COMMENTARY ON SECTIONS

Part 2 – Collective Benefits

Section 29: Working out which assets are available for the provision of which benefits

93. This section provides for regulations to set out how to work out which assets are available for the provision of collective benefits, which assets are available for the provision of which collective benefits (for example if there is more than one section in a scheme providing collective benefits) and which assets are available for the provisions of benefits other than collective benefits.
