274AA Reduction for individuals: calculation

- (1) This section applies if for a tax year an individual is entitled to relief under section 274A in respect of a relievable amount or in respect of each of two or more relievable amounts, and in the following subsections of this section “relievable amount” means that relievable amount or (as the case may be) any of those relievable amounts.
- (2) In respect of a relievable amount, the actual amount on which relief for the year is to be given is (subject to subsection (3)) the amount (“L”) that is the lower of—
 - (a) the relievable amount, and
 - (b) the total of—
 - (i) the profits for income tax purposes of the property business concerned for the year after any deduction under section 118 of ITA 2007 (“the adjusted profits”) or, if less, the share (if any) of the adjusted profits on which the individual is liable to income tax otherwise than under Chapter 6 of Part 5, and
 - (ii) so much (if any) of the relievable amount as consists of current-year estate amounts.
- (3) If S is greater than the individual’s adjusted total income for the year (“ATI”), the actual amount on which relief for the year is to be given in respect of a relievable amount is given by—

$$\frac{\text{ATI}}{\text{S}} \times \text{L}$$

where—

S is the total obtained by identifying the amount that is L for each relievable amount and then finding the total of the amounts identified, and

L has the same meaning as in subsection (2).

- (4) Where—
 - (a) a relievable amount,
 is greater than—
 - (b) the actual amount on which relief for the year is to be given in respect of the relievable amount,
 the difference is the individual’s brought-forward amount for the following tax year in respect of the property business concerned.
- (5) The amount of the relief for the year in respect of a relievable amount is given by—

$$\text{AA} \times \text{BR}$$

where—

AA is the actual amount on which relief for the year is to be given in respect of the relievable amount, and

BR is the basic rate of income tax for the year,

- (6) For the purposes of this section, an individual's adjusted total income for a tax year is identified as follows—

Step 1

Identify the individual's net income for the year (see Step 2 of the calculation in section 23 of ITA 2007).

Step 2

Exclude from that net income—

- (a) so much of it as is within section 18(3) or (4) of ITA 2007 (income from savings), and
- (b) so much of it as is dividend income.

Step 3

Reduce what is left after Step 2 of this calculation by the amount of any allowances deducted for the year in the individual's case at Step 3 of the calculation in section 23 of ITA 2007. The result is the individual's adjusted total income for the year.

274B Reduction for accumulated or discretionary trust income: entitlement

- (1) If for a tax year the trustees of a settlement have—
 - (a) a relievable amount in respect of a property business, or
 - (b) two or more relievable amounts each in respect of a different property business,
 the trustees of the settlement are entitled to relief under this section for that year in respect of that relievable amount or (as the case may be) each of those relievable amounts.
- (2) The trustees of a settlement have a relievable amount for a tax year in respect of a property business if for that year the trustees of the settlement have a current-year amount, or brought-forward amount, in respect of that business (or have both).
- (3) In the case of trustees of a settlement, their relievable amount for a tax year in respect of a property business is the total of—
 - (a) their current-year amount (if any) for that year in respect of that business, and
 - (b) their brought-forward amount (if any) for that year in respect of that business.
- (4) The trustees of a settlement have a current-year amount for a tax year in respect of a property business if—
 - (a) an amount (“A”) would be deductible in calculating the profits for income tax purposes of that business for that year but for section 272A,
 - (b) the trustees of the settlement are liable for income tax on N% of those profits, where N is a number—
 - (i) greater than 0, and
 - (ii) less than or equal to 100, and

- (c) in relation to the trustees of the settlement, that N% of those profits is accumulated or discretionary income,
in which event the current-year amount of the trustees of the settlement for that tax year in respect of that business is equal to N% of A.
- (5) As to whether the trustees of a settlement have a brought-forward amount for a tax year in respect of a property business, see section 274C(3).
- (6) In this section and section 274C “accumulated or discretionary income” has the meaning given by section 480 of ITA 2007.

274C Reduction for accumulated or discretionary trust income: calculation

- (1) This section applies if for a tax year the trustees of a settlement are entitled to relief under section 274B in respect of a relievable amount or in respect of each of two or more relievable amounts, and in the following subsections of this section “relievable amount” means that relievable amount or (as the case may be) any of those relievable amounts.
- (2) The amount of the relief in respect of a relievable amount is given by—

$$L \times BR$$

where—

BR is the basic rate of income tax for the year, and

L is the lower of—

- (a) the relievable amount, and
- (b) the profits for income tax purposes of the property business concerned for the year after any deduction under section 118 of ITA 2007 (“the adjusted profits”) or, if less, the share of the adjusted profits—
 - (i) on which the trustees of the settlement are liable for income tax, and
 - (ii) which, in relation to the trustees of the settlement, is accumulated or discretionary income.

- (3) Where L in the case of a relievable amount is less than the relievable amount, the difference between them is the brought-forward amount of the trustees of the settlement for the following tax year in respect of the property business concerned.”

- (2) In consequence of the amendment made by subsection (1), in F(No.2)A 2015 omit section 24(5).

- (2) After Chapter 5E of Part 13 of ITA 2007 insert—

“CHAPTER 5F

INCOME-BASED CARRIED INTEREST

Income-based carried interest

809FZA Overview

- (1) This Chapter determines when carried interest arising to an individual from an investment scheme is “income-based carried interest” for the purposes of Chapter 5E (and, in particular, section 809EZB(1)(c)).
- (2) Section 809FZB contains the general rule, under which the extent to which carried interest is income-based carried interest depends on the average holding period of the investment scheme.
- (3) Sections 809FZC to 809FZP contain further provision relating to average holding periods.
- (4) Sections 809FZQ and 809FZR contain a particular rule for direct lending funds.
- (5) Sections 809FZS and 809FZT contain an exception to the general rule for carried interest which is conditionally exempt from income tax.
- (6) Sections 809FZU to 809FZZ contain supplementary and interpretative provision.
- (7) Nothing in this Chapter affects the liability to any tax of—
 - (a) the investment scheme, or
 - (b) external investors in the investment scheme.

809FZB Income-based carried interest: general rule

- (1) “Income-based carried interest” is the relevant proportion of a sum of carried interest arising to an individual from an investment scheme.
- (2) The relevant proportion is determined by reference to the investment scheme’s average holding period as follows.

<i>Average holding period</i>	<i>Relevant proportion</i>
Less than 36 months	100%
At least 36 months but less than 37 months	80%
At least 37 months but less than 38 months	60%
At least 38 months but less than 39 months	40%
At least 39 months but less than 40 months	20%
40 months or more	0%

- (3) This section is subject to the following provisions of this Chapter.

Status: This is the original version (as it was originally enacted).

Average holding period

809FZC Average holding period

- (1) The average holding period of an investment scheme, in relation to a sum of carried interest, is the average length of time for which relevant investments have been held for the purposes of the scheme.
- (2) In this section, “relevant investments” means investments—
 - (a) which are made for the purposes of the scheme, and
 - (b) by reference to which the carried interest is calculated.
- (3) The average holding period is calculated by reference to the time the carried interest arises.
- (4) It is calculated as follows.

Step 1

For each relevant investment, multiply the value invested at the time the investment was made by the length of time for which the investment has been held.

Step 2

Add together the amounts produced under *step 1* in respect of all relevant investments.

Step 3

Divide the amount produced under *step 2* by the total value invested in all relevant investments.
- (5) Disregard intermediate holdings or intermediate holding structures (including intermediate investment schemes) by or through which investments are made or held—
 - (a) when identifying, for the purpose of determining the average holding period of an investment scheme, what relevant investments are held for the purposes of an investment scheme, and
 - (b) for any other purpose relating to the determination of the average holding period.

This is subject to the following provisions of this Chapter.

- (6) In this section, references to the length of time for which a relevant investment has been held are—
 - (a) in the case of an investment which has been disposed of before the carried interest arises, references to the time for which it was held before being disposed of, and
 - (b) in any other case, references to the time for which it has been held up to the time the carried interest arises.
- (7) For the purposes of this Chapter, carried interest which is deferred carried interest in relation to a person within the meaning of section 103KG of TCGA 1992 is to be treated as arising to that person at the time it would have arisen had it not been deferred as specified in section 103KG(3)(a) or (b) of that Act.

- (8) Sections 809FZD to 809FZP apply for the purposes of determining the average holding period of an investment scheme.

Average holding period: disposals

809FZD Disposals

- (1) An investment or part of an investment is disposed of where—
- (a) there is a disposal of the investment or the part of the investment for the purposes of the investment scheme,
 - (b) there is a disposal for the purposes of the investment scheme of an intermediate holding or intermediate holding structure (including an intermediate investment scheme) by or through which the investment is held, or
 - (c) in any other case, there is a deemed disposal under subsection (2).
- (2) There is a deemed disposal of an investment or part of an investment under this subsection where—
- (a) under any arrangements—
 - (i) the scheme in substance closes its position on the investment or the part of the investment, or
 - (ii) the scheme ceases to be exposed to risks and rewards in the respect of the investment or the part of the investment, and
 - (b) it is reasonable to suppose that the arrangements were designed to secure that result.
- (3) In the case of a disposal of part of a holding of securities in a company which are of the same class, suppose for the purposes of determining which investments have been disposed of that the disposal affects the securities in the order in which they were acquired (that is, on a first in first out basis).
- (4) The references in subsection (1)(a) and (b) to a disposal are to something which is a disposal for the purposes of TCGA 1992; but for the purposes of subsection (1)(a) disregard section 116 of TCGA 1992 (which disapplies sections 127 to 130 of that Act in relation to qualifying corporate bonds).

809FZE Part disposals

- (1) Where there is a disposal of part of an investment, the part disposed of and the part not disposed of are to be treated as two separate investments which were made at the same time.
- (2) The value of each of those two separate investments is the appropriate proportion of the value first invested in the whole investment.
- (3) The appropriate proportion is the proportion of the value of the part in question to the value of the whole investment at the time of the disposal.
- (4) The disposal of part of an asset includes the disposal of an interest in or right over the asset (and “part disposed of” is to be construed accordingly).

Status: This is the original version (as it was originally enacted).

809FZF Unwanted short-term investments

- (1) The making and disposal of an investment for the purposes of an investment scheme are to be disregarded if—
 - (a) the investment is an unwanted short-term investment, and
 - (b) the unwanted short-term investment is excludable.
- (2) An investment is an unwanted short-term investment where—
 - (a) the investment is made as part of a transaction under which one or more other investments are made for the purposes of the scheme,
 - (b) the value of the investment does not exceed that of the other investments taken together,
 - (c) it is reasonable to suppose that the investment had to be made in order for the other investments to be made,
 - (d) at the time the investment is made, managers of the scheme have a firm, settled and evidenced intention to dispose of the investment for the purposes of the scheme within the relevant period,
 - (e) the investment is disposed of for the purposes of the scheme within the relevant period, and
 - (f) any profit resulting from the disposal has no bearing on whether a sum of carried interest arises or on the amount of any sum of carried interest which does arise.
- (3) An unwanted short-term investment is excludable if it constitutes—
 - (a) an investment in land,
 - (b) an investment in securities in an unlisted company,
 - (c) the making of a direct loan where the other investments specified in subsection (2)(b) are shares or other securities in an unlisted company, or
 - (d) the making of a direct loan which is a qualifying loan within the meaning given by section 809FZR(2).
- (4) In subsection (2)(e) “relevant period” means—
 - (a) for an investment within subsection (3)(a), 12 months;
 - (b) for an investment within subsection (3)(b) or (c), 6 months;
 - (c) for an investment within subsection (3)(d), 120 days.
- (5) But if at any time it becomes reasonable to suppose that, when the scheme ceases to invest, 25% or more of the capital of the investment scheme will have been invested in unwanted short-term investments which are excludable, subsection (1) does not apply to any investment made subsequently for the purposes of the scheme.

Average holding period: derivatives and hedging

809FZG Derivatives

- (1) A derivative contract entered into for the purposes of an investment scheme is an investment, subject to the following provisions of this section.

Status: This is the original version (as it was originally enacted).

- (2) The value invested in the derivative contract is—
- (a) where the contract is an option, the cost of acquiring the option (whether from the grantor or another person),
 - (b) where the contract is a future, the price specified in the contract for the underlying subject matter, or
 - (c) where the contract is a contract for differences, the notional principal of the contract.
- (3) But where entering into a derivative contract constitutes a deemed disposal of an investment or part of an investment by virtue of section 809FZD(2)(a)(ii)—
- (a) the derivative contract is not an investment, and
 - (b) the subsequent disposal of the derivative contract without a corresponding disposal of the investment or part investment is to be regarded as the making of a new investment to the extent that the scheme becomes materially exposed to risks and rewards in respect of the investment or part investment.
- (4) For the purposes of this Chapter, references to disposal, in the case of a derivative contract, include any of the following events (to the extent that the event is not otherwise a disposal under section 809FZD(1) or (2))—
- (a) the expiry of the contract,
 - (b) the termination of the contract (whether or not in accordance with its terms),
 - (c) the disposal, substantial variation, loss or cancellation of the investment scheme's rights under the contract, and
 - (d) in the case of a derivative contract which is an option, the exercise of the option,
- but do not include the renewal of the contract with the same counterparty on substantially the same terms.

 - (a) a qualifying loan made by an investment scheme is repaid by the borrower to any extent before the end of 40 months from the time the loan is made, and

- (6) The “relevant time” is whichever is the earliest of—
 - (a) the time when it is reasonable to suppose that the investment scheme will be wound up;
 - (b) the end of the period of four years beginning with the time when it is reasonable to suppose that the scheme will cease to invest;

- (3) All such assessments and adjustments of assessments are to be made as are necessary to give effect to subsection (2).
- (4) Any amount paid by way of capital gains tax in respect of carried interest which is conditionally exempt from income tax is to be treated as if it had been paid in respect of any income tax liability arising under subsection (2).

 - (b) the company is a new entrant (see subsection (11)).
 - (7) Chapters 2B, 3 and 4 make provision for determining the relevant IP profits or relevant IP losses of a trade of a company for an accounting period in various cases where—
 - (a) the accounting period begins before 1 July 2021, and
 - (b) the company is not a new entrant.”, and
 - (b) after subsection (10) insert—
 - “(11) A company is a “new entrant” for the purposes of this Part if—
 - (a) the first accounting period for which the company’s election (or most recent election) under subsection (1) has effect begins on or after 1 July 2016, or
 - (b) the company elects to be treated as a new entrant for the purposes of this Part.”
- (3) After section 357BE insert—

“CHAPTER 2A

RELEVANT IP PROFITS: CASES MENTIONED IN SECTION 357A(6)

Steps for calculating relevant IP profits of a trade

357BF Relevant IP profits

- (1) This section applies for the purposes of determining the relevant IP profits of a trade of a company for an accounting period in a case where—
 - (a) the accounting period begins on or after 1 July 2021, or
 - (b) the company is a new entrant (see section 357A(11)).
- (2) To determine the relevant IP profits—

Step 1

Take any amounts which are brought into account as credits in calculating the profits of the trade for the accounting period, other than any amounts of finance income (see section 357BG), and divide them into two “streams”, amounts of relevant IP income (see sections 357BH to 357BHC) and amounts that are not amounts of relevant IP income.

The stream consisting of relevant IP income is “the relevant IP income stream”; the other stream is the “standard income stream”.

Step 2

Divide the relevant IP income stream into “relevant IP income sub-streams” so that each sub-stream is—

- (a) a sub-stream consisting of income properly attributable to a particular qualifying IP right (an “individual IP right sub-stream”),
- (b) a sub-stream consisting of income properly attributable to a particular kind of IP item (a “product sub-stream”), or
- (c) a sub-stream consisting of income properly attributable to a particular kind of IP process (a “process sub-stream”).

See subsection (5) for the meaning of “IP item” and “IP process” and see subsections (6) and (7) for further provision in connection with product sub-streams and process sub-streams.

Step 3

Take any amounts which are brought into account as debits in calculating the profits of the trade for the accounting period, other than any excluded debits (see section 357BI), and allocate them on a just and reasonable basis between the standard income stream and each of the relevant IP income sub-streams.

Step 4

Deduct from each relevant IP income sub-stream—

- (a) the amounts allocated to the sub-stream at Step 3, and
- (b) the routine return figure for the sub-stream (see section 357BJ).

But see section 357BIA (which provides that certain amounts allocated to a relevant IP income sub-stream at Step 3 are not to be deducted from the sub-stream at this Step).

Step 5

Deduct from each relevant IP income sub-stream which is greater than nil following Step 4 the marketing assets return figure for the sub-stream (see section 357BK).

Step 6

Multiply the amount of each relevant IP income sub-stream (following the deductions required at Steps 4 and 5) by the R&D fraction for the sub-stream (see section 357BL).

Step 7

Add together the amounts of the relevant IP income sub-streams (following Step 6).

Step 8

If the company has made an election under section 357BM (which provides in certain circumstances for profits arising before the grant of a right to be treated as relevant IP profits), add to the amount given by Step 7 any amount determined in accordance with subsection (3) of that section.

- (3) If the amount given by subsection (2) is greater than nil, that amount is the relevant IP profits of the trade for the accounting period.
- (4) If the amount given by subsection (2) is less than nil, that amount is the relevant IP losses of the trade for the accounting period (see Chapter 5).
- (5) In this section—
“IP item” means—

Status: This is the original version (as it was originally enacted).

- (a) an item in respect of which a qualifying IP right held by the company has been granted, or
 - (b) an item which incorporates one or more items within paragraph (a);

“IP process” means—

 - (a) a process in respect of which a qualifying IP right held by the company has been granted, or
 - (b) a process which incorporates one or more processes within paragraph (a).
- (6) For the purposes of this section two or more IP items, or two or more IP processes, may be treated as being of a particular kind if they are intended to be, or are capable of being, used for the same or substantially the same purposes.
- (7) Income may be allocated at Step 2 of subsection (2) to a product sub-stream or process sub-stream only if—
 - (a) it would not be reasonably practicable to apportion the income between individual IP right sub-streams, or
 - (b) it would be reasonably practicable to do that but doing so would result in it not being reasonably practicable to apply any of the remaining steps in subsection (2).
- (8) Any reference in this section to a qualifying IP right held by the company includes a reference to a qualifying IP right in respect of which the company holds an exclusive licence.

Finance income

357BG Finance income

- (1) For the purposes of this Part “finance income”, in relation to a trade of a company, means—
 - (a) any credits which are treated as receipts of the trade by virtue of—
 - (i) section 297 of CTA 2009 (credits in respect of loan relationships), or
 - (ii) section 573 of CTA 2009 (credits in respect of derivative contracts),
 - (b) any amount which in accordance with generally accepted accounting practice falls to be recognised as arising from a financial asset, and
 - (c) any return, in relation to an amount, which—
 - (i) is produced for the company by an arrangement to which it is a party, and
 - (ii) is economically equivalent to interest.
- (2) In subsection (1)—
 - “economically equivalent to interest” is to be construed in accordance with section 486B(2) and (3) of CTA 2009, and
 - “financial asset” means a financial asset as defined for the purposes of generally accepted accounting practice.

- (3) For the purposes of subsection (1)(c), the amount of a return is the amount which by virtue of the return would, in calculating the company's chargeable profits, be treated under section 486B of CTA 2009 (disguised interest to be regarded as profit from loan relationship) as profit arising to the company from a loan relationship.

But, in calculating that profit for the purposes of this subsection, sections 486B(7) and 486C to 486E of that Act are to be ignored.

Relevant IP income

357BH Relevant IP income

- (1) For the purposes of this Part “relevant IP income” means income falling within any of the Heads set out in—
- (a) subsection (2) (sales income),
 - (b) subsection (6) (licence fees),
 - (c) subsection (7) (proceeds of sale etc),
 - (d) subsection (8) (damages for infringement), and
 - (e) subsection (9) (other compensation).

This is subject to section 357BHB (excluded income).

- (2) Head 1 is income arising from the sale by the company of any of the following items—
- (a) items in respect of which a qualifying IP right held by the company has been granted (“qualifying items”);
 - (b) items incorporating one or more qualifying items;
 - (c) items that are wholly or mainly designed to be incorporated into items within paragraph (a) or (b).
- (3) For the purposes of this Part an item and its packaging are not to be treated as a single item, unless the packaging performs a function that is essential for the use of the item for the purposes for which it is intended to be used.
- (4) In subsection (3) “packaging”, in relation to an item, means any form of container or other packaging used for the containment, protection, handling, delivery or presentation of the item, including by way of attaching the item to, or winding the item round, some other article.
- (5) In a case where a qualifying item and an item that is designed to incorporate that item (“the parent item”) are sold together as, or as part of, a single unit for a single price, the reference in subsection (2)(b) to an item incorporating a qualifying item includes a reference to the parent item.
- (6) Head 2 is income consisting of any licence fee or royalty which the company receives under an agreement granting another person any of the following rights only—
- (a) a right in respect of any qualifying IP right held by the company,
 - (b) any other right in respect of a qualifying item or process, and

Status: This is the original version (as it was originally enacted).

- (c) in the case of an agreement granting any right within paragraph (a) or (b), a right granted for the same purposes as those for which that right was granted.

In this subsection “qualifying process” means a process in respect of which a qualifying IP right held by the company has been granted.

- (7) Head 3 is any income arising from the sale or other disposal of a qualifying IP right or an exclusive licence in respect of such a right.
- (8) Head 4 is any amount received by the company in respect of an infringement, or alleged infringement, of a qualifying IP right held by the company at the time of the infringement or alleged infringement.
- (9) Head 5 is any amount of damages, proceeds of insurance or other compensation, other than an amount in respect of an infringement or alleged infringement of a qualifying IP right, which is received by the company in respect of an event and—
 - (a) is paid in respect of any items that fell within subsection (2) at the time of that event, or
 - (b) represents a loss of income which would, if received by the company at the time of that event, have been relevant IP income.
- (10) But income is not relevant IP income by virtue of subsection (8) or (9) unless the event in respect of which the income is received, or any part of that event, occurred at a time when—
 - (a) the company was a qualifying company, and
 - (b) an election under section 357A(1) had effect in relation to it.
- (11) In a case where the whole of that event does not occur at such a time, subsection (8) or (9) (as the case may be) applies only to so much of the amount received by the company in respect of the event as on a just and reasonable apportionment is properly attributable to such a time.
- (12) Any reference in this section to a qualifying IP right held by the company includes a reference to a qualifying IP right in respect of which the company holds an exclusive licence.

357BHA Notional royalty

- (1) This section applies where—
 - (a) a company holds a qualifying IP right or an exclusive licence in respect of a qualifying IP right,
 - (b) the qualifying IP right falls within paragraph (a), (b) or (c) of section 357BB(1), and
 - (c) the income of a trade of the company for an accounting period includes income (“IP-derived income”) which—
 - (i) arises from things done by the company that involve the exploitation by the company of the qualifying IP right, and
 - (ii) is not relevant IP income, finance income or excluded income.

- (2) The company may elect that the appropriate percentage of the IP-derived income is to be treated for the purposes of this Part as if it were relevant IP income.
- (3) The “appropriate percentage” is the proportion of the IP-derived income which the company would pay another person (“P”) for the right to exploit the qualifying IP right in the accounting period concerned if the company were not otherwise able to exploit it.
- (4) For the purposes of determining the appropriate percentage under this section, assume that—
 - (a) the company and P are dealing at arm’s length,
 - (b) the company, or the company and persons authorised by it, will have the right to exploit the qualifying IP right to the exclusion of any other person (including P),
 - (c) the company will have the same rights in relation to the qualifying IP right as it actually has,
 - (d) the right to exploit the qualifying IP right is conferred on the relevant day,
 - (e) the appropriate percentage is determined at the beginning of the accounting period concerned,
 - (f) the appropriate percentage will apply for each succeeding accounting period for which the company will have the right to exploit the qualifying IP right, and
 - (g) no income other than IP-derived income will arise from anything done by the company that involves the exploitation by the company of the qualifying IP right.
- (5) In subsection (4)(d) “the relevant day” means—
 - (a) the first day of the accounting period concerned, or
 - (b) if later, the day on which the company first began to hold the qualifying IP right or licence.
- (6) In determining the appropriate percentage, the company must act in accordance with—
 - (a) Article 9 of the OECD Model Tax Convention, and
 - (b) the OECD transfer pricing guidelines.
- (7) In this section “excluded income” means any income falling within either of the Heads in section 357BHB.

357BHB Excluded income

- (1) For the purposes of this Part income falling within either of the Heads set out in the following subsections is not relevant IP income—
 - (a) subsection (2) (ring fence income),
 - (b) subsection (3) (income attributable to non-exclusive licences).
- (2) Head 1 is income arising from oil extraction activities or oil rights.

In this subsection “oil extraction activities” and “oil rights” have the same meaning as in Part 8 (see sections 272 and 273).

Status: This is the original version (as it was originally enacted).

- (3) Head 2 is income which on a just and reasonable apportionment is properly attributable to a licence (a “non-exclusive licence”) held by the company which—
- (a) is a licence in respect of an item or process, but
 - (b) is not an exclusive licence in respect of a qualifying IP right.
- (4) In a case where—
- (a) a company holds an exclusive licence in respect of a qualifying IP right, and
 - (b) the licence also confers on the company (or on the company and persons authorised by it) any right in respect of the invention otherwise than to the exclusion of all other persons,
- the licence is to be treated for the purposes of this Part as if it were two separate licences, one an exclusive licence that does not confer any such rights, and the other a non-exclusive licence conferring those rights.

357BHC Mixed sources of income

- (1) This section applies to any income that—
- (a) is mixed income, or
 - (b) is paid under a mixed agreement.
- (2) “Mixed income” means the proceeds of sale where an item falling within subsection (2) of section 357BH and an item not falling within that subsection are sold together as, or as part of, a single unit for a single price.
- (3) A “mixed agreement” is an agreement providing for—
- (a) one or more of the matters in paragraphs (a) to (c) of subsection (4), and
 - (b) one or more of the matters in paragraphs (d) to (g) of that subsection.
- (4) The matters are—
- (a) the sale of an item falling within section 357BH(2),
 - (b) the grant of any right falling within paragraph (a), (b) or (c) of section 357BH(6),
 - (c) a sale or disposal falling within section 357BH(7),
 - (d) the sale of any other item,
 - (e) the grant of any other right,
 - (f) any other sale or disposal,
 - (g) the provision of any services.
- (5) So much of the income as on a just and reasonable apportionment is properly attributable to—
- (a) the sale of an item falling within section 357BH(2),
 - (b) the grant of any right falling within paragraph (a), (b) or (c) of section 357BH(6), or
 - (c) a sale or disposal falling within section 357BH(7),
- is to be regarded for the purposes of this Part as relevant IP income.

- (6) But where the amount of income that on such an apportionment is properly attributable to any of the matters in paragraphs (d) to (g) of subsection (4) is a trivial proportion of the income to which this section applies, all of that income is to be regarded for the purposes of this Part as relevant IP income.

Excluded debits etc

357BI Excluded debits

For the purposes of this Part “excluded debits” means—

- (a) the amount of any debits which are treated as expenses of a trade by virtue of—
 - (i) section 297 of CTA 2009 (debts in respect of loan relationships), or
 - (ii) section 573 of CTA 2009 (debts in respect of derivative contracts),
- (b) the amount of any additional deduction for an accounting period obtained by a company under Part 13 of CTA 2009 for expenditure on research and development in relation to a trade,
- (c) the amount of any additional deduction for an accounting period obtained by a company under Part 15A of CTA 2009 in respect of qualifying expenditure on a television programme,
- (d) the amount of any additional deduction for an accounting period obtained by a company under Part 15B of CTA 2009 in respect of qualifying expenditure on a video game, and
- (e) the amount of any additional deduction for an accounting period obtained by a company under Part 15C of CTA 2009 in respect of qualifying expenditure on a theatrical production.

357BIA Certain amounts not to be deducted from sub-streams at Step 4 of section 357BF

- (1) This section applies where a company enters into an arrangement with a person under which—
 - (a) the person assigns to the company a qualifying IP right or grants or transfers to the company an exclusive licence in respect of a qualifying IP right, and
 - (b) the company makes to the person an income-related payment.
- (2) A payment is an “income-related payment” for the purposes of subsection (1) if—
 - (a) the obligation to make the payment arises under the arrangement by reason of the amount of income the company has accrued which is properly attributable to the right or licence, or
 - (b) the amount of the payment is determined under the arrangement by reference to the amount of income the company has accrued which is so attributable.
- (3) If the amount of the income-related payment is allocated to a relevant IP income sub-stream at Step 3 of section 357BF(2), the amount is not to

be deducted from the sub-stream at Step 4 of section 357BF(2) unless the payment will not affect the R&D fraction for the sub-stream.”

Routine return figure

357BJ Routine return figure

- (1) This section applies for the purpose of calculating the routine return figure for a relevant IP income sub-stream established at Step 2 in section 357BF(2) in determining the relevant IP profits of a trade of a company for an accounting period.
- (2) The routine return figure for the sub-stream is 10% of the aggregate of any routine deductions which—
 - (a) have been made by the company in calculating the profits of the trade for the accounting period, and
 - (b) have been allocated to the sub-stream at Step 3 in section 357BF(2).

For the meaning of “routine deductions”, see sections 357BJA and 357BJB.

- (3) In a case where—
 - (a) the company (“C”) is a member of a group,
 - (b) another member of the group has incurred expenses on behalf of C,
 - (c) had they been incurred by C, C would have made a deduction in respect of the expenses in calculating the profits of the trade for the accounting period,
 - (d) the deduction would have been a routine deduction, and
 - (e) the deduction would have been allocated to the sub-stream at Step 3 in section 357BF(2),

C is to be treated for the purposes of subsection (2) as having made such a routine deduction and as having allocated the deduction to the sub-stream.

- (4) Where expenses have been incurred by any member of the group on behalf of C and any other member of the group, subsection (3) applies in relation to so much of the amount of the expenses as on a just and reasonable apportionment may properly be regarded as incurred on behalf of C.

357BJA Routine deductions

- (1) For the purposes of this Part, “routine deductions” means deductions falling within any of the Heads set out in—
 - (a) subsection (2) (capital allowances),
 - (b) subsection (3) (costs of premises),
 - (c) subsection (4) (personnel costs),
 - (d) subsection (5) (plant and machinery costs),
 - (e) subsection (6) (professional services), and

This is subject to section 357BJB (deductions that are not routine deductions).

- (2) Head 1 is any allowances under CAA 2001.

- (3) Head 2 is any deductions made by the company in respect of any premises occupied by the company.

 - (i) insurance services, and
 - (ii) valuation or actuarial services;
 - (c) services provided in connection with the administration or management of the company's directors and employees;
 - (d) any other consultancy services.
- (7) Head 6 is any deductions made by the company in respect of any of the following services—
 - (a) the supply of water, fuel or power;
 - (b) telecommunications services;
 - (c) computing services, including computer software;
 - (d) postal services;
 - (e) the transportation of any items;
 - (f) the collection, removal and disposal of refuse.
- (8) In this section—
 - “externally provided worker” has the same meaning as in Part 13 of CTA 2009 (see section 1128 of that Act),
 - “IP-related services” means services provided in connection with—
 - (a) any application for a right to which this Part applies, or
 - (b) any proceedings relating to the enforcement of any such right,
 - “premises” includes any land,
 - “telecommunications service” means any service that consists in the provision of access to, and of facilities for making use of, any telecommunication system (whether or not one provided by the person providing the service), and
 - “telecommunication system” means any system (including the apparatus comprised in it) which exists for the purpose of facilitating the transmission of communications by any means involving the use of electrical or electromagnetic energy.
- (9) The Treasury may by regulations amend this section.

Status: This is the original version (as it was originally enacted).

357BJB Deductions that are not routine deductions

- (1) For the purposes of this Part a deduction is not a “routine deduction” if it falls within any of the Heads set out in—
 - (a) subsection (2) (loan relationships and derivative contracts),
 - (b) subsection (3) (R&D expenses),
 - (c) subsection (4) (capital allowances for R&D or patents),
 - (d) subsection (5) (R&D-related employee share acquisitions),
 - (e) subsection (8) (television production expenditure),
 - (f) subsection (9) (video games development expenditure).
- (2) Head 1 is any debits which are treated as expenses of the trade by virtue of—
 - (a) section 297 of CTA 2009 (debts in respect of loan relationships), or
 - (b) section 573 of CTA 2009 (debts in respect of derivative contracts).
- (3) Head 2 is—
 - (a) the amount of any expenditure on research and development in relation to the trade—
 - (i) for which an additional deduction for the accounting period is obtained by the company under Part 13 of CTA 2009, or
 - (ii) in respect of which the company is entitled to an R&D expenditure credit for the accounting period under Chapter 6A of Part 3 of CTA 2009, and
 - (b) where the company obtains an additional deduction as mentioned in paragraph (a)(i), the amount of that additional deduction.
- (4) Head 3 is any allowances under—
 - (a) Part 6 of CAA 2001 (research and development allowances), or
 - (b) Part 8 of CAA 2001 (patent allowances).
- (5) Head 4 is the appropriate proportion of any deductions allowed under Part 12 of CTA 2009 (relief for employee share acquisitions) in a case where—
 - (a) shares are acquired by an employee or another person because of the employee’s employment by the company, and
 - (b) the employee is wholly or partly engaged directly and actively in relevant research and development (within the meaning of section 1042 of CTA 2009).
- (6) In subsection (5) “the appropriate proportion”, in relation to a deduction allowed in respect of an employee, is the proportion of the staffing costs in respect of the employee which are attributable to relevant research and development for the purposes of Part 13 of CTA 2009 (see section 1124 of that Act).

“Staffing costs” has the same meaning as in that Part (see section 1123 of that Act).
- (7) Subsections (5) and (6) of section 1124 of CTA 2009 apply for the purposes of subsection (5)(b) as they apply for the purposes of that section.
- (8) Head 5 is—

- (a) the amount of any qualifying expenditure on a television programme for which an additional deduction for the accounting period is obtained by the company under Part 15A of CTA 2009, and
 - (b) the amount of that additional deduction.
- (9) Head 6 is—
 - (a) the amount of any qualifying expenditure on a video game for which an additional deduction for the accounting period is obtained by the company under Part 15B of CTA 2009, and
 - (b) the amount of that additional deduction.
- (10) The Treasury may by regulations amend this section.

Marketing assets return figure

357BK Marketing assets return figure

- (1) The marketing assets return figure for a relevant IP income sub-stream is—

$$\text{NMR} - \text{AMR}$$

where—

NMR is the notional marketing royalty in respect of the sub-stream (see section 357BKA), and

AMR is the actual marketing royalty in respect of the sub-stream (see section 357BKB).

- (2) Where—
- (a) AMR is greater than NMR, or
 - (b) the difference between NMR and AMR is less than 10% of the amount of the relevant IP income sub-stream following the deductions required by Step 4 in section 357BF(2),
- the marketing assets return figure for the sub-stream is nil.

357BKA Notional marketing royalty

- (1) The notional marketing royalty in respect of a relevant IP income sub-stream is the appropriate percentage of the income allocated to that sub-stream at Step 2 in section 357BF(2).
- (2) The “appropriate percentage” is the proportion of that income which the company would pay another person (“P”) for the right to exploit the relevant marketing assets in the accounting period concerned if the company were not otherwise able to exploit them.
- (3) For the purposes of this section a marketing asset is a “relevant marketing asset” in relation to a relevant IP income sub-stream if the sub-stream includes any income arising from things done by the company that involve the exploitation by the company of that marketing asset.
- (4) For the purpose of determining the appropriate percentage under this section, assume that—
 - (a) the company and P are dealing at arm’s length,

Status: This is the original version (as it was originally enacted).

- (b) the company, or the company and persons authorised by it, will have the right to exploit the relevant marketing assets to the exclusion of any other person (including P),
 - (c) the company will have the same rights in relation to the relevant marketing assets as it actually has,
 - (d) the right to exploit the relevant marketing assets is conferred on the relevant day,
 - (e) the appropriate percentage is determined at the beginning of the accounting period concerned,
 - (f) the appropriate percentage will apply for each succeeding accounting period for which the company will have the right to exploit the relevant marketing assets, and
 - (g) no income other than income within the relevant IP income sub-stream will arise from anything done by the company that involves the exploitation by the company of the relevant marketing assets.
- (5) In subsection (4)(d) “the relevant day”, in relation to a relevant marketing asset, means—
- (a) the first day of the accounting period concerned, or
 - (b) if later, the day on which the company first acquired the relevant marketing asset or the right to exploit the asset.
- (6) In determining the appropriate percentage, the company must act in accordance with—
- (a) Article 9 of the OECD Model Tax Convention, and
 - (b) the OECD transfer pricing guidelines.
- (7) In this section “marketing asset” means any of the following (whether or not capable of being transferred or assigned)—
- (a) anything in respect of which proceedings for passing off could be brought, including a registered trade mark (within the meaning of the Trade Marks Act 1994),
 - (b) anything that corresponds to a marketing asset within paragraph (a) and is recognised under the law of a country or territory outside the United Kingdom,
 - (c) any signs or indications (so far as not falling within paragraph (a) or (b)) which may serve, in trade, to designate the geographical origin of goods or services, and
 - (d) any information which relates to customers or potential customers of the company, or any other member of a group of which the company is a member, and is intended to be used for marketing purposes.

357BKB Actual marketing royalty

- (1) The actual marketing royalty for a relevant IP income sub-stream is the aggregate of any sums which—
- (a) were paid by the company for the purposes of acquiring any relevant marketing assets or the right to exploit any such assets, and
 - (b) have been allocated to the sub-stream at Step 3 in section 357BF(2).

- (2) In this section “relevant marketing asset” has the same meaning as in section 357BKA.

R&D fraction

357BL Introduction

- (1) Sections 357BLA to 357BLH apply for the purpose of determining the R&D fraction for a relevant IP income sub-stream established at Step 2 in section 357BF(2) in determining the relevant IP profits of a trade of a company for an accounting period.
- (2) In sections 357BLA to 357BLH, references to “the sub-stream”, “the trade”, “the company” and “the accounting period” are to the relevant IP income sub-stream, the trade, the company and the accounting period referred to in subsection (1).

357BLA The R&D fraction

- (1) The R&D fraction for the sub-stream is the lesser of 1 and—

$$\frac{(D + S1) \times 1.3}{D + S1 + S2 + A}$$

where—

D is the company’s qualifying expenditure on relevant R&D undertaken in-house (see section 357BLB),

S1 is the company’s qualifying expenditure on relevant R&D sub-contracted to unconnected persons (see section 357BLC),

S2 is the company’s qualifying expenditure on relevant R&D sub-contracted to connected persons (see section 357BLD), and

A is the company’s qualifying expenditure on the acquisition of relevant qualifying IP rights (see section 357BLE).

- (2) This section is subject to section 357BLH (R&D fraction: increase for exceptional circumstances).

357BLB Qualifying expenditure on relevant R&D undertaken in-house

- (1) In section 357BLA, the company’s “qualifying expenditure on relevant R&D undertaken in-house” means the expenditure incurred by the company during the relevant period which meets conditions A and B.
- (2) Condition A is that the expenditure is—
- incurred on staffing costs,
 - incurred on software or consumable items,
 - qualifying expenditure on externally provided workers, or
 - incurred on relevant payments to the subjects of clinical trials.
- (3) Condition B is that the expenditure is attributable to relevant research and development undertaken by the company itself.

Status: This is the original version (as it was originally enacted).

- (4) If an election made by the company under section 18A of CTA 2009 (election for exemption for profits or losses of company's foreign permanent establishments) applies to the relevant period, expenditure incurred by the company during the period which meets conditions A and B—
- (a) is not “qualifying expenditure on relevant R&D undertaken in-house”, but
 - (b) is “qualifying expenditure on relevant R&D sub-contracted to connected persons”,
- so far as it is expenditure brought into account in calculating a relevant profits amount, or a relevant losses amount, aggregated at section 18A(4)(a) or (b) of CTA 2009 in calculating the company's foreign permanent establishments amount for the period.
- (5) In this section and sections 357BLC and 357BLD, “relevant research and development” means research and development (within the meaning of section 1138) which—
- (a) in a case where the sub-stream is an individual IP right sub-stream, relates to the qualifying IP right to which the income in the sub-stream is attributable,
 - (b) in a case where the sub-stream is a product sub-stream, relates to a qualifying IP right granted in respect of any item—
 - (i) to which income in the sub-stream is attributable, or
 - (ii) which is incorporated in an item to which income in the sub-stream is attributable, or
 - (c) in a case where the sub-stream is a process sub-stream, relates to a qualifying IP right granted in respect of any process—
 - (i) to which income in the sub-stream is attributable, or
 - (ii) which is incorporated in a process to which income in the sub-stream is attributable.
- (6) Research and development “relates” to a qualifying IP right for the purposes of subsection (5) if—
- (a) it creates, or contributes to the creation of, the invention,
 - (b) it is undertaken for the purpose of developing the invention,
 - (c) it is undertaken for the purpose of developing ways in which the invention may be used or applied, or
 - (d) it is undertaken for the purpose of developing any item or process incorporating the invention.
- (7) The following provisions of CTA 2009 apply for the purposes of this section—
- (a) section 1123 (meaning of “staffing costs”),
 - (b) section 1124 (when staffing costs are attributable to relevant research and development),
 - (c) section 1125 (meaning of “software or consumable items”),
 - (d) sections 1126 to 1126B (when software or consumable items are attributable to relevant research and development),
 - (e) sections 1127 to 1131 (meaning of “qualifying expenditure on externally provided workers”),
 - (f) section 1132 (when qualifying expenditure on externally provided workers is attributable to relevant research and development), and

- (g) section 1140 (meaning of “relevant payments to the subjects of clinical trials”),

and in the application of those provisions for the purposes of this section any reference to “relevant research and development” is to be read as a reference to relevant research and development within the meaning given by subsection (5).

357BLC Qualifying expenditure on relevant R&D sub-contracted to unconnected persons

- (1) In section 357BLA, the company’s “qualifying expenditure on relevant R&D sub-contracted to unconnected persons” means the expenditure incurred by the company during the relevant period in making payments within subsection (2).
- (2) A payment is within this subsection if—
 - (a) it is made to a person in respect of relevant research and development contracted out by the company to the person, and
 - (b) the company and the person are not connected (within the meaning given by section 1122).
- (3) If an election made by the company under section 18A of CTA 2009 (election for exemption for profits or losses of company’s foreign permanent establishments) applies to the relevant period, expenditure incurred by the company during the period in making payments within subsection (2)—
 - (a) is not “qualifying expenditure on relevant R&D sub-contracted to unconnected persons”, but
 - (b) is “qualifying expenditure on relevant R&D sub-contracted to connected persons”,
 so far as it is expenditure brought into account in calculating a relevant profits amount, or a relevant losses amount, aggregated at section 18A(4)(a) or (b) of CTA 2009 in calculating the company’s foreign permanent establishments amount for the period.
- (4) Where a payment is made to a person in respect of relevant research and development contracted out to the person and in respect of other matters, so much of the payment as is properly attributable to other matters is to be disregarded for the purposes of this section.

357BLD Qualifying expenditure on relevant R&D sub-contracted to connected persons

- (1) In section 357BLA, the company’s “qualifying expenditure on relevant R&D sub-contracted to connected persons” means the total of—
 - (a) any expenditure which is “qualifying expenditure on relevant R&D sub-contracted to connected persons” as a result of section 357BLB(4) or 357BLC(3) (certain expenditure attributed to company’s foreign permanent establishments), and
 - (b) the expenditure incurred by the company during the relevant period in making payments within subsection (2).
- (2) A payment is within this subsection if—

Status: This is the original version (as it was originally enacted).

- (a) it is made to a person in respect of relevant research and development contracted out by the company to the person, and
 - (b) the company and the person are connected (within the meaning given by section 1122).
- (3) Where a payment is made to a person in respect of relevant research and development contracted out to the person and in respect of other matters, so much of the payment as is properly attributable to other matters is to be disregarded for the purposes of this section.

357BLE Qualifying expenditure on acquisition of relevant qualifying IP rights

- (1) In section 357BLA, the company's "qualifying expenditure on the acquisition of relevant qualifying IP rights" means the expenditure incurred by the company in making during the relevant period payments within any of subsections (2), (3) and (4).
- (2) A payment is within this subsection if it is made to a person in respect of the assignment by that person to the company of a relevant qualifying IP right.
- (3) A payment is within this subsection if it is made to a person in respect of the grant or transfer by that person to the company of an exclusive licence in respect of a relevant qualifying IP right.
- (4) A payment is within this subsection if—
 - (a) it is made to a person in respect of the disclosure by that person to the company of any item or process, and
 - (b) the company applies for and is granted a relevant qualifying IP right in respect of that item or process (or any item or process derived from it).
- (5) Where the company has incurred expenditure in making a series of payments to a person in respect of a single assignment, grant, transfer or disclosure, each of the payments in the series is to be treated for the purposes of this section as having been made on the date on which the first payment in the series was made.
- (6) "Relevant qualifying IP right" means—
 - (a) in a case where the sub-stream is an individual IP right sub-stream, the qualifying IP right to which the income in the sub-stream is attributable,
 - (b) in a case where the sub-stream is a product sub-stream, a qualifying IP right granted in respect of an item—
 - (i) to which income in the sub-stream is attributable, or
 - (ii) which is incorporated in an item to which income in the sub-stream is attributable, or
 - (c) in a case where the sub-stream is a process sub-stream, a qualifying IP right granted in respect of a process—
 - (i) to which income in the sub-stream is attributable, or
 - (ii) which is incorporated in a process to which income in the sub-stream is attributable.

Status: This is the original version (as it was originally enacted).

357BLF Meaning of the “relevant period” etc

- (1) Subsections (2) to (6) define “the relevant period” for the purposes of sections 357BLB to 357BLE.
- (2) The “relevant period” is the period which—
 - (a) ends with the last day of the accounting period, and
 - (b) begins on the relevant day or such earlier day as the company may elect.

This is subject to subsection (6).
- (3) The “relevant day” is 1 July 2013 in a case where—
 - (a) the accounting period begins before 1 July 2021, and
 - (b) the company is a new entrant (see section 357A(11)).
- (4) The “relevant day” is 1 July 2016 in any other case.
- (5) A day elected under subsection (2)(b) must not be more than 20 years before the last day of the accounting period.
- (6) If the last day of the accounting period is, or is after, 1 July 2036 the “relevant period” is the period of 20 years ending with that day.
- (7) Expenditure incurred by the company is to be treated for the purposes of sections 357BLB to 357BLD as incurred during the relevant period if (and only if) the expenditure is allowable as a deduction in calculating for corporation tax purposes the profits of the trade for an accounting period which falls, in whole or in part, within the relevant period.

357BLG Cases where the company is a new entrant with insufficient information about pre-enactment expenditure

- (1) This section applies if—
 - (a) the accounting period begins before 1 July 2021 and the company is a new entrant (so that subsection (3) of section 357BLF applies), and
 - (b) the company has insufficient information about its expenditure in the period which begins with 1 July 2013 and ends with 30 June 2016 to be able to calculate the R&D fraction for the sub-stream.
- (2) If the accounting period begins on or after 1 July 2019, the company may elect that, for the purposes of enabling it to determine the R&D fraction for the sub-stream, section 357BLF is to have effect as if in subsection (3) for “1 July 2013” there were substituted “1 July 2016”.
- (3) If the accounting period begins before 1 July 2019 the company may elect that, for the purposes of enabling it to determine the R&D fraction for the sub-stream, sections 357BL to 357BLE are to have effect as if—
 - (a) any reference in those sections to the relevant period were to the period of three years ending with the last day of the accounting period,
 - (b) in section 357BLB, for subsections (5) and (6) there were substituted—

Status: This is the original version (as it was originally enacted).

- “(5) In this section and sections 357BLC and 357BLD, “relevant research and development” means research and development (within the meaning of section 1138) which relates to the trade.”, and
- (c) in section 357BLE—
- (i) in each of subsections (2), (3) and (4) the word “relevant” were omitted, and
 - (ii) subsection (6) were omitted.

357BLH R&D fraction: increase for exceptional circumstances

- (1) The company may elect to increase the R&D fraction for the sub-stream by the amount mentioned in subsection (2) if (but for the increase)—
 - (a) it would not be less than 0.325, and
 - (b) it would, because of exceptional circumstances, be less than the value fraction for the sub-stream (see subsection (3)).
- (2) The amount of the increase referred to in subsection (1) is the amount which is equal to the difference between the R&D fraction (before the increase) and the value fraction.
- (3) The “value fraction” for the sub-stream is the fraction which, on a just and reasonable assessment, represents the proportion of the value of the relevant qualifying IP rights which is properly attributable to research and development undertaken at any time—
 - (a) by the company itself, or
 - (b) on behalf of the company by persons not connected with it.
- (4) An election under subsection (1) is made by the company giving notice to an officer of Revenue and Customs.
- (5) The notice must be given on or before the last day on which an amendment of the company’s tax return for the accounting period could be made under paragraph 15 of Schedule 18 to FA 1998.
- (6) In this section—

“relevant qualifying IP rights” has the same meaning as in section 357BLE, and

“research and development” has the meaning given by section 1138.
- (7) Section 1122 (meaning of “connected” persons”) applies for the purposes of this section.

Profits arising before grant of right

357BM Profits arising before grant of right

- (1) This section applies where a company—
 - (a) holds a right mentioned in paragraph (a), (b) or (c) of section 357BB(1) (rights to which this Part applies) or an exclusive licence in respect of such a right, or

- (b) would hold such a right or licence but for the fact that the company disposed of any rights in the invention or (as the case may be) the licence before the right was granted.
- (2) The company may elect that, for the purposes of determining the relevant IP profits of a trade of the company for the accounting period in which the right is granted, there is to be added the amount determined in accordance with subsection (3) (the “additional amount”).
- (3) The additional amount is the difference between—
 - (a) the aggregate of the relevant IP profits of the trade for each relevant accounting period, and
 - (b) the aggregate of what the relevant IP profits of the trade for each relevant accounting period would have been if the right had been granted on the relevant day.
- (4) For the purposes of determining the additional amount, the amount of any relevant IP profits to which section 357A does not apply by virtue of Chapter 5 (relevant IP losses) is to be disregarded.
- (5) In this section “relevant accounting period” means—
 - (a) the accounting period of the company in which the right is granted, and
 - (b) any earlier accounting period of the company which meets the conditions in subsection (6).
- (6) The conditions mentioned in subsection (5)(b) are—
 - (a) that it is an accounting period for which an election made by the company under section 357A(1) has effect,
 - (b) that it is an accounting period for which the company is a qualifying company, and
 - (c) that it ends on or after the relevant day.
- (7) In this section “the relevant day” is the later of—
 - (a) the first day of the period of 6 years ending with the day on which the right is granted, and
 - (b) the day on which—
 - (i) the application for the grant of the right was filed, or
 - (ii) in the case of a company that holds an exclusive licence in respect of the right, the licence was granted.
- (8) Where the company would be a qualifying company for an accounting period but for the fact that the right had not been granted at any time during that accounting period, the company is to be treated for the purposes of this section as if it were a qualifying company for that accounting period.
- (9) Where the company would be a qualifying company for the accounting period in which the right was granted but for the fact that the company disposed of the rights or licence mentioned in subsection (1)(b) before the right was granted, the company is to be treated for the purposes of section 357A as if it were a qualifying company for that accounting period.

Status: This is the original version (as it was originally enacted).

Small claims treatment

357BN Small claims treatment

- (1) This section applies where—
- (a) a company carries on only one trade during an accounting period,
 - (b) section 357BF applies for the purposes of determining the relevant IP profits of the trade for the accounting period, and
 - (c) the qualifying residual profit of the trade for the accounting period does not exceed whichever is the greater of—
 - (i) £1,000,000, and
 - (ii) the relevant maximum for the accounting period.

- (2) The company may make any of the following elections for the accounting period—
- (a) a notional royalty election (see section 357BNA),
 - (b) a small claims figure election (see section 357BNB), and
 - (c) a global streaming election (see section 357BNC).

This is subject to subsections (3) and (4).

- (3) The company may not make a notional royalty election, a small claims figure election or a global streaming election for the accounting period if—
- (a) the qualifying residual profit of the trade for the accounting period exceeds £1,000,000,
 - (b) section 357BF applied for the purposes of determining the relevant IP profits of the trade for any previous accounting period beginning within the relevant 4-year period, and
 - (c) the company did not make a notional royalty election, a small claims figure election or (as the case may be) a global streaming election for that previous accounting period.
- (4) The company may not make a small claims figure election for the accounting period if—
- (a) the qualifying residual profit of the trade for the accounting period exceeds £1,000,000,
 - (b) section 357C or 357DA applied for the purposes of determining the relevant IP profits of the trade for any previous accounting period beginning within the relevant 4-year period, and
 - (c) the company did not make an election under section 357CL for small claims treatment for that previous accounting period.
- (5) In subsections (3) and (4) “the relevant 4-year period” means the period of 4 years ending with the beginning of the accounting period mentioned in subsection (1)(a).
- (6) For the purposes of this section, the “qualifying residual profit” of a trade of a company for an accounting period is the amount which (assuming the company did not make an election under this section) would be equal to the aggregate of the relevant IP income sub-streams established at Step 2 in section 357BF(2) in determining the relevant IP profits of the trade for the

accounting period, following the deductions from those sub-streams required by Step 4 in section 357BF(2) (ignoring the amount of any sub-stream which is not greater than nil following those deductions).

(7) For the purposes of this section, the “relevant maximum” for an accounting period of a company is—

- (a) in a case where no company is a related 51% group company of the company in the accounting period, £3,000,000;
- (b) in a case where one or more companies are related 51% group companies of the company in the accounting period, the amount given by the formula—

$$\frac{\pounds 3,000,000}{1 + N}$$

where N is the number of those related 51% group companies in relation to which an election under section 357A(1) has effect for the accounting period.

(8) For an accounting period of less than 12 months, the relevant maximum is proportionally reduced.

357BNA Notional royalty election

- (1) Subsection (2) applies where a company has made a notional royalty election for an accounting period under section 357BN(2)(a).
- (2) In its application for the purposes of determining the relevant IP profits of the trade of the company for the accounting period, section 357BHA (notional royalty) has effect as if—
 - (a) in subsection (2) for “the appropriate percentage” there were substituted “75%”, and
 - (b) subsections (3) to (6) were omitted.

357BNB Small claims figure election

- (1) Subsection (2) applies where a company has made a small claims figure election for an accounting period under section 357BN(2)(b).
- (2) In its application for the purposes of determining the relevant IP profits of the trade of the company for the accounting period, section 357BF(2) (steps for calculating relevant IP profits) has effect as if in Step 5—
 - (a) for “marketing assets return figure” there was substituted “small claims figure”, and
 - (b) for “(see section 357BK)” there was substituted “(see section 357BNB(3))”.
- (3) Subsections (4) to (9) apply for the purpose of calculating the small claims figure for a relevant IP income sub-stream established at Step 2 in section 357BF(2) in determining the relevant IP profits of a trade of a company for an accounting period.
- (4) If 75% of the qualifying residual profit of the trade for the accounting period is lower than the small claims threshold, the small claims figure for the

Status: This is the original version (as it was originally enacted).

sub-stream is 25% of the amount of the sub-stream following Step 4 in section 357BF(2).

- (5) If 75% of the qualifying residual profit of the trade for the accounting period is higher than the small claims threshold, the small claims figure for the sub-stream is the amount given by—

$$A - \left(\frac{A}{\text{QRP}} \times \text{SCT} \right)$$

where—

A is the amount of the sub-stream following the deductions required by Step 4 in section 357BF(2),

QRP is the qualifying residual profit of the trade of the company for the accounting period, and

SCT is the small claims threshold.

- (6) If no company is a related 51% group company of the company in the accounting period, the small claims threshold is £1,000,000.
- (7) If one or more companies are related 51% group companies of the company in the accounting period, the small claims threshold is—

$$\frac{\text{£1,000,000}}{1 + N}$$

where N is the number of those related 51% group companies in relation to which an election under section 357A(1) has effect for the accounting period.

- (8) For an accounting period of less than 12 months, the small claims threshold is proportionately reduced.
- (9) Subsection (6) of section 357BN (meaning of “qualifying residual profit”) applies for the purposes of subsection (4) and (5) of this section.

357BNC Global streaming election

- (1) Subsection (2) applies where a company has made a global streaming election for an accounting period under section 357BN(2)(c).
- (2) In its application for the purpose of determining the relevant IP profits of the trade of the company for the accounting period, this Chapter has effect with the following modifications.
- (3) In subsection (2) of section 357BF (relevant IP profits)—
- (a) omit Step 2,
 - (b) in Step 3 for “each of the relevant IP income sub-streams” substitute “the relevant IP income stream”,
 - (c) in Step 4—
 - (i) in the words before paragraph (a), for “each” substitute “the”,
 - (ii) for “sub-stream”, in each place it occurs, substitute “stream”,
 - (d) in Step 5—
 - (i) at the beginning insert “If the relevant IP income stream is greater than nil following Step 4,”,
 - (ii) for the words from “each” to “Step 4” substitute “the stream”,

- (iii) for “sub-stream”, in the second place it occurs, substitute “stream”,
 - (e) in Step 6—
 - (i) for “each relevant IP income sub-stream” substitute “the relevant IP income stream”,
 - (ii) for “sub-stream”, in the second place it occurs, substitute “stream”,
 - (f) omit Step 7, and
 - (g) in Step 8 for “given by Step 7” substitute “of the relevant IP income stream following Step 6”.
- (4) In subsection (3) of that section for “given by” substitute “of the relevant IP income stream following the Steps in”.
 - (5) In subsection (4) of that section for “given by” substitute “of the relevant IP income stream following the Steps in”.
 - (6) Omit subsections (5) to (7) of that section.
 - (7) In section 357BIA(3) (certain amounts not to be deducted from sub-streams at Step 4 of section 357BF)—
 - (a) for “a relevant IP income sub-stream” substitute “the relevant IP income stream”;
 - (b) for “sub-stream”, in the second and third places it occurs, substitute “stream”.
 - (8) In section 357BJ (routine return figure)—
 - (a) for “sub-stream”, in each place it occurs, substitute “stream”, and

- (17) In section 357BLH (R&D fraction: increase for exceptional circumstances) for “sub-stream”, in each place it occurs, substitute “stream”.
- (18) In section 357BNB (small claims figure election)—

CHAPTER 2B

RELEVANT IP PROFITS: CASES MENTIONED IN SECTION 357A(7): INCOME FROM NEW IP

357BO Relevant IP profits

- (1) Section 357BF applies, with the modifications set out in section 357BQ, for the purposes of determining the relevant IP profits of a trade of a company for an accounting period in a case where—
 - (a) the accounting period begins before 1 July 2021,
 - (b) the company is not a new entrant (see section 357A(11)), and
 - (c) any amount of relevant IP income brought into account as a credit in calculating the profits of the trade for the accounting period is properly attributable to a new qualifying IP right (see section 357BP).
- (2) Where it is necessary for the purposes of section 357BF, as applied by this section, to determine the R&D fraction for a relevant IP income sub-stream, the company concerned is to be treated for the purposes of sections 357BLF and 357BLG as if it were a new entrant.
- (3) Where section 357BF applies by reason of this section for the purposes of determining the relevant IP profits of a trade of a company for an accounting period, the company may not make a global streaming election for the accounting period under section 357BN(2)(c).

357BP Meaning of “new qualifying IP right” and “old qualifying IP right”

- (1) This section applies for the purposes of this Part.
- (2) “New qualifying IP right”, in relation to a company, means a qualifying IP right which meets condition A, B or C.
- (3) “Old qualifying IP right”, in relation to a company, means a qualifying IP right which does not meet any of those conditions.
- (4) Condition A is that the right was granted or issued to the company in response to an application filed on or after the relevant date.
- (5) Condition B is that the right was assigned to the company on or after the relevant date.

- (6) Condition C is that an exclusive licence in respect of the right was granted to the company on or after the relevant date.
- (7) The “relevant date” for the purposes of subsections (4), (5) and (6) is 1 July 2016; but this is subject to subsection (8).
- (8) The “relevant date” for the purposes of subsections (5) and (6) is 2 January 2016 if—
 - (a) the company and the person who assigned the right or granted the licence were connected at the time of the assignment or grant,
 - (b) the main purpose, or one of the main purposes, of the assignment of the right or the grant of the licence was the avoidance of a foreign tax,
 - (c) the person who assigned the right or granted the licence was not within the charge to corporation tax at the time of the assignment or grant, and
 - (d) the person who assigned the right or granted the licence was not liable at the time of the assignment or grant to a foreign tax which is designated for the purposes of this section by regulations made by the Treasury.
- (9) Regulations may be made under subsection (8)(d) which designate a foreign tax only if it appears to the Treasury that the tax may be charged at a reduced rate under provisions of the law of the country or territory concerned which correspond to the provisions of this Part.
- (10) Regulations may not be made under subsection (8)(d) after 31 December 2016.
- (11) In this section “foreign tax” means a tax under the law of a country or territory outside the United Kingdom.

 - (ii) in paragraph (a) before “qualifying IP right” insert “new”,
 - (iii) in the words after paragraph (c) for “and (7)” substitute “to (7E)”,
 - (b) in Step 6, for “relevant IP income sub-stream” substitute “individual IP right sub-stream, each product sub-stream and each process sub-stream”, and

Status: This is the original version (as it was originally enacted).

- (c) for Step 7 substitute—
 - “Step 7
 - Add together—
 - (a) the amount of any old IP rights sub-stream (following Steps 4 and 5), and
 - (b) the amount of each of the individual IP right sub-streams, each of the product sub-streams and each of the process sub-streams (following Step 6).”
- (4) In subsection (7) for paragraph (a) substitute—
 - “(a) it would not be reasonably practicable to apportion the income between—
 - (i) individual IP rights sub-streams, or
 - (ii) individual IP rights sub-streams and an old IP rights sub-stream, or”.
- (5) After subsection (7) insert—
 - “(7A) Subsections (7B) to (7E) apply where—
 - (a) income which is properly attributable to an IP item or IP process may in accordance with subsection (7) be allocated at Step 2 of subsection (2) to a product sub-stream or process sub-stream, and

 - (b) the old IP percentage for the IP item or IP process is 80% or more, the income properly attributable to the IP item or IP process may be treated as if it were properly attributable to old qualifying IP rights only; and, accordingly, the income may be allocated at Step 2 of subsection (2) to an old qualifying IP rights sub-stream (rather than to a product sub-stream or process sub-stream).
 - (7C) If the old IP percentage for the IP item or IP process is less than 80% but not less than 20%, that percentage of the income which is properly attributable to the IP item or IP process may be treated as if it were properly attributable to old qualifying IP rights only; and, accordingly, that percentage of the income may be allocated at Step 2 of subsection (2) to an old IP rights sub-stream (and the remainder is to be allocated to a product sub-stream or process sub-stream).
 - (7D) Where by reason of subsection (7C) only part of the income properly attributable to the IP item or IP process is allocated to a product sub-stream or process sub-stream, the IP item or IP process is to be treated, in determining

the R&D fraction for the sub-stream, as if it did not incorporate the items or processes referred to in subsection (7A)(b)(i).

- (7E) For the purposes of subsection (7B) and (7C), the “old IP percentage” for an IP item or IP process is the percentage found by the following calculation—

$$\frac{O}{T} \times 100$$

where—

O is the number of items or processes incorporated in the IP item or IP process in respect of which an old qualifying IP right held by the company has been granted, and

T is the number of items or processes incorporated in the IP item or IP process in respect of which an old or a new qualifying IP right held by the company has been granted.””

- (4) In section 357FB (tax advantage schemes)—

- (a) in subsection (2)(b) (list of ways by which deductions can be inflated)—

(i) omit “or” at the end of sub-paragraph (ii), and

(ii) after sub-paragraph (iii) insert “, or

(iv) an R&D fraction (see subsection (4A)) being greater than it would be but for the scheme.”, and

- (b) after subsection (4) insert—

“(4A) The reference in subsection (2)(b)(iv) to an R&D fraction is a reference to such a fraction as is mentioned at Step 6 of section 357BF(2).”

- (6) Expenditure incurred prior to the transfer date by the transferor in making a payment in connection with the relevant qualifying IP right which is within subsection (2), (3) or (4) of section 357BLE is to be treated for the purposes of that section as if it is expenditure incurred by the transferee in making a payment in connection with that right which is within one of those subsections.
- (7) Expenditure incurred by the transferee in making a payment to the transferor in respect of the assignment, grant or transfer mentioned in subsection (1)(b) is to be ignored for the purposes of section 357BLE.

“Deduction for replacement of domestic items

311A Replacement domestic items relief

- (1) This section applies if conditions A to D are met.
- (2) Condition A is that a person (“P”) carries on a property business in relation to land which consists of or includes a dwelling-house.
- (3) Condition B is that—

- (a) a domestic item has been provided for use in the dwelling-house (“the old item”),
 - (b) P incurs expenditure on a domestic item for use in the dwelling-house (“the new item”),
 - (c) the new item is provided solely for the use of the lessee,
 - (d) the new item replaces the old item, and
 - (e) following that replacement, the old item is no longer available for use in the dwelling-house.
- (4) Condition C is that a deduction for the expenditure is not prohibited by the wholly and exclusively rule but would otherwise be prohibited by the capital expenditure rule (see subsection (15)).
- (5) Condition D is that no allowance under CAA 2001 may be claimed in respect of the expenditure.
- (6) In calculating the profits of the business, a deduction for the expenditure is allowed.
But this is subject to subsections (7) and (8).
- (7) No deduction is allowed for expenditure in a tax year if—
 - (a) the business consists of or includes the commercial letting of furnished holiday accommodation (see Chapter 6), and
 - (b) the dwelling-house constitutes some or all of that accommodation for the tax year.
- (8) No deduction is allowed for expenditure in a tax year if—
 - (a) the person has rent-a-room receipts in respect of the dwelling-house for the tax year, and

Subsections (10) to (13) make further provision about the calculation of the deduction in certain cases.

- (10) If P incurs incidental expenditure of a capital nature in connection with the disposal of the old item or the purchase of the new item, the deduction is increased by the amount of the incidental expenditure.
- (11) If the old item is disposed of in part-exchange for the new item—
 - (a) the expenditure incurred by P on the new item is treated as including an amount equal to the value of the old item, and
 - (b) the deduction is reduced by that amount.

- (12) If the old item is disposed of other than in part-exchange for the new item, the deduction is reduced by the amount or value of any consideration in money or money's worth which P or a person connected with P receives, or is entitled to receive, in respect of the disposal.
- (13) For the purposes of subsection (12), where the old item is disposed of together with other consideration, the consideration in respect of the disposal mentioned in that subsection is taken not to include the amount of, or an amount equal to the value of, that other consideration.
- (14) In this section, "domestic item" means an item for domestic use (such as furniture, furnishings, household appliances and kitchenware), and does not include anything that is a fixture.

 - (5) Condition D is that no allowance under CAA 2001 may be claimed in respect of the expenditure.
 - (6) In calculating the profits of the business, a deduction for the expenditure is allowed.
 - (7) But no deduction is allowed for expenditure in an accounting period if—
 - (a) the business consists of or includes the commercial letting of furnished holiday accommodation (see Chapter 6), and
 - (b) the dwelling-house constitutes some or all of that accommodation for the accounting period.
 - (8) The basic amount of the deduction is as follows—
 - (a) where the new item is the same or substantially the same as the old item, the deduction is equal to the expenditure incurred by C on the new item;
 - (b) where the new item is not the same or substantially the same as the old item, the deduction is equal to so much of the expenditure incurred by C on the new item as does not exceed the expenditure which C would have incurred on an item which is the same or substantially the same as the old item.
- Subsections (9) to (12) make further provision about the calculation of the deduction in certain cases.

TRANSACTIONS IN UK LAND

Introduction

356OA Overview of Part

This Part contains provision about the corporation tax treatment of certain profits and gains realised from disposals concerned with land in the United Kingdom.

Amounts treated as profits of a trade

356OB Disposals of land in the United Kingdom

- (1) Section 356OC(1) applies (subject to subsection (3) of that section) if—
 - (a) a person within subsection (2)(a), (b) or (c) realises a profit or gain from a disposal of any land in the United Kingdom, and
 - (b) any of conditions A to D is met in relation to the land.
- (2) The persons referred to in subsection (1) are—
 - (a) the person acquiring, holding or developing the land,
 - (b) a person who is associated with the person in paragraph (a) at a relevant time, and
 - (c) a person who is a party to, or concerned in, an arrangement within subsection (3).

- (3) An arrangement is within this subsection if—
 - (a) it is effected with respect to all or part of the land, and
 - (b) it enables a profit or gain to be realised—
 - (i) by any indirect method, or
 - (ii) by any series of transactions.
- (4) Condition A is that the main purpose, or one of the main purposes, of acquiring the land was to realise a profit or gain from disposing of the land.
- (5) Condition B is that the main purpose, or one of the main purposes, of acquiring any property deriving its value from the land was to realise a profit or gain from disposing of the land.
- (6) Condition C is that the land is held as trading stock.
- (7) Condition D is that (in a case where the land has been developed) the main purpose, or one of the main purposes, of developing the land was to realise a profit or gain from disposing of the land when developed.
- (8) In this section “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal mentioned in subsection (1).
- (9) In this section “the project” means all activities carried out for any of the following purposes—
 - (a) the purposes of dealing in or developing the land, and
 - (b) any other purposes mentioned in Conditions A to D.
- (10) For the purposes of this section a person (“A”) is associated with another person (“B”) if—
 - (a) A is connected with B by virtue of any of subsections (5) to (7) of section 1122 (read in accordance with section 1123), or
 - (b) A is related to B (see section [356OT](#)).

356OC Disposals of land: profits treated as trading profits

- (1) The profit or gain is to be treated for corporation tax purposes as profits of a trade carried on by the chargeable company (see section [356OG](#)).
- (2) If the chargeable company is non-UK resident, that trade is the company’s trade of dealing in or developing UK land (as defined in section 5B of CTA 2009).
- (3) But subsection (1) does not apply to a profit or gain so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
 - (a) for corporation tax purposes, or
 - (b) for income tax purposes.
- (4) The profits are treated as arising in the accounting period of the chargeable company in which the profit or gain is realised.
- (5) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

356OD Disposals of property deriving its value from land in the United Kingdom

- (1) Section 356OE applies (subject to subsection (3) of that section) if—
 - (a) a person realises a profit or gain from a disposal of any property which (at the time of the disposal) derives at least 50% of its value from land in the United Kingdom,
 - (b) the person is a party to, or concerned in, an arrangement concerning some or all of the land mentioned in paragraph (a) (“the project land”), and
 - (c) the arrangement meets the condition in subsection (2).
- (2) The condition is that the main purpose, or one of the main purposes, of the arrangement is to—
 - (a) deal in or develop the project land, and
 - (b) realise a profit or gain from a disposal of property deriving the whole or part of its value from that land.

356OE Disposals within section 356OD: profits treated as trading profits

- (1) The relevant amount is to be treated for corporation tax purposes as profits of a trade carried on by the chargeable company.
- (2) If the chargeable company is non-UK resident, that trade is the company’s trade of dealing in or developing UK land.
- (3) But subsection (1) does not apply to an amount so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
 - (a) for corporation tax purposes, or
 - (b) for income tax purposes.
- (4) The profits are treated as arising in the accounting period of the chargeable company in which the profit or gain is realised.
- (5) In this section the “relevant amount” means so much (if any) of the profit or gain mentioned in section 356OD(1) as is attributable, on a just and reasonable apportionment, to the relevant UK assets.
- (6) In this section “the relevant UK assets” means any land in the United Kingdom from which the property mentioned in section 356OD(1) derives any of its value (at the time of the disposal mentioned in that subsection).
- (7) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

356OF Profits and losses

- (1) Sections 356OB to 356OE have effect as if they included provision about losses corresponding to the provision they make about profits and gains.
- (2) Accordingly, in the following sections of this Part references to a “profit or gain” include a loss.

Person to whom profits attributed

356OG The chargeable company

- (1) For the purposes of sections 356OC and 356OE the general rule is that the “chargeable company” is the company (“C”) that realises the profit or gain (as mentioned in section 356OB(1) or 356OD(1)).
- (2) The general rule in subsection (1) is subject to the special rules in subsections (4) to (6).
- (3) But those special rules do not apply in relation to a profit or gain to which section 356OH(3) (fragmented activities) applies.
- (4) If all or any part of the profit or gain accruing to C is derived from value provided directly or indirectly by another person (“B”) which is a company, B is the “chargeable company”.
- (5) Subsection (4) applies whether or not the value is put at the disposal of C.
- (6) If all or any part of the profit or gain accruing to C is derived from an opportunity of realising a profit or gain provided directly or indirectly by another person (“D”) which is a company, D is “the chargeable company” (unless the case falls within subsection (4)).
- (7) For the meaning of “another person” see section 356OO.

Anti-fragmentation

356OH Fragmented activities

- (1) Subsection (3) applies if—
 - (a) a company (“C”) disposes of any land in the United Kingdom,
 - (b) any of conditions A to D in section 356OB is met in relation to the land, and
 - (c) a person (“R”) who is associated with C at a relevant time has made a relevant contribution to activities falling within subsection (2).
- (2) The following activities fall within this subsection—
 - (a) the development of the land,
 - (b) any other activities directed towards realising a profit or gain from the disposal of the land.
- (3) For the purposes of this Part, the profit or gain (if any) realised by C from the disposal is to be taken to be what that profit or gain would be if R were not a distinct person from C (and, accordingly, as if everything done by or in relation to R had been done by or in relation to C).
- (4) Subsection (5) applies to any amount which is paid (directly or indirectly) by R to C for the purposes of meeting or reimbursing the cost of corporation tax which C is liable to pay as a result of the application of subsection (3) in relation to R and C.

- (5) The amount—
 - (a) is not to be taken into account in calculating profits or losses of either R or C for the purposes of income tax or corporation tax, and
 - (b) is not for any purpose of the Corporation Tax Acts to be regarded as a distribution.
- (6) In subsection (1) “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal.
- (7) For the purposes of this section any contribution made by R to activities falling within subsection (2) is a “relevant contribution” unless the profit made or to be made by R in respect of the contribution is insignificant having regard to the size of the project.
- (8) In this section “contribution” means any kind of contribution, including, for example—
 - (a) the provision of professional or other services, or
 - (b) a financial contribution (including the assumption of a risk).
- (9) For the purposes of this section R is “associated” with C if—
 - (a) R is connected with C by virtue of any of subsections (5) to (7) of section 1122 (read in accordance with section 1123), or
 - (b) R is related to C (see section 356OT).
- (10) In this section “the project” means all activities carried out for any of the following purposes—
 - (a) the purposes of dealing in or developing the land, and
 - (b) any other purposes mentioned in Conditions A to D in section 356OB.

Calculation of profit or gain on disposal

356OI Calculation of profit or gain on disposal

For the purposes of this Part, the profit or gain (if any) from a disposal of any property is to be calculated according to the principles applicable for calculating the profits of a trade under Part 3 of CTA 2009, subject to any modifications that may be appropriate (and for this purpose the same rules are to apply in calculating losses from a disposal as apply in calculating profits).

356OJ Apportionments

Any apportionment (whether of expenditure, consideration or any other amount) that is required to be made for the purposes of this Part is to be made on a just and reasonable basis.

Status: This is the original version (as it was originally enacted).

Arrangements for avoiding tax

356OK Arrangements for avoiding tax

- (1) Subsection (3) applies if an arrangement has been entered into the main purpose or one of the main purposes of which is to enable a company to obtain a relevant tax advantage.
- (2) In subsection (1) the reference to obtaining a relevant tax advantage includes obtaining a relevant tax advantage by virtue of any provisions of double taxation arrangements, but only in a case where the relevant tax advantage is contrary to the object and purpose of the provisions of the double taxation arrangements (and subsection (3) has effect accordingly, regardless of anything in section 6(1) of TIOPA 2010).
- (3) The tax advantage is to be counteracted by means of adjustments.
- (4) For this purpose adjustments may be made (whether by an officer of Revenue and Customs or by the company) by way of an assessment, the modification of an assessment, amendment or disallowance of a claim, or otherwise.
- (5) In this section “relevant tax advantage” means a tax advantage in relation to corporation tax charged (or which would, if the tax advantage were not obtained, be charged) in respect of amounts treated as profits of a trade by virtue of this Part.
- (6) In this section—
 - “double taxation arrangements” means arrangements which have effect under section 2(1) of TIOPA 2010 (double taxation relief by agreement with territories outside the United Kingdom);
 - “tax advantage” has the meaning given by section 1139.

Exemption

356OL Profits attributable to period before relevant activities etc began

- (1) Subsection (2) applies if—
 - (a) subsection (1) of section 356OC applies because Condition D in section 356OB is met (land developed with purpose of realising a gain from its disposal when developed), and
 - (b) part of the profit or gain mentioned in that subsection is fairly attributable to a period before the intention to develop was formed.
- (2) Section 356OC(1) has effect as if the person mentioned in section 356OB(1) had not realised that part of the profit or gain.
- (3) Subsection (4) applies if—
 - (a) section 356OE(1) applies, and
 - (b) part of the profit or gain mentioned in section 356OE(5) is fairly attributable to a period before the person mentioned in section 356OD(1) was a party to, or concerned in, the arrangement in question.

Status: This is the original version (as it was originally enacted).

- (4) Section 356OE has effect as if the person had not realised that part of the profit or gain.
- (5) In applying this section account must be taken of the treatment under Part 3 of CTA 2009 (trading income) of a company which appropriates land as trading stock.

- (3) The relevant tax advantage is to be counteracted by means of adjustments.
- (4) For this purpose adjustments may be made (whether by an officer of Revenue and Customs or by the person) by way of an assessment, the modification of an assessment, amendment or disallowance of a claim, or otherwise.

TRANSACTIONS IN UK LAND

Introduction

517A Overview of Part

This Part contains provision about the income tax treatment of certain profits and gains realised from disposals concerned with land in the United Kingdom.

Amounts treated as profits of a trade

517B Disposals of land in the United Kingdom

- (1) Section 517C(1) applies (subject to subsection (3) of that section) if—
 - (a) a person within subsection (2)(a), (b) or (c) realises a profit or gain from a disposal of any land in the United Kingdom, and
 - (b) any of conditions A to D is met in relation to the land.
- (2) The persons referred to in subsection (1) are—
 - (a) the person acquiring, holding or developing the land,
 - (b) a person who is associated with the person in paragraph (a) at a relevant time, and
 - (c) a person who is a party to, or concerned in, an arrangement within subsection (3).
- (3) An arrangement is within this subsection if—
 - (a) it is effected with respect to all or part of the land, and
 - (b) it enables a profit or gain to be realised—
 - (i) by any indirect method, or
 - (ii) by any series of transactions.
- (4) Condition A is that the main purpose, or one of the main purposes, of acquiring the land was to realise a profit or gain from disposing of the land.
- (5) Condition B is that the main purpose, or one of the main purposes, of acquiring any property deriving its value from the land was to realise a profit or gain from disposing of the land.
- (6) Condition C is that the land is held as trading stock.
- (7) Condition D is that (in a case where the land has been developed) the main purpose, or one of the main purposes, of developing the land was to realise a profit or gain from disposing of the land when developed.

- (8) In this section “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal mentioned in subsection (1).
- (9) In this section “the project” means all activities carried out for any of the following purposes—
 - (a) the purposes of dealing in or developing the land, and
 - (b) any other purposes mentioned in Conditions A to D.
- (10) For the purposes of this section a person (“A”) is associated with another person (“B”) if—
 - (a) A is connected with B by virtue of any of subsections (2) to (4) of section 993 (read in accordance with section 994), or
 - (b) A is related to B (see section 517U).

517C Disposals of land: profits treated as trading profits

- (1) The profit or gain is to be treated for income tax purposes as profits of a trade carried on by the chargeable person.
- (2) If the chargeable person is non-UK resident, that trade is the person’s trade of dealing in or developing UK land (as defined in section 6B of ITTOIA 2005).
- (3) But subsection (1) does not apply to a profit or gain so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
 - (a) for income tax purposes, or
 - (b) for corporation tax purposes.
- (4) The profits are treated as arising in the tax year in which the profit or gain is realised.
- (5) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

517D Disposals of property deriving its value from land in the United Kingdom

- (1) Section 517E(1) applies (subject to subsection (3) of that section) if—
 - (a) a person realises a profit or gain from a disposal of any property which (at the time of the disposal) derives at least 50% of its value from land in the United Kingdom,
 - (b) the person is a party to, or concerned in, an arrangement concerning some or all of the land mentioned in paragraph (a) (“the project land”), and
 - (c) the arrangement meets the condition in subsection (2).
- (2) The condition is that the main purpose, or one of the main purposes, of the arrangement is to—
 - (a) deal in or develop the project land, and
 - (b) realise a profit or gain from a disposal of property deriving the whole or part of its value from that land.

517E Disposals within section 517D: profits treated as trading profits

- (1) The relevant amount is to be treated for income tax purposes as profits of a trade carried on by the chargeable person.
- (2) If the chargeable person is non-UK resident, that trade is the chargeable person's trade of dealing in or developing UK land.
- (3) But subsection (1) does not apply to an amount so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
 - (a) for income tax purposes, or
 - (b) for corporation tax purposes.
- (4) The profits are treated as arising in the tax year in which the profit or gain is realised.
- (5) In this section the “relevant amount” means so much (if any) of the profit or gain mentioned in section 517D(1) as is attributable, on a just and reasonable apportionment, to the relevant UK assets.
- (6) In this section “the relevant UK assets” means any land in the United Kingdom from which the property mentioned in section 517D(1) derives any of its value (at the time of the disposal mentioned in that subsection).
- (7) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

517F Profits and losses

- (1) Sections 517B to 517E have effect as if they included provision about losses corresponding to the provision they make about profits and gains.
- (2) Accordingly, in the following sections of this Part references to a “profit or gain” include a loss.

Person to whom profits attributed

517G The chargeable person

- (1) For the purposes of sections 517C and 517E the general rule is that the “chargeable person” is the person (“P”) that realises the profit or gain (as mentioned in section 517B(1) or 517D(1)).
- (2) The general rule in subsection (1) is subject to the special rules in subsections (4) to (6).
- (3) But those special rules do not apply in relation to a profit or gain to which section 517H(3) (fragmented activities) applies.
- (4) If all or any part of the profit or gain accruing to P is derived from value provided directly or indirectly by another person (“B”), B is the “chargeable person”.

Status: This is the original version (as it was originally enacted).

- (5) Subsection (4) applies whether or not the value is put at the disposal of P.
- (6) If all or any part of the profit or gain accruing to P is derived from an opportunity of realising a profit or gain provided directly or indirectly by another person (“D”), D is “the chargeable person” (unless the case falls within subsection (4)).
- (7) For the meaning of “another person” see section 517P.

Anti-fragmentation

517H Fragmented activities

- (1) Subsection (3) applies if—
 - (a) a person (“P”) disposes of any land in the United Kingdom,
 - (b) any of conditions A to D in section 517B is met in relation to the land, and
 - (c) a person (“R”) who is associated with P at a relevant time has made a relevant contribution to activities falling within subsection (2).
- (2) The following activities fall within this subsection—
 - (a) the development of the land,
 - (b) any other activities directed towards realising a profit or gain from the disposal of the land.
- (3) For the purposes of this Part, the profit or gain (if any) realised by P from the disposal is to be taken to be what that profit or gain would be if R were not a distinct person from P (and, accordingly, as if everything done by or in relation to R had been done by or in relation to P).
- (4) Subsection (5) applies to any amount which is paid (directly or indirectly) by R to P for the purposes of meeting or reimbursing the cost of income tax which P is liable to pay as a result of the application of subsection (3) in relation to R and P.
- (5) The amount—
 - (a) is not to be taken into account in calculating profits or losses of either R or P for the purposes of income tax or corporation tax, and
 - (b) is not for any purpose of the Corporation Tax Acts to be regarded as a distribution.
- (6) In subsection (1) “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal.
- (7) For the purposes of this section any contribution made by P to activities falling within subsection (2) is a “relevant contribution” unless the profit made or to be made by P in respect of the contribution is insignificant having regard to the size of the project.
- (8) In this section “contribution” means any kind of contribution, including, for example—
 - (a) the provision of professional or other services, or
 - (b) a financial contribution (including the assumption of a risk).

- (9) For the purposes of this section R is “associated” with P if—
 - (a) R is connected with P by virtue of any of subsections (2) to (4) of section 993 (read in accordance with section 994), or
 - (b) R is related to P (see section 517U).
- (10) In this section “the project” means all activities carried out for any of the following purposes—
 - (a) the purposes of dealing in or developing the land, and
 - (b) any other purposes mentioned in Conditions A to D in section 517B.

Calculation of profit or gain on disposal

517I Calculation of surplus on a disposal of land

For the purposes of this Part, the profit or gain (if any) from a disposal of any property is to be calculated according to the principles applicable for calculating the profits of a trade under Part 2 of ITTOIA 2005, subject to any modifications that may be appropriate (and for this purpose the same rules are to apply in calculating losses from a disposal as apply in calculating profits).

517J Apportionments

Any apportionment (whether of expenditure, consideration or any other amount) that is required to be made for the purposes of this Part is to be made on a just and reasonable basis.

Arrangements for avoiding tax

517K Arrangements for avoiding tax

- (1) Subsection (3) applies if an arrangement has been entered into the main purpose or one of the main purposes of which is to enable a person to obtain a relevant tax advantage.
- (2) In subsection (1) the reference to obtaining a relevant tax advantage includes obtaining a relevant tax advantage by virtue of any provisions of double taxation arrangements, but only in a case where the relevant tax advantage is contrary to the object and purpose of the provisions of the double taxation arrangements (and subsection (3) has effect accordingly, regardless of anything in section 6(1) of TIOPA 2010).
- (3) The tax advantage is to be counteracted by means of adjustments.
- (4) For this purpose adjustments may be made (whether by an officer of Revenue and Customs or by the person) by way of an assessment, the modification of an assessment, amendment or disallowance of a claim, or otherwise.
- (5) In this section “relevant tax advantage” means an advantage in relation to income tax charged (or which would, if the tax advantage were not obtained, be charged) in respect of amounts treated as profits of a trade by virtue of this Part.

- (6) In this section “advantage” includes—
- (a) a relief or increased relief from tax,
 - (b) repayment or increased repayment of tax,
 - (c) avoidance or reduction of a charge to tax or an assessment to tax,
 - (d) avoidance of a possible assessment to tax,
 - (e) deferral of a payment of tax or advancement of a repayment of tax, and
 - (f) avoidance of an obligation to deduct or account for tax.

Exemptions

517L Gain attributable to period before intention to develop formed

- (a) subsection (1) of section 517C applies because Condition D in section 517B is met (land developed with purpose of realising a gain from its disposal when developed), and
 - (b) part of the profit or gain mentioned in that subsection is fairly attributable to a period before the intention to develop was formed.
- (2) Section 517C(1) has effect as if the person mentioned in section 517B(1) had not realised that part of the profit or gain.
- (3) Subsection (4) applies if—
- (a) section 517E(1) applies, and
 - (b) part of the profit or gain mentioned in section 517E(5) is fairly attributable to a period before the person mentioned in section 517D(1) was a party to, or concerned in, the arrangement in question.
- (4) Section 517E has effect as if the person had not realised that part of the profit or gain.
- (5) In applying this section account must be taken of the treatment under Part 2 of ITTOIA 2005 (trading income) of a person who appropriates land as trading stock.

517M Private residences

No liability to income tax arises under this Part in respect of a gain accruing to an individual if—

- (a) the gain is exempt from capital gains tax as a result of sections 222 to 226 of TCGA 1992 (private residences), or
- (b) it would be so exempt but for section 224(3) of that Act (residences acquired partly with a view to making a gain).

- (2) Accordingly—
 - (a) the occasion of the transfer or transmission of any property or right, however indirect, and

- (b) the relevant percentage of that pay bill exceeds the amount of the person’s levy allowance (if any) for that tax year.
- (2) The amount charged for the tax year is equal to—
- $N - A$
- where—
- N is the relevant percentage of the pay bill for the tax year, and
- A is the amount of the levy allowance (if any) to which the person is entitled for the tax year.
- (3) The person mentioned in subsection (1) is liable to pay the amount charged.

- (4) Except so far as section 103 provides otherwise, a person who has a pay bill for a tax year is entitled to a levy allowance for the tax year.
- (5) The amount of the levy allowance is £15,000 (except where section 101 or 102 provides otherwise).
- (6) For the purposes of this section the “relevant percentage” is 0.5%.

100 A person’s pay bill for a tax year

- (1) A person has a pay bill for a tax year if, in the tax year—
 - (a) the person is the secondary contributor in relation to payments of earnings to, or for the benefit of, one or more employed earners, and
 - (b) in consequence, the person incurs liabilities to pay secondary Class 1 contributions.
- (2) The amount of the person’s pay bill for the tax year is equal to the total amount of the earnings in respect of which the liabilities mentioned in subsection (1)(b) are incurred.

- (6) In this section references to liability to pay secondary Class 1 contributions are to liability to pay secondary Class 1 contributions under Part 1 of the Contributions and Benefits Act (and are therefore to be interpreted in accordance with sections 9A(6) and 9B(3) of that Act).

Connected companies and charities

101 Connected companies

- (1) Two or more companies which are not charities form a “company unit” for a tax year (and are the “members” of that unit) if—
 - (a) they are connected with one another at the beginning of the tax year, and
 - (b) each of them is entitled to a levy allowance for the tax year.

- (2) The members of a company unit must determine what amount of levy allowance each of them is to be entitled to for the tax year (and the determination must comply with subsections (3) and (4)).

But see subsections (6) and (11).

- (3) A member's levy allowance for a tax year may be zero (but not a negative amount).
- (4) The total amount of the levy allowances to which the members of a company unit are entitled for a tax year must equal £15,000.
- (5) A determination made under subsection (2) (with respect to a tax year) cannot afterwards be altered by the members concerned (but this does not prevent the correction of a failure to comply with subsection (4)).
- (6) If subsection (8) applies—
- (a) HMRC must determine in accordance with subsection (7) what amount of levy allowance each of the relevant members (see subsection (8)(a)) of the unit concerned is to be entitled to for the tax year, and
 - (b) accordingly subsection (2) is treated as never having applied in relation to that company unit and that tax year.
- (7) The determination is to be made by multiplying the amount of levy allowance set out in each relevant return (see subsection (8)(a)) by—

$$\frac{15,000}{T}$$

where T is the total of the amounts of levy allowance set out in the relevant returns.

The result is, in each case, the amount of the levy allowance to which the relevant member in question is entitled for the tax year (but amounts may be rounded up or down where appropriate provided that subsection (4) is complied with).

- (8) This subsection applies if—
- (a) HMRC is aware—
 - (i) that two or more members of a company unit (“the relevant members”) have made apprenticeship levy returns (“the relevant returns”) on the basis mentioned in subsection (9), and
 - (ii) that those returns, together, imply that the total mentioned in subsection (4) is greater than £15,000,
 - (b) HMRC has notified the relevant members in writing that HMRC is considering taking action under subsection (6), and
 - (c) the remedial action specified in the notice has not been taken within the period specified in the notice.
- (9) The basis in question is that the member making the return is entitled to a levy allowance (whether or not of zero) for the tax year concerned.
- (10) If any member of the company unit mentioned in subsection (8)(a) is not a relevant member, that member is entitled to a levy allowance of zero for the tax year.
- (11) If subsection (13) applies—

- (a) HMRC must determine in accordance with subsection (12) what amount of levy allowance each of the members of the unit concerned is to be entitled to for the tax year, and
- (b) accordingly subsection (2) is treated as never having applied in relation to that company unit and that tax year.

(12) Each member of the unit is to be entitled to a levy allowance for the tax year equal to—

$$\frac{\pounds 15,000}{N}$$

where N is the number of the members of the company unit for the tax year.

Amounts determined in accordance with the formula in this subsection may be rounded up or down where appropriate provided that subsection (4) is complied with.

(13) This subsection applies if—

- (a) the total amount paid by the members of a company unit in respect of apprenticeship levy for a tax year or any period in a tax year is less than the total of the amounts due and payable by them for the tax year or other period concerned,
- (b) either the members of the unit have made no apprenticeship levy returns for any period in the tax year concerned or the returns that have been made do not contain sufficient information to enable HMRC to determine how the whole of the £15,000 mentioned in subsection (4) is to be used by the members of the unit for the tax year,
- (c) HMRC has notified all the members of the unit in writing that HMRC is considering taking action under subsection (11), and
- (d) the remedial action specified in the notice has not been taken within the period specified in the notice.

(14) Subsection (4) is to be taken into account in calculating the total of the amounts due and payable as mentioned in subsection (13)(a).

(15) The Commissioners may by regulations provide that in circumstances specified in the regulations the members of a company unit may alter a determination made under subsection (2) (despite subsection (5)).

(16) In this section “apprenticeship levy return” means a return under regulations under section 105(4).

(17) Part 1 of Schedule 1 to the National Insurance Contributions Act 2014 (rules for determining whether companies are “connected” with one another) applies for the purposes of subsection (1) as it applies for the purposes of section 3(1) of that Act.

(18) In this Part “company” has the meaning given by section 1121(1) of CTA 2010 and includes a limited liability partnership.

(19) See section 102 for the meaning of “charity”.

102 Connected charities

(1) Two or more charities form a “charities unit” for a tax year (and are the “members” of that unit) if—

- (a) they are connected with one another at the beginning of the tax year, and

- (b) each of them is entitled to a levy allowance for the tax year.
- (2) The members of a charities unit must determine what amount of levy allowance each of them is to be entitled to for the tax year (and the determination must comply with subsections (3) and (4)).
- But see subsections (6) and (11).
- (3) A member's levy allowance for a tax year may be zero (but not a negative amount).
- (4) The total amount of the levy allowances to which the members of a charities unit are entitled for a tax year must equal £15,000.
- (5) A determination made under subsection (2) (with respect to a tax year) cannot afterwards be altered by the members concerned (but this does not prevent the correction of a failure to comply with subsection (4)).

- (6) If subsection (8) applies—
- (a) HMRC must determine in accordance with subsection (7) what amount of levy allowance each of the relevant members (see subsection (8)(a)) of the unit concerned is to be entitled to for the tax year, and
 - (b) accordingly subsection (2) is treated as never having applied in relation to that charities unit and that tax year.
- (7) The determination is to be made by multiplying the amount of levy allowance set out in each relevant return (see subsection (8)(a)) by—

$$\frac{15,000}{T}$$

where T is the total of the amounts of levy allowance set out in the relevant returns.

The result is, in each case, the amount of the levy allowance to which the relevant member in question is entitled for the tax year (but amounts may be rounded up or down where appropriate provided that subsection (4) is complied with).

- (8) This subsection applies if—
- (a) HMRC is aware—
 - (i) that two or more members of a charities unit (“the relevant members”) have made apprenticeship levy returns (“the relevant returns”) on the basis mentioned in subsection (9), and
 - (ii) that those returns, together, imply that the total mentioned in subsection (4) is greater than £15,000,
 - (b) HMRC has notified the relevant members in writing that HMRC is considering taking action under subsection (6), and
 - (c) the remedial action specified in the notice has not been taken within the period specified in the notice.
- (9) The basis in question is that the member making the return is entitled to a levy allowance (whether or not of zero) for the tax year concerned.
- (10) If any member of the charities unit mentioned in subsection (8)(a) is not a relevant member, that member is entitled to a levy allowance of zero for the tax year.
- (11) If subsection (13) applies—

- (a) HMRC must determine in accordance with subsection (12) what amount of levy allowance each of the members of the unit concerned is to be entitled to for the tax year, and
- (b) accordingly subsection (2) is treated as never having applied in relation to that charities unit and that tax year.

(12) Each member of the unit is to be entitled to a levy allowance for the tax year equal to—

$$\frac{\pounds 15,000}{N}$$

where N is the number of the members of the charities unit for the tax year.

Amounts determined in accordance with the formula in this subsection may be rounded up or down where appropriate provided that subsection (4) is complied with.

(13) This subsection applies if—

- (a) the total amount paid by the members of a charities unit in respect of apprenticeship levy for a tax year or any period in a tax year is less than the total of the amounts due and payable by them for the tax year or other period concerned,
- (b) either the members of the unit have made no apprenticeship levy returns for any period in the tax year concerned or the returns that have been made do not contain sufficient information to enable HMRC to determine how the whole of the £15,000 mentioned in subsection (4) is to be used by the members of the unit for the tax year,
- (c) HMRC has notified all the members of the unit in writing that HMRC is considering taking action under subsection (11), and
- (d) the remedial action specified in the notice has not been taken within the period specified in the notice.

(14) Subsection (4) is to be taken into account in calculating the total of the amounts due and payable as mentioned in subsection (13)(a).

(15) The Commissioners may by regulations provide that in circumstances specified in the regulations the members of a charities unit may alter a determination made under subsection (2) (despite subsection (5)).

(16) In this section “apprenticeship levy return” means a return under regulations under section 105(4).

(17) In this Part “charity” means—

 - (a) benefits, or further benefits, from an entitlement to a levy allowance for a tax year, or
 - (b) otherwise obtains an advantage in relation to apprenticeship levy.
- (2) Subsection (3) applies where, in consequence of avoidance arrangements within subsection (1)(a) or (b), a person incurs a liability to pay secondary Class 1 contributions in a particular tax year (as opposed to another tax year).
- (3) If the person would (apart from this subsection) obtain an advantage in relation to apprenticeship levy as a result of incurring the liability at the time mentioned in subsection (2), section 100 has effect as if the liability had been incurred when it would have been incurred but for the avoidance arrangements.
- (4) Subsection (6) applies where (apart from this section) a person (“P”)—
 - (a) would be in a position to use or make greater use of a levy allowance for a tax year, in consequence of avoidance arrangements within subsection (1)(a), or
 - (b) would otherwise obtain an advantage in relation to apprenticeship levy in consequence of avoidance arrangements within subsection (1)(a).
- (5) But subsection (6) only applies so far as the advantage in relation to apprenticeship levy cannot be counteracted under subsection (3).
- (6) P is not entitled to a levy allowance for the tax year.
- (7) In this section “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable).
- (8) In this section a reference to “an advantage in relation to apprenticeship levy” includes a reference to—

 - (d) deferral of a payment of, or advancement of a repayment of, the levy, and
 - (e) avoidance of an obligation to account for the levy.
- (9) Sections 101 and 102 are to be ignored for the purpose of determining under subsection (4) what the position would be apart from this section.
- (10) In subsection (2) the reference to “a particular tax year” is to be read as including a reference to the period of 12 months beginning with 6 April 2016.

“SCHEDULE 43A

PROCEDURAL REQUIREMENTS: POOLING NOTICES AND NOTICES OF BINDING

Pooling notices

- 1 (1) This paragraph applies where a person has been given a notice under paragraph 3 of Schedule 43 in relation to any tax arrangements (the “lead arrangements”) and the condition in sub-paragraph (2) is met.
- (2) The condition is that the period of 45 days mentioned in paragraph 4(1) of Schedule 43 has expired but no notice under paragraph 12 of Schedule 43 or paragraph 8 of Schedule 43B has yet been given in respect of the matter.
- (3) If a designated HMRC officer considers—
- (a) that a tax advantage has arisen to another person (“R”) from tax arrangements that are abusive,
 - (b) that those tax arrangements (“R’s arrangements”) are equivalent to the lead arrangements, and
 - (c) that the advantage ought to be counteracted under section 209,
- the officer may give R a notice (a “pooling notice”) which places R’s arrangements in a pool with the lead arrangements.
- (4) There is one pool for any lead arrangements, so all tax arrangements placed in a pool with the lead arrangements (as well as the lead arrangements themselves) are in one and the same pool.
- (5) Tax arrangements which have been placed in a pool do not cease to be in the pool except where that is expressly provided for by this Schedule (regardless of whether or not the lead arrangements or any other tax arrangements remain in the pool).
- (6) The officer may not give R a pooling notice if R has been given in respect of R’s arrangements a notice under paragraph 3 of Schedule 43.

Notice of proposal to bind arrangements to counteracted arrangements

- 2 (1) This paragraph applies where a counteraction notice has been given to a person in relation to any tax arrangements (the “counteracted arrangements”) which are in a pool created under paragraph 1.
- (2) If a designated HMRC officer considers—
 - (a) that a tax advantage has arisen to another person (“R”) from tax arrangements that are abusive,
 - (b) that those tax arrangements (“R’s arrangements”) are equivalent to the counteracted arrangements, and
 - (c) that the advantage ought to be counteracted under section 209,the officer may give R a notice (a “notice of binding”) in relation to R’s arrangements.
- (3) The officer may not give R a notice of binding if R has been given in respect of R’s arrangements a notice under—
 - (a) paragraph 1, or
 - (b) paragraph 3 of Schedule 43.
- (4) In this paragraph “counteraction notice” means a notice such as is mentioned in sub-paragraph (2) of paragraph 12 of Schedule 43 or sub-paragraph (3) of paragraph 8 of Schedule 43B (notice of final decision to counteract).
- 3 (1) The decision whether or not to give R a pooling notice or notice of binding must be taken, and any notice must be given, as soon as is reasonably practicable after HMRC becomes aware of the relevant facts.
- (2) A pooling notice or notice of binding must—
 - (a) specify the tax arrangements in relation to which the notice is given and the tax advantage,
 - (b) explain why the officer considers R’s arrangements to be equivalent to the lead arrangements or the counteracted arrangements (as the case may be),
 - (c) explain why the officer considers that a tax advantage has arisen to R from tax arrangements that are abusive,
 - (d) set out the counteraction that the officer considers ought to be taken, and
 - (e) explain the effect of—
 - (i) paragraphs 4 to 10,
 - (ii) subsection (9) of section 209, and
 - (iii) section 212A.
- (3) A pooling notice or notice of binding may set out steps that R may (subject to subsection (9) of section 209) take to avoid the proposed counteraction.

Corrective action by a notified taxpayer

- 4 (1) If a person to whom a pooling notice or notice of binding has been given takes the relevant corrective action in relation to the tax arrangements and tax advantage specified in the notice before the beginning of the closed

Status: This is the original version (as it was originally enacted).

period mentioned in section 209(9), the person is to be treated for the purposes of paragraphs 8 and 9 and Schedule 43B (generic referral of tax arrangements) as not having been given the notice in question (and accordingly the tax arrangements in question are no longer in the pool).

- (2) For the purposes of this Schedule the “relevant corrective action” is taken if (and only if) the person takes the steps set out in sub-paragraphs (3) and (4).
- (3) The first step is that—
 - (a) the person amends a return or claim to counteract the tax advantage specified in the pooling notice or notice of binding, or
 - (b) if the person has made a tax appeal (by notifying HMRC or otherwise) on the basis that the tax advantage specified in the pooling notice or notice of binding arises from the tax arrangements specified in that notice, the person takes all necessary action to enter into an agreement with HMRC (in writing) for the purpose of relinquishing that advantage.
- (4) The second step is that the person notifies HMRC—
 - (a) that the first step has been taken, and
 - (b) of any additional amount which has or will become due and payable in respect of tax by reason of the first step being taken.
- (5) Where a person takes the first step described in sub-paragraph (3)(b), HMRC may proceed as if the person had not taken the relevant corrective action if the person fails to enter into the written agreement.
- (6) In determining the additional amount which has or will become due and payable in respect of tax for the purposes of sub-paragraph (4)(b), it is to be assumed that, where the person takes the necessary action as mentioned in sub-paragraph (3)(b), the agreement is then entered into.
- (7) No enactment limiting the time during which amendments may be made to returns or claims operates to prevent the person taking the first step mentioned in sub-paragraph (3)(a) before the tax enquiry is closed.
- (8) No appeal may be brought, by virtue of a provision mentioned in sub-paragraph (9), against an amendment made by a closure notice in respect of a tax enquiry to the extent that the amendment takes into account an amendment made by the taxpayer to a return or claim in taking the first step mentioned in sub-paragraph (3)(a).
- (9) The provisions are—
 - (a) paragraph 35(1)(b) of Schedule 33,
 - (b) section 31(1)(b) or (c) of TMA 1970,
 - (c) paragraph 9 of Schedule 1A to TMA 1970,
 - (d) paragraph 34(3) of Schedule 18 to FA 1998, and
 - (e) paragraph 35(1)(b) of Schedule 10 to FA 2003.

Corrective action by lead taxpayer

- 5 If the person mentioned in paragraph 1(1) takes the relevant corrective action (as defined in paragraph 4A of Schedule 43) before the end of the

period of 75 days beginning with the day on which the notice mentioned in paragraph 1(1) was given to that person, the lead arrangements are treated as ceasing to be in the pool.

Opinion notices and right to make representations

- 6 (1) Sub-paragraph (2) applies where—
 - (a) a pooling notice is given to a person in relation to any tax arrangements, and
 - (b) an opinion notice (or opinion notices) under paragraph 11(2) of Schedule 43 about another set of tax arrangements in the pool (“the referred arrangements”) is subsequently given to a designated HMRC officer.
- (2) The officer must give the person a pooled arrangements opinion notice.
- (3) No more than one pooled arrangements opinion notice may be given to a person in respect of the same tax arrangements.
- (4) Where a designated HMRC officer gives a person a notice of binding, the officer must, at the same time, give the person a bound arrangements opinion notice.
- 7 (1) In relation to a person who is, or has been, given a pooling notice, “pooled arrangements opinion notice” means a written notice which—
 - (a) sets out a report prepared by HMRC of any opinion of the GAAR Advisory Panel about the referred arrangements,
 - (b) explains the person’s right to make representations falling within sub-paragraph (3), and
 - (c) sets out the period in which those representations may be made.
- (2) In relation to a person who is given a notice of binding “bound arrangements opinion notice” means a written notice which—
 - (a) sets out a report prepared by HMRC of any opinion of the GAAR Advisory Panel about the counteracted arrangements (see paragraph 2(1)),
 - (b) explains the person’s right to make representations falling within sub-paragraph (3), and
 - (c) sets out the period in which those representations may be made.
- (3) A person who is given a pooled arrangements opinion notice or a bound arrangements opinion notice has 30 days beginning with the day on which the notice is given to make representations in any of the following categories—
 - (a) representations that no tax advantage has arisen to the person from the arrangements to which the notice relates;
 - (b) representations as to why the arrangements to which the notice relates are or may be materially different from—
 - (i) the referred arrangements (in the case of a pooled arrangements opinion notice), or
 - (ii) the counteracted arrangements (in the case of a bound arrangements opinion notice).

- (4) In sub-paragraph (3)(b) references to “arrangements” include any circumstances which would be relevant in accordance with section 207 to a determination of whether the tax arrangements in question are abusive.

Notice of final decision

- 8 (1) This paragraph applies where—
- (a) any tax arrangements have been placed in a pool by a notice given to a person under paragraph 1, and
 - (b) a designated HMRC officer has given a notice under paragraph 12 of Schedule 43 in relation to any other arrangements in the pool (the “referred arrangements”).
- (2) The officer must, having considered any opinion of the GAAR Advisory Panel about the referred arrangements and any representations made under paragraph 7(3) in relation to the arrangements mentioned in sub-paragraph (1)(a), give the person a written notice setting out whether the tax advantage arising from those arrangements is to be counteracted under the general anti-abuse rule.
- 9 (1) This paragraph applies where—
- (a) a person has been given a notice of binding under paragraph 2, and
 - (b) the period of 30 days for making representations under paragraph 7(3) has expired.
- (2) A designated HMRC officer must, having considered any opinion of the GAAR Advisory Panel about the counteracted arrangements and any representations made under paragraph 7(3) in relation to the arrangements specified in the notice of binding, give the person a written notice setting out whether the tax advantage arising from the arrangements specified in the notice of binding is to be counteracted under the general anti-abuse rule.
- 10 If a notice under paragraph 8(2) or 9(2) states that a tax advantage is to be counteracted, it must also set out—
- (a) the adjustments required to give effect to the counteraction, and
 - (b) if relevant, any steps the person concerned is required to take to give effect to it.

“Equivalent arrangements”

- 11 (1) For the purposes of paragraph 1, tax arrangements are “equivalent” to one another if they are substantially the same as one another having regard to—
- (a) their substantive results,
 - (b) the means of achieving those results, and
 - (c) the characteristics on the basis of which it could reasonably be argued, in each case, that the arrangements are abusive tax arrangements under which a tax advantage has arisen to a person.

Notices may be given on assumption that tax advantage does arise

- 12 (1) A designated HMRC officer may give a notice, or do anything else, under this Schedule where the officer considers that a tax advantage might have arisen to the person concerned.
- (2) Accordingly, any notice given by a designated HMRC officer under this Schedule may be expressed to be given on the assumption that a tax advantage does arise (without conceding that it does).

Power to amend

- 13 (1) The Treasury may by regulations amend this Schedule (apart from this paragraph).
- (2) Regulations under sub-paragraph (1) may include—
- (a) any amendment of this Part that is appropriate in consequence of an amendment by virtue of sub-paragraph (1);
 - (b) transitional provision.

“SCHEDULE
43B

PROCEDURAL REQUIREMENTS: GENERIC REFERRAL OF TAX ARRANGEMENTS

Notice of proposal to make generic referral of tax arrangements

- 1 (1) Sub-paragraph (2) applies if—
- (a) pooling notices given under paragraph 1 of Schedule 43A have placed one or more sets of tax arrangements in a pool with the lead arrangements,
 - (b) the lead arrangements (see paragraph 1(1) of Schedule 43A) have ceased to be in the pool, and
 - (c) no referral under paragraph 5 or 6 of Schedule 43 has been made in respect of any arrangements in the pool.

- (3) Only one determination under sub-paragraph (2) may be made in relation to any one pool.

- (4) The persons to whom those notices are given are “the notified taxpayers”.

 - (b) should not proceed with the proposal to make a generic referral to the GAAR Advisory Panel in respect of those arrangements.
- (2) If a proposal is made in accordance with sub-paragraph (1) a designated HMRC officer must consider it.

Generic referral

- 3 (1) This paragraph applies where a designated HMRC officer has given notices to the notified taxpayers in accordance with paragraph 1(2).
- (2) If none of the notified taxpayers has made a proposal under paragraph 2 by the end of the 30 day period mentioned in that paragraph, the officer must make a referral to the GAAR Advisory Panel in respect of the notified taxpayers and the arrangements which are specified arrangements in relation to them.
- (3) If at least one of the notified taxpayers makes a proposal in accordance with paragraph 2, the designated HMRC officer must, after the end of that 30 day period, decide whether to—
 - (a) give a notice under paragraph 3 of Schedule 43 in respect of one set of tax arrangements in the relevant pool, or
 - (b) make a referral to the GAAR Advisory Panel in respect of the tax arrangements in the relevant pool.
- (4) A referral under this paragraph is a “generic referral”.
- 4 (1) If a generic referral is made to the GAAR Advisory Panel, the designated HMRC officer must at the same time provide it with—
 - (a) a general statement of the material characteristics of the specified arrangements, and

 - (c) explain why it is the designated HMRC officer's view that a tax advantage of the nature described in the statement and arising from tax arrangements having the characteristics described in the statement would be a tax advantage arising from arrangements that are abusive;
 - (d) set out any matters the designated officer is aware of which may suggest that any view of HMRC or the designated HMRC officer expressed in the general statement is not correct;
 - (e) set out any other matters which the designated officer considers are required for the purposes of the exercise of the GAAR Advisory Panel's functions under paragraph 6.
- 5 If a generic referral is made the designated HMRC officer must at the same time give each of the notified taxpayers a notice which—
- (a) specifies that a generic referral is being made, and
 - (b) is accompanied by a copy of the statement given to the GAAR Advisory Panel in accordance with paragraph 4(1)(a).

Decision of GAAR Advisory Panel and opinion notices

 - (b) the entering into or carrying out of such tax arrangements is not a reasonable course of action in relation to the relevant tax provisions, or
 - (c) it is not possible, on the information available, to reach a view on that matter,
- and the reasons for that opinion.
- (5) In forming their opinions for the purposes of sub-paragraph (4) members of the sub-panel must—

 - (c) have regard to the matters mentioned in paragraphs (a) to (c) of section 207(2), and
 - (d) take account of subsections (4) to (6) of section 207.
- (6) For the purposes of the giving of an opinion under this paragraph, the arrangements are to be assumed to be tax arrangements.
- (7) In this Part, a reference to any opinion of the GAAR Advisory Panel in respect of a generic referral of any tax arrangements is a reference to the contents of any opinion notice given in relation to a generic referral in respect of the arrangements.

Notice of right to make representations

- 7
- (1) Where a designated HMRC officer is given an opinion notice (or opinion notices) under paragraph 6, the officer must give each of the notified taxpayers a copy of the opinion notice (or notices) and a written notice which—
 - (a) explains the notified taxpayer's right to make representations falling within sub-paragraph (2), and
 - (b) sets out the period in which those representations may be made.

“SCHEDULE
43C

PENALTY UNDER SECTION 212A: SUPPLEMENTARY PROVISION

Value of the counteracted advantage: introduction

- 1 Paragraphs 2 to 4 set out how to calculate the “value of the counteracted advantage” for the purposes of section 212A.

Value of the counteracted advantage: basic rule

- 2
- (1) The “value of the counteracted advantage” is the additional amount due or payable in respect of tax as a result of the counteraction mentioned in section 212A(1)(c).
 - (2) The reference in sub-paragraph (1) to the additional amount due and payable includes a reference to—
 - (a) an amount payable to HMRC having erroneously been paid by way of repayment of tax, and
 - (b) an amount which would be repayable by HMRC if the counteraction were not made.
 - (3) The following are ignored in calculating the value of the counteracted advantage—
 - (a) group relief, and

Status: This is the original version (as it was originally enacted).

- (b) any relief under section 458 of CTA 2010 (relief in respect of repayment etc of loan) which is deferred under subsection (5) of that section.
- (4) For the purposes of this paragraph consequential adjustments under section 210 are regarded as part of the counteraction in question.
- (5) If the counteraction affects the person's liability to two or more taxes, the taxes concerned are to be considered together for the purpose of determining the value of the counteracted advantage.
- (6) This paragraph is subject to paragraphs 3 and 4.

Value of counteracted advantage: losses

- 3 (1) To the extent that the tax advantage mentioned in section 212A(1)(b) ("the tax advantage") resulted in the wrong recording of a loss for the purposes of direct tax and the loss has been wholly used to reduce the amount due or payable in respect of tax, the value of the counteracted advantage is determined in accordance with paragraph 2.
- (2) To the extent that the tax advantage resulted in the wrong recording of a loss for purposes of direct tax and the loss has not been wholly used to reduce the amount due or payable in respect of tax, the value of the counteracted advantage is—
 - (a) the value under paragraph 2 of so much of the tax advantage as results (or would in the absence of the counteraction result) from the part (if any) of the loss which was used to reduce the amount due or payable in respect of tax, plus
 - (b) 10% of the part of the loss not so used.
- (3) Sub-paragraphs (1) and (2) apply both—
 - (a) to a case where no loss would have been recorded but for the tax advantage, and
 - (b) to a case where a loss of a different amount would have been recorded (but in that case sub-paragraphs (1) and (2) apply only to the difference between the amount recorded and the true amount).
- (4) To the extent that the tax advantage creates or increases (or would in the absence of the counteraction create or increase) an aggregate loss recorded for a group of companies—
 - (a) the value of the counteracted advantage is calculated in accordance with this paragraph, and
 - (b) in applying paragraph 2 in accordance with sub-paragraphs (1) and (2), group relief may be taken into account (despite paragraph 2(3)).
- (5) To the extent that the tax advantage results (or would in the absence of the counteraction result) in a loss, the value of it is nil where, because of the nature of the loss or the person's circumstances, there was no reasonable prospect of the loss being used to support a claim to reduce a tax liability (of any person).

Value of counteracted advantage: deferred tax

- 4 (1) To the extent that the tax advantage mentioned in section 212A is a deferral of tax, the value of the counteracted advantage is—
- (a) 25% of the amount of the deferred tax for each year of the deferral, or
 - (b) a percentage of the amount of the deferred tax, for each separate period of deferral of less than a year, equating to 25% per year, or, if less, 100% of the amount of the deferred tax.
- (2) This paragraph does not apply to a case to the extent that paragraph 3 applies.

Assessment of penalty

- 5 (1) Where a person is liable for a penalty under section 212A, HMRC must assess the penalty.
- (2) Where HMRC assess the penalty, HMRC must—
- (a) notify the person who is liable for the penalty, and
 - (b) state in the notice a tax period in respect of which the penalty is assessed.
- (3) A penalty under this paragraph must be paid before the end of the period of 30 days beginning with the day on which notification of the penalty is issued.
- (4) An assessment—
- (a) is to be treated for procedural purposes as if it were an assessment to tax,
 - (b) may be enforced as if it were an assessment to tax, and
 - (c) may be combined with an assessment to tax.
- (5) An assessment of a penalty under this paragraph must be made before the end of the period of 12 months beginning with—
- (a) the end of the appeal period for the assessment which gave effect to the counteraction mentioned in section 212A(1)(b), or
 - (b) if there is no assessment within paragraph (a), the date (or the latest of the dates) on which that counteraction becomes final.
- (6) The reference in sub-paragraph (5)(b) to the counteraction becoming final is to be interpreted in accordance with section 210(8).

Alteration of assessment of penalty

- 6 (1) After notification of an assessment has been given to a person under paragraph 5(2), the assessment may not be altered except in accordance with this paragraph or paragraph 7, or on appeal.
- (2) A supplementary assessment may be made in respect of a penalty if an earlier assessment operated by reference to an underestimate of the value of the counteracted advantage.

- (3) An assessment may be revised as necessary if it operated by reference to an overestimate of the value of the counteracted advantage.

Revision of assessment following consequential relieving adjustment

- 7 (1) Sub-paragraph (2) applies where a person—
- (a) is notified under section 210(7) of a consequential adjustment relating to a counteraction under section 209, and
 - (b) an assessment to a penalty in respect of that counteraction of which the person has been notified under paragraph 5(2) does not take account of that consequential adjustment.
- (2) HMRC must make any alterations of the assessment that appear to HMRC to be just and reasonable in connection with the consequential amendment.
- (3) Alterations under this paragraph may be made despite any time limit imposed by or under an enactment.

Aggregate penalties

- 8 (1) Sub-paragraph (3) applies where—
- (a) two or more penalties are incurred by the same person and fall to be determined by reference to an amount of tax to which that person is chargeable,
 - (b) one of those penalties is incurred under section 212A, and
 - (c) one or more of the other penalties are incurred under a relevant penalty provision.
- (2) But sub-paragraph (3) does not apply if section 212(2) of FA 2014 (follower notices: aggregate penalties) applies in relation to the amount of tax in question.
- (3) The aggregate of the amounts of the penalties mentioned in subsection (1) (b) and (c), so far as determined by reference to that amount of tax, must not exceed—
- (a) the relevant percentage of that amount, or
 - (b) in a case where at least one of the penalties is under paragraph 5(2)(b) of, or sub-paragraph (3)(b), (4)(b) or (5)(b) of paragraph 6 of, Schedule 55 to FA 2009, £300 (if greater).
- (4) In the application of section 97A of TMA 1970 (multiple penalties) no account shall be taken of a penalty under section 212A.
- (5) “Relevant penalty provision” means—
- (a) Schedule 24 to FA 2007 (penalties for errors),
 - (b) Schedule 41 to FA 2008 (penalties: failure to notify etc),
 - (c) Schedule 55 to FA 2009 (penalties for failure to make returns etc), or
 - (d) Part 5 of Schedule 18 to FA 2016 (penalty under serial tax avoidance regime).
- (6) “The relevant percentage” means—

Status: This is the original version (as it was originally enacted).

- (a) 200% in a case where at least one of the penalties is determined by reference to the percentage in—
 - (i) paragraph 4(4)(c) of Schedule 24 to FA 2007,
 - (ii) paragraph 6(4)(a) of Schedule 41 to FA 2008, or
 - (iii) paragraph 6(3A)(c) of Schedule 55 to FA 2009,

 - (i) paragraph 4(3)(c) of Schedule 24 to FA 2007,
 - (ii) paragraph 6(3)(a) of Schedule 41 to FA 2008, or
 - (iii) paragraph 6(3A)(b) of Schedule 55 to FA 2009,
- (c) 140% in a case where neither paragraph (a) nor paragraph (b) applies and at least one of the penalties is determined by reference to the percentage in—
 - (i) paragraph 4(4)(b) of Schedule 24 to FA 2007,
 - (ii) paragraph 6(4)(b) of Schedule 41 to FA 2008, or
 - (iii) paragraph 6(4A)(c) of Schedule 55 to FA 2009,

 - (ii) paragraph 6(3)(b) of Schedule 41 to FA 2008, or
 - (iii) paragraph 6(4A)(b) of Schedule 55 to FA 2009, and

 - (a) the imposition of a penalty under section 212A, or
 - (b) the amount assessed under paragraph 5.
- (2) An appeal under sub-paragraph (1)(a) may only be made on the grounds that the arrangements were not abusive or there was no tax advantage to be counteracted.
- (3) An appeal under sub-paragraph (1)(b) may only be made on the grounds that the assessment was based on an overestimate of the value of the counteracted advantage (whether because the estimate was made by reference to adjustments which were not just and reasonable or for any other reason).
- (4) An appeal under this paragraph must be made within the period of 30 days beginning with the day on which notification of the penalty is given under paragraph 5(2).
- (5) An appeal under this paragraph is to be treated in the same way as an appeal against an assessment to the tax concerned (including by the application of any provision about bringing the appeal by notice to HMRC, about HMRC's review of the decision or about determination of the appeal by the First-tier Tribunal or Upper Tribunal).

Status: This is the original version (as it was originally enacted).

- (6) Sub-paragraph (5) does not apply—
 - (a) so as to require a person to pay a penalty before an appeal against the assessment of the penalty is determined, or
 - (b) in respect of any other matter expressly provided for by this Part.
- (7) On an appeal against the penalty the tribunal may affirm or cancel HMRC's decision.
- (8) On an appeal against the amount of the penalty the tribunal may—

- (2) They may also, after judgment, further mitigate or entirely remit the penalty.

- 20 (1) In Schedule 43C to FA 2013 (general anti-abuse rule: supplementary provision about penalty), sub-paragraph (6) of paragraph 8 is amended as follows.
- (2) After paragraph (b) insert—
- “(ba) 125% in a case where neither paragraph (a) nor paragraph (b) applies and at least one of the penalties is determined by reference to the percentage in—
- (i) paragraph 4(2)(c) of Schedule 24 to FA 2007,
- (ii) paragraph 6(2)(a) of Schedule 41 to FA 2008,
- (iii) paragraph 6(3A)(a) of Schedule 55 to FA 2009.”.
- (3) In sub-paragraph (c) for “neither paragraph (a) nor paragraph (b) applies” substitute “none of paragraphs (a) to (ba) applies.
- (4) In sub-paragraph (d) for “none of paragraphs (a), (b) and (c) applies” substitute “none of paragraphs (a) to (c) applies”.
- (15) The amendments made by this section have effect in relation to tax arrangements (within the meaning of Part 5 of FA 2013) entered into on or after the day on which this Act is passed.

*Tackling frequent avoidance***159 Serial tax avoidance**

Schedule 18 contains provision about the issue of warning notices to, and further sanctions for, persons who incur a relevant defeat in relation to arrangements.

160 Promoters of tax avoidance schemes

- (1) Part 5 of FA 2014 (promoters of tax avoidance schemes) is amended as follows.
- (2) After section 237 insert—

“237A Duty to give conduct notice: defeat of promoted arrangements

- (1) If an authorised officer becomes aware at any time (“the relevant time”) that a person (“P”) who is carrying on a business as a promoter meets any of the conditions in subsections (11) to (13), the officer must determine whether or not P’s meeting of that condition should be regarded as significant in view of the purposes of this Part.

But see also subsection (14).

- (2) An authorised officer must make the determination set out in subsection (3) if the officer becomes aware at any time (“the section 237A(2) relevant time”) that—
 - (a) a person meets a condition in subsection (11), (12) or (13), and
 - (b) at the section 237A(2) relevant time another person (“P”), who is carrying on a business as a promoter, meets that condition by virtue of Part 4 of Schedule 34A (meeting the section 237A conditions: bodies corporate and partnerships).
- (3) The authorised officer must determine whether or not—
 - (a) the meeting of the condition by the person as mentioned in subsection (2)(a), and
 - (b) P’s meeting of the condition as mentioned in subsection (2)(b),
 should be regarded as significant in view of the purposes of this Part.
- (4) Subsections (1) and (2) do not apply if a conduct notice or monitoring notice already has effect in relation to P.
- (5) Subsection (1) does not apply if, at the relevant time, an authorised officer is under a duty to make a determination under section 237(5) in relation to P.
- (6) Subsection (2) does not apply if, at the section 237A(2) relevant time, an authorised officer is under a duty to make a determination under section 237(5) in relation to P.
- (7) But in a case where subsection (1) does not apply because of subsection (5), or subsection (2) does not apply because of subsection (6), subsection (5) of section 237 has effect as if—
 - (a) the references in paragraph (a) of that subsection to “subsection (1)”, and “subsection (1)(a)” included subsection (1) of this section, and

- (b) in paragraph (b) of that subsection the reference to “subsection (1A)(a)” included a reference to subsection (2)(a) of this section and the reference to subsection (1A)(b) included a reference to subsection (2)(b) of this section.
- (8) If the authorised officer determines under subsection (1) that P’s meeting of the condition in question should be regarded as significant, the officer must give P a conduct notice, unless subsection (10) applies.
- (9) If the authorised officer determines under subsection (3) that—
 - (a) the meeting of the condition by the person as mentioned in subsection (2)(a), and
 - (b) P’s meeting of the condition as mentioned in subsection (2)(b),should be regarded as significant in view of the purposes of this Part, the officer must give P a conduct notice, unless subsection (10) applies.
- (10) This subsection applies if the authorised officer determines that, having regard to the extent of the impact that P’s activities as a promoter are likely to have on the collection of tax, it is inappropriate to give P a conduct notice.
- (11) The condition in this subsection is that in the period of 3 years ending with the relevant time at least 3 relevant defeats have occurred in relation to P.
- (12) The condition in this subsection is that at least two relevant defeats have occurred in relation to P at times when a single defeat notice under section 241A(2) or (6) had effect in relation to P.
- (13) The condition in this subsection is that at least one relevant defeat has occurred in relation to P at a time when a double defeat notice under section 241A(3) had effect in relation to P.
- (14) A determination that the condition in subsection (12) or (13) is met cannot be made unless—
 - (a) the defeat notice in question still has effect when the determination is made, or
 - (b) the determination is made on or before the 90th day after the day on which the defeat notice in question ceased to have effect.
- (15) Schedule 34A sets out the circumstances in which a “relevant defeat” occurs in relation to a person and includes provision limiting what can amount to a further relevant defeat in relation to a person (see paragraph 6).

237B Duty to give further conduct notice where provisional notice not complied with

- (1) An authorised officer must give a conduct notice to a person (“P”) who is carrying on a business as a promoter if—
 - (a) a conduct notice given to P under section 237A(8)—
 - (i) has ceased to have effect otherwise than as a result of section 237D(2) or 241(3) or (4), and
 - (ii) was provisional immediately before it ceased to have effect,
 - (b) the officer determines that P had failed to comply with one or more conditions in the conduct notice,

Status: This is the original version (as it was originally enacted).

- (c) the conduct notice relied on a Case 3 relevant defeat,
 - (d) since the time when the conduct notice ceased to have effect, one or more relevant defeats falling within subsection (2) have occurred in relation to—
 - (i) P, and
 - (ii) any arrangements to which the Case 3 relevant defeat also relates, and
 - (e) had that relevant defeat or (as the case may be) those relevant defeats, occurred before the conduct notice ceased to have effect, an authorised officer would have been required to notify the person under section 237C(3) that the notice was no longer provisional.
- (2) A relevant defeat falls within this subsection if it occurs by virtue of Case 1 or Case 2 in Schedule 34A.
- (3) Subsection (1) does not apply if the authorised officer determines that, having regard to the extent of the impact that the person's activities as a promoter are likely to have on the collection of tax, it is inappropriate to give the person a conduct notice.
- (4) Subsection (1) does not apply if a conduct notice or monitoring notice already has effect in relation to the person.
- (5) For the purposes of this Part a conduct notice “relies on a Case 3 relevant defeat” if it could not have been given under the following condition.
- The condition is that paragraph 9 of Schedule 34A had effect with the substitution of “100% of the tested arrangements” for “75% of the tested arrangements”.

237C When a conduct notice given under section 237A(8) is “provisional”

- (1) This section applies to a conduct notice which—
 - (a) is given to a person under section 237A(8), and
 - (b) relies on a Case 3 relevant defeat.
- (2) The notice is “provisional” at all times when it has effect, unless an authorised officer notifies the person that the notice is no longer provisional.
- (3) An authorised officer must notify the person that the notice is no longer provisional if subsection (4) or (5) applies.
- (4) This subsection applies if—
 - (a) the condition in subsection (5)(a) is not met, and
 - (b) a full relevant defeat occurs in relation to P.
- (5) This subsection applies if—
 - (a) two, or all three, of the relevant defeats by reference to which the conduct notice is given would not have been relevant defeats if paragraph 9 of Schedule 34A had effect with the substitution of “100% of the tested arrangements” for “75% of the tested arrangements”, and
 - (b) the same number of full relevant defeats occur in relation to P.

- (6) A “full relevant defeat” occurs in relation to P if—
 - (a) a relevant defeat occurs in relation to P otherwise than by virtue of Case 3 in paragraph 9 of Schedule 34A, or
 - (b) circumstances arise which would be a relevant defeat in relation to P by virtue of paragraph 9 of Schedule 34A if that paragraph had effect with the substitution of “100% of the tested arrangements” for “75% of the tested arrangements”.
- (7) In determining under subsection (6) whether a full relevant defeat has occurred in relation to P, assume that in paragraph 6 of Schedule 34A (provision limiting what can amount to a further relevant defeat in relation to a person) the first reference to a “relevant defeat” does not include a relevant defeat by virtue of Case 3 in paragraph 9 of Schedule 34A.

237D Judicial ruling upholding asserted tax advantage: effect on conduct notice which is provisional

- (1) Subsection (2) applies if at any time—
 - (a) a conduct notice which relies on a Case 3 relevant defeat (see section 237B(5)) is provisional, and
 - (b) a court or tribunal upholds a corresponding tax advantage which has been asserted in connection with any of the related arrangements to which that relevant defeat relates (see paragraph 5(2) of Schedule 34A).
- (2) The conduct notice ceases to have effect when that judicial ruling becomes final.
- (3) An authorised officer must give the person to whom the conduct notice was given a written notice stating that the conduct notice has ceased to have effect.
- (4) For the purposes of this section, a tax advantage is “asserted” in connection with any arrangements if a person makes a return, claim or election on the basis that the tax advantage arises from those arrangements.

In relation to the arrangements mentioned in paragraph (b) of subsection (1) “corresponding tax advantage” means a tax advantage corresponding to any tax advantage the counteraction of which contributed to the relevant defeat mentioned in that paragraph.

- (5) For the purposes of this section a court or tribunal “upholds” a tax advantage if—
 - (a) the court or tribunal makes a ruling to the effect that no part of the tax advantage is to be counteracted, and
 - (b) that judicial ruling is final.
- (6) For the purposes of this Part a judicial ruling is “final” if it is—
 - (a) a ruling of the Supreme Court, or
 - (b) a ruling of any other court or tribunal in circumstances where—
 - (i) no appeal may be made against the ruling,
 - (ii) if an appeal may be made against the ruling with permission, the time limit for applications has expired and either no application has been made or permission has been refused,

Status: This is the original version (as it was originally enacted).

- (iii) if such permission to appeal against the ruling has been granted or is not required, no appeal has been made within the time limit for appeals, or
- (iv) if an appeal was made, it was abandoned or otherwise disposed of before it was determined by the court or tribunal to which it was addressed.

(7) In this section references to “counteraction” include anything referred to as a counteraction in any of Conditions A to F in paragraphs 11 to 16 of Schedule 34A.”

(3) After section 241 insert—

“Defeat notices

241A Defeat notices

- (1) This section applies in relation to a person (“P”) only if P is carrying on a business as a promoter.
- (2) An authorised officer, or an officer of Revenue and Customs with the approval of an authorised officer, may give P a notice if the officer concerned has become aware of one (and only one) relevant defeat which has occurred in relation to P in the period of 3 years ending with the day on which the notice is given.
- (3) An authorised officer, or an officer of Revenue and Customs with the approval of an authorised officer, may give P a notice if the officer concerned has become aware of two (but not more than two) relevant defeats which have occurred in relation to P in the period of 3 years ending with the day on which the notice is given.
- (4) A notice under this section must be given by the end of the 90 days beginning with the day on which the matters mentioned in subsection (2) or (as the case may be) (3) come to the attention of HMRC.
- (5) Subsection (6) applies if—
 - (a) a single defeat notice which had been given to P (under subsection (2) or (6)) ceases to have effect as a result of section 241B(1), and
 - (b) in the period when the defeat notice had effect a relevant defeat (“the further relevant defeat”) occurred in relation to P.
- (6) An authorised officer or an officer of Revenue and Customs with the approval of an authorised officer may give P a notice in respect of the further relevant defeat (regardless of whether or not it occurred in the period of 3 years ending with the day on which the notice is given).
- (7) In this Part—
 - (a) “single defeat notice” means a notice under subsection (2) or (6);
 - (b) “double defeat notice” means a notice under subsection (3);
 - (c) “defeat notice” means a single defeat notice or a double defeat notice.
- (8) A defeat notice must—

Status: This is the original version (as it was originally enacted).

- (a) set out the dates on which the look-forward period for the notice begins and ends;
 - (b) in the case of a single defeat notice, explain the effect of section 237A(12);
 - (c) in the case of a double defeat notice, explain the effect of section 237A(13).
- (9) HMRC may specify what further information must be included in a defeat notice.
- (10) “Look-forward period”—
 - (a) in relation to a defeat notice under subsection (2) or (3), means the period of 5 years beginning with the day after the day on which the notice is given;
 - (b) in relation to a defeat notice under subsection (6), means the period beginning with the day after the day on which the notice is given and ending at the end of the period of 5 years beginning with the day on which the further relevant defeat mentioned in subsection (6) occurred in relation to P.
- (11) A defeat notice has effect throughout its look-forward period unless it ceases to have effect earlier in accordance with section 241B(1) or (4).

241B Judicial ruling upholding asserted tax advantage: effect on defeat notice

- (1) If the relevant defeat to which a single defeat notice relates is overturned (see subsection (5)), the notice has no further effect on and after the day on which it is overturned.
- (2) Subsection (3) applies if one (and only one) of the relevant defeats in respect of which a double defeat notice was given is overturned.
- (3) The notice is to be treated for the purposes of this Part (including this section) as if it had always been a single defeat notice given (in respect of the other of the two relevant defeats) on the date on which the notice was in fact given.

The look-forward period for the notice is accordingly unchanged.

- (4) If both the relevant defeats to which a double defeat notice relates are overturned (on the same date), that notice has no further effect on and after that date.
- (5) A relevant defeat specified in a defeat notice is “overturned” if—
 - (a) the notice could not have specified that relevant defeat if paragraph 9 of Schedule 34A had effect with the substitution of “100% of the tested arrangements” for “75% of the tested arrangements”, and
 - (b) at a time when the notice has effect a court or tribunal upholds a corresponding tax advantage which has been asserted in connection with any of the related arrangements to which the relevant defeat relates (see paragraph 5(2) of Schedule 34A).

Accordingly the relevant defeat is overturned on the day on which the judicial ruling mentioned in paragraph (b) becomes final.

Status: This is the original version (as it was originally enacted).

- (6) If a defeat notice ceases to have effect as a result of subsection (1) or (4) an authorised officer, or an officer of Revenue and Customs with the approval of an authorised officer, must notify the person to whom the notice was given that it has ceased to have effect.
- (7) If subsection (3) has effect in relation to a defeat notice, an authorised officer, or an officer of Revenue and Customs with the approval of an authorised officer, must notify the person of the effect of that subsection.
- (8) For the purposes of this section, a tax advantage is “asserted” in connection with any arrangements if a person makes a return, claim or election on the basis that the tax advantage arises from those arrangements.
- (9) In relation to the arrangements mentioned in paragraph (b) of subsection (5) “corresponding tax advantage” means a tax advantage corresponding to any tax advantage the counteraction of which contributed to the relevant defeat mentioned in that paragraph.
- (10) For the purposes of this section a court or tribunal “upholds” a tax advantage if—
 - (a) the court or tribunal makes a ruling to the effect that no part of the tax advantage is to be counteracted, and
 - (b) that judicial ruling is final.
- (11) In this section references to “counteraction” include anything referred to as a counteraction in any of Conditions A to F in paragraphs 11 to 16 of Schedule 34A.”
- (4) In section 242 (monitoring notices: duty to apply to tribunal), after subsection (5) insert—
 - “(6) At a time when a notice given under section 237A is provisional, no determination is to be made under subsection (1) in respect of the notice.
 - (7) If a promoter fails to comply with conditions in a conduct notice at a time when the conduct notice is provisional, nothing in subsection (6) prevents those failures from being taken into account under subsection (1) at any subsequent time when the conduct notice is not provisional.”
- (5) After Schedule 34 insert—

“SCHEDULE 34A

PROMOTERS OF TAX AVOIDANCE SCHEMES: DEFEATED ARRANGEMENTS

PART 1

INTRODUCTION

- 1 In this Schedule—
 - (a) Part 2 is about the meaning of “relevant defeat”;
 - (b) Part 3 contains provision about when a relevant defeat is treated as occurring in relation to a person;

Status: This is the original version (as it was originally enacted).

- (c) Part 4 contains provision about when a person is treated as meeting a condition in subsection (11), (12) or (13) of section 237A;
- (d) Part 5 contains definitions and other supplementary provisions.

PART 2

MEANING OF “RELEVANT DEFEAT”

“Related” arrangements

- 2 (1) For the purposes of this Part of this Act, separate arrangements which persons have entered into are “related” to one another if (and only if) they are substantially the same.
- (2) Sub-paragraphs (3) to (6) set out cases in which arrangements are to be treated as being “substantially the same” (if they would not otherwise be so treated under sub-paragraph (1)).
- (3) Arrangements to which the same reference number has been allocated under Part 7 of FA 2004 (disclosure of tax avoidance schemes) are treated as being substantially the same.

For this purpose arrangements in relation to which information relating to a reference number has been provided in compliance with section 312 of FA 2004 are treated as arrangements to which that reference number has been allocated under Part 7 of that Act.

- (4) Arrangements to which the same reference number has been allocated under paragraph 9 of Schedule 11A to VATA 1994 (disclosure of avoidance schemes) are treated as being substantially the same.
- (5) Any two or more sets of arrangements which are the subject of follower notices given by reference to the same judicial ruling are treated as being substantially the same.
- (6) Where a notice of binding has been given in relation to any arrangements (“the bound arrangements”) on the basis that they are, for the purposes of Schedule 43A to FA 2013, equivalent arrangements in relation to another set of arrangements (the “lead arrangements”)—
 - (a) the bound arrangements and the lead arrangements are treated as being substantially the same, and
 - (b) the bound arrangements are treated as being substantially the same as any other arrangements which, as a result of this sub-paragraph, are treated as substantially the same as the lead arrangements.

“Promoted arrangements”

- 3 (1) For the purposes of this Schedule arrangements are “promoted arrangements” in relation to a person if—
 - (a) they are relevant arrangements or would be relevant arrangements under the condition stated in sub-paragraph (2), and

Status: This is the original version (as it was originally enacted).

- (b) the person is carrying on a business as a promoter and—
 - (i) the person is or has been a promoter in relation to the arrangements, or
 - (ii) that would be the case if the condition in sub-paragraph (2) were met.
- (2) That condition is that the definition of “tax” in section 283 includes, and has always included, value added tax.

Relevant defeat of single arrangements

- 4 (1) A defeat of arrangements (entered into by any person) which are promoted arrangements in relation to a person (“the promoter”) is a “relevant defeat” in relation to the promoter if the condition in sub-paragraph (2) is met.
- (2) The condition is that the arrangements are not related to any other arrangements which are promoted arrangements in relation to the promoter.
- (3) For the meaning of “defeat” see paragraphs 10 to 16.

Relevant defeat of related arrangements

- 5 (1) This paragraph applies if arrangements (entered into by any person) (“Set A”)—
 - (a) are promoted arrangements in relation to a person (“P”), and
 - (b) are related to other arrangements which are promoted arrangements in relation to P.
- (2) If Case 1, 2 or 3 applies (see paragraphs 7 to 9) a relevant defeat occurs in relation to P and each of the related arrangements.
- (3) “The related arrangements” means Set A and the arrangements mentioned in sub-paragraph (1)(b).

Limit on number of separate relevant defeats in relation to the same, or related, arrangements

- 6 In relation to a person, if there has been a relevant defeat of arrangements (whether under paragraph 4 or 5) there cannot be a further relevant defeat of—
 - (a) those particular arrangements, or
 - (b) arrangements which are related to those arrangements.

Case 1: counteraction upheld by judicial ruling

- 7 (1) Case 1 applies if—
 - (a) any of Conditions A to E is met in relation to any of the related arrangements, and
 - (b) in the case of those arrangements the decision to make the relevant counteraction has been upheld by a judicial ruling (which is final).

Status: This is the original version (as it was originally enacted).

- (2) In sub-paragraph (1) “the relevant counteraction” means the counteraction mentioned in paragraph 11(d), 12(1)(b), 13(1)(d), 14(1)(d) or 15(1)(d) (as the case requires).

Case 2: judicial ruling that avoidance-related rule applies

- 8 Case 2 applies if Condition F is met in relation to any of the related arrangements.

Case 3: proportion-based relevant defeat

- 9 (1) Case 3 applies if—
- (a) at least 75% of the tested arrangements have been defeated, and
 - (b) no final judicial ruling in relation to any of the related arrangements has upheld a corresponding tax advantage which has been asserted in connection with any of the related arrangements.
- (2) In this paragraph “the tested arrangements” means so many of the related arrangements (as defined in paragraph 5(3)) as meet the condition in sub-paragraph (3) or (4).
- (3) Particular arrangements meet this condition if a person has made a return, claim or election on the basis that a tax advantage results from those arrangements and—
- (a) there has been an enquiry or investigation by HMRC into the return, claim or election, or
 - (b) HMRC assesses the person to tax on the basis that the tax advantage (or any part of it) does not arise, or
 - (c) a GAAR counteraction notice has been given in relation to the tax advantage or part of it and the arrangements.
- (4) Particular arrangements meet this condition if HMRC takes other action on the basis that a tax advantage which might be expected to arise from those arrangements, or is asserted in connection with them, does not arise.
- (5) For the purposes of this paragraph a tax advantage has been “asserted” in connection with particular arrangements if a person has made a return, claim or election on the basis that the tax advantage arises from those arrangements.
- (6) In sub-paragraph (1)(b) “corresponding tax advantage” means a tax advantage corresponding to any tax advantage the counteraction of which is taken into account by HMRC for the purposes of sub-paragraph (1)(a).
- (7) For the purposes of this paragraph a court or tribunal “upholds” a tax advantage if—
- (a) the court or tribunal makes a ruling to the effect that no part of the tax advantage is to be counteracted, and
 - (b) that judicial ruling is final.
- (8) In this paragraph references to “counteraction” include anything referred to as a counteraction in any of Conditions A to F in paragraphs 11 to 16.

Status: This is the original version (as it was originally enacted).

(9) In this paragraph “GAAR counteraction notice” means—

- (a) a notice such as is mentioned in sub-paragraph (2) of paragraph 12 of Schedule 43 to FA 2013 (notice of final decision to counteract),
- (b) a notice under paragraph 8(2) or 9(2) of Schedule 43A to that Act (pooling or binding of arrangements) stating that the tax advantage is to be counteracted under the general anti-abuse rule, or
- (c) a notice under paragraph 8(2) of Schedule 43B to that Act (generic referrals) stating that the tax advantage is to be counteracted under the general anti-abuse rule.

“Defeat” of arrangements

10 For the purposes of this Part of this Act a “defeat” of arrangements occurs if any of Conditions A to F (in paragraphs 11 to 16) is met in relation to the arrangements.

11 Condition A is that—

- (a) a person has made a return, claim or election on the basis that a tax advantage arises from the arrangements,
- (b) a notice given to the person under paragraph 12 of Schedule 43 to, paragraph 8(2) or 9(2) of Schedule 43A to or paragraph 8(2) of Schedule 43B to FA 2013 stated that the tax advantage was to be counteracted under the general anti-abuse rule,
- (c) the tax advantage has been counteracted (in whole or in part) under the general anti-abuse rule, and
- (d) the counteraction is final.

12 (1) Condition B is that a follower notice has been given to a person by reference to the arrangements (and not withdrawn) and—

- (a) the person has complied with subsection (2) of section 208 of FA 2014 by taking the action specified in subsections (4) to (6) of that section in respect of the denied tax advantage (or part of it), or
- (b) the denied tax advantage has been counteracted (in whole or in part) otherwise than as mentioned in paragraph (a) and the counteraction is final.

(2) In this paragraph “the denied tax advantage” is to be interpreted in accordance with section 208(3) of FA 2014.

(3) In this Schedule “follower notice” means a follower notice under Chapter 2 of Part 4 of FA 2014.

13 (1) Condition C is that—

- (a) the arrangements are DOTAS arrangements,
- (b) a person (“the taxpayer”) has made a return, claim or election on the basis that a relevant tax advantage arises,
- (c) the relevant tax advantage has been counteracted, and
- (d) the counteraction is final.

Status: This is the original version (as it was originally enacted).

- (2) For the purposes of sub-paragraph (1) “relevant tax advantage” means a tax advantage which the arrangements might be expected to enable the taxpayer to obtain.
 - (3) For the purposes of this paragraph the relevant tax advantage is “counteracted” if adjustments are made in respect of the taxpayer’s tax position on the basis that the whole or part of that tax advantage does not arise.
- 14 (1) Condition D is that—
 - (a) the arrangements are disclosable VAT arrangements to which a taxable person is a party,
 - (b) the taxable person has made a return or claim on the basis that a relevant tax advantage arises,
 - (c) the relevant tax advantage has been counteracted, and
 - (d) the counteraction is final.
 - (2) For the purposes of sub-paragraph (1) “relevant tax advantage” means a tax advantage which the arrangements might be expected to enable the taxable person to obtain.
 - (3) For the purposes of this paragraph the relevant tax advantage is “counteracted” if adjustments are made in respect of the taxable person’s tax position on the basis that the whole or part of that tax advantage does not arise.
- 15 (1) Condition E is that the arrangements are disclosable VAT arrangements to which a taxable person (“T”) is a party and—
 - (a) the arrangements relate to the position with respect to VAT of a person other than T (“S”) who has made supplies of goods or services to T,
 - (b) the arrangements might be expected to enable T to obtain a tax advantage in connection with those supplies of goods or services,
 - (c) the arrangements have been counteracted, and
 - (d) the counteraction is final.
 - (2) For the purposes of this paragraph the arrangements are “counteracted” if—
 - (a) HMRC assess S to tax or take any other action on a basis which prevents T from obtaining (or obtaining the whole of) the tax advantage in question, or
 - (b) adjustments are made on a basis such as is mentioned in paragraph (a).
- 16 (1) Condition F is that—
 - (a) a person has made a return, claim or election on the basis that a relevant tax advantage arises,
 - (b) the tax advantage, or part of the tax advantage would not arise if a particular avoidance-related rule (see paragraph 25) applies in relation to the person’s tax affairs,
 - (c) it is held in a judicial ruling that the relevant avoidance-related rule applies in relation to the person’s tax affairs, and
 - (d) the judicial ruling is final.

Status: This is the original version (as it was originally enacted).

- (2) For the purposes of sub-paragraph (1) “relevant tax advantage” means a tax advantage which the arrangements might be expected to enable the person to obtain.

PART 3

RELEVANT DEFEATS: ASSOCIATED PERSONS

Attribution of relevant defeats

- 17 (1) Sub-paragraph (2) applies if—
- (a) there is (or has been) a person (“Q”),
 - (b) arrangements (“the defeated arrangements”) have been entered into,
 - (c) an event occurs such that either—
 - (i) there is a relevant defeat in relation to Q and the defeated arrangements, or
 - (ii) the condition in sub-paragraph (i) would be met if Q had not ceased to exist,
 - (d) at the time of that event a person (“P”) is carrying on a business as a promoter (or is carrying on what would be such a business under the condition in paragraph 3(2)), and
 - (e) Condition 1 or 2 is met in relation to Q and P.
- (2) The event is treated for all purposes of this Part of this Act as a relevant defeat in relation to P and the defeated arrangements (whether or not it is also a relevant defeat in relation to Q, and regardless of whether or not P existed at any time when those arrangements were promoted arrangements in relation to Q).
- (3) Condition 1 is that—
- (a) P is not an individual,

SCHEDULE 4

Section 19

PENSIONS: LIFETIME ALLOWANCE: TRANSITIONAL PROVISION

PART 1

“FIXED PROTECTION 2016”

The protection

- 1 (1) Sub-paragraph (2) applies at any particular time on or after 6 April 2016 in the case of an individual if—
- (a) each of the conditions specified in paragraph 2 is met,
 - (b) there is no protection-cessation event (see paragraph 3) in the period beginning with 6 April 2016 and ending with the particular time,
 - (c) paragraph 1(2) of Schedule 6 to FA 2014 (“individual protection 2014”) does not apply in the individual’s case at the particular time, and
 - (d) at the particular time or any later time, the individual has a reference number (see Part 3 of this Schedule) for the purposes of sub-paragraph (2).
- (2) Part 4 of FA 2004 has effect in relation to the individual as if the standard lifetime allowance were the greater of the standard lifetime allowance and £1,250,000.

The initial conditions

- 2 The conditions mentioned in paragraph 1(1)(a) are—
- (a) that, on 6 April 2016, the individual has one or more arrangements under—
 - (i) a registered pension scheme, or
 - (ii) a relieved non-UK pension scheme of which the individual is a relieved member,
 - (b) that paragraph 7 of Schedule 36 to FA 2004 (primary protection) does not make provision for a lifetime allowance enhancement factor in relation to the individual,
 - (c) that paragraph 12 of that Schedule (enhanced protection) does not apply in the individual’s case on 6 April 2016,
 - (d) that paragraph 14 of Schedule 18 to FA 2011 (transitional provision relating to new standard lifetime allowance for the tax year 2012-13) does not apply in the individual’s case on 6 April 2016, and
 - (e) that paragraph 1 of Schedule 22 to FA 2013 (“fixed protection 2014” relating to new standard lifetime allowance for the tax year 2014-15) does not apply in the individual’s case on 6 April 2016.

Protection-cessation events

- 3 There is a protection-cessation event if—
- (a) there is benefit accrual in relation to the individual under an arrangement under a registered pension scheme,
 - (b) there is an impermissible transfer into any arrangement under a registered pension scheme relating to the individual,

Status: This is the original version (as it was originally enacted).

- (c) a transfer of sums or assets held for the purposes of, or representing accrued rights under, any such arrangement is made that is not a permitted transfer, or
- (d) an arrangement relating to the individual is made under a registered pension scheme otherwise than in permitted circumstances.

Protection-cessation events: interpretation: “benefit accrual”

- 4 (1) For the purposes of paragraph 3(a) there is benefit accrual in relation to the individual under an arrangement—
- (a) in the case of a money purchase arrangement that is not a cash balance arrangement, if a relevant contribution is paid under the arrangement on or after 6 April 2016,
 - (b) in the case of a cash balance arrangement or defined benefits arrangement, if there is an increase in the value of the individual’s rights under the arrangement at any time on or after that date (but subject to sub-paragraph (5)), and
 - (c) in the case of a hybrid arrangement—
 - (i) where the benefits that may be provided to or in respect of the individual under the arrangement include money purchase benefits other than cash balance benefits, if a relevant contribution is paid under the arrangement on or after 6 April 2016, and
 - (ii) in any case, if there is an increase in the value of the individual’s rights under the arrangement at any time on or after that date (but subject to sub-paragraph (5)).
- (2) For the purposes of sub-paragraphs (1)(b) and (c)(ii) and (5) whether there is an increase in the value of the individual’s rights under an arrangement (and its amount if there is) is to be determined—
- (a) in the case of a cash balance arrangement (or a hybrid arrangement under which cash balance benefits may be provided to or in respect of the individual under the arrangement), by reference to whether there is an increase in the amount that would, on the valuation assumptions, be available for the provision of benefits to or in respect of the individual (and, if there is, the amount of the increase), and
 - (b) in the case of a defined benefits arrangement (or a hybrid arrangement under which defined benefits may be provided to or in respect of the individual under the arrangement), by reference to whether there is an increase in the benefits amount.
- (3) For the purposes of sub-paragraph (2)(b) “the benefits amount” is—
- $$(P \times RVF) + LS$$

where—

LS is the lump sum to which the individual would, on the valuation assumptions, be entitled under the arrangement (otherwise than by commutation of pension),

P is the annual rate of the pension which would, on the valuation assumptions, be payable to the individual under the arrangement, and

RVF is the relevant valuation factor.

- (4) Paragraph 14 of Schedule 36 to FA 2004 (when a relevant contribution is paid under an arrangement) applies for the purposes of sub-paragraph (1)(a) and (c)(i).
- (5) Increases in the value of the individual's rights under an arrangement are to be ignored for the purposes of sub-paragraph (1)(b) or (c)(ii) if in no tax year do they exceed the relevant percentage.
- (6) The relevant percentage, in relation to a tax year, means—
 - (a) where the arrangement (or a predecessor arrangement) includes provision for the value of the rights of the individual to increase during the tax year at an annual rate specified in the rules of the pension scheme (or a predecessor registered pension scheme) on 9 December 2015—
 - (i) that percentage (or, where more than one arrangement includes such provision, the higher or highest of the percentages specified), plus
 - (ii) the relevant statutory increase percentage;
 - (b) otherwise—
 - (i) the percentage by which the consumer prices index for the month of September in the previous tax year is higher than it was for the September before that (or 0% if it is not higher), or
 - (ii) if higher, the relevant statutory increase percentage.
- (7) In sub-paragraph (6)(a)—
 - “predecessor arrangement”, in relation to an arrangement, means another arrangement (under the same or another registered pension scheme) from which some or all of the sums or assets held for the purposes of the arrangement directly or indirectly derive;
 - “predecessor registered pension scheme”, in relation to a registered pension scheme, means another registered pension scheme from which some or all of the sums or assets held for the purposes of the arrangement under the pension scheme directly or indirectly derive.
- (8) In sub-paragraph (6) “the relevant statutory increase percentage”, in relation to a tax year, means the percentage increase in the value of the individual's rights under the arrangement during the tax year so far as it is attributable solely to one or more of the following—
 - (a) an increase in accordance with section 15 of the Pension Schemes Act 1993 or section 11 of the Pension Schemes (Northern Ireland) Act 1993 (increase of guaranteed minimum where commencement of guaranteed minimum pension postponed);
 - (b) a revaluation in accordance with section 16 of the Pension Schemes Act 1993 or section 12 of the Pension Schemes (Northern Ireland) Act 1993 (early leavers: revaluation of earnings factors);
 - (c) a revaluation in accordance with Chapter 2 of Part 4 of the Pension Schemes Act 1993 or the Pension Schemes (Northern Ireland) Act 1993 (early leavers: revaluation of accrued benefits);
 - (d) a revaluation in accordance with Chapter 3 of Part 4 of the Pension Schemes Act 1993 or the Pension Schemes (Northern Ireland) Act 1993 (early leavers: protection of increases in guaranteed minimum pensions);
 - (e) the application of section 67 of the Equality Act 2010 (sex equality rule for occupational pension schemes).
- (9) Sub-paragraph (10) applies in relation to a tax year if—

Status: This is the original version (as it was originally enacted).

- (a) the arrangement is a defined benefits arrangement which is under an annuity contract treated as a registered pension scheme under section 153(8) of FA 2004,
 - (b) the contract provides for the value of the rights of the individual to be increased during the tax year at an annual rate specified in the contract, and
 - (c) the contract limits the annual rate to the percentage increase in the retail prices index over a 12 month period specified in the contract.
- (10) Sub-paragraph (6)(b)(i) applies as if it referred instead to the annual rate of the increase in the value of the rights during the tax year.
- (11) For the purposes of sub-paragraph (9)(c) the 12 month period must end during the 12 month period preceding the month in which the increase in the value of the rights occurs.

Protection-cessation events: interpretation: “impermissible transfer”

- 5 Paragraph 17A of Schedule 36 to FA 2004 (impermissible transfers) applies for the purposes of paragraph 3(b) but as if—
- (a) the references to a relevant existing arrangement were to the arrangement, and
 - (b) the reference in sub-paragraph (2) to 5 April 2006 were to 5 April 2016.

Protection-cessation events: interpretation: “permitted transfer”

- 6 Sub-paragraphs (7) to (8B) of paragraph 12 of Schedule 36 to FA 2004 (when there is a permitted transfer) apply for the purposes of paragraph 3(c).

Protection-cessation events: interpretation: “permitted circumstances”

- 7 Sub-paragraphs (2A) to (2C) of paragraph 12 of Schedule 36 to FA 2004 (“permitted circumstances”) apply for the purposes of paragraph 3(d).

Protection-cessation events: interpretation: relieved non-UK pension schemes

- 8 (1) Subject to sub-paragraphs (2) to (4), paragraph 3 applies in relation to an individual who is a relieved member of a relieved non-UK pension scheme as if the relieved non-UK pension scheme were a registered pension scheme; and the other paragraphs of this Part of this Schedule apply accordingly.
- (2) Sub-paragraphs (3) and (4) apply for the purposes of paragraph 3(a) (instead of paragraph 4(1)) in determining if there is benefit accrual in relation to an individual under an arrangement under a relieved non-UK pension scheme of which the individual is a relieved member.
- (3) There is benefit accrual in relation to the individual under the arrangement if there is a pension input amount under sections 230 to 237 of FA 2004 (as applied by Schedule 34 to that Act) greater than nil in respect of the arrangement for a tax year; and, in such a case, the benefit accrual is treated as occurring at the end of the tax year.
- (4) There is also benefit accrual in relation to the individual under the arrangement if—

- (a) in a tax year there occurs a benefit crystallisation event in relation to the individual (whether in relation to the arrangement or to any other arrangement under any pension scheme or otherwise), and
 - (b) had the tax year ended immediately before the benefit crystallisation event, there would have been a pension input amount under sections 230 to 237 of FA 2004 greater than nil in respect of the arrangement for the tax year,
- and, in such a case, the benefit accrual is treated as occurring immediately before the benefit crystallisation event.

PART 2

“INDIVIDUAL PROTECTION 2016”

The protection

- 9 (1) Sub-paragraph (2) applies at any particular time on or after 6 April 2016 in the case of an individual if—
- (a) the individual has one or more relevant arrangements (see sub-paragraph (3)) on 5 April 2016,
 - (b) the individual’s relevant amount at the particular time is greater than £1,000,000 (see sub-paragraphs (4) and (7)),
 - (c) paragraph 7 of Schedule 36 to FA 2004 (primary protection) does not make provision for a lifetime allowance enhancement factor in relation to the individual,
 - (d) none of the provisions listed in sub-paragraph (5) applies in the individual’s case at the particular time, and
 - (e) at the particular time or any later time, the individual has a reference number (see Part 3 of this Schedule) for the purposes of sub-paragraph (2).
- (2) Part 4 of FA 2004 has effect in relation to the individual as if the standard lifetime allowance were—
- (a) if the individual’s relevant amount at the particular time is greater than £1,250,000, the greater of the standard lifetime allowance and £1,250,000, or
 - (b) otherwise, the greater of the individual’s relevant amount at the particular time and the standard lifetime allowance.
- (3) “Relevant arrangement”, in relation to an individual, means an arrangement relating to the individual under—
- (a) a registered pension scheme of which the individual is a member, or
 - (b) a relieved non-UK pension scheme of which the individual is a relieved member.
- (4) An individual’s “relevant amount” is the sum of amounts A, B, C and D (see paragraphs 10 to 13, but see also sub-paragraph (7)).
- (5) The provisions mentioned in sub-paragraph (1)(d) are—
- (a) paragraph 12 of Schedule 36 to FA 2004 (enhanced protection);
 - (b) paragraph 14 of Schedule 18 to FA 2011 (fixed protection 2012);
 - (c) paragraph 1 of Schedule 22 to FA 2013 (fixed protection 2014);
 - (d) paragraph 1(2) of Schedule 6 to FA 2014 (individual protection 2014);

Status: This is the original version (as it was originally enacted).

- (e) paragraph 1(2) of this Schedule (fixed protection 2016).
- (6) Sub-paragraph (7) applies if rights of an individual under a relevant arrangement become subject to a pension debit where the transfer day falls on or after 6 April 2016.
- (7) For the purpose of applying sub-paragraph (2) in the case of the individual on and after the transfer day, the individual's relevant amount is reduced (or further reduced) by the following amount—

$$X - (Y \times Z)$$

where—

X is the appropriate amount,

Y is 5% of X, and

Z is the number of tax years beginning after 5 April 2016 and ending on or before the transfer day.

(If the formula gives a negative amount, it is to be taken to be nil.)

- (8) In sub-paragraphs (6) and (7) “appropriate amount” and “transfer day”, in relation to a pension debit, have the same meaning as in section 29 of WRP(A) 1999 or Article 26 of WRP(NI)O 1999 (as the case may be).

Amount A (pre-6 April 2006 pensions in payment)

- 10 (1) To determine amount A—
- (a) apply sub-paragraph (2) if a benefit crystallisation event has occurred in relation to the individual during the period beginning with 6 April 2006 and ending with 5 April 2016;
- (b) otherwise, apply sub-paragraph (6).
- (2) If this sub-paragraph is to be applied, amount A is—

$$25 \times \text{ARP} \times \frac{\pounds 1,250,000}{\text{SLT}}$$

where—

ARP is (subject to sub-paragraph (3)) an amount equal to—

- (a) the annual rate at which any relevant existing pension was payable to the individual at the time immediately before the benefit crystallisation event occurred, or
- (b) if more than one relevant existing pension was payable to the individual at that time, the sum of the annual rates at which each of the relevant existing pensions was so payable, and

SLT is an amount equal to what the standard lifetime allowance was at the time the benefit crystallisation event occurred.

- (3) Paragraph 20(4) of Schedule 36 to FA 2004 applies for the purposes of the definition of “ARP” in sub-paragraph (2) (and, for this purpose, in paragraph 20(4) any reference to “the time” is to be read as a reference to the time immediately before the benefit crystallisation event occurred).
- (4) If the time immediately before the benefit crystallisation event occurred falls before 6 April 2015, in sub-paragraph (3) references to paragraph 20(4) are to be read as

references to that provision as it had effect in relation to benefit crystallisation events occurring at the time immediately before the benefit crystallisation event occurred.

- (5) If more than one benefit crystallisation event has occurred, in sub-paragraphs (2) to (4) references to the benefit crystallisation event are to be read as references to the first benefit crystallisation event.

- (6) If this sub-paragraph is to be applied, amount A is—

$$25 \times \text{ARP}$$

where ARP is (subject to sub-paragraph (7)) an amount equal to—

- (a) the annual rate at which any relevant existing pension is payable to the individual at the end of 5 April 2016, or
- (b) if more than one relevant existing pension is payable to the individual at the end of 5 April 2016, the sum of the annual rates at which each of the relevant existing pensions is so payable.

- (7) Paragraph 20(4) of Schedule 36 to FA 2004 applies for the purposes of the definition of “ARP” in sub-paragraph (6) (and, for this purpose, in paragraph 20(4) any reference to “the time” is to be read as a reference to 5 April 2016).

- (8) In this paragraph “relevant existing pension” means (subject to sub-paragraph (9)) a pension, annuity or right—

- (a) which was, at the end of 5 April 2006, a “relevant existing pension” as defined by paragraph 10(2) and (3) of Schedule 36 to FA 2004, and
- (b) to the payment of which the individual had, at the end of 5 April 2006, an actual (rather than a prospective) right.

- (9) If—

- (a) before 6 April 2016, there was a recognised transfer of sums or assets representing a relevant existing pension, and
- (b) those sums or assets were, after the transfer, applied towards the provision of a scheme pension (“the new scheme pension”),

the new scheme pension is also to be a “relevant existing pension” (including for the purposes of this sub-paragraph).

Amount B (pre-6 April 2016 benefit crystallisation events)

- 11 (1) To determine amount B—

- (a) identify each benefit crystallisation event that has occurred in relation to the individual during the period beginning with 6 April 2006 and ending with 5 April 2016,

- (c) multiply each crystallised amount by the following fraction—

$$\frac{1,250,000}{\text{SLT}}$$

where SLT is an amount equal to what the standard lifetime allowance was at the time when the benefit crystallisation event in question occurred.

Status: This is the original version (as it was originally enacted).

- (2) Amount B is the sum of the crystallised amounts determined under sub-paragraph (1)(b) as adjusted under sub-paragraph (1)(c).

Amount C (uncrystallised rights at end of 5 April 2016 under registered pension schemes)

- 12 Amount C is the total value of the individual's uncrystallised rights at the end of 5 April 2016 under arrangements relating to the individual under registered pension schemes of which the individual is a member as determined in accordance with section 212 of FA 2004.

Amount D (uncrystallised rights at end of 5 April 2016 under relieved non-UK schemes)

- 13 (1) To determine amount D—
- (a) identify each relieved non-UK pension scheme of which the individual is a relieved member at the end of 5 April 2016, and
 - (b) in relation to each such scheme—
 - (i) assume that a benefit crystallisation event occurs in relation to the individual at the end of 5 April 2016, and
 - (ii) in accordance with paragraph 14 of Schedule 34 to FA 2004, determine what the untested portion of the relevant relieved amount would be immediately before the assumed benefit crystallisation event.
- (2) Amount D is the sum of the untested portions determined under sub-paragraph (1)(b)(ii).

CHAPTER 2

TAXATION OF ACTIVITIES OF PRODUCTION COMPANY

Separate orchestral trade

1217Q Separate orchestral trade

- (1) Subsection (2) applies to a company in relation to a concert if—
 - (a) the company qualifies for orchestra tax relief in relation to the production of the concert (see section 1217RA(2)), and
 - (b) the concert is not included in a concert series in relation to which the company has made an election under subsection (4).
- (2) The company's activities in relation to the production of the concert are treated as a trade separate from any other activities of the company (including activities in relation to the production of any other concert).
- (3) Subsections (4) and (5) apply to a company in relation to concerts in a series if the conditions in section 1217RA(4)(a), (b), (c) and (d) are met in relation to the company and the concert series.
- (4) The company may, for the purposes of this Part, make an election in relation to the concert series.
 See section 1217QA for provision about making an election.
- (5) Where the company makes an election in relation to a concert series (and accordingly qualifies for orchestra tax relief in relation to the production of the series), the company's activities in relation to the production of the concert series are treated as a trade separate from any other activities of the company (including activities in relation to the production of any other concert).
- (6) In this Part the separate trade mentioned in subsection (2) or (5) is called the "separate orchestral trade".
- (7) If the separate orchestral trade relates to a single concert, the company is treated as beginning to carry on that trade—
 - (a) at the beginning of the pre-performance stage of the concert, or
 - (b) if earlier, at the time of the first receipt by the company of any income from the production of the concert.

1217QA Election for concert series

- (1) An election under section 1217Q(4) must be made by the company by notice in writing to an officer of Her Majesty's Revenue and Customs before the date of the first concert in the series.

Status: This is the original version (as it was originally enacted).

- (2) An election has effect in relation to the orchestral concerts specified in it, and must also specify which of those concerts (if any) are not to be qualifying orchestral concerts (see section 1217RA(3)).
- (3) An election—
 - (a) may have effect in relation to concerts in two or more accounting periods, and
 - (b) is irrevocable.
- (4) If the separate orchestral trade relates to a concert series, the company is treated as beginning to carry on that trade—
 - (a) at the beginning of the pre-performance stage of the first concert in the series, or
 - (b) if earlier, at the time of the first receipt by the company of any income from the production of the concert series.

Profits and losses of separate orchestral trade

1217QB Calculation of profits or losses of separate orchestral trade

- (1) This section applies for the purpose of calculating the profits or losses of the separate orchestral trade.
- (2) For the first period of account during which the separate orchestral trade is carried on, the following are brought into account—
 - (a) as a debit, the costs of the production of the concert or concert series incurred to date;
 - (b) as a credit, the proportion of the estimated total income from that production treated as earned at the end of that period.
- (3) For subsequent periods of account the following are brought into account—
 - (a) as a debit, the difference between the amount (“C”) of the costs of the production of the concert or concert series incurred to date and the amount corresponding to C for the previous period, and
 - (b) as a credit, the difference between the proportion (“PI”) of the estimated total income from that production treated as earned at the end of that period and the amount corresponding to PI for the previous period.
- (4) The proportion of the estimated total income treated as earned at the end of a period of account is—

$$\frac{C}{T} \times I$$

where—

C is the total to date of costs incurred;

T is the estimated total cost of the production of the concert or concert series;

I is the estimated total income from the production of the concert or concert series.

1217QC Income from the production

- (1) References in this Chapter to income from a production of a concert or concert series are to any receipts by the company in connection with the production or exploitation of the concert or concert series.
- (2) This includes—
 - (a) receipts from the sale of tickets or of rights in the concert or concert series;
 - (b) royalties or other payments for use of the concert or concert series;
 - (c) payments for rights to produce merchandise;
 - (d) receipts by the company by way of a profit share agreement.
- (3) Receipts that (apart from this subsection) would be regarded as being of a capital nature are treated as being of a revenue nature.

1217QD Costs of the production

- (1) References in this Chapter to the costs of a production of a concert or concert series are to expenditure incurred by the company on—
 - (a) activities involved in developing and putting on the concert or concert series, or
 - (b) activities with a view to exploiting the concert or concert series.
- (2) This is subject to any provision of the Corporation Tax Acts prohibiting the making of a deduction, or restricting the extent to which a deduction is allowed, in calculating the profits of a trade.
- (3) Expenditure which, apart from this subsection, would be regarded as being of a capital nature only because it is incurred on the creation of an asset (the concert or concert series) is treated as being of a revenue nature.

1217QE When costs are taken to be incurred

- (1) For the purposes of this Chapter, the costs that have been incurred on a production of a concert or concert series at a given time do not include any amount that has not been paid unless it is the subject of an unconditional obligation to pay.
- (2) Where an obligation to pay an amount is linked to income being earned from the production of the concert or concert series, the obligation is not treated as having become unconditional unless an appropriate amount of income is or has been brought into account under section 1217QB.

1217QF Pre-trading expenditure

- (1) This section applies if, before the company begins to carry on the separate orchestral trade, it incurs expenditure on activities falling within section 1217QD(1)(a).
- (2) The expenditure may be treated as expenditure of the separate orchestral trade and as if incurred immediately after the company begins to carry on that trade.

- (3) If expenditure so treated has previously been taken into account for other tax purposes, the company must amend any relevant company tax return accordingly.
- (4) Any amendment or assessment necessary to give effect to subsection (3) may be made despite any limitation on the time within which an amendment or assessment may normally be made.

1217QG Estimates

Estimates for the purposes of section 1217QB must be made as at the balance sheet date for each period of account, on a just and reasonable basis taking into consideration all relevant circumstances.

CHAPTER 3

ORCHESTRA TAX RELIEF

Introduction

1217R Overview of orchestra tax relief

- (1) Relief under this Chapter (“orchestra tax relief”) is given by way of—
 - (a) additional deductions (see sections 1217RD to 1217RF), and
 - (b) orchestra tax credits (see sections 1217RG to 1217RJ).
- (2) See Schedule 18 to FA 1998 (in particular, Part 9D) for provision about the procedure for making claims for orchestra tax relief.

Companies qualifying for orchestra tax relief

1217RA Companies qualifying for orchestra tax relief

- (1) Subsection (2) applies in the case of an orchestral concert which is not included in a concert series in relation to which an election has been made under section 1217Q(4).
- (2) A company qualifies for orchestra tax relief in relation to the production of a concert if—
 - (a) the concert is a qualifying orchestral concert,
 - (b) the company is the production company in relation to the concert,
 - (c) the company intends that the concert should be performed live—
 - (i) before the paying public, or
 - (ii) for educational purposes, and
 - (d) the EEA expenditure condition is met in relation to the concert (see section 1217RB).
- (3) In this Part “qualifying orchestral concert” means an orchestral concert—
 - (a) in which the instrumentalists number at least 12, and

Status: This is the original version (as it was originally enacted).

- (b) in which none of the musical instruments to be played, or a minority of those instruments, is electronically or directly amplified.
- (4) A company qualifies for orchestra tax relief in relation to the production of a concert series if—
 - (a) the concert series is a qualifying orchestral concert series,
 - (b) the company is the production company in relation to every concert in the series,
 - (c) the company intends that all or a high proportion of the concerts in the series should be performed live—
 - (i) before the paying public, or
 - (ii) for educational purposes,
 - (d) the EEA expenditure condition is met in relation to the series, and
 - (e) the company has made an election under section 1217Q(4) in relation to the series.
- (5) In this section “qualifying orchestral concert series” means two or more orchestral concerts, all or a high proportion of which are qualifying orchestral concerts.
- (6) For the purposes of this section a concert is “live” if it is to an audience before whom the musicians are actually present.
- (7) A concert is not regarded as performed for educational purposes if the production company is, or is associated with, a person who—
 - (a) has responsibility for the beneficiaries, or
 - (b) is otherwise connected with the beneficiaries (for instance, by being their employer).
- (8) For the purposes of subsection (7), a production company is associated with a person (“P”) if—
 - (a) P controls the production company, or
 - (b) P is a company which is controlled by the production company or by a person who also controls the production company.
- (9) In this section—
 - “the beneficiaries” means persons for whose benefit the concert will or may be performed;
 - “control” has the same meaning as in Part 10 of CTA 2010 (see section 450 of that Act).
- (10) There is further related provision in section 1217RL (tax avoidance arrangements).

1217RB The EEA expenditure condition

- (1) The “EEA expenditure condition” is that at least 25% of the core expenditure on the production of the concert or concert series incurred by the company is EEA expenditure.
- (2) In this Part “EEA expenditure” means expenditure on goods or services that are provided from within the European Economic Area.

Status: This is the original version (as it was originally enacted).

- (3) Any apportionment of expenditure as between EEA and non-EEA expenditure for the purposes of this Part is to be made on a just and reasonable basis.
- (4) The Treasury may by regulations—
 - (a) amend the percentage specified in subsection (1);
 - (b) amend subsection (2).
- (5) See also sections 1217T and 1217TA (which are about the giving of relief provisionally on the basis that the EEA expenditure condition will be met).

1217RC “Core expenditure”

- (1) In this Part “core expenditure”, in relation to the production of a concert or concert series, means expenditure on the activities involved in producing the concert or concert series.
- (2) The reference in subsection (1) to “expenditure on the activities involved in producing the concert or concert series” includes expenditure on travel to and from a venue which is not a usual venue for concerts produced by the company.
- (3) But that reference does not include—
 - (a) expenditure on any matters not directly involved with putting on the concert or concerts (for instance, financing, marketing, legal services or storage),
 - (b) speculative expenditure on activities not involved with putting on the concert or concerts, and
 - (c) expenditure on the actual performance or performances (for instance, payments to musicians for their performances in the concert or concert series).

Additional deduction

1217RD Claim for additional deduction

- (1) A company which qualifies for orchestra tax relief in relation to the production of a concert or concert series may claim an additional deduction in relation to the production.
- (2) A claim under subsection (1) is made with respect to an accounting period.
- (3) Where a company has made a claim, the company is entitled to make an additional deduction, in accordance with section 1217RE, in calculating the profit or loss of the separate orchestral trade for the accounting period concerned.
- (4) Where the company tax return in which a claim is made is for an accounting period later than that in which the company begins to carry on the separate orchestral trade, the company must make any amendments of company tax returns for earlier periods that may be necessary.

Status: This is the original version (as it was originally enacted).

- (5) Any amendment or assessment necessary to give effect to subsection (4) may be made despite any limitation on the time within which an amendment or assessment may normally be made.

1217RE Amount of additional deduction

- (1) The amount of an additional deduction to which a company is entitled as a result of a claim under section 1217RD is calculated as follows.
- (2) For the first period of account during which the separate orchestral trade is carried on, the amount of the additional deduction is E, where E is—
- (a) so much of the qualifying expenditure incurred to date as is EEA expenditure, or
 - (b) if less, 80% of the total amount of qualifying expenditure incurred to date.

- (3) For any period of account after the first, the amount of the additional deduction is—

$$E - P$$

where E is—

- (a) so much of the qualifying expenditure incurred to date as is EEA expenditure, or
- (b) if less, 80% of the total amount of qualifying expenditure incurred to date, and

P is the total amount of the additional deductions given for previous periods.

- (4) The Treasury may by regulations amend the percentage specified in subsection (2) or (3).

1217RF “Qualifying expenditure”

- (1) In this Chapter “qualifying expenditure”, in relation to the production of a concert or concert series, means core expenditure (see section 1217RC) on the production that—
- (a) falls to be taken into account under sections 1217QB to 1217QG in calculating the profit or loss of the separate orchestral trade for tax purposes, and
 - (b) is not expenditure which is otherwise relievable.
- (2) For the purposes of this section expenditure is otherwise relievable if it is expenditure in respect of which (assuming a claim were made) the company would be entitled to—
- (a) film tax relief under Chapter 3 of Part 15,
 - (b) television tax relief under Chapter 3 of Part 15A,
 - (c) video games tax relief under Chapter 3 of Part 15B,
 - (d) an additional deduction under Part 15C (theatrical productions), or
 - (e) a theatre tax credit under Part 15C.

Orchestra tax credits

1217RG Orchestra tax credit claimable if company has surrenderable loss

- (1) A company which qualifies for orchestra tax relief in relation to the production of a concert or concert series may claim an orchestra tax credit in relation to the production for an accounting period in which the company has a surrenderable loss.
- (2) Section 1217RH sets out how to calculate the amount of any surrenderable loss that the company has in the accounting period.
- (3) A company making a claim may surrender the whole or part of its surrenderable loss in the accounting period.
- (4) The amount of the orchestra tax credit to which a company making a claim is entitled for the accounting period is 25% of the amount of the loss surrendered.
- (5) The company's available loss for the accounting period (see section 1217RH(2)) is reduced by the amount surrendered.

1217RH Amount of surrenderable loss

- (1) The company's surrenderable loss in the accounting period is—
 - (a) the company's available loss for the period in the separate orchestral trade (see subsections (2) and (3)), or
 - (b) if less, the available qualifying expenditure for the period (see subsections (4) and (5)).

- (2) The company's available loss for an accounting period is—

$$L + RUL$$

where—

L is the amount of the company's loss for the period in the separate orchestral trade, and

RUL is the amount of any relevant unused loss of the company (see subsection (3)).

- (3) The "relevant unused loss" of a company is so much of any available loss of the company for the previous accounting period as has not been—
 - (a) surrendered under section 1217RG, or
 - (b) carried forward under section 45 of CTA 2010 and set against profits of the separate orchestral trade.
- (4) For the first period of account during which the separate orchestral trade is carried on, the available qualifying expenditure is the amount that is E for that period for the purposes of section 1217RE(2).
- (5) For any period of account after the first, the available qualifying expenditure is—

$$E - S$$

Status: This is the original version (as it was originally enacted).

where—

E is the amount that is E for that period for the purposes of section 1217RE(3), and

S is the total amount previously surrendered under section 1217RG.

- (6) If a period of account of the separate orchestral trade does not coincide with an accounting period, any necessary apportionments are to be made by reference to the number of days in the periods concerned.

1217RI Payment in respect of orchestra tax credit

- (1) If a company—

- (a) is entitled to an orchestra tax credit for an accounting period, and
- (b) makes a claim,

the Commissioners for Her Majesty's Revenue and Customs ("the Commissioners") must pay the amount of the credit to the company.

- (2) An amount payable in respect of—

- (a) an orchestra tax credit, or
- (b) interest on an orchestra tax credit under section 826 of ICTA,

may be applied in discharging any liability of the company to pay corporation tax.

To the extent that it is so applied the Commissioners' liability under subsection (1) is discharged.

- (3) If the company's company tax return for the accounting period is enquired into by the Commissioners, no payment in respect of an orchestra tax credit for that period need be made before the Commissioners' enquiries are completed (see paragraph 32 of Schedule 18 to FA 1998).

In those circumstances the Commissioners may make a payment on a provisional basis of such amount as they consider appropriate.

- (4) No payment need be made in respect of an orchestra tax credit for an accounting period before the company has paid to the Commissioners any amount that it is required to pay for payment periods ending in that accounting period—

- (a) under PAYE regulations,
- (b) under section 966 of ITA 2007 (visiting performers), or
- (c) in respect of Class 1 national insurance contributions under Part 1 of the Social Security Contributions and Benefits Act 1992 or Part 1 of the Social Security Contributions and Benefits (Northern Ireland) Act 1992.

- (5) A payment in respect of an orchestra tax credit is not income of the company for any tax purpose.

1217RJ Limit on State aid

In accordance with [Commission Regulation \(EU\) No. 651/2014](#) of 17 June 2014 declaring certain categories of aid compatible with the internal market, the total amount of orchestra tax credits payable under section 1217RI in the case of any undertaking is not to exceed 50 million euros per year.

1217RK No account to be taken of amount if unpaid

- (1) In determining for the purposes of this Chapter the amount of costs incurred on a production of a concert or concert series at the end of a period of account, ignore any amount that has not been paid 4 months after the end of that period.
- (2) This is without prejudice to the operation of section 1217QE (when costs are taken to be incurred).

Anti-avoidance etc

1217RL Tax avoidance arrangements

- (1) A company does not qualify for orchestra tax relief in relation to the production of a concert or concert series if there are any tax avoidance arrangements relating to the production.
- (2) Arrangements are “tax avoidance arrangements” if their main purpose, or one of their main purposes, is the obtaining of a tax advantage.
- (3) In this section—
 - “arrangements” includes any scheme, agreement or understanding, whether or not legally enforceable;
 - “tax advantage” has the meaning given by section 1139 of CTA 2010.

1217RM Transactions not entered into for genuine commercial reasons

- (1) A transaction is to be ignored for the purpose of determining orchestra tax relief so far as the transaction is attributable to arrangements (other than tax avoidance arrangements) entered into otherwise than for genuine commercial reasons.
- (2) In this section “arrangements” and “tax avoidance arrangements” have the same meaning as in section 1217RL.

CHAPTER 4

LOSSES OF SEPARATE ORCHESTRAL TRADE

1217S Application of sections 1217SA to 1217SC

- (1) Sections 1217SA to 1217SC apply to a company which is treated under section 1217Q(2) or (5) as carrying on a separate trade in relation to the production of a concert or concert series.
- (2) In those sections—
 - (a) “the completion period” means the accounting period in which the company ceases to carry on the separate orchestral trade;
 - (b) “loss relief” includes any means by which a loss might be used to reduce the amount in respect of which a company, or any other person, is chargeable to tax.

1217SA Restriction on use of losses before completion period

- (1) Subsection (2) applies if a loss is made by the company in the separate orchestral trade in an accounting period preceding the completion period.
- (2) The loss is not available for loss relief, except to the extent that the loss may be carried forward under section 45 of CTA 2010 to be set against profits of the separate orchestral trade in a subsequent period.

1217SB Use of losses in the completion period

- (1) Subsection (2) applies if a loss made in the separate orchestral trade is carried forward under section 45 of CTA 2010 to the completion period.
- (2) So much (if any) of the loss as is not attributable to orchestra tax relief (see subsection (4)) may be treated for the purposes of loss relief as if it were a loss made in the completion period.
- (3) If a loss is made in the separate orchestral trade in the completion period, the amount of the loss that may be—
 - (a) deducted from total profits of the same or an earlier period under section 37 of CTA 2010, or
 - (b) surrendered as group relief under Part 5 of that Act,
 is restricted to the amount (if any) that is not attributable to orchestra tax relief (see subsection (4)).
- (4) The amount of a loss in any period that is attributable to orchestra tax relief is found by—
 - (a) calculating what the amount of the loss would have been if there had been no additional deduction under Chapter 3 in that or any earlier period, and
 - (b) deducting that amount from the total amount of the loss.
- (5) This section does not apply to loss surrendered, or treated as carried forward, under section 1217SC (terminal losses).

1217SC Terminal losses

(1) This section applies if—

- (a) the company ceases to carry on the separate orchestral trade, and
- (b) if the company had not ceased to carry on that trade, it could have carried forward an amount under section 45 of CTA 2010 to be set against profits of that trade in a later period (“the terminal loss”).

Below in this section the company is referred to as “company A” and the separate orchestral trade is referred to as “trade 1”.

(2) If company A—

- (a) is treated under section 1217Q(2) or (5) as carrying on a separate trade in relation to the production of another concert or concert series (“trade 2”), and
- (b) is carrying on trade 2 when it ceases to carry on trade 1,

company A may (on making a claim) make an election under subsection (3).

(3) The election is to have the terminal loss (or a part of it) treated as if it were a loss brought forward under section 45 of CTA 2010 to be set against the profits of trade 2 of the first accounting period beginning after the cessation and so on.

(4) Subsection (5) applies if—

- (a) another company (“company B”) is treated under section 1217Q(2) or (5) as carrying on a separate trade (“company B’s trade”) in relation to the production of another concert or concert series,
- (b) company B is carrying on that trade when company A ceases to carry on trade 1, and
- (c) company B is in the same group as company A for the purposes of Part 5 of CTA 2010 (group relief).

(5) Company A may surrender the loss (or a part of it) to company B.

(6) On the making of a claim by company B the amount surrendered is treated as if it were a loss brought forward by company B under section 45 of CTA 2010 to be set against the profits of company B’s trade of the first accounting period beginning after the cessation and so on.

(7) The Treasury may by regulations make administrative provision in relation to the surrender of a loss under subsection (5) and the resulting claim under subsection (6).

(8) “Administrative provision” means provision corresponding, subject to such adaptations or other modifications as appear to the Treasury to be appropriate, to that made by Part 8 of Schedule 18 to FA 1998 (company tax returns: claims for group relief).

CHAPTER 5

PROVISIONAL ENTITLEMENT TO RELIEF

1217T Provisional entitlement to relief

- (1) In relation to a company and the production of a concert or concert series, “interim accounting period” means any accounting period that—
 - (a) is one in which the company carries on a separate orchestral trade, and
 - (b) precedes the accounting period in which it ceases to do so.
- (2) A company is not entitled to orchestra tax relief for an interim accounting period unless—
 - (a) its company tax return for the period states the amount of planned core expenditure on the production of the concert or concert series that is EEA expenditure (see section 1217RB(2)), and
 - (b) that amount is such as to indicate that the EEA expenditure condition (see section 1217RB) will be met in relation to the production.

If those requirements are met, the company is provisionally treated in relation to that period as if the EEA expenditure condition were met.

1217TA Clawback of provisional relief

- (1) If a statement is made under section 1217T(2) but it subsequently appears that the EEA expenditure condition will not be met on the company’s ceasing to carry on the separate orchestral trade, the company—
 - (a) is not entitled to orchestra tax relief for any period for which its entitlement depended on such a statement, and
 - (b) must amend accordingly its company tax return for any such period.
- (2) When a company ceases to carry on the separate orchestral trade, the company’s company tax return for the period in which that cessation occurs must—
 - (a) state that the company has ceased to carry on the separate orchestral trade, and
 - (b) be accompanied by a final statement of the amount of the core expenditure on the production of the concert or concert series that is EEA expenditure.
- (3) If that statement shows that the EEA expenditure condition is not met—
 - (a) the company is not entitled to orchestra tax relief or to relief under section 1217SC (transfer of terminal losses) for any period, and
 - (b) must amend accordingly its company tax return for any period for which such relief was claimed.
- (4) Any amendment or assessment necessary to give effect to this section may be made despite any limitation on the time within which an amendment or assessment may normally be made.

357UJ Introduction and interpretation

- (1) This Chapter makes provision about the operation of Part 15D of CTA 2009 (orchestra tax relief) in relation to expenditure incurred by a company in an accounting period in which it is a Northern Ireland company.
- (2) In this Chapter—
 - (a) “Northern Ireland expenditure” means expenditure incurred in a trade to the extent that the expenditure forms part of the Northern Ireland profits or Northern Ireland losses of the trade;
 - (b) the “separate orchestral trade” has the same meaning as in Part 15D of CTA 2009 (see section 1217Q(6) of that Act);
 - (c) “qualifying expenditure” has the same meaning as in Chapter 3 of that Part (see section 1217RF of that Act).

357UK Northern Ireland additional deduction

- (1) In this Chapter “a Northern Ireland additional deduction” means so much of a deduction under section 1217RD of CTA 2009 (claim for additional deduction) as is calculated by reference to qualifying expenditure that is Northern Ireland expenditure.

- (2) A Northern Ireland additional deduction forms part of the Northern Ireland profits or Northern Ireland losses of the separate orchestral trade.

357UL Northern Ireland supplementary deduction

- (1) This section applies where—
- (a) a company is entitled under section 1217RD of CTA 2009 to an additional deduction in calculating the profit or loss of the separate orchestral trade in an accounting period,
 - (b) the company is a Northern Ireland company in the period,
 - (c) the additional deduction is wholly or partly a Northern Ireland additional deduction, and
 - (d) any of the following conditions is met—
 - (i) the company does not have a surrenderable loss in the accounting period;
 - (ii) the company has a surrenderable loss in the accounting period, but does not make a claim under section 1217RG of CTA 2009 (orchestra tax credit claimable if company has surrenderable loss) for the period;
 - (iii) the company has a surrenderable loss in the accounting period and makes a claim under that section for the period, but the amount of Northern Ireland losses surrendered on the claim is less than the Northern Ireland additional deduction.
- (2) The company is entitled to make another deduction (“a Northern Ireland supplementary deduction”) in respect of qualifying expenditure.
- (3) See section 357UM for provision about the amount of the Northern Ireland supplementary deduction.
- (4) The Northern Ireland supplementary deduction—
- (a) is made in calculating the profit or loss of the separate orchestral trade, and

357UM Northern Ireland supplementary deduction: amount

- (1) This section contains provision for the purposes of section 357UL(2) about the amount of the Northern Ireland supplementary deduction.
- (2) If the accounting period falls within only one financial year, the amount of the Northern Ireland supplementary deduction is—

$$(A - B) \times \left(\frac{(MR - NIR)}{NIR} \right)$$

where—

Status: This is the original version (as it was originally enacted).

A is the amount of the Northern Ireland additional deduction brought into account in the accounting period;

B is the amount of Northern Ireland losses surrendered in any claim under section 1217RG of CTA 2009 for the accounting period;

MR is the main rate for the financial year;

NIR is the Northern Ireland rate for the financial year.

- (3) If the accounting period falls within more than one financial year, the amount of the Northern Ireland supplementary deduction is determined by taking the following steps.

Step 1

Calculate, for each financial year, the amount that would be the Northern Ireland supplementary deduction for the accounting period if it fell within only that financial year (see subsection (2)).

Step 2

Multiply each amount calculated under step 1 by the proportion of the accounting period that falls within the financial year for which it is calculated.

Step 3

Add together each amount found under step 2.

357UN Orchestra tax credit: Northern Ireland supplementary deduction ignored

For the purpose of determining the available loss of a company under section 1217RH of CTA 2009 (amount of surrenderable loss) for any accounting period, any Northern Ireland supplementary deduction made by the company in the period (and any Northern Ireland supplementary deduction made in any previous accounting period) is to be ignored.

 - (a) a company makes an election under subsection (3) of that section (election to treat terminal loss as loss brought forward of different trade) in relation to all or part of a terminal loss, and

Payments and quasi-payments etc

259BB Meaning of “payment”, “quasi-payment”, “payer”, “payee” etc

- (1) In this Part “payment” means any transfer—
 - (a) of money or money’s worth directly or indirectly from one person (“the payer”) to one or more other persons, and
 - (b) in relation to which (disregarding this Part and any equivalent provision under the law of a territory outside the United Kingdom) an amount (a “relevant deduction”) may be deducted from the payer’s income for a taxable period (the “payment period”) for the purposes of calculating the payer’s taxable profits.
- (2) For the purposes of this Part, there is a “quasi-payment”, in relation to a taxable period (the “payment period”) of a person (“the payer”), if (disregarding this Part and any equivalent provision under the law of a territory outside the United Kingdom)—
 - (a) an amount (a “relevant deduction”) may be deducted from the payer’s income for that period for the purposes of calculating the payer’s taxable profits, and
 - (b) making the assumptions in subsection (4), it would be reasonable to expect an amount of ordinary income to arise to one or more other persons as a result of the circumstances giving rise to the relevant deduction.
- (3) But a quasi-payment does not arise under subsection (2) if—
 - (a) the relevant deduction is an amount that is deemed, under the law of the payer jurisdiction, to arise for tax purposes, and
 - (b) the circumstances giving rise to the relevant deduction do not include any economic rights, in substance, existing between the payer and a person mentioned in subsection (2)(b).
- (4) The assumptions are that (so far as would not otherwise be the case)—
 - (a) any question as to whether an entity is a distinct and separate person from the payer is determined in accordance with the law of the payer jurisdiction,

Status: This is the original version (as it was originally enacted).

- (b) any persons to whom amounts arise, or potentially arise, as a result of the circumstances giving rise to the relevant deduction adopt the same approach to accounting for those circumstances as the payer, and
 - (c) any persons to whom amounts arise, or potentially arise, as a result of those circumstances—
 - (i) are, under the law of the payer jurisdiction, resident in that jurisdiction for tax purposes, and
 - (ii) carry on a business, in connection with which those circumstances arise, in the payer jurisdiction.
- (5) In this Part—
 - (a) references to a quasi-payment include all the circumstances giving rise to the relevant deduction mentioned in subsection (2)(a), and
 - (b) references to a quasi-payment being made are to those circumstances arising.
- (6) In this Part “payee” means—
 - (a) in the case of a payment, any person—
 - (i) to whom the transfer is made as mentioned in subsection (1)(a), or
 - (ii) to whom an amount of ordinary income arises as a result of the payment, and
 - (b) in the case of a quasi-payment, any person—
 - (i) to whom it would be reasonable to expect an amount of ordinary income to arise as mentioned in subsection (2)(b), or
 - (ii) to whom an amount of ordinary income arises as a result of the quasi-payment.
- (7) For the purposes of this Part, in the case of a quasi-payment, the payer is “also a payee” if—
 - (a) an entity is not a distinct and separate person from the payer for the purposes of a tax charged under the law of the United Kingdom,
 - (b) that entity is a distinct and separate person from the payer for the purposes of a tax charged under the law of the payer jurisdiction, and
 - (c) it would be reasonable to expect an amount of ordinary income to arise to that entity as mentioned in subsection (2)(b).
- (8) In this section “payer jurisdiction” means the jurisdiction under the law of which the relevant deduction may (disregarding this Part and any equivalent provision under the law of a territory outside the United Kingdom) be deducted.
- (9) In this Part “payee jurisdiction”, in relation to a payee, means a territory in which—
 - (a) the payee is resident for tax purposes under the law of that territory, or
 - (b) the payee has a permanent establishment.

Status: This is the original version (as it was originally enacted).

Ordinary income

259BC The basic rules

- (1) This section has effect for the purposes of this Part.
- (2) “Ordinary income” means income that is brought into account, before any deductions, for the purposes of calculating the income or profits on which a relevant tax is charged (“taxable profits”).
- (3) But an amount of income is not brought into account for those purposes to the extent that it is excluded, reduced or offset by any exemption, exclusion, relief or credit—
 - (a) that applies specifically to all or part of the amount of income (as opposed to ordinary income generally), or
 - (b) that arises as a result of, or otherwise in connection with, a payment or quasi-payment that gives rise to the amount of income.
- (4) If all the relevant tax charged on taxable profits is, or falls to be, refunded, none of the income brought into account in calculating those taxable profits is “ordinary income”.
- (5) If a proportion of the relevant tax charged on taxable profits is, or falls to be, refunded, the amount of any income brought into account in calculating those taxable profits that is “ordinary income” is proportionally reduced.
- (6) For the purposes of subsections (4) and (5) an amount of relevant tax is refunded if and to the extent that—
 - (a) any repayment of relevant tax, or any payment in respect of a credit for relevant tax, is made to any person, and
 - (b) that repayment or payment is directly or indirectly in respect of the whole or part of the amount of relevant tax,but an amount refunded is to be ignored if and to the extent that it results from qualifying loss relief.
- (7) In subsection (6) “qualifying loss relief” means—
 - (a) any means by which a loss might be used for corporation tax or income tax purposes to reduce the amount in respect of which a person is liable to tax, or
 - (b) any corresponding means by which a loss corresponding to a relevant tax loss might be used for the purposes of a relevant tax other than corporation tax or income tax to reduce the amount in respect of which a person is liable to tax,(and in paragraph (b) “relevant tax loss” means a loss that might be used as mentioned in paragraph (a)).
- (8) References to an amount of ordinary income being “included in” taxable profits are to that amount being brought into account for the purposes of calculating those profits.
- (9) In this section “relevant tax” means a tax other than the CFC charge or a foreign CFC charge.

Status: This is the original version (as it was originally enacted).

- (10) Section 259BD contains provision for ordinary income to arise to chargeable companies by virtue of the CFC charge or a foreign CFC charge.

259BD Chargeable companies in respect of CFCs and foreign CFCs

- (1) This section has effect for the purposes of this Part.
- (2) Subsections (3) to (7) apply where an amount of income arises to an entity (“C”) that is a CFC, a foreign CFC or both and all or part of that amount (the “relevant income”)—
- (a) is not ordinary income of C under section 259BC, or
 - (b) arises as a result of a payment or quasi-payment under, or in connection with, a financial instrument or hybrid transfer arrangement and—
 - (i) is (disregarding subsection (4)) ordinary income of C under section 259BC for a taxable period, but
 - (ii) under taxed.
- (3) The following steps determine whether, and to what extent, the relevant income is “ordinary income” of a chargeable company in relation to the CFC charge or a foreign CFC charge.

Step 1

Determine—

- (a) whether any of the relevant income is brought into account in calculating C’s chargeable profits for the purposes of the CFC charge or a foreign CFC charge, and
- (b) if so, the amount of the relevant income that is so brought into account for the purposes of each relevant charge.

If none of the relevant income is so brought into account, then none of it is “ordinary income” of a chargeable company and no further steps are to be taken.

See subsections (10) to (12) for further provision about how this step is to be taken.

For the purposes of this section—

“relevant chargeable profits” are chargeable profits in relation to the calculation of which, for the purposes of the CFC charge or a foreign CFC charge, any of the relevant income is brought into account;

“relevant charge” means a charge in relation to which any of the relevant income is brought into account in calculating chargeable profits.

Step 2

In relation to each relevant charge, determine the proportion of C’s relevant chargeable profits, for the purposes of that charge, that is apportioned to each chargeable company.

For the purposes of this section, each chargeable company to which 25% or more of C’s relevant chargeable profits for the purposes of a relevant charge are apportioned is a “relevant chargeable company”.

Status: This is the original version (as it was originally enacted).

If there are no relevant chargeable companies in relation to any relevant charges, then none of the relevant income is “ordinary income” of a chargeable company and no further steps are to be taken.

Step 3

In relation to each relevant chargeable company, determine what is the appropriate proportion of the relevant income brought into account in calculating relevant chargeable profits, for the purposes of the relevant charge concerned.

That proportion of that income is “ordinary income” of that company for the taxable period for which that charge is charged on it by reference to those profits.

For the purposes of this step, the “appropriate proportion”, in relation to a relevant chargeable company, is the same as the proportion of the relevant chargeable profits that is apportioned to it for the purposes of the relevant charge.

- (4) An amount of relevant income that is ordinary income of a relevant chargeable company in accordance with subsection (3) is not ordinary income of C (so far as it otherwise would be).
- (5) Relevant chargeable profits apportioned to a relevant chargeable company for the purposes of a relevant charge are “taxable profits” of that company for the taxable period for which the charge is charged on it by reference to those profits.
- (6) The amount of the relevant income that is ordinary income of that relevant chargeable company under subsection (3), by virtue of being brought into account in calculating those relevant chargeable profits, is “included in” those taxable profits.
- (7) References to tax charged on taxable profits include a relevant charge charged by reference to relevant chargeable profits that are taxable profits under subsection (5).
- (8) For the purposes of subsection (2)(b), an amount of ordinary income is “under taxed” if the highest rate at which tax is charged, for C’s taxable period, on the taxable profits in which the amount is included, taking into account on a just and reasonable basis any credit for underlying tax, is less than C’s full marginal rate for that period.
- (9) In subsection (8)—
 - (a) C’s “full marginal rate” means the highest rate at which the tax that is chargeable on those taxable profits could be charged on taxable profits, of C for the taxable period, which include ordinary income that arises from, or in connection with, a financial instrument, and
 - (b) “credit for underlying tax” means a credit or relief given to reflect tax charged on profits that are wholly or partly used to fund (directly or indirectly) the payment or quasi-payment mentioned in subsection (2)(b).
- (10) For the purposes of step 1 in subsection (3), section 259BC(3) applies for the purposes of determining the extent to which an amount of relevant income

is brought into account in calculating chargeable profits as it applies for the purposes of determining the extent to which an amount of income is brought into account for the purposes of calculating taxable profits.

- (11) Subsection (12) applies for the purposes of step 1 in subsection (3), if—
- (a) the amount of income arising to C mentioned in subsection (2)—
 - (i) is not all relevant income, and
 - (ii) is only partly brought into account in calculating chargeable profits for the purposes of the CFC charge or a foreign CFC charge, and
 - (b) accordingly, it falls to be determined whether, and to what extent, the relevant income is brought into account in calculating those profits for the purposes of the charge concerned.
- (12) The relevant income is to be taken to be brought into account (if at all) only to the extent that the total amount of income mentioned in subsection (2) that is brought into account exceeds the amount of income mentioned in that subsection that is not relevant income.
- (13) In this section—
- “chargeable company”—
 - (a) in relation to the CFC charge, has the same meaning as in Part 9A (see section 371VA), and
 - (b) in relation to a foreign CFC charge, means an entity (by whatever name known) corresponding to a chargeable company within the meaning of that Part;
 - “chargeable profits”—
 - (a) in relation to the CFC charge, has the same meaning as in that Part (see that section), and
 - (b) in relation to a foreign CFC charge, means the concept (by whatever name known) corresponding to chargeable profits within the meaning of that Part;
 - “hybrid transfer arrangement” has the meaning given by section 259DB.

Hybrid entity etc

259BE Meaning of “hybrid entity”, “investor” and “investor jurisdiction”

- (1) For the purposes of this Part, an entity is “hybrid” if it meets conditions A and B.
- (2) Condition A is that the entity is regarded as being a person for tax purposes under the law of any territory.
- (3) Condition B is that—
- (a) some or all of the entity’s income or profits are treated (or would be if there were any) for the purposes of a tax charged under the law of any territory, as the income or profits of a person or persons other than the person mentioned in subsection (2), or
 - (b) under the law of a territory other than the one mentioned in subsection (2), the entity is not regarded as a distinct and separate

Status: This is the original version (as it was originally enacted).

person to an entity or entities that are distinct and separate persons under the law of the territory mentioned in that subsection.

- (4) For the purposes of this Part—
- (a) where subsection (3)(a) applies, a person who is treated as having the income or profits of the hybrid entity is an “investor” in it,
 - (b) where subsection (3)(b) applies, an entity that—
 - (i) is regarded as a distinct and separate person to the hybrid entity under the law of the territory mentioned in subsection (2), but
 - (ii) is not regarded as a distinct and separate person to the hybrid entity under the law of another territory,
 is an “investor” in the hybrid entity, and
 - (c) any territory under the law of which an investor is within the charge to a tax is an “investor jurisdiction” in relation to that investor.

Permanent establishments

259BF Meaning of “permanent establishment”

- (1) In this Part “permanent establishment” means anything that is—
 - (a) a permanent establishment of a company within the meaning of the Corporation Tax Acts (see section 1119 of CTA 2010), or
 - (b) within any similar concept under the law of a territory outside the United Kingdom.
- (2) A concept is not outside the scope of subsection (1)(b) by reason only that it is not based on Article 5 of a Model Tax Convention on Income and Capital published by the Organisation for Economic Cooperation and Development.

CHAPTER 3

HYBRID AND OTHER MISMATCHES FROM FINANCIAL INSTRUMENTS

Introduction

259C Overview of Chapter

- (1) This Chapter contains provision that counteracts hybrid or otherwise impermissible deduction/non-inclusion mismatches that it is reasonable to suppose would otherwise arise from payments or quasi-payments under, or in connection with, financial instruments.
- (2) The Chapter counteracts mismatches where the payer or a payee is within the charge to corporation tax and does so by altering the corporation tax treatment of the payer or a payee.
- (3) Section 259CA contains the conditions that must be met for this Chapter to apply.

Status: This is the original version (as it was originally enacted).

- (4) Section 259CB defines “hybrid or otherwise impermissible deduction/non-inclusion mismatch” and provides how the amount of the mismatch is to be calculated.
- (5) Section 259CC contains definitions of certain terms used in section 259CB.
- (6) Section 259CD contains provision that counteracts the mismatch where the payer is within the charge to corporation tax for the payment period.
- (7) Section 259CE contains provision that counteracts the mismatch where a payee is within the charge to corporation tax and neither section 259CD nor any equivalent provision under the law of a territory outside the United Kingdom fully counteracts the mismatch.
- (8) See also—
 - (a) section 259BB for the meaning of “payment”, “quasi-payment”, “payment period”, “relevant deduction”, “payer” and “payee”, and
 - (b) section 259N for the meaning of “financial instrument”.

Application of Chapter

259CA Circumstances in which the Chapter applies

- (1) This Chapter applies if conditions A to D are met.
- (2) Condition A is that a payment or quasi-payment is made under, or in connection with, a financial instrument.
- (3) Condition B is that—
 - (a) the payer is within the charge to corporation tax for the payment period, or
 - (b) a payee is within the charge to corporation tax for an accounting period some or all of which falls within the payment period.
- (4) Condition C is that it is reasonable to suppose that, disregarding the provisions mentioned in subsection (5), there would be a hybrid or otherwise impermissible deduction/non-inclusion mismatch in relation to the payment or quasi-payment (see section 259CB).
- (5) The provisions are—
 - (a) this Chapter and Chapters 5 to 10, and
 - (b) any equivalent provision under the law of a territory outside the United Kingdom.
- (6) Condition D is that—
 - (a) it is a quasi-payment that is made as mentioned in subsection (2) and the payer is also a payee (see section 259BB(7)),
 - (b) the payer and a payee are related (see section 259NC) at any time in the period—
 - (i) beginning with the day on which any arrangement is made by the payer or a payee in connection with the financial instrument, and
 - (ii) ending with the last day of the payment period, or

Status: This is the original version (as it was originally enacted).

- (c) the financial instrument, or any arrangement connected with it, is a structured arrangement.
- (7) The financial instrument, or an arrangement connected with it, is a “structured arrangement” if it is reasonable to suppose that—
 - (a) the financial instrument, or arrangement, is designed to secure a hybrid or otherwise impermissible deduction/non-inclusion mismatch, or
 - (b) the terms of the financial instrument or arrangement share the economic benefit of the mismatch between the parties to the instrument or arrangement or otherwise reflect the fact that the mismatch is expected to arise.
- (8) The financial instrument or arrangement may be designed to secure a hybrid or otherwise impermissible deduction/non-inclusion mismatch despite also being designed to secure any commercial or other objective.
- (9) Sections 259CD (cases where the payer is within the charge to corporation tax for the payment period) and 259CE (cases where a payee is within the charge to corporation tax) contain provision for the counteraction of the hybrid or otherwise impermissible deduction/non-inclusion mismatch.

259CB Hybrid or otherwise impermissible deduction/non-inclusion mismatches and their extent

- (1) There is a “hybrid or otherwise impermissible deduction/non-inclusion mismatch”, in relation to a payment or quasi-payment, if either or both of case 1 or 2 applies.
- (2) Case 1 applies where—
 - (a) the relevant deduction exceeds the sum of the amounts of ordinary income that, by reason of the payment or quasi-payment, arise to each payee for a permitted taxable period, and
 - (b) all or part of that excess arises by reason of the terms, or any other feature, of the financial instrument.
- (3) So far as the excess arises by reason of a relevant debt relief provision, it is to be taken not to arise by reason of the terms, or any other feature, of the financial instrument (whether or not it would have arisen by reason of the terms, or any other feature, of the financial instrument regardless of the relevant debt relief provision).
- (4) Subject to that and subsection (9), for the purposes of subsection (2)(b)—
 - (a) it does not matter whether the excess or part arises for another reason as well as the terms, or any other feature, of the financial instrument (even if it would have arisen for that other reason regardless of the terms, or any other feature, of the financial instrument), and
 - (b) an excess or part of an excess is to be taken to arise by reason of the terms, or any other feature, of the financial instrument (so far as would not otherwise be the case) if, on making such of the relevant assumptions in relation to each payee as apply in relation to that payee (see subsections (5) and (6)), it could arise by reason of the terms, or any other feature, of the financial instrument.

Status: This is the original version (as it was originally enacted).

- (5) These are the “relevant assumptions”—
- (a) where a payee is not within the charge to a tax under the law of a payee jurisdiction because the payee benefits from an exclusion, immunity, exemption or relief (however described) under that law, assume that the exclusion, immunity, exemption or relief does not apply;
 - (b) where an amount of income is not included in the ordinary income of a payee for the purposes of a tax charged under the law of a payee jurisdiction because the payment or quasi-payment is not made in connection with a business carried on by the payee in that jurisdiction, assume that the payment or quasi-payment is made in connection with such a business;
 - (c) where a payee is not within the charge to a tax under the law of any territory because there is no territory where the payee is—
 - (i) resident for the purposes of a tax charged under the law of that territory, or
 - (ii) within the charge to a tax under the law of that territory as a result of having a permanent establishment in that territory, assume that the payee is a company that is resident for tax purposes, and carries on a business in connection with which the payment or quasi-payment is made, in the United Kingdom.
- (6) Where the relevant assumption in subsection (5)(c) applies in relation to a payee the following provisions are to be disregarded in relation to that payee for the purposes of subsection (4)(b)—
- (a) section 441 of CTA 2009 (loan relationships for unallowable purposes);
 - (b) section 690 of that Act (derivative contracts for unallowable purposes);
 - (c) Part 4 (transfer pricing);
 - (d) this Part;
 - (e) Part 7 (tax treatment of financing costs and income).
- (7) Case 2 applies where there are one or more amounts of ordinary income (“under-taxed amounts”) that—
- (a) arise, by reason of the payment or quasi-payment, to a payee for a permitted taxable period, and
 - (b) are under taxed by reason of the terms, or any other feature, of the financial instrument.
- (8) Subject to subsection (9), for the purposes of subsection (7)(b) it does not matter whether an amount of ordinary income is under taxed for another reason as well as the terms, or any other feature, of the financial instrument (even if it would have been under taxed for that other reason regardless of the terms, or any other feature, of the financial instrument).
- (9) For the purposes of this section disregard—
- (a) any excess or part of an excess mentioned in subsection (2), and
 - (b) any under-taxed amount,
- that arises as a result of a payee being a relevant investment fund (see section 259NA).

Status: This is the original version (as it was originally enacted).

- (10) Where case 1 applies, the amount of the hybrid or otherwise impermissible deduction/non-inclusion mismatch is equal to the excess that arises as mentioned in subsection (2)(b).
- (11) Where case 2 applies, the amount of the hybrid or otherwise impermissible deduction/non-inclusion mismatch is equal to the sum of the amounts given in respect of each under-taxed amount by—

$$\frac{(UTA \times (FMR - R))}{FMR}$$

where—

“UTA” is the under-taxed amount;

“FMR” is the payee’s full marginal rate (expressed as a percentage) for the permitted taxable period for which the under-taxed amount arises;

“R” is the highest rate (expressed as a percentage) at which tax is charged on the taxable profits in which the under-taxed amount is included, taking into account on a just and reasonable basis the effect of any credit for underlying tax.

- (12) Where cases 1 and 2 both apply, the amount of the hybrid or otherwise impermissible deduction/non-inclusion mismatch is the sum of the amounts given by subsections (10) and (11).
- (13) See section 259CC for the meaning of “permitted taxable period”, “relevant debt relief provision” and “under taxed”.

259CC Interpretation of section 259CB

- (1) This section has effect for the purposes of section 259CB.
- (2) A taxable period of a payee is “permitted” in relation to an amount of ordinary income that arises as a result of the payment or quasi-payment if—
- (a) the period begins before the end of 12 months after the end of the payment period, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
 - (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.
- (3) Each of these is a “relevant debt relief provision”—
- (a) section 322 of CTA 2009 (release of debts: cases where credits not required to be brought into account),
 - (b) section 357 of that Act (insolvent creditors),
 - (c) section 358 of that Act (exclusion of credits on release of connected companies’ debts: general),
 - (d) section 359 of that Act (exclusion of credits on release of connected companies’ debts during creditor’s insolvency),
 - (e) section 361C of that Act (the equity-for-debt exception),

Status: This is the original version (as it was originally enacted).

- (f) section 361D of that Act (corporate rescue: debt released shortly after acquisition), and
 - (g) section 362A of that Act (corporate rescue: debt released shortly after connection arises).
- (4) An amount of ordinary income of a payee, for a permitted taxable period, is “under taxed” if the highest rate at which tax is charged on the taxable profits of the payee in which the amount is included, taking into account on a just and reasonable basis the effect of any credit for underlying tax, is less than the payee’s full marginal rate for that period.
- (5) The payee’s “full marginal rate” means the highest rate at which the tax that is chargeable on the taxable profits mentioned in subsection (4) could be charged on taxable profits, of the payee for the permitted taxable period, which include ordinary income that arises from, or in connection with, a financial instrument.
- (6) A “credit for underlying tax” means a credit or relief given to reflect tax charged on profits that are wholly or partly used to fund (directly or indirectly) the payment or quasi-payment.

Counteraction

259CD Counteraction where the payer is within the charge to corporation tax for the payment period

- (1) This section applies where the payer is within the charge to corporation tax for the payment period.
- (2) For corporation tax purposes, the relevant deduction that may be deducted from the payer’s income for the payment period is reduced by an amount equal to the hybrid or otherwise impermissible deduction/non-inclusion mismatch mentioned in section [259CA\(4\)](#).

259CE Counteraction where a payee is within the charge to corporation tax

- (1) This section applies in relation to a payee where—
 - (a) the payee is within the charge to corporation tax for an accounting period some or all of which falls within the payment period, and
 - (b) it is reasonable to suppose that—
 - (i) neither section [259CD](#) nor any equivalent provision under the law of a territory outside the United Kingdom applies, or
 - (ii) a provision of the law of a territory outside the United Kingdom that is equivalent to section [259CD](#) applies, but does not fully counteract the hybrid or otherwise impermissible deduction/non-inclusion mismatch mentioned in section [259CA\(4\)](#).
- (2) A provision of the law of a territory outside the United Kingdom that is equivalent to section [259CD](#) does not fully counteract that mismatch if (and only if)—
 - (a) it does not reduce the relevant deduction by the full amount of the mismatch, and

Status: This is the original version (as it was originally enacted).

- (b) the payer is still able to deduct some of the relevant deduction from income in calculating taxable profits.
- (3) In this section “the relevant amount” is—
 - (a) in a case where subsection (1)(b)(i) applies, an amount equal to the hybrid or otherwise impermissible deduction/non-inclusion mismatch mentioned in section 259CA(4), or
 - (b) in a case where subsection (1)(b)(ii) applies, the lesser of—
 - (i) the amount by which that mismatch exceeds the amount by which it is reasonable to suppose the relevant deduction is reduced by a provision under the law of a territory outside the United Kingdom that is equivalent to section 259CD, and
 - (ii) the amount of the relevant deduction that may still be deducted as mentioned in subsection (2)(b).
- (4) If the payee is the only payee, the relevant amount is to be treated as income arising to the payee for the counteraction period.
- (5) If there is more than one payee, an amount equal to the payee’s share of the relevant amount is to be treated as income arising to the payee for the counteraction period.
- (6) The payee’s share of the relevant amount is to be determined by apportioning that amount between all the payees on a just and reasonable basis, having regard (in particular)—
 - (a) to any arrangements as to profit sharing that may exist between some or all of the payees,
 - (b) to whom any under-taxed amounts (within the meaning given by section 259CB(7)) arise, and
 - (c) to whom any amounts of ordinary income that it would be reasonable to expect to arise as a result of the payment or quasi-payment, but that do not arise, would have arisen.
- (7) An amount of income that is treated as arising under subsection (4) or (5) is chargeable under Chapter 8 of Part 10 of CTA 2009 (income not otherwise charged) (despite section 979(2) of that Act).
- (8) The “counteraction period” means—
 - (a) if an accounting period of the payee coincides with the payment period, that accounting period, or
 - (b) otherwise, the first accounting period of the payee that is wholly or partly within the payment period.

CHAPTER 4

HYBRID TRANSFER DEDUCTION/NON-INCLUSION MISMATCHES

Introduction

259D Overview of Chapter

- (1) This Chapter contains provision that counteracts deduction/non-inclusion mismatches that it is reasonable to suppose would otherwise arise from payments or quasi-payments as a consequence of hybrid transfer arrangements.
- (2) The Chapter counteracts mismatches where the payer or a payee is within the charge to corporation tax and does so by altering the corporation tax treatment of the payer or a payee.
- (3) Section 259DA contains the conditions that must be met for this Chapter to apply.
- (4) Section 259DB defines “hybrid transfer arrangement”.
- (5) Section 259DC defines “hybrid transfer deduction/non-inclusion mismatch” and provides how the amount of the mismatch is to be calculated.
- (6) Section 259DD contains definitions of certain terms used in section 259DC.
- (7) Section 259DE contains provision in connection with excluding mismatches from counteraction by the Chapter where they arise as a consequence of the tax treatment of a financial trader.
- (8) Section 259DF contains provision that counteracts the mismatch where the payer is within the charge to corporation tax for the payment period.
- (9) Section 259DG contains provision that counteracts the mismatch where a payee is within the charge to corporation tax and neither section 259DF nor any equivalent provision under the law of a territory outside the United Kingdom fully counteracts the mismatch.
- (10) See also section 259BB for the meaning of “payment”, “quasi-payment”, “payment period”, “relevant deduction”, “payer” and “payee”.

Application of Chapter

259DA Circumstances in which the Chapter applies

- (1) This Chapter applies if conditions A to E are met.
- (2) Condition A is that there is a hybrid transfer arrangement in relation to an underlying instrument (see section 259DB).
- (3) Condition B is that a payment or quasi-payment is made under or in connection with—

Status: This is the original version (as it was originally enacted).

- (a) the hybrid transfer arrangement, or
 - (b) the underlying instrument.
- (4) Condition C is that—
 - (a) the payer is within the charge to corporation tax for the payment period, or
 - (b) a payee is within the charge to corporation tax for an accounting period some or all of which falls within the payment period.
- (5) Condition D is that it is reasonable to suppose that, disregarding this Part and any equivalent provision under the law of a territory outside the United Kingdom, there would be a hybrid transfer deduction/non-inclusion mismatch in relation to the payment or quasi-payment (see section 259DC).
- (6) Condition E is that—
 - (a) it is a quasi-payment that is made as mentioned in subsection (3) and the payer is also a payee (see section 259BB(7)),
 - (b) the payer and a payee are related (see section 259NC) at any time in the period—
 - (i) beginning with the day on which the hybrid transfer arrangement is made, and
 - (ii) ending with the last day of the payment period, or
 - (c) the hybrid transfer arrangement is a structured arrangement.
- (7) The hybrid transfer arrangement is a “structured arrangement” if it is reasonable to suppose that—
 - (a) the hybrid transfer arrangement is designed to secure a hybrid transfer deduction/non-inclusion mismatch, or
 - (b) the terms of the hybrid transfer arrangement share the economic benefit of the mismatch between the parties to the arrangement or otherwise reflect the fact that the mismatch is expected to arise.
- (8) The hybrid transfer arrangement may be designed to secure a hybrid transfer deduction/non-inclusion mismatch despite also being designed to secure any commercial or other objective.
- (9) Sections 259DF (cases where the payer is within the charge to corporation tax for the payment period) and 259DG (cases where a payee is within the charge to corporation tax) make provision for the counteraction of the hybrid transfer deduction/non-inclusion mismatch.

259DB Meaning of “hybrid transfer arrangement”, “underlying instrument” etc

- (1) This section has effect for the purposes of this Chapter.
- (2) A “hybrid transfer arrangement” means—
 - (a) a repo,
 - (b) a stock lending arrangement, or
 - (c) any other arrangement,
 that is an arrangement within subsection (3).

Status: This is the original version (as it was originally enacted).

- (3) An arrangement is within this subsection if it provides for, or relates to, the transfer of a financial instrument (“the underlying instrument”) and—
 - (a) the dual treatment condition is met in relation to the arrangement, or
 - (b) a substitute payment could be made under the arrangement.
- (4) The dual treatment condition is met in relation to the arrangement if—
 - (a) in relation to a person, for the purposes of a tax—
 - (i) the arrangement is regarded as equivalent, in substance, to a transaction for the lending of money at interest, and
 - (ii) a payment or quasi-payment made under, or in connection with, the arrangement or the underlying instrument could be treated so as to reflect the fact the arrangement is so regarded, and
 - (b) in relation to another person, for the purposes of a tax (whether or not the same one), such a payment or quasi-payment would not be treated so as to reflect the arrangement being regarded as equivalent, in substance, to a transaction for the lending of money at interest.
- (5) A payment or quasi-payment is a “substitute payment” if—
 - (a) it consists of or involves—
 - (i) an amount being paid, or
 - (ii) a benefit being given (including the release of the whole or part of any liability to pay an amount),
 - (b) that amount, or the value of that benefit, is representative of a return of any kind (“the underlying return”) that arises on, or in connection with, the underlying instrument, and
 - (c) the amount is paid, or the benefit is given, to someone other than the person to whom the underlying return arises.
- (6) For the purposes of subsection (3) where there is an arrangement, to which a person (“P”) and another person (“Q”) are party, under which—
 - (a) a financial instrument (“the first instrument”) ceases to be owned by P (whether or not because it ceases to exist), and
 - (b) Q comes to own a financial instrument (“the second instrument”) under which Q has the same, or substantially the same, rights and liabilities as P had under the first instrument,the second instrument is to be treated as being transferred from P to Q.

259DC Hybrid transfer deduction/non-inclusion mismatches and their extent

- (1) There is a “hybrid transfer deduction/non-inclusion mismatch”, in relation to a payment or quasi-payment, if either or both of case 1 or 2 applies.
- (2) Case 1 applies where—
 - (a) the relevant deduction exceeds the sum of the amounts of ordinary income that, by reason of the payment or quasi-payment, arise to each payee for a permitted taxable period, and
 - (b) all or part of that excess arises for a reason mentioned in subsection (8).
- (3) Subject to subsection (9), for the purposes of subsection (2)(b)—

Status: This is the original version (as it was originally enacted).

- (a) it does not matter whether the excess or part arises for another reason as well (even if it would have arisen for that other reason regardless of any reasons mentioned in subsection (8)), and
 - (b) an excess or part of an excess is to be taken to arise for a reason mentioned in subsection (8) (so far as would not otherwise be the case) if, on making such of the relevant assumptions in relation to each payee as apply in relation to that payee (see subsections (4) and (5))), it could arise for a reason mentioned in subsection (8).
- (4) These are the “relevant assumptions”—
 - (a) where a payee is not within the charge to a tax under the law of a payee jurisdiction because the payee benefits from an exclusion, immunity, exemption or relief (however described) under that law, assume that the exclusion, immunity, exemption or relief does not apply;
 - (b) where an amount of income is not included in the ordinary income of a payee for the purposes of a tax charged under the law of a payee jurisdiction because the payment or quasi-payment is not made in connection with a business carried on by the payee in that jurisdiction, assume that the payment or quasi-payment is made in connection with such a business;
 - (c) where a payee is not within the charge to a tax under the law of any territory because there is no territory where the payee is—
 - (i) resident for the purposes of a tax charged under the law of that territory, or
 - (ii) within the charge to a tax under the law of that territory as a result of having a permanent establishment in that territory, assume that the payee is a company that is resident for tax purposes, and carries on a business in connection with which the payment or quasi-payment is made, in the United Kingdom.
- (5) Where the relevant assumption in subsection (4)(c) applies in relation to a payee the following provisions are to be disregarded in relation to that payee for the purposes of subsection (3)(b)—
 - (a) section 441 of CTA 2009 (loan relationships for unallowable purposes);
 - (b) Part 4 (transfer pricing);
 - (c) this Part;
 - (d) Part 7 (tax treatment of financing costs and income).
- (6) Case 2 applies where there are one or more amounts of ordinary income (“under-taxed amounts”) that—
 - (a) arise, by reason of the payment or quasi-payment, to a payee for a permitted taxable period, and
 - (b) are under taxed for a reason mentioned in subsection (8).
- (7) Subject to subsection (9), for the purposes of subsection (6)(b) it does not matter whether an amount of ordinary income is under taxed for another reason as well (even if it would have been under taxed for that other reason regardless of any reason mentioned in subsection (8)).
- (8) The reasons are—

Status: This is the original version (as it was originally enacted).

- (a) the dual treatment condition being met in relation to a hybrid transfer arrangement under, or in connection with, which the payment or quasi-payment is made (see section 259DB(4));
 - (b) the payment or quasi-payment being a substitute payment.
- (9) For the purposes of this section, disregard—
 - (a) any excess or part of an excess mentioned in subsection (2), and
 - (b) any under-taxed amount,in relation to which the financial trader exclusion applies (see section 259DE) or that arises as a result of a payee being a relevant investment fund (see section 259NA).
- (10) Where case 1 applies, the amount of the hybrid transfer deduction/non-inclusion mismatch is equal to the excess that arises as mentioned in subsection (2)(b).
- (11) Where case 2 applies, the amount of the hybrid transfer deduction/non-inclusion mismatch is equal to the sum of the amounts given in respect of each under-taxed amount by—
$$\frac{(\text{UTA} \times (\text{FMR} - \text{R}))}{\text{FMR}}$$
where—
 - “UTA” is the under-taxed amount;
 - “FMR” is the payee’s full marginal rate (expressed as a percentage) for the permitted taxable period for which the under-taxed amount arises;
 - “R” is the highest rate (expressed as a percentage) at which tax is charged on the taxable profits in which the under-taxed amount is included, taking into account on a just and reasonable basis the effect of any credit for underlying tax.
- (12) Where cases 1 and 2 both apply, the amount of the hybrid transfer deduction/non-inclusion mismatch is the sum of the amounts given by subsections (10) and (11).
- (13) See section 259DD for the meaning of “permitted taxable period” and “under taxed”.

259DD Interpretation of section 259DC

- (1) This section has effect for the purposes of section 259DC.
- (2) A taxable period of a payee is “permitted” in relation to an amount of ordinary income that arises as a result of the payment or quasi-payment if—
 - (a) the period begins before the end of 12 months after the end of the payment period, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
 - (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

Status: This is the original version (as it was originally enacted).

- (3) An amount of ordinary income of a payee, for a permitted taxable period, is “under taxed” if the highest rate at which tax is charged on the taxable profits of the payee in which the amount is included, taking into account on a just and reasonable basis the effect of any credit for underlying tax, is less than the payee’s full marginal rate for that period.
- (4) The payee’s “full marginal rate” means the highest rate at which the tax that is chargeable on the taxable profits mentioned in subsection (3) could be charged on taxable profits, of the payee for the permitted taxable period, which include ordinary income that arises from, or in connection with, a financial instrument.
- (5) A “credit for underlying tax” means a credit or relief given to reflect tax charged on profits that are wholly or partly used to fund (directly or indirectly) the payment or quasi-payment.

259DE The financial trader exclusion

- (1) This section has effect for the purposes of section 259DC(9).
- (2) The financial trader exclusion applies, in relation to an excess or part of an excess mentioned in section 259DC(2) or an under-taxed amount, where conditions A to C are met.
- (3) Condition A is that the excess or part arises, or the under-taxed amount is under taxed, because the payment or quasi-payment—
 - (a) is a substitute payment,
 - (b) is treated, for the purposes of tax charged on a person, so as to reflect the fact that it is representative of the underlying return, and
 - (c) is brought into account by another person (“the financial trader”) in calculating the profits of a trade under—
 - (i) Part 3 of CTA 2009 (trading income), or
 - (ii) an equivalent provision of the law of a territory outside the United Kingdom.
- (4) Condition B is that the financial trader also brings any associated payments into account as mentioned in subsection (3)(c).
- (5) In subsection (4) “associated payment” means a payment or quasi-payment—
 - (a) in relation to which the financial trader is the payer or a payee, and
 - (b) that is made under, or in connection with, the underlying instrument or an arrangement that relates to the underlying instrument.
- (6) Condition C is that—
 - (a) if the underlying return were to arise, and be paid directly, to the payee or payees in relation to the substitute payment, neither Chapter 3 (hybrid and other mismatches from financial instruments) nor any equivalent provision under the law of a territory outside the United Kingdom would apply, and
 - (b) the hybrid transfer arrangement under, or in connection with, which the substitute payment is made is not a structured arrangement (within the meaning given by section 259DA(7) and (8)).

Counteraction

259DF Counteraction where the payer is within the charge to corporation tax for the payment period

- (1) This section applies where the payer is within the charge to corporation tax for the payment period.
- (2) For corporation tax purposes, the relevant deduction that may be deducted from the payer's income for the payment period is reduced by an amount equal to the hybrid transfer deduction/non-inclusion mismatch mentioned in section 259DA(5).

259DG Counteraction where a payee is within the charge to corporation tax

- (1) This section applies in relation to a payee where—
 - (a) the payee is within the charge to corporation tax for an accounting period some or all of which falls within the payment period, and
 - (b) it is reasonable to suppose that—
 - (i) neither section 259DF nor any equivalent provision under the law of a territory outside the United Kingdom applies, or
 - (ii) a provision of the law of a territory outside the United Kingdom that is equivalent to section 259DF applies, but does not fully counteract the hybrid transfer deduction/non-inclusion mismatch mentioned in section 259DA(5).
- (2) A provision of the law of a territory outside the United Kingdom that is equivalent to section 259DF does not fully counteract that mismatch if (and only if)—
 - (a) it does not reduce the relevant deduction by the full amount of the mismatch, and
 - (b) the payer is still able to deduct some of the relevant deduction from income in calculating taxable profits.
- (3) In this section “the relevant amount” is—
 - (a) in a case where subsection (1)(b)(i) applies, an amount equal to the hybrid transfer deduction/non-inclusion mismatch mentioned in section 259DA(5), or
 - (b) in a case where subsection (1)(b)(ii) applies, the lesser of—
 - (i) the amount by which that mismatch exceeds the amount by which it is reasonable to suppose the relevant deduction is reduced by a provision under the law of a territory outside the United Kingdom that is equivalent to section 259DF, and
 - (ii) the amount of the relevant deduction that may still be deducted as mentioned in subsection (2)(b).
- (4) If the payee is the only payee, the relevant amount is to be treated as income arising to the payee for the counteraction period.

Status: This is the original version (as it was originally enacted).

- (5) If there is more than one payee, an amount equal to the payee's share of the relevant amount is to be treated as income arising to the payee for the counteraction period.
- (6) The payee's share of the relevant amount is to be determined by apportioning that amount between all the payees on a just and reasonable basis, having regard (in particular)—
 - (a) to any arrangements as to profit sharing that may exist between some or all of the payees,
 - (b) to whom any under-taxed amounts (within the meaning given by section 259DC(6)) arise, and
 - (c) to whom any amounts of ordinary income that it would be reasonable to expect to arise as a result of the payment or quasi-payment, but that do not arise, would have arisen.
- (7) An amount of income that is treated as arising under subsection (4) or (5) is chargeable under Chapter 8 of Part 10 of CTA 2009 (income not otherwise charged) (despite section 979(2) of that Act).
- (8) The "counteraction period" means—
 - (a) if an accounting period of the payee coincides with the payment period, that accounting period, or
 - (b) otherwise, the first accounting period of the payee that is wholly or partly within the payment period.

CHAPTER 5

HYBRID PAYER DEDUCTION/NON-INCLUSION MISMATCHES

Introduction

259E Overview of Chapter

- (1) This Chapter contains provision that counteracts deduction/non-inclusion mismatches that it is reasonable to suppose would otherwise arise from payments or quasi-payments because the payer is a hybrid entity.
- (2) The Chapter counteracts mismatches where the payer or a payee is within the charge to corporation tax and does so by altering the corporation tax treatment of the payer or a payee.
- (3) Section 259EA contains the conditions that must be met for this Chapter to apply.
- (4) Section 259EB defines "hybrid payer deduction/non-inclusion mismatch" and provides how the amount of the mismatch is to be calculated.
- (5) Section 259EC contains provision that counteracts the mismatch where the payer is within the charge to corporation tax for the payment period.
- (6) Section 259ED contains provision that counteracts the mismatch where a payee is within the charge to corporation tax and the mismatch is not fully

counteracted by provision under the law of a territory outside the United Kingdom that is equivalent to section 259EC.

(7) See also—

- (a) section 259BB for the meaning of “payment”, “quasi-payment”, “payment period”, “relevant deduction”, “payer” and “payee”, and
- (b) section 259BE for the meaning of “hybrid entity”, “investor” and “investor jurisdiction”.

Application of Chapter

259EA Circumstances in which the Chapter applies

- (1) This Chapter applies if conditions A to E are met.
- (2) Condition A is that a payment or quasi-payment is made under, or in connection with, an arrangement.
- (3) Condition B is that the payer is a hybrid entity (“the hybrid payer”).
- (4) Condition C is that—
 - (a) the hybrid payer is within the charge to corporation tax for the payment period, or
 - (b) a payee is within the charge to corporation tax for an accounting period some or all of which falls within the payment period.
- (5) Condition D is that it is reasonable to suppose that, disregarding the provisions mentioned in subsection (6), there would be a hybrid payer deduction/non-inclusion mismatch in relation to the payment or quasi-payment (see section 259EB).
- (6) The provisions are—
 - (a) this Chapter and Chapters 6 to 10, and
 - (b) any equivalent provision under the law of a territory outside the United Kingdom.
- (7) Condition E is that—
 - (a) it is a quasi-payment that is made as mentioned in subsection (2) and the hybrid payer is also a payee (see section 259BB(7)),
 - (b) the hybrid payer and a payee are in the same control group (see section 259NB) at any time in the period—
 - (i) beginning with the day on which the arrangement mentioned in subsection (2) is made, and
 - (ii) ending with the last day of the payment period, or
 - (c) that arrangement is a structured arrangement.
- (8) The arrangement is “structured” if it is reasonable to suppose that—
 - (a) the arrangement is designed to secure a hybrid payer deduction/non-inclusion mismatch, or
 - (b) the terms of the arrangement share the economic benefit of the mismatch between the parties to the arrangement or otherwise reflect the fact that the mismatch is expected to arise.

Status: This is the original version (as it was originally enacted).

- (9) The arrangement may be designed to secure a hybrid payer deduction/non-inclusion mismatch despite also being designed to secure any commercial or other objective.
- (10) Sections 259EC (cases where the hybrid payer is within the charge to corporation tax for the payment period) and 259ED (cases where a payee is within the charge to corporation tax) contain provision for the counteraction of the hybrid payer deduction/non-inclusion mismatch.

259EB Hybrid payer deduction/non-inclusion mismatches and their extent

- (1) There is a “hybrid payer deduction/non-inclusion mismatch”, in relation to a payment or quasi-payment, if—
 - (a) the relevant deduction exceeds the sum of the amounts of ordinary income that, by reason of the payment or quasi-payment, arise to each payee for a permitted taxable period, and
 - (b) all or part of that excess arises by reason of the hybrid payer being a hybrid entity.
- (2) The amount of the hybrid payer deduction/non-inclusion mismatch is equal to the excess that arises as mentioned in subsection (1)(b).
- (3) For the purposes of subsection (1)(b)—
 - (a) it does not matter whether the excess or part arises for another reason as well (even if it would have arisen for that other reason regardless of whether the hybrid payer is a hybrid entity), and
 - (b) an excess or part of an excess is to be taken to arise by reason of the hybrid payer being a hybrid entity (so far as would not otherwise be the case) if, on making such of the relevant assumptions in relation to each payee as apply in relation to that payee (see subsection (4)), it could arise by reason of the hybrid payer being a hybrid entity.
- (4) These are the “relevant assumptions”—
 - (a) where a payee is not within the charge to a tax under the law of a payee jurisdiction because the payee benefits from an exclusion, immunity, exemption or relief (however described) under that law, assume that the exclusion, immunity, exemption or relief does not apply;
 - (b) where an amount of income is not included in the ordinary income of a payee for the purposes of a tax charged under the law of a payee jurisdiction because the payment or quasi-payment is not made in connection with a business carried on by the payee in that jurisdiction, assume that the payment or quasi-payment is made in connection with such a business.
- (5) A taxable period of a payee is “permitted” in relation to an amount of ordinary income that arises as a result of the payment or quasi-payment if—
 - (a) the period begins before the end of 12 months after the end of the payment period, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and

Status: This is the original version (as it was originally enacted).

- (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

Counteraction

259EC Counteraction where the hybrid payer is within the charge to corporation tax for the payment period

- (1) This section applies where the hybrid payer is within the charge to corporation tax for the payment period.
- (2) For corporation tax purposes, the relevant deduction so far as it does not exceed the hybrid payer deduction/non-inclusion mismatch mentioned in section 259EA(5) (“the restricted deduction”) may not be deducted from the hybrid payer’s income for the payment period unless it is deducted from dual inclusion income for that period.
- (3) So much of the restricted deduction (if any) as, by virtue of subsection (2), cannot be deducted from the payer’s income for the payment period—
 - (a) is carried forward to subsequent accounting periods of the payer, and
 - (b) for corporation tax purposes, may be deducted from dual inclusion income for any such period (and not from any other income), so far as it cannot be deducted under this paragraph for an earlier period.
- (4) In this section “dual inclusion income” of the payer for an accounting period means an amount that arises in connection with the arrangement mentioned in section 259EA(2) and is both—
 - (a) ordinary income of the payer for that period for corporation tax purposes, and
 - (b) ordinary income of an investor in the payer for a permitted taxable period for the purposes of any tax charged under the law of an investor jurisdiction.
- (5) A taxable period of an investor is “permitted” for the purposes of paragraph (b) of subsection (4) if—
 - (a) the period begins before the end of 12 months after the end of the accounting period mentioned in paragraph (a) of that subsection, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
 - (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

259ED Counteraction where a payee is within the charge to corporation tax

- (1) This section applies in relation to a payee where—
 - (a) the payee is within the charge to corporation tax for an accounting period some or all of which falls within the payment period, and
 - (b) it is reasonable to suppose that—
 - (i) no provision under the law of a territory outside the United Kingdom that is equivalent to section 259EC applies, or

Status: This is the original version (as it was originally enacted).

- (ii) such a provision does apply, but does not fully counteract the hybrid payer deduction/non-inclusion mismatch mentioned in section 259EA(5).
- (2) A provision of the law of a territory outside the United Kingdom that is equivalent to section 259EC does not fully counteract that mismatch if (and only if)—
 - (a) the amount of the relevant deduction that the provision prevents from being deducted from income of the hybrid payer, for the payment period, other than dual inclusion income, is less than the amount of the mismatch, and
 - (b) the hybrid payer is still able to deduct some of the relevant deduction from income, for the payment period, that is not dual inclusion income.
- (3) In this section “the relevant amount” is—
 - (a) in a case where subsection (1)(b)(i) applies, an amount equal to the hybrid payer deduction/non-inclusion mismatch mentioned in section 259EA(5), or
 - (b) in a case where subsection (1)(b)(ii) applies, the lesser of—
 - (i) the amount by which that mismatch exceeds the amount of the relevant deduction that it is reasonable to suppose is prevented, by a provision of the law of a territory outside the United Kingdom that is equivalent to section 259EC, from being deducted from income of the hybrid payer, for the payment period, other than dual inclusion income, and
 - (ii) the amount of the relevant deduction that may still be deducted as mentioned in subsection (2)(b).
- (4) If the payee is the only payee, an amount equal to—
 - (a) the relevant amount, less
 - (b) any dual inclusion income,
 is to be treated as income arising to the payee for the counteraction period.
- (5) If there is more than one payee, an amount equal to—
 - (a) the payee’s share of the relevant amount, less
 - (b) the relevant proportion of any dual inclusion income,
 is to be treated as income arising to the payee for the counteraction period.
- (6) The payee’s share of the relevant amount is to be determined by apportioning that amount between all the payees on a just and reasonable basis, having regard (in particular)—
 - (a) to any arrangements as to profit sharing that may exist between some or all of the payees, and
 - (b) to whom any amounts of ordinary income that it would be reasonable to expect to arise as a result of the payment or quasi-payment, but that do not arise, would have arisen.
- (7) The “relevant” proportion of any dual inclusion income for the payment period is the same as the proportion of the relevant amount apportioned to the payee in accordance with subsection (6).

- (8) An amount of income that is treated as arising under subsection (4) or (5) is chargeable under Chapter 8 of Part 10 of CTA 2009 (income not otherwise charged) (despite section 979(2) of that Act).
- (9) In this section—
- “counteraction period” means—
- (a) if an accounting period of the payee coincides with the payment period, that accounting period, or
 - (b) otherwise, the first accounting period of the payee that is wholly or partly within the payment period;
- “dual inclusion income” means an amount that arises in connection with the arrangement mentioned in section 259EA(2) and is both—
- (a) ordinary income of the payer for the payment period, and
 - (b) ordinary income of an investor in the payer for a permitted taxable period for the purposes of a tax charged under the law of an investor jurisdiction.
- (10) A taxable period of an investor is “permitted” for the purposes of subsection (9) if—
- (a) the period begins before the end of 12 months after the end of the payment period, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
 - (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

CHAPTER 6

DEDUCTION/NON-INCLUSION MISMATCHES RELATING TO TRANSFERS BY PERMANENT ESTABLISHMENTS

Introduction

259F Overview of Chapter

- (1) This Chapter contains provision that counteracts certain excessive deductions that arise in relation to transfers of money or money’s worth made, or taken to be made, by a multinational company’s permanent establishment in the United Kingdom to the company in the parent jurisdiction.
- (2) The Chapter counteracts such deductions by altering the corporation tax treatment of the company.
- (3) Section 259FA contains the conditions that must be met for this Chapter to apply.
- (4) Subsection (3) of that section defines “multinational company” and “the parent jurisdiction”.

Status: This is the original version (as it was originally enacted).

- (5) Subsection (8) of that section defines “the excessive PE deduction”.
- (6) Section 259FB contains provision for the counteraction of the excessive PE deduction.
- (7) See also section 259BF for the meaning of “permanent establishment”.

Application of Chapter

259FA Circumstances in which the Chapter applies

- (1) This Chapter applies if conditions A to C are met.
- (2) Condition A is that a company is a multinational company.
- (3) For the purposes of this Chapter, a company is a multinational company if—
 - (a) it is resident in a territory outside the United Kingdom (“the parent jurisdiction”) for the purposes of a tax charged under the law of that territory, and
 - (b) it is within the charge to corporation tax because it carries on a business in the United Kingdom through a permanent establishment in the United Kingdom.
- (4) Condition B is that, disregarding the provisions mentioned in subsection (5), there is an amount (“the PE deduction”) that—
 - (a) may (in substance) be deducted from the company’s income for the purposes of calculating the company’s taxable profits for an accounting period (“the relevant PE period”) for corporation tax purposes, and
 - (b) is in respect of a transfer of money or money’s worth from the company in the United Kingdom to the company in the parent jurisdiction that—
 - (i) is actually made, or
 - (ii) is (in substance) treated as being made for corporation tax purposes.
- (5) The provisions are—
 - (a) this Chapter and Chapters 7 to 10, and
 - (b) any equivalent provision under the law of a territory outside the United Kingdom.
- (6) Condition C is that it is reasonable to suppose that, disregarding the provisions mentioned in subsection (5)—
 - (a) the circumstances giving rise to the PE deduction will not result in—
 - (i) an increase in the taxable profits of the company for any permitted taxable period, or
 - (ii) a reduction of a loss made by the company for any permitted taxable period,
 for the purposes of a tax charged under the law of the parent jurisdiction, or

Status: This is the original version (as it was originally enacted).

- (b) those circumstances will result in such an increase or reduction for one or more permitted taxable periods, but the PE deduction exceeds the aggregate effect on taxable profits.
- (7) “The aggregate effect on taxable profits” is the sum of—
 - (a) any increases, resulting from the circumstances giving rise to the PE deduction, in the taxable profits of the company, for a permitted taxable period, for the purposes of a tax charged under the law of the parent jurisdiction, and
 - (b) any amounts by which a loss made by the company, for a permitted taxable period, for the purposes of a tax charged under the law of the parent jurisdiction, is reduced as a result of the circumstances giving rise to the PE deduction.
- (8) In this Chapter “the excessive PE deduction” means—
 - (a) where paragraph (a) of subsection (6) applies, the PE deduction, or
 - (b) where paragraph (b) of subsection (6) applies, the PE deduction so far as it is reasonable to suppose that it exceeds the aggregate effect on taxable profits.
- (9) For the purposes of subsections (6) and (7) a taxable period of the company, for the purposes of a tax charged under the law of the parent jurisdiction, is “permitted” if—
 - (a) the period begins before the end of 12 months after the end of the relevant PE period, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period for the purposes of subsections (6) and (7), and
 - (ii) it is just and reasonable for the circumstances giving rise to the PE deduction to affect the profits or loss made for that period rather than an earlier period.
- (10) Section 259FB contains provision for counteracting the excessive PE deduction.

Counteraction

259FB Counteraction of the excessive PE deduction

- (1) For corporation tax purposes, the excessive PE deduction may not be deducted from the company’s income for the relevant PE period unless it is deducted from dual inclusion income for that period.
- (2) So much of the excessive PE deduction (if any) as, by virtue of subsection (1), cannot be deducted from the company’s income for the relevant PE period—
 - (a) is carried forward to subsequent accounting periods of the company, and
 - (b) for corporation tax purposes, may be deducted from dual inclusion income of the company for any such period (and not from any other income), so far as it cannot be deducted under this paragraph for an earlier period.

Status: This is the original version (as it was originally enacted).

- (3) In this section “dual inclusion income” of the company for an accounting period means an amount that is both—
 - (a) ordinary income of the company for that period for corporation tax purposes, and
 - (b) ordinary income of the company for a permitted taxable period for the purposes of a tax charged under the law of the parent jurisdiction.
- (4) A taxable period of the company is “permitted” for the purposes of paragraph (b) of subsection (3) if—
 - (a) the period begins before the end of 12 months after the end of the accounting period mentioned in paragraph (a) of that subsection, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
 - (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

CHAPTER 7

HYBRID PAYEE DEDUCTION/NON-INCLUSION MISMATCHES

Introduction

259G Overview of Chapter

- (1) This Chapter contains provision that counteracts deduction/non-inclusion mismatches that it is reasonable to suppose would otherwise arise from payments or quasi-payments because a payee is a hybrid entity.
- (2) The Chapter counteracts mismatches by—
 - (a) altering the corporation tax treatment of the payer for the payment period,
 - (b) treating income chargeable to corporation tax as arising to an investor who is within the charge to corporation tax, or
 - (c) treating income chargeable to corporation tax as arising to a payee that is a hybrid entity and a limited liability partnership.
- (3) Section [259GA](#) contains the conditions that must be met for this Chapter to apply.
- (4) Section [259GB](#) defines “hybrid payee deduction/non-inclusion mismatch” and provides how the amount of the mismatch is to be calculated.
- (5) Section [259GC](#) contains provision that counteracts the mismatch where the payer is within the charge to corporation tax for the payment period.
- (6) Section [259GD](#) contains provision that counteracts the mismatch where an investor in the payee is within the charge to corporation tax and the mismatch is not fully counteracted by section [259GC](#) or an equivalent provision under the law of a territory outside the United Kingdom.

Status: This is the original version (as it was originally enacted).

- (7) Section 259GE contains provision that counteracts the mismatch where a payee is a hybrid entity and limited liability partnership and the mismatch is not otherwise fully counteracted.
- (8) See also—
 - (a) section 259BB for the meaning of “payment”, “quasi-payment”, “payment period”, “relevant deduction”, “payer” and “payee”;
 - (b) section 259BE for the meaning of “hybrid entity”, “investor” and “investor jurisdiction”.

Application of Chapter

259GA Circumstances in which the Chapter applies

- (1) This Chapter applies if conditions A to E are met.
- (2) Condition A is that a payment or quasi-payment is made under, or in connection with, an arrangement.
- (3) Condition B is that a payee is a hybrid entity (a “hybrid payee”).
- (4) Condition C is that—
 - (a) the payer is within the charge to corporation tax for the payment period,
 - (b) an investor in a hybrid payee is within the charge to corporation tax for an accounting period some or all of which falls within the payment period, or
 - (c) a hybrid payee is a limited liability partnership.
- (5) Condition D is that it is reasonable to suppose that, disregarding the provisions mentioned in subsection (6), there would be a hybrid payee deduction/non-inclusion mismatch in relation to the payment or quasi-payment (see section 259GB).
- (6) The provisions are—
 - (a) this Chapter and Chapters 8 to 10, and
 - (b) any equivalent provision under the law of a territory outside the United Kingdom.
- (7) Condition E is that—
 - (a) it is a quasi-payment that is made as mentioned in subsection (2) and the payer is also a hybrid payee (see section 259BB(7)),
 - (b) the payer and a hybrid payee or an investor in a hybrid payee are in the same control group (see section 259NB) at any time in the period—
 - (i) beginning with the day on which the arrangement mentioned in subsection (2) is made, and
 - (ii) ending with the last day of the payment period, or
 - (c) that arrangement is a structured arrangement.
- (8) The arrangement is “structured” if it is reasonable to suppose that—

Status: This is the original version (as it was originally enacted).

- (a) the arrangement is designed to secure a hybrid payee deduction/non-inclusion mismatch, or
 - (b) the terms of the arrangement share the economic benefit of the mismatch between the parties to the arrangement or otherwise reflect the fact that the mismatch is expected to arise.
- (9) The arrangement may be designed to secure a hybrid payee deduction/non-inclusion mismatch despite also being designed to secure any commercial or other objective.
- (10) The following provisions contain provision for the counteraction of the hybrid payee deduction/non-inclusion mismatch—
 - (a) section 259GC (cases where the payer is within the charge to corporation tax for the payment period),
 - (b) section 259GD (cases where an investor in a hybrid payee is within the charge to corporation tax), and
 - (c) section 259GE (cases where a hybrid payee is a limited liability partnership).

259GB Hybrid payee deduction/non-inclusion mismatches and their extent

- (1) There is a “hybrid payee deduction/non-inclusion mismatch”, in relation to a payment or quasi-payment, if—
 - (a) the relevant deduction exceeds the sum of the amounts of ordinary income that, by reason of the payment or quasi-payment, arise to each payee for a permitted taxable period, and
 - (b) all or part of that excess arises by reason of one or more payees being hybrid entities.
- (2) The extent of the hybrid payee deduction/non-inclusion mismatch is equal to the excess that arises as mentioned in subsection (1)(b).
- (3) A relevant amount of the excess is to be taken (so far as would not otherwise be the case) to arise as mentioned in subsection (1)(b) where—
 - (a) a payee is a hybrid entity,
 - (b) there is no territory—
 - (i) where that payee is resident for the purposes of a tax charged under the law of that territory, or
 - (ii) under the law of which ordinary income arises to that payee, by reason of the payment or quasi-payment, for the purposes of a tax that is charged on that payee by virtue of that payee having a permanent establishment in that territory, and
 - (c) no income arising to that payee, by reason of the payment or quasi-payment, is brought into account in calculating chargeable profits for the purposes of the CFC charge or a foreign CFC charge.
- (4) For the purposes of subsection (3), the “relevant amount” of the excess is the lesser of—
 - (a) the amount of the excess, and
 - (b) an amount equal to the amount of ordinary income that it is reasonable to suppose would, by reason of the payment or quasi-payment, arise to the payee for corporation tax purposes, if—

Status: This is the original version (as it was originally enacted).

- (i) the payee were a company, and
 - (ii) the payment or quasi-payment were made in connection with a trade carried on by the payee in the United Kingdom through a permanent establishment in the United Kingdom.
- (5) In subsection (3)(c) “chargeable profits”—
 - (a) in relation to the CFC charge, has the same meaning as in Part 9A (see section 371VA), and
 - (b) in relation to a foreign CFC charge, means the concept (by whatever name known) corresponding to chargeable profits within the meaning of that Part.
- (6) A taxable period of a payee is “permitted” in relation to an amount of ordinary income that arises as a result of the payment or quasi-payment if—
 - (a) the period begins before the end of 12 months after the end of the payment period, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
 - (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

Counteraction

259GC Counteraction where the payer is within the charge to corporation tax for the payment period

- (1) This section applies where the payer is within the charge to corporation tax for the payment period.
- (2) For corporation tax purposes, the relevant deduction that may be deducted from the payer’s income for the payment period is reduced by an amount equal to the hybrid payee deduction/non-inclusion mismatch mentioned in section 259GA(5).

259GD Counteraction where the investor is within the charge to corporation tax

- (1) This section applies in relation to an investor in a hybrid payee where—
 - (a) the investor is within the charge to corporation tax for an accounting period some or all of which falls within the payment period, and
 - (b) it is reasonable to suppose that—
 - (i) neither section 259GC nor any equivalent provision under the law of a territory outside the United Kingdom applies, or
 - (ii) a provision of the law of a territory outside the United Kingdom that is equivalent to section 259GC applies, but does not fully counteract the hybrid payee deduction/non-inclusion mismatch mentioned in section 259GA(5).
- (2) A provision of the law of a territory outside the United Kingdom that is equivalent to section 259GC does not fully counteract that mismatch if (and only if)—

Status: This is the original version (as it was originally enacted).

- (a) it does not reduce the relevant deduction by the full amount of the mismatch, and
 - (b) the payer is still able to deduct some of the relevant deduction from income in calculating taxable profits.
- (3) In this section “the relevant amount” is—
 - (a) in a case where subsection (1)(b)(i) applies, an amount equal to the hybrid payee deduction/non-inclusion mismatch, or
 - (b) in a case where subsection (1)(b)(ii) applies, the lesser of—
 - (i) the amount by which that mismatch exceeds the amount by which it is reasonable to suppose the relevant deduction is reduced by a provision of the law of a territory outside the United Kingdom that is equivalent to section 259GC, and
 - (ii) the amount of the relevant deduction that may still be deducted as mentioned in subsection (2)(b).
- (4) If the investor is the only investor in the hybrid payee, the appropriate proportion of the relevant amount is to be treated as income arising to the investor for the counteraction period.
- (5) If there is more than one investor in the hybrid payee, an amount equal to the investor’s share of the appropriate proportion of the relevant amount is to be treated as income arising to the investor for the counteraction period.
- (6) For the purposes of subsections (4) and (5) the “appropriate proportion of the relevant amount”—
 - (a) if the hybrid payee is the only hybrid payee, is all of the relevant amount, or
 - (b) if there is more than one hybrid payee, is the proportion of the relevant amount apportioned to the hybrid payee upon an apportionment of that amount between all the hybrid payees on a just and reasonable basis having regard (in particular) to—
 - (i) any arrangements as to profit sharing that may exist between some or all of the payees, and
 - (ii) the extent to which it is reasonable to suppose that the hybrid payee deduction/non-inclusion mismatch mentioned in section 259GA(5) arises by reason of each hybrid payee being a hybrid entity.
- (7) The investor’s share of the appropriate proportion of the relevant amount is to be determined by apportioning that proportion of that amount between all the investors in the hybrid payee on a just and reasonable basis, having regard (in particular) to any arrangements as to profit sharing that may exist between some or all of those investors.
- (8) An amount of income that is treated as arising under subsection (4) or (5) is chargeable under Chapter 8 of Part 10 of CTA 2009 (income not otherwise charged) (despite section 979(23) of that Act).
- (9) The “counteraction period” means—
 - (a) if an accounting period of the investor coincides with the payment period, that accounting period, or

Status: This is the original version (as it was originally enacted).

- (b) otherwise, the first accounting period of the investor that is wholly or partly within the payment period.

259GE Counteraction where a hybrid payee is an LLP

- (1) This section applies in relation to a hybrid payee where the hybrid payee is a limited liability partnership and it is reasonable to suppose that—
 - (a) none of the following provisions applies—
 - (i) section 259GC;
 - (ii) section 259GD;
 - (iii) any provision under the law of a territory outside the United Kingdom that is equivalent to either of those sections, or
 - (b) one or more of those provisions apply, but the hybrid payee deduction/non-inclusion mismatch mentioned in section 259GA(5) is not fully counteracted.
- (2) The mismatch is not fully counteracted if (and only if), after the application of such of those provisions as apply—
 - (a) the relevant deduction is not reduced by the full amount of the mismatch,
 - (b) the payer is still able to deduct some of the relevant deduction from income in calculating taxable profits, and
 - (c) the lesser of—
 - (i) the difference between the amount of the mismatch and the amount by which it is reasonable to suppose the relevant deduction is reduced, and
 - (ii) the amount of the relevant deduction that may still be deducted,exceeds the sum of any amounts of income treated as arising under section 259GD or any equivalent provision under the law of a territory outside the United Kingdom.
- (3) In this section “the relevant amount” is—
 - (a) in a case where subsection (1)(a) applies, an amount equal to the hybrid payee deduction/non-inclusion mismatch mentioned in section 259GA(5), or
 - (b) in a case where subsection (1)(b) applies, an amount equal to the excess mentioned in subsection (2)(c).
- (4) If the hybrid payee is the only hybrid payee, an amount equal to the relevant amount is to be treated as income arising to the hybrid payee on the last day of the payment period.
- (5) If there is more than one hybrid payee, an amount equal to the hybrid payee’s share of the relevant amount is to be treated as income arising to the hybrid payee on the last day of the payment period.
- (6) The hybrid payee’s share of the relevant amount is to be determined by apportioning that amount between all the hybrid payees on a just and reasonable basis, having regard (in particular) to—
 - (a) any arrangements as to profit sharing that may exist between some or all of the payees, and

Status: This is the original version (as it was originally enacted).

- (b) the extent to which it is reasonable to suppose that the hybrid payee deduction/non-inclusion mismatch mentioned in section 259GA(5) arises by reason of each hybrid payee being a hybrid entity.
- (7) An amount of income that is treated as arising under subsection (4) or (5) is chargeable to corporation tax on the hybrid payee (as opposed to being chargeable to tax on any of its members) under Chapter 8 of Part 10 of CTA 2009 (income not otherwise charged) (despite section 979(2) of that Act).
- (8) Section 863 of ITTOIA 2005 (treatment of certain limited liability partnerships for income tax purposes) and section 1273 of CTA 2009 (treatment of certain limited liability partnerships for corporation tax purposes) are disappplied in relation to the hybrid payee to the extent necessary for the purposes of subsection (7).
- (9) This section is to be disregarded for the purposes of determining whether the hybrid payee is within the charge to corporation tax for the purposes of any other provision of this Part, except section 259M (anti-avoidance).

CHAPTER 8

MULTINATIONAL PAYEE DEDUCTION/NON-INCLUSION MISMATCHES

Introduction

259H Overview of Chapter

- (1) This Chapter contains provision that counteracts deduction/non-inclusion mismatches that it is reasonable to suppose would otherwise arise from payments or quasi-payments, where the payer is within the charge to corporation tax, because a payee is multinational company.
- (2) The Chapter counteracts mismatches by altering the corporation tax treatment of the payer.
- (3) Section 259HA contains the conditions that must be met for this Chapter to apply.
- (4) Subsection (4) of that section defines “multinational company”, “parent jurisdiction” and “PE jurisdiction”.
- (5) Section 259HB defines “multinational payee deduction/non-inclusion mismatch” and provides how the amount of the mismatch is to be calculated.
- (6) Section 259HC contains provision that counteracts the mismatch.
- (7) See also—
 - (a) section 259BB for the meaning of “payment”, “quasi-payment”, “payment period”, “relevant deduction”, “payer” and “payee”;
 - (b) section 259BF for the meaning of “permanent establishment”.

Application of Chapter

259HA Circumstances in which the Chapter applies

- (1) This Chapter applies if conditions A to E are met.
- (2) Condition A is that a payment or quasi-payment is made under, or in connection with, an arrangement.
- (3) Condition B is that a payee is a multinational company.
- (4) For the purposes of this Chapter, a company is a “multinational company” if—
 - (a) it is resident in a territory (“the parent jurisdiction”) for tax purposes under the law of that territory, and
 - (b) it is regarded as carrying on a business in another territory (“the PE jurisdiction”) through a permanent establishment in that territory (whether it is so regarded under the law of the parent jurisdiction, the PE jurisdiction or any other territory).
- (5) Condition C is that the payer is within the charge to corporation tax for the payment period.
- (6) Condition D is that it is reasonable to suppose that, disregarding the provisions mentioned in subsection (7), there would be a multinational payee deduction/non-inclusion mismatch in relation to the payment or quasi-payment (see section 259HB).
- (7) The provisions are—
 - (a) this Chapter and Chapters 9 and 10, and
 - (b) any equivalent provision under the law of a territory outside the United Kingdom.
- (8) Condition E is that—
 - (a) it is a quasi-payment that is made as mentioned in subsection (2) and the payer is also a payee (see section 259BB(7)),
 - (b) the payer and the multinational company are in the same control group (see section 259NB) at any time in the period—
 - (i) beginning with the day on which the arrangement mentioned in subsection (2) is made, and
 - (ii) ending with the last day of the payment period, or
 - (c) that arrangement is a structured arrangement.
- (9) The arrangement is “structured” if it is reasonable to suppose that—
 - (a) the arrangement is designed to secure a multinational company deduction/non-inclusion mismatch, or
 - (b) the terms of the arrangement share the economic benefit of the mismatch between the parties to the arrangement or otherwise reflect the fact that the mismatch is expected to arise.

Status: This is the original version (as it was originally enacted).

- (10) The arrangement may be designed to secure a multinational payee deduction/non-inclusion mismatch despite also being designed to secure any commercial or other objective.
- (11) Section 259HC contains provision for the counteraction of the multinational payee deduction/non-inclusion mismatch.

259HB Multinational payee deduction/non-inclusion mismatches and their extent

- (1) There is a “multinational payee deduction/non-inclusion mismatch”, in relation to a payment or quasi-payment, if—
 - (a) the relevant deduction exceeds the sum of the amounts of ordinary income that, by reason of the payment or quasi-payment, arise to each payee for a permitted taxable period, and
 - (b) all or part of that excess arises by reason of one or more payees being multinational companies.
- (2) The extent of the multinational payee deduction/non-inclusion mismatch is equal to the excess that arises as mentioned in subsection (1)(b).
- (3) For the purposes of subsection (1)(b)—
 - (a) where the law of a PE jurisdiction in relation to a payee that is a multinational company makes no provision for charging tax on any companies, so much of the excess as arises as a result is to be taken not to arise by reason of that payee being a multinational company, but
 - (b) subject to that, it does not matter whether the excess or part arises for another reason as well as one or more payees being multinational companies (even if it would have arisen for that other reason regardless of whether any payees are multinational companies).
- (4) A taxable period of a payee is “permitted” in relation to an amount of ordinary income that arises as a result of the payment or quasi-payment if—
 - (a) the period begins before the end of 12 months after the end of the payment period, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
 - (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

Counteraction

259HC Counteraction of the multinational payee deduction/non-inclusion mismatch

For corporation tax purposes, the relevant deduction that may be deducted from the payer’s income for the payment period is reduced by an amount equal to the multinational payee deduction/non-inclusion mismatch mentioned in section 259HA(6).

CHAPTER 9

HYBRID ENTITY DOUBLE DEDUCTION MISMATCHES

Introduction

259I Overview of Chapter

- (1) This Chapter contains provision that counteracts double deduction mismatches that it is reasonable to suppose would otherwise arise by reason of a person being a hybrid entity.
- (2) The Chapter counteracts mismatches where the hybrid entity, or an investor in the hybrid entity, is within the charge to corporation tax and does so by altering the corporation tax treatment of the entity or investor.
- (3) Section 259IA contains the conditions that must be met for this Chapter to apply.
- (4) Subsection (4) of that section defines “hybrid entity double deduction amount”.
- (5) Section 259IB contains provision that counteracts the mismatch where an investor in the hybrid entity is within the charge to corporation tax.
- (6) Section 259IC contains provision that, in certain circumstances, counteracts the mismatch where the hybrid entity is within the charge to corporation tax and the mismatch is not fully counteracted by provision under the law of a territory outside the United Kingdom that is equivalent to section 259IB.
- (7) See also section 259BE for the meaning of “hybrid entity”, “investor” and “investor jurisdiction”.

Application of Chapter

259IA Circumstances in which the Chapter applies

- (1) This Chapter applies if conditions A to C are met.
- (2) Condition A is that there is an amount or part of an amount that, disregarding the provisions mentioned in subsection (3), it is reasonable to suppose—
 - (a) could be deducted from the income of a hybrid entity for the purposes of calculating the taxable profits of that entity for a taxable period (“the hybrid entity deduction period”), and
 - (b) could also be deducted, under the law of the investor jurisdiction, from the income of an investor in the hybrid entity for the purposes of calculating the taxable profits of that investor for a taxable period (“the investor deduction period”).
- (3) The provisions are—
 - (a) this Chapter and Chapter 10, and

Status: This is the original version (as it was originally enacted).

- (b) any equivalent provision under the law of a territory outside the United Kingdom.
- (4) In this Chapter the amount or part of an amount mentioned in subsection (2) is referred to as “the hybrid entity double deduction amount”.
- (5) Condition B is that—
 - (a) the investor is within the charge to corporation tax for the investor deduction period, or
 - (b) the hybrid entity is within the charge to corporation tax for the hybrid entity deduction period.
- (6) Condition C is that—
 - (a) the hybrid entity and any investor in it are related (see section 259NC) at any time—
 - (i) in the hybrid entity deduction period, or
 - (ii) in the investor deduction period, or
 - (b) an arrangement, to which the hybrid entity or any investor in it is party, is a structured arrangement.
- (7) An arrangement is “structured” if it is reasonable to suppose that—
 - (a) the arrangement is designed to secure the hybrid entity double deduction amount, or
 - (b) the terms of the arrangement share the economic benefit of that amount being deductible by both the hybrid entity and the investor between the parties to the arrangement or otherwise reflect the fact that the amount is expected to arise.
- (8) The arrangement may be designed to secure the hybrid entity double deduction amount despite also being designed to secure any commercial or other objective.
- (9) Sections 259IB (cases where the investor is within the charge to corporation tax for the investor deduction period) and 259IC (cases where the hybrid entity is within the charge to corporation tax for the hybrid entity deduction period) contain provision for the counteraction of the hybrid entity double deduction amount.

Counteraction

259IB Counteraction where the investor is within the charge to corporation tax

- (1) This section applies in relation to the investor in the hybrid entity where the investor is within the charge to corporation tax for the investor deduction period.
- (2) For corporation tax purposes, the hybrid entity double deduction amount may not be deducted from the investor’s income for the investor deduction period unless it is deducted from dual inclusion income of the investor for that period.

Status: This is the original version (as it was originally enacted).

- (3) So much of the hybrid entity double deduction amount (if any) as, by virtue of subsection (2), cannot be deducted from the investor's income for the investor deduction period—
 - (a) is carried forward to subsequent accounting periods of the investor, and
 - (b) for corporation tax purposes, may be deducted from dual inclusion income of the investor for any such period (and not from any other income), so far as it cannot be deducted under this paragraph for an earlier period.
- (4) If the Commissioners are satisfied that the investor will have no dual inclusion income—
 - (a) for an accounting period after the investor deduction period ("the relevant period"), nor
 - (b) for any accounting period after the relevant period,any of the hybrid entity double deduction amount that has not been deducted from dual inclusion income for an accounting period before the relevant period in accordance with subsection (2) or (3) ("the stranded deduction") may be deducted at step 2 in section 4(2) of CTA 2010 in calculating the investor's taxable total profits of the relevant period.
- (5) So much of the stranded deduction (if any) as cannot be deducted, in accordance with subsection (4), at step 2 in section 4(2) of CTA 2010 in calculating the investor's taxable total profits of the relevant period—
 - (a) is carried forward to subsequent accounting periods of the investor, and
 - (b) may be so deducted for any such period, so far as it cannot be deducted under this paragraph for an earlier period.
- (6) Subsection (7) applies if it is reasonable to suppose that all or part of the hybrid entity double deduction amount is (in substance) deducted ("the illegitimate overseas deduction"), under the law of a territory outside the United Kingdom, from income of any person, for a taxable period, that is not dual inclusion income of the investor for an accounting period.
- (7) For the purposes of determining how much of the hybrid entity double deduction amount may be deducted (if any) for the accounting period of the investor in which the taxable period mentioned in subsection (6) ends, and any subsequent accounting periods of the investor, an amount of it equal to the illegitimate overseas deduction is to be taken to have already been deducted for a previous accounting period of the investor.
- (8) In this section "dual inclusion income" of the investor for an accounting period means an amount that is both—
 - (a) ordinary income of the investor for that period for corporation tax purposes, and
 - (b) ordinary income of the hybrid entity for a permitted taxable period for the purposes of any tax under the law of a territory outside the United Kingdom.
- (9) A taxable period of the hybrid entity is "permitted" for the purposes of paragraph (b) of subsection (8) if—

Status: This is the original version (as it was originally enacted).

- (a) the period begins before the end of 12 months after the end of the accounting period of the investor mentioned in paragraph (a) of that subsection, or
- (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
 - (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

259IC Counteraction where the hybrid entity is within the charge to corporation tax

- (1) This section applies where—
 - (a) the hybrid entity is within the charge to corporation tax for the hybrid entity deduction period,
 - (b) it is reasonable to suppose that—
 - (i) no provision under the law of an investor jurisdiction that is equivalent to section 259IB applies, or
 - (ii) such a provision does apply, but the hybrid entity double deduction amount exceeds the amount that, under that provision, cannot be deducted from income, for the investor deduction period, other than dual inclusion income of the hybrid entity for the hybrid entity deduction period, and
 - (c) the secondary counteraction condition is met.
- (2) The secondary counteraction condition is met if—
 - (a) the hybrid entity and any investor in it are in the same control group (see section 259NB) at any time in—
 - (i) the hybrid entity deduction period, or
 - (ii) the investor deduction period, or
 - (b) there is an arrangement, to which the hybrid entity or any investor in it is party, that is a structured arrangement (within the meaning given by section 259IA(7) and (8)).
- (3) In this section “the restricted deduction” means—
 - (a) in a case where subsection (1)(b)(i) applies, the hybrid entity double deduction amount, or
 - (b) in a case where subsection (1)(b)(ii) applies, the hybrid entity double deduction amount so far as it exceeds the amount that it is reasonable to suppose, under a provision of the law of a territory outside the United Kingdom that is equivalent to section 259IB, cannot be deducted from income, for the investor deduction period, other than dual inclusion income of the hybrid entity for the hybrid entity deduction period.
- (4) For corporation tax purposes, the restricted deduction may not be deducted from the hybrid entity’s income for the hybrid entity deduction period unless it is deducted from dual inclusion income for that period.
- (5) So much of the restricted deduction (if any) as, by virtue of subsection (4), cannot be deducted from the hybrid entity’s income for the hybrid entity deduction period—

Status: This is the original version (as it was originally enacted).

- (a) is carried forward to subsequent accounting periods of the hybrid entity, and
 - (b) for corporation tax purposes, may be deducted from dual inclusion income of the hybrid entity for any such period (and not from any other income), so far as it cannot be deducted under this paragraph for an earlier period.
- (6) If the Commissioners are satisfied that the hybrid entity will have no dual inclusion income—
 - (a) for an accounting period after the hybrid entity deduction period (“the relevant period”), nor
 - (b) for any accounting period after the relevant period,any of the restricted deduction that has not been deducted from dual inclusion income for an accounting period before the relevant period in accordance with subsection (4) or (5) (“the stranded deduction”) may be deducted at step 2 in section 4(2) of CTA 2010 in calculating the hybrid entity’s taxable total profits of the relevant period.
- (7) So much of the stranded deduction (if any) as cannot be deducted, in accordance with subsection (6), at step 2 in section 4(2) of CTA 2010 in calculating the hybrid entity’s taxable total profits of the relevant period—
 - (a) is carried forward to subsequent accounting periods of the hybrid entity, and
 - (b) may be so deducted for any such period, so far as it cannot be deducted under this paragraph for an earlier period.
- (8) Subsection (9) applies if it is reasonable to suppose that all or part of the hybrid entity double deduction amount is (in substance) deducted (“the illegitimate overseas deduction”), under the law of a territory outside the United Kingdom, from income of any person, for a taxable period, that is not dual inclusion income of the hybrid entity for an accounting period.
- (9) For the purposes of determining how much of the hybrid entity double deduction amount may be deducted (if any) for the accounting period of the hybrid entity in which the taxable period mentioned in subsection (8) ends, and any subsequent accounting periods of the hybrid entity, an amount of it equal to the illegitimate overseas deduction is to be taken to have already been deducted for a previous accounting period of the hybrid entity.
- (10) In this section “dual inclusion income” of the hybrid entity for an accounting period means an amount that is both—
 - (a) ordinary income of the hybrid entity for that period for corporation tax purposes, and
 - (b) ordinary income of an investor in the hybrid entity for a permitted taxable period for the purposes of any tax charged under the law of an investor jurisdiction.
- (11) A taxable period of an investor is “permitted” for the purposes of paragraph (b) of subsection (10) if—
 - (a) the period begins before the end of 12 months after the end of the accounting period mentioned in paragraph (a) of that subsection, or
 - (b) where the period begins after that—

Status: This is the original version (as it was originally enacted).

- (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
- (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

CHAPTER 10

DUAL TERRITORY DOUBLE DEDUCTION CASES

Introduction

259J Overview of Chapter

- (1) This Chapter contains provision that counteracts double deduction mismatches that it is reasonable to suppose would otherwise arise as a result of a company—
 - (a) being a dual resident company, or
 - (b) being a relevant multinational company.
- (2) The counteraction operates by altering the corporation tax treatment of the company.
- (3) Section 259JA contains the conditions that must be met for this Chapter to apply.
- (4) Subsection (3) of that section defines “dual resident company”.
- (5) Subsection (4) of that section defines “relevant multinational company”, “parent jurisdiction” and “PE jurisdiction”.
- (6) Subsection (5) of that section defines “dual territory double deduction amount”.
- (7) Section 259JB contains provision that counteracts the mismatch where the company is a dual resident company.
- (8) Section 259JC contains provision that counteracts the mismatch where the company is a multinational company and the United Kingdom is the parent jurisdiction.
- (9) Section 259JD contains provision that counteracts the mismatch where the company is a relevant multinational company, the United Kingdom is the PE jurisdiction and the mismatch is not counteracted under a provision of the law of a territory outside the United Kingdom that is equivalent to section 259JC.
- (10) See also section 259BF for the meaning of “permanent establishment”.

Application of Chapter

259JA Circumstances in which the Chapter applies

- (1) This Chapter applies if conditions A and B are met.

Status: This is the original version (as it was originally enacted).

- (2) Condition A is that a company is a—
 - (a) dual resident company, or
 - (b) relevant multinational company.
- (3) For the purposes of this Chapter a company is a “dual resident company” if—
 - (a) it is UK resident, and
 - (b) it is also within the charge to a tax under the law of a territory outside the United Kingdom because—
 - (i) it derives its status as a company from that law,
 - (ii) its place of management is in that territory, or
 - (iii) it is for some other reason treated under that law as resident in that territory for the purposes of that tax.
- (4) For the purposes of this Chapter a company is a “relevant multinational company” if—
 - (a) it is within the charge to a tax, under the law of a territory (“the PE jurisdiction”) in which it is not resident for tax purposes, because it carries on business in that territory through a permanent establishment in that territory, and
 - (b) either—
 - (i) the PE jurisdiction is the United Kingdom, or
 - (ii) the territory in which the company is resident for tax purposes (“the parent jurisdiction”) is the United Kingdom.
- (5) Condition B is that there is an amount (“the dual territory double deduction amount”) that, disregarding this Chapter and any equivalent provision under the law of a territory outside the United Kingdom, it is reasonable to suppose could, by reason of the company being a dual resident company or a relevant multinational company—
 - (a) be deducted from the company’s income for an accounting period (“the deduction period”) for corporation tax purposes, and
 - (b) also be deducted from the company’s income for a taxable period (“the foreign deduction period”) for the purposes of a tax charged under the law of a territory outside the United Kingdom.
- (6) The following provisions provide for the counteraction of the dual territory double deduction amount—
 - (a) section 259JB (cases where a company is dual resident),
 - (b) section 259JC (cases where a company is a relevant multinational and the United Kingdom is the parent jurisdiction), and
 - (c) section 259JD (cases where a company is a relevant multinational, the United Kingdom is the PE jurisdiction and the amount is not counteracted in the parent jurisdiction).

Status: This is the original version (as it was originally enacted).

Counteraction

259JB Counteraction where mismatch arises because of a dual resident company

- (1) This section applies where the dual territory double deduction amount arises by reason of the company being a dual resident company.
- (2) For corporation tax purposes, the dual territory double deduction amount may not be deducted from the company's income for the deduction period unless it is deducted from dual inclusion income of the company for that period.
- (3) So much of the dual territory double deduction amount (if any) as, by virtue of subsection (2), cannot be deducted from the company's income for the deduction period—
 - (a) is carried forward to subsequent accounting periods of the company, and
 - (b) for corporation tax purposes, may be deducted from dual inclusion income of the company for any such period (and not from any other income), so far as it cannot be deducted under this paragraph for an earlier period.
- (4) If the Commissioners are satisfied that the company has ceased to be a dual resident company, any of the dual territory double deduction amount that has not been deducted from dual inclusion income in accordance with subsection (2) or (3) ("the stranded deduction") may be deducted at step 2 in section 4(2) of CTA 2010 in calculating the company's taxable total profits of the accounting period in which it ceased to be a dual resident company.
- (5) So much of the stranded deduction (if any) as cannot be deducted, in accordance with subsection (4), at step 2 in section 4(2) of CTA 2010 in calculating the company's taxable total profits of the accounting period in which the company ceased to be a dual resident company—
 - (a) is carried forward to subsequent accounting periods of the company, and
 - (b) may be so deducted for any such period, so far as it cannot be deducted under this paragraph for an earlier period.
- (6) Subsection (7) applies if it is reasonable to suppose that all or part of the dual territory double deduction amount is (in substance) deducted ("the illegitimate overseas deduction"), under the law of a territory outside the United Kingdom, from income of any person, for a taxable period, that is not dual inclusion income of the company for an accounting period.
- (7) For the purposes of determining how much of the dual territory double deduction amount may be deducted (if any) for the accounting period of the company in which the taxable period mentioned in subsection (6) ends, and any subsequent accounting periods of the company, an amount of it equal to the illegitimate overseas deduction is to be taken to have already been deducted for a previous accounting period of the company.

Status: This is the original version (as it was originally enacted).

- (8) In this section “dual inclusion income” of the company for an accounting period means an amount that is both—
- (a) ordinary income of the company for that period for corporation tax purposes, and
 - (b) ordinary income of the company for a permitted taxable period for the purposes of a tax charged under the law of a territory outside the United Kingdom.
- (9) A taxable period of the company is “permitted” for the purposes of paragraph (b) of subsection (8) if—
- (a) the period begins before the end of 12 months after the end of the accounting period mentioned in paragraph (a) of that subsection, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
 - (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

259JC Counteraction where mismatch arises because of a relevant multinational and the UK is the parent jurisdiction

- (1) This section applies where—
- (a) the dual territory double deduction amount arises by reason of the company being a relevant multinational company, and
 - (b) the United Kingdom is the parent jurisdiction.
- (2) If some or all of the dual territory double deduction amount is (in substance) deducted (“the impermissible overseas deduction”), for the purposes of a tax under the law of a territory outside the United Kingdom, from the income of any person, for any taxable period, that is not dual inclusion income of the company—
- (a) the dual territory double deduction amount that may be deducted, for corporation tax purposes, from the company’s income for the deduction period is reduced by the amount of the impermissible overseas deduction, and
 - (b) such just and reasonable adjustments (if any) as are required to give effect to that reduction, for corporation tax purposes, are to be made.
- (3) Any adjustment required to be made under subsection (2) may be made (whether or not by an officer of Revenue and Customs)—
- (a) by way of an assessment, the modification of an assessment, amendment or disallowance of a claim, or otherwise, and
 - (b) despite any time limit imposed by or under any enactment.
- (4) In this section “dual inclusion income” of the company means an amount that is both—
- (a) ordinary income of the company for an accounting period for corporation tax purposes, and
 - (b) ordinary income of the company for a permitted taxable period for the purposes of a tax charged under the law of a territory outside the United Kingdom.

Status: This is the original version (as it was originally enacted).

- (5) A taxable period is “permitted” for the purposes of paragraph (b) of subsection (4) if—
- (a) the period begins before the end of 12 months after the end of the accounting period of the company mentioned in paragraph (a) of that subsection, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
 - (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

259JD Counteraction where mismatch arises because of a relevant multinational and is not counteracted in the parent jurisdiction

- (1) This section applies where—
 - (a) the dual territory double deduction amount arises as a result of the company being a relevant multinational company,
 - (b) the United Kingdom is the PE jurisdiction, and
 - (c) it is reasonable to suppose that no provision of the law of the parent jurisdiction that is equivalent to section 259JC applies.
- (2) For corporation tax purposes, the dual territory double deduction amount may not be deducted from the company’s income for the deduction period unless it is deducted from dual inclusion income of the company for that period.
- (3) So much of the dual territory double deduction amount (if any) as, by virtue of subsection (2), cannot be deducted from the company’s income for the deduction period—
 - (a) is carried forward to subsequent accounting periods of the company, and
 - (b) for corporation tax purposes, may be deducted from dual inclusion income of the company for any such period (and not from any other income), so far as it cannot be deducted under this paragraph for an earlier period.
- (4) If the Commissioners are satisfied that the company has ceased to be a relevant multinational company, any of the dual territory double deduction amount that has not been deducted from dual inclusion income in accordance with subsection (2) or (3) (“the stranded deduction”) may be deducted at step 2 in section 4(2) of CTA 2010 in calculating the company’s taxable total profits of the accounting period in which it ceased to be a relevant multinational company.
- (5) So much of the stranded deduction (if any) as cannot be deducted, in accordance with subsection (4), at step 2 in section 4(2) of CTA 2010 in calculating the company’s taxable total profits of the accounting period in which the company ceased to be a relevant multinational company—
 - (a) is carried forward to subsequent accounting periods of the company, and
 - (b) may be so deducted for any such period, so far as it cannot be deducted under this paragraph for an earlier period.

- (6) Subsection (7) applies if it is reasonable to suppose that all or part of the dual territory double deduction amount is (in substance) deducted (“the illegitimate overseas deduction”), under the law of a territory outside the United Kingdom, from income of any person, for a taxable period, that is not dual inclusion income of the company for an accounting period.
- (7) For the purposes of determining how much of the dual territory double deduction amount may be deducted (if any) for the accounting period of the company in which the taxable period mentioned in subsection (6) ends, and any subsequent accounting periods of the company, an amount of it equal to the illegitimate overseas deduction is to be taken to have already been deducted for a previous accounting period of the company.
- (8) In this section “dual inclusion income” of the company for an accounting period means an amount that is both—
 - (a) ordinary income of the company for that period for corporation tax purposes, and
 - (b) ordinary income of the company for a permitted taxable period for the purposes of a tax charged under the law of a territory outside the United Kingdom.
- (9) A taxable period of the company is “permitted” for the purposes of paragraph (b) of subsection (8) if—
 - (a) the period begins before the end of 12 months after the end of the accounting period mentioned in paragraph (a) of that subsection, or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period in relation to the amount of ordinary income, and
 - (ii) it is just and reasonable for the amount of ordinary income to arise for that taxable period rather than an earlier period.

CHAPTER 11

IMPORTED MISMATCHES

Introduction

259K Overview of Chapter

- (1) This Chapter contains provision denying deductions in connection with payments or quasi-payments that are made under, or in connection with, imported mismatch arrangements where the payer is within the charge to corporation tax for the payment period.
- (2) Section 259KA contains the conditions that must be met for this Chapter to apply and defines “imported mismatch payment” and “imported mismatch arrangement”.
- (3) Section 259KB defines “dual territory double deduction”, “excessive PE deduction” and “PE jurisdiction”.

Status: This is the original version (as it was originally enacted).

- (4) Section 259KC contains provision for denying some or all of a relevant deduction in relation to an imported mismatch payment.
- (5) See also section 259BB for the meaning of “payment”, “quasi-payment”, “relevant deduction”, “payment period” and “payer”.

Application of Chapter

259KA Circumstances in which the Chapter applies

- (1) This Chapter applies if conditions A to G are met.
- (2) Condition A is that a payment or quasi-payment (“the imported mismatch payment”) is made under, or in connection with, an arrangement (“the imported mismatch arrangement”).
- (3) Condition B is that, in relation to the imported mismatch payment, the payer (“P”) is within the charge to corporation tax for the payment period.
- (4) Condition C is that the imported mismatch arrangement is one of a series of arrangements.
- (5) A “series of arrangements” means a number of arrangements that are each entered into (whether or not one after the other) in pursuance of, or in relation to, another arrangement (“the over-arching arrangement”).
- (6) Condition D is that—
 - (a) under an arrangement in the series other than the imported mismatch arrangement, there is a payment or quasi-payment (“the mismatch payment”) in relation to which it is reasonable to suppose that there is or will be—
 - (i) a hybrid or otherwise impermissible deduction/non-inclusion mismatch (see section 259CB),
 - (ii) a hybrid transfer deduction/non-inclusion mismatch (see section 259DC),
 - (iii) a hybrid payer deduction/non-inclusion mismatch (see section 259EB),
 - (iv) a hybrid payee deduction/non-inclusion mismatch (see section 259GB),
 - (v) a multinational payee deduction/non-inclusion mismatch (see section 259HB),
 - (vi) a hybrid entity double deduction amount (see section 259IA(4)), or
 - (vii) a dual territory double deduction (see section 259KB), or
 - (b) as a consequence of an arrangement in the series other than the imported mismatch arrangement, there is or will be an excessive PE deduction (see section 259KB),

and in this Chapter “the relevant mismatch” means the mismatch, amount or deduction concerned.
- (7) Condition E is that it is reasonable to suppose—

Status: This is the original version (as it was originally enacted).

- (a) where subsection (6)(a) applies, that no provision of any of Chapters 3 to 5 or 7 to 10 nor any equivalent provision under the law of a territory outside the United Kingdom applies, or will apply, in relation to the tax treatment of any person in respect of the mismatch payment, or
 - (b) where subsection (6)(b) applies, that no provision of Chapter 6 nor any equivalent provision under the law of a territory outside the United Kingdom applies, or will apply, in relation to the tax treatment of the company in relation to which the excessive PE deduction arises.
- (8) Condition F is that—
 - (a) subsection (6)(a) applies and it is reasonable to suppose that a provision of any of Chapters 3 to 5 or 7 to 10, or an equivalent provision under the law of a territory outside the United Kingdom, would apply in relation to the tax treatment of P if—
 - (i) P were the payer in relation to the mismatch payment,
 - (ii) P were a payee in relation to the mismatch payment, or
 - (iii) where the relevant mismatch is a hybrid payee deduction/non-inclusion mismatch or a hybrid entity double deduction amount, P were an investor in the hybrid entity concerned, or
 - (b) the relevant mismatch is an excessive PE deduction.
- (9) Condition G is that—
 - (a) subsection (6)(a) applies and P is in the same control group (see section 259NB) as the payer, or a payee, in relation to the mismatch payment, at any time in the period—
 - (i) beginning with the day the over-arching arrangement is made, and
 - (ii) ending with the last day of the payment period in relation to the imported mismatch payment,
 - (b) subsection (6)(b) applies and P is in the same control group as the company in relation to whom the excessive PE deduction arises at any time in that period, or
 - (c) the imported mismatch arrangement, or the over-arching arrangement, is a structured arrangement.
- (10) The imported mismatch arrangement, or the over-arching arrangement, is a “structured arrangement” if it is reasonable to suppose that—
 - (a) the arrangement concerned is designed to secure the relevant mismatch, or
 - (b) the terms of the arrangement concerned share the economic benefit of the relevant mismatch between the parties to that arrangement or otherwise reflect the fact that the relevant mismatch is expected to arise.
- (11) An arrangement may be designed to secure the relevant mismatch despite also being designed to secure any commercial or other objective.

Status: This is the original version (as it was originally enacted).

- (12) Section 259KC contains provision for denying all or part of the relevant deduction in relation to the imported mismatch payment by reference to the relevant mismatch.

259KB Meaning of “dual territory double deduction”, “excessive PE deduction” and “PE jurisdiction”

- (1) This section has effect for the purposes of this Chapter.
- (2) A “dual territory double deduction” means an amount that can be deducted by a company both—
 - (a) from income for the purposes of a tax charged under the law of one territory, and
 - (b) from income for the purposes of a tax charged under the law of another territory.
- (3) A “PE deduction” is an amount that—
 - (a) may (in substance) be deducted from a company’s income for the purposes of calculating the company’s taxable profits, for a taxable period, for the purposes of a tax that is charged on the company, under the law of a territory (“the PE jurisdiction”), by virtue of the company having a permanent establishment in that territory, and
 - (b) is in respect of a transfer of money or money’s worth, from the company in the PE jurisdiction to the company in another territory (“the parent jurisdiction”) in which it is resident for the purposes of a tax, that—
 - (i) is actually made, or
 - (ii) is (in substance) treated as being made for tax purposes.
- (4) A PE deduction is “excessive” so far as it exceeds the sum of—
 - (a) any increases, resulting from the circumstances giving rise to the PE deduction, in the taxable profits of the company, for a permitted taxable period, for the purposes of a tax charged under the law of the parent jurisdiction, and
 - (b) any amounts by which a loss made by the company, for a permitted taxable period, for the purposes of a tax charged under the law of the parent jurisdiction, is reduced as a result of the circumstances giving rise to the PE deduction.
- (5) A taxable period of the company is “permitted” for the purposes of subsection (4) if—
 - (a) the period begins before the end of 12 months after the end of the taxable period mentioned in subsection (3)(a), or
 - (b) where the period begins after that—
 - (i) a claim has been made for the period to be a permitted period for the purposes of subsection (4), and
 - (ii) it is just and reasonable for the circumstances giving rise to the PE deduction to affect the profits or loss made for that period rather than an earlier period.

Counteraction

259KC Denial of the relevant deduction in relation to the imported mismatch payment

- (1) If, in addition to the imported mismatch payment, there are, or will be, one or more relevant payments in relation to the relevant mismatch, subsection (3) applies.
- (2) Otherwise, for corporation tax purposes, in relation to the imported mismatch payment, the relevant deduction that may be deducted from P's income for the payment period is to be reduced by the amount of the relevant mismatch.
- (3) For corporation tax purposes, where this subsection applies, in relation to the imported mismatch payment, the relevant deduction that may be deducted from P's income for the payment period is to be reduced by P's share of the relevant mismatch.
- (4) P's share of the relevant mismatch is to be determined by apportioning the relevant mismatch between P and every payer in relation to a relevant payment on a just and reasonable basis—
 - (a) where subsection (6)(a) applies, having regard (in particular) to the extent to which the imported mismatch payment and each relevant payment funds (directly or indirectly) the mismatch payment, or
 - (b) where the relevant mismatch is an excessive PE deduction, having regard (in particular) to—
 - (i) if the transfer of money or money's worth mentioned in section 259KB(3)(b) is actually made, the extent to which the imported mismatch payment and each relevant payment funds (directly or indirectly) the transfer, or
 - (ii) if the transfer of money or money's worth mentioned in section 259KB(3)(b) is (in substance) treated as being made, the extent to which the imported mismatch payment and each relevant payment would have funded (directly or indirectly) the transfer if it had actually been made.
- (5) For the purposes of subsection (4)(a) and (b)(i), the imported mismatch payment is to be taken to fund the mismatch payment or transfer to the extent that the mismatch payment or transfer cannot be shown instead to be funded (directly or indirectly) by one or more relevant payments.
- (6) For the purposes of subsection (4)(b)(ii), it is to be assumed that the imported mismatch payment would have funded the transfer if it had actually been made to the extent that it cannot be shown by P that, if it had been made, the transfer would have instead been funded (directly or indirectly) by one or more relevant payments.
- (7) For the purposes of this section, a payment or quasi-payment, other than the imported mismatch payment or any mismatch payment, is a "relevant payment" in relation to the relevant mismatch if it is made under an arrangement in the series of arrangements mentioned in section 259KA(4) and—

Status: This is the original version (as it was originally enacted).

- (a) where subsection (6)(a) applies, it funds (directly or indirectly) the mismatch payment,
 - (b) where the relevant mismatch is an excessive PE deduction and the transfer of money or money's worth mentioned in section 259KB(3)(b) is actually made, it funds (directly or indirectly) that transfer, or
 - (c) where the relevant mismatch is an excessive PE deduction and the transfer of money or money's worth mentioned in section 259KB(3)(b) is (in substance) treated as being made, it would have funded (directly or indirectly) that transfer had that transfer actually been made.
- (8) In proceedings before a court or tribunal in connection with this section—
- (a) in relation to subsection (1), it is for P to show that, in addition to the imported mismatch payment, there are one or more relevant payments in relation to the relevant mismatch, and
 - (b) in relation to subsection (5), it is for P to show that the mismatch payment or transfer is funded (directly or indirectly) by one or more relevant payments instead of by the imported mismatch payment.

CHAPTER 12

ADJUSTMENTS IN LIGHT OF SUBSEQUENT EVENTS ETC

259L Adjustments where suppositions cease to be reasonable

- (1) Where—
- (a) a reasonable supposition is made for the purposes of any provision of this Part, and
 - (b) the supposition turns out to be mistaken or otherwise ceases to be reasonable,
- such consequential adjustments as are just and reasonable may be made.
- (2) The adjustments may be made (whether or not by an officer of Revenue and Customs) by way of an assessment, the modification of an assessment, amendment or disallowance of a claim, or otherwise.
- (3) But the power to make adjustments by virtue of this section is subject to any time limit imposed by or under any enactment other than this Part.
- (4) No adjustment is to be made under this section on the basis that an amount of ordinary income arises, as a result of a payment or quasi-payment, to a payee after that payee's last permitted taxable period in relation to the payment or quasi-payment (see section 259LA, which makes provision about certain such cases).

259LA Deduction from taxable total profits where an amount of ordinary income arises late

- (1) This section applies where—
- (a) a relevant deduction in respect of a payment or quasi-payment is reduced by section 259CD, 259DF, 259GC or 259HC or by more than one of those sections,

Status: This is the original version (as it was originally enacted).

- (b) no other provision of this Part, or any equivalent provision of the law of a territory outside the United Kingdom, applies or will apply to the tax treatment of any person in respect of the payment or quasi-payment,
 - (c) the section or sections had effect because it was reasonable to suppose that the relevant deduction exceeded, or would exceed, the sum of the amounts of ordinary income arising, by reason of the payment or quasi-payment, to each payee for a permitted taxable period, and
 - (d) an amount of ordinary income (“the late income”) arises—
 - (i) by reason of the payment or quasi-payment, but
 - (ii) not as a consequence of any provision of this Part or any equivalent provision of the law of a territory outside the United Kingdom,to a payee for a taxable period (“the late period”) that is not a permitted taxable period.
- (2) An amount equal to the late income may be deducted at step 2 in section 4(2) of CTA 2010 in calculating the payer’s taxable total profits of the accounting period in which the late period ends.
- (3) So much of that amount (if any) as cannot be deducted, in accordance with subsection (2), at step 2 in section 4(2) of CTA 2010 in calculating the taxable total profits of the accounting period in which the late period ends—
 - (a) is carried forward to subsequent accounting periods of the payer, and
 - (b) may be so deducted for any such period, so far as it cannot be deducted under this paragraph for an earlier period.
- (4) But the total amount deducted from taxable total profits under this section, in relation to a payment or quasi-payment, may not exceed the total amount by which the relevant deduction is reduced as mentioned in (1)(a).
- (5) In this section “permitted taxable period”—
 - (a) where the relevant deduction was reduced under section 259CD, has the meaning given by section 259CC(2),
 - (b) where the relevant deduction was reduced under section 259DF, has the meaning given by section 259DD(2),
 - (c) where the relevant deduction was reduced under section 259GC, has the meaning given by section 259GB(6),
 - (d) where the relevant deduction was reduced under section 259HC, has the meaning given by section 259HB(4), or
 - (e) where the relevant deduction was reduced under two or more of the sections mentioned in the preceding paragraphs of this subsection, includes any taxable period that is a permitted period under a provision mentioned in the paragraphs concerned.

CHAPTER 13

ANTI-AVOIDANCE

259M Countering the effect of avoidance arrangements

- (1) This section applies where—
 - (a) relevant avoidance arrangements exist,
 - (b) as a result of those arrangements, any person (whether party to the arrangements or not) would, apart from this section, obtain a relevant tax advantage, and
 - (c) that person is—
 - (i) within the charge to corporation tax at the time the person would obtain the relevant tax advantage, or
 - (ii) would be within the charge to corporation tax at that time but for the relevant avoidance arrangements.
- (2) The relevant tax advantage is to be counteracted by making such adjustments to the person's treatment for corporation tax purposes as are just and reasonable.
- (3) Any adjustments required to be made under this section (whether or not by an officer of Revenue and Customs) may be made by way of an assessment, the modification of an assessment, amendment or disallowance of a claim, or otherwise.
- (4) A person obtains a “relevant tax advantage” if—
 - (a) the person avoids, to any extent, any provision of this Part, or any equivalent provision of the law of a territory outside the United Kingdom, restricting whether or how that person may make a deduction from income for the purposes of calculating taxable profits, or
 - (b) the person avoids, to any extent, an amount being treated as income of that person under any provision of this Part or any equivalent provision of the law of a territory outside the United Kingdom.
- (5) “Relevant avoidance arrangements” means arrangements the main purpose, or one of the main purposes, of which is to enable any person to obtain a relevant tax advantage.
- (6) But arrangements are not “relevant avoidance arrangements” if the obtaining of the relevant tax advantage can reasonably be regarded as consistent with the principles on which the provisions of this Part, or the equivalent provisions under the law of a territory outside the United Kingdom, that are relevant to the arrangements are based (whether express or implied) and the policy objectives of those provisions.
- (7) For the purposes of determining the principles and policy objectives mentioned in subsection (6), regard may, where appropriate, be had to the Final Report on Neutralising the Effects of Hybrid Mismatch Arrangements published by the Organisation for Economic Cooperation and Development

(“OECD”) on 5 October 2015 or any replacement or supplementary publication.

- (8) In subsection (7) “replacement or supplementary publication” means any document that is approved and published by the OECD in place of, or to update or supplement, the report mentioned in that subsection (or any replacement of, or supplement to, it).

CHAPTER 14

INTERPRETATION

Financial instruments

259N Meaning of “financial instrument”

- (1) A “financial instrument” means—
- (a) an arrangement profits or deficits arising from which would, on the assumption that the person to whom they arise is within the charge to corporation tax, fall to be brought into account for corporation tax purposes in accordance with Part 5 or 6 of CTA 2009 (loan relationships and relationships treated as loan relationships),

- (2) In paragraph 5 of Schedule B1 (power to amend), the reference to paragraph 4 includes paragraph 4 as applied by this paragraph.
- (3) The Treasury may by regulations under this sub-paragraph make provision changing or clarifying the cases where a building outside the United Kingdom counts as a dwelling for the purposes of this Schedule (and sub-paragraph (1) has effect subject to any such regulations).
- (4) Provision made under sub-paragraph (3) may include provision corresponding to paragraph 4(5) of Schedule B1.

Interpretation

- 5 In this Schedule “land” includes a building.”

“SCHEDULE 4ZZC

Section 57C

DISPOSALS OF RESIDENTIAL PROPERTY INTERESTS: GAINS AND LOSSES

PART 1

INTRODUCTION AND INTERPRETATION

Introduction

- 1 (1) In this Schedule “RPI disposal” means a disposal of a residential property interest which is not a non-resident CGT disposal.
- (2) This Schedule applies for the purpose of determining, in relation to an RPI disposal—
- (a) whether a residential property gain or loss accrues on the disposal, and the amount of any such gain or loss, and
 - (b) whether a gain or loss other than a residential property gain or loss accrues on the disposal, and the amount of any such gain or loss.
- (3) In this Schedule—

Status: This is the original version (as it was originally enacted).

- (a) Part 2 contains the main rules for computing the gains and losses;
- (b) Part 3 contains the rules for computing the gains and losses in a case where the RPI disposal is, or involves, a relevant high value disposal (as defined in section 2C).

Interpretation

- 2 (1) For the purposes of this Schedule, a relevant high value disposal is “comprised in” an RPI disposal if—
- (a) the RPI disposal is treated for the purposes of section 2C and Schedule 4ZZA as two or more disposals, and
 - (b) the relevant high value disposal is one of those.
- (2) In this Schedule—
- “chargeable interest” has the same meaning as in Part 3 of the Finance Act 2013 (annual tax on enveloped dwellings) (see section 107 of that Act);
 - “dwelling” has the meaning given by —
 - (a) paragraph 4 of Schedule B1, in relation to a disposal of a UK residential property interest;
 - (b) paragraph 4 of Schedule BA1, in relation to a disposal of a non-UK residential property interest;
 - “subject-matter”, in relation to an interest in land (or a chargeable interest) means the land to which the interest relates.

PART 2

RPI DISPOSALS NOT INVOLVING RELEVANT HIGH VALUE DISPOSALS

Application of Part

- 3 (1) This Part of this Schedule applies where a person (“P”) makes an RPI disposal of (or of part of) an interest in land.
- (2) But this Part of this Schedule does not apply if the disposal is—
- (a) a relevant high value disposal, or
 - (b) a disposal in which a relevant high value disposal is comprised.
- (3) In this Part of this Schedule “the disposed of interest” means—
- (a) the interest in land, or
 - (b) if the disposal is of part of that interest, the part disposed of.

Computation of residential property gains and losses

- 4 (1) The residential property gain or loss accruing on the disposal is computed as follows.

Step 1

Determine the amount of the gain or loss that accrues to P.

Step 2

Status: This is the original version (as it was originally enacted).

The residential property gain or loss accruing on the disposal is an amount equal to the relevant fraction of that gain or loss (but see Step 3).

Step 3

If there has been mixed use of the subject matter of the disposed of interest on one or more days in the relevant ownership period, the residential property gain or loss accruing on the disposal is equal to the appropriate fraction of the amount given by Step 2.

- (2) In Step 2 “the relevant fraction” means—

$$\frac{RD}{TD}$$

where—

“RD” is the number of days in the relevant ownership period on which the subject matter of the disposed of interest consists wholly or partly of a dwelling;

“TD” is the total number of days in the relevant ownership period.

- (3) For the purposes of Step 3 there is “mixed use” of land on any day on which the land consists partly, but not exclusively, of one or more dwellings.
- (4) In Step 3 “the appropriate fraction” means the fraction that is, on a just and reasonable apportionment, attributable to the dwelling or dwellings.
- (5) In this paragraph the “relevant ownership period” means the period—
- (a) beginning with the day on which P acquired the disposed of interest or, if later, 31 March 1982, and
 - (b) ending with the day before the day on which the disposal occurs.

Computation of balancing gains and losses

- 5 The gain or loss accruing on the disposal which is not a residential property gain or loss is computed as follows.

Step 1

In a case where there is a gain under Step 1 of paragraph 4(1), determine the amount of that gain remaining after the deduction of the residential property gain determined under that paragraph.

That remaining gain is the gain accruing on the disposal which is not a residential property gain.

Step 2

In a case where there is a loss under Step 1 of paragraph 4(1), determine the amount of that loss remaining after the deduction of the residential property loss determined under that paragraph.

That remaining loss is the loss accruing on the disposal which is not a residential property loss.

Status: This is the original version (as it was originally enacted).

Interest subsisting under contract for off-plan purchase

- 6 (1) This paragraph applies where the disposal referred to in paragraph 3(1) is a disposal of a residential property interest only because of—
- (a) the second condition in paragraph 1 of Schedule B1, or
 - (b) the second condition in paragraph 1 of Schedule BA1,
- (interest subsisting under a contract for the acquisition of land that consists of, or includes, a building that is to be constructed for use as a dwelling).
- (2) The land that is the subject of the contract concerned is treated for the purposes of this Part of this Schedule as consisting of (or, as the case requires, including) a dwelling throughout P's period of ownership of the disposed of interest.

PART 3

RPI DISPOSALS INVOLVING RELEVANT HIGH VALUE DISPOSALS

Application of Part

- 7 (1) This Part of this Schedule applies where—
- (a) a person (other than an excluded person) ("P") makes an RPI disposal of (or of part of) an interest in land, and
 - (b) that disposal ("the disposal of land") is a relevant high value disposal or a relevant high value disposal is comprised in it.
- (2) "Excluded person" has the meaning given by section 2B(2).

Interpretation of Part

- 8 (1) This paragraph applies for the interpretation of this Part of this Schedule.
- (2) "The asset", in relation to a relevant high value disposal, means the chargeable interest which (or a part of which) is the subject of that disposal.
- (3) "The disposed of interest", in relation to a relevant high value disposal, means the asset or, if only part of the asset is the subject of the relevant high value disposal, that part of the asset.
- (4) A day is a "residential property chargeable day" in relation to a relevant high value disposal if—
- (a) it is a day on which the subject matter of the disposed of interest consists wholly or partly of a dwelling, but
 - (b) it is not an ATED chargeable day (as defined in paragraph 3 of Schedule 4ZZA).

Computation of residential property gains or losses on the RPI disposal

- 9 (1) The residential property gain or loss accruing on the disposal of land is computed as follows.

Step 1

Determine in accordance with paragraphs 10 to 15 the amount of the residential property gain or loss accruing on each relevant high value disposal.

Step 2

Add together the amounts of any gains or losses determined under Step 1 (treating any amount which is a loss as a negative amount).

- (2) If the result is a positive amount, that amount is the residential property gain on the disposal of land.
- (3) If the result is a negative amount, that amount (expressed as a positive number) is the residential property loss on the disposal of land.

Computation of residential property gains or losses on relevant high value disposal not within Case 1, 2 or 3 (or where an election is made)

- 10 (1) This paragraph applies to a relevant high value disposal where—
- (a) the disposal does not fall within any of Cases 1, 2 or 3 in paragraph 2 of Schedule 4ZZA, or
 - (b) P has made an election under paragraph 5 of that Schedule in respect of the asset.

- (2) The residential property gain or loss accruing on the relevant high value disposal is computed as follows—

Step 1

Determine the amount of gain or loss which accrues to P.

(For the purpose of determining the amount of that gain or loss, no account is taken of section 57C or this Schedule.)

Step 2

The residential property gain or loss accruing on the relevant high value disposal is equal to the special fraction of that gain or loss.

- (3) The “special fraction” is—

$$\frac{SD}{TD}$$

where—

“SD” is the number of residential property chargeable days in the relevant ownership period;

“TD” is the total number of days in the relevant ownership period.

- (4) “Relevant ownership period” means the period—

- (a) beginning with the day on which P acquired the disposed of interest or, if later, 31 March 1982, and

Status: This is the original version (as it was originally enacted).

- (b) ending with the day before the day on which the relevant high value disposal occurs.

Computation of residential property gains and losses on relevant high value disposal within Case 1, 2 or 3 (and no election made)

- 11 (1) This paragraph applies to a relevant high value disposal where—
- (a) the disposal falls within Case 1, 2 or 3 in paragraph 2 of Schedule 4ZZA, and
 - (b) P has not made an election under paragraph 5 of that Schedule in respect of the asset.
- (2) The residential property gain or loss accruing on the relevant high value disposal is computed in accordance with paragraphs 12 to 15.
- (3) In those paragraphs “the relevant year” means—
- (a) where the relevant high value disposal falls within Case 1 in paragraph 2 of Schedule 4ZZA, 2013,
 - (b) where it falls within Case 2 in that paragraph, 2015, and
 - (c) where it falls within Case 3 in that paragraph, 2016.
- 12 (1) Take the following steps—
- Step 1*
 Determine the amount equal to the special fraction of the notional pre-ATED gain or loss (as the case may be) (see paragraph 13).
- Step 2*
 Determine the amount equal to the special fraction of the notional post-ATED gain or loss (as the case may be) (see paragraph 14).
- Step 3*
 Add (treating any amount which is a loss as a negative amount)—
- (a) the amount of any gain or loss determined under Step 1, and
 - (b) the amount of any gain or loss determined under Step 2.
- (2) If the result is a positive amount, that amount is the residential property gain on the relevant high value disposal.
- (3) If the result is a negative amount, that amount (expressed as a positive number) is the residential property loss on the relevant high value disposal.
- 13 (1) This paragraph applies for the purposes of Step 1 in paragraph 12.
- (2) “Notional pre-ATED gain or loss” means the gain or loss which would have accrued on 5 April of the relevant year had the disposed of interest been disposed of for a consideration equal to the market value of the interest on that date.
- (3) The “special fraction” is—
- $$\frac{SD}{TD}$$

where—

Status: This is the original version (as it was originally enacted).

“SD” is the number of residential property chargeable days in the relevant ownership period;

“TD” is the total number of days in the relevant ownership period.

- (4) The “relevant ownership period” is the period—
- beginning with the day on which P acquired the disposed of interest or, if later, 31 March 1982, and
 - ending with 5 April of the relevant year.
- 14 (1) This paragraph applies for the purposes of Step 2 in paragraph 12.
- (2) “Notional post-ATED gain or loss” means the gain or loss which would have accrued on the relevant high value disposal had P acquired the disposed of interest on 5 April of the relevant year for a consideration equal to its market value on that date (and see paragraph 15).

- (3) The “special fraction” is—

$$\frac{SD}{TD}$$

where—

“SD” is the number of residential property chargeable days in the relevant ownership period;

“TD” is the total number of days in the relevant ownership period.

- (4) The “relevant ownership period” is the period beginning with 6 April of the relevant year and ending with the day before the day on which the relevant high value disposal occurs.
- 15 (1) This paragraph applies for the purposes of computing the notional post-ATED gain or loss for the purposes of Step 2 in paragraph 12.
- (2) In determining whether the asset which is the subject of the relevant high value disposal is a wasting asset (as defined for the purposes of Chapter 2 of Part 2), ignore the assumption that the asset was acquired on 5 April of the relevant year.
- (3) Sections 41 (restriction of losses by reference to capital allowances and renewals allowances) and 47 (wasting assets subject to capital allowances) apply in relation to any capital allowance or renewals allowance made in respect of the expenditure actually incurred by P in acquiring or providing the asset as if that allowance were made in respect of the expenditure treated as incurred by P on 5 April of the relevant year.

Computation of balancing gains or losses on the RPI disposal

- 16 (1) The gain or loss on the disposal of land which is neither ATED-related nor a residential property gain or loss (“the balancing gain or loss”) is computed as follows.

Step 1

Determine in accordance with paragraphs 17 and 18 the amount of the gain or loss accruing on each relevant high value disposal

Status: This is the original version (as it was originally enacted).

which is neither ATED-related nor a residential property gain or loss.

This is the “balancing” gain or loss for each disposal.

Step 2

Add together the amounts of any balancing gains or losses determined under Step 1 (treating any amount which is a loss as a negative amount).

- (2) If the result is a positive amount, that amount is the balancing gain on the disposal of land.
- (3) If the result is a negative amount, that amount (expressed as a positive number) is the balancing loss on the disposal of land.

Computation of balancing gains or losses on relevant high value disposal not within Case 1, 2 or 3 (or where an election is made)

- 17 (1) In the case of a relevant high value disposal to which paragraph 10 applies, the amount of the balancing gain or loss is determined as follows.
- (2) Determine the number of balancing days in the relevant ownership period.
- (3) “Balancing day” means a day which is neither—
 - (a) a residential property chargeable day, nor
 - (b) an ATED chargeable day (as defined in paragraph 3 of Schedule 4ZZA).
- (4) The balancing gain or loss on the disposal is equal to the balancing fraction of the amount of the gain or (as the case may be) loss determined under Step 1 of paragraph 10(2).
- (5) The “balancing fraction” is—

$$\frac{BD}{TD}$$

where—

“BD” is the number of balancing days in the relevant ownership period;

“TD” is the total number of days in the relevant ownership period.

- (6) In this paragraph “relevant ownership period” has the same meaning as in paragraph 10.

Computation of balancing gains or losses on relevant high value disposal within Case 1, 2 or 3 (and no election made)

- 18 (1) The amount of the balancing gain or loss on a relevant high value disposal to which paragraph 11 applies is found by adding—
 - (a) the amount of the balancing gain or loss belonging to the notional pre-ATED gain or loss, and

Status: This is the original version (as it was originally enacted).

- (b) the amount of the balancing gain or loss belonging to the notional post-ATED gain or loss,
(treating any amount which is a loss as a negative amount).
- (2) If the result is a positive amount, that amount is the balancing gain on the relevant high value disposal.
- (3) If the result is a negative amount, that amount (expressed as a positive number) is the balancing loss on the relevant high value disposal.
- (4) The balancing gain or loss belonging to the notional pre-ATED gain or loss is equal to the balancing fraction of the notional pre-ATED gain or loss.
- (5) The balancing gain or loss belonging to the notional post-ATED gain or loss is equal to the balancing fraction of the notional post-ATED gain or loss.
- (6) The balancing fraction is—

$$\frac{BD}{TD}$$

where—

“BD” is the number of balancing days in the appropriate ownership period;

“TD” is the total number of days in the appropriate ownership period.

- (7) “Balancing day” means a day which is neither—
 - (a) a residential property chargeable day, nor
 - (b) an ATED chargeable day (as defined in paragraph 3 of Schedule 4ZZA).
- (8) The appropriate ownership period is—
 - (a) for the purpose of computing the balancing gain or loss belonging to the notional pre-ATED gain or loss, the relevant ownership period mentioned in paragraph 13(4);
 - (b) for the purpose of computing the balancing gain or loss belonging to the notional post-ATED gain or loss, the relevant ownership period mentioned in paragraph 14(4).
- (9) In this paragraph—
 - “notional pre-ATED gain or loss” means the same as in paragraph 13(2);
 - “notional post-ATED gain or loss” means the same as in paragraph 14(2).

Relevant high value disposal and “other” disposal are comprised in the disposal of land

- 19 (1) This paragraph applies where the disposals comprised in the disposal of land include a disposal (the “non-ATED related disposal”) which is not a relevant high value disposal.

- (2) This Part of this Schedule (apart from this paragraph) applies in relation to the non-ATED related disposal as if it were a relevant high value disposal.
- (3) Sub-paragraph (4) applies if there has, at any time in the relevant ownership period, been mixed use of the subject matter of the disposed of interest.
- (4) The amount of any residential property gain or loss on the non-ATED related disposal computed under this Part of this Schedule is taken to be the appropriate fraction of the amount that it would otherwise be.
- (5) In sub-paragraph (4) “the appropriate fraction” means the fraction that is, on a just and reasonable apportionment, attributable to the dwelling or dwellings.
- (6) In this paragraph the “relevant ownership period” means—
 - (a) where paragraph 10 applies, the relevant ownership period as defined in paragraph 10(4), or
 - (b) where paragraph 11 applies, the relevant ownership period as defined in paragraphs 13(4) and 14(4).

Interest subsisting under contract for off-plan purchase

- 20 (1) This paragraph applies where the RPI disposal made by P is a disposal of a residential property interest only because of—
 - (a) the second condition in paragraph 1 of Schedule B1, or
 - (b) the second condition in paragraph 1 of Schedule BA1,
 (interest subsisting under a contract for the acquisition of land that consists of, or includes, a building that is to be constructed for use as a dwelling).
- (2) The land that is the subject of the contract concerned is treated for the purposes of this Part of this Schedule as consisting of (or, as the case requires, including) a dwelling throughout P’s period of ownership of the interest in land.”

5 After Schedule 7 insert—

**“SCHEDULE

Section 169SA

ENTREPRENEURS’ RELIEF: “TRADING COMPANY” AND “TRADING GROUP”

PART 1

MEANING OF “TRADING COMPANY” AND “TRADING GROUP”

 - (a) in section 169I (material disposal of business assets)—
 - (i) paragraphs (a) and (b) of subsection (6) (which apply for the purposes of conditions A and B in that section), and

 - (b) section 169J(4) (disposal of trust business assets).
- (2) “Trading company” and “trading group” have the same meaning as in section 165 (see section 165A), but as modified by Part 2 of this Schedule.
- (3) “Trading activities” (see section 165A(4) and (9)) is to be read in accordance with Part 3 of this Schedule.
- 2 In provisions of Chapter 3 of Part 5 not mentioned in paragraph 1(1), “trading company” and “trading group” have the same meaning as in section 165 (see section 165A), except that subsections (7) and (12) of section 165A are to be disregarded.

PART 2

JOINT VENTURE COMPANIES

Attribution of activities of a joint venture company

- 3 In relation to a disposal of assets consisting of (or of interests in) shares in or securities of a company (“company A”), activities of a joint venture company are to be attributed to a company under subsections (7) and (12) of section 165A only if P—

Status: This is the original version (as it was originally enacted).

- (a) passes the shareholding test in relation to the joint venture company (see paragraphs 5 to 8), and
- (b) passes the voting rights test in relation to the joint venture company (see paragraphs 9 to 12).

Meaning of “investing company”

- 4 (1) For the purposes of this Part, a company is an “investing company” in relation to P and a joint venture company if it meets conditions 1 and 2.
- (2) Condition 1 is that—
 - (a) the company is company A (see paragraph 3), or
 - (b) P directly owns some portion of the ordinary share capital of the company.
- (3) Condition 2 is that the company owns some portion of the ordinary share capital of the joint venture company (whether it is owned directly, indirectly, or partly directly and partly indirectly).
- (4) In sub-paragraph (3) the reference to a company owning share capital indirectly is to be read in accordance with section 1155 of CTA 2010.

Shareholding test

- 5 P passes the shareholding test in relation to a joint venture company if, throughout the relevant period, the sum of the percentages given by paragraphs (a) and (b) is at least 5%—
 - (a) the percentage of the ordinary share capital of the joint venture company that is owned directly by P, and
 - (b) P’s indirect shareholding percentage (see paragraph 6).
- 6 P’s “indirect shareholding percentage” is found by—
 - (a) calculating the percentage of the ordinary share capital of the joint venture company that is owned indirectly by P through a particular investing company (see paragraph 7), and
 - (b) where there are two or more investing companies, adding those percentages together.
- 7 The percentage of the ordinary share capital of a joint venture company that is owned indirectly by P through a particular investing company (“company IC”) at a particular time is given by—

$$R \times S \times 100$$

where—

 - R is the fraction of company IC’s ordinary share capital that is owned by P at that time, and
 - S is the fraction of the joint venture company’s ordinary share capital that is owned by company IC at that time (whether it is owned directly, indirectly, or partly directly and partly indirectly) (see paragraph 8).
- 8 (1) The fraction of the joint venture company’s ordinary share capital that is owned indirectly by company IC is calculated—

- (a) by applying sections 1156 and 1157 of CTA 2010, as read with section 1155 of that Act, and
 - (b) on the assumptions specified in sub-paragraph (2).
- (2) The assumptions are—
- (a) where company IC directly owns more than 50% of the ordinary share capital of a company, company IC is taken to own the whole of the ordinary share capital of that company;
 - (b) where a company other than company IC (“company B”) directly owns more than 50% of the ordinary share capital of another company (“company C”) which is a member of a group of companies of which company IC is a member, company B is taken to own the whole of the ordinary share capital of company C.

Voting rights test

- 9 P passes the voting rights test in relation to a joint venture company if, throughout the relevant period, the sum of the percentages given by paragraphs (a) and (b) is at least 5%—
- (a) the percentage of the voting rights that P holds directly in the joint venture company, and
 - (b) P’s indirect voting rights percentage (see paragraph 10).
- 10 P’s “indirect voting rights percentage” is found by—
- (a) calculating the percentage of the voting rights in the joint venture company that P holds indirectly through a particular investing company (see paragraph 11), and
 - (b) where there are two or more investing companies, adding those percentages together.
- 11 The percentage of the voting rights in a joint venture company that P holds indirectly through a particular investing company (“company IC”) at a particular time is given by—
- $$T \times U \times 100$$
- where—
- T is the fraction of the voting rights in company IC that is held by P at that time, and
 - U is the fraction of the voting rights in the joint venture company that is held by company IC at that time (whether the voting rights are held directly, indirectly, or partly directly and partly indirectly) (see paragraph 12).
- 12 (1) The fraction of the voting rights in the joint venture company that is held indirectly by company IC is calculated—
- (a) by applying sections 1156 and 1157 of CTA 2010, as read with section 1155 of that Act, as if references in those sections to owning the ordinary share capital of a company were references to holding voting rights in a company, and
 - (b) on the assumptions specified in sub-paragraph (2).

- (2) The assumptions are—

- (a) where company IC directly holds more than 50% of the voting rights in a company, company IC is taken to hold all the voting rights in that company;
- (b) where a company other than company IC (“company B”) directly holds more than 50% of the voting rights in another company (“company C”) which is a member of a group of companies of which company IC is a member, company B is taken to hold all the voting rights in company C.

PART 3

PARTNERSHIPS

Activities of a company as a member of a partnership

- 13 (1) In relation to a disposal of assets consisting of (or of interests in) shares in or securities of a company (“company A”), activities carried on by a company as a member of a partnership are to be treated as not being trading activities of the company (see section 165A(4) and (9)) if P fails either or both of the following—
- (a) the profits and assets test in relation to the partnership (see paragraphs 15 to 20);
 - (b) the voting rights test in relation to the partnership (see paragraphs 21 to 23).
- (2) In relation to such a disposal, activities carried on by a company as a member of a partnership are also to be treated as not being trading activities of the company if the company is not a member of the partnership throughout the relevant period.

Meaning of “direct interest company” and “relevant corporate partner”

- 14 (1) This paragraph applies for the purposes of this Part.
- (2) A company is a “direct interest company” in relation to P if—
- (a) it is company A (see paragraph 13(1)), or
 - (b) P directly owns some portion of the ordinary share capital of the company.
- (3) A company is a “relevant corporate partner” in relation to P and a partnership if—
- (a) a direct interest company in relation to P (“company DIC”) owns some portion of the ordinary share capital of the company (whether it is owned directly, indirectly or partly directly and partly indirectly),
 - (b) the company is a member of a group of companies of which company DIC is a member, and
 - (c) the company is a member of the partnership.
- (4) In sub-paragraph (3) the reference to a company owning share capital indirectly is to be read in accordance with section 1155 of CTA 2010.

Profits and assets test

- 15 P passes the profits and assets test in relation to a partnership if, throughout the relevant period, the sum of the percentages given by paragraphs (a), (b) and (c) is at least 5%—
- the percentage which is P’s direct interest in the assets of the partnership,
 - the percentage which is P’s share of the partnership through direct interest companies that are members of the partnership (see paragraph 16), and
 - the percentage which is P’s share of the partnership through direct interest companies and relevant corporate partners in the partnership (see paragraph 18).
- 16 P’s “share of the partnership through direct interest companies that are members of the partnership” is found by—
- calculating the percentage which is P’s indirect share of the partnership through each direct interest company that is a member of the partnership (see paragraph 17), and
 - where there are two or more direct interest companies that are members of the partnership, adding those percentages together.
- 17 The percentage which is P’s indirect share of the partnership through a particular direct interest company that is a member of the partnership (“company DICP”) at a particular time is given by—

$$R \times V \times 100$$

where—

R is the fraction of company DICP’s ordinary share capital that is owned by P at that time, and

V is the lower of—

- the fraction of the profits of the partnership in which company DICP has an interest at that time, and
- the fraction of the assets of the partnership in which company DICP has an interest at that time.

- 18 P’s “share of the partnership through direct interest companies and relevant corporate partners in the partnership” is found by—
- calculating the percentage which is P’s indirect share of the partnership through each direct interest company and each relevant corporate partner in the partnership (see paragraph 19), and
 - where there are two or more direct interest companies or two or more relevant corporate partners, or both, adding those percentages together.

- 19 The percentage which is P’s indirect share of the partnership through a particular direct interest company (“company DIC”) and a particular relevant corporate partner in the partnership (“company CP”) at a particular time is given by—

$$R \times V \times W \times 100$$

where—

R is the fraction of company DIC’s ordinary share capital that is owned by P at that time,

V is the lower of—

- (a) the fraction of the profits of the partnership in which company CP has an interest at that time, and
- (b) the fraction of the assets of the partnership in which company CP has an interest at that time, and

W is the fraction of company CP’s ordinary share capital that is owned by company DIC at that time (whether it is owned directly, indirectly, or partly directly and partly indirectly) (see paragraph 20).

- 20 (1) The fraction of a company’s ordinary share capital that is owned indirectly by company DIC is calculated—
 - (a) by applying sections 1156 and 1157 of CTA 2010, as read with section 1155 of that Act, and
 - (b) on the assumptions specified in sub-paragraph (2).
- (2) The assumptions are—
 - (a) where company DIC directly owns more than 50% of the ordinary share capital of a company, company DIC is taken to own the whole of the ordinary share capital of that company;
 - (b) where a company other than company DIC (“company B”) directly owns more than 50% of the ordinary share capital of another company (“company C”) which is a member of a group of companies of which company DIC is a member, company B is taken to own the whole of the ordinary share capital of company C.

Voting rights test

- 21 (1) P passes the voting rights test in relation to a partnership if, throughout the relevant period, the sum of P’s direct voting rights percentage and P’s indirect voting rights percentage is at least 5%.
- (2) P’s “direct voting rights percentage” is found by—
 - (a) taking the percentage of the voting rights that P holds directly in each direct interest company that is a member of the partnership, and
 - (b) where P directly holds voting rights in two or more direct interest companies that are members of the partnership, adding those percentages together.
- (3) P’s “indirect voting rights percentage” is found by—
 - (a) calculating the percentage which is P’s indirect holding of voting rights in each relevant corporate partner in the partnership through each direct interest company (see paragraph 22), and

- (b) where there are two or more relevant corporate partners or two or more direct interest companies, or both, adding those percentages together.
- 22 The percentage which is P’s indirect holding of voting rights in a particular relevant corporate partner in the partnership (“company CP”) through a particular direct interest company (“company DIC”) at a particular time is given by—

$$T \times X \times 100$$

where—

T is the fraction of the voting rights in company DIC that is held by P at that time, and

X is the fraction of the voting rights in company CP that is held by company DIC at that time (whether the voting rights are held directly, indirectly, or partly directly and partly indirectly) (see paragraph 23).

- 23 (1) The fraction of the voting rights in a company that is held indirectly by company DIC is calculated—
- (a) by applying sections 1156 and 1157 of CTA 2010, as read with section 1155 of that Act, as if references in those sections to owning the ordinary share capital of a company were references to holding voting rights in a company, and
 - (b) on the assumptions specified in sub-paragraph (2).
- (2) The assumptions are—
- (a) where company DIC directly holds more than 50% of the voting rights in a company, company DIC is taken to hold all the voting rights in that company;
 - (b) where a company other than company DIC (“company B”) directly holds more than 50% of the voting rights in another company (“company C”) which is a member of a group of companies of which company DIC is a member, company B is taken to hold all the voting rights in company C.

The relief

169VC Investors’ relief

- (1) This section applies where—
 - (a) a qualifying person disposes of a holding, or part of a holding, of shares in a company, and
 - (b) immediately before that disposal some or all of the shares in the holding are qualifying shares.
- (2) If—
 - (a) a chargeable gain accrues to the qualifying person on the disposal, and

- (3) In subsection (2) “the relevant gain” means—
 - (a) where immediately before the disposal all the shares in the holding are qualifying shares, the chargeable gain on the disposal;
 - (b) where at that time only some of the shares in the holding are qualifying shares, the appropriate part of that chargeable gain (defined by section 169VD).

 - sections 169VK and 169VL (cap on investors’ relief).
- (5) A reference in subsection (3) to the chargeable gain on the disposal, or to the appropriate part of that gain, is a reference to that chargeable gain, or (as the case may be) that part, after any deduction of allowable losses which is made in accordance with this Act from that chargeable gain or from that part.
- (6) For the application of this section to disposals of interests in shares, see section 169VJ.
- (7) In this Chapter a “qualifying person” means—

- (1) This section applies where—
- (a) a disposal (“the disposal concerned”) is made as mentioned in section 169VC(1), and
 - (b) at the time immediately before the disposal, only some of the shares in the holding are qualifying shares.
- (2) Where this section applies, for the purposes of section 169VC(3) “the appropriate part” of the chargeable gain on the disposal is so much of that chargeable gain as is found by multiplying it by the appropriate fraction.
- (3) The appropriate fraction is—

$$\frac{Q}{T}$$

where—

Q is the number of qualifying shares found under subsection (4), and

T is the total number of shares disposed of in the disposal concerned.

- (4) The number of qualifying shares found under this subsection is—
- (a) all the qualifying shares in the holding at the time immediately before the disposal concerned, or
 - (b) if less, such number of those qualifying shares as equals the number of shares disposed of in that disposal.

169VE Which shares are in holding immediately before disposal

- (1) This section applies where—
- (a) a particular disposal is made as mentioned in section 169VC(1)(a) (“the current disposal”),
 - (b) there have been one or more previous disposals of shares from the holding mentioned in section 169VC(1) before the current disposal, and
 - (c) it is necessary to determine for the purposes of this Chapter which shares are to be treated as in the holding immediately before the current disposal (and, accordingly, which shares are to be treated as having been disposed of in those previous disposals).
- (2) In the case of a previous disposal as regards which investors' relief has been claimed or is being claimed, the shares to be treated as disposed of in that previous disposal are to be determined in accordance with the rules in section 169VF.

- (2) There are to be treated as having been disposed of in the disposal concerned—
 - (a) all the qualifying shares in the holding at the time immediately before that disposal (“the material time”), or
 - (b) if less, such number of those qualifying shares as equals the number of shares disposed of in that disposal.
- (3) If—
 - (a) the number of qualifying shares in the holding at the material time was less than the total number of shares disposed of, and
 - (b) excluded shares were in the holding at the material time,the available excluded shares are also to be treated as having been disposed of.
- (4) “The available excluded shares” means—
 - (a) all the excluded shares in the holding at the material time, or
 - (b) if less, such number of those excluded shares as is equal to the difference between—
 - (i) the total number of shares disposed of, and
 - (ii) the number of qualifying shares in the holding at the material time.
- (5) If the number of shares treated under subsections (2) to (4) as disposed of in the disposal concerned is less than the total number of shares disposed of, such number of the potentially qualifying shares in the holding at the material time as is equal to the difference are also to be treated as having been disposed of.
- (6) Where the number of potentially qualifying shares in the holding at the material time exceeds the difference mentioned in subsection (5), under that subsection potentially qualifying shares acquired later are to be treated as disposed of in preference to ones acquired earlier.
- (7) In this section “disposed of” (without more) means disposed of in the disposal concerned.

169VG Shares treated as disposed of in previous disposal: no claim made

- (1) The rules referred to in section 169VE(3) are as follows; and in this section “the disposal concerned” means the previous disposal mentioned in section 169VE(3).
- (2) If any excluded shares were in the holding at the time immediately before the disposal concerned (“the material time”), the maximum number of excluded shares are to be treated as having been disposed of in the disposal concerned.
- (3) “The maximum number of excluded shares” means—

Status: This is the original version (as it was originally enacted).

- (a) all the excluded shares in the holding at the material time, or
 - (b) if less, such number of those excluded shares as is equal to the number of shares disposed of.
- (4) If—
 - (a) there were no excluded shares in the holding at the material time, or the number of such shares was less than the total number of shares disposed of, and
 - (b) potentially qualifying shares were in the holding at the material time, the available potentially qualifying shares are to be treated as having been disposed of.
- (5) “The available potentially qualifying shares” means—
 - (a) all the potentially qualifying shares in the holding at the material time, or
 - (b) if less, such number of those potentially qualifying shares as is equal to the difference between—
 - (i) the total number of shares disposed of, and
 - (ii) the number of excluded shares in the holding at the material time.
- (6) Where the number of potentially qualifying shares in the holding at the material time exceeds the difference mentioned in subsection (5), potentially qualifying shares acquired later are to be treated as disposed of in preference to ones acquired earlier.
- (7) If the number of shares treated under subsections (2) to (5) as disposed of in the disposal concerned is less than the total number of shares disposed of, such number of the qualifying shares in the holding at the material time as is equal to the difference are to be treated as having been disposed of.
- (8) In this section “disposed of” (without more) means disposed of in the disposal concerned.

Trustees of a settlement: special provision

169VH Disposals by trustees: further conditions for relief

- (1) Where a disposal falling within section 169VC(1)(a) and (b) is made by the trustees of a settlement, section 169VC does not apply to the disposal unless there is at least one individual who is an eligible beneficiary in respect of the disposal.
- (2) For the purposes of this section, an individual is an “eligible beneficiary” in respect of the disposal if—
 - (a) at the time immediately before the disposal, the individual has under the settlement an interest in possession in settled property that includes or consists of the holding of shares mentioned in section 169VC(1),
 - (b) the individual has had such an interest in possession under the settlement throughout the period of 3 years ending with the date of the disposal,

Status: This is the original version (as it was originally enacted).

- (c) at no time in that period has the individual been a relevant employee in respect of the company that issued the shares (within the meaning given by section 169VW), and
 - (d) the individual has (by the time of the claim under section 169VC in respect of the disposal) elected to be treated as an eligible beneficiary in respect of the disposal.
- (3) For the purposes of subsection (2)(d), an individual elects to be treated as an eligible beneficiary in respect of a disposal if the individual tells the trustees (by whatever means) that he or she wishes to be so treated; and an election under subsection (2)(d) may be withdrawn by the individual at any time until the claim is made.
- (4) In this section “interest in possession” does not include an interest in possession for a fixed term.
- (5) In relation to a disposal made by the trustees of a settlement, any reference in section 169VB(2)(g) to the investor is to be read as a reference to any trustee of the settlement.

169VI Disposals by trustees: relief reduced in certain cases

- (1) Subsection (2) applies where—
 - (a) a disposal falling within section 169VC(1)(a) and (b) is made by the trustees of a settlement,
 - (b) section 169VC applies to the disposal by reason of there being at least one individual who is an eligible beneficiary in respect of the disposal (see section 169VH), and
 - (c) at the time immediately before the disposal, there are two or more persons each of whom has under the settlement an interest in possession in the settled property.
- (2) In such a case the reference in section 169VC(2) to the relevant gain is to be read as a reference—
 - (a) to the eligible beneficiary’s share of the relevant gain (see subsections (3) to (6)), or
 - (b) if there is more than one individual who is an eligible beneficiary in respect of the disposal, to so much of the relevant gain as is equal to the aggregate of the eligible beneficiaries’ shares of that gain.
- (3) In this section—
 - “eligible beneficiary” has the meaning given by section 169VH(2);
 - “relevant gain” has the meaning given by section 169VC(3);
 - “the settled property” means settled property that includes or consists of the holding of shares mentioned in section 169VC(1).
- (4) Subsection (5) applies to determine for the purposes of this Chapter, in relation to any individual who is an eligible beneficiary in respect of a disposal within section 169VC(1) made by the trustees of a settlement, that individual’s share of the relevant gain.

Status: This is the original version (as it was originally enacted).

- (5) That individual's share of the relevant gain on the disposal is so much of the relevant gain on the disposal as bears to the whole of that gain the same proportion as X bears to Y, where—

X is the interest in possession (other than for a fixed term) which, at the time immediately before the disposal, that individual has under the settlement in the income from the holding of shares mentioned in section 169VC(1), and

Y is all the interests in that income that persons (including that individual) with interests in possession in that holding have under the settlement at that time.

 - references to an interest include part of an interest.
- (4) Where section 169VC(1) applies by reason of this section, section 169VD(3) and (4) have effect as if any reference to the number of shares disposed of were a reference to the number of shares an interest in which is disposed of.
- (5) In relation to a disposal by the trustees of a settlement of an interest in a relevant holding falling within subsection (2)(a), sections 169VH(2) and 169VI(3) and (5) have effect as if any reference to the holding of shares mentioned in section 169VC(1) were to the interest disposed of.
- (6) In accordance with subsection (1)—
- in sections 169VN(1)(d), 169VP(1)(d) and 169VS(1)(d) (reorganisations), any reference to a disposal of all or part of a holding includes a disposal by the qualifying person of an interest in the holding, and
 - the reference in section 169VT(2) to a disposal of the original shares is to be read, in relation to a case where the original shares fall within subsection (2)(a) above, as a reference to a disposal of the qualifying person's interest in those shares.

 - (a) the holding that immediately after the reorganisation is (in relation to the original shares) the new holding within the meaning of section 126, or
 - (b) where the new holding within the meaning of section 126 consists of two or more actual holdings, any of those actual holdings.
- (3) Subsections (4) and (5) apply for the purposes of determining (for any purpose of this Chapter) the status of shares that immediately before the disposal mentioned in subsection (1)(d) are in the new holding mentioned there (“the new holding concerned”).
- (4) Where a number of the original shares were—
 - (a) subscribed for by the qualifying person,
 - (b) issued on a particular date (“the relevant issue date”), and
 - (c) held continuously by that person for a particular period ending immediately before the reorganisation (“the period concerned”),the following assumption is to be made.
- (5) That assumption is that an appropriate number of the new shares were—
 - (a) subscribed for by the qualifying person,
 - (b) issued on the relevant issue date, and
 - (c) had by the time immediately after the reorganisation already been held continuously by that person for the period concerned.
- (6) In subsections (4) and (5)—

“the appropriate number” has the meaning given by section 169VO;

“the original shares” means the shares held by the qualifying person immediately before the reorganisation that were original shares in relation to the reorganisation;

“the new shares” means the shares that immediately after the reorganisation were in the new holding concerned (including such, if any, of the original shares as remained after the reorganisation and were in that holding).

Status: This is the original version (as it was originally enacted).

- (7) In this section a reference to the “status” of a share is to whether it is qualifying, potentially qualifying or excluded.
- (8) Section 169VE applies to determine, for the purposes of this Chapter, which shares are included in a holding immediately before a reorganisation as it applies for the purposes of determining which shares are included in a holding immediately before a particular disposal.
- (9) References in this section to consideration are to be read in accordance with section 128(2).

169VO The appropriate number

- (1) The “appropriate number” for the purposes of section 169VN(5) is the number found by multiplying the number of shares that are in the new holding concerned immediately after the reorganisation by the fraction—

$$\frac{A}{B}$$

where—

A is the number of the original shares that were—

- (a) subscribed for by the qualifying person,
 - (b) issued on the relevant issue date, and
 - (c) continuously held by that person for the period concerned, and
- B is the total number of the original shares.

- (2) In this section—
 - “the new holding concerned” has the meaning given by section 169VN(3);
 - “the original shares” has the meaning given by section 169VN(6);
 - “the relevant issue date” has the meaning given by section 169VN(4);
 - “the period concerned” has the meaning given by section 169VN(4).

169VP Reorganisations where consideration given

- (1) This section applies where—
 - (a) there is a reorganisation within the meaning of section 126,
 - (b) immediately before the reorganisation, a qualifying person holds ordinary shares which, in relation to that reorganisation, are original shares within the meaning of section 126,
 - (c) on the reorganisation that person gives or becomes liable to give consideration for shares (“shares issued for consideration”) which—
 - (i) are issued to that person on the reorganisation, and
 - (ii) immediately after the reorganisation are in a new holding,
 and
 - (d) at a time after the reorganisation, there is a disposal of all or part of that new holding.
- (2) In this section a “new holding” means—

Status: This is the original version (as it was originally enacted).

- (a) the holding that immediately after the reorganisation is (in relation to the original shares) the new holding within the meaning of section 126, or
 - (b) where the new holding within the meaning of section 126 consists of two or more actual holdings, any of those actual holdings.
- (3) In determining, for any purpose of this Chapter, the status of shares that immediately before the disposal mentioned in subsection (1)(d) are in the new holding mentioned there—
 - (a) the date of issue of the shares issued for consideration is to be taken to be their actual date of issue (rather than the date of issue of any of the original shares), and
 - (b) in relation to any part of the new holding for which consideration was not given, sections 169VN(3) to (6) and 169VO apply but as if any reference to the new holding concerned were to that part of the new holding.
- (4) Section 169VN(3) to (6) and 169VO also apply in relation to any other holding which is a new holding in relation to the reorganisation and as respects which the person did not, on the reorganisation, give or become liable to give any consideration.
- (5) In this section a reference to the “status” of a share is to whether it is qualifying, potentially qualifying or excluded.
- (6) References in this section to consideration are to be read in accordance with section 128(2).

169VQ Exchange of shares for those in another company

- (1) This section applies where section 135 applies in relation to an issue of shares in a company (“company B”) in exchange for shares in another company (“company A”).
- (2) For the purposes of sections 169VN to 169VP—
 - (a) companies A and B are to be treated as if they were the same company, and
 - (b) the exchange of shares is to be treated as if it were a reorganisation of that company’s share capital.

169VR New shares issued on scheme of reconstruction

- (1) This section applies where—
 - (a) section 136 applies in relation to an arrangement between a company (“company A”) and the persons holding shares, or any class of shares, in company A, under which another company (“company B”) issues shares to those persons, and
 - (b) under section 136(2)(a) those persons are treated as exchanging shares in company A for the shares held by them in consequence of the arrangement.
- (2) For the purposes of sections 169VN to 169VP—

Status: This is the original version (as it was originally enacted).

- (a) companies A and B are to be treated as if they were the same company, and
 - (b) the exchange of shares is to be treated as if it were a reorganisation of that company's share capital.
- (3) In the following provisions of this Chapter, any reference to an exchange of shares includes anything that section 136(2)(a) treats as an exchange of shares.

169VS Modification of conditions for being a qualifying share

- (1) This section applies where—
 - (a) an ordinary share (“the original share”) is subscribed for by a qualifying person (“the investor”);
 - (b) the conditions in section 169VB(2)(c) and (d) are met in relation to the original share,
 - (c) the share is involved in an exchange of shares treated under section 169VQ or 169VR as a reorganisation of share capital, and accordingly is included in the original shares within the meaning of section 169VN(6), and
 - (d) subsequently there is a disposal of all or part of a holding of shares that in relation to that exchange is a new holding within the meaning given by section 169VN(2).
- (2) As respects a share which is in that holding immediately before that disposal, the conditions in section 169VB(2)(f) and (g) are to be regarded as met if (and only if)—
 - (a) in relation to the period beginning with the issue of the original share and ending with the exchange of shares, those conditions were met by the original share, and
 - (b) in relation to the period beginning with the exchange of shares and ending with the disposal, those conditions were met by a share representing the original share.
- (3) Accordingly—
 - (a) in section 169VB(2)(f) and (g) as they apply to the original share, any reference to the share-holding period is to be read as to the period mentioned in subsection (2)(a) above, and
 - (b) in section 169VB(2)(f) and (g) as they apply to a share representing the original share, any reference to the share-holding period is to be read as to the period mentioned in subsection (2)(b) above.
- (4) In subsection (1)(c) “the share” includes a share that, following a reorganisation or following an exchange of shares in relation to which section 169VQ or 169VR applies, represents the original share, and subsections (2) and (3) apply in such a case with the necessary modifications.

169VT Election to disapply section 127

- (1) This section applies where—
 - (a) there is—
 - (i) a reorganisation (within the meaning of section 126), or

Status: This is the original version (as it was originally enacted).

- (ii) an exchange of shares which is treated as such a reorganisation by virtue of section 135 or 136, and
 - (b) the original shares and the new holding would fall to be treated by virtue of section 127 as the same asset.
- (2) If an election is made under this section, a claim for investors’ relief may be made as if the reorganisation or exchange of shares involved a disposal of the original shares; and if such a claim is made section 127 and sections 169VN to 169VS do not apply.
- (3) Any election under this section must be made—
- (a) if the reorganisation or exchange of shares would (apart from section 127) involve a disposal by the trustees of a settlement, jointly by—
 - (i) the trustees, and
 - (ii) the person who if the disposal were made would be the eligible beneficiary in respect of the disposal, within the meaning given by section 169VH(2) (or, if more than one, all the persons who would be such eligible beneficiaries);
 - (b) otherwise, by the individual concerned.
- (4) Any election under this section must be made on or before the first anniversary of the 31 January following the tax year in which the reorganisation or exchange of shares takes place.
- (5) In this section “the original shares” and “the new holding” have the meaning given by section 126.

Supplemental

 - (c) the share is fully paid up at the time it is issued,

- (2) In subsection (1) “arrangements” and “tax advantage” have the same meaning as in section 16A.
- (3) If—
- (a) an individual (“A”) subscribed for, or is treated under this subsection as having subscribed for, any shares,

Status: This is the original version (as it was originally enacted).

- (b) A transferred the shares to another individual ("B") during their lives, and
- (c) A was living together with B as B's spouse or civil partner at the time of the transfer,

B is to be treated for the purposes of this Chapter as having subscribed for the shares.

- (4) Accordingly, for the purposes of this Chapter any period for which A held the shares continuously is to be added to, and treated as part of, the period for which B held the shares continuously.
- (5) In this Chapter, apart from subsections (3) and (4), references to a person's having subscribed for a share include the person's having subscribed for the share jointly with any other person (and references to a person's holding a share or to a share being issued to a person are to be read accordingly).

169VV "Trading company" etc

- (1) In this Chapter "trading company" and "the holding company of a trading group" have the same meaning as in section 165 (see section 165A).
- (2) For the purposes of this Chapter a company is not to be regarded as ceasing to be a trading company, or the holding company of a trading group, merely because of anything done in consequence of—
 - (a) the company, or any of its subsidiaries, being in administration or receivership, or
 - (b) a resolution having been passed, or an order made, for the winding up of the company or any of its subsidiaries.
- (3) But subsection (2) applies only if—
 - (a) the entry into administration or receivership, or the resolution or order for winding up, and
 - (b) everything done as a result of the company concerned being in administration or receivership, or as a result of that resolution or order,

is for genuine commercial reasons and is not part of a scheme or arrangement the main purpose or one of the main purposes of which is the avoidance of tax.

169VW "Relevant employee"

- (1) This section applies to determine for the purposes of—
 - (a) section 169VB(2)(g), or
 - (b) section 169VH(2)(c),
 whether a particular person has at any time in the relevant period been a "relevant employee" in respect of the issuing company.
- (2) A person who has at any time in the relevant period been an officer or employee of—
 - (a) the issuing company, or
 - (b) a connected company,

Status: This is the original version (as it was originally enacted).

is to be regarded as having at that time been a relevant employee in respect of the issuing company, but this is subject to subsections (3) and (5).

(3) If—

- (a) a person is an unremunerated director of the issuing company or a connected company at any time in the relevant period, and
- (b) the condition in subsection (4) is met,

the fact that the person holds that directorship at that time does not make the person a relevant employee in respect of the issuing company at that time.

(4) The condition referred to in subsection (3) is that at no time before the relevant period had the person mentioned in that subsection, or a person connected with that person, been—

- (a) connected with the issuing company, or

(5) If—

- (a) a person becomes an employee of the issuing company or a connected company at a time which is—
 - (i) within the relevant period, but
 - (ii) not within the first 180 days of that period,
- (b) at the beginning of the relevant period, there was no reasonable prospect that the person would become such an employee within the relevant period, and
- (c) the person is not at any time in the relevant period a director of the issuing company or a connected company,

that employment of the person does not make the person a relevant employee in respect of the issuing company at any time in the relevant period.

(6) For the purposes of subsection (5) there is a “reasonable prospect” of a thing if it is more likely than not.

(7) In this section—

“director” is to be read in accordance with section 452 of CTA 2010,

“connected company” means a company which at any time in the relevant period is connected with the issuing company (and it does not matter for this purpose whether that time is a time when the person in question is an officer or employee of either company);

169VX “Unremunerated director”

- (1) For the purposes of section 169VW a person (“the person concerned”) is an “unremunerated director” of the issuing company or a connected company at a particular time in the relevant period if that person is a director of that company at that time and—
- (a) does not receive in the relevant period any disqualifying payment from the issuing company or a related person, and
 - (b) is not entitled to receive any such payment in respect of that period or any part of it.
- (2) In this section “disqualifying payment” means any payment other than—
- (a) a payment or reimbursement of travelling or other expenses wholly, exclusively and necessarily incurred by the person concerned in the performance of his or her duties as a director,
 - (b) any interest which represents no more than a reasonable commercial return on money lent to the issuing company or a related person,

 - (d) any payment for the supply of goods which does not exceed their market value,
 - (e) any payment of rent for any property occupied by the issuing company or a related person which does not exceed a reasonable and commercial rent for the property, or
 - (f) any necessary and reasonable remuneration which is—
 - (i) paid for qualifying services that are provided to the issuing company or a related person in the course of a trade or profession carried on wholly or partly in the United Kingdom, and
 - (ii) taken into account in calculating for tax purposes the profits of that trade or profession.
- (3) In this section a “related person” means—
- (a) a connected company of which the person concerned is a director, or
 - (b) any person connected with the issuing company or with a company within paragraph (a).
- (4) In this section any reference to a payment to the person concerned includes a payment made to that person indirectly or to that person’s order or for that person’s benefit.

- (a) not secretarial or managerial services, and

(b) the reference to the company includes a reference to any person who, at any time in the period of restriction, is connected with the company (whether or not that person is so connected at the material time).

Receipt of replacement value

- 4 (1) Where—

(a) by reason of a receipt of value within sub-paragraph (1) (other than paragraph (b)) or sub-paragraph (3) of paragraph 2 (“the original value”), any shares would, in the absence of this paragraph, be treated under this Schedule as excluded shares at a particular time,

(b) at or before that time the original supplier receives value (“the replacement value”) from the original recipient by reason of a qualifying receipt, and

(c) the amount of the replacement value is not less than the amount of the original value,

 of an amount not exceeding a reasonable and commercial rent for the property,
 - (e) any payment in discharge of an ordinary trade debt (within the meaning of paragraph 2(8)), and
 - (f) any payment for shares in or securities of any company in circumstances that do not fall within sub-paragraph (4)(a)(ii).

Status: This is the original version (as it was originally enacted).

- (6) For the purposes of this paragraph, the amount of the replacement value is—
- (a) in a case within paragraph (a) of sub-paragraph (4), the aggregate of—
 - (i) the amount of any payment within sub-paragraph (i) of that paragraph, and
 - (ii) the difference between the market value of any asset within sub-paragraph (ii) or (iii) of that paragraph and the amount or value of the consideration (if any) received for it,
 - (b) in a case within sub-paragraph (4)(b), the same as the amount of the original value, and
 - (c) in a case within sub-paragraph (4)(c), the amount or value of the consideration received by the original supplier,
- and paragraph 3(1) applies for the purposes of determining the amount of the original value.
- (7) In this paragraph any reference to a payment to a person (however expressed) includes a reference to a payment made to the person indirectly or to the person’s order or for the person’s benefit.
- 5 (1) The receipt of the replacement value by the original supplier is to be disregarded for the purposes of paragraph 4, as it applies in relation to the shares, to the extent to which that receipt has previously been set (under that paragraph) against any receipts of value which are, in consequence, disregarded for the purposes of paragraph 4 as that paragraph applies in relation to those shares or any other shares subscribed for by the investor.
- (2) The receipt of the replacement value by the original supplier (“the event”) is also to be disregarded for the purposes of paragraph 4 if—
- (a) the event occurs before the start of the period of restriction, or
 - (b) in a case where the event occurs after the time the original recipient receives the original value, it does not occur as soon after that time as is reasonably practicable in the circumstances.
- But nothing in paragraph 4 or this paragraph requires the replacement value to be received after the original value.
- (3) In this paragraph “the original value” and “the replacement value” are to be construed in accordance with paragraph 4.

“8FA Downsizing addition: entitlement: low-value death interest in home

- (1) There is entitlement to a downsizing addition in calculating the person’s residence nil-rate amount if each of conditions A to F is met (see subsection (8) for the amount of the addition).

(2) Condition A is that—

- (a) the person's residence nil-rate amount is given by section 8E(2) or (4), or
- (b) the person's estate immediately before the person's death includes a qualifying residential interest but none of the interest is closely inherited, and—
 - (i) where E is less than or equal to TT, so much of VT as is attributable to the person's qualifying residential interest is less than the person's default allowance, or
 - (ii) where E is greater than TT, so much of VT as is attributable to the person's qualifying residential interest is less than the person's adjusted allowance.

Section 8E(6) and (7) do not apply, and any entitlement to a downsizing addition is to be ignored, when deciding whether paragraph (a) of condition A is met.

(3) Condition B is that not all of VT is attributable to the person's qualifying residential interest.

(4) Condition C is that there is a qualifying former residential interest in relation to the person (see sections 8H(4A) to (4F) and 8HA).

(7) Condition F is that a claim is made for the addition in accordance with section 8L(1) to (3).

(8) Where there is entitlement as a result of this section, the addition—

- (a) is equal to the lost relievable amount (see section 8FE) if that amount is less than so much of VT as is attributable to so much of the remainder as is closely inherited, and
- (b) otherwise is equal to so much of VT as is attributable to so much of the remainder as is closely inherited.

(9) Subsection (8) has effect subject to section 8M(2G) (reduction of downsizing addition in certain cases involving conditional exemption).

8FB Downsizing addition: entitlement: no residential interest at death

- (1) There is also entitlement to a downsizing addition in calculating the person’s residence nil-rate amount if each of conditions G to K is met (see subsection (7) for the amount of the addition).

 - (a) is equal to the lost relievable amount (see section 8FE) if that amount is less than so much of VT as is attributable to so much of the estate as is closely inherited, and
 - (b) otherwise is equal to so much of VT as is attributable to so much of the estate as is closely inherited.
- (8) Subsection (7) has effect subject to section 8M(2G) (reduction of downsizing addition in certain cases involving conditional exemption).

 section 8M (cases involving conditional exemption).

8FC Downsizing addition: effect: section 8E case

- (1) Subsection (2) applies if—
 - (a) as a result of section 8FA, there is entitlement to a downsizing addition in calculating the person’s residence nil-rate amount, and
 - (b) the person’s residence nil-rate amount is given by section 8E.
- (2) Section 8E has effect as if, in subsections (2) to (5) of that section, each reference to NV/100 were a reference to the total of—
 - (a) NV/100, and
 - (b) the downsizing addition.

8FD Downsizing addition: effect: section 8F case

- (1) This section applies if—
 - (a) as a result of section 8FA or 8FB, there is entitlement to a downsizing addition in calculating the person's residence nil-rate amount, and
 - (b) apart from this section, the person's residence nil-rate amount is given by section 8F.
- (2) Subsections (3) to (6) apply instead of section 8F.
- (3) The person's residence nil-rate amount is equal to the downsizing addition.
- (4) Where—
 - (a) E is less than or equal to TT, and the downsizing addition is equal to the person's default allowance, or
 - (b) E is greater than TT, and the downsizing addition is equal to the person's adjusted allowance,no amount is available for carry-forward.
- (5) Where—
 - (a) E is less than or equal to TT, and
 - (b) the downsizing addition is less than the person's default allowance,an amount, equal to the difference between the downsizing addition and the person's default allowance, is available for carry-forward.
- (6) Where—
 - (a) E is greater than TT, and
 - (b) the downsizing addition is less than the person's adjusted allowance,an amount, equal to the difference between the downsizing addition and the person's adjusted allowance, is available for carry-forward.

8FE Calculation of lost relievable amount

- (1) This section is about how to calculate the person's lost relievable amount for the purposes of sections 8FA(8) and 8FB(7).
- (2) For the purposes of this section and section 8FA(5), the value of the person's qualifying former residential interest is the value of the interest at the time of completion of the disposal of the interest.
- (3) In this section, the person's "former allowance" is the total of—
 - (a) the residential enhancement at the time of completion of the disposal of the qualifying former residential interest,
 - (b) any brought-forward allowance that the person would have had if the person had died at that time, having regard to the circumstances of the person at that time (see section 8G as applied by subsection (4)), and
 - (c) if the person's allowance on death includes an amount of brought-forward allowance which is greater than the amount of brought-forward allowance given by paragraph (b), the difference between those two amounts.

Status: This is the original version (as it was originally enacted).

- (4) For the purposes of calculating any brought-forward allowance that the person (“P”) would have had as mentioned in subsection (3)(b)—
- (a) section 8G (brought-forward allowance) applies, but as if references to the residential enhancement at P’s death were references to the residential enhancement at the time of completion of the disposal of the qualifying former residential interest, and
 - (b) assume that a claim for brought-forward allowance was made in relation to an amount available for carry-forward from a related person’s death if, on P’s death, a claim was in fact made in relation to the amount.
- (5) For the purposes of subsection (3)(c), where the person’s allowance on death is equal to the person’s adjusted allowance, the amount of brought-forward allowance included in the person’s allowance on death is calculated as follows.
- Step 1*
 Express the person’s brought-forward allowance as a percentage of the person’s default allowance.
- Step 2*
 Multiply—
- $$\frac{E - TT}{2}$$
- by the percentage given by step 1.
- Step 3*
 Reduce the person’s brought-forward allowance by the amount given by step 2.
- The result is the amount of brought-forward allowance included in the person’s allowance on death.
- (6) If completion of the disposal of the qualifying former residential interest occurs before 6 April 2017—
- (a) for the purposes of subsection (3)(a), the residential enhancement at the time of completion of the disposal is treated as being £100,000, and
 - (b) for the purposes of subsection (3)(b), the amount of brought-forward allowance that the person would have had at that time is treated as being nil.
- (7) In this section, the person’s “allowance on death” means—
- (a) where E is less than or equal to TT, the person’s default allowance, or
 - (b) where E is greater than TT, the person’s adjusted allowance.
- (8) For the purposes of this section, “completion” of the disposal of a residential property interest occurs at the time of the disposal or, if the disposal is under a contract which is completed by a conveyance, at the time when the interest is conveyed.
- (9) Where, as a result of section 8FA, there is entitlement to a downsizing addition in calculating the person’s residence nil-rate amount, take the following steps to calculate the person’s lost relievable amount.

Step 1

Express the value of the person's qualifying former residential interest as a percentage of the person's former allowance, but take that percentage to be 100% if it would otherwise be higher.

Step 2

Express QRI as a percentage of the person's allowance on death, where QRI is so much of VT as is attributable to the person's qualifying residential interest, but take that percentage to be 100% if it would otherwise be higher.

Step 3

Subtract the percentage given by step 2 from the percentage given by step 1, but take the result to be 0% if it would otherwise be negative.

The result is P%.

Step 4

The person's lost relievable amount is equal to P% of the person's allowance on death.

- (10) Where, as a result of section 8FB, there is entitlement to a downsizing addition in calculating the person's residence nil-rate amount, take the following steps to calculate the person's lost relievable amount.

Step 1

Express the value of the person's qualifying former residential interest as a percentage of the person's former allowance, but take that percentage to be 100% if it would otherwise be higher.

Step 2

Calculate that percentage of the person's allowance on death.

The result is the person's lost relievable amount."

- 6 In section 8G (meaning of "brought-forward allowance"), in subsection (3)(a), for
"and 8F" substitute ", 8F and 8FD".

- 7 (1) Section 8H (meaning of "qualifying residential interest") is amended as follows.

- (2) In the heading, at the end insert ", "qualifying former residential interest" and "residential property interest".

- (3) In subsection (1), for "and 8F" substitute "to 8FE and section 8M".

- (4) In subsection (2), for "In this section" substitute "A".

- (5) After subsection (4) insert—

"(4A) Subsection (4B) or (4C) applies where—

- (a) a person disposes of a residential property interest in a dwelling-house on or after 8 July 2015 (and before the person dies), and
- (b) the person's personal representatives nominate—
 - (i) where there is only one such dwelling-house, that dwelling-house, or
 - (ii) where there are two or more such dwelling-houses, one (and only one) of those dwelling-houses.

(4B) Where—

Status: This is the original version (as it was originally enacted).

- (a) the person—
 - (i) disposes of a residential property interest in the nominated dwelling-house at a post-occupation time, or
 - (ii) disposes of two or more residential property interests in the nominated dwelling-house at the same post-occupation time or at post-occupation times on the same day, and
 - (b) the person does not otherwise dispose of residential property interests in the nominated dwelling-house at post-occupation times, the interest disposed of is, or the interests disposed of are, a qualifying former residential interest in relation to the person.
- (4C) Where—
- (a) the person disposes of residential property interests in the nominated dwelling-house at post-occupation times on two or more days, and
 - (b) the person’s personal representatives nominate one (and only one) of those days,
- the interest or interests disposed of at post-occupation times on the nominated day is or are a qualifying former residential interest in relation to the person.
- (4D) For the purposes of subsections (4A) to (4C)—
- (a) a person is to be treated as not disposing of a residential property interest in a dwelling-house where the person disposes of an interest in the dwelling-house by way of gift and the interest is, in relation to the gift and the donor, property subject to a reservation within the meaning of section 102 of the Finance Act 1986 (gifts with reservation), and
 - (b) a person is to be treated as disposing of a residential property interest in a dwelling-house if the person is treated as making a potentially exempt transfer of the interest as a result of the operation of section 102(4) of that Act (property ceasing to be subject to a reservation).
- (4E) Where—
- (a) a transfer of value by a person is a conditionally exempt transfer of a residential property interest, and
 - (b) at the time of the person’s death, no chargeable event has occurred with respect to that interest,
- that interest may not be, or be included in, a qualifying former residential interest in relation to the person.
- (4F) In subsections (4B) and (4C) “post-occupation time” means a time—
- (a) on or after 8 July 2015,
 - (b) after the nominated dwelling-house first became the person’s residence, and
 - (c) before the person dies.
- (4G) For the purposes of subsections (4A) to (4C), if the disposal is under a contract which is completed by a conveyance, the disposal occurs at the time when the interest is conveyed.”

 - (i) falls within subsection (7) throughout the period beginning with P becoming beneficially entitled to it and ending with the disposal, or
 - (ii) falls within subsection (8).
- (4) The disposal is to be treated as a disposal by P of the interest in the dwelling-house to which P is beneficially entitled as a result of the operation of section 49(1).
- (5) Subsection (6) applies where—
 - (a) P disposes of the interest in possession in the settled property, or P’s interest in possession in the settled property comes to an end in P’s lifetime,
 - (b) the interest in the dwelling-house is, or is part of, the settled property immediately before the time when that happens, and
 - (c) P’s interest in possession—

 - (ii) falls within subsection (8).
- (6) The disposal, or (as the case may be) the coming to an end of P’s interest in possession, is to be treated as a disposal by P of the interest in the dwelling-house to which P is beneficially entitled as a result of the operation of section 49(1).
- (7) An interest in possession falls within this subsection if—
 - (a) P became beneficially entitled to it before 22 March 2006 and section 71A does not apply to the settled property; or

9 In section 8J (meaning of “inherited”), in subsection (1), for “and 8F” substitute “, 8F, 8FA, 8FB and 8M”.

10 In section 8K (meaning of “closely inherited”), in subsection (1), for “and 8F” substitute “, 8F, 8FA, 8FB and 8M”.

11 In section 8L (claims for brought-forward allowance)—

- (a) in the heading, at the end insert “and downsizing addition”, and
- (b) in subsection (1), after “(see section 8G)” insert “or for a downsizing addition for a person (see sections 8FA to 8FD)”.

12 (1) Section 8M (residence nil-rate amount: cases involving conditional exemption) is amended as follows.

(2) For subsections (1) and (2) substitute—

“(1) This section applies where—

- (a) a person (“D”) dies on or after 6 April 2017,
- (b) ignoring the application of this section, D’s residence nil-rate amount is greater than nil, and
- (c) some or all of the transfer of value under section 4 on D’s death is a conditionally exempt transfer of property consisting of, or including, any of the following—
 - (i) some or all of a qualifying residential interest;
 - (ii) some or all of a residential property interest, at least some portion of which is closely inherited, and which is not, and is not included in, a qualifying residential interest;
 - (iii) one or more closely inherited assets that are not residential property interests.

(2) Subsections (2B) to (2E) apply for the purposes of sections 8E to 8FD if—

- (a) ignoring the application of this section, D’s residence nil-rate amount is given by section 8E, and
- (b) some or all of the transfer of value under section 4 is a conditionally exempt transfer of property mentioned in subsection (1)(c)(i).

(2A) In subsections (2B) to (2E), but subject to subsection (3)(a), “the exempt percentage of the QRI” is given by—

$$\frac{X}{QRI} \times 100$$

where—

X is the attributable portion of the value transferred by the conditionally exempt transfer,

QRI is the attributable portion of the value transferred by the transfer of value under section 4, and

“the attributable portion” means the portion (which may be the whole) attributable to the qualifying residential interest.

(2B) If—

- (a) the exempt percentage of the QRI is 100%, and
- (b) D has no entitlement to a downsizing addition,

D's residence nil-rate amount and amount available for carry-forward are given by section 8F(2) and (3) (instead of section 8E).

(2C) If—

- (a) the exempt percentage of the QRI is 100%, and
- (b) D has an entitlement to a downsizing addition,

D's residence nil-rate amount and amount available for carry-forward are given by section 8FD(3) to (6) (instead of section 8E as modified by section 8FC(2)).

See also subsection (2G).

(2D) If—

- (a) the exempt percentage of the QRI is less than 100%, and
- (b) D has no entitlement to a downsizing addition,

D's residence nil-rate amount and amount available for carry-forward are given by section 8E but as if, in subsections (2) to (5) of that section, each reference to NV/100 were a reference to NV/100 multiplied by the percentage that is the difference between 100% and the exempt percentage of the QRI.

(2E) If—

- (a) the exempt percentage of the QRI is less than 100%, and
- (b) D has an entitlement to a downsizing addition,

D's residence nil-rate amount and amount available for carry-forward are given by section 8E as modified by section 8FC(2), but as if the reference to NV/100 in section 8FC(2)(a) were a reference to NV/100 multiplied by the percentage that is the difference between 100% and the exempt percentage of the QRI.

See also subsection (2G).

(2F) Subsection (2G) applies for the purposes of sections 8FA to 8FD if—

- (a) some or all of the transfer of value under section 4 is a conditionally exempt transfer of property mentioned in subsection (1)(c)(ii) or (iii) (or both),
- (b) D has an entitlement to a downsizing addition, and
- (c) DA exceeds Y (see subsection (2H)).

(2G) Subject to subsection (3)(aa) and (ab), the amount of the downsizing addition is treated as reduced by whichever is the smaller of—

- (a) the difference between DA and Y, and
- (b) Z.

(2H) In subsections (2F) and (2G)—

DA is the amount of the downsizing addition to which D has an entitlement (ignoring the application of subsection (2G));

Status: This is the original version (as it was originally enacted).

Y is so much (if any) of the value transferred by the transfer of value under section 4 as—

- (a) is not transferred by a conditionally exempt transfer, and
- (b) is attributable to—
 - (i) the closely inherited portion (which may be the whole) of any residential property interests that are not, and are not included in, a qualifying residential interest, or
 - (ii) closely inherited assets that are not residential property interests;

Z is the total of—

- (a) the closely inherited conditionally exempt values of all residential property interests mentioned in subsection (1)(c)(ii), and
- (b) so much of the value transferred by the conditionally exempt transfer as is attributable to property mentioned in subsection (1)(c)(iii).

(2I) For the purposes of the definition of “Z”, “the closely inherited conditionally exempt value” of a residential property interest means—

- (a) so much of the value transferred by the conditionally exempt transfer as is attributable to the interest, multiplied by
- (b) the percentage of the interest which is closely inherited.”

(3) In subsection (3), for the words before paragraph (b) substitute—

“(3) For the purposes of calculating tax chargeable under section 32 or 32A by reference to a chargeable event related to property forming the subject-matter of the conditionally exempt transfer where D is the relevant person for the purposes of section 33—

- (a) where subsections (2B) to (2E) apply and the chargeable event relates to property mentioned in subsection (1)(c)(i), in calculating the exempt percentage of the QRI, X is calculated as if the attributable portion of the value transferred by the conditionally exempt transfer had not included the portion (which may be the whole) of the qualifying residential interest on which the tax is chargeable,
- (aa) where subsection (2G) applies and the chargeable event relates to property mentioned in subsection (1)(c)(ii), Z is calculated as if it had not included the portion (which may be the whole) of the closely inherited conditionally exempt value of the residential property interest on which the tax is chargeable,
- (ab) where subsection (2G) applies and the chargeable event relates to an asset mentioned in subsection (1)(c)(iii) (“the taxable asset”), Z is calculated as if it had not included so much of the value transferred by the conditionally exempt transfer as is attributable to the taxable asset,”.

(4) In subsection (3)—

- (a) at the beginning of paragraph (b) insert “in the cases mentioned in paragraphs (a), (aa) and (ab),”,
- (b) at the end of paragraph (b) omit “and”,

- (c) in paragraph (c), for “less” substitute “reduced (but not below nil) by”, and
 - (d) after paragraph (c) insert “, and
 - (d) where the chargeable event relates to property mentioned in subsection (1)(c)(i) and subsections (2B) to (2E) do not apply, section 33 has effect as if in subsection (1)(b)(ii) after “in accordance with” there were inserted “section 8D(2) and (3) above and”.”
- (5) In subsection (5), for “the qualifying residential interest which” substitute “property which forms the subject-matter of the conditionally exempt transfer where the chargeable event”.
- (6) In subsection (6), for “the qualifying residential interest which” substitute “property which forms the subject-matter of the conditionally exempt transfer and the chargeable event”.
- (7) In subsection (7), for “the qualifying residential interest” substitute “property which forms the subject-matter of the conditionally exempt transfer”.

SCHEDULE 16

“102A Co-ownership authorised contractual schemes

- (1) This section has effect for the purposes of this Part.
- (2) This Part, with the exception of Schedule 7 (see subsection (10)), applies in relation to a co-ownership authorised contractual scheme as if—

- (4) A “sub-scheme”, in relation to an umbrella COACS, means such of the pooling arrangements as relate to a separate pool.

- (5) Each of the sub-schemes of an umbrella COACS is regarded as a separate co-ownership authorised contractual scheme, and the umbrella COACS as a whole is not so regarded.
- (6) In relation to a sub-scheme of an umbrella COACS—
- (a) references to chargeable interests are references to such of the chargeable interests as under the pooling arrangements form part of the separate pool to which the sub-scheme relates, and
 - (b) references to the scheme documents are references to such parts of the documents as apply to the sub-scheme.
- (7) References to a co-ownership authorised contractual scheme are treated as including a collective investment scheme which—

 - (b) is managed by a body corporate incorporated under the law of an EEA State, and
 - (c) is authorised under the law of the EEA State mentioned in paragraph (a) in a way which makes it, under that law, the equivalent of a co-ownership authorised contractual scheme as defined in subsection (8),
- provided that, apart from this section, no charge to tax is capable of arising to the scheme under this Part.
- (8) Subject to any regulations under subsection (9)—
- “co-ownership authorised contractual scheme” means a co-ownership scheme which is authorised for the purposes of FSMA 2000 by an authorisation order in force under section 261D(1) of that Act;
- “co-ownership scheme” has the same meaning as in FSMA 2000 (see section 235A of that Act).
- (9) The Treasury may by regulations provide that a scheme of a description specified in the regulations is to be treated as not being a co-ownership authorised contractual scheme for the purposes of this Part.
- Any such regulations may contain such supplementary and transitional provisions as appear to the Treasury to be necessary or expedient.
- (10) A co-ownership authorised contractual scheme is not to be treated as a company for the purposes of Schedule 7 (group relief, reconstruction relief or acquisition relief).
- (11) In relation to a land transaction in respect of which a co-ownership authorised contractual scheme is treated as the purchaser by virtue of this section, references to the purchaser in the following provisions are to be read as references to the operator of the scheme—
- (a) sections 76, 80, 81, 81A and 108(2) and Schedule 10 (provisions about land transaction returns and further returns, enquiries, assessments and related matters),
 - (b) section 85 (liability for tax), and
 - (c) section 90 (application to defer payment in case of contingent or unascertained consideration).

“FSMA 2000” means the Financial Services and Markets Act 2000;

“operator”—

(a) in relation to a co-ownership authorised contractual scheme constituted under the law of the United Kingdom, has the meaning given by section 237(2) of FSMA 2000, and

“participant” is to be read in accordance with section 235 of FSMA 2000.”

Section 65A

PAIF SEEDING RELIEF AND COACS SEEDING RELIEF

PART 1

PROPERTY AUTHORISED INVESTMENT FUNDS

PAIF seeding relief

- 1 (1) A land transaction is exempt from charge if conditions A to D are met.
 Relief under this paragraph is referred to in this Part of this Act as “PAIF seeding relief”.
- (2) Condition A is that the purchaser is a property AIF (see paragraph 2).
- (3) Condition B is that the main subject-matter of the transaction consists of a major interest in land.
- (4) Condition C is that the only consideration for the transaction is the issue of units in the property AIF to a person who is the vendor.
- (5) Condition D is that the effective date of the transaction is a day within the seeding period (see paragraph 3).
- (6) This paragraph is subject to paragraph 4 (restrictions on availability of relief) and paragraphs 5 to 8 (withdrawal of relief).

Meaning of “property AIF”

- 2 (1) This paragraph has effect for the purposes of this Schedule.
- (2) A “property AIF” is an open-ended investment company to which Part 4A of the AIF (Tax) Regulations applies.
- (3) In sub-paragraph (2) “open-ended investment company” is to be read in accordance with regulation 7(1) and (2) of those Regulations (part of an umbrella company is regarded as an open-ended investment company).
- (4) Regulation 7(3)(a) of those Regulations applies for the purposes of this Schedule as it applies for the purposes of those Regulations but as if references to investments and scheme property were a reference to chargeable interests.
- (5) References to a property AIF are treated as including a collective investment scheme which—

Status: This is the original version (as it was originally enacted).

- (a) is a company incorporated under the law of an EEA State other than the United Kingdom, and
 - (b) is authorised under the law of that EEA State in a way which makes it, under that law, the equivalent of a property AIF as defined in sub-paragraph (2).
- (6) In sub-paragraph (5) “collective investment scheme” has the meaning given by section 235 of FSMA 2000.

Meaning of “seeding period”

- 3 (1) In this Part of this Schedule, subject to sub-paragraph (2), the “seeding period” means—
- (a) the period beginning with the first property seeding date and ending with the date of the first external investment into the property AIF, or
 - (b) if shorter, the period of 18 months beginning with the first property seeding date.

- (2) The property AIF may elect to bring the seeding period to an end sooner than it would otherwise end under sub-paragraph (1).

Where an election is made, the seeding period is the period beginning with the first property seeding date and ending with the date specified in the election.

- (3) An election under sub-paragraph (2) may be made—
- (a) by being included in a notice accompanying a claim for PAIF seeding relief (see section 65A), or
 - (b) by separate notice in writing to HMRC.
- (4) In sub-paragraphs (1) and (2), “the first property seeding date” means the earliest effective date of a transaction in respect of which conditions A to C in paragraph 1 are met.

- (5) In this paragraph—
- “external investment” means a non-land transaction in which the vendor is an external investor;
 - “external investor” means a person other than a person who has been a vendor in a transaction—
 - (a) the effective date of which is on or before the date of the non-land transaction, and
 - (b) in respect of which conditions A to C in paragraph 1 are met;
 - “non-land transaction” means a transaction by which the property AIF acquires assets which do not consist of or include a chargeable interest.

Restrictions on availability of relief

- 4 (1) This paragraph restricts the availability of PAIF seeding relief for a transaction in respect of which conditions A to D in paragraph 1 are met.

(2) PAIF seeding relief is not available unless, at the effective date of the transaction, the property AIF has arrangements in place requiring a person who is the vendor to notify the authorised corporate director of the property AIF of the following matters—

- (a) the identity of the beneficial owner of the units in the property AIF received in consideration of the transaction, and
- (b) any disposal of units in the property AIF on or after the effective date of that transaction by that owner (or, where that person is a company, by a group company) which is or could be a relevant disposal (see paragraph 7).

In paragraph (b) “group company” means a company which is a member of the same group of companies as the person mentioned in paragraph (a) for the purposes mentioned in paragraph 1(2) of Schedule 7 (group relief).

(3) PAIF seeding relief is not available if at the effective date of the transaction there are arrangements in existence by virtue of which, at that or some later time, a person who is the vendor makes or could make a disposal of units in the property AIF which is or could be a relevant disposal (see paragraph 7).

(4) PAIF seeding relief is not available if the transaction—

- (a) is not effected for bona fide commercial reasons, or
- (b) forms part of arrangements of which the main purpose, or one of the main purposes, is the avoidance of liability to tax.

“Tax” here means stamp duty, income tax, corporation tax, capital gains tax or tax under this Part.

Withdrawal of relief: ceasing to be property AIF

5 (1) Where PAIF seeding relief has been allowed in respect of a transaction (“the relevant transaction”), and the purchaser ceases to be a property AIF—

- (a) at any time after the effective date of that transaction but within the seeding period,
- (b) at any time in the control period (see paragraph 21), or
- (c) in pursuance of, or in connection with, arrangements made before the end of the control period,

then, subject to sub-paragraph (2), the relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with this paragraph.

(2) Relief is withdrawn only if, at the time when the purchaser ceases to be a property AIF, the purchaser holds—

- (a) the chargeable interest that was acquired by the purchaser under the relevant transaction, or
- (b) a chargeable interest that is derived from that interest.

(3) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for PAIF seeding relief or, as

the case may be, an appropriate proportion of the tax that would have been so chargeable.

- (4) In sub-paragraphs (1) and (3) an “appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relevant transaction and what is held by the purchaser at the time it ceases to be a property AIF.

Withdrawal of relief: portfolio test not met

- 6 (1) Where PAIF seeding relief has been allowed in respect of a transaction, and the portfolio test is not met immediately before the end of the seeding period, the relief is withdrawn and tax is chargeable in accordance with sub-paragraph (2).

See sub-paragraph (7) for the meaning of “portfolio test”.

- (2) The amount chargeable is the amount that would have been chargeable in respect of the transaction but for PAIF seeding relief.

- (3) Where PAIF seeding relief has been allowed in respect of a transaction (“the relevant transaction”), and the portfolio test is met immediately before the end of the seeding period, but is not met—

- (a) at a time in the control period, or
- (b) at a time after the end of the control period, where the failure is pursuant to or in connection with arrangements made before the end of that period,

then, subject to sub-paragraph (4), the relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with sub-paragraph (5).

- (4) The requirement to meet the portfolio test at a time mentioned in sub-paragraph (3)(a) or (b) applies only to times when the property AIF holds—

- (a) the chargeable interest that was acquired by the property AIF under the relevant transaction, or
- (b) a chargeable interest that is derived from that interest.

- (5) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for PAIF seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.

- (6) In sub-paragraphs (3) and (5) an “appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relevant transaction and what is held by the property AIF at the time when the portfolio test is not met.

- (7) The portfolio test is a requirement that the property AIF meets—

- (a) the non-residential portfolio test (see sub-paragraph (8)), or
- (b) the residential portfolio test (see sub-paragraph (9)).

- (8) The “non-residential portfolio test” is met at any time if—

- (a) the property AIF holds at least 10 seeded interests at that time,

- (b) so much of the total chargeable consideration as is attributable to all the seeded interests held by the property AIF at that time (“the seeded portfolio”) is at least £100 million, and
 - (c) so much of the total chargeable consideration as is attributable to so many of those seeded interests as are interests in or over residential property (if any) does not exceed 10% of the seeded portfolio.
- (9) The “residential portfolio test” is met at any time if—
 - (a) so much of the total chargeable consideration as is attributable to all the seeded interests held by the property AIF at that time is at least £100 million, and
 - (b) at least 100 of the seeded interests held by the property AIF at that time are interests in or over residential property.
- (10) In sub-paragraphs (8) and (9)—
 - “seeded interest” means a chargeable interest acquired by the property AIF in a transaction for which PAIF seeding relief is allowed (whether or not relief is subsequently withdrawn to any extent) (a “seeding transaction”), and
 - “total chargeable consideration” means the total of the chargeable consideration for all seeding transactions.
- (11) For the purposes of this paragraph, section 116(7) does not apply (modification of what counts as residential property).

Withdrawal of relief: units disposed of

- 7 (1) This paragraph applies where—
 - (a) a person (“V”) makes a relevant disposal of one or more units in a property AIF—
 - (i) at any time in the seeding period,
 - (ii) at any time in the control period, or
 - (iii) in pursuance of, or in connection with, arrangements made before the end of the control period, and
 - (b) there is, in relation to that disposal, a relevant seeding transaction (see sub-paragraph (6)).
- (2) In respect of a transaction which is, in relation to the relevant disposal, a relevant seeding transaction—
 - (a) PAIF seeding relief is withdrawn to the extent set out in this paragraph, and
 - (b) tax is chargeable in accordance with this paragraph.
- (3) V’s disposal of units in a property AIF is a “relevant disposal” for the purposes of this paragraph if, in relation to the disposal, A exceeds B.
- (4) In this paragraph—
 - “A” means—
 - (a) where the value of V’s investment in the property AIF immediately before the disposal is equal to or greater than the total of the chargeable consideration for all

relevant seeding transactions, the total of the chargeable consideration for all relevant seeding transactions, or

- (b) where the value of V's investment in the property AIF immediately before the disposal is less than the total of the chargeable consideration for all relevant seeding transactions, the value of V's investment in the property AIF immediately before the disposal, and

“B” means the value of V's investment in the property AIF immediately after the disposal.

- (5) The amount chargeable in respect of a relevant seeding transaction (“RST”) is—

$$\frac{C}{CCRST} \times SDLT$$

where—

“C” means the difference between A and B;

“CCRST” means the total of the chargeable consideration for all relevant seeding transactions;

“SDLT” means the amount of tax that would have been chargeable in respect of RST but for PAIF seeding relief, ignoring any amount of tax that has been charged under this paragraph in respect of RST in relation to an earlier disposal of units by V.

- (6) In this paragraph—

“group company” means (where V is a company) a company which is a member of the same group of companies as V for the purposes mentioned in paragraph 1(2) of Schedule 7 (group relief);

“relevant seeding transaction”, in relation to a disposal of units by V in a property AIF, means a seeding transaction—

- (a) the effective date of which is, or is before, the date of the disposal,
- (b) in which that property AIF is the purchaser, and
- (c) in which a vendor is—
- (i) V, or
 - (ii) (where V is a company) a company which is a group company at the time of the disposal;

“seeding transaction” means a transaction in respect of which PAIF seeding relief is allowed (whether or not relief is subsequently withdrawn to any extent);

“the value of V's investment in the property AIF” at a particular time means the market value of all units in the property AIF held at that time by—

- (a) V, and
- (b) (where V is a company) a company which—
- (i) is a group company at that time, and

- (ii) before that time, has been a vendor in one or more seeding transactions in which the property AIF was the purchaser.
- (7) For the purposes of this paragraph, the “market value” on a particular date of units in the property AIF is an amount equal to the buying price (that is, the lower price) published by the authorised corporate director on that date (or, if no such price is published on that date, on the latest date before).

Withdrawal of relief: dwelling occupied by non-qualifying individual

- 8 (1) This paragraph applies to a transaction (“the relevant transaction”) if—
- (a) PAIF seeding relief has been allowed in respect of the transaction,
 - (b) the main subject-matter of the transaction consists of a chargeable interest in or over land which is or includes a dwelling, and
 - (c) a non-qualifying individual (see paragraph 9) is permitted to occupy the dwelling at any time on or after the effective date of the transaction.

The dwelling which a non-qualifying individual is permitted to occupy is referred to as “the disqualifying dwelling”.

- (2) The relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with this paragraph.

This is subject to sub-paragraphs (3) and (4).

- (3) Relief is withdrawn only if, at the time a non-qualifying individual is permitted to occupy the disqualifying dwelling, the property AIF holds a chargeable interest in or over that dwelling—
 - (a) that was acquired by the property AIF under the relevant transaction, or
 - (b) that is derived from an interest so acquired.
- (4) Where a non-qualifying individual is first permitted to occupy the disqualifying dwelling at a time after the end of the control period, relief is withdrawn only if, at that time, the purchaser in the relevant transaction fails to meet the genuine diversity of ownership condition set out in regulation 9A of the AIF (Tax) Regulations.

For the purposes of this sub-paragraph, regulation 9A(2)(a) of those Regulations is to be read as if the words “throughout the accounting period” were omitted.

- (5) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for PAIF seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.
- (6) In sub-paragraphs (2) and (5), an “appropriate proportion” means an appropriate proportion having regard to the extent to which the subject-

Status: This is the original version (as it was originally enacted).

matter of the relevant transaction was an interest in or over land other than the disqualifying dwelling.

- 9 (1) In paragraph 8 “non-qualifying individual”, in relation to a land transaction and a property AIF, means any of the following—
- (a) an individual who is a major participant in the property AIF;
 - (b) an individual who is connected with a major participant in the property AIF;
 - (c) an individual who is connected with the property AIF;
 - (d) a relevant settlor;
 - (e) the spouse or civil partner of an individual falling within paragraph (b), (c) or (d);
 - (f) a relative of an individual falling within paragraph (b), (c) or (d), or the spouse or civil partner of a relative of an individual falling within paragraph (b), (c) or (d);
 - (g) a relative of the spouse or civil partner of an individual falling within paragraph (b), (c) or (d);
 - (h) the spouse or civil partner of an individual falling within paragraph (g).
- (2) An individual who participates in a property AIF is a “major participant” in it if the individual—
- (a) is entitled to a share of at least 50% either of all the profits or income arising from the property AIF or of any profits or income arising from it that may be distributed to participants, or
 - (b) would in the event of the winding up of the property AIF be entitled to 50% or more of the assets of the property AIF that would then be available for distribution among the participants.
- (3) The reference in sub-paragraph (2)(a) to profits or income arising from the property AIF is to profits or income arising from the acquisition, holding, management or disposal of the property subject to the property AIF.
- (4) In this paragraph—
- “relative” means brother, sister, ancestor or lineal descendant;
 - “relevant settlor”, in relation to a land transaction, means an individual who is a settlor in relation to a relevant settlement (as defined in sub-paragraph (5));
 - “settlement” has the same meaning as in Chapter 5 of Part 5 of ITTOIA 2005 (see section 620 of that Act).
- (5) Where a person, in the capacity of trustee of a settlement, is connected with a person who is the purchaser under a land transaction, that settlement is a “relevant settlement” in relation to the transaction.
- (6) In sub-paragraph (5) “trustee” is to be read in accordance with section 1123(3) of CTA 2010 (“connected” persons: supplementary).
- (7) Section 1122 of CTA 2010 (connected persons) has effect for the purposes of this paragraph, but for those purposes, subsections (7) and (8) of that section (application of rules about connected persons to partnerships) are to be disregarded.

PART 2

CO-OWNERSHIP AUTHORISED CONTRACTUAL SCHEMES

COACS seeding relief

- 10 (1) A land transaction is exempt from charge if conditions A to D are met.
- Relief under this paragraph is referred to in this Part of this Act as “COACS seeding relief”.
- (2) Condition A is that the purchaser is a co-ownership authorised contractual scheme (see section 102A).
- (3) Condition B is that the main subject-matter of the transaction consists of a major interest in land.
- (4) Condition C is that the only consideration for the transaction is the issue of units in the co-ownership authorised contractual scheme to a person who is the vendor.
- (5) Condition D is that the effective date of the transaction is a day within the seeding period (see paragraph 11).
- (6) This paragraph is subject to paragraph 12 (restrictions on availability of relief) and paragraphs 13, 14, 16, 17 and 18 (withdrawal of relief).

Meaning of “seeding period”

- 11 (1) In this Part of this Schedule, subject to sub-paragraph (2), the “seeding period” means—
- (a) the period beginning with the first property seeding date and ending with the date of the first external investment into the co-ownership authorised contractual scheme, or
- (b) if shorter, the period of 18 months beginning with the first property seeding date.
- (2) The co-ownership authorised contractual scheme may elect to bring the seeding period to an end sooner than it would otherwise end under sub-paragraph (1).

Where an election is made, the seeding period is the period beginning with the first property seeding date and ending with the date specified in the election.

- (3) An election under sub-paragraph (2) may be made—
- (a) by being included in a notice accompanying a claim for COACS seeding relief (see section 65A), or
- (b) by separate notice in writing to HMRC.
- (4) In sub-paragraphs (1) and (2), “the first property seeding date” means the earliest effective date of a transaction in respect of which conditions A to C in paragraph 10 are met.

(5) In this paragraph—

“external investment” means a non-land transaction in which the vendor is an external investor;

“external investor” means a person other than a person who has been a vendor in a transaction—

(a) the effective date of which is on or before the date of the non-land transaction, and

(b) in respect of which conditions A to C in paragraph 10 are met;

“non-land transaction” means a transaction by which the scheme acquires assets which do not consist of or include a chargeable interest.

Restrictions on availability of relief

12 (1) This paragraph restricts the availability of COACS seeding relief for a transaction in respect of which conditions A to D in paragraph 10 are met.

(2) COACS seeding relief is not available unless, at the effective date of the transaction, the arrangements constituting the co-ownership authorised contractual scheme require a person who is the vendor to notify the operator of the scheme of the following matters—

(a) the identity of the beneficial owner of the units in the scheme received in consideration of the transaction, and

(b) any disposal of units in the scheme on or after the effective date of that transaction by that owner (or, where that person is a company, by a group company) which is or could be a relevant disposal (see paragraph 17).

In paragraph (b) “group company” means a company which is a member of the same group of companies as the person mentioned in paragraph (a) for the purposes mentioned in paragraph 1(2) of Schedule 7 (group relief).

(3) COACS seeding relief is not available if at the effective date of the transaction there are arrangements in existence by virtue of which, at that or some later time, a person who is the vendor makes or could make a disposal of units in the co-ownership authorised contractual scheme which is or could be a relevant disposal (see paragraph 17).

(4) COACS seeding relief is not available if the transaction—

(a) is not effected for bona fide commercial reasons, or

(b) forms part of arrangements of which the main purpose, or one of the main purposes, is the avoidance of liability to tax.

“Tax” here means stamp duty, income tax, corporation tax, capital gains tax or tax under this Part.

Withdrawal of relief: ceasing to be co-ownership authorised contractual scheme

- 13 (1) Where COACS seeding relief has been allowed in respect of a transaction (“the relevant transaction”), and the purchaser ceases to be a co-ownership authorised contractual scheme—
- (a) at any time after the effective date of that transaction but within the seeding period,
 - (b) at any time in the control period (see paragraph 21), or
 - (c) in pursuance of, or in connection with, arrangements made before the end of the control period,
- then, subject to sub-paragraph (2), the relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with this paragraph.
- (2) Relief is withdrawn only if, at the time when the purchaser ceases to be a co-ownership authorised contractual scheme, the purchaser holds—
- (a) the chargeable interest that was acquired by the purchaser under the relevant transaction, or
 - (b) a chargeable interest that is derived from that interest.
- (3) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for COACS seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.
- (4) In sub-paragraphs (1) and (3) an “appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relevant transaction and what is held by the purchaser at the time it ceases to be a co-ownership authorised contractual scheme.

Withdrawal of relief: genuine diversity of ownership condition not met

- 14 (1) Where COACS seeding relief has been allowed in respect of a transaction (“the relevant transaction”), and the genuine diversity of ownership condition (see paragraph 15) is not met—
- (a) immediately before the end of the seeding period,
 - (b) at a time in the control period, or
 - (c) at a time after the end of the control period, where the failure is pursuant to or in connection with arrangements made before the end of that period,
- then, subject to sub-paragraph (2), the relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with this paragraph.
- (2) The requirement to meet the genuine diversity of ownership condition at a time mentioned in sub-paragraph (1) applies only to times when the co-ownership authorised contractual scheme holds—
- (a) the chargeable interest that was acquired by the scheme under the relevant transaction, or
 - (b) a chargeable interest that is derived from that interest.

- (3) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for COACS seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.
- (4) In sub-paragraphs (1) and (3) an “appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relevant transaction and what is held by the scheme at the time when the genuine diversity of ownership condition is not met.
- (5) For the purposes of this paragraph, the operator of a co-ownership authorised contractual scheme may apply to HMRC in writing for clearance that the scheme meets the genuine diversity of ownership condition, and where an application is made, HMRC must notify the scheme of its decision within 28 days of the receipt of all the information that is needed to make the decision.
- (6) Any such clearance has effect only for so long as the information on which HMRC relies in granting clearance is materially unchanged and the scheme is operated in accordance with it (including, in particular, continuing to operate in accordance with condition C of the genuine diversity of ownership condition).

Genuine diversity of ownership condition

- 15
- (1) This paragraph has effect for the purposes of paragraphs 14 and 18(4).
 - (2) A co-ownership authorised contractual scheme meets the genuine diversity of ownership condition at any time when it meets conditions A to C.
 - (3) Condition A is that the scheme documents, which are available to investors and to HMRC, contain—
 - (a) a statement specifying the intended categories of investor,
 - (b) an undertaking that units in the scheme will be widely available, and
 - (c) an undertaking that units in the scheme will be marketed and made available in accordance with the requirements of sub-paragraph (6)(a).
 - (4) Condition B is that—
 - (a) the specification of the intended categories of investor does not have a limiting or deterrent effect, and
 - (b) any other terms or conditions governing participation in the scheme do not have a limiting or deterrent effect.
 - (5) In sub-paragraph (4) “limiting or deterrent effect” means an effect which—
 - (a) limits investors to a limited number of specific persons or specific groups of connected persons, or
 - (b) deters a reasonable investor falling within one of (what are specified as) the intended categories of investor from investing in the scheme.

- (6) Condition C is that—
 - (a) units in the scheme are marketed and made available—
 - (i) sufficiently widely to reach the intended categories of investors, and
 - (ii) in a manner appropriate to attract those categories of investors, and
 - (b) a person who falls within one of the intended categories of investors can, upon request to the operator of the scheme, obtain information about the scheme and acquire units in it.
- (7) A scheme is not regarded as failing to meet condition C at any time by reason of the scheme's having, at that time, no capacity to receive additional investments, unless—
 - (a) the capacity of the scheme to receive investments in it is fixed by the scheme documents (or otherwise), and
 - (b) a pre-determined number of specific persons or specific groups of connected persons make investments in the scheme which collectively exhaust all, or substantially all, of that capacity.
- (8) A co-ownership authorised contractual scheme also meets the genuine diversity of ownership condition at any time when—
 - (a) there is a feeder fund in relation to the scheme (see paragraph 20), and
 - (b) conditions A to C are met in relation to the scheme after taking into account—
 - (i) the scheme documents relating to the feeder fund, and
 - (ii) the intended investors in the feeder fund.
- (9) Section 1122 of CTA 2010 (connected persons) has effect for the purposes of this paragraph.

Withdrawal of relief: portfolio test not met

- 16 (1) Where COACS seeding relief has been allowed in respect of a transaction, and the portfolio test is not met immediately before the end of the seeding period, the relief is withdrawn and tax is chargeable in accordance with sub-paragraph (2).

See sub-paragraph (7) for the meaning of “portfolio test”.

- (2) The amount chargeable is the amount that would have been chargeable in respect of the transaction but for COACS seeding relief.
- (3) Where COACS seeding relief has been allowed in respect of a transaction (“the relevant transaction”), and the portfolio test is met immediately before the end of the seeding period, but is not met—
 - (a) at a time in the control period, or
 - (b) at a time after the end of the control period, where the failure is pursuant to or in connection with arrangements made before the end of that period,

then, subject to sub-paragraph (4), the relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with sub-paragraph (5).

- (4) The requirement to meet the portfolio test at a time mentioned in sub-paragraph (3)(a) or (b) applies only to times when the co-ownership authorised contractual scheme holds—
 - (a) the chargeable interest that was acquired by the scheme under the relevant transaction, or
 - (b) a chargeable interest that is derived from that interest.
- (5) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for COACS seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.
- (6) In sub-paragraphs (3) and (5) an “appropriate proportion” means an appropriate proportion having regard to the subject-matter of the relevant transaction and what is held by the scheme at the time when the portfolio test is not met.
- (7) The portfolio test is a requirement that the scheme meets—
 - (a) the non-residential portfolio test (see sub-paragraph (8)), or
 - (b) the residential portfolio test (see sub-paragraph (9)).
- (8) The “non-residential portfolio test” is met at any time if—
 - (a) the scheme holds at least 10 seeded interests at that time,
 - (b) so much of the total chargeable consideration as is attributable to all the seeded interests held by the scheme at that time (“the seeded portfolio”) is at least £100 million, and
 - (c) so much of the total chargeable consideration as is attributable to so many of those seeded interests as are interests in or over residential property (if any) does not exceed 10% of the seeded portfolio.
- (9) The “residential portfolio test” is met at any time if—
 - (a) so much of the total chargeable consideration as is attributable to all the seeded interests held by the scheme at that time is at least £100 million, and
 - (b) at least 100 of the seeded interests held by the scheme at that time are interests in or over residential property.
- (10) In sub-paragraphs (8) and (9)—

“seeded interest” means a chargeable interest acquired by the scheme in a transaction for which COACS seeding relief is allowed (whether or not relief is subsequently withdrawn to any extent) (a “seeding transaction”), and

“total chargeable consideration” means the total of the chargeable consideration for all seeding transactions.
- (11) For the purposes of this paragraph, section 116(7) does not apply (modification of what counts as residential property).

Withdrawal of relief: units disposed of

- 17 (1) This paragraph applies where—
- (a) a person (“V”) makes a relevant disposal of one or more units in a co-ownership authorised contractual scheme—
 - (i) at any time in the seeding period,
 - (ii) at any time in the control period, or
 - (iii) in pursuance of, or in connection with, arrangements made before the end of the control period, and
 - (b) there is, in relation to that disposal, a relevant seeding transaction (see sub-paragraph (6)).
- (2) In respect of a transaction which is, in relation to the relevant disposal, a relevant seeding transaction—
- (a) COACS seeding relief is withdrawn to the extent set out in this paragraph, and
 - (b) tax is chargeable in accordance with this paragraph.
- (3) V’s disposal of units in a scheme is a “relevant disposal” for the purposes of this paragraph if, in relation to the disposal, A exceeds B.
- (4) In this paragraph—
- “A” means—
 - (a) where the value of V’s investment in the scheme immediately before the disposal is equal to or greater than the total of the chargeable consideration for all relevant seeding transactions, the total of the chargeable consideration for all relevant seeding transactions, or
 - (b) where the value of V’s investment in the scheme immediately before the disposal is less than the total of the chargeable consideration for all relevant seeding transactions, the value of V’s investment in the scheme immediately before the disposal, and
 - “B” means the value of V’s investment in the scheme immediately after the disposal.
- (5) The amount chargeable in respect of a relevant seeding transaction (“RST”) is—

$$\frac{C}{CCRST} \times SDLT$$

where—

“C” means the difference between A and B;

“CCRST” means the total of the chargeable consideration for all relevant seeding transactions;

“SDLT” means the amount of tax that would have been chargeable in respect of RST but for COACS seeding relief, ignoring any amount of tax that has been charged under this paragraph in respect of RST in relation to an earlier disposal of units by V.

(6) In this paragraph—

“group company” means (where V is a company) a company which is a member of the same group of companies as V for the purposes mentioned in paragraph 1(2) of Schedule 7 (group relief);

“relevant seeding transaction”, in relation to a disposal of units by V in a co-ownership authorised contractual scheme, means a seeding transaction—

- (a) the effective date of which is, or is before, the date of the disposal,
- (b) in which that scheme is the purchaser, and
- (c) in which a vendor is—
 - (i) V, or
 - (ii) (where V is a company) a company which is a group company at the time of the disposal;

“seeding transaction” means a transaction in respect of which COACS seeding relief is allowed (whether or not relief is subsequently withdrawn to any extent);

“the value of V’s investment in the scheme” at a particular time means the market value of all units in the co-ownership authorised contractual scheme held at that time by—

- (a) V, and
- (b) (where V is a company) a company which—
 - (i) is a group company at that time, and
 - (ii) before that time, has been a vendor in one or more seeding transactions in which the scheme was the purchaser.

(7) For the purposes of this paragraph, the “market value” on a particular date of units in the scheme is an amount equal to the buying price (that is, the lower price) published by the operator on that date (or, if no such price is published on that date, on the latest date before).

Withdrawal of relief: dwelling occupied by non-qualifying individual

- 18 (1) This paragraph applies to a transaction (“the relevant transaction”) if—
- (a) COACS seeding relief has been allowed in respect of the transaction,
 - (b) the main subject-matter of the transaction consists of a chargeable interest in or over land which is or includes a dwelling, and
 - (c) a non-qualifying individual (see paragraph 19) is permitted to occupy the dwelling at any time on or after the effective date of the transaction.

The dwelling which a non-qualifying individual is permitted to occupy is referred to as “the disqualifying dwelling”.

(2) The relief, or an appropriate proportion of it, is withdrawn, and tax is chargeable in accordance with this paragraph.

This is subject to sub-paragraphs (3) and (4).

- (3) Relief is withdrawn only if, at the time a non-qualifying individual is permitted to occupy the disqualifying dwelling, the co-ownership authorised contractual scheme holds a chargeable interest in or over that dwelling—
 - (a) that was acquired by the scheme under the relevant transaction, or
 - (b) that is derived from an interest so acquired.
 - (4) Where a non-qualifying individual is first permitted to occupy the disqualifying dwelling at a time after the end of the control period, relief is withdrawn only if, at that time, the scheme fails to meet the genuine diversity of ownership condition (see paragraph 15).
 - (5) The amount chargeable is the amount that would have been chargeable in respect of the relevant transaction but for COACS seeding relief or, as the case may be, an appropriate proportion of the tax that would have been so chargeable.
 - (6) In sub-paragraphs (2) and (5), an “appropriate proportion” means an appropriate proportion having regard to the extent to which the subject-matter of the relevant transaction was an interest in or over land other than the disqualifying dwelling.
- 19 (1) In paragraph 18 “non-qualifying individual”, in relation to a land transaction and a co-ownership authorised contractual scheme, means any of the following—
- (a) an individual who is a major participant in the scheme;
 - (b) an individual who is connected with a major participant in the scheme;
 - (c) an individual who is connected with the operator of the scheme (see section 102A) or the depositary of the scheme;
 - (d) a relevant settlor;
 - (e) the spouse or civil partner of an individual falling within paragraph (b), (c) or (d);
 - (f) a relative of an individual falling within paragraph (b), (c) or (d), or the spouse or civil partner of a relative of an individual falling within paragraph (b), (c) or (d);
 - (g) a relative of the spouse or civil partner of an individual falling within paragraph (b), (c) or (d);
 - (h) the spouse or civil partner of an individual falling within paragraph (g).
- (2) An individual who participates in a scheme is a “major participant” in it if the individual—
- (a) is entitled to a share of at least 50% either of all the profits or income arising from the scheme or of any profits or income arising from it that may be distributed to participants, or
 - (b) would in the event of the winding up of the scheme be entitled to 50% or more of the assets of the scheme that would then be available for distribution among the participants.

- (3) The reference in sub-paragraph (2)(a) to profits or income arising from the scheme is to profits or income arising from the acquisition, holding, management or disposal of the property subject to the scheme.
- (4) In this paragraph—
 “depository”, in relation to a co-ownership authorised contractual scheme, means the person to whom the property subject to the scheme is entrusted for safekeeping;
 “relative” means brother, sister, ancestor or lineal descendant;
 “relevant settlor”, in relation to a land transaction, means an individual who is a settlor in relation to a relevant settlement (as defined in sub-paragraph (5));
 “settlement” has the same meaning as in Chapter 5 of Part 5 of ITTOIA 2005 (see section 620 of that Act).
- (5) Where a person, in the capacity of trustee of a settlement, is connected with a person who is the purchaser under a land transaction, that settlement is a “relevant settlement” in relation to the transaction.
- (6) In sub-paragraph (5) “trustee” is to be read in accordance with section 1123(3) of CTA 2010 (“connected” persons: supplementary).
- (7) Section 1122 of CTA 2010 (connected persons) has effect for the purposes of this paragraph, but for those purposes, subsections (7) and (8) of that section (application of rules about connected persons to partnerships) are to be disregarded.

- (2) HMRC must give the person a written notice (a “warning notice”).
- (3) The notice must be given within the period of 90 days beginning with the day on which the relevant defeat is incurred.
- (4) The notice must—
- (a) set out when the warning period begins and ends (see paragraph 3),

- (7) For the meaning of “relevant defeat” and provision about when a relevant defeat is incurred see paragraph 11.

Warning period

- 3
 - (1) If a person is given a warning notice with respect to a relevant defeat (and sub-paragraph (2) does not apply) the period of 5 years beginning with the day after the day on which the notice is given is a “warning period” in relation to that person.
 - (2) If a person incurs a relevant defeat in relation to arrangements during a period which is a warning period in relation to that person, the warning period is extended to the end of the 5 years beginning with the day after the day on which the relevant defeat occurs.

 - (d) in any prescribed accounting period, the amount of the person's non-deductible tax is less than it would otherwise be.
- (3) A person who is not a taxable person obtains a tax advantage if the person's non-refundable tax is less than it otherwise would be.

- (3) For the purposes of sub-paragraph (1) a person who would be required to provide information under subsection (3) of section 308 of FA 2004—
- (a) but for the fact that the arrangements implement a proposal in respect of which notice has been given under subsection (1) of that section, or
 - (b) but for subsection (4A), (4C) or (5) of that section,
- is treated as providing the information at the end of the period referred to in subsection (3) of that section.
- (4) In this paragraph “notifiable arrangements” has the same meaning as in Part 7 of FA 2004.

“Disclosable VAT arrangements”

- 9 For the purposes of this Schedule arrangements are “disclosable VAT arrangements” at any time if at that time—
- (a) a person has complied with paragraph 6 of Schedule 11A to VATA 1994 in relation to the arrangements (duty to notify Commissioners),
 - (b) a person under a duty to comply with that paragraph in relation to the arrangements has failed to do so, or

Paragraphs 8 and 9: “failure to comply”

- 10 (1) A person “fails to comply” with any provision mentioned in paragraph 8(1) or 9(a) if and only if any of the conditions in sub-paragraphs (2) to (4) is met.

- (3) The condition in this sub-paragraph is that—
- (a) the tribunal has determined for the purposes of section 118(2) of TMA 1970 that the person is to be deemed not to have failed to comply with the provision concerned as the person had a reasonable excuse for not doing the thing required to be done,
 - (b) the appeal period has ended, and

Status: This is the original version (as it was originally enacted).

- (c) the determination has not been overturned on appeal.
- (4) The condition in this sub-paragraph is that the person admitted in writing to HMRC that the person has failed to comply with the provision concerned.
- (5) In this paragraph “the appeal period” means—
 - (a) the period during which an appeal could be brought against the determination of the tribunal, or
 - (b) where an appeal mentioned in paragraph (a) has been brought, the period during which that appeal has not been finally determined, withdrawn or otherwise disposed of.
- (6) In this paragraph “the tribunal” means the First-tier tribunal or, where determined by or under Tribunal Procedure Rules, the Upper Tribunal.

“Relevant defeat”

- 11 (1) A person (“P”) incurs a “relevant defeat” in relation to arrangements if any of Conditions A to E is met in relation to P and the arrangements.
- (2) The relevant defeat is incurred when the condition in question is first met.

Condition A

- 12 (1) Condition A is that—
 - (a) P has been given a notice under paragraph 12 of Schedule 43 to FA 2013 (general anti-abuse rule: notice of final decision), paragraph 8 or 9 of Schedule 43A to that Act (pooling and binding of arrangements: notice of final decision) or paragraph 8 of Schedule 43B to that Act (generic referrals: notice of final decision) stating that a tax advantage arising from the arrangements is to be counteracted,
 - (b) that tax advantage has been counteracted under section 209 of FA 2013, and
 - (c) the counteraction is final.
- (2) For the purposes of this paragraph the counteraction of a tax advantage is “final” when the adjustments made to effect the counteraction, and any amounts arising as a result of those adjustments, can no longer be varied, on appeal or otherwise.

Condition B

- 13 (1) Condition B is that (in a case not falling within Condition A above) a follower notice has been given to P by reference to the arrangements (and not withdrawn) and—
 - (a) the necessary corrective action for the purposes of section 208 of FA 2014 has been taken in respect of the denied advantage, or
 - (b) the denied advantage has been counteracted otherwise than as mentioned in paragraph (a) and the counteraction of the denied advantage is final.
- (2) In sub-paragraph (1) the reference to giving a follower notice to P includes a reference to giving a partnership follower notice in respect of a partnership return in relation to which P is a relevant partner (as defined in paragraph 2(5) of Schedule 31 to FA 2014).
- (3) For the purposes of this paragraph it does not matter whether the denied advantage has been dealt with—

- (a) wholly as mentioned in one or other of paragraphs (a) and (b) of sub-paragraph (1), or
 - (b) partly as mentioned in one and partly as mentioned in the other of those paragraphs.
- (4) In this paragraph “the denied advantage” has the same meaning as in Chapter 2 of Part 4 of FA 2014 (see section 208(3) of and paragraph 4(3) of Schedule 31 to that Act).
- (5) For the purposes of this paragraph the counteraction of a tax advantage is “final” when the adjustments made to effect the counteraction, and any amounts arising as a result of those adjustments, can no longer be varied, on appeal or otherwise.
- (6) In this Schedule “follower notice” means a follower notice under Chapter 2 of Part 4 of FA 2014.
- (7) For the purposes of this paragraph a partnership follower notice is given “in respect of” the partnership return mentioned in paragraph (a) or (b) of paragraph 2(2) of Schedule 31 to FA 2014.

Condition C

- 14 (1) Condition C is that (in a case not falling within Condition A or B)—
- (a) the arrangements are DOTAS arrangements,
 - (b) P has relied on the arrangements (see sub-paragraph (2))—
 - (c) the arrangements have been counteracted, and
 - (d) the counteraction is final.
- (2) For the purposes of sub-paragraph (1), P “relies on the arrangements” if—
- (a) P makes a return, claim or election, or a partnership return is made, on the basis that a relevant tax advantage arises, or
 - (b) P fails to discharge a relevant obligation (“the disputed obligation”) and there is reason to believe that P’s failure to discharge that obligation is connected with the arrangements.
- (3) For the purposes of sub-paragraph (2) “relevant tax advantage” means a tax advantage which the arrangements might be expected to enable P to obtain.
- (4) For the purposes of sub-paragraph (2) an obligation is a “relevant obligation” if the arrangements might be expected to have the result that the obligation does not arise.
- (5) For the purposes of this paragraph the arrangements are “counteracted” if—
- (a) adjustments, other than taxpayer emendations, are made in respect of P’s tax position—
 - (i) on the basis that the whole or part of the relevant tax advantage mentioned in sub-paragraph (2)(a) does not arise, or
 - (ii) on the basis that the disputed obligation does (or did) arise, or
 - (b) an assessment to tax other than a self-assessment is made, or any other action is taken by HMRC, on the basis mentioned in paragraph (a)(i) or (ii) (otherwise than by way of an adjustment).
- (6) For the purposes of this paragraph a counteraction is “final” when the assessment, adjustments or action in question, and any amounts arising from the assessment, adjustments or action, can no longer be varied, on appeal or otherwise.

Status: This is the original version (as it was originally enacted).

- (7) For the purposes of sub-paragraph (1) the time at which it falls to be determined whether or not the arrangements are DOTAS arrangements is when the counteraction becomes final.
- (8) The following are “taxpayer emendations” for the purposes of sub-paragraph (5)—
- (a) an adjustment made by P at a time when P had no reason to believe that HMRC had begun or were about to begin enquiries into P’s affairs relating to the tax in question;
 - (b) an adjustment (by way of an assessment or otherwise) made by HMRC with respect to P’s tax position as a result of a disclosure made by P which meets the conditions in sub-paragraph (9).

For the purposes of paragraph (a) a payment in respect of a liability to pay national insurance contributions is not an adjustment unless it is a payment in full.

- (9) The conditions are that the disclosure—
- (a) is a full and explicit disclosure of an inaccuracy in a return or other document or of a failure to comply with an obligation, and
 - (b) was made at a time when P had no reason to believe that HMRC were about to begin enquiries into P’s affairs relating to the tax in question.
- (10) For the purposes of this paragraph a contract settlement which HMRC enters into with P is treated as an assessment to tax (other than a self-assessment); and in relation to contract settlements references in sub-paragraph (5) to the basis on which any assessment or adjustments are made, or any other action is taken, are to be read with any necessary modifications.

Condition D

- 15 (1) Condition D is that—
- (a) P is a taxable person;
 - (b) the arrangements are disclosable VAT arrangements to which P is a party,
 - (c) P has relied on the arrangements (see sub-paragraph (2));
 - (d) the arrangements have been counteracted, and
 - (e) the counteraction is final.
- (2) For the purposes of sub-paragraph (1) P “relies on the arrangements” if—

 - (b) P fails to discharge a relevant obligation (“the disputed obligation”) and there is reason to believe that P’s failure to discharge that obligation is connected with those arrangements.
- (3) For the purposes of sub-paragraph (2) “relevant tax advantage” means a tax advantage which the arrangements might be expected to enable P to obtain.
- (4) For the purposes of sub-paragraph (2) an obligation is a “relevant obligation” if the arrangements might be expected to have the result that the obligation does not arise.
- (5) For the purposes of this paragraph the arrangements are “counteracted” if—
- (a) adjustments, other than taxpayer emendations, are made in respect of P’s tax position—
 - (i) on the basis that the whole or part of the relevant tax advantage mentioned in sub-paragraph (2)(a) does not arise, or

Status: This is the original version (as it was originally enacted).

- (ii) on the basis that the disputed obligation does (or did) arise, or
 - (b) an assessment to tax is made, or any other action is taken by HMRC, on the basis mentioned in paragraph (a)(i) or (ii) (otherwise than by way of an adjustment).
- (6) For the purposes of this paragraph a counteraction is “final” when the assessment, adjustments or action in question, and any amounts arising from the assessment, adjustments or action, can no longer be varied, on appeal or otherwise.
- (7) For the purposes of sub-paragraph (1) the time at which it falls to be determined whether or not the arrangements are disclosable VAT arrangements is when the counteraction becomes final.
- (8) The following are “taxpayer emendations” for the purposes of sub-paragraph (5)—
 - (a) an adjustment made by P at a time when P had no reason to believe that HMRC had begun or were about to begin enquiries into P’s affairs relating to VAT;
 - (b) an adjustment made by HMRC with respect to P’s tax position (by way of an assessment or otherwise) as a result of a disclosure made by P which meets the conditions in sub-paragraph (9).
- (9) The conditions are that the disclosure—
 - (a) is a full and explicit disclosure of an inaccuracy in a return or other document or of a failure to comply with an obligation, and
 - (b) was made at a time when P had no reason to believe that HMRC were about to begin enquiries into P’s affairs relating to VAT.

Condition E

- 16 (1) Condition E is that the arrangements are disclosable VAT arrangements to which P is a party and—
- (a) the arrangements relate to the position with respect to VAT of a person other than P (“S”) who has made supplies of goods or services to P,
 - (b) the arrangements might be expected to enable P to obtain a tax advantage in connection with those supplies of goods or services,
 - (c) the arrangements have been counteracted, and
 - (d) the counteraction is final.
- (2) For the purposes of this paragraph the arrangements are “counteracted” if—
- (a) HMRC assess S to tax or take any other action on a basis which prevents P from obtaining (or obtaining the whole of) the tax advantage in question, or
 - (b) adjustments, other than taxpayer emendations, are made in relation to S’s VAT affairs on a basis such as is mentioned in paragraph (a).
- (3) For the purposes of this paragraph a counteraction is “final” when the assessment, adjustments or action in question, and any amounts arising from the assessment, adjustments or action, can no longer be varied, on appeal or otherwise.
- (4) For the purposes of sub-paragraph (1) the time when it falls to be determined whether or not the arrangements are disclosable VAT arrangements is when the counteraction becomes final.
- (5) The following are “taxpayer emendations” for the purposes of sub-paragraph (2)—

Status: This is the original version (as it was originally enacted).

- (a) an adjustment made by S at a time when neither P nor S had reason to believe that HMRC had begun or were about to begin enquiries into the affairs of S or P relating to VAT;
 - (b) an adjustment (by way of an assessment or otherwise) made by HMRC with respect to S's tax position as a result of a disclosure made by S which meets the conditions in sub-paragraph (6).
- (6) The conditions are that the disclosure—
- (a) is a full and explicit disclosure of an inaccuracy in a return or other document or of a failure to comply with an obligation, and
 - (b) was made at a time when neither S nor P had reason to believe that HMRC were about to begin enquiries into the affairs of S or P relating to VAT.

PART 3

ANNUAL INFORMATION NOTICES AND NAMING

Annual information notices

- 17 (1) A person (“P”) who has been given a warning notice under this Schedule must give HMRC a written notice (an “information notice”) in respect of each reporting period in the warning period (see sub-paragraph (11)).
- (2) An information notice must be given not later than the 30th day after the end of the reporting period to which it relates.
- (3) An information notice must state whether or not P—
- (a) has in the reporting period delivered a return, or made a claim or election, on the basis that a relevant tax advantage arises, or has since the end of the reporting period delivered on that basis a return which P was required to deliver before the end of that period,
 - (b) has in the reporting period failed to take action which P would be required to take under or by virtue of an enactment relating to tax but for particular DOTAS arrangements or disclosable VAT arrangements to which P is a party,
 - (c) has in the reporting period become a party to arrangements which—
 - (i) relate to the position with respect to VAT of another person (“S”) who has made supplies of goods or services to P, and
 - (ii) might be expected to enable P to obtain a relevant tax advantage (“the expected tax advantage”) in connection with those supplies of goods or services,
 - (d) has failed to deliver a return which P was required to deliver by a date falling in the reporting period.
- (4) In this paragraph “relevant tax advantage” means a tax advantage which particular DOTAS arrangements or disclosable VAT arrangements enable, or might be expected to enable, P to obtain.
- (5) If P has, in the reporting period concerned, made a return, claim or election on the basis mentioned in sub-paragraph (3)(a) or failed to take action as mentioned in sub-paragraph (3)(b) the information notice must—
- (a) explain (on the assumptions made by P in so acting or failing to act) how the DOTAS arrangements or disclosable VAT arrangements enable P to obtain

Status: This is the original version (as it was originally enacted).

- the tax advantage, or (as the case may be) have the result that P is not required to take the action in question, and
- (b) state (on the same assumptions) the amount of the relevant tax advantage mentioned in sub-paragraph (3)(a) or (as the case may be) the amount of any tax advantage which arises in connection with the absence of a requirement to take the action mentioned in sub-paragraph (3)(b).
- (6) If P has, in the reporting period, become a party to arrangements such as are mentioned in sub-paragraph (3)(c), the information notice—
- (a) must state whether or not it is P's view that the expected tax advantage arises to P, and
- (b) if that is P's view, must explain how the arrangements enable P to obtain the tax advantage and state the amount of the tax advantage.
- (7) If the time by which P must deliver a return falls within a reporting period and P fails to deliver the return by that time, HMRC may require P to give HMRC a written notice (a "supplementary information notice") setting out any matters which P would have been required to set out in an information notice had P delivered the return in that reporting period.
- (8) A requirement under sub-paragraph (7) must be made by a written notice which states the period within which P must comply with the notice.
- (9) If P fails to comply with a requirement of (or imposed under) this paragraph HMRC may by written notice extend the warning period to the end of the period of 5 years beginning with—
- (a) the day by which the information notice or supplementary information notice should have been given (see sub-paragraphs (2) and (8)) or, as the case requires,
- (b) the day on which P gave the defective information notice or supplementary information notice to HMRC,
- or, if earlier, the time when the warning period would have expired but for the extension.
- (10) HMRC may permit information notices given by members of the same group of companies (as defined in paragraph 46(9)) to be combined.
- (11) For the purposes of this paragraph—
- (a) the first reporting period in any warning period begins with the first day of the warning period and ends with a day specified by HMRC ("the specified day"),
- (b) the remainder of the warning period is divided into further reporting periods each of which begins immediately after the end of the preceding reporting period and is twelve months long or (if that would be shorter) ends at the end of the warning period.

 - (a) any trading name of the partnership, and
 - (b) information about other members of the partnership of the kind described in sub-paragraph (4)(a) or (b).
- (7) The information may be published in any manner the Commissioners may consider appropriate.
- (8) Before publishing any information the Commissioners—
 - (a) must inform the person that they are considering doing so, and
 - (b) afford the person reasonable opportunity to make representations about whether or not it should be published.
- (9) Arrangements are “defeated arrangements” for the purposes of sub-paragraph (4) if the person used them in the warning period mentioned in sub-paragraph (1) and a warning notice specifying the defeat of those arrangements has been given to the person before the information is published.
- (10) If a person has been given a single warning notice in relation to two or more relevant defeats, the person is treated for the purposes of this paragraph as having been given a separate warning notice in relation to each of those relevant defeats.

- (11) Nothing in this paragraph prevents the power under sub-paragraph (1) from being exercised on a subsequent occasion in relation to arrangements used by the person in a different warning period.

PART 4

RESTRICTION OF RELIEFS

Duty to give a restriction relief notice

- 19 (1) HMRC must give a person a written notice (a “restriction of relief notice”) if—
- (a) the person incurs a relevant defeat in relation to arrangements which the person has used in a warning period,
 - (b) the person has been given at least two warning notices in respect of other relevant defeats of arrangements which were used in that same warning period, and
 - (c) the defeats mentioned in paragraphs (a) and (b) meet the conditions in sub-paragraph (2).
- (2) The conditions are—
- (a) that each of the relevant defeats is by virtue of Condition A, B or C,
 - (b) that each of the relevant defeats relates to the misuse of a relief (see sub-paragraph (5)), and
 - (c) in the case of each of the relevant defeats, either—
 - (i) that the relevant counteraction (see sub-paragraph (7)) was made on the basis that a particular avoidance-related rule applies in relation to a person’s affairs, or
 - (ii) that the misused relief is a loss relief.
- (3) In sub-paragraph (2)(c)—
- (a) the “misused relief” means the relief mentioned in sub-paragraph (5), and
 - (b) “loss relief” means any relief under Part 4 of ITA 2007 or Part 4 or 5 of CTA 2010.
- (4) A restriction of relief notice must—
- (a) explain the effect of paragraphs 20, 21 and 22, and
 - (b) set out when the restricted period is to begin and end.
- (5) For the purposes of this Part of this Schedule, a relevant defeat by virtue of Condition A, B or C “relates to the misuse of a relief” if—
- (a) the tax advantage in question, or part of the tax advantage in question, is or results from (or would but for the counteraction be or result from) a relief or increased relief from tax, or
 - (b) it is reasonable to conclude that the making of a particular claim for relief, or the use of a particular relief, is a significant component of the arrangements in question.
- (6) In sub-paragraph (5) “the tax advantage in question” means—
- (a) in relation to a defeat by virtue of Condition A, the tax advantage mentioned in paragraph 12(1)(a),

Status: This is the original version (as it was originally enacted).

- (b) in relation to a defeat by virtue of Condition B, the denied advantage (as defined in paragraph 13(4)), or
- (c) in relation to a defeat by virtue of Condition C—
 - (i) the tax advantage mentioned in paragraph 14(2)(a), or, as the case requires,
 - (ii) the absence of the relevant obligation (as defined in paragraph 14(4)).
- (7) In this paragraph “the relevant counteraction”, in relation to a relevant defeat means—
 - (a) in the case of a defeat by virtue of Condition A, the counteraction referred to in paragraph 12(1)(c);
 - (b) in the case of a defeat by virtue of Condition B, the action referred to in paragraph 13(1);
 - (c) in the case of a defeat by virtue of Condition C, the counteraction referred to in paragraph 14(1)(d).
- (8) If a person has been given a single warning notice in relation to two or more relevant defeats, the person is treated for the purposes of this paragraph as having been given a separate warning notice in relation to each of those relevant defeats.

Restriction of relief

- 20 (1) Sub-paragraphs (2) to (15) have effect in relation to a person to whom a relief restriction notice has been given.
- (2) The person may not, in the restricted period, make any claim for relief.
- (3) Sub-paragraph (2) does not have effect in relation to—
- (a) a claim for relief under Schedule 8 to FA 2003 (stamp duty land tax: charities relief);
 - (b) a claim for relief under Chapter 3 of Part 8 of ITA 2007 (gifts of shares, securities and real property to charities etc);
 - (c) a claim for relief under Part 10 of ITA 2007 (special rules about charitable trusts etc);
 - (d) a claim for relief under double taxation arrangements;
 - (e) an election under section 426 of ITA 2007 (gift aid: election to treat gift as made in previous year).
- (4) Claims under the following provisions in Part 4 of FA 2004 (registered pension schemes: tax reliefs etc) do not count as claims for relief for the purposes of this paragraph—
- section 192(4) (increase of basic rate limit and higher rate limit);
 - section 193(4) (net pay arrangements: excess relief);
 - section 194(1) (relief on making of a claim).
- (5) The person may not, in the restricted period, surrender group relief under Part 5 of CTA 2010.
- (6) No deduction is to be made under section 83 of ITA 2007 (carry forward against subsequent trade profits) in calculating the person’s net income for a relevant tax year.

- (7) No deduction is to be made under section 118 of ITA 2007 (carry-forward property loss relief) in calculating the person's net income for a relevant tax year.
- (8) The person is not entitled to relief under section 448 (annual payments: relief for individuals) or 449 (annual payments: relief for other persons) of ITA 2007 for any payment made in the restricted period.
- (9) No deduction of expenses referable to a relevant accounting period is to be made under section 1219(1) of CTA 2009 (expenses of management of a company's investment business).
- (10) No reduction is to be made under section 45(4) of CTA 2010 (carry-forward of trade loss relief) in calculating the profits for a relevant accounting period of a trade carried on by the person.
- (11) In calculating the total amount of chargeable gains accruing to a person in a relevant tax year (or part of a relevant tax year), no losses are to be deducted under subsections (2) to (2B) of section 2 of TCGA 1992 (persons and gains chargeable to capital gains tax, and allowable losses).
- (12) In calculating the total amount of ATED-related chargeable gains accruing to a person in a relevant tax year, no losses are to be deducted under subsection (3) of section 2B of TCGA 1992 (persons chargeable to capital gains tax on ATED-related gains).
- (13) In calculating the total amount of chargeable NRCGT gains accruing to a person in a relevant tax year on relevant high value disposals, no losses are to be deducted under subsection (2) of section 14D of TCGA 1992 (persons chargeable to capital gains tax on NRCGT gains).
- (14) If the person is a company, no deduction is to be made under section 62 of CTA 2010 (relief for losses made in UK property business) from the company's total profits of a relevant accounting period.
- (15) No deduction is to be made under regulation 18 of the Unauthorised Unit Trusts (Tax) Regulations 2013 ([S.I. 2013/2819](#)) (relief for deemed payments by trustees of an exempt unauthorised unit trust) in calculating the person's net income for a relevant tax year.
- (16) In this paragraph "relevant tax year" means any tax year the first day of which is in the restricted period.
- (17) In this paragraph "relevant accounting period" means an accounting period the first day of which is in the restricted period.
- (18) In this paragraph "double taxation arrangements" means arrangements which have effect under section 2(1) of TIOPA 2010 (double taxation relief by agreement with territories outside the UK).

The restricted period

- 21 (1) In paragraphs 19 and [20](#) (and this paragraph) "the restricted period" means the period of 3 years beginning with the day on which the relief restriction notice is given.
- (2) If during the restricted period (or the restricted period as extended under this subparagraph) the person to whom a relief restriction notice has been given incurs a

Status: This is the original version (as it was originally enacted).

further relevant defeat meeting the conditions in sub-paragraph (4), HMRC must give the person a written notice (a “restricted period extension notice”).

- (3) A restricted period extension notice extends the restricted period to the end of the period of 3 years beginning with the day on which the further relevant defeat occurs.
- (4) The conditions mentioned in sub-paragraph (2) are that—
 - (a) the relevant defeat is incurred by virtue of Condition A, B or C in relation to arrangements which the person used in the warning period mentioned in paragraph 19(1)(a), and
 - (b) the warning notice given to the person in respect of the relevant defeat relates to the misuse of a relief.
- (5) If the person to whom a relief restriction notice has been given incurs a relevant defeat which meets the conditions in sub-paragraph (4) after the restricted period has expired but before the end of a concurrent warning period, HMRC must give the person a restriction of relief notice.
- (6) In sub-paragraph (5) “concurrent warning period” means a warning period which at some time ran concurrently with the restricted period.

Reasonable excuse

- 22 (1) If a person who has incurred a relevant defeat satisfies HMRC or, on an appeal under paragraph 24, the First-tier Tribunal or Upper Tribunal that the person had a reasonable excuse for the matters to which that relevant defeat relates, then—
 - (a) for the purposes of paragraph 19(1)(a) and 21(2) and (5), the person is treated as not having incurred that relevant defeat, and
 - (b) for the purposes of paragraph 19(1)(b) and (c) any warning notice given to the person which relates to that relevant defeat is treated as not having been given to the person.
- (2) For the purposes of this paragraph, in the case of a person (“P”)—
 - (a) an insufficiency of funds is not a reasonable excuse unless attributable to events outside P’s control,
 - (b) where P relies on another person to do anything, that is not a reasonable excuse unless P took reasonable care to avoid the relevant failure, and
 - (c) where P had reasonable excuse for the relevant failure but the excuse had ceased, P is to be treated as having continued to have the excuse if the failure is remedied without unreasonable delay after the excuse ceased.
- (3) In determining for the purposes of this paragraph whether or not a person (“P”) had a reasonable excuse for any action, failure or inaccuracy, reliance on advice is to be taken automatically not to constitute a reasonable excuse if the advice is addressed to, or was given to, a person other than P or takes no account of P’s individual circumstances.
- (4) In this paragraph “relevant failure”, in relation to a relevant defeat, is to be interpreted in accordance with sub-paragraphs (2) to (7) of paragraph 43.

Mitigation of restriction of relief

- 23 (1) The Commissioners may mitigate the effects of paragraph 20 in relation to a person (“P”) so far as it appears to them that there are exceptional circumstances such that

the operation of that paragraph would otherwise have an unduly serious impact with respect to the tax affairs of P or another person.

- (2) For the purposes of sub-paragraph (1) the Commissioners may modify the effects of paragraph 20 in any way they think appropriate, including by allowing P access to the whole or part of a relief to which P would otherwise not be entitled as a result of paragraph 20.

Appeal

- 24 (1) A person may appeal against—
- (a) a relief restriction notice, or
 - (b) a restricted period extension notice.
- (2) An appeal under this paragraph must be made within the period of 30 days beginning with the day on which the notice is given.
- (3) An appeal under this paragraph is to be treated in the same way as an appeal against an assessment to income tax (including by the application of any provision about bringing the appeal by notice to HMRC, about HMRC’s review of the decision or about determination of the appeal by the First-tier Tribunal or Upper Tribunal).
- (4) On an appeal the tribunal may—
- (a) cancel HMRC’s decision, or
 - (b) affirm that decision with or without any modifications in accordance with sub-paragraph (5).
- (5) On an appeal the tribunal may rely on paragraph 23 (mitigation of restriction of relief) —
- (a) to the same extent as HMRC (which may mean applying the same mitigation as HMRC to a different starting point), or
 - (b) to a different extent, but only if the tribunal thinks that HMRC’s decision in respect of the application of paragraph 23 was flawed.
- (6) In this paragraph “tribunal” means the First-tier Tribunal or Upper Tribunal (as appropriate by virtue of sub-paragraph (3)).

Meaning of “avoidance-related rule”

- 25 (1) In this Part of this Schedule “avoidance-related rule” means a rule in Category 1 or 2.
- (2) A rule is in Category 1 if it refers (in whatever terms)—
- (a) to the purpose or main purpose or purposes of a transaction, arrangements or any other action or matter, and
 - (b) to whether or not the purpose in question is or involves the avoidance of tax or the obtaining of any advantage in relation to tax (however described).
- (3) A rule is also in Category 1 if it refers (in whatever terms) to—
- (a) expectations as to what are, or may be, the expected benefits of a transaction, arrangements or any other action or matter, and
 - (b) whether or not the avoidance of tax or the obtaining of any advantage in relation to tax (however described) is such a benefit.

Status: This is the original version (as it was originally enacted).

For the purposes of paragraph (b) it does not matter whether the reference is (for instance) to the “sole or main benefit” or “one of the main benefits” or any other reference to a benefit.

- (4) A rule falls within Category 2 if as a result of the rule a person may be treated differently for tax purposes depending on whether or not purposes referred to in the rule (for instance the purposes of an actual or contemplated action or enterprise) are (or are shown to be) commercial purposes.

- (5) For example, a rule in the following form would fall within Category 1 and within Category 2—

Example rule

Section X does not apply to a company in respect of a transaction if the company shows that the transaction meets Condition A or B.

Condition A is that the transaction is effected—

- (a) for genuine commercial reasons, or
- (b) in the ordinary course of managing investments.”

Meaning of “relief”

- 26 The following are “reliefs” for the purposes of this Part of this Schedule—
- (a) any relief from tax (however described) which must be claimed, or which is not available without making an election,
 - (b) relief under section 1219 of CTA 2009 (expenses of management of a company’s investment business),
 - (c) any relief (not falling within paragraph (a)) under Part 4 of ITA 2007 (loss relief) or Part 4 or 5 of CTA 2010 (loss relief and group relief), and
 - (d) any relief (not falling within paragraph (a) or (b)) under a provision listed in section 24 of ITA 2007 (reliefs deductible at Step 2 of the calculation of income tax liability).

“Claim” for relief

- 27 In this Part of this Schedule “claim for relief” includes any election or other similar action which is in substance a claim for relief.

VAT

- 28 In this Part of this Schedule “tax” does not include VAT.

Power to amend

- 29 (1) The Treasury may by regulations—
- (a) amend paragraph 20;
 - (b) amend paragraph 26.
- (2) Regulations under sub-paragraph (1)(a) may, in particular, alter the application of paragraph 20 in relation to any relief, exclude any relief from its application or extend its application to further reliefs.

- (3) Regulations under sub-paragraph (1)(b) may amend the meaning of “relief” in any way (including by extending or limiting the meaning).
- (4) Regulations under this paragraph may—
 - (a) make supplementary, incidental and consequential provision;
 - (b) make transitional provision.
- (5) Regulations under this paragraph are to be made by statutory instrument.
- (6) A statutory instrument containing regulations under this paragraph may not be made unless a draft of the instrument has been laid before and approved by a resolution of the House of Commons.

PART 5

PENALTY

Penalty

- 30
- (1) A person is liable to pay a penalty if the person incurs a relevant defeat in relation to any arrangements which the person has used in a warning period.
 - (2) The penalty is 20% of the value of the counteracted advantage if neither sub-paragraph (3) nor sub-paragraph (4) applies.
 - (3) The penalty is 40% of the value of the counteracted advantage if before the relevant defeat is incurred the person has been given, or become liable to be given, one (but not more than one) relevant prior warning notice.
 - (4) The penalty is 60% of the value of the counteracted advantage if before the current defeat is incurred the person has been given, or become liable to be given, two or more relevant prior warning notices.
 - (5) In this paragraph “relevant prior warning notice” means a warning notice in relation to the defeat of arrangements which the person has used in the warning period mentioned in sub-paragraph (1).
 - (6) For the meaning of “the value of the counteracted advantage” see paragraphs 32 to 37.

Simultaneous defeats etc

- 31
- (1) If a person incurs simultaneously two or more relevant defeats in relation to different arrangements, sub-paragraphs (2) to (4) of paragraph 30 have effect as if the relevant defeat with the lowest value was incurred last, the relevant defeat with the next lowest value immediately before it, and so on.
 - (2) For this purpose the “value” of a relevant defeat is taken to be equal to the value of the counteracted advantage.
 - (3) If a person has been given a single warning notice in relation to two or more relevant defeats, the person is treated for the purposes of paragraph 30 as having been given a separate warning notice in relation to each of those relevant defeats.

Status: This is the original version (as it was originally enacted).

Value of the counteracted advantage: basic rule for taxes other than VAT

- 32 (1) In relation to a relevant defeat incurred by virtue of Condition A, B or C, the “value of the counteracted advantage” is—
- (a) in the case of a relevant defeat incurred by virtue of Condition A, the additional amount due or payable in respect of tax as a result of the counteraction mentioned in paragraph 12(1)(c);
 - (b) in the case of a relevant defeat incurred by virtue of Condition B, the additional amount due or payable in respect of tax as a result of the action mentioned in paragraph 13(1);
 - (c) in the case of a relevant defeat incurred by virtue of Condition C, the additional amount due or payable in respect of tax as a result of the counteraction mentioned in paragraph 14(1)(d).
- (2) The reference in sub-paragraph (1) to the additional amount due and payable includes a reference to—
- (a) an amount payable to HMRC having erroneously been paid by way of repayment of tax, and
 - (b) an amount which would be repayable by HMRC if the counteraction mentioned in paragraph (a) or (c) of sub-paragraph (1) were not made or the action mentioned in paragraph (b) of that sub-paragraph were not taken (as the case may be).
- (3) The following are ignored in calculating the value of the counteracted advantage—
- (a) group relief, and
 - (b) any relief under section 458 of CTA 2010 (relief in respect of repayment etc of loan) which is deferred under subsection (5) of that section.
- (4) This paragraph is subject to paragraphs 33 and 34.

Value of counteracted advantage: losses for purposes of direct tax

- 33 (1) This paragraph has effect in relation to relevant defeats incurred by virtue of Condition A, B or C.
- (2) To the extent that the counteracted advantage (see paragraph 35) has the result that a loss is wrongly recorded for the purposes of direct tax and the loss has been wholly used to reduce the amount due or payable in respect of tax, the value of the counteracted advantage is determined in accordance with paragraph 32.
- (3) To the extent that the counteracted advantage has the result that a loss is wrongly recorded for purposes of direct tax and the loss has not been wholly used to reduce the amount due or payable in respect of tax, the value of the counteracted advantage is—
- (a) the value under paragraph 32 of so much of the counteracted advantage as results from the part (if any) of the loss which is used to reduce the amount due or payable in respect of tax, plus
 - (b) 10% of the part of the loss not so used.
- (4) Sub-paragraphs (2) and (3) apply both—
- (a) to a case where no loss would have been recorded but for the counteracted advantage, and

- (b) to a case where a loss of a different amount would have been recorded (but in that case sub-paragraphs (2) and (3) apply only to the difference between the amount recorded and the true amount).
- (5) To the extent that a counteracted advantage creates or increases an aggregate loss recorded for a group of companies—
 - (a) the value of the counteracted advantage is calculated in accordance with this paragraph, and
 - (b) in applying paragraph 32 in accordance with sub-paragraphs (2) and (3), group relief may be taken into account (despite paragraph 32(3)).
- (6) To the extent that the counteracted advantage results in a loss, the value of it is nil where, because of the nature of the loss or the person's circumstances, there is no reasonable prospect of the loss being used to support a claim to reduce a tax liability (of any person).

Value of counteracted advantage: deferred tax

- 34 (1) To the extent that the counteracted advantage (see paragraph 35) is a deferral of tax (other than VAT), the value of that advantage is—
- (a) 25% of the amount of the deferred tax for each year of the deferral, or
 - (b) a percentage of the amount of the deferred tax, for each separate period of deferral of less than a year, equating to 25% per year,
- or, if less, 100% of the amount of the deferred tax.
- (2) This paragraph does not apply to a case to the extent that paragraph 33 applies.

Meaning of “the counteracted advantage” in paragraphs 33 and 34

- 35 (1) In paragraphs 33 and 34 “the counteracted advantage” means—
- (a) in relation to a relevant defeat incurred by virtue of Condition A, the tax advantage mentioned in paragraph 12(1)(b);
 - (b) in relation to a relevant defeat incurred by virtue of Condition B, the denied advantage in relation to which the action mentioned in paragraph 13(1) is taken;
 - (c) in relation to a relevant defeat incurred by virtue of Condition C, means any tax advantage in respect of which the counteraction mentioned in paragraph 14(1)(c) is made.
- (2) In sub-paragraph (1)(c) “counteraction” is to be interpreted in accordance with paragraph 14(5).

Value of the counteracted advantage: Conditions D and E

- 36 (1) In relation to a relevant defeat incurred by a person by virtue of Condition D or E, the “value of the counteracted advantage” is equal to the sum of any counteracted tax advantages determined under sub-paragraphs (3) to (6).
- (2) In this paragraph “the counteraction” means the counteraction mentioned in paragraph 15(1) or 16(1) (as the case may be).
- (3) If the amount of VAT due or payable by the person in respect of any prescribed accounting period (X) exceeds the amount (Y) that would have been so payable

Status: This is the original version (as it was originally enacted).

but for the counteraction, the amount by which X exceeds Y is a counteracted tax advantage.

- (4) If the person obtains no VAT credit for a particular prescribed accounting period, the amount of any VAT credit which the person would have obtained for that period but for the counteraction is a counteracted tax advantage.
- (5) If for a prescribed accounting period the person obtains a VAT credit of an amount (Y) which is less than the amount (X) of the VAT credit which the person would have obtained but for the counteraction, the amount by which X exceeds Y is a counteracted tax advantage.
- (6) If the amount (X) of the person's non-deductible tax for any prescribed accounting period is greater than Y, where Y is what would be the amount of the person's non-deductible tax for that period but for the counteraction, then the amount by which X exceeds Y is a counteracted tax advantage, but only to the extent that amount is not represented by a corresponding amount which is the whole or part of a counteracted tax advantage by virtue of sub-paragraphs (3) to (5).
- (7) In this paragraph "non-deductible tax", in relation to the person who incurred the relevant defeat, means—
 - (a) input tax for which the person is not entitled to credit under section 25 of VATA 1994, and
 - (b) any VAT incurred by the person which is not input tax and in respect of which the person is not entitled to a refund from the Commissioners by virtue of any provision of VATA 1994.
- (8) For the purposes of sub-paragraph (7)(b) the VAT "incurred" by a taxable person is—
 - (a) VAT on the supply to the person of any goods or services,
 - (b) VAT on the acquisition by the person from another member State of any goods;
 - (c) VAT on the importation of any goods from a place outside the member States.
- (9) References in sub-paragraph (3) to amounts due and payable by the person in respect of a prescribed accounting period include references to—
 - (a) amounts payable to HMRC having erroneously been paid by way of repayment of tax, and
 - (b) amounts which would be repayable by HMRC if the counteraction mentioned in sub-paragraph (3) were not made.

Value of counteracted advantage: delayed VAT

- 37 (1) Sub-paragraph (3) of paragraph 36 has effect as follows so far as the tax advantage which is counteracted as mentioned in that sub-paragraph is in the nature of a delay in relation to the person's obligations with respect to VAT.
- (2) That sub-paragraph has effect as if for "the amount by which X exceeds Y is a counteracted tax advantage" there were substituted, "there is a counteracted tax advantage of—
 - "(d) 25% of the amount of the delayed VAT for each year of the delay, or
 - (e) a percentage of the amount of the delayed VAT, for each separate period of delay of less than a year, equating to 25% per year,
 or, if less, 100% of the amount of the delayed VAT".

Assessment of penalty

- 38 (1) Where a person is liable for a penalty under paragraph 30, HMRC must assess the penalty.
- (2) Where HMRC assess the penalty, HMRC must—
- (a) notify the person who is liable for the penalty, and
 - (b) state in the notice a tax period in respect of which the penalty is assessed.
- (3) A penalty under this paragraph must be paid before the end of the period of 30 days beginning with the day on which the person is notified of the penalty under sub-paragraph (2).
- (4) An assessment—
- (a) is to be treated for procedural purposes as if it were an assessment to tax,
 - (b) may be enforced as if it were an assessment to tax, and
 - (c) may be combined with an assessment to tax.
- (5) An assessment of a penalty under this paragraph must be made before the end of the period of 12 months beginning with the date of the defeat mentioned in paragraph 30(1).

Alteration of assessment of penalty

- 39 (1) After notification of an assessment has been given to a person under paragraph 38(2), the assessment may not be altered except in accordance with this paragraph or on appeal.
- (2) A supplementary assessment may be made in respect of a penalty if an earlier assessment operated by reference to an underestimate of the value of the counteracted advantage.
- (3) An assessment may be revised as necessary if operated by reference to an overestimate of the value of the counteracted advantage.

Aggregate penalties

- 40 (1) The amount of a penalty for which a person is liable under paragraph 30 is to be reduced by the amount of any other penalty incurred by the person, or any surcharge for late payment of tax imposed on the person, if the amount of the penalty or surcharge is determined by reference to the same tax liability.
- (2) In sub-paragraph (1) “any other penalty” does not include a penalty under section 212A of FA 2013 (GAAR penalty) or Part 4 of FA 2014 (penalty where corrective action not taken after follower notice etc).
- (3) In the application of section 97A of TMA 1970 (multiple penalties) no account shall be taken of a penalty under paragraph 30.

Appeal against penalty

- 41 (1) A person may appeal against a decision of HMRC that a penalty is payable under paragraph 30.

Status: This is the original version (as it was originally enacted).

- (2) A person may appeal against a decision of HMRC as to the amount of a penalty payable by P under paragraph 30.
- (3) An appeal under this paragraph must be made within the period of 30 days beginning with the day on which notification of the penalty is given under paragraph 38.
- (4) An appeal under this paragraph is to be treated in the same way as an appeal against an assessment to the tax concerned (including by the application of any provision about bringing the appeal by notice to HMRC, about HMRC’s review of the decision or about determination of the appeal by the First-tier Tribunal or Upper Tribunal).
- (5) Sub-paragraph (4) does not apply—
 - (a) so as to require a person to pay a penalty before an appeal against the assessment of the penalty is determined, or
 - (b) in respect of any other matter expressly provided for by this Part of this Schedule.
- (6) On an appeal under sub-paragraph (1) or (2) the tribunal may—
 - (a) affirm HMRC’s decision, or
 - (b) substitute for HMRC’s decision another decision that HMRC has power to make.
- (7) In this paragraph “tribunal” means the First-tier Tribunal or Upper Tribunal (as appropriate by virtue of sub-paragraph (4)).

Penalties: reasonable excuse

- 42 (1) A person is not liable to a penalty under paragraph 30 in respect of a relevant defeat if the person satisfies HMRC or (on appeal) the First-tier Tribunal or Upper Tribunal that the person had a reasonable excuse for the relevant failure to which that relevant defeat relates (see paragraph 43).
- (2) Sub-paragraph (3) applies if—
 - (a) a person has incurred a relevant defeat in respect of which the person is liable to a penalty under paragraph 30, and
 - (b) before incurring that defeat the person had been given, or become liable to be given, an excepted warning notice.
- (3) The person is treated for the purposes of sub-paragraphs (2) to (4) of paragraph 30 (rate of penalty) as not having been given, and not having become liable to be given, the excepted notice (so far as it relates to the relevant defeat in respect of which the person had a reasonable excuse).
- (4) A warning notice is “excepted” for the purposes of this paragraph if the person was not liable to a penalty in respect of the defeat specified in it because the person had a reasonable excuse for the relevant failure in question.
- (5) For the purposes of this paragraph, in the case of a person (“P”)—
 - (a) an insufficiency of funds is not a reasonable excuse unless attributable to events outside P’s control,
 - (b) where P relies on another person to do anything, that is not a reasonable excuse unless P took reasonable care to avoid the relevant failure, and

- (c) where P had a reasonable excuse for the relevant failure but the excuse had ceased, P is to be treated as having continued to have the excuse if the failure is remedied without unreasonable delay after the excuse ceased.
- (6) In determining for the purposes of this paragraph whether or not a person (“P”) had a reasonable excuse for any action, failure or inaccuracy, reliance on advice is to be taken automatically not to constitute a reasonable excuse if the advice is addressed to, or was given to, a person other than P or takes no account of P’s individual circumstances.

Paragraph 42: meaning of “the relevant failure”

- 43
- (1) In paragraph 42 “the relevant failure”, in relation to a relevant defeat, is to be interpreted in accordance with sub-paragraphs (2) to (7).
 - (2) In relation to a relevant defeat incurred by virtue of Condition A, “the relevant failure” means the failures or inaccuracies as a result of which the counteraction under section 209 of FA 2013 was necessary
 - (3) In relation to a relevant defeat incurred by virtue of Condition B, “the relevant failure” means the failures or inaccuracies in respect of which the action mentioned in paragraph 13(1) was taken.

 - (6) In relation to a relevant defeat incurred by virtue of Condition E, “the relevant failure” means P’s actions (and failures to act), so far as they are connected with matters in respect of which the counteraction mentioned in paragraph 16(1) is required.
 - (7) In sub-paragraph (6) “counteraction” is to be interpreted in accordance with paragraph 16(2).

Mitigation of penalties

- 44

 - (2) They may also, after judgment, further mitigate or entirely remit the penalty.

PART 6

CORPORATE GROUPS, ASSOCIATED PERSONS AND PARTNERSHIPS

Representative member of a VAT group

- 45
- (1) Where a body corporate (“R”) is the representative member of a group (and accordingly is treated for the purposes of this Schedule as mentioned in section 43(1) of VATA 1994), anything which has been done by or in relation to another body

Status: This is the original version (as it was originally enacted).

corporate (“B”) in B’s capacity as representative member of that group is treated for the purposes of this Schedule as having been done by or in relation to R in R’s capacity as representative member of the group.

Accordingly paragraph 3 (warning period) operates as if the successive representative members of a group were a single person.

- (2) This Schedule has effect as if the representative member of a group, so far as acting in its capacity as such, were a different person from that body corporate so far as acting in any other capacity.
- (3) In this paragraph the reference to a “group” is to be interpreted in accordance with sections 43A to 43D of VATA 1994.

Corporate groups

- 46 (1) Sub-paragraphs (2) and (3) apply if HMRC has a duty under paragraph 2 to give a warning notice to a company (“C”) which is a member of a group.
- (2) That duty has effect as a duty to give a warning notice to each current group member (see sub-paragraph (8)).
- (3) Any warning notice which has been given (or is treated as having been given) previously to any current group member is treated as having been given to each current group member (and any provision in this Schedule which refers to a “warning period” in relation to a person is to be interpreted accordingly).
- (4) In relation to a company which incurs a relevant defeat, paragraph 19(1) (duty to give relief restriction notice) does not have effect unless the warning period mentioned in that sub-paragraph would be a warning period in relation to the company regardless of sub-paragraph (3).
- (5) A company which incurs a relevant defeat is not liable to pay a penalty under paragraph 30 unless the warning period mentioned in sub-paragraph (1) of that paragraph would be a warning period in relation to the company regardless of sub-paragraph (3).
- (6) HMRC may discharge any duty to give a warning notice to a current group member in accordance with sub-paragraph (2) by delivering the notice to C (and if it does so may combine one or more warning notices in a single notice).
- (7) If a company ceases to be a member of a group, and—
- (a) immediately before it ceases to be a member of the group, a warning period has effect in relation to the company, but
 - (b) no warning period would have effect in relation to the company at that time but for sub-paragraph (2) or (3),
- that warning period ceases to have effect in relation to the company when it ceases to be a member of that group.
- (8) In this paragraph “current group member” means a company which is a member of the group concerned at the time when the warning notice mentioned in sub-paragraph (1) is given.
- (9) For the purposes of this paragraph two companies are members of the same group of companies if—
- (a) one is a 75% subsidiary of the other, or

- (b) both are 75% subsidiaries of a third company.
- (10) In this paragraph “75% subsidiary” has the meaning given by section 1154 of CTA 2010.
- (11) In this paragraph “company” has the same meaning as in the Corporation Tax Acts (see section 1121 of CTA 2010).

Associated persons treated as incurring relevant defeats

- 47
- (1) Sub-paragraph (2) applies if a person (“P”) incurs a relevant defeat in relation to any arrangements (otherwise than by virtue of this paragraph).
 - (2) Any person (“S”) who is associated with P at the relevant time is also treated for the purposes of paragraphs 2 (duty to give warning notice) and 3(2) (warning period) as having incurred that relevant defeat in relation to those arrangements (but see sub-paragraph (3)).

For the meaning of “associated” see paragraph 48.

- (3) Sub-paragraph (2) does not apply if P and S are members of the same group of companies (as defined in paragraph 46(9)).
- (4) In relation to a warning notice given to S by virtue of sub-paragraph (2), paragraph 2(4)(c) (certain information to be included in warning notice) is to be read as referring only to paragraphs 3, 17 and 18.
- (5) A warning notice which is given to a person by virtue of sub-paragraph (2) is treated for the purposes of paragraphs 19(1) (duty to give relief restriction notice) and 30 (penalty) as not having been given to that person.
- (6) In sub-paragraph (2) “the relevant time” means the time when P is given a warning notice in respect of the relevant defeat.

Meaning of “associated”

- 48
- (1) For the purposes of paragraph 47 two persons are associated with one another if—
 - (a) one of them is a body corporate which is controlled by the other, or
 - (b) they are bodies corporate under common control.
 - (2) Two bodies corporate are under common control if both are controlled—
 - (a) by one person,
 - (b) by two or more, but fewer than six, individuals, or
 - (c) by any number of individuals carrying on business in partnership.
 - (3) For the purposes of this section a body corporate (“H”) is taken to control another body corporate (“B”) if—
 - (a) H is empowered by statute to control B’s activities, or
 - (b) H is B’s holding company within the meaning of section 1159 of and Schedule 6 to the Companies Act 2006.
 - (4) For the purposes of this section an individual or individuals are taken to control a body corporate (“B”) if the individual or individuals, were they a body corporate, would be B’s holding company within the meaning of those provisions.

Status: This is the original version (as it was originally enacted).

Partners treated as incurring relevant defeats

- 49 (1) Where paragraph 50 applies in relation to a partnership return, each relevant partner is treated for the purposes of this Schedule as having incurred the relevant defeat mentioned in paragraph 50(1)(b), (2) or (3)(b) (as the case may be).
- (2) In this paragraph “relevant partner” means any person who was a partner in the partnership at any time during the relevant reporting period (but see sub-paragraph (3)).
- (3) The “relevant partners” do not include—
- (a) the person mentioned in sub-paragraph (1)(b), (2) or (3)(b) (as the case may be) of paragraph 50, or
 - (b) any other person who would, apart from this paragraph, incur a relevant defeat in connection with the subject matter of the partnership return mentioned in sub-paragraph (1).
- (4) In this paragraph the “relevant reporting period” means the period in respect of which the partnership return mentioned in sub-paragraph (1), (2) or (3) of paragraph 50 was required.

Partnership returns to which this paragraph applies

- 50 (1) This paragraph applies in relation to a partnership return if—
- (a) that return has been made on the basis that a tax advantage arises to a partner from any arrangements, and
 - (b) that person has incurred, in relation to that tax advantage and those arrangements, a relevant defeat by virtue of Condition A (final counteraction of tax advantage under general anti-abuse rule).
- (2) Where a person has incurred a relevant defeat by virtue of sub-paragraph (2) of paragraph 13 (Condition B: case involving partnership follower notice) this paragraph applies in relation to the partnership return mentioned in that sub-paragraph.
- (3) This paragraph applies in relation to a partnership return if—
- (a) that return has been made on the basis that a tax advantage arises to a partner from any arrangements, and
 - (b) that person has incurred, in relation to that tax advantage and those arrangements, a relevant defeat by virtue of Condition C (return, claim or election made in reliance on DOTAS arrangements).
- (4) The references in this paragraph to a relevant defeat do not include a relevant defeat incurred by virtue of paragraph 47(2).

Partnerships: information

- 51 (1) If paragraph 50 applies in relation to a partnership return, the appropriate partner must give HMRC a written notice (a “partnership information notice”) in respect of each sub-period in the information period.
- (2) The “information period” is the period of 5 years beginning with the day after the day of the relevant defeat mentioned in paragraph 50.

- (3) If, in the case of a partnership, a new information period (relating to another partnership return) begins during an existing information period, those periods are treated for the purposes of this paragraph as a single period (which includes all times that would otherwise fall within either period).
- (4) An information period under this paragraph ends if the partnership ceases.
- (5) A partnership information notice must be given not later than the 30th day after the end of the sub-period to which it relates.
- (6) A partnership information notice must state—
 - (a) whether or not any relevant partnership return which was, or was required to be, delivered in the sub-period has been made on the basis that a relevant tax advantage arises, and
 - (b) whether or not there has been a failure to deliver a relevant partnership return in the sub-period.
- (7) In this paragraph—
 - (a) “relevant partnership return” means a partnership return in respect of the partnership’s trade, profession or business;
 - (b) “relevant tax advantage” means a tax advantage which particular DOTAS arrangements enable, or might be expected to enable, a person who is or has been a partner in the partnership to obtain.
- (8) If a partnership information notice states that a relevant partnership return has been made on the basis mentioned in sub-paragraph (6)(a) the notice must—
 - (a) explain (on the assumptions made for the purposes of the return) how the DOTAS arrangements enable the tax advantage concerned to be obtained, and
 - (b) describe any variation in the amounts required to be stated in the return under section 12AB(1) of TMA 1970 which results from those arrangements.
- (9) HMRC may require the appropriate partner to give HMRC a notice (a “supplementary information notice”) setting out further information in relation to a partnership information notice.

In relation to a partnership information notice “further information” means information which would have been required to be set out in the notice by virtue of sub-paragraph (6)(a) or (8) had there not been a failure to deliver a relevant partnership return.
- (10) A requirement under sub-paragraph (9) must be made by a written notice and the notice must state the period within which the notice must be complied with.
- (11) If a person fails to comply with a requirement of (or imposed under) this paragraph, HMRC may by written notice extend the information period concerned to the end of the period of 5 years beginning with—
 - (a) the day by which the partnership information notice or supplementary information notice was required to be given to HMRC or, as the case requires,
 - (b) the day on which the person gave the defective notice to HMRC,or, if earlier, the time when the information period would have expired but for the extension.

Status: This is the original version (as it was originally enacted).

- (12) For the purposes of this paragraph—
- (a) the first sub-period in an information period begins with the first day of the information period and ends with a day specified by HMRC,
 - (b) the remainder of the information period is divided into further sub-periods each of which begins immediately after the end of the preceding sub-period and is twelve months long or (if that would be shorter) ends at the end of the information period.
- (13) In this paragraph “the appropriate partner” means the partner in the partnership who is for the time being nominated by HMRC for the purposes of this paragraph.

Partnerships: special provision about taxpayer emendations

- 52 (1) Sub-paragraph (2) applies if a partnership return is amended at any time under section 12ABA of TMA 1970 (amendment of partnership return by representative partner etc) on a basis that—
- (a) results in an increase or decrease in, or
 - (b) otherwise affects the calculation of,
- any amount stated under subsection (1)(b) of section 12AB of that Act (partnership statement) as a partner’s share of any income, loss, consideration, tax or credit for any period.
- (2) For the purposes of paragraph 14 (Condition C: counteraction of DOTAS arrangements), the partner is treated as having at that time amended—
- (a) the partner’s return under section 8 or 8A of TMA 1970, or
 - (b) the partner’s company tax return,
- so as to give effect to the amendments of the partnership return.
- (3) Sub-paragraph (4) applies if a partnership return is amended at any time by HMRC as a result of a disclosure made by the representative partner or that person’s successor on a basis that—
- (a) results in an increase or decrease in, or
 - (b) otherwise affects the calculation of,
- any amount stated under subsection (1)(b) of section 12AB of TMA 1970 (partnership statement) as the share of a particular partner (P) of any income, loss, consideration, tax or credit for any period.
- (4) If the conditions in sub-paragraph (5) are met, P is treated for the purposes of paragraph 14 as having at that time amended—
- (a) P’s return under section 8 or 8A of TMA 1970, or
 - (b) P’s company tax return,
- so as to give effect to the amendments of the partnership return.
- (5) The conditions are that the disclosure—
- (a) is a full and explicit disclosure of an inaccuracy in the partnership return, and
 - (b) was made at a time when neither the person making the disclosure nor P had reason to believe that HMRC was about to begin enquiries into the partnership return.

Supplementary provision relating to partnerships

- 53 (1) In paragraphs 49 to 52 and this paragraph—
- “partnership” is to be interpreted in accordance with section 12AA of TMA 1970 (and includes a limited liability partnership);
 - “the representative partner”, in relation to a partnership return, means the person who was required by a notice served under or for the purposes of section 12AA(2) or (3) of TMA 1970 to deliver the return;
 - “successor”, in relation to a person who is the representative partner in the case of a partnership return, has the same meaning as in TMA 1970 (see section 118(1) of that Act).
- (2) For the purposes of this Part of this Schedule a partnership is treated as the same partnership notwithstanding a change in membership if any person who was a member before the change remains a member after the change.

- (3) A UK group has engaged in unco-operative behaviour “persistently” if—
- (a) a member of the group has done so persistently, or
 - (b) two or more members of the group, taken together, have done so persistently.
- (4) References in this Part to doing something “persistently” include doing it on a sufficient number of occasions for it to be clear that it represents a pattern of behaviour.
- 37 (1) A member of a UK group has, or two or more members of a UK group (taken together) have, “satisfied the behaviour condition” if it has, or they have, behaved in a manner which has delayed or otherwise hindered HMRC in the exercise of their functions in connection with determining the liability to UK taxation of the group or a member of the group.
- (2) Factors which may indicate that a member of a UK group has behaved as described in sub-paragraph (1) include—
- (a) the extent to which HMRC have used statutory powers to obtain information relating to the UK group or members of the group;
 - (b) the reasons why those powers have been used;
 - (c) the number and seriousness of inaccuracies in, and omissions from, documents given to HMRC by or on behalf of the UK group or members of the group;

Status: This is the original version (as it was originally enacted).

- (d) the extent to which, in dealings with HMRC, members of the group (or people acting on their behalf) have relied on interpretations of legislation relating to UK taxation which, at the time, are speculative.
- (3) An interpretation of legislation relating to UK taxation is “speculative” if it is likely that a court or tribunal would disagree with it.
- 38 (1) A member of a UK group has “satisfied the arrangements condition” if it is a party to a tax avoidance scheme.
- (2) “Tax avoidance scheme” means—
 - (a) arrangements in respect of which a notice of final decision has been given under—
 - (i) paragraph 12 of Schedule 43 to FA 2013,
 - (ii) paragraph 5 or 6 of Schedule 43A to FA 2013, or
 - (iii) paragraph 9 of Schedule 43B to FA 2013,
 stating that a tax advantage arising from the arrangements is to be counteracted;
 - (b) arrangements which are notifiable arrangements for the purposes of Part 7 of FA 2004 (disclosure of tax avoidance schemes), other than arrangements in relation to which HMRC have given notice under section 312(6) of FA 2004 (notice that promoters not under duty to provide clients with prescribed information);
 - (c) a scheme which is a notifiable scheme for the purposes of Schedule 11A to VATA 1994 (disclosure of avoidance schemes).
- 39 (1) There is a significant tax issue in respect of a UK group or a member of a UK group where—
 - (a) there is a disagreement between HMRC and a member of the group about an issue affecting the amount of the liability of the group or a member of the group to UK taxation,
 - (b) the issue has been, or could be, referred to a court or tribunal to determine, and
 - (c) as regards the amount of the liability, the difference between HMRC’s view and the view of the member is, or is likely to be, not less than £2 million.
- (2) The reference in sub-paragraph (1)(a) to circumstances in which there is a disagreement include circumstances in which there is a reasonable likelihood of a disagreement.
- (3) The Treasury may by regulations substitute a higher amount for the amount for the time being specified in sub-paragraph (1)(c).
- 40 The references in paragraphs 36 to 39 to things done by a member of a UK group (“the group in question”)—
 - (a) include acts and omissions of a relevant body that is not a member of the group in question if they took place at a time when the relevant body was a member of a group headed by the body that is the head of the group in question;
 - (b) do not include acts or omissions of a relevant body that is a member of the group in question if they took place at a time when the relevant body was not a member of a group headed by the body that is the head of the group in question.

Warning notices

- 41 (1) A designated HMRC officer may give the head of a UK group a notice under this paragraph (a “warning notice”) if the officer considers that the group is a qualifying group that falls within this Part.
- (2) The notice must set out the reasons why the officer considers that the group falls within this Part.
- (3) The notice—
- (a) may be withdrawn by a designated HMRC officer at any time by giving a further notice to the head of the group, and
 - (b) expires (if not previously withdrawn) at the end of the period of 15 months beginning with the day on which it was given.
- (4) Once a warning notice has been given —
- (a) it is immaterial for the purposes of this Part whether the group remains a qualifying group,
 - (b) the identity of the group is not to be regarded as altered by any change in its membership resulting from a relevant body—
 - (i) becoming a 51% subsidiary of a member of the group, or
 - (ii) ceasing to be a 51% subsidiary of another member of the group; and
 - (c) if the group becomes a UK sub-group of a foreign group it is to be treated as if it were still a UK group.
- (5) Sub-paragraph (4) applies while the group is subject to—
- (a) the warning notice, or
 - (b) any other notice under this Part issued as a result of the group having been given the warning notice.

Special measures notices

- 42 (1) This paragraph applies to a UK group if—
- (a) the head of the group has been given a warning notice in relation to the group that has not been withdrawn,
 - (b) the period of 12 months beginning with the day on which the warning notice was given has elapsed, and
 - (c) the period of 15 months beginning with that day has not elapsed.
- (2) If a designated HMRC officer considers that the group falls within this Part, the officer may give the head of the group a notice under this paragraph (a “special measures notice”).
- (3) When considering whether the group falls within this Part, the officer may take into account any relevant behaviour, whether or not it is mentioned in the warning notice.
- (4) When deciding whether to give a special measures notice, the designated HMRC officer must consider any representations made by a member of the group before the end of the period of 12 months beginning with the day on which the warning notice was given.
- (5) The special measures notice must set out the reasons why the officer considers that the group falls within this Part.

Status: This is the original version (as it was originally enacted).

- (6) Paragraph 45 deals with other circumstances in which a UK group may be given a special measures notice.
- 43 (1) A special measures notice—
- (a) may be withdrawn by a designated HMRC officer at any time by giving a further notice to the head of the UK group, and
 - (b) expires, if not previously withdrawn, at the end of the period of 27 months beginning with the relevant day.
- (2) “The relevant day” means the later of—
- (a) the day on which the special measures notice was given, and
 - (b) the day on which it was last confirmed under paragraph 44.
- 44 (1) This paragraph applies to a UK group if—
- (a) the head of the group has been given a special measures notice in relation to the group which has not been withdrawn,
 - (b) the period of 24 months beginning with the relevant day has elapsed, and
 - (c) the period of 27 months beginning with that day has not elapsed.
- (2) If a designated HMRC officer considers that the group falls within this Part, the officer may give the head of the group a notice under this paragraph (a “confirmation notice”) confirming the special measures notice given in relation to the group.
- (3) When considering whether the group falls within this Part, the officer may take into account any relevant behaviour, whether or not it is mentioned in the special measures notice which is to be confirmed, in any previous confirmation notice or in the warning notice.
- (4) “The relevant day” has the same meaning as in paragraph 43(2).
- (5) The confirmation notice must set out the reasons why the officer considers that the group falls within this Part.
- (6) When deciding whether to give a confirmation notice, a designated HMRC officer must consider any representations made by a member of the group before the end of the period of 24 months beginning with the relevant day.
- (7) A confirmation notice—
- (a) may be withdrawn by a designated HMRC officer at any time by giving a further notice to the head of the group, and
 - (b) expires, if not previously withdrawn, at the end of the period of 27 months beginning with the day on which it is given.
- 45 (1) This paragraph applies in relation to a UK group where—
- (a) the head of the group has been given a warning notice or a special measures notice in relation to the group, and
 - (b) that notice has expired.
- (2) A designated HMRC officer may give the head of a UK group a special measures notice if—
- (a) it appears to the officer that—
 - (i) during the period of 6 months beginning with the day on which the notice mentioned in sub-paragraph (1)(a) expired (“the expiry day”),

Status: This is the original version (as it was originally enacted).

- the group has engaged in unco-operative behaviour (see paragraphs 36 to 38), and
- (ii) there is a reasonable likelihood that, if it had engaged in the behaviour before the notice expired, a designated HMRC officer would have considered that the group fell within this Part (so that a special measures notice or confirmation notice could have been given to the head of the group),
 - (b) during the period of 7 months beginning with the expiry day, a designated HMRC officer has notified the head of the group that the power under this paragraph may be exercised in relation to the group, and
 - (c) the period of 9 months beginning with that day has not elapsed.
- (3) When deciding whether to give a special measures notice under this paragraph, the officer must consider any representations made by a member of the group before the end of the period of 8 months beginning with the expiry day.

Circumstances in which warning and special measures notices are treated as having been given

- 46 (1) Sub-paragraphs (2) and (3) apply where—
- (a) a relevant body (“B1”) is given a warning notice, and
 - (b) before the notice ceases to have effect, B1 becomes a member of a group headed by another relevant body (“H1”).
- (2) H1 is to be treated as having been given a warning notice on the day on which the warning notice was given to B1.
- (3) A warning notice treated as given under sub-paragraph (2) is valid whether or not, on the day mentioned in that sub-paragraph, H1 was the head of a qualifying UK group that fell within this Part.
- (4) Sub-paragraphs (5) to (7) apply where—
- (a) a relevant body (“B2”) is given a special measures notice, and
 - (b) before the notice ceases to have effect, B2 becomes a member of a group headed by another relevant body (“H2”).
- (5) H2 is to be treated as having been given a special measures notice on the day on which the special measures notice was given to B2.
- (6) A special measures notice treated as given under sub-paragraph (5) is valid whether or not, on the day mentioned in that sub-paragraph, H2 was the head of a qualifying UK group that fell within this Part.
- (7) Paragraph 47(1) does not by virtue of sub-paragraphs (5) and (6) of this paragraph apply to an inaccuracy in a document given to HMRC by or on behalf of a person—
- (a) at a time when the person was a member of a group headed by H2, but
 - (b) before the day B2 becomes a member of H2.
- (8) Sub-paragraphs (9) and (10) apply where—
- (a) a relevant body (“B3”) is given a confirmation notice, and
 - (b) before the notice ceases to have effect, B3 becomes a member of a group headed by another relevant body (“H3”).

Status: This is the original version (as it was originally enacted).

- (9) H3 is to be treated as having been given a confirmation notice on the day on which the confirmation notice was given to B3.
- (10) A confirmation notice treated as given under sub-paragraph (9) is valid whether or not, on the day mentioned in that sub-paragraph, H3 was the head of a qualifying UK group that fell within this Part.
- (11) The Treasury may by regulations make provision for warning notices, special measures notices and confirmation notices to be treated as having been given to relevant bodies in other circumstances described in the regulations.
- (12) Regulations under this paragraph may, in particular—
 - (a) make provision about the validity of notices treated as given by virtue of the regulations;
 - (b) make provision about the effect of paragraph 47(1) in cases involving such notices.

Sanctions: liability for penalties for errors in documents given to HMRC

- 47 (1) For the purposes of Schedule 24 to FA 2007 (penalties for errors), an inaccuracy in a document given to HMRC by or on behalf of a person is to be treated as being due to failure by the person to take reasonable care if—
- (a) the document was given to HMRC at a time when the person was a member of a group subject to a special measures notice, and
 - (b) the inaccuracy—
 - (i) relates to a tax avoidance scheme (as defined in paragraph 38) entered into by the person at a time when the person was a member of a group subject to a special measures notice, or
 - (ii) is, entirely or partly, attributable to an interpretation of legislation relating to UK taxation which, at the time the document was given to HMRC, was speculative.
- (2) A group is “subject to a special measures notice” if a special measures notice—
- (a) has been given to the head of the group in relation to the group, and
 - (b) is in force.
- (3) An interpretation of legislation relating to UK taxation is “speculative” if it is likely that a court or tribunal would disagree with it.
- (4) Sub-paragraph (1) does not apply to an inaccuracy if—
- (a) it is deliberate on the part of the person or someone acting on the person’s behalf,
 - (b) it is in fact due to a failure by the person or someone acting on the person’s behalf to take reasonable care, or
 - (c) it is treated as due to such a failure by virtue of another enactment.
- 48 In Schedule 24 to FA 2007 (penalties for errors), at the end of paragraph 3 (meaning of “careless” etc) insert—
- “(3) Paragraph 47 of Schedule 19 to FA 2016 (special measures for persistently unco-operative large businesses) provides for certain inaccuracies to be treated, for the purposes of this Schedule, as being due to a failure by P to take reasonable care.”

Sanctions: Commissioners publishing information

- 49 (1) If a group is subject to a confirmed special measures notice, the Commissioners for Her Majesty's Revenue and Customs ("the Commissioners") may publish the following information—
- (a) the name of the group, including any previous name;
 - (b) the address or registered office of the head of the group;
 - (c) any other information that the Commissioners consider it appropriate to publish in order to identify the group;
 - (d) the fact that the group is subject to a confirmed special measures notice.
- (2) A group is "subject to a confirmed special measures notice" if sub-paragraph (3) or (4) is satisfied.
- (3) This sub-paragraph is satisfied if—
- (a) a special measures notice has been given to the head of the group and confirmed under paragraph 44, and
 - (b) the special measures notice is in force.
- (4) This sub-paragraph is satisfied if—
- (a) a special measures notice has been given to the head of the group and confirmed under paragraph 44,
 - (b) that notice has ceased to have effect,
 - (c) a further special measures notice has been given to the head of the group under paragraph 45 in the period of 9 months beginning with the day on which the special measures notice mentioned in paragraph (a) ceased to have effect, and
 - (d) that notice is in force.
- (5) Before publishing the information, the Commissioners must—
- (a) inform the head of the group that they are considering doing so, and
 - (b) allow the head of the group a reasonable opportunity to make representations about whether the information should be published.
- (6) If, after information about a group is published under this paragraph, the group ceases to be subject to a confirmed special measures notice, the Commissioners must publish a notice stating that the group is no longer subject to a confirmed special measures notice.
- (7) A notice under sub-paragraph (6) must be published before the end of the period of 30 days beginning with the day on which the special measures notice is withdrawn or has expired.
- (8) The Commissioners may publish information and notices under this paragraph in any manner they consider appropriate.

Application of Part 3 to large UK sub-groups

- (a) the sub-group has persistently engaged in unco-operative behaviour (see paragraphs 36 to 38),
 - (b) some or all of the unco-operative behaviour has caused there to be, or contributed to there being, two or more significant tax issues in respect of the

Status: This is the original version (as it was originally enacted).

sub-group or members of the sub-group which are unresolved (see paragraph 39), and

- (c) there is a reasonable likelihood of further instances of the sub-group engaging in unco-operative behaviour in a manner which causes there to be, or contributes to there being, significant tax issues in respect of the sub-group or members of the sub-group.

- (3) Paragraphs 41 to 45 apply in relation to the head of a UK sub-group of a foreign group that is a qualifying group at the material time as they apply in relation to the head of a UK group.
- (4) In the application of paragraph 41 in the case of a UK sub-group, sub-paragraph (4) has effect in relation to a UK sub-group as if for paragraphs (b) and (c) there were substituted—
 - “(b) the identity of the sub-group is not to be regarded as altered by any change in its membership resulting from a relevant body—
 - (i) becoming a 51% subsidiary of a member of the sub-group, or
 - (ii) ceasing to be a 51% subsidiary of another member of the sub-group; and
 - (c) if the sub-group becomes a UK sub-group of another foreign group, it is to be treated as if it were still a UK sub-group of the original foreign group.”
- (5) As applied by this paragraph, paragraphs 36 to 45 have effect as if references to a UK group (including in references to the head of a UK group or members of a UK group) were references to a UK sub-group.

 - (c) there is a reasonable likelihood of further instances of the company engaging in unco-operative behaviour in a manner which causes there to be, or contributes to there being, significant tax issues in respect of the company.

SCHEDULE 20

Section 162

PENALTIES FOR ENABLERS OF OFFSHORE TAX EVASION OR NON-COMPLIANCE

PART 1

LIABILITY FOR PENALTY

Liability for penalty

- 1 (1) A penalty is payable by a person (P) who has enabled another person (Q) to carry out offshore tax evasion or non-compliance, where conditions A and B are met.
- (2) For the purposes of this Schedule—
 - (a) Q carries out “offshore tax evasion or non-compliance” by—
 - (i) committing a relevant offence, or
 - (ii) engaging in conduct that makes Q liable (if the applicable conditions are met) to a relevant civil penalty,
 where the tax at stake is income tax, capital gains tax or inheritance tax, and
 - (b) P “has enabled” Q to carry out offshore tax evasion or non-compliance if P has encouraged, assisted or otherwise facilitated conduct by Q that constitutes offshore tax evasion or non-compliance.
- (3) The relevant offences are-
 - (a) an offence of cheating the public revenue involving offshore activity, or
 - (b) an offence under section 106A of TMA 1970 (fraudulent evasion of income tax) involving offshore activity,
 - (c) an offence under section 106B, 106C or 106D of TMA 1970 (offences relating to certain failures to comply with section 7 or 8 by a taxpayer chargeable to income tax or capital gains tax on or by reference to offshore income, assets or liabilities).
- (4) The relevant civil penalties are—
 - (a) a penalty under paragraph 1 of Schedule 24 to FA 2007 (errors in taxpayer’s document) involving an offshore matter or an offshore transfer (within the meaning of that Schedule),
 - (b) a penalty under paragraph 1 of Schedule 41 to FA 2008 (failure to notify etc) in relation to a failure to comply with section 7(1) of TMA 1970 involving offshore activity,
 - (c) a penalty under paragraph 6 of Schedule 55 to FA 2009 (failure to make return for 12 months) involving offshore activity,
 - (d) a penalty under paragraph 1 of Schedule 21 to FA 2015 (penalties in connection with relevant offshore asset moves).
- (5) Condition A is that P knew when P’s actions were carried out that they enabled, or were likely to enable, Q to carry out offshore tax evasion or non-compliance.
- (6) Condition B is that—
 - (a) in the case of offshore tax evasion or non-compliance consisting of the commission of a relevant offence, Q has been convicted of the offence and the conviction is final, or

- (b) in the case of offshore tax evasion or non-compliance consisting of conduct that makes Q liable to a relevant penalty—
 - (i) Q has been found to be liable to such a penalty, assessed and notified, and the penalty is final, or
 - (ii) a contract has been made between the Commissioners for Her Majesty’s Revenue and Customs and Q under which the Commissioners undertake not to assess the penalty or (if it has been assessed) not to take proceedings to recover it.
- (7) For the purposes of sub-paragraph (6)(a)—
 - (a) “convicted of the offence” means convicted of the full offence (and not for example of an attempt), and
 - (b) a conviction becomes final when the time allowed for bringing an appeal against it expires or, if later, when any appeal against conviction has been determined.
- (8) For the purposes of sub-paragraph (6)(b)(i) a penalty becomes final when the time allowed for any appeal or further appeal relating to it expires or, if later, any appeal or final appeal relating to it is determined.
- (9) It is immaterial for the purposes of condition B that—
 - (a) any offence of which Q was convicted, or
 - (b) any penalty for which Q was found to be liable,
 relates also to other tax evasion or non-compliance by Q.
- (10) In this Schedule “other tax evasion or non-compliance by Q” means conduct by Q that—
 - (a) constitutes an offence of cheating the public revenue or an offence of fraudulent evasion of tax, or
 - (b) makes Q liable to a penalty under any provision of the Taxes Acts,
 but does not constitute offshore tax evasion or non-compliance.
- (11) Nothing in condition B affects the law of evidence as to the relevance if any of a conviction, assessment of a penalty or contract mentioned in sub-paragraph (6) for the purpose of proving that condition A is met in relation to P.
- (12) In this Schedule “conduct” includes a failure to act.

Meaning of “involving offshore activity” and related expressions

- 2 (1) This paragraph has effect for the purposes of this Schedule.
- (2) Conduct involves offshore activity if it involves—
- (a) an offshore matter,
 - (b) an offshore transfer, or
 - (c) a relevant offshore asset move.
- (3) Conduct involves an offshore matter if it results in a potential loss of revenue that is charged on or by reference to—
- (a) income arising from a source in a territory outside the United Kingdom,
 - (b) assets situated or held in a territory outside the United Kingdom,

Status: This is the original version (as it was originally enacted).

- (c) activities carried on wholly or mainly in a territory outside the United Kingdom, or
 - (d) anything having effect as if it were income, assets or activities of the kind described above.
- (4) Where the tax at stake is inheritance tax, assets are treated for the purposes of sub-paragraph (3) as situated or held in a territory outside the United Kingdom if they are so held or situated immediately after the transfer of value by reason of which inheritance tax becomes chargeable.
- (5) Conduct involves an offshore transfer if—
 - (a) it does not involve an offshore matter,
 - (b) it is deliberate (whether or not concealed) and results in a potential loss of revenue,
 - (c) the condition set out in paragraph 4AA of Schedule 24 to FA 2007 is satisfied.
- (6) Conduct involves a relevant offshore asset move if at a time when Q is the beneficial owner of an asset (“the qualifying time”)—
 - (a) the asset ceases to be situated or held in a specified territory and becomes situated or held in a non-specified territory,
 - (b) the person who holds the asset ceases to be resident in a specified territory and becomes resident in a non-specified territory, or
 - (c) there is a change in the arrangements for the ownership of the asset,
 and Q remains the beneficial owner of the asset, or any part of it, immediately after the qualifying time.
- (7) Paragraphs 4(2) to (4) of Schedule 21 to FA 2015 apply for the purposes of sub-paragraph (6) above as they apply for purposes of paragraph 4 of that Schedule.
- (8) In sub-paragraph (6) above, “specified territory” has the same meaning as in paragraph 4(5) of Schedule 21 to FA 2015.

Amount of penalty

- 3 (1) The penalty payable under paragraph 1 is (except in a case mentioned in sub-paragraph (2)) the higher of—
 - (a) 100% of the potential lost revenue, or
 - (b) £3,000.
- (2) In a case where P has enabled Q to engage in conduct which makes Q liable to a penalty under paragraph 1 of Schedule 21 to FA 2015, the penalty payable under paragraph 1 is the higher of—
 - (a) 50% of the potential lost revenue in respect of the original tax non-compliance, and
 - (b) £3,000.
- (3) In sub-paragraph (2)(a) “the original tax non-compliance” means the conduct that incurred the original penalty and “the potential lost revenue” (in respect of that non-compliance) is—
 - (a) the potential lost revenue under Schedule 24 to FA 2007,
 - (b) the potential lost revenue under Schedule 41 to FA 2008, or

- (c) the liability to tax which would have been shown on the return (within the meaning of Schedule 55 to FA 2009),
according to whether the original penalty was incurred under paragraph 1 of Schedule 24, paragraph 1 of Schedule 41 or paragraph 6 of Schedule 55.

Potential lost revenue: enabling Q to commit relevant offence

- 4 (1) The potential lost revenue in a case where P is liable to a penalty under paragraph 1 for enabling Q to commit a relevant offence is the same amount as the potential lost revenue applicable for the purposes of the corresponding relevant civil penalty (determined in accordance with the relevant sub-paragraph of paragraph 5).
- (2) Where Q's offending conduct is—
- (a) an offence of cheating the public revenue involving offshore activity, or
 - (b) an offence under section 106A of TMA 1970 involving offshore activity,
- the corresponding relevant civil penalty is the penalty which Q is liable for as a result of that offending conduct.
- (3) Where Q's offending conduct is an offence under section 106B, 106C or 106D of TMA 1970, the corresponding relevant civil penalty is—
- (a) for an offence under section 106B of TMA 1970, a penalty under paragraph 1 of Schedule 41 to FA 2008,
 - (b) for an offence under section 106C of TMA 1970, a penalty under paragraph 6 of Schedule 55 to FA 2009, and
 - (c) for an offence under section 106D of TMA 1970, a penalty under paragraph 1 of Schedule 24 to FA 2007.
- (4) In determining any amount of potential lost revenue for the purposes of this paragraph, the fact Q has been prosecuted for the offending conduct is to be disregarded.

Potential lost revenue: enabling Q to engage in conduct incurring relevant civil penalty

- 5 (1) The potential lost revenue in a case where P is liable to a penalty under paragraph 1 for enabling Q to engage in conduct that makes Q liable (if the applicable conditions are met) to a relevant civil penalty is to be determined as follows.
- (2) In the case of a penalty under paragraph 1 of Schedule 24 to FA 2007 involving an offshore matter or an offshore transfer, the potential lost revenue is the amount that under that Schedule is the potential lost revenue in respect of Q's conduct.
- (3) In the case of a penalty under paragraph 1 of Schedule 41 to FA 2008 in relation to a failure to comply with section 7(1) of TMA 1970 involving offshore activity, the potential lost revenue is the amount that under that Schedule is the potential lost revenue in respect of Q's conduct.
- (4) In the case of a penalty under paragraph 6 of Schedule 55 to FA 2009 involving offshore activity, the potential lost revenue is the liability to tax which would have been shown in the return in question (within the meaning of that Schedule).

Treatment of potential lost revenue attributable to both offshore tax evasion or non-compliance and other tax evasion or non-compliance

- 6 (1) This paragraph applies where any amount of potential lost revenue in a case falling within paragraph 4 or 5 is attributable not only to Q's offshore tax evasion or non-compliance but also to any other tax evasion or non-compliance by Q.
- (2) In that case the potential lost revenue in respect of Q's offshore tax evasion or non-compliance is to be taken for the purposes of assessing the penalty to which P is liable as being or (as the case may be) including such share as is just and reasonable of the amount mentioned in sub-paragraph (1).

Reduction of penalty for disclosure etc by P

- 7 (1) If P (who would otherwise be liable to a penalty under paragraph 1)—
- (a) makes a disclosure to HMRC of—
 - (i) a matter relating to an inaccuracy in a document, a supply of false information or a failure to disclose an under-assessment,
 - (ii) P's enabling of actions by Q that constituted (or might constitute) a relevant offence or that made (or might make) Q liable to a relevant penalty, or
 - (iii) any other matter HMRC regard as assisting them in relation to the assessment of P's liability to a penalty under paragraph 1, or
 - (b) assists HMRC in any investigation leading to Q being charged with a relevant offence or found liable to a relevant penalty,
- HMRC must reduce the penalty to one that reflects the quality of the disclosure or assistance.
- (2) But the penalty may not be reduced—
- (a) in the case of unprompted disclosure or assistance, below whichever is the higher of—
 - (i) 10% of the potential lost revenue, or
 - (ii) £1,000, or
 - (b) in the case of prompted disclosure or assistance, below whichever is the higher of—
 - (i) 30% of the potential lost revenue, or
 - (ii) £3,000.

- 8 (1) This paragraph applies for the purposes of paragraph 7.
- (2) P discloses a matter by—
- (a) telling HMRC about it,
 - (b) giving HMRC reasonable help in relation to the matter (for example by quantifying an inaccuracy in a document, an inaccuracy attributable to the supply of false information or withholding of information or an under-assessment), and
 - (c) allowing HMRC access to records for any reasonable purpose connected with resolving the matter (for example for the purpose of ensuring that an inaccuracy in a document, an inaccuracy attributable to the supply of false information or withholding of information or an under-assessment is fully corrected).

- (3) P assists HMRC in relation to an investigation leading to Q being charged with a relevant offence or found liable to a relevant penalty by—
 - (a) assisting or encouraging Q to disclose all relevant facts to HMRC,
 - (b) allowing HMRC access to records, or
 - (c) any other conduct which HMRC considers assisted them in investigating or assessing Q's liability to such a penalty.
 - (4) Disclosure or assistance by P—
 - (a) is “unprompted” if made at a time when P has no reason to believe that HMRC have discovered or are about to discover Q's offshore tax evasion or non-compliance (including any inaccuracy in a document, supply of false information or withholding of information, or under-assessment), and
 - (b) otherwise is “prompted”.
 - (5) In relation to disclosure or assistance, “quality” includes timing, nature and extent.
- 9 (1) If they think it right because of special circumstances, HMRC may reduce a penalty under paragraph 1.
- (2) In sub-paragraph 1 “special circumstances” does not include—
 - (a) ability to pay, or
 - (b) the fact that a potential loss of revenue from one taxpayer is balanced by a potential overpayment by another.
 - (3) In sub-paragraph (1) the reference to reducing a penalty includes a reference to—
 - (a) staying a penalty, or
 - (b) agreeing a compromise in relation to proceedings for a penalty.

Procedure for assessing penalty, etc

- 10 (1) Where a person is found liable for a penalty under paragraph 1 HMRC must—
- (a) assess the penalty,
 - (b) notify the person, and
 - (c) state in the notice the period in respect of which the penalty is assessed.
- (2) A penalty must be paid before the end of the period of 30 days beginning with the day on which notification of the penalty is issued.
- (3) An assessment of a penalty—
- (a) is to be treated for procedural purposes in the same way as an assessment to tax (except in respect of a matter expressly provided for by this Schedule), and
 - (b) may be enforced as if it were an assessment to tax.
- (4) A supplementary assessment may be made in respect of a penalty if an earlier assessment operated by reference to an underestimate of the liability to tax that would have been shown in a return.
- (5) Sub-paragraph (6) applies if—
- (a) an assessment in respect of a penalty is based on a liability to tax that would have been shown on a return, and
 - (b) that liability is found by HMRC to have been excessive.

Status: This is the original version (as it was originally enacted).

- (6) HMRC may amend the assessment so that it is based upon the correct amount.
- (7) But an amendment under sub-paragraph (6)—
 - (a) does not affect when the penalty must be paid, and
 - (b) may be made after the last day on which the assessment in question could have been made under paragraph 11.
- 11 An assessment of a person as liable to a penalty under paragraph 1 may not take place more than 2 years after the fulfilment of the conditions mentioned in paragraph 1(1) (in relation to that person) first came to the attention of an officer of Revenue and Customs.

Appeals

- 12 A person may appeal against—
 - (a) a decision of HMRC that a penalty under paragraph 1 is payable by that person, or
 - (b) a decision of HMRC as to the amount of a penalty under paragraph 1 payable by the person.
- 13 (1) An appeal under paragraph 12 is to be treated in the same way as an appeal against an assessment to the tax at stake (including by the application of any provision about bringing the appeal by notice to HMRC, about HMRC review of the decision or about determination of the appeal by the First-tier Tribunal or Upper Tribunal).
- (2) Sub-paragraph (1) does not apply—
 - (a) so as to require the person bringing the appeal to pay a penalty before an appeal against the assessment of the penalty is determined,
 - (b) in respect of any other matter expressly provided for by this Schedule.
- 14 (1) On an appeal under paragraph 12(a) that is notified to the tribunal, the tribunal may affirm or cancel HMRC's decision.
- (2) On an appeal under paragraph 12(b) that is notified to the tribunal, the tribunal may—
 - (a) affirm HMRC's decision, or
 - (b) substitute for that decision another decision that HMRC had power to make.
- (3) If the tribunal substitutes its own decision for HMRC's, the tribunal may rely on paragraph 7 or 9 (or both)—
 - (a) to the same extent as HMRC (which may mean applying the same percentage reduction as HMRC to a different starting point),
 - (b) to a different extent, but only if the tribunal thinks that HMRC's decision in respect of the application of that paragraph was flawed.
- (4) In sub-paragraph (3)(b) "flawed" means flawed when considered in the light of the principles applicable in proceedings for judicial review.
- (5) In this paragraph "tribunal" means the First-tier Tribunal or Upper Tribunal (as appropriate by virtue of paragraph 13(1)).

Double jeopardy

- 15 A person is not liable to a penalty under paragraph 1 in respect of conduct for which the person—

- (a) has been convicted of an offence, or
- (b) has been assessed to a penalty under any provision other than paragraph 1.

Application of provisions of TMA 1970

- 16 Subject to the provisions of this Part of this Schedule, the following provisions of TMA 1970 apply for the purposes of this Part of this Schedule as they apply for the purposes of the Taxes Acts—

- (2) In this Part of this Schedule "relevant person" means a person an officer of Revenue and Customs has reason to suspect has or may have enabled offshore tax evasion or non-compliance by another person so as to be liable to a penalty under paragraph 1.

General modifications

- (a) any provisions which can have no application for that purpose, or are specifically excluded by paragraph 20, were omitted,

SCHEDULE 22

Section 165

ASSET-BASED PENALTY FOR OFFSHORE INACCURACIES AND FAILURES

PART 1

LIABILITY FOR PENALTY

Circumstances in which asset-based penalty is payable

- 1 (1) An asset-based penalty is payable by a person (P) where—
 - (a) one or more standard offshore tax penalties have been imposed on P in relation to a tax year (see paragraphs 2 and 3), and
 - (b) the potential lost revenue threshold is met in relation to that tax year (see paragraph 4).
- (2) But this is subject to paragraph 6 (restriction on imposition of multiple asset-based penalties in relation to the same asset).

Meaning of standard offshore tax penalty

- 2 (1) A standard offshore tax penalty is a penalty that falls within sub-paragraph (2), (3) or (4).
- (2) A penalty falls within this sub-paragraph if—
 - (a) it is imposed under paragraph 1 of Schedule 24 to FA 2007 (inaccuracy in taxpayer's document),
 - (b) the inaccuracy for which the penalty is imposed involves an offshore matter or an offshore transfer,
 - (c) it is imposed for deliberate action (whether concealed or not), and
 - (d) the tax at stake is (or includes) capital gains tax, inheritance tax or asset-based income tax.
- (3) A penalty falls within this sub-paragraph if—
 - (a) it is imposed under paragraph 1 of Schedule 41 to FA 2008 (penalty for failure to notify),
 - (b) the failure for which the penalty is imposed involves an offshore matter or an offshore transfer,
 - (c) it is imposed for a deliberate failure (whether concealed or not), and
 - (d) the tax at stake is (or includes) capital gains tax or asset-based income tax.
- (4) A penalty falls within this sub-paragraph if—
 - (a) it is imposed under paragraph 6 of Schedule 55 to FA 2009 (penalty for failure to make return more than 12 months after filing date),
 - (b) it is imposed for the withholding of information involving an offshore matter or an offshore transfer,
 - (c) it is imposed for a deliberate withholding of information (whether concealed or not), and
 - (d) the tax at stake is (or includes) capital gains tax, inheritance tax or asset-based income tax.

- (5) In a case where the inaccuracy, failure or withholding of information for which a penalty is imposed involves both an offshore matter or an offshore transfer and a domestic matter, the standard offshore tax penalty is only that part of the penalty that involves the offshore matter or offshore transfer.
- (6) In a case where the tax at stake in relation to a penalty includes a tax other than capital gains tax, inheritance tax or asset-based income tax, the standard offshore tax penalty is only that part of the penalty which relates to capital gains tax, inheritance tax or asset-based income tax.
- (7) “Asset-based income tax” means income tax that is charged under any of the provisions mentioned in column 1 of the table in paragraph 13(2).

Tax year to which standard offshore tax penalty relates

- 3 (1) Where a standard offshore tax penalty is imposed under paragraph 1 of Schedule 24 to FA 2007, the tax year to which that penalty relates is—
 - (a) if the tax at stake as a result of the inaccuracy is income tax or capital gains tax, the tax year to which the document containing the inaccuracy relates;
 - (b) if the tax at stake as a result of the inaccuracy is inheritance tax, the year, beginning on 6 April and ending on the following 5 April, in which the liability to tax first arose.
- (2) Where a standard offshore tax penalty is imposed under paragraph 1 of Schedule 41 to FA 2008 for a failure to comply with an obligation specified in the table in that paragraph, the tax year to which that penalty relates is the tax year to which the obligation relates.
- (3) Where a standard offshore tax penalty is imposed under paragraph 6 of Schedule 55 to FA 2009 for a failure to make a return or deliver a document specified in the table of paragraph 1 of that Schedule, the tax year to which that penalty relates is—
 - (a) if the tax at stake is income tax or capital gains tax, the tax year to which the return or document relates;
 - (b) if the tax at stake is inheritance tax, the year, beginning on 6 April and ending on the following 5 April, in which the liability to tax first arose.

Potential lost revenue threshold

- 4 (1) The potential lost revenue threshold is reached where the offshore PLR in relation to a tax year exceeds £25,000.
- (2) The Treasury may by regulations change the figure for the time being specified in sub-paragraph (1).
- (3) Regulations under sub-paragraph (2) are to be made by statutory instrument.
- (4) A statutory instrument containing regulations under sub-paragraph (2) is subject to annulment in pursuance of a resolution of the House of Commons.
- (5) Regulations under sub-paragraph (2)—
 - (a) may make different provision for different purposes;
 - (b) may contain supplemental, incidental, consequential, transitional and transitory provision.

Status: This is the original version (as it was originally enacted).

Offshore PLR

- 5 (1) The offshore PLR, in relation to a tax year, is the total of—
- (a) the potential lost revenue (in the case of a standard offshore tax penalty imposed under Schedule 24 to FA 2007 or Schedule 41 to FA 2008), and
 - (b) the liability to tax (in the case of a standard offshore tax penalty imposed under Schedule 55 to FA 2009),
- by reference to which all of the standard offshore tax penalties imposed on P in relation to the tax year are assessed.

- (2) Sub-paragraphs (3) to (5) apply where—
- (a) a penalty is imposed on P under paragraph 1 of Schedule 24 to FA 2007, paragraph 1 of Schedule 41 to FA 2008 or paragraph 6 of Schedule 55 to FA 2009, and
 - (b) the potential lost revenue or liability to tax by reference to which the penalty is assessed relates to a standard offshore tax penalty and one or more other penalties.

In this paragraph, such a penalty is referred to as a “combined penalty”.

- (3) Only the potential lost revenue or liability to tax relating to the standard offshore tax penalty is to be taken into account in calculating the offshore PLR.
- (4) Where the calculation of the potential lost revenue or liability to tax by reference to which a combined penalty is assessed depends on the order in which income or gains are treated as having been taxed, for the purposes of calculating the offshore PLR—
- (a) income and gains relating to domestic matters are to be taken to have been taxed before income and gains relating to offshore matters and offshore transfers;
 - (b) income and gains relating to taxes that are not capital gains tax, inheritance tax or asset-based income tax are to be taken to have been taxed before income and gains relating to capital gains tax, inheritance tax and asset-based income tax.
- (5) In a case where it cannot be determined—
- (a) whether income or gains relate to an offshore matter or offshore transfer or to a domestic matter, or
 - (b) whether income or gains relate to capital gains tax, asset-based income tax or inheritance tax or not,
- for the purposes of calculating the offshore PLR, the potential lost revenue or liability to tax relating to the standard offshore tax penalty is to be taken to be such share of the total potential lost revenue or liability to tax by reference to which the combined penalty was calculated as is just and reasonable.
- (6) Sub-paragraph (7) applies where—
- (a) a standard offshore tax penalty or a combined penalty is imposed on P, and
 - (b) there are two or more taxes at stake, including capital gains tax and asset-based income tax.
- (7) Where the calculation of the potential lost revenue or liability to tax by reference to which the penalty is assessed depends on the order in which income or gains are treated as having been taxed, for the purposes of calculating the offshore PLR,

income and gains relating to asset-based income tax are to be taken to have been taxed before income and gains relating to capital gains tax.

Restriction on imposition of multiple asset-based penalties in relation to the same asset

- 6 (1) Sub-paragraphs (2) and (3) apply where—
- (a) a standard offshore tax penalty has been imposed on P, and
 - (b) the potential lost revenue threshold is met,
- in relation to more than one tax year falling within the same investigation period.
- (2) Only one asset-based penalty is payable by P in the investigation period in relation to any given asset.
- (3) The asset-based penalty is to be charged by reference to the tax year in the investigation period with the highest offshore PLR.
- (4) An “investigation period” is—
- (a) the period starting with the day on which this Schedule comes into force and ending with the last day of the last tax year before P was notified of an asset-based penalty in respect of an asset, and
 - (b) subsequent periods beginning with the day after the previous period ended and ending with the last day of the last tax year before P is notified of a subsequent asset-based penalty in respect of the asset,
- and different investigation periods may apply in relation to different assets.

PART 2

AMOUNT OF PENALTY

Standard amount of asset-based penalty

- 7 (1) The standard amount of the asset-based penalty is the lower of—
- (a) 10% of the value of the asset, and
 - (b) offshore PLR x 10.
- (2) See also—
- (a) paragraphs 8 and 9, which provide for reductions in the standard amount, and
 - (b) Part 3, which makes provision about the identification and valuation of the asset.

Reductions for disclosure and co-operation

- 8 (1) HMRC must reduce the standard amount of the asset-based penalty where P does all of the following things—
- (a) makes a disclosure of the inaccuracy or failure relating to the standard offshore tax penalty;
 - (b) provides HMRC with a reasonable valuation of the asset;
 - (c) provides HMRC with information or access to records that HMRC requires from P for the purposes of valuing the asset.

Status: This is the original version (as it was originally enacted).

- (2) A reduction under sub-paragraph (1) must reflect the quality of the disclosure, valuation and information provided (and for these purposes “quality” includes timing, nature and extent).
- (3) The Treasury must make regulations setting out the maximum amount of the penalty reduction under sub-paragraph (1).
- (4) The maximum amount may differ according to whether the case involves only unprompted disclosures or involves prompted disclosures.
- (5) A case involves only unprompted disclosures where—
 - (a) in a case where the asset-based penalty relates to only one standard offshore tax penalty, that standard offshore tax penalty was reduced on the basis of an unprompted disclosure, or
 - (b) in a case where the asset-based penalty relates to more than one standard offshore tax penalty, all of those standard offshore tax penalties were reduced on the basis of unprompted disclosures.
- (6) A case involves prompted disclosures where any of the standard offshore tax penalties to which the asset-based penalty relates was reduced on the basis of a prompted disclosure.
- (7) Regulations under sub-paragraph (3) are to be made by statutory instrument.
- (8) A statutory instrument containing regulations under sub-paragraph (3) is subject to annulment in pursuance of a resolution of the House of Commons.
- (9) Regulations under sub-paragraph (3)—
 - (a) may make different provision for different purposes;
 - (b) may contain supplemental, incidental, consequential, transitional and transitory provision.

Special reduction

- 9 (1) If HMRC think it right because of special circumstances, they may reduce the standard amount of the asset-based penalty.
- (2) In sub-paragraph (1) “special circumstances” does not include—
 - (a) ability to pay, or
 - (b) the fact that a potential loss of revenue from one taxpayer is balanced by a potential over-payment by another.
- (3) In sub-paragraph (1) the reference to reducing a penalty includes a reference to—
 - (a) staying a penalty, and
 - (b) agreeing a compromise in relation to proceedings for a penalty.

PART 3

IDENTIFICATION AND VALUATION OF ASSETS

Introduction

- 10 (1) This Part makes provision about the identification and valuation of the asset for the purposes of calculating the amount of the asset-based penalty.
- (2) An asset-based penalty may relate to more than one asset.
- (3) The identification and valuation of the asset is to be determined—
- (a) under paragraph 11 where the principal tax at stake is capital gains tax,
 - (b) under paragraph 12 where the principal tax at stake is inheritance tax, and
 - (c) under paragraph 13 where the principal tax at stake is asset-based income tax.

See also paragraph 14 (jointly held assets).

- (4) The principal tax at stake—
- (a) in a case where the standard offshore tax penalty (or penalties) relates to only one type of tax, is the tax to which that standard offshore tax penalty (or penalties) relates;
 - (b) in a case where the standard offshore tax penalty (or penalties) relate to more than one type of tax, is the tax which gives rise to the highest offshore PLR value.
- (5) The offshore PLR value, in relation to a type of tax, is the potential lost revenue or liability to tax by reference to which the part of the penalty relating to that type of tax was assessed.
- (6) The rules in paragraph 5(2) to (7) apply for the purposes of calculating the offshore PLR value, in relation to a type of tax, as they apply for the purposes of calculating the offshore PLR.

Capital gains tax

- 11 (1) This paragraph applies where the principal tax at stake is capital gains tax.
- (2) The asset is the asset that is the subject of the disposal (or deemed disposal) on or by reference to which the capital gains tax to which the standard offshore penalty relates is charged.
- (3) For the purposes of calculating the amount of the asset-based penalty, the value of the asset is to be taken to be the consideration for the disposal of the asset that would be used in the computation of the gain under TCGA 1992 (other than in a case where sub-paragraph (4) applies).
- (4) In a case where the disposal on or by reference to which the capital gains tax is charged is a part disposal of an asset, the asset-based penalty is to be calculated by reference to the full market value of the asset immediately before the part disposal took place.
- (5) Terms used in this paragraph have the same meaning as in TCGA 1992.

Status: This is the original version (as it was originally enacted).

Inheritance tax

- 12 (1) This paragraph applies where the principal tax at stake is inheritance tax.
- (2) The asset is the property the disposition of which gave rise to the transfer of value by reason of which the inheritance tax to which the standard offshore penalty relates became chargeable.
- (3) For the purposes of calculating the amount of the asset-based penalty, the value of the property is to be the value of the property used by HMRC in assessing the liability to inheritance tax.
- (4) Terms used in this paragraph have the same meaning as in IHTA 1984.

Asset-based income tax

- 13 (1) This paragraph applies where the principal tax at stake is asset-based income tax.
- (2) Where the standard offshore tax penalty relates to income tax charged under a provision shown in column 1 of the Table, the asset is the asset mentioned in column 2 of the Table.

<i>Provision under which income tax is charged</i>	<i>Asset</i>

Status: This is the original version (as it was originally enacted).

Chapter 4 of Part 5 of ITTOIA 2005 (certain telecommunication rights: non-trading income)	The relevant telecommunication right from which the income derives (see section 614 of ITTOIA 2005)
Chapter 5 of Part 5 of ITTOIA 2005 (settlements: amounts treated as income of settlor)	The settlement which gives rise to the income or capital sums treated as income of a settlor

- (3) For the purposes of calculating the amount of the asset-based penalty, the asset is to be valued as follows.
- (4) In a case where the charge to income tax was triggered by a disposal of the asset, the value of the asset is to be taken as its market value on the date of disposal (and in the case of a part disposal, the value of the asset is to be taken as its full market value immediately before the part disposal took place).
- (5) In any other case—
 - (a) where P still owns the asset on the last day of the tax year to which the standard offshore tax penalty relates, the value of the asset is to be taken as its market value on that day;
 - (b) where P disposed of the asset during the course of the tax year to which the standard offshore tax penalty relates, the value of the asset is to be taken as its market value on the date of disposal;
 - (c) where P disposed of part of the asset during the course of the tax year to which the standard offshore tax penalty relates, the value of the asset is to be taken as the market value of the part disposed on the date (or dates) of disposal plus the market value of the part still owned by the person on the last day of that tax year.
- (6) But if the value of the asset, as determined in accordance with sub-paragraphs (4) and (5), does not appear to HMRC to be a fair and reasonable value, then HMRC may value the asset for the purposes of this Schedule in any other way which appears to them to be fair and reasonable.
- (7) For the purposes of sub-paragraph (5)—
 - (a) P owns an asset if P is liable to asset-based income tax in relation to that asset;
 - (b) references to a disposal (and related expressions) have the same meaning as in TCGA 1992.
- (8) In this paragraph “market value” has the same meaning as in TCGA 1992 (see section 272 of that Act).
- (9) Other terms used in this paragraph have the same meaning as in ITTOIA 2005.

Jointly held assets

- 14 (1) This paragraph applies where an asset-based penalty is chargeable in relation to an asset that is jointly held by P and another person (A).
- (2) The value of the asset is to be taken to be the value of P’s share of the asset.

Status: This is the original version (as it was originally enacted).

- (3) In a case where P and A—
- (a) are married to, or are civil partners of, each other, and
 - (b) live together,
- the asset is to be taken to be jointly owned by P and A in equal shares, unless it appears to HMRC that this is not the case.

PART 4

PROCEDURE

Assessment

- 15 (1) Where a person (P) becomes liable for an asset-based penalty under paragraph 1, HMRC must—
- (a) assess the penalty,
 - (b) notify P, and
 - (c) state in the notice—
 - (i) the tax year to which the penalty relates, and
 - (ii) the investigation period within which that tax year falls (see paragraph 6).
- (2) A penalty under paragraph 1 must be paid before the end of the period of 30 days beginning with the day on which notification of the penalty is issued.
- (3) An assessment—
- (a) is to be treated for procedural purposes in the same way as an assessment to tax (except in respect of a matter expressly provided for by this Schedule),
 - (b) may be enforced as if it were an assessment to tax, and
 - (c) may be combined with an assessment to tax.
- (4) An assessment of an asset-based penalty under paragraph 1 must be made within the period allowed for making an assessment of the standard offshore tax penalty to which the asset-based penalty relates (and where an asset-based penalty relates to more than one standard offshore tax penalty, the assessment must be made within the latest of those periods).
- (5) In this Part of this Schedule references to an assessment to tax, in relation to inheritance tax, are to a determination.

Appeal

- 16 (1) P may appeal against a decision of HMRC that a penalty is payable by P.
- (2) P may appeal against a decision of HMRC as to the amount of a penalty payable by P.
- 17 (1) An appeal is to be treated in the same way as an appeal against an assessment to the tax concerned (including by the application of any provision about bringing the appeal by notice to HMRC, about HMRC review of the decision or about determination of the appeal by the First-tier Tribunal or the Upper Tribunal).
- (2) Sub-paragraph (1) does not apply—

- (a) so as to require P to pay a penalty before an appeal against the assessment of the penalty is determined, or
 - (b) in respect of any other matter expressly provided for by this Schedule.
- 18 (1) On an appeal under paragraph 16(1), the tribunal may affirm or cancel HMRC's decision.
- (2) On an appeal under paragraph 16(2), the tribunal may—
 - (a) affirm HMRC's decision, or
 - (b) substitute for HMRC's decision another decision that HMRC had power to make.
- (3) If the tribunal substitutes its decision for HMRC's, the tribunal may rely on paragraph 9—
 - (a) to the same extent as HMRC (which may mean applying the same percentage reduction as HMRC to a different starting point), or
 - (b) to a different extent, but only if the tribunal thinks that HMRC's decision in respect of the application of paragraph 9 was flawed.
- (4) In sub-paragraph (3), “flawed” means flawed when considered in the light of the principles applied in proceedings for judicial review.
- (5) In this paragraph “tribunal” means the First-tier Tribunal or the Upper Tribunal (as appropriate by virtue of paragraph 17(1)).

PART 5

Consequential amendments etc

- 20 (1) In section 103ZA to TMA 1970 (disapplication of sections 100 to 103 in case of certain penalties), omit the “or” at the end of paragraph (h), and at the end insert “, or (j) Schedule 22 to the Finance Act 2016 (asset-based penalty)”.

- 21 Section 97A of TMA 1970 (two or more tax-geared penalties in respect of same tax) does not apply in relation to an asset-based penalty imposed under this Schedule.

SCHEDULE 23

Section 167

SIMPLE ASSESSMENTS

- 1 TMA 1970 is amended in accordance with paragraphs 2 to 8 of this Schedule.
- 2 In section 7 (notice of liability to income tax and capital gains tax), after subsection (2) insert—
- “(2A) A person who—
- (a) falls within subsection (1A) or (1B), and
 - (b) is notified of a simple assessment for the year of assessment,
- is not required to give notice under subsection (1) for that year unless the person is chargeable to income tax or capital gains tax for the year of assessment on any income or gain that is not included in the assessment.”
- 3 After section 28G (determination of amount notionally chargeable where no NRCGT return delivered) insert—

“28H Simple assessments by HMRC: personal assessments

- (1) HMRC may make a simple assessment for a year of assessment in respect of a person (other than a person to whom section 28I applies) if, when the assessment is made, the person is not excluded by subsection (2) in relation to that year.
- (2) Subsection (1) does not apply to a person at any time in relation to that year of assessment if—
- (a) the person has delivered a return under section 8 for that year, or
 - (b) the person is at that time subject to a requirement to make and deliver such a return by virtue of a notice under section 8.

but nothing in this subsection prevents HMRC from giving the person notice of a simple assessment at the same time as a notice withdrawing a notice under section 8.

- (3) A simple assessment is—
- (a) an assessment of the amounts in which the person is chargeable to income tax and capital gains tax for the year of assessment to which it relates, and
 - (b) an assessment of the amount payable by the person by way of income tax for that year, that is to say, the difference between the amount in which the person is assessed to income tax under paragraph (a) and the aggregate amount of any income tax deducted at source;

but nothing in this subsection enables an assessment to show as repayable any income tax which any provision of the Income Tax Acts provides is not repayable.

- (4) The amounts in which a person is chargeable to income tax and capital gains are net amounts, taking into account any relief or allowance that is applicable.
- (5) A simple assessment must be based on information relating to the person that is held by HMRC (whether or not supplied by the person to whom the assessment relates).
- (6) The notice of a simple assessment required to be sent to the person by section 30A(3) must (among other things)—
- (a) include particulars of the income and gains, and any relief or allowance, taken into account in the assessment, and
 - (b) state any amount payable by the person by virtue of section 59BA (with particulars of how it may be paid and the date by which it is payable).
- (7) The tax to be assessed on a person by a simple assessment does not include any tax which—
- (a) is chargeable on the scheme administrator of a registered pension scheme under Part 4 of Finance Act 2004,
 - (b) is chargeable on the sub-scheme administrator of a sub-scheme under Part 4 of the Finance Act 2004 as modified by the Registered Pension Schemes (Splitting of Schemes) Regulations 2006, or

Status: This is the original version (as it was originally enacted).

- (c) is chargeable on the person who is (or persons who are) the responsible person in relation to an employer-financed retirement benefits scheme under section 394(2) of ITEPA 2003.
- (8) Nothing in this section prevents HMRC issuing more than one simple assessment to the same person in respect of the same year of assessment (whether or not any earlier simple assessment for that year is withdrawn).
- (9) In this section references to a simple assessment are to an assessment under this section.

28I Simple assessments by HMRC: trustees

- (1) HMRC may make a simple assessment for a year of assessment in respect of a settlement if, when the assessment is made, the relevant trustees of the settlement are not excluded by subsection (2) in relation to that year.
- (2) Subsection (1) does not apply at any time in relation to that year of assessment if—
 - (a) a return under section 8A has been delivered for that year by the relevant trustees or any of them, or
 - (b) there is at that time a subsisting requirement to make and deliver such a return by virtue of a notice under section 8A;but nothing in this subsection prevents HMRC from giving notice of a simple assessment at the same time as a notice withdrawing a notice under section 8A.
- (3) A simple assessment is—
 - (a) an assessment of the amounts in which the relevant trustees are chargeable to income tax and capital gains tax for the year of assessment to which it relates, and
 - (b) an assessment of the amount payable by them by way of income tax for that year, that is to say, the difference between the amount in which they are assessed to income tax under paragraph (a) and the aggregate amount of any income tax deducted at source;but nothing in this subsection enables an assessment to show as repayable any income tax which any provision of the Income Tax Acts provides is not repayable.
- (4) The amounts in which the relevant trustees are chargeable to income tax and capital gains are net amounts, taking into account any relief or allowance that is applicable.
- (5) A simple assessment must be based only on information relating to the settlement that is held by HMRC (whether or not supplied by the relevant trustees).
- (6) The notice of a simple assessment required by section 30A(3) may be given to any one or more of the relevant trustees.
- (7) That notice must (among other things)—
