- (7) Without prejudice to the generality of subsection (6)(c), the payee's liability to tax in respect of the payment or payments that he receives or is entitled to receive as a result of the transaction or series of transactions shall be treated for the purposes of subsection (6)(c) as reduced as a result of provision made or imposed by the scheme if—

  - (b) an amount of relief arising from the transaction or series of transactions forming part of the scheme, or from another transaction or series of transactions forming part of the scheme, may be deducted from the amount of income or gains arising from the payment or payments or the entitlement to receive the payment or payments.
