Cy-près powers and variation of charters

61 Duty of trustees in relation to application of property cy-près

It is hereby declared that a trust for charitable purposes places a trustee under a duty, where the case permits and requires the property or some part of it to be applied cy-près, to secure its effective use for charity by taking steps to enable it to be so applied.

62 Occasions for applying property cy-près

- (1) Subject to subsection (3), the circumstances in which the original purposes of a charitable gift can be altered to allow the property given or part of it to be applied cy-près are—
- (a) where the original purposes, in whole or in part—
 - (i) have been as far as may be fulfilled, or
 - (ii) cannot be carried out, or not according to the directions given and to the spirit of the gift,
 - (b) where the original purposes provide a use for part only of the property available by virtue of the gift,
 - (c) where—
 - (i) the property available by virtue of the gift, and
 - (ii) other property applicable for similar purposes,
 can be more effectively used in conjunction, and to that end can suitably, regard being had to the appropriate considerations, be made applicable to common purposes,
 - (d) where the original purposes were laid down by reference to—
 - (i) an area which then was but has since ceased to be a unit for some other purpose, or
 - (ii) a class of persons or an area which has for any reason since ceased to be suitable, regard being had to the appropriate considerations, or to be practical in administering the gift, or
 - (e) where the original purposes, in whole or in part, have, since they were laid down—
 - (i) been adequately provided for by other means,
 - (ii) ceased, as being useless or harmful to the community or for other reasons, to be in law charitable, or
 - (iii) ceased in any other way to provide a suitable and effective method of using the property available by virtue of the gift, regard being had to the appropriate considerations.

- (2) In subsection (1) “the appropriate considerations” means—
 - (a) (on the one hand) the spirit of the gift concerned, and
 - (b) (on the other) the social and economic circumstances prevailing at the time of the proposed alteration of the original purposes.
- (3) Subsection (1) does not affect the conditions which must be satisfied in order that property given for charitable purposes may be applied cy-près except in so far as those conditions require a failure of the original purposes.
- (4) References in subsections (1) to (3) to the original purposes of a gift are to be read, where the application of the property given has been altered or regulated by a scheme or otherwise, as referring to the purposes for which the property is for the time being applicable.
- (5) The court may by scheme made under the court’s jurisdiction with respect to charities, in any case where the purposes for which the property is held are laid down by reference to any such area as is mentioned in column 1 in Schedule 4, provide for enlarging the area to any such area as is mentioned in column 2 in the same entry in that Schedule.
- (6) Subsection (5) does not affect the power to make schemes in circumstances falling within subsection (1).

63 Application cy-près: donor unknown or disclaiming

 - (a) to a donor who after—
 - (i) the prescribed advertisements and inquiries have been published and made, and
 - (ii) the prescribed period beginning with the publication of those advertisements has ended,
 cannot be identified or cannot be found, or
 - (b) to a donor who has executed a disclaimer in the prescribed form of the right to have the property returned.
- (2) Where the prescribed advertisements and inquiries have been published and made by or on behalf of trustees with respect to any such property, the trustees are not liable to any person in respect of the property if no claim by that person to be interested in it is received by them before the end of the period mentioned in subsection (1)(a)(ii).
- (3) Where property is applied cy-près by virtue of this section, all the donor’s interest in it is treated as having been relinquished when the gift was made.
- (4) But where property is so applied as belonging to donors who cannot be identified or cannot be found, and is not so applied by virtue of section 64 (donors treated as unidentifiable)—
 - (a) the scheme must specify the total amount of that property,
 - (b) the donor of any part of that amount is entitled, on making a claim within the time limit, to recover from the charity for which the property is applied a sum equal to that part, less any expenses properly incurred by the charity trustees after the scheme’s date in connection with claims relating to the donor’s gift, and

- (c) the scheme may include directions as to the provision to be made for meeting any claims made in accordance with paragraph (b).
- (5) For the purposes of subsection (4)(b)—
 - (a) a claim is made within the time limit only if it is made no later than 6 months after the date on which the scheme is made, and
 - (b) “the scheme’s date” means the date on which the scheme is made.
- (6) Subsection (7) applies if—
 - (a) any sum is, in accordance with any directions included in the scheme under subsection (4)(c), set aside for meeting claims made in accordance with subsection (4)(b), but
 - (b) the aggregate amount of any such claims actually made exceeds the relevant amount;

and for this purpose “the relevant amount” means the amount of the sum so set aside after deduction of any expenses properly incurred by the charity trustees in connection with claims relating to the donors’ gifts.
- (7) If the Commission so directs, each of the donors in question is entitled only to such proportion of the relevant amount as the amount of the donor’s claim bears to the aggregate amount referred to in subsection (6)(b).

64 Donors treated as unidentifiable

- (1) For the purposes of section 63 property is conclusively presumed (without any advertisement or inquiry) to belong to donors who cannot be identified, in so far as it consists of—
 - (a) the proceeds of cash collections made—
 - (i) by means of collecting boxes, or
 - (ii) by other means not adapted for distinguishing one gift from another,
 or
 - (b) the proceeds of any lottery, competition, entertainment, sale or similar money-raising activity, after allowing for property given to provide prizes or articles for sale or otherwise to enable the activity to be undertaken.
- (2) The court or the Commission may by order direct that property not falling within subsection (1) is for the purposes of section 63 to be treated (without any advertisement or inquiry) as belonging to donors who cannot be identified if it appears to the court or the Commission—
 - (a) that it would be unreasonable, having regard to the amounts likely to be returned to the donors, to incur expense with a view to returning the property, or
 - (b) that it would be unreasonable, having regard to the nature, circumstances and amounts of the gifts, and to the lapse of time since the gifts were made, for the donors to expect the property to be returned.

65 Donors treated as disclaiming

- (1) This section applies to property given—
 - (a) for specific charitable purposes, and
 - (b) in response to a solicitation within subsection (2).

- (2) A solicitation is within this subsection if—
- (a) it is made for specific charitable purposes, and
 - (b) it is accompanied by a statement to the effect that property given in response to it will, in the event of those purposes failing, be applicable cy-près as if given for charitable purposes generally, unless the donor makes a relevant declaration at the time of making the gift.
- (3) A relevant declaration is a declaration in writing by the donor to the effect that, in the event of the specific charitable purposes failing, the donor wishes to be given the opportunity by the trustees holding the property to request the return of the property in question (or a sum equal to its value at the time of the making of the gift).
- (4) Subsections (5) and (6) apply if—
- (a) a person has given property as mentioned in subsection (1),
 - (b) the specific charitable purposes fail, and
 - (c) the donor has made a relevant declaration.
- (5) The trustees holding the property must take the prescribed steps for the purpose of—
- (a) informing the donor of the failure of the purposes,
 - (b) enquiring whether the donor wishes to request the return of the property (or a sum equal to its value), and
 - (c) if within the prescribed period the donor makes such a request, returning the property (or such a sum) to the donor.
- (6) If those trustees have taken all appropriate prescribed steps but—
- (a) they have failed to find the donor, or
 - (b) the donor does not within the prescribed period request the return of the property (or a sum equal to its value),
- section 63(1) applies to the property as if it belonged to a donor within section 63(1)(b) (application of property where donor has disclaimed right to return of property).
- (7) If—
- (a) a person has given property as mentioned in subsection (1),
 - (b) the specific charitable purposes fail, and
 - (c) the donor has not made a relevant declaration,
- section 63(1) similarly applies to the property as if it belonged to a donor within section 63(1)(b).
- (8) For the purposes of this section—
- (a) “solicitation” means a solicitation made in any manner and however communicated to the persons to whom it is addressed,
 - (b) it is irrelevant whether any consideration is or is to be given in return for the property in question, and
 - (c) where any appeal consists of—
 - (i) solicitations that are accompanied by statements within subsection (2)(b), and
 - (ii) solicitations that are not so accompanied,
 a person giving property as a result of the appeal is to be presumed, unless the contrary is proved, to have responded to the former solicitations and not the latter.

66 Unknown and disclaiming donors: supplementary

- (1) For the purposes of sections 63 and 65, charitable purposes are to be treated as failing if any difficulty in applying property to those purposes makes that property or the part not applicable cy-près available to be returned to the donors.
- (2) In sections 63 to 65 and this section—
 - (a) references to a donor include persons claiming through or under the original donor, and
 - (b) references to property given include the property for the time being representing the property originally given or property derived from it.
- (3) Subsection (2) applies except in so far as the context otherwise requires.
- (4) In sections 63 and 65 “prescribed” means prescribed by regulations made by the Commission.
- (5) Any such regulations are to be published by the Commission in such manner as it thinks fit.
- (6) Any such regulations may, as respects the advertisements which are to be published for the purposes of section 63(1)(a), make provision as to the form and content of such advertisements as well as the manner in which they are to be published.

 - (a) for such charitable purposes, and
 - (b) (if the scheme provides for the property to be transferred to another charity) by or on trust for such other charity,as it considers appropriate, having regard to the matters set out in subsection (3).
- (3) The matters are—
 - (a) the spirit of the original gift,
 - (b) the desirability of securing that the property is applied for charitable purposes which are close to the original purposes, and
 - (c) the need for the relevant charity to have purposes which are suitable and effective in the light of current social and economic circumstances.The “relevant charity” means the charity by or on behalf of which the property is to be applied under the scheme.
- (4) If a scheme provides for the property to be transferred to another charity, the scheme may impose on the charity trustees of that charity a duty to secure that the property is applied for purposes which are, so far as is reasonably practicable, similar in character to the original purposes.
- (5) In this section references to property given include the property for the time being representing the property originally given or property derived from it.
- (6) In this section references to the transfer of property to a charity are references to its transfer—

- (a) to the charity,
- (b) to the charity trustees,
- (c) to any trustee for the charity, or
- (d) to a person nominated by the charity trustees to hold it in trust for the charity, as the scheme may provide.

- (7) In this section references to the original purposes of a gift are to be read, where the application of the property given has been altered or regulated by a scheme or otherwise, as referring to the purposes for which the property is for the time being applicable.

- (3) Subsection (4) applies where, under—
 - (a) the court's jurisdiction with respect to charities or the corresponding jurisdiction of a court in Northern Ireland, or

 - (a) making any application of property of the charity, or
 - (b) waiving to any extent, on behalf of the charity, its entitlement to receive any property.
- (3) The power conferred on the Commission by subsection (1) is exercisable by the Commission under the supervision of, and in accordance with such directions as may be given by, the Attorney General.
- (4) Any such directions may in particular require the Commission, in such circumstances as are specified in the directions—
 - (a) to refrain from exercising the power conferred by subsection (1), or
 - (b) to consult the Attorney General before exercising it.
- (5) Where—
 - (a) an application is made to the Commission for it to exercise the power conferred by subsection (1) in a case where it is not precluded from doing so by any such directions, but
 - (b) the Commission considers that it would nevertheless be desirable for the application to be entertained by the Attorney General rather than by the Commission,
 the Commission must refer the application to the Attorney General.
- (6) It is hereby declared that where—
 - (a) an application is made to the Commission as mentioned in subsection (5)(a), and
 - (b) the Commission determines the application by refusing to authorise charity trustees to take any action falling within subsection (2)(a) or (b),
 that refusal does not preclude the Attorney General, on an application subsequently made to the Attorney General by the charity trustees, from authorising them to take that action.

Power to give directions about dormant bank accounts of charities

107 Power to direct transfer of credits in dormant bank accounts

- (1) The Commission may give a direction under subsection (2) where—
 - (a) it is informed by a relevant institution—
 - (i) that it holds one or more accounts in the name of or on behalf of a particular charity (“the relevant charity”), and
 - (ii) that the account, or (if it so holds two or more accounts) each of the accounts, is dormant, and
 - (b) it is unable, after making reasonable inquiries, to locate that charity or any of its trustees.
- (2) A direction under this subsection is a direction which—
 - (a) requires the institution concerned to transfer the amount, or (as the case may be) the aggregate amount, standing to the credit of the relevant charity in the

account or accounts in question to such other charity as is specified in the direction in accordance with subsection (3), or

- (b) requires the institution concerned to transfer to each of two or more other charities so specified in the direction such part of that amount or aggregate amount as is there specified in relation to that charity.

(3) The Commission—

- (a) may specify in a direction under subsection (2) such other charity or charities as it considers appropriate, having regard, in a case where the purposes of the relevant charity are known to the Commission, to those purposes and to the purposes of the other charity or charities, but
- (b) must not so specify any charity unless it has received from the charity trustees written confirmation that those trustees are willing to accept the amount proposed to be transferred to the charity.

(4) Any amount received by a charity by virtue of this section is to be received by the charity on terms that—

- (a) it is to be held and applied by the charity for the purposes of the charity, but
- (b) as property of the charity, it is nevertheless subject to any restrictions on expenditure to which it was subject as property of the relevant charity.

(5) The receipt of any charity trustees or trustee for a charity in respect of any amount received from a relevant institution by virtue of this section is a complete discharge of the institution in respect of that amount.

108 Accounts which cease to be dormant before transfer

(1) This section applies where—

- (a) the Commission has been informed as mentioned in section 107(1)(a) by any relevant institution, and
- (b) before any transfer is made by the institution in pursuance of a direction under section 107(2), the institution has, by reason of any circumstances, cause to believe that the account, or (as the case may be) any of the accounts, held by it in the name of or on behalf of the relevant charity is no longer dormant.

(2) The institution must without delay notify those circumstances in writing to the Commission.

(3) If it appears to the Commission that the account or accounts in question is or are no longer dormant, it must revoke any direction under section 107(2) which has previously been given by it to the institution with respect to the relevant charity.

109 Dormant bank accounts: supplementary

(1) No obligation as to secrecy or other restriction on disclosure (however imposed) precludes a relevant institution from disclosing any information to the Commission for the purpose of enabling the Commission to discharge its functions under sections 107 and 108.

(2) For the purposes of sections 107 and 108 and this section, an account is dormant if no transaction, other than—

- (a) a transaction consisting in a payment into the account, or

- (b) a transaction which the institution holding the account has itself caused to be effected,
has been effected in relation to the account within the period of 5 years immediately preceding the date when the Commission is informed as mentioned in section 107(1) (a).
- (3) For the purposes of sections 107 and 108 and this section, a “relevant institution” means—
- (a) the Bank of England,
 - (b) a person who has permission under Part 4 of the Financial Services and Markets Act 2000 to accept deposits,
 - (c) an EEA firm of the kind mentioned in paragraph 5(b) of Schedule 3 to that Act which has permission under paragraph 15 of that Schedule (as a result of qualifying for authorisation under paragraph 12(1) of that Schedule) to accept deposits, or
 - (d) such other person who may lawfully accept deposits in the United Kingdom as may be prescribed by the Minister.
- (4) In subsection (3), paragraphs (b) to (d) are to be read with—
- (a) section 22 of the Financial Services and Markets Act 2000,
 - (b) any relevant order under that section, and
 - (c) Schedule 2 to that Act.
- (5) For the purposes of sections 107 and 108, references to the transfer of any amount to a charity are references to its transfer—
- (a) to the charity trustees, or
 - (b) to any trustee for the charity,
- as the charity trustees may determine (and any reference to any amount received by a charity is to be read accordingly).
- (6) For the purpose of determining the matters in respect of which any of the powers conferred by sections 46 to 53 (inquiries and searches) may be exercised it is to be assumed that the Commission has no functions under section 107 or 108 in relation to accounts to which this subsection applies.
- (This has the result that, for example, a relevant institution is not, in connection with the Commission’s functions under sections 107 and 108, required under section 47(2) (a) to provide any statements, or answer any questions or inquiries, with respect to any such accounts held by the institution.)
- (7) Subsection (6) applies to accounts which—
- (a) are dormant accounts by virtue of subsection (2), but
 - (b) would not be dormant accounts if subsection (2)(a) were omitted.

Additional powers of Commission

110 Power to give advice

- (1) The Commission may, on the written application of any charity trustee or trustee for a charity, give the applicant its opinion or advice in relation to any matter—

(2) A person (“P”) who—

- (a) is a charity trustee or trustee for a charity, and
- (b) acts in accordance with any opinion or advice given by the Commission under subsection (1) (whether to P or another trustee),

is to be treated, as regards P’s responsibility for so acting, as having acted in accordance with P’s trust.

(3) But subsection (2) does not apply to P if, when so acting—

- (a) P knows or has reasonable cause to suspect that the opinion or advice was given in ignorance of material facts, or
- (b) a decision of the court or the Tribunal has been obtained on the matter or proceedings are pending to obtain one.

111 Power to determine membership of charity

(3) In a case within subsection (1)(b) the Commission may, if it thinks fit, so appoint the person appointed to conduct the inquiry.

112 Power to order assessment of solicitor’s bill

(1) The Commission may order that a solicitor’s bill of costs for business done for a charity, or for charity trustees or trustees for a charity, is to be assessed, together with the costs of the assessment—

- (a) by a costs officer in such division of the High Court as may be specified in the order, or
- (b) by the costs officer of any other court having jurisdiction to order the assessment of the bill.

(2) On any order under this section for the assessment of a solicitor’s bill—

- (a) the assessment is to proceed,
- (b) the costs officer has the same powers and duties, and
- (c) the costs of the assessment are to be borne,

as if the order had been made, on the application of the person chargeable with the bill, by the court in which the costs are assessed.

(3) No order under this section for the assessment of a solicitor’s bill is to be made after payment of the bill, unless the Commission is of opinion that it contains exorbitant charges.

- (4) No order under this section is to be made in any case where the solicitor's costs are not subject to assessment on an order of the High Court because of—
- (a) an agreement as to the solicitor's remuneration, or
 - (b) the lapse of time since payment of the bill.

- (2) A petition for the charity to be wound up under the 1986 Act by any court in England or Wales having jurisdiction may be presented by the Attorney General, as well as by any person authorised by that Act.
- (3) Such a petition may also be presented by the Commission if, at any time after it has instituted an inquiry under section 46 with respect to the charity, it is satisfied either as mentioned in section 76(1)(a) (misconduct or mismanagement etc.) or as mentioned in section 76(1)(b) (need to protect property etc.).
- (4) The power exercisable by the Commission by virtue of this section is exercisable—
- (a) by the Commission of its own motion, but

 - (b) the compromise of claims with a view to avoiding or ending such proceedings, as are exercisable by the Attorney General acting ex officio.
- (2) Subsection (1) does not apply to the power of the Attorney General under section 113(2) to present a petition for the winding up of a charity.
- (3) The practice and procedure to be followed in relation to any proceedings taken by the Commission under subsection (1) are the same in all respects (and in particular as regards costs) as if they were proceedings taken by the Attorney General acting ex officio.
- (4) No rule of law or practice is to be treated as requiring the Attorney General to be a party to any such proceedings.
- (5) The powers exercisable by the Commission by virtue of this section are exercisable—
- (a) by the Commission of its own motion, but
 - (b) only with the agreement of the Attorney General on each occasion.

115 Proceedings by other persons

- (1) Charity proceedings may be taken with reference to a charity by—

- (a) the charity,
 - (b) any of the charity trustees,
 - (c) any person interested in the charity, or
 - (d) if it is a local charity, any two or more inhabitants of the area of the charity, but not by any other person.
- (2) Subject to the following provisions of this section, no charity proceedings relating to a charity are to be entertained or proceeded with in any court unless the taking of the proceedings is authorised by order of the Commission.
- (3) The Commission must not, without special reasons, authorise the taking of charity proceedings where in its opinion the case can be dealt with by the Commission under the powers of this Act other than those conferred by section 114.
- (4) This section does not require an order for the taking of proceedings—
 - (a) in a pending cause or matter, or
 - (b) for the bringing of any appeal.
- (5) Where subsections (1) to (4) require the taking of charity proceedings to be authorised by an order of the Commission, the proceedings may nevertheless be entertained or proceeded with if, after the order had been applied for and refused, leave to take the proceedings was obtained from one of the judges of the High Court attached to the Chancery Division.
- (6) Nothing in subsections (1) to (5) applies—
 - (a) to the taking of proceedings by the Attorney General, with or without a relator, or
 - (b) to the taking of proceedings by the Commission in accordance with section 114.
- (7) If it appears to the Commission, on an application for an order under this section or otherwise, that it is desirable—
 - (a) for legal proceedings to be taken with reference to any charity or its property or affairs, and
 - (b) for the proceedings to be taken by the Attorney General,
 the Commission must so inform the Attorney General and send the Attorney General such statements and particulars as the Commission thinks necessary to explain the matter.
- (8) In this section “charity proceedings” means proceedings in any court in England or Wales brought under—
 - (a) the court’s jurisdiction with respect to charities, or

- (1) The requirements mentioned in section 117(2)(b) are that the charity trustees must, before entering into an agreement for the sale, or (as the case may be) for a lease or other disposition, of the land—
 - (a) obtain and consider a written report on the proposed disposition from a qualified surveyor instructed by the trustees and acting exclusively for the charity,
 - (b) advertise the proposed disposition for such period and in such manner as is advised in the surveyor’s report (unless it advises that it would not be in the best interests of the charity to advertise the proposed disposition), and

- (2) Subsection (1) does not apply where the proposed disposition is the granting of such a lease as is mentioned in section 120(1).

 - (b) decide that they are satisfied, having considered that person's advice, that the terms on which the disposition is proposed to be made are the best that can reasonably be obtained for the charity.

121 Additional restrictions where land held for stipulated purposes

- (1) Subsection (2) applies where—
 - (a) any land is held by or in trust for a charity, and
 - (b) the trusts on which it is so held stipulate that it is to be used for the purposes, or any particular purposes, of the charity.

 - (b) that subsection (2) is not to apply to a particular disposition of land held by or in trust for a charity.
- (7) The condition is that the Commission, on an application made to it in writing by or behalf of the charity or charities in question, is satisfied that it would be in the interests of the charity or charities for the Commission to give the direction.

- (1) Subject to subsection (2), no mortgage of land held by or in trust for a charity is to be granted without an order of—
 - (a) the court, or
 - (b) the Commission.
- (2) Subsection (1) does not apply to a mortgage of any such land if the charity trustees have, before executing the mortgage, obtained and considered proper advice, given to them in writing, on the relevant matters or matter mentioned in subsection (3) or (4) (as the case may be).
- (3) In the case of a mortgage to secure the repayment of a proposed loan or grant, the relevant matters are—
 - (a) whether the loan or grant is necessary in order for the charity trustees to be able to pursue the particular course of action in connection with which they are seeking the loan or grant,
 - (b) whether the terms of the loan or grant are reasonable having regard to the status of the charity as the prospective recipient of the loan or grant, and
 - (c) the ability of the charity to repay on those terms the sum proposed to be paid by way of loan or grant.
- (4) In the case of a mortgage to secure the discharge of any other proposed obligation, the relevant matter is whether it is reasonable for the charity trustees to undertake to discharge the obligation, having regard to the charity's purposes.
- (5) Subsection (3) or (as the case may be) subsection (4) applies in relation to such a mortgage as is mentioned in that subsection whether the mortgage—
 - (a) would only have effect to secure the repayment of the proposed loan or grant or the discharge of the proposed obligation, or
 - (b) would also have effect to secure the repayment of sums paid by way of loan or grant, or the discharge of other obligations undertaken, after the date of its execution.
- (6) Subsection (7) applies where—

- (a) the charity trustees of a charity have executed a mortgage of land held by or in trust for a charity in accordance with subsection (2), and
 - (b) the mortgage has effect to secure the repayment of sums paid by way of loan or grant, or the discharge of other obligations undertaken, after the date of its execution.
- (7) In such a case, the charity trustees must not after that date enter into any transaction involving—
 - (a) the payment of any such sums, or
 - (b) the undertaking of any such obligations,unless they have, before entering into the transaction, obtained and considered proper advice, given to them in writing, on the matters or matter mentioned in subsection (3) (a) to (c) or (4) (as the case may be).

 - (a) who is reasonably believed by the charity trustees to be qualified by ability in and practical experience of financial matters, and
 - (b) who has no financial interest in relation to the loan, grant or other transaction in connection with which the advice is given;and such advice may constitute proper advice for those purposes even though the person giving it does so in the course of employment as an officer or employee of the charity or of the charity trustees.
- (9) This section applies regardless of anything in the trusts of a charity; but nothing in this section applies to any mortgage—
 - (a) for which general or special authority is given as mentioned in section 117(3) (a), or
 - (b) for which the authorisation or consent of the Secretary of State is required as mentioned in section 117(3)(b).

- (3) Subsection (2) is subject to—
 - (a) subsection (4), and
 - (b) any order under section 153(1).
- (4) If subsection (2) applies to the group accounts for a year and the aggregate gross income of the group in that year exceeds the sum specified in section 145(3), a person qualifies as an independent examiner for the purposes of subsection (2) if (and only if) the person is independent and meets the requirements of section 145(3)(a) or (b).

 - (a) give guidance to charity trustees of a parent charity in connection with the selection of a person for appointment as an independent examiner;
 - (b) give such directions as it thinks appropriate with respect to the carrying out of an examination in pursuance of subsection (2);

and any such guidance or directions may either be of general application or apply to a particular charity only.

 - (a) this section applies in relation to a financial year of a parent charity, and
 - (b) section 149 (audit or examination of English NHS charity accounts) also applies in relation to that year,

But this subsection does not apply if section 149 or 150 (audit or examination of NHS charity accounts) applies in relation to the parent charity for that year.

Condition A

Condition A is that the amount or maximum amount of the remuneration—

- (b) does not exceed what is reasonable in the circumstances for the provision by P of the services in question.

Condition B

Condition B is that, before entering into that agreement, the charity trustees decided that they were satisfied that it would be in the best interests of the charity

for the services to be provided by P to or on behalf of the charity for the amount or maximum amount of remuneration set out in the agreement.

Condition C

Condition C is that if immediately after the agreement is entered into there is, in the case of the charity, more than one person who is a charity trustee and is—

- (b) a person who is entitled to receive remuneration out of the funds of the charity otherwise than by virtue of such an agreement, or

- (6) An order under this subsection is one directing that P or (as the case may be) the connected person is not to be paid the whole or part of the remuneration mentioned in subsection (4)(b).
- (7) If the Commission makes an order under subsection (5) or (6), P or (as the case may be) the connected person accordingly ceases to have any entitlement under the agreement to so much of the remuneration (or its monetary value) as the order requires P to reimburse to the charity or (as the case may be) as it directs is not to be paid to P.
- (8) Sections 187 and 188 (interpretation) apply for the purposes of this section.

- (2) A CIO's constitution must make provision—
 - (a) about who is eligible for membership, and how a person becomes a member,
 - (b) about the appointment of one or more persons who are to be charity trustees of the CIO, and about any conditions of eligibility for appointment, and
 - (c) containing directions about the application of property of the CIO on its dissolution.
- (3) A CIO's constitution must also provide for such other matters, and comply with such requirements, as are specified in CIO regulations.
- (4) A CIO's constitution—
 - (a) must be in English if its principal office is in England;
 - (b) may be in English or in Welsh if its principal office is in Wales.
- (5) A CIO's constitution must be in the form specified in regulations made by the Commission, or as near to that form as the circumstances admit.
- (6) Subject to anything in a CIO's constitution—
 - (a) a charity trustee of the CIO may, but need not, be a member of it,
 - (b) a member of the CIO may, but need not, be one of its charity trustees, and
 - (c) those who are members of the CIO and those who are its charity trustees may, but need not, be identical.

Formation and registration of CIO

207 Application for CIO to be constituted and registered

- (1) Any one or more persons ("the applicants") may apply to the Commission for a CIO to be constituted and for its registration as a charity.
- (2) The applicants must supply the Commission with—
 - (a) a copy of the proposed constitution of the CIO,
 - (b) such other documents or information as may be prescribed by CIO regulations, and
 - (c) such other documents or information as the Commission may require for the purposes of the application.

208 Cases where application must or may be refused

- (1) The Commission must refuse an application under section 207 if—

- (a) it is not satisfied that the CIO would be a charity at the time it would be registered, or
 - (b) the CIO's proposed constitution does not comply with one or more of the requirements of section 206 (constitution of CIOs) and any regulations made under that section.
- (2) The Commission may refuse such an application if—
- (a) the proposed name of the CIO—
 - (i) is the same as, or
 - (ii) is in the opinion of the Commission too like,
the name of any other charity (whether registered or not), or
 - (b) the Commission is of the opinion referred to in any of paragraphs (b) to (e) of section 42(2) (power to require charity's name to be changed) in relation to the proposed name of the CIO (reading paragraph (b) as referring to the proposed purposes of the CIO and to the activities which it is proposed it should carry on).

209 Registration of CIO

- (1) If the Commission grants an application under section 207 it must register the CIO to which the application relates as a charity in the register of charities.
- (2) The entry relating to the charity's registration in the register of charities must include—
 - (a) the date of the charity's registration, and
 - (b) a note saying that it is constituted as a CIO.
- (3) A copy of the entry in the register must be sent to the charity at the principal office of the CIO.

210 Effect of registration of CIO

- (1) Upon the registration of the CIO in the register of charities, it becomes by virtue of the registration a body corporate—
 - (a) whose constitution is that proposed in the application,
 - (b) whose name is that specified in the constitution, and
 - (c) whose first member is, or first members are, the applicants referred to in section 207.
- (2) All property for the time being vested in the applicants (or, if more than one, any of them) on trust for the charitable purposes of the CIO (when incorporated) by virtue of this subsection becomes vested in the CIO upon its registration.

Name and status

211 Name

- (1) The name of a CIO must appear in legible characters—
 - (a) in every location, and in every description of document or communication, in which a charitable company would be required by regulations under section 82 of the Companies Act 2006 to state its registered name, and
 - (b) in all conveyances purporting to be executed by the CIO.

Status: This is the original version (as it was originally enacted).

- (2) In subsection (1)(b), “conveyance” means any instrument creating, transferring, varying or extinguishing an interest in land.

212 Status

- (1) Subsection (3) applies if the name of a CIO does not include—
- (a) “charitable incorporated organisation”,
 - (b) “CIO”, with or without full stops after each letter, or
 - (c) a Welsh equivalent mentioned in subsection (2) (but this option applies only if the CIO’s constitution is in Welsh),
- and it is irrelevant, in any such case, whether or not capital letters are used.
- (2) The Welsh equivalents referred to in subsection (1)(c) are—
- (a) “sefydliad elusennol corfforedig”, or
 - (b) “SEC”, with or without full stops after each letter.
- (3) If this subsection applies, the fact that a CIO is a CIO must be stated in legible characters in all the locations, documents, communications and conveyances mentioned in section 211(1).
- (4) The statement required by subsection (3) must be in English, except that in the case of a document which is otherwise wholly in Welsh, the statement may be in Welsh.

213 Civil consequences of failure to disclose name or status

- (1) This section applies to any legal proceedings brought by a CIO to enforce a right arising out of a contract or conveyance in connection with which there was a failure to comply with section 211 or 212.
- (2) The proceedings must be dismissed if it is shown that the defendant to the proceedings—
- (a) has a claim against the CIO arising out of the contract or conveyance that the defendant has been unable to pursue because of the failure to comply with section 211 or 212, or
 - (b) has suffered some financial loss in connection with the contract or conveyance because of the failure to comply with section 211 or 212,
- unless the court before which the proceedings are brought is satisfied that it is just and equitable to permit the proceedings to continue.
- (3) This section does not affect the right of any person to enforce such rights as that person may have against another in any proceedings brought by the other.

214 Offence of failing to disclose name or status

- (1) In the case of failure, without reasonable excuse, to comply with section 211 or 212 an offence is committed by—
- (a) every charity trustee of the CIO who is in default, and
 - (b) any other person who on the CIO’s behalf—
 - (i) signs or authorises the signing of the offending document, communication or conveyance, or
 - (ii) otherwise commits or authorises the offending act or omission.

- (2) A person guilty of an offence under subsection (1) is liable on summary conviction to a fine not exceeding level 3 on the standard scale and, for continued contravention, a daily default fine not exceeding 10% of level 3 on the standard scale.
- (3) The reference in subsection (1) to a charity trustee being in default, and the reference in subsection (2) to a daily default fine, have the same meaning as in the Companies Acts (see sections 1121 to 1123 and 1125 of the Companies Act 2006).

215 Offence of holding out that a body is a CIO

- (1) It is an offence for a person (in whatever way) to hold any body out as being a CIO when it is not.
- (2) It is a defence where a person is charged with an offence under subsection (1) to prove that the person believed on reasonable grounds that the body was a CIO.
- (3) A person guilty of an offence under subsection (1) is liable on summary conviction to a fine not exceeding level 3 on the standard scale.

CHAPTER 2

POWERS, CAPACITY AND PROCEDURE ETC.

216 Powers of CIO

- (1) Subject to anything in its constitution, a CIO may do anything which is calculated to further its purposes or is conducive or incidental to doing so.
- (2) The CIO's charity trustees are to manage the affairs of the CIO and may for that purpose exercise all the powers of the CIO.

217 Constitutional requirements

- (1) A CIO must use and apply its property in furtherance of its purposes and in accordance with its constitution.
- (2) If the CIO is one whose members are liable to contribute to its assets if it is wound up, its constitution binds the CIO and its members for the time being to the same extent as if its provisions were contained in a contract—
 - (a) to which the CIO and each of its members was a party, and
 - (b) which contained obligations on the part of the CIO and each member to observe all the provisions of the constitution.
- (3) Money payable by a member to the CIO under the constitution is a debt due from that member to the CIO, and is of the nature of an ordinary contract debt.

218 Third parties

- (1) Subject to subsection (3), the validity of an act done (or purportedly done) by a CIO is not to be called into question on the ground that the CIO lacked constitutional capacity.

Status: This is the original version (as it was originally enacted).

- (2) Subject to subsection (3), the power of the charity trustees of a CIO to act so as to bind the CIO (or authorise others to do so) is not to be called into question on the ground of any constitutional limitations on their powers.
- (3) Subsections (1) and (2) apply only in favour of a person who gives full consideration in money or money's worth in relation to the act in question, and does not know—
 - (a) in a subsection (1) case, that the act is beyond the CIO's constitutional capacity, or
 - (b) in a subsection (2) case, that the act is beyond the constitutional powers of its charity trustees,
 and (in addition) subsection (2) applies only if the person dealt with the CIO in good faith (which the person is presumed to have done unless the contrary is proved).
- (4) A party to an arrangement or transaction with a CIO is not bound to inquire—
 - (a) whether it is within the CIO's constitutional capacity, or
 - (b) as to any constitutional limitations on the powers of its charity trustees to bind the CIO or authorise others to do so.
- (5) If a CIO purports to transfer or grant an interest in property, the fact—
 - (a) that the act was beyond its constitutional capacity, or
 - (b) that its charity trustees in connection with the act exceeded their constitutional powers,
 does not affect the title of a person who subsequently acquires the property or any interest in it for full consideration without actual notice of any such circumstances affecting the validity of the CIO's act.
- (6) In any proceedings arising out of subsections (1) to (3), the burden of proving that a person knew that an act—
 - (a) was beyond the CIO's constitutional capacity, or
 - (b) was beyond the constitutional powers of its charity trustees,
 lies on the person making that allegation.
- (7) In this section and section 219—
 - (a) references to a CIO's lack of constitutional capacity are to lack of capacity because of anything in its constitution, and
 - (b) references to constitutional limitations on the powers of a CIO's charity trustees are to limitations on their powers under its constitution, including limitations deriving from a resolution of the CIO in general meeting, or from an agreement between the CIO's members, and the references to constitutional powers are to be read accordingly.

219 Limits to s.218

- (1) Nothing in section 218 prevents a person from bringing proceedings to restrain the doing of an act which would be—
 - (a) beyond the CIO's constitutional capacity, or
 - (b) beyond the constitutional powers of the CIO's charity trustees.
- (2) But no such proceedings may be brought in respect of an act to be done in fulfilment of a legal obligation arising from a previous act of the CIO.
- (3) Subsection (2) does not prevent the Commission from exercising any of its powers.

- (4) Nothing in section 218(2) affects any liability incurred by the CIO's charity trustees (or any one of them) for acting beyond their (or that charity trustee's) constitutional powers.
- (5) Nothing in section 218 absolves the CIO's charity trustees from their duty to act within the CIO's constitution and in accordance with any constitutional limitations on their powers.

220 Duty of CIO members

Each member of a CIO must exercise the powers that the member has in that capacity in the way that the member decides, in good faith, would be most likely to further the purposes of the CIO.

221 Duties of charity trustees

- (1) Each charity trustee of a CIO must exercise the powers and perform the functions that the charity trustee has in that capacity in the way that the charity trustee decides, in good faith, would be most likely to further the purposes of the CIO.
- (2) Each charity trustee of a CIO must in the performance of functions in that capacity exercise such care and skill as is reasonable in the circumstances, having regard in particular—
 - (a) to any special knowledge or experience that the charity trustee has or purports to have, and
 - (b) if the charity trustee acts as such in the course of a business or profession, to any special knowledge or experience that it is reasonable to expect of a person acting in the course of that kind of business or profession.

But this is subject to any provision of a CIO's constitution permitted by virtue of regulations made under subsection (3).

- (3) CIO regulations may permit a CIO's constitution to provide that the duty in subsection (2)—
 - (a) does not apply, or
 - (b) does not apply in so far as is specified in the constitution.
- (4) Regulations under subsection (3) may provide for limits on the extent to which, or the cases in which, a CIO's constitution may disapply the duty in subsection (2).

222 Personal benefit and payments

- (1) A charity trustee of a CIO may not benefit personally from an arrangement or transaction entered into by the CIO if, before the arrangement or transaction was entered into, the charity trustee did not disclose to all the charity trustees of the CIO any material interest (whether direct or indirect) which the charity trustee had in it or in any other person or body party to it.
- (2) Nothing in subsection (1) confers authority for a charity trustee of a CIO to benefit personally from any arrangement or transaction entered into by the CIO.
- (3) A charity trustee of a CIO—
 - (a) is entitled to be reimbursed by the CIO, or

Status: This is the original version (as it was originally enacted).

(b) may pay out of the CIO's funds,
 expenses properly incurred by the charity trustee in the performance of that charity
 trustee's functions as such.

223 Regulations about procedure of CIOs

- (1) CIO regulations may make provision about the procedure of CIOs.
- (2) Subject to—
 - (a) any such regulations,
 - (b) any other requirement imposed by or by virtue of this Act or any other enactment, and
 - (c) anything in the CIO's constitution,
 a CIO may regulate its own procedure.
- (3) But a CIO's procedure must include provision for the holding of a general meeting of its members, and the regulations referred to in subsection (1) may in particular make provision about such meetings.

CHAPTER 3

AMENDMENT OF CONSTITUTION

224 Amendment of constitution and procedure

- (1) A CIO may by resolution of its members amend its constitution (and a single resolution may provide for more than one amendment).
- (2) Such a resolution must be passed—
 - (a) by a 75% majority of those voting at a general meeting of the CIO (including those voting by proxy or by post, if voting that way is permitted), or
 - (b) unanimously by the CIO's members, otherwise than at a general meeting.
- (3) The date of passing of such a resolution is—
 - (a) the date of the general meeting at which it was passed, or
 - (b) if it was passed otherwise than at a general meeting, the date on which provision in the CIO's constitution or in regulations made under section 223 treats it as having been passed (but that date may not be earlier than that on which the last member agreed to it).

225 Amendment of constitution and charitable status

The power of a CIO to amend its constitution is not exercisable in any way which would result in the CIO's ceasing to be a charity.

226 Amendment of constitution and Commission's consent

- (1) Subject to section 227(5), a resolution containing an amendment which would make any regulated alteration is to that extent ineffective unless the prior written consent of the Commission has been obtained to the making of the amendment.

- (2) The following are regulated alterations—
 - (a) any alteration of the CIO’s purposes,
 - (b) any alteration of any provision of the CIO’s constitution directing the application of property of the CIO on its dissolution, and
 - (c) any alteration of any provision of the CIO’s constitution where the alteration would provide authorisation for any benefit to be obtained by charity trustees or members of the CIO or persons connected with them.
- (3) Sections 248 (meaning of “benefit”) and 249 (meaning of “connected person”) apply for the purposes of this section.

227 Registration and coming into effect of amendments

- (1) A CIO must send to the Commission a copy of a resolution containing an amendment to its constitution, together with—
 - (a) a copy of the constitution as amended, and
 - (b) such other documents and information as the Commission may require,by the end of the period of 15 days beginning with the date of passing of the resolution (see section 224(3)).
- (2) An amendment to a CIO’s constitution does not take effect until it has been registered.
- (3) The Commission must refuse to register an amendment if—
 - (a) in the opinion of the Commission the CIO had no power to make it (for example, because the effect of making it would be that the CIO ceased to be a charity, or that the CIO or its constitution did not comply with any requirement imposed by or by virtue of this Act or any other enactment), or
 - (b) the amendment would change the name of the CIO, and the Commission could have refused an application under section 207 for the constitution and registration of a CIO with the name specified in the amendment on a ground set out in section 208(2).
- (4) The Commission may refuse to register an amendment if—
 - (a) the amendment would make a regulated alteration, and
 - (b) the consent referred to in section 226(1) had not been obtained.
- (5) But if the Commission does register such an amendment, section 226(1) does not apply.

CHAPTER 4

CONVERSION, AMALGAMATION AND TRANSFER

Conversion of certain bodies to CIO

228 Application for conversion by charitable company

- (1) A charitable company may apply to the Commission to be converted into a CIO, and for the CIO’s registration as a charity, in accordance with this section.
- (2) But such an application may not be made by—

Status: This is the original version (as it was originally enacted).

- (a) a company having a share capital if any of the shares are not fully paid up, or

- (5) Chapter 3 of Part 3 of the Companies Act 2006 (resolutions and agreements affecting a company's constitution) does not apply to such a resolution.
- (6) In the case of a company limited by guarantee which makes an application under this section (whether or not it also has a share capital), the proposed constitution of the CIO must (unless subsection (8) applies) provide—
 - (a) for the CIO's members to be liable to contribute to its assets if it is wound up, and
 - (b) for the amount up to which they are so liable.
- (7) That amount must not be less than the amount up to which they were liable to contribute to the assets of the company if it was wound up.
- (8) If the amount each member of the company is liable to contribute to its assets on its winding up is £10 or less—
 - (a) the guarantee is extinguished on the conversion of the company into a CIO, and
 - (b) the requirements of subsections (6) and (7) do not apply.

229 Application for conversion by registered society

- (1) A charity which is a registered society may apply to the Commission to be converted into a CIO, and for the CIO's registration as a charity, in accordance with this section.
 "Registered society" has the same meaning as in the Co-operative and Community Benefit Societies and Credit Unions Act 1965.
- (2) But such an application may not be made by—
 - (a) a registered society having a share capital if any of the shares are not fully paid up, or
 - (b) an exempt charity.
- (3) The registered society must supply the Commission with—
 - (a) a copy of a resolution of the registered society that it be converted into a CIO,
 - (b) a copy of the proposed constitution of the CIO,

- (c) a copy of a resolution of the registered society adopting the proposed constitution of the CIO,
 - (d) such other documents or information as may be prescribed by CIO regulations, and

- (4) The resolution referred to in subsection (3)(a) must be—
- (a) a special resolution of the registered society, or
 - (b) a unanimous written resolution signed by or on behalf of all the members of the registered society who would be entitled to vote on a special resolution.
- (5) In subsection (4), “special resolution” has the meaning given in section 52(3) of the Co-operative and Community Benefit Societies and Credit Unions Act 1965.

230 Commission to consult appropriate registrar and others

- (1) The Commission must notify the following of an application for conversion—
- (a) the appropriate registrar, and
 - (b) such other persons (if any) as the Commission thinks appropriate in the particular case,
- and must consult those notified about whether the application should be granted.
- (2) In subsection (1) and sections 231 to 233, “the appropriate registrar” means—
- (a) in the case of an application by a charitable company, the registrar of companies;
 - (b) in the case of an application by a registered society, the Financial Services Authority.
- (3) In this section and sections 231 to 233, “application for conversion” means an application under section 228 or 229.

231 Cases where application must or may be refused

- (1) The Commission must refuse an application for conversion if—
- (a) it is not satisfied that the CIO would be a charity at the time it would be registered,
 - (b) the CIO’s proposed constitution does not comply with one or more of the requirements of section 206 (constitution of CIOs) and any regulations made under that section, or
 - (c) in the case of an application for conversion made by a company limited by guarantee, the CIO’s proposed constitution does not comply with the requirements of section 228(6) and (7).
- (2) The Commission may refuse an application for conversion if—
- (a) the proposed name of the CIO—
 - (i) is the same as, or
 - (ii) is in the opinion of the Commission too like,the name of any other charity (whether registered or not),
 - (b) the Commission is of the opinion referred to in any of paragraphs (b) to (e) of section 42(2) (power to require charity’s name to be changed) in relation to the

Status: This is the original version (as it was originally enacted).

proposed name of the CIO (reading paragraph (b) as referring to the proposed purposes of the CIO and to the activities which it is proposed it should carry on), or

- (c) having considered any representations received from those whom it has consulted under section 230(1), the Commission considers (having regard to any regulations made under subsection (3)) that it would not be appropriate to grant the application.

(3) CIO regulations may make provision about circumstances in which it would not be appropriate to grant an application for conversion.

(4) If the Commission refuses an application for conversion, it must so notify the appropriate registrar.

232 Provisional and final registration of converting body

(1) If the Commission grants an application for conversion, it must—

- (a) register the CIO to which the application related in the register of charities, and
- (b) send to the appropriate registrar a copy of—
 - (i) each of the relevant resolutions of the converting company or registered society, and
 - (ii) the entry in the register relating to the CIO.

(2) In subsection (1)(b), “the relevant resolutions” means—

- (b) in the case of a converting society, the resolutions referred to in section 229(3)(a) and (c).

(3) The registration of the CIO in the register is provisional only until the appropriate registrar cancels the registration of the company or society as required by subsection (4)(b).

(4) The appropriate registrar must—

- (a) register the documents sent under subsection (1)(b), and
- (b) cancel the registration of the company in the register of companies, or of the society in the mutual societies register,

and must notify the Commission that this action has been taken.

(5) The entry relating to the charity’s registration in the register must include—

- (a) a note that it is constituted as a CIO,
- (b) the date on which it became so constituted, and
- (c) a note of the name of the company or society which was converted into the CIO.

(6) But the matters mentioned in subsections (5)(a) and (b) are to be included only when the appropriate registrar has notified the Commission as required by subsection (4).

(7) A copy of the entry in the register must be sent to the charity at the principal office of the CIO.

233 Effect of registration becoming final

- (1) Upon the cancellation by the appropriate registrar of the registration of the company or of the registered society, the company or society is converted into a CIO, a body corporate—
 - (a) whose constitution is that proposed in the application for conversion,
 - (b) whose name is that specified in the constitution, and
 - (c) whose first members are the members of the converting company or society immediately before the moment of conversion.
- (2) If the converting company or society had a share capital—
 - (a) upon the conversion of the company or society all the shares are by virtue of this subsection cancelled, and
 - (b) no former holder of any cancelled share has any right in respect of it after its cancellation.
- (3) Subsection (2) does not affect any right which accrued in respect of a share before its cancellation.
- (4) The conversion of a company or society into a CIO does not affect, in particular, any liability to which the company or society was subject by virtue of its being a charitable company or registered society.

234 Conversion of community interest company

- (1) CIO regulations may make provision for—
 - (a) the conversion of a community interest company into a CIO, and
 - (b) the CIO's registration as a charity.
- (2) The regulations may, in particular, apply, or apply with modifications specified in the regulations, or disapply, anything in—
 - (a) sections 53 to 55 of the Companies (Audit, Investigations and Community Enterprise) Act 2004, or
 - (b) sections 228 to 233.

Amalgamation of CIOs

235 Application for amalgamation of CIOs

- (1) Any two or more CIOs ("the old CIOs") may, in accordance with this section, apply to the Commission to be amalgamated, and for the incorporation and registration as a charity of a new CIO ("the new CIO") as their successor.
- (2) The old CIOs must supply the Commission with—
 - (a) a copy of the proposed constitution of the new CIO,
 - (b) such other documents or information as may be prescribed by CIO regulations, and
 - (c) such other documents or information as the Commission may require for the purposes of the application.

 - (b) a copy of a resolution of each of the old CIOs adopting the proposed constitution of the new CIO.
- (4) The resolutions referred to in subsection (3) must have been passed—
 - (a) by a 75% majority of those voting at a general meeting of the CIO (including those voting by proxy or by post, if voting that way is permitted), or
 - (b) unanimously by the CIO's members, otherwise than at a general meeting.
- (5) The date of passing of such a resolution is—
 - (a) the date of the general meeting at which it was passed, or
 - (b) if it was passed otherwise than at a general meeting, the date on which provision in the CIO's constitution or in regulations made under section 223 treats it as having been passed (but that date may not be earlier than that on which the last member agreed to it).

236 Notice of application for amalgamation

- (1) Each old CIO must—
 - (a) give notice of the proposed amalgamation in the way (or ways) that in the opinion of its charity trustees will make it most likely to come to the attention of those who would be affected by the amalgamation, and
 - (b) send a copy of the notice to the Commission.
- (2) The notice must invite any persons who consider that they would be affected by the proposed amalgamation to make written representations to the Commission no later than a date determined by the Commission and specified in the notice.

237 Cases where application must or may be refused

- (1) The Commission must refuse an application for amalgamation if—
 - (a) it is not satisfied that the new CIO would be a charity at the time it would be registered, or
 - (b) the new CIO's proposed constitution does not comply with one or more of the requirements of section 206 and any regulations made under that section.
- (2) In addition to being required to refuse it on one of the grounds mentioned in subsection (1), the Commission must refuse an application for amalgamation if it considers that there is a serious risk that the new CIO would be unable properly to pursue its purposes.
- (3) The Commission may refuse an application for amalgamation if—
 - (a) the proposed name of the new CIO—
 - (i) is the same as, or
 - (ii) is in the opinion of the Commission too like,
 the name of any other charity (whether registered or not), or
 - (b) the Commission is of the opinion referred to in any of paragraphs (b) to (e) of section 42(2) (power to require charity's name to be changed) in relation to the proposed name of the new CIO (reading paragraph (b) as referring to the proposed purposes of the new CIO and to the activities which it is proposed it should carry on).

- (4) The Commission may refuse an application for amalgamation if it is not satisfied that the provision in the constitution of the new CIO about the matters mentioned in subsection (5) is—
 - (a) the same, or
 - (b) substantially the same,as the provision about those matters in the constitutions of each of the old CIOs.
- (5) The matters are—
 - (a) the purposes of the CIO,
 - (b) the application of property of the CIO on its dissolution, and
 - (c) authorisation for any benefit to be obtained by charity trustees or members of the CIO or persons connected with them.
- (6) Sections 248 (meaning of “benefit”) and 249 (meaning of “connected person”) apply for the purposes of this section.
- (7) In this section and sections 238 and 239, “application for amalgamation” means an application under section 235.

238 Registration of amalgamated CIO

- (1) If the Commission grants an application for amalgamation, it must register the new CIO in the register of charities.
- (2) The entry relating to the registration in the register of the charity constituted as the new CIO must include—
 - (a) a note that it is constituted as a CIO,
 - (b) the date of the charity’s registration, and
 - (c) a note that the CIO was formed following amalgamation, and of the name of each of the old CIOs.

 - (a) appears to the Commission to be required to be registered in accordance with section 30, but
 - (b) is not so registered.
- (4) On the grant of such a certificate—
 - (a) the charity trustees of the charity become a body corporate by such name as is specified in the certificate, and

- (1) This section and section 261 have effect as respects the execution of documents by an incorporated body.

- (a) suffices for any document if it is given in writing or by resolution of a meeting of the charity trustees of the relevant charity, despite the want of any formality that would be required in giving an authority apart from that subsection;
- (b) may be given so as to make the powers conferred exercisable by any of the charity trustees, or may be restricted to named persons or in any other way;
- (c) subject to any such restriction, and until it is revoked, has effect, despite any change in the charity trustees of the relevant charity, as a continuing authority given by the charity trustees from time to time of the charity and exercisable by such charity trustees.

- (3) In any authority under subsection (1) to execute a document in the name and on behalf of an incorporated body there is, unless the contrary intention appears, implied authority also to execute it for the body in the name and on behalf of the official custodian or of any other person, in any case in which the charity trustees could do so.

262 Amendment of certificate of incorporation

- (3) The time so specified must be not less than one month from the date of the notice.

- (5) The Commission may amend a certificate of incorporation by—
 - (a) making an order specifying the amendment, or
 - (b) issuing a new certificate of incorporation taking account of the amendment.

 - (d) that the purposes of the relevant charity—
 - (i) have been achieved so far as is possible, or
 - (ii) are in practice incapable of being achieved.
- (2) The Commission may make an order dissolving an incorporated body from such date as is specified in the order, if the Commission is satisfied, on the application of the charity trustees of the relevant charity, that it would be in the interests of the charity for the body to be dissolved.
- (3) Subject to subsection (4), an order made under this section with respect to an incorporated body has the effect of vesting in the charity trustees of the relevant charity, in trust for that charity, all property for the time being vested—
 - (a) in the body, or
 - (b) in any other person (apart from the official custodian),
 in trust for that charity.
- (4) If the Commission so directs in the order—

 - (i) a specified person as trustee for, or nominee of, that charity, or
 - (ii) such persons (other than the charity trustees of the relevant charity) as may be specified;

- (b) any specified investments, or any specified class or description of investments, held by any person in trust for the relevant charity are to be transferred to—

- “the relevant charity”, in relation to an incorporated body, means the charity the charity trustees of which have been incorporated as that body.

266 Effect of provisions relating to vesting or transfer of property

No vesting or transfer of any property in pursuance of any provision of this Part operates as a breach of a covenant or condition against alienation or gives rise to a forfeiture.

PART 13

UNINCORPORATED CHARITIES

Power to transfer all property of unincorporated charity

267 Introduction

- (1) Section 268 (resolution to transfer all property) applies to a charity if—
 - (a) (subject to subsection (2)) its gross income in its last financial year did not exceed £10,000,
 - (b) it does not hold any designated land, and
 - (c) it is not a company or other body corporate.

“Designated land” means land held on trusts which stipulate that it is to be used for the purposes, or any particular purposes, of the charity.
- (2) Subsection (1)(a) does not apply in relation to a resolution by the charity trustees of a charity—
 - (a) to transfer all its property to a CIO, or
 - (b) to divide its property between two or more CIOs.
- (3) Where a charity has a permanent endowment, sections 268 to 272 have effect in accordance with sections 273 and 274.
- (4) In sections 268 to 274 references to the transfer of property to a charity are references to its transfer—
 - (a) to the charity,
 - (b) to the charity trustees,
 - (c) to any trustee for the charity, or
 - (d) to a person nominated by the charity trustees to hold it in trust for the charity, as the charity trustees may determine.

268 Resolution to transfer all property

- (1) The charity trustees of a charity to which this section applies (see section 267) may resolve for the purposes of this section—
 - (a) that all the property of the charity should be transferred to another charity specified in the resolution, or
 - (b) that all the property of the charity should be transferred to two or more charities specified in the resolution in accordance with such division of the property between them as is so specified.
- (2) Any charity so specified may be either a registered charity or a charity which is not required to be registered.

- (3) But the charity trustees of a charity (“the transferor charity”) do not have power to pass a resolution under subsection (1) unless they are satisfied—
 - (a) that it is expedient in the interests of furthering the purposes for which the property is held by the transferor charity for the property to be transferred in accordance with the resolution, and
 - (b) that the purposes (or any of the purposes) of any charity to which property is to be transferred under the resolution are substantially similar to the purposes (or any of the purposes) of the transferor charity.
- (4) Any resolution under subsection (1) must be passed by a majority of not less than two-thirds of the charity trustees who vote on the resolution.
- (5) Where charity trustees have passed a resolution under subsection (1), they must send a copy of it to the Commission, together with a statement of their reasons for passing it.

269 Notice of, and information about, resolution to transfer property

- (1) Having received the copy of the resolution under section 268(5), the Commission—
 - (a) may direct the charity trustees to give public notice of the resolution in such manner as is specified in the direction, and
 - (b) if it gives such a direction, must take into account any representations made to it—
 - (i) by persons appearing to it to be interested in the charity, and
 - (ii) within the period of 28 days beginning with the date when public notice of the resolution is given by the charity trustees.
- (2) The Commission may also direct the charity trustees to provide the Commission with additional information or explanations relating to—
 - (a) the circumstances in and by reference to which they have decided to act under section 268, or
 - (b) their compliance with any obligation imposed on them by or under section 268 or this section in connection with the resolution.

270 General rule as to when s.268 resolution takes effect

Subject to section 271, a resolution under section 268(1) takes effect at the end of the period of 60 days beginning with the date on which the copy of it was received by the Commission.

271 S.268 resolution not to take effect or to take effect at later date

- (1) A resolution does not take effect under section 270 if before the end of—
 - (a) the 60-day period, or
 - (b) that period as modified by subsection (4) or (5),the Commission notifies the charity trustees in writing that it objects to the resolution, either on procedural grounds or on the merits of the proposals contained in the resolution.
- (2) “The 60-day period” means the period of 60 days mentioned in section 270.

Status: This is the original version (as it was originally enacted).

- (3) “On procedural grounds” means on the grounds that any obligation imposed on the charity trustees by or under section 268 or 269 has not been complied with in connection with the resolution.
- (4) If under section 269(1) the Commission directs the charity trustees to give public notice of a resolution, the running of the 60-day period is suspended by virtue of this subsection—
 - (a) as from the date on which the direction is given to the charity trustees, and
 - (b) until the end of the period of 42 days beginning with the date on which public notice of the resolution is given by the charity trustees.
- (5) If under section 269(2) the Commission directs the charity trustees to provide any information or explanations, the running of the 60-day period is suspended by virtue of this subsection—
 - (a) as from the date on which the direction is given to the charity trustees, and
 - (b) until the date on which the information or explanations is or are provided to the Commission.
- (6) Subsection (7) applies once the period of time, or the total period of time, during which the 60-day period is suspended by virtue of either or both of subsections (4) and (5) exceeds 120 days.
- (7) At that point the resolution (if not previously objected to by the Commission) is to be treated as if it had never been passed.

272 Transfer of property in accordance with s.268 resolution

- (1) Subsection (2) applies where a resolution under section 268(1) has taken effect.
- (2) The charity trustees must arrange for all the property of the transferor charity to be transferred in accordance with the resolution, and on terms that any property so transferred—
 - (a) is to be held by the charity to which it is transferred (“the transferee charity”) in accordance with subsection (3), but
 - (b) when so held is nevertheless to be subject to any restrictions on expenditure to which it was subject as property of the transferor charity;
 and the charity trustees must arrange for the property to be so transferred by such date after the resolution takes effect as they agree with the charity trustees of the transferee charity or charities concerned.
- (3) The charity trustees of any charity to which property is transferred under this section must secure, so far as is reasonably practicable, that the property is applied for such of its purposes as are substantially similar to those of the transferor charity.

 But this requirement does not apply if those charity trustees consider that complying with it would not result in a suitable and effective method of applying the property.
- (4) For the purpose of enabling any property to be transferred to a charity under this section, the Commission may, at the request of the charity trustees of that charity, make orders vesting any property of the transferor charity—
 - (a) in the transferee charity, in its charity trustees or in any trustee for that charity, or

- (b) in any other person nominated by those charity trustees to hold property in trust for that charity.

273 Transfer where charity has permanent endowment: general

- (1) This section and section 274 provide for the operation of sections 268 to 272 where a charity within section 267(1) has a permanent endowment (whether or not the charity's trusts contain provision for the termination of the charity).
- (2) If the charity has both a permanent endowment and other property ("unrestricted property")—
 - (a) a resolution under section 268(1) must relate to both its permanent endowment and its unrestricted property, and
 - (b) sections 268 to 272 apply—

- (4) The charity trustees—
 - (a) must send a copy of any resolution under subsection (2) to the Commission, together with a statement of their reasons for passing it, and
