#### **Part 3 – Regulation of Provision of Childcare in England**

##### *Chapter 4 – Voluntary registration*

##### *Section 65: Special procedure for persons already registered*

135. **Section 65** requires the Chief Inspector to register on Part B of the general childcare register any person who is already registered either as an early years provider on the early years register or as a later years provider on Part A of the general childcare register, if that person so requests. For providers who are not childminders, this applies only where the care which is not required to be registered is being provided on the same set of premises as the care which is registered.
