**Objective of trust special administration**

(1) The objective of a trust special administration is to secure—

(a) the continued provision of such of the services provided for the purposes of the NHS by the NHS foundation trust that is subject to an order under section 65D(2), at such level, as the commissioners of those services determine, and

(b) that it becomes unnecessary for the order to remain in force for that purpose.

(2) The commissioners may determine that the objective set out in subsection (1) is to apply to a service only if they are satisfied that the criterion in subsection (3) is met.

(3) The criterion is that ceasing to provide the service under this Act would, in the absence of alternative arrangements for its provision under this Act, be likely to—

(a) have a significant adverse impact on the health of persons in need of the service or significantly increase health inequalities, or

(b) cause a failure to prevent or ameliorate either a significant adverse impact on the health of such persons or a significant increase in health inequalities.

(4) In determining whether that criterion is met, the commissioners must (in so far as they would not otherwise be required to do so) have regard to—

(a) the current and future need for the provision of the service under this Act,
(b) whether ceasing to provide the service under this Act would significantly reduce equality between those for whom the commissioner arranges for the provision of services under this Act with respect to their ability to access services so provided, and

(c) such other matters as may be specified in relation to NHS foundation trusts in guidance published by the regulator.

(5) The regulator may revise guidance under subsection (4)(c) and, if it does so, must publish the guidance as revised.

(6) Before publishing guidance under subsection (4)(c) or (5), the regulator must obtain the approval of—

(a) the Secretary of State;

(b) the Board.

(7) The Board must make arrangements for facilitating agreement between commissioners in determining the services provided by the trust under this Act to which the objective set out in subsection (1) is to apply.

(8) Where commissioners fail to reach agreement in pursuance of arrangements under subsection (7), the Board may make the determination (and the duty imposed by subsection (1)(a), so far as applying to the commissioners concerned, is to be regarded as discharged).

(9) In this section—

“commissioners” means the persons to which the trust provides services under this Act, and

“health inequalities” means the inequalities between persons with respect to the outcomes achieved for them by the provision of services that are provided as part of the health service.]
Consultation and report

65F Draft report

(1) Within the period of 45 working days beginning with the day on which a trust special administrator’s appointment takes effect, the administrator must provide to the Secretary of State and publish a draft report stating the action which the administrator recommends the Secretary of State should take in relation to the trust.

(2) When preparing the draft report, the administrator must consult—

F107[za] the Board,

(a) ... and

(b) any other person to which the trust provides goods or services under this Act and which the Secretary of State directs the administrator to consult.

(3) After receiving the draft report, the Secretary of State must lay it before Parliament.

F109 For the purposes of this section in its application to the case of an NHS foundation trust, the references to the Secretary of State are to be read as references to the regulator.

(4) In the case of an NHS foundation trust, the administrator may not provide the draft report to the regulator under subsection (1)—

(a) without having obtained from each commissioner a statement that the commissioner considers that the recommendation in the draft report would achieve the objective set out in section 65DA, or

(b) where the administrator does not obtain a statement to that effect from one or more commissioners (other than the Board), without having obtained a statement to that effect from the Board.

(6) Where the Board decides not to provide to the administrator a statement to that effect, the Board must—

(a) give a notice of the reasons for its decision to the administrator and to the regulator;

(b) publish the notice;

(c) lay a copy of it before Parliament.

   (d) for grounds on which a Primary Care Trust may defer a decision whether or not to grant an application for inclusion in such a list,
   (e) for the disclosure by a Primary Care Trust to prescribed persons or persons of prescribed descriptions, of information of a prescribed description about applicants for inclusion in such a list, and refusals by the Primary Care Trust to grant such applications,
   (f) as to criteria to be applied in making decisions under the regulations.

(5) If regulations made by virtue of subsection (4)(a) provide that a Primary Care Trust may refuse to grant an application for inclusion in such a list, they must also provide for an appeal (by way of redetermination) to the [F252First-tier Tribunal] against the decision of the Primary Care Trust.

(6) The regulations must include provision for the removal of an entry from a list in prescribed circumstances.

(7) No arrangements for the provision of—
   (a) pharmaceutical services falling within section 126(3)(e), or
   (b) additional pharmaceutical services provided in accordance with a direction under section 127,
may be made with persons other than those who are registered pharmacists or are of a prescribed description.

(8) Where—
   (a) arrangements for the provision of pharmaceutical services have been made with a registered pharmacist, and
his registration is suspended by virtue of any direction or order under the Pharmacy Order 2010, he may not provide pharmaceutical services in person during the period of suspension.

Pilot schemes

(1) Primary Care Trusts may establish pilot schemes.

(2) In this Part, a “pilot scheme” means one or more agreements—

(a) made by a Primary Care Trust in accordance with this Chapter,

(b) under which local pharmaceutical services will be provided (otherwise than by the Primary Care Trust), and

(c) the parties to which do not include any other Primary Care Trust.
(3) A pilot scheme may include arrangements—
   (a) for the provision of services which are not local pharmaceutical services, but
       which may be provided under this Act, other than under Chapter 1 of this Part,
       and whether or not of the kind usually provided by pharmacies,
   (b) for the provision of training and education (including training and education
       for persons who are, or may become, involved in the provision of local
       pharmaceutical services).

(4) A pilot scheme may not combine arrangements for the provision of local
    pharmaceutical services with arrangements for the provision of primary medical
    services or primary dental services.

(5) In determining the arrangements it needs to make in order to comply with section 126,
    a Primary Care Trust may take into account arrangements under a pilot scheme made
    by it.

(6) The functions of an NHS trust and an NHS foundation trust include power to provide
    any services to which a pilot scheme applies.

(7) In this Chapter—
    “local pharmaceutical services” means such services of a kind which
    may be provided under section 126, or by virtue of section 127 (other than
    practitioner dispensing services) as may be prescribed for the purposes of this
    Chapter, and
    “piloted services” means services provided under a pilot scheme (including
    any services to which the scheme applies as a result of subsection (3)).

(8) “Practitioner dispensing services” means the provision of drugs, medicines or listed
    appliances (within the meaning given by section 126) by a medical practitioner or
    dental practitioner to a patient of his pursuant to arrangements made by virtue of
    section 132(1).
(a) as to the circumstances in which, and the relevant areas or premises in relation to which, designations may be made or maintained,

(c) allowing a designation to be cancelled in prescribed circumstances,
(d) requiring a designation to be cancelled—
   (i) if the Secretary of State gives a direction to that effect, or
   (ii) in prescribed circumstances.

(3) “Pharmaceutical list applications” means applications for inclusion in a pharmaceutical list.

[F258(4) “Relevant area” has the same meaning as in section 129(2A).]
(3) If satisfied that a pilot scheme is (for any reason) unsatisfactory, the Secretary of State may give directions to the Primary Care Trust concerned requiring it to bring the scheme to an end in accordance with the terms of the directions.

139  NHS contracts and the provision of piloted services

(1) In the case of a pilot scheme entered into, or to be entered into, by a single individual or body corporate (other than an NHS foundation trust), that individual or body may make an application under this section to become a health service body.

(2) In the case of any other pilot scheme, all of those providing, or proposing to provide, piloted services under the scheme may together make an application under this section to become a single health service body.

(3) An application must—
   
   (a) be made to the Secretary of State in accordance with such provisions as may be made by regulations, and
   
   (b) specify the pilot scheme in relation to which it is made.

(4) Except in such cases as may be prescribed, the Secretary of State may grant an application.

(5) If an application is granted, the Secretary of State must specify a date in relation to that application and, as from that date—
   
   (a) in the case of an application under subsection (1), the applicant is, and
   
   (b) in the case of an application under subsection (2), the applicants together are, a health service body for the purposes of section 9.

(6) That section has effect in relation to such a health service body (“a PHS body”), acting as commissioner, as if the functions referred to in section 9(1) were the provision of piloted services.

(7) Except in such circumstances as may be prescribed, a PHS body resulting from an application under subsection (2) must be treated, at any time, as consisting of those who are providing piloted services under the scheme.

(8) A direction as to payment made under section 9(11) against, or in favour of, a PHS body is enforceable in a county court (if the court so orders) as if it were a judgment or order of that court.

(9) Regulations may provide for a PHS body to cease to be a PHS body in prescribed circumstances.

(10) The Secretary of State must—
   
   (a) maintain and publish a list of PHS bodies,
   
   (b) publish a revised copy of the list as soon as is reasonably practicable after any change is made to it.

(11) The list must be published in such manner as the Secretary of State considers appropriate.
140 Funding of preparatory work

(1) Provision may be made by regulations for Primary Care Trusts to make payments of financial assistance for preparatory work.

(2) “Preparatory work” means work which it is reasonable for a person to undertake—
   (a) in connection with preparing proposals for a pilot scheme, or
   (b) in preparing for the provision by him of any piloted services.

(3) The regulations may, in particular, include provision—
   (a) prescribing the circumstances in which payments of financial assistance may be made,
   (b) imposing a limit on the amount of any payment of financial assistance which a Primary Care Trust may make in any prescribed period in respect of any one person or any one pilot scheme,
   (c) imposing a limit on the aggregate amount which a Primary Care Trust may pay by way of financial assistance in any one financial year,
   (d) requiring a person to whom assistance is given under this section to comply with such conditions as may be imposed in accordance with prescribed requirements, and
   (e) for repayment in the case of a failure to comply with any condition so imposed.

141 Application of this Act

This Act has effect in relation to piloted services—
   (a) subject to any provision of, or made under, this Chapter, section 145 (application of enactments) or section 178 (charges for local pharmaceutical services), but
   (b) otherwise as if those services were provided as a result of the delegation by the Secretary of State of his functions (by directions given under section 7).

142 Premises from which piloted services may be provided

The Secretary of State may by regulations—
   (a) prevent (except in such circumstances and to such extent as may be prescribed) the provision of both piloted services and pharmaceutical services from the same premises,
   (b) make provision with respect to the inclusion, removal, re-inclusion or modification of an entry in respect of premises in a pharmaceutical list.

143 Control of entry regulations

The power to make regulations under section 129 includes power to prescribe the extent to which the provision of piloted services must be taken into account in determining whether to grant an application for inclusion in a pharmaceutical list.

and regulations may prescribe any scheme for the purposes of this subsection which appears to the Secretary of State to be a health or medical scheme paid for out of public funds.

(8) Detriment to a health scheme includes detriment to any patient of, or person working in, that scheme or any person liable to pay charges for services provided under that scheme.

(9) In this Chapter a “practitioner” means a person included in a pharmaceutical list.

152 Contingent removal

(1) In an efficiency case or a fraud case, the Primary Care Trust may, instead of deciding to remove a practitioner from its list, decide to remove him contingently.

(2) If it so decides, it must impose such conditions as it may decide on his inclusion in the list with a view to—

(a) removing any prejudice to the efficiency of the services in question (in an efficiency case), or

(b) preventing further acts or omissions within section 151(3)(a) (in a fraud case).

(3) If the Primary Care Trust determines that the practitioner has failed to comply with a condition, it may decide to—

(a) vary the conditions, or impose different conditions, or

(b) remove him from its list.

(4) The Primary Care Trust may decide to vary the terms of service of the person concerned for the purpose of or in connection with the imposition of any conditions by virtue of this section.

153 Fraud and unsuitability cases: supplementary

(1) Where the practitioner is a body corporate providing pharmaceutical services, the body corporate must be treated for the purposes of this Chapter as meeting a condition referred to in section 151(3) or (4) if any one of the body of persons controlling the body meets that condition (whether or not he first did so when he was such a person).

(2) A practitioner must be treated for the purposes of this Chapter as meeting the condition referred to in section 151(3) if—

(a) another person, because of an act or omission of his occurring in the course of providing any services mentioned in section 151(1) on the practitioner’s behalf, meets that condition, and

(b) the practitioner failed to take all such steps as were reasonable to prevent acts or omissions within section 151(3)(a) occurring in the course of the provision of those services on his behalf.
154 Suspension

(1) If the Primary Care Trust is satisfied that it is necessary to do so for the protection of members of the public or is otherwise in the public interest, it may suspend a practitioner from its list—

(a) while it decides whether or not to exercise its powers under section 151 or 152 (other than in circumstances falling within paragraph (b)), or

(b) while it waits for a decision affecting the practitioner of a court or of a body which regulates—

(i) the practitioner's profession,

(ii) the profession of a person providing any of the services mentioned in section 151(1) on the practitioner's behalf, or

(iii) if the practitioner is a body corporate, the profession of one of its directors, or one of the body of persons controlling it or (if it is a limited liability partnership) one of its members, or one of that regulatory body's committees.

(2) The references in subsection (1)(b) to a court or regulatory body are to a court or such a body anywhere in the world.

(3) In a case falling within subsection (1)(a), the Primary Care Trust must specify the length of the period of suspension.

(4) In a case falling within subsection (1)(b), the Primary Care Trust may specify that the practitioner remains suspended after the decision referred to there for an additional period which the Primary Care Trust must specify.

(5) In either case—

(a) before that period expires it may extend, or further extend, the suspension for a further specified period, or

(b) if that period has expired, it may impose a further suspension, for a period which it must specify.

(6) The period of suspension (in a subsection (1)(a) case) or the additional period (in a subsection (1)(b) case), including in both cases the period of any further suspension imposed under subsection (5)(b), may not exceed six months in aggregate, except—

(a) in prescribed circumstances, when it may not extend beyond any prescribed event (which may be the expiry of a prescribed period),

(b) if, on the application of the Primary Care Trust, the First-tier Tribunal orders accordingly before the expiry of the period of suspension, or

(c) if the Primary Care Trust has applied under paragraph (b) before the expiry of the period of suspension, but the First-tier Tribunal has not made an order by the time it expires, in which case it continues until the First-tier Tribunal has made an order.

(7) If the First-tier Tribunal does so order, it must specify—

(a) the date on which the period of suspension will end, or

(b) an event beyond which it will not continue.

(8) The First-tier Tribunal may, on the application of the Primary Care Trust, make a further order (complying with subsection (7)) at any time while the period of suspension pursuant to the earlier order is still continuing.
(9) The Secretary of State may make regulations providing for payments to practitioners who are suspended.

(10) Those regulations may include provision for the amount of the payments, or the method of calculating the amount, to be determined by the Secretary of State or by another person appointed for the purpose by the Secretary of State.

155 Suspension pending appeal

(1) This section applies if the Primary Care Trust decides to remove a practitioner from a list under section 151.

(2) In such a case it may also decide to suspend the practitioner from the list pending any appeal by him, if it is satisfied that it is necessary to do so for the protection of members of the public or is otherwise in the public interest.

(3) If it does suspend the practitioner under this section, the suspension has effect from the date when the Primary Care Trust gave him notice of the suspension.

(4) The suspension has effect until its revocation under subsection (5) or (6) or, if later, until the expiry of the period of 28 days referred to in section 158(1), or, if the practitioner appeals under section 158, until the [F274First-tier Tribunal] has disposed of the appeal.

(5) The Primary Care Trust may revoke a suspension imposed under this section.

(6) If the practitioner appeals under section 158 against the decision of the Primary Care Trust to remove him from the list, the [F275First-tier Tribunal] may also revoke a suspension imposed on him under this section.

(7) Subsections (9) and (10) of section 154 apply for the purposes of this section as they apply for the purposes of that.

(2) A decision in Scotland or Northern Ireland to deal with such a person in such a way is referred to in this section as a “corresponding decision”.

(3) If this section applies, the Secretary of State may make regulations providing for the effect to be given in England to a corresponding decision.

(4) That effect need not be the same as the effect of the decision in the place where it was made.

(5) The regulations may not provide for a corresponding decision to be reviewed or revoked in England.

CHAPTER 7
MISCELLANEOUS

Remuneration

164 Remuneration for persons providing pharmaceutical services

(1) The remuneration to be paid to persons who provide pharmaceutical services under this Part must be determined by determining authorities.

(2) Determining authorities may also determine the remuneration to be paid to persons who provide those services in respect of the instruction of any person in matters relating to those services.

(3) For the purposes of this section and section 165 determining authorities are—
   (a) the Secretary of State, and
   (b) so far as authorised by him to exercise the functions of determining authorities, any Primary Care Trust or other person appointed by him in an instrument.

(4) The instrument mentioned in subsection (3)(b) is called in this section an “instrument of appointment”.

(5) An instrument of appointment—
   (a) may contain requirements with which a determining authority appointed by that instrument must comply in making determinations, and
   (b) may be contained in regulations.

(6) Subject to this section and section 165, regulations may make provision about determining remuneration under this section and may in particular impose requirements with which determining authorities must comply in making, or in connection with, determinations (including requirements as to consultation and publication).

(7) Regulations may provide that determinations may be made by reference to any of—
   (a) rates or conditions of remuneration of any persons or any descriptions of persons which are fixed or determined, or will be fixed or determined, otherwise than by way of a determination under this section,
   (b) scales, indices or other data of any description specified in the regulations.
(8) Where regulations provide as mentioned in subsection (7)(b), they may provide that any determination which falls to be made by reference to a scale, index or other data may be made by reference to the scale, index or data—
   (a) in the form current at the time of the determination, and
   (b) in any subsequent form taking effect after that time.

(9) Regulations may—
   (a) provide that determining authorities may make determinations which have effect in relation to remuneration in respect of a period beginning on or after a date specified in the determination, which may be the date of the determination or an earlier or later date, but may be an earlier date only if, taking the determination as a whole, it is not detrimental to the persons to whose remuneration it relates,
   (b) provide that any determination which does not specify such a date has effect in relation to remuneration in respect of a period beginning—
      (i) if it is required to be published, on the date of publication,
      (ii) if it is not so required, on the date on which it is made.

(10) A reference in this section or section 165 to a determination is to a determination of remuneration under this section.

165 Section 164: supplementary

(1) Before a determination is made by the Secretary of State which relates to all persons who provide pharmaceutical services, or a category of such services, he—
   (a) must consult a body appearing to him to be representative of persons to whose remuneration the determination would relate, and
   (b) may consult such other persons as he considers appropriate.

(2) Determinations may make different provision for different cases, including different provision for any particular case, class of case or area.

(3) Determinations may be—
   (a) made in more than one stage,
   (b) made by more than one determining authority,
   (c) varied or revoked by subsequent determinations.

(4) A determination may be varied—
   (a) to correct an error, or
   (b) where it appears to the determining authority that it was made in ignorance of or under a mistake as to a relevant fact.

(5) Determinations may, in particular, provide that the whole or any part of the remuneration—
   (a) is payable only if the determining authority is satisfied as to certain conditions, or
   (b) must be applied for certain purposes or is otherwise subject to certain conditions.

(6) Remuneration under section 164 may be determined from time to time and may consist of payments by way of—
   (a) salary,
(b) fees,
(c) allowances,
(d) reimbursement (in full or in part) of expenses incurred or expected to be incurred in connection with the provision of the services or instruction.

(7) At the time a determination is made or varied, certain matters which require determining may be reserved to be decided at a later time.

(8) The matters which may be reserved include in particular—
   (a) the amount of remuneration to be paid in particular cases,
   (b) whether any remuneration is to be paid in particular cases.

(9) Any determination may be made only after taking into account all the matters which are considered to be relevant by the determining authority.

(10) Such matters may include in particular—
   (a) the amount or estimated amount of expenses (taking into account any discounts) incurred in the past or likely to be incurred in the future (whether or not by persons to whose remuneration the determination will relate) in connection with the provision of pharmaceutical services or of any category of pharmaceutical services,
   (b) the amount or estimated amount of any remuneration paid or likely to be paid to persons providing such services,
   (c) the amount or estimated amount of any other payments or repayments or other benefits received or likely to be received by any such persons,
   (d) the extent to which it is desirable to encourage the provision, either generally or in particular places, of pharmaceutical services or the category of pharmaceutical services to which the determination will relate,
   (e) the desirability of promoting pharmaceutical services which are—
      (i) economic and efficient, and
      (ii) of an appropriate standard.

(11) If the determination is of remuneration for a category of pharmaceutical services, the reference in subsection (10)(a) to a category of pharmaceutical services is a reference to the same category of pharmaceutical services or to any other category of pharmaceutical services falling within the same description.

**Indemnity cover**

166 **Indemnity cover**

(1) Regulations may make provision for the purpose of securing that, in prescribed circumstances, prescribed persons included in a pharmaceutical list hold approved indemnity cover.

(2) The regulations may, in particular, make provision as to the consequences of a failure to hold approved indemnity cover, including provision—
   (a) for securing that a person must not be added to a pharmaceutical list unless he holds approved indemnity cover,
   (b) for the removal from a pharmaceutical list prepared by a Primary Care Trust of a person who does not within a prescribed period after the making of a request
by the Primary Care Trust in the prescribed manner satisfy the Primary Care Trust that he holds approved indemnity cover.

and a person holds approved indemnity cover if he has entered into a contract or arrangement which constitutes approved indemnity cover.

(4) The regulations may provide that a person of any description who has entered into a contract or arrangement which is—

(a) in a form identified in accordance with the regulations in relation to persons of that description, and

(b) made with a person or persons so identified,

must be treated as holding approved indemnity cover for the purposes of the regulations.

(d) pharmaceutical services providers and the persons to whom subsection (3) applies.

(9) A Primary Care Trust may, on the request of any committee recognised by it under this section, allot to that committee such sums for defraying the committee's administrative expenses (other than any determined under subsection (12)) as may be determined by the Primary Care Trust.

(10) Any sums so allotted must be out of the moneys available to the Primary Care Trust for the remuneration of persons of whom the committee is representative under subsection (1)(a).

(11) The amount of any such sums must be deducted from the remuneration of those persons in such manner as may be determined by the Primary Care Trust.

(7) Subject to subsection (4), the Secretary of State may by directions determine—
   (a) whether specified sums must, or must not, be treated for the purposes of this section as received under this Act by a specified Strategic Health Authority or specified Special Health Authority,

CHAPTER 2
PUBLIC INVOLVEMENT AND CONSULTATION

242 Public involvement and consultation

[355] (1) This section applies to—
(a) relevant English bodies, and
(b) relevant Welsh bodies.

(1A) In this section—
“relevant English body” means—
(a) a Strategic Health Authority,
(b) a Primary Care Trust,
(c) an NHS trust that is not a relevant Welsh body, or
(d) an NHS foundation trust;
“relevant Welsh body” means an NHS trust all or most of whose hospitals, establishments and facilities are in Wales.

(1B) Each relevant English body must make arrangements, as respects health services for which it is responsible, which secure that users of those services, whether directly or through representatives, are involved (whether by being consulted or provided with information, or in other ways) in—
(a) the planning of the provision of those services,
(b) the development and consideration of proposals for changes in the way those services are provided, and
(c) decisions to be made by that body affecting the operation of those services.

(1C) Subsection (1B)(b) applies to a proposal only if implementation of the proposal would have an impact on—
(a) the manner in which the services are delivered to users of those services, or
(b) the range of health services available to those users.

(1D) Subsection (1B)(c) applies to a decision only if implementation of the decision (if made) would have an impact on—
(a) the manner in which the services are delivered to users of those services, or
(b) the range of health services available to those users.

(1E) The reference in each of subsections (1C)(a) and (1D)(a) to the delivery of services is to their delivery at the point when they are received by users.

(1F) For the purposes of subsections (1B) to (1E), a person is a “user” of any health services if the person is someone to whom those services are being or may be provided.

(1G) A relevant English body must have regard to any guidance given by the Secretary of State as to the discharge of the body’s duty under subsection (1B).

(1H) The guidance mentioned in subsection (1G) includes (in particular)—
(a) guidance given by the Secretary of State as to when, or how often, involvement under arrangements under subsection (1B) is to be carried out;
(b) guidance given by the Secretary of State as to the form to be taken by such involvement in any case specified by the guidance.]
(2) Each [F356]relevant Welsh body] must make arrangements with a view to securing, as respects health services for which it is responsible, that persons to whom those services are being or may be provided are, directly or through representatives, involved in and consulted on—
   
   (a) the planning of the provision of those services,
   
   (b) the development and consideration of proposals for changes in the way those services are provided, and
   
   (c) decisions to be made by that body affecting the operation of those services.

(3) For the purposes of this section a body is responsible for health services—
   
   (a) if the body provides or will provide those services to individuals, or
   
   (b) if another person provides, or will provide, those services to individuals—
      
      (i) at that body's direction, 
      (ii) on its behalf, or
      (iii) in accordance with an agreement or arrangements made by that body with that other person,

   and references in this section to the provision of services include references to the provision of services jointly with another person.

(4) Subsection (5) applies to health services for which a Strategic Health Authority is not responsible by virtue of subsection (3), but which are or will be provided to individuals in the area of the Strategic Health Authority, and for which—
   
   (a) a Primary Care Trust any part of whose area falls within the Strategic Health Authority's area, or
   
   (b) an NHS trust which provides services at or from a hospital or other establishment or facility which falls within the Strategic Health Authority's area,

   is responsible by virtue of subsection (3).

(5) A Strategic Health Authority may give directions to Primary Care Trusts falling within paragraph (a) of subsection (4), and NHS trusts falling within paragraph (b) of that subsection, as to the arrangements which they are to make under [F357]this section] in relation to health services to which this subsection applies.

[F358](6) This section does not require a body to make arrangements in relation to matters to which a trust special administrator's report or draft report under section 65F, 65I, 65R or 65U relates before the decision of the Secretary of State under section 65K or 65W has been published.]
242A Strategic Health Authorities: further duty to involve users

(1) The Secretary of State must by regulations require each Strategic Health Authority to make arrangements which secure that health service users are, directly or through representatives, involved (whether by being consulted or provided with information, or in other ways) in prescribed matters.

(2) In this section “health service users” means persons to whom health services are being or may be provided in the area of the Strategic Health Authority.

(3) A Strategic Health Authority must have regard to any guidance given by the Secretary of State as to the discharge of the authority’s duty under regulations under this section.

(4) The guidance mentioned in subsection (3) includes (in particular)—

(a) guidance given by the Secretary of State as to when, or how often, involvement under arrangements under the regulations is to be carried out;

(b) guidance given by the Secretary of State as to the form to be taken by such involvement in any case specified by the guidance.

(5) Any duty of a Strategic Health Authority under regulations under this section is in addition to the authority’s duty under section 242(1B).

242B Directions in cases where Strategic Health Authority arranges involvement

(1) The Secretary of State may make regulations enabling a Strategic Health Authority, in circumstances mentioned in subsection (2), to direct a Primary Care Trust that persons who would otherwise be involved in a particular matter under arrangements made by the Primary Care Trust under section 242 are not to be involved in that matter under those arrangements.

(2) The circumstances referred to in subsection (1) are where the persons concerned are to be involved (whether by the Strategic Health Authority, by the Strategic Health Authority and the Primary Care Trust acting jointly, or otherwise) under arrangements made or to be made by the Strategic Health Authority.

(3) Regulations under this section may include provision—

(a) for the consequences of compliance with a direction, including provision that a Primary Care Trust is not to be taken to have failed to comply with its duty under section 242(1B) by reason of compliance with a direction,

(b) enabling a direction to be given where involvement under arrangements made by the Primary Care Trust has already begun, and as to the provision that may be made by the direction in such a case,

(c) requiring prescribed information to be provided by a Primary Care Trust to a Strategic Health Authority,

(2) The Secretary of State may provide as he may determine with the approval of the Treasury for the payment of a pension, allowance or gratuity to or in respect of the chairman of a Strategic Health Authority.

(3) Where a person ceases to be chairman of a Strategic Health Authority, and it appears to the Secretary of State that there are special circumstances which make it right for that person to receive compensation, the Secretary of State may make him a payment of such amount as the Secretary of State may determine with the approval of the Treasury.

(4) The Secretary of State may pay to a member of a Strategic Health Authority, or of a committee or sub-committee of, or joint committee or joint sub-committee including, a Strategic Health Authority, such travelling and other allowances (including attendance allowance or compensation for the loss of remunerative time) as he may determine with the approval of the Treasury.

(5) Allowances may not be paid under sub-paragraph (4) except in connection with the exercise, in such circumstances as the Secretary of State may determine with the approval of the Treasury, of such functions as he may so determine.

(6) Payments under this paragraph must be made at such times, and in such manner and subject to such conditions, as the Secretary of State may determine with the approval of the Treasury.
Membership of Strategic Health Authorities

3 A Strategic Health Authority consists of—
   (a) a chairman appointed by the Secretary of State,
   (b) not more than a prescribed number of persons (not being officers of the Strategic Health Authority) appointed by the Secretary of State, and
   (c) a prescribed number of officers of the Strategic Health Authority.

4 Regulations may provide that all or any of the persons appointed as members of a Strategic Health Authority under paragraph 3(b)—
   (a) must hold posts of a prescribed description, or
   (b) must fulfil any other prescribed conditions.

5 Regulations must provide that each of the persons who is a member of a Strategic Health Authority under paragraph 3(c) must either—
   (a) hold an office of the Strategic Health Authority of a prescribed description, or
   (b) be appointed by the chairman of the Strategic Health Authority and the persons appointed as members of the Strategic Health Authority under paragraph 3(c).

6 Regulations may provide for a person of a prescribed description who is not an officer of a Strategic Health Authority to be treated for the purposes of this Schedule, and any other prescribed provision relating to members of (or of committees or sub-committees of) Strategic Health Authorities, as if he were such an officer.

Staff

7 (1) A Strategic Health Authority may employ such officers as it may determine.

   (2) A Strategic Health Authority may—
      (a) pay its officers such remuneration and allowances, and
      (b) employ them on such other terms and conditions, as it may determine.

   (3) A Strategic Health Authority must, in exercising its powers under sub-paragraph (1) or (2), act in accordance with regulations and any directions given by the Secretary of State.

   (4) Regulations and directions under sub-paragraph (3) may make provision with respect to any matter connected with the employment by a Strategic Health Authority of its officers, including in particular provision—
      (a) with respect to the qualifications of persons who may be employed as officers of a Strategic Health Authority,
      (b) requiring a Strategic Health Authority to employ a chief officer and officers of such other descriptions as may be prescribed and to employ, for the purpose of performing prescribed functions of the Strategic Health Authority or any other body, officers having prescribed qualifications or experience, and

(5) A direction under sub-paragraph (3) may relate to a particular officer or class of officer specified in the direction.

(6) Regulations and directions under sub-paragraph (3) may provide for approvals or determinations to have effect from a date specified in them.

(7) The date may be before or after the date of giving the approvals or making the determinations but may not be before if it would be to the detriment of the officers to whom the approvals or determinations relate.

(8) Regulations may provide for the transfer of officers from one Strategic Health Authority to another Strategic Health Authority or to a Special Health Authority, and for arrangements under which the services of an officer of a Strategic Health Authority are placed at the disposal of another Strategic Health Authority, a Special Health Authority or a local authority.

(9) Sub-paragraph (11) applies where the registration of a dental practitioner in the dentists register is suspended—
   (a) by an interim suspension order under section 32 of the Dentists Act 1984 (c. 24) (interim orders), or
   (b) by a direction or an order of the Health Committee, the Professional Performance Committee or the Professional Conduct Committee of the General Dental Council under any of sections 27B, 27C or 30 of that Act following a relevant determination that that practitioner's fitness to practise is impaired.

(10) For the purposes of sub-paragraph (9), a “relevant determination” that a practitioner’s fitness to practice is impaired is a determination which is based solely on—
   (a) the ground mentioned in paragraph (b) of subsection (2) of section 27 of the Dentists Act 1984 (deficient professional performance),
   (b) the ground mentioned in paragraph (c) of that subsection (adverse physical or mental health), or
   (c) both those grounds.

(11) The suspension does not terminate any contract of employment made between the dental practitioner and a Strategic Health Authority, but a person whose registration is so suspended must not perform any duties under a contract made between him and a Strategic Health Authority which involves the practice of dentistry within the meaning of the Dentists Act 1984.

(12) Directions may be given—
   (a) by the Secretary of State to a Strategic Health Authority to place the services of any of its officers at the disposal of another Strategic Health Authority or of a Special Health Authority,
   (b) by the Secretary of State to any Strategic Health Authority to employ as an officer of the Strategic Health Authority any person who is or was employed by another Strategic Health Authority or by a Special Health Authority and is specified in the direction.

(13) Regulations made in pursuance of this paragraph may not require that all consultants employed by a Strategic Health Authority must be so employed whole-time.
8 (1) The Secretary of State must, before he makes regulations under paragraph 7, consult such bodies as he may recognise as representing persons who, in his opinion, are likely to be affected by the regulations.

(2) The Secretary of State must, before he gives directions to a Strategic Health Authority under paragraph 7(12) in respect of any officer of a Strategic Health Authority—
   (a) consult the officer about the directions,

   (c) in the case of a direction under paragraph 7(12)(a), consult with respect to the directions such body as he may recognise as representing the officer.

(3) But if the Secretary of State—
   (a) considers it necessary to give directions under paragraph 7(12)(a) for the purpose of dealing temporarily with an emergency, and
   (b) has previously consulted bodies recognised by him as representing the relevant officers about the giving of directions for that purpose,
the Secretary of State may disregard sub-paragraph (2) in relation to the directions.

9 Provision may be made by regulations as to—
   (a) the appointment and tenure of office of the chairman, vice-chairman and members of a Strategic Health Authority,

(2) During the period beginning with that earlier date and ending with the day immediately preceding the operational date (referred to in this Schedule as the preparatory period), the exercise of any functions by the Primary Care Trust must be limited to such exercise as may be specified in the PCT order for the purpose of enabling it to begin to operate satisfactorily with effect from the operational date.

Powers of Primary Care Trusts to enter into externally financed development agreements

17  (1) The powers of a Primary Care Trust include power to enter into externally financed development agreements.

(2) For the purposes of this paragraph, an agreement is an externally financed development agreement if it is certified as such in writing by the Secretary of State.

(3) The Secretary of State may give a certificate under this paragraph if—
   (a) in his opinion the purpose or main purpose of the agreement is the provision of facilities or services in connection with the discharge by the Primary Care Trust of any of its functions, and
   (b) a person proposes to make a loan to, or provide any other form of finance for, another party in connection with the agreement.

(4) If a Primary Care Trust enters into an externally financed development agreement it may also, in connection with that agreement, enter into an agreement with a person who falls within sub-paragraph (3)(b) in relation to the externally financed development agreement.

(5) “Another party” means any party to the agreement other than the Primary Care Trust.

(6) The fact that an agreement made by a Primary Care Trust has not been certified under this paragraph does not affect its validity.

Compulsory acquisition

22 (1) A Primary Care Trust may be authorised to purchase land compulsorily for the purposes of its functions by means of an order made by the Primary Care Trust and confirmed by the Secretary of State.

(2) The Acquisition of Land Act 1981 (c. 67) applies to the compulsory purchase of land under this paragraph.

(3) No order may be made by a Primary Care Trust under Part 2 of the Acquisition of Land Act 1981 (c. 67) in respect of any land unless the proposal to acquire the land compulsorily—
   (a) has been submitted to the Secretary of State in the form, and with the information, required by him, and
   (b) has been approved by him.

Dissolution

23 (1) The Secretary of State may, if a Primary Care Trust is dissolved, by order transfer (or provide for the transfer) to himself or to a Strategic Health Authority, an NHS trust, a Special Health Authority, an NHS foundation trust or another Primary Care Trust any property or liabilities of the dissolved trust.

(2) The liabilities which may be transferred by virtue of sub-paragraph (1) to a Strategic Health Authority, an NHS trust, a Special Health Authority, an NHS foundation trust or another Primary Care Trust include criminal liabilities.

(3) If any consultation requirements apply, they must be complied with before the order is made.

(4) “Consultation requirements” means requirements about consultation contained in regulations.

PART 4

TRANSFER OF PROPERTY

24 (1) The Secretary of State may by order (referred to in this paragraph and paragraph 25 as a transfer order)—
(a) transfer (or provide for the transfer of) any of the property and liabilities of a health service authority to a Primary Care Trust,

(b) create or impose (or provide for the creation or imposition of) new rights or liabilities in respect of property transferred or retained.

(2) Any property and liabilities which—

(a) belong to a health service authority other than the Secretary of State or are used or managed by a Strategic Health Authority, and

(b) will be transferred to a Primary Care Trust by or under a transfer order,

must be identified by agreement between the health service authority (or Strategic Health Authority) and the Primary Care Trust or, in default of agreement, by direction of the Secretary of State.

(3) Where a transfer order provides for the transfer of—

(a) land held on lease from a third party, or

(b) any other asset leased or hired from a third party or in which a third party has an interest,

the transfer is binding on the third party despite the fact that, apart from this sub-paragraph, the transfer would have required the third party's consent or concurrence.

(4) “Third party” means a person other than a health service authority.

(5) In this paragraph and paragraph 25, “health service authority” means the Secretary of State, a Strategic Health Authority, a Primary Care Trust or an NHS trust.

25 (1) Stamp duty is not chargeable in respect of any transfer to a Primary Care Trust effected by or under a transfer order.

(2) Where it becomes necessary, for the purpose of a transfer by or under a transfer order, to apportion any property or liabilities, the order may contain such provisions as appear to the Secretary of State to be appropriate for the purpose.

(3) Where a transfer order transfers (or provides for the transfer of) any property or rights to which paragraph 24(3) applies, the order must contain such provisions as appear to the Secretary of State to be appropriate to safeguard the interests of third parties (within the meaning of that sub-paragraph), including, where appropriate, provision for the payment of compensation of an amount to be determined in accordance with the order.

(4) A certificate issued by the Secretary of State that—

(a) any specified property,

(b) any specified interest in or right over any property, or

(c) any specified right or liability,

has been vested in a Primary Care Trust by or under a transfer order is conclusive evidence of that fact for all purposes.

(5) “Specified” means specified in the certificate.

(6) A transfer order may include provision for matters to be settled by arbitration by a person determined in accordance with the order.

(7) Paragraph 24 and this paragraph do not affect—

(a) any existing power of a health service authority to transfer property or liabilities to a Primary Care Trust,
(b) the extent of the power conferred by section 272(8).

PART 5

TRANSFER OF STAFF

26 (1) The Secretary of State may by order transfer to a Primary Care Trust any specified description of employees to which this paragraph applies.

(2) This paragraph applies to employees of—
   
   (a) a Strategic Health Authority,
   
   (b) a Primary Care Trust,
   
   (c) an NHS trust.

(3) An order may be made under this paragraph only if any prescribed requirements about consultation have been complied with in relation to each of the employees to be transferred.

27 (1) The contract of employment of an employee transferred under paragraph 26—
   
   (a) is not terminated by the transfer, and
   
   (b) has effect from the date of the transfer as if originally made between the employee and the Primary Care Trust to which he is transferred.

(2) In particular—
   
   (a) all the rights, powers, duties and liabilities of the body from which an employee is transferred under paragraph 26 under or in connection with his contract of employment are by virtue of this sub-paragraph transferred to the Primary Care Trust to which the employee is transferred under that paragraph, and
   
   (b) anything done before the date of the transfer by or in relation to the body from which he is so transferred in respect of him or the contract of employment is deemed from that date to have been done by or in relation to the Primary Care Trust to which he is transferred.

(3) Sub-paragraphs (1) and (2) do not transfer an employee's contract of employment, or the rights, powers, duties and liabilities under or in connection with it, if he informs the body from which they would be transferred, or the Primary Care Trust to which they would be transferred, that he objects to the transfer.

(4) Where an employee objects as mentioned in sub-paragraph (3) his contract of employment with the body from which he would be transferred is terminated immediately before the date on which the transfer would occur; but he must not be treated, for any purpose, as having been dismissed by that body.

(5) This paragraph does not affect any right of an employee to which paragraph 26 applies to terminate his contract of employment if a substantial change is made to his detriment in his working conditions.

(6) But no such right arises by reason only that under this paragraph the identity of his employer changes, unless the employee shows that, in all the circumstances, the change is a significant change and is to his detriment.

28 (1) Where an employee will be transferred by an order under paragraph 26 but will continue to be employed for certain purposes by the transferor, the order may
provide that the contract of employment of the employee is, on the date on which
the employee is transferred, divided so as to constitute two separate contracts of
employment between the employee and the transferor and the employee and the
Primary Care Trust in question.

(2) Where an employee's contract of employment is divided as provided under sub-
paragraph (1), the order must provide for paragraph 27 to have effect in the case of
the employee and his contract of employment subject to appropriate modifications.

Where a Primary Care Trust is dissolved, an order under paragraph 23 includes
power to transfer employees of the Primary Care Trust and the order may make any
provision in relation to the transfer of those employees which is or may be made in
relation to the transfer of employees under paragraph 26.

(4) Subject to sub-paragraphs (9) to (11), the contract of employment between a person to whom this paragraph applies and the Special Health Authority, Primary Care Trust or Local Health Board by whom he is employed has effect from the operational date as if originally made between him and the NHS trust.

(5) In particular—

(a) all the rights, powers, duties and liabilities of the Special Health Authority, Primary Care Trust or Local Health Board under or in connection with a contract to which sub-paragraph (4) applies are by virtue of this paragraph transferred to the NHS trust on its operational date, and

(b) anything done before that date by or in relation to the Special Health Authority, Primary Care Trust or Local Health Board in respect of that contract or the employee is deemed from that date to have been done by or in relation to the NHS trust.

(6) In any case where—

(a) an NHS trust order provides for the establishment of an NHS trust with effect from a date earlier than the operational date of the NHS trust,

(b) on or after that earlier date but before its operational date the NHS trust makes an offer of employment by the NHS trust to a person who at that time is employed by a Special Health Authority, Primary Care Trust or Local Health Board to work (whether solely or otherwise) at, or for the purposes of, the hospital or other establishment or facility which will become the responsibility of the NHS trust, and

(c) as a result of the acceptance of the offer, the person to whom it was made becomes an employee of the NHS trust,

sub-paragraphs (4) and (5) have effect in relation to that person's contract of employment as if he were a person to whom this paragraph applies and as if any reference in those sub-paragraphs to the operational date of the NHS trust were a reference to the date on which he takes up employment with the NHS trust.

(7) Sub-paragraphs (4) and (5) do not affect any right of an employee to terminate his contract of employment if a substantial change is made to his detriment in his working conditions; but no such right arises by reason only of the change in employer effected by this paragraph.

(8) A scheme under this paragraph may designate a person either individually or as a member of a class or description of employees.

(9) In the case of a person who falls within sub-paragraph (1)(b), a scheme under this paragraph may provide that, with effect from the NHS trust's operational date, his contract of employment (his “original contract”) must be treated, in accordance with the scheme, as divided so as to constitute—

(a) a contract of employment with the NHS trust, and

(b) a contract of employment with the Special Health Authority, Primary Care Trust or Local Health Board by whom he was employed before that date (the “transferor authority”).

(10) Where a scheme makes provision as mentioned in sub-paragraph (9)—
(a) the scheme must secure that the benefits to the employee under the two contracts referred to in that sub-paragraph, when taken together, are not less favourable than the benefits under his original contract,

(b) this paragraph applies in relation to the contract referred to in sub-paragraph (9)(a) as if it were a contract transferred under this paragraph from the transferor authority to the NHS trust, and

(c) so far as necessary to preserve any rights and obligations, the contract referred to in sub-paragraph (9)(b) must be regarded as a continuation of the employee's original contract.

(11) Where, as a result of the provisions of this paragraph, by virtue of his employment during any period after the operational date of the NHS trust—

(a) an employee has contractual rights against an NHS trust to benefits in the event of his redundancy, and

(b) he also has statutory rights against the trust under Part 11 of the Employment Rights Act 1996 (c. 18) (redundancy payments),

any benefits provided to him by virtue of the contractual rights referred to in paragraph (a) must be taken as satisfying his entitlement to benefits under that Part of that Act.

Transfer of property and liabilities to NHS trusts

9 (1) The Secretary of State may by order transfer, or provide for the transfer of, any of the property and liabilities of a Strategic Health Authority, a Primary Care Trust, a Special Health Authority, a Local Health Board or the Secretary of State, to an NHS trust, with effect from any date as may be specified in the order.

(2) An order under this paragraph may create or impose such new rights or liabilities in respect of what is transferred or what is retained as appear to the Secretary of State to be necessary or expedient.

(3) Nothing in this paragraph affects the power of the Secretary of State or any power of a Strategic Health Authority, Primary Care Trust, Special Health Authority or Local Health Board to transfer property or liabilities to an NHS trust otherwise than under sub-paragraph (1).

(4) Stamp duty is not chargeable in respect of any transfer to an NHS trust effected by or by virtue of an order under this paragraph.

(5) Where an order under this paragraph provides for the transfer—

(a) of land held on lease from a third party, or

(b) of any other asset leased or hired from a third party or in which a third party has an interest,

the transfer is binding on the third party notwithstanding that, apart from this sub-paragraph, it would have required his consent or concurrence.

(6) “Third party” means a person other than the Secretary of State, a Strategic Health Authority, a Primary Care Trust, a Special Health Authority or a Local Health Board.

(7) Any property and liabilities which—

(a) belong to, or are used or managed by, a Strategic Health Authority, Special Health Authority or Local Health Board or belong to a Primary Care Trust, and
(b) will be transferred to an NHS trust by or by virtue of an order under this paragraph,

must be identified by agreement between the Strategic Health Authority, Primary Care Trust, Special Health Authority or Local Health Board and the NHS trust or, in default of agreement, by direction of the Secretary of State.

(8) Where, for the purpose of a transfer pursuant to an order under this paragraph, it becomes necessary to apportion any property or liabilities, the order may contain such provisions as appear to the Secretary of State to be appropriate for the purpose.

(9) Where any such property or rights fall within sub-paragraph (5), the order must contain such provisions as appear to the Secretary of State to be appropriate to safeguard the interests of third parties, including, where appropriate, provision for the payment of compensation of an amount to be determined in accordance with the order.

(10) In the case of any transfer made by or pursuant to an order under this paragraph, a certificate issued by the Secretary of State that any property specified in the certificate or any such interest in or right over any such property as may be so specified, or any right or liability so specified, is vested in the NHS trust specified in the order is conclusive evidence of that fact for all purposes.

(11) An order under this paragraph may include provision for matters to be settled by arbitration by a person determined in accordance with the order.

(12) Sub-paragraph (11) does not affect section 272(8).

Trust funds and trustees

10

(1) The Secretary of State may by order provide for the appointment of trustees for an NHS trust to hold property on trust—

(a) for the general or any specific purposes of the NHS trust (including the purposes of any specific hospital or other establishment or facility at or from which services are provided by the NHS trust), or

(b) for any purposes relating to the health service.

(2) An order under sub-paragraph (1) may—

(a) make provision as to the persons by whom trustees must be appointed and generally as to the method of their appointment,

(b) make any appointment subject to such conditions as may be specified in the order (including conditions requiring the consent of the Secretary of State),

(c) make provision as to the number of trustees to be appointed, including provision under which that number may from time to time be determined by the Secretary of State after consultation with such persons as he considers appropriate, and

(d) make provision with respect to the term of office of any trustee and his removal from office.

(3) Where under sub-paragraph (1) trustees have been appointed for an NHS trust, the Secretary of State may by order provide for the transfer of any trust property from the NHS trust to the trustees.
Pay and allowances

11 (1) An NHS trust must pay—
(a) to the chairman and any non-executive director of the NHS trust remuneration of an amount determined by the Secretary of State, not exceeding such amount as may be approved by the Treasury,
(b) to the chairman and any non-executive director of the NHS trust such travelling and other allowances as may be determined by the Secretary of State with the approval of the Treasury,
(c) to any member of a committee or sub-committee of the NHS trust who is not also a director such travelling and other allowances as may be so determined.

(2) If an NHS trust so determines in the case of a person who is or has been a chairman of the NHS trust, the NHS trust must pay such pension, allowances or gratuities to or in respect of him as may be determined by the Secretary of State with the approval of the Treasury.

(3) Different determinations may be made under sub-paragraph (1) or sub-paragraph (2) in relation to different cases or descriptions of cases.

Reports and other information

12 (1) For each accounting year an NHS trust must prepare and send to the Secretary of State an annual report in such form as may be determined by the Secretary of State.

(2) At such time or times as may be prescribed, an NHS trust must hold a public meeting at which must be presented—
(a) its audited accounts and annual report, and
(b) any report on the accounts made pursuant to section 8 of the Audit Commission Act 1998 (c. 18) or paragraph 19 of Schedule 8 to the Government of Wales Act 2006 (c. 32).

[1 F488 (2A) In the case of NHS Direct National Health Service Trust the reference to a report under section 8 of the Audit Commission Act 1998 has effect as a reference to a report under paragraph 6(2) of Schedule 15 to this Act.]

(3) In such circumstances and at such time or times as may be prescribed, an NHS trust must hold a public meeting at which such documents as may be prescribed must be presented.

Originating capital of NHS trusts

1 (1) Each NHS trust has an originating capital of an amount specified in an order made by the Secretary of State.

(2) The originating capital of an NHS trust is an amount representing the excess of the valuation of its assets over the amounts of its liabilities.

(3) In determining the originating capital of an NHS trust, there must be left out of account such assets or liabilities as are, or are of a class, determined for the purposes of this paragraph by the Secretary of State with the consent of the Treasury.

(4) An NHS trust's originating capital is deemed to have been issued out of moneys provided by Parliament and is an asset of the Consolidated Fund.

(5) An NHS trust's originating capital is public dividend capital.

(6) With the consent of the Treasury, the Secretary of State may determine—
   (a) the dividend which is payable at any time on any public dividend capital issued, or treated as issued, to an NHS trust under this Act,
   (b) the amount of any such public dividend capital which must be repaid at any time,
   (c) any other terms on which any public dividend capital is so issued, or treated as issued.

(7) An order under sub-paragraph (1) may be made only with the consent of the Treasury.

(8) In this paragraph—
   “assets” means the assets which, on or in connection with the establishment of the NHS trust, are or will be transferred to it (whether before, on or after its operational date), and
   “liabilities” means the liabilities which are or will be so transferred.

Financial obligations of NHS trusts

2 (1) Each NHS trust must ensure that its revenue is not less than sufficient, taking one financial year with another, to meet outgoings properly chargeable to revenue account.

(2) Each NHS trust must achieve such financial objectives as may from time to time be set by the Secretary of State with the consent of the Treasury and as are applicable to it.

(3) Any such objectives may be made applicable to NHS trusts generally, or to a particular NHS trust or to NHS trusts of a particular description.

Borrowing

3 (1) For the purpose of its functions an NHS trust may borrow (both temporarily, by way of overdraft, and longer term) from the Secretary of State or from any other person.
(2) Sub-paragraph (1) is subject to any direction given by the Secretary of State under section 8, to the provisions of this paragraph and to any limit imposed under this Schedule.

(3) An NHS trust may not mortgage or charge any of its assets or in any other way use any of its assets as security for a loan.

(4) The Secretary of State must determine the terms of any loan made by him to an NHS trust (including terms as to the payment of interest, if any).

Guarantees of borrowing

4 (1) The Secretary of State may guarantee, in such manner and on such conditions as, with the approval of the Treasury, he considers appropriate, the repayments of the principal of, and the payment of interest on, any sums which an NHS trust borrows from a person other than the Secretary of State.

(2) Immediately after a guarantee is given under this paragraph, the Secretary of State must lay a statement of the guarantee before each House of Parliament.

(3) Where any sum is issued for fulfilling a guarantee so given, the Secretary of State must lay before each House of Parliament a statement relating to that sum as soon as possible after the end of each financial year beginning with that in which the sum is issued and ending with that in which all liability in respect of the principal of the sum and in respect of interest on it is finally discharged.

(4) If any sums are issued in fulfilment of a guarantee given under this paragraph, the NHS trust concerned must make to the Secretary of State, at such times and in such manner as the Secretary of State may from time to time direct—

(a) payments of such amounts as the Secretary of State with the consent of the Treasury so directs in or towards repayment of the sums so issued, and

(b) payments of interest, at such rates as the Secretary of State with the consent of the Treasury so directs, on what is outstanding for the time being in respect of sums so issued.

Limits on indebtedness

5 The aggregate of all sums borrowed by NHS trusts which are required to provide or manage services at or from hospitals or other establishments or facilities which are situated in England must not exceed £5,000 million or such other sum not exceeding £10,000 million as may be specified by order made by the Secretary of State with the consent of the Treasury.

Additional public dividend capital

6 The Secretary of State may, with the consent of the Treasury, instead of making a loan to an NHS trust under paragraph 3, pay an amount to the NHS trust as public dividend capital.

Supplementary payments

7 (1) The Secretary of State may make a payment to an NHS trust.
(2) The payment may be subject to such conditions as he considers appropriate, including conditions as to repayment.

**Surplus funds**

8 If it appears to the Secretary of State that any sum held by an NHS trust otherwise than as trustee is surplus to its foreseeable requirements, the trust must, if the Secretary of State with the approval of the Treasury and after consultation with the trust so directs, pay that sum into the Consolidated Fund.

**Investment**

9 (1) An NHS trust has power to invest money held by it in any investments, including investments which do not produce income, specified in directions under section 8.

(2) Sub-paragraph (1) does not apply in relation to money held by an NHS trust as trustee.

10 Any direction under section 8 with respect to—
   (a) the power conferred on an NHS trust by paragraph 3, or
   (b) the maximum amount which an NHS trust may invest in any investments or class of investments,
   may be given only with the consent of the Treasury.

SCHEDULE 6

   (a) the chairman of a Special Health Authority, and
   (b) any member of a Special Health Authority who is appointed by the Secretary of State,
   such remuneration as he may determine with the approval of the Treasury.

(2) The Secretary of State may provide as he may determine with the approval of the Treasury for the payment of a pension, allowance or gratuity to or in respect of the chairman of a Special Health Authority.

(3) Where a person ceases to be chairman of a Special Health Authority, and it appears to the Secretary of State that there are special circumstances which make it right for that person to receive compensation, the Secretary of State may make him a payment of such amount as the Secretary of State may determine with the approval of the Treasury.

(4) The Secretary of State may pay to a member of a Special Health Authority, or of a committee or sub-committee of, or joint committee or joint sub-committee including,
a Special Health Authority, such travelling and other allowances (including attendance allowance or compensation for the loss of remunerative time) as he may determine with the approval of the Treasury.

(5) Allowances may not be paid under sub-paragraph (4) except in connection with the exercise, in such circumstances as the Secretary of State may determine with the approval of the Treasury, of such functions as he may so determine.

(6) Payments under this paragraph must be made at such times, and in such manner and subject to such conditions, as the Secretary of State may determine with the approval of the Treasury.

Staff

1. A Special Health Authority may employ such officers as it may determine.

2. A Special Health Authority may—
   (a) pay its officers such remuneration and allowances, and
   (b) employ them on such other terms and conditions,
       as it may determine.

3. A Special Health Authority must, in exercising its powers under sub-paragraph (1) or (2), act in accordance with regulations and any directions given by the Secretary of State.

4. Regulations and directions under sub-paragraph (3) may make provision with respect to any matter connected with the employment by a Special Health Authority of its officers, including in particular provision—
   (a) with respect to the qualifications of persons who may be employed as officers of a Special Health Authority,
   (b) requiring a Special Health Authority to employ a chief officer and officers of such other descriptions as may be prescribed and to employ, for the purpose of performing prescribed functions of the Special Health Authority or any other body, officers having prescribed qualifications or experience, and
   (c) as to the manner in which any officers of a Special Health Authority must be appointed.

5. A direction under sub-paragraph (3) may relate to a particular officer or class of officer specified in the direction.

6. Regulations and directions under sub-paragraph (3) may provide for approvals or determinations to have effect from a date specified in them.

7. The date may be before or after the date of giving the approvals or making the determinations but may not be before if it would be to the detriment of the officers to whom the approvals or determinations relate.

8. Regulations may provide for the transfer of officers from one Special Health Authority to another Special Health Authority or to a Strategic Health Authority, and for arrangements under which the services of an officer of a Special Health Authority are placed at the disposal of another Special Health Authority, a Strategic Health Authority or a local authority.

9. Sub-paragraph (11) applies where the registration of a dental practitioner in the dentists register is suspended—
(a) by an interim suspension order under section 32 of the Dentists Act 1984 (c. 24) (interim orders), or

(b) by a direction or an order of the Health Committee, the Professional Performance Committee or the Professional Conduct Committee of the General Dental Council under any of sections 27B, 27C or 30 of that Act following a relevant determination that that practitioner's fitness to practise is impaired.

(10) For the purposes of sub-paragraph (9), a “relevant determination” that a practitioner's fitness to practice is impaired is a determination which is based solely on—

(a) the ground mentioned in paragraph (b) of subsection (2) of section 27 of the Dentists Act 1984 (deficient professional performance),

(b) the ground mentioned in paragraph (c) of that subsection (adverse physical or mental health), or

(c) both those grounds.

(11) The suspension does not terminate any contract of employment made between the dental practitioner and a Special Health Authority, but a person whose registration is so suspended must not perform any duties under a contract made between him and a Special Health Authority which involves the practice of dentistry within the meaning of the Dentists Act 1984.

(12) Directions may be given—

(a) by the Secretary of State to a Special Health Authority to place the services of any of its officers at the disposal of another Special Health Authority or of a Strategic Health Authority,

(b) by the Secretary of State to any Special Health Authority to employ as an officer of the Special Health Authority any person who is or was employed by another Special Health Authority or by a Strategic Health Authority and is specified in the direction.

(13) Regulations made in pursuance of this paragraph may not require that all consultants employed by a Special Health Authority must be so employed whole-time.

4

(1) The Secretary of State must, before he makes regulations under paragraph 3, consult such bodies as he may recognise as representing persons who, in his opinion, are likely to be affected by the regulations.

(2) The Secretary of State must, before he gives directions to a Special Health Authority under paragraph 3(12) in respect of any officer of a Special Health Authority—

(a) consult the officer about the directions,

(b) satisfy himself that the Special Health Authority of which he is an officer has consulted the officer about the placing or employment in question, or

(c) in the case of a direction under paragraph 3(12)(a), consult with respect to the directions such body as he may recognise as representing the officer.

(3) But if the Secretary of State—

(a) considers it necessary to give directions under paragraph 3(12)(a) for the purpose of dealing temporarily with an emergency, and

(b) has previously consulted bodies recognised by him as representing the relevant officers about the giving of directions for that purpose,

the Secretary of State may disregard sub-paragraph (2) in relation to the directions.

How pilot schemes may be initiated

1 (1) A pilot scheme may be made—
   (a) on the initiative of a Primary Care Trust, or
   (b) in response to a request made by a person wishing to participate in the scheme.

(2) The request referred to in sub-paragraph (1)(b) must—
   (a) be made in writing, and
   (b) comply with such requirements (if any) as may be prescribed.

Preliminary steps to be taken

2 (1) Before making a pilot scheme, the Primary Care Trust concerned must prepare proposals for the scheme and submit them to the Secretary of State.

(2) But proposals may be submitted by a Primary Care Trust only with the agreement of the other proposed participants.

(3) In preparing proposals for a pilot scheme, a Primary Care Trust must comply with any directions given to it by the Secretary of State as to—
   (a) the matters to be dealt with, and information to be included, in the proposals, and
   (b) the procedure to be followed by the Primary Care Trust.

(4) Before submitting proposals for a pilot scheme, a Primary Care Trust must (in addition to complying with any requirements about consultation imposed by or under any other enactment) comply with any directions given to it by the Secretary of State about the extent to which, and manner in which, it must consult on the proposals.

(5) The Secretary of State may give directions—
(a) requiring a Primary Care Trust to submit proposals to him,
(b) as to the matters to which a Primary Care Trust must have regard in making any recommendation to the Secretary of State when submitting proposals for a pilot scheme,
(c) as to the form in which any such recommendation must be made,
(d) requiring Primary Care Trusts to provide the Secretary of State with summaries (prepared and presented in the manner specified in the directions) of all requests received by them during the period specified in the directions.

(6) A direction under this paragraph may be given so as to apply—
(a) generally in circumstances specified in the direction, or
(b) in relation to a particular case.

Approval

3 (1) If proposals for a pilot scheme are submitted under paragraph 2, the Secretary of State must—
(a) approve them as submitted,
(b) make such modifications as he considers appropriate and approve them as modified, or
(c) reject them.

(2) The Secretary of State may not approve proposals for a pilot scheme unless satisfied that they include satisfactory provision for any participant other than the Primary Care Trust to withdraw from the scheme if he wishes to do so.

(3) When the Secretary of State makes a decision under this paragraph—
(a) he must notify the Primary Care Trust concerned of the decision, and
(b) the Primary Care Trust must, without delay, notify the other participants in the proposed scheme.

Preliminary approval

4 (1) This paragraph applies if a Primary Care Trust proposes to make a pilot scheme but has not determined who the participants, or who all of the participants, will be.

(2) The Primary Care Trust may apply to the Secretary of State for preliminary approval to be given to its proposals.

(3) If such an application is made, the Secretary of State must—
(a) give preliminary approval to the proposals as submitted,
(b) make such modifications as he considers appropriate and give preliminary approval to them as modified, or
(c) reject them.

(4) If a Primary Care Trust is given preliminary approval, it must take such steps, with a view to obtaining final approval for the proposed pilot scheme, as the Secretary of State may direct.

(5) The fact that the Secretary of State has given preliminary approval to proposals for a pilot scheme does not affect his right to refuse to approve the completed proposals when they are submitted under paragraph 2.
(6) Sub-paragraphs (3) to (6) of paragraph 2 apply in relation to an application for preliminary approval of proposals under this paragraph as they apply in relation to proposals under that paragraph.

Effect of proposals on existing services

5 (1) Proposals for a pilot scheme submitted under paragraph 2, or included in an application for preliminary approval of proposals under paragraph 4, must include—
   (a) an assessment by the Primary Care Trust of the likely effect of the implementation of the proposals in the area of the Primary Care Trust on the services mentioned in sub-paragraph (2),
   (b) any assessment supplied to the Primary Care Trust by another Primary Care Trust under sub-paragraph (4).

(2) The services are—
   (a) pharmaceutical services,
   (b) local pharmaceutical services provided under existing pilot schemes or LPS schemes,
   (c) primary medical services.

(3) If it appears to a Primary Care Trust that the proposals would, if implemented, affect any of the services mentioned in sub-paragraph (2) provided in the area of another Primary Care Trust, it must consult that other Primary Care Trust about the proposals before submitting them under paragraph 2 or including them in an application for preliminary approval under paragraph 4.

(4) A Primary Care Trust consulted under sub-paragraph (3) must prepare an assessment of the likely effect of the implementation of the proposals on those services and supply it to the Primary Care Trust which consulted it.

Guidance

6 The Secretary of State may issue guidance about the criteria by reference to which, as a general rule, powers under paragraph 3 or 4 are likely to be exercised.

Making a scheme

7 (1) If the Secretary of State approves proposals for a pilot scheme under paragraph 3 and notifies the Primary Care Trust concerned in accordance with that paragraph, the Primary Care Trust must implement the proposals in accordance with directions given by the Secretary of State.

(2) A proposed participant in a pilot scheme (other than the Primary Care Trust concerned) may withdraw at any time before the proposals relating to him are implemented.

(3) A pilot scheme, as implemented, may differ from the proposals for the scheme approved by the Secretary of State only if he agrees to the variation or—
   (a) directions given by him (either under sub-paragraph (1) or generally) authorise variations that satisfy specified requirements, and
   (b) the variation satisfies those requirements.
(4) As soon as is reasonably practicable after implementing proposals for a pilot scheme, the Primary Care Trust concerned must (in accordance with any directions given to it by the Secretary of State) publish details of the scheme.

SCHEDULE 18

SECTION 75 ARRANGEMENTS: TRANSFER OF STAFF

Application of Schedule

1 This Schedule applies where, under any arrangements under regulations under section 75, any functions of a body (“the transferor”) will be exercised by another body (“the transferee”).

Orders transferring staff

2 (1) The Secretary of State may by order transfer to the transferee any specified description of employees of the transferor.

(2) An order may be made under this paragraph only if any prescribed requirements about consultation have been complied with in relation to each of the employees to be transferred.

Effect of order on contracts of employment

3 (1) The contract of employment of an employee transferred by an order under paragraph 2—

(a) is not terminated by the transfer, and

(b) has effect from the date of the transfer as if originally made between the employee and the transferee.

(2) In particular—

(a) all the rights, powers, duties and liabilities of the transferor under or in connection with the employee's contract of employment are by virtue of this sub-paragraph transferred to the transferee, and

(b) anything done before the date of the transfer by or in relation to the transferor in respect of the employee or his contract of employment is deemed from that date to have been done by or in relation to the transferee.

(3) Sub-paragraphs (1) and (2) do not transfer an employee's contract of employment, or the rights, powers, duties and liabilities under or in connection with it, if he informs the transferor or the transferee that he objects to the transfer.

(4) Where an employee objects as mentioned in sub-paragraph (3), his contract of employment with the transferor is terminated immediately before the date on which the transfer would occur; but he must not be treated, for any purpose, as having been dismissed by that body.

(5) This paragraph does not affect any right of an employee transferred by an order under paragraph 2 to terminate his contract of employment if a substantial change is made to his detriment in his working conditions; but no such right arises by reason only that, under this paragraph, the identity of his employer changes unless the employee shows that, in all the circumstances, the change is a significant change and is to his detriment.
Effect of order on pension rights

4 (1) An order under paragraph 2 may provide that, in the case of an employee of any specified description who is transferred by the order, paragraph 3 does not apply in relation to—
   (a) so much of the employee's contract of employment as relates to relevant pension provisions, or
   (b) any rights, powers, duties or liabilities under or in connection with that contract, or otherwise arising in connection with the employee's employment, and relating to such provisions.

(2) If an order under paragraph 2 provides as mentioned in sub-paragraph (1), the order may in relation to any such employee make such provision (if any) as the Secretary of State considers appropriate with respect to all or any of the matters mentioned in paragraphs (a) and (b) of that sub-paragraph.

(3) The provision which may be made by virtue of sub-paragraph (2) includes provision—
   (a) for any such employee's contract of employment with the transferee to have effect with any specified modifications,
   (b) for relevant pension provisions of any specified description to have effect in the case of any such employee with any such modifications.

(4) In this paragraph “relevant pension provisions” means the provisions of an occupational pension scheme within the meaning of the Pension Schemes Act 1993 (c. 48), with the exception (if the order under paragraph 2 so provides) of any provisions of such a scheme falling within a description specified in the order.

Divided employments

5 (1) Where an employee will be transferred by an order under paragraph 2 but will continue to be employed for certain purposes by the transferor, the order may provide that the contract of employment of the employee is, on the date on which the employee is transferred, divided so as to constitute two separate contracts of employment between the employee and the transferor and between the employee and the transferee.

(2) Where an employee's contract of employment is divided as provided under sub-paragraph (1)—
   (a) the order must provide for paragraph 3 to have effect in the case of the employee and his contract of employment subject to appropriate modifications, and
   (b) paragraph 4 similarly applies only so far as appropriate in connection with the employee's employment by the transferee.

SCHEDULE 21

PROHIBITION OF SALE OF MEDICAL PRACTICES

Prohibition, and certificate of the Secretary of State

1 (1) Any person who sells or buys the goodwill of a medical practice which it is unlawful to sell by virtue of section 259 is guilty of an offence and liable on conviction on indictment to a fine not exceeding—

(a) such amount as will in the court's opinion secure that he derives no benefit from the offence, and

(b) the further amount of £500,

or to imprisonment for a term not exceeding three months, or both.

(2) Any person proposing to be a party to a transaction or series of transactions which he considers might amount to a sale of the goodwill of a medical practice in contravention of section 259 may ask the Secretary of State for a certificate under this paragraph.

(3) The Secretary of State must—

(a) consider any such application, and

(b) if he is satisfied that the transaction or series of transactions does not involve the giving of valuable consideration in respect of the goodwill of such a medical practice, issue to the applicant a certificate to that effect.

(4) The certificate must—

(a) be in the prescribed form, and

(b) set out all material circumstances disclosed to the Secretary of State.

(5) Where any person is charged with an offence under this paragraph in respect of any transaction or series of transactions, it is a defence to prove that the transaction or series of transactions was certified by the Secretary of State under sub-paragraph (3).

(6) Any document purporting to be such a certificate is admissible in evidence and is deemed to be such a certificate unless the contrary is proved.

(7) The court may disregard such a certificate if it appears to the court that the applicant for the certificate—
(a) failed to disclose to the Secretary of State all the material circumstances, or
(b) made any misrepresentation with respect to the material circumstances.

(8) A prosecution for an offence under this paragraph may be instituted only by or with the consent of the Director of Public Prosecutions, and the Secretary of State must, at the request of the Director, furnish him with—
(a) a copy of any certificate issued by the Secretary of State under sub-paragraph (3), and
(b) copies of any documents produced to him in connection with the application for that certificate.

Certain transactions deemed sale of goodwill

(1) For the purposes of section 259 and paragraph 1, a disposal of premises previously used for the purposes of a medical practice is deemed to be a sale of the goodwill of a medical practice if—
(a) the person disposing of the premises did so knowing that another person (“A”) intended to use them for the purposes of A's medical practice, and
(b) the consideration for the disposal substantially exceeded the consideration that might reasonably have been expected if the premises had not previously been used for the purposes of a medical practice.

(2) If a person disposes of any premises together with any other property, the court must, for the purposes of sub-paragraph (1), make such apportionment of the consideration as it considers just.

(3) For the purposes of sub-paragraphs (1) and (2)—
(a) “disposal” means any sale, letting or other form of disposal (whether by a single transaction or a series of transactions) and “disposes” and “disposing” must be read accordingly, and
(b) a person who procures the disposal of any premises must be treated as having disposed of them.

(4) Where in pursuance of any partnership agreement—
(a) any valuable consideration, other than the performance of services in the partnership business, is given by a partner or proposed partner as consideration for his being taken into partnership,
(b) any valuable consideration is given to a partner, on or in contemplation of his retirement or of his acceptance of a reduced share of the partnership profits, or to the personal representative of a partner on his death, not being a payment in respect of that partner's share in past earnings of the partnership or in any partnership assets or any other payment required to be made to him as the result of the final settlement of accounts, as between him and the other partners, in respect of past transactions of the partnership, or
(c) services are performed by any partner for a consideration substantially less than those services might reasonably have been expected to be worth having regard to the circumstances at the time when the agreement was made,
there is deemed for the purposes of section 259 and paragraph 1 to have been a sale of goodwill as specified in sub-paragraph (5).

(5) The sale of goodwill is the sale of the goodwill of the practice—
(a) of any partner to whom, or to whose personal representative, the consideration (or any part of it) is given or for whose benefit the services are performed,

(b) to the partner or each of the partners by or on whose behalf the consideration (or any part of it) was given or to the partner who performed the services.

(6) The sale is deemed for the purposes of section 259 and paragraph 1 to have been effected—

(a) in a case to which sub-paragraph (4)(a) or (b) applies, at the time when the consideration was given, or, if the consideration was not all given at the same time, at the time when the first part was given, or

(b) in a case to which sub-paragraph (4)(c) applies, at the time when the agreement was made.

(7) Sub-paragraph (8) applies if a person (“the assistant”—

(a) performs services on behalf of a person who carries on a medical practice (or as an employee of a person employing a practitioner who carries on a medical practice),

(b) receives substantially less remuneration for performing those services than might reasonably have been expected, having regard to the circumstances at the time when the remuneration was fixed, and

(c) subsequently succeeds, whether as a result of a partnership agreement or otherwise, to that practice.

(8) For the purposes of section 259 and paragraph 1, a sale of the goodwill of the practice is deemed to have taken place (at the time when the remuneration was fixed) unless it is proved that the remuneration was not fixed in contemplation of the assistant's succeeding to the practice.

(9) For the purposes of section 259 and paragraph 1, the goodwill of a medical practice is deemed to have been sold if sub-paragraph (10) or (11) applies.

(10) This sub-paragraph applies where a person carrying on the practice (or employing a practitioner who carries on a medical practice) agrees, for valuable consideration—

(a) to do or refrain from doing any act for the purpose of facilitating the succession of another to the practice, or

(b) to allow any act to be done for that purpose.

(11) This sub-paragraph applies where a person—

(a) gives valuable consideration to a person carrying on the practice (or employing a practitioner who carries on a medical practice), and

(b) succeeds, or has previously succeeded, to the practice.

(12) Sub-paragraph (9) does not apply if it is proved that no part of the consideration was given in respect of the goodwill.

(13) Sub-paragraph (9) does not apply to anything done—

(a) in relation to the acquisition of premises for the purposes of a medical practice,

(b) in pursuance of a partnership agreement, or

(c) in the performance of medical services by one person as an assistant to another.
Consideration

3 (1) In determining for the purposes of section 259 and this Schedule the consideration given in respect of any transaction, the court must—
   (a) have regard to any other transaction appearing to the court to be associated with the first transaction,
   (b) estimate the total consideration given in respect of both or all the transactions, and
   (c) apportion the total between the transactions in such manner as the court considers just.

(2) For the purposes of section 259 and this Schedule consideration is deemed to be given to a person (“B”) if—
   (a) it is given to another person but with B's knowledge and consent, and
   (b) it appears to the court that B has derived, or will derive, a substantial benefit from the giving of the consideration.

Carried-over goodwill

4 The fact that a person’s medical practice was previously carried on by another person who at any time provided or performed services as specified in section 259 does not, by itself, make it unlawful under section 259 for the goodwill of his practice to be sold.

Interpretation

5 In section 259 and this Schedule, unless the context otherwise requires, references to a person include, in the case of an individual who has died, references to his personal representative.

   (b) with permission granted by or on behalf of a Minister of the Crown.

6 Paragraph 5 does not apply if—

(2) The power conferred by this paragraph to require any person to produce documents includes power—
    (a) if the documents are produced, to take copies of them or extracts from them and to require that person, or where that person is a body corporate, any other person who is a present or past officer of, or is employed by, the body corporate, to provide an explanation of any of them,
