 - (b) the full-time equivalent employee number for each of its qualifying subsidiaries,
 must be less than 500 when the investment is made.
- (3) The full-time equivalent employee number for a company is calculated by taking the number of full-time employees of the company and adding, for each employee of the company who is not a full-time employee, such fraction as is just and reasonable.

- but this subsection does not apply at any time after the abandonment of that intention.
- (4) For the purposes of subsection (2)(c) “the business of the group” means what would be the business of the group if the activities of the group companies taken together were regarded as one business.
- (5) For the purposes of determining the business of a group, activities of a group company are ignored so far as they are activities carried on by a mainly trading subsidiary otherwise than for its main purpose.

- (b) activities carried on in the course of preparing to carry on a trade.

Ceasing to meet trading requirement: administration or receivership

257M(1) The social enterprise is not regarded as ceasing to meet the trading requirement merely because of anything done in consequence of the social enterprise or any of its subsidiaries being in administration or receivership, but this is subject to subsections (2) and (3).

(2) Subsection (1) applies only if—

- (a) the entry into administration or receivership, and
- (b) everything done as a result of the company concerned being in administration or receivership,

is for genuine commercial reasons, and is not part of any arrangements the main purpose or one of the main purposes of which is the avoidance of tax.

(3) The social enterprise ceases to meet the trading requirement if before the end of the shorter applicable period—

- (a) a resolution is passed, or an order is made, for the winding-up of the social enterprise or any of its subsidiaries (or, in the case of a winding-up otherwise than under the Insolvency Act 1986 or the Insolvency (Northern Ireland) Order 1989 (S.I. 1989/2405 (N.I. 19)), any other act is done for the like purpose), or

but this is subject to subsection (4).

(4) Subsection (3) does not apply if the winding-up or dissolution is for genuine commercial reasons, and is not part of any arrangements the main purpose or one of the main purposes of which is the avoidance of tax.

 - (ii) which is begun to be carried by the social enterprise or such a subsidiary within 2 years after that date.
- (2) In this Chapter—
- (a) the purpose within subsection (1) for which money is raised is referred to as “the funded purpose”,
 - (b) the qualifying trade mentioned in subsection (1)(a) or (b) is referred to as “the chosen trade”, and
 - (c) if the funded purpose is the carrying-on of the activity mentioned in subsection (1)(b), “relevant preparation work” means preparations that form the whole or part of the activity.
- (3) In determining for the purposes of subsection (1)(b) when a qualifying trade is begun to be carried on by a 90% social subsidiary of the social enterprise, any carrying-on of the trade by it before it became such a subsidiary is ignored.
- (4) The reference in subsection (1)(b)(i) to a 90% social subsidiary of the social enterprise includes a reference to any existing or future body which will be such a subsidiary at any future time.
- (5) This section does not apply if the social enterprise is an accredited social impact contractor.

- 257MM(1) All of the money raised by the social enterprise from the making of the investment must, no later than the end of 28 months beginning with the investment date, be employed wholly for the funded purpose.
- (2) The chosen trade must have been carried on for a period of at least 4 months ending at or after the time the investment is made and, throughout that period, the trade—
 - (a) must have been carried on by the social enterprise or a 90% social subsidiary of the social enterprise, and
 - (b) must not have been carried on by any other person.
 - (3) Employing money on the acquisition of shares or stock in a body does not of itself amount to employing the money for the funded purpose.
 - (4) Subsection (1) does not fail to be met merely because an amount of money which is not significant is employed for other purposes.
 - (5) If—
 - (a) merely because of the social enterprise or any other company being wound up, or dissolved without winding-up, the qualifying trade is

- (b) the winding-up or dissolution—

- subsection (2) has effect as if it referred to that shorter period.

 - (b) in that subsection, for “the funded purpose” substitute “ the carrying out of the social impact contract concerned ”, and
 - (c) omit subsections (2), (3), (5) and (6).

The social enterprise must carry on the chosen trade

- 257M(N) There must not be a time in the shorter applicable period when—
- (a) the chosen trade, or
 - (b) relevant preparation work,
- is carried on by a person who is neither the social enterprise nor a 90% social subsidiary of the social enterprise.
- (2) If relevant preparation work is carried out in the shorter applicable period by the social enterprise or a 90% social subsidiary of the social enterprise then, for the purposes of determining whether the requirement in subsection (1) is met, ignore any carrying-on of the chosen trade that takes place in that period before the trade begins to be carried on by a person who is the social enterprise or a 90% social subsidiary of the social enterprise.
- (3) The requirement in subsection (1) is not regarded as failing to be met if, merely because of any act or event within subsection (4), the chosen trade—

 - (b) is not to be part of any arrangements the main purpose or one of the main purposes of which is the avoidance of tax.

- (4) For the purposes of subsection (2), a company (“company X”) is a 100% social subsidiary of another company (“company Y”) at any time when the conditions in subsection (1)(a) to (f) would be met if—

 - (c) in subsection (1) for “at least 90%” there were substituted “ 100% ”.
- (5) The conditions in subsection (1)(a) to (f) do not cease to be met merely because of anything done as a consequence of the subsidiary or any other company being wound up, or dissolved without being wound up, if the winding-up or dissolution—

 - (b) is not part of any arrangements the main purpose or one of the main purposes of which is the avoidance of tax.

CHAPTER 5

ATTRIBUTION OF RELIEF

Attribution of SI relief to investments

257N) References in this Part, in relation to any individual, to the SI relief attributable to any investment are to be read as references to any reduction made in the individual's liability to income tax that is attributed to that investment in accordance with this section.

This is subject to the provisions of this Part providing for the withdrawal or reduction of SI relief.

- (2) If an individual's liability to income tax is reduced under this Part in any tax year, then—
 - (a) if the reduction is obtained because of a single distinct investment, the amount of the reduction is attributed to that investment, and
 - (b) if the reduction is obtained because of two or more distinct investments, the amount of the reduction—
 - (i) is apportioned between the distinct investments in the same proportions as the amounts claimed by the individual in respect of each of those investments, and
 - (ii) is attributed to those investments accordingly.
- (3) In this section “distinct investment” means an investment, made on a single day, in—
 - (a) a single share or single qualifying debt investment, or
 - (b) two or more shares, or two or more qualifying debt investments, where the shares or qualifying debt investments are in the same social enterprise and of the same class.
- (4) If under this section an amount of any reduction in income tax is attributed to a distinct investment—
 - (a) in the case of a distinct investment of the kind mentioned in subsection (3)(a), that amount is attributed to the share, or qualifying debt investment, concerned, and
 - (b) in the case of a distinct investment of the kind mentioned in subsection (3)(b), a proportionate part of that amount is attributed to each of the shares, or qualifying debt investments, concerned.
- (5) If corresponding bonus shares are issued to an individual in respect of any shares (“the original shares”) to which SI relief is attributed—
 - (a) a proportionate part of the total amount attributed to the original shares immediately before the bonus shares are issued is attributed to each of the shares in the holding comprising the original shares and the bonus shares, and
 - (b) after the issue of the bonus shares, this Part applies as if those shares had been issued to the individual on the same day as the original shares.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Finance Act 2014. - (6) In subsection (5) “corresponding bonus shares” means bonus shares which are in the same company, of the same class, and carry the same rights, as the original shares.
- (7) If section 257JA(1) and (2) apply in the case of any investment as if part of the amount invested had been invested in a previous tax year, this section has effect as if that part and the remainder had been invested by separate investments (and that part had been invested by an investment made on a day in the previous tax year).
- (8) For the purposes of this section, shares or other investments in a company are not treated as being of the same class unless they would be so treated if dealt in on a recognised stock exchange.

CHAPTER 6

CLAIMS FOR RELIEF

Time for making claims for SI relief

- 257P(1) A claim for SI relief in respect of the amount invested may be made—
- (a) not earlier than the time the requirement in section 257MM(2) (chosen trade must have been carried on for 4 months) is first met, and
 - (b) not later than the fifth anniversary of the normal self-assessment filing date for the tax year in which the investment is made.
- (2) If the social enterprise is an accredited social impact contractor, subsection (1) applies with the omission of its paragraph (a).
 - (3) If section 257JA(1) and (2) apply as if part of the amount invested had been invested in a previous tax year, subsection (1) has effect as if that part and the remainder had been invested by separate investments (and that part had been invested by an investment made on a day in the previous tax year).

Entitlement to claim

- 257PA(1) The investor is entitled to make a claim for SI relief in respect of the amount invested if the investor has received from the social enterprise a compliance certificate in respect of that amount.
- (2) For the purposes of PAYE regulations, no regard is to be had to SI relief unless a claim for it has been duly made.
 - (3) No application may be under section 55(3) or (4) of TMA 1970 (application for postponement of payment of tax pending appeal) on the ground that the investor is entitled to SI relief unless a claim for the relief has been duly made by the investor.

Compliance statements

- 257PB(1) For the purposes of this Part, a “compliance statement” in respect of the investment is a statement by the social enterprise to the effect that, except so

far as they fall to be met by or in relation to the individual, the requirements for SI relief—

- (a) are for the time being met in relation to the investment (or in relation to investments that include the investment), and
 - (b) have been so met at all times since the investment was made.
- (2) A compliance statement must be in such form as the Commissioners for Her Majesty's Revenue and Customs may direct and must contain—
- (a) such additional information as the Commissioners may reasonably require, including in particular information relating to the persons who have requested the issue of compliance certificates,
 - (b) a declaration that the statement is correct to the best of the social enterprise's knowledge and belief, and
 - (c) such other declarations as the Commissioners may reasonably require.
- (3) The social enterprise may not provide an officer of Revenue and Customs with a compliance statement in respect of the investment—
- (a) before the requirement in section 257MM(2) (trade must have been carried for 4 months) is met, or
 - (b) later than 2 years after the end of the tax year in which the investment is made or, if that requirement is first met after the end of that tax year, later than 2 years after the requirement is first met.
- (4) If the social enterprise is an accredited social impact contractor, subsection (3) applies with the omission of its paragraph (a).

Compliance certificates

- 257P(1) For the purposes of this Chapter, a “compliance certificate” is a certificate which—
- (a) is issued by the social enterprise in respect of the investment,
 - (b) states that, except so far as they fall to be met by or in relation to the individual, the requirements for SI relief are for the time being met in relation to the investment, and
 - (c) is in such form as the Commissioners for Her Majesty's Revenue and Customs may direct.
- (2) Before issuing a compliance certificate, the social enterprise must provide an officer of Revenue and Customs with a compliance statement in respect of the investment.
- (3) The social enterprise must not issue a compliance certificate without the authority of an officer of Revenue and Customs.
- (4) If the social enterprise, or a person connected with the social enterprise, has under section 257SF given a notice to an officer of Revenue and Customs that relates (whether or not exclusively) to the investment, a compliance certificate must not be issued unless the authority mentioned in subsection (3) of this section is given or renewed after receipt of the notice.
- (5) If—

- (a) an officer of Revenue and Customs has been requested to give or renew an authority to issue a compliance certificate, and
 - (b) an officer of Revenue and Customs has decided whether or not to do so,
- an officer of Revenue and Customs must give notice of the decision to the social enterprise.
- (6) For the purposes of the provisions of TMA 1970 relating to appeals, the refusal of an officer of Revenue and Customs to authorise the issue of a compliance certificate is taken to be a decision disallowing a claim by the social enterprise.
- (7) In the case of requirements that cannot be met until a future time, references in this section to requirements being met for the time being are to nothing having occurred to prevent their being met.

Penalties for fraudulent certificate or statement etc

- 257PD The social enterprise is liable to a penalty not exceeding £3,000 if—
- (a) it issues a compliance certificate, or provides a compliance statement, which is made fraudulently or negligently, or
 - (b) it issues a compliance certificate in contravention of section 257PC(3) or (4).

Power to amend Chapter

- 257PE) The Treasury may by order amend this Chapter.
- (2) An order under this section may include consequential, incidental or transitional provision or savings, including consequential amendments, repeals or revocations of provision made by or under an enactment (including this Act) whenever passed or made.
 - (3) An order under this section may make different provision for different cases or purposes.
 - (4) An order under this section may, in particular, make provision for persons to be liable to penalties whose amount, or maximum amount, does not exceed £3,000.

CHAPTER 7

WITHDRAWAL OR REDUCTION OF SI RELIEF

Value received by the investor

Effect of the investor receiving value from the social enterprise

- 257Q) If the investor receives any value from the social enterprise at any time in the longer applicable period, any SI relief given in respect of the investment must—

- (a) if it is greater than the amount given by the formula set out in subsection (2), be reduced by that amount, and
- (b) in any other case, be withdrawn.

(2) The formula is—

$$V \times R$$

where—

V is the amount of the value received, and

R is the SI rate for the tax year for which the SI relief was given.

- (3) Subsections (1) and (2) are subject to—
 - (a) section 257QA (value received: insignificant receipts),
 - (b) section 257QB (value received where there is more than one issue of investments),
 - (c) section 257QC (value received where part of investment treated as made in previous tax year),
 - (d) section 257QD (cases where maximum SI relief not obtained),
 - (e) section 257QG (receipts of value by and from connected persons etc), and
 - (f) section 257QH (receipt of replacement value).
- (4) Sections 257QB to 257QD are to be applied in the order in which they appear in this Part.
- (5) Value received is to be ignored, for the purposes of this section, so far as SI relief attributable to the investment has already been withdrawn or reduced on its account.
- (6) For the purposes of this section and sections 257QA to 257QI, an individual—
 - (a) who acquires any part of the investment, and
 - (b) who does so on such a transfer as is mentioned in section 257T (spouses or civil partners),
 is treated as the investor.

Value received: insignificant receipts

257Q(A1) In this section “insignificant receipt” means a receipt whose amount—

- (a) is not more than £1,000, or
- (b) is more than £1,000 but is insignificant in relation to the amount invested.

- (2) Section 257Q(1) does not apply to an insignificant receipt, subject as follows.
- (3) Section 257Q(1) applies to all receipts within the longer applicable period if, at any time on the investment date or in the preceding 12 months, arrangements are in existence providing for the investor to receive, or to be

entitled to receive, value from the social enterprise at any time in the longer applicable period.

- (4) Once section 257Q(1) has applied to a receipt, it applies also to all other receipts within the longer applicable period except any earlier insignificant receipts.
- (5) The amount of the first receipt to which section 257Q(1) applies is treated as increased by the total amount of any earlier insignificant receipts.
- (6) In subsection (3)—
 - (a) the reference to the investor includes any person who at any time in the longer applicable period is an associate of the investor (whether or not an associate at the material time), and
 - (b) the reference to the social enterprise includes any person who at any time in the longer applicable period is connected with the social enterprise (whether or not connected at the material time).

Value received where there is more than one issue of investments

257Q(1) Subsection (3) applies if—

- (a) a time in the longer applicable period when the investor receives value from the social enterprise is within the period that for the purposes of this Part is the longer applicable period in relation to another investment in the social enterprise, and
 - (b) that other investment is one for which the investor has SI relief.
- (2) That other investment is an “overlapping investment” for the purposes of subsection (3).
 - (3) Section 257Q(2) has effect in relation to the investment as if the amount V were reduced by multiplying it by—

$$\frac{I}{T}$$

where—

I is the amount on which the investor has SI relief in the case of the investment, and

T is the total of that amount and the corresponding amount for each overlapping investment.

Value received where part of investment treated as made in previous tax year

257Q(1) Subsection (2) applies if—

- (a) section 257Q(1) applies to a receipt, and
 - (b) section 257JA(1) and (2) apply as if part of the amount invested had been invested in a previous tax year.
- (2) The calculation under section 257Q(2) in relation to that receipt is to be made as follows—

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Finance Act 2014. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes

Step 1 Apportion the amount referred to as “V” between the tax year in which the investment was made and the preceding tax year by multiplying that amount by—

$$\frac{A}{B}$$

where—

A is the part of the amount invested on which the investor obtains SI relief for the tax year in question, and

B is the sum of—

- (a) that part, and
- (b) the part of the amount invested on which the investor obtains SI relief for the other tax year.

Step 2 In relation to each of the amounts (“V1” and “V2”) so apportioned to the two tax years, calculate the amounts (“X1” and “X2”) that would be given by the formula if separate investments had been made in those tax years. In calculating amounts X1 and X2, apply section 257QD if appropriate but do not apply section 257QB.

Step 3 Add amounts X1 and X2 together. The result is the required amount.

Cases where maximum SI relief not obtained

257Q(1) If the investor's liability to income tax is reduced for any tax year in respect of the investment and—

- (a) the amount of the reduction (“A”), is less than
- (b) the amount (“B”) which is equal to income tax at the SI rate for that tax year on the amount on which the investor has SI relief in the case of the investment,

section 257Q(2) has effect in relation to any value received as if the amount referred to as “V” were reduced by multiplying it by—

$$\frac{A}{B}$$

- (2) If the amount of SI relief attributable to the investment has been reduced before the SI relief was obtained, the amount referred to in subsection (1) as “A” is to be treated for the purposes of that subsection as the amount that it would have been without that reduction.
- (3) Subsection (2) does not apply to a reduction of SI relief as a result of section 257N(5) (attribution of SI relief where there is a corresponding issue of bonus shares).

When value is received

257QE) This section applies for the purposes of sections 257Q and 257QB.

- (2) The investor receives value from the social enterprise at any time when the social enterprise—
 - (a) repays, redeems or repurchases any investments in the social enterprise which belong to the investor, or makes any payment to the investor for giving up the investor's right to investments in the social enterprise on their cancellation or extinguishment,
 - (b) repays, in pursuance of any arrangements for or in connection with the making of the investment, any debt owed to the investor other than a debt which was incurred by the social enterprise—
 - (i) on or after the investment date, and
 - (ii) otherwise than in consideration of the extinguishment of a debt incurred before that date,
 - (c) makes to the investor any payment for giving up on its extinguishment the investor's right to any debt, other than—
 - (i) a debt in respect of a repayment of the kind mentioned in section 257LF(5)(a) or (f), or
 - (ii) an ordinary trade debt,
 - (d) releases or waives any liability of the investor to the social enterprise or discharges or undertakes to discharge any liability of the investor to a third person,
 - (e) makes a loan or advance to the investor which has not been repaid in full before the investment is made,
 - (f) provides a benefit or facility for the investor by providing, at a price less than the arm's-length price or free of charge, goods or services for whose provision the social enterprise ordinarily makes a charge,
 - (g) otherwise provides any benefit or facility for the investor,
 - (h) transfers an asset to the investor for no consideration or for consideration less than its market value or acquires an asset from the investor for consideration greater than its market value, or
 - (i) makes to the investor any other payment except—
 - (i) a payment of a kind mentioned in section 257LF(5), or
 - (ii) a payment in discharge of an ordinary trade debt.
- (3) For the purposes of subsection (2)(d), the social enterprise is treated as having released or waived a liability if the liability is not discharged within 12 months of the time when it ought to have been discharged.
- (4) For the purposes of subsection (2)(e), each of the following is treated as a loan made by the social enterprise to the investor—
 - (a) the amount of any debt, other than an ordinary trade debt, incurred by the investor to the social enterprise, and
 - (b) the amount of any debt due from the investor to a third party which has been assigned to the social enterprise.
- (5) The investor also receives value from the social enterprise if—

- (a) in respect of ordinary shares, or qualifying debt investments, held by the investor any payment or asset is received in a winding-up or dissolution of the social enterprise, and
 - (b) the winding-up or dissolution is for genuine commercial reasons, and is not part of any arrangements the main purpose or one of the main purposes of which is the avoidance of tax.
- (6) The investor also receives value from the social enterprise if—
- (a) a person—
 - (i) purchases any investments in the social enterprise which belong to the investor, or
 - (ii) makes any payment to the investor for giving up any right in relation to any investments in the social enterprise, and
 - (b) that person is an individual in relation to whom not all of the requirements in sections 257LF and 257LG would be met if references in those sections to the investor were read as references to that person.
- (7) If, because of the investor's disposal of investments in the social enterprise, any SI relief attributable to those investments is withdrawn or reduced under section 257R, the investor is not to be treated as receiving value from the social enterprise in respect of the disposal.
- (8) If the investor is a director of the social enterprise, the investor is not to be treated as receiving value from the social enterprise merely because of the payment to the investor of reasonable remuneration (including any benefit or facility) for any services rendered to the social enterprise as a director or employee.
- (9) In this section “ordinary trade debt” means any debt for goods or services supplied in the ordinary course of a trade or business if any credit given—
- (a) is for not more than 6 months, and
 - (b) is not for longer than that normally given to customers of the person carrying on the trade or business.

The amount of value received

257QF In a case falling within a provision listed in column 1 of the following table, the amount of value received for the purposes of sections 257Q and 257QB is given by the corresponding entry in column 2 of the table.

Receipts of value by and from connected persons etc

257QG In sections 257Q, 257QA, 257QB, 257QE and 257QF—

- (a) any reference to a payment or transfer to the investor includes a reference to a payment or transfer made to the investor indirectly or to the investor's order or for the investor's benefit,
- (b) any reference to the investor includes a reference to an associate of the investor, and
- (c) any reference to the social enterprise includes a reference to a person who at any time in the longer applicable period is connected with

the social enterprise (whether or not that person is so connected at the material time).

Receipt of replacement value

257QH) If—

- (a) any SI relief attributable to the investment would, in the absence of this section, be reduced or withdrawn under section 257Q because of a receipt of value within section 257QE(2) or (6) (“the original value”),
- (b) the original supplier receives value (“the replacement value”) from the original recipient and the receipt is a qualifying receipt, and
- (c) the amount of the replacement value is at least the amount of the original value,

section 257Q does not, because of the receipt of the original value, have effect to withdraw or reduce the SI relief.

This is subject to section 257QI(1) and (2).

(2) For the purposes of this section—

“the original recipient” means the person who receives the original value, and

“the original supplier” means the person from whom that value was received.

(3) If the amount of the original value is, by virtue of section 257QB, treated as reduced for the purposes of section 257Q(2) as it applies in relation to the investment, the reference in subsection (1)(c) to the amount of the original value is to be read as a reference to the amount of that value ignoring the reduction.

(4) A receipt of the replacement value is a qualifying receipt for the purposes of subsection (1) if it arises—

- (a) because of the original recipient doing one or more of the following—
 - (i) making a payment to the original supplier, other than a payment within paragraph (c) or a payment to which subsection (5) applies,
 - (ii) acquiring any asset from the original supplier for a consideration the amount or value of which is more than the market value of the asset, and
 - (iii) disposing of any asset to the original supplier for no consideration or for a consideration the amount or value of which is less than the market value of the asset,
- (b) if the receipt of the original value was within section 257QE(2)(d), because of an event the effect of which is to reverse the event which constituted the receipt of the original value, or
- (c) if the receipt of the original value was within section 257QE(6), because of the original recipient repurchasing the investments in question, or (as the case may be) re-acquiring the right in question, for a consideration the amount or value of which is at least the amount of the original value.

 - (i) the original supplier, or
 - (ii) any other person who at any time in the longer applicable period is an associate of, or is connected with, the original supplier (whether or not the person is such an associate, or is so connected, at the material time),
 which is reasonable in relation to the market value of those goods, services or facilities,
 - (b) any payment of any interest which represents no more than a reasonable commercial return on any money lent to—
 - (i) the original recipient, or
 - (ii) any other person who at any time in the longer applicable period is an associate of the original recipient (whether or not the person is such an associate at the material time),
 - (c) any payment for the acquisition of an asset which does not exceed its market value,
 - (d) any payment, as rent for any property occupied by—
 - (i) the original recipient, or
 - (ii) any person who at any time in the longer applicable period is an associate of the original recipient (whether or not the person is such an associate at the material time),
 of an amount not exceeding a reasonable and commercial rent for the property,
 - (e) any payment in discharge of an ordinary trade debt, and
 - (f) any payment for shares in or securities of any company in circumstances that do not fall within subsection (4)(a)(ii).
- (6) For the purposes of this section, the amount of the replacement value is—
- (a) in a case within paragraph (a) of subsection (4), the sum of—
 - (i) the amount of any payment within sub-paragraph (i) of that paragraph, and
 - (ii) the difference between the market value of any asset to which sub-paragraph (ii) or (iii) of that paragraph applies and the amount or value of the consideration (if any) received for it,
 - (b) in a case within subsection (4)(b), the same as the amount of the original value, and

Section 257QH: supplementary

257Q(1) The receipt of the replacement value by the original supplier is ignored for the purposes of section 257QH(1) to the extent to which it has previously been set under section 257QH against a receipt of value to prevent any reduction or withdrawal of SI relief under section 257Q.

- (2) The receipt of the replacement value by the original supplier (“the event”) is ignored for the purposes of section 257QH if—
- (a) the event occurs before the longer applicable period,
 - (b) where the event occurs after the time the original recipient receives the original value, it does not occur as soon after that time as is reasonably practicable in the circumstances, or
 - (c) where an appeal has been brought by the investor against an assessment to withdraw or reduce any SI relief attributable to the investment because of the receipt of the original value, the event occurs more than 60 days after the day on which the amount of the relief which falls to be withdrawn has been finally determined.

But nothing in section 257QH or this section requires the replacement value to be received after the original value.

- (3) This subsection applies if—
- (a) the receipt of the replacement value by the original supplier is a qualifying receipt for the purposes of section 257QH(1), and
 - (b) in consequence of the receipt, any receipts of value are ignored for the purposes of section 257Q as that section applies in relation to the investment or any other investments made by the investor, and
 - (c) the event which gives rise to the receipt is (or includes) the making of an investment by—
 - (i) the investor, or
 - (ii) any person who at any time in the longer applicable period is an associate of the investor (whether or not the person is such an associate at the material time).
- (4) If subsection (3) applies, the person who makes the investment concerned is not to be eligible for SI relief in relation to the investment concerned or any other investments in the same issue.
- (5) In this section “the original recipient”, “the original supplier” and “replacement value” have the same meaning as in section 257QH.

Repayments etc of investments to other persons

Repayments etc of share capital to other persons

257Q(1) This section applies if any SI relief is attributable to the whole or any part of the investment and, at any time in the longer applicable period, the social enterprise or any subsidiary—

- (a) repays, redeems or repurchases any of its share capital which belongs to any member other than—

- (i) the investor, or
 - (ii) a person who falls within subsection (5), or
 - (b) makes any payment to any such member for giving up the member's right to any of the share capital of the social enterprise or subsidiary on its cancellation or extinguishment.
- (2) The SI relief must—
- (a) if it is greater than the amount given by the formula set out in subsection (3), be reduced by that amount, and
 - (b) in any other case, be withdrawn.
- (3) The formula is—

$$A \times R$$

where—

A is the amount received by the member, and

R is the SI rate for the tax year for which the SI relief was given.

- (4) This section is subject to sections 257QK to 257QP; and sections 257QL to 257QO are to be applied in the order in which they appear in this Part.
- (5) A person falls within this subsection if the repayment causes any SI relief attributable to that person's shares in the social enterprise to be withdrawn or reduced by virtue of—
- (a) section 257QE(2)(a) (receipt of value by virtue of repayment of investments etc), or
 - (b) section 257R (disposal of whole or part of the investment).
- (6) A repayment is treated as having the effect mentioned in subsection (5)(a) if it would have that effect were it not an insignificant receipt; and here “insignificant receipt” is to be read in accordance with section 257QA(1).
- (7) A repayment is to be ignored, for the purposes of this section, to the extent to which SI relief attributable to any shares has already been withdrawn or reduced on its account.
- (8) In this section and sections 257QK to 257QP—
- (a) “repayment” means a repayment, redemption, repurchase or payment mentioned in subsection (1)(a) or (b), and
 - (b) references to a subsidiary of the social enterprise are references to a company which at any time in the longer applicable period is a 51% subsidiary of the social enterprise (whether or not it is such a subsidiary at the time of the repayment).

Insignificant payments ignored for the purposes of section 257QJ

- 257QK) A repayment is ignored for the purposes of section 257QJ if both—
- (a) the market value of the shares to which it relates (“the target shares”) immediately before the event occurs, and
 - (b) the amount received by the member in question,

are insignificant in relation to the market value of the remaining issued share capital of the social enterprise, or (as the case may be) the subsidiary, immediately after the event occurs.

This is subject to subsection (3).

- (2) For the purposes of subsection (1) it is to be assumed that the target shares are cancelled at the time the repayment is made.
- (3) Subsection (1) does not apply if repayment arrangements are in existence at any time in the period—
 - (a) beginning 12 months before the investment date, and
 - (b) ending at the end of the investment date.
- (4) For this purpose “repayment arrangements” means arrangements which provide—
 - (a) for a repayment by the social enterprise or any subsidiary of the social enterprise (whether or not it is such a subsidiary at the time the arrangements are made), or
 - (b) for anyone to be entitled to such a repayment,at any time in the longer applicable period.

Amount of repayments etc if there is more than one issue of shares

- 257Q(1) This section applies if, in relation to the same repayment, section 257QJ(2) applies to SI relief attributable to two or more issues of shares.
- (2) Section 257QJ(3) has effect in relation to the shares included in each of those issues as if the amount referred to as A were reduced by multiplying it by the fraction—

$$\frac{I}{T}$$

where—

I is the amount on which SI relief was obtained by individuals in respect of shares which are included in the issue and to which SI relief is or, but for section 257QJ(2)(b), would be attributable, and

T is the total of that amount and the corresponding amount or amounts in respect of the other issue or issues.

Single issue affecting more than one individual

- 257QM(1) This section applies if, in relation to the same repayment, section 257QJ(2) applies to SI relief attributable to shares held by two or more individuals.
- (2) Section 257QJ(3) has effect in relation to each individual as if the amount referred to as A were reduced by multiplying it by the fraction—

$$\frac{I}{T}$$

where—

I is the amount on which the individual obtains SI relief in respect of the shares to which SI relief is or, but for section 257QJ(2)(b), would be attributable, and

T is the total of that amount and the corresponding amount or amounts on which the other individual or individuals obtain SI relief in respect of such shares.

Single issue treated as made partly in previous tax year

257QN) This section applies if—

- (a) section 257QJ(2) applies to SI relief attributable to shares held by an individual, and
 - (b) part of the issue of shares has been treated as issued to the individual in a previous tax year for the purposes of section 257JA(1) and (2).
- (2) This subsection explains how the calculation under section 257QJ(3) is to be made.

Step 1 Apportion the amount referred to as A between the tax year in which the shares were issued and the previous tax year by multiplying that amount by the fraction—

$$\frac{I}{T}$$

where—

I is the amount on which the individual obtains SI relief in respect of the shares treated as issued in the tax year in question, and

T is the total of that amount and the corresponding amount in respect of the shares treated as issued in the other tax year.

Step 2 In relation to each of the amounts (“A1” and “A2”) so apportioned to the two tax years, calculate the amounts (“X1” and “X2”) that would be given by the formula if there were separate issues of shares in those tax years. In calculating amounts X1 and X2, apply section 257QO if appropriate but do not apply section 257QL or 257QM.

Step 3 Add amounts X1 and X2 together. The result is the required amount.

Maximum relief not obtained for share issue

- (a) the amount of the reduction (“D”) in the investor's liability to income tax for any tax year in respect of the shares, is less than
- (b) the amount given by—

$$I \times R$$

where—

I is the amount on which the investor claims SI relief in respect of the investment, and

R is the SI rate for the tax year for which the SI relief was given.

- (2) Section 257QJ(3) has effect as if the amount referred to as A were reduced by multiplying it by the fraction—

$$\frac{D}{I \times R}$$

- (3) If the amount of SI relief attributable to any of the shares has been reduced before the SI relief was obtained, the amount referred to in subsections (1) and (2) as D is to be treated for the purposes of those subsections as the amount it would have been without that reduction.
- (4) Subsection (3) does not apply to a reduction of SI relief by virtue of section 257N(5) (attribution of SI relief where there is a corresponding issue of bonus shares).

Repayment of authorised minimum within 12 months

257Q(P) This section applies if—

- (a) a company issues share capital (“the original shares”) of nominal value equal to the authorised minimum (within the meaning of the Companies Act 2006) for the purposes of complying with section 761 of that Act (public company: requirement as to minimum share capital), and
 - (b) the registrar of companies issues the company with a certificate under that section.
- (2) Section 257QJ(2) does not apply in relation to any redemption of the original shares within 12 months of the date on which they were issued.

then, in determining whether any SI relief attributable to the investment is to be withdrawn, the reference in subsection (3)(b), and (so far as relating to that provision) the reference in subsection (1)(a)(i), to any time in the longer applicable period are to be read as references to any time before the end of the longer applicable period.
- (6) Section 257LF(8) (director also an employee) applies for the purposes of subsection (5) as it applies for the purposes of section 257LF, and in subsection (5) “remuneration” includes any benefit or facility.
- (7) In this section “trade” includes any business or profession, and references to a trade previously carried on include references to part of such a trade.

Call options

- 257R(1) This section applies if the investor grants an option which, if exercised, would bind the investor to sell the whole or part of investment.

- must give a notice to an officer of Revenue and Customs containing particulars of the event.
- (3) Any notice required to be given by the social enterprise under subsection (2) (a) must be given—
