Status: Point in time view as at 20/07/2005.

Changes to legislation: There are currently no known outstanding effects for the Appropriation (No. 3) Act 2005 (repealed). (See end of Document for details)

3 **Appropriation of amounts and sums voted for supply services and limits on appropriations in aid** **U.K.**

- (1) All the amounts and sums authorised by this Act for the service of the year ending with 31st March 2006, totalling, as is shown in Schedule 1, £277,697,379,000 in amounts of resources authorised for use and £203,017,367,000 in sums authorised for issue from the Consolidated Fund, are appropriated for the services and purposes specified in Schedule 2.
- (2) Where a note to any Part of Schedule 2 states that the authorisation for use or issue of any amount is further to another amount previously appropriated by the Appropriation (No. 2) Act 2005 (c. 8) to a Request for Resources or Estimate in Schedule 2 to that Act, that other amount—
 - (a) is hereby appropriated, and
 - (b) shall be deemed to have been appropriated from the beginning of the year beginning with 1st April 2005,
 to the services and purposes to which the note relates (instead of to that Request for Resources or Estimate).
- (3) Parts 1 to 52, 54 and 55 of Schedule 2 also set out, for the services and purposes specified in those Parts of that Schedule, the limits set for the purposes of section 2 of the Government Resources and Accounts Act 2000 (c. 20) on the resources applicable as appropriations in aid for the year ending with 31st March 2006.
- (4) Those limits shall be deemed to have been in force from 25th May 2005.

 - (b) where the limit so set has not, by 12th August following the giving of the direction, been increased by a subsequent Appropriation Act or has by that date been so increased by less than the excess, shall be deemed to have authorised appropriations in aid only up to that limit or, as the case may be, up to that limit as so increased.
- (6) Nothing in Schedule 2 limits the amounts which are or may be made applicable, in accordance with any direction, as appropriations in aid of resources for the service of the House of Commons Administration for any year.
- (7) The abstracts of Schedule 1 and of Schedule 2 which are annexed to this Act shall have effect as part of this Act.
