PART 1

OVERVIEW

1 Overview of Act

(1) This Act imposes charges to income tax under—
(a) Part 2 (trading income),
(b) Part 3 (property income),
(c) Part 4 (savings and investment income), and
(d) Part 5 (certain miscellaneous income).

(2) Exemptions from those charges are dealt with in Part 6 (exempt income) but any Part 6 exemptions which are most obviously relevant to particular types of income are also mentioned in the provisions about those types of income.

(3) What is or is not mentioned in those provisions does not limit the effect of Part 6.

(4) This Act also contains—
(a) provision about rent-a-room relief and [qualifying care] relief (see Part 7),
(b) special rules for foreign income (see Part 8),
(c) special rules for partnerships (see Part 9), and
(d) certain calculation rules and general provisions (see Part 10).

(5) For abbreviations and defined expressions used in this Act, see section 885 and Schedule 4.

Textual Amendments

F1 S. 1(2) repealed (6.4.2007 with effect as noted in s. 1034(1) of the amending Act) by Income Tax Act 2007 (c. 3), ss. 1027, 1031, 1034, Sch. 1 para. 493, Sch. 3 Pt. 1 (with transitional provisions and savings in Sch. 2)

F2 Words in s. 1(5) substituted (16.12.2010) (with effect in accordance with Sch. 1 para. 36 of the amending Act) by Finance (No. 3) Act 2010 (c. 33), Sch. 1 para. 31 (with Sch. 1 para. 37)

2 Overview of priority rules

(1) This Act contains some rules establishing an order of priority in respect of certain amounts which would otherwise—
(a) fall within a charge to income tax under two or more Chapters or Parts of this Act, or
(b) fall within a charge to income tax under a Chapter or Part of this Act and ITEPA 2003.

(2) See, in particular—
section 4 (provisions which must be given priority over Part 2),
section 261 (provisions which must be given priority over Part 3),
section 262 (priority between Chapters within Part 3),
section 366 (provisions which must be given priority over Part 4),
Overview of Part 2

(1) This Part imposes charges to income tax under—
   (a) Chapter 2 (the profits of a trade, profession or vocation which meet the territorial conditions mentioned in section 6),
   (b) Chapter 17 (amounts treated as adjustment income under section 228), and
   (c) Chapter 18 (post-cessation receipts that are chargeable under this Part).

(2) Part 6 deals with exemptions from the charges under this Part.

(3) See, in particular, the exemptions under sections 777 (VAT repayment supplements) and 778 (incentives to use electronic communications).

(4) The charges under this Part apply to non-UK residents as well as UK residents but this is subject to sections 6(2) and (3) and 243(3) and (4) (charges on non-UK residents only on UK income).

(5) The rest of this Part contains rules relevant to the charges to tax under this Part.

(6) This section needs to be read with the relevant priority rules (see sections 2 and 4).

Provisions which must be given priority over Part 2

(1) Any receipt or other credit item, so far as it falls within—
   (a) Chapter 2 of this Part (receipts of trade, profession or vocation), and
   (b) Chapter 3 of Part 3 so far as it relates to a UK property business,
   is dealt with under Part 3.

(2) Any receipt or other credit item, so far as it falls within—
   (a) this Part, and
   (b) Part 2, 9 or 10 of ITEPA 2003 (employment income, pension income or social security income),
is dealt with under the relevant Part of ITEPA 2003.

CHAPTER 2

INCOME TAXED AS TRADE PROFITS

Charge to tax on trade profits

5 Charge to tax on trade profits

Income tax is charged on the profits of a trade, profession or vocation.

6 Territorial scope of charge to tax

(1) Profits of a trade arising to a UK resident are chargeable to tax under this Chapter wherever the trade is carried on.

(2) Profits of a trade arising to a non-UK resident are chargeable to tax under this Chapter only if they arise—

(a) from a trade carried on wholly in the United Kingdom, or

(b) in the case of a trade carried on partly in the United Kingdom and partly elsewhere, from the part of the trade carried on in the United Kingdom.

(3) This section applies to professions and vocations as it applies to trades.

7 Income charged

(1) Tax is charged under this Chapter on the full amount of the profits of the tax year.

(2) For this purpose the profits of a tax year are the profits of the basis period for the tax year.

(3) For the rules identifying the basis period for a tax year, see Chapter 15.

(4) This section is subject to Part 8 (foreign income: special rules).

(5) And, for the purposes of section 830 (meaning of “relevant foreign income”), the profits of a trade, profession or vocation arise from a source outside the United Kingdom only if the trade, profession or vocation is carried on wholly outside the United Kingdom.

8 Person liable

The person liable for any tax charged under this Chapter is the person receiving or entitled to the profits.
Trades and trade profits

9  Farming and market gardening

(1) Farming or market gardening in the United Kingdom is treated for income tax purposes as the carrying on of a trade or part of a trade (whether or not the land is managed on a commercial basis and with a view to the realisation of profits).

(2) All farming in the United Kingdom carried on by a person, other than farming carried on as part of another trade, is treated for income tax purposes as one trade.

(3) In the case of farming carried on by a firm, this rule is explained by section 859(1).

10  Commercial occupation of land other than woodlands

(1) The commercial occupation of land in the United Kingdom is treated for income tax purposes as the carrying on of a trade or part of a trade.

(2) For this purpose the occupation of land is commercial if the land is managed—

   (a) on a commercial basis, and
   (b) with a view to the realisation of profits.

(3) This section does not apply—

   (a) to farming or market gardening (which is dealt with by section 9),
   (b) if the land is being prepared for forestry purposes, or
   (c) if the land comprises woodlands (which is dealt with by section 11).

11  Commercial occupation of woodlands

(1) The commercial occupation of woodlands in the United Kingdom is not a trade or part of a trade for any income tax purpose.

(2) For this purpose the occupation of woodlands is commercial if the woodlands are managed—

   (a) on a commercial basis, and
   (b) with a view to the realisation of profits.

(3) See also sections 267 and 768 (which, when read with this section, secure that profits or losses from the commercial occupation of woodlands in the United Kingdom are ignored for income tax purposes).

12  Profits of mines, quarries and other concerns

(1) Profits or losses arising out of land in the case of a concern to which this section applies are calculated as if the concern were a trade.

(2) Any profits arising out of the land are charged to income tax as if the concern were a trade carried on in the United Kingdom.

   But this does not impose a charge to tax on a non-UK resident in the case of a concern outside the United Kingdom.

(3) Any losses arising out of the land are treated for the purposes of [F3Part 4 of ITA 2007](loss relief) as losses of a trade carried on in the United Kingdom.
(4) The concerns to which this section applies are—
   (a) mines and quarries (including gravel pits, sand pits and brickfields),
   (b) ironworks, gasworks, salt springs or works, alum mines or works, waterworks
       and streams of water,
   (c) canals, inland navigation, docks and drains or levels,
   (d) rights of fishing,
   (e) rights of markets and fairs, tolls, bridges and ferries,
   (f) railways and other kinds of way, and
   (g) a concern of the same kind as one specified in paragraph (b), (c), (d) or (e).

(5) This section does not apply to a concern if section 10 (commercial occupation of land
other than woodlands) applies to the occupation of the land out of which the profits
or losses arise.

13 Visiting performers

(1) This section applies if an entertainer, sportsman or sportswoman of a prescribed
description (a “performer”)—
   (a) is non-UK resident in a tax year, and
   (b) performs a relevant activity in the United Kingdom in the tax year.

(2) If a payment or transfer connected with the relevant activity is made, the performer is
treated for income tax purposes as performing the relevant activity in the course of a
trade, profession or vocation carried on in the United Kingdom.

(3) It does not matter whether the payment or transfer is made to the performer or anyone
else.

(4) Subsection (2) does not apply—
   (a) so far as the performer would otherwise be performing the relevant activity in
       the course of a trade, profession or vocation carried on in the United Kingdom,
or
   (b) if the relevant activity is performed in the course of an employment or office.

(5) If a payment or transfer connected with the relevant activity is made to —
   (a) a person other than the performer, and
   (b) that person is of a prescribed description,
the payment or transfer is treated for income tax purposes as made instead to the
performer in the course of a trade, profession or vocation carried on in the United
Kingdom.

(6) Subsection (5) does not apply in such circumstances as may be prescribed.

(7) If—
(a) income tax is chargeable on profits arising from payments or transfers (made to any person), and
(b) the payments or transfers are connected with the relevant activity, the tax is charged as if the payments or transfers were received in the course of a separate trade, profession or vocation (distinct from any other trade, profession or vocation carried on by the performer).

(8) In this section and section 14—

F4 ........................................................

“prescribed” means prescribed by regulations,
“regulations” means regulations made by the Treasury,
“relevant activity” means an activity of a prescribed description, and

F4 ........................................................

and a payment or transfer is connected with a relevant activity if it has a connection of the prescribed kind with that activity.

(9) In this section and section 14—

(a) references to a payment include references to a payment by way of loan of money, and
(b) references to a transfer do not include references to a transfer of money but, subject to that, include references to—

(i) a temporary transfer (as by way of loan), and

(ii) a transfer of a right (whether or not a right to receive money).

(10) This section does not apply to payments or transfers of a kind prescribed in regulations under section 966(6) of ITA 2007.

Textual Amendments

F4 S. 13(8) definitions of "payment" and "transfer" repealed (6.4.2007 with effect as noted in s. 1034(1) of the amending Act) by Income Tax Act 2007 (c. 3), ss. 1027, 1031, 1034, Sch. 1 para. 495(2), Sch. 3 Pt. 1 (with transitional provisions and savings in Sch. 2)

F5 S. 13(9)(10) inserted (6.4.2007 with effect as noted in s. 1034(1) of the amending Act) by Income Tax Act 2007 (c. 3), ss. 1027, 1034, Sch. 1 para. 495(3) (with transitional provisions and savings in Sch. 2)

14 Visiting performers: supplementary

(1) Regulations may provide—

(a) for the deduction, in calculating any profits of the performer arising from the payment or transfer, of expenses incurred by other persons in relation to the payment or transfer,

(b) that any liability to income tax (whether of the performer or anyone else) which would, apart from section 13(5), arise in relation to the payment or transfer is not to arise (or is to arise so far as prescribed).

(2) Regulations may provide—

(a) for the apportionment of profits between different trades, professions or vocations of the performer,
(b) for the apportionment between different tax years of the profits arising from relevant activities of the performer,

c) for losses made in any trade, profession or vocation of the performer to be deducted from or set off against the profits of another trade, profession or vocation of the performer,

d) that prescribed provisions of the Income Tax Acts about losses, or about expenses, are not to apply (or are to apply with prescribed modifications) in prescribed circumstances relating to the performer.

(3) References in this section to a trade, profession or vocation of the performer include references to the separate one referred to in section 13(7) as well as to any other carried on by the performer.

(4) Regulations may—

(a) make provision generally for giving effect to section 13, and

(b) make different provision for different cases or descriptions of cases.

15 Divers and diving supervisors

(1) This section applies if—

(a) a person performs the duties of employment as a diver or diving supervisor in the United Kingdom or in any area designated by Order in Council under section 1(7) of the Continental Shelf Act 1964 (c. 29),

(b) the duties consist wholly or mainly of seabed diving activities, and

(c) any employment income from the employment would otherwise be chargeable to tax under Part 2 of ITEPA 2003.

(2) The performance of the duties of employment is instead treated for income tax purposes as the carrying on of a trade in the United Kingdom.

(3) For the purposes of this section the following are seabed diving activities—

(a) taking part as a diver in diving operations concerned with the exploration or exploitation of the seabed, its subsoil and their natural resources, and

(b) acting as a diving supervisor in relation to any such diving operations.

16 Oil extraction and related activities

(1) If a person carries on any oil-related activities as part of a trade, those activities are treated for income tax purposes as a separate trade, distinct from all other activities carried on by the person as part of the trade.

(2) For this purpose the following are oil-related activities—

(a) oil extraction activities, and

(b) any activities consisting of the acquisition, enjoyment or exploitation of oil rights.

(3) “Oil extraction activities” and “oil rights” have the meaning given by [‡sections 225A and 225B].
Starting and ceasing to trade

17 Effect of becoming or ceasing to be a UK resident

(1) This section applies if—
   (a) an individual carries on a trade wholly or partly outside the United Kingdom otherwise than in partnership, and
   (b) the individual becomes or ceases to be UK resident.

(2) The individual is treated for income tax purposes—
   (a) as permanently ceasing to carry on the trade at the time of the change of residence, and
   (b) so far as the individual continues to carry on the trade, as starting to carry on a new trade immediately afterwards.

(3) But subsection (2) does not prevent a loss made before the change of residence from being [F7 deducted under section 83 of ITA 2007 from] profits arising after the change.

(4) This section applies to professions and vocations as it applies to trades.

(5) In the case of a trade carried on by a firm, see sections 852(6) and (7) and 854(5).

18 Effect of company starting or ceasing to be within charge to income tax

(1) This section applies if a company starts or ceases to be within the charge to income tax under this Chapter in respect of a trade.

(2) The company is treated for the purposes of this Part—
   (a) as starting to carry on the trade when it starts to be within the charge, or
   (b) as permanently ceasing to carry on the trade when it ceases to be within the charge.
Trading income and property income

19 Tied premises

(1) This section applies if—
   (a) in the course of carrying on a trade a person (“the trader”) supplies, or is concerned in the supply of, goods sold or used on premises occupied by another person,
   (b) the trader has an estate or interest in the premises,
   (c) the estate or interest is dealt with as property employed for the purposes of the trade, and
   (d) receipts and expenses in connection with the premises would otherwise be brought into account in calculating the profits of a property business of the trader.

(2) Both the receipts and expenses are instead brought into account in calculating the profits of the trade.

(3) Any apportionment of receipts or expenses that is necessary because—
   (a) the receipts or expenses do not relate only to the premises, or
   (b) the above conditions are met only in relation to part of the premises,
   is to be made on a just and reasonable basis.

20 Caravan sites where trade carried on

(1) This section applies if—
   (a) a person (“the trader”) carries on material activities connected with the operation of a caravan site,
   (b) the activities are, or are part of, a trade, and
   (c) receipts from, and expenses of, lettings of caravans or pitches for caravans on the site would otherwise be brought into account in calculating the profits of a property business of the trader.

(2) The trader may instead bring both the receipts and expenses into account in calculating the profits of the trade.

(3) But if the conditions in subsection (1)(a) and (b) are met for only part of a tax year, subsection (2) applies only to the receipts and expenses that would otherwise be brought into account in calculating the profits of the property business for that part of the tax year.

(4) In this section—
   “caravan site” means—
   (a) land on which a caravan is stationed for the purposes of human habitation, and
   (b) land which is used in conjunction with land on which a caravan is so stationed, and
   “letting” includes a licence to occupy.

21 Surplus business accommodation

(1) This section applies if—
(a) a person (“the trader”) carrying on a trade obtains receipts from a letting of business accommodation that is temporarily surplus to requirements (see subsections (3) and (4)),
(b) the accommodation is not held as trading stock,
(c) the receipts are in respect of part of a building of which another part is used to carry on the trade,
(d) the receipts are relatively small, and
(e) the receipts, and the expenses of the letting, would otherwise be brought into account in calculating the profits of a property business of the trader.

(2) The trader may instead bring both the receipts and expenses into account in calculating the profits of the trade.

(3) Accommodation is temporarily surplus to requirements only if—
(a) it has been used within the last 3 years to carry on the trade or acquired within the last 3 years,
(b) the trader intends to use it to carry on the trade at a later date, and
(c) the letting is for a term of not more than 3 years.

(4) If accommodation is temporarily surplus to requirements at the beginning of a period of account, it continues to be temporarily surplus to requirements until the end of that period.

(5) If under this section any of the receipts from and expenses of a letting are brought into account in calculating the profits of the trade, all subsequent receipts from and expenses of the letting must be dealt with in the same way (but only so long as this section continues to apply).

(6) In this section “letting” includes a licence to occupy.

(7) This section applies to professions and vocations as it applies to trades.

22 Payments for wayleaves

(1) This section applies if—
(a) a person (“the trader”) carries on a trade on some or all of the land to which a wayleave relates,
(b) rent is receivable, or expenses are incurred, by the trader in respect of the wayleave, and
(c) apart from any rent or expenses in respect of a wayleave, no other receipts or expenses in respect of any of the land are brought into account in calculating the profits of any property business of the trader.

(2) If—
(a) the trader would otherwise be liable to tax under Chapter 9 of Part 3 in respect of the rent for the wayleave (rent receivable for UK electric-line wayleaves), or
(b) expenses \[^{[8]}\] incurred by the trader in respect of the wayleave would otherwise be brought into account in calculating profits charged under that Chapter, the trader may instead bring both the rent and expenses into account in calculating the profits of the trade.

(3) If—
(a) rent for the wayleave would otherwise be brought into account in calculating the profits of a property business of the trader, or
(b) expenses incurred by the trader in respect of the wayleave would otherwise be so brought into account,

the trader may instead bring both the rent and expenses into account in calculating the profits of the trade.

(4) In this section “rent” includes—
(a) a receipt mentioned in section 266(3), and
(b) any other receipt in the nature of rent.

(5) In this section “wayleave” means an easement, servitude or right in or over land which is enjoyed in connection with—
(a) an electric, telegraph or telephone wire or cable,
(b) a pipe for the conveyance of any thing, or
(c) any apparatus used in connection with such a pipe.

(6) The reference to the enjoyment of an easement, servitude or right in connection with an electric, telegraph or telephone wire or cable includes (in particular) its enjoyment in connection with—
(a) a pole or pylon supporting such a wire or cable, or
(b) apparatus used in connection with such a wire or cable.

(7) This section applies to professions and vocations as it applies to trades.

Textual Amendments
F8 Words in s. 22(2)(b) substituted (with effect in accordance with s. 1329(1) of the amending Act) by Corporation Tax Act 2009 (c. 4), Sch. 1 para. 588 (with Sch. 2 Pts. 1, 2)

Rent-a-room and [F8]qualifying care] relief

Textual Amendments
F9 Words in s. 23 cross-heading substituted (16.12.2010) (with effect in accordance with Sch. 1 para. 36 of the amending Act) by Finance (No. 3) Act 2010 (c. 33), Sch. 1 para. 32(2)(b) (with Sch. 1 para. 37)

23 Rent-a-room and [F10]qualifying care] relief

(1) The rules for calculating the profits of a trade carried on by an individual are subject to Chapter 1 of Part 7 (rent-a-room relief).

(2) That Chapter provides relief on income from the use of furnished accommodation in the individual's only or main residence (see, in particular, sections 792 and 796).

(3) The rules for calculating the profits of a trade, profession or vocation carried on by an individual are subject to Chapter 2 of Part 7 ([F11]qualifying care] relief).

(4) That Chapter provides relief on income from the provision by the individual of [F12]qualifying care] (see, in particular, sections 813, 816, 822 and 823).
24 Professions and vocations
Apart from section 30 (animals kept for trade purposes), the provisions of this Chapter apply to professions and vocations as they apply to trades.

25 Generally accepted accounting practice
(1) The profits of a trade must be calculated in accordance with generally accepted accounting practice, subject to any adjustment required or authorised by law in calculating profits for income tax purposes.

(2) This does not—
(a) require a person to comply with the requirements of the Companies Act 2006 or subordinate legislation made under that Act except as to the basis of calculation, or
(b) impose any requirements as to audit or disclosure.

(3) This section is subject to section 160 (barristers and advocates in early years of practice).

(4) This section does not affect provisions of the Income Tax Acts relating to the calculation of the profits of Lloyd’s underwriters.

26 Losses calculated on same basis as profits
(1) The same rules apply for income tax purposes in calculating losses of a trade as apply in calculating profits.

(2) This is subject to any express provision to the contrary.
27 Receipts and expenses

(1) In the Income Tax Acts, in the context of the calculation of the profits of a trade, references to receipts and expenses are to any items brought into account as credits or debits in calculating the profits.

(2) There is no implication that an amount has been actually received or paid.

(3) This section is subject to any express provision to the contrary.

28 Items treated under CAA 2001 as receipts and expenses

The rules for calculating the profits of a trade need to be read with—

(a) the provisions of CAA 2001 which treat charges as receipts of a trade, and

(b) the provisions of CAA 2001 which treat allowances as expenses of a trade.

29 Interest

For the purpose of calculating the profits of a trade, interest is an item of a revenue nature, whatever the nature of the loan.

30 Animals kept for trade purposes

(1) Animals or other living creatures kept for the purposes of a trade are treated as trading stock if they are not kept wholly or mainly—

(a) for the work they do in connection with the carrying on of the trade,

(b) for public exhibition, or

(c) for racing or other competitive purposes.

(2) But they are not treated as trading stock if they are part of a herd in relation to which a herd basis election has effect (see Chapter 8).

(3) This section applies to shares in animals or other living creatures as it applies to the creatures themselves.

(4) This section does not apply to professions or vocations.

31 Relationship between rules prohibiting and allowing deductions

(1) Any relevant permissive rule in this Part—

(a) has priority over any relevant prohibitive rule in this Part, but

(b) is subject to section 36 (unpaid remuneration), section 38 (employee benefit contributions), section 48 (car hire) and section 55 (crime-related payments).

(2) In this section “any relevant permissive rule in this Part” means any provision of—

(a) Chapter 5 (apart from sections 60 to 67),

(b) Chapter 11, or

(c) Chapter 13,

which allows a deduction in calculating the profits of a trade.
(3) In this section “any relevant prohibitive rule in this Part”, in relation to any deduction, means any provision of this Part (apart from sections [F16 36, 38,] 48 and 55) which might otherwise be read as—
   (a) prohibiting the deduction, or
   (b) restricting the amount of the deduction.

**CHAPTER 4**

**TRADE PROFITS: RULES RestrictING DEDUCTIONS**

**Introduction**

32 Professions and vocations

The provisions of this Chapter apply to professions and vocations as they apply to trades.

**Capital expenditure**

33 Capital expenditure

In calculating the profits of a trade, no deduction is allowed for items of a capital nature.

**Wholly and exclusively and losses rules**

34 Expenses not wholly and exclusively for trade and unconnected losses

(1) In calculating the profits of a trade, no deduction is allowed for—
   (a) expenses not incurred wholly and exclusively for the purposes of the trade, or
   (b) losses not connected with or arising out of the trade.

(2) If an expense is incurred for more than one purpose, this section does not prohibit a deduction for any identifiable part or identifiable proportion of the expense which is incurred wholly and exclusively for the purposes of the trade.
Bad and doubtful debts

35 Bad and doubtful debts

(1) In calculating the profits of a trade, no deduction is allowed for a debt owed to the person carrying on the trade, except so far as—
   (a) the debt is bad,
   (b) the debt is estimated to be bad, or
   (c) the debt is released wholly and exclusively for the purposes of the trade as part of a statutory insolvency arrangement.

(2) If the debtor is bankrupt or insolvent, the whole of the debt is estimated to be bad for the purposes of subsection (1)(b), except so far as any amount may reasonably be expected to be received on the debt.

Unpaid remuneration

36 Unpaid remuneration

(1) This section applies if, in calculating the profits of a trade of a period of account—
   (a) an amount is charged in the accounts for the period in respect of employees' remuneration, and
   (b) a deduction for the remuneration would otherwise be allowable for the period.

(2) No deduction is allowed for the remuneration for the period of account unless it is paid before the end of the period of 9 months immediately following the end of the period of account.

(3) If the remuneration is paid after the end of that 9 month period, a deduction for it is allowed for the period of account in which it is paid.

37 Unpaid remuneration: supplementary

(1) For the purposes of section 36 an amount charged in the accounts in respect of employees' remuneration includes an amount for which provision is made in the accounts with a view to its becoming employees' remuneration.

(2) For the purposes of section 36 it does not matter whether an amount is charged for—
   (a) particular employments, or
   (b) employments generally.

(3) If the profits of the trade are calculated before the end of the 9 month period mentioned in section 36(2)—
   (a) it must be assumed, in making the calculation, that any remuneration which is unpaid when the calculation is made will not be paid before the end of that period, but
   (b) if the remuneration is subsequently paid before the end of that period, nothing in this subsection prevents the calculation being revised and any tax return being amended accordingly.

(4) For the purposes of this section and section 36 remuneration is paid when it—
(a) is treated as received by an employee for the purposes of ITEPA 2003 by section 18, 19, 31 or 32 of that Act (receipt of money and non-money earnings), or
(b) would be so treated if it were not exempt income.

(5) In this section and section 36—
“employee” includes an office-holder and “employment” therefore includes an office, and
“remuneration” means an amount which is or is treated as earnings for the purposes of ITEPA 2003.

Employee benefit contributions

38 Restriction of deductions

(1) This section applies if, in calculating for income tax purposes the profits of a trade of a person (“the employer”) for a period, a deduction would otherwise be allowable for the period in respect of employee benefit contributions made or to be made (but see subsection (4)).]

(2) No deduction is allowed for the contributions for the period except so far as—
(a) qualifying benefits are provided, or qualifying expenses are paid, out of the contributions during the period or within 9 months from the end of it, or
(b) if the making of the contributions is itself the provision of qualifying benefits, the contributions are made during the period or within 9 months from the end of it.

(3) An amount disallowed under subsection (2) is allowed as a deduction for a subsequent period so far as—
(a) qualifying benefits are provided out of the contributions before the end of the subsequent period, or
(b) if the making of the contributions is itself the provision of qualifying benefits, the contributions are made before the end of the subsequent period.

(4) This section does not apply to any deduction that is allowable for—
(a) anything given as consideration for goods or services provided in the course of a trade or profession,
(b) contributions under a registered pension scheme or under a superannuation fund to which section 615(3) of ICTA applies,
(c) contributions under a qualifying overseas pension scheme in respect of an individual who is a relevant migrant member of the pension scheme in relation to the contributions, or
(d) contributions under an accident benefit scheme.

For the purposes of paragraph (c) “qualifying overseas pension scheme” and “relevant migrant member” have the same meaning as in Schedule 33 to FA 2004 (see paragraphs 4 to 6 of that Schedule).

(c) a period of consecutive days linked to a period in paragraph (a) or (b).

\textbf{Crime-related payments}

55 Crime-related payments

(1) In calculating the profits of a trade, no deduction is allowed for expenses incurred—

(a) in making a payment if the making of the payment constitutes a criminal offence, or

(b) in making a payment outside the United Kingdom if the making of a corresponding payment in any part of the United Kingdom would constitute a criminal offence in that part.
(2) In calculating the profits of a trade, no deduction is allowed for expenses incurred in making a payment induced by a demand which constitutes—

(a) the offence of blackmail under section 21 of the Theft Act 1968 (c. 60) (England and Wales),
(b) the offence of extortion (Scotland), or
(c) the offence of blackmail under section 20 of the Theft Act (Northern Ireland) 1969 (c. 16 (N.I.)) (Northern Ireland).

Integral features

55A Expenditure on integral features

Section 33A(3) of CAA 2001 provides that no deduction is allowed in respect of certain expenditure on an integral feature of a building or structure (within the meaning of that section).

Rental rebates

55B Rental rebates

(1) Where plant or machinery (“the asset”) is leased and a rental rebate is payable by the lessor, the amount of the deduction allowable in respect of the rebate is limited to—

(a) the amount of the lessor’s income from the lease, or
(b) in the case of a finance lease, that amount excluding the finance charge.

(2) “Rental rebate” means any sum payable to the lessee that is calculated by reference to the termination value of the asset.

(3) For this purpose—

(a) the termination value of an asset is the value of the asset at or about the time when the lease terminates,
(b) calculation by reference to the termination value includes calculation by reference to any one or more of—

(i) the proceeds of sale, if the asset is sold,
(ii) any insurance proceeds, compensation or similar sums in respect of the asset,
(iii) an estimate of the market value of the asset, and
(c) calculation by reference to the termination value also includes—
(i) determination in a way which, or by reference to factors or criteria which, might reasonably be expected to produce a broadly similar result to calculation by reference to the termination value, or
(ii) any other form of calculation indirectly by reference to the termination value.

(4) For the purposes of this section—

(a) the income of the lessor from the lease is the total of all the amounts receivable in connection with the lease that have been brought into account in calculating the lessor's income for income tax purposes, excluding—

(i) disposal receipts brought into account under Part 2 of CAA 2001 (see section 60(1) of that Act), and

(ii) so much of any amount as represents charges for services or qualifying UK or foreign tax (within the meaning of section 70YE of that Act) to be paid by the lessor, and

(b) the finance charge, in relation to a finance lease, is—

(i) if the lease is one that, under generally accepted accounting practice, falls (or would fall) to be treated as a loan, so much of the rentals under the lease as fall (or would fall) to be treated as interest, or

(ii) in any other case, the amount that, in accordance with generally accepted accounting practice, falls (or would fall) to be treated as the gross return on investment.

(5) Where the asset is acquired by the lessor in a transaction in relation to which an election is made under section 266 of CAA 2001 (election where predecessor and successor are connected persons), this section applies as if the successor had been the lessor at all material times and everything done to or by the predecessor had been done to or by the successor.

(6) Where the whole or part of a rental rebate is disallowed under this section as a deduction in computing profits—

(a) the amount disallowed, or

(b) if less, the amount by which the rental rebate exceeds the amount of capital expenditure incurred by the lessor, may be treated for the purposes of capital gains tax as an allowable loss accruing to the lessor on the termination of the lease.

That allowable loss is deductible only from chargeable gains accruing to the lessor on the disposal of the asset.

(7) This section does not apply to a long funding finance lease (see section 148C).]
CHAPTER 5

TRADE PROFITS: RULES ALLOWING DEDUCTIONS

Introduction

56 Professions and vocations

Apart from sections 87 to 90 (scientific research and expenses connected with patents, designs and trade marks), the provisions of this Chapter apply to professions and vocations as they apply to trades.

Pre-trading expenses

57 Pre-trading expenses

(1) This section applies if a person incurs expenses for the purposes of a trade before (but not more than 7 years before) the date on which the person starts to carry on the trade (“the start date”).

(2) If, in calculating the profits of the trade—

(a) no deduction would otherwise be allowed for the expenses, but

(b) a deduction would be allowed for them if they were incurred on the start date,

the expenses are treated as if they were incurred on the start date (and therefore a deduction is allowed for them).

57A Expenses incurred by traders on food and drink

(1) In calculating the profits of a trade, a deduction is allowed for any reasonable expenses incurred on food or drink for consumption by the trader at a place to which the trader travels in the course of carrying on the trade, or while travelling to a place in the course of carrying on the trade, if conditions A and B are met.

(2) Condition A is met if—

(a) a deduction is allowed for the expenses incurred by the trader in travelling to the place, or

(b) where the expenses of travelling to the place are not incurred by the trader, a deduction would be allowed for them if they were.

(3) Condition B is met if—

(a) at the time the expenses are incurred on the food or drink, the trade is by its nature itinerant, or
(b) the trader does not travel to the place more than occasionally in the course of carrying on the trade and either—
   (i) the travel in connection with which the expenses are incurred on the food or drink is undertaken otherwise than as part of the trader’s normal pattern of travel in the course of carrying on the trade, or
   (ii) the trader does not have such a normal pattern of travel.]

Incidental costs of obtaining finance

58 Incidental costs of obtaining finance

(1) In calculating the profits of a trade, a deduction is allowed for incidental costs of obtaining finance by means of—
   (a) a loan, or
   (b) the issue of loan stock,
   if the interest on the loan or stock is deductible in calculating the profits of the trade.

(2) “Incidental costs of obtaining finance” means expenses—
   (a) which are incurred on fees, commissions, advertising, printing and other incidental matters, and
   (b) which are incurred wholly and exclusively for the purpose of obtaining the finance, providing security for it or repaying it.

(3) Expenses incurred wholly and exclusively for the purpose of—
   (a) obtaining finance, or
   (b) providing security for it,
   are incidental costs of obtaining the finance even if it is not in fact obtained.

(4) But the following are not incidental costs of obtaining finance—
   (a) sums paid because of losses resulting from movements in the rate of exchange between different currencies,
   (b) sums paid for the purpose of protecting against such losses,
   (c) the cost of repaying a loan or loan stock so far as attributable to its being repayable at a premium or having been obtained or issued at a discount, and
   (d) stamp duty.

(5) This section needs to be read with section 59 (which provides for restrictions in relation to convertible loans and loan stock etc.).
(a) it carries the right of conversion into, or to the acquisition of, shares or other
securities, and
(b) the right is exercisable before the end of the period of 3 years from the date
when the loan was obtained or the stock issued (“the 3 year period”).

(2) “Other securities” does not include a loan or loan stock—
(a) the interest on which is deductible in calculating the profits of the person’s
trade, and
(b) which does not carry such a right as is mentioned in subsection (1).

(3) But the restriction imposed by subsection (1) does not apply if the right is not, or is
not wholly, exercised before the end of the 3 year period.

(4) In such a case any incidental costs of obtaining finance incurred before the end of the
3 year period are treated as incurred immediately after the end of it.

(5) If the right is exercised within the 3 year period as to part of the loan or loan stock,
only the following incidental costs of obtaining finance are treated as incurred.

(6) The costs are those corresponding to the proportion of the loan or loan stock in respect
of which the right is not exercised within that period.

Tenants under taxed leases

60 Tenants under taxed leases: introduction

(1) Sections 61 to 67 apply if land used in connection with a trade is subject to a taxed
lease.

(2) Section 61 (tenants occupying land for purposes of trade treated as incurring expenses)
applies in calculating the profits of a trade carried on by the tenant under the taxed
lease for the purpose of making deductions for the expenses of the trade.

(3) But any deduction for an expense under section 61 is subject to the application of any
provision of Chapter 4 of this Part.

(4) In this section and sections 61 to 67 the following expressions have the same meaning
as in Chapter 4 of Part 3 (profits of property businesses: lease premiums etc.)—
“receipt period” (see section 288(6)),
“taxed lease” (see section 287(4)),
“taxed receipt” (see section 287(4)), and
“unreduced amount” (see section 290(2)).

(5) Section 290(3) and (4) (unreduced amount of taxed receipt under section 277 as a
result of section 278) applies for the purposes of sections 61 to 65.

(6) In sections 64 to 67 references to a reduction under section 288[F79 below or section 228
of CTA 2009] by reference to a taxed receipt have the same meaning as in Chapter 4
of Part 3 (see section 290(6)).

(7) In the application of sections 64 to 67 to Scotland—
(a) references to a lease being granted out of a taxed lease are to the grant of a
sublease of land subject to the taxed lease, and
(b) references to the lease so granted are to be read as references to the sublease.
61 Tenants occupying land for purposes of trade treated as incurring expenses

(1) The tenant under the taxed lease is treated as incurring an expense of a revenue nature in respect of the land subject to the taxed lease for each qualifying day.

(2) If there is more than one taxed receipt, this section applies separately in relation to each of them.

(3) A day is a “qualifying day”, in relation to a taxed receipt, if it is a day—
   (a) that falls within the receipt period of the taxed receipt, and
   (b) on which the tenant occupies the whole or part of the land subject to the taxed lease for the purposes of carrying on a trade.

(4) If on the qualifying day the tenant occupies the whole of the land subject to the taxed lease for the purposes of the trade, the amount of the expense for the qualifying day by reference to the taxed receipt is given by the formula—

\[
\frac{A}{\text{TRP}}
\]

A is the unreduced amount of the taxed receipt, and TRP is the number of days in the receipt period of the taxed receipt.

(5) If on the qualifying day the tenant occupies part of the land subject to the taxed lease for the purposes of the trade, the amount of the expense for the qualifying day by reference to the taxed receipt is given by the formula—

\[
\frac{F \times A}{\text{TRP}}
\]

where—

F is the fraction of the land that is so occupied calculated on a just and reasonable basis, and

A and TRP have the same meaning as in subsection (4).

(6) This section is subject to section 62 (limit on deductions if tenant entitled to mineral extraction allowance).

62 Limit on deductions if tenant entitled to mineral extraction allowance

(1) This section applies if the tenant under the taxed lease has become entitled, in respect of expenditure on the acquisition of an interest in the land subject to the taxed lease, to an allowance for a tax year under Part 5 of CAA 2001 (mineral extraction allowances)
in respect of expenditure falling within section 403 of that Act (qualifying expenditure on acquiring a mineral asset).

(2) If the allowance is in respect of the whole of the expenditure, no deduction is allowed for expenses under section 61 for a qualifying day falling within that or a later tax year.

(3) If the allowance is in respect of only part of the expenditure (“the allowable part”) the amount of the deduction for expenses under section 61 for a qualifying day falling within that or a later tax year is calculated by multiplying the amount that, apart from this section, would be the amount of the deduction for the qualifying day by—

\[
\frac{\text{WE} - \text{AP}}{\text{WE}}
\]

where—

\[
\text{WE} \quad \text{is the whole of the expenditure, and} \\
\text{AP} \quad \text{is the allowable part of the expenditure.}
\]

63 Tenants dealing with land as property employed for purposes of trade

(1) This section applies if the tenant under the taxed lease—

(a) does not occupy the land subject to the taxed lease, or a part of it, but

(b) deals with the tenant's interest in the land, or the part of it, as property employed for the purposes of carrying on a trade.

(2) Section 61 applies as if the land or the part of it were occupied by the tenant for the purposes of the trade.

(3) But the tenant is not treated as incurring an expense in respect of the land for a qualifying day as a result of this section so far as the tenant is treated as incurring an expense under section 292 (tenants under taxed leases treated as incurring expenses) in respect of the land for the day in calculating the profits of the tenant's property business.

(4) This section is subject to sections 64 and 65 (restrictions on section 61 expenses where the additional calculation rule is relevant).

64 Restrictions on section 61 expenses: lease premium receipts

(F80)(1) This section applies if a lease has been granted out of the taxed lease and—

(a) in calculating the amount of a receipt of a property business under Chapter 4 of Part 3 (profits of property businesses: lease premiums etc) in respect of the lease, there is a reduction under section 288 (the additional calculation rule) by reference to the taxed receipt, or

(b) in calculating the amount of a receipt of a property business under Chapter 4 of Part 4 of CTA 2009 (profits of a property business: lease premiums etc) in respect of the lease, there is a reduction under section 228 of that Act (the additional calculation rule) by reference to the taxed receipt.

In this section and sections 65 and 67 the receipt that is so reduced is referred to as a “lease premium receipt”.)
(2) Subsections (3) to (5) provide for the application of section 61 as a result of section 63 for a qualifying day that falls within the receipt period of the lease premium receipt.

(3) The tenant under the taxed lease is treated as incurring an expense under section 61 as a result of section 63 for the qualifying day by reference to the taxed receipt only if the daily amount of the taxed receipt exceeds the daily reduction of the lease premium receipt.

(4) If the condition in subsection (3) is met, the amount of that expense for the qualifying day by reference to the taxed receipt is equal to that excess.

(5) If the qualifying day falls within the receipt period of more than one lease premium receipt, the reference in subsection (3) to the daily reduction of the lease premium receipt is to be read as a reference to the total of the daily reductions of each of the lease premium receipts whose receipt period includes the qualifying day.

(6) In this section—

the “daily amount” of the taxed receipt is given by the formula—

\[
\frac{A}{TRP}
\]

where—

A is the unreduced amount of the taxed receipt, and

TRP is the number of days in the receipt period of the taxed receipt, and

the “daily reduction” of a lease premium receipt is given by the formula—

\[
\frac{AR}{RRP}
\]

where—

AR is the reduction under section 288 [F81 below or section 228 of CTA 2009] by reference to the taxed receipt, and

RRP is the number of days in the receipt period of the lease premium receipt.

(7) Section 65 explains how this section operates if the lease does not extend to the whole of the premises subject to the taxed lease.

(2) Subsections (3) to (5) apply for a qualifying day that falls within the receipt period of the lease premium receipt.

(3) Sections 61, 63 and 64 apply separately in relation to the part of the premises subject to the lease and to the remainder of the premises.

(4) If—
(a) more than one lease that does not extend to the whole of the premises subject to the taxed lease has been granted out of the taxed lease, and
(b) the qualifying day falls within the receipt period of two or more lease premium receipts that relate to different leases,

67  Restrictions on section 61 expenses: corporation tax receipts \[^{F84}\] under ICTA

(1) This section provides for the application of section 61 as a result of section 63 if—
(a) a lease has been granted out of the taxed lease,
(b) in calculating the amount of a corporation tax receipt in respect of the lease, there is a reduction under section 37(2) or (3) of ICTA by reference to the amount chargeable on the superior interest for the purposes of that section, and

Introduction

Professions and vocations

Apart from section 105 (industrial development grants), the provisions of this Chapter apply to professions and vocations as they apply to trades.

Capital receipts

Capital receipts

(1) Items of a capital nature must not be brought into account as receipts in calculating the profits of a trade.

(2) But this does not apply to items which, as a result of any provision of this Part, are brought into account as receipts in calculating the profits of the trade.
Debts released

97 Debts incurred and later released

(1) This section applies if—
   (a) in calculating the profits of a trade, a deduction is allowed for the expense giving rise to a debt owed by the person carrying on the trade,
   (b) all or part of the debt is released, and
   (c) the release is not part of a statutory insolvency arrangement.

(2) The amount released—
   (a) is brought into account as a receipt in calculating the profits of the trade, and
   (b) is treated as arising on the date of the release.

Amounts received following earlier cessation

98 Acquisition of trade: receipts from transferor's trade

(1) This section applies if—
   (a) a person (“the transferor”) permanently ceased to carry on a trade at any time,
   (b) at that time the transferor transferred to another person (“the transferee”) the right to receive sums arising from the carrying on of the trade, and
   (c) the transferee subsequently carries on the transferor’s trade.

(2) Sums—
   (a) which the transferee receives as a result of the transfer, and
   (b) which are not brought into account in calculating the profits of the transferor’s trade for income or corporation tax purposes for any period before the cessation, are brought into account in calculating the profits of the transferee's trade in the period of account in which they are received.

(3) Any sums mentioned in subsection (1)(b) which are received after the transferor has permanently ceased to carry on the trade are not post-cessation receipts (see Chapter 18).

Reverse premiums

99 Reverse premiums

(1) For the purposes of sections 101 and 102 a payment or other benefit is a reverse premium—
   (a) if conditions A to C are met, and
   (b) it is not excluded by section 100.

(2) Condition A is that a person (“the recipient”) receives the payment or other benefit by way of inducement in connection with a transaction being entered into by—
   (a) the recipient, or
   (b) a person connected with the recipient.
Condition B is that the transaction (the "property transaction") is one under which—

(a) the recipient, or

(b) the person connected with the recipient,

becomes entitled to an estate, interest or right in or over land.

Condition C is that the payment or other benefit is paid or provided by—

(a) the person ("the grantor") by whom the estate, interest or right is granted or was granted at an earlier time,

(b) a person connected with the grantor, or

(c) a nominee of, or a person acting on the directions of, the grantor or a person connected with the grantor.

Excluded cases

(1) A payment or other benefit is not a reverse premium so far as it is brought into account under section 532 of CAA 2001 (the general rule excluding contributions) to reduce the recipient's expenditure qualifying for capital allowances.

(2) A payment or other benefit received in connection with a property transaction is not a reverse premium if—

(a) the person entering into the transaction is an individual, and

(b) the transaction relates to premises occupied or to be occupied by the individual as the individual's only or main residence.

(3) A payment or other benefit is not a reverse premium so far as it is consideration for the transfer of an estate or interest in land which constitutes the sale in a sale and lease-back arrangement.

(4) A “sale and lease-back arrangement” means any such arrangement as is described in sections 681AA(1) or (2), 681AB(1) or (2) or 681BA of ITA 2007 or sections 835(1) or (2) or 836(1) or (2) of CTA 2010.

Tax treatment of reverse premiums

(1) A reverse premium is treated for income tax purposes as a receipt of a revenue nature.
(2) If the recipient enters into the property transaction for the purposes of a trade carried on (or to be carried on) by the recipient, the reverse premium is brought into account in calculating the profits of the trade.

(3) If subsection (2) does not apply, the reverse premium is charged to income tax in accordance with section 311 (reverse premium taxed as property business receipt).

102 Arrangements not at arm’s length

(1) This section applies if—
(a) two or more of the parties to the property arrangements are connected persons, and
(b) the terms of those arrangements are not such as would reasonably have been expected if those persons had been dealing at arm’s length.

(2) The terms of the property arrangements meet the condition in subsection (1)(b) if they differ to a significant extent from the terms which, at the time the arrangements were entered into, would be regarded as normal and reasonable—
(a) in the market conditions then prevailing, and
(b) between persons dealing with each other at arm’s length in the open market.

(3) The whole amount or value of the reverse premium brought into account under section 101 is brought into account in the first relevant period of account.

(4) “The first relevant period of account” means the period of account in which the property transaction is entered into.

(5) But if the recipient enters into the property transaction for the purposes of a trade—
(a) which is not then carried on by the recipient, but
(b) which the recipient subsequently starts to carry on,
“the first relevant period of account” means the first period of account in which the recipient carries on the trade.

103 Connected persons and property arrangements

For the purposes of this section and sections 99 to 102—
(a) persons are treated as connected with each other if they are connected (for which see section 878(5)) at any time during the period when the property arrangements are entered into, and
(b) “the property arrangements” means the property transaction and any arrangements entered into in connection with it (whether before it, at the same time as it or after it).

(b) the concern is being or has been wound up or dissolved,
(c) a person ("the recipient") who is carrying on the trade, or was doing so at the time of the payment, receives money or money's worth representing the concern's assets, and

(d) the assets in question represent profits of the mutual business conducted by the concern.

(2) If the recipient is carrying on the trade at the time the money or money's worth is received, the amount or value of the money or money's worth is brought into account as a receipt in calculating the profits of the trade.

(3) If the recipient—

(a) is not carrying on the trade at the time the money or money's worth is received, but

(b) was doing so at the time of the payment to the mutual concern,

the amount or value of the money or money's worth is treated as a post-cessation receipt (see Chapter 18).

(4) For the purposes of this section money or money's worth represents assets of a mutual concern if it—

(a) forms part of the assets of the concern,

(b) forms part of the consideration for the transfer of the assets of the concern as part of a scheme of amalgamation or reconstruction which involves its winding up,

(c) consists of the consideration for a transfer or surrender of a right to receive anything falling within paragraph (a) or (b) and does not give rise to a charge to income tax on the person receiving it otherwise than as a result of this section.

(5) If a transfer or surrender of a right to receive anything which—

(a) forms part of the assets of a mutual concern, or

(b) forms part of the consideration for the transfer of the assets of a mutual concern,

is not at arm's length, the person making the transfer or surrender is treated as receiving consideration equal to the value of the right.

(6) In this section references to a mutual concern are to a body corporate which has at any time carried on a trade which consists of or includes the conduct of mutual business (whether or not confined to the members of the body corporate).

(7) For the purposes of this section a trade does not consist of or include the conduct of mutual business if all the profits of the trade are chargeable to income or corporation tax.

CHAPTER 8
TRADE PROFITS: HERD BASIS RULES

Introduction

111 Election for application of herd basis rules

(1) A person who keeps or has kept a production herd for the purposes of a trade may make an election under this Chapter (a “herd basis election”).

(2) In calculating the profits of the trade, animals which are part of a production herd in relation to which a herd basis election has effect—
(a) are not treated as trading stock (see section 30), but
(b) are treated instead in accordance with sections 114 to 123 (“the herd basis rules”).
(3) This Chapter is expressed in terms of farmers but applies to any person who keeps or has kept a production herd for the purposes of a trade, whether or not the trade is farming.

(4) References in this Chapter to keeping a production herd are to keeping it for the purposes of the trade.

112 Meaning of “animal”, “herd”, “production herd” etc.

(1) In this Chapter—
   (a) “animal” means any animal or other living creature,
   (b) “herd” includes a flock and any other collection of animals (however named), and
   (c) “production herd” means, in relation to a farmer, a herd of animals of the same species (irrespective of breed) kept by the farmer wholly or mainly for the products obtainable from the living animal which the animals produce for the farmer to sell.

(2) For this purpose “the products obtainable from the living animal” means—
   (a) the young of the animal, or
   (b) any other product obtainable from the animal without slaughtering it.

(3) For the purposes of this Chapter the general rule is that immature animals kept in a production herd are not part of the herd.

(4) There is an exception to this rule if—
   (a) the nature of the land on which the herd is kept means that animals which die or cease to be part of the herd can be replaced only by animals bred and reared on the land,
   (b) the immature animals in question are bred in the herd and are maintained in the herd for the purpose of replacing other animals, and
   (c) it is necessary to maintain the immature animals for that purpose.

(5) In that case the immature animals are part of the herd for the purposes of this Chapter, but only so far as they are required to prevent a fall in the numbers of the herd.

(6) References in this Chapter to an animal being added to a herd include references to an immature animal that is not part of the herd reaching maturity.

(7) This Chapter applies—
   (a) in relation to animals kept singly as it applies in relation to herds, and
   (b) in relation to shares in animals as it applies in relation to animals themselves.

113 Other interpretative provisions

(1) This section applies for the purposes of this Chapter.

(2) A production herd kept by a farmer is of the same class as another production herd only if—
   (a) the animals kept in both herds are of the same species (irrespective of breed), and
(b) the products produced for the farmer to sell (for which the herds are wholly or mainly kept) are of the same kinds in both herds.

(3) References to the sale of an animal include references to its death or destruction.

(4) References to the sale proceeds of an animal include references to—
   (a) money received from an insurer because of the animal's death or destruction,
   (b) compensation money received because of the animal's death or destruction, and
   (c) the sale proceeds of the animal's carcass or any part of its carcass.

(5) Female animals become mature—
   (a) in the case of laying birds, when they first lay, and
   (b) in any other case, when they produce their first young.

(6) 20% or more of a herd is a substantial part of the herd, but a lesser percentage than 20% is capable of being a substantial part of the herd depending on the circumstances of the case concerned.

The herd basis rules

114 Initial cost of herd and value of herd

(1) In calculating the profits of the trade, no deduction is allowed for the initial cost of the herd.

(2) In calculating the profits of the trade, the value of the herd is not brought into account.

115 Addition of animals to herd

(1) This section applies for the purpose of calculating the profits of the trade if an animal is added to the herd, unless it replaces another animal in the herd.

(2) No deduction is allowed for the cost of the animal.

(3) If, immediately before it was added to the herd, the animal was part of the farmer's trading stock, the balancing amount is brought into account as a receipt.

(4) “The balancing amount” means—
   (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity, and
   (b) in any other case, the sum of the initial cost of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity.

116 Replacement of animals in herd

(1) This section applies for the purpose of calculating the profits of the trade if—
   (a) an animal (“the old animal”) is sold from the herd or otherwise ceases to be part of the herd, and
   (b) it is replaced in the herd by another animal (“the new animal”).

(2) The sale proceeds (if any) of the old animal are brought into account as a receipt.
(3) But this needs to be read with—
   (a) section 117 (amount of receipt if old animal slaughtered under disease control order),
   (b) section 120 (acquisition of new herd begun within 5 years of sale), and
   (c) section 122 (replacement of part sold begun within 5 years of sale).

(4) Except so far as otherwise allowable, a deduction is allowed under this section for the cost of the new animal.

(5) But if the new animal is of better quality than the old animal, the amount of the deduction must not exceed the amount that it would have been necessary to spend to replace the old animal with an animal of the same quality.

117 Amount of receipt if old animal slaughtered under disease control order

(1) This section applies for the purposes of section 116.

(2) If—
   (a) the old animal was slaughtered under a disease control order, and
   (b) the new animal is of worse quality than the old animal,
   the amount brought into account as a receipt under section 116 must not exceed the equivalent amount for the new animal.

(3) For this purpose “a disease control order” means an order made under the law relating to the diseases of animals by—
   (a) central government,
   (b) a devolved authority,
   (c) a local authority, or
   (d) another public authority.

(4) If, immediately before it was added to the herd, the new animal was part of the farmer’s trading stock, “the equivalent amount for the new animal” means—
   (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity, and
   (b) in any other case, the sum of the initial cost of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity.

(5) Otherwise “the equivalent amount for the new animal” means the cost of the new animal.

118 Sale of animals from herd

(1) This section applies for the purpose of calculating the profits of the trade if an animal is sold from the herd unless—
   (a) it is replaced in the herd by another animal (see section 116), or
   (b) it is sold as part of the sale of the whole or a substantial part of the herd that takes place all at once or over a period not longer than 12 months (see section 119).

(2) A profit arising from the sale is brought into account as a receipt.

(3) A deduction is allowed for a loss arising from the sale.
(4) The amount of the profit or loss is the difference between the sale proceeds of the animal and the deductible amount for the animal.

(5) “The deductible amount for the animal” means—
   (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity,
   (b) in the case of an animal acquired by the farmer for valuable consideration, the sum of the initial cost to the farmer of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity, and
   (c) in the case of an animal acquired by the farmer but not for valuable consideration, the sum of the market value of the animal when acquired and the cost (if any) incurred by the farmer in rearing the animal to maturity.

119 Sale of whole or substantial part of herd

(1) This section applies for the purpose of calculating the profits of the trade if, either all at once or over a period not longer than 12 months, the herd or a substantial part of the herd is sold unless—
   (a) section 120 applies (acquisition of new herd begun within 5 years of sale), or
   (b) section 122 applies (replacement of part sold begun within 5 years of sale),
   but paragraph (a) is subject to subsection (5) of section 120 (so far as that section provides for a case in which this section is to apply).

(2) A profit arising from the sale is not brought into account as a receipt.

(3) No deduction is allowed for a loss arising from the sale.

120 Acquisition of new herd begun within 5 years of sale

(1) This section applies for the purpose of calculating the profits of the trade if—
   (a) either all at once or over a period not longer than 12 months, the herd (“the old herd”) is sold, and
   (b) the farmer acquires or starts to acquire another production herd of the same class (“the new herd”) within 5 years of the sale.

(2) Section 116 (replacement of animals in herd) applies as if a number of animals equal to—
   (a) the number of animals in the old herd, or
   (b) if smaller, the number of animals in the new herd,
   had been sold from the old herd and replaced in that herd (but see section 121 (sale for reasons outside farmer's control)).

(3) For the purposes of section 116, the sale proceeds of an animal that is treated as a result of subsection (2) above as if it had been—
   (a) sold from the old herd, and
   (b) replaced in that herd by another animal (“the new animal”),
   are not brought into account as a receipt until the new animal is acquired.

(4) If—
   (a) the number of animals in the new herd is smaller than the number of animals in the old herd, and
(b) the difference is not substantial,
section 118 (sale of animals from herd) applies as if a number of animals equal to the
difference had been sold from the old herd.

(5) If the number of animals in the new herd is smaller than the number of animals in the
old herd and the difference is substantial—
   (a) section 119 (sale of whole or substantial part of herd where replacement not
       begun within 5 years), or
   (b) section 122 (sale of substantial part of herd where replacement begun within
       5 years),
applies as if a number of animals equal to the difference had been sold from the old
herd.

(6) If the number of animals in the new herd is larger than the number of animals in the
old herd, section 115 (addition of animals to herd) applies as if a number of animals
equal to the difference had been added to the old herd.

(7) For the purposes of this section—
   (a) if the difference between the number of animals in the new herd and the
       number of animals in the old herd is equal to 20% or more of the number of
       animals in the old herd, the difference is substantial, but
   (b) a lesser percentage than 20% is capable of being a substantial difference
       depending on the circumstances of the case concerned.

Section 120: sale for reasons outside farmer's control

(1) This section applies for the purposes of section 116, as applied by section 120(2).

(2) If—
   (a) the farmer was compelled to sell the old herd for reasons wholly outside the
       farmer's control, and
   (b) an animal ("the new animal") that is treated as a result of section 120(2) as
       if it replaced an animal sold ("the old animal") is of worse quality than the
       old animal,
       the amount brought into account as a receipt under section 116 must not exceed the
       equivalent amount for the new animal.

(3) If, immediately before it was added to the herd, the new animal was part of the farmer's
   trading stock, "the equivalent amount for the new animal" means—
   (a) in the case of an animal bred by the farmer, the cost of breeding the animal
       and rearing it to maturity, and
   (b) in any other case, the sum of the initial cost of acquiring the animal and the
       cost (if any) incurred by the farmer in rearing the animal to maturity.

(4) Otherwise "the equivalent amount for the new animal" means the cost of the new
animal.

Replacement of part sold begun within 5 years of sale

(1) This section applies for the purpose of calculating the profits of the trade if—
   (a) either all at once or over a period not longer than 12 months, a substantial part
       of the herd is sold, and

(b) the farmer acquires or starts to acquire animals to replace the part sold within 5 years of the sale.

(2) Section 116 (replacement of animals in herd) applies so far as the animals included in the part sold are replaced (but see section 123 (sale for reasons outside farmer's control)).

(3) The sale proceeds of an animal included in the part sold are not brought into account as a receipt until the animal that replaces it in the herd is acquired.

(4) If some of the animals included in the part sold are not replaced—
   (a) a profit arising from their sale is not brought into account as a receipt, and
   (b) no deduction is allowed for a loss arising from their sale.

123 Section 122: sale for reasons outside farmer's control

(1) This section applies for the purposes of section 116, as applied by section 122(2).

(2) If—
   (a) the farmer was compelled to sell the part of the herd for reasons wholly outside the farmer's control, and
   (b) an animal (“the new animal”) that replaces an animal sold (“the old animal”) is of worse quality than the old animal,

   the amount brought into account as a receipt under section 116 must not exceed the equivalent amount for the new animal.

(3) If, immediately before it was added to the herd, the new animal was part of the farmer's trading stock, “the equivalent amount for the new animal” means—
   (a) in the case of an animal bred by the farmer, the cost of breeding the animal and rearing it to maturity, and
   (b) in any other case, the sum of the initial cost of acquiring the animal and the cost (if any) incurred by the farmer in rearing the animal to maturity.

(4) Otherwise “the equivalent amount for the new animal” means the cost of the new animal.

Elections

124 Herd basis elections

(1) A herd basis election must specify the class of production herd to which it relates.

(2) A herd basis election must be made—
   (a) on or before the first anniversary of the normal self-assessment filing date for the tax year in which the first relevant period of account ends, or
   (b) if that is the tax year in which the farmer starts to carry on the trade and the farmer is not a firm, on or before the second anniversary of the normal self-assessment filing date for that tax year.

(3) “The first relevant period of account” means the first period of account in which the farmer making the election keeps a production herd of the class to which the election relates (but see subsection (8)).
(4) A herd basis election cannot relate to more than one class of production herd, but separate elections may be made for different classes.

(5) A herd basis election is irrevocable.

(6) A herd basis election has effect in relation to all production herds of the class to which it relates, including any which the farmer—
   (a) has ceased to keep before making the election, or
   (b) first keeps after making the election.

(7) A herd basis election has effect for every period of account in which the farmer—
   (a) carries on the trade, and
   (b) keeps a production herd of the class to which the election relates.

(8) If the farmer is a firm and there is a change in the persons who are partners in the firm—
   (a) any herd basis election made by the old firm ceases to have effect, and
   (b) in relation to the new firm, “the first relevant period of account” means the first period of account in which the new firm keeps a production herd of the class to which the election relates.

125 Five year gap in which no production herd kept

(1) This section applies if a farmer—
   (a) keeps a production herd of a particular class, and
   (b) ceases altogether to keep herds of that class for a period of at least 5 years.

(2) If the farmer keeps a production herd of that class after the end of that period—
   (a) the period of account in which the farmer starts to keep the herd is treated as the first period of account in which the farmer keeps a production herd of that class, and
   (b) any herd basis election previously made by the farmer in relation to production herds of that class ceases to have effect.

126 Slaughter under disease control order

(1) This section applies if—
   (a) the whole or a substantial part of a production herd kept by a farmer is slaughtered under a disease control order, and
   (b) the circumstances of the slaughter are such that compensation is payable in respect of the animals slaughtered.

(2) The farmer may make a herd basis election in respect of the class of production herd involved in the slaughter as if the period of account—
   (a) in which the compensation falls to be brought into account in calculating the profits of the trade, or
   (b) in which it would (but for the election) fall to be so brought into account, were the first period of account in which the farmer keeps a production herd of that class.

(3) An election made as a result of this section has effect for that period of account and every subsequent period of account in which the farmer—
(a) carries on the trade, and  
(b) keeps a production herd of the class to which the election relates.

(4) In this section “disease control order” means an order made under the law relating to the diseases of animals by—

(a) central government,  
(b) a devolved authority,  
(c) a local authority, or  
(d) another public authority.

Preventing abuse of the herd basis rules

127 Preventing abuse of the herd basis rules

(1) This section applies if—

(a) a person carrying on a trade (the “transferor”) transfers the whole or part of a production herd to another person (the “transferee”),  
(b) the transfer is not by way of sale or is by way of sale but for a price other than that which the animals sold would have fetched if sold in the open market, and 
(c) the control condition or herd basis benefit condition is met.

(2) The control condition is met if—

(a) the transferor is a body of persons over which the transferee has control,  
(b) the transferee is a body of persons over which the transferor has control, or  
(c) both the transferor and transferee are bodies of persons and another person has control over both of them.

(3) For this purpose “body of persons” includes a firm.

(4) The herd basis benefit condition is met if—

(a) the transferor or transferee (or both) might (but for this section) have been expected to obtain a herd basis benefit as a result of the transfer or the transactions of which the transfer is one, and  
(b) the herd basis benefit is the sole or main benefit, or one of the main benefits, that the person in question might have been expected to obtain.

(5) For this purpose a “herd basis benefit” is a benefit resulting from—

(a) the obtaining of a right to make a herd basis election,  
(b) the herd basis rules applying or not applying, or  
(c) the herd basis rules having a greater or lesser effect.

(6) For the purpose of calculating the profits of—

(a) the trade carried on by the transferor, and  
(b) any trade carried on by the transferee,  
the animals transferred are treated as having been sold at the price which they would have fetched if sold in the open market.

Textual Amendments

129 Further assessment etc. if herd basis rules apply

(1) If the herd basis rules apply in calculating the profits of a tax year after an assessment for that tax year has become final and conclusive, any assessment or repayment of tax that is necessary to give effect to the rules must be made.

(2) But repayment of tax is due only if a claim for it is made.

Expenditure treated as revenue in nature

134 Expenditure treated as revenue in nature

(1) If a person carrying on a trade incurs production or acquisition expenditure, the expenditure is treated for income tax purposes as expenditure of a revenue nature.

(2) If expenditure is treated under this section as revenue in nature, sums received by the person carrying on the trade from the disposal of the original master version—

(a) are treated for income tax purposes as receipts of a revenue nature, and

(b) are brought into account in calculating the profits of the trade of the relevant period in which they are received.

(3) For this purpose sums received from the disposal of the original master version include—

(a) a licence granted under section 8 of the Wireless Telegraphy Act 2006 in accordance with regulations made under section 14 of that Act (bidding for licences),

(b) an indefeasible right to use a telecommunications cable system, or

(c) a right derived (directly or indirectly) from such a licence or indefeasible right.

Textual Amendments

147  Expenditure and receipts treated as revenue in nature

(1) This section applies if, in accordance with generally accepted accounting practice, an amount in respect of—

(a) expenditure on the acquisition of a relevant telecommunication right, or

(b) a receipt from the disposal of a relevant telecommunication right,

is recognised in the accounts of a trade as an item in the calculation of profit or loss.

(2) The amount is treated for income tax purposes as an item of a revenue nature.

(3) “The acquisition of a relevant telecommunication right” includes—

(a) the extension of rights attached to a relevant telecommunication right, and

(b) if a relevant telecommunication right is subject to a derivative right, the cancellation or restriction of rights attached to the derivative right.

(4) “The disposal of a relevant telecommunication right” includes—

(a) the cancellation or restriction of rights attached to a relevant telecommunication right, and

(b) the granting of a derivative right or the extension of rights attached to a derivative right.

148  Credits or debits arising from revaluation

(1) This section applies if, in accordance with generally accepted accounting practice, an amount in respect of the revaluation of a relevant telecommunication right is recognised in the accounts of a trade (whether or not as an item in the calculation of profit or loss).

(2) The amount is treated for income tax purposes as an item of a revenue nature.

(3) In calculating the profits of the trade, the amount is brought into account for the period of account in which it is recognised.

Textual Amendments
F153 Pt. 2 Ch. 10A inserted (19.7.2006) by Finance Act 2006 (c. 25), s. 81, Sch. 8 para. 13

148A Lessor under long funding finance lease: rental earnings

(1) This section applies for the purpose of calculating the profits of a person carrying on a trade for a period of account in which he is the lessor of any plant or machinery under a long funding finance lease.

(2) The amount to be brought into account as the lessor’s taxable income from the lease for the period of account is the amount of the rental earnings in respect of the lease for the period of account.

(3) The “rental earnings” for any period is the amount which, in accordance with generally accepted accounting practice, falls (or would fall) to be treated as the gross return on investment for that period in respect of the long funding lease where it meets the finance lease test.

(4) If the lease is one which, under generally accepted accounting practice, falls (or would fall) to be treated as a loan in the accounts in question, so much of the rentals under the lease as fall (or would fall) to be treated as interest are to be treated for the purposes of this section as rental earnings.

148B Lessor under long funding finance lease: exceptional items

(1) This section applies for the purpose of calculating the profits of a person carrying on a trade for a period of account if he is or has been the lessor under a long funding finance lease.

(2) This section has effect where a profit or loss (whether of an income or capital nature)—

(a) arises to the person in connection with the lease, and

(b) in accordance with generally accepted accounting practice falls to be recognised for accounting purposes in a period of account, but
(c) would not, apart from this section, be brought into account in calculating the profits of the person.

(3) The profit or loss is to be treated—
   (a) in the case of a profit, as income of the person that is attributable to the lease,
   (b) in the case of a loss, as a revenue expense incurred by the person in connection with the lease.

(4) Any reference in this section to an amount falling to be recognised for accounting purposes in a period of account is a reference to an amount falling to be recognised for accounting purposes—
   (a) in the person's profit and loss account or income statement,
   (b) in the person's statement of recognised gains and losses or statement of changes in equity, or
   (c) in any other statement of items brought into account in computing the person's profits or losses for that period.

**148C Lessor under long funding finance lease making termination payment**

(1) This section applies for the purpose of calculating the profits of a person carrying on a trade for a period of account if he is or has been the lessor under a long funding finance lease.

(2) Where—
   (a) the lease terminates, and
   (b) a sum calculated by reference to the termination value is paid to the lessee,
   no deduction in respect of the sum paid to the lessee is allowed in calculating the profits of the person.

(3) This section does not prevent a deduction in respect of a sum to the extent that the sum is brought into account in determining the person's rental earnings.

**148D Lessor under long funding operating lease: periodic deduction**

(1) This section applies if a person carrying on a trade is the lessor of any plant or machinery under a long funding operating lease for the whole or part of a period of account.
(2) A deduction is allowed in calculating the profits of the person for the period of account for income tax purposes.

(3) The amount of the deduction is so much of the expected gross reduction in value over the term of the lease as is attributable to the period of account.

(4) The expected gross reduction in value over the term of the lease is—
   (a) the starting value of the plant or machinery, less
   (b) the amount which at the commencement of the term of the lease is expected to be its residual value (or, if section 148DB applies, would have been expected to be that value had that value been estimated at that time).

(5) The expected gross reduction in value over the term of the lease that is attributable to the period of account is found by apportioning that reduction on a time basis according to the proportion of the term of the lease that falls in the period of account.

(6) For the meaning of “starting value”, see—
   (a) section 148DA (“starting value”: general), and
   (b) section 148DB (“starting value” where plant or machinery originally unqualifying).

(7) For the meaning of “residual value”, see section 148J(2).]
(8) For the meaning of “qualifying activity”, see section 148J(2).

Textual Amendments

F156  Ss. 148DA, 148DB inserted (1.4.2010) (with effect in accordance with s. 1184(1) of the amending Act) by Corporation Tax Act 2010 (c. 4), s. 1184(1), Sch. 1 para. 448 (with Sch. 2)

148DB “Starting value” where plant or machinery originally unqualifying

(1) This section applies if the conditions in subsection (2) are met in relation to a long funding operating lease to which section 148D applies.

(2) The conditions are that—

(a) the lessor owns the plant or machinery as a result of having incurred expenditure on its provision for purposes other than those of a qualifying activity,

(b) the plant or machinery is brought into use by the lessor for the purposes of a qualifying activity on or after 1 April 2006, and

(c) that qualifying activity is the leasing of the plant or machinery under the lease.

(3) For the purposes of section 148D the starting value is the lower of—

(a) first use market value, and

(b) first use amortised market value.

(4) “First use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity.

(5) “First use amortised value” means the value that the plant or machinery would have at the time when it is first brought into use for the purposes of the qualifying activity on the assumptions in subsection (6).

(6) The assumptions are that—

(a) the cost of acquiring the plant or machinery had been written off on a straight line basis over its remaining useful economic life, and

(b) any further capital expenditure incurred had been written off on a straight line basis over so much of its remaining economic life as remains at the time when the expenditure is incurred.

(7) For the meaning of “qualifying activity”, “remaining useful economic life” and writing off on a straight line basis, see section 148J(2), section 148J(4) (and section 70YI of CAA 2001 as applied by that section) and section 148J(3) respectively.

(a) a person carrying on a trade is the lessor of any plant or machinery under a long funding operating lease,
(b) the person incurs capital expenditure in relation to the plant or machinery (the “additional expenditure”), and
(c) the additional expenditure is not reflected in the market value of the plant or machinery at the commencement time (see subsection (7)).

(2) An additional deduction is allowed in calculating the profits of the person for income tax purposes for each period of account—
(a) which ends after the incurring of the additional expenditure, and
(b) in which the person is the lessor of the plant or machinery under the lease.

(3) The amount of the deduction is so much of the expected reduction in value of the additional expenditure (“the expected reduction”) as is attributable to the period of account.

(4) The expected reduction is the amount of the additional expenditure, less the remaining residual value of the plant or machinery resulting from that expenditure.

(5) For how to determine that remaining residual value, see—
(a) section 148EA (determination of remaining residual value resulting from lessor's first additional expenditure), and
(b) section 148EB (determination of remaining residual value resulting from lessor's further additional expenditure).

(6) The amount of the expected reduction attributable to the period of account is found by apportioning that reduction on a time basis according to the proportion of the term of the lease that falls in the period of account.

(7) In this section “the commencement time” means—
(a) except where section 148DB applies, the commencement of the term of the lease, and
(b) if that section applies, the time when the plant or machinery is first brought into use by the lessor for the purposes of the qualifying activity.]

(b) the amount (“CRV”) which at the commencement of the term of the lease is expected to be its residual value (or, if section 148DB applies, would have been expected to be that value had that value been estimated at that time).

(3) If ARV exceeds CRV, RRV is the part of the excess that is a result of the additional expenditure.

(4) Otherwise, RRV is nil.

(5) For the meaning of “residual value”, see section 148J(2).

Textual Amendments

F158 Ss. 148EA, 148EB inserted (1.4.2010) (with effect in accordance with s. 1184(1) of the amending Act) by Corporation Tax Act 2010 (c. 4), s. 1184(1), Sch. 1 para. 450 (with Sch. 2)

148EB Determination of remaining residual value resulting from lessor's further additional expenditure

(1) This section sets out how the remaining residual value of the plant or machinery resulting from the additional expenditure (“RRV”) is determined for the purposes of section 148E(4) if section 148E has applied in relation to previous additional expenditure incurred by the person in relation to the leased plant or machinery.

(2) RRV depends on whether—

(a) the amount which is expected to be the residual value of the plant or machinery at the time when the further additional expenditure is incurred (“FARV”), exceeds

(b) the sum of the amounts in subsection (3).

(3) Those amounts are—

(a) the amount which at the commencement of the term of the lease is expected to be the residual value of the plant or machinery (or, if section 148DB applies, would have been expected to be that value had that value been estimated at that time), and

(b) any amounts that were subtracted under section 148E(4) as the remaining residual value of the plant or machinery resulting from the previous additional expenditure.

(4) If FARV exceeds the sum of the amounts in subsection (3), RRV is the portion of the excess that is a result of the further additional expenditure.

(5) Otherwise, RRV is nil.

(6) For the meaning of “residual value”, see section 148J(2).
Lessor under long funding operating lease: termination of lease

(1) This section applies in calculating for income tax purposes the profits of a person carrying on a trade if the person is the lessor immediately before the termination of a long funding operating lease.

(2) If the termination amount exceeds the sum of the amounts in subsection (3), an amount equal to the excess is treated as income of the person attributable to the lease arising in the period of account in which it terminates.

(3) The amounts referred to in subsection (2) are—
   (a) the total amounts paid to the lessee that are calculated by reference to the termination value,
   (b) the excess relevant value for section 148D (see subsection (6)), and
   (c) the excess expenditure for section 148E (see subsection (7)).

(4) If the sum of the amounts in subsection (3) exceeds the termination amount, the excess is treated as a revenue expense incurred by the person in connection with the lease in the period of account in which it terminates.

(5) No deduction is allowed in respect of any sums within subsection (3)(a).

(6) “The excess relevant value for section 148D” is the amount (if any) by which—
   (a) the starting value of the plant or machinery for the purposes of section 148D(4) (lessor under long funding operating lease: periodic deduction), exceeds
   (b) the total of the deductions allowable under section 148D for periods of account for the whole or part of which the person was the lessor.

(7) “The excess expenditure for section 148E” is the amount (if any) by which—
   (a) the total of any amounts of capital expenditure incurred by the person which constitute additional expenditure in the case of the lease for the purposes of section 148E (long funding operating lease: lessor's additional expenditure), exceeds
   (b) the total of any deductions allowable under section 148E for periods of account for the whole or part of which the person was the lessor.

(8) For the meaning of “termination amount” and “termination value”, see sections 70YG and 70YH of CAA 2001 (as applied by section 148J(4)).]
148FA Cases where ss. 148A to 148F do not apply: plant or machinery held as trading stock

(1) Sections 148A to 148F do not apply in the case of a person carrying on a trade who is or has been the lessor of any plant or machinery under a long funding lease if the following condition is met.

(2) The condition is that any part of the expenditure incurred by the person on the acquisition of the plant or machinery for leasing under the lease—
   (a) is (apart from those sections) allowable as a deduction in calculating the profits or losses of the trade, and
   (b) is so allowable as a result of the plant or machinery forming part of the trading stock of the trade.

(3) For the purposes of this section the cases in which expenditure incurred by a person carrying on a trade on the acquisition of any plant or machinery for leasing under a lease is allowable as such a deduction include any case where—
   (a) the person becomes entitled to the deduction at any time after the expenditure is incurred, and
   (b) the deduction arises as a result of the plant or machinery forming part of the trading stock of the trade at that time.

(4) If—
   (a) at any time any of sections 148A to 148F has applied for determining the amounts to be taken into account in calculating the profits or losses of the trade, and
   (b) the condition in subsection (2) is met at any subsequent time, those amounts, and any other amounts which (as a result of this section) are to be so taken into account, are subject to such adjustments as are just and reasonable.

(5) All such assessments and adjustments of assessments are to be made as are necessary to give effect to subsection (4).]

Cases where ss. 148A to 148F do not apply: lessor also lessee under non-long funding lease

(1) This section applies if—
   (a) a person is the lessee of any plant or machinery under a lease (“lease A”) that is not a long funding lease,
   (b) the person enters into a lease (“lease B”) of any of that plant or machinery (as lessor), and
   (c) lease B is a long funding lease.

(2) Sections 148A to 148F do not apply in relation to lease B.

(3) If by virtue of section 70H of CAA 2001 (tax return by lessee treating lease as long funding lease) lease A becomes a long funding lease (and does not cease to be such a lease), treat this section as never having applied in relation to lease B.]
Cases where ss. 148A to 148F do not apply: other avoidance

(1) Sections 148A to 148F do not apply in the case of a person carrying on a trade who is or has been the lessor of any plant or machinery under a long funding lease if conditions A to C are met.

(2) Condition A is that the long funding lease forms part of any arrangement entered into by the person which includes one or more other transactions (whether the arrangement is entered into before or after or at the inception of the lease).

(3) Condition B is that the main purpose, or one of the main purposes, of the arrangement is to secure that, over the relevant period, there would be a substantial difference between—

(a) the total amount of the amounts under the arrangement which are, in accordance with generally accepted accounting practice, recognised in determining the profit or loss of the trade for any period or taken into account in calculating the amounts which are so recognised, and

(b) the total amount of the amounts under the arrangement which are taken into account in calculating the profits or losses of the trade.

(4) For the purposes of condition B “the relevant period” means the period which begins with the inception of the lease and ends with the end of the term of the lease.

(5) Condition C is that the difference would be attributable (wholly or partly) to the application of any of sections 148A to 148F in relation to the person by reference to the plant or machinery under the lease.

(6) The reference in this section to an amount being recognised in determining the profit or loss of a trade for a period is to an amount being recognised for accounting purposes—

(a) in the profit and loss account or income statement relating to the trade,

(b) in the statement of recognised gains and losses or statement of changes in equity relating to the trade, or

(c) in any other statement of items brought into account in calculating the profits and losses of the trade for that period.

(7) For the purposes of this section it does not matter whether the parties to any transaction which forms part of the arrangement differ from the parties to any of the other transactions.

(8) For the purposes of this section the cases in which two or more transactions are to be taken as forming part of an arrangement include any case in which it would be reasonable to assume that one or more of them—

(a) would not have been entered into independently of the other or others, or

(b) if entered into independently of the other or others, would not have taken the same form or been on the same terms.

(9) If—
(a) at any time any of sections 148A to 148F has applied for determining the amounts to be taken into account in calculating the profits or losses of the trade, and

(b) conditions A to C are met at any subsequent time, those amounts, and any other amounts which (as a result of this section) are to be so taken into account, are subject to such adjustments as are just and reasonable.

(10) All such assessments and adjustments of assessments are to be made as are necessary to give effect to subsection (9).]

(b) the amounts which, in accordance with generally accepted accounting practice, fall (or would fall) to be shown in the person's accounts as finance charges in respect of the lease.

(3) If the lease is one which, under generally accepted accounting practice, falls (or would fall) to be treated as a loan, subsection (2) applies as if the lease were one which, under generally accepted accounting practice, fell to be treated as a finance lease.

148I  Lessee under long funding operating lease

(1) This section applies for the purpose of calculating the profits of a person carrying on a trade, profession or vocation for a period of account in which the person is the lessee of any plant or machinery under a long funding operating lease.

(2) The deductions that may be allowed in calculating the profits of the person for the period of account are to be reduced in accordance with the following provisions of this section.

(3) The amount of the reduction for any period of account is to be determined as follows.

(4) First, find the “relevant value” for the purposes of subsection (6)(a), which is—
   (a) the market value of the plant or machinery at the commencement of the term of the lease, unless paragraph (b) applies;
   (b) if the lessee—
      (i) owns the plant or machinery as a result of having incurred expenditure on its provision for purposes other than those of a qualifying activity, but
      (ii) brings the plant or machinery into use for the purposes of a qualifying activity on or after 1st April 2006,
      the lower of first use market value and first use amortised market value.

(5) In subsection (4)—
   “first use amortised market value” means the value that the plant or machinery would have—
   (a) at the time when it is first brought into use for the purposes of the qualifying activity, but
   (b) on the assumption that the market value of the plant or machinery at the commencement of the term of the lease had been written off on a straight line basis over the remaining useful economic life of the plant or machinery;
“first use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity.

(6) From—
   (a) the relevant value determined in accordance with subsection (4),
   (b) the amount which, at the commencement of the term of the lease, is (or, in a case falling within subsection (4)(b), would have been) expected to be the market value of the plant or machinery at the end of the term of the lease,

   to find the expected gross reduction over the term of the lease.

(7) Apportion the amount of that expected gross reduction to each period of account in which any part of the term of the lease falls.

(8) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each period of account.

(9) The amount of the reduction for any period of account is the amount so apportioned to that period.

148J Interpretation of Chapter 10A

(1) This section has effect for the interpretation of this Chapter.

(2) In this Chapter—
   “qualifying activity” has the same meaning as in Part 2 of CAA 2001;
   “residual value”, in relation to any plant or machinery leased under a long funding operating lease, means—
   (a) the estimated market value of the plant or machinery on a disposal at the end of the term of the lease,
   less
   (b) the estimated costs of that disposal.

(3) Any reference in this Chapter to a sum being written off on a straight line basis over a period of time (the “writing-off period”) is a reference to
   (a) the sum being apportioned between each of the periods of account in which any part of the writing-off period falls,
   (b) that apportionment being made on a time basis, according to the proportion of the writing-off period that falls in each of the periods of account, and
   (c) the sum being written off accordingly.

(4) Chapter 6A of Part 2 of CAA 2001 (interpretation of that Part so far as relating to long funding leases) also applies for the purposes of this Chapter.]

149 Taxation of amounts taken to reserves

(1) This section applies for the purpose of calculating the profits of a person's trade if a profit on the sale of securities would be brought into account in calculating the profits of the trade.

(2) Profits and losses from the securities that in accordance with generally accepted accounting practice are—
   (a) calculated by reference to the fair value of the securities, and
   (b) recognised in the person's statement of recognised gains and losses or statement of changes in equity,
   are brought into account in calculating the profits of the trade.

(3) But subsection (2) does not apply—
   (a) to an amount so far as deriving from or otherwise relating to an amount brought into account under that subsection in an earlier period of account, or
   (b) to an amount recognised for accounting purposes by way of correction of a fundamental error.

(4) In this section “securities” includes—
   (a) shares,
   (b) rights of unit holders in unit trust schemes to which TCGA 1992 applies as a result of section 99 of TCGA 1992,
   (c) rights of participants in certain offshore funds to which TCGA 1992 applies as a result of section 103A of TCGA 1992,
   (d) in the case of a company with no share capital, interests in the company possessed by members of the company,
   but does not include a loan relationship (within the meaning of Chapter 2 of Part 4 of FA 1996).

150 Conversion etc. of securities held as circulating capital

(1) This section applies for the purpose of calculating the profits of a trade if—
   (a) a transaction falling within subsection (2) occurs in relation to securities (“the original holding”), and
   (b) a profit on the sale of the securities would be brought into account in calculating the profits of the trade.
(2) A transaction falls within this subsection if—
   (a) it results in a new holding being treated as the same as the original holding as a result of sections 126 to 136 of TCGA 1992 (CGT roll-over relief in cases of conversion etc.), or
   (b) it is treated, as a result of section 134 of TCGA 1992 (compensation stock), as an exchange for a new holding which does not involve a disposal of the original holding,
   and it does not fall within section 151(1) or 152(1) below (exchanges of gilts for gilt strips and consolidation of gilt strips).

(3) This section does not apply to securities in respect of which unrealised profits or losses, calculated by reference to the fair value of the securities at the end of the period of account, are taken into account in the period of account in which the transaction occurs.

(4) The transaction is treated as not involving a disposal of the original holding and the new holding is treated as the same asset as the original holding.

(5) But if, under the transaction, the person carrying on the trade—
   (a) receives consideration in addition to the new holding, or
   (b) becomes entitled to receive such consideration,
   subsection (4) applies as if the references to the original holding were to the proportion of the original holding given by the following fraction.

(6) The fraction is—

\[
\frac{NH}{NH + C}
\]

where—

NH is the market value of the new holding at the time of the transaction, and

C is the market value of the consideration at the time of the transaction or (if the consideration is cash) the amount of the consideration.

(7) In determining whether subsection (2)(a) applies as a result of section 135 or 136 of TCGA 1992, the reference to capital gains tax in section 137(1) of TCGA 1992 is to be read as a reference to income tax.

(8) In this section “securities” includes—
   (a) shares,
   (b) loan stocks or similar securities (whether secured or unsecured) of a government, a local or other public authority (in the United Kingdom or elsewhere) or a company,
   (c) rights of unit holders in unit trust schemes to which TCGA 1992 applies as a result of section 99 of TCGA 1992,
   (d) in the case of a company with no share capital, interests in the company possessed by members of the company,
   (e) quoted options to subscribe for shares which are treated as shares as a result of section 147 of TCGA 1992, and
(f) earn-out rights which are assumed to be securities as a result of section 138A(3) of TCGA 1992.

(2) The security is treated as having been redeemed at the time of the exchange by the payment to the trader of its market value.

(3) The trader is treated as having acquired each strip for the proportion of the market value of the security given by the following fraction.

(4) The fraction is—

\[
\frac{SV}{TV}
\]

where—

(b) a profit on the sale of any of the strips would be brought into account in
calculating the profits of the trade.

(2) Each strip is treated as having been redeemed at the time of the exchange by payment
to the trader of its market value.

(3) The trader is treated as having acquired the gilt-edged security for an amount equal to
the total of the market values of the strips given in exchange.

(4) In this section references to market value are to market value at the time of the
exchange.

(6) See also—

section 153 (meaning of “gilt-edged security” and “strip”), and
section 154 (regulations for determining market value of securities or

153 Meaning of “gilt-edged security” and “strip”

(1) In this Act “gilt-edged security” means a security which—

(a) is a gilt-edged security for the purposes of TCGA 1992 (see Schedule 9 to
that Act), or

(b) will be such a security on the making of an order under paragraph 1 of
Schedule 9 to TCGA 1992, if the making of the order is anticipated in the
prospectus under which the security is issued.

(2) For the purposes of sections 151 and 152 “strip”, in relation to a gilt-edged security,
means a security issued under the National Loans Act 1968 (c. 13) which meets
conditions A to C.

(3) Condition A is that the security is issued for the purpose of representing the right to
or of securing—

(a) a payment corresponding to a payment of interest or principal remaining to
be made under the gilt-edged security, or

(b) two or more payments each corresponding to a payment to be so made.

(4) Condition B is that the security is issued in conjunction with the issue of one or more
other securities which, together with that security—

(a) represent the right to, or

(b) secure,

payments corresponding to every payment remaining to be made under the gilt-edged
security.

(5) Condition C is that the security is not itself a security which—

(a) represents the right to, or

(b) secures,
payments corresponding to a part of every payment remaining to be made under the
gilt-edged security.
154 Regulations for determining market value of securities or strips

(1) The Treasury may by regulations make provision for the purposes of sections 151 and 152 as to the manner of determining the market value at any time of a gilt-edged security (including any strip).

(2) The regulations may—
   (a) make different provision for different cases, and
   (b) contain such incidental, supplemental, consequential and transitional provision as the Treasury consider appropriate.

(3) The power in this section does not affect the power under section 202(5) of FA 1996 (gilt stripping).

154A Certain non-UK residents with interest on 3½% War Loan 1952 Or After

(1) This section applies if—
   (a) in any tax year a person who is not ordinarily resident in the United Kingdom carries on a trade there—
      (i) consisting of banking or insurance, or
      (ii) consisting wholly or partly of dealing in securities, and
   (b) in calculating the profits of the trade for the tax year any amount is disregarded as a result of section 714 (exemption of profits from FOTRA securities) because of a condition subject to which any 3½% War Loan 1952 Or After was issued.

(2) Interest on money borrowed for the purposes of the trade is to be deducted in calculating the profits of the trade of that tax year only so far as it exceeds the ineligible amount.

(3) The ineligible amount is found as follows—
   Step 1 Add together all sums borrowed for the purposes of the trade and still owing in the basis period for the tax year.
   Step 2 If the person carrying on the trade is a company, deduct any sums carrying interest which is not deducted in calculating the profits of the trade (otherwise than because of subsection (2)).
   Step 3 If the amount found at Step 2 exceeds the total cost of the 3½% War Loan 1952 Or After held for the purposes of the trade in the basis period, deduct the excess from that amount.
   Step 4 Calculate the average rate of interest in the basis period on money borrowed for the purposes of the trade.
   Step 5 Calculate the amount of interest payable on the amount found at Step 3 at the rate found at Step 4 for the basis period.

The result is the ineligible amount.

(4) If the person's holding of 3½% War Loan 1952 Or After has fluctuated during the basis period, the total cost for the purposes of Step 3 is taken to be—

\[ A \times \left( 1 - \frac{CIF}{CIF + NIF} \right) \]

where—
C is the cost of acquisition of the initial holding (if any) and any holdings acquired during the basis period,
AH is the average holding in that period, and
TH is the total of the initial holding (if any) and any holdings acquired during the basis period.

(5) In subsection (4) “initial holding” means the holding held by the person at the beginning of the basis period.

(1) This section applies for the purpose of calculating the profits of a trade of a period of account in which waste materials are deposited on a waste disposal site if—

   (b) at the time the trader first deposits waste materials on the site, the trader holds a waste disposal licence which is then in force.
(2) A deduction is allowed for the amount of the site preparation expenditure allocated to the period of account under section 166.

(3) For the purposes of this section “predecessor”, in relation to the trader, means a person who—
   (a) has ceased to carry on the trade carried on by the trader or ceased to carry on a trade so far as relating to the site, and
   (b) has transferred the whole of the site to the trader,
and it does not matter for this purpose whether or not the estate or interest in the site transferred to the trader is the same as that held by that person.

(4) For the purposes of this section and section 166, if site preparation expenditure has been incurred by a predecessor—
   (a) the trade carried on by the trader is treated as the same as the trade carried on by the predecessor, and
   (b) deductions are to be allowed to the trader (and not to the predecessor) as if everything done to or by the predecessor were done to or by the trader.

(5) For—
   (a) the meaning of “site preparation expenditure”, “waste disposal licence” and “waste disposal site”, and
   (b) a rule about pre-trading expenditure,
see section 167.

166 Allocation of site preparation expenditure

(1) The amount of site preparation expenditure allocated to a period of account for the purposes of section 165(2) is the amount given by the formula—

\[ \text{RE} \times \frac{\text{WD}}{\text{SV} + \text{WD}} \]

where—

RE means residual expenditure (see subsection (2)),

WD means the volume of waste materials deposited on the waste disposal site during the period, and

SV means the volume of the waste disposal site not used up for the deposit of waste materials at the end of the period.

(2) “Residual expenditure” means the total of all site preparation expenditure incurred by the trader in relation to the waste disposal site at any time before the end of the period, less—
   (a) any of that expenditure for which an allowance has been, or may be, made for income or corporation tax purposes under the enactments relating to capital allowances,
   (b) any of that expenditure for which a deduction has been allowed in calculating for income or corporation tax purposes the profits of an earlier period of account, and
(c) if the trader started to carry on the trade before 6th April 1989, the excluded amount of any unrelieved old expenditure (see subsections (3) and (4)).

(3) The excluded amount of unrelieved old expenditure is calculated by multiplying the unrelieved old expenditure (see subsection (4)) by the fraction—

\[
\frac{WD}{SV + WD}
\]

where—

WD means the volume of waste materials deposited on the site before 6th April 1989, and

SV means the volume of the site not used up for the deposit of waste materials immediately before that date.

(4) “Unrelieved old expenditure” means site preparation expenditure which—

(a) was incurred by the trader in relation to the waste disposal site before 6th April 1989, and

(b) does not fall within subsection (2)(a) or (b).

### Site preparation expenditure: supplementary

“waste disposal licence” means—

(a) a disposal licence under Part 1 of the Control of Pollution Act 1974 (c. 40) or Part 2 of the Pollution Control and Local Government (Northern Ireland) Order 1978 (S.I. 1978/1049 (N.I. 19)),

“waste disposal site” means a site used, or to be used, for the disposal of waste materials by their deposit on the site.

(2) For the purposes of sections 165 and 166, expenditure incurred for the purposes of a trade by a person about to carry on the trade is treated as if it were incurred—

(a) on the date on which the person starts to carry on the trade, and

(b) in the course of carrying it on.
168 Site restoration payments

(1) This section applies for the purpose of calculating the profits of a trade if the person carrying on the trade makes a site restoration payment in the course of carrying it on.

(2) Subject to subsection (3A), a deduction is allowed for the unrelieved amount of the payment.

(3) The deduction is allowed—
   (a) (if the payment is made, whether directly or indirectly, to a connected person) for the period of account in which that part of the restoration work to which the payment relates is completed, or
   (b) (in any other case) for the period of account in which the payment is made.

(3A) But no deduction is allowed if the payment arises from arrangements—
   (a) to which the person carrying on the trade is a party, and
   (b) the main purpose, or one of the main purposes, of which is to obtain a deduction under this section.

(4) The unrelieved amount of a site restoration payment is the amount of the payment, less—
   (a) any amount of the payment that represents expenditure for which an allowance has been, or may be, made under the enactments relating to capital allowances, and
   (b) any amount of the payment that represents expenditure for which a deduction has been allowed in calculating the profits of the trade of an earlier period of account.

(5) A “site restoration payment” means a payment made in connection with the restoration of a site (or part of a site) in order to comply with—
   (a) a condition of a waste disposal licence (as defined in section 167(1)),
   (b) a condition imposed on the grant of planning permission to use the site for the collection, treatment, conversion and final depositing of waste materials or for the carrying out of any of those activities, or
   (c) a relevant planning obligation.

(2) References to the sale of land in a cemetery include the sale of a right of interment in land in a cemetery.

(3) References to the sale of land in a memorial garden include the appropriation of part of a memorial garden in return for a dedication fee or similar payment.

(4) “Ancillary capital expenditure” means capital expenditure incurred for the purposes of the trade by the person carrying on the trade (“the trader”), or a predecessor, on—

(a) any building or structure (other than a dwelling-house) which is in the cemetery or memorial garden and is likely to have little or no value when the cemetery or memorial garden is full,
(b) the purchase of an interest in, or the preparation of, any land taken up by such a building or structure, or
(c) the purchase of an interest in, or the preparation of, any other land in the cemetery or memorial garden which is not suitable or adaptable for use for interments or memorial garden plots and which is likely to have little or no value when the cemetery or memorial garden is full.

(5) “Predecessor”, in relation to the trader, means a person who carried on the trade at any time before the trader started to do so.

(6) “Preparation”, in relation to land, means levelling or draining the land or making it suitable in some other way for use as a cemetery or memorial garden.

   (c) under both subsection (2)(b) above and section 172ZB(4), 172ZC(4) or 172ZD(3),]

whether for the same or different periods of account.

(4) Any purchase price paid on a sale in connection with a change in the persons carrying on the trade is ignored in calculating the amount of the deduction.

(5) No deduction is allowed for any expenditure which is excluded by section 172 (exclusion of expenditure met by subsidies).

171 Allocation of ancillary capital expenditure

(1) The amount of ancillary capital expenditure allocated to the relevant period for the purposes of section 170(2)(b) is the amount given by the formula—

\[
\text{RE} \times \frac{\text{PSR}}{\text{PAR} + \text{PSR}}
\]
where—

RE means residual expenditure (see subsection (2)),

PSR means the number of grave-spaces or memorial garden plots in the cemetery or memorial garden sold in the relevant period, and

(d) any amount deducted under section 170(2)(b) above, or under \[\text{section 147(2)(b) of CTA 2009}\], for a period of account ending before the relevant period.

(3) The excluded amount of remaining old expenditure is calculated by multiplying the remaining old expenditure by the fraction—

\[
\frac{\text{PSB}}{\text{PAB} + \text{PSB}}
\]

where—

PSB means the number of grave-spaces or memorial garden plots in the cemetery or memorial garden sold before the beginning of the basis period for the tax year 1954-55, and

PAB means the number of grave-spaces or memorial garden plots in the cemetery or memorial garden which were or could have been made available for sale immediately before the beginning of the basis period for that tax year.

(4) In this section—

“compensation”, in relation to the destruction of an asset, means—

(a) insurance money or other compensation received by the trader, or a predecessor, in respect of the destruction, and
(b) money received for the remains of the asset by the trader or predecessor,

“the first sale period” means—

(a) the period of account in which an interest in land in the cemetery or memorial garden was first sold for the purposes of the trade with a view to the land being used for the purpose of interments or for memorial garden plots, or
(b) if later, the basis period for the tax year 1954-55, and

“remaining old expenditure” means ancillary capital expenditure which—

(4) Expenditure is not excluded for the purposes of section 170 if it is met (directly or indirectly) by—
   (a) insurance money, or
   (b) other compensation money,
   payable in respect of an asset which has been destroyed, demolished or put out of use.

   (a) is made or imposed in relation to the stock, and
   (b) has effect in connection with the cessation.

(3) If there is a change in the persons carrying on a trade, no valuation of the stock is required under this Chapter so long as a person carrying on the trade immediately before the change continues to carry it on after the change.

(4) If an individual carries on a trade alone, no valuation of the stock is required under this Chapter if the cessation is because of the individual's death.

Textual Amendments
F195 Words in Pt. 2 Ch. 12 heading inserted (with effect in accordance with s. 37(2) of the amending Act) by Finance Act 2008 (c. 9), Sch. 15 para. 3

174 Meaning of “trading stock”

(1) In this Chapter “trading stock” means—
(a) any property (whether land or other property) which is sold in the ordinary course of the trade or would be so sold if it were mature or its manufacture, preparation or construction were complete, or
(b) materials used in the manufacture, preparation or construction of any property mentioned in paragraph (a).

(2) In this Chapter “trading stock” includes also any services performed in the ordinary course of the trade—
(a) the performance of which is wholly or partly completed at the time of the cessation, and
(b) for which it would be reasonable to expect that a charge would be made if there were no cessation and, in the case of partly completed services, their performance were fully completed,
and any article produced, and any material used, in the performance of any such services.

(3) In this Chapter references to the sale or transfer of trading stock include the sale or transfer of any benefits and rights which accrue, or might reasonably be expected to accrue, from the performance of any such services.

175 Basis of valuation of trading stock

(1) The value of trading stock belonging to the trade at the time of the cessation is determined as follows.

(2) If the stock is sold to a person who—
(a) carries on, or intends to carry on, a trade in the United Kingdom, and
(b) is entitled to deduct the cost of the stock as an expense in calculating the profits of that trade for income or corporation tax purposes,
the value is determined in accordance with section 176 (sale to unconnected person), 177 (sale to connected person) or 178 (election by connected persons).

(3) But if section 127 (preventing abuse of the herd basis rules) applies—
(a) the value is not determined in accordance with any of those sections, and
(b) the value is instead taken to be that given by section 127 (the price which the animals transferred would have fetched if sold in the open market at the time of the sale).

(4) In any other case, the value is taken to be the amount which the stock would have realised if sold in the open market at the time of the cessation.
176 Sale basis of valuation: sale to unconnected person

(1) The value of trading stock is determined in accordance with this section if—

(a) it is sold to a person who carries on, or intends to carry on, a trade, profession or vocation in the United Kingdom and is entitled to deduct the cost of the stock as an expense in calculating the profits of that trade, profession or vocation for income or corporation tax purposes, and

(b) the buyer is not connected with the seller.

(2) The value is taken to be the amount in fact realised on the sale.

(3) If the stock is sold together with other assets, so much of the amount realised on the sale as, on a just and reasonable apportionment, is properly attributable to each asset is treated as the amount realised on the sale of that asset.

(c) an election is made under this section.

(2) The parties to the sale may make an election under this section if the value of the stock determined under section 177 exceeds both—

(a) its acquisition value, and
(b) the amount in fact realised on the sale.

(3) If an election is made, the value is taken to be—
   (a) its acquisition value, or,
   (b) if greater, the amount in fact realised on the sale.

(4) An election under this section must be made by both parties on or before the first anniversary of the normal self-assessment filing date for the tax year in which the cessation occurred.

   (a) that the stock had been sold in the course of the trade, immediately before the cessation, for a price equal to the value of the stock determined under section 177, and
   (b) that the period for which those profits were to be calculated began immediately before the sale.

(6) If the stock is sold together with other assets, so much of the amount realised on the sale as, on a just and reasonable apportionment, is properly attributable to each asset is treated as the amount realised on the sale of that asset.

(2) If there is a change in the persons carrying on a profession, subsection (1) does not apply so long as a person carrying on the profession immediately before the change continues to carry it on after the change.

(3) If an individual carries on a profession alone or a vocation, subsection (1) does not apply if the cessation is because of the individual's death.

183  Meaning of “work in progress”

(1) In this Chapter “work in progress” means services performed in the ordinary course of the profession or vocation—
(a) the performance of which is wholly or partly completed at the time of the cessation, and
(b) for which it would be reasonable to expect that a charge would be made if there were no cessation and, in the case of partly completed services, their performance were fully completed,
and includes any article produced, and any material used, in the performance of any such services.

(2) In this Chapter references to the transfer of work in progress include the transfer of any benefits and rights which accrue, or might reasonably be expected to accrue, from the performance of any such services.

184 Basis of valuation of work in progress

(1) If the work in progress is transferred for money or other valuable consideration to a person who—
   (a) carries on, or intends to carry on, a [F205 trade,] profession or vocation in the United Kingdom, and
   (b) is entitled to deduct the cost of the work as an expense in calculating the profits of that [F206 trade,] profession or vocation for income or corporation tax purposes,
the value of the work is taken to be the amount paid or other consideration given for the transfer.

(2) In any other case, the value of the work is taken to be the amount which would have been paid for a transfer of the work at the time of the cessation as between independent parties dealing at arm's length.

(3) These rules are subject to any election under section 185 (election for valuation at cost).

   (b) the amount by which any sums received for the transfer of the work exceed the actual cost of the work is to be treated as a post-cessation receipt (see Chapter 18).

187 Professions and vocations

The provisions of this Chapter apply to professions and vocations as they apply to trades.

188 Application of Chapter

(1) This Chapter applies if—
   (a) an amount received by, or owed to, a person carrying on a trade (“the trader”) is brought into account as a receipt in calculating the profits of the trade,
   (b) the amount is paid or owed in a territory outside the United Kingdom, and
   (c) some or all of the amount is unremittable.

(2) An amount received is unremittable if it cannot be transferred to the United Kingdom merely because of foreign exchange restrictions.

(3) An amount owed is unremittable if it cannot be paid in the United Kingdom and—
   (a) it temporarily cannot be paid in the territory in which it is owed merely because of foreign exchange restrictions, or
189 Relief for unremittable amounts

(1) If—
(a) the trader has profits from the trade in a period of account, and
(b) an unremittable amount has been brought into account as a receipt for that period,
a deduction of the amount is allowed from those profits (but see subsection (5)).

(2) If the trader has profits from the trade in a period of account and the total of—
(a) any unremittable amounts brought into account as receipts for that period, and
(b) any amount carried forward under this subsection or subsection (3) from the previous period of account,
exceeds the amount of those profits, the excess may be carried forward to the next period of account.

(3) If the trader does not have profits from the trade in a period of account and an unremittable amount has been brought into account as a receipt for that period, the total of—
(a) any unremittable amounts brought into account as receipts for that period, and
(b) any amount carried forward under this subsection or subsection (2) from the previous period of account,
may be carried forward to the next period of account.

(4) If an amount is carried forward under this section to a period of account in which the trader has profits from the trade, a deduction of the amount is allowed from those profits (but see subsection (5)).

(5) The total amount deducted under this section from the profits from a trade in a period of account must not exceed the amount of the profits.

190 Restrictions on relief

(1) No deduction is allowed under section 189 in relation to an amount so far as—
(a) it is used to finance expenditure or investment outside the United Kingdom, or
(b) it is applied outside the United Kingdom in another way.

(2) No deduction is allowed under section 189 in relation to an amount owed so far as a deduction is allowed in respect of it under section 35 (bad and doubtful debts).

(3) No deduction is allowed under section 189 in relation to an amount owed so far as a payment under a contract of insurance has been received in relation to it.
(4) No deduction is allowed under section 189 in relation to an amount brought into account in calculating profits if relief under section 842 (unremittable income) may be claimed in relation to that amount.

191 Withdrawal of relief

(1) This section applies if—
   (a) some or all of an unremittable amount has been deducted from profits under section 189, and
   (b) any of the following events occurs.

(2) The events are that—
   (a) the amount or part of it ceases to be unremittable,
   (b) the amount or part of it is used to finance expenditure or investment outside the United Kingdom,
   (c) the amount or part of it is applied outside the United Kingdom in another way,
   (d) the amount or part of it is exchanged for, or discharged by, an amount that is not unremittable,
   (e) a deduction is allowed in respect of the amount or part of it under section 35 (bad and doubtful debts), and
   (f) if the amount is an amount owed, a payment under a contract of insurance is received in relation to the amount or part of it.

(3) The amount or the part of it in question is brought into account as a receipt in calculating the profits of the trade for the period of account in which the event occurs, but only so far as—
   (a) it has been deducted from profits under section 189, and
   (b) it has not already been brought into account as a receipt in calculating the profits of the trade as a result of this section.

(4) If the event is the receipt of a payment under a contract of insurance, the amount brought into account as a receipt must not exceed the amount of the payment.

CHAPTER 14

DISPOSAL AND ACQUISITION OF KNOW-HOW

192 Meaning of “know-how” etc.

(1) In this Chapter “know-how” means any industrial information or techniques likely to assist in—
   (a) manufacturing or processing goods or materials,
   (b) working a source of mineral deposits (including searching for, discovering or testing mineral deposits or obtaining access to them), or
   (c) carrying out any agricultural, forestry or fishing operations.

(2) For this purpose—
   “mineral deposits” includes any natural deposits capable of being lifted or extracted from the earth and for this purpose geothermal energy is treated as a natural deposit, and
“source of mineral deposits” includes a mine, an oil well and a source of geothermal energy.

(3) For the purposes of this Chapter any consideration received for giving, or wholly or partly fulfilling, an undertaking which—
   (a) is given in connection with a disposal of know-how, and
   (b) restricts, or is designed to restrict, any person's activities in any way,
   is treated as consideration received for the disposal of the know-how.

(4) It does not matter whether or not the undertaking is legally enforceable.

(5) For the purposes of this Chapter references to a sale of know-how include an exchange of know-how and any provision of this Chapter referring to a sale has effect with the necessary modifications.

(6) Those modifications include, in particular, reading references to the proceeds of sale and to the price as including the consideration for the exchange.

193 Disposal of know-how if trade continues to be carried on

(1) This section applies if—
   (a) a person carrying on a trade receives consideration for the disposal of know-how which has been used in the trade,
   (b) the person continues to carry on the trade after the disposal, and
   (c) neither section 194 (disposal of know-how as part of disposal of all or part of a trade) nor section 195 (seller controlled by buyer etc.) applies.

(2) The amount or value of the consideration is treated for all purposes as a trading receipt, except so far as it is brought into account under section 462 of CAA 2001 (disposal values).

(3) If the know-how is sold together with other property, the net proceeds of the sale of the know-how are treated as being so much of the net proceeds of the sale of all the property as, on a just and reasonable apportionment, is attributable to the know-how.

(4) For this purpose all property sold as a result of one bargain is treated as sold together even though—
   (a) separate prices are, or purport to be, agreed for separate items of that property, or
   (b) there are, or purport to be, separate sales of separate items of that property.

(5) Any question about the way in which a sum is to be apportioned under this section must be determined in accordance with section 563(2) to (6) of CAA 2001 (procedure for determining certain questions affecting two or more persons) if it materially affects two or more taxpayers.

(6) For this purpose a question materially affects two or more taxpayers if at the time when the question falls to be determined it appears that the determination is material to the liability to tax (for whatever period) of two or more persons.

194 Disposal of know-how as part of disposal of all or part of a trade

(1) This section applies if—
(a) a person carrying on a trade receives consideration for the disposal of know-how which has been used in the trade, and
(b) the know-how is disposed of as part of the disposal of all or part of the trade.

(2) If the person disposing of the know-how is within the charge to income tax, the consideration is treated for income tax purposes as a capital receipt for goodwill.

(3) If the person acquiring the know-how—
(a) is within the charge to income tax, and
(b) provided the consideration,
the consideration is treated for income tax purposes as a capital payment for goodwill.

(4) But the consideration is not treated for income tax purposes as a capital payment for goodwill if, before the acquisition, the trade was carried on wholly outside the United Kingdom.

(5) If the person disposing of the know-how is within the charge to income tax—
(a) that person, and
(b) the person acquiring the know-how (whether or not within the charge to income tax),
may jointly elect for this section not to apply (but see section 195).

(6) The election must be made within two years of the disposal.

(7) If—
(a) an election is made under [\(\text{section 178 of CTA 2009}\)] (corresponding corporation tax provision), and
(b) the person making the acquisition mentioned in [\(\text{that section}\)] is within the charge to income tax,
the persons making the election under [\(\text{that section}\)] are treated as also making an election under this section (even though the person disposing of the know-how is not within the charge to income tax).

**195 Seller controlled by buyer etc.**

(1) This section applies if a disposal of know-how is by way of sale and—
(a) the seller is a body of persons over which the buyer has control,
(b) the buyer is a body of persons over which the seller has control, or
(c) both the seller and the buyer are bodies of persons and another person has control over both of them.

(2) In such a case—
(a) section 193 does not apply, and
(b) no election may be made under section 194.
(3) For the purposes of this section “body of persons” includes a firm.

CHAPTER 15

BASIS PERIODS

Introduction

196 Professions and vocations

The provisions of this Chapter apply to professions and vocations as they apply to trades.

Accounting date

197 Meaning of “accounting date”

(1) In this Chapter “accounting date”, in relation to a tax year, means—
   (a) the date in the tax year to which accounts are drawn up, or
   (b) if there are two or more such dates, the latest of them.

(2) This is subject to—
   (a) section 211(2) (middle date treated as accounting date), and
   (b) section 214(3) (date treated as accounting date if date changed in tax year in which there is no accounting date).

The normal rules

198 General rule

(1) The general rule is that the basis period for a tax year is the period of 12 months ending with the accounting date in that tax year.

(2) This applies unless a different basis period is given by one of the following sections—
   section 199 (first tax year),
   section 200 (second tax year),
   section 201 (tax year in which there is no accounting date),
   section 202 (final tax year),
   section 209 or 210 (first accounting date shortly before end of tax year),
   section 212 (tax year in which middle date treated as accounting date),
   section 215 (change of accounting date in third tax year), and
First tax year

(1) The basis period for the tax year in which a person starts to carry on a trade—
   (a) begins with the date on which the person starts to carry on the trade, and
   (b) ends with 5th April in the tax year.

(2) But if a person starts and permanently ceases to carry on a trade in the same tax year, the basis period for the tax year is that given by section 202(2).

Second tax year

(1) The basis period for the second tax year in which a person carries on a trade is determined as follows.

(2) If in that tax year—
   (a) the accounting date falls less than 12 months after the date on which the person starts to carry on the trade, and
   (b) the person does not permanently cease to carry on the trade,
   the basis period is the period of 12 months beginning with the date on which the person starts to carry on the trade.

(3) If in that tax year—
   (a) the accounting date falls 12 months or more after the date on which the person starts to carry on the trade, and
   (b) the person does not permanently cease to carry on the trade,
   the basis period is that given by the general rule in section 198.

(4) If in that tax year—
   (a) there is no accounting date, and
   (b) the person does not permanently cease to carry on the trade,
   the basis period is the same as the tax year.

(5) If in that tax year the person permanently ceases to carry on the trade, the basis period is that given by section 202(1).

Tax year in which there is no accounting date

(1) If a person carries on a trade in a tax year and—
   (a) there is no accounting date in the tax year, and
   (b) the person does not start or permanently cease to carry on the trade in the tax year,
   the basis period for the tax year is the period of 12 months beginning immediately after the end of the basis period for the previous tax year.

(2) But this is subject to—
   (a) section 200 (second tax year), and
   (b) sections 215 and 216 (change of accounting date in third tax year or later tax year).
202 Final tax year

(1) The basis period for the tax year in which a person permanently ceases to carry on a trade—
   (a) begins immediately after the end of the basis period for the previous tax year, and
   (b) ends with the date on which the person permanently ceases to carry on the trade.

(2) But if a person starts and permanently ceases to carry on a trade in the same tax year, the basis period—
   (a) begins with the date on which the person starts to carry on the trade, and
   (b) ends with the date on which the person permanently ceases to carry on the trade.

Apportionment of profits

203 Apportionment etc. of profits to basis periods

(1) This section applies if the basis period for a tax year does not coincide with a period of account.

(2) Any of the following steps may be taken if they are necessary in order to arrive at the profits or losses of the basis period—
   (a) apportioning the profits or losses of a period of account to the parts of that period falling in different basis periods, and
   (b) adding the profits or losses of a period of account (or part of a period) to profits or losses of other periods of account (or parts).

(3) The steps must be taken by reference to the number of days in the periods concerned.

(4) But the person carrying on the trade may use a different way of measuring the length of the periods concerned if—
   (a) it is reasonable to do so, and
   (b) the way of measuring the length of periods is used consistently for the purposes of the trade.

Modifications etc. (not altering text)

C17 S. 203(3)(4) applied (6.4.2007 with effect as stated in s. 1034(1) of the amending Act) by Income Tax Act 2007 (c. 3), ss. 90(4), 1034 (with transitional provisions and savings in Sch. 2)

Overlap profits and losses

204 Meaning of “overlap period” and “overlap profit”

In this Chapter—

“overlap period” means a period which falls within two basis periods, and
“overlap profit” means profit which arises in an overlap period.
205 Deduction for overlap profit in final tax year

(1) If a person permanently ceases to carry on a trade in a tax year, a deduction is allowed for overlap profit in calculating the profits of the trade of the tax year.

(2) The amount of the deduction is calculated as follows.

   Step 1
   Add together the overlap profits arising in all overlap periods.

   Step 2
   Subtract from that any deductions for overlap profit made under section 220 (deduction for overlap profit on change of accounting date).

   The balance is the amount of the deduction allowed under this section.

206 Restriction on bringing losses into account twice

If a loss arises in, or is apportioned under section 203 to, two overlapping basis periods, the amount of the loss—

   (a) is brought into account in calculating the profits of the first basis period, and
   (b) is not brought into account in calculating the profits of the second basis period.

207 Treatment of business start-up payments received in an overlap period

(1) This section applies if—

   (a) a person carrying on a trade receives a business start-up payment (see subsection (3)) in a period which falls within two basis periods, and
   (b) the payment is not a lump sum payment.

(2) The payment—

   (a) is brought into account in calculating the profits of the trade of the first basis period, and
   (b) is not brought into account in calculating the profits of the trade of the second basis period.

(3) A “business start-up payment” means a payment under a Business Start-Up scheme which is of the kind originally known as enterprise allowance and is made—

   (a) in England and Wales, by a training and enterprise council pursuant to arrangements under section 2(2)(d) of the Employment and Training Act 1973 (c. 50),
   (b) in Scotland, by a local enterprise company under section 2(4)(c) of the Enterprise and New Towns (Scotland) Act 1990 (c. 35) in relation to arrangements under section 2(3) of that Act, or
   (c) in Northern Ireland, by or on behalf of the Department for Employment and Learning under section 1(1A)(d) of the Employment and Training Act (Northern Ireland) 1950 (c. 29 (N.1)).
Rules where first accounting date shortly before end of tax year

208 When the late accounting date rules apply

(1) Sections 209 and 210 contain rules for the purpose of—
   (a) avoiding the need to apportion profits, and
   (b) preventing overlap profit from arising,
   in relation to the tax year in which a person (“the trader”) starts to carry on a trade and the following tax year.

(2) Sections 209 and 210 apply in relation to a tax year if—
   (a) the first accounting date is 31st March or 1st, 2nd, 3rd or 4th April, and
   (b) that date falls in the tax year in which the trader starts to carry on the trade or in either of the following two tax years,
   but the trader may elect for those sections not to apply in relation to a tax year.

(3) In this section and section 210 “the first accounting date” means—
   (a) the first accounting date after the trader starts to carry on the trade, or
   (b) the date that is intended to be that accounting date if, at the time the trader delivers a return for a tax year, there has been no accounting date.

(4) An election under this section must be made on or before the first anniversary of the normal self-assessment filing date for the tax year to which it relates.

209 Rule if there is an accounting date

(1) This section applies if there is an accounting date in a tax year and that date is 31st March or 1st, 2nd, 3rd or 4th April.

(2) If—
   (a) the basis period for the tax year would otherwise end after the accounting date, and
   (b) the part of the basis period that would otherwise fall after the accounting date is included in the basis period for the following tax year,
   the basis period for the tax year ends on the accounting date.

210 Rules if there is no accounting date

(1) This section applies if there is no accounting date in a tax year (“the relevant tax year”).

(2) If the trader—
   (a) starts to carry on the trade in the relevant tax year, and
   (b) does so before 1st April,
   the basis period ends on the date in the relevant tax year that corresponds to the first accounting date.

(3) If the trader started to carry on the trade in the previous tax year and there was no accounting date in the previous tax year, the basis period for the relevant tax year—
   (a) begins immediately after the end of the basis period for the previous tax year, and
(b) ends on the date in the relevant tax year that corresponds to the first accounting date.

(4) If the trader—

(a) starts to carry on the trade in the relevant tax year, and

(b) does so after 31st March,

the profits or losses of the trade of the relevant tax year are treated as nil.

(5) In that case, the actual profits or losses of the trade of the relevant tax year are treated as arising in the basis period for the following tax year, so far as they do not already do so.

**Slight variations in accounting date**

### 211 Treating middle date as accounting date

(1) This section applies for the purpose of preventing the rules in sections 215 to 220 from applying if—

(a) accounts of a trade are drawn up to a particular day (rather than to a particular date), and

(b) that day is capable of falling on one of only 7 consecutive dates (or, if that day is in February, on one of only 8 consecutive dates).

(2) The person carrying on the trade may elect in relation to a tax year for the fourth of those dates (“the middle date”) to be treated as the accounting date in the tax year.

(3) The election has effect for the purposes of this Chapter, but not for any other purposes.

(4) An election under this section—

(a) must specify the day to which the accounts are drawn up and the middle date, and

(b) must be made on or before the first anniversary of the normal self-assessment filing date for the tax year to which it relates.

### 212 Consequence of treating middle date as accounting date

(1) If—

(a) a date (“the middle date”) is treated under section 211 as the accounting date in a tax year (“the current tax year”),

(b) the basis period for the current tax year would otherwise be that given by the general rule in section 198, and

(c) subsection (2) or (3) applies,

the basis period for the current tax year begins immediately after the end of the basis period for the previous tax year and ends with the middle date.

(2) This subsection applies if—

(a) the accounting date in the previous tax year was not determined under section 211, and

(b) that accounting date was one of the 7 (or 8) dates on which the day in the current tax year to which accounts are drawn up is capable of falling.

(3) This subsection applies if—
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

213 Circumstances in which middle date not treated as accounting date

(1) If—

(a) a date (“the middle date”) is treated under section 211 as the accounting date in a tax year (“the earlier tax year”),

(b) the basis period for the earlier tax year ends on the middle date, and

(c) the basis period for the following tax year (“the later tax year”) is that given by one of the provisions listed in subsection (2),

the basis period for the later tax year is determined as if the basis period for the earlier tax year had ended on the date to which accounts were actually drawn up in the earlier tax year.

(2) The provisions are—

(a) section 201(1) (tax year in which there is no accounting date),

(b) section 202(1) (tax year in which person permanently ceases to carry on a trade),

(c) section 215(2) (change of accounting date in third tax year), and

(d) section 216(3) (change of accounting date in later tax year).

Special rules if accounting date changes

214 When a change of accounting date occurs

(1) If there is a change from one accounting date (“the old accounting date”) to another accounting date (“the new accounting date”), the change of accounting date occurs—

(a) in the first tax year in which accounts are drawn up to the new accounting date, or

(b) if earlier, in the first tax year in which accounts are not drawn up to the old accounting date.

(2) A change from a date determined under section 211 to an actual accounting date is taken to be a change from one accounting date to another, even if the two dates are the same.

(3) If, because of subsection (1)(b), a change of accounting date occurs in a tax year in which there is no actual accounting date, the date corresponding to the new accounting date is treated as the accounting date in that tax year for the purpose of determining—

(a) the basis period for that tax year, and

(b) if section 219 applies, the basis period for the following tax year.

215 Change of accounting date in third tax year

(1) This section applies if—

(a) a change of accounting date occurs in the third tax year in which a person carries on a trade,
(b) the person does not permanently cease to carry on the trade in that tax year, and  
(c) the accounting date in that tax year falls more than 12 months after the end of the basis period for the second tax year in which the person carries on the trade.

(2) The basis period—
(a) begins immediately after the end of the basis period for the second tax year in which the person carries on the trade, and  
(b) ends with the accounting date in the third tax year in which the person carries on the trade.

216 Change of accounting date in later tax year

(1) This section applies if—
(a) a change of accounting date occurs in a tax year in which a person carries on a trade,  
(b) the tax year is later than the third tax year in which the person carries on the trade, and  
(c) the person does not permanently cease to carry on the trade in the tax year.

(2) If—
(a) the conditions in section 217 are met (conditions for basis period to end with new accounting date), and  
(b) the new accounting date falls less than 12 months after the end of the basis period for the previous tax year,  
the basis period is that given by the general rule in section 198.

(3) If—
(a) the conditions in section 217 are met, and  
(b) the new accounting date falls more than 12 months after the end of the basis period for the previous tax year,  
the basis period begins immediately after the end of the basis period for the previous tax year and ends with the accounting date.

(4) If the conditions in section 217 are not met, the basis period for the tax year is the period of 12 months ending with the old accounting date.

217 Conditions for basis period to end with new accounting date

(1) The conditions in this section are met if—
(a) the person carrying on the trade gives appropriate notice of the change of accounting date to [F212 an officer of Revenue and Customs](see subsection (2)),  
(b) the 18 month test is met (see subsection (3)), and  
(c) either condition A or B is met (see subsections (4) to (6)).

(2) Appropriate notice of the change of accounting date is given to [F212 an officer of Revenue and Customs] if (and only if) the notice is given—
(a) in a return under the provision of TMA 1970 that applies to the person carrying on a trade (see section 8, 8A or 12AA of that Act), and
(b) on or before the day on which the return is required to be made and delivered under that provision.

(3) The 18 month test is met if the period of account ending—
   (a) with the new accounting date in the tax year in which the change of accounting date occurs, or
   (b) if there is no new accounting date in that tax year, with the new accounting date in the first tax year in which accounts are drawn up to the new accounting date,

is not longer than 18 months.

(4) Condition A is that, in the 5 tax years immediately before the tax year in which the change of accounting date occurs, there has been no change of accounting date that counts for the purposes of this condition.

(5) A change of accounting date counts for the purposes of condition A if it results in the basis period for the tax year in which the change occurs ending with the accounting date in that tax year.

(6) Condition B is that—
   (a) the change of accounting date is made for commercial reasons (see section 218), and
   (b) the notice under subsection (2) sets out the reasons for the change.

218 Commercial reasons for change of accounting date

(1) If the Inland Revenue [F213 does not] give notice under this section to the person carrying on the trade, a change of accounting date is treated for the purposes of condition B in section 217 as made for commercial reasons.

(2) If the Inland Revenue [F213 does] give notice under this section to the person carrying on the trade, a change of accounting date is treated for the purposes of condition B in section 217 as made for reasons which are not commercial.

(3) The notice must—
   (a) state that [F214 the officer is not] satisfied that the change of accounting date is made for commercial reasons, and
   (b) be given within the period of 60 days beginning with the date on which the notice under section 217(2) is received.

(4) A person to whom notice is given under this section may appeal against it within the period of 30 days beginning with the date on which it is given.

(5) On an appeal [F215 that is notified to the tribunal] —
   (a) if the [F216 tribunal is] satisfied that the change is made for commercial reasons, [F217 the tribunal] may set aside the notice, and
   (b) if [F218 the tribunal is] not satisfied that the change is made for commercial reasons, [F219 the tribunal may] confirm the notice.
(6) For the purposes of this section obtaining a tax advantage is not a commercial reason.

(7) Part 5 of TMA 1970 (appeals against assessments to tax), apart from section 50, applies in relation to an appeal under this section as it applies in relation to an appeal against an assessment to tax.

### 219 The year after an ineffective change of accounting date

(1) This section applies to a tax year in which a person carries on a trade if—
   - the tax year falls immediately after a tax year in which a change of accounting date occurs, and
   - the basis period for the tax year in which the change occurs ends with the old accounting date.

(2) If the accounting date in the tax year is the new accounting date, a change of accounting date is treated as occurring in that tax year for the purposes of sections 216 to 220 (including this section).

(3) If the accounting date in the tax year reverts to the old accounting date, that change of accounting date is ignored for the purposes of—
   - section 214, and
   - sections 216 to 220 (including this section).

### 220 Deduction for overlap profit on change of accounting date

(1) This section applies for the purpose of calculating the profits of a trade of a tax year if—
   - a change of accounting date occurs in the tax year, and
   - the basis period for the tax year is longer than 12 months.

(2) A deduction must be made for overlap profit.

(3) The amount of the deduction is calculated as follows.

   **Step 1**
Add together the overlap profit arising in all overlap periods ending before the end of the tax year.

**Step 2**
Subtract from that any deductions made under this section for previous tax years. The balance is “the remaining overlap profit”.

**Step 3**
Add together the number of days in all overlap periods ending before the end of the tax year. Subtract from that the total number of days given by Step 5 on any previous occasions on which a deduction was made under this section. The balance is “the number of days on which the remaining overlap profit arises”.

**Step 4**
Divide the remaining overlap profit by the number of days on which the remaining overlap profit arises. The result of this step is “one day's worth of remaining overlap profit”.

**Step 5**
Subtract the number of days in the tax year from the number of days in the basis period. The balance is “the number of days' worth of overlap profit that may be deducted on this occasion”.

**Step 6**
Multiply one day's worth of remaining overlap profit (see Step 4) by the number of days' worth of overlap profit that may be deducted on this occasion (see Step 5). The result of this step is the amount of the deduction.

(4) The above steps are expressed in terms of numbers of days in periods, but the person carrying on the trade may use a different way of measuring the length of the periods concerned if—
(a) it is reasonable to do so, and
(b) the way of measuring the length of periods is used consistently for the purposes of the trade.

(5) If the accounting date in the tax year is 31st March or 1st, 2nd, 3rd or 4th April, the person carrying on the trade may treat the basis period for the tax year as ending on 5th April for the purpose of calculating the amount of the deduction.

(6) If a period used in calculating the amount of the deduction contains a 29th February and—
(a) the accounting date in the tax year is 5th April, or
(b) the basis period for the tax year is treated under subsection (5) as ending on 5th April,
the person carrying on the trade may ignore the 29th February for the purpose of calculating the amount of the deduction.
CHAPTER 16

AVERAGING PROFITS OF FARMERS AND CREATIVE ARTISTS

221 Claim for averaging of fluctuating profits

(1) This Chapter enables an individual (a “taxpayer”) to make a claim (an “averaging claim”) if—
   
   (a) the taxpayer is, or has been, carrying on a qualifying trade, profession or vocation (alone or in partnership), and
   
   (b) the taxpayer's profits from it (“the relevant profits”) fluctuate from one tax year to the next.

(2) A trade, profession or vocation is a “qualifying trade, profession or vocation” if—
   
   (a) it is farming or market gardening in the United Kingdom,
   
   (b) it is the intensive rearing in the United Kingdom of livestock or fish on a commercial basis for the production of food for human consumption, or
   
   (c) the taxpayer's profits from it are derived wholly or mainly from creative works.

(3) For this purpose “creative works” means—
   
   (a) literary, dramatic, musical or artistic works, or
   
   (b) designs,

   created by the taxpayer personally or, if the qualifying trade, profession or vocation is carried on in partnership, by one or more of the partners personally.

(4) For the purposes of this Chapter references to the relevant profits of a tax year are to profits before making any deduction for a loss made in any tax year.

(5) If the taxpayer makes a loss in the qualifying trade, profession or vocation in a tax year, the relevant profits of the tax year for the purposes of this Chapter are nil.

[F220(6) For the purposes of this Chapter references to the relevant profits of a tax year are to profits after any adjustment made under Chapter 16ZA (compensation for compulsory slaughter of animals).]

Textual Amendments

F220 S. 221(6) inserted (1.3.2012) by The Enactment of Extra-Statutory Concessions Order 2012 (S.I. 2012/266), arts. 1, 7 (with art. 9)

222 Circumstances in which claim may be made

(1) An averaging claim may be made in relation to two consecutive tax years in which a taxpayer is or has been carrying on the qualifying trade, profession or vocation if—
   
   (a) the relevant profits of one of the tax years are less than 75% of the relevant profits of the other tax year, or
   
   (b) the relevant profits of one (but not both) of the tax years are nil.

(2) An averaging claim may be made in relation to a tax year which was the later year on a previous averaging claim.
(3) An averaging claim may not be made in relation to a tax year if an averaging claim has already been made in relation to a later tax year in respect of the trade, profession or vocation.

(4) An averaging claim may not be made in relation to the tax year in which—
   (a) the taxpayer starts, or permanently ceases, to carry on the trade, profession or vocation, or
   (b) in the case of a trade, profession or vocation within section 221(2)(c), it begins or ceases to be a qualifying trade, profession or vocation.

(5) An averaging claim must be made on or before the first anniversary of the normal self-assessment filing date for the second of the tax years to which the claim relates.

(6) But see section 225(4) (extended time limit if profits adjusted for some other reason).

223 Adjustment of profits

(1) If a taxpayer makes an averaging claim, the amount taken to be the taxpayer's profits of each of the tax years for which the claim is made is adjusted in accordance with this section.

(2) But this is subject to paragraph 3 of Schedule 1B to TMA 1970 (claim given effect in the second of the two tax years).

(3) If—
   (a) the relevant profits of one of the tax years are 70% or less of the relevant profits of the other tax year, or
   (b) the relevant profits of one (but not both) of the tax years are nil,
the amount of the adjusted profits of each of the tax years is the average of the relevant profits of the two tax years.

(4) If the relevant profits of one of the tax years—
   (a) are more than 70%, but
   (b) are less than 75%,
of the relevant profits of the other tax year, the amount of the adjusted profits of each of the tax years is calculated as follows, so as to reduce the variation between them.

Step 1

Calculate the amount of the adjustment by applying the formula—

\[
(D \times 3) - (P \times 0.75)
\]

where—

D is the difference between the relevant profits of the two tax years, and

P is the relevant profits of the tax year of which those profits are higher.

Step 2

Add the amount of the adjustment to the relevant profits of the tax year of which those profits are lower.
The result is the amount of the adjusted profits of that tax year.

Step 3

Subtract the amount of the adjustment from the relevant profits of the tax year of which those profits are higher.

The result is the amount of the adjusted profits of that tax year.

224 Effect of adjustment

(1) The adjusted profits are taken to be the relevant profits of the tax years to which the claim relates for all income tax purposes, including the further application of this Chapter.

(2) This is subject to—
   (a) subsection (3) of this section and section 225(2), and
   (b) paragraph 3 of Schedule 1B to TMA 1970.

(3) If the relevant profits of one of the tax years are nil, this Chapter does not prevent the taxpayer from obtaining relief under the Income Tax Acts for a loss made by the taxpayer in the tax year in question or any other tax year.

(4) A claim by the taxpayer for relief under any other provision of the Income Tax Acts for either of the tax years to which an averaging claim relates (“the other claim”)—
   (a) is not out of time if made on or before the last date on which the averaging claim could have been made, and
   (b) if already made, may be amended or revoked on or before that date.

(5) For this purpose—
   (a) references to a claim include an election or notice, and
   (b) if the other claim is made in a return, the reference to amending or revoking the other claim is to amending the return by amending or omitting the other claim.

(6) For provision determining in which tax year a claim, amendment or revocation made as a result of subsection (4) has effect, see paragraph 4 of Schedule 1B to TMA 1970 (claim, amendment or revocation given effect in the second of the two tax years).

225 Effect of later adjustment of profits

(1) This section applies if, after the taxpayer has made an averaging claim, the relevant profits in either or both of the tax years to which the claim relates are adjusted for another reason.

(2) The averaging claim is ignored.

(3) But this does not prevent a further averaging claim from being made in relation to the taxpayer's profits as adjusted for the other reason.

(4) A further averaging claim is not out of time as long as it is made on or before the first anniversary of the normal self-assessment filing date for the tax year in which the adjustment for the other reason is made.
CHAPTER 16ZA – COMPENSATION FOR COMPULSORY SLAUGHTER OF ANIMALS

225ZA Application of Chapter 16ZA

(1) This Chapter applies if—
   (a) an animal treated as trading stock of a farming trade is slaughtered under a disease control order,
   (b) the animal is not part of a production herd of a class in respect of which a herd basis election may be made under section 126, and
   (c) the farmer receives or will receive compensation for the animal.

(2) Such an animal is referred to in this Chapter as a “relevant animal”.

(3) “Disease control order” has the same meaning as in section 126.

225ZB Right to make claim

(1) The farmer may make a claim under this section.

(2) A claim may only be made in respect of the total compensation profit for a period of account.

(3) The total compensation profit for a period of account is the sum of the profits which the farmer makes for all the relevant animals slaughtered in that period.

(4) For the purposes of this Chapter the profit which the farmer makes for a relevant animal is—
   (a) the amount by which the compensation for the animal exceeds its book value, or
   (b) if the trade is carried on in partnership, the farmer’s share of that amount, determined in accordance with Part 9.

(5) Nothing in this section prevents a claim being made before the amount of the compensation has been finally determined.

225ZC Book value

(1) For the purposes of this Chapter the book value of an animal is the value shown in the accounts as the value of the animal at the start of the period of account in which it was slaughtered.

(2) If, for an animal, no value is shown in the accounts as that value, the book value is as follows—
   (a) in the case of an animal which was born in the period of account in which it was slaughtered and did not become part of the trading stock in any other way, the book value is 75% of the compensation payable for it,
(b) in the case of an animal in relation to which section 172C (trading stock supplied by trader) or 172E (acquisitions not made in the course of trade) applies, the book value is the cost treated as incurred under section 172C(2) or 172E(2) as the case may be, and

(c) in any other case, the book value is the cost of acquiring the animal for the purposes of the trade.

### 225ZD Effect of claim for spreading profits

(1) If the farmer makes a claim under section 225ZB in respect of the total compensation profit for a period of account (“period X”), the profits of the trade carried on by the farmer are to be adjusted for income tax purposes as follows—

### Step 1
Treat the compensation payable for all of the relevant animals slaughtered in period X as a receipt of that period (regardless of when the compensation is finally determined or paid).

### Step 2
If the farmer makes a profit in the trade in Year 1, deduct from the profits of Year 1 an amount equal to—

(a) the total compensation profit for period X, or

(b) if the total compensation profit exceeds the profits of Year 1, such portion of the total compensation profit as will reduce the profits to nil.

“Year 1” is—

(a) the tax year whose basis period includes the whole or a part of period X, or

(b) if there is more than one, the earliest of those tax years.

### Step 3
If—

(a) there is more than one tax year whose basis period includes the whole or a part of period X,

(b) either—

(i) the farmer did not make a profit in the trade in Year 1, or

(ii) by virtue of step 2, a portion only of the total compensation profit for period X is deducted from the profits of Year 1, and

(c) the farmer makes a profit in the trade in the next tax year (“Year 2”),

deduct from the profits of Year 2 the applicable amount.

In a case where the farmer did not make a profit in Year 1, “the applicable amount” is—

(a) the total compensation profit for period X, or

(b) if the total compensation profit exceeds the profits of Year 2, such portion of the total compensation profit as will reduce the profits to nil.

In a case where a portion only of the total compensation profit for period X is deducted from the profits of Year 1, “the applicable amount” is—

(a) an amount equal to the difference between the total compensation profit for period X and the portion so deducted, or

(b) if that amount exceeds the profits of Year 2, such portion of that amount as will reduce the profits to nil.
No further deduction is to be made in respect of the total compensation profit for period X from the profits of any later tax year whose basis period includes a part of that period.

**Step 4**

Include in the profits of each of the 3 consecutive tax years following Year 1 an amount equal to one third of the total amount deducted by virtue of steps 2 and 3.

(2) Nothing in this section affects the calculation of overlap profit (within the meaning of Chapter 15 of this Part).

### 225ZE Adjustment: cessation of trading

If the farmer permanently ceases to carry on the farming trade before the end of the second of the 3 consecutive tax years following Year 1, step 4 in section 225ZD(1) is to be replaced by the following two steps—

**Step 4**

Divide the total amount deducted by virtue of steps 2 and 3 by the number of tax years ("the remaining tax years") in which, or in any part of which, the farmer carried on the farming trade, starting with Year 1.

**Step 5**

Include in the profits of each of the remaining tax years the amount resulting from the division in step 4.

### 225ZF Time limits etc for spreading claim

(1) A claim under section 225ZB must be made on or before the first anniversary of the normal self-assessment filing date for Year 1.

(2) If the profits of a tax year are to be adjusted or further adjusted in accordance with this Chapter after an assessment for that tax year has become final and conclusive, any assessment or repayment or discharge of tax that is necessary to give effect to this Chapter must be made.

(3) But repayment or discharge of tax is due only if a claim for it is made.

### 225ZG Interpretation

In this Chapter—

- "animal" means any animal or other living creature;
- "farming trade" means a trade of farming;
- "the farmer", in relation to a farming trade, means the individual who (alone or in partnership) carries on that trade;
- "total compensation profit" has the meaning given by section 225ZB.
CHAPTER 16A

OIL ACTIVITIES

Basic definitions

225A Meaning of “oil extraction activities”

(1) In this Chapter “oil extraction activities” means activities within any of subsections (2) to (5) (but see also section 225M(6)).

(2) Activities of a person in searching for oil in the United Kingdom or a designated area or causing such searching to be carried out for that person.

(3) Activities of a person in extracting, or causing to be extracted for that person, oil at any place in the United Kingdom or a designated area under rights which—
   (a) authorise the extraction, and
   (b) are held by that person.

(4) Activities of a person in transporting, or causing to be transported for that person, oil extracted at any such place not on dry land under rights which—
   (a) authorise the extraction, and
   (b) are held by that person,
   if the transportation meets condition A or B (see subsections (6) and (7)).

(5) Activities of a person in effecting, or causing to be effected for that person, the initial treatment or initial storage of oil won from any oil field under rights which—
   (a) authorise its extraction, and
   (b) are held by that person.

(6) Condition A is that the transportation is to the place where the oil is first landed in the United Kingdom.

(7) Condition B is that the transportation—
   (a) is to the place in the United Kingdom, or
   (b) in the case of oil first landed in another country, is to the place in that or any other country (other than the United Kingdom), at which the seller in a sale at arm's length could reasonably be expected to deliver it (or, if there is more than one such place, the one nearest to the place of extraction).

(8) The definition of “initial storage” in section 12(1) of OTA 1975 applies for the purposes of this section.

(9) But in its application for those purposes in relation to the person mentioned in subsection (5) and to oil won from any one oil field, that definition is to have effect as if the reference to the maximum daily production rate of oil for the field mentioned
in that definition were to a share of that maximum daily production rate proportionate to that person's share of the oil won from that field.

(10) In this section “initial treatment” has the same meaning as in Part 1 of OTA 1975 (see section 12(1) of that Act).

225B Meaning of “oil rights”

In this Chapter “oil rights” means—

(a) rights to oil to be extracted at any place in the United Kingdom or a designated area, or

(b) rights to interests in or to the benefit of such oil.

225C Meaning of “ring fence income”

In this Chapter “ring fence income” means income arising from oil extraction activities or oil rights.

225D Meaning of “ring fence trade”

In this Chapter “ring fence trade” means activities which—

(a) are within the definition of “oil-related activities” in section 16(2) (oil extraction and related activities), and

(b) constitute a separate trade (whether because of section 16(1) or otherwise).

225E Other definitions

In this Chapter—

“chargeable period” has the same meaning as in Part 1 of OTA 1975 (see section 1(3) of that Act),

“designated area” means an area designated by Order in Council under section 1(7) of the Continental Shelf Act 1964,

“oil” means any substance won or capable of being won under the authority of a licence granted under Part 1 of the Petroleum Act 1998 or the Petroleum (Production) Act (Northern Ireland) 1964 (c. 28 (N.I.)), other than methane gas won in the course of operations for making and keeping mines safe,

“oil field” has the same meaning as in Part 1 of OTA 1975 (see section 12(1) of that Act),

“OTA 1975” means the Oil Taxation Act 1975, and

“participator” has the same meaning as in Part 1 of OTA 1975 (see section 12(1) of that Act).

Oil valuation

225F Valuation where market value taken into account under section 2 of OTA 1975

(1) This section applies if a person disposes of oil in circumstances such that the market value of the oil—

(a) falls to be taken into account under section 2 of OTA 1975, otherwise than by virtue of paragraph 6 of Schedule 3 to that Act, in calculating for petroleum
revenue tax purposes the assessable profit or allowable loss accruing to that person in a chargeable period from an oil field, or
(b) would so fall but for section 10 of that Act.

(2) For income tax purposes, the disposal of the oil, and its acquisition by the person to whom it was disposed of, are to be treated as having been for a consideration equal to the market value of the oil—
(a) as so taken into account under section 2 of that Act, or
(b) as would have been so taken into account under that section but for section 10 of that Act.

225G Valuation where disposal not sale at arm's length

(1) This section applies if conditions A, B and C are met.

(2) Condition A is that a person disposes of oil acquired by the person—
(a) in the course of oil extraction activities carried on by the person, or
(b) as a result of oil rights held by the person.

(3) Condition B is that the disposal is not a sale at arm's length (as defined in paragraph 1 of Schedule 3 to OTA 1975).

(4) Condition C is that section 225F does not apply in relation to the disposal.

(5) For income tax purposes, the disposal of the oil, and its acquisition by the person to whom it was disposed of, are to be treated as having been for a consideration equal to the market value of the oil.

(6) Paragraphs 2 and 3A of Schedule 3 to OTA 1975 (definition of market value of oil including light gases) apply for the purposes of this section as they apply for the purposes of Part 1 of that Act, but with the following modifications.

(7) Those modifications are that—
(a) any reference in paragraph 2 to the notional delivery day for the actual oil is to be read as a reference to the day on which the oil is disposed of as mentioned in this section, and
(b) paragraph 2(4) is to be treated as omitted.

225H Valuation where excess of nominated proceeds

(1) This section applies if an excess of nominated proceeds for a chargeable period—
(a) is taken into account in calculating a person's profits under section 2(5)(e) of OTA 1975, or
(b) would have been so taken into account if the person were chargeable to tax under OTA 1975 in respect of an oil field.

(2) For income tax purposes, the amount of the excess is to be added to the consideration which the person is treated as having received in respect of oil disposed of by that person in the period.

225I Valuation where relevant appropriation but no disposal

(1) This section applies if conditions A and B are met.
(2) Condition A is that a person makes a relevant appropriation of oil without disposing of it.

(3) Condition B is that the person does so in circumstances such that the market value of the oil—
   (a) falls to be taken into account under section 2 of OTA 1975 in calculating for petroleum revenue tax purposes the assessable profit or allowable loss accruing to that person in a chargeable period from an oil field, or
   (b) would so fall but for section 10 of that Act.

(4) For income tax purposes, the person is to be treated as having, at the time of the appropriation—
   (a) sold the oil in the course of the separate trade consisting of activities falling within the definition of “oil-related activities” in section 16(2) (oil extraction and related activities), and
   (b) purchased it in the course of the separate trade consisting of activities not so falling.

(5) For income tax purposes, that sale and purchase is to be treated as having been at a price equal to the market value of the oil—
   (a) as so taken into account under section 2 of OTA 1975, or
   (b) as would have been so taken into account under that section but for section 10 of that Act.

(6) In this section “relevant appropriation” has the meaning given by section 12(1) of OTA 1975.

**225J Valuation where appropriation to refining etc**

(1) This section applies if conditions A, B and C are met.

(2) Condition A is that a person appropriates oil acquired by the person—
   (a) in the course of oil extraction activities carried on by the person, or
   (b) as a result of oil rights held by the person.

(3) Condition B is that the oil is appropriated to refining or to any use except the production purposes of an oil field (as defined in section 12(1) of OTA 1975).

(4) Condition C is that section 225I does not apply in relation to the appropriation.

(5) For income tax purposes—
   (a) the person is to be treated as having, at the time of the appropriation, sold and purchased the oil as mentioned in section 225I(4)(a) and (b), and
   (b) that sale and purchase is to be treated as having been at a price equal to the market value of the oil.

(6) Paragraphs 2 and 3A of Schedule 3 to OTA 1975 (definition of market value of oil including light gases) apply for the purposes of this section as they apply for the purposes of Part 1 of that Act, but with the following modifications.

(7) Those modifications are that—
(a) any reference in paragraph 2 to the notional delivery day for the actual oil is to be read as a reference to the day on which the oil is appropriated as mentioned in this section,

(b) any reference in paragraphs 2 and 2A to oil being relevantly appropriated is to be read as a reference to its being appropriated as mentioned in this section, and

(c) paragraph 2(4) is to be treated as omitted.

Regional development grants

225K Reduction of expenditure by reference to regional development grant

(1) This section applies if conditions A and B are met.

(2) Condition A is that a person has incurred expenditure (by way of purchase, rent or otherwise) on the acquisition of an asset in a transaction to which paragraph 2 of Schedule 4 to OTA 1975 applies (transactions between connected persons or otherwise than at arm's length).

(3) Condition B is that the expenditure incurred by the other person mentioned in that paragraph in acquiring, bringing into existence or enhancing the value of the asset as mentioned in that paragraph—

(a) has been or is to be met by a regional development grant, and

(b) falls (in whole or in part) to be taken into account under Part 2 or 6 of CAA 2001 (capital allowances relating to plant and machinery or research and development).

(4) Subsection (5) applies for the purposes of the charge to income tax on the income arising from the activities of the person mentioned in subsection (2) which are treated by section 16(1) (oil extraction and related activities) as a separate trade for those purposes.

(5) The expenditure mentioned in subsection (2) is to be reduced by the amount of the regional development grant mentioned in subsection (3).

(6) In this section “regional development grant” means a grant falling within section 534(1) of CAA 2001 (Northern Ireland regional development grant).

Modifications etc. (not altering text)

C18 S. 225K(5)(b) modified (1.4.2010) (with effect in accordance with s. 381(1) of the amending Act) by Taxation (International and Other Provisions) Act 2010 (c. 8), s. 381(1), Sch. 9 para. 35(a) (with Sch. 9 paras. 1-9, 22))

225L Adjustment as a result of regional development grant

(1) This section applies if conditions A, B and C are met.

(2) Condition A is that expenditure incurred by a person in relation to an asset in a tax year (“the initial period”) has been or is to be met by a regional development grant.

(3) Condition B is that, despite the provisions of section 534(2) and (3) of CAA 2001 (Northern Ireland regional development grants) and section 225K of this Act, the expenditure referred to in subsection (2) is to be reduced by the amount of the regional development grant mentioned in subsection (3).
determining that person's liability to income tax for the initial period, the whole or some part of that expenditure falls to be taken into account under Part 2 or 6 of CAA 2001.

(4) Condition C is that—
(a) expenditure on the asset becomes allowable under section 3 or 4 of OTA 1975 in a tax year (an “adjustment period”) subsequent to the initial period, or
(b) the proportion of any such expenditure which is allowable in an adjustment period is different as compared with the initial period.

(5) There is to be redetermined for the purposes of subsections (7) and (8) the amount of the expenditure mentioned in subsection (2) which would have been taken into account as mentioned in subsection (3) if the circumstances mentioned in subsection (4) had existed in the initial period.

(6) According to whether the amount as so redetermined is greater or less than the amount actually taken into account as mentioned in subsection (3), the difference is referred to in subsections (7) and (8) as the increase or the reduction in the allowance.

(7) If there is an increase in the allowance, an amount of capital expenditure equal to the increase is to be treated, for the purposes of Part 2 or 6 of CAA 2001, as having been incurred by the person concerned in the adjustment period on an extension of, or addition to, the asset mentioned in subsection (2).

(8) If there is a reduction in the allowance, the person concerned is to be treated, for the purpose of determining that person's liability to income tax, as having received in the adjustment period, as income of the trade in connection with which the expenditure mentioned in subsection (2) was incurred, a sum equal to the amount of the reduction in the allowance.

(9) In this section “regional development grant” has the meaning given by section 225K(6).

**Tariff receipts etc**

225M Tariff receipts etc

(1) Subsection (5) applies to a sum which meets conditions A, B and C.

(2) Condition A is that the sum constitutes a tariff receipt or tax-exempt tariffing receipt of a person who is a participator in an oil field.

(3) Condition B is that the sum constitutes consideration in the nature of income rather than capital.
(4) Condition C is that the sum would not, but for subsection (5), be treated as mentioned in that subsection.

(5) The sum is to be treated as a receipt of the separate trade mentioned in section 16(1) (oil extraction and related activities).

(6) So far as they would not otherwise be so treated, the activities—
   (a) of a participator in an oil field, or
   (b) of a person connected with the participator,
   in making available an asset in a way which gives rise to tariff receipts or tax-exempt tariffing receipts of the participator are to be treated for the purposes of this Chapter as oil extraction activities.

(7) In determining for the purposes of subsection (2) whether a sum constitutes a tariff receipt or tax-exempt tariffing receipt of a person who is a participator, no account may be taken of any sum which—
   (a) is in fact received or receivable by a person connected with the participator, and
   (b) constitutes a tariff receipt or tax-exempt tariffing receipt of the participator.
   But in relation to the person by whom such a sum is actually received, subsection (2) has effect as if the person were a participator and as if condition A were met.

(8) References in this section to a person connected with a participator include a person with whom the person is associated, within the meaning of paragraph 11 of Schedule 2 to the Oil Taxation Act 1983, but section 878(5) of this Act (application of definition of “connected” persons) does not apply for the purposes of this section.

(9) In this section—
   “tax-exempt tariffing receipt” has the meaning given by section 6A(2) of the Oil Taxation Act 1983, and
   “tariff receipt” has the same meaning as in that Act.

Abandonment guarantees

225N   Expenditure on and under abandonment guarantees

(1) Subsection (2) applies if, as a result of section 3(1)(hh) of OTA 1975 (obtaining abandonment guarantee), expenditure incurred by a participator in an oil field is allowable (in whole or in part) for petroleum revenue tax purposes under section 3 of that Act.

(2) So far as that expenditure is so allowable, it is to be allowed as a deduction in calculating the participator’s ring fence income.

(3) Subsection (4) applies if a payment is made by the guarantor under an abandonment guarantee.

(4) So far as any expenditure for which the relevant participator is liable is met, directly or indirectly, out of the payment, the expenditure is not to be regarded for income tax purposes as having been incurred by the relevant participator or any other participator in the oil field concerned.
(5) See also section 225P (payment under abandonment guarantee not immediately applied).

(6) In this Chapter—

“abandonment guarantee” has the same meaning as it has for the purposes of section 105 of FA 1991 (see section 104 of that Act), and

“the guarantor” and “the relevant participator” have the same meaning as in section 104 of that Act.

### 225O Relief for reimbursement expenditure under abandonment guarantees

(1) This section applies if—

(a) a payment (“the guarantee payment”) is made by the guarantor under an abandonment guarantee,

(b) as a result of the making of the guarantee payment, the relevant participator becomes liable under the terms of the abandonment guarantee to pay any sum to the guarantor, and

(c) expenditure is incurred, or consideration in money’s worth is given, by the relevant participator in or towards meeting that liability.

(2) In this section “reimbursement expenditure” means expenditure incurred as mentioned in subsection (1)(c) or consideration (or the value of consideration) given as so mentioned; and any reference to the incurring of reimbursement expenditure is to be read accordingly.

(3) So much of any reimbursement expenditure as constitutes qualifying expenditure (see subsection (4)) is to be allowed as a deduction in calculating the relevant participator’s ring fence income; and no part of the expenditure which is so allowed is to be otherwise deductible or allowable by way of relief for income tax purposes.

(4) The amount of reimbursement expenditure incurred in any tax year by the relevant participator which constitutes qualifying expenditure is determined by the formula—

\[ \frac{UR}{TUR} \times X \]

where—

A is the reimbursement expenditure incurred in the tax year,

B is so much of the expenditure represented by the guarantee payment as, had it been incurred by the relevant participator, would have been taken into account (by way of capital allowance or a deduction) in calculating the relevant participator’s ring fence income, and

C is the total of the sums which, at or before the end of the tax year, the relevant participator is or has become liable to pay to the guarantor as mentioned in subsection (1)(b).

But this is subject to subsection (5).

(5) In relation to the guarantee payment, the total of the reimbursement expenditure (whenever incurred) which constitutes qualifying expenditure may not exceed whichever is the less of B and C in subsection (4).
(6) Any limitation on qualifying expenditure under subsection (5) is to be applied to the expenditure of a later tax year in preference to an earlier one.

(7) For the purposes of this section, the expenditure represented by the guarantee payment is any expenditure—
(a) for which the relevant participator is liable, and
(b) which is met, directly or indirectly, out of the guarantee payment (and which, accordingly, because of section 225N(4) is not to be regarded as expenditure incurred by the relevant participator).

(8) See also—
(a) section 225P (payment under abandonment guarantee not immediately applied), and
(b) section 225Q which excludes amounts from subsection (1).

225P Payment under abandonment guarantee not immediately applied

(1) This section applies if—
(a) a payment made by the guarantor under an abandonment guarantee is not immediately applied in meeting any expenditure,
(b) the payment is for any period invested (either specifically or together with payments made by persons other than the guarantor) so as to be represented by, or by part of, the assets of a fund or account, and
(c) at a subsequent time, any expenditure for which the relevant participator is liable is met out of the assets of the fund or account.

(2) The references in sections 225N(4) and 225O(7) to expenditure which is met, directly or indirectly, out of the payment are to be read as references to so much of the expenditure for which the relevant participator is liable as is met out of those assets of the fund or account which, at the subsequent time mentioned in subsection (1)(c), it is just and reasonable to attribute to the payment.

225Q Amounts excluded from section 225O(1)

(1) This section applies if—
(a) the whole of the guarantee payment mentioned in section 225O, or of the assets which under section 225P are attributed to the guarantee payment, is not applied in meeting liabilities of the relevant participator so mentioned which fall within section 104(1)(a) and (b) of FA 1991, and
(b) a sum representing the unapplied part of the guarantee payment or of those assets is repaid, directly or indirectly, to the guarantor so mentioned.

(2) Any liability of the relevant participator to repay that sum is to be excluded in determining the total liability of the relevant participator which falls within section 225O(1)(b).

(3) The repayment to the guarantor of that sum is not to be regarded as expenditure incurred by the relevant participator as mentioned in section 225O(1)(c).
Abandonment expenditure

225R Introduction to sections 225S and 225T

(1) Sections 225S and 225T apply if—
   (a) paragraph 2A of Schedule 5 to OTA 1975 applies, or would apply if a claim under paragraph 2A(2) of that Schedule were made, and
   (b) the default payment falls (in whole or part) to be attributed to the contributing participator under paragraph 2A(2) of that Schedule.

(2) In section 225S “the additional abandonment expenditure” means the amount which is attributed to the contributing participator as mentioned in subsection (1)(b) (whether representing the whole or only part of the default payment).

(3) In this Chapter “default payment”, “the defaulter” and “contributing participator” have the same meaning as in paragraph 2A of Schedule 5 to OTA 1975.

225S Relief for expenditure incurred by a participator in meeting defaulter's abandonment expenditure

(1) Relief by way of capital allowance, or a deduction in calculating ring fence income, is to be available to the contributing participator in respect of the additional abandonment expenditure if any such relief or deduction would have been available to the defaulter if—
   (a) the defaulter had incurred the additional abandonment expenditure, and
   (b) at the time that that expenditure was incurred the defaulter continued to carry on a ring fence trade.

(2) The basis of qualification for or entitlement to any relief or deduction which is available to the contributing participator under this section is to be determined on the assumption that the conditions in subsection (1)(a) and (b) are met.

(3) But, subject to subsection (2), any such relief or deduction is to be available in the same way as if the additional abandonment expenditure had been incurred by the contributing participator for the purposes of the ring fence trade carried on by the contributing participator.

225T Reimbursement by defaulter in respect of certain abandonment expenditure

(1) This section applies if expenditure is incurred, or consideration in money's worth is given, by the defaulter in reimbursing the contributing participator in respect of, or otherwise making good to the contributing participator, the whole or any part of the default payment.

(2) In this section “reimbursement expenditure” means expenditure incurred as mentioned in subsection (1) or consideration (or the value of consideration) given as so mentioned; and any reference to the incurring of reimbursement expenditure is to be read accordingly.

(3) Reimbursement expenditure is to be allowed as a deduction in calculating the defaulter's ring fence income (but this is subject to subsection (6)).
(4) Reimbursement expenditure received by the contributing participator is to be treated as a receipt (in the nature of income) of the participator’s ring fence trade for the relevant tax year (but this is subject to subsection (6)).

(5) Any additional assessment to income tax required in order to take account of the receipt of reimbursement expenditure by the contributing participator may be made at any time not later than 4 years after the end of the calendar year in which the reimbursement expenditure is so received.

(6) In relation to a particular default payment, reimbursement expenditure incurred at any time—

(a) is to be allowed as mentioned in subsection (3), and

(b) is to be taken into account as a result of subsection (4) in calculating the contributing participator’s ring fence income,

only so far as, when aggregated with any reimbursement expenditure previously incurred in respect of that default payment, it does not exceed so much of the default payment as falls to be attributed to the contributing participator as mentioned in section 225R(1)(b).

(7) The incurring of reimbursement expenditure is not to be regarded, by virtue of section 532 of CAA 2001 (the general rule excluding contributions), as the meeting of the expenditure of the contributing participator in making the default payment.

(8) In subsection (4) “the relevant tax year” means—

(a) the tax year in which the reimbursement expenditure is received by the contributing participator, or

(b) if the contributing participator’s ring fence trade is permanently discontinued before the receipt of the reimbursement expenditure, the last tax year in which that trade was carried on.

Interest on repayment of APRT

225U Interest on repayment of APRT

(1) Subsection (2) applies if interest is paid to a participator under paragraph 10(4) of Schedule 19 to FA 1982 (interest on advance petroleum revenue tax which becomes repayable).

(2) The interest paid is to be disregarded in calculating the participator's income for income tax purposes.]
CHAPTER 17

ADJUSTMENT INCOME

Introduction

226 Professions and vocations

The provisions of this Chapter apply to professions and vocations as they apply to trades.

Adjustment on change of basis

227 Application of Chapter

(1) This Chapter applies if—

(a) a person carrying on a trade changes, from one period of account to the next, the basis on which profits of the trade are calculated for income tax purposes,
(b) the old basis accorded with the law or practice applicable in relation to the period of account before the change, and
(c) the new basis accords with the law and practice applicable in relation to the period of account after the change,

but does not apply to income which is charged in accordance with section 832 (relevant foreign income charged on the remittance basis).

(2) The practice applicable in any case means the accepted practice in cases of that description as to how profits of a trade should be calculated for income tax purposes.

(3) A person changes the basis on which profits of a trade are calculated for income tax purposes if the person makes—

(a) a change of accounting policy (see subsection (4)), or
(b) a change in the tax adjustments applied (see subsections (5) and (6)).

(4) A “change of accounting policy” includes, in particular—

(a) a change from using UK generally accepted accounting practice to using generally accepted accounting practice with respect to accounts prepared in accordance with international accounting standards, and
(b) a change from using generally accepted accounting practice with respect to accounts prepared in accordance with international accounting standards to using UK generally accepted accounting practice.

(5) A “tax adjustment” means any adjustment required or authorised by law in calculating profits of a trade for income tax purposes.

(6) A “change in the tax adjustments applied”—

(a) does not include a change made in order to comply with amending legislation not applicable to the previous period of account, but
(b) includes a change resulting from a change of view as to what is required or authorised by law or as to whether any adjustment is so required or authorised.
228 Adjustment income and adjustment expense

(1) An amount by way of adjustment must be calculated in accordance with section 231.

(2) If the amount produced by the calculation is positive, it is treated as income and charged to income tax under this Chapter.

   It is referred to in this Chapter as “adjustment income”.

(3) If the amount produced by the calculation is negative, a deduction is allowed for it in calculating the profits of the trade.

   It is referred to in this Chapter as an “adjustment expense”.

(4) This section is subject to section 234 (no adjustment for certain expenses previously brought into account).

229 Income charged

(1) Tax is charged under this Chapter on the full amount of any adjustment income arising in the tax year.

(2) This is subject to—
   (a) sections 237 to 239 (which provide for spreading of adjustment income), and
   (b) Part 8 (foreign income: special rules).

230 Person liable

The person liable for any tax charged under this Chapter is the person receiving or entitled to the adjustment income.

231 Calculation of the adjustment

The amount of the adjustment is calculated as follows. Step 1

Add together any amounts representing the extent to which, comparing the two bases, profits were understated (or losses overstated) on the old basis.

The amounts are—

**Amounts**

1 Receipts which on the new basis would have been brought into account in calculating the profits of a period of
account before the change, so far as they were not so brought into account.

2 Expenses which on the new basis fall to be brought into account in calculating the profits of a period of account after the change, so far as they were brought into account in calculating the profits of a period of account before the change.

3 Deductions in respect of opening trading stock or opening work in progress in the first period of account on the new basis, so far as they—
   (a) are not matched by credits in respect of closing trading stock or closing work in progress in the last period of account before the change, or
   (b) are calculated on a different basis that if used to calculate those credits would have given a higher figure.

4 Amounts recognised for accounting purposes in respect of depreciation in the last period of account before the change, so far as they were not the subject of an adjustment for income tax purposes, where such an adjustment would be required on the new basis.

**Step 2**

Then deduct any amounts representing the extent to which, comparing the two bases, profits were overstated (or losses understated) on the old basis.

The amounts are—

**Amounts**

1 Receipts which were brought into account in a period of account before the change, so far as they would not have been so brought into account if the profits had been calculated on the new basis.

2 Expenses which were not brought into account in calculating the profits of a period of account before the change, so far as they—
   (a) would have been brought into account for a period of account before the change if the profits had
been calculated on the new basis, and
(b) would have been brought into account for a period of account after the change if the profits had continued to be calculated on the old basis.

3 Credits in respect of closing trading stock or closing work in progress in the last period of account before the change, so far as they—
(a) are not matched by deductions in respect of opening trading stock or opening work in progress in the first period of account on the new basis, or
(b) are calculated on a different basis that if used to calculate those deductions would have given a lower figure.

An amount so deducted may not be deducted again in calculating the profits of a period of account.

**Treatment of adjustment income and adjustment expense**

232 Treatment of adjustment income

(1) Adjustment income is treated as arising on the last day of the first period of account for which the new basis is adopted.

(2) But this is subject to sections 235 (cases where adjustment not required until assets realised or written off) and 236 (change from realisation basis to mark to market).

(3) Adjustment income is treated for the purposes of [Part 4 of ITA 2007](loss relief) as profits of the trade for the tax year in which tax is charged on it.

(4) In the case of an individual whose income from the trade is relevant [UK earnings within section 189(2)(b) of FA 2004, adjustment income is similarly relevant UK earnings.]

### Textual Amendments

**F225** Words in s. 232(3) substituted (6.4.2007 with effect as stated in s. 1034(1) of the amending Act) by Income Tax Act 2007 (c. 3), ss. 1027, 1034, Sch. 1 para. 502(2) (with transitional provisions and savings in Sch. 2)

**F226** Words in s. 232(4) substituted (6.4.2007 with effect as stated in s. 1034(1) of the amending Act) by Income Tax Act 2007 (c. 3), ss. 1027, 1034, Sch. 1 para. 502(3) (with transitional provisions and savings in Sch. 2)
233 Treatment of adjustment expense

(1) An adjustment expense is treated as an expense of the trade arising on the last day of the first period of account for which the new basis is adopted.

(2) But this is subject to sections 235 (cases where adjustment not required until assets realised or written off) and 236 (change from realisation basis to mark to market).

Expenses previously brought into account

234 No adjustment for certain expenses previously brought into account

(1) This section applies if, as a result of a change of basis, expenses brought into account before the change on the old basis would on the new basis be brought into account over more than one period of account after the change.

(2) In such a case—
   (a) no adjustment is made under this Chapter, and
   (b) in calculating the profits of the trade no deduction is allowed for the expenses for any period of account after the change.

Realising or writing off assets

235 Cases where adjustment not required until assets realised or written off

(1) This section applies if there is a change of basis resulting from a tax adjustment affecting the calculation of any of the following amounts.

(2) The amounts are—
   (a) any amount brought into account in respect of closing trading stock or closing work in progress in the last period of account before the change of basis,
   (b) any amount brought into account in respect of opening trading stock or opening work in progress in the first period of account on the new basis, and
   (c) any amount brought into account in respect of depreciation.

(3) Adjustment income or (as the case may be) an adjustment expense is treated as arising only when the asset to which it relates is realised or written off.
Mark to market

236 Change from realisation basis to mark to market

(1) This section applies if there is a change of basis from—
   (a) not recognising a profit or loss on an asset until the asset is realised, to
   (b) bringing assets into account in each period of account at a fair value.

(2) So far as—
   (a) a receipt within item 1 of step 1 in section 231 represents the fair value of an
       asset that is trading stock, or
   (b) an expense within item 2 of that step relates to such an asset, adjustment income or (as
       the case may be) an adjustment expense is treated as not arising until the period of account in
       which the value of the asset is realised.

(3) In the case of adjustment income, this is subject to any election under section 237
    (election for spreading).

(4) In this section “trading stock” has the same meaning as in section 174.

237 Election for spreading if section 236 applies

(1) If section 236 applies, the person who is liable to tax on any adjustment income may
    elect for the adjustment income to be spread over 6 periods of account.

(2) The election must be made on or before the first anniversary of the normal self-
    assessment filing date for the tax year in which the change of basis occurs.

(3) If an election is made, an amount equal to one-sixth of the amount of the adjustment
    income—
   (a) is treated as arising, and
   (b) is charged to tax,
    in each of the 6 periods of account beginning with the first period to which the new
    basis applies.

(4) But if, before the whole of the adjustment income has been charged to tax, the person
    permanently ceases to carry on the trade, the whole of the amount so far as not
    previously brought into charge to tax—
   (a) is treated as arising, and
   (b) is charged to tax,
    immediately before the cessation.
Spreading of adjustment income: barristers and advocates

238 Spreading on ending of exemption for barristers and advocates

(1) If an individual makes a change of basis—
   (a) on ceasing to take advantage of the exemption given by section 160 (barristers
       and advocates in early years of practice), or
   (b) on that exemption coming to an end,
       any adjustment income is spread over 10 tax years as follows.

(2) In each of the 9 tax years beginning with that in which the whole amount of the
    adjustment income would otherwise be chargeable to tax, an amount equal to—
    (a) one tenth of the amount of the adjustment income, or
    (b) if less, 10% of the profits of the profession of the tax year,
        is treated as arising and is charged to tax.

(3) For this purpose “the profits of the profession” means the profits as calculated for
    the purposes of this Part leaving out of account any allowances or charges under CAA

(4) In the tenth tax year the balance of the adjustment income is treated as arising and is
    charged to tax.

(5) If, before the whole of the adjustment income has been charged to tax, the individual
    permanently ceases to carry on the profession, this section continues to apply but with
    the omission of the alternative limit in subsection (2)(b).

(6) This section is subject to any election under section 239 (election to accelerate charge).

239 Election to accelerate charge under section 238

(1) An individual who under section 238 is liable to tax for a tax year on an amount of
    adjustment income may elect for an additional amount to be treated as arising in the
    tax year.

(2) The election must be made on or before the first anniversary of the normal self-
    assessment filing date for the tax year.

(3) The election must specify the amount to be treated as income arising in the tax year
    (which may be any amount of the adjustment income not previously charged to tax).

(4) If an election is made, section 238 applies in relation to any subsequent tax year as
    if the amount of adjustment income (as reduced by any previous application of this
    section) were reduced by the amount given by the following formula—

\[ A \times \frac{10}{T} \]

where—

A is the additional amount treated as arising in the tax year for which the election is
made, and
T is the number of tax years remaining after that tax year in the period of 10 tax years referred to in section 238.

**Supplementary**

240 Liability of personal representatives if person liable dies

(1) This section applies in the case of the death of a person who would otherwise have been liable to tax under this Chapter on adjustment income.

(2) The tax under this Chapter for which the person would otherwise have been liable—
   (a) is to be assessed and charged on the personal representatives, and
   (b) is to be a debt due from and payable out of the deceased's estate.

(3) The personal representatives may make any election under this Chapter that the deceased might have made.

**CHAPTER 18**

POST-CESSATION RECEIPTS

**Introduction**

241 Professions and vocations

The provisions of this Chapter apply to professions and vocations as they apply to trades.

Charge to tax on post-cessation receipts

242 Charge to tax on post-cessation receipts

Income tax is charged on post-cessation receipts arising from a trade.

243 Extent of charge to tax

(1) A post-cessation receipt is chargeable to tax under this Chapter only so far as it is not otherwise chargeable to income or corporation tax.

(2) Accordingly, a post-cessation receipt arising from a trade is not chargeable to tax under this Chapter so far as it is brought into account in calculating the profits of the trade for any period.

(3) A post-cessation receipt is not chargeable to tax under this Chapter if—
   (a) it is received by or on behalf of a non-UK resident who is beneficially entitled to it, and
   (b) it represents income arising outside the United Kingdom.

(4) A post-cessation receipt is not chargeable to tax under this Chapter if it arises from a trade carried on wholly outside the United Kingdom.
(5) A post-cessation receipt is not chargeable to tax under this Chapter in the case of a partner in a firm if—
   (a) it represents income arising outside the United Kingdom from a trade carried on by the firm, and

244 Income charged

(1) Tax is charged under this Chapter on the full amount of the receipts received in the tax year.

(2) This is subject to—
   (a) sections 254 and 255 (allowable deductions), and
   (b) section 257 (election to carry back).

245 Person liable

The person liable for any tax charged under this Chapter is the person receiving or entitled to the receipts.

Meaning of “post-cessation receipts”

246 Basic meaning of “post-cessation receipt”

(2) For this purpose the reference to a person permanently ceasing to carry on a trade includes a reference to a company ceasing to be within the charge to corporation tax in respect of a trade.

(3) Subsection (4) applies if—

F229 Words in s. 248(3) substituted (6.4.2007 with effect as stated in s. 1034(1) of the amending Act) by Income Tax Act 2007 (c. 3), ss. 1027, 1034, Sch. 1 para. 503(a)
249  Debts released after cessation

   (b) the person has permanently ceased to carry on the trade at or after the end of that period,
   (c) after the cessation, all or part of the debt is released, and
   (d) the release is not part of a statutory insolvency arrangement.

(2) The amount released is treated as a post-cessation receipt.

(3) For the purposes of this section the reference to a person permanently ceasing to carry on a trade includes a reference to a company ceasing to be within the charge to corporation tax in respect of a trade.

250  Receipts relating to post-cessation expenditure

(1) This section applies if a person who has permanently ceased to carry on a trade makes a payment in circumstances where relief is available under section 96 of ITA 2007 (relief for post-cessation expenditure).

(2) The following sums are treated as post-cessation receipts—
   (a) in the case of a payment within section 97(2) or (3) of ITA 2007 (payment to remedy defective work etc. or to defray expenses of a claim), the proceeds of insurance, or other sum received, for the purpose of enabling the payment to be made or by means of which it is reimbursed,
   (b) in the case of a payment within section 97(4) of ITA 2007 (payment to insure against claims for defective work etc.), a refund of the premium, or other sum received, in connection with the insurance, and

(3) If a sum mentioned in subsection (2) is received in a tax year earlier than the tax year in which the related payment is made, it is treated as having been received in the later tax year (and not the earlier tax year).

(4) Any adjustment required to give effect to subsection (3) is to be made by way of—
   (a) amendment of an assessment, or
   (b) discharge or repayment of tax.
Transfer of rights if transferee does not carry on trade

(1) This section applies if—
   (a) a person (“the transferor”) permanently ceases to carry on a trade,
   (b) the transferor transfers to another person (“the transferee”) for value the right to receive sums arising from the carrying on of the trade, and
   (c) the transferee does not subsequently carry on the trade.

(2) The transferor is treated as receiving a post-cessation receipt.

(3) The amount of the receipt is—
   (a) the amount or value of the consideration for the transfer, if the transfer is at arm's length, or
   (b) the value of the rights transferred as between parties at arm's length, if the transfer is not at arm's length.

(4) Any sums mentioned in subsection (1)(b) which are received after the cessation of the trade are not post-cessation receipts.

(5) This section is subject to—
   (a) section 252 (transfer of trading stock or work in progress), and
   (b) section 253 (lump sums paid to personal representatives for copyright etc.).

Sums that are not post-cessation receipts

Transfer of trading stock or work in progress

(1) When a person permanently ceases to carry on a trade, a sum realised by—
   (a) the transfer of trading stock, or
   (b) the transfer of work in progress,

is not a post-cessation receipt if a valuation of the stock or work is brought into account in accordance with Chapter 12 (valuation of stock and work in progress).

(2) This does not prevent a sum from being treated as a post-cessation receipt as a result of an election under section 185 (election for valuation of work in progress at cost).
(3) In this section—
   (a) “trading stock” has the meaning given by section 174, and
   (b) “work in progress” and “transfer of work in progress” have the meaning given by section 183.

253 Lump sums paid to personal representatives for copyright etc.

(1) A lump sum which is paid to the personal representatives of the author of a literary, dramatic, musical or artistic work as consideration for the assignment by them of—
   (a) the copyright in the work, or
   (b) the public lending right in the work,
   is not a post-cessation receipt.

(2) A lump sum which is paid to the personal representatives of the designer of a design in which design right subsists as consideration for the assignment by them of that right is not a post-cessation receipt.

(3) For the purposes of this section it does not matter whether the whole or a part of the right is assigned.

Deductions

254 Allowable deductions

(1) In calculating the amount on which tax is charged under this Chapter, deductions are allowed in accordance with—
   (a) this section, and
   (b) section 255,
   from the amount which would otherwise be chargeable to tax under this Chapter.

(2) A deduction is allowed for a loss, expense or debit which, if the person carrying on the trade had not permanently ceased to do so—
   (a) would have been deducted in calculating the profits of the trade for income or corporation tax purposes, or
   (b) would have been deducted from or set off against the profits of the trade for income or corporation tax purposes,
   but no deduction is allowed if the loss, expense or debit arises directly or indirectly from the cessation itself.

(3) No deduction for an amount is allowed under this section if the amount has been allowed—
   (a) under any other provision of the Tax Acts, or
   (b) as a result of section 261D of TCGA 1992 (capital gains tax relief for post-cessation expenditure).
255 Further rules about allowable deductions

(1) An amount may not be deducted more than once under section 254.

(2) A deduction under that section of a loss must be made from post-cessation receipts charged for an earlier tax year in preference to those charged for a later tax year.

(3) But this does not authorise the deduction of a loss from post-cessation receipts charged for a tax year before the tax year in which the loss is made.

(4) No deduction may be made under section 254 from any amount that is treated as a post-cessation receipt under—

(a) section 248(4) (debts paid after cessation), or

(b) section 250 (receipts relating to post-cessation expenditure).

256 Treatment of post-cessation receipts

(1) This section applies if—

(a) an individual has permanently ceased to carry on a trade, and

(b) the income arising to the individual from the trade was...relevant UK earnings within section 189(2)(b) of FA 2004.

(2) Any post-cessation receipts arising to the individual from the trade are similarly...relevant UK earnings.

257 Election to carry back

(1) This section applies if a post-cessation receipt is received by a person (or a person's personal representatives) in a tax year beginning no later than 6 years after the person permanently ceased to carry on the trade.

(2) The person (or the person's personal representatives) may elect that the tax chargeable in respect of the receipt is to be charged as if the receipt had been received on the date of the cessation.

(3) But this is subject to paragraph 5 of Schedule 1B to TMA 1970 (election given effect in the tax year in which the receipt is actually received).
(4) The election must be made on or before the first anniversary of the normal self-assessment filing date for the tax year.

CHAPTER 19
SUPPLEMENTARY

258 Changes in trustees and personal representatives

(1) This section applies if there is a change—
(a) in the trustees of a trust, or
(b) in the personal representatives of a person,
at a time when they are carrying on a trade, profession or vocation.

(2) For income tax purposes, the change does not result in—
(a) any of the trustees or personal representatives before the change permanently ceasing to carry on the trade, profession or vocation, or
(b) any of the trustees or personal representatives after the change starting to carry on the trade, profession or vocation.

259 Meaning of “statutory insolvency arrangement”

In this Part “statutory insolvency arrangement” means—
(a) a voluntary arrangement that has taken effect under or as a result of the Insolvency Act 1986, Schedule 4 or 5 to the Bankruptcy (Scotland) Act 1985 or the Insolvency (Northern Ireland) Order 1989,
(b) a compromise or arrangement that has taken effect under Part 26 of the Companies Act 2006,
(c) any arrangement or compromise of a kind corresponding to any of those mentioned in paragraph (a) or (b) that has taken effect under or by virtue of the law of a country or territory outside the United Kingdom.

CHAPTER 2

PROPERTY BUSINESSES

Introduction

(1) This Chapter explains for the purposes of this Act what is meant by—
   (a) a person's UK property business (see section 264), and
   (b) a person's overseas property business (see section 265).

(2) Both those sections need to be read with—
   (a) section 266 (which explains what is meant by generating income from land),
       and
   (b) section 267 (which provides that certain activities do not count as activities
       for generating income from land).

(3) In the case of the property business of a firm, the basic rules in sections 264 and 265
    are explained in section 859(2) and (3).

(4) References in this Act to an overseas property business are to an overseas property
    business so far as any profits of the business are chargeable to tax under Chapter 3 (as
to which see, in particular, section 269).

(5) Accordingly, nothing in Chapter 4 or 5 is to be read as treating an amount as a receipt
    of an overseas property business if the profits concerned would not be chargeable to
tax under Chapter 3.

(6) In this Act “property business” means a UK property business or an overseas property
    business.

Basic meaning of UK and overseas property business

264 UK property business

A person's UK property business consists of—

(b) every transaction which the person enters into for that purpose otherwise than in the course of such a business.

**Generating income from land**

266 **Meaning of “generating income from land”**

(1) In this Chapter “generating income from land” means exploiting an estate, interest or right in or over land as a source of rents or other receipts.

(2) “Rents” includes payments by a tenant for work to maintain or repair leased premises which the lease does not require the tenant to carry out.

(3) “Other receipts” includes—

(a) payments in respect of a licence to occupy or otherwise use land,

(b) payments in respect of the exercise of any other right over land, and

(c) rentcharges and other annual payments reserved in respect of, or charged on or issuing out of, land.

(4) For the purposes of this section a right to use a caravan or houseboat at only one location is treated as a right deriving from an estate or interest in land.

267 **Activities not for generating income from land**

For the purposes of this Chapter the following activities are not carried on for generating income from land—

(a) farming or market gardening in the United Kingdom (but see section 9 (UK farming or market gardening treated as trade)),

(b) any other occupation of land (but see section 10 (certain commercial occupation of UK land treated as trade)), and

(c) activities for the purposes of a concern to which section 12 applies (profits of mines, quarries etc.).

**CHAPTER 3**

**PROFITS OF PROPERTY BUSINESSES: BASIC RULES**

268 **Charge to tax on profits of a property business**

Income tax is charged on the profits of a property business.
269  Territorial scope of charge to tax

(1) Profits of a UK property business are chargeable to tax under this Chapter whether the business is carried on by a UK resident or a non-UK resident.

(2) Profits of an overseas property business are chargeable to tax under this Chapter only if the business is carried on by a UK resident.

273 Amounts not brought into account as part of a property business

(1) The rules for calculating the profits of a property business need to be read with the following provisions of Part 2 (trading income)—
Changes to legislation:

There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income Tax (Trading and Other Income) Act 2005. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

(a) section 19 (tied premises),
(b) section 20 (caravan sites where trade carried on),
(c) section 21 (surplus business accommodation), and
(d) section 22(3) (payments for wayleaves).

(2) Those provisions secure that amounts which would otherwise be brought into account in calculating the profits of the business are, or may be, brought into account instead in calculating the profits of a trade.

Relationship between rules prohibiting and allowing deductions

(1) Any relevant permissive rule in this Part—
   (a) has priority over any relevant prohibitive rule in this Part, but
   (b) is subject to F250 section 36 (unpaid remuneration), section 38 (employee benefit contributions), section 48 (car F251... hire) and section 55 (crime-related payments), as applied by section 272.

(2) In this section “any relevant permissive rule in this Part” means any provision of this Part (apart from sections 291 to 294) which allows a deduction in calculating the profits of a property business.

(3) In this section “any relevant prohibitive rule in this Part”, in relation to any deduction, means any provision of this Part (apart from sections F252 36, 38, 48 and 55, as applied by section 272) which might otherwise be read as—
   (a) prohibiting the deduction, or
   (b) restricting the amount of the deduction.

(4) In this section any reference to any provision of this Part includes any provision applied by section 272.

Apportionment of profits

275 Apportionment etc. of profits to tax year

(1) This section applies if a period of account of a property business does not coincide with a tax year.

(2) Any of the following steps may be taken if they are necessary in order to arrive at the profits or losses of the tax year—
   (a) apportioning the profits or losses of a period of account to the parts of that period falling in different tax years, and
(b) adding the profits or losses of a period of account (or part of a period) to profits or losses of other periods of account (or parts).

(3) The steps must be taken by reference to the number of days in the periods concerned.

(4) But the person carrying on the business may use a different way of measuring the length of the periods concerned if—
   (a) it is reasonable to do so, and
   (b) the way of measuring the length of periods is used consistently for the purposes of the business.

CHAPTER 4

PROFITS OF PROPERTY BUSINESSES: LEASE PREMIUMS ETC.

Introduction

276 Introduction

(1) This Chapter provides for certain amounts (which would otherwise generally be amounts of a capital nature) to be brought into account as receipts in calculating the profits of a property business.

(2) The amounts relate to short-term leases in the case of—
   section 277 (lease premiums),
   section 278 (amount treated as lease premium where work required),
   section 280 (sums payable for surrender of lease), and
   section 282 (assignments for profit of lease granted at undervalue).

(3) The amounts relate to any lease in the case of—
   section 279 (sums payable instead of rent), and
   section 281 (sums payable for variation or waiver of terms of lease).

(4) The amounts relate to the sale of any estate or interest in land in the case of—
   section 284 (sales with right to reconveyance), and
   section 285 (sale and leaseback transactions).

(5) This Chapter also permits certain deductions in calculating the profits of property businesses carried on by tenants under certain leases (see sections 291 and 292).

(6) In this Chapter “short-term lease” means a lease whose effective duration is 50 years or less.

Textual Amendments

F253 Word in s. 276(3) substituted (with effect in accordance with s. 1329(1) of the amending Act) by
Corporation Tax Act 2009 (c. 4), s. 1329(1), Sch. 1 para. 614 (with Sch. 2 Pts. 1, 2)
Amounts treated as receipts: leases

277 Lease premiums

(1) This section applies if a premium is required to be paid—
   (a) under a short-term lease, or
   (b) otherwise under the terms subject to which a short-term lease is granted.

(2) The person to whom the premium is due is treated as—
   (a) entering into a transaction mentioned in section 264 (if the land to which the
       lease relates is in the United Kingdom) or section 265 (if that land is outside
       the United Kingdom), and
   (b) receiving the amount calculated under subsections (4) and (5) as a result of
       that transaction.

(3) That amount is brought into account as a receipt in calculating the profits of the
    property business which consists of or includes that transaction for the tax year in
    which the lease is granted.

(4) The amount of the receipt is given by the formula—

\[ P \times \left( \frac{50 - Y}{50} \right) \]

where—

P is the premium, and

Y is the number of complete periods of 12 months (other than the first) comprised in
the effective duration of the lease.

(5) But, if the rule in section 288 (the additional calculation rule) applies, the amount given
    by the formula in subsection (4) is reduced by the amount calculated in accordance
    with section 288.

278 Amount treated as lease premium where work required

(1) This section applies if the terms subject to which a lease is granted impose on the
    tenant an obligation to carry out work on the premises.

(2) The lease is treated for the purposes of section 277 (lease premiums) as requiring the
    payment of a premium to the landlord (in addition to any other premium).

(3) The amount of the premium is the amount by which the value of the landlord's estate
    or interest immediately after the commencement of the lease exceeds what its value
    would have been at that time if the terms of the lease did not impose the obligation
    on the tenant.
(4) An obligation, or part of an obligation, that requires the carrying out of excepted work is ignored for the purposes of this section.

(5) Work is “excepted work” if the payment for carrying it out would, if the landlord and not the tenant were obliged to carry it out, be deductible as an expense in calculating the profits of the landlord’s property business.

279 Sums payable instead of rent

(1) This section applies if—
   (a) under the terms subject to which a lease is granted a sum becomes payable by the tenant instead of the whole or a part of the rent for a period, and
   (b) the period is 50 years or less.

(2) The person to whom the sum is due is treated as—
   (a) entering into a transaction mentioned in section 264 (if the land to which the lease relates is in the United Kingdom) or section 265 (if that land is outside the United Kingdom), and
   (b) receiving the amount calculated under subsections (4) and (5) as a result of that transaction.

(3) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the tax year in which the sum becomes payable.

(4) The amount of the receipt is given by the formula—

\[ S \times \left( \frac{50 - Y}{50} \right) \]

where—

S is the sum payable instead of rent, and

Y is the number of complete periods of 12 months (other than the first) comprised in the period in relation to which the sum is payable.

(5) But, if the rule in section 288 (the additional calculation rule) applies, the amount given by the formula in subsection (4) is reduced by the amount calculated in accordance with section 288.

(6) In determining for the purposes of this Chapter the duration of the period in relation to which the sum is payable, any part of the period that falls after the expiry of the effective duration of the lease is excluded.
280 Sums payable for surrender of lease

(1) This section applies if, under the terms subject to which a short-term lease is granted, a sum becomes payable by the tenant as consideration for the surrender of the lease.

(2) The person to whom the sum is due is treated as—
   (a) entering into a transaction mentioned in section 264 (if the land to which the lease relates is in the United Kingdom) or section 265 (if that land is outside the United Kingdom), and
   (b) receiving the amount calculated under subsections (4) and (5) as a result of that transaction.

(3) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the tax year in which the sum becomes payable.

(4) The amount of the receipt is given by the formula—

\[
S \times \left( \frac{50 - Y}{50} \right)
\]

where—

S is the sum payable as consideration for the surrender of the lease, and

Y is the number of complete periods of 12 months (other than the first) comprised in the effective duration of the lease.

(5) But, if the rule in section 288 (the additional calculation rule) applies, the amount given by the formula in subsection (4) is reduced by the amount calculated in accordance with section 288.

281 Sums payable for variation or waiver of [\footnotesize{F255} terms] of lease

(1) This section applies if—
   (a) a sum becomes payable by the tenant (otherwise than by way of rent) as consideration for the variation or waiver of a term of a lease,
(b) the sum is due to the landlord or a person who is connected with the landlord, and
(c) the period for which the variation or waiver has effect is 50 years or less.

(2) The person to whom the sum is due is treated as—
(a) entering into a transaction mentioned in section 264 (if the land to which the lease relates is in the United Kingdom) or section 265 (if that land is outside the United Kingdom), and
(b) receiving the amount calculated under subsections (4) and (5) as a result of that transaction.

(3) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the tax year in which the contract providing for the variation or waiver is entered into.

(4) The amount of the receipt is given by the formula—

$$S \times \left( \frac{50 - Y}{50} \right)$$

where—

S is the sum payable as consideration for the variation or waiver, and

Y is the number of complete periods of 12 months (other than the first) comprised in the period for which the variation or waiver has effect.

(5) But, if the rule in section 288 (the additional calculation rule) applies, the amount given by the formula in subsection (4) is reduced by the amount calculated in accordance with section 288.

(6) In determining for the purposes of this Chapter the duration of the period for which the variation or waiver has effect, any part of the period that falls after the expiry of the effective duration of the lease is excluded.

Textual Amendments

(2) Sections 277 to 281 do not apply in relation to a premium paid in respect of the grant.

   (a) the lease was granted at an undervalue, and
   (b) a profit is made on the assignment.

(2) The person who assigns the lease is treated as—
   (a) entering into a transaction mentioned in section 264 (if the land to which the
       lease relates is in the United Kingdom) or section 265 (if that land is outside
       the United Kingdom), and
   (b) receiving the amount calculated under subsections (4) and (5) as a result of
       that transaction.

(3) That amount is brought into account as a receipt in calculating the profits of the
    property business which consists of or includes that transaction for the tax year in
    which the consideration for the assignment becomes payable.

(4) The amount of the receipt is given by the formula—

\[ P \times \left( \frac{50 - Y}{50} \right) \]

where—

P is the lesser of—
   (a) the profit on the assignment, and
   (b) the amount by which the undervalue exceeds the total of the profits (if any)
       made on previous assignments of the lease, and

Y is the number of complete periods of 12 months (other than the first) comprised in
    the effective duration of the lease.

(5) But, if the rule in section 288 (the additional calculation rule) applies, the amount given
    by the formula in subsection (4) is reduced by the amount calculated in accordance
    with section 288.

(6) Section 283 explains references in this section to the grant of a lease at an undervalue
    and the making of a profit on an assignment of a lease.

Provisions supplementary to section 282

(1) This section operates for the purposes of section 282.

(2) A lease is granted at an undervalue if the terms subject to which it was granted are
    such that the landlord who granted it could have required the payment of an additional
    sum by way of premium, or additional premium, for its grant.
(3) The additional sum is the undervalue.

(4) The test in subsection (2) must be applied—
   (a) having regard to values prevailing at the time the lease was granted, and
   (b) on the assumption that the negotiations for the lease were at arm's length.

(5) A profit is made on an assignment of a lease if the consideration for the assignment exceeds—
   (a) if the lease has not previously been assigned, any premium for which it was granted, or
   (b) in any other case, any consideration for which it was last assigned.

(6) The amount of the excess is the profit.

Other amounts treated as receipts

284 Sales with right to reconveyance

(1) This section applies if—
   (a) an estate or interest in land is sold subject to terms which provide that it is to be, or may be required to be, reconveyed on a future date to the seller or a person connected with the seller,
   (b) the period beginning with the sale and ending with the earliest date on which under the terms of the sale the estate or interest would fall to be reconveyed is 50 years or less, and
   (c) the price at which the estate or interest is sold exceeds the price at which it is to be reconveyed.

(2) The seller is treated as—
   (a) entering into a transaction mentioned in section 264 (if the land is in the United Kingdom) or section 265 (if the land is outside the United Kingdom), and
   (b) receiving the amount calculated under subsection (4) as a result of that transaction.

(3) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the tax year in which the estate or interest is sold.

(4) The amount of the receipt is given by the formula—

\[ E \times \left( \frac{50 - Y}{50} \right) \]

where—

E is the amount by which the price at which the estate or interest is sold exceeds the price at which it is to be reconveyed, and

Y is the number of complete periods of 12 months (other than the first) comprised in the period beginning with the sale and ending with the earliest date on which under the terms of the sale the estate or interest would fall to be reconveyed.
(5) See section 286 for some provisions which are supplementary to this section.

285 Sale and leaseback transactions

(1) This section applies if—
   (a) an estate or interest in land is sold subject to terms which provide for the grant of a lease directly or indirectly out of the estate or interest to the seller or a person connected with the seller,
   (b) the period beginning with the sale and ending with the earliest date on which under the terms of the sale the lease would fall to be granted is 50 years or less, and
   (c) the price at which the estate or interest is sold exceeds the total of—
      (i) the amount of any premium for the lease, and
      (ii) the value on the date of the sale of the right to receive a conveyance of the reversion immediately after the lease begins to run.

(2) This section does not apply if the lease is granted and begins to run within one month after the sale.

(3) The seller is treated as—
   (a) entering into a transaction mentioned in section 264 (if the land is in the United Kingdom) or section 265 (if the land is outside the United Kingdom), and

(4) That amount is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction for the tax year in which the estate or interest is sold.

(5) The amount of the receipt is given by the formula—

\[ E \times \left( \frac{50 - Y}{50} \right) \]

where—

E is the amount by which the price at which the estate or interest is sold exceeds the total of—
   (a) the amount of any premium for the lease, and
   (b) the value on the date of the sale of the right to receive a conveyance of the reversion immediately after the lease begins to run,

Y is the number of complete periods of 12 months (other than the first) comprised in the period beginning with the sale and ending with the earliest date on which under the terms of the sale the lease would fall to be granted.

(6) See section 286 for some provisions which are supplementary to this section.

286 Provisions supplementary to sections 284 and 285

(1) This section operates for the purposes of sections 284 (sales with right to reconveyance) and 285 (sale and leaseback transactions).
(2) Subsection (3) explains how to determine for the purposes of section 284 the price at which an estate or interest is to be reconveyed when—
   (a) the date on which the estate or interest would fall to be reconveyed is not fixed under the terms of the sale, and
   (b) the price at which it is to be reconveyed varies with the date.

(3) The price is taken to be the lowest possible under the terms of the sale.

(4) Subsection (5) explains how to determine for the purposes of section 285 the total of—
   (a) the amount of any premium for the lease, and
   (b) the value on the date of the sale of the right to receive a conveyance of the reversion immediately after the lease begins to run,
when the date for the grant of the lease is not fixed under the terms of the sale and the total varies with the date.

(5) The total is taken to be the lowest possible under the terms of the sale.

(6) For the purposes of sections 284(3) and 285(4) (receipts of property business for tax year in which estate or interest sold) an estate or interest in land is sold when any of the following occurs—
   (a) an unconditional contract for its sale is entered into,
   (b) a conditional contract for its sale becomes unconditional, or
   (c) an option or right of pre-emption is exercised requiring the seller to enter into an unconditional contract for its sale.

**Additional calculation rule for reducing certain receipts**

287  **Circumstances in which additional calculation rule applies**

(1) The rule in section 288 (the additional calculation rule) applies in relation to the calculation of receipts under—
   section 277 (lease premiums),
   section 279 (sums payable instead of rent),
   section 280 (sums payable for surrender of lease),
   section 281 (sums payable for variation or waiver of \[^{F257}\text{terms}\] of lease), or
   section 282 (assignments for profit of lease granted at undervalue).

(2) It applies if conditions A and B are met.

(3) Condition A is that—
   (a) in the case of a receipt under section 277, 279 or 280, the lease is granted out of a taxed lease,
   (b) in the case of a receipt under section 281, the lease was granted out of a taxed lease, and
   (c) in the case of a receipt under section 282, the assignment is of a taxed lease.

(4) A lease is a “taxed lease” for the purposes of this Chapter if—
   (a) there is a receipt under any of sections 277 to 282 in respect of the lease, \[^{F258}\]
   (b) there would be such a receipt, but for the operation of the \[^{F259}\text{rule in section 288} (the additional calculation rule)] in the calculation of its amount.
(c) there is a receipt under any of sections 217 to 222 of CTA 2009 (receipts in respect of lease premiums, sums payable instead of rent, for surrender of lease and for variation or waiver of terms of lease and assignments) in respect of the lease, or

(d) there would be such a receipt, but for the operation of the rule in section 228 of that Act (the additional calculation rule) in the calculation of its amount.

In this Chapter [F261] a receipt falling within paragraph (a), (b), (c) or (d)] is referred to as a “taxed receipt”.

(5) Condition B is that the taxed receipt, or if there is more than one, at least one of them, has an unused amount.

(6) See section 290 for an explanation of when a taxed receipt has an “unused amount”.

**The additional calculation rule**

(1) The rule in this section applies if the conditions mentioned in section 287 are met.

(2) The additional calculation rule is that the amount given by the formula in section 277, 279, 280, 281 or 282 must be reduced by the amount calculated in accordance with this section in order to give the amount of the receipt under calculation.

(3) The amount of the reduction is—

(a) if there is one taxed receipt which has an unused amount, the basic relieving amount by reference to that receipt, and

(b) if there is more than one taxed receipt which has an unused amount, the total of the basic relieving amounts by reference to each receipt, adjusted, if necessary, in the light of section 289(5) (reduction not to exceed amount being reduced).

(4) The basic relieving amount by reference to a taxed receipt is given by the formula—

\[
\frac{A \times LRP}{TRP}
\]

where—
A is the unreduced amount of the taxed receipt (which is, generally, the amount given by the formula in section 277, 279, 280, 281 or [F262]282 above, or in section 217, 219, 220, 221 or 222 of CTA 2009; but see section 290(2) to (4) [F263]above),

LRP is the receipt period of the receipt under calculation, and

TRP is the receipt period of the taxed receipt.

(5) But the basic relieving amount is different if section 289(2) or (4) applies (certain special cases).

(6) For the purposes of this Chapter, the “receipt period” of a receipt is—

(a) in the case of a receipt under section 277 or 280, the effective duration of the lease,
(b) in the case of a receipt under section 279, the period in relation to which the sum payable instead of rent is payable,
(c) in the case of a receipt under section 281, the period for which the variation or waiver has effect, [F264]...
(d) in the case of a receipt under section 282, the effective duration of the lease remaining at the date of the assignment[F265], and
(e) in the case of a receipt under Chapter 4 of Part 4 of CTA 2009 (profits of property businesses: lease premiums etc), its receipt period within the meaning of that Chapter (see section 228(6) of that Act).]

289 The additional calculation rule: special cases

(1) This section explains how section 288 operates in some special cases.

(2) If—

(a) the receipt under calculation is under any of sections 277 to 281, and
(b) the lease does not extend to the whole of the premises subject to the taxed lease,

the basic relieving amount by reference to a taxed receipt is calculated by multiplying the amount given by the formula in subsection (4) of section 288 by the fraction of those premises which is subject to the lease.

(3) This fraction is calculated on a just and reasonable basis.

(4) If the basic relieving amount given by section 288(4) or subsection (2) above by reference to a taxed receipt would otherwise exceed the unused amount of the taxed receipt, the basic relieving amount is the unused amount.
(5) If the amount of the reduction under section 288 would otherwise exceed the amount given, in respect of the receipt under calculation, by the formula in section 277, 279, 280, 281 or 282, the amount of the reduction is equal to the amount given by the formula.

290 Meaning of “unused amount” and “unreduced amount”

(1) For the purposes of this Chapter, a taxed receipt has an “unused amount” if the unreduced amount exceeds the total of the reductions and deductions referred to in subsection (5).

(2) In this Chapter the “unreduced amount” of a taxed receipt is the amount given, in respect of the taxed receipt, by the formula in—
   (a) section 277, 279, 280, 281 or 282 above, or
   (b) section 217, 219, 220, 221 or 222 of CTA 2009 (corporation tax provisions corresponding to those listed in paragraph (a)).

(3) Subsection (4) applies—
   (a) to a taxed receipt under section 277 (lease premiums) as a result of section 278 (amount treated as lease premium where work required), and
   (b) to a taxed receipt under section 217 of CTA 2009 (lease premiums) as a result of section 218 of that Act (amount treated as lease premium where work required).

(4) If the obligation to carry out work included the carrying out of work which gives, or will give, rise to qualifying expenditure under CAA 2001, the unreduced amount of the taxed receipt is calculated as if the obligation had not included the carrying out of that work.

(5) The reductions and deductions mentioned in subsection (1) are—
   (a) the reductions under section 288 or section 228 of CTA 2009 (the additional calculation rule) by reference to the taxed receipt,
   (b) the deductions allowed in calculating the profits of a trade, profession or vocation for expenses under section 61 (tenant under taxed lease who uses land in connection with trade treated as incurring expenses) by reference to the taxed receipt, and
   (c) the deductions allowed in calculating the profits of a property business for expenses under section 292 (tenant under taxed lease who uses premises for purposes of property business treated as incurring expenses) by reference to the taxed receipt.

(6) For the purposes of this Chapter references to a reduction under section 288 by reference to a taxed receipt are to a reduction under the section concerned so far as attributable to the taxed receipt.
Deductions in relation to certain receipts

291    Deductions for expenses under section 292

(1) Section 292 (tenants under taxed leases treated as incurring expenses) applies in calculating the profits of a property business carried on by the tenant under a taxed lease for the purpose of making deductions for the expenses of the property business.

(2) A deduction is allowed for an expense under section 292 for a qualifying day on which the whole or part of the premises subject to the taxed lease is—

(a) occupied by the tenant for the purpose of carrying on the property business, or
(b) sublet.

(3) But any deduction for an expense under section 292 is subject to the application of any provision of Chapter 4 of Part 2 (as applied to property businesses by section 272).

(4) The amount of the deduction for an expense under section 292 for a qualifying day by reference to a taxed receipt may be reduced in order to comply with section 295 (limit on reductions and deductions).

(5) For the meaning of expressions used in this section, see in particular—

section 287(4) ("taxed lease"), and
section 287(4) ("taxed receipt").

292    Tenants under taxed leases treated as incurring expenses

(1) The tenant under a taxed lease is treated as incurring an expense of a revenue nature in respect of the premises subject to the taxed lease for each qualifying day.

(2) If there is more than one taxed receipt, this section applies separately in relation to each of them.

(3) A day is a “qualifying day”, in relation to a taxed receipt, if it falls within the receipt period of the taxed receipt.

(4) The amount of the expense for the qualifying day by reference to the taxed receipt is given by the formula—

\[
\frac{A}{\text{TRP}}
\]
where—

A is the unreduced amount of the taxed receipt, and

TRP is the number of days in the receipt period of the taxed receipt.

(5) This section is subject to sections 293 and 294 (restrictions on expenses where the additional calculation rule is relevant).

(6) For the meaning of expressions used in this section, see in particular—

section 288(6) (“receipt period”), and

section 290(2) to (4) (“unreduced amount”).

293 Restrictions on section 292 expenses: the additional calculation rule

(1) This section applies if—

(a) in calculating the amount of a receipt under this Chapter there is a reduction under section 288 (the additional calculation rule) by reference to a taxed receipt, or

(b) in calculating the amount of a receipt under Chapter 4 of Part 4 of CTA 2009 (profits of a property business: lease premiums etc) there is a reduction under section 228 of that Act (the additional calculation rule) by reference to a taxed receipt.

The receipt that is so reduced is referred to in this section as the “lease premium receipt”.

(2) Subsections (3) to (5) provide for the application of section 292 for a qualifying day that falls within the receipt period of the lease premium receipt.

(3) The tenant under the taxed lease is treated as incurring an expense under section 292 for the qualifying day by reference to the taxed receipt only if the daily amount of the taxed receipt exceeds the daily reduction of the lease premium receipt.

(4) If the condition in subsection (3) is met, the amount of the expense under section 292 for the qualifying day by reference to the taxed receipt is equal to that excess.

(5) If the qualifying day falls within the receipt periods of more than one lease premium receipt, the reference in subsection (3) to the daily reduction of the lease premium receipt is to be read as a reference to the total of the daily reductions of each of the lease premium receipts whose receipt period includes the qualifying day.

(6) In this section—

the “daily amount” of the taxed receipt is given by the formula—

\[
\frac{A}{TRP}
\]

where—

A is the unreduced amount of the taxed receipt (see section 290(2) to (4)), and

TRP is the number of days in the receipt period of the taxed receipt, and

the “daily reduction” of a lease premium receipt is given by the formula—
AR

\[
\text{RRP}
\]

where—

AR is the reduction under section 288 [F274 above or section 228 of CTA 2009] by reference to the taxed receipt (see section 290(6)), and

RRP is the number of days in the receipt period of the lease premium receipt.

(7) Section 294 explains how this section operates if the lease premium receipt is in respect of a lease that has been granted out of the taxed lease and does not extend to the whole of the premises subject to the taxed lease.

(a) a lease has been granted out of the taxed lease,

(b) the lease does not extend to the whole of the premises subject to the taxed lease, and

(c) the condition in subsection (1A) is met.

(1A) The condition is that—

(a) in calculating the amount of a receipt under any of sections 277 to 281 (receipts in respect of lease premiums or sums payable instead of rent, for surrender of lease or for variation or waiver of terms of lease) in respect of the lease, there is a reduction under section 288 by reference to a taxed receipt, or

(b) in calculating the amount of a receipt under any of sections 217 to 221 of CTA 2009 (receipts in respect of lease premiums or sums payable instead of rent, for surrender of lease or for variation or waiver of terms of lease) in respect of the lease, there is a reduction under section 228 of that Act (the additional calculation rule) by reference to a taxed receipt.

The receipt that is so reduced is referred to in this section as the “lease premium receipt”.

(2) Subsections (3) to (5) apply for a qualifying day that falls within the receipt period of the lease premium receipt.

must not exceed the amount referred to in subsection (2).

(2) The amount mentioned in subsection (1) is the difference between—

(b) the premium was not substantially greater than it would have been had the term been one ending on that date.

Rule 2: If the terms of the lease include provision for the extension of the lease beyond a given date by notice given by the tenant, account may be taken of any circumstances making it likely that the lease will be so extended.

Rule 3: If the tenant or a person connected with the tenant is, or may become, entitled to a further lease or the grant of a further lease (whenever commencing)—

(a) of the same premises, or
of premises including the whole or part of the same premises,
the term of the lease may be treated as continuing until the end of the term of the

(1) This section applies where a person (“P”) makes a wear and tear allowance election that has effect in relation to a property business (“the property business”) for a tax year (“the tax year”).

(2) In calculating the profits of the property business for the tax year—
(a) a wear and tear allowance is allowed as a deduction, and
(b) no deduction is allowed—
   (i) whether under section 68 or otherwise, for expenses incurred on
       replacing or altering any tool (within the meaning of subsection (3)
       of that section), so far as the expenses are within subsection (6), or
   (ii) whether under section 308 or otherwise, for expenses incurred in
        connection with the provision of furniture, so far as the expenses are
        within subsection (6).

(3) The amount of the wear and tear allowance is 10% of the relevant rental amount.

(4) In subsection (3) “the relevant rental amount” means—
   (a) the sum of the amounts brought into account as receipts by P in calculating the
       profits of the property business, so far as the receipts are within subsection (6),
       less
   (b) the sum of any amounts brought into account as relevant expenses by P in
       calculating the profits of the property business, so far as the expenses are
       within subsection (6).

(5) In subsection (4)(b) “relevant expenses” means expenses in relation to utilities, council
    tax or anything else the cost of which is, in the case of a furnished letting, normally
    borne by the lessee.

(6) Receipts or expenses are within this subsection so far as they are attributable to a
    dwelling-house that is subject to a furnished letting comprised in the property business,
    but disregarding any amounts that are so attributable in respect of a time at which the
    dwelling-house is not eligible in relation to P.

(7) Receipts and expenses are to be attributed for the purposes of subsection (6) on a just
    and reasonable basis.

**Furnished accommodation: rent-a-room relief**

309 Rent-a-room relief

(1) The rules for calculating the profits of an individual's UK property business are subject
    to Chapter 1 of Part 7 (rent-a-room relief).

(2) That Chapter provides relief on income from the use of furnished accommodation in
    the individual's only or main residence (see, in particular, sections 793 and 797).

**Treatment of receipts on acquisition of business**

310 Acquisition of business: receipts from transferor's UK property business

(1) This section applies if—
   (a) a person (“the transferor”) permanently ceased to carry on a UK property
       business at any time,
   (b) at that time the transferor transferred to another (“the transferee”) the right to
       receive sums arising from the carrying on of any business (“the transferred
       business”) comprised in the transferor's UK property business, and
   (c) the transferee subsequently carries on the transferred business.
(2) Sums—
   (a) which the transferee receives as a result of the transfer, and
   (b) which are not brought into account in calculating the profits of the transferor's UK property business for any period before the cessation,
are brought into account in calculating the profits of the transferee's UK property business in the period of account in which they are received.

(3) Any sums mentioned in subsection (1)(b) which are received after the cessation of the transferor's property business are not post-cessation receipts (see Chapter 10).

(4) This section has effect as if it were contained in Chapter 10.

Reverse premiums as receipts

311 Reverse premiums

(1) This section applies if—
   (a) a person receives a reverse premium, and
   (b) the reverse premium is not brought into account under section 101(2) in calculating the profits of any trade carried on by the person.

(2) The person is treated as—
   (a) entering into a transaction mentioned in section 264 (if the land to which the property transaction relates is in the United Kingdom) or section 265 (if that land is outside the United Kingdom), and
   (b) receiving the reverse premium as a result of that transaction.

(3) Accordingly, the reverse premium is brought into account as a receipt in calculating the profits of the property business which consists of or includes that transaction.

(4) Subsection (5) applies if—
   (a) two or more of the parties to the property arrangements are connected persons, and
   (b) the terms of those arrangements are not such as would reasonably have been expected if those persons had been dealing at arm's length.

(5) The whole amount or value of the reverse premium is brought into account in the period of account in which the property transaction is entered into.

(6) Expressions used in this section and sections 99 to 103 have the same meaning in this section as they do in those sections.

Deductions for expenditure on energy-saving items

312 Deduction for expenditure on energy-saving items

(1) This section applies if—
   (a) a person carries on a property business in relation to land which consists of or includes a dwelling-house,
(b) the person incurs expenditure in acquiring and installing \[F295\] an energy-saving item in the dwelling-house or in a building containing the dwelling-house \[see subsections (5) to (7)],

(c) the expenditure is incurred before 6th April \[F296\] 2015,

(d) a deduction for the expenditure is not prohibited by the wholly and exclusively rule but would otherwise be prohibited by the capital prohibition rule \[see subsection (8)], and

(e) no allowance under CAA 2001 may be claimed in respect of the expenditure.

(2) In calculating the profits of the business, a deduction for the expenditure is allowed.

(3) But any deduction is subject to—

(a) section 313 (restrictions on the relief), and

(b) any provision made by regulations under section 314.

(4) If, on a just and reasonable apportionment of any expenditure, part of the expenditure would qualify for the relief (but the remainder would not), a deduction is allowed for that part.

(5) “Energy-saving item” means—

(a) cavity wall insulation,

(b) loft insulation, or

(c) such other descriptions of items of an energy-saving nature as are for the time being specified in regulations made by the Treasury.

(6) The Treasury may by regulations provide for an item to be treated as an energy-saving item only if it satisfies such conditions as may be—

(a) specified in, or

(b) determined in accordance with, the regulations.

(7) The conditions may include conditions imposed by reference to information or documents issued by any body, person or organisation.

(8) In this section—

“the capital prohibition rule” means the rule in section 33 (capital expenditure), as applied by section 272, and

“the wholly and exclusively rule” means the rule in section 34 (expenses not wholly and exclusively for trade and unconnected losses), as applied by section 272.

(1) This section restricts deductions that would otherwise be allowable under section 312.
(2) No deduction is allowed if, when the energy-saving item is installed, the dwelling-house—
   (a) is in the course of construction, or
   (b) is comprised in land in which the person does not have an interest or is in the course of acquiring an interest or further interest.

(3) No deduction is allowed in respect of expenditure in a tax year if—
   (a) the business consists of or includes the commercial letting of furnished holiday accommodation (see Chapter 6), and
   (b) the dwelling-house constitutes some or all of that accommodation for the tax year.

(4) No deduction is allowed if—
   (a) the person derives rent-a-room receipts from the dwelling-house, and

(5) No deduction is allowed in respect of expenditure treated by section 57 (as applied by section 272) as incurred on the date on which the person starts to carry on the business unless the expenditure was incurred not more than 6 months before that date.

F297 S. 313(6) inserted (19.7.2007 with effect as stated in s. 18(6) of the amending Act) by Finance Act 2007 (c. 11), s. 18(4)

### 314 Regulations

(1) In relation to any deduction under section 312, the Treasury may make regulations for—

   (b) excluding entitlement to the deduction in such cases as may be specified in, or determined in accordance with, the regulations,
   (c) determining who is (and is not) entitled to the deduction if different persons have different interests in land that consists of or includes the whole or part of a building containing one or more dwelling-houses,
   (d) making apportionments if the property business is carried on by persons in partnership or an interest in land is beneficially owned by persons jointly or in common.

[F298(3) Regulations under this section may—
   (a) make different provision for different cases, and]
(b) contain incidental, supplemental, consequential and transitional provision and savings (including provision as to appeals in relation to apportionments mentioned in subsection (1)(d)).]

Textual Amendments
F298 S. 314(3) inserted (retrospectively with effect as stated in s. 18(7)(8) of the amending Act) by Finance Act 2007 (c. 11), s. 18(5)

Deductions for expenditure on sea walls

315 Deduction for expenditure on sea walls

(1) This section applies if in a tax year a person —
   (a) is the owner or tenant of any premises, and
   (b) incurs expenditure in making a sea wall or other embankment necessary for the preservation or protection of the premises against the encroachment or overflowing of the sea or any tidal river.

(2) In calculating the profits of any property business carried on by the person in relation to the premises, a deduction is allowed for the expenditure in each tax year in the deduction period.

(3) The deduction period comprises—
   (a) the tax year in which the expenditure is incurred, and
   (b) the next 20 tax years.

(4) The amount of the deduction is 1/21 of the expenditure.

(5) No deduction is allowed for any expenditure in respect of which a capital allowance has been made.

(6) Section 316 deals with the case of an interest in the premises being transferred (and this section applies in that case as if the reference to the person in subsection (2) above included the transferor and the transferee).

316 Transfer of interest in premises

(1) This section applies if, during the deduction period, the whole of the person's interest in the premises or in any part of them is transferred, whether by operation of law or otherwise.

(2) For the tax year in which the transfer takes place—
   (a) the transferor and the transferee are entitled to a part of any deduction under section 315, and
   (b) the amount of the deduction is determined by what is just and reasonable.

(3) For subsequent tax years in the deduction period, the entitlement to any deduction under section 315 depends on whether the interest transferred is in the whole of the premises or in part of them.

(4) If the interest transferred is in the whole of the premises, the transferee (but not the transferor) is entitled to any deduction under section 315.
(5) If the interest transferred is in part of the premises—
   (a) the transferor and the transferee are entitled to a part of any deduction under section 315, and
   (b) the amount of the deduction is determined by reference to what is properly referable to the part of the premises.

(6) This section is supplemented by sections 317 (ending of lease of premises) and 318 (transfer involving company within the charge to corporation tax).

317 Ending of lease of premises

(1) If a person's interest in the premises is a lease that comes to an end before the end of the deduction period, the interest is treated as if transferred to the following persons.

(2) If a new lease of the premises is granted and the new tenant makes a payment in respect of the embankment in question to the old tenant, the transferee is the new tenant.

(3) Otherwise the transferee is the owner of the interest in immediate reversion on the lease (or, in Scotland, the landlord).

318 Transfer involving company within the charge to corporation tax

(1) This section explains how section 316 works if—
   (a) the transferor is a person within the charge to income tax and the transferee is a company within the charge to corporation tax, or
   (b) the transferor is a company within the charge to corporation tax and the transferee is a person within the charge to income tax.

(2) Section 316 applies only for the purpose of determining—
   (a) whether the person within the charge to income tax is entitled to a deduction (or part of a deduction) under section 315, and
   (b) the amount of any such deduction.

(3) Accordingly, any reference to—
   (a) whether a person is entitled to a deduction (or part of a deduction) under section 315, or
   (b) the amount of any such deduction,
   is ignored if the person is a company within the charge to corporation tax.

(4) For any entitlement of a company within the charge to corporation tax to a deduction for any of the expenditure, see [F299 sections 255 to 257 of CTA 2009] (corresponding corporation tax provision).

Definition

323 Meaning of “commercial letting of furnished holiday accommodation”

(1) A letting is a lease or other arrangement under which a person is entitled to the use of accommodation.

(2) A letting of accommodation is commercial if the accommodation is let—
   (a) on a commercial basis, and
   (b) with a view to the realisation of profits.

(3) A letting is of furnished holiday accommodation if—
   (a) the person entitled to the use of the accommodation is also entitled, in connection with that use, to the use of furniture, and
   (b) the accommodation is qualifying holiday accommodation (see sections 325 and 326).

(4) This section applies for the purposes of this Chapter.

324 Meaning of “relevant period” in sections 325 and 326

(1) For the purposes of sections 325 and 326 “the relevant period” for accommodation let by a person in a tax year is determined as follows.

(2) If the accommodation was not let by the person as furnished accommodation in the previous tax year, “the relevant period” is 12 months beginning with the first day in the tax year on which it is let by the person as furnished accommodation.

(3) If the accommodation—
   (a) was let by the person as furnished accommodation in the previous tax year, but
   (b) is not let by the person as furnished accommodation in the following tax year,
   “the relevant period” is 12 months ending with the last day in the tax year on which it is let by the person as furnished accommodation.

(4) Otherwise “the relevant period” is the tax year.

325 Meaning of “qualifying holiday accommodation”

(1) Accommodation which is let by a person during a tax year is “qualifying holiday accommodation” for the tax year if the availability, letting and pattern of occupation conditions are met.

(2) The availability condition is that, during the relevant period, the accommodation is available for commercial letting as holiday accommodation to the public generally for at least 210 days.

(3) The letting condition is that, during the relevant period, the accommodation is commercially let as holiday accommodation to members of the public for at least 105 days.

(4) For the purposes of the letting condition, a letting of accommodation for a period of longer-term occupation (see subsection (6)) is not a letting of it as holiday accommodation.
(5) The pattern of occupation condition is that, during the relevant period, not more than 155 days fall during periods of longer-term occupation.

(6) For the purposes of this section a “period of longer-term occupation” is a continuous period of more than 31 days during which the accommodation is in the same occupation otherwise than because of circumstances that are not normal.

326 Under-used holiday accommodation: averaging elections

(1) This section applies if during a tax year a person lets both—
   (a) qualifying holiday accommodation, and
   (b) accommodation that would be qualifying holiday accommodation if the letting condition (see section 325(3)) were met in relation to it (“under-used accommodation”).

(2) The person may make an election for the tax year specifying—
   (a) the qualifying holiday accommodation, and
   (b) any or all of the under-used accommodation.

(3) The under-used accommodation so specified is treated as qualifying holiday accommodation for the tax year if the average of the number of let days for the tax year of all the accommodation specified in the election is at least 105.

(4) “The number of let days” for a tax year of any accommodation is the number of days during the relevant period for which it is commercially let by the person as holiday accommodation to members of the public.

(5) Qualifying holiday accommodation may not be specified in more than one election for a tax year.

(6) An election for a tax year must be made on or before the first anniversary of the normal self-assessment filing date for the tax year.

[This section is to apply separately in relation to accommodation in the United Kingdom and accommodation in EEA states other than the United Kingdom.]
Under-used holiday accommodation: letting condition not met

(1) This section applies if—
   (a) during a tax year a person lets qualifying holiday accommodation,
   (b) the accommodation is let by the person—
       (i) during the next tax year, or
       (ii) during the next two tax years,
   (c) the accommodation would (apart from this section) not be qualifying holiday accommodation—
       (i) during the tax year mentioned in paragraph (b)(i), or
       (ii) during both of the tax years mentioned in paragraph (b)(ii), only because of a failure to meet the letting condition (see section 325(3)), and
   (d) there was a genuine intention to meet the letting condition for the tax year within subsection (1)(c)(i) or each of the tax years within subsection (1)(c)(ii) (as the case may be).

(2) If the person makes an election in respect of that accommodation for any tax year in respect of which the failure mentioned in subsection (1)(c) occurs, the accommodation is to be treated as qualifying holiday accommodation for that tax year.

(3) Subsection (2) does not apply for the purposes of section 326 or subsection (1)(a).

(4) If an election is not made for the first of the tax years within subsection (1)(c)(ii), an election may not be made for the second.

(5) An election for a tax year must be made on or before the first anniversary of the normal self-assessment filing date for the tax year.

(6) References in subsection (1)(a) and (c) to qualifying holiday accommodation include accommodation treated as such under section 326.

330 Adjustment income and adjustment expense

(1) An amount by way of adjustment must be calculated in accordance with section 231, which applies in relation to a UK property business as it applies in relation to a trade.

(2) If the amount produced by the calculation is positive, it is treated as income and charged to income tax under this Chapter.

It is referred to in this Chapter as “adjustment income”.

(3) If the amount produced by the calculation is negative, a deduction is allowed for it in calculating the profits of the business.

It is referred to in this Chapter as an “adjustment expense”.

(4) This section is subject to section 234 (no adjustment for certain expenses previously brought into account), which applies in relation to a UK property business as it applies in relation to a trade.
(2) But if there is a change of basis resulting from a tax adjustment affecting the calculation of any amount brought into account in respect of depreciation, adjustment income is treated as arising only when the asset to which it relates is realised or written off.

(3) Adjustment income is treated for the purposes of [Part 4 of ITA 2007](loss relief) as profits of the UK property business for the tax year in which tax is charged on it.

### 334 Treatment of adjustment expense

(1) An adjustment expense is treated as an expense of the business arising on the last day of the first period of account for which the new basis is adopted.

(2) But if there is a change of basis resulting from a tax adjustment affecting the calculation of any amount brought into account in respect of depreciation, an adjustment expense is treated as arising only when the asset to which it relates is realised or written off.

(1) This Chapter—

   (a) imposes a charge to income tax on dividends and other distributions of UK resident companies (see section 383),

   (b) treats dividends as paid in some circumstances (see sections 386 to 391), and
(c) makes special provision where the charge is in respect of shares awarded under an approved share incentive plan (see sections 392 to 396).

(2) This Chapter also makes provision about tax credits, tax being treated as paid and reliefs available in respect of certain distributions which applies whether or not the distributions are otherwise dealt with under this Chapter (see sections 397 to 401).

(3) For exemptions from the charge under this Chapter, see in particular—
   Chapter 3 of Part 6 (income from individual investment plans),
   Chapter 5 of that Part (venture capital trust dividends),

   section 498 of ITEPA 2003 (no charge on shares ceasing to be subject to SIP in certain circumstances).

(4) In this Chapter “dividends” does not include income treated as arising under section 410 (stock dividends).

**Charge to tax on dividends and other distributions**

(2) Subsection (1) is subject to—
   section 393(2) and (3) (later charge where cash dividends retained in SIPs are paid over), and
   section 394(3) (distribution when dividend shares cease to be subject to SIP).

(3) See also section 398 (under which the amount or value of the dividends or other distributions is treated as increased if any person is entitled to a tax credit in respect of them).

385 **Person liable**

(1) The person liable for any tax charged under this Chapter is—
   (a) the person to whom the distribution is made or is treated as made (see Part 6 of ICTA and sections 386(3) and 389(3)), or
   (b) the person receiving or entitled to the distribution.

(2) Subsection (1) is subject to subsection (5).

(3) For income tax purposes dividends are treated as paid to the owners of the shares by the company.

(4) The amount of the dividends treated as paid to each owner is so much of the total amount mentioned in subsection (1) as is proportionate to the owner's shares.

(5) This section does not apply if the open-ended investment company is an approved personal pension scheme.

(6) See section 388 for the interpretation of this section and section 387.

387 Date when dividends paid under section 386

(b) in the case of an open-ended investment company which is part of an umbrella company, such parts of those documents of the umbrella company as apply to the open-ended investment company.

(3) If such a date is so specified, the dividends are treated as paid on that date.

(4) If no such date is so specified, the dividends are treated as paid on the last day of that period.

388 Interpretation of sections 386 and 387

(1) In sections 386 and 387 and this section—

(1) This section applies if the distribution accounts of an authorised unit trust show the total amount available for distribution to unit holders as available for distribution as dividends.

(2) Subsection (1) is subject to subsection (6).

(3) For income tax purposes dividends are treated as paid to the unit holders.

(4) The amount of the dividends treated as paid to each unit holder is so much of the total amount mentioned in subsection (1) as is proportionate to the unit holder's rights.

(5) The dividends are treated as paid on the shares and by the company referred to in section 617(1) of CTA 2010] (which relates to the trustees of an authorised unit trust being treated as a UK resident company in which the unit holders' rights are shares).

(6) This section does not apply if the authorised unit trust is an approved personal pension scheme.

(7) See section 391 for the interpretation of this section and section 390.
390 Date when dividends paid under section 389

(1) This section applies for determining the date on which dividends are treated as paid under section 389.

(2) The date on which the dividends are treated as paid depends on whether a date is specified by or in accordance with the trust's terms for any distribution for the distribution period in question.

(3) If such a date is so specified, the dividends are treated as paid on that date.

(4) If no such date is so specified, the dividends are treated as paid on the last day of that period.

391 Interpretation of sections 389 and 390

In sections 389 and 390—

“approved personal pension scheme” has the same meaning as in Chapter 4 of Part 14 of ICTA (see section 630(1) of that Act),

“distribution” includes investment on behalf of a unit holder in respect of the holder's accumulation units,

“distribution accounts” means the accounts showing how the total amount available for distribution to unit holders is ascertained, and

“distribution period” means the period by reference to which that amount is ascertained.

Shares in approved share incentive plans (“SIPs”)

392 SIP shares: introduction

(1) Sections 393 to 395 contain special rules about the charge under this Chapter in respect of shares awarded to an individual under an approved share incentive plan.

(2) Those sections only apply if condition A or B was met at the time the shares in question were so awarded.

(3) Condition A is that—

(a) the earnings from the eligible employment were general earnings (see section 7(3) of ITEPA 2003) to which any of the charging provisions of Chapter 4 or 5 of Part 2 of ITEPA 2003 applied, or

(b) if there had been any earnings from it, they would have been such earnings.

(4) In subsection (3)—

(a) “the eligible employment” means the employment resulting in the individual meeting the employment requirement in relation to the plan, and

(b) the reference to any of the charging provisions of Chapter 4 or 5 of Part 2 of ITEPA 2003 has the same meaning as it has in the employment income Parts of that Act (see sections 14(3) and 20(3) of that Act).

(5) Condition B is that—

(a) the shares were awarded before 6th April 2003, and

(b) the individual was liable for tax under Schedule E in respect of the relevant employment.
(6) In subsection (5) “the relevant employment” means the employment by reference to which the individual met the requirements in paragraph 14 of Schedule 8 to FA 2000 (employee share ownership plans: the employment requirement) in relation to the plan.

(7) See section 396 for the general interpretation of this section and sections 393 to 395.

### 393 Later charge where cash dividends retained in SIPs are paid over

1. This section applies if a cash dividend is paid over to a participant under paragraph 68(4) of Schedule 2 to ITEPA 2003 (cash dividend paid over if not reinvested etc.).

2. Tax charged under this Chapter is charged for the tax year in which the cash dividend is paid over instead of the tax year in which it was originally paid.

3. Tax so charged is charged on the amount of the cash dividend paid over.

4. The person liable for any tax so charged is the participant.

5. For the purposes of determining—
   
   (a) whether the participant is entitled to a tax credit under section 397 in respect of a cash dividend so charged, and
   
   (b) the amount of that tax credit,

   that section applies as it has effect for the tax year in which the cash dividend is paid over.

6. For the purposes of this Chapter, the question whether a cash dividend paid over to a participant under paragraph 68(4) of Schedule 2 to ITEPA 2003 is a dividend paid by a company that is UK resident is determined by reference to the tax year in which the dividend was originally paid.

### 394 Distribution when dividend shares cease to be subject to SIP

1. This section applies if dividend shares cease to be subject to an approved share incentive plan before the end of the period of 3 years beginning with the date on which the shares were acquired on the participant's behalf.

2. For income tax purposes a distribution is treated as made to the participant in the tax year in which the shares cease to be subject to the plan.

3. The amount of the distribution treated as made is the amount of the cash dividend applied to acquire the shares on the participant's behalf, so far as it represents a cash dividend paid in respect of plan shares in a UK resident company.

4. The person liable for any tax charged on the distribution as a result of this section is the participant.

5. For the purposes of determining—
   
   (a) whether the participant is entitled to a tax credit under section 397 in respect of a distribution so charged, and
   
   (b) if so, the amount of that tax credit,

   that section applies as it has effect for the tax year in which the shares cease to be subject to the plan.
(6) But for the purposes of this Chapter, the question whether the distribution under subsection (2) is a distribution by a company that is UK resident is determined by reference to the year in which the company paid the dividend applied to acquire the shares on the participant's behalf.

(7) For rules identifying shares ceasing to be subject to approved share incentive plans, see section 508 of ITEPA 2003.

395  Reduction in tax due in cases within section 394

(1) This section applies if—
   (a) a person is liable to tax as a result of section 394, and
   (b) any tax is paid on any capital receipts under section 501 of ITEPA 2003 (charge on capital receipts in respect of plan shares) in respect of the shares that cease to be subject to the approved share incentive plan.

(2) The tax due is to be reduced by an amount equal to the total tax so paid.

(3) In subsection (2) “the tax due” means the amount of tax due as a result of section 394 after deduction of the tax credit determined in accordance with section 394(5).

(4) For rules identifying shares ceasing to be subject to approved share incentive plans, see section 508 of ITEPA 2003.

396  Interpretation of sections 392 to 395

(1) This section and sections 392 to 395 form part of the SIP code (see section 488 of ITEPA 2003 (approved share incentive plans)).

(2) Accordingly, expressions used in this section or those sections and contained in the index in paragraph 100 of Schedule 2 to that Act (approved share incentive plans) have the meaning indicated by that index.

(3) In particular—
   (a) for the meaning of “award of shares” see paragraph 5(1) of that Schedule,
   (b) for the meaning of “ceasing to be subject to plan” see paragraph 97 of that Schedule,
   (c) for the meaning of “dividend shares” see paragraph 62(3)(b) of that Schedule,
   (d) for the meaning of “employment requirement” see paragraph 15(3) of that Schedule,
   (e) for the meaning of “participant” see paragraph 5(4) of that Schedule,
   (f) for the meaning of “plan shares” see paragraphs 86 to 88 and 99(1) of that Schedule, and
   (g) for the meaning of “shares” see paragraphs 87(6) and 99(2) of that Schedule.
397 Tax credits for qualifying distributions [F352 of UK resident companies]: UK residents and eligible non-UK residents

(1) A UK resident or eligible non-UK resident receiving a qualifying distribution made by a UK resident company is entitled to a tax credit equal to one-ninth of the amount or value of the distribution (but see subsections (3) and (6)).

(2) Such a person may claim to deduct the tax credit from—
   (a) the income tax charged on the person's total income for the tax year in which the distribution is made, F353 . . .
   (b) F353 . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . .

(3) Subsection (1) only applies so far as the distribution is brought into charge to tax, and accordingly if the person's total income is reduced by any deductions which fall to be made from the distribution, the tax credit for the distribution is reduced in the same proportion as the distribution.

(4) For the purposes of this section “eligible non-UK resident”, in relation to a qualifying distribution, means an individual who at any time in the tax year in which it is received is a non-UK resident within section 278(2) of ICTA [F354 or section 56(3) of ITA 2007] (Commonwealth citizens, EEA nationals etc.).

(5) If a distribution is, or is treated under any provision of the Tax Acts as, the income of a person (“P”) other than the recipient (“R”), P (not R) is treated as receiving it for the purposes of this section (and so P (not R) is entitled to a tax credit if P falls within subsection (1)).

(6) This section is subject to the following provisions—
   [F355 section 504(4) of ITA 2007 (disapplication of certain provisions for income of unauthorised unit trusts),
   section 592 of ITA 2007 (no tax credits for borrower under stock lending arrangement),
   section 593 of ITA 2007 (no tax credits for interim holder under repo),
   section 594 of ITA 2007 (no tax credits for original owner under repo),]
   and section 171(2B) of FA 1993 (no tax credit for distributions in respect of assets in Lloyd's member's premium trust fund).

CHAPTER 5

STOCK DIVIDENDS FROM UK RESIDENT COMPANIES

409 Charge to tax on stock dividend income

(1) Income tax is charged on stock dividend income.

(2) In this Chapter “stock dividend income” means the income that is treated as arising under section 410.

410 When stock dividend income arises

(1) This section applies to—

   (a) share capital issued by a UK resident company in lieu of a cash dividend, and
   (b) bonus share capital issued by a UK resident company in respect of shares in the company of a qualifying class.

   (1A) For the purposes of subsection (1)(b), shares are of a qualifying class if—

   (a) shares of that class carry the right to receive bonus share capital in the company (of the same or a different class), and
   (b) that right is conferred by the terms on which shares of that class were originally issued or by those terms as subsequently extended or otherwise varied.

(2) If an individual is beneficially entitled to that share capital, income is treated as arising to the individual.

(3) If—

   (a) the share capital is issued to trustees in respect of shares they hold in the company (alone or with others), and
   (b) a cash dividend paid to them in respect of the shares would have been to any extent accumulated or discretionary income (as defined in section 480 of ITA 2007 but excluding income arising under a charitable trust or an unauthorised unit trust in relation to which section 504 of that Act applies),

   income is treated as arising to the trustees.

(4) If the share capital is issued to personal representatives during the administration period, income is treated as arising (but see section 413(4)).

(5) In subsection (4) “administration period” has the meaning given by section 653.

(6) Income within this section is treated as arising on the earliest date on which the company is required to issue the share capital in question.

(7) See section 413(5) (apportionment) if two or more persons are entitled to the share capital.
(8) There are special rules in paragraph 78A of Schedule 2 for share capital issued in respect of shares issued before 6 April 1975.

(3) For the purposes of subsection (2), an option to receive either a dividend in cash or additional share capital is conferred on a person not only—

(4) The reference in subsection (2) to a person's exercise of an option includes a person's abandonment of, or failure to exercise, a right such as is mentioned in subsection (3) (b).

(5) In this Chapter “share” includes stock, and any other interest of a member in a company.

(6) If two or more companies enter into arrangements to make distributions to each other's members, all parties concerned (however many) may, for the purposes of this Chapter, be treated as if anything done by any one of those companies had been done by any one of the others.

CHAPTER 8
PROFITS FROM DEEPLY DISCOUNTED SECURITIES

Charge to tax under Chapter 8

427 Charge to tax on profits from deeply discounted securities

(1) Income tax is charged on profits on the disposal of deeply discounted securities.

(2) The profits are treated as income for income tax purposes if they would not otherwise be income.
428  **Income charged**

(1) Tax is charged under this Chapter on the full amount of profits arising in the tax year.

(2) The profits on a disposal are to be taken to arise when the disposal occurs.

(3) If the profits arise on a disposal of securities that are outside the United Kingdom—
   (a) they are treated for the purposes of section 830 (meaning of “relevant foreign income”) as arising from a source outside the United Kingdom, and
   (b) subsection (1) is subject to Part 8 (foreign income: special rules).

(4) Subsection (2) needs to be read with section 438 (timing of transfers and acquisitions).

429  **Person liable**

(1) The person liable for any tax charged under this Chapter is the person making the disposal.

(2) See section 437 for who that person is.

*Deeply discounted securities*

430  **Meaning of “deeply discounted security”**

(1) The general rule is that a security is a “deeply discounted security” for the purposes of this Chapter if, as at the time it is issued, the amount payable on maturity or any other possible occasion of redemption (“A”) exceeds or may exceed the issue price by more than—

\[
A \times 0.5 \% \times Y.
\]

where Y is the number of years in the redemption period or 30, whichever is the lower.

(2) If the redemption period is not a number of complete years, for the purposes of subsection (1) the incomplete year is expressed as twelfths, treating each complete month and any remaining part of a month as one-twelfth.

(3) In this section “redemption period” means the period between the date of issue and the date of the occasion of redemption in question.

(4) Interest payable on an occasion of redemption is ignored in determining for the purposes of this section the amount payable on that occasion.

(5) For the purposes of this section, in the case of an issue to which section 442 applies (securities issued in accordance with qualifying earn-out right), the issue price of the security is to be taken as the amount paid to acquire it (see section 442(2)).

(6) The general rule in subsection (1) is subject to—
   section 431 (excluded occasions of redemption),
   section 432 (securities which are not deeply discounted securities),
   sections 434 to 436 (securities issued in separate tranches),
   section 443(1) (strips of government securities) [^412], and
   section 452A(1) (corporate strips).]
431 Excluded occasions of redemption

(1) An occasion of redemption of a security other than maturity is ignored for the purposes of section 430(1) if the third-party option conditions or the commercial protection conditions are met.

(2) The third-party option conditions are that—
   (a) the security may be redeemed on the occasion at the option of a person other than its holder;
   (b) the security is issued to a person who is not connected with the issuer, and
   (c) the obtaining of a tax advantage by any person is not the main benefit, or one of the main benefits, that might have been expected to accrue from the provision in accordance with which the security may be redeemed on the occasion.

(3) The commercial protection conditions are that—
   (a) the security may be redeemed on the occasion as the result of an exercise of an option that is exercisable only on the occurrence of—
      (i) an event adversely affecting the holder (see subsection (8)), or
      (ii) a default by any person, and
   (b) as at the time of the security's issue it appears unlikely that the option will be exercisable on the occasion.

(4) Subsection (1) does not apply to an occasion just because the occasion coincides or may coincide with an occasion meeting the third-party option conditions or the commercial protection conditions.

(5) If—
   (a) the only reason that a security is not a deeply discounted security is that an occasion on which it may be redeemed is ignored because the third-party option conditions are met, and
   (b) at some time after its issue the security is acquired by, or its holder becomes, a person connected with the issuer,

in relation to that time and later this Chapter applies as if the security were a deeply discounted security.

(6) If a person (“P”) who is not connected with the issuer acquires—
   (a) a security which is only a deeply discounted security because it was issued to a person connected with the issuer and so fails to meet the condition specified in subsection (2)(b), or
   (b) a security within subsection (5),

this Chapter applies in relation to P as if the security ceased to be a deeply discounted security on the acquisition.
(7) For the purposes of the application of this section to a security, the question whether persons are connected is determined without regard to the security or any other security issued under the same prospectus.

(8) In this section “event adversely affecting the holder”, in relation to a security, means an event the occurrence of which appears, as at the time of the security's issue, likely to have an adverse effect on the interests of its holder at the time of the event if there were no provision for redemption on its occurrence.

432 Securities which are not deeply discounted securities

(1) The following are not deeply discounted securities—
   (a) shares in a company,
   (b) gilt-edged securities that are not strips,
   (c) life assurance policies, and
   (d) capital redemption policies.

(2) An excluded indexed security (see section 433) is only a deeply discounted security if treated as such under section 431(5) (acquisition by a person connected with the issuer or holder becoming such a person).

(3) In this section “capital redemption policies” has the same meaning as in Chapter 9 of this Part (see section 473(2)).

(4) See also sections 434 to 436 (rules under which securities issued under the same prospectus on separate occasions may be treated as being, or as not being, deeply discounted securities).

433 Meaning of “excluded indexed security”

(1) In this Chapter “excluded indexed security” means a security under the terms of which the amount payable on redemption is determined by applying to the amount for which the security was issued the percentage change (if any) over the security's redemption period in—
   (a) the value of chargeable assets of a particular description, or
   (b) an index of the value of such assets.

(2) The fact that the terms under which the security is issued include a provision to the effect that the amount payable on its redemption must be at least a specified percentage of the amount for which it was issued only prevents it from falling within the definition in subsection (1) if that percentage exceeds 10%.

(3) Interest payable on redemption is ignored in determining for the purposes of this section the amount payable on redemption.

(4) In subsection (1) “redemption period” means—
   (a) the period beginning with the date of issue and ending with the date of redemption, or
   (b) a period which is or includes almost all that period and only differs from it for purposes connected with giving effect to a valuation in relation to rights or liabilities under the security.
(5) An asset is a chargeable asset for the purposes of subsection (1) if a gain accruing to a person on its disposal would be a chargeable gain for the purposes of TCGA 1992 on the assumptions specified in subsection (6).

(6) The assumptions are that—
   (a) the asset is an asset of the person,
   (b) the person is not entitled to the exemption conferred by section 100 of TCGA 1992 (exemption for authorised unit trusts etc.),
   (c) disposal of the asset by the person would not be treated for income tax purposes as a disposal in the course of a trade, profession or vocation, and
   (d) section 116(10) of TCGA 1992 is ignored (chargeable gains on subsequent disposals of qualifying corporate bonds acquired in reorganisations, conversions and reconstructions).

(7) For the purposes of this section—
   (a) neither the retail prices index nor any similar general index of prices published by the government of a territory or by an agent of such a government is an index of the value of chargeable assets, and
   (b) “redemption”, in relation to a security, does not include its redemption on an occasion which is to be ignored under section 431(1) (excluded occasions of redemption).

434 Securities issued in separate tranches: preliminary

(1) Sections 435 and 436 set out rules under which securities issued under the same prospectus on separate occasions may be treated as being, or as not being, deeply discounted securities.

(2) If any of the securities in the original issue under the prospectus is a deeply discounted security—
   (a) the rule in section 435 applies to securities in later issues under it, and
   (b) the rule in section 436 does not apply to any securities issued under it.

(3) If none of the securities in the original issue under the prospectus is a deeply discounted security, the rule in section 435 applies to securities in a later issue except where the rule in section 436 applies.

435 Securities issued in separate tranches: basic rule

(1) The rule in this section is that if securities in any of the issues made on separate occasions under the same prospectus are not deeply discounted securities, securities in any later issue under it are not deeply discounted securities, unless they are treated as such for one of the reasons specified in subsection (2).

(2) The reasons are—
   (a) that the securities were issued to a person connected with the issuer and so fail to meet the condition specified in section 431(2)(b), and
   (b) that such a person has acquired or become the holder of the securities and so section 431(5) applies to them.
Deeply discounted securities issued in separate tranches: nominal value rule

(1) This section only applies if some of the securities in one or more later issues under the same prospectus are deeply discounted securities (or are such securities if the rule in section 435 is ignored).

(2) The rule in this section applies for any disposal or acquisition after the time when the condition specified in subsection (3) is first met.

(3) The condition is that the aggregate nominal value as at a particular time of the securities within subsection (1) exceeds the aggregate nominal value as at that time of all the other securities issued under the prospectus at any time.

(4) The rule is that all securities issued under the prospectus (including those issued after the time when the condition specified in subsection (3) is first met) are to be treated as deeply discounted securities and as having been acquired as such (whenever actually issued or acquired).

(5) Subsection (6) applies where the question is whether a security held by a person who is not connected with the issuer is a deeply discounted security as a result of the rule in this section.

(6) For the purpose of determining whether the rule in this section applies, securities that are only within subsection (1) for one of the reasons specified in section 435(2) are treated as not being within it.

Disposals

Transactions which are disposals

(1) References in this Chapter to the disposal of a deeply discounted security are—

(a) to its redemption,

(b) to its transfer by sale, exchange, gift or otherwise, including a transfer treated as made by subsection (3), and

(c) so far as not covered by paragraph (a) or (b), to its conversion under its terms into shares in a company or other securities (including other deeply discounted securities).

(2) The person treated as making a disposal is—

(a) in the case of a disposal within subsection (1)(a), the person entitled as the security's holder to any payment on the disposal,

(b) in the case of a disposal within subsection (1)(b), the transferor, and

(c) in the case of a disposal within subsection (1)(c), the person who would be entitled as the security's holder to any payment on the disposal, if such a payment were made.

(3) A person who dies while entitled to a deeply discounted security is treated as transferring it immediately before death to the personal representatives.

(4) In the case of strips, further provision about occasions counting as disposals is made by section 445(2) and (6)(a).

(5) In the case of interest-bearing corporate securities, further provision about occasions counting as disposals is made by section 452F(2)(a).
(6) In the case of corporate strips, further provision about occasions counting as disposals is made by section 452F(2)(a) and (3)(a).

   (a) a transfer or acquisition of a deeply discounted security is made under an agreement, and
   (b) the transferee or the person making the acquisition becomes entitled to the security at the time the agreement is made.

(5) Subsection (4) is subject to—
   section 445(8) (exchanges for and consolidations of strips);
   section 452F(5) (conversion into and consolidations of corporate strips).

Securities issued in accordance with qualifying earn-out right

(1) This section applies if a security is issued to a person in accordance with the terms of a qualifying earn-out right.

(2) The amount paid by the person to acquire the security is to be taken for the purposes of this Chapter to be the total of—
   (a) the market value, immediately before the issue, of the right to be issued with the security in accordance with the terms of the qualifying earn-out right, and
   (b) any amount payable for the issue in accordance with those terms.

(3) In this section “qualifying earn-out right” means a right that meets conditions A to C, or so much of a right as does so.

Special rules for strips of government securities

Application of this Chapter to strips of government securities

(1) All strips are treated as deeply discounted securities for the purposes of this Chapter, whether or not they would otherwise be so.

(2) This Chapter applies to strips subject to the rules in—
   (a) section 445 (strips of government securities: acquisitions and disposals),
   (b) section 446 (strips of government securities: relief for losses),
   (c) section 447 (restriction of profits on strips by reference to original acquisition cost),
   (d) section 448 (restriction of losses on strips by reference to original acquisition cost),
   (e) section 449 (strips of government securities: manipulation of acquisition, transfer or redemption payments), [417 and]
Meaning of “strip” in Chapter 8

(1) In this Chapter “strip”, in relation to any stock or bond (“the underlying security”), means a security which—
(a) meets conditions A to C,
(b) if it was acquired after 26th March 2003, was issued by or on behalf of the government of any territory, and
(c) if it was acquired on or before that date, was issued under the National Loans Act 1968 (c. 13) in a case where the underlying security was itself a gilt-edged security.

(2) Condition A is that the security is issued for the purpose of representing the right to or of securing—
(a) a payment corresponding to a payment of interest or principal remaining to be made under the underlying security, or
(b) two or more payments each corresponding to a payment to be so made.

(3) Condition B is that the security is issued in conjunction with the issue of one or more other securities which, together with that security—
(a) represent the right to, or
(b) secure,
payments corresponding to every payment remaining to be made under the underlying security.

(4) Condition C is that the security is not itself a security which—
(a) represents the right to, or
(b) secures,
payments corresponding to a part of every payment remaining to be made under the underlying security.

(5) After the balance has been struck for a dividend on any underlying security, a payment to be made in respect of that dividend is treated for the purposes of conditions A to C as not being a payment remaining to be made under the underlying security.

(6) Nothing in this section affects the meaning of the expression “corporate strip” in this Chapter (see section 452E).
445 Strips of government securities: acquisitions and disposals

(1) A person who receives strips of a security (“the underlying security”) in exchange for the underlying security is treated as having acquired each strip by the payment of an amount equal to—

\[ \frac{A}{C} \times \frac{B}{C} \]

where—

A is the market value of the underlying security at the time of the exchange,

B is the market value of the strip at that time, and

C is the total of the market values at that time of all the strips received in the exchange.

(2) For the purposes of this Chapter—

(a) a person who holds a strip of a security on 5th April in any tax year is treated as having transferred the strip on that day, and

(b) an amount equal to its market value on that day is treated as payable on the transfer.

(3) For the purposes of this Chapter that person is also treated as having immediately re-acquired the strip for the same amount.

(4) Subsections (2) and (3) do not apply if there is any other disposal of the strip on that day.

(5) Section 439(4) (deduction of incidental expenses incurred before 27th March 2003) does not apply to transfers and reacquisitions within subsections (2) and (3).

(6) For the purposes of this Chapter—

(a) the consolidation of a strip of a security with other such strips into a single security is a disposal of the strip by the person consolidating it (whether or not it would be apart from this subsection), and

(b) an amount equal to the market value of the strip at the consolidation is treated as payable on the disposal.

(7) Section 438 (timing of transfers and acquisitions) does not apply to an exchange within subsection (1) or a consolidation within subsection (6).

(8) Subsections (1) and (6) apply instead of sections 440(4) (market value on general conversions of deeply discounted securities) and 441 (market value acquisitions).

446 Strips of government securities: relief for losses

(1) Relief from income tax may be claimed under this section for any loss made on the disposal of a strip of a security.

(2) If a person makes a claim under this section, the relief is given by deducting the loss in calculating the person's net income for the tax year in which the disposal occurs (see Step 2 of the calculation in section 23 of ITA 2007).

(3) For this purpose a person makes a loss on the disposal of a strip if—

(a) the person disposes of the strip, and
(b) the amount the person paid for the strip, ignoring any incidental expenses incurred in connection with the acquisition, exceeds the amount payable on the disposal, ignoring any incidental expenses incurred in connection with the disposal.

(4) The loss is an amount equal to the excess.

(5) A claim under this section must be made on or before the first anniversary of the normal self-assessment filing date for the tax year in which the disposal occurs.

(6) The relief may be claimed by the person making the disposal.

(7) Relief for a loss on a disposal may not be claimed under this section if section 454 (listed securities held since 26th March 2003: relief for losses) applies in respect of the disposal.

(8) This section is subject to—
   (a) section 448 (restriction of losses on strips by reference to original acquisition cost),
   (b) section 449 (strips of government securities: manipulation of acquisition, sale or redemption payments), and
   (c) section 458(2) (strips held by non-UK resident trustees).

447 Restriction of profits on strips by reference to original acquisition cost

(1) This section applies if—
   (a) a person makes a profit on the disposal of a strip (apart from this section), and
   (b) the person's original acquisition cost for the strip (see subsection (4)) exceeds the amount that falls to be brought into account as the amount paid by the person to acquire the strip in determining the amount of the profit.

(2) If the amount that falls to be brought into account as the amount payable on the disposal in determining the amount of the profit exceeds the person's original acquisition cost for the strip, the amount of the profit is restricted to that excess.

(3) Otherwise the person is treated as not making a profit on the disposal.

(4) For the purposes of this section and section 448, a person's original acquisition cost for a strip is the amount that falls to be taken into account as the amount paid by the person to acquire the strip in determining whether the person makes a profit or loss on its disposal if 5th April disposals and acquisitions are ignored.

(5) In subsection (4) “5th April disposals and acquisitions” means—
   (a) disposals under section 445(2) (other than the disposal in question), and
   (b) acquisitions under section 445(3).
448 **Restriction of losses on strips by reference to original acquisition cost**

(1) This section applies if—

(a) a person makes a loss on the disposal of a strip (apart from this section), and

(b) the person's original acquisition cost for the strip exceeds the amount that falls to be brought into account as the amount payable on the disposal of the strip in determining the amount of the loss.

(2) If the amount that falls to be brought into account as the amount paid by the person to acquire the strip in determining the amount of the loss exceeds the person's original acquisition cost for the strip, the amount of the loss is reduced.

(3) The amount of the reduction is A – B where—

A is the person's original acquisition cost for the strip, and

B is the amount that falls to be brought into account as the amount payable on the disposal of the strip in determining the amount of the loss.

(4) If subsection (2) does not apply, the person is treated as not making a loss on the disposal.

(5) In this section any reference to making a loss on the disposal of a strip has the meaning given in section 446(3) and (4).

449 **Strips of government securities: manipulation of acquisition, transfer or redemption payments**

(1) This section applies if—

(a) as a result of a scheme or arrangement an amount referred to in subsection (2) (a), (b) or (c) differs from the market value of a strip in a way specified in that subsection, and

(b) the obtaining of a tax advantage by any person is the main benefit, or one of the main benefits, that might have been expected to accrue from, or from any provision of, the scheme or arrangement.

(2) The ways are that—

(a) the amount paid by a person in respect of the acquisition of the strip is or was more than the market value at the time of the acquisition,

(b) the amount payable to a person on transferring the strip is less than the market value at the time of the transfer, or

(c) on redemption of the strip the amount payable to a person, as the person holding the strip, is less than the market value on the day before redemption.

(3) In a case within subsection (2)(a), for the purposes of sections 439(1) and 446(3) on transferring the strip the person is treated as if the person had paid to acquire the strip an amount equal to the market value of the strip at the time of the acquisition.

(4) In a case within subsection (2)(b), for those purposes the person is treated as if the amount payable to the person on the transfer were an amount equal to the market value of the strip at the time of the transfer.

(5) In a case within subsection (2)(c), for those purposes the person is treated as if the amount payable to the person on redemption were an amount equal to the market value of the strip on the day before redemption.
For the purposes of this section, no account is to be taken of any incidental expenses incurred in connection with any disposal or acquisition of a strip.

**Market value of strips etc.**

(1) The Treasury may make regulations as to the manner for determining—
   (a) the market value at any time of a strip for the purposes of this Chapter, and
   (b) the market value at any time of a security exchanged for strips of that security for the purposes of section 445(1).

(2) The regulations may—
   (a) make different provision for different cases, and
   (b) contain incidental, supplemental, consequential and transitional provision and savings.

**Power to modify this Chapter for strips**

(1) The Treasury may by regulations provide that this Chapter is to apply to a strip with such modifications as they consider appropriate.

(2) This section is without prejudice to the general power to make regulations under section 202 of FA 1996 (gilt stripping).

**Special rules for corporate strips**

All corporate strips are treated as deeply discounted securities for the purposes of this Chapter, whether or not they would otherwise be so.

This Chapter applies to corporate strips subject to the rules in—
   (a) section 452F (corporate strips: acquisitions and disposals), and
   (b) section 452G (corporate strips: manipulation of acquisition, transfer or redemption payments).

Textual Amendments
F425 Ss. 452A-452G and preceding cross-heading inserted (retroactively) by Finance (No. 2) Act 2005 (c. 22), s. 39, Sch. 7 para. 25(8)(10)

Conversion of interest-bearing corporate securities into corporate strips

(1) For the purposes of this Chapter a person converts an interest-bearing corporate security into corporate strips of the security if he has an interest-bearing corporate security (“the converted corporate security”) but—
   (a) as a result of any scheme or arrangements, he acquires two or more separate assets in place of the converted corporate security,
   (b) each of those separate assets satisfies condition A,
   (c) those separate assets, taken together, satisfy condition B, and
   (d) at least one of those separate assets is not prevented from being a corporate strip by section 452E(2) or (3), and related expressions shall be construed accordingly.

(2) Condition A is that the asset—
   (a) represents the right to, or
   (b) secures,
   one or more stripped payments.

(3) For the purposes of this section, a “stripped payment” is—
   (a) the payment of, or
   (b) a payment corresponding to,
   the whole or a part of one or more payments (whether of interest or principal) remaining to be made under the converted corporate security.

(4) Condition B is that the assets, taken together,—
   (a) represent the right to, or
   (b) secure,
every payment (whether of interest or principal) remaining to be made under the converted corporate security (or payments corresponding to every such payment).

(5) Where a person—
(a) has an interest-bearing corporate security, but
(b) sells or transfers the right to one or more payments remaining to be made under it (so that, as a result, there are two or more separate assets which, taken together, satisfy condition B),

this Chapter has effect as if, as a result of a scheme or arrangements, the person had acquired the separate assets in place of the security immediately before the sale or transfer.

(6) After a balance has been struck for a dividend on an interest-bearing corporate security, any payment to be made in respect of that dividend shall, at times falling after that balance has been struck, be treated for the purposes of this paragraph as not being a payment remaining to be made under the security.

---

**Conversion into corporate strips: lower level conversions**

(1) For the purposes of this Chapter, section 452C also has effect in relation to each of the separate assets mentioned in subsection (1) of that section as if that separate asset were itself an interest-bearing corporate security (if that is not in fact the case).

(2) In subsection (1), the reference to section 452C includes a reference to that section as it has effect by virtue of this section.

(3) In the application of section 452C by virtue of this section, references to payments the right to which a separate asset represents or secures shall be construed in accordance with subsection (6) of that section.

(4) Where section 452C has effect by virtue of subsection (1)—
(a) any reference in this Chapter to converting an interest-bearing corporate security into corporate strips of the security shall be construed accordingly, and
(b) section 452E (meaning of “corporate strip”) has effect accordingly.

---

**Meaning of “corporate strip” in Chapter 8**

(b) which is not prevented from being a corporate strip by subsection (2) or (3).

(2) An asset is not a corporate strip if it—
   
   (a) represents the right to, or
   
   (b) secures,

   payments of, or corresponding to, a part of every payment remaining to be made under an interest-bearing corporate security or a corporate strip.

(3) An asset is a corporate strip in the case of any person only if he acquired it—
   
   (a) on or after 2nd December 2004, and
   
   (b) otherwise than in pursuance of an agreement entered into before that date.

Textual Amendments

F428 Ss. 452A-452G and preceding cross-heading inserted (retrospectively) by Finance (No. 2) Act 2005 (c. 22), s. 39, Sch. 7 para. 25(8)(10)

F429 452F Corporate strips: acquisitions and disposals

(1) A person who converts an interest-bearing corporate security into corporate strips of the security is treated as having acquired each corporate strip by the payment of an amount equal to—

\[ A \times \frac{B}{C} \]

where—

A is the acquisition cost of the converted corporate security;

B is the market value of the corporate strip;

C is the total of the market values of all the separate assets resulting from the conversion.

(2) If the converted corporate security is a deeply discounted security—
   
   (a) its conversion into corporate strips is to be treated for the purposes of this Chapter as a transfer of the security, but
   
   (b) the amount payable on the transfer is taken to be an amount equal to the acquisition cost of the converted corporate security.

(3) For the purposes of this Chapter—
   
   (a) the consolidation of a corporate strip with other corporate strips into a single security is a disposal of the corporate strip by the person consolidating it (whether or not it would be apart from this subsection), and
   
   (b) an amount equal to the market value of the corporate strip at the consolidation is treated as payable on the disposal.

(4) Section 438 (timing of transfers and acquisitions) does not apply to a conversion within subsection (1) or a consolidation within subsection (3).
(5) Subsections (1) to (3) apply instead of sections 440(4) (market value on general conversions of deeply discounted securities) and 441 (market value acquisitions).

(6) For the purposes of this section, the acquisition cost of the converted corporate security is the amount paid in respect of his acquisition of the security by the person who has it immediately before the conversion (no account being taken of any costs incurred in connection with that acquisition).

(7) References in this section to the market value of a security given or received in exchange for, or otherwise converted into, another are references to its market value at the time of the exchange or conversion.

453 Application of sections 454 to 456

(1) In the case of a disposal of a deeply discounted security that meets conditions A and B, the rules in sections 454 to 456 apply for—
   (a) providing for relief for losses on the disposal, and
   (b) calculating the amount of profits chargeable under this Chapter on the disposal or the losses for which such relief may be given.

(2) Condition A is that the person making the disposal has held the security continuously since a time before 27th March 2003.

(3) Condition B is that the security was listed on a recognised stock exchange at any time before 27th March 2003.

454 Listed securities held since 26th March 2003: relief for losses

(1) A person may claim relief from income tax under this section for a loss the person has made on disposing of deeply discounted securities.

(2) For this purpose a person makes such a loss only if A exceeds B, where—
   A is the amount the person paid for the securities, excluding any incidental expenses incurred in connection with the acquisition, and
   B is the amount payable on the disposal, excluding any incidental expenses incurred in connection with the disposal.

(3) For the calculation of the amount of the loss, see section 455(2) to (4) (under which those expenses are taken into account).

(4) If a claim under this section is made by a person other than a trustee, the relief is given by deducting the loss in calculating the person's net income for the tax year in which the disposal occurs (see Step 2 of the calculation in section 23 of ITA 2007).

(5) If such a claim is made by a trustee, the amount of profits arising in the tax year in which the disposal occurs that is charged under this Chapter is reduced by the amount of the loss.

(6) A claim under this section must be made on or before the first anniversary of the normal self-assessment filing date for the tax year in which the disposal occurs.

(2) A person's loss on a disposal for the purposes of section 454 (relief for losses) is the amount by which the deductible costs exceed the amount payable on the disposal.

(3) In this section the “deductible costs” means—
   (a) the amount paid by the person to acquire the security, and
   (b) the incidental expenses incurred before 6 April 2015 by that person in connection with the disposal or the acquisition.

(4) Where a person re-acquires a security, any previous acquisition of it is ignored in determining the person's incidental expenses within subsection (1) or deductible costs on a subsequent disposal.

(5) For the purposes of this section, no incidental expenses are treated as incurred in connection with transfers and reacquisitions within section 445(2) and (3) (transfer and immediate reacquisition of strips on 5th April).

Securities issued to connected persons etc. at excessive price: subsequent transfers to connected persons

(3) See, in particular—

(a) section 509(1) (under which a chargeable event is treated as occurring where a periodic calculation following a part surrender or assignment shows a gain),

(b) section 514(1) (under which a part surrender or assignment is treated as a chargeable event where a calculation related to it shows a gain), and

(c) section 525(2) (under which a chargeable event is treated as occurring where an annual personal portfolio bond calculation shows a gain).

(a) condition A is met, or
(b) condition D is met and the trustees are trustees of a charitable trust.
Non-UK resident trustees and foreign institutions

(1) This section applies if a gain is treated as arising under this Chapter and either—
   (a) trustees who are non-UK resident would be liable for tax in respect of the gain as a result of section 467 if the trustees were UK resident immediately before the chargeable event in question occurs, or
   (b) immediately before that event occurs—
       (i) a foreign institution beneficially owns a share in the rights,
       (ii) the rights are held for the purposes of a foreign institution, or
       (iii) a share in them is held as security for a foreign institution’s debt.

(2) [F450 Chapter 2 of Part 13 of ITA 2007] of ICTA (which [F451 prevents] avoidance of tax where an individual who is ordinarily UK resident benefits from a transfer of assets) [F452 applies] with the modifications specified in subsection (3) or (4).

(3) In a case within subsection (1)(a), [F453 Chapter 2 of Part 13 of ITA 2007 applies] as if—

(3) Section 463 (income charged) applies in the case of any of the persons with such interests as if the amount of the gain arising when the event occurs were such part of it as is proportionate to the share of the rights to which the person's interest relates.

(4) Sections 464 to 468 (persons liable for tax etc.) apply in relation to each of those persons as if that person were the only person with such an interest at that time.

(5) Section 539(1) (relief for deficiencies) applies in relation to each of those persons as if the amount of deficiency arising when that event occurs were such part of it as is proportionate to the share of the rights to which that person's interest relates.

(3) If immediately before a chargeable event non-charitable trusts apply to property originating from different persons (for example, where property is added by different persons to an existing settlement)—

(a) the terms of a policy of life insurance are altered,
(b) the alteration is not itself a chargeable event, and
(c) the conditions specified in section 489 are met.

(2) After the alteration a chargeable event is only treated as occurring in relation to the policy if one would have been treated as occurring had the alteration not occurred.

(3) If the alteration results in the policy being regarded as replaced by another, this section and section 489 apply as if they were a single policy.

489 Conditions applicable to alterations of life insurance policy terms

(1) Conditions A to E are the conditions referred to in section 488.

(2) Condition A is that the policy was issued in respect of an insurance made at least 20 years before the alteration.

(3) Condition B is that the alteration results from a decision by the insurance company that it will not collect further premiums due from any of the holders under a number of policies of the same description if a particular period of time has elapsed since the contracts were made.

(4) Condition C is that no premiums are payable or paid after the date of the alteration.

(5) Condition D is that the benefits to be provided under the policy after the alteration are the same or substantially the same as those before the alteration.

   (a) the date of the alteration, and
   (b) the date on which the benefits become payable.

(7) In subsection (6) “net premiums” means the premiums reduced by any tax relief which would have been due on the premiums had they been paid.

(8) Condition E is that the premiums payable under the policy before the alteration—
   (a) have not been reduced to a nominal amount on the exercise of an option, in circumstances where the reduction is connected with a right to surrender in part the rights conferred by the policy after the date of the reduction, and
   (b) are not capable of being so reduced in such circumstances.

490 Last payment under guaranteed income bonds etc. treated as total surrender

(1) This section applies to a payment that would fall within section 500(d) (payments under guaranteed income bonds etc. treated as surrenders of part of the rights under the contract) apart from section 504(5) (which prevents payments comprising the whole of the last benefit to be paid under such contracts from being so treated).

(2) The payment is treated for the purposes of this Chapter as the surrender of all the rights under the contract.

(3) A payment to which this section applies is not regarded as interest or as an annual payment for any income tax purposes.

   TD is the total allowable deductions for the policy or contract (see section 494), and
   PG is the total amount of gains treated as arising on calculation events occurring in relation to the policy or contract before the chargeable event in question but only in so far as those gains have been, or fall to be, taken into account in calculating the total income of a person as a result of this Chapter or Chapter 2 of Part 13 of ITA 2007.

(3) The gain is equal to the excess.

(4) In this Chapter—
“calculation event” means an excess event, a part surrender or assignment event or a personal portfolio bond event,
“excess event” means a chargeable event within section 509(1),
“part surrender or assignment event” means a chargeable event within section 514(1), and
“personal portfolio bond event” means a chargeable event within section 525(2).

(5) The reference to the policy in the definition of “PG” in subsection (2) includes any related policy.

(6) For the purposes of this Chapter, a policy (“policy A”) is a related policy as respects another (“policy B”) if—
   (a) policy B is a new policy (as defined in paragraph 17 of Schedule 15 to ICTA (substitutions and variations)) in relation to policy A, or
   (b) policy B is a new policy (as so defined) in relation to another policy (“policy C”) and policy C is a new policy (as so defined) in relation to policy A, and so on.

(7) See section 539 (relief for deficiencies) if there is no gain under subsection (2), but a gain arose on a calculation event occurring in relation to the policy or contract before the chargeable event in question.

(8) For the rules about calculating gains on calculation events, see—
   section 507 (method for making periodic calculations under section 498),

(a) it was assigned in an insurance year (see section 499) that began on or after 6th April 2001, and
(b) it was not assigned for money or money's worth.

(5) The reference to the policy in subsection (3) includes any related policy.

(a) a chargeable event within section 484(1)(a)(i), (b) or (c) (surrender of all rights, death or maturity) occurs in relation to a qualifying endowment policy (see subsection (7)),
(b) immediately before the event occurs the rights under the policy are held as security for a debt owed by a company, and
(c) the company debt conditions are met (see subsection (4)).

(2) If—
(a) the amount of the debt exceeds the amounts referred to in paragraph (a) of step 1 in section 494(1) (the total amount of premiums paid before the event), and
(b) the company makes a claim within two years after the end of the accounting period in which the chargeable event occurs,
section 494 applies as if that paragraph referred instead to the amount of the debt.

(3) If the amount of the debt varied during the policy period, it is to be taken for the purposes of subsection (2) as the lowest amount at which it stood during that period.

(4) The company debt conditions are that—
(a) throughout the policy period, the rights conferred by the policy have been held as security for a debt owed by the company referred to in subsection (1)(b),
(b) the capital sum payable under the policy in the event of death during the term of the policy is not less than the amount of the debt when the insurance was made,
(c) any sum payable under the policy as a result of the event is applied in repayment of the debt (except so far as it exceeds the debt), and
(d) the debt was incurred to pay money applied for the purposes of the company's trade premises.

(5) Money is applied for the purposes of a company's trade premises if it is applied—
(a) in purchasing an estate or interest in land to be occupied by the company for the purposes of a trade carried on by it, or
(b) for the purpose of the construction, extension or improvement (but not the repair or maintenance) of buildings which are or are to be so occupied.

(6) If during the policy period the company incurs a debt by borrowing in order to repay another debt, references to a debt in subsections (3) and (4) include both debts where appropriate.

(7) In this section—
“accounting period” is to be read in accordance with [\[F467\]Chapter 2 of Part 2 of CTA 2009],
“the policy period” means the period beginning with the making of the insurance and ending immediately before the chargeable event, and
“ qualifying endowment policy” means a policy which is a qualifying policy as a result of paragraph 2 of Schedule 15 to ICTA.

497 Disregard of trivial inducement benefits

(1) A benefit other than a payment of money is ignored for the purposes of calculating any gain under this Chapter if—
   (a) it is provided by an insurance company for any person as an inducement for the person to enter into—
      (i) a policy or contract to which this Chapter applies, or
      (ii) a later transaction in relation to such a policy or contract, and
   (b) the condition specified in subsection (2) is met.

(2) The condition is that the total cost to the insurance company of providing the benefit and any other such benefits provided by it at any time in connection with the policy or contract, or any linked policy or contract, does not exceed £30.

(3) The Treasury may by order amend the sum for the time being specified in subsection (2) so as to increase it.

(4) For the purposes of this section, a policy or contract is linked to another policy or contract if—
   (a) their terms are substantially identical, and
   (b) when one of them is issued or made the issue or making of the other is contemplated.

498 Requirement for periodic calculations in part surrender or assignment cases

(1) This section applies if—
   (a) a part of, or share in, the rights under a policy or contract is surrendered, or
   (b) such a part or share is assigned for money or money’s worth.

(2) A calculation is to be made in accordance with section 507 in relation to the policy or contract as at the end of the insurance year in which the surrender or assignment occurs (see section 499) to determine—
   (a) whether a gain has arisen on the policy or contract, and
   (b) if so, the amount of the gain.

(3) For cases where surrenders and assignments of a part of the rights under a policy or contract are treated as occurring where they would not otherwise do so, see sections 500 to 506.
Meaning of “insurance year” and “final insurance year”

(1) In this Chapter “insurance year”, in relation to a policy or contract, means the 12 months beginning with—
   (a) the date on which the insurance or contract is made, or
   (b) any anniversary of that date.

(2) Subsection (1) is subject to subsections (3) and (5).

(3) An event referred to in section 484(1)(a)(i) or (iii) or (b) to (e) (surrender of all rights, final participation in profits, death, maturity, or taking a capital sum as a complete alternative to annuity payments) is treated as ending the insurance year in which it occurs.

(4) In this Chapter “final insurance year” means an insurance year that is ended as a result of subsection (3).

(5) But if, as a result of subsection (3), an insurance year would begin and end in the same tax year—
   (a) that insurance year and the previous insurance year are treated as one insurance year, and
   (b) “final insurance year” needs to be read accordingly.

Events treated as part surrenders

The following events are treated for the purposes of this Chapter as a surrender of a part of the rights under the policy or contract in question—

   (a) the falling due of a sum payable as a result of a right under a policy or contract to participate in profits where further rights remain under it,
   (b) in the case of a contract for a life annuity which provides for a capital sum to be taken as an alternative in part to the annuity payments, taking the capital sum,
   (c) the making of a loan to which section 501 applies, and
   (d) the making of a payment to which section 504 applies (payments by insurers under guaranteed income bonds etc.).

Part surrenders: loans

(1) This section applies to a loan (and so it falls within section 500(c)) if it is made by the insurer under a policy or contract—

   (a) to an individual falling within subsection (2), [F468 or ]
   (b) to trustees falling within subsection (3), or
   (c) ...........................................

(2) An individual falls within this subsection at any time if, were a gain to arise in respect of the policy or contract at that time, the individual would be liable for tax under this Chapter as a result of section 465 (person liable: individuals).

(3) Trustees fall within this subsection at any time if, were a gain to arise in respect of the policy or contract at that time, they would be liable for tax under this Chapter as a result of section 467 (person liable: UK resident trustees).

(4) ...........................................

(5) For the purposes of subsection (1), a loan—

(a) is treated as made by an insurer if it is made by arrangement with it, and
(b) is treated as made to an individual, trustees or a company if it is made at the individual's, trustees' or company's direction.

(6) In this section “insurer”, in relation to a policy or contract, means the body issuing the policy or with which the contract is made.

(7) This section is subject to—
(a) section 502 (exception for loans to buy life annuities), and
(b) section 503 (exception for certain loans under qualifying policies).

502 Exception from section 501 for loans to buy life annuities

(1) Section 501 does not apply to a loan made under a contract for a life annuity if all the interest on the loan is eligible for tax relief.

(2) If part of the interest is eligible for tax relief, section 501 only applies to the part of the loan carrying ineligible interest.

(3) For the purposes of this section, interest is eligible for tax relief if it is eligible for relief under section 353 of ICTA (general provision for relief for interest) as a result of section 365 of ICTA (loan to buy life annuity).

503 Exception from section 501 for certain loans under qualifying policies

(1) Section 501 does not apply to a loan made by the body issuing a qualifying policy if either or both of conditions A and B are met.

(2) Condition A is that interest is payable on the loan at a commercial rate.

(3) Condition B is that the loan was made—
(a) before 6th April 2000,
(b) to a full-time employee of the body issuing the policy, and
(c) to assist the employee in purchasing or improving a dwelling to be used as the employee's only or main residence.

504 Part surrenders: payments under guaranteed income bonds etc.

(1) This section applies to so much of any payment of an amount by an insurer under a guaranteed income bond contract as meets conditions A to C (and so it falls within section 500(d)).

(2) Condition A is that it is a sum which, but for subsection (6), would be treated for income tax purposes as interest or an annual payment.
(3) Condition B is that it is not a sum paid or falling to be paid because of provisions of the guaranteed income bond contract which, taken alone, would constitute a contract of insurance—
   (a) within Part 1 or 2 of Schedule 1 to the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001 (S.I. 2001/544), but
   (b) not within paragraph 1 or 3 of Part 2 of that Schedule (life and annuity contracts including certain linked long-term contracts).

(4) Condition C is that it does not represent late payment interest.

(5) This section does not apply if the payment comprises the whole of the last benefit to be paid under the contract (ignoring late payment interest).

(6) A sum to which this section applies is not regarded as interest or as an annual payment for any income tax purposes.

(7) In this section—
   “guaranteed income bond contract” means a policy of life insurance that is a contract of insurance which—
   (a) is within paragraph 1 or 3 of Part 2 of Schedule 1 to the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001, and
   (b) is neither an annuity contract nor a contract effected in the course of a company's pension business,
   “late payment interest”, in relation to a contract, means interest on an amount payable under the contract which is paid for a period beginning on or after the date of the occurrence as a result of which the amount is payable, and
   “pension business” has the meaning given by \[\text{section 58 of FA 2012}\] (or the corresponding enactment in force when the contract was effected).

505 Assignments etc. involving co-ownership

(1) For the purposes of this Chapter (except this section and section 506)—
   (a) a transaction to which this section applies is taken to be one or more assignments of part only of the rights under the policy or contract in respect of which the transaction occurs, and
   (b) those assignments are the ones specified in section 506.

(2) If subsection (1) applies to a transaction that is an assignment—
   (a) of the whole of the rights under a policy or contract, or
   (b) of a part of or a share in those rights,
   any reference to the assignment in this Chapter (except this section and section 506) is to be read as a reference to the assignment or assignments that the transaction is taken to be under subsection (1).

(3) This section applies to a transaction in respect of which conditions A and B and either condition C or D or E are met.
(4) Condition A is that—
   (a) immediately before the transaction the whole or part of, or a share in, the rights under the policy or contract (“the ownership interest”) was in the beneficial ownership of one person or of two or more persons jointly (“the old ownership”), and
   (b) as a result of the transaction the ownership interest becomes beneficially owned by one person or by two or more persons jointly or in common (“the new ownership”).

(5) Condition B is that at least one person who is a member of the old ownership is also a member of the new ownership.

(6) Condition C is that there is only one member of the old ownership and there are two or more members of the new ownership.

(7) Condition D is that there are two or more members of the old ownership and at least one of them is not a member of the new ownership.

(8) Condition E is that there are two or more members of the old ownership and the share in the ownership interest of at least one of those members (see section 506(5)) exceeds that member’s share in the ownership interest as a member of the new ownership (see section 506(6)).

506 Assignments occurring when there is a co-ownership transaction

(1) This section sets out the assignment or assignments that are taken to occur under section 505 when there is a transaction to which that section applies (“a co-ownership transaction”).

(2) If there is only one member of the old ownership, that member is to be treated as if the co-ownership transaction had been the assignment by that member of so much of the ownership interest as exceeds that member’s share in the ownership interest as a member of the new ownership.

(3) If there are two or more members of the old ownership, each such member who is not a member of the new ownership is to be treated as if the co-ownership transaction had been the assignment by that member of that member’s share in the ownership interest.

(4) If there are two or more members of the old ownership, each such member whose share in the ownership interest as a member of the old ownership exceeds that member’s share in the ownership interest as a member of the new ownership is to be treated as if the co-ownership transaction had been the assignment by that member of that excess.

(5) If the old ownership consists of two or more persons beneficially entitled jointly, the members of the old ownership are to be treated as if the ownership interest had been in their beneficial ownership in equal shares instead of jointly.

(6) If the new ownership consists of two or more persons beneficially entitled jointly, the members of the old ownership are to be treated as if the result of the co-ownership transaction had been that the ownership interest was in the beneficial ownership of the members of the new ownership in equal shares instead of jointly.

(7) In this section “the ownership interest”, “the old ownership” and “the new ownership” are to be read as indicated in section 505(4).
507  Method for making periodic calculations under section 498

(1) This section deals with the calculation required to be made in relation to a policy or contract as at the end of an insurance year under section 498(2) (requirement for periodic calculations in part surrender and assignment cases) to determine—

(a) whether a gain has arisen, and
(b) if so, the amount of the gain.

(2) There is a gain if the net total value of rights surrendered or assigned exceeds the net total allowable payments (see subsections (4) and (5)).

(3) The gain is equal to the excess.

(4) To calculate the net total value of rights surrendered or assigned—

Step 1

Find—

(a) the value, as at the time of its surrender or assignment, of any part of or share in the rights under the policy or contract which has been surrendered at any time or assigned at any time for money or money’s worth, and
(b) the value, as at the time of its assignment, of any part of or share in the rights under the policy or contract which has been assigned otherwise than for money or money’s worth in an insurance year beginning on or before 5th April 2001,
in each case determining the value in accordance with section 508.

Step 2

Add together those values.

Step 3

If any previous calculation events (other than personal portfolio bond events) have occurred in relation to the policy or contract—

(a) add together each such value which has been brought into account under this subsection on those events, and
(b) subtract the result of paragraph (a) from the result of step 2.

(5) To calculate the net total allowable payments—

Step 1

Find the allowable element in each allowable payment by multiplying the amount of the payment by—

\[
\frac{X}{20}
\]

where X is the number of insurance years in the period beginning with the year in which the payment is made and ending with the insurance year as at the end of which the calculation under this section is required to be made or, if it is less, 20.

Step 2
Add together the allowable elements for all allowable payments.

**Step 3**

Add together all the allowable elements brought into account under this subsection on a previous calculation event.

**Step 4**

Subtract the result of step 3 from the result of step 2.

(6) In this section—

“allowable payment” means a premium, other than a retained replacement policy premium, and

“retained replacement policy premium” has the meaning given in section 495(2).

### 508 The value of rights partially surrendered or assigned

(1) For the purposes of sections 507, 511 and 512, where any part of or share in rights conferred by a policy or contract is surrendered, the value of the part of or share in the rights surrendered is the amount or value of the sum payable or other benefits arising because of the surrender, except where subsection (2) or (3) applies.

(2) In the case of a surrender within section 500(c) (loans by insurers to which section 501 applies), the value for those purposes is an amount equal to the loan.

(3) In the case of a surrender within section 500(d) (payments by insurers under guaranteed income bonds etc.), the value for those purposes is the amount to which section 504 applies.

(4) For the purposes of sections 507, 511 and 512, where any part of or share in rights conferred by a policy or contract is assigned, the value of the part or share as at the time of the assignment is its surrender value at that time.

(5) For the requirement to ignore certain benefits, see section 497 (disregard of trivial inducement benefits).

### 509 Chargeable events in certain cases where periodic calculations show gains

(1) If the calculation in section 507 shows that a gain has arisen as at the end of the insurance year, the gain is treated as arising on the occurrence of a chargeable event at the end of that year, unless condition A, B or C is met.

(2) Subsection (1) is subject to section 485(3) (which restricts the circumstances in which such events occur in relation to qualifying policies).

(3) Condition A is that during the insurance year there has been an assignment for money or money's worth of part of or a share in the rights conferred by the policy or contract.

(4) Condition B is that during the insurance year there has been both—

(a) a surrender of part of or a share in the rights conferred by the policy or contract, and

(b) a later assignment, otherwise than for money or money's worth, of the whole or part of or a share in the rights conferred by the policy or contract.
(5) Condition C is that the insurance year is the final insurance year.

(6) See section 510 (transaction-related calculations in certain part surrender and assignment cases) if one or both of conditions A and B are met.

Transaction-related calculations and part surrender or assignment events

510 Requirement for transaction-related calculations in certain part surrender and assignment cases

(1) This section applies if—
   (a) the calculation in section 507 shows that a gain has arisen as at the end of the insurance year, but
   (b) one or both of the conditions specified in section 509(3) and (4) are met (and so no chargeable event is treated as occurring at the end of the year under section 509).

(2) A calculation is to be made in accordance with section 511 in relation to each relevant transaction during the insurance year to determine—
   (a) whether the transaction resulted in a gain arising on the policy or contract, and
   (b) if so, the amount of the gain.

(3) In this section and sections 511 to 514 “relevant transaction” means—
   (a) a surrender of part of or a share in the rights under the policy or contract, or
   (b) an assignment of such a part or share for money or money’s worth.

(4) If two or more relevant transactions occurred during the insurance year, a calculation in accordance with section 511 is to be made in relation to each of them successively in the order in which they occurred.

(5) A calculation falling to be made in accordance with section 511 in relation to a relevant transaction occurring in the final insurance year is to be made before any calculation under section 491 for the chargeable event that ends that year.

(6) But, in the case of a relevant transaction so occurring, subsections (2) and (4) are subject to section 513(5) (under which those subsections do not apply to some such relevant transactions).

511 Method for making transaction-related calculations under section 510

(1) This section deals with the calculation required to be made under section 510 to determine—
   (a) whether a relevant transaction which has occurred during an insurance year resulted in a gain arising on the policy or contract, and
   (b) if so, the amount of the gain.

(2) There is a gain if the transaction value for the relevant transaction (see subsection (4)) exceeds the amount of available premium left for the relevant transaction as calculated in accordance with section 512.

(3) The gain is equal to the excess.
(4) The transaction value for the relevant transaction is the value in accordance with section 508, as at the time of its surrender or assignment, of the part of or share in the rights under the policy or contract which has been surrendered or assigned in the transaction.

(5) Subsections (2) and (4) are subject to section 513(4) (under which the transaction value is to be reduced in certain cases where the relevant transaction occurs in the final insurance year).

512 Available premium left for relevant transaction

(1) For the purposes of section 511(2), the amount of available premium left for a relevant transaction is the amount, if any, by which the available net allowable payments (see subsection (3)) exceed the available net total values for the year (see subsection (4)).

(2) But the amount of available premium left for the relevant transaction is nil if—
   (a) one or more other relevant transactions have occurred in respect of the relevant contract earlier in the insurance year, and
   (b) for the latest of them the calculation in section 511(2) produced a gain.

(3) To calculate the available net allowable payments—
   
   Step 1
   Calculate the net total allowable payments as at the end of the insurance year in accordance with section 507(5).

   Step 2
   If—
   (a) one or more other relevant transactions (“the earlier transactions”) have occurred in respect of the policy or contract earlier in the insurance year, and
   (b) for the latest of them the calculation in section 511(2) produced no gain,

   subtract the sum of the transaction values for the earlier transactions from the result of step 1.

(4) To calculate the available net total values for the year—

   Step 1
   Calculate the net total value of rights surrendered or assigned, as at the end of the insurance year, in accordance with section 507(4), ignoring for the purposes of step 3 in that section any relevant transactions in that year that are treated as chargeable events under section 514.

   Step 2
   Subtract from the result of step 1 the value, as at the time of its surrender or assignment, of any part of or share in the rights under the policy or contract which has been surrendered in the insurance year or assigned in that year for money or money’s worth, determining the value in accordance with section 508.
513 Special rules for part surrenders and assignments in final insurance year

(1) This section applies if—
   (a) the calculation in section 511 falls to be made in relation to a relevant transaction occurring in the final insurance year,
   (b) the total transaction value for that transaction exceeds the gains limit (see subsections (2) and (3)), and
   (c) paragraph (b) has not applied to a relevant transaction occurring earlier in the final insurance year in respect of the policy or contract in question.

(2) The total transaction value is the total of—
   (a) the transaction value for the transaction in question in accordance with section 511(4), and
   (b) the transaction values for any relevant transactions occurring earlier in the final insurance year in respect of the policy or contract in accordance with that section.

(3) The gains limit is the amount calculated, as at the end of the final insurance year, as the amount of the gain that would have been treated as arising on the occurrence of the chargeable event that ends that year if in relation to that year—
   (a) section 509(1) did not refer to condition C, and
   (b) sections 510(2) and (4) and 514(1) did not apply.

(4) The transaction value for the relevant transaction used for the calculation in section 511(2) is reduced by the excess mentioned in subsection (1)(b).

(5) No calculations are required to be made under section 510(2) and (4) in relation to any subsequent relevant transaction in respect of the policy or contract.

514 Chargeable events where transaction-related calculations show gains

(1) If the calculation in section 511 shows that a relevant transaction resulted in a gain arising on the policy or contract, the relevant transaction is treated as a chargeable event.

(2) Subsection (1) is subject to section 485(5) (which restricts the circumstances in which such events occur in relation to qualifying policies).

(3) Subsection (4) applies if—
   (a) a relevant transaction that is a chargeable event occurs in a different tax year from that in which the insurance year ends, and
   (b) apart from subsection (4), a person would be liable to tax on the gain under this Chapter for the tax year in which the transaction occurs.

(4) The gain is charged to tax under this Chapter for the tax year in which the insurance year ends instead.

(5) If the relevant transaction occurs in the final insurance year, the chargeable event within subsection (1) is treated as occurring before the chargeable event that ends that year.
Personal portfolio bonds

515 Requirement for annual calculations in relation to personal portfolio bonds

(1) This section applies if a policy or contract to which this Chapter applies is a personal portfolio bond at the end of an insurance year.

(2) But this section does not apply if the insurance year is the final insurance year.

(3) A calculation is to be made in accordance with section 522 in relation to the policy or contract as at the end of the insurance year to determine—
   (a) whether a gain has arisen on the policy or contract in relation to that year, and
   (b) if so, the amount of the gain.

(4) The calculation is in addition to any other calculation which is required to be made under this Chapter in relation to the policy or contract.

516 Meaning of “personal portfolio bond”

(1) In this Chapter “personal portfolio bond” means a policy of life insurance, contract for a life annuity or capital redemption policy which meets conditions A and B. This is subject to section 517.

(2) Condition A is that, under the terms of the policy or contract, some or all of the benefits are determined by reference to—
   (a) fluctuations in, or in an index of, the value of property of any description, or
   (b) the value of, or the income from, property of any description.

(3) For this purpose it does not matter whether or not the index or property is specified in the policy or contract.

(4) Condition B is that the terms of the policy or contract permit the selection of the index or some or all of the property by—
   (a) the holder of the policy or contract,
   (b) a person connected with the holder,
   (c) the holder and such a connected person acting together,
   (d) a person acting on behalf of the holder,
   (e) a person acting on behalf of a person connected with the holder, or
   (f) a person acting on behalf of the holder and such a connected person acting together.

(5) In subsection (4) “holder”, in the case of a policy or contract held by two or more persons, means any of them.

517 Policies and contracts which are not personal portfolio bonds

(1) A policy or contract is not a personal portfolio bond merely because its terms permit the selection of an index as described in section 516(4) if that index—
   (a) falls within one of the categories listed in section 518, and
   (b) meets one of the index selection conditions (see section 519).
(2) A policy or contract is not a personal portfolio bond merely because its terms permit the selection of property as described in section 516(4) if all of the property which may be so selected—
   (a) falls within one or more of the categories listed in section 520, and
   (b) meets one or both of the property selection conditions (see section 521).

518 The index categories

(1) This section sets out the categories of index referred to in section 517(1).

(2) Category 1 is the retail prices index.

(3) Category 2 is any general index which—
   (a) is similar to the retail prices index, and
   (b) is published by the government of any foreign state or an agent of such a government.

(4) Category 3 is any published index of prices of shares listed on a recognised stock exchange.

519 The index selection conditions

(1) The index selection conditions are—
   (a) the general selection condition (see subsection (2)), and
   (b) the class selection condition (see subsection (3)).

(2) An index meets the general selection condition if, at the time when it may be selected, the opportunity to select the same index is available to—
   (a) all policy holders of the insurance company, or
   (b) persons acting on behalf of those policy holders.

(3) An index meets the class selection condition if, at the time when it may be selected, the opportunity to select the same index is available to—
   (a) a particular class or classes of policy holders of the insurance company, or
   (b) persons acting on behalf of the members of that class or those classes.

(4) A group of policy holders to whom the opportunity to select an index is available is a “class” for the purposes of subsection (3) if—
   (a) neither membership of the class nor the opportunity are limited to connected persons,
   (b) the question whether a policy holder is a member of the class, or has the opportunity, is determined solely by the insurance company, and
   (c) the opportunity is clearly identified in marketing or other promotional material published by the insurance company to members of the public, or members of the public who are intending investors, as available generally to any person falling within its terms.

(5) In this section—
   “holder” has the meaning given by section 516(5), and
   “policy holder” includes a holder of a life annuity contract.
520 The property categories

(1) The table in subsection (2) sets out the categories of property referred to in section 517(2).

(2) This is the table—

521 The property selection conditions

(1) The property selection conditions are—
(a) the general selection condition (see subsection (2)), and
(b) the class selection condition (see subsection (3)).

(2) Property meets the general selection condition if, at the time when it may be selected, the opportunity to select property falling within the same category is available to—
(a) all policy holders of the insurance company, or
(b) persons acting on behalf of those policy holders.

(3) Property meets the class selection condition if, at the time when it may be selected, the opportunity to select property falling within the same category is available to—
(a) a particular class or classes of policy holders of the insurance company, or
(b) persons acting on behalf of the members of that class or those classes.

(4) A group of policy holders to whom the opportunity to select property falling within a particular category is available is a “class” for the purposes of subsection (3) if—
(a) neither membership of the class nor the opportunity are limited to connected persons,
(b) the question whether a policy holder is a member of a class, or has the opportunity, is determined solely by the insurance company, and
(c) the opportunity is clearly identified in marketing or other promotional material published by the insurance company to members of the public, or members of the public who are intending investors, as available generally to any person falling within its terms.

(5) In this section—
“holder” has the meaning given by section 516(5), and
“policy holder” includes a holder of a life annuity contract.

522 Method for making annual calculations under section 515

(1) This section deals with the calculation required to be made in relation to a policy or contract as at the end of an insurance year under section 515 to determine—
(a) whether a gain has arisen in relation to that year, and
(b) if so, the amount of the gain.

(2) There is a gain if, as at the end of the insurance year, the sum of PP and TPE exceeds TSG.

(3) In subsection (2)—
PP is the total amount of premiums paid up to the end of the insurance year,
TPE is the total amount of personal portfolio bond excesses (see section 523), and
TSG is the total amount of part surrender gains (see section 524).

(4) The gain is equal to 15% of the excess.

523 The total amount of personal portfolio bond excesses

(1) To calculate the total amount of personal portfolio bond excesses—

Step 1
Apply the calculation in section 522 in relation to the policy or contract as at the end of each previous insurance year during its existence in succession starting with the first such year.

Step 2
Determine whether in each case the calculation produces a gain and, if so, its amount.

Step 3
Add together all the amounts produced by step 2.

(2) But if there is no previous insurance year during the existence of the policy or contract, the total amount of personal portfolio bond excesses is nil.

524 The total amount of part surrender gains

(1) To calculate the total amount of part surrender gains—

Step 1
Apply the provisions of this Chapter mentioned in subsection (3) as modified by subsections (4) and (5) in relation to the policy or contract as at the end of each previous insurance year during its existence.

Step 2

Determine whether in each case those provisions produce a gain and, if so, its amount.

Step 3

Add together all of the amounts produced by step 2.

(2) But if there is no previous insurance year during the existence of the policy or contract, the total amount of part surrender gains is nil.

(3) The provisions of this Chapter which apply for the purposes of the calculation in subsection (1) are—

(a) subsections (2) to (6) of section 507 (method for making periodic calculations), and

(b) subsections (1) to (3) and (5) of section 508 (the value of rights partially surrendered).

(4) The provisions of section 507 mentioned in subsection (3) apply for the purposes of this section with the omission of all references in that section—

(a) to the assignment of any part of or share in the rights under the policy or contract, or

(b) to the value of any part of or share in the rights under the policy or contract so assigned.

(5) In the application of step 3 in subsection (4) of section 507 for the purposes of this section, the reference in that step to previous calculation events does not include a reference to an excess event consisting of the assignment of a part of or share in the rights under the policy or contract.

525 Chargeable events where annual calculations show gains

(1) This section applies if the calculation in section 522 shows that a gain has arisen in relation to an insurance year.

(2) The gain is treated as arising at the end of the insurance year on the occurrence of a chargeable event at that time.

526 Power to make regulations about personal portfolio bonds

(1) The Treasury may by regulations make provision about the administration of the charge to tax on personal portfolio bonds.

(2) The regulations may modify—

(a) any provision of this Chapter, or

(b) any provision of Chapter 2 of Part 13 of ICTA.

(3) The regulations may—

(a) make different provision for different cases, different circumstances or different periods,
(b) make incidental, supplemental, consequential or transitional provision or savings.

(4) In this section “modify” includes amend or repeal.

Reductions from gains

527 Reduction for sums taken into account otherwise than under Chapter 9

(1) This section applies if the whole or part of any receipt or other credit item is taken into account in calculating both—
   (a) the amount of a gain treated as arising under this Chapter, and
   (b) an amount on which income tax is charged otherwise than under this Chapter or on which corporation tax is charged.

(2) The amount of the gain on which tax is charged under this Chapter is reduced by so much of the amount of that receipt or other credit item as is taken into account in both those calculations.

528 Reduction in amount charged: non-UK resident policy holders

(1) The gain from a foreign policy of life insurance or foreign capital redemption policy is reduced for the purposes of this Chapter if the policy holder was not UK resident throughout the policy period.

(2) The amount of the reduction is the appropriate fraction of the gain.

(3) The appropriate fraction is—

\[
\frac{A}{B}
\]

where—

A is the number of days on which the policy holder was not UK resident in the policy period, and

B is the number of days in that period.

(4) In this section and section 529 (exceptions from this section), “the policy period” means the period for which the policy has run before the chargeable event occurs.

(5) If the gain is from a policy of life insurance which is a new policy in relation to another policy, for the purposes of subsection (4) the new policy is taken to have run—
   (a) from the issue of the other policy, or
   (b) if it also was a new policy in relation to an earlier policy, from the issue of the earlier policy, and so on.

(6) In subsection (5) “new policy” has the meaning given in paragraph 17 of Schedule 15 to ICTA.

(7) This section is subject to section 529.
529 Exceptions to section 528

(1) Section 528 does not apply if, when the chargeable event occurs or at any time during the policy period, the policy is or was held—
   (a) by a non-UK resident trustee,
   (b) by non-UK resident trustees, or
   (c) by a foreign institution.

(2) Section 110 of FA 1989 (residence of trustees) applies for the purposes of subsection (1)(b) despite section 110(6) of that Act (which provides that it only applies for 1989-90 and subsequent tax years).

Income tax treated as paid and reliefs

530 Income tax treated as paid etc.

(1) An individual or trustees who are liable for tax on an amount under this Chapter are treated as having paid income tax at the basic rate on that amount.

(2) The income tax treated as paid under subsection (1) is not repayable.

(3) The amount on which an individual is treated under subsection (1) as having paid income tax is reduced if subsection (4) applies.

(4) This subsection applies if the individual's total income is reduced by any deductions which fall to be made at Step 2 or 3 of the calculation in section 23 of ITA 2007 (calculation of income tax liability) from the part of the income charged to tax under this Chapter.

(5) The reduction under subsection (3) is equal to the amount of those deductions.

(6) . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . .

(7) This section is subject to section 531.

**532 Relief for policies and contracts with European Economic Area insurers**

(1) Section 530 applies to a gain from a foreign policy of life insurance or a foreign capital redemption policy or to a gain from a contract for a life annuity (and accordingly section 531 and paragraph 109(2) of Schedule 2 do not apply) if a claim is made that conditions A to C have been met throughout the policy period.

(2) Condition A is that the company liable to make payments under the policy or contract (“the insurer”) has not been UK resident.

(3) Condition B is that a comparable EEA tax charge has applied to the insurer (see section 533).
(4) Condition C is that no excluded reinsurance contract has been made in relation to the policy or contract.

(5) In this section—

“excluded reinsurance contract”, in relation to a policy or contract, means any reinsurance contract—

(a) wholly or partly covering any of the insurer’s obligations to pay any sum or to meet any other liability arising under the policy or contract, and

(b) relating to risk other than that the individual whose life is insured by the policy or the annuitant will die or suffer any sickness or accident,

“policy period”—

(a) in relation to a policy, means the period between—

(i) the making of the insurance or contract, and

(ii) the date on which the gain arises,

but excluding any period when the conditions in paragraph 24(3) of Schedule 15 to ICTA are met (conditions that are required to be met for certain policies issued by non-UK resident companies to be qualifying policies), and

(b) in relation to a contract for a life annuity, means the period between—

(i) the date the insurer entered into the contract, and

(ii) the date on which the gain arises,

but excluding any period when the contract fell to be regarded as forming part of a basic life assurance and general annuity business the income and gains of which were subject to corporation tax.

533 Meaning of “comparable EEA tax charge”

(1) In section 532 “comparable EEA tax charge” in relation to the company liable to make payments under the policy or contract under which the gain has arisen (“the insurer”) means a charge that meets conditions A to F.

(2) Condition A is that the charge is imposed on the insurer under the laws of a territory outside the United Kingdom that is within the European Economic Area when the gain arises.

(3) Condition B is that the charge has applied to the insurer—

(a) as a body deriving its status as a company from those laws,

(b) as a company with its place of management there, or

(c) as a company falling under those laws to be regarded for any other reason as resident or domiciled there.

(4) Condition C is that the charge applies at a rate of at least 20% in relation to the amounts subject to tax in the insurer’s hands, other than amounts arising or accruing in respect of investments of a description for which a special relief or exemption is generally available.

(5) Condition D is that the charge is made otherwise than by reference to the insurer’s profits.
(6) Condition E is that the charge requires sums payable and other liabilities arising under policies or contracts of the same class as the policy or contract in question to be treated as falling to be met out of amounts subject to tax in the insurer's hands.

(7) Condition F is that the charge so requires them by disallowing their deduction in calculating the amount chargeable.

534 Regulations providing for relief in other cases where foreign tax chargeable

(1) This section applies if—

(a) apart from this section, as a result of section 531 or paragraph 109(2) of Schedule 2, section 530 would not apply to gains from a policy or contract (except for the purposes of section 535 (top slicing relief)), and

(b) the Board of Inland Revenue consider it appropriate to disapply section 531 and paragraph 109(2) of Schedule 2 in relation to such gains by reference to tax chargeable under the laws of a territory outside the United Kingdom in cases other than those where they are disappliend as a result of section 532.

(2) The Board of Inland Revenue may by regulations provide for section 530 to apply to those gains (and accordingly section 531 and paragraph 109(2) of Schedule 2 not to apply to them) if a claim is made that the conditions specified in the regulations are met in relation to any time.

(3) That time may be a time before the regulations are made or a later time.

535 Top slicing relief

(1) An individual is entitled to relief under this section for a tax year if—

(a) the individual's liability for the tax year, as calculated under subsection (3),

(b) the individual's relieved liability for the tax year, as calculated under—

section 536 (top slicing relieved liability: one chargeable event), or

section 537 (top slicing relieved liability: two or more chargeable events).

(2) The relief is given by a reduction in or repayment of income tax equal to the excess.

(2A) If the relief is given by a reduction in income tax, it is given effect at Step 6 of the calculation in section 23 of ITA 2007.

(3) An individual's liability for a tax year for the purposes of subsection (1)(a) equals

TL — BRL, where—

TL is the amount of the individual's total liability to income tax on income charged to tax under this Chapter for the tax year, calculated on the basis that no relief is available under this section and the highest part assumptions apply, and

BRL is the amount of income tax at the basic rate that the individual is treated as having paid under section 530(1) for the tax year.

(4) For the purposes of subsection (3) and sections 536 and 537, the highest part assumptions, in calculating liability to income tax on an amount, are that—

(a) the amount is the highest part of the individual's total income for the tax year, and
(b) any provision directing any other amount to be treated as the highest part is ignored.

(5) For the purposes of this section and sections 536 and 537, an individual's total income is treated as not including any amount which—

(a) is charged to tax under Chapter 4 of Part 3 (profits of property businesses: lease premiums etc.) as the profits of a UK property business, or

(b) counts as employment income under section 403 of ITEPA 2003 (payments and benefits on termination of employment etc.).

(6) For the purposes of this section and sections 536 and 537—

(a) any chargeable event under section 525(2) (chargeable events where annual personal portfolio bond calculations show gains),

(b) any gain treated as arising on the occurrence of such an event, and

(c) the amount of any liability to income tax arising on such a gain, are ignored.

[F485(7) For the purposes of the calculations mentioned in subsection (1) any relief under Chapter 2 or 3 of Part 8 of ITA 2007 (which relate to gift aid and other gifts to charities) is ignored.]

536 **Top slicing relieved liability: one chargeable event**

(1) To calculate an individual's relieved liability for the purposes of section 535(1) for a tax year for which the individual is only liable for tax on a gain from one chargeable event—

**Step 1**

Find the annual equivalent of the amount of that gain (“the annual equivalent”) by dividing that amount by the number of complete years for which the policy or contract has run before the chargeable event (“N”).

See subsections (2) to (8) for further provisions about calculating N.

**Step 2**

Find the relieved liability on the annual equivalent by—

(a)
calculating the individual’s liability (if any) to income tax on the annual equivalent, on the basis that—

(i) the gain from the chargeable event is limited to the amount of the annual equivalent, and

(ii) the highest part assumptions apply, and

(b) subtracting the amount of income tax at the \[F486\text{basic rate] on the annual equivalent which the individual is treated as having paid under section 530(1).}

Step 3

Multiply the relieved liability on the annual equivalent by N.

(2) In the case of a calculation event that is not the first calculation event in relation to the policy or contract, for steps 1 and 3 in subsection (1) N is the number of complete years since the previous such event (but see subsection (6)).

(3) For the purposes of subsection (2), part surrender or assignment events are taken to occur at the end of the insurance year in which the surrender or assignment occurs.

(4) If, in a case where subsection (2) does not apply, the gain is from a policy of life insurance which is a new policy in relation to another policy, for steps 1 and 3 N is calculated from—

(a) the issue of the other policy, or

(b) if it also was a new policy in relation to an earlier policy, the issue of the earlier policy,

and so on.

(5) In subsection (4) “new policy” has the meaning given in paragraph 17 of Schedule 15 to ICTA.

(6) Subsection (2) does not apply if the gain is from a foreign policy of life insurance or a foreign capital redemption policy.

(7) If the gain is from such a policy, for steps 1 and 3 in subsection (1) N is reduced by the number of complete years during which the policy holder was non-UK resident.

(8) If subsections (4) and (7) both apply, subsection (7) applies to N as calculated under subsection (4).

537 Top slicing relieved liability: two or more chargeable events

To calculate an individual’s relieved liability for the purposes of section 535(1) for a tax year for which the individual is liable for tax on gains from two or more chargeable events—

Step 1

Calculate the total annual equivalent by adding together the annual equivalents for each of the chargeable events, found as specified in step 1 in section 536(1).
Step 2

Find the total relieved liability on the total annual equivalent by—

(a) calculating the individual's liability to income tax (if any) on the total annual equivalent, on the basis that—

(i) the total gains from the chargeable events are limited to the amount of the total annual equivalent, and
(ii) the highest part assumptions apply, and

(b) subtracting the amount of income tax at the \([F487]\text{basic rate}\) on the total annual equivalent which the individual is treated as having paid under section 530(1).

Step 3

Multiply the total relieved liability on the total annual equivalent by the total gains charged to tax under this Chapter for the tax year in respect of all the events.

Step 4

Divide the result of step 3 by the total annual equivalent.

Textual Amendments

F487 Words in s. 537 substituted (with effect in accordance with Sch. 1 para. 65 of the amending Act) by Finance Act 2008 (c. 9), Sch. 1 para. 57

538 Recovery of tax from trustees

(1) This section applies if—

(a) immediately before a chargeable event the rights under the policy or contract, or the part of or share in them in question, were held on non-charitable trusts,

(b) an individual is liable for tax under this Chapter for the tax year on the gain from the event, and

(c) the income tax for which the individual is liable for the tax year, after any relief available in respect of the gain under section 535 (top slicing relief), exceeds that for which the individual would have been liable apart from the event.

(2) The individual is entitled to recover that excess from the trustees, subject to the restriction specified in subsection (3).

(3) The amount recovered must not exceed the total of—

(a) any sums received by the trustees because of the chargeable event, and

(b) the value of any benefits so received.

(4) If the individual's relief under section 535 for the tax year does not relate only to the gain from the event in question, for the purposes of subsection (1)(c) a proportionate part of that relief is taken to be relief in respect of that gain.

(5) An individual may require the Inland Revenue to certify an amount recoverable by the individual under this section.

(6) Such a certificate is conclusive evidence of the amount.
Deficiencies

Relief for deficiencies

(1) An individual is entitled to a tax reduction for a tax year in which a deficiency arises from a policy or contract on a chargeable event if—
   (a) the condition in subsection (2) is met,
   (b) the individual would (apart from this section) be liable to income tax at the higher rate or the dividend upper rate (or both) for the tax year, and
   (c) the individual makes a claim.

(2) The condition is that, if a gain had arisen instead on the chargeable event—
   (a) the individual would have been liable to income tax on the gain for the year, or
   (b) the individual would have been so liable apart from the requirement in section 465(1) that the individual must be UK resident in the tax year in which the gain arises.

(3) The tax reduction is given effect at Step 6 of the calculation in section 23 of ITA 2007.

(4) See section 540 for the cases in which a deficiency is treated as arising from a policy or contract on a chargeable event, section 541 for how the deficiency is calculated and section 469(5) for the apportionment of deficiencies in cases where two or more persons are interested in a policy or contract.

(5) The amount of the tax reduction is calculated as follows.

   Step 1
   
   Attribute to the amount of the deficiency an amount of the individual's income for the tax year which is liable at the dividend upper rate, so far as is possible.

   ... 

   Step 3

   If there is an amount of the deficiency remaining after Step 1, attribute to the remaining amount of the deficiency an amount of the individual's income for the tax year which is liable at the higher rate, so far as is possible.

   Step 4

   Calculate the amount of the individual's preliminary income tax liability for the tax year (see subsection (6)).

   Step 5

   Calculate the amount of the individual's preliminary income tax liability for the tax year again, on these assumptions—

   Assume that any income attributed to the deficiency at Step 1 is liable at the dividend ordinary rate.

   ... 

   Assume that any income attributed to the deficiency at Step 3 is liable at the basic rate.

   Step 6
Deduct the amount found at Step 5 from the amount found at Step 4.

The result is the amount of the tax reduction.

(6) The individual’s preliminary income tax liability is the amount found by calculating the individual’s income tax liability in accordance with section 23 of ITA 2007, ignoring Steps 6 and 7 of that calculation.

540 When deficiencies arise: events following calculation events

(1) A deficiency is treated as arising from a policy or contract on a chargeable event (“the later event”) if conditions A to C are met.

(2) Condition A is that the later event is an event within section 484(1)(a)(i) or (iii) or (b) to (e) (surrender of all rights, final participation in profits, death, maturity, or taking a capital sum as a complete alternative to annuity payments).

(3) Condition B is that a gain from the policy or contract has arisen on a calculation event other than a personal portfolio bond event, occurring in relation to the policy or contract in question before the later event.

(4) Condition C is that on the later event no gain is shown by the calculation in section 491(2) (calculation of gains for such events).

541 Calculation of deficiencies

(1) This section sets out how the amount of a deficiency treated as arising under section 540(1) on a chargeable event (“the later event”) is calculated.

(2) If, when the calculation in section 491(2) is made for the later event, the total allowable deductions equal or exceed the total benefit value, the amount of the deficiency is equal to the total previous gains.

(3) If, when that calculation is made, the total benefit value exceeds the total allowable deductions, the amount of the deficiency is equal to the total previous gains, less that excess.

(4) In this section “the total previous gains” means the total amount of gains that—
(a) were treated as arising on calculation events (other than personal portfolio bond events) occurring in relation to the policy or contract in question before the later event, and

(b) formed part of the total income of the individual mentioned in section 539(1) for a tax year earlier than the tax year mentioned in that section.

 Rebated or reinvested commission

541A Effect of rebated or reinvested commission in certain cases

(1) This section applies if—

(a) a chargeable event within section 484(1)(a)(i) to (iii), (c) or (e) occurs in respect of a policy or contract,

(b) commission in respect of the policy or contract has at any time been rebated or reinvested, and

(c) condition A or B is met.

(2) For the purposes of performing the calculation in section 494 (total allowable deductions) for the chargeable event, the total amount of premiums under the policy or contract paid in the period mentioned in section 494(1) or (2)(b) is to be reduced by the total amount of commission attributable to those premiums that has been rebated or reinvested.

(3) Condition A is that the total amount of premiums under the policy or contract paid in a relevant period exceeds £100,000.

(4) Condition B is that—

(a) at a time when the policy or contract was the taxable person's, the taxable person's policies and contracts exceeded the relevant threshold as respects a relevant period, and

(b) premiums under the policy or contract were paid in that relevant period.

(5) In subsection (4)(a) “taxable person” means the person whose policy or contract the policy or contract is, immediately before the chargeable event.

(6) For the purposes of subsection (4)(a) a person's policies and contracts “exceed the relevant threshold” as respects a relevant period if the total amount of premiums under them paid in that relevant period exceeds the sum specified in subsection (3).

(7) In this section “relevant period” means—

(a) the period beginning with the beginning of the tax year in which the chargeable event occurs and ending with the chargeable event, or

(b) any of the 3 preceding tax years.

(8) The Treasury may by order—

(a) substitute another sum for the sum for the time being specified in subsection (3);
(b) amend the definition of “relevant period”.

541B Section 541A: further definitions

(1) This section supplements section 541A.

(2) “Commission”, in relation to a policy or contract, includes any passing of value to or for the benefit of an intermediary, or a person connected with an intermediary, that can reasonably be taken to represent a reward in respect of the policy or contract.

(3) Commission in respect of a policy or contract is “reinvested” if, as a result of a waiver of an entitlement to it, there is an increase in the total value of a relevant person’s policies and contracts.

(4) The amount of commission reinvested is the amount of the increase.

(5) Commission in respect of a policy or contract is “rebated” if—

- value passes (directly or indirectly) from an intermediary, or a person connected with an intermediary, to or for the benefit of a relevant person (and the passing of value does not amount to the reinvestment of the commission), and

- the passing of value can reasonably be taken to be in respect of the commission.

(6) The amount of commission rebated is the amount of value passed.

(7) A policy or contract is a person’s policy or contract if a gain arising in connection with it would be—

- a gain for which the person, or (if the person is an individual) the person’s spouse or civil partner, would be liable to tax under this Chapter, or

- . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . .

(8) Any necessary apportionment is to be made (on a just and reasonable basis) as regards

- commission which is attributable to two or more premiums, and

- any part of such commission that has been rebated or reinvested.

(9) Commission which is in respect of one or more policies or contracts (but is not attributable to particular premiums) is to be attributed to such premiums as is just and reasonable.

(10) In subsections (3) and (5), “relevant person” means—

- any of the policyholders (including any of the persons who hold the contract),

- a person who beneficially owns the rights under the policy or contract,

- if those rights are held on trust, any of the trustees, or

- a person connected with a person within any of paragraphs (a) to (c).

542 Replacement of qualifying policies

(1) A qualifying policy (“the replaced policy”) and a policy of life insurance (“the replacement policy”) which replaces the replaced policy are treated as a single policy for the purposes of sections 484 to 497 if conditions A to D are met.

(2) Condition A is that the replacement policy is also a qualifying policy under the rules in paragraph 17 of Schedule 15 to ICTA.

(3) Condition B is that the replacement results from a change in the life or lives insured.

(4) Condition C is that any sum becoming payable by the insurance company on or in connection with the termination of the replaced policy is retained by it and applied in the discharge of some or all of the liability for any premium becoming due under the replacement policy.

(5) Condition D is that no consideration in money or money's worth (other than the benefits for which provision is made by the replacement policy) is receivable by any person on or in connection with—
   (a) the termination of the replaced policy, or
   (b) the coming into existence of the replacement policy.

(6) The single policy is treated for the purposes of sections 484 to 497 as issued in respect of an insurance made at the time of the making of the insurance in respect of which the replaced policy was issued.

(7) So long as the replacement policy continues to be a qualifying policy, the single policy is also treated as a qualifying policy for those purposes.

(8) This section applies equally to a second or subsequent replacement policy.

(9) References in Schedule 2 (transitionals and savings) to—
   (a) a policy of life insurance,
   (b) the time of the making of the insurance in respect of which a policy of life insurance is issued, and
   (c) a qualifying policy,
   are to be read in accordance with this section.

543 Issue time of qualifying policy replacing foreign policy

(1) This section applies if—
   (a) there has been a substitution of policies falling within paragraph 25(1) or (3) of Schedule 15 of ICTA (replacement of a policy issued by a non-UK resident company by a policy which is not so issued), and
   (b) the new policy is a qualifying policy.

(2) The new policy is treated for the purposes of sections 484 to 497 as having been issued in respect of an insurance made on the day on which the insurance was made in respect of which the old policy was issued.
(3) References in Schedule 2 (transitionals and savings) to the time of the making of the insurance in respect of which a policy of life insurance is issued are to be read in accordance with this section.

544 Application of Chapter to policies and contracts in which companies interested

(1) This section applies where, for the purposes of determining the application of this Chapter in relation to a policy or contract at any time, it is necessary to have regard to its application at another time.

(2) It makes no difference to the application of this Chapter at that other time whether liability in respect of a gain arising at that time would have arisen or (as the case may be) would arise because of the application of this Chapter or the corporation tax provisions.

(3) In subsection (2) “the corporation tax provisions” means—

(a) Chapter 2 of Part 13 of ICTA (which makes provision for corporation tax purposes corresponding to that made by this Chapter),

(b) paragraph 20 of Schedule 15 to that Act (replacement of qualifying policies),

and

CHAPTER 10
DISTRIBUTIONS FROM UNAUTHORISED UNIT TRUSTS

547 Charge to tax under Chapter 10

(1) Income tax is charged on income treated as received by a unit holder from a [F497 unit trust scheme to which this section applies].

(2) For the purposes of this Chapter, a unit holder is treated as receiving such income if an amount is shown in the scheme's accounts as income available for payment to unit holders or for investment.

[F498(3) This section applies to a unit trust scheme if—
(a) the scheme is an unauthorised unit trust, and
(b) the trustees of the scheme are UK resident.]

548 Income charged

(1) Tax is charged under this Chapter on the gross amount of the income treated as received by the unit holder in the tax year.

(2) To calculate the gross amount of the income treated as received by a unit holder for a distribution period—

Step 1

Calculate the unit holder's share of the scheme's available income by applying the formula—

\[ SAI \times \frac{R}{TR} \]

where—
SAI is the total amount shown in the scheme's accounts as income available for payment to unit holders or for investment,

R is the unit holder's rights, and

TR is all the unit holders' rights.

Step 2

Gross up the unit holder's share of the scheme's available income by reference to the basic rate for the tax year in which the income from the scheme is treated as received.

(3) The income from a scheme for a distribution period is treated as received on the date or latest date provided by the terms of the scheme for any distribution for the period, unless that date is more than 12 months after it ends.

(4) If—

(a) that date is more than 12 months after the distribution period ends, or

(b) no date is so provided,

the income for the period is treated as received on the last day of the period.

(5) In this section “distribution period” means a period over which income from the investments subject to the trusts is aggregated to ascertain the amount available for distribution to unit holders.

This is subject to subsections (6) and (7).

(6) If the scheme does not provide for distribution periods, its distribution periods are taken to be successive periods of 12 months, the first of which began with the day on which the scheme took effect.

(7) If the scheme provides for a distribution period of more than 12 months, each successive period of 12 months within that period and any remaining period of less than 12 months are taken to be distribution periods.

549 Person liable

The person liable for any tax charged under this Chapter is the unit holder treated as receiving the income under section 547(2).

In accordance with section 848 of ITA 2007, a sum representing income tax treated as deducted from income within this Chapter as a result of section 941 of that Act (deemed deduction from unit holder's income) is treated as income tax paid by the unit holder.

CHAPTER 12

DISPOSALS OF FUTURES AND OPTIONS INVOLVING GUARANTEED RETURNS

Charge to tax under Chapter 12

555  Charge to tax under Chapter 12

(1) Income tax is charged on profits and gains from a disposal of a future or option that is a disposal involving guaranteed returns.

(2) Those profits and gains are treated as income for income tax purposes even if they would otherwise be taken to be a capital item.

556  Income charged

(1) Tax is charged under this Chapter on the full amount of profits or gains arising in the tax year.

(2) The profits and gains from a disposal are taken to arise when the disposal occurs.
557 **Person liable**

The person liable for any tax charged under this Chapter is the person realising the profits or gains.

558 **Meaning of “future”, “option” etc.**

(1) In this Chapter “future” means outstanding rights and obligations under a commodity or financial futures contract.

(2) In this Chapter “option” means—

   (a) an option relating to—

      (i) currency, shares, stock, securities or an interest rate, or

      (ii) rights under a commodity or financial futures contract, or

   (b) any other option which at the time of the disposal in question is listed on a recognised stock exchange or recognised futures exchange, and includes any liability or entitlement under an option within paragraph (a) or (b).

(3) In this Act “recognised futures exchange” means the London International Financial Futures Exchange and any other futures exchange which is for the time being designated for the purposes of TCGA 1992 by order made by the Board of Inland Revenue under section 288(6) of that Act.

559 **When disposals involve guaranteed returns**

(1) For the purposes of this Chapter, a disposal of a future or option involves guaranteed returns if conditions A to C are met.

(2) Condition A is that the disposal is one of two or more related transactions (see section 566).

(3) Condition B is that those transactions are designed to produce a guaranteed return (see subsection (5)).

(4) Condition C is that the guaranteed return comprises—

   (a) the return from the disposal (see section 561), or

   (b) the return from a number of disposals of futures or options, of which the disposal is one, taken together.

(5) For the purposes of this Chapter, two or more related transactions are transactions designed to produce a guaranteed return if, taking them together, it would be reasonable to assume from one or more of the matters specified in subsection (6) that—

   (a) the main purpose of the transactions is or was the production of a guaranteed return from one or more disposals of futures or options (see section 560), or

   (b) that is or was one of their main purposes.

(6) Those matters are—

   (a) the likely effect of the transactions,

   (b) the circumstances in which the transactions are entered into, and

   (c) the circumstances in which any one of the transactions is entered into.
(7) In the case of a transaction which is a disposal, the references in subsection (6) to entering into the transaction are references to making the disposal.

560 Production of guaranteed returns

(1) For the purposes of this Chapter, a guaranteed return is produced from a disposal of a future or option if risks from fluctuations in the underlying subject matter are so eliminated or reduced as to produce a return from the disposal that meets conditions A and B.

(2) If there is more than one such disposal, a guaranteed return is produced from them if, taking them together, such risks are so eliminated or reduced.

(3) Condition A is that the amount of the return is not to any significant extent attributable (otherwise than incidentally) to any such fluctuations.

(4) Condition B is that the return equates, in substance, to the return on an investment of money at interest.

(5) For the purposes of subsections (1) and (2), the cases where risks from fluctuations in the underlying subject matter are eliminated or reduced include any case where the main reason or one of the main reasons for the choice of that subject matter is—

(a) that there appears to be no risk that it will fluctuate, or
(b) that the risk that it will do so appears insignificant.

(6) In this section the references, in relation to a disposal of a future or option, to the underlying subject matter are references to, or to the value of, the commodities, currencies, shares, stock or securities, interest rates, indices or other matters—

(a) to which the future or option is referable, or
(b) to the value of which it is referable.

561 The return from one or more disposals

(1) In this Chapter, references to the return from one or more disposals are references to the return on investment represented by—

(a) the total net profits and gains arising from the disposal or disposals, or
(b) all but an insignificant part of those net profits and gains.

(2) For the purposes of subsection (1), if there are two or more disposals, it is to be assumed that profits and gains realised, and losses made, by persons who are associated with each other are all realised or made by the same person.

(3) For the purposes of subsection (2), persons are associated with each other in relation to any two or more disposals if conditions A to C are met.

(4) Condition A is that the disposals are made in pursuance of the same scheme or arrangements.

(5) Condition B is that each of the persons shares or is to share in the net return represented by the total of all the profits, gains and losses realised or made on the disposals.

(6) Condition C is that the extent of the persons' shares is determined for the purposes of, or in accordance with, the scheme or arrangements.
(7) For the purposes of this section—
   (a) “scheme or arrangements” includes understandings of any kind, and
   (b) it does not matter whether any scheme or arrangements are legally
       enforceable.

When disposals of futures and options occur

562 When disposals of futures and options occur: general

(1) Any question whether there is a disposal for the purposes of this Chapter, or as to when
    such a disposal is made, is to be determined—
    (a) in accordance with sections 143(5) and (6), 144 and 144A of TCGA 1992
        (closing out and settlement of futures contracts and rules in relation to
        options),
    (b) otherwise in accordance with the provisions having effect for determining for
        the purposes of TCGA 1992 whether or when an asset has been disposed of, and
    (c) on assumptions A to C.

(2) Assumption A is that all futures are assets for the purposes of TCGA 1992.

(3) Assumption B is that the words “in the course of dealing in commodity or financial
    futures” are omitted from section 143(5) and (6) of TCGA 1992 in each place where
    they occur.

(4) Assumption C is that any reference in TCGA 1992 to a financial option within the
    meaning given by section 144(8) of that Act is a reference to any option that at the time
    of the disposal in question is not listed on a recognised stock exchange or recognised
    futures exchange (regardless of whether the conditions in section 144(8)(c)(i) to (iv)
    of that Act are met).

(5) Subsection (1) is subject to section 563 (timing of certain grants of options where
    related disposals occur later), and see also section 564 (deemed disposal where futures
    run to delivery or options are exercised).

563 Timing of certain grants of options where related disposals occur later

(1) For the purpose of this Chapter, a disposal consisting in the grant of an option (“the
    grant”) is treated as taking place at a later time than it would be taken as occurring
    under section 562 if conditions A to C are met.

(2) Condition A is that the grant is one of a number of related transactions designed to
    produce a guaranteed return.

(3) Condition B is that at least one of the other transactions is a transaction entered into
    after the grant.

(4) Condition C is that one or more of the transactions entered into after the grant is a
    disposal which is not itself the grant of an option.

(5) The grant is treated as taking place when the first such later disposal takes place.
(6) Subsection (5) does not apply in any case where, by applying sections 144(2) and 144A(2) of TCGA 1992, section 562(1)—
   (a) requires the grant of an option and the transaction entered into by the grantor in fulfilment of the grantor's obligations under the option to be treated as a single transaction, or
   (b) determines when such a single transaction is to be treated as entered into, and that requirement or determination has a different effect from subsection (5).

564 Deemed disposal where futures run to delivery or options are exercised

(1) This section applies if there are two or more related transactions (see section 566) in relation to which conditions A and B are met.

(2) Condition A is that one of the transactions is the creation or acquisition (by the making or receiving of a grant or otherwise) of a future or option.

(3) Condition B is that the other transaction or one of the other transactions—
   (a) is the running of the future to delivery or the exercise of the option, and
   (b) is not treated for the purposes of this Chapter as a disposal of a future or option.

(4) In relation to the parties to the future or option, this Chapter applies as if—
   (a) a disposal of the future or option takes place at the time ("the relevant time") immediately before the future runs to delivery or, as the case may be, the option is exercised, and
   (b) the scheme or arrangements by reference to which the transactions are related transactions provide for the disposal.

(5) In the case of a person whose rights and entitlements under the future or option have a market value at the relevant time, the disposal referred to in subsection (4)(a) is taken to be for a consideration equal to that market value.

(6) In the case of any other party to the future or option ("P"), the disposal is taken—
   (a) to be made for a nil consideration, and
   (b) to involve P in incurring costs equal to the release amount.

(7) In subsection (6) "the release amount" means the amount which P might reasonably have been expected to pay, in a transaction at arm's length entered into at the relevant time, for the release of P's obligations and liabilities under the future or option.

(8) Section 144(2) and (3) of TCGA 1992 are ignored for the purposes of subsections (1) to (3).

565 Interpretation of section 564

(1) References in section 564 to the running of a future to delivery are references to performing (and so discharging) the obligations owed under the commodity or financial futures contract in question to the party to the future whose rights as a party relate to the underlying subject matter.

(2) In subsection (1) the reference to the underlying subject matter is a reference to, or to the value of, the commodities, currencies, shares, stock or securities, interest rates, indices or other matters—
   (a) to which the future is referable, or
(b) to the value of which it is referable.

(3) In section 564 and this section “party”, in relation to a future or option, means one of the persons who—
   (a) has any right or entitlement comprised in or arising under the future or option, or
   (b) is subject to any obligation or liability so comprised or arising.

(4) In section 564 “market value” has the same meaning as in TCGA 1992 (see sections 272 to 274).

566 When transactions are related

(1) For the purposes of this Chapter, two or more transactions are related if all of them are entered into in pursuance of the same scheme or arrangements.

(2) For this purpose the cases where any two or more transactions are to be taken to be entered into in pursuance of the same scheme or arrangements include any case where it would be reasonable to assume from one or more of the matters specified in subsection (3) that none of them would have been entered into independently of the others.

(3) The matters are—
   (a) the likely effect of the transactions,
   (b) the circumstances in which the transactions are entered into, and
   (c) the circumstances in which any one of the transactions is entered into.

(4) Nothing in this Chapter prevents transactions from being related transactions just because they are transactions—
   (a) with different parties, or
   (b) with parties different from the parties to the scheme or arrangements in pursuance of which they are entered into.

(5) In the case of a transaction which is a disposal, the references in this section to entering into the transaction are references to making the disposal.

(6) In this section “scheme or arrangements” includes schemes, arrangements and understandings of any kind, whether or not they are legally enforceable.

567 Losses

(1) This section applies if—
   (a) losses are made by a person from a disposal, and
   (b) had profits or gains arisen to the person from the disposal, they would be chargeable under this Chapter.

(2) The losses are not to be brought into account for income tax purposes, except where section 152 of ITA 2007 (losses from miscellaneous transactions) applies.

(3) For the purposes of that section, the losses are taken to be made at the time when the disposal occurs.
(4) For the treatment of the losses for capital gains tax purposes, and how TCGA 1992 applies where a profit arises or a loss is made from a deemed disposal under section 564(4), see sections 148A to 148C of that Act.

568 Special rule for certain income of trustees

3. Condition B is that the profits or gains arise under a charitable trust.

4. Condition C is that the profits or gains are from property held for the purposes of a superannuation fund to which section 615(3) of ICTA applies.

5. In this section “trustees” does not include personal representatives, but where, during or at the end of the administration period, personal representatives pay trustees any sum representing profits or gains to which this section would apply if the personal representatives were trustees, that sum is treated as—

   a. being paid as income, and
   b. having borne income tax at the applicable rate.

6. In subsection (6)—

   a. “administration period” has the meaning given by section 653, and

633 Capital sums paid to settlor by trustees of settlement

(1) Any capital sum paid directly or indirectly in any tax year by the trustees of a settlement to the settlor is treated for income tax purposes as follows.

(2) The sum is treated as the income of the settlor for the tax year so far as the amount of the sum falls within the amount of income available up to the end of the year.

(3) The sum is treated as the income of the settlor for the following year so far as the amount of the sum—
   (a) is not treated under subsection (2) as the settlor's income for the tax year in which it is paid, and
   (b) falls within the amount of the income available up to the end of the following year.

(4) Subsection (3) also applies for each subsequent year up to a maximum of 10 years subsequent to the tax year in which the sum is paid.

(5) For this purpose the reference in subsection (3)(a) to being treated under subsection (2) as the settlor's income for the tax year in which the capital sum is paid is a reference to being treated under subsection (2) or (3) as the settlor's income for that year and any other year before the subsequent year in question.

(6) For the meaning of certain expressions used in this section, see—
   section 634 (meaning of “capital sum” and “sums paid to settlor”),
   section 635 (amount of available income),
   section 636 (calculation of undistributed income), and
   section 637 (qualifications to section 636).

(7) For other provisions, see—
   section 638 (capital sums paid by way of loan or repayment of loan),

(2) But this is subject to subsections (3) to (6).

(3) It does not include any sum which could not have become payable to the settlor except—
   (a) in one of the circumstances mentioned in subsection (2) of section 625, or
   (b) on the death under the age of 25 of any person of the kind mentioned in subsection (3) of that section.

           receive the sum, or
   (b) is otherwise paid, or applied by, the trustees for the benefit of the settlor,
       is treated as a capital sum paid to the settlor by the trustees.

(6) Subsection (5) does not apply to any sum which would, apart from that subsection, be
     treated as a capital sum paid to the settlor.

(7) References in sections 633 to 638 to sums paid to the settlor include references to
     sums paid to—

[F580]646ATrustees' expenses to be rateably apportioned

(1) This section applies if—

(a) in a tax year qualifying income arises under a UK settlement, and
(b) the qualifying income consists of charitable income and non-charitable income.

(2) If expenses of the trustees are to be set against the charitable income by virtue of section 484 of ITA 2007, the amount of those expenses which can used for that purpose is limited to the amount allocated to the charitable income.

(3) If—

(a) Chapter 8 of Part 9 of ITA 2007 applies in relation to the charitable income, and
(b) expenses of the trustees are to be used to reduce the charitable income for income tax purposes,

the amount of those expenses which can used for that purpose is limited to the amount allocated to the charitable income.
(4) For the purposes of subsections and (3) the amount of the expenses allocated to the charitable income is determined by apportioning them rateably between the charitable income and the non-charitable income.

(5) In this section—

“charitable income” means income within section 628(1) or 630(1),
“non-charitable income” means income which is not charitable income, and
“qualifying income” and “UK settlement” have the same meaning as in section 628.

648 Income arising under a settlement

(1) References in this Chapter to income arising under a settlement include—

(a) any income chargeable to income tax by deduction or otherwise, and
(b) any income which would have been so chargeable if it had been received in the United Kingdom by a person domiciled, resident and ordinarily resident there.

(2) But if, in a tax year, the settlor is not UK resident, references in this Chapter to income arising under a settlement do not include income arising under the settlement in that tax year in respect of which the settlor, if actually entitled to it, would not be chargeable to income tax by deduction or otherwise because of not being UK resident.

(3) And if, for a tax year, section 809B, 809D or 809E of ITA 2007 (remittance basis) applies to the settlor, references in this Chapter to income arising under a settlement include in relation to any relevant foreign income arising under the settlement in that tax year only such of it as is remitted to the United Kingdom (in that tax year or any subsequent tax year) in circumstances such that, if the settlor remitted it, the settlor would be chargeable to income tax.

(4) See Chapter A1 of Part 14 of ITA 2007 for the meaning of “remitted to the United Kingdom” etc.

(5) Where subsection (3) applies the remitted income is treated for the purposes of this Chapter as arising under the settlement in the tax year in which it is remitted.
CHAPTER 6

BENEFICIARIES' INCOME FROM ESTATES IN ADMINISTRATION

Charge to tax on estate income

649 Charge to tax on estate income

(1) Income tax is charged on estate income.

(2) In this Chapter—

“estate income” means the income treated under this Chapter as arising from an absolute, limited or discretionary interest in the whole or part of the residue of an estate, and

“estate” means the estate of a deceased person (whether a UK estate or a foreign estate).

(3) Estate income is treated as income for income tax purposes.

(4) If different parts of an estate are subject to different residuary dispositions, those parts are treated for the purposes of this Chapter as if they were separate estates.

650 Absolute, limited and discretionary interests

(1) A person has an absolute interest in the whole or part of the residue of an estate for the purposes of this Chapter if—

(a) the capital of the residue or that part is properly payable to the person, or

(b) it would be so payable, if the residue had been ascertained.

(2) A person has a limited interest in the whole or part of the residue of an estate during any period for the purposes of this Chapter if—

(a) the person does not have an absolute interest in it, and

(b) the income from it would be properly payable to the person if the residue had been ascertained at the beginning of that period.

(3) A person has a discretionary interest in the whole or part of the residue of an estate for the purposes of this Chapter if—

(a) a discretion may be exercised in the person's favour, and

(b) on its exercise in the person's favour any of the income of the residue during the whole or part of the administration period (see section 653) would be properly payable to the person if the residue had been ascertained at the beginning of that period.
(4) For the purposes of this section, an amount is only treated as properly payable to a person if it is properly payable to the person, or to another in the person's right, for the person's benefit, except where subsection (5) applies.

(5) The personal representatives of a deceased person ("A") are to be treated as having an absolute or limited interest in the whole or part of the residue of the estate of another deceased person ("B") if—
   (a) they have a right in their capacity as A's personal representatives, and
   (b) were the right vested in them for their own benefit, they would have that interest in B's estate.

(6) For the purposes of subsection (4), it does not matter whether the amount is payable directly by the personal representatives or through a trustee or other person.

651 Meaning of “UK estate” and “foreign estate”

(1) In this Chapter—
   “UK estate”, in relation to a tax year, means an estate which meets conditions A and B, or condition C, for that year, and
   “foreign estate”, in relation to a tax year, means an estate which is not a UK estate in relation to that year.

(2) Condition A is that all the income of the estate either—
   (a) has borne United Kingdom income tax by deduction, or
   (b) is income in respect of which the personal representatives are directly assessable to United Kingdom income tax for the tax year.

(3) Condition B is that none of the income of the estate is income for which the personal representatives are not liable to United Kingdom income tax for the tax year because they are not UK resident or not ordinarily UK resident.

(4) For the purposes of conditions A and B sums within section 680(3) or (4) (sums treated as bearing tax) are ignored.

(5) Condition C is that the aggregate income of the estate for the tax year consists only of sums within section 680(3) or (4).

Types of estate income

652 Estate income: absolute interests in residue

(1) Income is treated as arising in a tax year from a person's absolute interest in the whole or part of the residue of an estate if—
   (a) the person has an assumed income entitlement for the tax year in respect of the interest (see sections 665 to 670), and
   (b) condition A or B is met.
(2) Condition A is that a payment is made in respect of the interest in the tax year and before the end of the administration period (see section 653).

(3) Condition B is that the tax year is the final tax year (see section 653).

(4) Income treated as arising as a result of this section is estate income for the purposes of this Chapter.

653 Meaning of “the administration period” and “the final tax year”

(1) In this Chapter “the administration period”, in relation to the estate of a deceased person, means the period beginning with the deceased's death and ending with the completion of the administration of the estate.

(2) In the application of subsection (1) to Scotland, the reference to the completion of the administration is to be taken as a reference to the date at which, after discharge of, or provision for, liabilities falling to be met out of the deceased's estate, the free balance held in trust for the residuary legatees or for the persons with the right to the intestate estate has been ascertained.

(3) In this Chapter “the final tax year” means the tax year in which the administration period ends.

654 Estate income: limited interests in residue

(1) Income is treated as arising in a tax year from a person's limited interest in the whole or part of the residue of an estate in cases A, B and C.

(2) Case A is where—
   (a) the interest has not ceased before the beginning of the tax year, and
   (b) a sum is paid in respect of the interest in that year and before the end of the administration period.

(3) Case B is where—
   (a) the tax year is the final tax year,
   (b) the interest has not ceased before the beginning of that year, and
   (c) a sum remains payable in respect of the interest at the end of the administration period.

(4) Case C is where—
   (a) the tax year is a year before the final tax year,
   (b) the interest ceases in the tax year, and
   (c) a sum is paid in respect of the interest in a later tax year but before the end of the administration period, or remains payable in respect of it at the end of that period.

(5) This section does not apply to limited interests to which section 674 (successive interests: holders of limited interests) applies.

(6) Income treated as arising as a result of this section or section 674 is estate income for the purposes of this Chapter.
655 Estate income: discretionary interests in residue

(1) Income is treated as arising in a tax year from a person's discretionary interest in the whole or part of the residue of an estate if a payment is made in the tax year in exercise of the discretion in that person's favour.

(2) Income treated as arising as a result of this section is estate income for the purposes of this Chapter.

Income charged and person liable

656 Income charged: UK estates

(1) In the case of a UK estate, tax is charged under section 649 on the amount of estate income treated as arising in the tax year.

(2) That amount is the basic amount of that income for the tax year (see subsection (4)) grossed up by reference to the applicable rate for that year (see section 663).

(3) The gross amount is treated as having borne income tax at that rate.

(4) In this Chapter “the basic amount”, in relation to estate income, has the meaning given by—

(a) section 660 (basic amount of estate income: absolute interests),
(b) section 661 (basic amount of estate income: limited interests),
(c) section 662 (basic amount of estate income: discretionary interests), and
(d) section 675 (basic amount of estate income: successive limited interests).

657 Income charged: foreign estates

(1) In the case of a foreign estate, tax is charged under section 649 on the full amount of estate income treated as arising in the tax year.

(2) That amount depends on whether the estate income arising in the tax year is paid from sums within section 680(3) or (4) (sums treated as bearing income tax).

(3) So far as the estate income is paid from such sums, that amount is the basic amount of that income for the tax year grossed up by reference to the applicable rate for that year (see section 663).

(4) That gross amount is treated as having borne income tax at that rate.

(5) So far as the estate income is not paid from sums within section 680(3) or (4), the amount of estate income treated as arising in the tax year is the basic amount of that income for that year.

658 Special rules for foreign income

(1) The charge to tax under section 649 on the amount of income arising in a tax year is subject to Part 8 (foreign income: special rules).

(2) For the purposes of section 830(1) (meaning of “relevant foreign income”) amounts charged to tax under section 649—
(a) are treated as arising from a source outside the United Kingdom if the estate is a foreign estate, and
(b) are treated as not arising from such a source if the estate is a UK estate.

659 **Person liable**

(1) If the estate income is from a person's absolute interest or limited interest, that person is liable for any tax charged under section 649 unless subsection (3) or (4) provides that another person is liable.

(2) If the estate income is from a discretionary interest, the person in whose favour the discretion is exercised in making the payment in question is liable for any tax charged under section 649.

(3) If, in a case where the estate income is from an absolute interest—
   (a) section 671 (successive absolute interests) applies, or
   (b) section 672 (successive interests: assumed income entitlement of holder of absolute interest following limited interest) applies and the income is treated as arising because of that section,
      the person by reference to whose assumed income entitlement the estate income is determined is liable for any tax charged under section 649.

(4) If, in a case where the estate income is from a limited interest—
   (a) section 673(1) applies and the income is treated as arising because of section 673(2) (payment in respect of a previous limited interest), or
   (b) section 674 (successive interests: holders of limited interests) applies,
      the person entitled to receive the payment in question is liable for any tax charged under section 649.

**Basic amount of estate income: general calculation rules**

660 **Basic amount of estate income: absolute interests**

(1) The basic amount of estate income relating to a person's absolute interest in the whole or part of the residue of an estate for a tax year before the final tax year is the lower of—
   (a) the total of all sums paid in the tax year in respect of that interest, and
   (b) the amount of the person's assumed income entitlement for the tax year in respect of it.

(2) The basic amount for the final tax year is equal to the amount of the person's assumed income entitlement for that year in respect of that interest.

(3) But if the residuary income of the estate for the final tax year is nil because the allowable estate deductions exceed the aggregate income of the estate, the basic amount for that year is reduced—
   (a) where the person has an absolute interest in the whole of the residue of the estate, by an amount equal to the excess, and
   (b) in any other case, by an amount equal to such part of the excess as is just and reasonable.

(4) See sections 665 to 670 for the meaning of references to assumed income entitlement and residuary income of an estate.
(5) See sections 664 and 666(2) for the meaning of aggregate income of an estate and allowable estate deductions respectively.

(6) This section is subject to sections 671 to 673 (successive interests).

661 Basic amount of estate income: limited interests

(1) The basic amount of estate income relating to a person's limited interest in the whole or part of the residue of an estate for a tax year is the total of the sums within section 654(2)(b), (3)(c) and (4)(c) for that year.

(2) This does not apply, and section 675 applies instead, if the limited interest is one to which section 674 (successive interests: holders of limited interests) applies.

662 Basic amount of estate income: discretionary interests

The basic amount of estate income relating to a person's discretionary interest in the whole or part of the residue of an estate for a tax year is the total of the payments made in the tax year in exercise of the discretion in favour of the person.

663 The applicable rate for grossing up basic amounts of estate income

(1) The applicable rate by reference to which a basic amount of estate income is grossed up for the purposes of sections 656 and 657 depends on the rate at which income tax is borne for the tax year by the aggregate income of the estate.

(2) If the aggregate income of the estate all bears income tax at the same rate, the applicable rate is that rate.

(3) If—

   (a) different parts of the aggregate income of the estate bear income tax at different rates, and
   (b) the same rate applies to all the income from which section 679 treats the basic amount as having been paid,
the applicable rate is that rate.

(4) If—

   (a) different parts of the aggregate income of the estate bear income tax at different rates, and
   (b) different rates apply to different parts of the income from which section 679 treats the basic amount as having been paid,
each of those rates is the applicable rate by reference to which the corresponding part of the basic amount is grossed up.

664 The aggregate income of the estate

(1) For the purposes of this Chapter the aggregate income of the estate for a tax year is the total of the income and amounts specified in subsection (2), but excluding the income specified in subsection (5).

(2) The income and amounts are—
(a) the income of the deceased's personal representatives in that capacity which is charged to United Kingdom income tax for the tax year,

(b) the income of the deceased's personal representatives in that capacity on which such tax would have been charged for the tax year if—
   (i) it was income of a UK resident who was ordinarily UK resident, and
   (ii) it was income from a source in the United Kingdom,

(c) any amount of income treated as arising to the personal representatives under section 410(4) (stock dividends) that would be charged to income tax under Chapter 5 of Part 4 if income arising to personal representatives were so charged (see section 411),

(d) in a case where section 419(2) applies (release of loans to participator in close company: loans and advances to persons who die), the amount that would be charged to income tax under Chapter 6 of Part 4 apart from that section, and

(e) any amount that would have been treated as income of the personal representatives in that capacity under section 466 if the condition in section 466(2) had been met (gains from contracts for life insurance).

(3) In calculating the amount of the income within subsection (2)(a), any allowable deductions are to be taken into account.

(4) In calculating the amount of the income within subsection (2)(b), any deductions which would be allowable if the income had been charged to United Kingdom income tax are to be deducted from the full amount of the income actually arising in the tax year.

(5) The excluded income is—
   (a) income to which any person is or may become entitled under a specific disposition, and
   (b) income from property devolving on the personal representatives otherwise than as assets for payment of the deceased's debts.

(6) In subsection (5)(a) “specific disposition” means a gift of specific property under a will, including—
   (a) the disposition of personal chattels by section 46 of the Administration of Estates Act 1925 (c. 23) (succession on intestacy), and
   (b) any disposition which under the law of another country has a similar effect to a gift of specific property by will under the law of England and Wales, but excluding real property included in a residuary gift made by will by a specific or general description of it or, in Scotland, heritable estate included in such a gift.

Further provisions for calculating estate income relating to absolute interests

665 Assumed income entitlement

(1) Whether a person has an assumed income entitlement for a tax year in respect of an absolute interest in the whole or part of the residue of an estate depends on the results of the following steps.

Step 1
Find the amount of the person's share of the residuary income of the estate that is attributable to that interest for that tax year and each previous tax year during which the person had that interest (see sections 666 to 669).

**Step 2**

If the estate is a UK estate in relation to any tax year for which an amount has been found under step 1, deduct from that amount income tax on that amount at the applicable rate for that year (see section 670).

**Step 3**

Add together the amounts found under step 1 after making any deductions necessary under step 2.

**Step 4**

Add together the basic amounts relating to the person's absolute interest in respect of which the person was liable for income tax for all previous tax years (or would have been so liable if the person had been a person liable for income tax for those years).

(2) For the purposes of this Chapter the person has an assumed income entitlement for the tax year if the amount resulting from step 3 exceeds the amount resulting from step 4.

(3) The assumed income entitlement is equal to the excess.

(4) This section is subject to—

- section 671 (successive absolute interests), and
- section 672 (successive interests: assumed income entitlement of holder of absolute interest following limited interest).

666 **The residuary income of the estate**

(1) For the purposes of this Chapter the residuary income of an estate for a tax year is the aggregate income of the estate for that year, less the allowable estate deductions for that year.

This is subject to section 669 (reduction in residuary income: inheritance tax on accrued income).

(2) The allowable estate deductions for a tax year are—

(a) all interest paid in that year by the personal representatives in that capacity (but see section 233 of IHTA 1984: exclusion of interest on unpaid inheritance tax),

(b) all annual payments for that year which are properly payable out of residue,

(c) all payments made in that year in respect of expenses incurred by the personal representatives in that capacity in the management of the assets of the estate, and

(d) any excess deductions from the previous tax year.

This is subject to subsections (3) to (5).

(3) No sum is to be treated as an allowable estate deduction if it is allowable in calculating the aggregate income of the estate.

(4) No sum is to be counted twice as an allowable estate deduction.
(5) Payments in respect of expenses are only allowable estate deductions if they are properly chargeable to income (ignoring any specific direction in a will).

(6) In this section “excess deductions from the previous tax year” means so much of the allowable deductions for the previous tax year as exceeded the aggregate income of the estate for that year.

667 Shares of residuary income of estate

(1) In the case of a person who has an absolute interest in the whole of the residue of an estate for a whole tax year, the person's share of the residuary income of the estate in respect of that interest for that year is equal to the whole of that income for that year.

(2) In the case of a person who—
   (a) has an absolute interest in the whole of the residue of an estate for part of the tax year, or
   (b) an absolute interest in part of the residue of an estate for the whole or part of the tax year,

the person's share of the residuary income of the estate is a proportionate part of that income for that year.

(3) This section is subject to section 668 (reduction in share of residuary income of estate).

668 Reduction in share of residuary income of estate

(1) This section applies if a person has an absolute interest in the whole or part of the residue of an estate at the end of the administration period and—
   (a) the total of the person's shares of the residuary income of the estate in respect of that interest for all tax years (apart from this section), exceeds
   (b) the total of all sums paid during or payable at the end of the administration period in respect of that interest to any person (grossed up where subsection (5) applies).

(2) In the final tax year the person's share of the residuary income of the estate is to be reduced by that excess.

(3) If that excess is greater than the person's share of that income for the final tax year, that person's share of that income for the previous tax year is to be reduced, and so on.

(4) If subsection (3) applies all necessary adjustments and repayments of income tax are to be made.

(5) For the purposes of calculating the total mentioned in subsection (1)(b)—
   (a) if the estate is a UK estate in relation to a tax year in which a sum is paid, the sum is to be grossed up by reference to the basic rate for that year, and
   (b) if the estate is a UK estate in relation to the final tax year, a sum payable at the end of the administration period is to be grossed up by reference to the basic rate for that year.

(6) For the application of this section where two or more absolute interests in the whole or the same part of the residue are held successively by different persons, see section 671(5) and (6).
Reduction in residuary income: inheritance tax on accrued income

(1) This section applies if on the death of a person (“D”) income which accrued before D’s death (“pre-death income”) is taken into account both—
   (a) in determining the value of D’s estate for the purposes of inheritance tax charged on D’s death, and
   (b) in calculating the residuary income of D’s estate for a tax year.

(2) A reduction is made in the residuary income of D’s estate for that tax year in ascertaining the extra liability, if any, of a person with an absolute interest in the whole or part of the residue of D’s estate or any other estate to which that residuary income is relevant.

(3) A person’s extra liability is the amount by which the person’s liability to income tax exceeds the amount it would be if—
   (a) income charged at \( \text{F583} \) the additional rate or \( \text{F583} \) the higher rate were charged—
      \( \text{F584} \) (i) in the case of savings income \( \text{F584} \) of an amount not exceeding the starting rate limit for savings, at the starting rate for savings, and
      \( \text{F584} \) (ii) in any other case, at the basic rate, and
   (b) income charged at the dividend upper rate were charged at \( \text{F586} \) the dividend additional rate or \( \text{F586} \) the dividend ordinary rate.

(4) The amount of the reduction under subsection (2) is calculated as follows:

   Step 1
   Calculate the net pre-death income by subtracting from the pre-death income any liabilities which have been taken account both—
   (a) in determining the value of D’s estate for the purposes of inheritance tax, and
   (b) in calculating the residuary income of D’s estate for the tax year.

   Step 2
   Calculate the inheritance tax attributable to net pre-death income by multiplying the inheritance tax to be charged by—

   \[
   \frac{\text{NPD1}}{\text{VE}}
   \]

   where—
   NPD1 is the net pre-death income, and
   VE is the value of D’s estate.

   Step 3
   Gross up the inheritance tax attributable to net pre-death income by reference to the basic rate for the tax year.

(5) The amount of pre-death income taken into account in determining the value of D’s estate is taken to be the actual amount of income accruing before D’s death, less income tax at the basic rate for the tax year in which D died.
(6) Subsection (5) applies even if the income so accruing was not valued separately or its amount was not known at the date of D's death.

(7) For the purposes of this section, the amounts agreed between the persons liable for inheritance tax and \[F587\] an officer of Revenue and Customs, or determined in proceedings between them, as the value of the estate and the amount of inheritance tax to be charged are conclusive.

(8) Evidence of those amounts and of any facts relevant to their calculation may be given by the production of a document that appears to be a certificate from \[F587\] an officer of Revenue and Customs.

**670 Applicable rate for determining assumed income entitlement (UK estates)**

(1) The applicable rate by reference to which income tax on a person's share of the residuary income of the estate for a tax year is calculated for the purposes of step 2 of the calculation in section 665(1) depends on the rate at which income tax is borne by the aggregate income of the estate for the year.

(2) If the aggregate income of the estate all bears income tax at the same rate, the applicable rate is that rate.

(3) If different parts of the aggregate income of the estate bear income tax at different rates, the applicable rate is the rate that applies to the income to which the person's share of the residuary income of the estate relates.

(4) If different rates apply to different parts of that income, each of those rates is the applicable rate that applies to the corresponding part of the income to which the person's share of the residuary income of the estate relates.

(5) For the purposes of this section, if there is more than one person with an absolute interest in the residue of the estate, such apportionments of parts of the aggregate income of the estate bearing income tax at different rates are to be made as are just and reasonable for their different interests.
Special rules for successive interests

671 Successive absolute interests

(1) This section applies if two or more absolute interests in the whole or the same part of the residue of an estate are held successively during the administration period by different persons.

(2) In determining whether a person with a later such interest (“the later holder”) has an assumed income entitlement in respect of that interest and, if so, its amount—

(a) the later holder's share of the residuary income of the estate in respect of that interest for any tax year is to be treated as including the share of any person with a previous such interest (“a previous holder”), and

(b) the basic amounts relating to the later holder's interest are to be treated as including the basic amounts relating to any previous such interest.

(3) In applying subsection (2), all determinations under that subsection or section 672(2) that fall to be made in relation to a person with an earlier interest are to be made before determinations under those provisions relating to a person with a later interest.

(4) A person who is a previous holder in the final tax year is to be taxed in that year, in relation to the interest as to which that person is a previous holder, as if that year were not the final tax year, and the later holder's assumed income entitlement in that year is to be calculated accordingly [F588 (or, where the previous holder is a company chargeable to corporation tax, having regard to the application of section 954(4) of CTA 2009 to the previous holder)].

(5) The calculation under section 668(1)(a) and (b) (amount of reduction in the share of the residuary income of the person with an absolute interest at the end of the administration period) is to be made by reference to all the absolute interests taken together.

(6) If the amount resulting from that calculation is greater than the total amount of the reductions which can be made under section 668(2) and (3), the share of the residuary income of the estate of the last previous holder of the interest for the last tax year in which that last holder had that interest is to be reduced, and so on [F589 (but, in a case where the last previous holder or any earlier previous holder is a company chargeable to corporation tax, having regard to the application of section 954(6) of CTA 2009 to the previous holder)].

(7) For the purposes of this section and sections 672 to 676, two interests are held successively even where one is not held immediately before or after the other.

(8) It is assumed for those purposes that each of the persons holding the interests in question is a person liable to income tax.

672 Successive interests: assumed income entitlement of holder of absolute interest following limited interest

(1) This section applies if—
   (a) two or more interests in the whole or part of the residue of an estate are held successively during the administration period by different persons,
   (b) each later interest arises or is created on the cessation of the previous interest otherwise than by death,
   (c) at least one of the interests is an absolute interest, and
   (d) at least one of the interests preceding that interest is a limited interest.

(2) Rules A and B apply to determine in relation to such an absolute interest—
   (a) whether the person with the interest has an assumed income entitlement in respect of the interest, and
   (b) if so, its amount.

(3) Rule A is that the person's share of the residuary income of the estate in respect of the absolute interest for any tax year is treated as including any amount which would be included in it if—
   (a) the interest had subsisted throughout the period when any such limited interest subsisted, and
   (b) no such limited interest had ever subsisted.

(4) Rule B is that the basic amounts relating to the absolute interest are treated as including the basic amounts relating to any such limited interest.

673 Successive interests: payments in respect of limited interests followed by absolute interests

(1) This section applies if—
   (a) two or more interests in the whole or part of the residue of an estate are held successively during the administration period by different persons,
   (b) each later interest arises or is created on the cessation of the previous interest otherwise than by death,
   (c) at least one of the interests is an absolute interest, and
   (d) at least one of the interests preceding that interest is a limited interest.

(2) A sum to which a person ("P") with such an absolute interest is entitled in respect of any such limited interest which is paid while P has the absolute interest is treated as paid in respect of the absolute interest (and not the limited interest).

(3) Subsection (4) applies if—
   (a) P's absolute interest ceases during the administration period, and
   (b) a sum to which P is entitled in respect of any such limited interest—
      (i) is paid after the absolute interest ceases but before the end of the administration period, or
      (ii) remains payable at the end of it.

(4) This Chapter applies as respects any such sum as if the limited interest had continued to subsist while that absolute interest subsisted and had been held by P.

(5) Subsection (4) is subject to subsection (6).
(6) For the purposes only of section 668 (reduction in share of residuary income of estate), any such sum is treated as paid or payable in respect of the absolute interest.

### 674 Successive interests: holders of limited interests

(1) This section applies if—

(a) two or more interests in the whole or part of the residue of an estate are held successively during the administration period by different persons,

(b) the earlier or, if there are more than two, the earliest of the interests is a limited interest, and

(c) each later interest arises or is created on the cessation of the previous interest otherwise than by death.

(2) Income is treated as arising from a limited interest in the whole or part of the residue of the estate in a tax year in cases A, B and C.

(3) Case A is where—

(a) one of the successive interests subsists at the beginning of the tax year,

(b) a sum is paid in respect of one of the interests in that year and before the end of the administration period, and

(4) Case B is where—

(a) the tax year is the final tax year,

(b) one of the successive interests subsists at the beginning of that year,

(c) a sum remains payable in respect of one of the interests at the end of the administration period, and

(d) a limited holder is entitled to receive the payment.

(5) Case C is where—

(a) the tax year is a year before the final tax year,

(b) the last of the successive interests ceases in the tax year,

(c) a sum is either—

(i) paid in respect of one of the interests in a later tax year but before the end of the administration period, or

(ii) remains payable in respect of it at the end of that period, and

(d) a limited holder is entitled to receive the payment.

### 675 Basic amount of estate income: successive limited interests

The basic amount of estate income relating to a limited interest within section 674 for a tax year is the total of the sums within section 674(3)(b), (4)(c) and (5)(c) for that year.

### 676 Apportionments

(1) Such apportionments as are just and reasonable are to be made for the purposes of this Chapter if—
(a) the part of a residuary estate in which an interest within any of the provisions specified in subsection (2) subsists does not wholly correspond with the part in which another such interest held successively subsists, or

(b) one of those interests is in the whole of the residuary estate and the other is only in part of it.

(2) The provisions are—

section 671 (successive absolute interests),

where—

T is the income tax charged on the person,

A is so much of the aggregate income of the estate as has already borne United Kingdom income tax for the tax year, and

CHAPTER 5

VENTURE CAPITAL TRUST DIVIDENDS

Venture capital trust dividends

(1) No liability to income tax arises in respect of a venture capital trust dividend if—
   (a) conditions A and B are met, and
   (b) where the dividend is paid in respect of shares acquired after 8th March 1999, condition C is met.

(2) In subsection (1) a “venture capital trust dividend” means a dividend paid in respect of ordinary shares in a company which—
   (a) is a venture capital trust—
       (i) at the end of the accounting period in which the profits or gains in respect of which it is paid arose or accrued, and
       (ii) when the dividend is paid, and
   (b) was such a trust when the person to whom it is paid acquired the shares.

(3) Condition A is that the person beneficially entitled to the dividend—
   (a) is an individual of at least 18 years, and
   (b) is beneficially entitled to it as the holder of the shares or as the person for whom, or for whose benefit, they are held by a nominee.
(4) Condition B is that—

(a) in the tax year in which the shares were acquired the market value of all the shares acquired by the individual or any nominee of the individual in companies which were venture capital trusts at the time of acquisition did not exceed £200,000, or

(b) in that year that market value exceeded £200,000, but the shares are treated under section 710 as having been acquired within that limit.

(5) For the purposes of subsection (4), the market value of a share is determined as at the time of its acquisition.

(6) Condition C is that the shares were acquired for genuine commercial reasons and not as part of a scheme or arrangement the main purpose of which, or one of the main purposes of which, was the avoidance of tax.

(7) Shares that were not so acquired are ignored for the purposes of subsection (4) and section 710 (whether or not they were acquired after 8th March 1999).

(8) In this section and in sections 710 and 711—

“market value” has the same meaning as in TCGA 1992 (see sections 272 and 273),

“nominee”, in relation to an individual, includes the trustees of a bare trust of which the individual is the only beneficiary, and

“ordinary shares” means shares forming part of the company's ordinary share capital.

710 Treatment of shares where annual acquisition limit exceeded

(1) This section sets out the rules for determining which shares whose market value is relevant for the limit in section 709(4) are treated as shares acquired within that limit (“exempt shares”) where that limit is exceeded in a tax year.

(2) Shares are treated as exempt shares so far as their acquisition does not cause the limit to be exceeded at the time they are acquired.

(3) Subsection (2) is subject to subsection (4).

(4) If shares of different descriptions acquired on the same day cause the limit to be exceeded on that day, shares of each description are treated as exempt shares so far as their market value does not exceed the appropriate proportion of the available value.

(5) In subsection (4)—

“the appropriate proportion”, in relation to shares of a particular description, means the proportion which their market value bears to the market value of all the shares acquired on that day, and

“available value” means the maximum value of shares which could be acquired on that day without exceeding the limit.

711 Identification of shares after disposals

(1) In determining whether a disposal relates to shares in a company which were acquired when it was a venture capital trust or others, it is assumed that the others are disposed of first.
(2) In determining whether a disposal of shares in a company which were acquired when it was a venture capital trust relates to shares which meet the condition in section 709(4) (annual acquisition limit) or others (“excess shares”), assumptions A and B are to be made.

(3) Assumption A is that shares acquired on an earlier day are disposed of before those acquired on a later day.

(4) Assumption B is that where the shares were acquired on the same day, excess shares are disposed of first.

(5) For the purposes of this section, acquisitions and disposals by an individual's nominee are treated as made by the individual, and acquisitions and disposals between them are ignored.

712 Identification of shares after reorganisations etc.

(1) This section applies if shares (“the new shares”) are treated under Chapter 2 of Part 4 of TCGA 1992 (reorganisations etc.) as the same assets as other shares (“the old shares”).

(2) If all the old shares met—
   (a) the condition in section 709(4) (annual acquisition limit), and
   (b) if it applied to the old shares, the condition in section 709(6) (acquisition for genuine commercial reasons),

   the new shares are treated as doing so.

(3) If only some of the old shares met those conditions, the corresponding proportion of the new shares are treated as meeting them and the remainder are treated as not doing so.

(4) In the tax year in which the new shares are acquired the value of the new shares is ignored in determining whether other shares acquired in the same tax year meet the condition in section 709(4).

CHAPTER 6

(3) In this Chapter “the exemption condition” has the meaning given by subsections (4) to (6), according to the kind of FOTRA security involved.

(4) In relation to a security within subsection (2)(a), it means the condition authorised by section 22 of F(No.2)A 1931.

(5) In relation to a security within subsection (2)(b), it means a condition with which 7.25% Treasury Stock 2007 was first issued, being a condition treated by section 161(1) of FA 1998 (non-FOTRA securities)—
   (a) as a condition with which the security within subsection (2)(b) was issued, and
   (b) as a condition authorised in relation to its issue by section 22 of F(No.2)A 1931.

(6) In relation to 3½% War Loan 1952 Or After, it means a condition of its issue authorised by section 47 of F(No.2)A 1915.

714 Exemption of profits from FOTRA securities

(1) No liability to income tax arises in respect of profits from a FOTRA security if conditions A and B are met.

(3) Condition A is that the profits are stated in the exemption condition to be exempt from income tax.

(4) Condition B is that any requirements for obtaining the exemption imposed by the security's conditions of issue are met.

(5) Whatever the exemption condition provides, amounts charged under the provisions specified in subsection (6) are not exempted by subsection (1).

715 Interest from FOTRA securities held on trust

(1) This section applies if—
   (a) a FOTRA security is held on trust, and
(b) apart from this section, interest payable on the security would not be exempt from income tax under section 714 because of the security not being in the beneficial ownership of a person not ordinarily UK resident.

(2) For the purposes of determining whether the interest is exempt under section 714 it is to be assumed that the security is in the beneficial ownership of a person not ordinarily UK resident if none of the beneficiaries of the trust is ordinarily UK resident at the time when the interest arises.

(3) In subsection (2) “beneficiaries of the trust” includes any person known to the trustees as a person—

Textual Amendments
F647 S. 717(3) repealed (6.4.2008) by Finance Act 2007 (c. 11), s. 46(5)(9), Sch. 27 Pt. 2(13); S.I.
2008/561, art. 2

718 Excluded annuities

(1) The exemption in section 717(1) does not apply to payments made under the annuities specified in subsection (2).

(2) The annuities are—
(a) an annuity the whole or part of the consideration for which consisted of sums satisfying the conditions for relief under section 266 of ICTA (life assurance premiums),
(b) an annuity purchased following a direction in a will, and
(c) an annuity purchased to provide for an annuity payable as a result of a will or settlement out of income of property disposed of by the will or settlement.

(3) For the purposes of subsection (2)(c), it does not matter whether or not capital could also be used to pay the annuity.

719 Extent of exemption under section 717

(1) This section sets out the rules for determining the extent to which an annuity payment is within the exemption in section 717(1).

(2) The rules depend on—
(a) whether or not the amount of the annuity payments under the annuity depends solely on the duration of a human life or lives (see subsections (3) to (5)), and
(b) whether or not the annuity's term depends solely on the duration of a human life or lives (see subsections (6) to (8)).

(3) If the amount of the annuity payments depends solely on the duration of a human life or lives, the same proportion of each payment (“the exempt proportion”) is exempt.

(4) But if the amount of the annuity payments also depends on another contingency, each payment is exempt so far as it does not exceed a fixed sum (“the exempt sum”).

(5) If an annuity payment within subsection (4) is less than the exempt sum, the shortfall is added to the exempt sum for the next payment (and so on).

(6) The ways to determine the exempt proportion and the exempt sum differ according to whether or not the annuity's term depends solely on the duration of a human life or lives.

(7) If the annuity's term depends solely on the duration of a human life or lives—
(a) the exempt proportion is determined as set out in section 720, and
(b) the exempt sum is determined as set out in section 721.

(8) If the annuity's term also depends on another contingency—
(a) the exempt proportion is the proportion which is just and reasonable, having regard to the contingencies affecting the annuity and to section 720, and
(b) the exempt sum is the amount which is just and reasonable, having regard to the contingencies affecting the annuity and to section 721.

720 Exempt proportion: term dependent solely on duration of life

(1) In the case of an annuity within section 719(7) (term dependent solely on duration of life), the exempt proportion is —

\[ \text{AP} \times \frac{\text{PP}}{\text{AV}} \]

where—

AP is the annuity payment,

PP is the purchase price of the annuity, and

AV is the actuarial value of the annuity payments.

(2) The purchase price of the annuity is the total amount or value of the consideration given for the annuity.

(3) The actuarial value of the annuity payments is their value at the date when the first of the payments starts to accrue.

(4) That value is determined—

(a) by reference to tables of mortality prescribed under section 724,

(b) taking the age at that date of a person during whose life the annuity is payable as that person's age in whole years on that date, and

(c) without discounting any payment for the time to elapse before it is payable.

(5) But if it is not possible to determine that actuarial value by reference to the tables mentioned in subsection (4)(a), it is such amount as may be certified by the Government Actuary or the Deputy Government Actuary.

721 Exempt sum: term dependent solely on duration of life

(1) In the case of an annuity within section 719(7) (term dependent solely on duration of life), the exempt sum is —

\[ \text{PP} \times \frac{1}{\text{TY}} \times \frac{\text{PM}}{12} \]

where—

PP is the purchase price of the annuity,

TY is the expected term of the annuity in years (and any odd fraction of a year), and

PM is the period in months (and any odd fraction of a month) in respect of which the annuity payment is made.
(2) The purchase price of the annuity is the total amount or value of the consideration given for the annuity.

(3) The expected term of the annuity is the period from the date when the first annuity payment starts to accrue to the date when it is expected that the last payment will become payable.

(4) The expected term of the annuity is determined—
   (a) as at the date when the first annuity payment starts to accrue,
   (b) by reference to tables of mortality prescribed under section 724, and
   (c) taking the age at that date of a person during whose life the annuity is payable as that person’s age in whole years on that date.

(5) But if it is not possible to determine that term by reference to the tables mentioned in subsection (4)(b), it is such period as may be certified by the Government Actuary or the Deputy Government Actuary.

722 Consideration for the grant of annuities

(1) This section applies if the amount or value given for an annuity is to be determined for the purposes of sections 720(2) or 721(2) and either—
   (a) consideration is not given solely for the annuity, or
   (b) it appears that the amount or value of the consideration nominally given for it affected, or was affected by, the consideration given for something else.

(2) For the purposes of subsection (1), consideration given for a right to a return of premiums or of other consideration for an annuity is treated as given solely for the annuity.

(3) If subsection (1)(a) applies, the consideration is to be apportioned in such way as is just and reasonable.

(4) If subsection (1)(b) applies, the total amount or value of the considerations given is to be apportioned in such way as is just and reasonable.

723 Determinations

724 Regulations

(1) The Commissioners for Her Majesty’s Revenue and Customs may by regulations—
   (a) prescribe the procedure to be used in giving effect to sections 717 to [F658722] and this section where no provision is made in those provisions,
   (b) apply any provision of the Income Tax Acts, with or without modifications, for the purposes of those provisions or the regulations,
(c) prescribe tables of mortality for the purposes of sections 720(4) and 721(4).

(b) no part of any premiums under the policy has been deductible in calculating the income of the insured for income tax purposes, and

(c) the conditions in sections 737 and 738 and, so far as applicable, those in sections 739 and 740 are met in relation to the policy.

(2) Subsection (1)(b) is subject to section 743.

(3) For the meaning of “the insured”, see sections 742 and 743(2).

---

Health and employment risks and benefits

**736** Health and employment risks and benefits

(1) For the purposes of sections 735 and 737 to 743, a policy insures against a health risk if it insures against the insured becoming, or becoming in any specified way, subject—

(a) to any physical or mental illness, disability, infirmity or defect, or

(b) to any deterioration in a condition resulting from any such illness, disability, infirmity or defect.

(2) For the purposes of sections 735 and 737 to 743, a policy insures against an employment risk if it insures against circumstances arising as a result of which the insured ceases—

(a) to be employed or hold office, or

(b) to carry on any trade, profession or vocation.

(3) For the purposes of section 735, this section and sections 737 to 743, references to insurance against a risk include insurance providing for benefits payable otherwise than by way of indemnity if the circumstances insured against occur.
737 Period for which payments may be made

(1) The condition in this section is that the only annual payments provided for by the policy which relate to the health or employment risk it insures against ("the insured risk") are payments in respect of one or more of the following periods.

(2) They are—
   (a) a period throughout which an illness, disability, infirmity or defect insured against by the part of the policy relating to the insured risk continues,
   (b) a period throughout which, in circumstances insured against by the part of the policy relating to the insured risk, the insured is unemployed, does not hold an office or is not carrying on a trade, profession or vocation,
   (c) a period throughout which, in circumstances insured against by the part of the policy relating to the insured risk, the insured's income is less than it would otherwise have been, and
   (d) where a period within paragraph (a), (b) or (c) ends with the death of the insured, a period immediately following that period.

(3) For the purposes of subsection (2)(a), an illness, disability, infirmity or defect is treated as continuing during a period of convalescence or rehabilitation related to it.

(4) For the purposes of subsection (2)(c), income from the policy is ignored.

738 Risk of significant loss

(1) The condition in this section is that throughout the period that the policy has contained provisions relating to the health or employment risk those provisions have been such that any policy of insurance which only contained those provisions would involve the possibility that the insurer would make a significant loss on the premiums.

(2) In determining whether a policy would involve that possibility, any return on the investment of the premiums is to be taken into account.

(3) For this purpose reinsurance is ignored.

739 Conditions to be met by policies also providing other benefits

(1) The conditions in this section only apply if the policy provides for the payment of benefits which do not all relate to the health or employment risk.

(2) The conditions are that so far as the policy's terms relate to the health or employment risk—
   (a) they do not differ significantly from what they would have been if the only benefits had been those relating to that risk, and
   (b) the way in which they are given effect does not differ significantly from the way in which they would have been given effect in that case.

(3) A difference relating only to the reduction of benefits payable to or in respect of a person because of other benefits being payable to or in respect of the person is to be ignored.

(4) For the purposes of this section, all the persons for whose benefit the policy provides insurance against the health or employment risk are to be considered.
740 Conditions to be met where policies are linked

(1) The conditions in this section only apply if—
   (a) the insured is or has been the insured under one or more other policies ("connected policies"), and
   (b) each of the connected policies has been in force either—
       (i) at a time when the policy in question was in force, or
       (ii) at the time immediately before it was entered into.

(2) The conditions are that so far as the terms of the policy relate to the health or employment risk—
   (a) they do not differ significantly from what they would have been if no connected policies had been entered into, and
   (b) the way in which they are given effect does not differ significantly from the way in which they would have been given effect in that case.

(3) A difference relating only to the reduction of benefits payable to or in respect of a person under the policy because of benefits being payable to or in respect of the person under any of the connected policies is to be ignored.

CHAPTER 1

RENT-A-ROOM RELIEF

Introduction

Overview of Chapter 1

(1) This Chapter provides relief on income from the use of furnished accommodation in an individual's only or main residence.

The relief is referred to in this Chapter as “rent-a-room relief”.

(2) The form of relief depends on whether the individual's total rent-a-room amount exceeds the individual’s limit (see sections 788 to 790).

(3) If it does not, the income is not charged to income tax unless the individual elects otherwise (see sections 791 to 794).

(4) If it does, the individual may elect for alternative methods of calculating the income (see sections 795 to 798).

Person who qualifies for relief

(1) An individual qualifies for rent-a-room relief for a tax year if the individual—

(a) has rent-a-room receipts for the tax year (see section 786), and
(b) does not derive any taxable income other than rent-a-room receipts from a relevant trade, letting or agreement.

(2) “Taxable income” means receipts or other income in respect of which the individual is liable to income tax for the tax year.

(3) A relevant trade, letting or agreement is one from which the individual derives rent-a-room receipts for the tax year.

Basic definitions

Meaning of “rent-a-room receipts”

(1) For the purposes of this Chapter an individual has rent-a-room receipts for a tax year if—

(a) the receipts are in respect of the use of furnished accommodation in a residence in the United Kingdom or in respect of goods or services supplied in connection with that use,
(b) they accrue to the individual during the income period for those receipts (see subsections (3) and (4)),
(c) for some or all of that period the residence is the individual's only or main residence, and
(d) the receipts would otherwise be brought into account in calculating the profits of a trade or UK property business or chargeable to income tax under Chapter 8 of Part 5 (income not otherwise charged).
(2) Meals, cleaning and laundry are examples of goods or services supplied in connection with the use of furnished accommodation in a residence.

(3) If the receipts would otherwise be brought into account in calculating the profits of a trade, the income period is the basis period for the tax year (see Chapter 15 of Part 2).

(4) Otherwise the income period is the period which—
   (a) begins at the beginning of the tax year or, if later, the beginning of the letting in respect of which the receipts arise, and
   (b) ends at the end of the tax year or, if earlier, the end of that letting.

787  **Meaning of “residence”**

(1) In this Chapter “residence” means—
   (a) a building, or part of a building, occupied or intended to be occupied as a separate residence, or
   (b) a caravan or houseboat.

(2) If a building, or part of a building, designed for permanent use as a single residence is temporarily divided into two or more separate residences, it is still treated as a single residence.

788  **Meaning of “total rent-a-room amount”**

(1) For the purposes of this Chapter an individual’s “total rent-a-room amount” for a tax year is the total of—
   (a) the individual's rent-a-room receipts for the tax year, and
   (b) any relevant balancing charges for the tax year (see section 802).

(2) In calculating the total rent-a-room amount, no deduction is allowed for expenses or any other matter.

*Individual's limit*

789  **The individual's limit**

(1) For the purposes of this Chapter an individual's limit for a tax year depends on whether the individual meets the exclusive receipts condition for the tax year (see section 790).

(2) If the individual does, the individual's limit for the tax year is the basic amount for the tax year.

(3) If the individual does not, the individual's limit for the tax year is half that amount.

(4) The basic amount for a tax year is £4250.

(5) The Treasury may by order amend the sum for the time being specified in subsection (4).
790 **Exclusive receipts condition**

(1) An individual meets the exclusive receipts condition for a tax year if, for each rent-a-room residence of the individual, no receipts accrue to any other person during any relevant period in respect of—

(a) the use of residential accommodation (whether furnished or not) in the residence, or
(b) goods or services supplied in connection with that use (such as meals, cleaning or laundry),

at a time when the residence is the individual's only or main residence.

(2) Each of the following periods is a relevant period—

(a) any income period specified in section 786 for any rent-a-room receipts of the individual for the tax year,
(b) the period of 12 months which begins at the same time as any such income period begins, and
(c) the period of 12 months which ends at the same time as any such income period ends.

(3) A “rent-a-room residence of the individual” means a residence in respect of which the individual derives rent-a-room receipts for the tax year.

791 **Full rent-a-room relief: introduction**

Sections 792 to 794 (which give the full form of rent-a-room relief) apply if—

(a) an individual qualifies for rent-a-room relief for a tax year,
(b) the individual's total rent-a-room amount for the tax year does not exceed the individual's limit for the tax year, and
(c) no election by the individual under section 799 has effect to disapply the full relief for the tax year.

792 **Full rent-a-room relief: trading income**

(1) This section applies if the individual has any rent-a-room receipts for the tax year which would otherwise be brought into account in calculating the profits of a trade.

(2) The profits or losses of the trade for the tax year are treated as nil.

793 **Full rent-a-room relief: property income**

(1) This section applies if the individual has any rent-a-room receipts for the tax year which would otherwise be brought into account in calculating the profits of a UK property business.

(2) In calculating those profits—

(a) those receipts for the tax year, and
(b) any expenses associated with them,

are not brought into account.
(3) No relevant balancing charge or relevant allowance (see section 802) is made in calculating those profits for the tax year.

794 Full rent-a-room relief: income chargeable under Chapter 8 of Part 5

(1) This section applies if the individual has any rent-a-room receipts for the tax year which would otherwise be chargeable to income tax under Chapter 8 of Part 5 (income not otherwise charged).

(2) For each agreement from which those receipts arise, the amount of—
   (a) those receipts arising in the tax year from the agreement, less
   (b) any expenses associated with them,
   is treated as nil.

    Alternative calculation of profits if amount exceeds limit

795 Alternative calculation of profits: introduction

Sections 796 to 798 (which provide for alternative methods of calculating profits) apply if—
   (a) an individual qualifies for rent-a-room relief for a tax year,
   (b) the individual's total rent-a-room amount for the tax year exceeds the individual's limit for the tax year, and
   (c) an election by the individual under section 800 has effect to apply the alternative method of calculating profits for the tax year.

796 Alternative calculation of profits: trading income

(1) This section applies if the individual has any rent-a-room receipts for the tax year which are the receipts of a trade.

(2) The profits of the trade for the tax year are—
   (a) the sum of the amount of the rent-a-room receipts for the tax year arising from the trade and the amount of any relevant balancing charge, less
   (b) the deductible amount.

(3) The deductible amount—
   (a) is $L$ if all the individual's rent-a-room receipts for the tax year arise from the trade, and
   (b) otherwise, is—

$$\frac{L \times T}{R}$$

but, in either case, subject to a maximum of $T$.

(4) In subsection (3)—
   $L$ is the individual's limit for the tax year,
T is the individual's rent-a-room receipts for the tax year arising from the trade, and
R is all the individual's rent-a-room receipts for the tax year.

(5) In calculating the amount of any rent-a-room receipts for the purposes of this section, no deduction is allowed for expenses or any other matter.

797 Alternative calculation of profits: property income

(1) This section applies if the individual has any rent-a-room receipts for the tax year (“Part 3 rent-a-room receipts”) which are to be brought into account in calculating the profits of a UK property business.

(2) In calculating those profits for the tax year—
   (a) the Part 3 rent-a-room receipts for the tax year are brought into account only in calculating the profits of the business for the tax year, and
   (b) any expenses associated with those receipts are not brought into account.

(3) In calculating those profits for the tax year—
   (a) a deduction is allowed, and
   (b) no relevant allowance, but any relevant balancing charge, is made.

(4) The amount of the deduction—
   (a) is L if all the individual's rent-a-room receipts for the tax year are Part 3 rent-a-room receipts, and
   (b) otherwise, is—

\[
\frac{L \times P}{R}
\]

but, in either case, subject to a maximum of P.

(5) In subsection (4)—

   P is the individual's Part 3 rent-a-room receipts for the tax year, and

\]

subject to a maximum of I.

(4) In subsection (3)—
L is the individual's limit for the tax year,
I is the amount of the receipts for the tax year arising from the agreements, and
R is all the individual's rent-a-room receipts for the tax year.

(5) In calculating the amount of any rent-a-room receipts for the purposes of this section, no deduction is allowed for expenses or any other matter.

Elections

799 Election not to apply full relief

(1) An individual may elect for sections 792 to 794 (full relief) not to apply.

(2) The election—
(a) must specify the tax year for which it is made, and
(b) has effect for that year (unless withdrawn by notice given by the individual).

(3) An election or notice of withdrawal must be made or given to the Inland Revenue on or before—
(a) the first anniversary of the normal self-assessment filing date for the tax year for which the election is made, or
(b) such later date as the Inland Revenue may, in a particular case, allow.

800 Election for alternative method of calculating profits

(1) An individual may elect for the alternative method of calculating profits given in sections 796 to 798 to apply if—

(2) The election—
(a) must specify the tax year for which it is made, and
(b) has effect for that year and subsequent tax years (unless withdrawn by notice given by the individual).

(3) A notice of withdrawal of an election must specify the tax year for which it is given. The election ceases to have effect for that tax year and subsequent tax years.

(4) Withdrawal of an election does not prevent a fresh election from being made for a subsequent tax year.

(5) An election or notice of withdrawal must be made or given to the Inland Revenue on or before—
(a) the first anniversary of the normal self-assessment filing date for the tax year specified in the election or notice of withdrawal, or
(b) such later date as the Inland Revenue may, in a particular case, allow.

(6) If—
(a) an election would otherwise have effect for a tax year, but
(b) the individual's total rent-a-room amount for the tax year does not exceed the individual's limit for the tax year,

the individual is treated as giving a notice of withdrawal of the election which specifies that tax year as the one for which it is given (and the election, therefore, ceases to have effect for that tax year and subsequent tax years).

801 Time limit on adjustment of assessment

(1) This section applies if it is necessary to make an adjustment by way of assessment to give effect to an election or notice of withdrawal under section 799 or 800.

[\textsuperscript{F717}(1) This Chapter provides relief on income from the provision by an individual of qualifying care.

The relief is referred to in this Chapter as “qualifying care relief”.]

(4) If they do, the individual may elect for an alternative method of calculating the income (see sections 815 to 819).

(5) If the qualifying care receipts are the receipts of a trade, special rules apply —

(a) if the period of account of the trade does not end on 5th April (see sections 820 to 823), and

(b) in relation to capital allowances (see sections 824 to 827).

821 Meaning of “relevant limit”

(1) For the purposes of sections 822 and 823 the “relevant limit” for a period of account in which the individual's qualifying care receipts accrue is found by adding—
   (a) the fixed amount for the tax year in which that period ends or (as the case may be) the individual's share of the fixed amount for that year (found in accordance with sections 808 to 810), and
(b) for each of the tax years in which the period of account falls, each amount per \[^{F762}\text{adult or\ child for the individual for each part of the period of account falling in that tax year.}\]

(2) For this purpose an individual's amount per \[^{F763}\text{adult or\ child for a part of the period of account is each amount that would be the individual's amount per}\]

\[^{F763}\text{adult or\ child under section 811 for the tax year in which the part falls if that part were the income period for that year.}\]

---

### 822 Full relief

(1) This section applies if the individual's total \[^{F764}\text{qualifying care}\] receipts for the period of account do not exceed the individual's relevant limit for the period.

(2) The profits or losses of the trade for the tax year are treated as nil.

---

### 823 Alternative method of calculating profits

(1) This section applies if—

(a) the individual's total \[^{F765}\text{qualifying care}\] receipts for the period of account exceed the individual's relevant limit for the period, and

(b) the individual makes an election under this section.

(2) The profits of the trade for the tax year are—

(a) the individual's total \[^{F766}\text{qualifying care}\] receipts for the period of account, less

(b) the individual's relevant limit for the period.

(3) Sections 818(2) and (3) and 819 (adjustment of assessment) apply for the purposes of an election under this section as they apply for the purposes of an election under those sections.
Capital allowances for foster carers carrying on trade

824 Capital allowances: introduction

(1) In this group of sections (that is, this section and sections 825 to 827) an individual is a “relevant individual” if in a tax year—
   (a) the full [\text{F766}] qualifying care relief in section 813 or 822 (trading income), or
   (b) the alternative method of calculating profits under section 816 or 823 (trading income),

   applies to the individual for the tax year.

(2) In this group of sections a period is a “relevant chargeable period” of a relevant individual if—
   (a) it is a chargeable period of the individual, and
   (b) it corresponds to the income period for the individual's [\text{F768}] qualifying care receipts in the tax year for which the individual is a relevant individual.

[\text{F769}(2A)] In this group of sections, in relation to a relevant individual—
   (a) “the care business” means the provision of qualifying care by the individual,
   (b) “care business expenditure” means qualifying expenditure incurred on the provision of plant or machinery wholly or partly for the care business,
   (c) “care business pool” means a pool of care business expenditure (even if the balance for the time being is nil), and
   (d) a reference to “another activity” is to a qualifying activity carried on by the individual other than the care business.

(2B) In this group of sections, plant or machinery is referred to as being “in” a pool if qualifying expenditure incurred on its provision has been allocated at any time to that pool.

(3) Expressions—
   (a) which are used in CAA 2001 and in this group of sections, but
   (b) which are not otherwise defined in this Chapter,

   have the same meaning in this group of sections as in CAA 2001.

   (a) at the beginning of a relevant chargeable period of a relevant individual, there is care business expenditure which has not been allocated to a care business pool,
   (b) the individual is entitled under CAA 2001 to allocate the expenditure, or a part of it, to a care business pool for that period, and
   (c) the previous chargeable period was not a relevant chargeable period.

(2) So much of the expenditure as the individual is entitled to allocate to a care business pool for that period is to be treated for the purposes of CAA 2001 as allocated to the appropriate kind of care business pool for that period (whether or not any of it is actually so allocated).

(3) For the different kinds of pool, see section 54 of CAA 2001.

Deemed disposal event

(1) Subsection (2) applies to a care business pool for a relevant chargeable period of a relevant individual if the previous chargeable period was not a relevant chargeable period.

(2) CAA 2001 is to apply as if—
   (a) a disposal event occurs immediately after the beginning of the relevant chargeable period in respect of plant or machinery in the pool,
   (b) disposal receipts fall to be brought into account in the pool for the period because of that event, and
   (c) the total of the receipts equals the sum of amount A and amount B (or nil if there are no such amounts).

(3) Amount A is the amount of any expenditure treated as allocated to the pool for the period by virtue of section 825 (whether or not any of it is actually so allocated).

(4) Amount B is the amount of any unrelieved qualifying expenditure carried forward in the pool from the previous chargeable period.

Plant or machinery used for care business

(1) This section applies if—
   (a) disposal receipts fall to be brought into account in a pool for a relevant chargeable period by virtue of section 825A, and
(b) on the re-start date, the relevant individual still owns any of the plant or machinery which was in that pool and is still using any of it for the purposes of the care business.

(2) The re-start date is the first day of the first subsequent chargeable period which is not a relevant chargeable period.

(3) A reference in this section to the retained plant or machinery is to so much of the plant or machinery in the pool as the relevant individual—
   (a) still owns on the re-start date, and
   (b) is still using on that date for the purposes of the care business.

(4) The individual is to be treated under CAA 2001—
   (a) as having brought the retained plant or machinery into use on the re-start date for the purposes of the care business,
   (b) as having incurred capital expenditure on the provision of that plant or machinery for those purposes on that date, and
   (c) as owning that plant and machinery as a result of having incurred that expenditure.

(5) The total amount of expenditure which the individual is to be treated as having incurred (for all of the retained plant or machinery) is the smaller of—
   (a) the total market value of the retained plant or machinery on the re-start date, and
   (b) an amount equal to the disposal receipts brought into account in the pool as described in subsection (1)(a).

(6) If the individual is treated under section 13 of CAA 2001 as having incurred notional expenditure before the re-start date as a result of bringing plant or machinery in the pool into use for the purposes of another activity, the amount mentioned in subsection (5)(b) must be reduced by the total amount of that expenditure, as determined in accordance with section 825C(2).

(7) But subsection (6) does not apply if the plant or machinery which was brought into use for the purposes of another activity is the retained plant or machinery (for example, where it was brought into use only partly for the purposes of that other activity).

(8) The question whether the provision of the retained plant or machinery is to be treated as wholly or only partly for the purposes of the care business is to be determined according to whether the use referred to in subsection (3)(b) is wholly or only partly for those purposes.

(b) an amount equal to the disposal receipts brought into account in the pool as mentioned in subsection (1)(a).

(3) Subsection (2) does not apply to plant or machinery brought into use for the purposes of another activity if—

(b) this section has already applied to that plant or machinery since the disposal event.

(4) The amount mentioned in subsection (2)(b) must be reduced by the appropriate sum if some plant or machinery in the pool is brought into use for the purposes of another activity after—

(b) this section has applied to other plant or machinery in that pool since the disposal event.

RELEVANT FOREIGN INCOME CHARGED ON ARISING BASIS: DEDUCTIONS AND RELIEFS

838 Expenses attributable to collection or payment of relevant foreign income

(1) In calculating the amount of relevant foreign income to be charged to income tax for a tax year, a deduction is allowed for expenses incurred outside the United Kingdom that are attributable to the collection or payment of the income.

(2) Subsection (1) does not apply to income charged for the tax year in accordance with section 832 (relevant foreign income charged on the remittance basis).

839 Annual payments payable out of relevant foreign income

(1) In calculating the amount of relevant foreign income to be charged to income tax for a tax year, a deduction is to be allowed for an annual payment other than interest if it meets conditions A, B1 or B2 and C.

(2) Condition A is that the payment is payable out of the relevant foreign income.

(3) Condition B1 is that, had the payment arisen in the United Kingdom, it would have been chargeable to income tax under one of the following provisions:

   Chapter 10 of Part 4 (distributions from unauthorised unit trusts),
   section 579 (charge to tax on royalties and other income from intellectual property),
   Chapter 4 of Part 5 (certain telecommunication rights: non-trading income), or
   Chapter 7 of Part 5 (annual payments not otherwise charged).

(3A) Condition B2 is that, had the payment arisen in the United Kingdom it would have been—
(a) required to be brought into account under Part 5 of CTA 2009 (loan relationships) as a non-trading credit, or
(b) chargeable to corporation tax under Chapter 5 of Part 10 of that Act (distributions from unauthorised unit trusts) or Chapter 7 of that Part (annual payments not otherwise charged).

(4) Condition C is that the payment is made to a non-UK resident.

(5) Subsection (1) does not apply if—
(a) the relevant foreign income is received in the United Kingdom, or
(b) it is charged for the tax year in accordance with section 832 (relevant foreign income charged on remittance basis).

(6) ... ..................................................

840 Relief for backdated pensions charged on the arising basis

(1) This section applies if—
(a) as a result of section 575(3), 613(4) or 635(4) of ITEPA 2003 a pension or annuity or an increase in a pension or annuity is treated as relevant foreign income,
(b) the pension, annuity or increase is paid in respect of a tax year (“the earlier year”) before the tax year in which the pension, annuity or increase arose, and
(c) the income is not charged in accordance with section 832 (relevant foreign income charged on the remittance basis).

(2) If the person liable for the income tax makes a claim for relief under this section for the tax year in which the pension, annuity or increase paid in respect of the earlier year arises, that pension, annuity or increase is treated as income arising in the earlier year from a source that the person possessed in the earlier year.

(3) But subsection (2) does not affect the calculation of the full amount of the income so arising under section 575(2), 613(3) or 635(3) of ITEPA 2003 (under which the full amount of that income is to be calculated on the basis that the pension or annuity is 90% of its actual amount).

CHAPTER 4

UNREMITTABLE INCOME

841 Unremittable income: introduction

1. This Chapter applies if—
   a. a person is liable for income tax on income arising in a territory outside the United Kingdom, and
   b. the income is unremittable.

2. For the purposes of this Chapter, income is unremittable if conditions A and B are met.

3. Condition A is that the income cannot be transferred to the United Kingdom by the person who is liable for income tax in respect of the income because of—
(a) the laws of the territory where the income arises,
(b) executive action of its government, or
(c) the impossibility of obtaining there currency that could be transferred to the
United Kingdom.

(4) Condition B is that the person who is liable for income tax in respect of the income
has not realised it outside that territory for an amount in sterling or in another currency
which the person is not prevented from transferring to the United Kingdom.

(F792) (5) This Chapter does not apply to accrued income profits which a person is treated as
making under Chapter 2 of Part 12 of ITA 2007, but see sections 668 and 669 of that
Act (which make similar provision).]
(4) If an ECGD payment is made in relation to income, the income is treated, to the extent of the payment, as arising on the date on which the ECGD payment is made.

(5) The income treated as arising under subsection (3) or (4), and any tax payable in respect of it under the law of the territory where it arises, are taken into account for income tax purposes at their value at the date on which the income is treated as arising.

(6) Subsections (3) to (5) do not apply so far as the income has already been treated as arising as a result of this section.

(7) If a person who would have become liable for income tax as a result of this section has died—
   (a) the personal representatives are liable for the tax instead, and
   (b) the tax is a debt due from and payable out of the estate.

844 Income charged on withdrawal of relief after source ceases

(1) This section applies if—
   (a) income is treated as arising as a result of section 843, and
   (b) at the time it is so treated the person who would have become liable for income tax as a result of that section—
      (i) has permanently ceased to carry on the trade, profession, vocation or property business from which the income arises, or
      (ii) in the case of income from another source, has ceased to possess that source.

(2) In the case of income from a trade, profession or vocation—
   (a) the income is treated as a post-cessation receipt for the purposes of Chapter 18 of Part 2 (trading income: post-cessation receipts), but
   (b) in the application of that Chapter to that income, section 243 (extent of charge to tax) is omitted.

(3) In the case of income from a property business—
   (a) the income is treated as a post-cessation receipt from a UK property business for the purposes of Chapter 10 of Part 3 (property income: post-cessation receipts), but
   (b) in the application of that Chapter to that income, section 350 (extent of charge to tax) is omitted.

(4) In the case of income from another source, the income is taxed as if the person continued to possess that source.

845 Valuing unremittable income

(1) If no claim is made under section 842 in relation to unremittable income arising in a territory outside the United Kingdom, the amount of the income to be taken into account for income tax purposes is determined as follows.

(2) If the currency in which the income is denominated has a generally recognised market value in the United Kingdom, the amount is determined by reference to that value.

(3) In any other case, the amount is determined according to the official rate of exchange of the territory where the income arises.
PART 9
PARTNERSHIPS

Overview of Part 9
This Part contains some special rules about partnerships.

General provisions
(1) In this Act persons carrying on a trade in partnership are referred to collectively as a “firm”.

(2) The provisions of this Part [F793 which are expressed to apply to trades also apply, unless otherwise indicated (whether expressly or by implication)] —
   (a) to professions, and
   (b) in the case of this section and sections 849, 850, 857 and 858 to businesses that are not trades or professions.

(3) In those sections as applied by subsection (2)(b)—
   (a) references to a trade are references to a business, and
   (b) references to the profits of a trade are references to the income arising from a business.

Assessment of partnerships
Unless otherwise indicated (whether expressly or by implication), a firm is not to be regarded for income tax purposes as an entity separate and distinct from the partners.
Calculation of partners' shares

849 Calculation of firm’s profits or losses

(1) If—
   (a) a firm carries on a trade, and
   (b) any partner in the firm is chargeable to income tax,

   the profits or losses of the trade are calculated on the basis set out in subsection (2) or (3), as the case may require.

(2) For any period of account in which the partner is a UK resident individual, the profits or losses of the trade are calculated as if the firm were a UK resident individual.

(3) For any period of account in which the partner is non-UK resident, the profits or losses of the trade are calculated as if the firm were a non-UK resident individual.

850 Allocation of firm's profits or losses between partners

(1) For any period of account a partner's share of a profit or loss of a trade carried on by a firm is determined for income tax purposes in accordance with the firm's profit-sharing arrangements during that period.

   This is subject to sections 850A and 850B.

(2) In this section and sections 850A and 850B “profit-sharing arrangements” means the rights of the partners to share in the profits of the trade and the liabilities of the partners to share in the losses of the trade.

850A Profit-making period in which some partners have losses

(1) For any period of account, if—
   (a) the calculation under section 849 in relation to a partner (“A”) produces a profit, and
   (b) A’s share determined under section 850 is a loss,

   A’s share of the profit of the trade is neither a profit nor a loss.

(2) For any period of account, if—
   (a) the calculation under section 849 in relation to A produces a profit,
(b) A’s share determined under section 850 is a profit, and
(c) the comparable amount for at least one other partner is a loss,

A’s share of the profit of the trade is the amount produced by the formula in subsection (3).

(3) The formula is—

where—
FP is the amount of the firm's profit calculated under section 849 in relation to A,
PP is the amount determined under section 850 to be A's profit, and
TCP is the total of the comparable amounts attributed to other partners under step 3 in subsection (4) that are profits.

(4) The comparable amount for each partner other than A is determined as follows.

Step 1
Take the firm's profit calculated under section 849 in relation to A.

Step 2
Determine in accordance with the firm's profit-sharing arrangements during the relevant period of account the shares of that profit that are attributable to each of the other partners.

Step 3
Each such share is the comparable amount for the partner to whom it is attributed.

(5) In subsections (2) to (4) “partner” means any partner in the firm, whether or not chargeable to income tax.

F795 Ss. 850-850B substituted for s. 850 (with effect in accordance with s. 1329(1) of the amending Act) by Corporation Tax Act 2009 (c. 4), s. 1329(1), Sch. 1 para. 640 (with Sch. 2 Pts. 1, 2)

850B Loss-making period in which some partners have profits

(1) For any period of account, if—
(a) the calculation under section 849 in relation to a partner ("A") produces a loss, and
(b) A's share determined under section 850 is a profit,

A's share of the loss of the trade is neither a profit nor a loss.

(2) For any period of account, if—
(a) the calculation under section 849 in relation to A produces a loss,
(b) A's share determined under section 850 is a loss, and
(c) the comparable amount for at least one other partner is a profit,
A’s share of the loss of the trade is the amount produced by the formula in subsection (3).

(3) The formula is—

where—

FL is the amount of the firm's loss calculated under section 849 in relation to A,

PL is the amount determined under section 850 to be A’s loss, and

TCL is the total of the comparable amounts attributed to other partners under step 3 in subsection (4) that are losses.

(4) The comparable amount for each partner other than A is determined as follows.

Step 1

Take the firm's loss calculated under section 849 in relation to A.

Step 2

Determine in accordance with the firm's profit-sharing arrangements during the relevant period of account the shares of that loss that are attributable to each of the other partners.

Step 3

Each such share is the comparable amount for the partner to whom it is attributed.

(5) In subsections (2) to (4) “partner” means any partner in the firm, whether or not chargeable to income tax.]

851 Calculations etc. where firm has other income or losses

(1) This section applies if—

(a) sections 849 and 850 apply in relation to the profits or losses of a trade carried on by a firm, and

(b) the firm has other income or losses.

(2) Those sections also apply as if references to the profits or losses of the trade were references to the other income or losses.

Firms with trading income

852 Carrying on by partner of notional trade

(1) For each tax year in which a firm carries on a trade (the “actual trade”), each partner's share of the firm's trading profits or losses is treated, for the purposes of Chapter 15
of Part 2 (basis periods), as profits or losses of a trade carried on by the partner alone
(the “notional trade”).

(2) A partner starts to carry on a notional trade at the later of—
   (a) when becoming a partner in the firm, and
   (b) when the firm starts to carry on the actual trade.

This is subject to subsection (3).

(3) If the partner carries on the actual trade alone before the firm starts to carry it on,
the partner starts to carry on the notional trade when the partner starts to carry on the
actual trade.

(4) A partner permanently ceases to carry on a notional trade at the earlier of—
   (a) when the partner ceases to be a partner in the firm, and
   (b) when the firm permanently ceases to carry on the actual trade.

This is subject to subsections (5) and (6).

(5) If the partner carries on the actual trade alone after the firm permanently ceases to
carry it on, the partner permanently ceases to carry on the notional trade when the
partner permanently ceases to carry on the actual trade.

(6) If—
   (a) the firm carries on the actual trade wholly or partly outside the United
       Kingdom, and
   (b) the partner becomes or ceases to be UK resident,
the partner is treated as permanently ceasing to carry on one notional trade when the
change of residence occurs and starting to carry on another immediately afterwards.

(7) Subsection (6) does not prevent a loss made before the change of residence from being
[F796 deducted under section 83 of ITA 2007 from] profits arising after the change.

Textual Amendments

F796 Words in s. 852(7) substituted (6.4.2007 with effect as stated in s. 1034(1) of the amending Act) by
Income Tax Act 2007 (c. 3), ss. 1027, 1034, Sch. 1 para. 579 (with transitional provisions and savings
in Sch. 2)

853 Basis periods for partners’ notional trades

(1) The basis period of a partner’s notional trade is determined by applying the rules in
Chapter 15 of Part 2 as if—
   (a) the trade were carried on by an individual, and
   (b) its accounts were drawn up to the same dates as the accounts of the actual
       trade.

This is subject to subsection (2).

(2) If, on the assumption that the actual trade is carried on by an individual,—
   (a) section 216 (change of accounting date in later tax year) would apply in
       relation to the actual trade, but
(b) the basis period for the actual trade would be given by subsection (4) of that section (ineffective change of accounting date), because the conditions in section 217 (conditions for basis period to end with new accounting date) would not be met in relation to that trade, the accounts of the actual trade are treated for the purposes of subsection (1) as drawn up to the old accounting date.

(3) For the purposes of determining whether, on the assumption that the actual trade is carried on by an individual, the conditions in section 217 would be met in relation to that trade—

(a) a notice under section 217(2) must be given by one of the partners in the firm nominated by them for the purposes of this subsection, and

(b) any appeal under section 218(4) against a notice by \[F797\] an officer of Revenue and Customs must be made by a partner so nominated.

(4) Section 207 (treatment of business start-up payments received in overlap period) applies as a result of this section in relation to a partner's notional trade so that—

(a) the requirement in subsection (1)(a) of that section becomes a requirement that the partner's share of the firm's profits so far as attributable to a business start-up payment falls within two basis periods, and

(b) the reference in subsection (2) of that section to the payment is a reference to any part of the partner's share of the firm's profits which is so attributable.

Textual Amendments

F797 Words in s. 853(3)(b) substituted (18.4.2005) by Commissioners for Revenue and Customs Act 2005 (c. 11), ss. 50, 53(1), Sch. 4 para. 132(1); S.I. 2005/1126, art. 2(2)(b)

854 Carrying on by partner of notional business

(1) For each tax year in which a firm—

(a) carries on a trade, and

(b) has untaxed income or relievable losses from other sources, each partner's share of the firm's untaxed income or relievable losses other than trading profits or losses is treated, for the purposes of Chapter 15 of Part 2, as profits or losses of a trade carried on by the partner alone (the “notional business”).

(2) A partner starts to carry on a notional business at the later of—

(a) when becoming a partner in the firm, and

(b) when the firm starts to carry on a trade.

(3) A notional business continues even if either or both of the following occur—

(a) separate sources of income that comprise the business start and cease, and

(b) no income arises during a particular tax year.

This is subject to subsections (4) and (5).

(4) A partner permanently ceases to carry on a notional business at the earlier of—

(a) when the partner ceases to be a partner in the firm, and
(b) when the firm permanently ceases to carry on a trade.

(5) If—
  (a) the firm carries on the trade wholly or partly outside the United Kingdom, and
  (b) the partner becomes or ceases to be UK resident,
the partner is treated as permanently ceasing to carry on one notional business when the change of residence occurs and starting to carry on another immediately afterwards.

(6) In this section “untaxed income” means any income that is not—
  (a) income from which income tax has been deducted,
  (b) income from or on which income tax is treated as having been deducted or paid, or
  (c) dividends or other distributions of a company chargeable under Chapter 3 of Part 4.

855 Basis periods for partners' notional businesses

(1) The general rule is that the basis period for a partner's notional business is the same as the basis period for a partner's notional trade, but subject to the exceptions in subsections (2) and (3).

(2) If the partner carries on the actual trade alone before the firm starts to carry it on the partner is treated as starting to carry on the notional business when the partnership is set up.

(3) If the partner carries on the actual trade alone after the firm permanently ceases to carry it on the partner is treated as permanently ceasing to carry on the notional business when the firm permanently ceases to carry on the actual trade.

856 Overlap profits from partners' notional businesses

(1) This section applies if—
  (a) the basis period for a partner's notional business for a tax year is given by—
      (i) section 215 (change of accounting date in third tax year), or
      (ii) section 216(3) (change of accounting date in later tax year),
  (b) a deduction is to be made for overlap profit under section 220 in calculating the profits of the notional business of the tax year, and
  (c) the amount to be deducted exceeds the amount which would otherwise be the amount of the profits of the notional business of the tax year.

(2) This section also applies if—
  (a) the basis period for a partner's notional business for a tax year is given by section 202 (final tax year),
  (b) a deduction is to be made for overlap profit under section 205 in calculating the profits of the notional business of the tax year, and
  (c) the amount to be deducted exceeds the amount which would otherwise be the amount of the profits of the notional business of the tax year.

(3) The amount of the excess is to be deducted in calculating the partner's income for the tax year.
Firms with a foreign element

857  Partners to whom the remittance basis [F798 applies]

(1) This section applies if—
   (a) a firm carries on a trade wholly or partly outside the United Kingdom,
   (b) the control and management of the trade is outside the United Kingdom, and
   [F799(c) section 809B, 809D or 809E of ITA 2007 (remittance basis) applies to a partner for a tax year.]

(2) The partner's share of the profits of the trade arising in the United Kingdom is determined in accordance with sections 849 to 856.

(3) The partner's share of the profits of the trade arising outside the United Kingdom is treated as relevant foreign income [F800].

858  Resident partners and double taxation agreements

(1) This section applies if—
   (a) a UK resident (“the partner”) is a member of a firm which—
      (i) resides outside the United Kingdom, or
      (ii) carries on a trade the control and management of which is outside the United Kingdom, and
   [F801(b) by virtue of any arrangements having effect under section 2(1) of TIOPA 2010] (“the arrangements”) any of the income of the firm is relieved from income tax in the United Kingdom.

(2) The partner is liable to income tax on the partner's share of the income of the firm despite the arrangements.

(3) If the partner's share of the income of the firm consists of or includes a share in a qualifying distribution—
   (a) made by a UK resident company, and
   (b) chargeable to tax under Chapter 3 of Part 4, the partner (and not the firm) is, despite the arrangements, entitled to the share of the tax credit which corresponds to the partner's share of the distribution.

[F802(4) For the purposes of this section the members of a firm include any person entitled to a share of income of the firm.]
859 Special provisions about farming and property income

(1) The rule in section 9(2) (farming trades) operates in relation to firms so that—
   (a) all farming in the United Kingdom which a firm carries on, other than farming carried on as part of another trade, is treated as one trade, but

(2) Section 264 (UK property business) operates in relation to firms so that—
   (a) every business and transaction mentioned in that section carried on, or entered into, by a firm constitutes the firm's UK property business, but

(3) Section 265 (overseas property business) operates in relation to firms so that—

   (b) each business or transaction included in the firm's overseas property business is not included in any overseas property business of any partner in the firm.

860 Adjustment income

(1) A change in the persons carrying on a trade from one period of account to the next does not prevent Chapter 17 of Part 2 (adjustment income) applying in relation to the trade so long as a person carrying on the trade immediately before the change continues to carry on the trade immediately after the change.

(1A) A change in the persons carrying on a property business from one period of account to the next does not prevent Chapter 7 of Part 3 (adjustment income) applying in relation to the property business so long as a person carrying on the property business immediately before the change continues to carry on the property business immediately after the change.

(2) A change in the persons carrying on a trade does not constitute the permanent cessation of the trade for the purposes of Chapter 17 of Part 2 so long as a person carrying on the trade immediately before the change continues to carry on the trade immediately after the change.

(3) In the case of a trade carried on by a firm the amount of any adjustment under Chapter 17 of Part 2, or Chapter 7 of Part 3, is calculated as if the firm were a UK resident individual.
(4) Each partner's share of any amount of adjustment income is determined according to the firm's profit-sharing arrangements for the 12 months ending immediately before the date on which the new basis was adopted.

(5) Any election under Chapter 17 of Part 2 must be made jointly by all the persons who have been members of the firm in that 12 month period.

(6) For the purposes of this section—

(a) “adjustment income” and “change of basis” have the same meaning as in Chapter 17 of Part 2, [F806 or Chapter 7 of Part 3 (as the case requires)]

(b) “profit-sharing arrangements” means the rights of the partners to share in the profits of the trade [F807 or property business (as the case requires)], and

(c) references to the date on which a new basis was adopted are to the first day of the first period of account for which the new basis was adopted.

(7) Sections 849 to 856 do not apply so far as this section applies.

(b) deals with supplementary matters including general definitions (see Chapter 3).

CHAPTER 2

GENERAL CALCULATION RULES ETC.

Unpaid remuneration

Unpaid remuneration: non-trades and non-property businesses

(1) This section applies if, in calculating profits or other income of a period of account for income tax purposes—
   (a) an amount is charged in the accounts for the period in respect of employees' remuneration, and
   (b) a deduction for the remuneration would otherwise be allowable for the period.

(2) For this purpose “profits or other income” does not include the profits of—
   (a) a trade, profession or vocation, or
   (b) a property business,
   but see subsection (6).

(3) No deduction is allowed for the remuneration for the period of account unless it is paid before the end of the period of 9 months immediately following the end of the period of account.

(4) If the remuneration is paid after the end of that 9 month period, a deduction for it is allowed for the period of account in which it is paid.

(5) Section 37 (supplementary provision) applies for the purposes of this section as it applies for the purposes of section 36 (unpaid remuneration: trades, professions and vocations).

(6) Provision corresponding to that made by this section is made by—
   (a) sections 36 and 37 (in relation to trades, professions and vocations), and
   (b) section 272 (in relation to property businesses).
Employee benefit contributions

866 Employee benefit contributions: non-trades and non-property businesses

(1) This section applies if, in calculating a person's profits or other income of a period for income tax purposes—
   (a) the profits or other income of the period are required to be calculated for those purposes, and
   (b) a deduction would otherwise be allowable for the period for any employee benefit contributions made or to be made by the person ("the employer") (but see subsection (5)).

(2) For this purpose “profits or other income” does not include the profits of—
   (a) a trade, profession or vocation, or
   (b) a property business,
   but see subsection (7).

(3) No deduction is allowed for the contributions for the period except so far as—
   (a) qualifying benefits are provided, or qualifying expenses are paid, out of the contributions during the period or within 9 months from the end of it, or
   (b) if the making of the contributions is itself the provision of qualifying benefits, the contributions are made during the period or within 9 months from the end of it.

(4) An amount disallowed under subsection (3) is allowed as a deduction for a subsequent period so far as—
   (a) qualifying benefits are provided out of the contributions before the end of the subsequent period, or

   is prohibited by the general rule if (and only if) the sums are paid, or put at the employee's disposal, exclusively for meeting expenses incurred or to be incurred by the employee in providing the entertainment or gift.

(5) The general rule is subject to—
   section 46 (business entertainment: exceptions), and
   section 47 (business gifts: exceptions),
   which apply in relation to a business as they apply in relation to a trade (but as if the reference to a basis period were to a tax year).

PART 1

GENERAL PROVISIONS

Continuity of the law: general

1 The repeal of provisions and their enactment in a rewritten form by this Act does not affect the continuity of the law.

2 Paragraph 1 does not apply to any change made by this Act in the effect of the law.

3 Any subordinate legislation or other thing which—
   (a) has been made or done, or has effect as if made or done, under or for the purposes of a superseded enactment so far as it applied for relevant tax purposes, and
   (b) is in force or effective immediately before the commencement of the corresponding rewritten provision,
   has effect after that commencement as if made or done under or for the purposes of the rewritten provision.

4 (1) Any reference (express or implied) in this Act, another enactment or an instrument or document to a rewritten provision is to be read as including, in relation to times, circumstances or purposes in relation to which any corresponding superseded enactment had effect for relevant tax purposes, a reference to the superseded enactment so far as applying for those relevant tax purposes.

   (2) In particular, any reference (express or implied) in this Act, another enactment or an instrument or document to—
      (a) the profits of a UK property business,
      (b) relevant foreign income, or
      (c) similar concepts created by this Act,
   is to be read as including, in relation to times, circumstances or purposes in relation to which any corresponding concept in a superseded enactment had effect for income tax purposes, a reference to that concept so far as applying for income tax purposes.

   (3) Any reference (express or implied) in this Act, another enactment or an instrument or document to—
      (a) things done under or for the purposes of a rewritten provision, or
      (b) things falling to be done under or for the purposes of a rewritten provision,
   is to be read as including, in relation to times, circumstances or purposes in relation to which any corresponding superseded enactment had effect for relevant tax purposes, a reference to things done or failing to be done under or for the purposes of the superseded enactment so far as applying for those relevant tax purposes.

5 (1) Any reference (express or implied) in any enactment, instrument or document to a superseded enactment in its application for relevant tax purposes is to be read, so far as is required for those relevant tax purposes, as including, in relation to times, circumstances or purposes in relation to which any corresponding rewritten provision has effect, a reference to the rewritten provision.
(2) In particular, any reference (express or implied) in any enactment, instrument or document to Schedule A, D or F or the Cases of Schedule D in their application for income tax purposes is to be read, so far as is required for income tax purposes, as including, in relation to times, circumstances or purposes in relation to which any corresponding rewritten concept has effect, a reference to the rewritten concept.

(3) Any reference (express or implied) in any enactment, instrument or document to—
   (a) things done under or for the purposes of a superseded enactment in its application for relevant tax purposes, or
   (b) things falling to be done under or for the purposes of a superseded enactment in its application for relevant tax purposes,

is to be read, so far as is required for those relevant tax purposes, as including, in relation to times, circumstances or purposes in relation to which any corresponding rewritten provision has effect, a reference to things done or falling to be done under or for the purposes of the rewritten provision.

6 (1) Paragraphs 1 to 5 have effect instead of section 17(2) of the Interpretation Act 1978 (c. 30) (but are without prejudice to any other provision of that Act).

   (2) Paragraphs 4 and 5 apply only so far as the context permits.

General saving for old transitional provisions and savings

7 (1) The repeal by this Act of a transitional or saving provision relating to the coming into force of a provision rewritten in this Act does not affect the operation of the transitional or saving provision, so far as it is not specifically rewritten in this Act but remains capable of having effect in relation to the corresponding provision of this Act.

   (2) The repeal by this Act of an enactment previously repealed subject to savings does not affect the continued operation of those savings.

   (3) The repeal by this Act of a saving on the previous repeal of an enactment does not affect the operation of the saving so far as it is not specifically rewritten in this Act but remains capable of having effect.

General saving for section 9(5) of ICTA

8 (1) Sub-paragraph (2) applies if—
   (a) as a result of this Act, an enactment which applies to both income tax and corporation tax (“the original enactment”) has become an enactment which applies to income tax and an enactment which applies to corporation tax (“the successor enactments”),
   (b) immediately before 6th April 2005, section 9(5) of ICTA (taxes treated as one in certain circumstances) had effect in relation to the original enactment, and
   (c) no express provision is made by this Act to preserve this effect.

   (2) The successor enactments are not to be affected in their operation by the fact that income tax and corporation tax are distinct taxes but they are to apply in relation to income tax and corporation tax as if they were one tax so far as is—
   (a) consistent with the Corporation Tax Acts, and
   (b) required to preserve the effect of section 9(5) of ICTA,
and the successor enactments are to be read accordingly.

**Partnerships involving companies**

9 (1) References in this Act to any person are to be read, in the case of a person acting in partnership with other persons of whom at least one is a company chargeable to corporation tax, as references to all the partners so far as is required for the purposes of preserving the continuity of the law.

(2) References to a company or other person in any provision amended in its application for corporation tax purposes by this Act are to be read, in the case of a company acting in partnership with other persons of whom at least one is not a company, as references to all the partners so far as is required for the purposes of preserving the continuity of the law.

**Interpretation**

10 (1) In this Part—

“enactment” includes an enactment comprised in subordinate legislation (within the meaning of the Interpretation Act 1978 (c. 30)),

“relevant tax purposes” means, in relation to a superseded enactment, tax purposes for which the enactment has been rewritten by this Act, and

“superseded enactment” means an earlier enactment which has been rewritten by this Act for certain tax purposes (whether it applied only for those purposes or for those and other tax purposes).

(2) References in this Part to the repeal of a provision include references to its revocation and to its express or implied disapplication for income tax purposes of this Act.

(3) References in this Part to tax purposes are not limited to income tax purposes.

**PART 2**

(a) a thing is done or an event occurs before 6th April 2005, and

(b) because of a change in the law made by this Act, the tax consequences of that thing or event for the relevant period are different from what they would otherwise have been.

(2) If that person so elects, this Act applies with such modifications as may be necessary to secure that the tax consequences for the relevant period are the same as they would have been if the change in the law had not been made.

(3) In sub-paragraphs (1) and (2) “the relevant period” means—

(a) for income tax purposes, any period of account beginning before and ending on or after 6th April 2005, and

(b) for corporation tax purposes, any accounting period beginning before and ending on or after 6th April 2005.
(4) If this paragraph applies in the case of two or more persons in relation to the same thing or event, an election made under this paragraph by any one of those persons is of no effect unless a corresponding election is made by the other or each of the others.

(5) An election under this paragraph must be made—
   (a) for income tax purposes, on or before the first anniversary of the normal self-assessment filing date for the tax year in which the period of account ends, and
   (b) for corporation tax purposes, no later than two years after the end of the accounting period.

(3) In relation to a period of account ending on or after 27th November 2002, an amount charged in the accounts in respect of employees' remuneration includes an amount—

14 (1) In relation to any time before the coming into force of ITEPA 2003—

   (b) section 41(1) applies as if for “treated as received” to the end there were substituted “treated as received for the purposes of section 202A(1)(a) of ICTA (applying the rules in section 202B(1) to (6) of that Act (receipts basis of assessment for Schedule E)).”, and
   (c) section 41(3) applies as if for “tax under ITEPA 2003” there were substituted “income tax under Schedule E”.

(2) The express provision made by this paragraph does not affect the construction of other provisions of this Act as a result of the operation of paragraph 5 of this Schedule on paragraph 4 of Schedule 7 to ITEPA 2003 (references in enactment to rewritten
provisions include corresponding repealed provisions) or on any similar provision (for example paragraph 4 of Schedule 3 to CAA 2001).

15 (1) Subject to sub-paragraph (7), sections 38 to 44 apply before 6th April 2006 with the following amendments.

(2) In section 38(4)—

Crime-related payments

18 Section 55(1)(b) does not apply to expenditure which was incurred before 1st April 2002.
Tenants under taxed leases

19 (1) This paragraph relates to the operation of sections 60 to 67 where, in respect of a lease—
   (a) there is a receipt of a Schedule A business or an overseas property business (within the meaning of section 65A(4) or 70A(4) of ICTA) as a result of section 34 or 35 of ICTA (treatment of premiums etc. as rent and assignments for profit of lease granted at an undervalue) for a tax year before the tax year 2005-06 or an accounting period ending before 6th April 2005, or
   (b) there would be such a receipt, but for the operation of section 37(2) or (3) of ICTA (reductions in certain receipts under section 34 or 35 of ICTA).

In this paragraph and paragraph 20 such a receipt is referred to as a “pre-commencement receipt”.

(2) For the purposes of sections 60 to 67—
   (a) the lease is treated as a taxed lease, and
   (b) the pre-commencement receipt is treated as a taxed receipt.

(3) For the purposes of those sections, the “receipt period” of a taxed receipt which is a pre-commencement receipt is—
   (a) in the case of a pre-commencement receipt as a result of section 34 of ICTA, the period treated in calculating the amount of the receipt as being the duration of the lease, and
   (b) in the case of a pre-commencement receipt as a result of section 35 of ICTA, the period treated in calculating the amount of the receipt as being the duration of the lease remaining at the date of the assignment.

(4) For the purposes of sections 60 to 67 the “unreduced amount” of a taxed receipt which is a pre-commencement receipt is the amount of the pre-commencement receipt as a result of section 34 or 35 of ICTA, before the operation of section 37(2) or (3) of ICTA.

(5) Sub-paragraph (6) applies to a taxed receipt which is a pre-commencement receipt arising as a result of section 34(2) of ICTA (obligation on tenant to carry out work under lease).

(6) If the obligation to carry out work included the carrying out of work which gave or will give rise to expenditure for which an allowance has been, or may be, made under the enactments relating to capital allowances, the unreduced amount of the taxed receipt is calculated as if the obligation had not included the carrying out of that work.

20 (1) This paragraph provides for the application of section 61 as a result of section 63 if—
   (a) a lease is a taxed lease as a result of paragraph 19,
   (b) another lease is granted out of the taxed lease,
   (c) in calculating the amount of a pre-commencement receipt in respect of the other lease, there is a reduction under section 37(2) or (3) of ICTA by reference to the amount chargeable on the superior interest for the purposes of that section, and
   (d) as a result of paragraph 19 the amount chargeable on the superior interest is the taxed receipt for the purposes of section 61.

(2) Sections 61 to 65 apply as follows—
(a) the pre-commencement receipt is treated as if it were a lease premium receipt for the purposes of sections 64 and 65,

(b) references in those sections to the reduction under section 288 by reference to the taxed receipt are, in relation to the pre-commencement receipt, to the reduction under section 37(2) or (3) of ICTA by reference to the amount chargeable on the superior interest, and

(c) for the purposes of those sections the receipt period of the pre-commencement receipt is—

(i) in the case of a pre-commencement receipt as a result of section 34 of ICTA, the period treated in calculating the amount of the receipt as being the duration of the lease, and

(ii) in the case of a pre-commencement receipt as a result of section 35 of ICTA, the period treated in calculating the amount of the receipt as being the duration of the lease remaining at the date of the assignment.

(3) References to a reduction under section 37(2) or (3) of ICTA in a pre-commencement receipt by reference to the amount chargeable on the superior interest are to the difference between—

(a) the amount of the pre-commencement receipt before the operation of section 37(2) or (3) of ICTA, and

(b) the amount of the receipt after the operation of that subsection, so far as attributable to the amount chargeable on the superior interest for the purposes of section 37 of ICTA.

Seconded employees

21 (1) This paragraph applies if—

(a) the period of account of a trade begins before 1st April 2003 and ends on or after 6th April 2005, and

(b) in that period of account the person carrying on the trade made the services of a person employed for the purposes of the trade available to a self-governing school within the meaning of the Self-Governing Schools etc. (Scotland) Act 1989 (c. 39) on a basis that was stated and intended to be temporary.

(2) For the purposes of section 70 an “educational establishment”, in Scotland, includes such a school (despite the fact that, following the abolition of such schools on 1st April 2003, section 86(5)(d) of ICTA is not re-written in this Act).

(3) This paragraph applies to professions and vocations as it applies to trades.

Training courses for employees

22 (1) This paragraph applies if, without the modifications to section 588 of ICTA (training courses for employees) made by this Act—

(a) section 588(5) of ICTA would operate in relation to an employee by virtue of paragraph (a) of that provision and paragraph 37 of Schedule 7 to ITEPA 2003 (savings in relation to tax years before 2003-04),

(b) section 588(5) of ICTA would operate in relation to an employer by virtue of paragraph (b) of that provision and paragraph 37 of Schedule 7 to ITEPA 2003, or

(3) Sub-paragraph (4) applies if—

PART 11

FOREIGN INCOME: SPECIAL RULES

Relevant foreign income charged on remittance basis: income arising before the tax year 2005-06

Textual Amendments

F1089 Sch. 2 para. 150 omitted (with effect in accordance with Sch. 7 para. 81 of the amending Act) by virtue of Finance Act 2008 (c. 9), Sch. 7 para. 72

Relevant foreign income charged on remittance basis: delayed remittances
Relief for backdated pensions charged on arising basis

152 The fact that the earlier year referred to in subsections (1)(b) and (2) of section 840 (relief for backdated pensions charged on the arising basis) is a tax year before 2005-06 does not prevent—

(a) a claim being made under that section, or

(b) such adjustments (by way of repayment of tax, assessment or otherwise) as are necessary to give effect to that section being made as respects such a tax year.

Unremittable income that arose before the tax year 2005-06

153 (1) A claim may be made under section 842 (claim for relief on unremittable income) for the tax year 2005-06 or any later tax year, despite the income having arisen in a tax year before 2005-06.

(2) Without prejudice to paragraph 4 of this Schedule, section 843 (withdrawal of relief) applies for the tax year 2005-06 or any later tax year, despite the income having arisen originally in a tax year before the tax year 2005-06 (whether the claim in respect of it was made under section 584 of ICTA (relief for unremittable overseas income) or section 842 of this Act).

Unpaid remuneration: non-trades and non-property businesses

154 (1) This paragraph applies for the purposes of section 865.

(2) In relation to a period of account ending before 27th November 2002, an amount charged in the accounts in respect of employees' remuneration includes an amount which is held by an intermediary with a view to its becoming employees' remuneration.

(3) In relation to a period of account ending on or after 27th November 2002, an amount charged in the accounts in respect of employees' remuneration includes an amount—
(a) in respect of employee benefit contributions (within the meaning of sections 38 to 44) made before that date, and

(b) which is held by an intermediary,

with a view to its becoming employees’ remuneration.

Employee benefit contributions: non-trades and non-property businesses

Section 866 does not apply to deductions that would otherwise be allowed—

(a) for a period ending before 27th November 2002, or

(b) in respect of employee benefit contributions made before that date.

(1) Subject to sub-paragraph (3), section 866 applies before 6th April 2006 with the following amendment.

(2) In subsection (5)—

(a) for paragraphs (b) and (c) and the word “or” at the end of paragraph (c) substitute—

“(b) contributions under a retirement benefits scheme within the meaning of Chapter 1 of Part 14 of ICTA (see section 611 of that Act),

(c) contributions under a personal pension scheme approved under Chapter 4 of that Part (see section 630 of that Act), or”, and

(b) omit “For the purposes of paragraph (c)” to the end.

(3) The power of the Treasury to make an order under section 281 or 283 of FA 2004 has effect as if Schedule 35 to that Act contained an amendment substituting section 866(5) of this Act for that subsection as amended by sub-paragraph (2) above.

Crime-related payments: non-trades and non-property businesses

Section 870(2)(b) does not apply to expenditure which was incurred before 1st April 2002.

Apportionment of miscellaneous profits or losses to tax years before tax year 2005-06

(1) This paragraph applies if—

(a) a relevant period of account begins before 6th April 2005 and ends on or after that date, and

(b) in order to arrive at the profits or losses of a tax year before the tax year 2005-06 it is necessary to apportion the profits or losses of the relevant period of account to any part of that period falling in a tax year before the tax year 2005-06.

(2) A period of account is a “relevant period of account” if—

(a) section 871 applies to the period of account, and

(b) the profits or losses of the part of the period of account falling in the tax year 2005-06 are calculated in accordance with this Act.

(3) The profits or losses of the relevant period of account—

(a) are calculated in accordance with this Act (and therefore, to that extent, this Act has effect for tax years before the tax year 2005-06), and
(b) may be apportioned in accordance with section 871 to any part of the period of account falling in a tax year before the tax year 2005-06.

**General deduction rules**

159 Neither—

(a) the inclusion of rules in section 582 for calculating income chargeable to tax under section 579, nor

(b) the inclusion of rules in sections 612 and 617(3) to (6) for calculating income chargeable to tax under Chapter 3 or 4 of Part 5,

prevents the continued operation of similar rules of law in relation to the calculation of other income (including profits) chargeable to tax under other provisions of this Act.

**Section 820 of ICTA**

160 Section 820 of ICTA (application of Income Tax Acts from year to year) applies to this Act as if this Act were in force on the day before 6th April 2005.
