SCHEDULE 1

STRATEGIC HIGHWAYS COMPANIES: CONSEQUENTIAL AND SUPPLEMENTAL AMENDMENTS

PART 2

OTHER ENACTMENTS

Transport Act 2000 (c. 38)

127 In section 176 (equipment etc), after subsection (1) insert—

“(1A) In relation to a charging scheme under section 167 (trunk road charging schemes), a strategic highways company may—

- (a) install and maintain, or authorise the installation and maintenance of, any equipment, or
- (b) construct and maintain, or authorise the construction and maintenance of, any buildings or other structures,

used or to be used for or in connection with the operation of a charging scheme under that section.”
