Part 7: Office of Qualifications and Examinations Regulation

Chapter 2: Functions in relation to qualifications

Register

Section 148: Register

445. This section sets out Ofqual's obligation to maintain a register of recognised bodies, the details of the qualifications in respect of which they are recognised and forms of those qualifications that they offer, including the number of guided learning hours assigned to the forms of qualification where appropriate. The register may include other information that Ofqual considers appropriate, so it could for example choose to include details of qualifications that are regulated in other parts of the UK should the authorities there decide to work alongside Ofqual in this way.
