COMMENTARY ON SECTIONS

PART 3 - children and young people in England with special Educational Needs OR DISABILITIES

Detained Persons

Section 74: Duty to keep EHC plans for detained persons.

317. This section requires home local authorities to keep an EHC plan for a young person while they are detained in relevant youth accommodation. The local authority must arrange appropriate special educational provision and the health services commissioner appropriate health care provision. This is the provision specified in the EHC plan. If it is not practicable to arrange this provision, provision which corresponds as closely as possible to that in the EHC plan must be arranged. Where the provision specified in the EHC plan is no longer appropriate, provision must be arranged which reasonably appears to be appropriate.
