82 **Change of accounting practice: deferment of transitional adjustments**

- (1) This section applies where—
 - (a) a company enters into a transaction on or after 14th December 2004, otherwise than in the ordinary course of its business,
 - (b) as a result of the transaction it incurs a loss in respect of a loan relationship or derivative contract in respect of which, apart from this section, a debit would fall to be brought into account for tax purposes in a period of account beginning before 1st January 2005,

Status: Point in time view as at 26/03/2015.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)

- (c) the sole or main purpose of the company in entering into the transaction at the time it did was to enable it to bring a debit into account for tax purposes in such a period, and
 - (d) if the company had continued to hold the asset or liability representing the loan relationship or derivative contract, as it was held immediately before the transaction referred to in paragraph (a), in its first period of account beginning on or after 1st January 2005, a debit would have arisen in respect of the loan relationship or derivative contract in that period that was a prescribed debit for the purposes of regulation 3 of the Loan Relationship and Derivative Contracts (Change of Accounting Practice) Regulations 2004 (S.I. 2004/3271) (debits not to be brought into account until the company's first period beginning on or after 1st January 2006).
- (2) Where this section applies no such debit as is mentioned in subsection (1)(b) shall be brought into account in the period of account mentioned there, but a debit of the same amount shall instead be brought into account as if it were a prescribed debit for the purposes of the regulation referred to in subsection (1)(d) (even though the loss giving rise to the debit was incurred before 1st January 2005).
- (3) In determining the sole or main purpose of a company for the purposes of subsection (1)(c) regard shall be had to anything done by a connected company that would be relevant for the purposes of that determination if done by the company in question.
- For this purpose companies are connected if they are connected persons within the meaning of section 839 of ICTA.
- (4) For the purposes of subsection (1)(d) it shall be assumed that the loan relationship or derivative contract has the same value at the beginning of the company's first period of account beginning on or after 1st January 2005 as it had at the time of the transaction referred to in subsection (1)(a).
- (5) This section does not apply where the transaction is entered into in pursuance of legally binding arrangements entered into before 14th December 2004.
- (6) In this section, references to a company entering into a transaction include a reference to the company, or the directors of the company, taking a decision about a loan relationship or derivative contract that affects its treatment for accounting purposes (other than a decision to prepare some or all of the company's accounts in accordance with international accounting standards).

83 Application of accounting standards to securitisation companies

 - (ii) acting as guarantor in respect of loan relationships, derivative contracts, finance leases or other liabilities of other companies where the whole, or substantially the whole, of the company's rights in respect of the guarantee (including any right of subrogation) form the whole or part of the security for the capital market arrangement.]
- (4) An “asset-holding company” means a company—

 - (b) of itself becoming an asset-holding or note-issuing company.
- (7) A “commercial paper funded company” means—

CHAPTER 3

- (2) In this section “disadvantaged area” means—
- (a) an area designated as a disadvantaged area for the purposes of this section by regulations made by the Treasury, or

- (a) situated partly in a disadvantaged area and partly outside it, only so much of the expenditure incurred in accordance with section 360B as, on a just and reasonable apportionment, is attributable to the part of the building or structure located in the disadvantaged area is to be treated as qualifying expenditure.
- (7) The Treasury may by regulations make further provision as to the circumstances in which a building or structure or part of a building or structure is, or is not, a qualifying building.

Status: Point in time view as at 26/03/2015.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)

- (4) The Treasury may by regulations make further provision as to the circumstances in which premises are, or are not, qualifying business premises.

CHAPTER 4

THE RELEVANT INTEREST IN THE QUALIFYING BUILDING

General rule as to what is the relevant interest

- 360E) The relevant interest in a qualifying building in relation to any qualifying expenditure is the interest in the qualifying building to which the person who incurred the qualifying expenditure was entitled when it was incurred.
- (2) Subsection (1) is subject to the following provisions of this Chapter and to section 360Z3 (provisions applying on termination of lease).
- (3) If—
- (a) the person who incurred the qualifying expenditure was entitled to more than one interest in the qualifying building when the expenditure was incurred, and
 - (b) one of those interests was reversionary on all the others,
- the reversionary interest is the relevant interest in the qualifying building.
- (4) An interest does not cease to be the relevant interest merely because of the creation of a lease or other interest to which that interest is subject.
- (5) If—
- (a) the relevant interest is a leasehold interest, and

Status: Point in time view as at 26/03/2015.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)

- (b) that interest is extinguished on the person entitled to it acquiring the interest which is reversionary on it,
 the interest into which the leasehold interest merges becomes the relevant interest when the leasehold interest is extinguished.

Interest acquired on completion of conversion

- 360F For the purposes of determining the relevant interest in a qualifying building, a person who—
- (a) incurs expenditure on the conversion of a qualifying building into qualifying business premises, and
 - (b) is entitled to an interest in the qualifying building on or as a result of the completion of the conversion,
- is treated as having had that interest when the expenditure was incurred.

CHAPTER 5

INITIAL ALLOWANCES

Initial allowances

- 360G A person who has incurred qualifying expenditure in respect of any qualifying building is entitled to an initial allowance in respect of the expenditure.
- (2) The amount of the initial allowance is 100% of the qualifying expenditure.
 - (3) A person claiming an initial allowance under this section may require the allowance to be reduced to a specified amount.
 - (4) The initial allowance is made for the chargeable period in which the qualifying expenditure is incurred.

Premises not qualifying business premises or relevant interest sold before premises first used or let

- 360H No initial allowance is to be made under section 360G if, at the relevant time, the qualifying building does not constitute qualifying business premises.
- (2) An initial allowance which has been made in respect of a qualifying building which is to be qualifying business premises is to be withdrawn if—
 - (a) the qualifying building does not constitute qualifying business premises at the relevant time, or
 - (b) the person to whom the allowance was made has sold the relevant interest in the qualifying building before the relevant time.
 - (3) All such assessments and adjustments of assessments are to be made as are necessary to give effect to this section.
 - (4) In this section “the relevant time” means the time when the premises are first used by the person with the relevant interest or, if they are not so used,

Status: Point in time view as at 26/03/2015.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)

CHAPTER 6

WRITING-DOWN ALLOWANCES

Entitlement to writing-down allowances

- 360I) A person is entitled to a writing-down allowance for a chargeable period if he has incurred qualifying expenditure in respect of a qualifying building and, at the end of the chargeable period—
- (a) the person is entitled to the relevant interest in the qualifying building,
 - (b) the person has not granted a long lease of the qualifying building out of the relevant interest in consideration of the payment of a capital sum, and
 - (c) the qualifying building constitutes qualifying business premises.
- (2) In subsection (1)(b) “long lease” means a lease the duration of which exceeds 50 years.
- (3) Whether the duration of a lease exceeds 50 years is to be determined—
- (a) in accordance with section 303 of ITTOIA 2005, and
 - (b) without regard to section 360Z3(3) of this Act (new lease granted as a result of the exercise of an option treated as continuation of old lease).
- (4) A person claiming a writing-down allowance may require the allowance to be reduced to a specified amount.

Amount of allowance

- 360J) The writing-down allowance for a chargeable period is 25% of the qualifying expenditure.
- (2) The allowance is proportionately increased or reduced if the chargeable period is more or less than a year.
- (3) The amount of the writing-down allowance for a chargeable period is limited to the residue of qualifying expenditure.
- (4) For this purpose the residue is ascertained immediately before writing off the writing-down allowance at the end of the chargeable period.

Meaning of “the residue of qualifying expenditure”

- 360K The residue of qualifying expenditure is the qualifying expenditure that has not yet been written off in accordance with Chapter 9.

Status: Point in time view as at 26/03/2015.
Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)

CHAPTER 7

GRANTS IN RESPECT OF QUALIFYING EXPENDITURE

- 360(1) No initial allowance or writing-down allowance under this Part is to be made in respect of expenditure to the extent that it is taken into account for the purposes of a relevant grant or relevant payment made towards that expenditure.
- (2) A grant or payment is relevant if it is—
- (a) a notified State aid other than an allowance under this Part, or
 - (b) a grant or subsidy, other than a notified State aid, which the Treasury by order declares to be relevant for the purposes of the withholding of initial allowances or writing-down allowances.
- (3) For the purposes of subsection (2), “notified State aid” means a State aid notified to and approved by the European Commission.
- (4) If a relevant grant or relevant payment towards the expenditure is made after the making of an initial allowance or a writing-down allowance, the allowance is to be withdrawn to that extent.
- (5) If the amount of the relevant grant or relevant payment is repaid by the grantee to the grantor, in whole or in part, the grant or payment is treated, to that extent, as never having been made.
- (6) All such assessments and adjustments of assessments are to be made as are necessary to give effect to subsection (4) or (5).
- (7) Any such assessment or adjustment is not out of time if it is made within 3 years of the end of the chargeable period in which the grant, payment or adjustment was made.

CHAPTER 8

When balancing adjustments are made

- 360(1) A balancing adjustment is made if—

- (3) In Item 2 of the Table “the commercial premium” means the premium that would have been given if the transaction had been at arm's length.

Calculation of balancing adjustments

360(P) A balancing allowance is made if—

- (a) there are no proceeds from the balancing event, or
 - (b) the proceeds from the balancing event are less than the residue of qualifying expenditure immediately before the event.
- (2) The amount of the balancing allowance is the amount of—
- (a) the residue (if there are no proceeds);
 - (b) the difference (if the proceeds are less than the residue).
- (3) A balancing charge is made if the proceeds from the balancing event are more than the residue, if any, of qualifying expenditure immediately before the event.
- (4) The amount of the balancing charge is the amount of—
- (a) the difference, or
 - (b) the proceeds (if the residue is nil).
- (5) The amount of a balancing charge made on a person must not exceed the total amount of—
- (a) any initial allowances made to the person in respect of the expenditure, and
 - (b) any writing-down allowances made to the person in respect of the expenditure for chargeable periods ending on or before the date of the balancing event giving rise to the balancing adjustment.

CHAPTER 9

WRITING OFF QUALIFYING EXPENDITURE

Introduction

360Q For the purposes of this Part qualifying expenditure is written off to the extent and at the times specified in this Chapter.

Status: Point in time view as at 26/03/2015.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)

Writing off initial allowances and writing-down allowances

- 360R) If an initial allowance is made in respect of the qualifying expenditure, the amount of the allowance is written off at the time when the qualifying business premises are first used, or suitable for letting for use, for either of the purposes mentioned in section 360D(1)(b).
- (2) If a writing-down allowance is made in respect of the qualifying expenditure, the amount of the allowance is written off at the end of the chargeable period for which the allowance is made.
- (3) If a balancing event occurs at the end of the chargeable period referred to in subsection (2), the amount written off under that subsection is to be taken into account in calculating the residue of qualifying expenditure immediately before the event to determine what balancing adjustment (if any) is to be made.

Treatment of demolition costs

- 360S) This section applies if—
- (a) a qualifying building is demolished, and
 - (b) the person who incurred the qualifying expenditure incurs the cost of the demolition.
- (2) The net cost of the demolition is added to the residue of qualifying expenditure immediately before the demolition.
- (3) “The net cost of the demolition” means the amount, if any, by which the cost of the demolition exceeds any money received for the remains of the qualifying building.

(2) No balancing allowance is to be made as a result of the event.

Status: Point in time view as at 26/03/2015.

12 In Schedule 28 (authorised pensions), after paragraph 2 insert—

“2A (1) Where this paragraph applies in relation to a pension payable to the member, the pension scheme is to be treated as making an unauthorised payment to the member of the appropriate amount.

(2) This paragraph applies to a pension if it fails to satisfy the condition in sub-paragraph (3) of paragraph 2—

- (a) by reason of not complying with paragraph (a) of that sub-paragraph, or
- (b) by reason of not complying with paragraph (b) of that sub-paragraph because a substantial reduction occurs in the rate of the pension,

(3) For the purposes of sub-paragraph (2)(b) a substantial reduction occurs in the rate of a pension if the rate at which the pension is payable at any time during any relevant 12 month period (within the meaning of paragraph 2(7)) is less than 80% of the rate payable when the member became entitled to the pension.

(4) For the purposes of sub-paragraph (2) “avoidance arrangements” includes schemes, arrangements and understandings of any kind (whether or not legally enforceable) the main purpose, or one of the main purposes, of which is to increase the member's entitlement to a lump sum on which there is no liability to income tax.

(5) “The appropriate amount”, in relation to the pension, is the amount of any lump sum on which there is no liability to tax to which the member became entitled in connection with the pension.

(6) Once this paragraph has applied in relation to the pension, it does not apply in relation to it again.

(7) The application of this paragraph in relation to the pension does not prevent any payments of the pension themselves being unauthorised member payments.”

- 28 In Schedule 28 (authorised pensions), after paragraph 16 insert—
- “16A (1) Paragraphs 16B and 16C apply where—
- (a) the member dies after 5th April 2006,
 - (b) he has reached the age of 75 before his death, and
 - (c) at the time of his death he is actually or prospectively entitled to one or more scheme pensions under the pension scheme.
- (2) References in this paragraph and paragraph 16B to a scheme pension include a pension payable before 6th April 2006 which would be a scheme pension if payable after that date.
- 16B (1) Where a pension is payable under the pension scheme to a dependant of the member in the period of 12 months beginning with the date of the member's death (“the post-death year”), so much of the pension as exceeds the initial member pension limit is not a dependants' scheme pension.
- (2) But if—
- (a) more than one pension is so payable to one of the dependants of the member in the post-death year, or
 - (b) pensions are so payable to more than one dependant of the member in the post-death year,
- (or both), so much of any of the pensions as exceeds the appropriate portion of the initial member pension limit is not a dependants' scheme pension.
- (3) The “initial member pension limit” is (subject to sub-paragraph (4)) the sum of—
- (a) the aggregate of the amounts of the scheme pensions to which the member is actually entitled under the pension scheme immediately before his death payable to the member in the period of 12 months ending with the date of his death (“the pre-death year”),
 - (b) the aggregate of the amounts of the scheme pensions to which the member is prospectively entitled under the pension scheme at that time which would have been so payable if he had been actually entitled to the pensions throughout the pre-death year, and
 - (c) 5% of the aggregate of the amounts of the lump sums on which there is no liability to income tax to which the member has become entitled in connection with scheme pensions under the pension scheme before his death.

Status: Point in time view as at 26/03/2015.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2005. (See end of Document for details)

- (4) But if the member became (actually) entitled to a scheme pension under the pension scheme during the pre-death year, sub-paragraph (3)(a) has effect as if the amount of that scheme pension which was payable to the member under the pension scheme in the pre-death year were the amount which would have been payable to him in the period of 12 months beginning with the date on which he became entitled to it had he not died.
- (5) The “appropriate portion” of the initial member pension limit, in relation to any pension payable under the pension scheme to a dependant of the member in the post-death year, is—

$$\frac{P}{AP}$$

where—

P is the amount of that pension payable in the post-death year, and

AP is the aggregate of the amounts of each of the pensions payable under the pension scheme to dependants of the member in the post-death year.

- 16C (1) Where a pension is payable under the pension scheme to a dependant of the member, otherwise than in excepted circumstances, in—
- (a) the period of 12 months beginning with the end of the post-death year, or
 - (b) any succeeding period of 12 months,
- (“the 12 months in question”), so much of the pension as exceeds the current member pension limit is not a dependants' scheme pension.
- (2) But if—
- (a) more than one pension is so payable to one of the dependants in the 12 months in question, or
 - (b) pensions are so payable to more than one dependant of the member in the 12 months in question,
- (or both), so much of any of the pensions as exceeds the appropriate portion of the current member pension limit is not a dependants' scheme pension.
- (3) “Excepted circumstances” means—
- (a) that at the beginning of the period of 12 months in question there are at least 50 pensioner members of the pension scheme, and
 - (b) that the condition in subsection (4) is met.
- (4) The condition in this subsection is met if —
- (a) the difference between CYP and PYP in the case of each relevant existing pension is the same amount,
 - (b) the difference between CYP and PYP in the case of each relevant existing pension is the same percentage of PYP, or
 - (c) in the case of each relevant existing pension the difference between CYP and PYP is the aggregate of a percentage of PYP

and an amount which are both the same as those the aggregate of which make up the difference between CYP and PYP in the case of each other relevant existing pension.

(5) In this section—

“relevant existing pension” means a pension payable to any dependant of any member under the pension scheme throughout the 12 months in question and the immediately preceding period of 12 months,

“CYP”, in relation to a relevant existing pension, is the current year pension, that is the amount of the pension payable in the 12 months in question, and

“PYP”, in relation to a relevant existing pension, is the previous year pension, that is the amount of the pension payable in the immediately preceding period of 12 months.

(6) The “current member pension limit”, in relation to the 12 month period in question, is the initial member pension limit increased by the aggregate of—

- (a) the permitted margin, and
- (b) the excepted circumstances amount.

(7) The “permitted margin” is the amount by which the initial member pension limit would be greater if it had been increased by whichever of calculation A and calculation B gives the greater amount.

(8) Calculation A involves increasing the initial member pension limit by the relevant annual percentage rate for the whole of the period—

- (a) beginning with the first month beginning after the end of the post-death year (“the opening month”), and
- (b) ending with the first month of the 12 months in question (“the closing month”).

- (a) if the relevant valuation factor in relation to the pension scheme is a number greater than 20, the annual rate agreed by the Inland Revenue and the scheme administrator, and
- (b) otherwise, 5% per annum.

(10) Calculation B involves increasing the initial member pension limit by the relevant indexation percentage.

(11) If the retail prices index for the closing month is higher than it was for the opening month, the relevant indexation percentage is the percentage increase in the retail prices index.

(12) If it is not, the relevant indexation percentage is 0%.

(13) The “excepted circumstances amount” is the aggregate of the amounts of the relevant increases in pensions which were payable under the pension scheme to dependants of the member in excepted circumstances in any period or periods within subsection (1)(a) or (b).

(14) The relevant increase in the case of any pension payable in relation to any 12 month period under the pension scheme to a dependant of the member

- (15) The “appropriate portion” of the current member pension limit, in relation to any pension payable under the pension scheme to a dependant of the member in the 12 months in question, is—

$$\frac{P}{AP}$$

where—

P is the amount of that pension payable in the 12 months in question, and
