(b) unlike anything that other public bodies may do.

(6) Any such other power is not limited by the existence of the general power (but see section 5(2)).

(7) Schedule 1 (consequential amendments) has effect.

(b) its providing the service to the person is done, or could be done, in exercise of the general power.

(2) The general power confers power to charge the person for providing the service to the person only if—

(a) the service is not one that a statutory provision requires the authority to provide to the person,
(b) the person has agreed to its being provided, and
(c) ignoring this section and section 93 of the Local Government Act 2003, the authority does not have power to charge for providing the service.

(3) The general power is subject to a duty to secure that, taking one financial year with another, the income from charges allowed by subsection (2) does not exceed the costs of provision.

(4) The duty under subsection (3) applies separately in relation to each kind of service.

### Limits on doing things for commercial purpose in exercise of general power

(1) The general power confers power on a local authority to do things for a commercial purpose only if they are things which the authority may, in exercise of the general power, do otherwise than for a commercial purpose.

(2) Where, in exercise of the general power, a local authority does things for a commercial purpose, the authority must do them through a company.

(3) A local authority may not, in exercise of the general power, do things for a commercial purpose in relation to a person if a statutory provision requires the authority to do those things in relation to the person.

(2) If the Secretary of State thinks that the general power is overlapped (to any extent) by another power then, for the purpose of removing or reducing that overlap, the Secretary of State may by order amend, repeal, revoke or disapply any statutory provision (whenever passed or made).
(3) The Secretary of State may by order make provision preventing local authorities from doing, in exercise of the general power, anything which is specified, or is of a description specified, in the order.

(4) The Secretary of State may by order provide for the exercise of the general power by local authorities to be subject to conditions, whether generally or in relation to doing anything specified, or of a description specified, in the order.

(5) The power under subsection (1), (2), (3) or (4) may be exercised in relation to—
   (a) all local authorities,
   (b) particular local authorities, or
   (c) particular descriptions of local authority.

(6) The power under subsection (1) or (2) to amend or disapply a statutory provision includes power to amend or disapply a statutory provision for a particular period.

(5) An order under section 5C(1) may not make provision to abolish or vary any tax.

5E Procedure for Secretary of State's orders under section 5C(1) and (2)

(1) If, as a result of any consultation required by section 5C(6) and (11) with respect to a proposed order of the Secretary of State under section 5C(1), it appears to the Secretary of State that it is appropriate to change the whole or any part of the Secretary of State's proposals, the Secretary of State must undertake such further consultation with respect to the changes as the Secretary of State considers appropriate.

(2) If, after the conclusion of the consultation required by section 5C(6) and (11) and subsection (1), the Secretary of State considers it appropriate to proceed with the making of an order under section 5C(1), the Secretary of State must lay before Parliament—

(a) a draft of the order, and

(b) an explanatory document explaining the proposals and giving details of—

(i) the Secretary of State's reasons for considering that the conditions in section 5D(2), where relevant, are satisfied in relation to the proposals,

(ii) any consultation undertaken under section 5C(6) and (11) and subsection (1),

(iii) any representations received as a result of the consultation, and

(iv) the changes (if any) made as a result of those representations.
(3) Sections 15 to 19 of the Legislative and Regulatory Reform Act 2006 (choosing between negative, affirmative and super-affirmative parliamentary procedure) are to apply in relation to an explanatory document and draft order laid under subsection (2) but as if—
   (a) section 18(11) of that Act were omitted,
   (b) references to section 14 of that Act were references to subsection (2), and
   (c) references to the Minister were references to the Secretary of State.

(4) Provision proposed to be made by the Secretary of State under section 5C(2) may be included in a draft order laid under subsection (2) and, if it is, the explanatory document laid with the draft order must also explain the proposals under section 5C(2) and give details of any consultation undertaken under section 5C(6) and (11) with respect to those proposals.

5F Procedure for Welsh Ministers' orders under section 5C(1) and (2)

(1) If, as a result of any consultation required by section 5C(6) with respect to a proposed order of the Welsh Ministers under section 5C(1), it appears to the Welsh Ministers that it is appropriate to change the whole or any part of their proposals, they must undertake such further consultation with respect to the changes as they consider appropriate.

(2) If, after the conclusion of the consultation required by section 5C(6) and subsection (1), the Welsh Ministers consider it appropriate to proceed with the making of an order under section 5C(1), they must lay before the National Assembly for Wales—
   (a) a draft of the order, and
   (b) an explanatory document explaining the proposals and giving details of—
      (i) the Welsh Ministers' reasons for considering that the conditions in section 5D(2), where relevant, are satisfied in relation to the proposals,
      (ii) any consultation undertaken under section 5C(6) and subsection (1),
      (iii) any representations received as a result of the consultation, and
      (iv) the changes (if any) made as a result of those representations.

(3) Provision proposed to be made by the Welsh Ministers under section 5C(2) may be included in a draft order laid under subsection (2) and, if it is, the explanatory document laid with the draft order must also explain the proposals under section 5C(2) and give details of any consultation undertaken under section 5C(6) with respect to those proposals.

5G Determining Assembly procedures for drafts laid under section 5F(2)

(1) The explanatory document laid with a draft order under section 5F(2) must contain a recommendation by the Welsh Ministers as to which of the following should apply in relation to the making of an order pursuant to the draft order—
   (a) the negative resolution procedure (see section 5H),
(b) the affirmative resolution procedure (see section 5J), or
(c) the super-affirmative resolution procedure (see section 5K).

(2) The explanatory document must give reasons for the Welsh Ministers' recommendation.

(3) Where the Welsh Ministers' recommendation is that the negative resolution procedure should apply, that procedure applies unless, within the 30-day period—
   (a) the National Assembly for Wales requires the application of the super-affirmative resolution procedure, in which case that procedure applies, or
   (b) in a case not within paragraph (a), the Assembly requires the application of the affirmative resolution procedure, in which case that procedure applies.

(4) Where the Welsh Ministers' recommendation is that the affirmative resolution procedure should apply, that procedure applies unless, within the 30-day period, the National Assembly for Wales requires the application of the super-affirmative resolution procedure, in which case the super-affirmative resolution procedure applies.

(5) Where the Welsh Ministers' recommendation is that the super-affirmative resolution procedure should apply, that procedure applies.

(6) For the purposes of this section, the National Assembly for Wales is to be taken to have required the application of a procedure within the 30-day period if—
   (a) the Assembly resolves within that period that that procedure is to apply, or
   (b) in a case not within paragraph (a), a committee of the Assembly charged with reporting on the draft order has recommended within that period that that procedure should apply and the Assembly has not by resolution rejected that recommendation within that period.

(7) In this section “the 30-day period” means the 30 days beginning with the day on which the draft order was laid before the National Assembly for Wales under section 5F(2).

5H Negative resolution procedure for draft laid under section 5F(2)

(1) For the purposes of this Part, “the negative resolution procedure” in relation to the making of an order pursuant to a draft order laid under section 5F(2) is as follows.

(2) The Welsh Ministers may make an order in the terms of the draft order subject to the following provisions of this section.

(3) The Welsh Ministers may not make an order in the terms of the draft order if the National Assembly for Wales so resolves within the 40-day period.

(4) A committee of the National Assembly for Wales charged with reporting on the draft order may, at any time after the expiry of the 30-day period and before the expiry of the 40-day period, recommend under this subsection that the Welsh Ministers not make an order in the terms of the draft order.
(5) Where a committee of the National Assembly for Wales makes a recommendation under subsection (4) in relation to a draft order, the Welsh Ministers may not make an order in the terms of the draft order unless the recommendation is, in the same Assembly, rejected by resolution of the Assembly.

(6) For the purposes of this section an order is made in the terms of a draft order if it contains no material changes to the provisions of the draft order.

(7) In this section—

“the 30-day period” has the meaning given by section 5G(7), and

“the 40-day period” means the 40 days beginning with the day on which the draft order was laid before the National Assembly for Wales under section 5F(2).

(a) the amount of the charge is to be set by the authority;

(b) the authority may charge different amounts in different circumstances (and may charge nothing).
```
(5) In setting the amount of a charge under subsection (1), a fire and rescue authority must secure that, taking one financial year with another, the authority's income from charges does not exceed the cost to the authority of taking the action for which the charges are imposed.

(3) In section 33 (resolution for whole-council elections: requirements) after subsection (3) insert—

“(3A) The resolution must specify the year for the first ordinary elections of the council at which all councillors are to be elected.

(3B) In the case of a district council for a district in a county for which there is a county council, the year specified under subsection (3A) may not be a county-council-elections year; and here “county-council-elections year” means 2013 and every fourth year afterwards.”

(4) In section 34(2) (years in which whole-council elections to a district council are to be held if scheme under section 34 applies) for paragraphs (a) and (b) substitute—

“(a) the year specified under section 33(3A) in the resolution, and

(b) every fourth year afterwards.”

(5) In section 34 (scheme for whole-council elections) after subsection (4) insert—

“(4A) Ordinary elections of councillors of the council under the previous electoral scheme are to be held in accordance with that scheme in any year that—

(a) is earlier than the year specified under section 33(3A) in the resolution for whole-council elections, and

(b) is a year in which, under the previous electoral scheme, ordinary elections of councillors of the council are due to be held.
(4B) In subsection (4A) “the previous electoral scheme” means the scheme for the ordinary elections of councillors of the council that applied to it immediately before it passed the resolution for whole-council elections.”

(6) After section 31 insert—

“31A Minimum period between resolutions to change electoral schemes

If a council passes a resolution under section 32, 37 or 39 (“the earlier resolution”) it may not pass another resolution under any of those sections before the end of five years beginning with the day on which the earlier resolution is passed.”

(7) In section 57 of the Local Democracy, Economic Development and Construction Act 2009 (requests for review of single-member electoral areas by councils subject to a scheme for whole-council elections) after subsection (4) (meaning of “subject to a scheme for whole-council elections”) insert—

“(4A) A district council is also “subject to a scheme for whole-council elections” for those purposes if—

(a) section 34 of the Local Government and Public Involvement in Health Act 2007 (scheme for whole-council elections) applies to the council, but

(b) by virtue of subsection (4A) of that section (temporary continuation of previous electoral scheme), not all the members of the council are to be elected in a year in which ordinary elections of members of the council are to be held.”

(8) Functions that are conferred by this Chapter on a relevant authority to which Part 1A of the Local Government Act 2000 applies are not to be the responsibility of an executive of the authority under executive arrangements.

(9) Functions that are conferred by this Chapter on the Greater London Authority are to be exercisable by the Mayor of London and the London Assembly acting jointly on behalf of the Authority.

Codes of conduct

(1) A relevant authority must secure that a code adopted by it under section 27(2) (a “code of conduct”) is, when viewed as a whole, consistent with the following principles—
   (a) selflessness;
   (b) integrity;
   (c) objectivity;
   (d) accountability;
   (e) openness;
   (f) honesty;
   (g) leadership.

(2) A relevant authority must secure that its code of conduct includes the provision the authority considers appropriate in respect of the registration in its register, and disclosure, of—
   (a) pecuniary interests, and
   (b) interests other than pecuniary interests.

(3) Sections 29 to 34 do not limit what may be included in a relevant authority's code of conduct, but nothing in a relevant authority's code of conduct prejudices the operation of those sections.

(4) A failure to comply with a relevant authority's code of conduct is not be dealt with otherwise than in accordance with arrangements made under subsection (6); in particular, a decision is not invalidated just because something that occurred in the process of making the decision involved a failure to comply with the code.

(5) A relevant authority may—
   (a) revise its existing code of conduct, or
   (b) adopt a code of conduct to replace its existing code of conduct.

(6) A relevant authority other than a parish council must have in place—
   (a) arrangements under which allegations can be investigated, and
   (b) arrangements under which decisions on allegations can be made.

(7) Arrangements put in place under subsection (6)(b) by a relevant authority must include provision for the appointment by the authority of at least one independent person—
   (a) whose views are to be sought, and taken into account, by the authority before it makes its decision on an allegation that it has decided to investigate, and
   (b) whose views may be sought—
      (i) by the authority in relation to an allegation in circumstances not within paragraph (a),
      (ii) by a member, or co-opted member, of the authority if that person's behaviour is the subject of an allegation, and
      (iii) by a member, or co-opted member, of a parish council if that person's behaviour is the subject of an allegation and the authority is the parish council's principal authority.

(8) For the purposes of subsection (7)—
   (a) a person is not independent if the person is—
      (i) a member, co-opted member or officer of the authority,
(ii) a member, co-opted member or officer of a parish council of which
the authority is the principal authority, or
(iii) a relative, or close friend, of a person within sub-paragraph (i) or (ii);
(b) a person may not be appointed under the provision required by subsection (7)
if at any time during the 5 years ending with the appointment the person was—
(i) a member, co-opted member or officer of the authority, or
(ii) a member, co-opted member or officer of a parish council of which
the authority is the principal authority;
(c) a person may not be appointed under the provision required by subsection (7)
unless—
(i) the vacancy for an independent person has been advertised in such
manner as the authority considers is likely to bring it to the attention
of the public,
(ii) the person has submitted an application to fill the vacancy to the
authority, and
(iii) the person's appointment has been approved by a majority of the
members of the authority;
(d) a person appointed under the provision required by subsection (7) does not
cease to be independent as a result of being paid any amounts by way of
allowances or expenses in connection with performing the duties of the
appointment.

(9) In subsections (6) and (7) “allegation”, in relation to a relevant authority, means a
written allegation—
(a) that a member or co-opted member of the authority has failed to comply with
the authority's code of conduct, or
(b) that a member or co-opted member of a parish council for which the authority
is the principal authority has failed to comply with the parish council's code
of conduct.

(10) For the purposes of subsection (8) a person (“R”) is a relative of another person if
R is—
(a) the other person's spouse or civil partner,
(b) living with the other person as husband and wife or as if they were civil
partners,
(c) a grandparent of the other person,
(d) a lineal descendant of a grandparent of the other person,
(e) a parent, sibling or child of a person within paragraph (a) or (b),
(f) the spouse or civil partner of a person within paragraph (c), (d) or (e), or
(g) living with a person within paragraph (c), (d) or (e) as husband and wife or
as if they were civil partners.

(11) If a relevant authority finds that a member or co-opted member of the authority has
failed to comply with its code of conduct (whether or not the finding is made following
an investigation under arrangements put in place under subsection (6)) it may have
regard to the failure in deciding—
(a) whether to take action in relation to the member or co-opted member, and
(b) what action to take.

[FT7(11A) Subsections (11B) to (11D) apply if a police and crime commissioner is a member or
co-opted member of a relevant authority in the commissioner's capacity as such.]
(11B) Arrangements put in place under subsection (6)(b) by the relevant authority must include provision for an allegation against the commissioner to be referred to the police and crime panel for the commissioner’s police area.

(11C) If, in response to an allegation referred to it by virtue of subsection (11B), the police and crime panel makes a report or recommendation to the police and crime commissioner under section 28(6) of the Police Reform and Social Responsibility Act 2011, the panel may also make a report or recommendation on the allegation to the relevant authority.

(11D) The relevant authority must take any such report or recommendation into account in determining—

(a) whether the police and crime commissioner has failed to comply with the authority’s code of conduct,

(b) whether to take action in relation to the commissioner, and

(c) what action to take.

(12) A relevant authority must publicise its adoption, revision or replacement of a code of conduct in such manner as it considers is likely to bring the adoption, revision or replacement of the code of conduct to the attention of persons who live in its area.

(13) A relevant authority’s function of adopting, revising or replacing a code of conduct may be discharged only by the authority.

(14) Accordingly—

(a) in the case of an authority to whom section 101 of the Local Government Act 1972 (arrangements for discharge of functions) applies, the function is not a function to which that section applies;

(b) in the case of the Greater London Authority, the function is not a function to which section 35 (delegation of functions by the Greater London Authority) applies.

I53 S. 29 in force at 1.7.2012 in so far as not already in force by S.I. 2012/1463, art. 5(c) (with arts. 6, 7) (as amended (3.7.2012) by S.I. 2012/1714, art. 2)

30 Disclosure of pecuniary interests on taking office

(1) A member or co-opted member of a relevant authority must, before the end of 28 days beginning with the day on which the person becomes a member or co-opted member
of the authority, notify the authority’s monitoring officer of any disclosable pecuniary interests which the person has at the time when the notification is given.

(2) Where a person becomes a member or co-opted member of a relevant authority as a result of re-election or re-appointment, subsection (1) applies only as regards disclosable pecuniary interests not entered in the authority's register when the notification is given.

(3) For the purposes of this Chapter, a pecuniary interest is a “disclosable pecuniary interest” in relation to a person (“M”) if it is of a description specified in regulations made by the Secretary of State and either—
   (a) it is an interest of M's, or
   (b) it is an interest of—
      (i) M's spouse or civil partner,
      (ii) a person with whom M is living as husband and wife, or
      (iii) a person with whom M is living as if they were civil partners,
   and M is aware that that other person has the interest.

(4) Where a member or co-opted member of a relevant authority gives a notification for the purposes of subsection (1), the authority’s monitoring officer is to cause the interests notified to be entered in the authority's register (whether or not they are disclosable pecuniary interests).

---

31 Pecuniary interests in matters considered at meetings or by a single member

(1) Subsections (2) to (4) apply if a member or co-opted member of a relevant authority—
   (a) is present at a meeting of the authority or of any committee, sub-committee, joint committee or joint sub-committee of the authority,
   (b) has a disclosable pecuniary interest in any matter to be considered, or being considered, at the meeting, and
   (c) is aware that the condition in paragraph (b) is met.

(2) If the interest is not entered in the authority's register, the member or co-opted member must disclose the interest to the meeting, but this is subject to section 32(3).

(3) If the interest is not entered in the authority's register and is not the subject of a pending notification, the member or co-opted member must notify the authority's monitoring officer of the interest before the end of 28 days beginning with the date of the disclosure.

(4) The member or co-opted member may not—
(a) participate, or participate further, in any discussion of the matter at the meeting, or
(b) participate in any vote, or further vote, taken on the matter at the meeting, but this is subject to section 33.

(5) In the case of a relevant authority to which Part 1A of the Local Government Act 2000 applies and which is operating executive arrangements, the reference in subsection (1) (a) to a committee of the authority includes a reference to the authority's executive and a reference to a committee of the executive.

(6) Subsections (7) and (8) apply if—
(a) a function of a relevant authority may be discharged by a member of the authority acting alone,
(b) the member has a disclosable pecuniary interest in any matter to be dealt with, or being dealt with, by the member in the course of discharging that function, and
(c) the member is aware that the condition in paragraph (b) is met.

(7) If the interest is not entered in the authority's register and is not the subject of a pending notification, the member must notify the authority's monitoring officer of the interest before the end of 28 days beginning with the date when the member becomes aware that the condition in subsection (6)(b) is met in relation to the matter.

(8) The member must not take any steps, or any further steps, in relation to the matter (except for the purpose of enabling the matter to be dealt with otherwise than by the member).

(9) Where a member or co-opted member of a relevant authority gives a notification for the purposes of subsection (3) or (7), the authority's monitoring officer is to cause the interest notified to be entered in the authority's register (whether or not it is a disclosable pecuniary interest).

(10) Standing orders of a relevant authority may provide for the exclusion of a member or co-opted member of the authority from a meeting while any discussion or vote takes place in which, as a result of the operation of subsection (4), the member or co-opted member may not participate.

(11) For the purpose of this section, an interest is “subject to a pending notification” if—
(a) under this section or section 30, the interest has been notified to a relevant authority's monitoring officer, but
(b) has not been entered in the authority's register in consequence of that notification.
32 Sensitive interests

(1) Subsections (2) and (3) apply where—

(a) a member or co-opted member of a relevant authority has an interest (whether or not a disclosable pecuniary interest), and

(b) the nature of the interest is such that the member or co-opted member, and the authority’s monitoring officer, consider that disclosure of the details of the interest could lead to the member or co-opted member, or a person connected with the member or co-opted member, being subject to violence or intimidation.

(2) If the interest is entered in the authority’s register, copies of the register that are made available for inspection, and any published version of the register, must not include details of the interest (but may state that the member or co-opted member has an interest the details of which are withheld under this subsection).

(3) If section 31(2) applies in relation to the interest, that provision is to be read as requiring the member or co-opted member to disclose not the interest but merely the fact that the member or co-opted member has a disclosable pecuniary interest in the matter concerned.

33 Dispensations from section 31(4)

(1) A relevant authority may, on a written request made to the proper officer of the authority by a member or co-opted member of the authority, grant a dispensation relieving the member or co-opted member from either or both of the restrictions in section 31(4) in cases described in the dispensation.

(2) A relevant authority may grant a dispensation under this section only if, after having regard to all relevant circumstances, the authority—

(a) considers that without the dispensation the number of persons prohibited by section 31(4) from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business,

(b) considers that without the dispensation the representation of different political groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business,

(c) considers that granting the dispensation is in the interests of persons living in the authority’s area,
(d) if it is an authority to which Part 1A of the Local Government Act 2000 applies and is operating executive arrangements, considers that without the dispensation each member of the authority's executive would be prohibited by section 31(4) from participating in any particular business to be transacted by the authority's executive, or

(e) considers that it is otherwise appropriate to grant a dispensation.

(3) A dispensation under this section must specify the period for which it has effect, and the period specified may not exceed four years.

(4) Section 31(4) does not apply in relation to anything done for the purpose of deciding whether to grant a dispensation under this section.

34 Offences

(1) A person commits an offence if, without reasonable excuse, the person—

(a) fails to comply with an obligation imposed on the person by section 30(1) or 31(2), (3) or (7),

(b) participates in any discussion or vote in contravention of section 31(4), or

(c) takes any steps in contravention of section 31(8).

(2) A person commits an offence if under section 30(1) or 31(2), (3) or (7) the person provides information that is false or misleading and the person—

(a) knows that the information is false or misleading, or

(b) is reckless as to whether the information is true and not misleading.

(3) A person who is guilty of an offence under this section is liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(4) A court dealing with a person for an offence under this section may (in addition to any other power exercisable in the person's case) by order disqualify the person, for a period not exceeding five years, for being or becoming (by election or otherwise) a member or co-opted member of the relevant authority in question or any other relevant authority.

(5) A prosecution for an offence under this section is not to be instituted except by or on behalf of the Director of Public Prosecutions.

(6) Proceedings for an offence under this section may be brought within a period of 12 months beginning with the date on which evidence sufficient in the opinion of the prosecutor to warrant the proceedings came to the prosecutor's knowledge.

(7) But no such proceedings may be brought more than three years—
(a) after the commission of the offence, or
(b) in the case of a continuous contravention, after the last date on which the offence was committed.

and set out the reasons for that determination;

(d) summarise the other determinations made by the Welsh Ministers under section 65(4) and set out the reasons for making them;

(e) specify the amount required to be paid by the authority towards the total amount of the sanction and when it is to be paid (and if it is to be paid in instalments, the instalments and the date on which they become payable);

(f) specify the amount or proportion required to be paid towards any future periodic payment (as defined for the purposes of paragraph (b)) and the time when that amount is to be paid (or, if the notice so provides, the time when two or more such amounts are to be paid); and

(g) specify how and to whom payments are to be made.

(3) In subsection (2)(b) and (e) the “total amount of the sanction” means the sum of the following—

(a) the amount of the lump sum (if any) due from the United Kingdom under the terms of the EU financial sanction (disregarding any amount that falls to be excluded from the lump sum by virtue of section 60(2)); and
(b) the total amount of the periodic payments (if any) which have fallen due from the United Kingdom on or before a day specified in the final notice (disregarding any amount that falls to be excluded from any of those payments by virtue of section 60(2));

and the day specified for the purposes of paragraph (b) must be no later than the day on which the final notice is given to the authority.

(4) In subsection (2)(b) “future periodic payments” means periodic payments due from the United Kingdom other than—

(a) any periodic payment taken into account in calculating the total amount of the sanction; or

(b) any periodic payment, or any part of a periodic payment, that falls to be excluded from the EU financial sanction by virtue of section 60(2).

(5) The requirement to make payments towards periodic payments falling due from the United Kingdom after the notice is given continues so long as those periodic payments continue to fall due, unless the Welsh Ministers give the authority a notice under this subsection terminating the requirement or varying it so as to make it less onerous for the authority.

(6) A notice under subsection (5) may be given, either on the application of the authority or without such an application, where the Welsh Ministers consider it appropriate in the light of a change in the circumstances which applied when the final notice was given or when it was last varied (as the case may be).

(7) The Welsh Ministers may—

(a) consult the panel, or refer any matter relating to the possible termination or variation of the requirement for its advice or recommendations;

(b) invite the authority to make representations; and

(c) if the authority has any functions other than Welsh devolved functions, invite the appropriate national authority to make representations,

before deciding whether to terminate or vary the requirement mentioned in subsection (5).

(8) If the authority makes an application under subsection (6) the Welsh Ministers may by notice to the authority suspend the requirement until further notice (but this does not affect the liability to make any payment once the suspension is ended, unless the final notice is varied to have that effect).

74 Council tax calculations by billing authorities in England
Before section 32 of the Local Government Finance Act 1992 insert—

“31A Calculation of council tax requirement by authorities in England
(1) In relation to each financial year a billing authority in England must make the calculations required by this section.
(2) The authority must calculate the aggregate of—
(a) the expenditure which the authority estimates it will incur in the year in performing its functions and will charge to a revenue account, other than a BID Revenue Account, for the year in accordance with proper practices,
(b) such allowance as the authority estimates will be appropriate for contingencies in relation to amounts to be charged or credited to a revenue account for the year in accordance with proper practices,
(c) the financial reserves which the authority estimates it will be appropriate to raise in the year for meeting its estimated future expenditure,

(d) such financial reserves as are sufficient to meet so much of the amount estimated by the authority to be a revenue account deficit for any earlier financial year as has not already been provided for,

(e) any amounts which it estimates will be transferred in the year from its general fund to its collection fund in accordance with section 97(4) of the 1988 Act, and

(f) any amounts which it estimates will be transferred from its general fund to its collection fund pursuant to a direction under section 98(5) of the 1988 Act and charged to a revenue account for the year.

(3) The authority must calculate the aggregate of—

(a) the income which it estimates will accrue to it in the year and which it will credit to a revenue account, other than a BID Revenue Account, for the year in accordance with proper practices,

(b) any amounts which it estimates will be transferred in the year from its collection fund to its general fund in accordance with section 97(3) of the 1988 Act,

(c) any amounts which it estimates will be transferred from its collection fund to its general fund pursuant to a direction under section 98(4) of the 1988 Act and will be credited to a revenue account for the year, and

(d) the amount of the financial reserves which the authority estimates it will use in order to provide for the items mentioned in subsection (2) (a), (b), (e) and (f) above.

(4) If the aggregate calculated under subsection (2) above exceeds that calculated under subsection (3) above, the authority must calculate the amount equal to the difference; and the amount so calculated is to be its council tax requirement for the year.

(5) In making the calculation under subsection (2) above the authority must ignore payments which must be met from its collection fund under section 90(2) of the 1988 Act or from a trust fund.

(6) In estimating under subsection (2)(a) above the authority must take into account—

(a) the amount of any expenditure which it estimates it will incur in the year in making any repayments of grants or other sums paid to it by the Secretary of State, and

(b) the amount of any precept issued to it for the year by a local precepting authority and the amount of any levy or special levy issued to it for the year.

(7) But (except as provided by regulations under section 41 below or regulations under section 74 or 75 of the 1988 Act) the authority must not anticipate a precept, levy or special levy not issued.

(8) For the purposes of subsection (2)(c) above an authority's estimated future expenditure is—

(a) that which the authority estimates it will incur in the financial year following the year in question, will charge to a revenue account for the
year in accordance with proper practices and will have to defray in the year before the following sums are sufficiently available—

(i) sums which will be payable for the year into its general fund and in respect of which amounts will be credited to a revenue account for the year in accordance with proper practices, and

(ii) sums which will be transferred as regards the year from its collection fund to its general fund, and

(b) that which the authority estimates it will incur in the financial year referred to in paragraph (a) above or any subsequent financial year in performing its functions and which will be charged to a revenue account for that or any other year in accordance with proper practices.

(9) In making the calculation under subsection (3) above the authority must ignore—

(a) payments which must be made into its collection fund under section 90(1) of the 1988 Act or to a trust fund, and

(b) subject to paragraphs (b) and (c) of subsection (3) above, sums which have been or are to be transferred from its collection fund to its general fund.

(10) The Secretary of State may by regulations do either or both of the following—

(a) alter the constituents of any calculation to be made under subsection (2) or (3) above (whether by adding, deleting or amending items); and

(b) alter the rules governing the making of any calculation under subsection (2) or (3) above (whether by deleting or amending subsections (5) to (9) above, or any of them, or by adding other provisions, or by a combination of those methods).

(11) Calculations to be made in relation to a particular financial year under this section must be made before 11th March in the preceding financial year, but they are not invalid merely because they are made on or after that date.

(12) This section is subject to section 52ZS below (which requires a direction to a billing authority that the referendum provisions in Chapter 4ZA are not to apply to the authority for a financial year to state the amount of the authority's council tax requirement for the year).

(13) In this section “BID Revenue Account” has the same meaning as in Part 4 of the Local Government Act 2003.

31B Calculation of basic amount of tax by authorities in England

(1) In relation to each financial year a billing authority in England must calculate the basic amount of its council tax by applying the formula—

\[
\frac{R}{T}
\]

where—
R is the amount calculated (or last calculated) by the authority under section 31A(4) above as its council tax requirement for the year;

T is the amount which is calculated by the authority as its council tax base for the year and, where one or more major precepting authorities have power to issue precepts to it, is notified by it to those authorities (“the major precepting authorities concerned”) within the prescribed period.

(2) Where the aggregate calculated (or last calculated) by the authority for the year under subsection (2) of section 31A above does not exceed that so calculated under subsection (3) of that section, the amount for item R in subsection (1) above is to be nil.

(3) The Secretary of State must make regulations containing rules for making for any year the calculation required by item T in subsection (1) above; and a billing authority must make the calculation for any year in accordance with the rules for the time being effective (as regards the year) under the regulations.

(4) Regulations prescribing a period for the purposes of item T in subsection (1) above may provide that, in any case where a billing authority fails to notify its calculation to the major precepting authorities concerned within that period, that item must be determined in the prescribed manner by such authority or authorities as may be prescribed.

(5) The Secretary of State may by regulations do either or both of the following—

(a) alter the constituents of any calculation to be made under subsection (1) above (whether by adding, deleting or amending items);

(b) provide for rules governing the making of any calculation under that subsection (whether by adding provisions to, or deleting or amending provisions of, this section, or by a combination of those methods).”

(b) such allowance as the authority estimates will be appropriate for contingencies in relation to amounts to be charged or credited to a revenue account for the year in accordance with proper practices,
(c) the financial reserves which the authority estimates it will be appropriate to raise in the year for meeting its estimated future expenditure, and

(d) such financial reserves as are sufficient to meet so much of the amount estimated by the authority to be a revenue account deficit for any earlier financial year as has not already been provided for.

(3) The authority must calculate the aggregate of—

(a) the income which it estimates will accrue to it in the year and which it will credit to a revenue account for the year in accordance with proper practices, other than income which it estimates will accrue to it in respect of any precept issued by it, and

(b) the amount of the financial reserves which the authority estimates that it will use in order to provide for the items mentioned in paragraphs (a) and (b) of subsection (2) above.

(4) If the aggregate calculated under subsection (2) above exceeds that calculated under subsection (3) above, the authority must calculate the amount equal to the difference; and the amount so calculated is to be its council tax requirement for the year.

(5) In making the calculation under subsection (2) above the authority must ignore payments which must be met from a trust fund.

(6) In estimating under subsection (2)(a) above an authority must take into account—

(a) the amount of any expenditure which it estimates it will incur in the year in making any repayments of grants or other sums paid to it by the Secretary of State, and

(b) in the case of an authority which is a county council, the amount of any levy issued to it for the year.

(7) But (except as provided by regulations under section 74 of the 1988 Act) the authority must not anticipate a levy not issued.

(8) For the purposes of subsection (2)(c) above an authority's estimated future expenditure is—

42B Calculation of basic amount of tax by authorities in England

(1) In relation to each financial year a major precepting authority in England must calculate the basic amount of its council tax by applying the formula—

\[ \frac{R}{T} \]

where—

R is the amount calculated (or last calculated) by the authority under section 42A(4) above as its council tax requirement for the year;

T is the aggregate of the amounts which are calculated by the billing authorities to which the authority issues precepts (“the billing authorities concerned”) as their council tax bases for the year for their areas, or (as the case may require) for the parts of their areas falling within the authority’s area, and are notified by them to the authority within the prescribed period.

(2) Where the aggregate calculated (or last calculated) by the authority for the year under subsection (2) of section 42A above does not exceed that so calculated under subsection (3) of that section, the amount for item R in subsection (1) above is to be nil.

(3) The Secretary of State must make regulations containing rules for making for any year the calculation required by item T in subsection (1) above; and the billing authorities concerned must make the calculations for any year in accordance with the rules for the time being effective (as regards the year) under the regulations.

(4) Regulations prescribing a period for the purposes of item T in subsection (1) above may provide that, in any case where a billing authority fails to notify its calculation to the precepting authority concerned within that period, that item
must be determined in the prescribed manner by such authority or authorities as may be prescribed.

(5) The Secretary of State may by regulations do either or both of the following—

(a) alter the constituents of any calculation to be made under subsection (1) above (whether by adding, deleting or amending items);

(b) provide for rules governing the making of any calculation under that subsection (whether by adding provisions to, or deleting or amending provisions of, this section, or by a combination of those methods)."

“49A Calculation of council tax requirement by authorities in England

(1) In relation to each financial year a local precepting authority in England must make the calculations required by this section.

(2) The authority must calculate the aggregate of—

(a) the expenditure the authority estimates it will incur in the year in performing its functions and will charge to a revenue account for the year in accordance with proper practices,
(b) such allowance as the authority estimates will be appropriate for contingencies in relation to amounts to be charged or credited to a revenue account for the year in accordance with proper practices,

(c) the financial reserves which the authority estimates it will be appropriate to raise in the year for meeting its estimated future expenditure, and

(d) such financial reserves as are sufficient to meet so much of the amount estimated by the authority to be a revenue account deficit for any earlier financial year as has not already been provided for.

(3) The authority must calculate the aggregate of—

(a) the income which it estimates will accrue to it in the year and which it will credit to a revenue account for the year in accordance with proper practices, other than income which it estimates will accrue to it in respect of any precept issued by it, and

(b) the amount of the financial reserves which the authority estimates that it will use in order to provide for the items mentioned in paragraphs (a) and (b) of subsection (2) above.

(4) If the aggregate calculated under subsection (2) above exceeds that calculated under subsection (3) above, the authority must calculate the amount equal to the difference; and the amount so calculated is to be its council tax requirement for the year.

(5) For the purposes of subsection (2)(c) above an authority's estimated future expenditure is—

(a) that which the authority estimates it will incur in the financial year following the year in question, will charge to a revenue account for the year in accordance with proper practices and will have to defray in the year before the following sums are sufficiently available, namely, sums—

(i) which will be payable to it for the year, and

(ii) in respect of which amounts will be credited to a revenue account for the year in accordance with proper practices, and

(b) that which the authority estimates it will incur in the financial year referred to in paragraph (a) above or any subsequent financial year in performing its functions and which will be charged to a revenue account for that or any other year in accordance with proper practices.

(6) This section is subject to section 52ZV below (which requires a direction to a local precepting authority that the referendum provisions in Chapter 4ZA are not to apply to the authority for a financial year to state the amount of the authority's council tax requirement for the year).

49B Substitute calculations

(1) A local precepting authority which has made calculations in accordance with section 49A above in relation to a financial year (originally or by way of substitute) may make calculations in substitution in relation to the year in accordance with that section.
(2) None of the substitute calculations are to have any effect if the amount calculated under section 49A(4) above would exceed that so calculated in the previous calculations.

(3) Subsection (2) above does not apply if the previous calculation under subsection (4) of section 49A above has been quashed because of a failure to comply with that section in making the calculation.”

(1) For the purposes of this Chapter but subject to regulations under subsection (3), a building or other land in a local authority's area is land of community value if in the opinion of the authority—

an actual current use of the building or other land that is not an ancillary use furthers the social wellbeing or social interests of the local community, and

(2) For the purposes of this Chapter but subject to regulations under subsection (3), a building or other land in a local authority's area that is not land of community value as a result of subsection (1) is land of community value if in the opinion of the local authority—

(a) there is a time in the recent past when an actual use of the building or other land that was not an ancillary use furthered the social wellbeing or interests of the local community, and

(a) provide that a building or other land is not land of community value if the building or other land is specified in the regulations or is of a description specified in the regulations;

(5) The appropriate authority may by regulations make provision for, or in connection with, the procedure to be followed where a local authority is considering whether land should be included in its list of assets of community value.

    instead take reasonable alternative steps for the purpose of bringing the notice to the
    person's attention.

(3) A notice under subsection (2) of inclusion of land in the list must describe the provision

   (b) the right to ask for review under section 92.

   (b) in accordance with the time limits (if any) provided for in regulations under subsection (5),

   the authority concerned must review its decision.

(3) Where under subsection (2) an authority reviews a decision, the authority must notify the person who asked for the review—

   (a) the authority must remove the entry for the land from the list, and
   (b) where the land was included in the list in response to a community nomination—
     (i) the nomination becomes unsuccessful, and
     (ii) the authority must give a written copy of the reasons mentioned in subsection (3)(b) to the person who made the nomination.

(5) The appropriate authority may by regulations make provision as to the procedure to be followed in connection with a review under this section.

CHAPTER 5

ENFORCEMENT

123  Retrospective planning permission

(1) The Town and Country Planning Act 1990 is amended as follows.

(2) After section 70B insert—

“70C  Power to decline to determine retrospective application

(1) A local planning authority in England may decline to determine an application for planning permission for the development of any land if granting planning permission for the development would involve granting, whether in relation to the whole or any part of the land to which a pre-existing enforcement notice relates, planning permission in respect of the whole or any part of the matters specified in the enforcement notice as constituting a breach of planning control.

(2) For the purposes of the operation of this section in relation to any particular application for planning permission, a “pre-existing enforcement notice” is an enforcement notice issued before the application was received by the local planning authority.”

(3) In section 78(2)(aa) (which refers to an authority not having given notice that it has exercised its power under section 70A or 70B to decline to determine an application) after “or 70B” insert “ or 70C ”.

(4) In section 174 (appeal against enforcement notice) after subsection (2) insert—

“(2A) An appeal may not be brought on the ground specified in subsection (2)(a) if—

(a) the land to which the enforcement notice relates is in England, and

(b) the enforcement notice was issued at a time—

(i) after the making of a related application for planning permission, but

(ii) before the end of the period applicable under section 78(2) in the case of that application.

(2B) An application for planning permission for the development of any land is, for the purposes of subsection (2A), related to an enforcement notice if granting planning permission for the development would involve granting planning permission in respect of the matters specified in the enforcement notice as constituting a breach of planning control.”

(5) In section 177 (grant or modification of planning permission on appeals against enforcement notice) after subsection (1B) insert—
“(1C) If the land to which the enforcement notice relates is in England, subsection (1)(a) applies only if the statement under section 174(4) specifies the ground mentioned in section 174(2)(a).”

(6) In section 177(5) (deemed application for planning permission where appeal brought against enforcement notice) for the words from the beginning to “the appellant” substitute—

“Where an appeal against an enforcement notice is brought under section 174 and—

(a) the land to which the enforcement notice relates is in Wales, or

(b) that land is in England and the statement under section 174(4) specifies the ground mentioned in section 174(2)(a),

the appellant”.

124 Time limits for enforcing concealed breaches of planning control

(1) In the Town and Country Planning Act 1990 after section 171B insert—

“171BA Time limits in cases involving concealment

(1) Where it appears to the local planning authority that there may have been a breach of planning control in respect of any land in England, the authority may apply to a magistrates' court for an order under this subsection (a “planning enforcement order”) in relation to that apparent breach of planning control.

(2) If a magistrates' court makes a planning enforcement order in relation to an apparent breach of planning control, the local planning authority may take enforcement action in respect of—

(a) the apparent breach, or

(b) any of the matters constituting the apparent breach,

at any time in the enforcement year.

(3) “The enforcement year” for a planning enforcement order is the year that begins at the end of 22 days beginning with the day on which the court's decision to make the order is given, but this is subject to subsection (4).

(4) If an application under section 111(1) of the Magistrates' Courts Act 1980 (statement of case for opinion of High Court) is made in respect of a planning enforcement order, the enforcement year for the order is the year beginning with the day on which the proceedings arising from that application are finally determined or withdrawn.

(5) Subsection (2)—

(a) applies whether or not the time limits under section 171B have expired, and
(b) does not prevent the taking of enforcement action after the end of the enforcement year but within those time limits.

171BB Planning enforcement orders: procedure

(1) An application for a planning enforcement order in relation to an apparent breach of planning control may be made within the 6 months beginning with the date on which evidence of the apparent breach of planning control sufficient in the opinion of the local planning authority to justify the application came to the authority's knowledge.

(2) For the purposes of subsection (1), a certificate—
   (a) signed on behalf of the local planning authority, and
   (b) stating the date on which evidence sufficient in the authority's opinion to justify the application came to the authority's knowledge,
   is conclusive evidence of that fact.

(3) A certificate stating that matter and purporting to be so signed is to be deemed to be so signed unless the contrary is proved.

(4) Where the local planning authority apply to a magistrates' court for a planning enforcement order in relation to an apparent breach of planning control in respect of any land, the authority must serve a copy of the application—
   (a) on the owner and on the occupier of the land, and
   (b) on any other person having an interest in the land that is an interest which, in the opinion of the authority, would be materially affected by the taking of enforcement action in respect of the apparent breach.

(5) The persons entitled to appear before, and be heard by, the court hearing an application for a planning enforcement order in relation to an apparent breach of planning control in respect of any land include—
   (a) the applicant,
   (b) any person on whom a copy of the application was served under subsection (4), and
   (c) any other person having an interest in the land that is an interest which, in the opinion of the court, would be materially affected by the taking of enforcement action in respect of the apparent breach.

(6) In this section “planning enforcement order” means an order under section 171BA(1).

171BC Making a planning enforcement order

(1) A magistrates' court may make a planning enforcement order in relation to an apparent breach of planning control only if—
   (a) the court is satisfied, on the balance of probabilities, that the apparent breach, or any of the matters constituting the apparent breach, has (to any extent) been deliberately concealed by any person or persons, and
   (b) the court considers it just to make the order having regard to all the circumstances.

(2) A planning enforcement order must—
(a) identify the apparent breach of planning control to which it relates, and

### Flexible tenancies

**154 Flexible tenancies**

After section 106A of the Housing Act 1985 insert—
“Flexible tenancies

107A Flexile tenancies

(1) For the purposes of this Act, a flexible tenancy is a secure tenancy to which any of the following subsections applies.

(2) This subsection applies to a secure tenancy if—
   (a) it is granted by a landlord in England for a term certain of not less than two years, and
   (b) before it was granted the person who became the landlord under the tenancy served a written notice on the person who became the tenant under the tenancy stating that the tenancy would be a flexible tenancy.

(3) This subsection applies to a secure tenancy if—
   (a) it becomes a secure tenancy by virtue of a notice under paragraph 4ZA(2) of Schedule 1 (family intervention tenancies becoming secure tenancies),
   (b) the landlord under the family intervention tenancy in question was a local housing authority in England,
   (c) the family intervention tenancy was granted to a person on the coming to an end of a flexible tenancy under which the person was a tenant,
   (d) the notice states that the tenancy is to become a secure tenancy that is a flexible tenancy for a term certain of the length specified in the notice, and sets out the other express terms of the tenancy, and
   (e) the length of the term specified in the notice is at least two years.

(4) The length of the term of a flexible tenancy that becomes such a tenancy by virtue of subsection (3) is that specified in the notice under paragraph 4ZA(2) of Schedule 1.

(5) The other express terms of the flexible tenancy are those set out in the notice, so far as those terms are compatible with the statutory provisions relating to flexible tenancies; and in this subsection “statutory provision” means any provision made by or under an Act.

(6) This subsection applies to a secure tenancy if—
   (a) it is created by virtue of section 137A of the Housing Act 1996 (introductory tenancies becoming flexible tenancies), or
   (b) it arises by virtue of section 143MA of that Act (demoted tenancies becoming flexible tenancies).

107B Review of decisions relating to flexible tenancies

(1) This section applies if a person (“the prospective landlord”)—
   (a) offers to grant a flexible tenancy (whether or not on the coming to an end of an existing tenancy of any kind), or
   (b) serves a notice under section 137A of the Housing Act 1996 stating that, on the coming to an end of an introductory tenancy, it will become a flexible tenancy.
(2) A person to whom the offer is made or on whom the notice is served (“the person concerned”) may request a review of the prospective landlord's decision about the length of the term of the tenancy.

(3) The review may only be requested on the basis that the length of the term does not accord with a policy of the prospective landlord as to the length of the terms of the flexible tenancies it grants.

(4) A request for a review must be made before the end of—
   (a) the period of 21 days beginning with the day on which the person concerned first receives the offer or notice, or
   (b) such longer period as the prospective landlord may in writing allow.

(5) On a request being duly made to it, the prospective landlord must review its decision.

(6) The Secretary of State may by regulations make provision about the procedure to be followed in connection with a review under this section.

(7) The regulations may, in particular, make provision—
   (a) requiring the decision on the review to be made by a person of appropriate seniority who was not involved in the original decision, and
   (b) as to the circumstances in which the person concerned is entitled to an oral hearing, and whether and by whom the person may be represented at such a hearing.

(8) The prospective landlord must notify the person concerned in writing of the decision on the review.

(9) If the decision is to confirm the original decision, the prospective landlord must also notify the person of the reasons for the decision.

(10) Regulations under this section—
   (a) may contain transitional or saving provision;
   (b) are to be made by statutory instrument which is subject to annulment in pursuance of a resolution of either House of Parliament.

107C Termination of flexible tenancy by tenant

(1) It is a term of every flexible tenancy that the tenant may terminate the tenancy in accordance with the following provisions of this section.

(2) The tenant must serve a notice in writing on the landlord stating that the tenancy will be terminated on the date specified in the notice.

(3) That date must be after the end of the period of four weeks beginning with the date on which the notice is served.

(4) The landlord may agree with the tenant to dispense with the requirement in subsection (2) or (3).

(5) The tenancy is terminated on the date specified in the notice or (as the case may be) determined in accordance with arrangements made under subsection (4) only if on that date—
   (a) no arrears of rent are payable under the tenancy, and
(b) the tenant is not otherwise materially in breach of a term of the tenancy.

107D Recovery of possession on expiry of flexible tenancy

(1) Subject as follows, on or after the coming to an end of a flexible tenancy a court must make an order for possession of the dwelling-house let on the tenancy if it is satisfied that the following conditions are met.

(2) Condition 1 is that the flexible tenancy has come to an end and no further secure tenancy (whether or not a flexible tenancy) is for the time being in existence, other than a secure tenancy that is a periodic tenancy (whether or not arising by virtue of section 86).

(3) Condition 2 is that the landlord has given the tenant not less than six months' notice in writing—
   (a) stating that the landlord does not propose to grant another tenancy on the expiry of the flexible tenancy,
   (b) setting out the landlord's reasons for not proposing to grant another tenancy, and
   (c) informing the tenant of the tenant's right to request a review of the landlord's proposal and of the time within which such a request must be made.

(4) Condition 3 is that the landlord has given the tenant not less than two months' notice in writing stating that the landlord requires possession of the dwelling-house.

(5) A notice under subsection (4) may be given before or on the day on which the tenancy comes to an end.

(6) The court may refuse to grant an order for possession under this section if—
   (a) the tenant has in accordance with section 107E requested a review of the landlord's proposal not to grant another tenancy on the expiry of the flexible tenancy, and
   (b) the court is satisfied that the landlord has failed to carry out the review in accordance with provision made by or under that section or that the decision on the review is otherwise wrong in law.

(7) If a court refuses to grant an order for possession by virtue of subsection (6) it may make such directions as to the holding of a review or further review under section 107E as it thinks fit.

(8) This section has effect notwithstanding that, on the coming to an end of the flexible tenancy, a periodic tenancy arises by virtue of section 86.

(9) Where a court makes an order for possession of a dwelling-house by virtue of this section, any periodic tenancy arising by virtue of section 86 on the coming to an end of the flexible tenancy comes to an end (without further notice and regardless of the period) in accordance with section 82(2).

(10) This section is without prejudice to any right of the landlord under a flexible tenancy to recover possession of the dwelling-house let on the tenancy in accordance with this Part.
### 107E Review of decision to seek possession

(1) A request for a review of a landlord's decision to seek an order for possession of a dwelling-house let under a flexible tenancy must be made before the end of the period of 21 days beginning with the day on which the notice under section 107D(3) is served.

(2) On a request being duly made to it, the landlord must review its decision.

(3) The review must, in particular, consider whether the decision is in accordance with any policy of the landlord as to the circumstances in which it will grant a further tenancy on the coming to an end of an existing flexible tenancy.

(4) The Secretary of State may by regulations make provision about the procedure to be followed in connection with a review under this section.

(5) The regulations may, in particular, make provision—

(a) requiring the decision on the review to be made by a person of appropriate seniority who was not involved in the original decision, and

(b) as to the circumstances in which the person concerned is entitled to an oral hearing, and whether and by whom the person may be represented at such a hearing.

(6) The landlord must notify the tenant in writing of the decision on the review.

(7) If the decision is to confirm the original decision, the landlord must also notify the tenant of the reasons for the decision.

(8) The review must be carried out, and the tenant notified, before the date specified in the notice of proceedings as the date after which proceedings for the possession of the dwelling-house may be begun.

(9) Regulations under this section—

(a) may contain transitional or saving provision;

(b) are to be made by statutory instrument which is subject to annulment in pursuance of a resolution of either House of Parliament.”

PART 9

COMPENSATION FOR COMPULSORY ACQUISITION

232 Taking account of planning permission when assessing compensation

(1) The Land Compensation Act 1961 is amended as follows.

(2) For sections 14 to 16 (assumptions as to planning permission) substitute—
Taking account of actual or prospective planning permission

(1) This section is about assessing the value of land in accordance with rule (2) in section 5 for the purpose of assessing compensation in respect of a compulsory acquisition of an interest in land.

(2) In consequence of that rule, account may be taken—
   (a) of planning permission, whether for development on the relevant land or other land, if it is in force at the relevant valuation date, and
   (b) of the prospect, on the assumptions set out in subsection (5) but otherwise in the circumstances known to the market at the relevant valuation date, of planning permission being granted on or after that date for development, on the relevant land or other land, other than—
      (i) development for which planning permission is in force at the relevant valuation date, and
      (ii) appropriate alternative development.

(3) In addition, it may be assumed—
   (a) that planning permission is in force at the relevant valuation date for any development that is appropriate alternative development to which subsection (4)(b)(i) applies, and
   (b) that, in the case of any development that is appropriate alternative development to which subsection (4)(b)(ii) applies and subsection (4)(b)(i) does not apply, it is certain at the relevant valuation date that planning permission for that development will be granted at the later time at which at that date it could reasonably have been expected to be granted.

(4) For the purposes of this section, development is “appropriate alternative development” if—
   (a) it is development, on the relevant land alone or on the relevant land together with other land, other than development for which planning permission is in force at the relevant valuation date, and
   (b) on the assumptions set out in subsection (5) but otherwise in the circumstances known to the market at the relevant valuation date, planning permission for the development could at that date reasonably have been expected to be granted on an application decided—
      (i) on that date, or
      (ii) at a time after that date.

(5) The assumptions referred to in subsections (2)(b) and (4)(b) are—
   (a) that the scheme of development underlying the acquisition had been cancelled on the launch date,
   (b) that no action has been taken (including acquisition of any land, and any development or works) by the acquiring authority wholly or mainly for the purposes of the scheme,
   (c) that there is no prospect of the same scheme, or any other project to meet the same or substantially the same need, being carried out in the exercise of a statutory function or by the exercise of compulsory purchase powers, and
Localism Act 2011 (c. 20)

PART 9 – Compensation for compulsory acquisition

CHAPTER 3 – Greater London Authority governance

(d) if the scheme was for use of the relevant land for or in connection with the construction of a highway ("the scheme highway"), that no highway will be constructed to meet the same or substantially the same need as the scheme highway would have been constructed to meet.

(6) In subsection (5)(a) “the launch date” means whichever of the following dates applies—

(a) if the acquisition is authorised by a compulsory purchase order, the date of first publication of the notice required under section 11 of the Acquisition of Land Act 1981 or (as the case may be) paragraph 2 of Schedule 1 to that Act,

(b) if the acquisition is authorised by any other order—

(i) the date of first publication, or

(ii) the date of service, of the first notice that, in connection with the acquisition, is published or served in accordance with any provision of or made under any Act, or

(c) if the acquisition is authorised by a special enactment other than an order, the date of first publication of the first notice that, in connection with the acquisition, is published in accordance with any Standing Order of either House of Parliament relating to private bills;

and in paragraph (a) “compulsory purchase order” has the same meaning as in the Acquisition of Land Act 1981.

(7) In subsection (5)(d) references to the construction of a highway include its alteration or improvement.

(8) If there is a dispute as to what is to be taken to be the scheme mentioned in subsection (5) ("the underlying scheme") then, for the purposes of this section, the underlying scheme is to be identified by the Upper Tribunal as a question of fact, subject as follows—

(a) the underlying scheme is to be taken to be the scheme provided for by the Act, or other instrument, which authorises the compulsory acquisition unless it is shown (by either party) that the underlying scheme is a scheme larger than, but incorporating, the scheme provided for by that instrument, and

(b) except by agreement or in special circumstances, the Upper Tribunal may permit the acquiring authority to advance evidence of such a larger scheme only if that larger scheme is one identified in the following read together—

(i) the instrument which authorises the compulsory acquisition, and

(ii) any documents published with it.

(9) For the purposes of the references to planning permission in subsections (2) (a) and (b)(i) and (4)(a) and section 15(1)(b), it is immaterial whether any planning permission was granted—

(a) unconditionally or subject to conditions, or

(b) on an ordinary application, on an outline application or by virtue of a development order,
15 Planning permission to be assumed for acquiring authority's proposals

(1) In a case where—
   (a) the relevant interest is to be acquired for purposes which involve the carrying out of proposals of the acquiring authority for development of the relevant land or part of it, and
   (b) planning permission for that development is not in force at the relevant valuation date,

   it is to be assumed for the purposes of section 14(2)(a) and (b)(i) and (4)(a) that planning permission is in force at the relevant valuation date for the development of the relevant land or that part of it, as the case may be, in accordance with the proposals of the acquiring authority.

(2) For the purposes of subsection (1)(b), no account is to be taken of any planning permission so granted as not to enure (while the permission remains in force) for the benefit of the land and of all persons for the time being interested in the land.”

(3) For sections 17 and 18 (certification of appropriate alternative development and appeals against certificates) substitute—

17 Certificates of appropriate alternative development

(1) Where an interest in land is proposed to be acquired by an authority possessing compulsory purchase powers, either of the parties directly concerned may (subject to subsection (2)) apply to the local planning authority for a certificate containing whichever of the following statements is the applicable statement—
   (a) that in the local planning authority's opinion there is development that, for the purposes of section 14, is appropriate alternative development in relation to the acquisition;
   (b) that in the local planning authority's opinion there is no development that, for the purposes of section 14, is appropriate alternative development in relation to the acquisition.

(2) If—
   (a) the acquiring authority have served a notice to treat in respect of the interest or an agreement has been made for the sale of the interest to that authority, and
   (b) a reference has been made to the Upper Tribunal to determine the amount of the compensation payable in respect of the interest,

   no application for a certificate under this section may be made after the making of that reference by either of the parties directly concerned except with the consent in writing of the other party directly concerned or the permission of the Upper Tribunal.

(3) An application for a certificate under this section—
   (a) must contain whichever of the following statements is the applicable statement—

or is planning permission that, in accordance with any direction or provision given or made by or under any enactment, is deemed to have been granted.
(i) that in the applicant's opinion there is development that, for the purposes of section 14, is appropriate alternative development in relation to the acquisition concerned;

(ii) that in the applicant's opinion there is no development that, for the purposes of section 14, is appropriate alternative development in relation to the acquisition concerned;

(b) must, if it contains a statement under paragraph (a)(i), specify—

(i) each description of development that in the applicant's opinion is, for the purposes of section 14, appropriate alternative development in relation to the acquisition, and

(ii) the applicant's reasons for holding that opinion; and

(c) must be accompanied by a statement specifying the date on which a copy of the application has been or will be served on the other party directly concerned.

(4) Where an application is made to the local planning authority for a certificate under this section in respect of an interest in land, the local planning authority must not, without the agreement of the other party directly concerned, issue a certificate to the applicant before the end of 22 days beginning with the date specified in the statement under subsection (3)(c).

(5) If a certificate under this section contains a statement under subsection (1)(a) it must also—

(a) identify every description of development (whether specified in the application or not) that in the local planning authority's opinion is, for the purposes of section 14, appropriate alternative development in relation to the acquisition concerned, and

(b) give a general indication—

(i) of any conditions to which planning permission for the development could reasonably have been expected to be subject,

(ii) of when the permission could reasonably have been expected to be granted if it is one that could reasonably have been expected to be granted only at a time after the relevant valuation date, and

(iii) of any pre-condition for granting the permission (for example, entry into an obligation) that could reasonably have been expected to have to be met.

(6) If a certificate under this section contains a statement under subsection (1)(a) then, for the purposes of section 14, development is appropriate alternative development in relation to the acquisition concerned if, and only if, it is of a description identified in accordance with subsection (5)(a) in the certificate, and

(b) the matters indicated in accordance with subsection (5)(b) in the certificate are to be taken to apply in relation to the planning permission that under section 14(3) may be assumed to be in force for that development.
(7) If a certificate under this section contains a statement under subsection (1)(b) then, for the purposes of section 14, there is no development that is appropriate alternative development in relation to the acquisition concerned.

(8) References in subsections (5) to (7) to a certificate under this section include references to the certificate as varied and to any certificate issued in place of the certificate.

(9) On issuing to one of the parties directly concerned a certificate under this section in respect of an interest in land, the local planning authority must serve a copy of the certificate on the other of those parties.

(10) In assessing any compensation payable to any person in respect of any compulsory acquisition, there must be taken into account any expenses reasonably incurred by the person in connection with the issue of a certificate under this section (including expenses incurred in connection with an appeal under section 18 where any of the issues are determined in the person's favour).

(11) For the purposes of this section and sections 18 to 20, the Broads Authority is the sole district planning authority for the Broads; and here “the Broads” has the same meaning as in the Norfolk and Suffolk Broads Act 1988.

18 Appeal to Upper Tribunal against certificate under section 17

(1) Where the local planning authority have issued a certificate under section 17 in respect of an interest in land—
   (a) the person for the time being entitled to that interest, or
   (b) any authority possessing compulsory purchase powers by whom that interest is proposed to be, or is, acquired,

   may appeal to the Upper Tribunal against that certificate.

(2) On any appeal under this section against a certificate, the Upper Tribunal—
   (a) must consider the matters to which the certificate relates as if the application for a certificate under section 17 had been made to the Upper Tribunal in the first place, and
   (b) must—
       (i) confirm the certificate, or
       (ii) vary it, or
       (iii) cancel it and issue a different certificate in its place,

   as the Upper Tribunal may consider appropriate.

(3) Where an application is made for a certificate under section 17, and at the expiry of the time prescribed by a development order for the issue of the certificate (or, if an extended period is at any time agreed upon in writing by the parties and the local planning authority, at the end of that period) no certificate has been issued by the local planning authority in accordance with that section, the preceding provisions of this section apply as if the local planning authority has issued such a certificate containing a statement under section 17(1)(b).”

(4) In section 20 (power to prescribe matters relevant to Part 3) omit—
(a) in the opening words—
   (i) the words “and appeals under section eighteen of this Act”, and
   (ii) the word “respectively”,
(b) paragraph (b) (manner of and time for giving notice of appeal), and
(c) paragraph (d) (which refers to provisions of section 17 not re-enacted in the
    section 17 substituted by this Act).

(5) Omit section 21 (proceedings for challenging validity of decision on appeal under
    section 18).

(6) In section 22 (interpretation of Part 3)—
   (a) in subsection (1) (meaning of “the parties directly concerned”) for “authority
       by whom it is proposed to be acquired” substitute “acquiring authority”, and
   (b) in subsection (2) (interpretation of sections 17 and 18) for “and eighteen”
       substitute “to nineteen”.

(7) In each of paragraph 11 of Schedule 27 to the Local Government, Planning and Land
    Act 1980 and paragraph 8 of Schedule 9 to the Housing Act 1988 (modifications of
    section 17(2) of the 1961 Act)—
   (a) for “authority proposing to acquire it” substitute “acquiring authority”,
   (b) for “in respect thereof,” substitute “in respect of the interest”, and
   (c) for “sale thereof” substitute “sale of the interest”.

(8) The amendments made in the Land Compensation Act 1961 by this section apply to
    the Crown to the extent set out in section 33 of that Act (Act applies in relation to
    acquisition by government department, including any Minister of the Crown, that is
    an authority possessing compulsory purchase powers as it applies to other authorities
    possessing those powers).
