Back of card

Referendum on the voting system for United Kingdom parliamentary elections

This card is for information only. You can vote without it, but it will save time if you take it to the polling station and show it to the clerk there. Remember that you will not be able to vote unless you show an approved form of photographic identification.

When you go to the polling station, tell the clerk your name and address, as shown on the front of the card and show your photographic identification. If the clerk is satisfied that you are entitled to vote you will be given a ballot paper.

Go to one of the compartments. Mark a cross (X) in the box on the right hand side of the ballot paper opposite the answer you are voting for.

Fold the ballot paper in two. Show the number and other unique identifying mark to the presiding officer, but do not let anyone see your vote. Put the ballot paper in the ballot box and leave the polling station.

Vote in one box only. Put no other mark on the ballot paper, or your vote may not be counted.

If by mistake you spoil a ballot paper, show it to the presiding officer and ask for another one.

If you are given a postal vote for this referendum, you will not be able to vote in person in the referendum so please ignore this poll card.

If you have appointed a proxy to vote for you, you may nevertheless vote in this referendum yourself provided you do so before your proxy has voted on your behalf and provided your proxy is not entitled to vote on your behalf by post.

If you need help with voting please ask the clerk who will explain the assistance which can be provided.

To obtain information in relation to the approved forms of photographic identification or other information relating to voting procedures please phone [helpline number]
