#### ***Section 110: Electronic delivery of notices etc***

487. This section permits the ONR to serve notices by means of electronic communications (such as by e-mail), provided the person who is to receive the notice has consented to the method of service (see *subsection (2)*). In order for that consent to be validly given, or willingness as it is described in the Act, it needs to satisfy the conditions in *subsections (3)(a) to (d)*, and it may be modified or withdrawn, see *subsection (3)(e)*.
