EXPLANATORY NOTES

TERRITORIAL EXTENT

Territorial limits – vessels and aircraft

Schedule 15: Private gaming and betting

Part 15: Inspection

Section 320: Timing

794. A power under this Part can only be exercised at a reasonable time. Reasonable time may depend on the circumstances. If the reason for the entry requires it to be made at a time that would generally be perceived as an unreasonable time, then that time might nevertheless be reasonable in the circumstances of a particular case. For example, in a case where the person making the entry suspects that an offence is or is about to be committed and there is a strong likelihood that any evidence of the offence will be lost if entry is not made during night time hours.
