## **EXPLANATORY NOTES**

### **COMMENTARY ON SECTIONS**

#### **Part 4: Government Pipe-Line and Storage System**

##### ***Section 127: Rights apart from Part 4***

531. *Subsection (1)* provides that nothing in Part 4 affects any other rights of the Secretary of State in relation to the government pipe-line and storage system.
532. *Subsection (2)* provides that the creation of rights to maintain and use, remove, replace or renew the government pipe-line and storage system or restore any land (section 120), of entry (section 121) and to transfer the system (section 125), is not reliant on whether a corresponding right was exercisable by the Secretary of State before the coming into force of the section.
