Part 3: Bus Services

Section 33: Continuation of schemes for areas in England: procedure

109. This section inserts a new section 131C into the TA 2000, setting out the procedures to be followed where an authority wishes for a scheme in England to continue in operation beyond its initial period. Earlier sections of the TA 2000 are applied with modifications, depending on whether or not the proposal to continue the scheme is an exempt continuation proposal.
