*Section 234: Register*

572. This section makes provision for licensing authorities to maintain a register of temporary use notices in a form and manner specified by the Secretary of State in regulations. The register must be available for inspection by members of the public at all reasonable times, and a copy must be provided to a member of the public on request. A charge may be made for copies.
573. The Secretary of State may also, in regulations, require licensing authorities to provide information about temporary use notices to the Commission in a specified fashion. The Commission may then be required to keep its own register of the information provided to it, and may relieve licensing authorities from the need to maintain a register under this section.
