EXPLANATORY NOTES

SUMMARY

Section 10: Consultation requirements

25. **Section 10** makes provision relating to the duties of the Secretary of State and the police in relation to the prospects for prosecuting an individual subject to, or proposed to be made subject to, a TPIM notice for a terrorism-related offence. The section maintains all the requirements contained in the 2005 Act. In addition, the Coalition Government's review of control orders concluded that these requirements should include a statutory duty on the chief officer to report back to the Secretary of State on the ongoing review of the investigation of the individual's conduct. Section 10 delivers this.
