

Higher Education and Research Act 2017

2017 CHAPTER 29

PART 3

RESEARCH

Research and innovation functions and role of the Councils

93 UK research and innovation functions

- (1) UKRI may—
- (a) carry out research into science, technology, humanities and new ideas,
 - (b) facilitate, encourage and support research into science, technology, humanities and new ideas,
 - (c) facilitate, encourage and support the development and exploitation of science, technology, new ideas and advancements in humanities,
 - (d) facilitate, encourage and support knowledge exchange in relation to science, technology, humanities and new ideas,
 - (e) collect, disseminate and advance knowledge in and in connection with science, technology, humanities and new ideas,
 - (f) promote awareness and understanding of science, technology, humanities and new ideas,
 - (g) provide advice on any matter relating to any of its functions, and
 - (h) promote awareness and understanding of its activities.
- (2) The activities which UKRI may carry out in, or in connection with, exercising a function conferred by subsection (1) are not restricted to the United Kingdom.
- (3) The functions conferred by subsection (1)(a) to (f) include, in particular, power to encourage and support the provision of postgraduate training in science, technology, humanities and new ideas.

Changes to legislation: Higher Education and Research Act 2017, Cross Heading: Research and innovation functions and role of the Councils is up to date with all changes known to be in force on or before 04 April 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. - (4) For the purposes of this Part, “knowledge exchange”, in relation to science, technology, humanities or new ideas, means a process or other activity by which knowledge is exchanged where—
- (a) the knowledge is in, or in connection with, science, technology, humanities or new ideas (as the case may be), and
 - (b) the exchange contributes, or is likely to contribute, (whether directly or indirectly) to an economic or social benefit in the United Kingdom or elsewhere.
- (5) Section 94 makes further provision about the giving of financial support under this section.
- (6) Sections 95 to 98 provide for UKRI to make arrangements for the exercise of functions by the Councils on UKRI's behalf.

94 Financial support: supplementary provision

- (1) The power of UKRI under section 93 to give financial support includes, in particular, power to make grants, loans or other payments.
- (2) Financial support may be given by UKRI under that section on such terms and conditions as UKRI considers appropriate.
- (3) The terms and conditions may, in particular—
 - (a) enable UKRI to require the repayment, in whole or in part, of sums paid by UKRI if any of the terms and conditions subject to which the sums were paid is not complied with,
 - (b) require the payment of interest in respect of any period during which a sum due to UKRI in accordance with any of the terms and conditions remains unpaid, and
 - (c) require a person to whom financial support is given to provide UKRI with any information it requests for the purpose of the exercise of any of its functions.
- (4) In exercising the power under section 93 to give financial support to any person, UKRI must have regard to the desirability of not discouraging the person from maintaining or developing funding from other sources.

<i>Council</i>	<i>Field of activity</i>
Arts and Humanities Research Council	Arts and humanities
Biotechnology and Biological Sciences Research Council	Biotechnology and biological sciences
Economic and Social Research Council	Social sciences
Engineering and Physical Sciences Research Council	Engineering and physical sciences
Medical Research Council	Medicine and biomedicine aimed at improving human health
Natural Environment Research Council	Environmental and related sciences
Science and Technology Facilities Council	Astronomy, particle physics, space science, nuclear physics and provision and operation of research facilities in relation to any area of activity specified in this column

- (2) Arrangements under this section may, in particular, provide for the exercise by the Council concerned of UKRI's functions under paragraph 8(1) and (2) of Schedule 9 in relation to relevant specialist employees.
- (3) A “relevant specialist employee”, in relation to a Council, means—
- a researcher or scientist employed by UKRI to work in the Council's field of activity (see the table in subsection (1)), or
 - a person who has knowledge, experience or specialist skills which is or are relevant to the Council's field of activity and is employed by UKRI to work in that field of activity.
- (4) Arrangements under this section must require the Council concerned, when exercising any function to which the arrangements relate, to have regard to the desirability of—
- contributing (whether directly or indirectly) to economic growth, or an economic benefit, in the United Kingdom,
 - advancing knowledge (whether in the United Kingdom or elsewhere and whether directly or indirectly) in, or in connection with, science, technology, humanities or new ideas, and
 - improving quality of life (whether in the United Kingdom or elsewhere).
- (5) The Secretary of State may by regulations—
- amend the first column of the table in subsection (1) in consequence of provision made by regulations under section 92;
 - amend the second column of that table.
- (6) Before making regulations under subsection (5), the Secretary of State must consult such persons as the Secretary of State considers appropriate.
- (7) UKRI must, if requested to do so by the Secretary of State, carry out such a consultation, on behalf of the Secretary of State, of such persons.
- (8) In such a case, UKRI must carry out the consultation in accordance with such directions as the Secretary of State may give.

Changes to legislation: Higher Education and Research Act 2017, Cross Heading: Research and innovation functions and role of the Councils is up to date with all changes known to be in force on or before 04 April 2024. 97 Exercise of functions by Research England

- (1) UKRI must arrange for Research England to exercise such functions of UKRI as UKRI may determine for the purpose of giving financial support within subsection (2) or (3).
- (2) Financial support is within this subsection if it is given to the governing body of an eligible higher education provider in respect of expenditure incurred, or to be incurred, by the provider for the purposes of either or both of the following—
 - (a) the undertaking of research into, or knowledge exchange in relation to, science, technology, humanities or new ideas by the provider;
 - (b) the provision of facilities, or the carrying out of other activities, by the provider which its governing body considers it is necessary or desirable to provide or carry out for the purposes of, or in connection with, research into, or knowledge exchange in relation to, science, technology, humanities or new ideas.
- (3) Financial support is within this subsection if it is given to any person in respect of expenditure incurred, or to be incurred, by the person for the purposes of the provision by any person of services for the purposes of, or in connection with—
 - (a) the undertaking of research into science, technology, humanities or new ideas by eligible higher education providers receiving financial support which is within subsection (2), or
 - (b) the undertaking of knowledge exchange in relation to science, technology, humanities or new ideas by eligible education providers receiving such financial support.
