PROSPECTIVE

18 Power to take temporary possession of land

- (1) Subsection (2) applies where a person (an “acquiring authority”)—
- (a) has a power conferred by an Act to acquire land compulsorily (with or without authorisation from another person), or
 - (b) is or has been, at any time, otherwise authorised to acquire land compulsorily.
- (2) The acquiring authority may, for purposes connected with the purposes for which it could acquire land compulsorily, take temporary possession of land—
- (a) by agreement, or
 - (b) compulsorily, if authorised to do so in accordance with section 19.

Status: Point in time view as at 01/10/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Neighbourhood Planning Act 2017. (See end of Document for details)

- (3) Subject to any express provision in another Act, the power in subsection (2) is the only power under which a person may take temporary possession of land compulsorily.
- (4) For the purposes of this Chapter references to acquiring land include references to acquiring a right over land by creation.

PROSPECTIVE

19 Procedure for authorising temporary possession etc

- (1) This section sets out how an acquiring authority may be authorised to take temporary possession of land compulsorily under section 18(2).
- (2) The temporary possession of the land must be authorised by the type of instrument (the “authorising instrument”) that would be required if the acquiring authority proposed to acquire that land compulsorily for the purposes for which it proposes to take temporary possession of that land.
- (3) Accordingly, the authorising instrument—
 - (a) may make provision relating to temporary possession of land as well as, or instead of, compulsory acquisition,
 - (b) if it authorises the compulsory acquisition of land, may authorise temporary possession of the same or other land, and
 - (c) if it makes provision relating to temporary possession, is to be subject to the same procedures for authorising and challenging it as if the provision relating to temporary possession were provision relating to compulsory acquisition.
- (4) But in so far as an authorising instrument authorises the temporary possession of land, the instrument is not to be subject to special parliamentary procedure by virtue of any enactment applying that procedure to an instrument authorising the compulsory acquisition of land, unless the land which is proposed to be subject to temporary possession is held by the National Trust inalienably.
- (5) For the purposes of subsection (4)—
 - (a) “the National Trust” means the National Trust for Places of Historic Interest or Natural Beauty incorporated by the National Trust Act 1907, and
 - (b) land is held by the National Trust “inalienably” if it is inalienable under section 21 of the National Trust Act 1907 or section 8 of the National Trust Act 1939.
- (6) For the purposes of subsection (3)(c), the reference to compulsory acquisition does not include the compulsory acquisition of a right over land by creation unless section 18(2) applies in relation to the acquiring authority by virtue only of a power or authorisation to acquire a right over land by creation.
- (7) The authorising instrument must—
 - (a) identify the land which is to be subject to temporary possession,
 - (b) describe the purposes for which temporary possession is required, and
 - (c) specify the total period of time for which the land may be subject to temporary possession.

Status: Point in time view as at 01/10/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Neighbourhood Planning Act 2017. (See end of Document for details)

- (8) The authorising instrument does not need to include the dates of any particular period of temporary possession (but see section 20).

PROSPECTIVE

20 Notice requirements

- (1) Before taking temporary possession of land compulsorily for a period of time by virtue of section 18(2) an acquiring authority must give a notice of intended entry to each person who has an interest in or a right to occupy the land, so far as known to the authority after making diligent inquiry.
- (2) The notice must specify the period after the end of which the acquiring authority may take temporary possession of the land (“the notice period”).
- (3) The notice period must not end earlier than the end of the period of three months beginning with the day on which the notice is given.
- (4) The notice must specify the period for which the acquiring authority is to take temporary possession of the land.
- (5) For the purposes of this section an acquiring authority is to be treated as taking temporary possession of land at the beginning of the first day of any period of temporary possession.
- (6) The notice period may be reduced by agreement between the acquiring authority and all persons to whom a notice must be given under subsection (1).
- (7) An acquiring authority must comply with this section again in relation to each subsequent period of temporary possession even if there is to be no gap between periods.
- (8) Where the authorising instrument mentioned in section 19 is a compulsory purchase order, a notice of intended entry under this section may not be served after the end of the period of three years beginning with the day on which the authorising instrument becomes operative.
- (9) In any other case, a notice of intended entry under this section may not be served after the end of the period of five years beginning with the day on which the authorising instrument becomes operative.
- [^{F1}(10) For the purposes of subsection (1), a person entitled to the benefit of an obligation under a conservation covenant is to be treated as having an interest in the land to which the obligation relates.]

PROSPECTIVE

21 Counter-notice

- (1) This section applies where an acquiring authority gives a notice of intended entry under section 20 in relation to land to a person (the “owner”) who—
 - (a) has a leasehold interest in, and the right to occupy, the land, or
 - (b) has the freehold interest in the land.
- (2) The owner may give the acquiring authority a counter-notice which provides that the total period of time for which the land may be subject to temporary possession is limited to—
 - (a) 12 months where the land is or is part of a dwelling, or
 - (b) 6 years in any other case.
- (3) If the owner falls within subsection (1)(a), the owner may instead give the acquiring authority a counter-notice which provides that the authority may not take temporary possession of the land.
- (4) A counter-notice under subsection (2) or (3) must be given within the period of 28 days beginning with the day on which the notice of intended entry was given.
- (5) On receiving a counter-notice under subsection (2), the acquiring authority must decide whether to—
 - (a) accept the counter-notice,
 - (b) withdraw the notice of intended entry, or
 - (c) proceed as if the land were subject to compulsory acquisition.
- (6) On receiving a counter-notice under subsection (3), the acquiring authority must decide whether to—
 - (a) accept the counter-notice, or
 - (b) proceed as if the land were subject to compulsory acquisition.
- (7) The acquiring authority must give a notice of its decision in response to a counter-notice to the owner within the period of 28 days beginning with the day on which the counter-notice was given.
- (8) If the acquiring authority decides to proceed as if the land were subject to compulsory acquisition—
 - (a) the instrument which authorised temporary possession of the land is to be treated as authorising the compulsory acquisition of the owner's interest in the land (as well as the temporary possession of the land, if there are other interests in it), and
 - (b) the authority may proceed as if it had given any notice or taken any step required in relation to the authorisation or confirmation of the instrument.
- (9) See Schedule 2A to the Compulsory Purchase Act 1965 and Schedule A1 to the Compulsory Purchase (Vesting Declarations) Act 1981 for options available to the owner if, in response to a counter-notice under this section, the acquiring authority decides to purchase the owner's interest in part of a house, building or factory.

Status: Point in time view as at 01/10/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Neighbourhood Planning Act 2017. (See end of Document for details)

- (10) Nothing in this section prevents an acquiring authority acquiring land compulsorily after accepting a counter-notice or withdrawing a notice of intended entry in respect of that land.

PROSPECTIVE

22 Refusal to give up possession

Section 13 of the Compulsory Purchase Act 1965 (refusal to give up possession of land to acquiring authority) applies in relation to temporary possession by virtue of section 18(2) of this Act as if—

- (a) the reference to “this Act” in subsection (1) were a reference to section 18(2) of this Act, and
- (b) the references to taking possession of land were references to taking temporary possession of land compulsorily by virtue of section 18(2) of this Act.

PROSPECTIVE

23 Compensation

- (1) This section applies if an acquiring authority takes or is authorised to take temporary possession of land compulsorily by virtue of section 18(2).
- (2) A person (a “claimant”) who has an interest in or a right to occupy the land is entitled to receive compensation from the authority for any loss or injury the claimant sustains as a result.
- (3) A person (a “beneficial claimant”) is entitled to receive compensation from the authority for any loss or injury the beneficial claimant sustains as a result of the authority—
 - (a) interfering with a relevant right or interest annexed to land belonging to the beneficial claimant, or
 - (b) breaching a restriction as to the user of land arising by virtue of a contract where—
 - (i) the beneficial claimant is a party to the contract, or
 - (ii) the restriction benefits land which belongs to the beneficial claimant.
- (4) Where the claimant is carrying on a trade or business on the land, the compensation to which the claimant is entitled includes compensation for any loss which the claimant sustains by reason of the disturbance of the trade or business consequent upon the claimant having to quit the land for the period of the temporary possession.
- (5) In estimating loss for the purposes of subsection (4) regard is to be had—
 - (a) to the period for which the land occupied by the claimant may reasonably have been expected to be available for the purposes of the claimant's trade or business,
 - (b) to the terms on which the land may reasonably have been expected to be available for those purposes, and

Status: Point in time view as at 01/10/2018. This version of this Act contains provisions that are prospective.

- (c) to the availability of other land suitable for those purposes during the period of temporary possession.

[^{F2}(5A) For the purposes of subsections (2) and (3), the person is not entitled to compensation under this section by virtue of being the person entitled to the benefit of an obligation under a conservation covenant.]

- (6) For the purposes of section 9 of the Limitation Act 1980, a cause of action for compensation under this section which, apart from this subsection, would accrue before or during a period of compulsory temporary possession for which notice is given under section 20 is to be treated as accruing on the last day of the period.
- (7) Compensation under this section in relation to a particular head of loss or injury carries interest from the day after the last day on which that loss or injury occurs.
- (8) The interest is to be at the rate prescribed by regulations under section 32 of the Land Compensation Act 1961 in relation to the compulsory acquisition of land.
- (9) Any dispute about compensation payable under this section may be referred to and determined by the Upper Tribunal.
- (10) In this Chapter “relevant right or interest” means any easement, liberty, privilege, right or advantage annexed to land and adversely affecting other land (including any natural right to support).

PROSPECTIVE

24 Advance payments

- (1) This section applies where a person (a “claimant”) to whom compensation is or will be payable under section 23 makes a request in accordance with subsection (3).
- (2) The acquiring authority—
- must make an advance payment on account of the compensation if it has given a notice of intended entry under section 20 in relation to the land in respect of which the claimant is or will be entitled to compensation, but
 - may not do so if it has not given such a notice.
- (3) A request for advance payment must be made in writing by the claimant and must include—
- details of the basis on which the claimant is or is going to be entitled to compensation, and
 - information which is sufficient to enable the acquiring authority to estimate the amount of the compensation in respect of which the advance payment is to be made.

Status: Point in time view as at 01/10/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Neighbourhood Planning Act 2017. (See end of Document for details)

- (4) Before the end of the period of 28 days beginning with the day on which the acquiring authority receives a request under subsection (3), the authority must—
 - (a) determine whether it has enough information to estimate the amount of compensation, and
 - (b) if it needs more information, require the claimant to provide it.
- (5) The amount of an advance payment is to be equal to 90% of—
 - (a) if the acquiring authority and the claimant have agreed on the amount of the compensation, the agreed amount, or
 - (b) in any other case, an amount equal to the compensation as estimated by the acquiring authority.
- (6) An advance payment must be made—
 - (a) before the end of the day on which the authority takes temporary possession of the land, or
 - (b) if later, before the end of the period of two months beginning with the day on which the authority—
 - (i) receives the request for the advance payment, or
 - (ii) receives any further information required under subsection (4)(b).
- (7) If, after making an advance payment on the basis of its estimate of the compensation, the acquiring authority considers that its estimate was too low, the authority must pay the claimant the balance of the amount of the advance payment calculated on the basis of the authority's new estimate of the compensation.
- (8) Where the total amount of any payments under this section made on the basis of the acquiring authority's estimate of the compensation exceeds the compensation as finally determined or agreed, the excess is to be repaid.
- (9) If, after a payment under this section has been made to a person, it is discovered that the person was not entitled to it, the person must repay it.

- (3) For sections 6 to 9 (provisions about how scheme is to be disregarded when assessing compensation in respect of compulsory acquisition) substitute—

Status: Point in time view as at 01/10/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Neighbourhood Planning Act 2017. (See end of Document for details)

“6A No-scheme principle

- (1) The no-scheme principle is to be applied when assessing the value of land in order to work out how much compensation should be paid by the acquiring authority for the compulsory acquisition of the land (see rule 2A in section 5).
- (2) The no-scheme principle is the principle that—
 - (a) any increase in the value of land caused by the scheme for which the authority acquires the land, or by the prospect of that scheme, is to be disregarded, and
 - (b) any decrease in the value of land caused by that scheme or the prospect of that scheme is to be disregarded.
- (3) In applying the no-scheme principle the following rules in particular (the “no-scheme rules”) are to be observed.
- (4) Rule 1: it is to be assumed that the scheme was cancelled on the relevant valuation date.
- (5) Rule 2: it is to be assumed that no action has been taken (including acquisition of any land, and any development or works) by the acquiring authority wholly or mainly for the purposes of the scheme.
- (6) Rule 3: it is to be assumed that there is no prospect of the same scheme, or any other project to meet the same or substantially the same need, being carried out in the exercise of a statutory function or by the exercise of compulsory purchase powers.
- (7) Rule 4: it is to be assumed that no other projects would have been carried out in the exercise of a statutory function or by the exercise of compulsory purchase powers if the scheme had been cancelled on the relevant valuation date.
- (8) Rule 5: if there was a reduction in the value of land as a result of—
 - (a) the prospect of the scheme (including before the scheme or the compulsory acquisition in question was authorised), or
 - (b) the fact that the land was blighted land as a result of the scheme,that reduction is to be disregarded.
- (9) In this section—

“blighted land” means land of a description listed in Schedule 13 to the Town and Country Planning Act 1990;

“relevant valuation date” has the meaning given by section 5A.
- (10) See also section 14 for assumptions to be made in respect of planning permission.

6B Lower compensation if other land gains value

- (1) This section applies where—
 - (a) a person is entitled to compensation for the compulsory acquisition of land (the “original land”) for the purposes of a scheme,

Status: Point in time view as at 01/10/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Neighbourhood Planning Act 2017. (See end of Document for details)

- (b) on the date the notice to treat is served in respect of the original land, the person is entitled to an interest in other land (the “other land”) which is contiguous or adjacent to the original land,
 - (c) the person is entitled to the interest in the other land in the same capacity as the person is entitled to the interest in the original land, and
 - (d) the person's interest in the other land has increased in value as a result of the scheme.
- (2) The amount of compensation to which the person is entitled in respect of the compulsory acquisition of the original land is to be reduced by the amount of the increase in the value of the person's interest in the other land as at the relevant valuation date (determined in accordance with section 5A).
- (3) An amount by which the other land increases in value may not be set off against compensation payable to the person (for the original land or otherwise) in accordance with subsection (2) more than once.
- (4) If the other land is subsequently subject to compulsory acquisition for the purposes of the scheme mentioned in subsection (1), the compensation to which the person is entitled for the other land includes the amount which was deducted from the person's compensation for the original land in accordance with subsection (2) (despite the no-scheme principle).
- (5) If part only of the other land is subject to compulsory acquisition, the compensation to which the person is entitled by virtue of subsection (4) is to be reduced accordingly.
- (6) Subsections (4) and (5) apply in relation to a person (a “successor”) who derives title from the person mentioned in that subsection as if the original land had been acquired from the successor.
- (7) This section does not apply in relation to compensation which is to be assessed in accordance with section 261 of the Highways Act 1980 (benefit to vendor to be taken into account in assessing compensation on certain compulsory acquisitions for highway purposes).

6C Increased compensation if other land loses value

- (1) This section applies where—
- (a) land (the “original land”) belonging to a person is acquired for the purposes of a scheme,
 - (b) as a result of the acquisition of the original land the person receives compensation for injurious affection in relation to other land, and
 - (c) the other land is subsequently subject to compulsory acquisition for the purposes of that scheme.
- (2) The compensation to which the person is entitled as a result of the compulsory acquisition of the other land is to be reduced by the amount which the person received in compensation for injurious affection in relation to the other land as a result of the acquisition of the original land.
- (3) Subsection (2) applies in relation to a person (a “successor”) who derives title from the person mentioned in that subsection as if the compensation for injurious affection had been paid to the successor.

Status: Point in time view as at 01/10/2018. This version of this Act contains provisions that are prospective.

Changes to legislation: There are currently no known outstanding effects for the Neighbourhood Planning Act 2017. (See end of Document for details)

- (4) For the purposes of subsection (3) and section 6E—

 - (b) where different parts of the works comprised in such a transport project are first opened for use on different dates, each part is to be treated as a separate relevant transport project.
- (5) If there is a dispute as to what is to be taken to be the scheme (the “underlying scheme”) then, for the purposes of this section, the underlying scheme is to be identified by the Upper Tribunal as a question of fact, subject as follows—
 - (a) the underlying scheme is to be taken to be the scheme provided for by the Act, or other instrument, which authorises the compulsory acquisition unless it is shown (by either party) that the underlying scheme is a scheme larger than, but incorporating, the scheme provided for by that instrument, and
 - (b) except by agreement or in special circumstances, the Upper Tribunal may permit the acquiring authority to advance evidence of such a larger scheme only if that larger scheme is one identified in the following read together—
 - (i) the instrument which authorises the compulsory acquisition, and
 - (ii) any documents made available with it.
- (6) In the application of no-scheme rule 3 in relation to the acquisition of land for or in connection with the construction of a highway (the “scheme highway”) the reference in that rule to “any other project” includes a reference to any other highway that would meet the same or substantially the same need as the scheme highway would have been constructed to meet.

 - (b) the works comprised in the relevant transport project are first opened for use after the period of 5 years beginning with [F822nd September 2017] ,

 - (e) that land is in the vicinity of land comprised in the relevant transport project.
 - (3) In assessing compensation payable to a person in respect of the compulsory acquisition of that land, the scheme is to be treated as if it did not include the relevant transport project if the person acquired the land—
 - (a) after plans for the relevant transport project were announced, but
 - (b) before 8 September 2016.
 - (4) Subsections (5) and (6) set out how subsection (2)(b) should be applied if a claim for compensation is made by a person (the “claimant”)—
 - (a) during the period of 5 years mentioned in that subsection, and
 - (b) before the works are first opened for use.
 - (5) Compensation is to be assessed on the basis that the works will first be opened for use after the period of 5 years unless the acquiring authority confirms that, in the authority's opinion, the works will first be opened during that period (in which case compensation is to be assessed on the basis that the works will first be opened for use during that period).
 - (6) If the basis on which compensation was assessed proves to be incorrect—
 - (a) the claimant's entitlement to any compensation which the claimant has already been awarded is not affected,
 - (b) the acquiring authority must give the claimant a notice informing the claimant that the basis on which the compensation was assessed was incorrect,
