so much of any of the pensions as exceeds the appropriate portion of the current member pension limit is not a dependants' scheme pension.

(3) “Excepted circumstances” means—

(a) that at the beginning of the period of 12 months in question there are at least 50 pensioner members of the pension scheme, and

(b) that the condition in subsection (4) is met.

(4) The condition in this subsection is met if—

(a) the difference between CYP and PYP in the case of each relevant existing pension is the same amount,

(b) the difference between CYP and PYP in the case of each relevant existing pension is the same percentage of PYP, or

(c) in the case of each relevant existing pension the difference between CYP and PYP is the aggregate of a percentage of PYP and an amount which are both the same as those the aggregate of which make up the difference between CYP and PYP in the case of each other relevant existing pension.

(5) In this section—

“relevant existing pension” means a pension payable to any dependant of any member under the pension scheme throughout the 12 months in question and the immediately preceding period of 12 months,
“CYP”, in relation to a relevant existing pension, is the current year pension, that is the amount of the pension payable in the 12 months in question, and
“PYP”, in relation to a relevant existing pension, is the previous year pension, that is the amount of the pension payable in the immediately preceding period of 12 months.

(6) The “current member pension limit”, in relation to the 12 month period in question, is the initial member pension limit increased by the aggregate of—
(a) the permitted margin, and
(b) the excepted circumstances amount.

(7) The “permitted margin” is the amount by which the initial member pension limit would be greater if it had been increased by whichever of calculation A and calculation B gives the greater amount.

(8) Calculation A involves increasing the initial member pension limit by the relevant annual percentage rate for the whole of the period—
(a) beginning with the first month beginning after the end of the post-death year (“the opening month”), and
(b) ending with the first month of the 12 months in question (“the closing month”).

(9) The relevant annual percentage rate is—
(a) if the relevant valuation factor in relation to the pension scheme is a number greater than 20, the annual rate agreed by the Inland Revenue and the scheme administrator, and
(b) otherwise, 5% per annum.

(10) Calculation B involves increasing the initial member pension limit by the relevant indexation percentage.

(11) If the retail prices index for the closing month is higher than it was for the opening month, the relevant indexation percentage is the percentage increase in the retail prices index.

(12) If it is not, the relevant indexation percentage is 0%.

(13) The “excepted circumstances amount” is the aggregate of the amounts of the relevant increases in pensions which were payable under the pension scheme to dependants of the member in excepted circumstances in any period or periods within subsection (1) (a) or (b).

(14) The relevant increase in the case of any pension payable in relation to any 12 month period under the pension scheme to a dependant of the member is the difference between CYP and PYP (for this purpose reading the references in subsection (5) to the 12 months in question as references to the 12 month period).

(15) The “appropriate portion” of the current member pension limit, in relation to any pension payable under the pension scheme to a dependant of the member in the 12 months in question, is—
\[
P \quad \frac{P}{AP}
\]

where—

P is the amount of that pension payable in the 12 months in question, and

AP is the aggregate of the amounts of each of the pensions payable under the pension scheme to one or more dependants of the member in the 12 months in question.

**Dependants' annuity**

17

(1) An annuity payable to a dependant is a dependants' annuity if—

- (za) it is purchased either together with a lifetime annuity payable to the member or after the member's death,
- (a) it is payable by an insurance company,
- (b) the member or dependant had an opportunity to select the insurance company,
- (c) its amount either cannot decrease or falls to be determined in any manner prescribed by regulations made by the Board of Inland Revenue,
- (d) where the dependant is not the member's child, it is payable until the dependant's death or until the earlier of the dependant's marrying or entering into a civil partnership or dying, and
- (e) where the dependant is the member's child, it is payable until the earlier of the dependant's ceasing to be a dependant or dying, or until the earliest of the dependant's marrying or entering into a civil partnership, ceasing to be a dependant or dying.

(1A) For the purposes of sub-paragraph (1)(za) a dependants' annuity is purchased together with a lifetime annuity if the dependant's annuity is related to the lifetime annuity.

(2) An annuity does not fail to satisfy sub-paragraph (1)(c) by reason of the operation of a pension sharing order or provision.

(3) The Board of Inland Revenue may by regulations make provision in relation to cases in which a dependants' annuity payable to a person (“the original dependants' annuity”) ceases to be payable and in consequence of that—

- (a) sums or assets (or both) are transferred from the insurance company to another insurance company and are applied towards the provision of either another dependants' annuity (a “new dependants' annuity”) or a scheme pension, lifetime annuity, short-term annuity, dependants' scheme pension or dependants' short-term annuity by the other insurance company, or
- (b) sums or assets are transferred to the relevant registered pension scheme.
(4) The regulations may provide that—
   (a) in a case where a new dependants' annuity becomes payable, the new dependants' annuity is to be treated, to such extent as is prescribed by the regulations and for such of the purposes of this Part as are so prescribed, as if it were the original dependants' annuity, and
   (b) in any other case, the relevant registered pension scheme is to be treated as making an unauthorised payment in respect of the member of an amount equal to the aggregate of the amount of the sums, and the market value of the assets, transferred.

[FS49](4A) The regulations may include provision having effect in relation to times before they are made if that provision does not increase any person's liability to tax.]

(5) For the purposes of sub-paragraphs (3) and (4) a registered pension scheme is the relevant registered pension scheme if the original dependants' annuity was acquired using sums or assets held for the purposes of the pension scheme.

Dependants' short-term annuity

Unsecured pension year and basis amount for unsecured pension year
23 (1) “Unsecured pension year” means—
(a) the period of 12 months beginning with the day on which the dependant first becomes entitled to dependants' unsecured pension in respect of the arrangement, and
(b) each succeeding period of 12 months.

(2) But when the dependant reaches the age of 75 or dies before reaching that age, the current unsecured pension year is the last unsecured pension year and ends immediately before the dependant’s death or 75th birthday.

Modifications etc. (not altering text)

24 F556(1) Subject as follows, the period of five unsecured pension years beginning with the first unsecured pension year, and each succeeding period of five unsecured pension years, is a “reference period”.

(1A) Sub-paragraph (1B) applies if, at any time during a reference period (“the current reference period”), the dependant notifies the scheme administrator that the dependant wishes a new reference period to begin on the next day that is an anniversary of the reference date in relation to the current reference period.
(1B) The scheme administrator may determine—
   (a) that the current reference period is to end immediately before that day (so
       that sub-paragraph (1) no longer applies), and
   (b) that (subject to any further operation of this sub-paragraph) the period of
       five unsecured pension years beginning with that day, and each succeeding
       period of five unsecured pension years, is to be a reference period.

(1C) The first day of each reference period is, in relation to that period, “the reference
date”.]

(2) For the first unsecured pension year falling within a reference period, the basis
amount is the annual amount of the relevant annuity which could have been
purchased by the application of the sums and assets representing the dependant’s
unsecured pension fund on the nominated date (but subject to sub-paragraph (5)).

(3) “The nominated date”—
   (a) in relation to the first reference period, is the reference date, and
   (b) in relation to any subsequent reference period, is such day, within the period
       of 60 days ending with the reference date, as is nominated by the scheme
       administrator (or if no day is nominated by the scheme administrator, is the
       reference date).

(4) For each other unsecured pension year falling within a reference period, the basis
amount is the annual amount of the relevant annuity which could have been
purchased by the application of the sums and assets representing the dependant’s
unsecured pension fund—
   (a) if there has been no recent annuity purchase[^557] recent additional fund
designation or recent pension sharing event[^557], on the nominated date, and
   (b) otherwise, immediately after the last annuity purchase[^558] additional fund
designation or pension sharing event[^558],
   (but subject to sub-paragraph (5)).

(5) On the occasion of each additional fund designation during an unsecured pension
year, the basis amount for that unsecured pension year is to be recalculated in
accordance with sub-paragraph (6).

(6) The basis amount for the unsecured pension year is the annual amount of the
relevant annuity which could have been purchased by the application of the sums
and assets representing the dependant’s unsecured pension fund immediately after
the additional fund designation.

(7) “Annuity purchase” means the purchase of a dependants' scheme pension or
dependants' annuity by the application of sums or assets representing the whole or
part of the dependant’s unsecured pension fund.

(8) “Additional fund designation” means the designation under the arrangement of
further sums and assets held for the purposes of the arrangement as available for the
payment of unsecured dependants' pension to the dependant.

or provision relating to the sums and assets representing the dependant's unsecured
pension fund.]
(9) An annuity purchase [FS60, additional fund designation or pension sharing event] is “recent” if it took place during the period—
(a) beginning with the reference date, and
(b) ending with the last day of the immediately preceding unsecured pension year.

(10) Paragraph 14 defines “relevant annuity”.

**Dependant’s alternatively secured pension fund**

25  (1) For the purposes of this Part a dependant’s alternatively secured pension fund in respect of an arrangement consists of such of the sums and assets held for the purposes of the arrangement as—
(a) meet condition A or B, and
(b) have not been subsequently applied [FS61] towards the provision of a dependants' scheme pension].

(2) Condition A is that they—
(a) were part of the dependant's unsecured pension fund in respect of the arrangement when the dependant reached the age of 75, or
(b) arise, or (directly or indirectly) derive, from sums or assets within paragraph (a) or which so arise or derive.

(3) Condition B is that they have at any time since the dependant reached the age of 75 been designated as available for the payment of alternatively secured dependants' pension to the dependant or arise, or (directly or indirectly) derive, from sums or assets which have been so designated or which so arise or derive.

(4) If any sums or assets representing a dependant's alternatively secured pension fund in respect of an arrangement under the pension scheme would (apart from this sub-paragraph) come to be taken to represent another dependant's alternatively secured pension fund of his under the pension scheme, or an alternatively secured pension fund of his under the pension scheme, they are to be treated as not doing so.]
Alternatively secured pension year and basis amount for alternatively secured pension year

26 (1) “Alternatively secured pension year” means—
   (a) the period of 12 months beginning with the day on which the dependant first becomes entitled to alternatively secured pension in respect of the arrangement, and
   (b) each succeeding period of 12 months.

(2) When the dependant dies, the current alternatively secured pension year is the last alternatively secured pension year and ends immediately before the dependant’s death.

27 (1) For the first alternatively secured pension year, the basis amount is the annual amount of the relevant annuity which could have been purchased by the application of the sums and assets representing the dependant’s alternatively secured pension fund on the date on which the dependant first became entitled to dependants’ alternatively secured pension in respect of the arrangement.

(2) For each other alternatively secured pension year, the basis amount is the annual amount of the relevant annuity which could have been purchased by the application of the sums and assets representing the dependant’s alternatively secured pension fund on the nominated date.

(3) “The nominated date” is such day within the period of 60 days ending with the first day of the alternatively secured pension year as is nominated by the scheme administrator (but if no day is nominated by the scheme administrator, is the first day of the alternatively secured pension year).

(4) Paragraph 14 defines “relevant annuity”.

SCHEDULE 29

REGISTERED PENSION SCHEMES: AUTHORISED LUMP SUMS—SUPPLEMENTARY

Modifications etc. (not altering text)

C112 Sch. 29 modified by The Taxation of Pension Schemes (Transitional Provisions) Order 2006 (S.I. 2006/572), art. 23C (as inserted (1.6.2009) by S.I. 2009/1172, arts. 1, 3)
PART 1

LUMP SUM RULE

Pension commencement lump sum

1 (1) For the purposes of this Part a lump sum is a pension commencement lump sum if—

(a) the member becomes entitled to it before reaching the age of 75,

(aa) the member becomes entitled to it in connection with becoming entitled to a relevant pension (or dies after becoming entitled to it but before becoming entitled to the relevant pension in connection with which it was anticipated that the member would become entitled to it),

(b) it is paid when all or part of the member’s lifetime allowance is available,

(c) it is paid within the period beginning six months before, and ending one year after, the day on which the member becomes entitled to it,

(d) it is paid when the member has reached normal minimum pension age (or the ill-health condition is satisfied),

(e) . . . . . . . . . . . . . . . . . . . . . . . . . . . . . and

(f) it is not an excluded lump sum (see sub-paragraph (4)).

(2) But if a lump sum falling within sub-paragraph (1) exceeds the permitted maximum, the excess is not a pension commencement lump sum.

(3) A pension is a relevant pension if—

(a) it is income withdrawal, a lifetime annuity or a scheme pension, and

(b) the member becomes entitled to it, otherwise than by virtue of the operation of paragraph 8(2) of Schedule 28, under the pension scheme under which the member becomes entitled to the lump sum.

(4) A lump sum is an excluded lump sum if—

(a) the pension in connection with which the member becomes entitled to it is a scheme pension the rate of which is to reduce (or which is to cease to be payable) in accordance with paragraph 2(4)(c) of Schedule 28 at a time not earlier than when the member reaches the age of 60 and not later than when the member reaches the age of 65, and

(b) the sole or main purpose of making provision for the pension to be such a pension was to increase the member’s entitlement to a lump sum on which there is no liability to income tax.

(5) Paragraph 2 defines the permitted maximum.

(6) The Board of Inland Revenue may by regulations provide that, where incorrect income tax has been paid by the scheme administrator in relation to the member by way of the lifetime allowance charge in circumstances prescribed by the regulations,
2 (1) If sub-paragraph (2) applies, the permitted maximum is nil.

(2) This sub-paragraph applies if all the member’s rights under the arrangement under which the member becomes entitled to the relevant pension are attributable to a disqualifying pension credit.

(3) A pension credit is disqualifying if, when the member becomes entitled to it, the person subject to the corresponding pension debit has an actual (rather than a prospective) right to payment of a pension under the relevant arrangement.

(4) The relevant arrangement is the arrangement to which the pension sharing order or provision, by virtue of which the member becomes entitled to the pension credit, relates.

(5) If sub-paragraph (2) does not apply, the permitted maximum is the lower of—

(a) the available portion of the member’s lump sum allowance, and

(b) the applicable amount, calculated in accordance with paragraph 3.

(5A) But if the member dies before becoming entitled to the relevant pension in connection with which it was anticipated that the member would become entitled to the lump sum, the permitted maximum is the available portion of the member's lump sum allowance.

(6) The available portion of the member’s lump sum allowance is—

CSLA — AAC
where—

CSLA is the current standard lifetime allowance, and

AAC is the aggregate of the relevant amount in the case of each benefit crystallisation event which has occurred in relation to the member before the member becomes entitled to the lump sum, as adjusted under sub-paragraph (7) (and if no such benefit crystallisation event has occurred, is nil).

F572(6A) Subject to sub-paragraph (6B), the relevant amount in the case of a benefit crystallisation event is the amount crystallised by it.

(6B) If the benefit crystallisation event is becoming entitled to a scheme pension under a money purchase arrangement, the relevant amount in the case of the benefit crystallisation event is the aggregate of—

(a) the amount of such of the sums held for the purposes of the pension scheme, and

(b) the market value of such of the assets held for the purposes of the pension scheme,

as are applied in (or in connection with) the purchase or provision of the scheme pension and any related dependants’ scheme pension.

(7) The adjustment of the relevant amount in the case of a previous benefit crystallisation event referred to in the definition of AAC is the multiplication of the amount by—

\[
\frac{\text{CSLA}}{\text{PSLA}}
\]

where—

CSLA is the current standard lifetime allowance, and

PSLA is the standard lifetime allowance at the time of the previous benefit crystallisation event.

(8) If the amount given by sub-paragraph (6) is negative, no portion of the member’s lump sum allowance is available.

Modifications etc. (not altering text)

3 (1) Where the member becomes entitled to income withdrawal, the applicable amount is one third of the aggregate of—
   (a) the amount of the sums designated as available for the payment of unsecured pension on that occasion, and
   (b) the market value of the assets so designated,
   but subject to sub-paragraph (2).

(2) Any of the sums and assets so designated which represent rights attributable to a disqualifying pension credit are to be disregarded.

(3) Where the member becomes entitled to a lifetime annuity, the applicable amount is one third of the annuity purchase price.

(4) “The annuity purchase price” is the aggregate of—
   (a) the amount of such of the sums held for the purposes of the pension scheme, and
   (b) the market value of such of the assets held for the purposes of the pension scheme,
   as are applied in (or in connection with) the purchase of the lifetime annuity and any related dependants' annuity, but subject to sub-paragraph (5).

F574 (4A) For the purposes of this Part a dependants' annuity is related to a lifetime annuity payable to a member of a registered pension scheme—
   (a) if they are purchased either in the form of a joint life annuity or separately in circumstances in which the day on which the one is purchased is no earlier than seven days before, and no later than seven days after, the day on which the other is purchased, and
   (b) the dependant's annuity will be payable to a dependant of the member.

F575 (5) There is to be deducted from that aggregate—
   (a) if the sums or assets applied in (or in connection with) the purchase of the annuity or any related dependants' annuity consist of or include sums or assets representing the whole or part of the member's unsecured pension fund, the aggregate of the amount of those sums and the market value of those assets, and
   (b) in any case, so much (if any) of the sums or assets applied in (or in connection with) the purchase of the annuity or any related dependants' annuity as represents rights which are attributable to a disqualifying pension credit.

(6) Where the member becomes entitled to a scheme pension under a defined benefits arrangement, the applicable amount is—

\[
\frac{LS + AC}{4}
\]

but subject to sub-paragraph (8).

(7) In sub-paragraph (6)—
   LS is the amount of the lump sum, and
   AC is the amount crystallised by reason of the member becoming entitled to the pension (see section 216) (disregarding paragraph 3 of Schedule 32).
(7A) Where the member becomes entitled to a scheme pension under a money purchase arrangement, the applicable amount is one third of the scheme pension purchase price.

(7B) “The scheme pension purchase price” is the aggregate of—

(a) the amount of such of the sums held for the purposes of the pension scheme, and

(b) the market value of such of the assets held for the purposes of the pension scheme,

as are applied in (or in connection with) the purchase or provision of the scheme pension and any related dependants' scheme pension, but subject to sub-paragraph (8).

(7C) For the purposes of this Part a dependants' scheme pension is related to a scheme pension payable to a member of a registered pension scheme if—

(a) the day on which one is purchased or sums or assets are applied for its provision is no earlier than seven days before, and no later than seven days after, the day on which the other is purchased or sums or assets are applied for its provision, and

(b) the dependants' scheme pension will be payable to a dependant of the member.

(8) There is to be deducted from the aggregate of the amount of the lump sum and the amount crystallised—

(a) if the scheme pension is funded (in whole or in part) by the application of sums or assets representing the whole or part of the member’s unsecured pension fund, the aggregate of the amount of those sums and the market value of those assets, and

(b) in any case, so much (if any) of the aggregate of the lump sum and the amount crystallised as represents rights which are attributable to a disqualifying pension credit.

(9) Sub-paragraph (10) applies if—

(a) sums or assets held for the purposes of, or representing accrued rights under, a money purchase arrangement relating to the member under a registered pension scheme (“member money purchase funds”) are subject to a relevant surrender or a relevant transfer,

(b) the sole or main purpose of the relevant surrender or relevant transfer is to increase the applicable amount on the member becoming entitled to a scheme pension, and

(c) the member becomes entitled to a scheme pension under a relevant defined benefits arrangement.

(10) The pension scheme under which the relevant defined benefits arrangement is an arrangement is to be treated as making an unauthorised payment to the member of any amount by which—

(a) the applicable amount in relation to the scheme pension under sub-paragraph (6), exceeds

(b) the amount which would be that applicable amount under sub-paragraph (7A) if the arrangement were a money purchase arrangement.

(11) For the purposes of sub-paragraph (9)—
(a) member money purchase funds are subject to a relevant surrender if they are surrendered and, in consequence of the surrender, there is a corresponding increase in the sums or assets held for the purposes of, or representing rights under, a defined benefits arrangement relating to the member under the pension scheme (or such an arrangement is established), and

(b) member money purchase funds are subject to a relevant transfer if they are transferred so as to become held for the purposes of, or to represent rights under, a defined benefits arrangement relating to the member under any other registered pension scheme.

(12) In sub-paragraphs (9) and (10) “relevant defined benefits arrangement” means—

(a) the defined benefits arrangement mentioned in paragraph (a) or (b) of subparagraph (11), or

(b) any other defined benefits arrangement relating to the member (under the pension scheme or any other registered pension scheme) in the case of which any of the sums or assets held for the purposes of, or representing accrued rights under, the arrangement directly or indirectly represent sums or assets previously held for the purposes of, or representing accrued rights under, the defined benefits arrangement so mentioned.

F584 3A(1) Where this paragraph applies in relation to a pension commencement lump sum paid to the member, the pension scheme is to be treated as making to the member an unauthorised payment of the appropriate amount.

(2) Subject to sub-paragraphs (3) and (4), this paragraph applies in relation to a pension commencement lump sum if—

(a) because of the lump sum, the amount of the contributions paid by or on behalf of, or in respect of, the member to the pension scheme, or to any other registered pension scheme, is significantly greater than it otherwise would be, and

(b) the member envisaged at the relevant time that that would be so.

(3) This paragraph does not apply in relation to any lump sum paid to the member on any day if the amount of the lump sum, when added to any other pension commencement
lump sum paid to the member within the period of 12 months ending with that day, does not exceed 1% of the standard lifetime allowance on that day.

(4) This paragraph does not apply if the amount by which the contributions paid as mentioned in sub-paragraph (2)(a) is greater than it otherwise would be because of the lump sum does not exceed 30% of the amount of the lump sum.

(5) “The appropriate amount” is so much of—
   (a) the amount crystallised by the benefit crystallisation event constituted by the payment of the lump sum, as does not exceed
   (b) the amount of the member's lifetime allowance which is available on it.

(6) “The relevant time” is—
   (a) if paragraph (a) of sub-paragraph (2) is satisfied before the lump sum is paid, the time when that paragraph is first satisfied, and
   (b) otherwise, the time when the lump sum is paid.

   (b) it is paid when all or part of the member’s lifetime allowance is available,
   (c) it is paid in respect of an uncrystallised arrangement,
   (d) it extinguishes the member’s entitlement to benefits under the arrangement, and

(2) An uncrystallised arrangement is an arrangement in respect of which there has been no previous benefit crystallisation event.

### Short service refund lump sum

(1) For the purposes of this Part a lump sum is a short service refund lump sum if—

Refund of excess contributions lump sum

6 (1) A lump sum is a refund of excess contributions lump sum if—
(a) it is paid in respect of a tax year in which the excess contributions condition is met in respect of the member, and
(b) it is paid before the end of the period of six years beginning with the last day of the tax year in respect of which it is paid.

(2) But if a lump sum falling within sub-paragraph (1) exceeds the member’s available excess contributions allowance for the tax year in respect of which it is paid, the excess is not a refund of excess contributions lump sum.

(3) The excess contributions condition is met in respect of a member and a tax year if the amount of relievable pension contributions (see section 188(2) and (3)) paid in respect of the member in the tax year exceeds the maximum amount of relief to which the member is entitled for the tax year under section 190 (annual limit for relief).

(4) If no refund of excess contributions lump sum has been paid to the member in respect of a tax year (by any registered pension scheme), the available excess contributions allowance for that tax year is \[F586\](subject to sub-paragraph (7))—

\[RPC \rightarrow MAR\]

(5) If one or more refund of excess contributions lump sums have been paid to the member in respect of a tax year, the available excess contributions allowance for that tax year is \[F587\](subject to sub-paragraph (7))—

\[RPC \rightarrow MAR \rightarrow ALS\]

or, if the amount resulting from that calculation is negative, is nil.
(6) In this paragraph—

RPC is the amount of the relievable pension contributions paid in respect of the member in the tax year,
MAR is the maximum amount of relief to which the member is entitled for the tax year under section 190, and
ALS is the aggregate of the refund of excess contributions lump sums previously paid to the member in respect of the tax year.

[F588(7) If any relief given in accordance with section 192(1) in relation to any contribution included in RPC is in excess of the maximum amount of relief to which the member is entitled under section 190, RPC is to be taken to be reduced by the amount of that excess.]
8 (1) The value of the member’s relevant crystallised pension rights on the nominated date is the aggregate of—
   (a) the value of the member’s relevant crystallised pension rights on 5th April 2006, calculated in accordance with paragraph 10 of Schedule 36 (as if the member were the individual mentioned there), as adjusted under sub-paragraph (2), and
   (b) the aggregate of the amounts crystallised on benefit crystallisation events in the period beginning with 6th April 2006 and ending with the nominated date, as adjusted under sub-paragraph (3).

(2) The adjustment referred to in sub-paragraph (1)(a) is the multiplication of the value of the member’s relevant crystallised pension rights on 5th April 2006 by—

\[
\frac{\text{SLAN}}{\text{FSLA}}
\]

where—

SLAN is the standard lifetime allowance on the nominated date, and

FSLA is £1,500,000 (the standard lifetime allowance for the tax year 2006-07).

(3) The adjustment referred to in sub-paragraph (1)(b) is the multiplication of the amount crystallised by a previous benefit crystallisation event by—

\[
\frac{\text{SLAN}}{\text{PSLA}}
\]

where—

SLAN is the standard lifetime allowance on the nominated date, and

PSLA is the standard lifetime allowance when the previous benefit crystallisation event occurred.

9 (1) The value of the member’s uncrystallised rights on the nominated date is the aggregate value of the member’s uncrystallised rights on that date under each arrangement relating to the member under a registered pension scheme.

(2) The value on the nominated date of the member’s uncrystallised rights under such an arrangement is to be calculated in accordance with section 212 (valuation of uncrystallised rights for purposes of section 210).

Winding-up lump sum

10 (1) For the purposes of this Part a lump sum is a winding-up lump sum if—
   (a) the pension scheme is an occupational pension scheme,
   (b) the pension scheme is being wound-up,
   (c) any person by whom the member is employed at the time when the lump sum is paid, and who has made contributions under the pension scheme in
respect of the member within the period of five years ending with the day on which it is paid,]

(d) it is paid when all or part of the member’s lifetime allowance is available,

(e) it extinguishes the member’s entitlement to benefits under the pension scheme, and

(f) it is paid when the member has not reached the age of 75.

(2) But if a lump sum falling within sub-paragraph (1) exceeds 1% of the standard lifetime allowance when the lump sum is paid, the excess is not a winding-up lump sum.

(3) The conditions [F590 referred to in paragraph (c) of sub-paragraph (1) are that the person mentioned in that paragraph] —

(a) . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . .

(b) is not making contributions under any other registered pension scheme in respect of the member, and

(c) undertakes to the Inland Revenue not to make such contributions during the period of one year beginning with the day on which the lump sum is paid.

---

**Lifetime allowance excess lump sum**

11 For the purposes of this Part a lump sum is a lifetime allowance excess lump sum if—

(a) it is paid when none of the member’s lifetime allowance is available,

(b) it is not a short service refund lump sum or a refund of excess contributions lump sum,

(c) it does not reduce the rate of payment of any pension to which the member has become (actually) entitled, or extinguish the member’s entitlement to payment of any such pension,

(d) it is paid when the member has reached normal minimum pension age (or the ill-health condition is met), and

(e) it is paid when the member has not reached the age of 75.

---

**Interpretation of Part I**

12 (1) Expressions used in this Part of this Schedule and in Schedule 28 have the same meaning in this Part of this Schedule as in Schedule 28.

(2) Where all or part of the member’s lifetime allowance is available immediately before a lump sum is paid, sub-paragraph (3) applies to the lump sum if—

(a) its amount exceeds the member’s available lifetime allowance, and
(b) but for that fact, it would satisfy all the requirements of paragraph 1(1), 4(1), 7 (1) or 10(1).

(3) For the purposes of this Schedule, the whole of the lump sum (and not only so much of it as does not exceed the member’s available lifetime allowance) is to be treated as paid when all or part of the member’s lifetime allowance is available.

(4) But sub-paragraph (3) does not apply—

(a) in the case of a lump sum that would satisfy all the requirements of paragraph 1(1), to so much of it as would be prevented from being a pension commencement lump sum by paragraph 1(2), and

(b) in the case of a lump sum that would satisfy all the requirements of paragraph 10(1), to so much of it as would be prevented from being a winding-up lump sum by paragraph 10(2).

(5) Where by virtue of paragraph 1(2), 5(2), 6(2) or 10(2) an excess is not an authorised lump sum of one description, that does not prevent the excess being an authorised lump sum of another description.

(6) “Authorised lump sum” means a lump sum authorised to be paid by the lump sum rule.

PART 2

LUMP SUM DEATH BENEFIT RULE

---

**Defined benefits arrangements lump sum death benefit**

13 For the purposes of this Part a lump sum death benefit is a defined benefits lump sum death benefit if—

(a) the member had not reached the age of 75 at the date of the member’s death,

(b) it is paid in respect of a defined benefits arrangement,

(c) it is paid before the end of the period of two years beginning with the [F592earlier of the day on which the scheme administrator first knew of the member’s death and the day on which the scheme administrator could first reasonably be expected to have known of it,] and

(d) it is not a pension protection lump sum death benefit, trivial commutation lump sum death benefit or winding-up lump sum death benefit.
Pension protection lump sum death benefit

14. For the purposes of this Part a lump sum death benefit is a pension protection lump sum death benefit if—
   (a) the member had not reached the age of 75 at the date of the member’s death,
   (b) it is paid in respect of a defined benefits arrangement,
   (c) it is paid in respect of a scheme pension to which the member was entitled at the date of the member’s death, and
   (d) the member has specified that it is to be treated as a pension protection lump sum death benefit (instead of a defined benefits lump sum death benefit).

(2) But if the amount of a lump sum falling within sub-paragraph (1) exceeds the pension protection limit, the excess is not a pension protection lump sum death benefit.

(3) The pension protection limit is—

$$AC - AP - TPLS$$

where—

AC is the amount crystallised by reason of the member becoming entitled to the pension (see section 216),

AP is the amount of the pension paid in respect of the period between the member becoming entitled to the pension and the member’s death, and

TPLS is the total amount of pension protection lump sum death benefit previously paid in respect of the pension under this paragraph.

Money purchase arrangements

Uncrystallised funds lump sum death benefit

15. For the purposes of this Part a lump sum death benefit is an uncrystallised funds lump sum death benefit if—
   (a) the member had not reached the age of 75 at the date of the member’s death,
   (b) it is paid in respect of a money purchase arrangement,
   (c) it is paid before the end of the period of two years beginning with the [F593]earlier of the day on which the scheme administrator first knew of the member’s death and the day on which the scheme administrator could first reasonably be expected to have known of it, and
   (d) it is paid in respect of relevant uncrystallised funds.
(2) “Relevant uncrystallised funds” means such of the sums and assets held for the purposes of the arrangement at the member’s death as—
(a) had not been applied for purchasing a scheme pension, a lifetime annuity, a dependants’ scheme pension or a dependants’ annuity, and
(b) had not been designated under the arrangement as available for the payment of unsecured pension.

(3) But if an amount falling within sub-paragraph (1) exceeds the permitted maximum, the excess is not an uncrystallised funds lump sum death benefit.

(4) The permitted maximum is the aggregate of—
(a) the amount of the sums, and
(b) the market value of the assets,
which constitute the relevant uncrystallised funds immediately before the payment is made.

Annuity protection lump sum death benefit

16 (1) For the purposes of this Part a lump sum death benefit is an annuity protection lump sum death benefit if—

(b) it is paid in respect of a money purchase arrangement, and
(c) it is paid in respect of a scheme pension or lifetime annuity to which the member was entitled at the date of the member’s death.

(2) But if the amount of a lump sum falling within sub-paragraph (1) exceeds the annuity protection limit, the excess is not an annuity protection lump sum death benefit.

(3) The annuity protection limit is—

\[ \text{AC} - \text{AP} - \text{TPLS} \]

where—

AC is the amount crystallised by reason of the member becoming entitled to the pension or annuity (see section 216) [F594, but disregarding paragraphs 3 and 4 of Schedule 32],

AP is the amount of the pension paid in respect of the period between the member becoming entitled to the pension or annuity and the member’s death, and

Taxable property

6 For the purposes of the taxable property provisions property is taxable property if—
   (a) it is residential property (see paragraphs 7 to 10), or
   (b) it is tangible moveable property (but subject to paragraph 11).

      (c) a building which has never been in use is more suitable for use for such a purpose than for use for any other purpose,

     no account is to be taken for the purposes of the taxable property provisions of its suitability for use as a dwelling.

9 (1) The Treasury may by order amend this Part of this Schedule to specify descriptions of buildings which are, or are not, to be treated as residential property.

   (2) An order under this paragraph which amends this Part of this Schedule in a way that results in buildings becoming treated as not being residential property may provide
that the amendment has effect from a date earlier than that on which the order was made.

10 (1) Residential property is not taxable property in relation to a pension scheme if Condition A or B is met.

(2) Condition A is met if the property is (or, if unoccupied, is to be) occupied by an employee who—

(2) An order under this paragraph may include provision having effect in relation to times before it is made.

PART 3

ACQUISITION AND HOLDING OF TAXABLE PROPERTY

Acquisition

12 (1) For the purposes of the taxable property provisions an investment-regulated pension scheme acquires an interest in property if it comes to hold the interest.

(2) Sub-paragraph (1) applies however the pension scheme comes to hold the interest, whether that is—
   (a) by act of the parties to a transaction,
   (b) by order of a court or other authority,
   (c) by or under any statutory provision, or
   (d) by operation of law.

(3) For instances of deemed acquisition, see paragraphs 27 to 29.

Holding

13 (1) For the purposes of the taxable property provisions an investment-regulated pension scheme holds an interest in property if the scheme holds the interest directly or indirectly.
(2) In the taxable property provisions references to a person holding an interest in property include, in the case of—
   (a) an investment-regulated pension scheme,
   (b) an arrangement under a pension scheme, or
   (c) a trust which is not a pension scheme,

references to the interest in the property being held for the purposes of the pension scheme, the arrangement or the trust.

Direct holding

14 (1) For the purposes of the taxable property provisions a person holds an interest in property directly if the person (whether jointly, in common or alone)—
   (a) holds the property or any estate, interest, right or power in or over the property,
   (b) has the right to use, or participate in arrangements relating to the use of, that property or a description of property to which that property belongs, or
   (c) has the benefit of any obligation, restriction or condition affecting the value of any estate, interest, right or power in or over the property, under the law of any country or territory.

(2) But a person does not hold an interest in residential property consisting of hotel accommodation directly unless—
   (a) the person holds part only of the hotel accommodation or any estate, interest, right or power in or over such a part and, as a result, any person has a right to use or occupy that or any other part of the hotel accommodation, or
   (b) the person has a right to use, or participate in arrangements relating to the use of, part only of the hotel accommodation or a description of property to which that part belongs.

(3) For the purposes of the taxable property provisions a person holds an interest in property directly if the person is entitled (whether jointly, in common or alone) to receive payments determined by reference to the value of or the income from the property.

Exception to direct holding

15 (1) A person does not hold an interest in taxable property directly by virtue of paragraph 14(3) where Conditions A to C are met.

(2) Condition A is that—
   (a) the person is entitled to receive the payments by virtue of a policy of life insurance, a contract for a life annuity or a capital redemption policy, and
   (b) the policy or contract is issued by an insurance company.

(3) Condition B is that the property—
   (a) does not constitute a linked asset, or
   (b) has been appropriated by the insurance company to an internal linked fund.

(4) Condition C is that—
(a) where the person is an occupational pension scheme, the policy or contract, either by itself or taken together with one or more associated policies, does not entitle the pension scheme, either alone or together with one or more associated persons, to receive payments representing 10% or more of the market value of or the income from the property,

(b) where the person is a pension scheme other than an occupational pension scheme, the policy or contract, either by itself or taken together with one or more associated policies, does not entitle an arrangement under the pension scheme, either alone or together with one or more associated persons, to receive such payments, or

(c) otherwise, the policy or contract does not entitle the person to receive such payments.

(5) But for the purposes of applying paragraph 14(3) for determining whether a pension scheme holds an interest in taxable property directly or indirectly, this paragraph does not apply if the purpose or one of the purposes for which the person holds rights under the policy or contract is to enable a member of the pension scheme or a person connected with such a member to occupy or use the property.

(6) For the purposes of sub-paragraph (4) “associated policy” means a policy or contract which entitles an associated person to receive payments determined by reference to the value of or the income from the property.

(7) For the definition of “associated person” see paragraph 30.

(b) rules made by the Authority under that Act and having effect for the time being in place of the Sourcebook; and

“linked asset” means an asset of the insurance company which is identified in its records as an asset by reference to the value of which benefits provided for under a policy or contract are to be determined.

(9) For the purposes of this paragraph an annuity is a life annuity if it is—

(a) granted for consideration in money or money's worth in the ordinary course of a business of granting annuities on human life, and

(b) payable for a term ending at a time ascertainable only by reference to the end of a human life,

and for this purpose it does not matter that the annuity may in some circumstances end before or after the life.

(b) the interest in the property is acquired so that the property may be used for the purposes of a trade, profession or vocation carried on by the sponsoring employer or for the purposes of the sponsoring employer's administration or management, and
(c) after the acquisition, the property is not occupied or used by a member of the pension scheme or a person connected with such a member.

references to the interest in the other person being held for the purposes of the pension scheme, the arrangement or the trust.

(6) The Treasury may by regulations—

(a) amend paragraphs 17 to 19, or

(6) In sub-paragraph (5) “derived property”, in relation to any property, means income from that property or any other property directly or indirectly representing proceeds of, or income from, that property.
(7) This sub-paragraph applies to a payment if—
   (a) it is made as part of an arm’s length transaction by which property or a benefit
       is to be provided in return for the payment, and
   (b) it is made otherwise than for the purposes of enabling a member of the
       pension scheme or a person connected with such a member to occupy or use
       any property.

(8) Section 839 of ICTA (connected persons) applies for the purposes of this paragraph.

(9) This paragraph does not apply in relation to a unit trust scheme within the meaning
     of section 237(1) of FISMA 2000 (but see paragraph 18).

Exceptions to indirect holding

(1) A pension scheme does not hold an interest in property indirectly through a vehicle
    through which the pension scheme would otherwise hold the interest in the property
    indirectly where one of the following paragraphs applies in relation to the vehicle,
    and, in particular—

(b) the pension scheme does not, whether alone or together with one or more associated persons, have control of the vehicle, and

(c) neither a member of the pension scheme nor a person connected with such a member is a controlling director of the vehicle or any other vehicle which holds an interest in the vehicle directly or indirectly.

(2) But this paragraph does not apply if the purpose or one of the purposes for which the pension scheme holds the interest in the vehicle is to enable a member of the pension scheme or a person connected with such a member to occupy or use the property.

(3) In sub-paragraph (1)—

(a) “control” has the same meaning as in section 416 of ICTA (reading references in that section to a company as references to the vehicle and references to associates as including associated persons), and

(b) “controlling director”, in relation to a vehicle, means a director to whom paragraph (b) of section 417(5) of that Act applies (reading the reference to associates in that paragraph as including associated persons).

(4) For the purposes of this paragraph a pension scheme or an arrangement under a pension scheme has control of a vehicle if the pension scheme or the arrangement holds such interest as would, if the pension scheme or the arrangement were a person, mean that the person had control of the vehicle.

(5) Section 839 of ICTA (connected persons) applies for the purposes of this paragraph.

(6) For the definition of “associated person” see paragraph 30.

22 (1) This paragraph applies to a vehicle in which a pension scheme directly or indirectly holds an interest where the vehicle is—

(a) a company to which Part 4 of the Finance Act 2006 (Real Estate Investment Trusts) applies, or

(b) a member of a group to which that Part applies.

[F605 and paragraph 24 applies to the pension scheme’s interest in the vehicle.]

(2) . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . .

(3) Section 839 of ICTA (connected persons) applies for the purposes of sub-paragraph (2).

(4) Condition C is that the vehicle does not have as its main purpose, or one of its main purposes, the direct or indirect holding of an animal or animals used for sporting purposes.

(5) For the purposes of sub-paragraph (2)—

   (c) where generally accepted accounting practice offers a choice of valuation between cost basis and fair value, fair value must be used.

(6) The Treasury may by order—
   (a) increase the amount for the time being specified in paragraph (a) of sub-paragraph (2), or
   (b) increase the percentage for the time being specified in that sub-paragraph.

   (a) Condition A is met, and

(d) such interest in the vehicle as gives an entitlement to 10% or more of the amounts distributed on a distribution in relation to the vehicle;
(e) such interest in the vehicle as gives an entitlement to 10% or more of the assets of the vehicle on a winding-up or in any other circumstances;
(f) such interest in the vehicle as gives rise to income or gains from a specific property.

(6) Section 839 of ICTA (connected persons) applies for the purposes of this paragraph.

(7) For the definition of “associated person” see paragraph 30.
(b) sub-paragraph (2) applies in relation to the pension scheme.

(2) This sub-paragraph applies in relation to the pension scheme if—

(a) where the pension scheme is an occupational pension scheme, the pension scheme is not, either alone or together with one or more associated persons, deemed to be entitled to 10% or more of the market value of or the income from the property, or

(b) where the pension scheme is not an occupational pension scheme, no arrangement under the pension scheme, either alone or together with one or more associated persons, is deemed to be so entitled.

(3) For the purposes of this paragraph the percentage of the market value of or the income from the property to which a person is deemed to be entitled at any time is—

$$IG \times TTA$$

where—

IG is the percentage of the market value of or the income from the property to which the vehicle that holds the interest in the property directly is entitled at that time, and

TTA is the percentage of the total taxable amount that would be apportioned to the person at that time on the assumptions mentioned in sub-paragraph (4).

(4) Those assumptions are—

(a) if the person is not the pension scheme, that the person is the pension scheme, and

(b) in any case, that the person is treated as making an unauthorised payment by virtue of the vehicle coming to hold the interest in the property directly at that time.

(5) For the definition of “associated person” see paragraph 30.

Deemed acquisition

27 Where—

(a) an investment-regulated pension scheme holds an interest in property which is not taxable property, and

(b) that property becomes taxable property otherwise than by reason of its conversion or adaptation as residential property,

the pension scheme is treated for the purposes of the taxable property provisions as acquiring an interest in the property.

28 (1) Subject to paragraph 29, this paragraph applies where—

(a) an investment-regulated pension scheme holds an interest in taxable property indirectly, and

(b) there is an increase in the extent of the interest held directly in a vehicle by the pension scheme or another vehicle.

(2) The pension scheme is to be treated for the purposes of this Schedule as—

(a) having disposed of the interest in the property immediately before the increase in the extent of the interest in the vehicle, and

(b) having re-acquired the interest immediately afterwards.
(3) The extent of the interest held directly in a vehicle by a person is to be determined for the purposes of this paragraph and paragraph 29 in accordance with paragraphs 42 and 43.

29  (1) Where there is an increase in the extent of the interest held directly in the vehicle otherwise than by reason of the acquisition of a further interest in the vehicle, paragraph 28 does not apply unless the condition in sub-paragraph (2) is met.

(2) The condition is that the event by which the extent of the interest held directly in the vehicle increases forms part of a scheme or arrangement the main purpose or one of the main purposes of which is—
   (a) to enable the amount of the unauthorised payment treated as arising on the original acquisition of the interest in the property by the pension scheme to be lower than it otherwise would have been, or
   (b) to prevent an unauthorised payment from being treated as made on that original acquisition.

(3) Unless that condition is met, the increase in the extent of the interest is also to be disregarded for the purposes of paragraphs 24 to 26.

   (d) any arrangement (under that or another pension scheme) relating to a person connected with such a member, and
   (e) any associated pension scheme.

(2) For the purposes of sub-paragraph (1) a pension scheme is associated with another pension scheme if members representing at least 10% by value of one pension scheme are members of the other pension scheme or connected with such members.

(3) The percentage by value represented by a member of a pension scheme is—

\[
\frac{AM}{AA} \times 100
\]

where—
AM is an amount equal to the aggregate of the amount of the sums and the market value of the assets held for the purposes of an arrangement under the pension scheme relating to the member, and

AA is an amount equal to the aggregate of the amount of the sums and the market value of the assets held for the purposes of the pension scheme.

(4) For the purposes of this Part of this Schedule “associated person”, in relation to an arrangement under a pension scheme, means—

(a) the member of the pension scheme to which that arrangement relates,
(b) any person connected with such a member,

PART 4

AMOUNT AND TIMING OF UNAUTHORISED PAYMENT

Introduction

31 (1) This Part of this Schedule has effect for determining—

(a) the amount of an unauthorised payment treated as made to a member of an investment-regulated pension scheme by virtue of section 174A, and

(b) the time when such a payment is treated as made.

(2) The amount is determined by—

(a) finding the total taxable amount in relation to the unauthorised payment (see paragraphs 32 to 40),

(b) apportioning that amount to the pension scheme (see paragraphs 41 to 43),

(c) in a case to which paragraph 28 applies (acquisition etc of further interest in vehicle), making an adjustment under paragraph 44 to the amount mentioned in paragraph (b), and

(d) apportioning that amount to the member to whom the payment is treated as made in accordance with paragraph 45.

Modifications etc. (not altering text)

C126 Sch. 29A para. 31 modified by S.I. 2006/207, reg. 4D (as inserted (with effect in accordance with reg. 1(2) of the amending S.I.) by The Pensions Schemes (Application of UK Provisions to Relevant Non-UK Schemes)(Amendment) Regulations 2006 (S.I. 2006/1960), reg. 9)

Acquisition: basic rules

32 (1) This paragraph applies to a case within subsection (1) of section 174A (acquisition of an interest in taxable property).

(2) The unauthorised payment is treated as made when the interest in the property is acquired by the pension scheme.
(3) If the interest in the property is acquired because the pension scheme or another
person comes to hold the interest directly, the total taxable amount in relation to the
unauthorised payment is—
   (a) the amount of consideration, in money or money's worth, given directly or
       indirectly for the interest, plus
   (b) the amount of any fees and other costs incurred in connection with the
       acquisition.

(4) Sub-paragraph (3) is subject to paragraphs 33 to 35.

(5) If the interest in the property is acquired because the pension scheme or another
person comes to hold an interest in a person who already holds the interest in the
property directly or indirectly, the total taxable amount in relation to the unauthorised
payment is—
   (a) the market value, at the date the interest in the person is acquired, of the
       interest in the property held by the person who holds it directly, or
   (b) if the interest in the property is a lease at a rent, the amount of consideration
       that would be treated as given by the person for the lease by virtue of
       paragraph 34 if it were assigned to the person at that time.

(6) If the interest in the property is treated as acquired by the pension scheme by virtue of
paragraph 27 or 28, the total taxable amount in relation to the unauthorised payment
is—
   (a) the market value, at the date the interest is treated as acquired, of the interest
       in the property held by the person who holds it directly, or
   (b) if the interest in the property is a lease at a rent, the amount of consideration
       that would be treated as given by the person for the lease by virtue of
       paragraph 34 if it were assigned to the person at that time.

(7) This paragraph is subject to paragraph 36.

**Acquisition: further provisions**

33 (1) This paragraph applies where—
   (a) an investment-regulated pension scheme acquires an interest in taxable
       property because it acquires a chargeable interest in the property within the
       meaning of section 48(1) of the Finance Act 2003,
   (b) the interest is acquired because the pension scheme or another person comes
ten to hold the interest directly, and
   (c) the whole or part of the consideration for the interest is consideration other
       than rent.

(2) The provisions of the Finance Act 2003 listed in sub-paragraph (3) apply for
determining the amount of the consideration (or the part that is not rent) as they apply
for determining the amount of chargeable consideration for a land transaction for the
purposes of Part 4 of that Act.
(3) Those provisions are—
   (a) paragraphs 2 to 8 and 9 to 16 of Schedule 4 (chargeable consideration);
   (b) section 51 (contingent, uncertain or unascertained consideration);
   (c) section 52 (annuities etc: chargeable consideration limited to twelve years' payments).

(4) The Treasury may by regulations provide—
   (a) for those provisions to apply with modifications to cases to which this paragraph applies, and
   (b) for any other provisions of Part 4 of the Finance Act 2003 to apply (with or without modifications) to such cases.

   (b) the interest is acquired because the pension scheme or another person comes to hold the interest directly, and  
   (c) the whole or part of the consideration for the acquisition is rent. 

(2) The amount of the consideration (or the part that is rent) is to be taken to be the relevant rental value of the property; and paragraphs 2(4)(a), 3 and 8 of Schedule 5 (rent) to the Finance Act 2003 apply for determining that value.

35  (1)  This paragraph applies where—
   (a)  an investment-regulated pension scheme acquires an interest in taxable property because the pension scheme or another person comes to hold the interest directly,
   (b)  the interest is acquired for less than its market value, and
   (c)  immediately before the acquisition the interest was held by a registered pension scheme which was not an investment-regulated pension scheme.

(2)  This paragraph also applies where—
   (a)  an investment-regulated pension scheme acquires an interest in taxable property because the pension scheme or another person comes to hold the interest directly,
   (b)  the interest is acquired for less than its market value, and
   (c)  tax relief is available under section 188 or 196 in respect of the transfer of the interest.

(3)  The amount of the consideration for the interest is treated as—
   (a)  the market value, at the date the interest is acquired, of the interest in the property held by the person who holds it directly, or
   (b)  if the interest in the property is a lease at a rent, the amount of consideration that would be treated as given by the person for the lease by virtue of paragraph 34 if it were assigned to the person at that time.

36  (1)  The Treasury may by regulations make provision with respect to—
   (a)  what is to count as consideration for the acquisition of an interest in taxable property, and
   (b)  the determination of the amount of such consideration.

(2)  The Treasury may by regulations make provision with respect to the determination of the market value of an interest held in taxable property.

(3)  Regulations under this paragraph may, in particular, make provision for cases where an investment-regulated pension scheme acquires—
   (a)  an interest in taxable property outside the United Kingdom,
   (b)  a licence to use or occupy taxable property, or
   (c)  an interest in taxable property which is tangible moveable property.

(4)  Regulations under this paragraph may—
   (a)  amend this Part of this Schedule, and
   (b)  include provision having effect in relation to times before they are made.
**Post-acquisition unauthorised payments**

37 (1) The Treasury may by regulations make provision for an investment-regulated pension scheme which has acquired an interest in taxable property to be treated as making one or more further unauthorised payments where—

(a) the amount of consideration for the acquisition was determined on the basis of a reasonable estimate, and the actual amount of the consideration turns out to be higher than the estimated amount,

(b) in the case of an interest which is a lease, there is a variation in the rent payable under the lease, or

(c) in such a case, the amount of consideration for the acquisition was determined on an assumption about the length of the term of the lease, and the lease continues after the end of the term.

(2) Regulations under this paragraph may—

(a) amend section 174A or this Schedule (apart from this paragraph), and

(b) include provision having effect in relation to times before they are made.

(3) References in the taxable property provisions to unauthorised payments treated as made under section 174A include references to payments treated as made under regulations under this paragraph.

**Improvement of taxable property**

38 (1) This paragraph applies to a case within subsection (2) of section 174A (improvement of taxable property).

(2) An unauthorised payment is treated as made when a payment is made in connection with the improvement works.

(3) The total taxable amount in relation to the unauthorised payment is the amount of the payment mentioned in sub-paragraph (2).

**Conversion or adaptation as residential property**

39 (1) This paragraph applies to a case within subsection (3) of section 174A (conversion or adaptation as residential property).

(2) The unauthorised payment is treated as made on the occurrence of whichever of the following first occurs after the property has become residential property—

(a) the substantial completion of the works to convert or adapt the property;

(b) the interest in the property ceasing to be held by the pension scheme.

(3) But if the property becomes residential property after the end of the period of three years beginning with the date on which the first payment was made in connection with the works to convert or adapt the property, the unauthorised payment is treated as made when the property becomes residential property.

(4) If the works began before the end of the period of twelve months beginning with the acquisition of the interest in the property by the pension scheme, the total taxable amount in relation to the unauthorised payment is—

(a) the amount of consideration for the interest, determined in accordance with paragraphs 32 to 36, plus

(b) the development costs (see sub-paragraph (7)).
(5) If the works began after the end of that period, the total taxable amount in relation to the unauthorised payment is—
   (a) the relevant market value (see sub-paragraph (6)), plus
   (b) the development costs (see sub-paragraph (7)).

(6) In this paragraph “the relevant market value” means—
   (a) the market value, at the date the works began, of the interest in the property held by the person who holds it directly, or
   (b) if the interest in the property is a lease at a rent, the amount of consideration that would be treated as given by the person for the lease by virtue of paragraph 34 if it were assigned to the person at that time.

(7) In this paragraph “the development costs” means the total cost of the works to convert or adapt the property at the time when the unauthorised payment is treated as made.

(8) Where, at the time the unauthorised payment is treated as made—
   (a) an amount will be payable for the works only if some uncertain future event occurs, or
   (b) an amount will cease to be payable for the works if some uncertain future event occurs,

   the development costs are to be determined on the assumption that the amount will be payable or, as the case may be, will not cease to be payable.

(9) Where, at that time, an amount payable for the works—
   (a) depends on uncertain future events, or
   (b) cannot otherwise be ascertained,

   that amount is to be determined for the purposes of sub-paragraph (7) on the basis of a reasonable estimate.

(1) This paragraph applies to a case within subsection (3) of section 174A (conversion or adaptation as residential property).

(2) This paragraph applies if—
   (a) sub-paragraph (8) of paragraph 39 has effect when an unauthorised payment is treated as made under that paragraph,
   (b) an amount estimated under that sub-paragraph later becomes ascertained, and
   (c) the ascertained amount is more than the estimated amount.

(3) An unauthorised payment is treated as made when the amount becomes ascertained.

(4) The total taxable amount in relation to the unauthorised payment is the difference between the ascertained amount and the estimated amount.

(5) References in the taxable property provisions to unauthorised payments treated as made under section 174A include references to payments treated as made under this paragraph.

Apportionment to pension scheme

(1) This paragraph applies for determining—
(a) whether the amount of an unauthorised payment treated as made by an investment-regulated pension scheme under section 174A consists of the whole of the total taxable amount in relation to the payment, and
(b) if not, how much of the total taxable amount comprises the amount of the unauthorised payment.

(2) The pension scheme is treated as making an unauthorised payment equal to the whole of the total taxable amount where Condition A, B or C is met.

(3) Condition A is that the pension scheme directly holds the interest in the taxable property which gives rise to the unauthorised payment.

(4) Condition B is that—
(a) the pension scheme holds the interest in the property indirectly through one vehicle, and
(b) that vehicle is wholly owned by the pension scheme.

(5) Condition C is that—
(a) the pension scheme holds the interest in the property indirectly through more than one vehicle (a “chain” of vehicles), and
(b) each vehicle in the chain is wholly owned by another vehicle in the chain or by the pension scheme.

(6) Where—
(a) the pension scheme holds the interest in the property indirectly through one vehicle, and
(b) the vehicle is not wholly owned by the pension scheme,
the amount of the unauthorised payment is a proportion of the total taxable amount determined by reference to the extent of the pension scheme's interest in the vehicle.

(7) Where—
(a) the pension scheme holds the interest in the property indirectly through one or more chains of vehicles, and
(b) one or more vehicles in such a chain is not wholly owned by another vehicle in the chain or by the pension scheme,
the amount of the unauthorised payment is the amount or the total of all the amounts found under sub-paragraph (8) for each chain through which the pension scheme owns the interest in the property.

(8) The amount is a proportion of the total taxable amount determined by reference to the extent of the interest held directly by the pension scheme or another vehicle in the chain in each vehicle in the chain—
(a) starting with the vehicle which holds the interest in the property directly, and
(b) ending with the vehicle in which the pension scheme directly holds an interest.

(9) For the purposes of this paragraph a vehicle is wholly owned by a person if no other person directly holds an interest in the vehicle.

(10) This paragraph is subject to paragraph 44.

(1) References in this Schedule to the extent of an interest held directly by a person in a vehicle are references to the proportion of the interests of everyone who directly
holds an interest in the vehicle which on a just and reasonable apportionment is represented by that interest.

(2) Sub-paragraph (1) is subject to paragraph 43, which explains how to determine the extent of a person's interest in a vehicle for the purposes of the taxable property provisions where the vehicle is a company.

(3) The Treasury may by regulations—
(a) amend paragraph 43, or
(b) amend this Part of this Schedule for the purposes of explaining how to determine the extent of a person's interest in a vehicle in other cases.

(4) Regulations under sub-paragraph (3) may include provision having effect in relation to times before they are made.

43 (1) For the purposes of this Schedule, and except in a case to which sub-paragraph (3) applies, the extent of a person's interest in a company is determined by reference to whichever of the following gives the person the greatest interest in the company—
(a) the percentage of the share capital or issued share capital of the company owned by the person;
(b) the percentage of the voting rights in the company owned by the person;
(c) the percentage of all the income of the company to which the person has a right;
(d) the percentage of the amounts distributed on a distribution in relation to the company to which the person has a right;
(e) the percentage of the assets of the company to which the person has a right on a winding-up or in any other circumstances;
(f) where the person has a right to a percentage of a particular asset or description of assets of the company, or of the income or gains from such an asset or description (either generally or in particular circumstances), that percentage or the highest of all the percentages found under this paragraph.

(2) For the purposes of sub-paragraph (1) a person is treated as owning or having a right to anything which the person will only acquire—
(a) at some future date,
(b) if the person exercises a right to acquire it, or
(c) if some other uncertain future event occurs or does not occur.

(3) Where—
(a) a person has an interest in a company as a result of lending the company money to fund the acquisition of an interest in taxable property, and
(b) this sub-paragraph gives the person a greater interest in the company than any interest given by sub-paragraph (1),
for the purposes of this Schedule the extent of the person's interest in the company is determined by the proportion that the value of the loan bears to the total value of the assets held directly by the company.

(4) For the purposes of sub-paragraph (3)—
(a) assets must be valued in accordance with generally accepted accounting practice,
(b) no account is to be taken of liabilities secured against or otherwise relating to assets (whether generally or specifically), and
(c) where generally accepted accounting practice offers a choice of valuation between cost basis and fair value, fair value must be used.

**Deemed acquisition: adjustment**

44 (1) This paragraph applies where an investment-regulated pension scheme is treated as acquiring an interest in taxable property by virtue of paragraph 28 (increase in extent of interest in vehicle).

(2) The amount of the unauthorised payment treated as made by the pension scheme is—

\[
\text{UP} \rightarrow \text{UPB}
\]

Where—

UP is the amount that would have been the amount of the unauthorised payment apart from this paragraph; and

UPB is the amount that would have been the amount of any unauthorised payment treated as made by the pension scheme if it had acquired the interest in the property immediately before the increase in the extent of the interest in the vehicle (assuming the total taxable amount in relation to the unauthorised payment to be that given under paragraph 32(5)).

**Apportionment to member**

45 (1) This paragraph has effect for determining—

(a) whether the whole of an unauthorised payment treated as made by a pension scheme is to be treated as made to a member of the scheme, and

(b) if not, how much of the unauthorised payment is to be treated as made to the member.

Benefit crystallisation event 2: meaning of “P”

9 (1) For the purposes of benefit crystallisation event 2 “P” is the amount of the pension which will be payable to the individual in the period of 12 months beginning with the day on which the individual becomes entitled to it (assuming that it remains payable throughout that period at the rate at which it is payable on that day).

[F613](1A) If the pension is under a public service pension scheme, any abatement of the pension is to be left out of account in determining the amount of the pension which will be payable for the purposes of sub-paragraph (1).

(2) If the amount of the pension which will be payable is reduced so as to reflect the amount of any tax under section 215 to be paid by the scheme administrator, that reduction is to be left out of account in determining the amount of the pension for the purposes of sub-paragraph (1).

[F615](3) And if the reduction is such that, in accordance with normal actuarial practice, it would be taken fully to reflect the amount of the tax, the tax is not to be treated as tax paid by the scheme administrator for the purposes of section 215(9).

Benefit crystallisation event 3: disregarding abatement

Textual Amendments
F617 Sch. 32 para. 9A and cross-heading inserted (6.4.2006) by Finance Act 2005 (c. 7), Sch. 10 paras. 8(3), 64(1)
9A For the purposes of benefit crystallisation event 3, any abatement of the scheme pension is to be left out of account in determining for the purposes of column 1—
(a) the increased annual rate of the pension, and
(b) the rate at which it was payable on the day on which the individual became entitled to it.

Benefit crystallisation event 3: excepted circumstances

10 For the purposes of benefit crystallisation event 3 “excepted circumstances” means—
(a) that at the time when the annual rate of the individual’s pension is increased there are at least 50 pensioner members of the pension scheme, and
(b) that the individual is one of a class of at least 20 pensioner members of the pension scheme, and all the scheme pensions being paid under the pension scheme to pensioner members of that class are at that time increased at the same rate.

(2) A class may consist of all the pensioner members of the pension scheme.

(3) Sub-paragraph (4) applies where—
(a) the annual rate of the individual's pension is increased in excepted circumstances (“the excepted increase”),
(b) before the end of the period of 12 months beginning with the date of the excepted increase, the annual rate of the individual's pension is increased in circumstances which would (apart from that sub-paragraph) be excepted circumstances (“the subsequent increase”), and
(c) the class by virtue of which sub-paragraph (1)(b) is satisfied on the subsequent increase (“the new class”) is not the class by virtue of which it was satisfied on the excepted increase.

(4) If the purpose, or one of the main purposes, of the individual's being included in the new class is to increase the annual rate of the individual's pension without benefit crystallisation event 3 occurring, the subsequent increase is not in excepted circumstances.

Benefit crystallisation event 3: threshold annual rate

Textual Amendments
F621 Sch. 32 para. 10A and cross-heading inserted (retrospective to 6.4.2006) by Finance Act 2008 (c. 9), Sch. 29 paras. 8, 12(3)

10A (1) This paragraph applies for the purposes of benefit crystallisation event 3.

    (2) The threshold annual rate is the annual rate of the pension on the date of which the increase date is the first anniversary, increased by the greatest of—

        (a) the relevant percentage rate,
        (b) the relevant indexation percentage, and
        (c) £250,

    and rounded up in accordance with sub-paragraph (8).

    (3) But if the person became entitled to the pension after the date of which the increase date is the first anniversary, the threshold annual rate is the annual rate of the pension on the date on which the person became entitled to the pension, increased and rounded up as mentioned in sub-paragraph (2).

    (4) The increase date is the date on which the individual becomes entitled to payment of the pension at the increased annual rate.

    (5) The relevant percentage rate is—

        (a) in a case where the pension is paid under a pension scheme, or an arrangement under a pension scheme, in relation to which the relevant valuation factor is a number greater than 20, the rate agreed by the Commissioners for Her Majesty’s Revenue and Customs and the scheme administrator, and

        (b) otherwise, 5%.

    (6) The relevant indexation percentage means—

        (a) if the retail prices index for the reference month is higher than the retail prices index for the same calendar month in the previous year, the percentage increase in the retail prices index, and

        (b) if it is not, 0%.

    (7) The scheme administrator may select as the reference month any month in the period of 12 months ending with the month in which the increase date falls.

    (8) An amount is rounded up in accordance with this sub-paragraph if it is rounded up to the next greatest amount which—

        (a) where the pension is payable monthly, gives an amount of whole pounds when divided by 12, or

        (b) where the pension is payable weekly, gives an amount of whole pounds when divided by 52.

    (9) If the pension is under a public service pension scheme, any abatement of the pension is to be left out of account in determining for the purposes of this paragraph the annual rate of the pension on the date of which the increase date is the first anniversary (or, where sub-paragraph (3) applies, the date on which the person became entitled to the pension).
(10) An individual who becomes entitled to payment of a scheme pension at an increased annual rate on 29 February in any year is to be treated for the purposes of this paragraph as having become so entitled on 28 February in that year.

(11) The Treasury may by order substitute for the amount for the time being specified in sub-paragraph (2)(c) a different amount (including an amount to be calculated as a percentage of the standard lifetime allowance).

**Benefit crystallisation event 3: permitted margin**

11 (1) This paragraph applies for the purposes of benefit crystallisation event 3 if the individual became entitled to the pension on or after 6th April 2006.

(2) The permitted margin is the amount by which the annual amount of the pension at the rate at which it was payable on the day on which the individual became entitled to it would be greater if it had been increased by whichever of calculation A and calculation B gives the greater amount.

(3) Calculation A involves increasing that annual amount at the relevant annual percentage rate for the whole of the period—
   (a) beginning with the month in which the individual became entitled to the pension, and
   (b) ending with the month in which the individual becomes entitled to payment of the pension at the increased rate.

(4) The relevant annual percentage rate is—
   (a) in a case where the pension is paid under a pension scheme, or an arrangement under a pension scheme, in relation to which the relevant valuation factor is a number greater than 20, the annual rate agreed by the Inland Revenue and the scheme administrator, and
   (b) otherwise, 5% per annum.

(5) Calculation B involves increasing that annual amount by the relevant indexation percentage.

(6) If the retail prices index for the reference month is higher than it was for the base month, the relevant indexation percentage is the percentage increase in the retail prices index.

(7) If it is not, the relevant indexation percentage is 0%.

(7A) The scheme administrator may select as the reference month any month in the period of 12 months ending with the month in which the individual becomes entitled to payment of the pension at the increased rate.

(7B) The base month is the month which is the same number of months before the month in which the individual became entitled to the pension, as the reference month is before the month in which the individual becomes entitled to payment of the pension at the increased rate.

(8) If the pension is under a public service pension scheme, any abatement of the pension is to be left out of account in determining for the purposes of this paragraph the annual amount of the pension at the rate at which it was payable on the day on which the individual became entitled to it.
**Benefit crystallisation event 3: permitted margin**

12 (1) This paragraph applies for the purposes of benefit crystallisation event 3 if the individual became entitled to the pension before 6th April 2006.

(2) The permitted margin is the greater of—

(a) what would be the permitted margin at that time if the individual had become entitled to the pension on or after that date (see paragraph 11), and

(b) the amount by which the annual amount of the pension at the rate at which it was payable on the day on which the individual became entitled to it would be greater if it had been increased for the whole of the period specified in sub-paragraph (3) of that paragraph at the rate of P% per annum.

(3) “P%” is the percentage by which, in accordance with the rules of the pension scheme immediately before 6th April 2006, the annual rate of the pension is to be increased each year.

[F626(4) If the pension is under a public service pension scheme, any abatement of the pension is to be left out of account in determining for the purposes of this paragraph the annual amount of the pension at the rate at which it was payable on the day on which the individual became entitled to it.]

---

**Benefit crystallisation event 3: meaning of “XP”**

13 (1) For the purposes of benefit crystallisation event 3 “XP” is (subject to sub-paragraph (2)) the amount by which—

(a) the increased annual rate of the pension, exceeds

(b) the rate at which it was payable on the day on which the individual became entitled to it, as increased by the permitted margin.
But if one or more benefit crystallisation events has or have previously occurred by reason of the individual having become entitled to payment of the pension at an increased rate, XP does not include the amount of XP on that event or the aggregate of the amounts of XP on those events.

(2A) For the purposes of sub-paragraph (2), the amount of XP on a previous benefit crystallisation event is to be increased by whichever of calculation A and calculation B gives the greater amount.

(2B) Calculation A involves increasing the amount of XP on the previous event at the relevant annual percentage rate for the whole of the period—
(a) beginning with the month in which the previous event occurred, and
(b) ending with the month in which the individual becomes entitled to payment of the pension at the increased rate.

(2C) The relevant annual percentage rate has the same meaning as in paragraph 11(4).

(2D) Calculation B involves increasing the amount of XP on the previous event by the relevant indexation percentage.

(2E) The relevant indexation percentage is—
(a) if the retail prices index for the reference month is higher than the retail prices index for the base month, the percentage increase in the retail prices index, and
(b) if it is not, 0%.

(2F) The scheme administrator may select as the reference month any month in the period of 12 months ending with the month in which the individual becomes entitled to payment of the pension at the increased rate.

(2G) The base month is the month which is the same number of months before the month in which the previous event occurred, as the reference month is before the month in which the individual becomes entitled to payment of the pension at the increased rate.

(3) If the pension is under a public service pension scheme, any abatement of the pension is to be left out of account in determining for the purposes of sub-paragraph (1)—
(a) the increased annual rate of the pension, and
(b) the rate at which it was payable on the day on which the individual became entitled to it.

(4) If the rate at which the pension is payable is reduced so as to reflect the amount of any tax under section 215 to be paid by the scheme administrator, that reduction is to be left out of account in determining the rate at which the pension is payable for the purposes of sub-paragraph (1)(a).

(5) And if the reduction is such that, in accordance with normal actuarial practice, it would be taken fully to reflect the amount of the tax, the tax is not to be treated as tax paid by the scheme administrator for the purposes of section 215(9).
Benefit crystallisation event 5: meaning of “DP” and “DSLS”

14 (1) For the purposes of benefit crystallisation event 5 “DP” is the annual rate of the scheme pension to which the individual would be entitled if, on the date on which the individual reaches 75, the individual acquired an actual (rather than a prospective) right to receive it.

[F630](1A) If the rate at which the scheme pension would be payable would be reduced so as to reflect the amount of any tax under section 215 to be paid by the scheme administrator, that reduction is to be left out of account in determining the rate at which the pension would be payable for the purposes of sub-paragraph (1).

(1B) And if the reduction is such that, in accordance with normal actuarial practice, it would be taken fully to reflect the amount of the tax, the tax is not to be treated as tax paid by the scheme administrator for the purposes of section 215(9).

(2) For the purposes of benefit crystallisation event 5 “DSLS” is [F631] so much] of any lump sum to which the individual would be entitled (otherwise than by way of commutation of pension) [F632] as would be paid to the individual] if, on that date, the individual acquired an actual (rather than a prospective) right to receive it.
Benefit crystallisation event 6: meaning of “relevant lump sum”

15 For the purposes of benefit crystallisation event 6 a lump sum is a relevant lump sum if it is—
   (a) a pension commencement lump sum,
   (b) a serious ill-health lump sum, or
   (c) a lifetime allowance excess lump sum.

Benefit crystallisation event 7: meaning of “relevant lump sum death benefit”

16 For the purposes of benefit crystallisation event 7 a lump sum death benefit is a relevant lump sum death benefit if it is—
   (a) a defined benefits lump sum death benefit, or
   (b) an uncrystallised funds lump sum death benefit.

Benefit crystallisation event 8: prevention of overlap with other events

17 (1) This paragraph applies for the purposes of benefit crystallisation event 8.

(2) Where any of the sums or assets transferred represent the whole or part of the individual’s unsecured pension fund, the amount crystallised by the event is to be reduced by the amount (or the appropriate proportion of the amount) previously crystallised on the designation of the sums or assets as available for the payment of unsecured pension.

(3) Where after the transfer a scheme pension to which the individual has become entitled before the transfer is to be payable out of sums or assets transferred, the amount crystallised by the event is to be reduced by the amount (or the appropriate proportion of the amount) previously crystallised in relation to the scheme pension.
SCHEDULE 33 – Overseas pension schemes: migrant member relief

Relief for members’ etc. contributions

1 (1) An individual who is a relevant migrant member of a qualifying overseas pension scheme is entitled to relief under section 188 (relief for contributions by or on behalf of members of registered pension schemes) in respect of relievable pension contributions paid during a tax year if the individual—
   (a) has relevant UK earnings chargeable to income tax for that year,
   (b) is resident in the United Kingdom when the contributions are paid, and
   (c) has notified the scheme manager of an intention to claim relief under that section.

(2) Section 190 (annual limit for relief under section 188) applies in relation to the aggregate of the amount of relief to which an individual is entitled under section 188 by virtue of sub-paragraph (1) and any to which the individual is so entitled apart from that sub-paragraph.

(3) Relief to which an individual is entitled under section 188 by virtue of sub-paragraph (1) is to be given in accordance with section 194 (relief on making of claim) (so that nothing in sections 191 to 193 applies in relation to such relief).

(4) Section 195 (transfer of certain shares to be treated as payment of contribution) has effect as if the references to sections 188 to 194 included sections 188 to 190 and 194 as they apply by virtue of this paragraph.

(5) No deduction may be allowed under Chapter 2 of Part 5 of ITEPA 2003 in accordance with section 355 of that Act (deductions for corresponding payments by non-domiciled employees with foreign employers) in respect of contributions under a pension scheme (but subject to Part 4 of Schedule 36).

Relief for employers’ contributions

2 (1) Subsections (2) to (5) of section 196 (relief for contributions by employer) apply in relation to relevant migrant member contributions paid by an employer as in relation to contributions paid by an employer under a registered pension scheme in respect of an individual.
(2) Section 200 (no other relief for employers in connection with contributions) applies as if the reference to contributions under a registered pension scheme included relevant migrant member contributions.

(3) “Relevant migrant member contributions” means contributions paid under a qualifying overseas pension scheme in respect of an individual who is a relevant migrant member of the pension scheme in relation to the contributions.

**Exemption of contributions to overseas pension scheme**

(b) was a member of the pension scheme at the beginning of the period of residence in the United Kingdom which includes the time when the contributions are paid,

(c) [F634 either] was, immediately before the beginning of that period of residence, entitled to tax relief in respect of contributions paid under the pension scheme under the law of the country or territory in which the individual was then resident [F635 or meets such other condition as may be prescribed by regulations made by the Board of Inland Revenue], and
(d) has been notified by the scheme manager that information concerning events that are benefit crystallisation events in relation to the individual and the pension scheme will be given to the Inland Revenue.

[F636](2) The Commissioners for Her Majesty's Revenue and Customs may by regulations provide that, in circumstances prescribed by the regulations, paragraphs (a), (b) and (c) of sub-paragraph (1) have effect as if the references in those paragraphs to the pension scheme were to either the pension scheme or such other pension scheme as is prescribed by the regulations.

(6) Regulations made by the Board of Inland Revenue may make provision for determining whether or not payments made (or treated as made) by a relevant non-UK scheme are to be treated as referable to a member’s UK tax-relieved fund under the scheme (and so whether or not they reduce the fund).

   (b) relevant transferred sums or assets.

(3) “Relevant transferred sums or assets” means sums or assets held for the purposes of, or representing accrued rights under, an arrangement under—
   (a) a registered pension scheme, or

12 (1) The annual allowance provisions apply by virtue of paragraph 8 in relation to an individual who is a currently-relieved member of a currently-relieved non-UK pension scheme subject to any omissions, additions and other modifications contained in regulations made by the Board of Inland Revenue.

(2) Regulations under sub-paragraph (1) may—
(a) include provision having effect in relation to times before they are made,
(b) confer discretion on the Board of Inland Revenue or the Inland Revenue (subject to a right of appeal against any decision taken in exercise of the discretion), and
(c) make different provision for different cases.

13 (1) The provisions of this Part relating to the lifetime allowance charge (“the lifetime allowance provisions”) apply in relation to an individual who is a relieved member of a relieved non-UK pension scheme as if the relieved non-UK pension scheme were a registered pension scheme.

(2) Sub-paragraph (1) has effect subject to the provision made by and under paragraphs 14 to 19.

(3) A pension scheme is a relieved non-UK pension scheme if—
(a) relief from tax has been given in respect of contributions paid under the pension scheme by virtue of Schedule 33 (overseas pension schemes: migrant member relief),
(b) relief from tax has been so given at any time after 5th April 2006 under double tax arrangements, or
(c) a member of the pension scheme has been, or members of the pension scheme have been, exempt from liability to tax by virtue of section 307 of ITEPA 2003 (exemption for provision made by employer for retirement or death benefit) in respect of provision made under the pension scheme at any time after 5th April 2006 when the pension scheme was an overseas pension scheme.

(4) An individual is a relieved member of a relieved non-UK pension scheme if—
(a) any of the contributions in respect of which relief has been given as mentioned in sub-paragraph (3)(a) or (b) were contributions paid by or on behalf of, or in respect of, the individual, or
(b) the individual is the member, or one of the members, who has been exempt from liability to tax as mentioned in sub-paragraph (3)(c).
14  (1) This paragraph applies in relation to the amount crystallised on the occurrence of an event that is a benefit crystallisation event by virtue of this Schedule in relation to an individual who is a relieved member of a relieved non-UK pension scheme.

(2) What would otherwise be the amount crystallised by the event is reduced by so much (if any) of it as exceeds the amount of the untested portion of the relevant relieved amount immediately before the benefit crystallisation event (so that if that amount is nil, there is no amount crystallised).

(3) For the purposes of this paragraph and paragraph 15 the relevant relieved amount is the aggregate of—

(a) the amounts which for each tax year before that in which the benefit crystallisation event occurs would have been arrived at in relation to arrangements under the relieved non-UK pension scheme relating to the individual as pension input amounts under sections 230 to 237 (annual allowance) as they apply by virtue of this Schedule, and

(b) the amount which would be so arrived at if the period beginning with the tax year in which the benefit crystallisation event occurs and ending immediately before the benefit crystallisation event were a tax year, assuming that section 229(3) did not apply.

(4) For the purposes of this paragraph and paragraph 15 the untested portion of the relevant relieved amount is so much of the relevant relieved amount as exceeds the aggregate of the amount which (in accordance with sub-paragraph (2)) is the amount crystallised by each previous event that was a benefit crystallisation event by virtue of this Schedule in relation to the individual and the relieved non-UK pension scheme (so that if there has been no such previous event the untested portion of the relevant relieved amount is the whole of that amount).

15  (1) An individual who is a relieved member of a relieved non-UK pension scheme may at any time elect by giving notice to the Inland Revenue in a form specified by the Board of Inland Revenue that a benefit crystallisation event is to be treated as occurring on the date specified in the notice in relation to the individual and the relieved non-UK pension scheme.

(2) The amount crystallised on the occurrence of an event that is a benefit crystallisation event by virtue of sub-paragraph (1) is the untested portion of the relevant relieved amount.

16 (1) This paragraph applies on the occurrence of a transfer of sums or assets held for the purposes of, or representing accrued rights under, a relieved non-UK pension scheme which (apart from sub-paragraph (2)) would by virtue of paragraph 13 be a benefit crystallisation event in relation to an individual who is a relieved member of the relieved non-UK pension scheme.

(2) The event is not a benefit crystallisation event if the transfer is a block transfer.

(3) A transfer is a block transfer if it involves the transfer in a single transaction of all the sums and assets held for the purposes of, or representing accrued rights under, the arrangements under the relieved non-UK pension scheme which relate to—

(a) the individual, and

(b) at least one other member of the relieved non-UK pension scheme (whether or not that member is a relieved member).

PART 1

PRE-COMMENCEMENT PENSION SCHEMES

Deemed registration of existing schemes

1 (1) Any pension scheme which, immediately before 6th April 2006, is—

(a) a retirement benefits scheme approved for the purposes of Chapter 1 of Part 14 of ICTA,
(b) a former approved superannuation fund (see sub-paragraph (3)),
(c) a relevant statutory scheme, as defined in section 611A of ICTA, or a pension scheme treated by the Inland Revenue on that date as if it were such a relevant statutory scheme,
(d) an annuity contract by means of which benefits provided under a pension scheme within paragraph (a), (b) or (c) have been secured but which does not provide for the immediate payment of benefits,
(e) a scheme or fund mentioned in section 613(4)(b) to (d) of ICTA (Parliamentary pension schemes or funds),
(f) an annuity contract or trust scheme approved under section 620 or 621 of ICTA or a substituted contract within the meaning of section 622(3) of ICTA, or
(g) a personal pension scheme approved under Chapter 4 of Part 14 of ICTA, is to be treated as becoming a registered pension scheme on that date.
(2) Where immediately before 6th April 2006 a retirement benefits scheme is, in accordance with section 611 of ICTA, treated as two or more separate schemes, the reference in sub-paragraph (1)(a) to an approved retirement benefits scheme is to such of the separate schemes as are approved (and not to the whole retirement benefits scheme).

(3) For the purposes of sub-paragraph (1)(b) any fund which immediately before 6th April 1980 was an approved superannuation fund for the purposes of section 208 of ICTA 1970 is a former approved superannuation fund unless since 5th April 1980—
   (a) the fund has been approved for the purposes of Chapter 1 of Part 14 of ICTA (retirement benefits schemes), or
   (b) any sum has been paid under the fund by way of contribution.

(4) Sub-paragraph (1)(a) or (g) applies in relation to a pension scheme approved (for the purposes of Chapter 1, or under Chapter 4, of Part 14 of ICTA) on or after 6th April 2006 if the approval has effect for a period ending with 5th April 2006.

(4A) This Part of this Act applies in relation to a pension scheme that—
   (a) is a registered pension scheme by virtue of sub-paragraph (1)(a), and
   (b) is neither a public service pension scheme nor an occupational pension scheme,

as it applies in relation to an occupational pension scheme.

(5) This paragraph is subject to paragraph 2 (opt-out).

Opting out of deemed registration

2 (1) Paragraph 1 (1) does not apply to a pension scheme if the relevant administrator has, at any time before 6th April 2006, notified the Inland Revenue that the pension scheme is not to become a registered pension scheme on that date.

(2) If, by virtue of sub-paragraph (1) of this paragraph, sub-paragraph (1) of paragraph 1 does not apply to a pension scheme within any of paragraphs (a) to (d), (f) and (g) of that sub-paragraph, income tax is to be charged at the rate of 40% on the relevant amount.

(3) The relevant amount is an amount equal to the aggregate of—
   (a) the amount of the sums held for the purposes of the pension scheme immediately before 6th April 2006, and
   (b) the market value (at that time) of the assets held for the purposes of the pension scheme at that time.
(4) The liability to income tax is a liability of the person who is the relevant administrator on 5th April 2006 or, if more than one person is the relevant administrator on that date, is a joint and several liability of those persons.

(5) Where tax is charged in accordance with sub-paragraph (2), for the purposes of TCGA 1992 the assets which immediately before 6th April 2006 are held for the purposes of the pension scheme—

(a) are to be treated as having been acquired at that time for a consideration equal to the amount on which tax is charged by virtue of sub-paragraph (2) by the person who would be chargeable in respect of a chargeable gain accruing on a disposal of the assets on that date, and

(b) are not to be treated as having been disposed of by any person at that time.

(6) “Relevant administrator” means—

(a) in the case of a pension scheme within paragraph 1(1)(a), (b) or (c), the person who is, or the persons who are, the administrator of the pension scheme under section 611AA of ICTA,

(b) in the case of a pension scheme within paragraph 1(1)(d) or (f), the trustee or trustees of the pension scheme, or the insurance company which is a party to the contract in which the pension scheme is comprised,

(c) in the case of a pension scheme within paragraph 1(1)(e), the trustees of the scheme or fund, and

(d) in the case of a pension scheme within paragraph 1(1)(g), the person who is referred to in section 638 (1) of ICTA.

(7) If paragraph 1(1) does not apply to a pension scheme by virtue of sub-paragraph (1), sections 431B(2) and 466(2B) of ICTA (meaning of pension business: pension scheme ceasing to be a registered pension scheme) apply as if the pension scheme had ceased to be a registered pension scheme at the beginning of 6th April 2006.

**Power to modify rules of existing schemes**

1 (1) The Board of Inland Revenue may by regulations make any modifications of the rules of pension schemes to which paragraph 1(1) applies if the modifications appear appropriate in consequence of, or in connection with, the provision made by this Part (or the repeals made by this Act in consequence of the provision made by this Part).

(2) Any modifications of the rules of a pension scheme made by the regulations have effect until the earlier of—

(a) the first date after 5th April 2006 on which amendments of the rules of the pension scheme [8679], which state that the modifications no longer apply in relation to it take effect, or

(b) the end of the tax year 2010-11 or such later time as the Board of Inland Revenue may by regulations prescribe.

(3) The modifications that may be made by the regulations include, in particular—

(a) modifications for relieving pension schemes of obligations to make payments which, on and after 6th April 2006, would be unauthorised payments, and

(b) modifications of provisions (however expressed) referring to any limit contained in, or relevant in relation to approval under or for the purposes of,
any provision of Part 14 of ICTA (pension schemes etc.) as it has effect at any time before 6th April 2006.

**Scheme administrator**

4 (1) Where under paragraph 1 (1) a pension scheme is treated as becoming a registered pension scheme on 6th April 2006, (despite anything in section 270) the following person is, or the following persons are, to be treated as becoming the scheme administrator of the pension scheme on that date.

(2) If the pension scheme is within paragraph 1(1)(a), (b) or (c) immediately before that date, the person who is, or the persons who are, the administrator of the pension scheme under section 611AA of ICTA immediately before that date is or are to be treated as becoming the scheme administrator.

(3) If the pension scheme is within paragraph 1(1)(d) or (f) immediately before that date, the trustee or trustees of the pension scheme, or the insurance company which is a party to the contract in which the pension scheme is comprised, is or are to be treated as becoming the scheme administrator.

(4) If the pension scheme is within paragraph 1(1)(e) immediately before that date, the trustees of the scheme or fund are to be treated as becoming the scheme administrator.

(5) If the pension scheme is within paragraph 1(1)(g) immediately before that date, the person who is referred to in section 638 (1) of ICTA in relation to the pension scheme immediately before that date is to be treated as becoming the scheme administrator.

**Post-commencement withdrawal of approval**

5 (1) The repeal by this Act of—

(a) section 591B (1) of ICTA (withdrawal of approval of retirement benefits scheme),

(b) section 620(7) of ICTA (withdrawal of approval of retirement annuity contract), and

(c) section 650 (1) of ICTA (withdrawal of approval of approved personal pension arrangements),
does not prevent the withdrawal of an approval under any of those provisions at any time after 5th April 2006 (from any earlier date until 6th April 2006).

(2) A withdrawal of approval made under any of those provisions by virtue of sub-paragraph (1) has the same consequences as a withdrawal of approval made under the provision concerned before 6th April 2006, so that (in particular)—
(a) sections 591C and 591D of ICTA (tax on cessation of approval of retirement benefits scheme), or
(b) sections 650A and 651 of ICTA (charge on cessation of approval of personal pension arrangements and appeal against such withdrawal of such approval),
apply where they would have applied had the approval been withdrawn before that date.

Pre-commencement liabilities of scheme administrator

6 Any liabilities or obligations of—
(a) the administrator of a retirement benefits scheme (within the meaning of Chapter 1 of Part 14 of ICTA), or
(b) the scheme administrator of a personal pension scheme (within the meaning of Chapter 4 of Part 14 of ICTA),
incurred in relation to the scheme before 6th April 2006 or by virtue of paragraph 4 are (on and after that date) to be treated as liabilities or obligations of the scheme administrator of the scheme.

PART 2

PRE-COMMENCEMENT RIGHTS: LIFETIME ALLOWANCE CHARGE

“Primary protection”

7 (1) This paragraph makes provision for the operation of a lifetime allowance enhancement factor in relation to all benefit crystallisation events occurring in relation to an individual where—
(a) the amount of the relevant pre-commencement pension rights of the individual exceeds £1,500,000 (the standard lifetime allowance for the tax year 2006-07), and
(b) notice of intention to rely on this paragraph is given to the Inland Revenue in accordance with regulations made by the Board of Inland Revenue.

(2) The lifetime allowance enhancement factor is the primary protection factor.

(3) The primary protection factor is—
RR — SLA

\[
\frac{\text{RR}}{\text{SLA}}
\]

where—

RR is the amount of the relevant pre-commencement pension rights of the individual, and

SLA is £1,500,000 (the standard lifetime allowance for the tax year 2006-07).

(4) Sub-paragraph (3) is subject to paragraph 11 (pension debit on or after 6th April 2006).

(5) The amount of the relevant pre-commencement pension rights of the individual is the aggregate of—

(a) the value of the individual’s relevant uncry stallised pension rights on 5th April 2006 (calculated in accordance with paragraphs 8 and 9), and

(b) the value of the individual’s relevant crystallised pension rights on that date (calculated in accordance with paragraph 10).

Modifications etc. (not altering text)

C149 Sch. 36 para. 7 construed as one with reg. 29 (6.4.2006) by The Pension Protection Fund (Tax) Regulations 2006 (S.I. 2006/575), regs. 1, 29(3)

(1) The value of the individual’s relevant uncry stallised pension rights on 5th April 2006 is the aggregate value of the individual’s uncry stallised rights on that date under each relevant pension arrangement relating to the individual.

(2) An arrangement is a “relevant pension arrangement” if it is an arrangement under a pension scheme within paragraph 1(1).

(3) For the purposes of this paragraph the individual’s rights are “uncrystallised” if the individual has not, on 5th April 2006, become entitled to the present payment of benefits in respect of the rights.

(4) And the individual is to be treated as entitled to the present payment of benefits in respect of any accrued rights in relation to which the individual has (under section 634A (1) of ICTA) made an election to defer the purchase of an annuity.

(5) For the purposes of this paragraph the value of the individual’s uncry stallised rights on 5th April 2006 under an arrangement is to be calculated in accordance with section 212 (valuation of uncry stallised rights for purposes of section 210) on the assumption that the individual became entitled to the present payment of benefits in respect of the rights on that date.

(6) Section 212 has effect for the purposes of sub-paragraph (5) as if the reference to such age (if any) as must have been reached to avoid any reduction in benefits on account of age in paragraph (a) of section 277 were to the relevant age; and for this purpose “the relevant age” is—
(a) if on 10th December 2003 the terms of the arrangement made provision for a reduction in the amount of benefits payable in respect of rights under the arrangement on account of the holder of the rights being below a particular age, that age, and
(b) otherwise, 60.

9 (1) This paragraph applies if any of the individual’s uncrystallised rights on 5th April 2006 are rights under one or more arrangements under a pension scheme or schemes within paragraph 1(1)(a) to (d).

(2) The value of the individual’s uncrystallised rights on 5th April 2006 under the arrangement, or the aggregate of the values of the individual’s uncrystallised rights on 5th April 2006 under such of the arrangements as relate to a particular employment, is

(a) the value, or the aggregate of the values, calculated under paragraph 8, or
(b) the amount arrived at in accordance with sub-paragraph (3).

(3) The amount arrived at in accordance with this sub-paragraph is—

\[20 \times \text{MPP}\]

where MPP is the maximum permitted pension, as increased, in a case where sub-paragraph (5A) applies, in accordance with sub-paragraph (5B)].

(4) “The maximum permitted pension” means

\([^{F683}(a)]\) in the case of an arrangement under a pension scheme which immediately before 6th April 2006 was within section \([^{F684}611A(1)(a)]\) of ICTA, the maximum annual pension that could be paid to the individual under the pension scheme on 5th April 2006, and

\(\text{(b) in any other case,}\) the maximum annual pension that could be paid to the individual on 5th April 2006 under the arrangement or arrangements if it or they were made under a pension scheme within paragraph 1(1)(a) without giving the Board of Inland Revenue grounds for withdrawing approval of the pension scheme under section 591B of ICTA.

(5) For the purposes of sub-paragraph (4) it is to be assumed—

\(\text{(a) in the case of any arrangement, that}\) if the individual was in the employment to which the arrangement or arrangements relates or relate on 5th April \([^{F686}2006]\) the individual left the employment on that date, and

\(\text{(b) in the case of any other arrangement, that}\) if the individual had not reached the lowest age at which a pension may be paid under a pension scheme within paragraph 1(1)(a) to a person in good health without giving

the Board of Inland Revenue grounds for withdrawing the approval of the pension scheme that fact would not give the Board such grounds.

(F689)(5A) This sub-paragraph applies where, in the case of an arrangement under a pension scheme which immediately before 6th April 2006 was within section 611A(1)(a) of ICTA—

(a) a lump sum could be paid to the individual on 5th April 2006 under the pension scheme otherwise than by commutation of pension, and
(b) that lump sum could not be exchanged (in whole or in part) for an increased pension.

(5B) Where sub-paragraph (5A) applies, the amount arrived at under sub-paragraph (3) is the aggregate of what it otherwise would be and so much of the amount of the lump sum as could not be so exchanged.

(6) For the purposes of this paragraph an arrangement relating to an individual relates to an employment if—

(a) the earnings by reference to which benefits under the arrangement are calculated are earnings from the employment, or
(b) the person who is the employer in relation to the employment pays contributions under the arrangement in respect of the individual.

(1) The value of the individual’s relevant crystallised pension rights on 5th April 2006 is—

\[25 \times \text{ARP}\]

where ARP is an amount equal to the annual rate at which any relevant existing pension is payable to the individual on 5th April 2006 or, if more than one relevant
existing pension is payable to the individual on that date, to the aggregate of the annual rates at which each of the relevant existing pensions is so payable.

(2) “Relevant existing pension” means—

(a) a pension under a retirement benefits scheme approved for the purposes of Chapter 1 of Part 14 of ICTA,

(b) a pension under a former approved superannuation fund (defined as for the purposes of paragraph 1(1)(b)),

(c) a pension under a relevant statutory scheme, as defined in section 611A of ICTA, or a pension scheme treated by the Inland Revenue as if it were such a relevant statutory scheme,

(d) an annuity (or pension in the form of income drawdown) under an annuity contract by means of which benefits provided under a pension scheme within paragraph (a), (b) or (c) have been secured,

(e) a pension under a scheme or fund mentioned in section 613(4)(b) to (d) of ICTA (Parliamentary pension schemes or funds),

(f) an annuity under an annuity contract or trust scheme approved under section 620 or 621 of ICTA or a substituted contract within the meaning of section 622(3) of ICTA,

(g) an annuity acquired using funds held for the purposes of a personal pension scheme approved under Chapter 4 of Part 14 of ICTA, or

(h) a right to make income withdrawals under section 634A of ICTA.

(3) But a pension, annuity or right is not a relevant existing pension if entitlement to it was attributable to the death of any person.

(4) In the case of a pension within sub-paragraph (2) taking the form of income drawdown, the annual rate at which the pension is payable on 5th April 2006 is the amount which, on that date, is the maximum annual amount that may be drawn down by the individual as income in accordance with the pension scheme or contract concerned.

(5) In the case of a right which is a relevant existing pension by virtue of sub-paragraph (2)(h), the annual rate at which the pension is payable on 5th April 2006 is the maximum amount of income withdrawals that may be made by the individual in the period of 12 months referred to in section 634A(4) of ICTA during which 5th April 2006 falls.

11 (1) This paragraph applies where—

(a) paragraph 7 makes provision for the operation of a lifetime allowance enhancement factor in relation to an individual, and

(b) on or after 6th April 2006, the rights of the individual under a relevant pension arrangement (see paragraph 8(2)) relating to the individual are reduced by becoming subject to a pension debit.

(2) The primary protection factor (see paragraph 7(3)) is to be recalculated.

(3) The recalculation involves reducing RR (see paragraph 7(3)) by the amount by which the individual’s rights are reduced and arriving at a revised primary protection factor.

(4) The revised primary protection factor operates in relation to any benefit crystallisation event occurring in relation to the individual after the time when the individual’s rights are reduced by becoming subject to the pension debit.
This paragraph applies where—

(a) paragraph 7 makes provision for the operation of a lifetime allowance enhancement factor in relation to an individual immediately before the individual's death (and any calculation required by paragraph 11 does not mean that there is then no longer a primary protection factor),

(b) a person is paid a defined benefits lump sum death benefit or an uncrystallised funds lump sum death benefit in respect of the individual, and

(c) notice of intention to rely on this paragraph is given to an officer of Revenue and Customs by that person in accordance with regulations made by the Commissioners for Her Majesty's Revenue and Customs.

(2) If the value of the individual's pre-commencement rights to death benefits (see paragraphs 11B to 11D) exceeds RR (as adjusted under paragraph 11, where that paragraph applies), the primary protection factor is to be recalculated.

(3) The re-calculation involves taking RR to be the value of the individual's pre-commencement rights to death benefits and arriving at a revised primary protection factor.

(4) The revised primary protection factor operates in relation to—

(a) the benefit crystallisation event consisting of the payment of the lump sum death benefit, and

(b) any other benefit crystallisation event consisting of the payment of a lump sum death benefit in respect of the individual.

11B (1) This paragraph and paragraphs 11C and 11D specify the value of the individual's pre-commencement rights to death benefits.

(2) Subject to paragraphs 11C and 11D, the value of the individual's pre-commencement rights to death benefits is the aggregate of the maximum amounts that could have been paid—

(a) in respect of the individual as uncrystallised rights lump sum death benefits, and

(b) under relevant pension arrangements relating to the individual, if the individual had died on 5th April 2006.

(3) Lump sum death benefits are “uncrystallised rights lump sum death benefits” if they are attributable to rights in respect of which the individual had not, on 5th April 2006, become entitled to the present payment of benefits.

(4) An arrangement is a “relevant pension arrangement” if it is an arrangement under a pension scheme within paragraph 1(1).

Textual Amendments

F691 Sch. 36 paras. 11A-11D inserted (retrospective to 6.4.2006) by Finance Act 2006 (c. 25), s. 161(2), Sch. 23 para. 38
11C (1) In arriving at the aggregate mentioned in paragraph 11B(2) the following amounts are to be left out of account—
   (a) in the case of any lump sum death benefit which could have been paid under a pension scheme in the case of which approval could have been withdrawn under section 591B, 620(7) or 650 of ICTA, any amount in excess of the permitted limit (see sub-paragraph (2)), and
   (b) in the case of any lump sum death benefit which could have been paid under an arrangement in the case of which rights to such a benefit are commuted into prospective rights to receive dependants' pensions, any dependants' pension proportion amount (see sub-paragraphs (3) and (4)).

(2) An “amount in excess of the permitted limit” is so much (if any) of the maximum amount of any lump sum death benefit as could not have been paid without having given grounds for withdrawing approval of the pension scheme under section 591B, 620(7) or 650 of ICTA.

(3) A “dependants' pension proportion amount” is so much (if any) of the maximum amount of any lump sum death benefit which could have been paid under the arrangement as is the dependants' pension proportion of the lump sum death benefit.

(4) The dependants' pension proportion is—

\[
\frac{\text{UTA} - \text{TA}}{\text{UTA}}
\]

where—

TA is the amount which, at the time when a defined benefits lump sum death benefit or uncrystallised funds lump sum death benefit is first paid in respect of the individual, is the aggregate of the maximum amounts of any defined benefits lump sum death benefits or uncrystallised funds lump sum death benefits which could be paid under the arrangement in respect of the individual, and

UTA is what TA would be if no prospective rights to the payment of any of those lump sum death benefits had been commuted into prospective rights to receive dependants' pensions.

11D (1) Sub-paragraph (2) applies where any of the lump sum death benefits mentioned in sub-paragraph (2) of paragraph 11B would have been payable under a policy of life insurance held for the purposes of a pension scheme and on 5th April 2006 the pension scheme either—
   (a) was not an occupational pension scheme, or
   (b) was an occupational pension scheme with fewer than 20 members.

(2) The lump sum death benefit is only to be taken into account in arriving at the aggregate mentioned in that sub-paragraph if—
   (a) a sum was paid under the policy when the individual actually died, and
(b) the terms of the policy had not been varied significantly during the period beginning with 5th April 2006 and ending with the death; and any exercise of rights conferred by the policy is to be regarded for this purpose as a variation.

A variation of the terms of a policy of life insurance made in order to comply with the Employment Equality (Age) Regulations 2006 or Employment Equality (Age) Regulations (Northern Ireland) 2006 (or any regulations amending or replacing them) is to be ignored for the purposes of sub-paragraph (2).

(2A) Where a policy of life insurance held on 5th April 2006 for the purposes of an occupational pension scheme is surrendered and a new one is taken out——

(a) as part of a retirement-benefit activities compliance exercise, or

(b) to comply with the Employment Equality (Age) Regulations 2006 or Employment Equality (Age) Regulations (Northern Ireland) 2006 (or any regulations amending or replacing them),

the new policy is to be treated for the purposes of sub-paragraph (2) as if it were the same as the old.

(2B) For this purpose a policy of life insurance is surrendered and a new one is taken out as part of a retirement-benefit activities compliance exercise if——

(a) the surrender of the old policy and taking out of the new policy constitute or form part of a transaction the purpose of which is to secure that the activities of the pension scheme are limited to retirement-benefit activities within the meaning of section 255 of the Pensions Act 2004 or Article 232 of the Pensions (Northern Ireland) Order 2005, and

(b) the rights under the old policy and the new policy are not significantly different.

(2C) Sub-paragraph (4) applies where any of the lump sum death benefits mentioned in sub-paragraph (2) of paragraph 11B would have been payable under an occupational pension scheme.

(4) The lump sum death benefit is only to be taken into account in arriving at the aggregate mentioned in that sub-paragraph if——

(a) the individual was employed by a person on 5th April 2006 and continued to be employed by that person or a person connected with that person until the time when the individual died,

(b) that person was a sponsoring employer in relation to the pension scheme on 5th April 2006, and

(c) the individual had not become entitled to the present payment of benefits in respect of rights under the pension scheme before the time when the individual died.

[F693(5) For the purposes of this paragraph whether a person is connected with another person is determined in accordance with section 993 of ITA 2007.]]
“Enhanced protection”

12 (1) This paragraph applies on and after 6th April 2006 in the case of an individual who has one or more relevant existing arrangements if notice of intention to rely on it is given to the Inland Revenue in accordance with regulations made by the Board of Inland Revenue.

(2) But this paragraph ceases to apply if—

(a) relevant benefit accrual occurs under the arrangement, or any of the arrangements (see paragraph 13),

(b) a transfer of sums or assets held for the purposes of, or representing accrued rights under, the arrangement or any of the arrangements is made that is not a permitted transfer, or

(c) an arrangement relating to the individual is made under a registered pension scheme otherwise than in permitted circumstances].

F693 Sch. 36 para. 11D(5) substituted (with effect in accordance with s. 1034(1) of the amending Act) by Income Tax Act 2007 (c. 3), s. 1034(1), Sch. 1 para. 485 (with Sch. 2)

(2A) An arrangement is made in permitted circumstances if it is made—

(a) for the purposes of a permitted transfer,

(b) as part of a retirement-benefit activities compliance exercise, or

(c) as part of an age-equality compliance exercise.

(2B) For the purposes of sub-paragraph (2A)(b) an arrangement (“the new arrangement”) relating to an individual is made as part of a retirement-benefit activities compliance exercise if—

(a) it is made in connection with the cancellation of rights under another arrangement relating to the individual (“the old arrangement”),

(b) the old arrangement and the new arrangement relate to the same employment,

(c) there is a prospective entitlement to pension death benefits within section 167(1) or lump sum death benefits within section 168(1) (or both) under both the old arrangement and the new arrangement,

(d) the making of the new arrangement and the cancellation of the old arrangement constitute or form part of a transaction the purpose of which is to secure that the activities of the pension scheme under which the arrangement is made are limited to retirement-benefit activities within the meaning of section 255 of the Pensions Act 2004 or Article 232 of the Pensions (Northern Ireland) Order 2005, and

(e) the rights cancelled under the old arrangement and the rights conferred under the new arrangement are not significantly different.

(2C) For the purposes of sub-paragraph (2A)(c) an arrangement (“the new arrangement”) is made as part of an age-equality compliance exercise if—

(a) it is made in connection with the cancellation of rights under another arrangement relating to the individual (“the old arrangement”),

(b) the old arrangement and the new arrangement relate to the same employment,
(c) there is a prospective entitlement to pension death benefits within section 167(1) or lump sum death benefits within section 168(1) (or both) under both the old arrangement and the new arrangement, and

(d) the new arrangement is made, and the old arrangement cancelled, in order to comply with the Employment Equality (Age) Regulations 2006 or Employment Equality (Age) Regulations (Northern Ireland) 2006 (or any regulations amending or replacing them).

(3) Where this paragraph applies in the case of an individual

- there is no liability to the lifetime allowance charge in respect of the individual, and
- the payment of a lifetime allowance excess lump sum to the individual is not permitted by the lump sum rule (see section 166).

(4) An individual has a relevant existing arrangement if—

- before 6th April 2006 an arrangement relating to the individual has been made under a pension scheme within paragraph 1(1), and
- the pension scheme becomes a registered pension scheme on that date.

(5) Notice of intention to rely on this paragraph in relation to the individual may not be given in a case where—

- the value of the uncrystallised rights of the individual on 5th April 2006 under an arrangement, or
- the aggregate of the values of the uncrystallised rights of the individual on 5th April 2006 under arrangements, is arrived at in accordance with paragraph 9(3) unless such rights as, in accordance with regulations made by the Board of Inland Revenue, are to be treated as representing the relevant excess have been surrendered.

(6) In sub-paragraph (5) “the relevant excess” means the amount by which the value of—

- the individual’s uncrystallised rights, or
- the aggregate of the values of the individual’s uncrystallised rights, as arrived at in accordance with paragraph 8 exceeds what it would be if arrived at under paragraph 9(3).

(7) For the purposes of this paragraph and paragraphs 13 and 15, a transfer of sums or assets held for the purposes of, or representing accrued rights under, an arrangement is a permitted transfer if—

- the sums or assets are transferred so that sub-paragraph (8) applies in relation to them, and
- the aggregate of the amount of sums and the market value of assets is, applying normal actuarial practice, equivalent before and after the transfer.

(8) This sub-paragraph applies in relation to sums or assets held for the purposes of, or representing accrued rights under, the arrangement if—

- they are transferred so as to become held for the purposes of a money purchase arrangement that is not a cash balance arrangement, and
- where the transfer occurs in connection with the winding up of the pension scheme under which the arrangement is made and the arrangement is a cash
balance arrangement or a defined benefits arrangement, they are transferred so as to become held for the purposes of, or to represent rights under, a cash balance arrangement or defined benefits arrangement relating to the same employment as the arrangement and made under a registered pension scheme or recognised overseas pension scheme.

\( F704(c) \) where the arrangement is a cash balance arrangement or a defined benefits arrangement relating to a present or former employment, they are transferred in connection with a relevant business transfer so as to become held for the purposes of, or to represent rights under, a cash balance arrangement or defined benefits arrangement made under a registered pension scheme or recognised overseas pension scheme, or

\( F705(8A) \) For the purposes of sub-paragraph (8)(c) “relevant business transfer” means a transfer of an undertaking or a business (or part of an undertaking or a business) from one person to another—

(a) which involves the transfer of at least 20 employees, and

(b) in the case of which, if the transferor and the transferee are bodies corporate, they would not be treated as members of the same group for the purposes of Chapter 4 of Part 10 of ICTA.

\( F705(8B) \) For the purposes of sub-paragraph (8)(d) sums or assets held for the purposes of, or representing accrued rights under, the old arrangement are transferred as part of a retirement-benefit activities compliance exercise if—

(a) there is a prospective entitlement to pension death benefits within section 167(1) or lump sum death benefits within section 168(1) (or both) under both the old arrangement and the new arrangement, and

(b) the transfer constitutes or forms part of a transaction the purpose of which is to secure that the activities of the pension scheme under which the old arrangement was made are limited to retirement-benefit activities within the meaning of section 255 of the Pensions Act 2004 or Article 232 of the Pensions (Northern Ireland) Order 2005.

(9) Where there is a permitted transfer—

(a) if the transfer is a permitted transfer by virtue of sub-paragraph (8)(a), this paragraph (and paragraphs 13 \( F706, 14 \) and 17A(1) and (2))) apply in relation to the arrangement \( F707 \ldots \) to which the transfer is made, and

(b) if the transfer is a permitted transfer by virtue of sub-paragraph (8)(b) \( F708 \) or (d), this paragraph (and paragraphs 13 \( F709, 15 \) and 17A(3))\( F710 \) to 17)) apply as if the arrangement to which the transfer is made were the same as that from which it is made, \( F711 \) and

(c) if the transfer is a permitted transfer by virtue of sub-paragraph (8)(c), this paragraph (and paragraphs 13, 15 to 17 and 17A(3)) apply as if the arrangement to which the transfer is made were the same as that from which it is made and (if the employment is transferred) as if the employment with the transferee were the employment with the transferor.
[F712](10) The Treasury may by order amend sub-paragraph (8) (and make other amendments consequential on any amendment of that sub-paragraph).]
14 For the purposes of paragraph 13(a) a relevant contribution is paid under the arrangement if—

(a) a relievable pension contribution is paid by or on behalf of the individual under the arrangement,

(b) a contribution is paid in respect of the individual under the arrangement by an employer of the individual, or

(c) a contribution paid otherwise than by or on behalf of the individual or by an employer of the individual subsequently becomes held for the purposes of the provision under the arrangement of benefits to or in respect of the individual.

(2) Minimum payments under section 8 of the Pension Schemes Act 1993 (c. 48) or section 4 of the Pension Schemes (Northern Ireland) Act 1993 (c. 49) or any amount recovered under regulations made under subsection (3) of either of those sections are not relevant contributions for the purposes of paragraph 13(a).

(3) A contribution is not a relevant contribution for the purposes of paragraph 13(a) if—

(a) it may only be applied for or towards the payment of premiums under a policy of insurance on the life of the individual,

(b) the policy is issued, or issued in respect of insurances made, before 6th April 2006,

(c) there is no right to surrender any rights under the policy,

(d) the terms of the policy are not varied significantly during the period beginning with 6th April 2006 and ending with the individual's actual death so as to increase the benefits payable under the policy or extend the period during which benefits are so payable, and

(e) no benefits are paid, or other payments made, under (or on the surrender of rights under) the policy except by reason of the individual's death; and any exercise of rights conferred by the policy is to be regarded for this purpose as a variation.

A variation of the terms of a policy made in order to comply with the Employment Equality (Age) Regulations 2006 or Employment Equality (Age) Regulations (Northern Ireland) 2006 (or any regulations amending or replacing them) is to be ignored for the purposes of sub-paragraph (3).

(3A) Where a policy of insurance on the life of the individual issued, or issued in respect of insurances made, before 6th April 2006 is surrendered and a new one is taken out—
(a) as part of a retirement-benefit activities compliance exercise, or
(b) as part of an age-equality compliance exercise.

the new policy is to be treated for the purposes of sub-paragraph (3) as if it were the same as the old.

(3C) For the purposes of sub-paragraph (3B)(a) a policy is surrendered, and a new policy of life insurance is taken out, as part of a retirement-benefit activities compliance exercise if—

(a) the surrender of the old policy and the taking out of the new policy constitute or form part of a transaction the purpose of which is to secure that the activities of the pension scheme under which the arrangement is made are limited to retirement-benefit activities within the meaning of section 255 of the Pensions Act 2004 or Article 232 of the Pensions (Northern Ireland) Order 2005, and
(b) the rights under the old policy and the new policy are not significantly different.

(3D) For the purposes of sub-paragraph (3B)(b) a policy is surrendered, and a new policy of life insurance is taken out, as part of an age-equality compliance exercise if—

(a) the old policy is surrendered, and the new policy is taken out, in order to comply with the Employment Equality (Age) Regulations 2006 or Employment Equality (Age) Regulations (Northern Ireland) 2006 (or any regulations amending or replacing them), and
(b) any significant difference between the rights under the old policy and the rights under the new policy is attributable to the need to comply with those Regulations (or any regulations amending or replacing them).

(4) A contribution is not a relevant contribution for the purposes of paragraph 13(a) if it is paid—

(a) by a sponsoring employer,
(b) under a relevant hybrid arrangement, and
(c) solely in respect of the provision in respect of the individual of lump sum death benefits which are defined benefits or cash balance benefits.

(5) A “relevant hybrid arrangement” is a hybrid arrangement under an occupational pension scheme—

(a) which subsequently becomes a money purchase arrangement that is not a cash balance arrangement, and
(b) under which lump sum death benefits would have been payable in respect of the individual if the individual had died on 5th April 2006.

15 (1) For the purposes of paragraph 13(b) “the relevant crystallised amount” is—
   (a) if the relevant event is the first relevant event occurring in relation to the individual and to the arrangement or any other cash balance arrangement or defined benefits arrangement related to the arrangement (“the first relevant event”), the amount crystallised by that event, and
   (b) otherwise, the aggregate of the amount crystallised by the relevant event and the amount crystallised by the relevant event, or by each of the relevant events, which has or have previously occurred in relation to the individual and to the arrangement or any other cash balance arrangement or defined benefits arrangement related to the arrangement.

(2) If the relevant event is a permitted transfer which is not a benefit crystallisation event, sub-paragraph (1) applies as if the amount crystallised by the event were the aggregate of—
   (a) the amount of any sums held for the purposes of, or representing accrued rights under, the arrangement which are transferred, and
   (b) the market value of any assets held for the purposes of, or representing accrued rights under, the arrangement which are transferred.

(3) For the purposes of this paragraph (and paragraphs 15A and 16) another arrangement is related to the arrangement if—
   (a) the other arrangement relates to the individual, and
   (b) both the arrangement and the other arrangement relate to the same employment;

and whether an arrangement relates to an employment is to be determined in accordance with paragraph 9(6).

(4) For the purposes of paragraph 13(b) “the appropriate limit”, in relation to a relevant event, is (subject to paragraph 15A) the greater of—
   (a) the value of the individual’s rights on 5th April 2006 under the arrangement, or (where there is or are one or more other cash balance arrangements or defined benefits arrangements related to the arrangement) the aggregate of the value of the individual’s rights under the arrangement and the other arrangement or arrangements, arrived at in accordance with paragraphs 8 and 9, as increased by the relevant indexation percentage (see sub-paragraph (5)), and
   (b) what would be the value of those rights, so arrived at, on the assumptions specified in sub-paragraph (6).

(5) For the purposes of sub-paragraph (4)(a) “the relevant indexation percentage”, in relation to a relevant event, means whichever is the greatest of—
   (a) the percentage by which an amount would be increased if it were increased for the period beginning with 6th April 2006 and ending with the date on which the relevant event occurs at an annual rate of 5%,
   (b) the percentage by which an amount would be increased if it were increased for that period at an annual percentage rate referred to in regulations made by the Board of Inland Revenue, and
(c) the percentage by which the retail prices index for the month in which the relevant event occurs is higher than that for April 2006.

(6) The assumptions referred to in sub-paragraph (4)(b) are—

(a) that the individual’s age on 5th April 2006 were what it is at the time of the first relevant event (so that neither paragraph 8(6) nor section 277(a) applies in arriving at what would be the value of the rights under paragraph 8), and

(b) that the amount of the earnings which would have fallen to be taken into account under the arrangement for calculating the amount of benefits payable to or in respect of the individual (if the individual became entitled to the present payment of benefits in respect of the rights under the arrangement on that date) were the lesser of the two amounts specified in subparagraph (7).

(7) The amounts referred to in sub-paragraph (6)(b) are—

(a) the current amount of the relevant pensionable earnings immediately before the first relevant event, and

(b) the post-commencement earnings limit (see paragraphs 16 and 17).

(8) But sub-paragraph (6)(b) applies in relation to an arrangement under a pension scheme within paragraph 1(1)(c) or (e) as if for “the lesser of the two amounts specified in sub-paragraph (7)” there were substituted “the amount specified in subparagraph (7)(a)”.

(9) In this paragraph “the relevant pensionable earnings” means the description of earnings (or the portion of the description of earnings) of the individual by reference to which the amount of benefits payable to or in respect of the individual would have fallen to be calculated if the individual became entitled to the present payment of benefits in respect of the rights under the arrangement on 5th April 2006.

(10) For the purposes of sub-paragraph (7)(a) “the current amount” of the relevant pensionable earnings immediately before the first relevant event is the amount of the relevant pensionable earnings which, at that time, would fall to be taken into account in calculating the amount of benefits payable to or in respect of the individual under the arrangement if the individual became entitled to the present payment of benefits at that time (but subject to sub-paragraph (11)).

(11) If at that time the individual is absent from work in connection with pregnancy, maternity, paternity or adoption, the current amount of the relevant pensionable earnings at that time includes what would be likely to be included in that amount if the individual were not so absent.
Paragraph 15A

This paragraph applies where—

(a) a person is paid a defined benefits lump sum death benefit or an uncrystallised funds lump sum death benefit in respect of the individual under the arrangement, and

(b) notice of intention to rely on this paragraph is given to an officer of Revenue and Customs by that person in accordance with regulations made by the Commissioners for Her Majesty's Revenue and Customs.

(2) For the purposes of paragraph 13(b), if the amount yielded by sub-paragraph (3) is greater than what would otherwise be the appropriate limit in relation to a relevant event which consists of—

(a) the payment of the lump sum death benefit, or

(b) the payment of any other lump sum death benefit in respect of the individual under the arrangement or another cash balance arrangement or defined benefits arrangement related to the arrangement,

that greater amount is the appropriate limit in relation to such a relevant event.

(3) The amount yielded by this sub-paragraph is the greater of—

(a) the value of the individual's pre-commencement rights to death benefits, as increased by the relevant indexation percentage (see sub-paragraph (5) of paragraph 15), or

(b) what would be the value of the individual's pre-commencement rights to death benefits on the assumptions specified in sub-paragraph (6) of that paragraph (but subject to the modifications in sub-paragraph (7) of this paragraph).

(4) The value of the individual's pre-commencement rights to death benefits is the aggregate of the maximum amounts that could have been paid in respect of the individual as uncrystallised rights lump sum death benefits under—

(a) the arrangement, or

(b) any other cash balance arrangement or defined benefits arrangement related to the arrangement,

if the individual had died on 5th April 2006.

(5) Lump sum death benefits are “uncrystallised rights lump sum death benefits” if they are attributable to rights in respect of which the individual had not, on 5th April 2006, become entitled to the present payment of benefits.

(6) Paragraphs 11C and 11D apply in arriving at the aggregate mentioned in sub-paragraph (4) as in arriving at that mentioned in paragraph 11B(2) but as if—

(a) each of the references to paragraph 11B(2) were to sub-paragraph (4) of this paragraph, and

(b) in paragraph 11D(1), for “of a pension scheme” there were substituted “ of any arrangement within paragraph 15A(4) under a pension scheme ”.
(7) In their operation for the purposes of this paragraph sub-paragraphs (6) to (11) of paragraph 15 have effect as if—
   (a) for the references in sub-paragraphs (6)(a) and (7)(a) and (10) to the time of the first relevant event there were substituted a reference to the time immediately before the individual's death, and
   (b) the words in parentheses in sub-paragraph (6)(a) were omitted.

the appropriate three year period.

(7) For the purposes of this paragraph and paragraph 17 the amount of the individual’s

(3) Amount A and amount B have the same meanings as in paragraph 16.

(4) Amount C is the greater of—
   (a) amount A, and
   (b) amount D.

(5) Amount D is—

\[

(b) sums or assets which are neither held for the purposes of, nor represent rights under, a pension scheme are so transferred.

(2) Sub-paragraph (1) applies where the relevant existing arrangement has been a hybrid arrangement as if the references to sums or assets being transferred were to transfer or payment at any time after 5th April 2006.

(3) There is an impermissible transfer into a relevant existing arrangement relating to an individual under a pension scheme in a case where the relevant existing arrangement is a cash balance arrangement or a defined benefits arrangement if it becomes a money purchase arrangement that is not a cash balance arrangement.

Pre-commencement pension credits

(1) This paragraph makes provision for the operation of a lifetime allowance enhancement factor in relation to all benefit crystallisation events occurring in relation to an individual where before 6th April 2006 the individual has acquired rights under a pension scheme within paragraph 1 (1) by virtue of having become entitled to a pension credit.

(2) The lifetime allowance enhancement factor is the pre-commencement pension credit factor.

(3) The pre-commencement pension credit factor is—

\[
\frac{IAPC}{SLA}
\]
where—

IAPC is the amount which is the appropriate amount for the purposes of section 29 (1) of WRPA 1999 or Article 26 (1) of WRP(NI)O 1999 in relation to the pension credit, as increased by the percentage specified in sub-paragraph (4), and

SLA is £1,500,000 (the standard lifetime allowance for the tax year 2006-07).

(4) The percentage is the percentage by which the retail prices index for April 2006 is greater than that for the month in which the rights were acquired.

(5) This paragraph does not apply in the case of an individual if paragraph 7 (primary protection) applies in relation to the individual.

(6) This paragraph only applies if notice of intention to rely on this paragraph is given to the Inland Revenue in accordance with regulations made by the Board of Inland Revenue.

**Individuals permitted to take pension before normal minimum pension age**

19

(1) This paragraph applies where a benefit crystallisation event occurs in relation to an individual who is a member of a registered pension scheme—

(a) in protected circumstances, and

(b) before the individual reaches normal minimum pension age.

(2) What would otherwise be the individual’s lifetime allowance is to be reduced by the relevant percentage.

(3) A benefit crystallisation event occurs in protected circumstances if—

(a) paragraph 22 or 23 (right to take pension before normal minimum pension age) applies to the individual and the pension scheme,

(b) the individual’s protected pension age (see paragraph 22(8) or 23(8)) is less than 50, and

(c) the pension scheme is not prescribed by regulations made by the Board of Inland Revenue.

(4) The relevant percentage is—

\[ \frac{Y \times 2.5}{Y} \]

where \( Y \) is the number of complete years falling between the date on which the benefit crystallisation event occurs and the date on which the individual will reach normal minimum pension age.

(5) Sub-paragraph (6) applies where, after the occurrence in relation to the individual of a benefit crystallisation event in relation to which this paragraph has had effect, another benefit crystallisation event occurs in relation to the individual.

(6) If the amount crystallised on the previous benefit crystallisation event exceeded the available amount of the individual’s lifetime allowance at the time of that benefit crystallisation event, section 219 (availability of individual’s lifetime allowance) applies as if the amount crystallised were the available amount of the individual’s lifetime allowance at that time.
Pre-commencement pensions

20 (1) This paragraph makes provision about an individual who, on 5th April 2006, has an actual (rather than a prospective) right to the payment of one or more relevant existing pensions.

(2) Section 219 (availability of individual’s lifetime allowance) applies as if, immediately before the first benefit crystallisation event occurring in relation to the individual—
   (a) a benefit crystallisation event had occurred in relation to the individual, and
   (b) the amount crystallised was the value of the individual’s pre-commencement pension rights immediately before the benefit crystallisation event.

(3) The value of the individual’s pre-commencement pension rights at any time is—

   \[25 \times \text{ARP}\]

where (subject to sub-paragraph (4)) ARP is an amount equal to—

(a) the annual rate at which the relevant existing pension is payable to the individual at that time, or

(b) if more than one relevant existing pension is payable to the individual at that time, the aggregate of the annual rates at which each of the relevant existing pensions is so payable.

(4) In the case of unsecured pension or alternatively secured pension ARP is the maximum amount that may be paid in the unsecured pension year or alternatively secured pension year in which the time falls in accordance with pension rule 5 or pension rule 7 (see section 165).

(5) In this paragraph “relevant existing pension” has the same meaning as in paragraph 10(2); and paragraph 10(4) and (5) operates for the purposes of this paragraph for determining the annual rate at which a relevant existing pension is payable at any time (treating the references there to 5th April 2006 as to that time).
PART 3

PRE-COMMENCEMENT BENEFIT RIGHTS

Rights to take benefit before normal minimum pension age

21 (1) If paragraph 22 or 23 applies in relation to a registered pension scheme and a member of the pension scheme, this Part of this Act (except for section 218(6) and paragraph 19) has effect in relation to the member and the pension scheme as if references to normal minimum pension age were to the member’s protected pension age.

(2) Paragraphs 22(8) and 23(8) define the member’s protected pension age.

22 (1) This paragraph applies in relation to a registered pension scheme and a member of the pension scheme if—

(a) the pension scheme is a protected pension scheme, and

(b) the retirement condition is met in relation to the member and the pension scheme.

(2) A pension scheme is a protected pension scheme if condition A or condition B is met.

(3) Condition A is met if—

(a) the pension scheme was within any of paragraphs (a) to (e) of paragraph 1(1), and

(b) the entitlement condition is met in relation to the member and the pension scheme.

(4) The entitlement condition is met in relation to the member and the pension scheme if—

(a) on 5th April 2006 the member had an actual or prospective right under the pension scheme to any benefit from an age of less than 55,

(b) the rules of the pension scheme on 10th December 2003 included provision conferring such a right on some or all of the persons who were then members of the pension scheme, and

(c) such a right either was then conferred on the member or would have been had the member been a member of the scheme on that date.

(5) Condition B is met if the member is a member of the pension scheme (“a transferee pension scheme”) as a result of—

(a) a block transfer from the pension scheme (“the original pension scheme”) in relation to which condition A is met to the transferee pension scheme, or
(b) a block transfer to the transferee pension scheme from a pension scheme that was a transferee pension scheme in relation to the original pension scheme by virtue of the previous application of paragraph (a) or the previous application (on one or more occasions) of this paragraph.

(6) A transfer is a block transfer if—

(a) it involves the transfer in a single transaction of all the sums and assets held for the purposes of, or representing accrued rights under, the arrangements under the pension scheme from which the transfer is made which relate to the member and at least one other member of that pension scheme, and

(b) either the member was not a member of the pension scheme to which the transfer is made before the transfer or he has been a member of that pension scheme for no longer than such period as is prescribed by regulations made by the Board of Inland Revenue.

(7) The retirement condition is met in relation to the member and the pension scheme if—

(a) the member becomes entitled to all the benefits payable to the member under arrangements under the pension scheme (to which the member did not have an actual entitlement on or before 5th April 2006) on the same date, and

(b) in a case where on 5th April 2006 the member had an actual or prospective right under the pension scheme to any benefit from an age of less than 50, Condition 1 is met or, in any other case, Condition 2 or 3 is met.

(7A) Condition 1 is met if—

(a) the member is not, after becoming entitled to the benefits mentioned in sub-paragraph (7)(a), employed by a person who is a sponsoring employer in relation to the pension scheme and with whom the member is connected, and

(b) the member's becoming entitled to those benefits is not part of an arrangement the main purpose (or one of the main purposes) of which is the avoidance of tax or national insurance contributions.

(7B) Condition 2 is met if—

(a) the member is not, after becoming entitled to the benefits mentioned in sub-paragraph (7)(a), employed by a person specified in sub-paragraph (7C), and

(b) the member's becoming entitled to those benefits is not part of an arrangement the main purpose (or one of the main purposes) of which is the avoidance of tax or national insurance contributions.

(7C) The persons referred to in sub-paragraph (7B)(a) are—

(a) any person who was a sponsoring employer in relation to the pension scheme at any time during the period of six months ending with the day on which the member became entitled to the benefits mentioned in sub-paragraph (7) (a) and by whom the member was employed at any time during that period,

(b) any person who is connected with any such person, or

(c) any person who is a sponsoring employer in relation to the pension scheme and with whom the member is connected.

(7D) If the member has become entitled to the benefits payable under arrangements under the pension scheme by reason of service in the armed forces of the Crown, any employment on compulsory recall is to be disregarded for the purposes of sub-paragraph (7B)(a).
(7E) Condition 3 is met if—
(a) paragraph (a) of sub-paragraph (7B) is not satisfied but one of the re-employment conditions is met, and
(b) paragraph (b) of that sub-paragraph is satisfied.

(7F) The re-employment conditions are—
(a) that the member is not employed as mentioned in sub-paragraph (7B)(a) during the period of six months beginning with the day on which the member becomes entitled to the benefits mentioned in sub-paragraph (7)(a), and
(b) that the member is not employed as mentioned in sub-paragraph (7B)(a) during the period of one month beginning with that day, but is so employed during the period of five months beginning at the end of that period, and either the pension abatement condition or the materially different employment condition is met.

(7G) The pension abatement condition is met if—
(a) the pension scheme is a public service pension scheme, and
(b) the member's benefits under the scheme consist of or include a scheme pension which is liable to reduction by abatement while the member is employed as mentioned in sub-paragraph (7B)(a) and is under the age of 55.

(7H) The materially different employment condition is met—
(a) in a case where the member is employed as mentioned in sub-paragraph (7B)(a) in more than one employment during the period of five months mentioned in sub-paragraph (7F)(b), if each of those employments, and
(b) otherwise, if the employment in which the member is so employed during that period, is materially different in nature from the employment in which the member was employed immediately before becoming entitled to the benefits mentioned in sub-paragraph (7)(a).

(7I) For the purposes of sub-paragraph (7D) “employment on compulsory recall” means permanent service—
(a) under Part 4 of the Reserve Forces Act 1996,
(b) under Part 5 of that Act,
(c) under a call-out or recall order made under that Act,
(d) having been called out or recalled under the Reserve Forces Act 1980, or
(e) because of any other call-out or recall obligation of an officer.

(7J) Section 839 of ICTA (connected persons) applies for the purposes of this paragraph.

(8) The member’s protected pension age is the age from which the member had an actual or prospective right to any benefit under the protected pension scheme on 5th April 2006 (or, where condition B is met, under the original pension scheme on that date).

(9) But this paragraph does not have effect so as to give the member a protected pension age of more than 50 at any time before 6th April 2010.
23 (1) This paragraph applies in relation to a registered pension scheme and a member of the pension scheme if—
   (a) the pension scheme is a protected pension scheme, and
   (b) the retirement condition is met in relation to the member and the pension scheme.

(2) A pension scheme is a protected pension scheme if condition A or condition B is met.

(3) Condition A is met if—
   (a) the pension scheme was within paragraph (f) or (g) of paragraph 1(1), and
   (b) the entitlement condition is met in relation to the member and the pension scheme.

(4) The entitlement condition is met in relation to the member and the pension scheme if—
   (a) on 5th April 2006 the member had an actual or prospective right under the pension scheme to a pension from an age of less than 50, and
   (b) the member’s occupation was on that date (or had been) one prescribed by regulations made by the Board of Inland Revenue.

(5) Condition B is met if the member is a member of the pension scheme (“a transferee pension scheme”) as a result of—
   (a) a block transfer from the pension scheme ("the original pension scheme") in relation to which condition A is met to the transferee pension scheme, or
   (b) a block transfer to the transferee pension scheme from a pension scheme that was a transferee pension scheme in relation to the original pension scheme by virtue of the previous application of paragraph (a) or the previous application (on one or more occasions) of this paragraph.

(6) “Block transfer” has the same meaning as in paragraph 22(6).

(7) The retirement condition is met in relation to the member and the pension scheme if the member becomes entitled to all the pensions payable to the member under arrangements under the pension scheme (to which the member did not have an actual entitlement on or before 5th April 2006) on the same date.
(8) The member’s protected pension age is the age from which the member had an actual or prospective right to a pension under the protected pension scheme on 5th April 2006 (or, where condition B is met, under the original pension scheme on that date).

Lump sum rights exceeding £375,000: primary and enhanced protection

24 (1) If the lump sum condition and the registration condition are met in relation to an individual—

(a) paragraphs 27 to 29 (which modify Schedule 29 in relation to pension commencement lump sums), and

(b) paragraph 30 (which makes provision about scheme chargeable payments),

apply in relation to the individual.

(2) The lump sum condition is met if on 5th April 2006 the amount of an individual’s total lump sum rights exceeds £375,000 (25% of the standard lifetime allowance for the tax year 2006-07).

(3) Paragraph 25 defines the amount of an individual’s total lump sum rights on that date.

(4) The registration condition is met if either or both of the notice requirements is met.

(5) The first notice requirement is met if notice of intention to rely on paragraph 7 (primary protection) is given to the Inland Revenue in accordance with regulations under that paragraph in relation to the individual.
The second notice requirement is met if notice of intention to rely on paragraph 12 (enhanced protection) is given to the Inland Revenue in accordance with regulations under that paragraph in relation to the individual.

(1) The amount of an individual’s total lump sum rights on 5th April 2006 is—

\[
\frac{\text{VCPR}}{4} + \text{VULSR}
\]

where—

VCPR is the value of the individual’s relevant crystallised pension rights on 5th April 2006, calculated in accordance with paragraph 10, and

VULSR is the value of the individual’s relevant uncrystallised lump sum rights on that date.

(2) The value of the individual’s relevant uncrystallised lump sum rights on 5th April 2006 is the aggregate value of the individual’s uncrystallised lump sum rights on that date under each relevant pension arrangement relating to the individual.

(3) An uncrystallised lump sum right is a right to a lump sum which on 5th April 2006 is prospective (rather than actual).

(4) An arrangement is a “relevant pension arrangement” if it is an arrangement under a pension scheme within paragraph 1(1).

(5) The value of the individual’s uncrystallised lump sum rights under an arrangement on 5th April 2006—

(a) in the case of an arrangement under a pension scheme falling within paragraph 1(1)(f), is 25% of the value of the funds held for the purposes of the arrangement on that date, and

(b) in the case of any other arrangement, is an amount calculated in accordance with sub-paragraph (6).

(6) The amount is the amount of any lump sum to which the individual would have been entitled under the arrangement on 5th April 2006 on the assumption that the individual became entitled to the present payment of a lump sum under the arrangement on that date.

(7) In calculating an amount in accordance with sub-paragraph (6) the valuation assumptions apply but as if the reference to such age (if any) as must have been reached to avoid any reduction in benefits on account of age in paragraph (a) of section 277 were to the relevant age; and for this purpose “the relevant age” is—

(a) if on 10th December 2003 the terms of the arrangement made provision for a reduction in the amount of benefits payable in respect of rights under the arrangement on account of the holder of the rights being below a particular age, that age, and

(b) otherwise, 60.

(1) This paragraph applies if any of the individual’s uncrystallised lump sum rights on 5th April 2006 are rights under one or more arrangements under a pension scheme or schemes within paragraph 1(1)(a) to (d).
(2) The value of the individual’s uncrystallised lump sum rights on 5th April 2006 under the arrangement, or the aggregate of the values of the individual’s uncrystallised lump sum rights on 5th April 2006 under such of the arrangements as relate to a particular employment, is...

(a) the value, or the aggregate of the values, calculated under paragraph 25, or (if lower)

(b) the maximum permitted lump sum.

(3) “The maximum permitted lump sum” means

(a) in the case of an arrangement under a pension scheme which immediately before 6th April 2006 was within section 611A(1)(a) of ICTA, the maximum lump sum that could be paid to the individual under the pension scheme on 5th April 2006, and

(b) in any other case,

the maximum lump sum that could be paid to the individual on 5th April 2006 under the arrangement or arrangements if it or they were made under a pension scheme within paragraph 1(1)(a) without giving the Board of Inland Revenue grounds for withdrawing approval of the pension scheme under section 591B of ICTA.

(4) For the purposes of sub-paragraph (3) it is to be assumed—

(a) in the case of any arrangement, that if the individual was in the employment to which the arrangement or arrangements relates or relate on 5th April 2006 the individual left the employment on that date, and

(b) in the case of an arrangement within sub-paragraph (3)(a), that the valuation assumptions apply (see section 277),

(b) in the case of any other arrangement, that if the individual had not reached the lowest age at which a lump sum may be paid under a pension scheme within paragraph 1(1)(a) to a person in good health without giving the Board of Inland Revenue grounds for withdrawing the approval of the pension scheme that fact would not give the Board such grounds.

(5) Whether an arrangement relating to an individual relates to an employment is to be determined in accordance with paragraph 9(6).
(1) If (and for so long as) paragraph 12 (enhanced protection) applies in relation to the individual, paragraph 2 of Schedule 29 applies in relation to the individual with the following modifications.

(2) If the value of the individual’s relevant uncrystallised lump sum rights on 5th April 2006 (calculated in accordance with paragraphs 25 and 26) was nil, the permitted maximum under paragraph 2 is nil.

(3) Otherwise, paragraph 2 applies as if for sub-paragraphs (5) to (8) there were substituted—

“(5) If sub-paragraph (2) does not apply, the permitted maximum is the applicable amount, calculated in accordance with paragraph 3.”

(1) If paragraph 12 (enhanced protection) does not apply in relation to the individual, paragraph 2 of Schedule 29 applies in relation to the individual with the following modifications.

(2) If the value of the individual’s relevant uncrystallised lump sum rights on 5th April 2006 (calculated in accordance with paragraphs 25 and 26) was nil, the permitted maximum under paragraph 2 is nil.

(3) Otherwise, paragraph 2 applies as if for sub-paragraphs (5) to (7) there were substituted—

“(5) If sub-paragraph (2) does not apply, the permitted maximum is the available portion of the member’s lump sum allowance.

(6) The available portion of the member’s lump sum allowance is—

\[ \text{VULSR} - \text{APCLS} \]

where—

VULSR is the value of the individual’s relevant uncrystallised lump sum rights on 5th April 2006 (calculated in accordance with paragraphs 25 and 26 of Schedule 36), as adjusted under sub-paragraph (6A), and

APCLS is the aggregate of the amounts of each pension commencement lump sum to which the individual has previously become entitled, as adjusted under sub-paragraph (7) (or, if the individual has not previously become entitled to a pension commencement lump sum, is nil).

(6A) The adjustment referred to in the definition of VULSR is the multiplication of the value of the individual’s relevant uncrystallised lump sum rights on 5th April 2006 by—

\[ \frac{\text{CSLA}}{\text{FSLA}} \]

where—
CSLA is the current standard lifetime allowance, and

FSLA is £1,500,000 (the standard lifetime allowance for the tax year 2006-07).

(7) The adjustment of the amount of a pension commencement lump sum to which the individual has previously become entitled referred to in the definition of APCLS is the multiplication of the amount by—

\[
\frac{\text{CSLA}}{\text{PSLA}}
\]

where—

CSLA is the current standard lifetime allowance, and

PSLA is the standard lifetime allowance at the time the individual became entitled to the lump sum.”

(1) If (and for so long as) paragraph 12 (enhanced protection) applies in relation to the individual, paragraph 3 of Schedule 29 (applicable amount) applies with the following modifications.

(2) Paragraph 3 applies as if for sub-paragraphs (1) to (3) there were substituted—

“(1) Where the member becomes entitled to income withdrawal, the applicable amount is—

\[
\frac{\text{VULSR}}{\text{VUR}} \times (\text{LS} + \text{AD})
\]

where—

VULSR is the value of the individual’s relevant uncrystallised lump sum rights on 5th April 2006, calculated in accordance with paragraphs 25 and 26 of Schedule 36,

VUR is the value of the individual’s uncrystallised pension rights on 5th April 2006, calculated in accordance with paragraphs 8 and 9 of that Schedule,

LS is the lump sum paid, and

AD is the aggregate of the amount of the sums, and the market value of the assets, designated as available for the payment of unsecured pension on that occasion.

(2) For the purposes of sub-paragraph (1) there is to be deducted from the aggregate of the lump sum and the amount of the sums and the market value of the assets designated as available for the payment of unsecured pension so much (if any) of that amount as represents rights which are attributable to a disqualifying pension credit.

(3) Where the member becomes entitled to a lifetime annuity, the applicable amount is—
VULSR \times \left( \frac{LS + APP}{VUR} \right)

where—

VULSR, VUR and LS have the same meaning as in sub-paragraph (1), and APP is the annuity purchase price.”

(3) Paragraph 3 applies as if for sub-paragraphs (5) to (7A) there were substituted—

“(5) There is to be deducted from the aggregate of the amount of the lump sum and the annuity purchase price—

(a) if the annuity is purchased (in whole or in part) by the application of sums or assets representing the whole or part of the member’s unsecured pension fund, the aggregate of the amount of those sums and the market value of those assets, and

(b) in any case, so much (if any) of the aggregate of the lump sum and the annuity purchase price as represents rights which are attributable to a disqualifying pension credit.

(6) Where the member becomes entitled to a scheme pension under a defined benefits arrangement, the applicable amount is—

\frac{VULSR}{VUR} \times \left( LS + AC \right)

but subject to sub-paragraph (8).

(7) In sub-paragraph (6)—

VULSR, VUR and LS have the same meaning as in sub-paragraph (1), and AC is the amount crystallised by reason of the member becoming entitled to the pension (see section 216).

(7A) Where the member becomes entitled to a scheme pension under a money purchase arrangement, the applicable amount is (subject to sub-paragraph (8))—

\frac{VULSR}{VUR} \times (LS + SPPP)

where—

VULSR, VUR and LS have the same meaning as in sub-paragraph (1), and SPPP is the scheme pension purchase price.”]
30 (1) Any part of a lump sum falling within paragraph 1 (1) of Schedule 29 which—
(a) under paragraph 1(2) of that Schedule is not a pension commencement lump sum (because the lump sum exceeds the permitted maximum), and
(b) is an unauthorised payment,
is to be treated as exempt from being scheme chargeable (under section 241(2)) if the condition in sub-paragraph (2) is met.

(2) The condition is that it would not have been an unauthorised payment if—
(a) paragraphs 27 and 29 (in the case of an individual in relation to whom paragraph 12 applies), or
(b) paragraph 28 (in the case of an individual in relation to whom paragraph 12 does not apply),
had not applied.

Entitlement to lump sums exceeding 25% of uncrystallised rights

31 (1) If the pension condition is met in relation to an individual and a registered pension scheme which is a protected pension scheme, the provisions of Schedule 29 relating to pension commencement lump sums apply in relation to the individual and the pension scheme with the modifications specified in paragraph 34 (but subject to sub-paragraph (2)).

(2) Those provisions do not apply with those modifications if the lump sum condition and registration condition in paragraph 24 are met.

(3) The pension condition is that the individual becomes entitled to all the pensions payable to the individual under arrangements under the pension scheme (to which the individual did not have an actual entitlement on or before 5th April 2006) on the same date.

(4) A registered pension scheme is a protected pension scheme if condition A or condition B is met.

(5) Condition A is met if—
(a) the pension scheme was within any of paragraphs (a) to (e) of paragraph 1(1), and
(b) on 5th April 2006 the lump sum percentage of the individual’s uncrystallised rights under the pension scheme exceeded 25%.

(6) The lump sum percentage of an individual’s uncrystallised pension rights under a pension scheme on 5th April 2006 is—
$\frac{\text{VULSR}}{\text{VUR}} \times 100$

where—

VULSR is the value of the individual’s uncrystallised lump sum rights under the pension scheme on 5th April 2006, calculated in accordance with paragraph 32, and

VUR is the value of the individual’s uncrystallised rights under the pension scheme on 5th April 2006, calculated in accordance with paragraph 33.

(7) Condition B is met if the individual is a member of the pension scheme ("a transferee pension scheme") as a result of—

(a) a block transfer from the pension scheme ("the original pension scheme") in relation to which condition A is met to the transferee pension scheme, or

(b) a block transfer to the transferee pension scheme from a pension scheme that was a transferee pension scheme in relation to the original pension scheme by virtue of the previous application of paragraph (a) or the previous application (on one or more occasions) of this paragraph.

(8) “Block transfer” has the same meaning as in paragraph 22(6), but treating the references there to the member as references to the individual.

(9) Where a pension scheme is a protected pension scheme because condition B is met, Schedule 29 as modified by paragraph 34 applies as if the protected pension scheme were the same pension scheme as the original pension scheme.

34 (1) Schedule 29 applies with the following modifications.

(2) Paragraph 2 applies as if the reference in sub-paragraph (2) to the arrangement under which the member becomes entitled to the relevant pension were to the pension scheme and for sub-paragraphs (5) to (8) there were substituted—

“\((5)\) If paragraph 2(2) does not apply\(^{757}\), the permitted maximum is—

\[
\left( VULSR \times \frac{CSLA}{FSLA} \right) + ALSA
\]

\(^{758}(6)\) ................................................

(7) In this paragraph—

VULSR is the value of the individual’s uncrystallised lump sum rights under the pension scheme on 5th April 2006, calculated in accordance with paragraph 32 of Schedule 36,

CSLA is the current standard lifetime allowance,

FSLA is £1,500,000 (the standard lifetime allowance for the tax year 2006-07), and

ALSA is the [\(^{759}\) greater of the additional lump sum amount and nil].

(7A) The additional lump sum amount is—

\[
\frac{LS + AC - \left( VUR \times \frac{CSLA}{FSLA} \right)}{4}
\]

where—

LS is the lump sum paid (but this is subject to [\(^{760}\) sub-paragraphs (7AA) and (7B)]),

AC is the amount crystallised on the individual becoming entitled to the pension in connection with which the lump sum is paid (see section 216) (but this is subject to sub-paragraph (7B)), and

VUR is the value of the individual’s uncrystallised rights under the pension scheme on 5th April 2006, calculated in accordance with paragraph 33 of Schedule 36.

\(^{761}(7AA)\) Where the pension in connection with which the lump sum is paid is a scheme pension under a money purchase arrangement, AC is the scheme pension purchase price, as it would be defined by paragraph 3 if the words “but subject to sub-paragraph (8)” in sub-paragraph (7A) and sub-paragraph (8) were omitted.]
(7B) Any part of what would otherwise be LS or AC which represents rights attributable to a disqualifying pension credit is to be disregarded.

(7C) . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . .”

(3) Omit paragraph 3 (applicable amount for pension commencement lump sums) [but without prejudice to its operation for the purposes of paragraph 2(7AA) of Schedule 29 as inserted by sub-paragraph (2)].
36 (1) This paragraph applies to a member of a registered pension scheme if on 5th April 2006—
   (a) the pension scheme is within any of paragraphs (a) to (e) of paragraph 1(1),
   (b) the member has an actual (rather than a prospective) right to a pension under an arrangement under the pension scheme, and
   (c) under the arrangement a lump sum death benefit is payable if the member dies within the guarantee period.

(2) The guarantee period is the period of five years beginning with the day on which the member became entitled to the pension or, if later, the day on which the pension was first paid.

(3) If the member dies after having reached the age of 75 and before the end of the guarantee period—
   (a) paragraph 14 of Schedule 29 (pension protection lump sum death benefit),
   (b) paragraph 16 of that Schedule (annuity protection lump sum death benefit), and
   (c) paragraph 17 of that Schedule (unsecured pension fund lump sum death benefit),
   apply in relation to the member and the arrangement with the following modifications.

(4) Each of those paragraphs applies as if sub-paragraph (1)(a) were omitted.

(5) Paragraph 14(1) applies as if paragraph (d) were omitted.

(6) Paragraph 14(2) applies as if the reference to the pension protection limit were to the transitional protection limit.

(7) Paragraph 16(2) applies as if the reference to the annuity protection limit were to the transitional protection limit.

(8) Paragraph 17(3) applies in relation to a lump sum falling within paragraph 17 (1) as if the reference to the permitted maximum were to the transitional protection limit.

(9) Section 206 (1) (special lump sum death benefits charge) does not apply to any pension protection lump sum death benefit, annuity protection lump sum death benefit or unsecured pension fund lump sum death benefit paid by virtue of sub-paragraphs (3) to (8).

(10) If the member dies before having reached the age of 75 and before the end of the guarantee period—
   (a) section 206 (1) does not apply to so much of any pension protection lump sum death benefit, annuity protection lump sum death benefit or unsecured pension fund lump sum death benefit paid under the arrangement as does not exceed the transitional protection limit, and
(b) if the arrangement is a defined benefits arrangement, paragraph 14(1)(d) of Schedule 29 is to be treated as satisfied in relation to so much of the lump sum death benefit paid under the arrangement as does not exceed the transitional protection limit.

(11) The transitional protection limit is—

\[ P - TPLS \]

where—

P is the amount of pension to which (had the member lived) the member would have been entitled under the arrangement in respect of the period beginning with the day of the member’s death and ending with the last day of the guarantee period, and

TPLS is the amount of any pension protection lump sum death benefit, annuity protection lump sum death benefit or unsecured pension fund lump sum death benefit previously paid in respect of the pension.

37A  (1) This paragraph applies in relation to an investment-regulated pension scheme if—
   (a) on 6th April 2006 the pension scheme holds an interest in taxable property which it acquired before that date, and
   (b) immediately before that date the pension scheme was not prohibited from holding the interest in the property,
   and, in a case where immediately before that date the interest in the property was held directly by a person other than the pension scheme, if the pension scheme was not prohibited from holding the interest it held in that person at that time.

   (2) This paragraph also applies in relation to an investment-regulated pension scheme if—
      (a) before 6th April 2006 a contract to acquire an interest in property was entered into by the pension scheme or a person in whom the pension scheme directly or indirectly held an interest when the contract was entered into,
      (b) the pension scheme does not acquire the interest in the property before that date,
      (c) the property is taxable property on that date, and
      (d) immediately before that date the pension scheme would not have been prohibited from holding the interest in the property,
      and, in a case where the contract to acquire the interest in the property was entered into by a person in whom the pension scheme directly or indirectly held an interest, if the pension scheme was not prohibited from holding the interest it held in that person immediately before that date.

   (3) The taxable property provisions (apart from this paragraph and paragraphs 37B to 37E) do not apply in relation to the pension scheme and the interest in the property.

   (4) For the purposes of this Schedule a pension scheme is to be treated as having been prohibited from holding an interest in property, or in a person, immediately before 6th April 2006 if approval could have been withdrawn under section 591B, 620(7) or 650 of ICTA on the basis of the holding of the interest at that time.

   (5) This paragraph is subject to paragraphs 37B to 37E.

(b) where Condition B is met, the date on which the improvement works are substantially completed, or
(c) where Condition C is met, the date on which the change in the pension scheme's interest in the person takes place,
but where the pension scheme has not acquired the interest in the property by what would otherwise be the relevant date, the relevant date is the date on which it acquires the interest.

(6) Where Condition A, B or C is met the pension scheme is to be treated for the purposes of the taxable property provisions as acquiring the interest in the property on the relevant date.

(7) For the purposes of Schedule 29A the total taxable amount in relation to any unauthorised payment which the pension scheme is treated as having made by reason of the acquisition is—
   (a) the market value on the relevant date of the interest in the property held by the person who holds it directly, or
   (b) if the interest in the property is a lease at a rent, the amount of consideration that would be treated as given by the person for the lease by virtue of paragraph 34 of Schedule 29A if it were assigned to the person on that date.

(11) For the purposes of sub-paragraph (10)(a) a property is materially improved by works only if—
   (a) its market value on the date the works are substantially completed (“MVW”) exceeds what would have been its market value on that date if the works had not been carried out (“MV”), and
   (b) the amount by which MVW exceeds MV is greater than 20% of MV.

   (b) a block transfer to the transferee pension scheme from a pension scheme that was a transferee pension scheme in relation to the original pension scheme by virtue of the previous application of paragraph (a) or the previous application (on one or more occasions) of this paragraph.

(6) “Block transfer” has the same meaning as in paragraph 22(6), but treating the references there to the member as references to the individual.

Benefits taxable under Chapter 2 of Part 6 of ITEPA 2003: contributions taxed pre-commencement

(1) Paragraph 54 or 55 has effect where—
section 394 of ITEPA 2003 (charge on benefits from non-approved schemes) operates (or would otherwise operate) by reason of the provision of a lump sum under an employer-financed retirement benefits scheme on or after 6th April 2006, and

(b) before that date an employer has paid any sum or sums, with a view to the provision of benefits under the scheme, in respect of which an employee is taxed.

(2) For the purposes of sub-paragraph (1)(a) section 394 of ITEPA 2003 operates if—

(a) an amount counts as employment income of an individual under that section, or

(b) the person who is, or persons who are, the responsible person in relation to the scheme is or are chargeable to income tax under subsection (2) of that section.

(3) For the purposes of sub-paragraph (1)(b) an employee is taxed in respect of a sum or sums if—

(4) It is to be assumed, unless the contrary is shown, that neither paragraph 54 nor paragraph 55 has effect.

54 (1) This paragraph has effect if—

(a) all of the income and gains accruing to the scheme are brought into charge to tax and the lump sum is provided to the employee, a relative of the employee, the personal representatives of the employee, an ex-spouse or former civil partner of the employee or any other individual designated by the employee, or

(b) the scheme was entered into before 1st December 1993 and has not been varied on or after that date with a view to the provision of benefits under the scheme.

(2) In a case where the employer has not paid any sum or sums with a view to the provision of benefits under the scheme since before 6th April 2006, section 394 of ITEPA 2003 (charge on benefits from non-approved schemes) does not apply in relation to the lump sum.

(3) In a case where the employer has paid any sum or sums with a view to the provision of benefits under the scheme on or after 6th April 2006—

(a) section 394 of ITEPA 2003 does not apply in relation to so much of the lump sum as does not exceed the appropriate fraction of the amount of the market value of the assets of the scheme on 5th April 2006 as increased under sub-paragraph (4), and
(b) only any sum or sums paid by the employee after that date with a view to the provision of benefits under the scheme is or are to be taken into account under section 395 of ITEPA 2003 (general rules).

(4) For the purposes of sub-paragraph (3)(a)—

(a) “the appropriate fraction” of the amount of the market value of the assets of the scheme on 5th April 2006 is the same fraction as the fraction of the assets of the scheme to which the employee would have been entitled had the scheme been wound up on that date, and

(b) the amount of the market value of the assets of the scheme on that date is to be increased by the percentage by which the retail prices index for the month in which the lump sum is provided is greater than that for April 2006.

(5) In this paragraph—

“ex-spouse”, in relation to an employee, means the other party to a marriage with the employee that has been dissolved or annulled, and

(2) Section 394 of ITEPA 2003 (charge on benefits from non-approved schemes) does not apply in relation to so much of the lump sum as does not exceed the sum, or the aggregate of the sums, referred to in paragraph 53(1)(b).

(3) And the reference in section 395 of that Act (general rules) to the amount of the lump sum is to the amount of the remainder of the lump sum.

Inheritance tax

56 (1) This paragraph applies in relation to a fund or scheme—
(a) which is not a registered pension scheme, a qualifying non-UK pension scheme or a superannuation fund to which section 615(3) of ICTA applies, but

58 (1) Section 151 of the Inheritance Tax Act 1984 (treatment of pension rights) continues to apply to so much of the assets of the fund or scheme at any time as does not exceed the amount that is the protected amount at that time.

(2) But sub-paragraph (1) does not affect the operation of subsection (1)(d) of section 58 of that Act (because paragraph 57 makes provision about the extent to which the assets of the fund or scheme constitute relevant property within the meaning given by that section).

(3) If inheritance tax has not previously been chargeable (otherwise than only because of this paragraph) by reference to the value of the assets of the fund or scheme on or after 6th April 2006, the protected amount is an amount equal to the amount of the market value of the assets of the fund or scheme on 5th April 2006, but subject to the adjustments provided by sub-paragraph (4).

(4) The adjustments are—
(a) an increase by the percentage by which the retail prices index for the month of September immediately preceding the time in question is greater than that for April 2006, and
(b) a reduction by the amount of any relevant payments made under the fund or scheme on or after 6th April 2006 and before that time.

(5) If inheritance tax would (apart from this paragraph) have previously been chargeable by reference to the value of the assets of the fund or scheme on one or more occasions on or after 6th April 2006, the protected amount is what it was immediately before the occasion, or (where there has been more than one) the last occasion, on which inheritance tax would have been so chargeable (“the relevant tax occasion”), but—
(a) reduced by the value of the property on which inheritance tax would have been chargeable on the relevant tax occasion, and
(b) subject to the adjustments provided by sub-paragraph (6).

(6) The adjustments are—
(a) an increase by the percentage by which the retail prices index for the month of September immediately preceding the time in question is greater than that for the month in which the relevant tax occasion fell, and
(b) a reduction by the amount of any relevant payments made under the fund or scheme since the relevant tax occasion.

(7) “Relevant payments” are payments other than—
(a) payments of costs or expenses, or
(b) payments which are (or will be) income of any person for any of the purposes of income tax.

PART 1

AMENDMENTS OF THE OIL TAXATION ACT 1983 RELATING TO ALLOWABLE EXPENDITURE AND DISPOSAL RECEIPTS

Introductory

1 The Oil Taxation Act 1983 (c. 56) is amended in accordance with the following provisions of this Part.

Expenditure incurred on long-term assets other than non-dedicated mobile assets

2 (1) Section 3 (expenditure incurred on long-term assets other than non-dedicated mobile assets) is amended as follows.

(2) In subsection (4) (whole of expenditure to be allowable, except as provided by the provisions there specified) for “section 4” substitute “ sections 3A and 4 ”.

Exclusion from s.3(4) of expenditure on assets giving rise to tax-exempt tariffing receipts

3 After section 3 insert—

“3A Exclusion from section 3(4) of expenditure on assets giving rise to tax-exempt tariffing receipts

(1) This section applies where—

(a) expenditure incurred on or after 1st January 2004 falls within section 3 (1) above, but

(b) some of the use (or expected use) of the asset in relation to which the expenditure was incurred is use in a way that gives rise to tax-exempt tariffing receipts (see section 6A(2) below).

(2) In any such case, such part of the expenditure as it is just and reasonable to apportion to the use mentioned in subsection (1)(b) above shall be excluded from the expenditure which is allowable as mentioned in section 3(4) above.”.
Expenditure related to exempt gas: asset use giving rise to tax-exempt tariffing receipts

4 (1) Section 4 (expenditure related to exempt gas and deballasting) is amended as follows.

(2) After subsection (5) insert—

“(6) But where—

(a) expenditure would (apart from this subsection) fall within paragraph (a) of subsection (5) above, and

(b) the asset has, at any time in the period of 6 years ending with the date on which the expenditure was incurred, been used in a way that gives rise to tax-exempt tariffing receipts,

the expenditure shall not be regarded for the purposes of that subsection as expenditure incurred in enhancing the value of the asset with a view to the subsequent disposal of the asset, or of an interest in it, to the extent that the amount of the expenditure falls to be reduced in accordance with subsection (7) below.

(7) The reduction is to be made by applying section 7A below in relation to the expenditure as it applies in relation to disposal receipts in respect of a disposal, but with the substitution—

(a) for references to the disponor, of references to the person incurring the expenditure (“the relevant participator”),

(b) for references to the amount or value (apart from that section) of any disposal receipts of the disponor in respect of the disposal, of references to the amount which would, apart from subsection (6) above, be the amount of the expenditure incurred by the relevant participator with a view to the subsequent disposal of the asset or of an interest in it,

(c) for references to the interest disposed of, of references to the asset or interest whose subsequent disposal gives or is expected to give rise to disposal receipts,

(d) for references to the date of the disposal, of references to the date on which the expenditure was incurred,

and taking the reference in subsection (6)(b) of that section to a reduction made by virtue of that section as a reference to a reduction made by virtue of that section for the purposes of section 7(9) of this Act.”.

Disposal receipts from assets used in a way that gives rise to tax-exempt tariffing receipts

5 (1) Section 7 (chargeable receipts from disposals) is amended as follows.

(2) In subsection (4) (no account to be taken of disposal more than 2 years after cessation of use in connection with any oil field whatsoever or ceasing to give rise to tariff receipts)—

(a) at the end of paragraph (b) insert “or

(c) ceases to give rise to tax-exempt tariffing receipts of that participator,”; and

(b) in the closing words, for “later” substitute “latest”.

(3) After subsection (8) insert—
“(9) In determining the amount or value of the disposal receipts of the participator in question in a case where the qualifying asset has been used in a way that gives rise to tax-exempt tariffing receipts, the amount or value (apart from this subsection) of any disposal receipts of his in respect of the disposal shall be reduced in accordance with section 7A below.”.

(4) After section 7 insert—

Reduction of disposal receipts: use giving rise to tax-exempt tariffing receipts

“7A Reduction of disposal receipts: use giving rise to tax-exempt tariffing receipts

(1) Where this section applies, the amount or value (apart from this section) of any disposal receipts of the participator (“the disponor”) in respect of the disposal shall be reduced in accordance with the following provisions of this section.

(2) The reduction is to be made by multiplying that amount or value by the fraction that is equal to—

\[
1 - \frac{T}{A}
\]

(3) In that formula—

T is the aggregate of the tax-exempt tariffing use of the asset in the reference period by—

(a) the disponor, so far as referable to the interest disposed of, and
(b) each of the previous owners, so far as referable to that previous owner’s represented interest, and

A is the aggregate of all use of the asset in the reference period by—

(a) the disponor, so far as referable to the interest disposed of, and
(b) each of the previous owners, so far as referable to that previous owner’s represented interest,

but only taking into account for this purpose use of the asset by a person at a time when he is or was a participator in a taxable field.

(4) For the purposes of this section—

“the interest disposed of” means the asset, or the interest in an asset, the disposal of which gives rise to the disposal receipts mentioned in subsection (1) above;

“previous owner” means any person from whom the disponor directly or indirectly derives his title to the whole or any part of the interest disposed of;

“the reference period” means the shorter of the following periods ending with the date of the disposal—

(a) the period of 6 years; or
(b) the period beginning with the bringing into existence of the asset;
“represented interest”, in the case of a previous owner, means so much of the interest which that previous owner had in the asset as is represented in the interest disposed of;

“tax-exempt tariffing use”, in relation to an asset, means use of the asset in a way that gives rise to tax-exempt tariffing receipts.

(5) Any apportionment that falls to be made for the purpose of determining a previous owner’s represented interest shall be made using a method which is just and reasonable, having regard to—

(a) the proportion of any person’s interest that was acquired from any particular person, and

(b) the proportion of any person’s interest that was transferred to any particular person.

(6) Where—

(a) the disposor or any previous owner acquired the asset or an interest in the asset from another person, and

(b) on that other person’s corresponding disposal of the asset or interest a reduction was made by virtue of this section,

use of the asset shall not be brought into account in determining T or A in the formula in subsection (2) above to the extent that it was so brought into account in relation to that corresponding disposal.

(7) Where paragraph 9 of Schedule 2 to this Act (reduction of disposal receipts in respect of brought-in assets) applies in relation to an asset, no account shall be taken for the purposes of this section of any use of the asset during the initial period.

In this subsection “the initial period”, in relation to an asset, has the same meaning as it has in relation to that asset in paragraph 7 of Schedule 1 to this Act (restriction on allowable expenditure on brought-in asset).

(8) For the purposes of this section, the amount of use of an asset—

(a) where the use is in relation to oil, is to be determined by reference to the volume of oil in relation to which the asset is used, and

(b) where the use is otherwise than in relation to oil, is to be determined on a just and reasonable basis.

(9) For the purposes of this section, the extent to which use of an asset is referable to—

(a) the interest disposed of, or

(b) the represented interest of a previous owner,

shall be determined on a just and reasonable basis, having regard to the size of the interest in question and the size from time to time of the whole interest in the asset of the disposor or, as the case may be, that previous owner.”.

Assets no longer in use for the principal field

(1) In Schedule 1 (allowable expenditure) in Part 1 (extensions of allowable expenditure for assets generating receipts) paragraph 3 is amended as follows.

(2) After sub-paragraph (2) insert—
“(2A) But where—

(a) the expenditure would (apart from this sub-paragraph) be regarded as incurred with a view to the subsequent disposal of the asset or of an interest in it, and

(b) the asset has, at any time in the period of 6 years ending with the date on which the expenditure was incurred, been used in a way that gives rise to tax-exempt tariffing receipts,

the expenditure shall not be regarded for the purposes of this paragraph as expenditure incurred with a view to the subsequent disposal of the asset or of an interest in it, to the extent that the amount of the expenditure falls to be reduced in accordance with sub-paragraph (2B) below.

(2B) The reduction is to be made by applying section 7A of this Act in relation to the expenditure as it applies in relation to disposal receipts in respect of a disposal, but with the substitution—

(a) for references to the disponor, of references to the participator incurring the expenditure (“the relevant participator”),

(b) for references to the amount or value (apart from that section) of any disposal receipts of the disponor in respect of the disposal, of references to the amount which would, apart from sub-paragraph (2A) above, be the amount of the expenditure incurred by the relevant participator with a view to the subsequent disposal of the asset or of an interest in it,

(c) for references to the interest disposed of, of references to the asset or interest whose subsequent disposal gives or is expected to give rise to disposal receipts,

(d) for references to the date of the disposal, of references to the date on which the expenditure was incurred,

and taking the reference in subsection (6)(b) of that section as a reference to a reduction made by virtue of that section as a reference to a reduction made by virtue of that section for the purposes of section 7(9) of this Act.”.

Brought-in assets

7 (1) In Part 2 of Schedule 1, paragraph 7 is amended as follows.

(2) In sub-paragraph (1)(c) (use of asset otherwise than in connection with a taxable field between acquisition etc and first use in connection with oil field)—

(a) after “was used” insert “ (i) ”;

(b) after “otherwise than in connection with a taxable field,” insert “ or ”;

(c) after the word “or” so inserted, insert the following sub-paragraph—

“(ii) in connection with a taxable field in a way that gives rise to tax-exempt tariffing receipts.”.

Subsequent use of new asset otherwise than in connection with a taxable field

8 (1) In Part 2 of Schedule 1, paragraph 8 is amended as follows.

(2) In sub-paragraph (3) (asset giving rise to tariff receipts attributable to taxable field treated as used in connection with a taxable field)—

(a) after “gives rise to” insert “ (a) ”;
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Finance Act 2004. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

(b) after “attributable to a taxable field,” insert “or”;

(c) after the word “or” so inserted, insert the following paragraph—

“(b) tax-exempt tariffing receipts which, if they were tariff receipts (and expenditure were or had been allowable accordingly), would be tariff receipts of the purchaser attributable to a taxable field,.”.

(3) In sub-paragraph (5) (chargeable period to be determined in relation to field in respect of which asset last gave rise to tariff receipts of purchaser etc) at the end of paragraph (b) insert “or

(c) if it is later than paragraph (a) and (where otherwise applicable) paragraph (b) above, in respect of which the asset would have last given rise to tariff receipts of the purchaser had tax-exempt tariffing receipts of the purchaser been tariff receipts of his (and if expenditure were or had been allowable accordingly);”.

PART 2

TRANSITIONAL PROVISION

Expenditure incurred in transitional period: restriction of tax-exempt tariffing receipts

9 (1) In this paragraph—

“claim period” has the same meaning as in Part 1 of the Oil Taxation Act 1975 (c. 22);

“relevant receipts” means each of the following—

(a) tax-exempt tariffing receipts;

(b) amounts that would be tax-exempt tariffing receipts apart from sub-paragraph (4);

“the transitional period” means the period—

(a) beginning with 9th April 2003, and

(b) ending with 31st December 2003.

(2) This paragraph applies where—

(a) expenditure was incurred in the transitional period by a participator in an oil field in acquiring, bringing into existence or enhancing the value of an asset,

(b) the asset is one whose useful life continues, or is expected to continue, after the end of the claim period in which the expenditure was incurred,

(c) the expenditure is allowable for a claim period ending after 9th April 2003,

(d) at the time the expenditure was incurred, the asset was being, or was expected to be, used to any extent in relation to—

(i) an oil field or foreign field (a “user field”), or

(ii) oil won from such a field, and

(e) that use (or expected use) is use in such a way as, in a chargeable period ending on or after 30th June 2004, gives rise, or would have given rise, to relevant receipts of the participator or, where sub-paragraph (3) applies, of a successor.

(3) This sub-paragraph applies where—
(a) after the incurring of the expenditure, there is or has been a transfer of an interest of the participator’s in the asset, and

(b) as a result of that transfer (or of any subsequent transfer of the whole or any part of that interest), relevant receipts (“consequential relevant receipts”) arise, or are expected to arise, to a person (a “successor”) who is a participator in an oil field.

(4) In the case of each user field, the initial portion of the aggregate of the relevant receipts of the participator, and the consequential relevant receipts of each successor, that are referable to—

(a) use of the asset in relation to that field or oil won from it, or

(b) the provision of services or other business facilities of whatever kind in connection with any such use of the asset (otherwise than by the participator or the successor himself),

shall not be tax-exempt tariffing receipts (and shall accordingly continue to be tariff receipts).

(5) In this paragraph—

“the initial portion”, in relation to the aggregate of any relevant receipts, means so much of that aggregate as does not exceed the qualifying threshold for the user field in question; and for this purpose amounts received or receivable at an earlier date are to be attributed to the initial portion before amounts received or receivable at a later date;

“the qualifying threshold”, in relation to a user field, means an amount equal to such part of the aggregate of the expenditure—

(a) incurred by the participator in relation to the asset in question, and

(b) falling within sub-paragraph (2),

as it is just and reasonable to apportion to the use (or expected use) of the asset, in relation to that user field or oil won from it, in a way that gives rise to relevant receipts of the participator or consequential relevant receipts of any successor.

(6) Expressions used in this paragraph and in section 6A of the Oil Taxation Act 1983 (c. 56) have the same meaning in this paragraph as they have in that section.

   (b) the claim is for an allowance in respect of qualifying E&A expenditure incurred before that period,

   the company may also claim supplement under this Part of this Schedule ("pre-commencement supplement") in respect of one or more pre-commencement periods.

(2) Any pre-commencement supplement allowed on a claim in respect of a pre-commencement period shall be treated as an allowance under Part 6 of the Capital Allowances Act for the commencement period in respect of qualifying E&A expenditure incurred by the company.

(3) The amount of the supplement for any pre-commencement period in respect of which a claim under this paragraph is made is the relevant percentage for that period of the reference amount for that period.

(4) If the pre-commencement period is a period of less than twelve months, the amount of the supplement for the period (apart from this sub-paragraph) shall be reduced proportionally.

(5) Paragraphs 10 to 13 have effect for the purpose of determining the reference amount for a pre-commencement period.

The mixed pool of qualifying E&A expenditure and supplement previously allowed

10 The mixed pool of qualifying E&A expenditure and supplement previously allowed

(1) For the purpose of determining the amount of any pre-commencement supplement, a qualifying company shall be taken to have had, at all times in the pre-commencement
periods of the company, a continuing mixed pool of qualifying E&A expenditure and pre-commencement supplement.

(2) The pool shall be taken to have consisted of—
   (a) the company’s qualifying E&A expenditure, allocated to the pool for each pre-commencement period in accordance with sub-paragraph (3), and

   (b) Step 2: find the total of all the eligible expenditure for that period (amount E),
   (c) Step 3: if paragraph 11 applies, reduce amount E in accordance with that paragraph,
   (d) Step 4: if paragraph 12 applies, reduce (or, as the case may be, further reduce) amount E in accordance with that paragraph,

and so much of amount E as remains after making those reductions shall be taken to have been added to the pool in that period.

(4) If any pre-commencement supplement is allowed on a claim in respect of a pre-commencement period, the amount of that supplement shall be taken to have been added to the pool in that period.

   (c) section 555 of the Capital Allowances Act (disposal of oil licence with exploitation value) has effect in relation to the disposal.

(2) For the purpose of allocating qualifying E&A expenditure to the pool for each pre-commencement period—
   (a) find the total of the deductible amounts in the case of all such disposals made by the company (amount D), and
   (b) taking later periods before earlier periods, reduce (but not below nil) amount E for any pre-commencement period by setting against it so much of amount D as does not fall to be set against amount E for a later pre-commencement period.

(3) In this paragraph “oil licence” has the same meaning as in section 555 of the Capital Allowances Act (see section 552 (1) of that Act).
Reduction in respect of unrelieved group ring fence profits

12 Reduction in respect of unrelieved group ring fence profits

(1) This paragraph applies if there is an amount of unrelieved group ring fence profits for a pre-commencement period.

Claims for pre-commencement supplement

14 Claims for pre-commencement supplement

(b) some or all of the loss falls to be set off under section 393 against trading income from the trade in succeeding accounting periods,

so much of the loss as falls to be so set off is a "ring fence loss" of the company.

(2) In determining for the purposes of this Part of this Schedule how much of a loss incurred in a ring fence trade falls to be set off as mentioned in sub-paragraph (1)(b), it shall be assumed that every claim is made that could be made by the company under section 393A to set losses incurred in the ring fence trade against ring fence profits of earlier post-commencement periods.

(3) So much of a ring fence loss as is attributable to qualifying E&A allowances for the period of the loss is a "qualifying E&A loss".

(4) A ring fence loss is attributable to qualifying E&A allowances to the extent that the amount of the ring fence loss does not exceed the amount of the qualifying E&A allowances for the period of the loss.

(5) But a claim for post-commencement supplement may include an election for a ring fence loss to be treated—

(a) as attributable to qualifying E&A allowances for the period of the loss to such lesser extent as may be specified in the election, or

(b) as not attributable to such allowances.

(6) "Qualifying E&A allowances", in the case of an accounting period, means allowances for that period under Part 6 of the Capital Allowances Act in respect of qualifying E&A

(3) This paragraph has effect for the purposes of this Part of this Schedule.

The pool of qualifying E&A losses and the pool of non-qualifying losses

19 The pool of qualifying E&A losses and the pool of non-qualifying losses

(3) In the case of a non-qualifying loss incurred in an accounting period ending on or before 31st December 2003, the period of the loss shall be taken for the purposes of sub-paragraph (2) to be the first accounting period of the company that ends on or after 1st January 2004.

(4) The amount in the non-qualifying pool is subject to reductions in accordance with the following provisions of this Part of this Schedule.

(5) Where a reduction in the amount in the non-qualifying pool falls to be made in any accounting period—
(a) the reduction is to be made after the addition to the pool of any non-qualifying loss allocated to the pool in that period in accordance with sub-paragraph (2), and

(b) references to the amount in the non-qualifying pool shall be construed accordingly.

The qualifying pool

21 The qualifying pool

(1) The qualifying pool consists of—
(a) the company’s qualifying E&A losses, allocated to the pool in accordance with sub-paragraph (2)(a), and

(a) the amount of a qualifying E&A loss is added to the pool in the period of the loss, and
(b) if any post-commencement supplement is allowed on a claim in respect of a post-commencement period, the amount of that supplement is added to the pool in that period.

(3) The amount in the qualifying pool is subject to reductions in accordance with the following provisions of this Part of this Schedule.

(4) Where a reduction in the amount in the qualifying pool falls to be made in any accounting period, the reduction is to be made—
(a) after the addition to the pool of the amount of any qualifying E&A losses allocated to the pool in that period in accordance with sub-paragraph (2)(a), but
(b) before determining, and adding to the pool, the amount of any supplement claimed in respect of the period,

and references to the amount in the pool shall be construed accordingly.

Reductions in respect of utilised ring fence losses

22 Reductions in respect of utilised ring fence losses

(1) If one or more ring fence losses are set off under section 393 against any profits of a post-commencement period, reductions shall be made in that period in accordance with this paragraph.

(2) The amount in the non-qualifying pool shall be reduced (but not below nil) by setting against it a sum equal to the total amount so set off.

(3) If any of that sum remains after being so set against the amount in the non-qualifying pool, the amount in the qualifying pool shall be reduced (but not below nil) by setting against it so much of that sum as so remains.
Reductions in respect of unrelieved group ring fence profits

23 Reductions in respect of unrelieved group ring fence profits

(1) If there is an amount of unrelieved group ring fence profits for a post-commencement period, reductions shall be made in that period in accordance with this paragraph.

(2) In the following provisions of this paragraph, references to the remaining amount in a pool are references to so much (if any) of the amount in the pool as remains after making any reductions that fall to be made in accordance with paragraph 22.

(3) The remaining amount in the non-qualifying pool shall be reduced (but not below nil) by setting against it a sum equal to the aggregate of the amounts of unrelieved group ring fence profits for the period.

(4) If any of that sum remains after being so set against the remaining amount in the non-qualifying pool, the remaining amount in the qualifying pool shall be reduced (but not below nil) by setting against it so much of that sum as so remains.

The reference amount for a post-commencement period

24 The reference amount for a post-commencement period

(a) an agreement for a lease is entered into, and
(b) the agreement is substantially performed without having been completed.
(2) The agreement is treated as if it were the grant of a lease in accordance with the agreement (“the notional lease”), beginning with the date of substantial performance.

The effective date of the transaction is that date.

(3) Where a lease is subsequently granted in pursuance of the agreement—

(a) the notional lease is treated as if it were surrendered at that time, and

(3) Where in Scotland—
(a) there are concluded missives of let that do not constitute a lease, and
(b) the agreement represented by the missives of let is substantially performed without a lease having been executed,

the missives of let are treated as if they did constitute a lease (“the notional lease”).

Further provisions relating to leases

“120 Further provisions relating to leases

Schedule 17A contains further provisions relating to leases.”.

(2) After Schedule 17 insert—
Meaning of “lease”

1 Meaning of “lease”

In the application of this Part to England and Wales or Northern Ireland “lease” means—

(a) an interest or right in or over land for a term of years (whether fixed or periodic), or

(b) a tenancy at will or other interest or right in or over land terminable by notice at any time.

Leases for a fixed term

2 Leases for a fixed term

In the application of the provisions of this Part to a lease for a fixed term, no account shall be taken of—

(a) any contingency as a result of which the lease may determine before the end of the fixed term, or

(b) any right of either party to determine the lease or renew it.

Leases that continue after a fixed term

3 Leases that continue after a fixed term

(1) This paragraph applies to—

(a) a lease for a fixed term and thereafter until determined, or

(b) a lease for a fixed term that may continue beyond the fixed term by operation of law.

(2) For the purposes of this Part (except section 77 (notifiable transactions)), a lease to which this paragraph applies is treated—

(a) in the first instance as if it were a lease for the original fixed term and no longer,

(b) if the lease continues after the end of that term, as if it were a lease for a fixed term one year longer than the original fixed term,

(c) if the lease continues after the end of the term resulting from the application of paragraph (b), as if it were a lease for a fixed term two years longer than the original fixed term, and so on.

(3) Where the effect of sub-paragraph (2) in relation to the continuation of the lease after the end of a fixed term is that additional tax is payable in respect of a transaction or that tax is payable in respect of a transaction where none was payable before—
The purchaser must deliver a return or further return in respect of that transaction before the end of the period of 30 days after the end of that term,

(b) the return must include a self-assessment of the amount of tax chargeable in respect of the transaction on the basis of the information contained in the return,

(c) the tax so chargeable is to be calculated by reference to the rates in force at the effective date of the transaction, and

(d) the return must be accompanied by payment of the tax or additional tax payable.

(4) The provisions of Schedule 10 (returns, enquiries, assessments and other matters) apply to a return under this paragraph as they apply to a return under section 76 (general requirement to deliver land transaction return), with the adaptation that references to the effective date of the transaction shall be read as references to the day on which the lease becomes treated as being for a longer fixed term.

(5) For the purposes of section 77 (notifiable transactions) a lease to which this paragraph applies is a lease for whatever is its fixed term.

4 Treatment of leases for indefinite term

(1) For the purposes of this Part (except section 77 (notifiable transactions))—

(a) a lease for an indefinite term is treated in the first instance as if it were a lease for a fixed term of a year,

(b) if the lease continues after the end of the term resulting from the application of paragraph (a), it is treated as if it were a lease for a fixed term of two years,

(c) if the lease continues after the end of the term resulting from the application of paragraph (b), it is treated as if it were a lease for a fixed term of three years,

and so on.

(2) No account shall be taken for the purposes of this Part of any other statutory provision in England and Wales or Northern Ireland deeming a lease for an indefinite period to be a lease for a different term.

(3) Where the effect of sub-paragraph (1) in relation to the continuation of the lease after the end of a deemed fixed term is that additional tax is payable in respect of a transaction or that tax is payable in respect of a transaction where none was payable before—

(a) the purchaser must deliver a return or further return in respect of that transaction before the end of the period of 30 days after the end of that term,

(b) the return must include a self-assessment of the amount of tax chargeable in respect of the transaction on the basis of the information contained in the return,

(c) the tax so chargeable is to be calculated by reference to the rates in force at the effective date of the transaction, and
(d) the return must be accompanied by payment of the tax or additional tax payable.

(4) The provisions of Schedule 10 (returns, enquiries, assessments and other matters) apply to a return under this paragraph as they apply to a return under section 76 (general requirement to deliver land transaction return), with the adaptation that references to the effective date of the transaction shall be read as references to the day on which the lease becomes treated as being for a longer fixed term.

(4A) For the purposes of section 77 (notifiable transactions) a lease for an indefinite term is a lease for a term of less than seven years.

(5) References in this paragraph to a lease for an indefinite period include—
   (a) a periodic tenancy or other interest or right terminable by a period of notice,
   (b) a tenancy at will in England and Wales or Northern Ireland, or
   (c) any other interest or right terminable by notice at any time.

5 Treatment of successive linked leases

(1) This paragraph applies where—
   (a) successive leases are granted or treated as granted (whether at the same time or at different times) of the same or substantially the same premises, and
   (b) those grants are linked transactions.

(2) This Part applies as if the series of leases were a single lease—
   (a) granted at the time of the grant of the first lease in the series,
   (b) for a term equal to the aggregate of the terms of all the leases, and
   (c) in consideration of the rent payable under all of the leases.

(3) The grant of later leases in the series is accordingly disregarded for the purposes of this Part except section 81A (return or further return in consequence of later linked transaction).

6 Rent

(1) For the purposes of this Part a single sum expressed to be payable in respect of rent, or expressed to be payable in respect of rent and other matters but not apportioned, shall be treated as entirely rent.

(2) Sub-paragraph (1) is without prejudice to the application of paragraph 4 of Schedule 4 (chargeable consideration: just and reasonable apportionment) where separate sums are expressed to be payable in respect of rent and other matters.
Variable or uncertain rent

7 Variable or uncertain rent

(1) This paragraph applies to determine the amount of rent payable under a lease where that amount—
   (a) varies in accordance with provision in the lease, or
   (b) is contingent, uncertain or unascertained.

(2) As regards rent payable in respect of any period before the end of the fifth year of the term of the lease—
   (a) the provisions of this Part apply as in relation to other chargeable consideration, and
   (b) the provisions of section 51 (1) and (2) accordingly apply if the amount is contingent, uncertain or unascertained.

(3) As regards rent payable in respect of any period after the end of the fifth year of the term of the lease, the annual amount is assumed for the purposes of this Part to be, in every case, equal to the highest amount of rent payable in respect of any consecutive twelve month period in the first five years of the term.

   In determining that amount take into account (if necessary) any amounts determined as mentioned in sub-paragraph (2)(b), but disregard paragraph 9(2) (deemed reduction of rent for overlap period in case of grant of further lease).

(4) This paragraph has effect subject to paragraph 8 (adjustment where rent payable ceases to be uncertain).

(5) No account shall be taken for the purposes of this Part of any provision for rent to be adjusted in line with the retail prices index.

First rent review in final quarter of fifth year

7A Where—
   (a) a lease contains provision under which the rent may be adjusted,
   (b) under that provision the first (or only) such adjustment—
       (i) is to an amount that (before the adjustment) is uncertain, and
       (ii) has effect from a date (the “review date”) that is expressed as falling five years after a specified date,
   and
   (c) the specified date falls within the three months before the beginning of the term of the lease,

this Schedule has effect as if references to the first five years of the term of the lease were to the period beginning with the start of the term of the lease and ending with the review date. References to the fifth year of the term of the lease shall be read accordingly.
Adjustment where rent ceases to be uncertain

8 (1) Where the provisions of section 51 (1) and (2) (contingent, uncertain or unascertained consideration) apply in relation to a transaction by virtue of paragraph 7 (uncertain rent) and—
   (a) the end of the fifth year of the term of the lease is reached, or
   (b) the amount of rent payable in respect of the first five years of the term of the lease ceases to be uncertain at an earlier date,

   the following provisions have effect to require or permit reconsideration of how this Part applies to the transaction (and to any transaction in relation to which it is a linked transaction).

(2) For the purposes of this paragraph the amount of rent payable ceases to be uncertain when—
   (a) in the case of contingent rent, the contingency occurs or it becomes clear that it will not occur, and
   (b) in the case of uncertain or unascertained rent, the amount becomes ascertained.

(3) If the result as regards the rent paid or payable in respect of the first five years of the term of the lease is that a transaction becomes notifiable, or that additional tax is payable in respect of a transaction or that tax is payable where none was payable before—
   (a) the purchaser must make a return to the Inland Revenue within 30 days of the date referred to in sub-paragraph (1)(a) or (b),
   (b) the return must contain a self-assessment of the tax chargeable in respect of the transaction on the basis of the information contained in the return,
   (c) the tax so chargeable is to be calculated by reference to the rates in force at the effective date of the transaction, and
   (d) the return must be accompanied by payment of any tax or additional tax payable.

(4) The provisions of Schedule 10 (returns, enquiries, assessment and other matters) apply to a return under this paragraph as they apply to a return under section 76 (general requirement to make land transaction return), subject to the adaptation that references to the effective date of the transaction shall be read as references to the date referred to in sub-paragraph (1)(a) or (b).

(5) If the result as regards the rent paid or payable in respect of the first five years of the term of the lease is that less tax is payable in respect of the transaction than has already been paid—
   (a) the purchaser may, within the period allowed for amendment of the land transaction return, amend the return accordingly;
   (b) after the end of that period he may (if the land transaction return is not so amended) make a claim to the Inland Revenue for repayment of the amount overpaid.

Rent for overlap period in case of grant of further lease

9 (1) This paragraph applies where—
(a) A surrenders an existing lease to B (“the old lease”) and in consideration of that surrender B grants a lease to A of the same or substantially the same premises (“the new lease”),

(b) the tenant under a lease (“the old lease”) of premises to which Part 2 of the Landlord and Tenant Act 1954 or the Business Tenancies (Northern Ireland) Order 1996 applies makes a request for a new tenancy (“the new lease”) which is duly executed,

(c) on termination of a lease (“the head lease”) a sub-tenant is granted a lease (“the new lease”) of the same or substantially the same premises as those comprised in his original lease (“the old lease”)—

(i) in pursuance of an order of a court on a claim for relief against re-entry or forfeiture, or

(ii) in pursuance of a contractual entitlement arising in the event of the head lease being terminated,

or

(d) a person who has guaranteed the obligations of a lessee under a lease that has been terminated (“the old lease”) is granted a lease of the same or substantially the same premises (“the new lease”) in pursuance of the guarantee.

(2) For the purposes of this Part the rent payable under the new lease in respect of any period falling within the overlap period is treated as reduced by the amount of the rent that would have been payable in respect of that period under the old lease.

(3) The overlap period is the period between the date of grant of the new lease and what would have been the end of the term of the old lease had it not been terminated.

(4) The rent that would have been payable under the old lease shall be taken to be the amount taken into account in determining the stamp duty land tax chargeable in respect of the acquisition of the old lease.

(5) This paragraph does not have effect so as to require the rent payable under the new lease to be treated as a negative amount.

Tenants' obligations etc that do not count as chargeable consideration

(1) In the case of the grant of a lease none of the following counts as chargeable consideration—

(a) any undertaking by the tenant to repair, maintain or insure the demised premises (in Scotland, the leased premises);

(b) any undertaking by the tenant to pay any amount in respect of services, repairs, maintenance or insurance or the landlord’s costs of management;

(c) any other obligation undertaken by the tenant that is not such as to affect the rent that a tenant would be prepared to pay in the open market;

(d) any guarantee of the payment of rent or the performance of any other obligation of the tenant under the lease;
(e) any penal rent, or increased rent in the nature of a penal rent, payable in respect of the breach of any obligation of the tenant under the lease.

(2) Where sub-paragraph (1) applies in relation to an obligation, a payment made in discharge of the obligation does not count as chargeable consideration.

(3) The release of any such obligation as is mentioned in sub-paragraph (1) does not count as chargeable consideration in relation to the surrender of the lease.

Cases where assignment of lease treated as grant of lease

11 (1) This paragraph applies where—

(a) the grant of a lease is exempt from charge by virtue of any of the provisions specified in sub-paragraph (3), or

(b) a lease is granted to a person as bare trustee of the grantor, with the result that the lease is treated as vested in the grantor by virtue of paragraph 3 of Schedule 16.

(2) The first assignment of the lease that is not exempt from charge by virtue of any of the provisions specified in sub-paragraph (3), and in relation to which the assignee does not acquire the lease as a bare trustee of the assignor, is treated for the purposes of this Part as if it were the grant of a lease by the assignor—

(a) for a term equal to the unexpired term of the lease referred to in sub-paragraph (1), and

(b) on the same terms as those on which the assignee holds that lease after the assignment.

(3) The provisions are—

(a) section 57A (sale and leaseback arrangements);

(b) Part 1 or 2 of Schedule 7 (group relief or reconstruction or acquisition relief);

(c) section 66 (transfers involving public bodies);

(d) Schedule 8 (charities relief);

(e) any such regulations as are mentioned in section 123(3) (regulations reproducing in relation to stamp duty land tax the effect of enactments providing for exemption from stamp duty).

(4) This paragraph does not apply where the relief in question is group relief, reconstruction or acquisition relief or charities relief and is withdrawn as a result of a disqualifying event occurring before the effective date of the assignment.

(5) For the purposes of sub-paragraph (4) “disqualifying event” means—

(a) in relation to the withdrawal of group relief, the purchaser ceasing to be a member of the same group as the vendor (within the meaning of Part 1 of Schedule 7);

(b) in relation to the withdrawal of reconstruction or acquisition relief, the change of control of the acquiring company mentioned in paragraph 9(1)(a) of that Schedule or, as the case may be, the event mentioned in paragraph 11(1)(a) or (2)(a) of that Schedule;
(c) in relation to the withdrawal of charities relief, a disqualifying event as defined in paragraphs 2(3) or 3(2) of Schedule 8.

Assignment of lease: responsibility of assignee for returns etc

12 (1) Where a lease is assigned, anything that but for the assignment would be required or authorised to be done by or in relation to the assignor under or by virtue of—
   (a) section 80 (adjustment where contingency ceases or consideration is ascertained),
   (b) section 81A (return or further return in consequence of later linked transaction),
   (c) paragraph 3 or 4 of this Schedule (return or further return required where lease for indefinite period continues), or
   (d) paragraph 8 of this Schedule (adjustment where rent ceases to be uncertain),

   shall, if the event giving rise to the adjustment or return occurs after the effective date of the assignment, be done instead by or in relation to the assignee.

   (2) So far as necessary for giving effect to sub-paragraph (1) anything previously done by or in relation to the assignor shall be treated as if it had been done by or in relation to the assignee.

   (3) This paragraph does not apply if the assignment falls to be treated as the grant of a lease by the assignor (see paragraph 11).

Agreement for lease

12A (1) This paragraph applies where in England and Wales or Northern Ireland—
   (a) an agreement for a lease is entered into, and
   (b) the agreement is substantially performed without having been completed.

   (2) The agreement is treated as if it were the grant of a lease in accordance with the agreement (“the notional lease”), beginning with the date of substantial performance.

   The effective date of the transaction is that date.

   (3) Where a lease is subsequently granted in pursuance of the agreement—
      (a) the notional lease is treated as if it were surrendered at that time, and
      (b) the lease itself is treated for the purposes of paragraph 9 (rent for overlap period in case of grant of further lease) as if it were granted in consideration of that surrender.

   (4) Where sub-paragraph (1) applies and the agreement is (to any extent) afterwards rescinded or annulled, or is for any other reason not carried into effect, the tax paid by virtue of that sub-paragraph shall (to that extent) be repaid by the Inland Revenue.

   Repayment must be claimed by amendment of the land transaction return made in respect of the agreement.
(5) In this paragraph “substantially performed” and “completed” have the same meanings as in section 44 (contract and conveyance).

Assignment of agreement for lease

12B (1) This paragraph applies, in place of section 45 (contract and conveyance: effect of transfer of rights), where in England and Wales or Northern Ireland a person assigns his interest as lessee under an agreement for a lease.

(2) If the assignment occurs without the agreement having been substantially performed, section 44 (contract and conveyance) has effect as if—

(a) the contract were with the assignee and not the assignor, and
(b) the consideration given by the assignee for entering into the contract included any consideration given by him for the assignment.

(3) If the assignment occurs after the agreement has been substantially performed—

(a) the assignment is a separate land transaction, and
(b) the effective date of that transaction is the date of the assignment.

(4) Where there are successive assignments, this paragraph has effect in relation to each of them.

Increase of rent treated as grant of new lease: variation of lease

13 (1) Where a lease is varied so as to increase the amount of the rent, the variation is treated for the purposes of this Part as if it were the grant of a lease in consideration of the additional rent made payable by it.

(2) Sub-paragraph (1) does not apply to an increase of rent in pursuance of a provision contained in the lease (but see paragraph 14).

Increase of rent treated as grant of new lease: abnormal increase after fifth year

14 (1) This paragraph applies if, after the end of the fifth year of the term of a lease—

(a) the amount of rent payable increases (or is increased) in accordance with the provisions of the lease, and
(b) the rent payable as a result (“the new rent”) is such that the increase falls to be regarded as abnormal (see paragraph 15).

(2) The increase in rent is treated as if it were the grant of a lease in consideration of the excess rent.

(3) The excess rent is the difference between the new rent and the rent previously taxed.

(4) The rent previously taxed is—

(a) where the provisions of this paragraph have not previously applied to a rent increase under the lease, the rent that is assumed to be payable after the fifth year of the term of the lease (in accordance with paragraph 7(3));
(b) where the provisions of this paragraph have previously so applied, the rent payable as a result of the last increase in relation to which the provisions of this paragraph applied.

(5) The deemed grant is treated as—
(a) made on the date on which the increased rent first became payable, and
(b) for a term equal to the unexpired part of the original lease, and as linked with the grant of the original lease (and with any other transaction with which that transaction is linked).

(6) The assumption in paragraph 7(3) (that the rent does not change after the end of the fifth year of the term of a lease) does not apply for the purposes of this paragraph or paragraph 15 except for the purpose of determining the rent previously taxed.

Increase of rent after fifth year: whether regarded as abnormal
15 Whether an increase in rent is to be regarded for the purposes of paragraph 14 as abnormal is determined as follows:— Step One

Find the start date, which is—
(a) where the provisions of that paragraph have not previously applied to a rent increase under the lease, the beginning of the period by reference to which the rent assumed to be payable after the fifth year of the term of the lease is determined in accordance with paragraph 7(3);
(b) where the provisions of that paragraph have previously so applied, the date of the last increase in relation to which the provisions of that paragraph applied.

Step Two

Divide the period between the start date and the date on which the new rent first becomes payable (“the reference period”) into—
(a) successive periods of twelve months running from the start date (if any), and
(b) any remaining period which does not fall within paragraph (a).

Step Three

Find the factor by which the retail prices index has increased over each period identified in step two.

This is a figure expressed as a decimal and determined by the formula—
If, in relation to any period, RD is equal to or less than RI, the factor by which the retail prices index has increased over the period in question shall be treated as nil.

If, in relation to any period, the figure determined in accordance with the formula would be a figure having more than 3 decimal places, round it to the nearest third decimal place.

Step Four
Find the relevant factor for each period identified in step two.

This is a figure expressed as a decimal and determined by the formula—

where—

- \( m \) is the number of months in the period in question (treating part of a month as a whole month), and
- \( r \) is the factor by which the retail prices index has increased over the period in question, determined under step three.

If, in relation to any period, the figure determined in accordance with the formula would have more than 3 decimal places, round it to the nearest third decimal place.

**Step Five**

Find the uplift factor for the reference period as follows.

If there is only one period identified in step two, the uplift factor for the reference period is the relevant factor for that period.

If there are only two periods identified in step two, the uplift factor for the reference period is calculated by multiplying the relevant factors for those periods.

If there are more than two periods identified in step two, the uplift factor for the reference period is calculated by—

(a) multiplying the relevant factors for the first two periods,
(b) multiplying the result by the relevant factor for the next period,
(c) if there are further periods, multiplying the result by the relevant factor for the next period,

until all periods have been taken into account.

If the uplift factor for the reference period would be a figure having more than 3 decimal places, round it to the nearest third decimal place.

**Step Six**

The rent increase is regarded as abnormal if the new rent is greater than:

**Reduction of rent or term**

15A(1) Where a lease is varied so as to reduce the amount of the rent, the variation is treated for the purposes of this Part as an acquisition of a chargeable interest by the lessee.

(2) Where a lease is varied so as to reduce the term, the variation is treated for the purposes of this Part as an acquisition of a chargeable interest by the lessor.

**Surrender of existing lease in return for new lease**

16 Where a lease is granted in consideration of the surrender of an existing lease between the same parties—
(a) the grant of the new lease does not count as chargeable consideration for the surrender, and
(b) the surrender does not count as chargeable consideration for the grant of the new lease.

Paragraph 5 (exchanges) of Schedule 4 (chargeable consideration) does not apply in such a case.

**Assignment of lease: assumption of obligations by assignee**

17 In the case of an assignment of a lease the assumption by the assignee of the obligation—
(a) to pay rent, or
(b) to perform or observe any other undertaking of the tenant under the lease,
does not count as chargeable consideration for the assignment.

**Reverse premium**

18 (1) In the case of the grant, assignment or surrender of a lease a reverse premium does not count as chargeable consideration.

(2) A “reverse premium” means—
(a) in relation to the grant of a lease, a premium moving from the landlord to the tenant;
(b) in relation to the assignment of a lease, a premium moving from the assignor to the assignee;
(c) in relation to the surrender of a lease, a premium moving from the tenant to the landlord.

**Provisions relating to leases in Scotland**

19 (1) In the application of this Part to Scotland—
(a) any reference to the term of a lease is to the period of the lease, and
(b) any reference to the reversion on a lease is to the interest of the landlord in the property subject to the lease.

(2) Where in Scotland there is a lease constituted by concluded missives of let (“the first lease”) and at some later time a lease is executed (“the second lease”—
(a) the first lease is treated as if it were surrendered at that time, and
(b) the second lease is treated for the purposes of paragraph 9 (rent for overlap period in case of grant of further lease) as if it were granted in consideration of that surrender.

(3) Where in Scotland—
(a) there is an agreement (including missives of let not constituting a lease) under which a lease is to be executed, and
(b) the agreement is substantially performed without a lease having been executed,
the agreement is treated as if it were the grant of a lease in accordance with
the agreement (“the notional lease”), beginning with the date of substantial
performance.

The effective date of the transaction is when the agreement is substantially
performed.

(4) Where sub-paragraph (3) applies and at some later time a lease is executed—
(a) the notional lease is treated as if it were surrendered at that time, and
(b) the lease itself is treated for the purposes of paragraph 9 as if it were
granted in consideration of that surrender.

(5) References in sub-paragraphs (2) to (4) to the execution of a lease are
to the execution of a lease that either is in conformity with, or relates to
substantially the same property and period as, the missives of let or other
agreement.

(6) Where sub-paragraph (3) applies and the agreement is (to any extent)
afterwards rescinded or annulled, or is for any other reason not carried into
effect, the tax paid by virtue of that sub-paragraph shall (to that extent) be
repaid by the Inland Revenue.

Repayment must be claimed by amendment of the land transaction return
made in respect of the agreement.”.

(3) In section 51 (contingent, uncertain or unascertained consideration), after
subsection (4) add—

“(5) This section applies in relation to chargeable consideration consisting of rent
only to the extent that it is applied by paragraph 7 of Schedule 17A.”.

(4) In section 80 (adjustment where contingency ceases or consideration becomes
certain)—

(a) in subsection (3) for “land transaction return” substitute “ return under
section 76 (general requirement to make land transaction return), subject to
the adaptation that references to the effective date of the transaction shall be
read as references to the date of the event as a result of which the return is
required ”; and

(b) after subsection (4) add—

“(5) This section does not apply so far as the consideration consists of
rent (see paragraph 8 of Schedule 17A).”.

(5) In section 87 (interest on unpaid tax), in subsection (3) (meaning of “the relevant
date”), after paragraph (aa) (inserted by paragraph 19(3) above) insert—

“(ab) in the case of an amount payable under paragraph 3(3) or 4(3) of
Schedule 17A (leases that continue after a fixed term and treatment
of leases for an indefinite term), the day on which the lease becomes
treated as being for a longer fixed term;”.

(6) In section 90 (application to defer payment in case of contingent or uncertain
consideration), after subsection (6) add—

“(7) This section does not apply so far as the consideration consists of rent.”.
(7) In the table in section 122 (index of defined expressions), in the second column of the entry for “lease and related expressions” for “section 120” substitute “Schedule 17A”.

(8) In paragraph 7 of Schedule 19 (commencement and transitional provisions: earlier related transactions under stamp duty), after sub-paragraph (3) add—

“(4) For the purposes of paragraph 5 of Schedule 17A (treatment of successive linked leases) no account shall be taken of any transaction that is not an SDLT transaction.”.

**Abolition of stamp duty: application to duplicates and counterparts**

In section 125(5) (abolition of stamp duty except on instruments relating to stock or marketable securities: instruments to which the section applies)—

(a) in paragraph (a), after “instrument effecting a land transaction”,
(b) in paragraph (b), after “instrument effecting a transaction other than a land transaction”, and
(c) in the second sentence, after “instrument effecting both a land transaction and a transaction other than a land transaction”, insert “(or any duplicate or counterpart of such an instrument)”. 

**Application of transitional provisions to certain contracts**

In Schedule 19 (commencement and transitional provisions), after paragraph 4 (contracts entered into before the implementation date) insert—

“Contracts substantially performed after implementation date

(a) a transaction is effected in pursuance of a contract entered into before the first relevant date,
(b) the contract is substantially performed, without having been completed, after the implementation date, and
(c) there is subsequently an event within paragraph 3(3) by virtue of which the transaction is an SDLT transaction, the effective date of the transaction shall be taken to be the date of the event referred to in paragraph (c) (and not the date of substantial performance).

**Application of provisions in case of transfer of rights**

(1) This paragraph applies where section 44 (contract and conveyance) has effect in accordance with section 45 (effect of transfer of rights).

(2) Any reference in paragraph 3, 4 or 4A to the date when a contract was entered into (or made) shall be read, in relation to a contract deemed to exist by virtue of section 45(3) (deemed secondary contract with transferee), as a reference to the date of the assignment, subsale or other transaction in question.”.
Stamping of contract or agreement where transaction on completion or grant of lease subject to stamp duty land tax

25 (1) In Schedule 19 (commencement and transitional provisions), after paragraph 7 (earlier related transactions under stamp duty) insert—

“Stamping of contract where transaction on completion subject to stamp duty land tax

7A (1) This paragraph applies where—

(a) a contract that apart from paragraph 7 of Schedule 13 to the Finance Act 1999 (contracts chargeable as conveyances on sale) would not be chargeable with stamp duty is entered into before the implementation date,

(b) a conveyance made in conformity with the contract is effected on or after the implementation date, and

(c) the transaction effected on completion is an SDLT transaction or would be but for an exemption or relief from stamp duty land tax.

(2) If in those circumstances the contract is presented for stamping together with a Revenue certificate as to compliance with the provisions of this Part of this Act in relation to the transaction effected on completion—

(a) the payment of stamp duty land tax on that transaction or, as the case may be, the fact that no such tax was payable shall be denoted on the contract by a particular stamp, and

(b) the contract shall be deemed thereupon to be duly stamped.

(3) In this paragraph “conveyance” includes any instrument.”.

(2) In paragraph 8 of Schedule 19 (time for stamping agreement for lease: lease subject to stamp duty land tax)—

Transfer of chargeable interest to a partnership: sum of the lower proportions

12 (1) The sum of the lower proportions in relation to a transaction to which paragraph 10 applies is determined as follows:—

Step One
Identify the relevant owner or owners.

A person is a relevant owner if—
(a) immediately before the transaction, he was entitled to a proportion of the chargeable interest, and
(b) immediately after the transaction, he is a partner or connected with a partner.

Step Two
For each relevant owner, identify the corresponding partner or partners.

A person is a corresponding partner in relation to a relevant owner if, immediately after the transaction—
(a) he is a partner, and
(b) he is the relevant owner or is connected with the relevant owner.

Step Three
For each relevant owner, find the proportion of the chargeable interest to which he was entitled immediately before the transaction.

Apportion that proportion between any one or more of the relevant owner’s corresponding partners.

Step Four
Find the lower proportion for each person who is a corresponding partner in relation to one or more relevant owners.

The lower proportion is—
(a) the proportion of the chargeable interest attributable to the partner, or
(b) if lower, the partner’s partnership share immediately after the transaction.

The proportion of the chargeable interest attributable to the partner is—
(i) if he is a corresponding partner in relation to only one relevant owner, the proportion (if any) of the chargeable interest apportioned to him (at Step Three) in respect of that owner;
(ii) if he is a corresponding partner in relation to more than one relevant owner, the sum of the proportions (if any) of the chargeable interest apportioned to him (at Step Three) in respect of each of those owners.

**Step Five**

Add together the lower proportions of each person who is a corresponding partner in relation to one or more relevant owners.

The result is the sum of the lower proportions.

(2) For the purposes of this paragraph persons who are entitled to a chargeable interest as beneficial joint tenants (or, in Scotland, as joint owners) shall be taken to be entitled to the chargeable interest as beneficial tenants in common (or, in Scotland, as owners in common) in equal shares.

**Transfer of chargeable interest to a partnership consisting wholly of bodies corporate**

13  (1) This paragraph applies where—

    (a) there is a transaction to which paragraph 10 applies;
    (b) immediately after the transaction all the partners are bodies corporate;
    (c) the sum of the lower proportions is 75 or more.

(2) Paragraphs 10 and 11 have effect with these modifications.

(3) In paragraph 10, for sub-paragraphs (2) to (5) substitute—

“(2) The chargeable consideration for the transaction shall be taken to be equal to the market value of the interest transferred.”.

(4) In paragraph 10(6), for “sub-paragraphs (2) to (5)” substitute “ sub-paragraph (2) ”.

(5) In paragraph 11, omit sub-paragraphs (3) and (6) to (8).

(6) In paragraph 11, for sub-paragraph (4) substitute—

“(4) If there is chargeable consideration other than rent, that chargeable consideration shall be taken to be equal to the market value of the interest transferred.”.

(7) In paragraph 11, for sub-paragraph (5)(b) substitute—

“(b) that chargeable consideration shall be taken to be equal to the market value of the interest transferred.”.

(b) is a chargeable transaction.

(3) The purchaser under the transaction is the person who acquires an increased partnership share or, as the case may be, becomes a partner in consequence of the transfer.

(4) Consideration is regarded as given for the transfer—

(a) in a case within paragraph 36(a), if consideration in money or money’s worth is given by or on behalf of the person acquiring the interest;

(b) in a case within paragraph 36(b), if there is a withdrawal of money or money’s worth from the partnership by the person reducing his interest or ceasing to be a partner.

(5) The “relevant partnership property”, in relation to a transfer of an interest in a partnership, is every chargeable interest held as partnership property immediately after the transfer, other than—

(a) any interest that was transferred to the partnership in connection with the transfer;

(b) a lease to which paragraph 15 (exclusion of market rent leases) applies.

(6) The chargeable consideration for the transaction shall be taken to be equal to a proportion of the market value of the relevant partnership property.

(7) That proportion is—

(a) if the person acquiring the interest in the partnership was not a partner before the transfer, his partnership share immediately after the transfer;

(b) if he was a partner before the transfer, the difference between his partnership share before and after the transfer.

Exclusion of market rent leases

15 (1) A lease held as partnership property immediately after a transfer of an interest in the partnership is not relevant partnership property for the purposes of paragraph 14(5) if the following four conditions are met.

(2) The first condition is that—

(a) no chargeable consideration other than rent has been given in respect of the grant of the lease, and

(b) no arrangements are in place at the time of the transfer for any chargeable consideration other than rent to be given in respect of the grant of the lease.

(4) The third condition is that—
   (a) the term of the lease is 5 years or less, or
   (b) if the term of the lease is more than 5 years—
      (i) the lease provides for the rent payable under it to be reviewed at least once in every 5 years of the term, and
      (ii) the rent payable under the lease as a result of a review is required to be a market rent at the review date.

(5) The fourth condition is that there has been no change to the lease since it was granted which is such that, immediately after the change has effect, the rent payable under the lease is less than a market rent.

(6) The market rent of a lease at any time is the rent which the lease might reasonably be expected to fetch at that time in the open market.

(7) A review date is a date from which the rent determined as a result of a rent review is payable.

**Partnership interests: application of provisions about exchanges etc.**

16 (1) Where paragraph 5 of Schedule 4 (exchanges) applies to the acquisition of an interest in a partnership in consideration of entering into a land transaction with an existing partner, the interest in the partnership shall be treated as a major interest in land for the purposes of that paragraph if the relevant partnership property includes a major interest in land.

(2) In sub-paragraph (1) “relevant partnership property” has the meaning given by paragraph 14(5).

(3) The provisions of paragraph 6 of Schedule 4 (partition etc: disregard of existing interest) do not apply where this paragraph applies.

   (e) the partnership transfer is made pursuant to arrangements that were in place at the time of the land transfer;
(f) the partnership transfer is not (apart from this paragraph) a chargeable transaction.

(2) The partnership transfer—
   (a) shall be taken for the purposes of this Part to be a land transaction;
   (b) is a chargeable transaction.

(3) The partners shall be taken to be the purchasers under the transaction.

(4) The chargeable consideration for the transaction shall be taken to be equal to a proportion of the market value, as at the date of the transaction, of the interest transferred by the land transfer.

(5) That proportion is—
   (a) if the person making the partnership transfer is not a partner immediately after the transfer, his partnership share immediately before the transfer;
   (b) if he is a partner immediately after the transfer, the difference between his partnership share before and after the transfer.

(6) The partnership transfer and the land transfer shall be taken to be linked transactions.

(7) Paragraphs 6 to 8 (responsibility of partners) have effect in relation to the partnership transfer, but the responsible partners are—
   (a) those who were partners immediately before the transfer and who remain partners after the transfer, and
   (b) any person becoming a partner as a result of, or in connection with, the transfer.

where SLP is the sum of the lower proportions.

(4) The relevant chargeable proportion in relation to the actual consideration for the transaction is—

\[ SLP \% \]

where SLP is the sum of the lower proportions.

(5) Paragraph 20 provides for determining the sum of the lower proportions.

(6) Paragraph 19 applies (instead of sub-paragraphs (2) to (5)) if the whole or part of the chargeable consideration for the transaction is rent.

(7) For the purposes of this paragraph property that was partnership property before the partnership was dissolved or otherwise ceased to exist shall be treated as remaining partnership property until it is distributed.

\[
SLP\%
\]

where SLP is the sum of the lower proportions.

(8) Paragraph 20 provides for determining the sum of the lower proportions.

(9) This paragraph is subject to paragraph 24.

Transfer of chargeable interest from a partnership: sum of the lower proportions

20 (1) The sum of the lower proportions in relation to a transaction to which paragraph 18 applies is determined as follows:—

Step One

Identify the relevant owner or owners.

A person is a relevant owner if—
   (a) immediately after the transaction, he is entitled to a proportion of the chargeable interest, and
   (b) immediately before the transaction, he was a partner or connected with a partner.
**Step Two**

For each relevant owner, identify the corresponding partner or partners.

A person is a corresponding partner in relation to a relevant owner if, immediately before the transaction—

(a) he was a partner, and

(b) he was the relevant owner or was connected with the relevant owner.

**Step Three**

For each relevant owner, find the proportion of the chargeable interest to which he is entitled immediately after the transaction.

Apportion that proportion between any one or more of the relevant owner’s corresponding partners.

**Step Four**

Find the lower proportion for each person who is a corresponding partner in relation to one or more relevant owners.

The lower proportion is—

(a) the proportion of the chargeable interest attributable to the partner, or

(b) if lower, the partnership share attributable to the partner.

The proportion of the chargeable interest attributable to the partner is—

(i) if he is a corresponding partner in relation to only one relevant owner, the proportion (if any) of the chargeable interest apportioned to him (at Step Three) in respect of that owner;

(ii) if he is a corresponding partner in relation to more than one relevant owner, the sum of the proportions (if any) of the chargeable interest apportioned to him (at Step Three) in respect of each of those owners.

Paragraph 21 provides for determining the partnership share attributable to the partner.

**Step Five**

Add together the lower proportions of each person who is a corresponding partner in relation to one or more relevant owners.

The result is the sum of the lower proportions.

(2) For the purposes of this paragraph persons who are entitled to a chargeable interest as beneficial joint tenants (or, in Scotland, as joint owners) shall be taken to be entitled to the chargeable interest as beneficial tenants in common (or, in Scotland, as owners in common) in equal shares.
Transfer of chargeable interest from a partnership: partnership share attributable to partner

21 (1) This paragraph provides for determining the partnership share attributable to a partner for the purposes of paragraph 20 (1) (see Step Four).

(2) Paragraph 22 applies for determining the partnership share attributable to a partner where—
   (a) the effective date of the transfer of the relevant chargeable interest to the partnership was before 20th October 2003, or
   (b) the effective date of the transfer of the relevant chargeable interest to the partnership was on or after that date and—
      (i) the instrument by which the transfer was effected has been duly stamped with ad valorem stamp duty, or
      (ii) any tax payable in respect of the transfer has been duly paid under this Part.

(3) Where the effective date of the transfer of the relevant chargeable interest to the partnership was on or after 20th October 2003 but neither of the conditions in sub-paragraphs (i) and (ii) of sub-paragraph (2)(b) is met, the partnership share attributable to the partner is zero.

(4) The relevant chargeable interest is—
   (a) the chargeable interest which ceases to be partnership property as a result of the transaction to which paragraph 18 applies, or
   (b) where the transaction to which paragraph 18 applies is the grant or creation of a chargeable interest, the chargeable interest out of which that interest is granted or created.

22 (1) Where this paragraph applies, the partnership share attributable to the partner is determined as follows:—

Step One

Find the partner’s actual partnership share on the relevant date.

In a case falling within paragraph 21(2)(a), the relevant date—
   (a) if the partner was a partner on 19th October 2003, is that date;
   (b) if the partner became a partner after that date, is the date on which he became a partner.

In a case falling within paragraph 21(2)(b), the relevant date—
   (a) if the partner was a partner on the effective date of the transfer of the relevant chargeable interest to the partnership, is that date;
   (b) if the partner became a partner after that date, is the date on which he became a partner.

Step Two

Add to that partnership share any increases in the partner’s partnership share which—
(a) occur in the period starting on the day after the relevant date and ending immediately before the transaction to which paragraph 18 applies, and

(b) count for this purpose.

The result is the increased partnership share.

An increase counts for the purpose of paragraph (b) only if—

(i) where the transfer which resulted in the increase took place on or before the date on which the Finance Act 2004 was passed, the instrument by which the transfer was effected has been duly stamped with ad valorem stamp duty under the enactments relating to stamp duty;

(ii) where the transfer which resulted in the increase took place after that date, any tax payable in respect of the transfer has been duly paid under this Part.

Step Three

Deduct from the increased partnership share any decreases in the partner’s partnership share which occur in the period starting on the day after the relevant date and ending immediately before the transaction to which paragraph 18 applies.

The result is the partnership share attributable to the partner.

(2) If the effect of applying Step Three would be to reduce the partnership share attributable to the partner below zero, the partnership share attributable to the partner is zero.

(3) In a case falling within paragraph 21(2)(a), if the partner ceased to be a partner before 19th October 2003, the partnership share attributable to the partner is zero.

(4) In a case falling within paragraph 21(2)(b), if the partner ceased to be a partner before the effective date of the transfer of the relevant chargeable interest to the partnership, the partnership share attributable to the partner is zero.

(5) Paragraph 21(4) (relevant chargeable interest) applies for the purposes of this paragraph.

Transfer of chargeable interest from a partnership to a partnership

23 (1) This paragraph applies where—

(a) there is a transfer of a chargeable interest from a partnership to a partnership, and

(b) the transfer is both—

(i) a transaction to which paragraph 10 applies, and

(ii) a transaction to which paragraph 18 applies.

(2) Where none of the chargeable consideration for the transaction is rent—

(a) paragraphs 10(2) to (5) and 18(2) to (5) do not apply;
(b) the chargeable consideration for the transaction shall be taken to be what it would have been if paragraph 10(2) to (5) had applied or, if greater, what it would have been if paragraph 18(2) to (5) had applied.

(3) Where the whole or part of the chargeable consideration for the transaction is rent—
   (a) paragraphs 11 and 19 do not apply;
   (b) the chargeable consideration for the transaction shall be taken to be what it would have been if paragraph 11 had applied or, if greater, what it would have been if paragraph 19 had applied.

Transfer of chargeable interest from a partnership consisting wholly of bodies corporate

24 (1) This paragraph applies where—
   (a) there is a transaction to which paragraph 18 applies;
   (b) immediately before the transaction all the partners are bodies corporate;
   (c) the sum of the lower proportions is 75 or more.

(2) Paragraphs 18, 19 and 23 have effect with these modifications.

(3) In paragraph 18, for sub-paragraphs (2) to (5) substitute—
   “(2) The chargeable consideration for the transaction shall be taken to be equal to the market value of the interest transferred.”.

(4) In paragraph 18(6), for “sub-paragraphs (2) to (5)” substitute “ sub-paragraph (2) ”.

(5) In paragraph 19, omit sub-paragraphs (3) and (6) to (8).

(7) In paragraph 19, for sub-paragraph (5)(b) substitute—
   “(b) that chargeable consideration shall be taken to be equal to the market value of the interest transferred.”.

(8) In paragraph 23(2)—

   (b) for “paragraph 10(2) to (5)” substitute “ paragraph 10(2) ”;
   (c) for “paragraph 18(2) to (5)” substitute “ paragraph 18(2) ”.

(9) Paragraph 20 provides for determining the sum of the lower proportions.

25 (1) Where paragraph 10, 14, 17 or 18 applies, paragraph 1 of Schedule 3 (exemption of transactions for which there is no chargeable consideration) does not apply.

(4) If the relevant consideration does not exceed £150,000, none of the residential proportion of the chargeable consideration counts as chargeable consideration.

(5) The residential proportion is the proportion of the market value of the relevant property that, on a just and reasonable
apportionment, is attributable to land that is residential property.”.

(5) For paragraph 7 substitute—

“7 (1) This Part of this Schedule applies to a transfer of an interest in a partnership that is a chargeable transaction by virtue of paragraph 14 of Schedule 15 if—

(a) some (but not all) of the chargeable interests comprising the relevant partnership property are chargeable interests in relation to land that is wholly situated in a disadvantaged area, or

(b) references to the advantaged-area proportion are to the proportion of the market value of the relevant property that, on a just and reasonable apportionment, is attributable to land that is situated outside a disadvantaged area.”.

(6) In paragraph 8, for “consideration attributable to the land situated in the disadvantaged area” substitute “ disadvantage-area proportion of the chargeable consideration ”.

(7) In paragraph 9, for sub-paragraphs (2) to (4) substitute—

“(2) If the relevant consideration does not exceed £150,000 none of the disadvantaged-area proportion of the chargeable consideration counts as chargeable consideration.”.

(8) For paragraph 10 substitute—

“10 (1) This paragraph applies where the land situated in a disadvantaged area is partly non-residential property and partly residential property.

(2) The non-residential proportion of the disadvantaged-area proportion of the chargeable consideration for the transaction does not count as chargeable consideration.

(5) The residential proportion is the proportion of the disadvantaged-area proportion of the market value of the relevant property that, on a just and reasonable apportionment, is attributable to land that is residential property.”.

(9) After paragraph 11 (1) insert—

(ii) is derived from a chargeable interest so acquired,

and has not subsequently been acquired at market value under a chargeable transaction for which group relief was available but was not claimed.”.

(4) In paragraph 3(3), for the words from “the transferee company” to the end substitute “ on behalf of the partnership and to the proportion in which the relevant partner is entitled at the relevant time to share in the income profits of the partnership. ”.

(5) In paragraph 3(4), omit the definition of “relevant associated company”.

(2) The “relevant partnership property”, in relation to a transfer of an interest in a partnership, is every chargeable interest held as partnership property immediately after the transfer, other than any interest that was transferred to the partnership in connection with the transfer.

(3) The consideration for the transaction shall (subject to sub-paragraph (8)) be taken to be equal to the actual consideration for the transaction less the excluded amount.

(4) The excluded amount is a proportion of the net market value of the relevant partnership property immediately after the transfer.

(5) That proportion is—

   (b) the consideration for the transfer were equal to the net market value of that stock and those securities immediately after the transfer, less the excluded amount.

(4) The excluded amount is a proportion of the net market value of that stock and those securities immediately after the transfer.

(5) That proportion is—
   (a) if the person acquiring the interest in the partnership was not a partner before the transfer, his partnership share immediately after the transfer;
   (b) if he was a partner before the transfer, the difference between his partnership share before and after the transfer.
