(1) This section applies in relation to an application for an order granting development consent if [^{F241}a national policy statement has effect in relation to development of the description to which the application relates].

(2) In deciding the application the [^{F242}Secretary of State] must have regard to—

(a) any national policy statement which has effect in relation to development of the description to which the application relates (a “relevant national policy statement”),

[^{F243}(aa) the appropriate marine policy documents (if any), determined in accordance with section 59 of the Marine and Coastal Access Act 2009;]

(b) any local impact report (within the meaning given by section 60(3)) submitted to the [^{F244}Secretary of State] before the deadline specified in a notice under section 60(2),

(c) any matters prescribed in relation to development of the description to which the application relates, and

(d) any other matters which the [^{F242}Secretary of State] thinks are both important and relevant to [^{F245}the Secretary of State's] decision.

Status: Point in time view as at 01/04/2019. This version of this Act contains provisions that are prospective.

Changes to legislation: Planning Act 2008 is up to date with all changes known to be in force on or before 19 June 2024. There are changes that may be brought into force at a future date. - (3) The [^{F246}Secretary of State] must decide the application in accordance with any relevant national policy statement, except to the extent that one or more of subsections (4) to (8) applies.
- (4) This subsection applies if the [^{F247}Secretary of State] is satisfied that deciding the application in accordance with any relevant national policy statement would lead to the United Kingdom being in breach of any of its international obligations.
- (5) This subsection applies if the [^{F248}Secretary of State is] satisfied that deciding the application in accordance with any relevant national policy statement would lead to the [^{F249}Secretary of State being in breach of any duty imposed on the Secretary of State] by or under any enactment.
- (6) This subsection applies if the [^{F250}Secretary of State] is satisfied that deciding the application in accordance with any relevant national policy statement would be unlawful by virtue of any enactment.
- (7) This subsection applies if the [^{F251}Secretary of State] is satisfied that the adverse impact of the proposed development would outweigh its benefits.
- (8) This subsection applies if the [^{F252}Secretary of State] is satisfied that any condition prescribed for deciding an application otherwise than in accordance with a national policy statement is met.
- (9) For the avoidance of doubt, the fact that any relevant national policy statement identifies a location as suitable (or potentially suitable) for a particular description of development does not prevent one or more of subsections (4) to (8) from applying.
