Preliminary

45 Regulation of public charitable collections

(1) This Chapter regulates public charitable collections, which are of the following two types—
(a) collections in a public place; and
(b) door to door collections.

(2) For the purposes of this Chapter—
(a) “public charitable collection” means (subject to section 46) a charitable appeal which is made—
   (i) in any public place, or
   (ii) by means of visits to houses or business premises (or both);
(b) “charitable appeal” means an appeal to members of the public which is—
   (i) an appeal to them to give money or other property, or
   (ii) an appeal falling within subsection (4),
   (or both) and which is made in association with a representation that the whole or any part of its proceeds is to be applied for charitable, benevolent or philanthropic purposes;
(c) a “collection in a public place” is a public charitable collection that is made in a public place, as mentioned in paragraph (a)(i);
(d) a “door to door collection” is a public charitable collection that is made by means of visits to houses or business premises (or both), as mentioned in paragraph (a)(ii).

(3) For the purposes of subsection (2)(b)—
(a) the reference to the giving of money is to doing so by whatever means; and
(b) it does not matter whether the giving of money or other property is for consideration or otherwise.

(4) An appeal falls within this subsection if it consists in or includes—
(a) the making of an offer to sell goods or to supply services, or
(b) the exposing of goods for sale,
to members of the public.

(5) In this section—

“business premises” means any premises used for business or other commercial purposes;
“house” includes any part of a building constituting a separate dwelling;
“public place” means—
(a) any highway, and
(b) (subject to subsection (6)) any other place to which, at any time when the appeal is made, members of the public have or are permitted to have access and which either—
(i) is not within a building, or
(ii) if within a building, is a public area within any station, airport or shopping precinct or any other similar public area.

(6) In subsection (5), paragraph (b) of the definition of “public place” does not include—
(a) any place to which members of the public are permitted to have access only if any payment or ticket required as a condition of access has been made or purchased; or
(b) any place to which members of the public are permitted to have access only by virtue of permission given for the purposes of the appeal in question.

46 Charitable appeals that are not public charitable collections

(1) A charitable appeal is not a public charitable collection if the appeal—
(a) is made in the course of a public meeting; or
(b) is made—
(i) on land within a churchyard or burial ground contiguous or adjacent to a place of public worship, or
(ii) on other land occupied for the purposes of a place of public worship and contiguous or adjacent to it, where the land is enclosed or substantially enclosed (whether by any wall or building or otherwise); or
(c) is made on land to which members of the public have access only—
(i) by virtue of the express or implied permission of the occupier of the land, or
(ii) by virtue of any enactment, and the occupier is the promoter of the collection; or
(d) is an appeal to members of the public to give money or other property by placing it in an unattended receptacle.

(2) For the purposes of subsection (1)(c) “the occupier”, in relation to unoccupied land, means the person entitled to occupy it.
(3) For the purposes of subsection (1)(d) a receptacle is unattended if it is not in the possession or custody of a person acting as a collector.

(6) In subsection (5) “goods” includes all personal chattels other than things in action and money.

50 Exemption for local, short-term collections

(1) A public charitable collection is an exempt collection if—
(a) it is a local, short-term collection (see subsection (2)), and
(b) the promoters notify the local authority in whose area it is to be conducted of the matters mentioned in subsection (3) within the prescribed period falling before the day (or the first of the days) on which the collection takes place, unless, within the prescribed period beginning with the date when they are so notified, the local authority serve a notice under subsection (4) on the promoters.

every promoter of the collection is guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale.

Public collections certificates

51 Applications for certificates

(1) A person or persons proposing to promote public charitable collections (other than exempt collections) may apply to the Charity Commission for a public collections certificate in respect of those collections.

(2) The application must be made—

(a) within the specified period falling before the first of the collections is to commence, or

(b) before such later date as the Commission may allow in the case of that application.

(3) The application must—

(a) be made in such form as may be specified,

(b) specify the period for which the certificate is sought (which must be no more than 5 years), and

(c) contain such other information as may be specified.

(4) An application under this section may be made for a public collections certificate in respect of a single collection; and the references in this Chapter, in the context of such certificates, to public charitable collections are to be read accordingly.

(5) In subsections (2) and (3) “specified” means specified in regulations made by the Commission after consulting such persons or bodies of persons as it considers appropriate.

(6) Regulations under subsection (5)—

(a) must be published in such manner as the Commission considers appropriate,

(b) may make different provision for different cases or descriptions of case, and

(c) may make such incidental, supplementary, consequential or transitional provision as the Commission considers appropriate.

(7) In this section “exempt collection” means a public charitable collection which is an exempt collection by virtue of section 50.
52 Determination of applications and issue of certificates

(1) On receiving an application for a public collections certificate made in accordance with section 51, the Commission may make such inquiries (whether under section 54 or otherwise) as it thinks fit.

(2) The Commission must, after making any such inquiries, determine the application by either—
   (a) issuing a public collections certificate in respect of the collections, or
   (b) refusing the application on one or more of the grounds specified in section 53(1).

(3) A public collections certificate—
   (a) must specify such matters as may be prescribed, and
   (b) shall (subject to section 56) be in force for—
      (i) the period specified in the application in accordance with section 51(3)(b), or
      (ii) such shorter period as the Commission thinks fit.

(4) The Commission may, at the time of issuing a public collections certificate, attach to it such conditions as it thinks fit.

(5) Conditions attached under subsection (4) may include conditions prescribed for the purposes of that subsection.

(6) The Commission must secure that the terms of any conditions attached under subsection (4) are consistent with the provisions of any regulations under section 63 (whether or not prescribing conditions for the purposes of that subsection).

(7) Where the Commission—
   (a) refuses to issue a certificate, or
   (b) attaches any condition to it,
   it must serve on the applicant written notice of its decision and the reasons for its decision.

(8) That notice must also state the right of appeal conferred by section 57(1) and the time within which such an appeal must be brought.

53 Grounds for refusing to issue a certificate

(1) The grounds on which the Commission may refuse an application for a public collections certificate are—
   (a) that the applicant has been convicted of a relevant offence;
   (b) where the applicant is a person other than a charitable, benevolent or philanthropic institution for whose benefit the collections are proposed to be conducted, that the Commission is not satisfied that the applicant is authorised (whether by any such institution or by any person acting on behalf of any such institution) to promote the collections;
   (c) that it appears to the Commission that the applicant, in promoting any other collection authorised under this Chapter or under section 119 of the 1982 Act, failed to exercise the required due diligence;
   (d) that the Commission is not satisfied that the applicant will exercise the required due diligence in promoting the proposed collections;
(e) that it appears to the Commission that the amount likely to be applied for charitable, benevolent or philanthropic purposes in consequence of the proposed collections would be inadequate, having regard to the likely amount of the proceeds of the collections;

(f) that it appears to the Commission that the applicant or any other person would be likely to receive an amount by way of remuneration in connection with the collections that would be excessive, having regard to all the circumstances;

(g) that the applicant has failed to provide information—
   (i) required for the purposes of the application for the certificate or a previous application, or
   (ii) in response to a request under section 54(1);

(h) that it appears to the Commission that information so provided to it by the applicant is false or misleading in a material particular;

(i) that it appears to the Commission that the applicant or any person authorised by him—
   (i) has breached any conditions attached to a previous public collections certificate, or
   (ii) has persistently breached any conditions attached to a permit issued under section 59;

(j) that it appears to the Commission that the applicant or any person authorised by him has on any occasion breached any provision of regulations made under section 63(1)(b).

(2) For the purposes of subsection (1)—

(a) a “relevant offence” is—
   (i) an offence under section 5 of the 1916 Act;
   (ii) an offence under the 1939 Act;
   (iii) an offence under section 119 of the 1982 Act or regulations made under it;
   (iv) an offence under this Chapter;
   (v) an offence involving dishonesty; or
   (vi) an offence of a kind the commission of which would, in the opinion of the Commission, be likely to be facilitated by the issuing to the applicant of a public collections certificate; and

(b) the “required due diligence” is due diligence—
   (i) to secure that persons authorised by the applicant to act as collectors for the purposes of the collection were (or will be) fit and proper persons;
   (ii) to secure that such persons complied (or will comply) with the provisions of regulations under section 63(1)(b) of this Act or (as the case may be) section 119 of the 1982 Act; or
   (iii) to prevent badges or certificates of authority being obtained by persons other than those the applicant had so authorised.

(3) Where an application for a certificate is made by more than one person, any reference to the applicant in subsection (1) or (2) is to be construed as a reference to any of the applicants.

(4) Subject to subsections (5) and (6), the reference in subsection (2)(b)(iii) to badges or certificates of authority is a reference to badges or certificates of authority in a form...
prescribed by regulations under section 63(1)(b) of this Act or (as the case may be) under section 119 of the 1982 Act.

(5) Subsection (2)(b) applies to the conduct of the applicant (or any of the applicants) in relation to any public charitable collection authorised—

(a) under regulations made under section 5 of the 1916 Act (collection of money or sale of articles in a street or other public place), or

(b) under the 1939 Act (collection of money or other property by means of visits from house to house),

as it applies to his conduct in relation to a collection authorised under this Chapter, but subject to the modifications set out in subsection (6).

(6) The modifications are—

(a) in the case of a collection authorised under regulations made under the 1916 Act—

(i) the reference in subsection (2)(b)(ii) to regulations under section 63(1)(b) of this Act is to be construed as a reference to the regulations under which the collection in question was authorised, and

(ii) the reference in subsection (2)(b)(iii) to badges or certificates of authority is to be construed as a reference to any written authority provided to a collector pursuant to those regulations; and

(b) in the case of a collection authorised under the 1939 Act—

(i) the reference in subsection (2)(b)(ii) to regulations under section 63(1)(b) of this Act is to be construed as a reference to regulations under section 4 of that Act, and

(ii) the reference in subsection (2)(b)(iii) to badges or certificates of authority is to be construed as a reference to badges or certificates of authority in a form prescribed by such regulations.

(7) In subsections (1)(c) and (5) a reference to a collection authorised under this Chapter is a reference to a public charitable collection that—

(a) is conducted in accordance with section 48 or section 49 (as the case may be), or

(b) is an exempt collection by virtue of section 50.

(8) In this section—

“the 1916 Act” means the Police, Factories, &c. (Miscellaneous Provisions) Act 1916 (c. 31);

“the 1939 Act” means the House to House Collections Act 1939 (c. 44); and

“the 1982 Act” means the Civic Government (Scotland) Act 1982 (c. 45).

54 Power to call for information and documents

(1) The Commission may request—

(a) any applicant for a public collections certificate, or

(b) any person to whom such a certificate has been issued,

to provide it with any information in his possession, or document in his custody or under this control, which is relevant to the exercise of any of its functions under this Chapter.
(2) Nothing in this section affects the power conferred on the Commission by [section 52 of the Charities Act 2011].

55 Transfer of certificate between trustees of unincorporated charity

(1) One or more individuals to whom a public collections certificate has been issued (“the holders”) may apply to the Commission for a direction that the certificate be transferred to one or more other individuals (“the recipients”).

(2) An application under subsection (1) must—
   (a) be in such form as may be specified, and
   (b) contain such information as may be specified.

(3) The Commission may direct that the certificate be transferred if it is satisfied that—
   (a) each of the holders is or was a trustee of a charity which is not a body corporate;
   (b) each of the recipients is a trustee of that charity and consents to the transfer; and
   (c) the charity trustees consent to the transfer.

(4) Where the Commission refuses to direct that a certificate be transferred, it must serve on the holders written notice of—
   (a) its decision, and
   (b) the reasons for its decision.

(5) That notice must also state the right of appeal conferred by section 57(2) and the time within which such an appeal must be brought.

(6) Subsections (5) and (6) of section 51 apply for the purposes of subsection (2) of this section as they apply for the purposes of subsection (3) of that section.

(7) Except as provided by this section, a public collections certificate is not transferable.

56 Withdrawal or variation etc. of certificates

(1) Where subsection (2), (3) or (4) applies, the Commission may—
   (a) withdraw a public collections certificate,
   (b) suspend such a certificate,
   (c) attach any condition (or further condition) to such a certificate, or
   (d) vary any existing condition of such a certificate.

(2) This subsection applies where the Commission—
   (a) has reason to believe there has been a change in the circumstances which prevailed at the time when it issued the certificate, and
(b) is of the opinion that, if the application for the certificate had been made in
the new circumstances, it would not have issued the certificate or would have
issued it subject to different or additional conditions.

(3) This subsection applies where—
   (a) the holder of a certificate has unreasonably refused to provide any information
       or document in response to a request under section 54(1), or
   (b) the Commission has reason to believe that information provided to it by the
       holder of a certificate (or, where there is more than one holder, by any of them)
       for the purposes of the application for the certificate, or in response to such a
       request, was false or misleading in a material particular.

(4) This subsection applies where the Commission has reason to believe that there has
been or is likely to be a breach of any condition of a certificate, or that a breach of
such a condition is continuing.

(5) Any condition imposed at any time by the Commission under subsection (1) (whether
by attaching a new condition to the certificate or by varying an existing condition)
must be one that it would be appropriate for the Commission to attach to the certificate
under section 52(4) if the holder was applying for it in the circumstances prevailing
at that time.

(6) The exercise by the Commission of the power conferred by paragraph (b), (c) or
(d) of subsection (1) on one occasion does not prevent it from exercising any of the
powers conferred by that subsection on a subsequent occasion; and on any subsequent
occasion the reference in subsection (2)(a) to the time when the Commission issued
the certificate is a reference to the time when it last exercised any of those powers.

(7) Where the Commission—
   (a) withdraws or suspends a certificate,
   (b) attaches a condition to a certificate, or
   (c) varies an existing condition of a certificate,
       it must serve on the holder written notice of its decision and the reasons for its decision.

(8) That notice must also state the right of appeal conferred by section 57(3) and the time
within which such an appeal must be brought.

(9) If the Commission—
   (a) considers that the interests of the public require a decision by it under this
       section to have immediate effect, and
   (b) includes a statement to that effect and the reasons for it in the notice served
       under subsection (7),
       the decision takes effect when that notice is served on the holder.

(10) In any other case the certificate shall continue to have effect as if it had not been
     withdrawn or suspended or (as the case may be) as if the condition had not been
     attached or varied—
     (a) until the time for bringing an appeal under section 57(3) has expired, or
     (b) if such an appeal is duly brought, until the determination or abandonment of
         the appeal.

(11) A certificate suspended under this section shall (subject to any appeal and any
     withdrawal of the certificate) remain suspended until—
(a) such time as the Commission may by notice direct that the certificate is again in force, or
(b) the end of the period of six months beginning with the date on which the suspension takes effect, whichever is the sooner.

Appeals against decisions of the Commission

(1) A person who has duly applied to the Commission for a public collections certificate may appeal to the Tribunal against a decision of the Commission under section 52—

(a) to refuse to issue the certificate, or
(b) to attach any condition to it.

(2) A person to whom a public collections certificate has been issued may appeal to the Tribunal against a decision of the Commission not to direct that the certificate be transferred under section 55.

(3) A person to whom a public collections certificate has been issued may appeal to the Tribunal against a decision of the Commission under section 56—

(a) to withdraw or suspend the certificate,
(b) to attach a condition to the certificate, or
(c) to vary an existing condition of the certificate.

(4) The Attorney General may appeal to the Tribunal against a decision of the Commission—

(a) to issue, or to refuse to issue, a certificate,
(b) to attach, or not to attach, any condition to a certificate (whether under section 52 or section 56),
(c) to direct, or not to direct, that a certificate be transferred under section 55,
(d) to withdraw or suspend, or not to withdraw or suspend, a certificate, or
(e) to vary, or not to vary, an existing condition of a certificate.

(5) In determining an appeal under this section, the Tribunal—

(a) must consider afresh the decision appealed against, and
(b) may take into account evidence which was not available to the Commission.

(6) On an appeal under this section, the Tribunal may—

(a) dismiss the appeal,
(b) quash the decision, or
(c) substitute for the decision another decision of a kind that the Commission could have made;

and in any case the Tribunal may give such directions as it thinks fit, having regard to the provisions of this Chapter and of regulations under section 63.

(7) If the Tribunal quashes the decision, it may remit the matter to the Commission (either generally or for determination in accordance with a finding made or direction given by the Tribunal).

[109] (8) In this section “the Tribunal”, in relation to any appeal under this section, means—
Applications for permits to conduct collections in public places

(1) A person or persons proposing to promote a collection in a public place (other than an exempt collection) in the area of a local authority may apply to the authority for a permit to conduct that collection.

(2) The application must be made within the prescribed period falling before the day (or the first of the days) on which the collection is to take place, except as provided in subsection (4).

(3) The application must—
   (a) specify the date or dates in respect of which it is desired that the permit, if issued, should have effect (which, in the case of two or more dates, must not span a period of more than 12 months);
   (b) be accompanied by a copy of the public collections certificate in force under section 52 in respect of the proposed collection; and
   (c) contain such information as may be prescribed.

(4) Where an application (“the certificate application”) has been made in accordance with section 51 for a public collections certificate in respect of the collection and either—
   (a) the certificate application has not been determined by the end of the period mentioned in subsection (2) above, or
   (b) the certificate application has been determined by the issue of such a certificate but at a time when there is insufficient time remaining for the application mentioned in subsection (2) (“the permit application”) to be made by the end of that period,

the permit application must be made as early as practicable before the day (or the first of the days) on which the collection is to take place.

(5) In this section “exempt collection” means a collection in a public place which is an exempt collection by virtue of section 50.
59 Determination of applications and issue of permits

(1) On receiving an application made in accordance with section 58 for a permit in respect of a collection in a public place, a local authority must determine the application within the prescribed period by either—
   (a) issuing a permit in respect of the collection, or
   (b) refusing the application on the ground specified in section 60(1).

(2) Where a local authority issue such a permit, it shall (subject to section 61) have effect in respect of the date or dates specified in the application in accordance with section 58(3)(a).

(3) At the time of issuing a permit under this section, a local authority may attach to it such conditions within paragraphs (a) to (d) below as they think fit, having regard to the local circumstances of the collection—
   (a) conditions specifying the day of the week, date, time or frequency of the collection;
   (b) conditions specifying the locality or localities within their area in which the collection may be conducted;
   (c) conditions regulating the manner in which the collection is to be conducted;
   (d) such other conditions as may be prescribed for the purposes of this subsection.

(4) A local authority must secure that the terms of any conditions attached under subsection (3) are consistent with the provisions of any regulations under section 63 (whether or not prescribing conditions for the purposes of that subsection).

(5) Where a local authority—
   (a) refuse to issue a permit, or
   (b) attach any condition to it,
they must serve on the applicant written notice of their decision and the reasons for their decision.

(6) That notice must also state the right of appeal conferred by section 62(2) and the time within which such an appeal must be brought.

60 Refusal of permits

(1) The only ground on which a local authority may refuse an application for a permit to conduct a collection in a public place is that it appears to them that the collection would cause undue inconvenience to members of the public by reason of—
   (a) the day or the week or date on or in which,
   (b) the time at which,
   (c) the frequency with which, or
   (d) the locality or localities in which,
it is proposed to be conducted.

(2) In making a decision under subsection (1), a local authority may have regard to the fact (where it is the case) that the collection is proposed to be conducted—
   (a) wholly or partly in a locality in which another collection in a public place is already authorised to be conducted under this Chapter, and
   (b) on a day on which that other collection is already so authorised, or on the day falling immediately before, or immediately after, any such day.
(3) A local authority must not, however, have regard to the matters mentioned in subsection (2) if it appears to them—
   (a) that the proposed collection would be conducted only in one location, which
       is on land to which members of the public would have access only—
       (i) by virtue of the express or implied permission of the occupier of the
           land, or
       (ii) by virtue of any enactment, and
   (b) that the occupier of the land consents to that collection being conducted there;
       and for this purpose “the occupier”, in relation to unoccupied land, means the person
       entitled to occupy it.

(4) In this section a reference to a collection in a public place authorised under this Chapter
    is a reference to a collection in a public place that—
    (a) is conducted in accordance with section 48, or
    (b) is an exempt collection by virtue of section 50.

61 Withdrawal or variation etc. of permits

(1) Where subsection (2), (3) or (4) applies, a local authority who have issued a permit
    under section 59 may—
    (a) withdraw the permit,
    (b) attach any condition (or further condition) to the permit, or
    (c) vary any existing condition of the permit.

(2) This subsection applies where the local authority—
    (a) have reason to believe that there has been a change in the circumstances which
        prevailed at the time when they issued the permit, and
    (b) are of the opinion that, if the application for the permit had been made in
        the new circumstances, they would not have issued the permit or would have
        issued it subject to different or additional conditions.

(3) This subsection applies where the local authority have reason to believe that any
    information provided to them by the holder of a permit (or, where there is more than
    one holder, by any of them) for the purposes of the application for the permit was false
    or misleading in a material particular.

(4) This subsection applies where the local authority have reason to believe that there has
    been or is likely to be a breach of any condition of a permit issued by them, or that a
    breach of such a condition is continuing.

(5) Any condition imposed at any time by a local authority under subsection (1) (whether
    by attaching a new condition to the permit or by varying an existing condition) must
    be one that it would be appropriate for the authority to attach to the permit under
    section 59(3) if the holder was applying for it in the circumstances prevailing at that
    time.

(6) The exercise by a local authority of the power conferred by paragraph (b) or (c) of
    subsection (1) on one occasion does not prevent them from exercising any of the
    powers conferred by that subsection on a subsequent occasion; and on any subsequent
    occasion the reference in subsection (2)(a) to the time when the local authority issued
    the permit is a reference to the time when they last exercised any of those powers.
(7) Where under this section a local authority—
   (a) withdraw a permit,
   (b) attach a condition to a permit, or
   (c) vary an existing condition of a permit,
they must serve on the holder written notice of their decision and the reasons for their decision.

(8) That notice must also state the right of appeal conferred by section 62(3) and the time within which such an appeal must be brought.

(9) Where a local authority withdraw a permit under this section, they must send a copy of their decision and the reasons for it to the Commission.

(10) Where a local authority under this section withdraw a permit, attach any condition to a permit, or vary an existing condition of a permit, the permit shall continue to have effect as if it had not been withdrawn or (as the case may be) as if the condition had not been attached or varied—
   (a) until the time for bringing an appeal under section 62(3) has expired, or
   (b) if such an appeal is duly brought, until the determination or abandonment of the appeal.

62 Appeals against decisions of local authority

(1) A person who, in relation to a public charitable collection, has duly notified a local authority of the matters mentioned in section 50(3) may appeal to a magistrates' court against a decision of the local authority under section 50(4)—
   (a) that the collection is not a local, short-term collection, or
   (b) that the promoters or any of them has breached any such provision, or been convicted of any such offence, as is mentioned in paragraph (b) of that subsection.

(2) A person who has duly applied to a local authority for a permit to conduct a collection in a public place in the authority's area may appeal to a magistrates' court against a decision of the authority under section 59—
   (a) to refuse to issue a permit, or
   (b) to attach any condition to it.

(3) A person to whom a permit has been issued may appeal to a magistrates' court against a decision of the local authority under section 61—
   (a) to withdraw the permit,
   (b) to attach a condition to the permit, or
   (c) to vary an existing condition of the permit.

(4) An appeal under subsection (1), (2) or (3) shall be by way of complaint for an order, and the Magistrates' Courts Act 1980 (c. 43) shall apply to the proceedings.

(5) Any such appeal shall be brought within 14 days of the date of service on the person in question of the relevant notice under section 50(4), section 59(5) or (as the case may be) section 61(7); and for the purposes of this section an appeal shall be taken to be brought when the complaint is made.
(6) An appeal against the decision of a magistrates' court on an appeal under subsection (1), (2) or (3) may be brought to the Crown Court.

(7) On an appeal to a magistrates' court or the Crown Court under this section, the court may confirm, vary or reverse the local authority's decision and generally give such directions as it thinks fit, having regard to the provisions of this Chapter and of any regulations under section 63.

(8) On an appeal against a decision of a local authority under section 50(4), directions under subsection (7) may include a direction that the collection may be conducted—
   (a) on the date or dates notified in accordance with section 50(3)(b), or
   (b) on such other date or dates as may be specified in the direction;
   and if so conducted the collection is to be regarded as one that is an exempt collection by virtue of section 50.

(9) It shall be the duty of the local authority to comply with any directions given by the court under subsection (7); but the authority need not comply with any directions given by a magistrates' court—
   (a) until the time for bringing an appeal under subsection (6) has expired, or
   (b) if such an appeal is duly brought, until the determination or abandonment of the appeal.

---

68 Statements indicating benefits for charitable institutions and collectors

After section 60 of the 1992 Act insert—

“60A Other persons making appeals required to indicate institutions benefiting and arrangements for remuneration

(1) Subsections (1) and (2) of section 60 apply to a person acting for reward as a collector in respect of a public charitable collection as they apply to a professional fund-raiser.
(2) But those subsections do not so apply to a person excluded by virtue of—
   (a) subsection (3) below, or
   (b) section 60B(1) (exclusion of lower-paid collectors).

(3) Those subsections do not so apply to a person if—
   (a) section 60(1) or (2) applies apart from subsection (1) (by virtue of the exception in section 58(2)(c) for persons treated as promoters), or
   (b) subsection (4) or (5) applies,

(6) Regulations under this section may provide that a person who persistently fails, without reasonable excuse, to comply with any specified requirement of the regulations is to be guilty of an offence and liable on summary conviction to a fine not exceeding level 2 on the standard scale.

(7) For the purposes of this section—
