 - (b) assets not within paragraph (a) that are interests in UK land (see section 1C), and

- (4) For the purposes of this Chapter a person is “UK resident” for a tax year if the person is resident in the United Kingdom during any part of the tax year.
- (5) For the relevant residence rules—
 - (a) in the case of individuals, see Schedule 45 to the Finance Act 2013 (which provides that individuals meeting the applicable tests for a tax year are taken to be resident for the whole of the year),

- (3) Section 1A(3)(a) does not apply to a person who, as a result of Part 2 of TIOPA 2010 (double taxation arrangements), is exempt from income tax for the tax year in respect of the profits or gains of the branch or agency.
- (4) In the case of a profession or vocation carried on by a person, an asset does not have a relevant connection to the person's UK branch or agency if—
 - (a) the asset was only used in or for the purposes of the profession or vocation before 14 March 1989, or
 - (b) the asset was only used or held for the purposes of the branch or agency before that date.
- (5) In this Act, unless the context otherwise requires, “branch or agency”—
 - (a) means any factorship, agency, receivership, branch or management, but
 - (b) does not include any person within any of the exemptions under sections 835G to 835K of ITA 2007 (persons who are not UK representatives).

1C Non-UK residents: disposing of an “interest in UK land”

- (1) For the purposes of section 1A(3)(b) an “interest in UK land” means—
 - (a) an estate, interest, right or power in or over land in the United Kingdom, or

- (2) The following interests are “excluded interests”—
 - (a) any interest or right held for securing the payment of money or the performance of any other obligation,
 - (b) a licence to use or occupy land,
 - (c) in England and Wales or Northern Ireland, a tenancy at will or an advowson, franchise or manor, and

 - (b) in Scotland, a feu duty or a payment mentioned in section 56(1) of the Abolition of Feudal Tenure etc (Scotland) Act 2000.
- (4) The grant of an option by a person binding the person to dispose of an interest in UK land is (so far as it would not otherwise be the case) regarded

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

as a disposal of an interest in UK land by the person for the purposes of section 1A(3)(b).

- (5) This does not affect the operation of section 144 in relation to the grant of the option (or otherwise).
- (6) In this section—
 - “franchise” means a grant from the Crown such as the right to hold a market or fair, or the right to take tolls, and
 - “land” includes—
 - (a) buildings and structures, and
 - (b) land under the sea or otherwise covered by water.

1D Non-UK residents: assets deriving 75% of value from UK land etc

- (1) For the purposes of section 1A(3)(c) the following questions are determined in accordance with the provision made by Schedule 1A—
 - (a) whether the asset being disposed of derives at least 75% of its value from UK land, and
 - (b) whether the person making the disposal has a substantial indirect interest in the UK land at the time of the disposal.
- (2) The provision made by Schedule 1A is not to be taken as affecting the meaning of “substantial” in other contexts.

Deduction of allowable losses

1E Losses deductible only when within scope of tax etc

- (1) A loss is not an allowable loss if it accrues in a tax year at a time when, had a gain accrued instead, the gain would not have been chargeable to capital gains tax under this Act for the tax year (and see also sections 16(2) and 16A).
- (2) In addition, the only allowable losses that qualify for deduction from chargeable gains under section 1A(3) (non-UK residents) are those accruing to the person on disposals of assets within that subsection.
- (3) An allowable loss counts for the purposes of subsection (2) even if it accrues in a tax year in which the person was UK resident.
- (4) No allowable losses may be deducted from chargeable gains treated as accruing to an individual as a result of section 87, 87K, 87L or 89(2) (read, where appropriate, with section 1M).
- (5) If—
 - (a) amounts (or elements of amounts) treated as accruing to an individual as a result of section 86 relate to different settlements, and
 - (b) the deduction of allowable losses does not reduce the amounts or elements to nil,

the deduction applicable to each amount is the proportion that the amount concerned bears to the total of the amounts.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (6) The deduction of allowable losses also has effect subject to Schedule 1 (UK resident individuals not domiciled in UK).
- (7) For the only case in which an allowable loss accruing in a tax year may be carried back to an earlier tax year, see section 62 (death).

1F Allowable losses to be used in most beneficial way etc

- (1) Allowable losses may (subject to express provision to the contrary) be deducted from gains in whichever way is most beneficial to a person chargeable to capital gains tax.
- (2) Accordingly, an allowable loss may be deducted from a chargeable gain irrespective of the rate of tax at which the gain would otherwise have been charged.
- (3) Allowable losses that are deducted from gains may not be deducted any further than is necessary to eliminate the gains.
- (4) No part of an allowable loss may be relieved under this Act more than once.
- (5) So far as an amount has been relieved under the Income Tax Acts, it may not be further relieved under this Act.

UK resident individuals with split tax years

1G Gains accruing to UK resident individuals in split years

- (1) If, as respects any individual, a tax year is a split year, sections 1A(1) and 1E have effect subject to the modifications made by this section.
- (2) Gains accruing to the individual in the overseas part of the tax year are chargeable to capital gains tax only if they accrue on the disposal of assets within section 1A(3).
- (3) Losses are deductible from gains accruing to the individual in the overseas part of the tax year on the disposal of assets within section 1A(3)(b) or (c) only if the losses accrue to the individual on the disposal of—
 - (a) assets that are within section 1A(3)(b) or (c), or
 - (b) assets that would be within section 1A(3)(b) or (c) if they did not have a relevant connection to the individual's UK branch or agency.
- (4) But losses accruing in the overseas part of the tax year on disposals of assets within section 1A(3)(b) or (c) are (so far as not deducted as mentioned in subsection (3)) deductible from gains accruing in the UK part of the tax year.

Rates of CGT

1H The main rates of CGT

- (1) This section makes provision about the rates at which capital gains tax is charged but has effect subject to—
 - (a) section 169N (entrepreneurs' relief: rate of 10%), and

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) section 169VC (investors' relief: rate of 10%).
- (2) Chargeable gains accruing in a tax year to an individual that are—
 - (a) residential property gains (see Schedule 1B), or
 - (b) carried interest gains (see subsections (9) to (11)),
 are charged to capital gains tax at a rate of 18% or 28%.
- (3) Other chargeable gains accruing in a tax year to an individual are charged to capital gains tax at a rate of 10% or 20%.
- (4) The question as to which of the rates applies to the gains concerned is determined by section 1I (income taxed at higher rates or gains exceeding unused basic rate band).
- (5) Chargeable gains accruing in a tax year to the personal representatives of a deceased individual that are—
 - (a) residential property gains, or
 - (b) carried interest gains,
 are charged to capital gains tax at a rate of 28%.
- (6) Other chargeable gains accruing in a tax year to the personal representatives of a deceased individual are charged to capital gains tax at a rate of 20%.
- (7) Residential property gains accruing in a tax year to the trustees of a settlement are charged to capital gains tax at a rate of 28%.
- (8) Other chargeable gains accruing in a tax year to the trustees of a settlement are charged to capital gains tax at a rate of 20%.
- (9) For the purposes of this section chargeable gains are “carried interest gains” if they accrue to an individual (“X”)—
 - (a) under section 103KA(2) or (3) (investment management services), or
 - (b) as a result of carried interest arising to X under arrangements not involving a partnership under which X performs investment management services directly or indirectly in respect of an investment scheme.
- (10) A gain is not a carried interest gain under subsection (9)(b) if the carried interest constitutes a co-investment repayment or return.
- (11) Expressions used in subsection (9) or (10) have the same meaning as they have in Chapter 5 of Part 3.

1I Income taxed at higher rates or gains exceeding unused basic rate band

- (1) If any of an individual's income for a tax year is chargeable to income tax at a higher income tax rate, gains accruing to the individual in the tax year are charged—
 - (a) at the rate of 28%(if they are residential property gains or carried interest gains), or
 - (b) at the rate of 20% (if they are other kinds of gains).
- (2) If—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (a) none of an individual's income for a tax year is chargeable to income tax at a higher income tax rate, but
 - (b) the individual is chargeable to capital gains tax for the tax year on an amount that exceeds the unused part of the individual's basic rate band,

the excess (“the higher rate excess”) is charged at the rate of 28%(so far as comprising residential property gains or carried interest gains) or at the rate of 20% (so far as comprising other kinds of gains).
- (3) The remainder of this section sets out special rules which apply depending on the nature of the gains within subsection (2)(b).
- (4) If—
 - (a) the gains consist of or include gains (“entrepreneur or investor gains”) chargeable at the rate of 10% under section 169N(3) or 169VC(2), and
 - (b) the total amount of the entrepreneur or investor gains exceeds the unused part of the individual's basic rate band,

that unused part is used fully against those gains.
- (5) The effect of so doing is that other gains comprised in the higher rate excess are then charged—
 - (a) at the rate of 28%(if they are residential property gains or carried interest gains), or
 - (b) at the rate of 20% (if they are other kinds of gains).
- (6) If the total amount of the entrepreneur or investor gains does not exceed the unused part of the individual's basic rate band—
 - (a) so much of that unused part as is equal to that total amount is used against those gains, and
 - (b) accordingly, the higher rate excess consists only of gains other than entrepreneur or investor gains.
- (7) The individual may allocate so much of the unused part of the individual's basic rate band as then remains to—
 - (a) any residential property gains or carried interest gains, or
 - (b) any other gains.
- (8) The effect of the allocation is that the gains to which the allocation is made are charged—
 - (a) at the rate of 18%(if they are residential property gains or carried interest gains), or
 - (b) at the rate of 10% (if they are other kinds of gains).
- (9) Any gains to which no allocation is made are charged—
 - (a) at the rate of 28%(if they are residential property gains or carried interest gains), or
 - (b) at the rate of 20% (if they are other kinds of gains).

1J Section 1I: definitions and other supplementary provision

- (1) For the purposes of section 1I—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

a “higher income tax rate” means—

- (a) the higher rate or the default higher rate,
- (b) the savings higher rate, or
- (c) the dividend upper rate, and

“the unused part of the individual's basic rate band” means the amount by which the basic rate limit exceeds the individual's Step 3 income.

- (2) If an individual is entitled to relief for a tax year under section 539 of ITTOIA 2005 (contracts for life insurance) by reference to the amount of a deficiency, the individual's Step 3 income for the tax year is treated for the purposes of this section as reduced by the amount of the deficiency.
- (3) If, as a result of section 669(1) and (2) of ITTOIA 2005 (inheritance tax on accrued income), there is a reduction in the residuary income of an estate for a tax year that reduces an individual's income by any amount, the individual's Step 3 income for the tax year is treated for the purposes of this section as reduced by the amount of that reduction in the individual's income.
- (4) If an individual has life insurance gains for a tax year, the individual's Step 3 income for the tax year is treated for the purposes of this section as if the amount of those gains were limited to—
 - (a) the annual equivalent within the meaning of section 536(1) of ITTOIA 2005, or
 - (b) the total annual equivalent within the meaning of section 537 of that Act,
 as the case may be.
- (5) If—
 - (a) an individual has life insurance gains for a tax year,
 - (b) relief is given under section 535 of ITTOIA 2005 for the tax year, and
 - (c) the calculation under section 536(1) or 537 of that Act for the tax year does not involve the higher rate,
 the individual is treated for the purposes of section 11 as if none of the individual's income were chargeable to income tax at the higher rate, the default higher rate or the dividend upper rate.
- (6) In the application of section 11 in the case of any individual it is to be assumed that the individual is not a Scottish or Welsh taxpayer.
- (7) In this section—
 - “the individual's Step 3 income” means so much of the individual's total income for the tax year as is left after taking Step 3 under section 23 of ITA 2007 (income tax liability calculation), and
 - “life insurance gains”, in relation to an individual, means the amount or amounts treated as the individual's income as a result of section 465 of ITTOIA 2005 (gains from contracts for life insurance).
- (8) Expressions used in this section which have a meaning when used in the Income Tax Acts have the same meaning in this section.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

Annual exempt amount

1K Annual exempt amount

- (1) If an individual is (or, apart from this section, would be) chargeable to capital gains tax for a tax year on chargeable gains, the annual exempt amount for the year is to be deducted from those gains (but no further than necessary to eliminate them).
- (2) The annual exempt amount for a tax year is £12,000.
- (3) The annual exempt amount may not be deducted from chargeable gains to which paragraph 2 of Schedule 1 applies (foreign gains of non-UK domiciled individuals accruing in one year and remitted in later year).
- (4) The deduction of the annual exempt amount—
 - (a) is made after the deduction of allowable losses accruing in the tax year, but
 - (b) is made before the deduction of allowable losses accruing in a previous tax year or, if section 62 applies, in a subsequent tax year.
- (5) The annual exempt amount may be deducted from gains in whatever way is most beneficial to a person chargeable to capital gains tax (irrespective of the rate of tax at which the gains would otherwise have been charged).
- (6) An individual is not entitled to an annual exempt amount for a tax year if section 809B of ITA 2007 (claim for remittance basis) applies to the individual for the year.
- (7) For the tax year in which an individual dies and for the next two tax years, this section applies to the individual's personal representatives as if references to the individual were to those personal representatives.
- (8) This section applies in relation to trustees in accordance with the provision made by Schedule 1C.

1L Increasing annual exempt amount to reflect increases in CPI

- (1) If the consumer prices index for the September before the start of a tax year is higher than it was for the previous September—
 - (a) the annual exempt amount is increased by the same percentage as the rise in that index (rounded up to the nearest £100), and
 - (b) section 1K(2) has effect for the tax year (and subsequent tax years) as if it referred to the increased amount.
- (2) If, as a result of this section, the annual exempt amount for a tax year increases, the Treasury must before the start of the tax year make an order showing the increased amount.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

Temporary periods of non-residence

1M Temporary non-residents

- (1) If, in the case of the disposal of an asset by an individual who is temporarily non-resident—
 - (a) a gain or loss accrues to the individual in the temporary period of non-residence, and
 - (b) the asset is not excluded from this subsection by section 1N (certain assets acquired in that period),the gain or loss is treated instead as accruing to the individual in the period of return.
- (2) If—
 - (a) a gain is, as a result of subsection (1), treated as accruing to an individual in a tax year for which the remittance basis applies to the individual,
 - (b) the tax year consists of or includes the period of return, and
 - (c) the gain was remitted to the United Kingdom in the temporary period of non-residence,the gain is treated instead as remitted to the United Kingdom in the period of return.
- (3) If—
 - (a) an individual is temporarily non-resident, and
 - (b) a gain would, as a result of section 86, have accrued to the individual in a tax year falling wholly or partly in the temporary period of non-residence if the individual had been resident in the United Kingdom for that year,the gain is treated instead as accruing to the individual in the period of return (but see also section 86A).
- (4) Nothing in any double taxation arrangements prevents a charge to capital gains tax arising as a result of this section.
- (5) Nothing in this section is to affect a gain or loss which, apart from this section, would be chargeable to capital gains tax or would be an allowable loss.
- (6) For the purposes of this section each of the following expressions has the meaning given by Part 4 of Schedule 45 to the Finance Act 2013 (statutory residence test: anti-avoidance)—
 - “the period of return”
 - “temporarily non-resident”
 - “the temporary period of non-residence”.
- (7) In this section the reference to “the remittance basis” applying to an individual for a tax year is to section 809B, 809D or 809E of ITA 2007 applying to the individual for the year.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

1N Section 1M(1): assets acquired in temporary period of non-residence

- (1) An asset is excluded from section 1M(1) if—
 - (a) it was acquired by the individual in the temporary period of non-residence,
 - (b) the acquisition was otherwise than by means of a disqualifying no gain/no loss disposal,
 - (c) there is no reduction in the consideration for the acquisition under section 23(4)(b) or (5)(b), 152(1)(b), 153(1)(b), 162(3)(b) or 247(2)(b) or (3)(b) by reference to a UK resident disposal, and
 - (d) the asset is not an interest created by or arising under a settlement.
- (2) This exclusion does not apply in the case of an asset (“the new asset”) if—
 - (a) on a disposal of the new asset a gain or loss is treated as a result of 116(10) or (11), 134 or 154(2) or (4) as accruing (ignoring section 1M),
 - (b) the gain or loss is calculated by reference to another asset (“the old asset”), and
 - (c) the new asset is one that meets the conditions for exclusion but the old asset does not.
- (3) For the purposes of this section “a UK resident disposal” means a disposal by a person (“P”) of an asset which was acquired by P at a time when—
 - (a) P was resident in the United Kingdom, and
 - (b) P was not Treaty non-resident.
- (4) For the purposes of this section “a disqualifying no gain/no loss disposal” means a UK resident disposal to which section 58, 73 or 258(4) applies.

Interpretation

1O Definitions used in Chapter

In this Chapter any reference to a person who is, or is not, “UK resident” is to be read in accordance with section 1A(4).

CHAPTER 2

CORPORATION TAX ON CHARGEABLE GAINS

Corporation tax on chargeable gains: the general scheme

2 Corporation tax on chargeable gains

- (1) As a result of section 2(1) and (2) of CTA 2009, corporation tax is charged on chargeable gains accruing to a company on the disposal of assets.
- (2) The charge to corporation tax on chargeable gains has effect in accordance with this Act and all other relevant provisions of the Corporation Tax Acts.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

2A Company's total profits to include chargeable gains

- (1) The amount of chargeable gains to be included in a company's total profits for an accounting period is the total amount of chargeable gains accruing to the company in the period after deducting—
 - (a) any allowable losses accruing to the company in the period, and
 - (b) so far as not previously deducted under this subsection, any allowable losses previously accruing to the company while it was within the charge to corporation tax.
- (2) For the purposes of corporation tax on gains “allowable loss” does not include a loss accruing to a company if, had a gain accrued, the company would not have been chargeable to corporation tax on the gain.

Territorial scope

2B Territorial scope of charge to corporation tax on chargeable gains

- (1) A company which is resident in the United Kingdom in an accounting period is chargeable to corporation tax on chargeable gains accruing to the company in the period on the disposal of assets wherever situated.
- (2) This is subject to Chapter 3A of Part 2 of CTA 2009 (exemption from charge in respect of profits of foreign permanent establishments).
- (3) A company which is not resident in the United Kingdom is chargeable to corporation tax on chargeable gains that—
 - (a) accrue to the company on the disposal of assets situated in the United Kingdom that have a relevant connection to the company's UK permanent establishment (see section 2C),
 - (b) accrue at a time when it has that permanent establishment, and
 - (c) are, in accordance with sections 20 to 32 of CTA 2009, attributable to that permanent establishment.
- (4) In addition, a company which is not resident in the United Kingdom is chargeable to corporation tax on chargeable gains accruing to the company on the disposal of assets not within subsection (3) that are—
 - (a) interests in UK land, or
 - (b) assets (wherever situated) not within paragraph (a) that derive at least 75% of their value from UK land where the company has a substantial indirect interest in that land.
- (5) Section 1C applies for the purposes of subsection (4)(a) as it applies for the purposes of section 1A(3)(b) (disposing of interests in UK land).
- (6) The reference in subsection (4)(b) to assets deriving at least 75% of their value from UK land where the company has a substantial indirect interest in that land is to be read in accordance with Schedule 1A.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

2C Non-UK resident company with UK permanent establishment

- (1) For the purposes of section 2B(3) a company has a UK permanent establishment at any time if, at that time, the company carries on a trade in the United Kingdom through a permanent establishment there.
- (2) For the purposes of section 2B(3) an asset has a relevant connection to a company's UK permanent establishment if—
 - (a) it is, or was, used in or for the purposes of the trade at or before the time of the disposal,
 - (b) it is, or was, used or held for the purposes of the permanent establishment at or before that time, or
 - (c) it is acquired for use by or for the purposes of the permanent establishment.
- (3) Section 2B(3) does not apply to a company which, as a result of Part 2 of TIOPA 2010 (double taxation arrangements), is exempt from corporation tax for the accounting period in respect of the profits of the permanent establishment.
- (4) In the case of the long-term business of an overseas life insurance company, subsection (2) has effect as if for paragraph (b) there were substituted—
 - “(b) it is, or was, used or held for the purposes of the permanent establishment at or before that time (irrespective of where it is situated at that time),”.
- (5) In this section references to a trade include an office and references to carrying on a trade include holding an office.

Application of CGT principles etc

2D Application of CGT principles in calculating gains and losses

- (1) The total amount of chargeable gains to be included in a company's total profits for an accounting period is calculated for corporation tax purposes in accordance with capital gains tax principles.
- (2) All of the following questions are determined in accordance with the enactments relating to capital gains tax as if accounting periods were tax years—
 - (a) any question as to the amounts to be, or not to be, taken into account as chargeable gains or allowable losses,
 - (b) any question as to the amounts to be, or not to be, taken into account in calculating gains or losses,
 - (c) any question as to the amounts charged to tax as a company's gains, and
 - (d) any question as to the time when any amount is treated as accruing.
- (3) This section is subject to any provision made elsewhere by the Corporation Tax Acts.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

2E References to income tax or Income Tax Acts in case of companies

- (1) If the CGT enactments contain any reference to—
 - (a) income tax, or
 - (b) the Income Tax Acts,the reference is, in relation to a company, to be read as a reference to corporation tax or the Corporation Tax Acts.
- (2) But—
 - (a) this does not affect references to income tax in section 39(2), and
 - (b) so far as the CGT enactments operate by reference to matters of any specified description, account is to be taken for corporation tax purposes of matters of that description confined to companies but not of any confined to individuals.
- (3) In this section “the CGT enactments” means the enactments relating to capital gains tax.

2F Interaction of capital gains tax and corporation tax

- (1) This Act as it has effect in accordance with this Chapter is not to be affected in its operation by the fact that capital gains tax and corporation tax are distinct taxes.
- (2) But this Act is, so far as it is consistent with the Corporation Tax Acts, to apply in relation to capital gains tax and corporation tax on gains as if they were one tax.
- (3) Accordingly, a matter which in a case involving two individuals is relevant to both of them in relation to capital gains tax is in a similar case involving an individual and a company—
 - (a) relevant to the individual in relation to capital gains tax, and
 - (b) relevant to the company in relation to corporation tax.

Supplementary

2G Assets of a company vested in a liquidator

- (1) If assets of a company are vested in a liquidator—
 - (a) this Chapter, and
 - (b) the enactments applied by this Chapter,apply as if the assets were vested in the company and as if the acts of the liquidator in relation to the assets were the company's acts.
- (2) Accordingly, acquisitions from or disposals to the liquidator by the company are ignored.
- (3) The assets may be vested in the liquidator under section 145 of the Insolvency Act 1986 or Article 123 of the Insolvency (Northern Ireland) Order 1989 or otherwise.

CHAPTER 3

ATTRIBUTION OF GAINS OF NON-UK RESIDENT CLOSE COMPANIES

Gains of non-UK resident companies not otherwise chargeable

3 Gains attributed to UK resident individuals etc

- (1) This section applies if—
 - (a) a chargeable gain accrues at any time to a non-UK resident close company,
 - (b) the gain is connected to avoidance (see section 3A),
 - (c) the gain is not connected to a foreign trade or other economically significant foreign activities (see section 3A), and
 - (d) apart from this section, some or all of the gain would not be chargeable to corporation tax on the company.
- (2) So much of the gain as would not otherwise be so chargeable is apportioned among participators, or indirect participators, in the company—
 - (a) who are resident in the United Kingdom at that time, or
 - (b) who are trustees of a settlement and are not resident in the United Kingdom at that time.
- (3) The proportion of the amount of the gain to be apportioned to each person corresponds to the extent of the person's interest in the company as a participator or indirect participator.
- (4) The amount apportioned to each person is treated as a chargeable gain accruing to the person.
- (5) No apportionment of any part of a gain is made to an individual if—
 - (a) the gain accrues in a tax year which, as respects the individual, is a split year, and
 - (b) the gain accrues in the overseas part of the year.
- (6) No apportionment of any part of a gain is made to a person if the total amount that would, apart from this subsection, be apportioned to—
 - (a) the person, and
 - (b) persons connected to the person,is 25% or less of the amount of the gain falling to be apportioned.
- (7) A person (“P”) is an “indirect participator” in a company (“A”) if—
 - (a) another company (“B”) which is a non-UK resident close company is a participator in A, and
 - (b) P is a participator in B or P is a participator in a third non-UK resident close company which is participator in B,and so on through any number of non-UK resident close companies that are participators in other non-UK resident close companies.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (8) P's interest as an indirect participator in A in the case of any gain is determined by—
 - (a) apportioning the gain among the participators in A according to the extent of their respective interests as participators, and
 - (b) then further apportioning the gain apportioned to B among the participators in B according to the extent of their respective interests as participators, and so on through other companies.
- (9) So far as it would go to reduce or extinguish chargeable gains accruing, as a result of this section, to a person in a chargeable period, this section applies to a loss accruing to the company on the disposal of an asset in that period as it would apply if there had been a gain.
- (10) But—
 - (a) this only applies in relation to that person, and
 - (b) this section does not otherwise apply in relation to losses accruing to the company.
- (11) In this section “a non-UK resident close company” means a company—
 - (a) which is not resident in the United Kingdom, and
 - (b) which would be a close company if it were resident in the United Kingdom.

3A Gains connected to avoidance or foreign activities etc

- (1) A gain accruing to a company on the disposal of an asset is taken to be “connected to avoidance” unless it is shown that neither—
 - (a) the disposal of the asset by the company, nor
 - (b) the acquisition or holding of the asset by the company,
 formed part of a scheme or arrangements of which the main purpose, or one of the main purposes, was avoidance of liability to capital gains tax or corporation tax.
- (2) A gain is “connected to a foreign trade” if it accrues on the disposal of an asset used only—
 - (a) for the purposes of a trade carried on by the company wholly outside the United Kingdom, or
 - (b) for the purposes of the foreign part of a trade carried on by the company partly within, and partly outside, the United Kingdom,
 and the reference here to the foreign part of a trade is to the part of the trade carried on outside the United Kingdom.
- (3) For this purpose an asset is to be regarded as used only for the purposes of a trade carried on by the company wholly outside the United Kingdom if—
 - (a) the asset is accommodation, or an interest or right in accommodation, situated outside the United Kingdom, and
 - (b) the accommodation has for each relevant period been furnished holiday accommodation of which a person has made a commercial letting.
- (4) Each of the following is a “relevant period”—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (a) the period of 12 months ending with the date of the disposal and each of the two preceding periods of 12 months, or
 - (b) if the company has beneficially owned the accommodation (or interest or right) for more than 36 months, the period of 12 months ending with the date of the disposal and each of the preceding periods of 12 months throughout which the company had that beneficial ownership.
- (5) The reference in this section to the commercial letting of furnished holiday accommodation is to be read in accordance with Chapter 6 of Part 4 of CTA 2009, but as if—
 - (a) sections 266, 268 and 268A were omitted, and
 - (b) the reference to an accounting period in section 267(1) were to a relevant period.
- (6) A gain accruing on the disposal of an asset is “connected to other economically significant foreign activities” if—
 - (a) the asset is used only for the purposes of activities carried on by the company wholly or mainly outside the United Kingdom,
 - (b) the activities consist of the provision of goods or services on a commercial basis, and
 - (c) the activities also satisfy the staff, premises and economic value test.
- (7) Activities satisfy the staff, premises and economic value test if they involve—
 - (a) the use of employees, agents or contractors of the company in numbers, and with competence and authority, commensurate with the size and nature of the activities,
 - (b) the use of premises and equipment commensurate with the size and nature of the activities, and
 - (c) the addition of economic value by the company to the persons to whom the goods or services are provided commensurate with the size and nature of the activities.
- (8) This section applies for the purposes of section 3(1)(b) and (c).

3B Participators and their interests

- (1) “Participator” has the meaning given by section 454 of CTA 2010.
- (2) Any reference to a person's interest as a participator in a company is to the interest in it represented by all the factors by reference to which the person is a participator.
- (3) Any reference to the extent of a person's interest as a participator in a company is to such proportion of the interests as participators of all of the company's participators as, on a just and reasonable basis, is represented by that interest.
- (4) If—
 - (a) the interest of a person in a company is wholly or partly represented by an interest under a settlement (“the beneficial interest”), and

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) the beneficial interest is the factor (or one of them) by reference to which the person would, apart from this subsection, have an interest as a participator in the company,

that interest as a participator is, so far as represented by the beneficial interest, to be treated instead as the interest of the trustees of the settlement.
- (5) If—
 - (a) exempt assets of a pension scheme are taken into account in ascertaining a person's interest as a participator in a company, and
 - (b) if those assets were ignored, an amount in respect of a gain accruing to the company would not be apportioned to the person as a result of section 3,

no amount in the respect of the gain is to be apportioned to the person as a result of that section.
- (6) For this purpose—
 - (a) “assets of a pension scheme” means assets held for the purposes of a fund or scheme to which section 271(1)(c) or (1A) applies, and
 - (b) those assets are “exempt” if, at the time when the gain accrues, a disposal of those assets would be exempt from tax as a result of either of those provisions.
- (7) This section applies for the purposes of section 3.

Prevention of multiple charges

3C Prevention of double UK taxation

- (1) If—
 - (a) an amount of tax is paid by a person as a result of section 3 in respect of a gain, and
 - (b) there is a distribution of an amount in respect of the gain before the end of the relevant period,

the amount of tax is applied so as to reduce or extinguish any liability of the person to tax in respect of the distribution.
- (2) For the purposes of subsection (1)—
 - (a) the distribution is one made by way of dividend or distribution of capital or on the dissolution of the company,
 - (b) the tax in respect of the distribution is income tax, corporation tax or capital gains tax, and
 - (c) in determining the liability to tax of any individual in respect of any distribution for a tax year it is to be assumed that the distribution is the highest part of the individual's income for the year.
- (3) For the purposes of subsection (1) “the relevant period” means the period of 3 years from the end of whichever of the following periods is earlier—
 - (a) the period of account of the company in which the gain accrued, and
 - (b) the period of 12 months beginning with the date on which the gain accrued.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (4) The amount of tax paid by a person as a result of section 3 is allowable as a deduction in calculating a chargeable gain accruing on the disposal by the person of any asset representing the person's interest as a participator in the company.
- (5) An amount of tax—
 - (a) is not to be used more than once under this section (whether to reduce or extinguish a liability or as a deduction or a combination of those things), and
 - (b) is not to be applied if it is reimbursed by the company.

Non-UK domiciled individuals and temporary non-residents

3D Non-UK domiciled individuals

- (1) This section applies if, as a result of section 3, an amount in respect of a gain accruing to a company in a tax year is apportioned to an individual who is not domiciled in the United Kingdom in that year.
- (2) The apportioned amount is regarded for the purposes of paragraph 1 of Schedule 1 as accruing on a disposal of a foreign asset if the asset disposed of by the company is a foreign asset (but not otherwise).
- (3) For the purposes of Chapter A1 of Part 14 of ITA 2007 (remittance basis)—
 - (a) treat any consideration obtained by the company on the disposal of the asset as deriving from the apportioned amount, and
 - (b) if that consideration is less than the market value of the asset, treat the asset as deriving from the apportioned amount.
- (4) The apportioned amount may not be reduced or extinguished by a loss under section 3 if—
 - (a) the apportioned amount is regarded for the purposes of paragraph 1 of Schedule 1 as accruing on a disposal of a foreign asset,
 - (b) the remittance basis applies to the individual for the tax year in question, and
 - (c) any of the apportioned amount is remitted to the United Kingdom in a subsequent tax year.
- (5) Paragraph 5 of Schedule 1 applies for the purposes of this section as it applies for the purposes of that Schedule.

3E Temporary non-residents

- (1) This section applies if—
 - (a) an individual is temporarily non-resident, and
 - (b) a gain or loss accrues to a company in a tax year falling wholly or partly in the temporary period of non-residence.
- (2) So much of the gain as would, as a result of section 3, have been treated as accruing to the individual in the tax year if the residence assumption were made is to be treated as accruing to the individual in the period of return.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (3) But if—
 - (a) the remittance basis applies to the individual for the tax year that comprises or includes the period of return, and
 - (b) any part of the gain has not been remitted to the United Kingdom before the period of the return,
 subsection (2) has effect subject to the further application of Schedule 1 (as read with section 3D) in relation to that part of the gain.
- (4) Paragraph 5 of Schedule 1 applies for the purposes of subsection (3) as it applies for the purposes of that Schedule.
- (5) So much of the loss accruing in the tax year as would, in accordance with section 3(9), have reduced or extinguished a gain treated as accruing to the individual in that year as a result of section 3 if the residence assumption were made is to be treated as accruing to the individual in the period of return.
- (6) For the purposes of this section the “residence assumption” is—
 - (a) that the individual was resident in the United Kingdom for the tax year in which the gain or loss accrued to the company, and
 - (b) that the tax year was not a split year as respects the individual.
- (7) Nothing in any double taxation arrangements prevents a charge to capital gains tax arising as a result of this section.
- (8) For the purposes of this section each of the following expressions has the meaning given by Part 4 of Schedule 45 to the Finance Act 2013 (statutory residence test: anti-avoidance)—
 - “the period of return”
 - “temporarily non-resident”
 - “the temporary period of non-residence”.

Application to groups

3F Non-resident groups of companies

- (1) This section applies, for the purposes of section 3, certain provisions of this Act (modified as mentioned below) in relation to non-resident companies which are members of a non-resident group of companies.
- (2) The applied provisions are—
 - (a) section 41(8),
 - (b) section 171 but as if subsections (1)(b) and (1A) were omitted,
 - (c) section 173 but as if “to which this section applies” in subsections (1)(a) and (2)(a) were omitted, as if “such” in subsections (1)(c) and (2)(c) were omitted and as if subsection (3) were omitted,
 - (d) section 174(4) but as if “at a time when both were members of the group” were substituted for “ in a transfer to which section 171(1) applied ”,
 - (e) section 175(1) but as if “to which this section applies” were omitted, and

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (f) section 179 but as if subsections (1)(b) and (1A) were omitted, as if for any reference to a group of companies there were substituted a reference to a non-resident group of companies and as if for any reference to a company there were substituted a reference to a non-resident company.

(3) In this section—

“non-resident company” means a company which is not resident in the United Kingdom,

“non-resident group of companies”—

- (a) in the case of a group none of whose members are resident in the United Kingdom, means that group, and
 (b) in the case of a group some of whose members are not resident in the United Kingdom, means the members which are not resident in the United Kingdom, and

“group” is to be read in accordance with section 170.

Supplementary

3G Supplementary provisions

- (1) If tax payable by a person (“P”) as a result of section 3 is paid by—
 (a) the company (“C”) to which the gain accrues, or
 (b) a company by reference to which P is regarded as an indirect participator in C,
 the amount paid is not a payment to P for tax purposes.
- (2) The reference here to tax purposes is to the purposes of income tax, capital gains tax or corporation tax.
- (3) For the purposes of section 3 the amount of a gain or loss accruing to a company is calculated as if the company were a company resident in the United Kingdom chargeable to corporation tax on the gain.”

“SCHEDULE 1

UK RESIDENT INDIVIDUALS NOT DOMICILED IN UK

Foreign gains treated as accruing when remitted to UK

- 1 (1) This paragraph applies in the case of an individual to whom the remittance basis applies for a tax year if—
 - (a) in that year the individual disposes of foreign assets,

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) chargeable gains accrue to the individual on the disposal of those assets, and
 - (c) the gains are not taken outside the charge to capital gains tax as a result of section 1G (cases where tax year is a split year).
- (2) The gains are treated as accruing to the individual only so far as, and at the time when, they are remitted to the United Kingdom.
- (3) The amount treated as accruing is equal to the full amount remitted to the United Kingdom at that time.

Use of allowable losses against foreign gains remitted in later year

- 2 (1) This paragraph applies if—
 - (a) gains are treated as accruing to an individual in a tax year as a result of paragraph 1,
 - (b) the tax year is later than the one (“the actual year of accrual”) in which those gains actually accrued to the individual, and
 - (c) an election under section 16ZA (election for foreign losses to be allowable losses) has effect for both the tax year and the actual year of accrual.
- (2) No allowable losses may be deducted under section 1 from the gains.
- (3) This prohibition—
 - (a) applies regardless of whether or not the allowable losses accrue on disposals of foreign assets, but
 - (b) does not prevent the prior application of paragraph 3(3) in relation to the gains (which contains a rule for reducing the amount of the gains by reference to losses).

Matching rules for relieving allowable losses

- 3 (1) This paragraph applies in the case of an individual for a tax year if—
 - (a) the remittance basis applies to the individual for the tax year, and
 - (b) an election under section 16ZA has effect for the tax year.
- (2) Allowable losses accruing to the individual must be matched to chargeable gains accruing to the individual in accordance with paragraph 4.
- (3) If allowable losses are matched to chargeable gains accruing on disposals of foreign assets—
 - (a) which actually accrue in the tax year, but
 - (b) which are, as a result of paragraph 1, treated as not accruing in the tax year,the amount of those gains is reduced by the matched amount (and the allowable losses are reduced accordingly).
- (4) So far as allowable losses are matched to other chargeable gains, they are deducted from chargeable gains accruing to the individual in the tax year.
- (5) This is subject to—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (a) paragraph 2 (no use of allowable losses against foreign gains remitted in later year), and
- (b) section 1E(4) (prohibition of deduction of losses from gains treated as accruing under section 87, 87K, 87L or 89(2)).

Rules for matching losses to chargeable gains

- 4 (1) This paragraph explains how, for the purposes of paragraph 3, allowable losses are matched to chargeable gains in the case of an individual to whom that paragraph applies for a tax year.
- (2) The losses are matched to the gains in the following order—
 - first*, gains actually accruing to the individual in the tax year on the disposal of foreign assets so far as they are remitted to the United Kingdom in the tax year;
 - second*, gains actually accruing to the individual in the tax year on the disposal of foreign assets so far as they are not remitted to the United Kingdom in the tax year;
 - third*, any other gains accruing to the individual in the tax year.
- (3) If the tax year is a split year, the matching under the first and second steps is to be done by reference to the extent to which the gains are, or are not, remitted in the UK part of the year.
- (4) If there are losses to be matched to gains under the second step but the losses are insufficient to eliminate the gains—
 - (a) the losses are to be matched against gains accruing on the most recent day first (and then the next most recent day and so on until none of the losses remain), and
 - (b) if losses cannot be matched fully against gains accruing on a particular day, the appropriate portion of the losses is matched against each of the gains.
- (5) “The appropriate portion” means the amount of each gain accruing on the day divided by the total amount of all of the gains accruing on the day.

Definitions

- 5 (1) For the purposes of this Schedule “foreign asset” means an asset situated outside the United Kingdom.
- (2) For the purposes of this Schedule any reference to “the remittance basis” applying to an individual for a tax year is to section 809B, 809D or 809E of ITA 2007 applying to the individual for the year.
- (3) For the purposes of this Schedule any question as to whether, and when, amounts are “remitted to the United Kingdom” is determined in accordance with the rules in Chapter A1 of Part 14 of ITA 2007.”

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

“SCHEDULE 1A

ASSETS DERIVING 75% OF VALUE FROM UK LAND ETC

PART 1

INTRODUCTION

- 1 This Schedule makes provision, for the purposes of section 1A(3)(c) or 2B(4) (b), for determining in the case of any disposal of any asset—
 - (a) whether the asset derives at least 75% of its value from UK land (see Part 2 of this Schedule), and
 - (b) whether the person making the disposal has a substantial indirect interest in the UK land (see Part 3 of this Schedule).
- 2 The provision made by this Schedule needs to be read together with—
 - (a) paragraph 5 of Schedule 5AAA (which treats units in a CoACS as shares for the purposes of this Schedule), and
 - (b) paragraph 6 of that Schedule (which treats certain disposals of interests in collective investment vehicles as meeting the conditions in Part 3 of this Schedule).

PART 2

WHETHER ASSET DERIVES AT LEAST 75% OF ITS VALUE FROM UK LAND

The basic rule

- 3 (1) An asset derives at least 75% of its value from UK land if—
 - (a) the asset consists of a right or an interest in a company, and
 - (b) at the time of the disposal, at least 75% of the total market value of the company's qualifying assets derives (directly or indirectly) from interests in UK land.
- (2) Market value may be traced through any number of companies, partnerships, trusts and other entities or arrangements but may not be traced through a normal commercial loan.
- (3) It is irrelevant whether the law under which a company, partnership, trust or other entity or an arrangement is established or has effect is—
 - (a) the law of any part of the United Kingdom, or
 - (b) the law of any territory outside the United Kingdom.
- (4) The assets held by a company, partnership or trust or other entity or arrangement must be attributed to the shareholders, partners, beneficiaries or other participants at each stage in whatever way is appropriate in the circumstances.
- (5) For the purposes of this paragraph—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

“normal commercial loan” means a loan which is a normal commercial loan for the purposes of section 158(1)(b) or 159(4)(b) of CTA 2010, and

“qualifying assets” has the meaning given by paragraph 4.

- (6) The provision made by this paragraph is subject to exceptions provided by—
- (a) paragraph 5 (interests in UK land used for trading purposes), and
 - (b) paragraph 6 (certain disposals of rights or interests in connected companies).

Meaning of “qualifying assets”

- 4 (1) Subject as follows, all of the assets of the company are qualifying assets.
- (2) An asset of the company is not a qualifying asset so far as it is matched to a related party liability.
- (3) But an interest in UK land is a qualifying asset of the company even if it is matched to any extent to a related party liability.
- (4) An asset of the company is matched to a related party liability if—
- (a) the asset consists of a right under a transaction (for example, a right under a loan relationship or derivative contract),
 - (b) the right entitles the company to require another person to meet a liability arising under the transaction, and
 - (c) the other person is relevant to the paragraph 3 tracing exercise or is a related party of the company on the day of the disposal.
- (5) For the purposes of this paragraph a person is relevant to the paragraph 3 tracing exercise if—
- (a) the person has assets that fall to be taken into account in the tracing exercise mentioned in paragraph 3, or
 - (b) the person has obligations (whether as a trustee or otherwise) in relation to the holding of assets comprised in any trust or other arrangement that fall to be taken into account in that exercise.
- (6) Whether, for the purposes of this paragraph, a person is a related party of the company on any day is determined in accordance with the rules in Part 8ZB of CTA 2010 but as if, in section 356OT(4) of that Act, the words “, within the period of 6 months beginning with that day” were omitted.
- (7) In this paragraph a liability includes a contingent liability (such as one arising as a result of the giving of a guarantee, indemnity or other form of financial assistance).

Exception in relation to interests in UK land used for trading purposes

- 5 (1) A disposal of a right or interest in a company is not to be regarded as a disposal of an asset deriving at least 75% of its value from UK land if it is reasonable to conclude that, so far as the market value of the company's qualifying assets derives (directly or indirectly) from interests in UK land—
- (a) all of the interests in UK land are used for trading purposes, or

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) all of the interests in UK land would be used for those purposes if low-value non-trade interests in UK land were left out of account.
- (2) An interest in UK land is “used for trading purposes” for the purposes of this paragraph if (and only if), at the time of the disposal—
 - (a) it is being used in, or for the purposes of, a qualifying trade, or
 - (b) it has been acquired for use in, or for the purposes of, a qualifying trade.
- (3) A trade is a “qualifying” trade for the purposes of this paragraph if—
 - (a) it has been carried on by the company, or by a person connected with the company, throughout the period of one year ending with the time of the disposal on a commercial basis with a view to the realisation of profits, and
 - (b) it is reasonable to conclude that the trade will continue to be carried on (for more than an insignificant period of time) on a commercial basis with a view to the realisation of profits.
- (4) For the purposes of this paragraph, “low-value non-trade interests in UK land” means interests in UK land—
 - (a) which are not used for trading purposes, and
 - (b) the total market value of which is, at the time of the disposal, no more than 10% of the total market value at that time of the interests in UK land that are used for trading purposes.

Exception for certain disposals of rights or interests under same arrangements etc

- 6 (1) This paragraph applies if—
- (a) there are two or more disposals of rights or interests in companies,
 - (b) the disposals are linked with each other,
 - (c) some but not all of the disposals would, apart from this paragraph, be disposals of assets deriving at least 75% of their value from UK land, and
 - (d) if one of the companies included all of the assets of the others, a disposal of a right or interest in it would not be a disposal of an asset deriving at least 75% of its value from UK land.
- (2) None of the disposals are to be regarded as disposals of assets deriving at least 75% of their value from UK land.
- (3) In determining whether the condition in sub-paragraph (1)(d) is met in the case of a disposal of a right or interest in a company, it is to be assumed that, for the purposes of paragraph 4, each of the other companies in which rights or interest are disposed of is (so far as this would not otherwise be the case) a related party of the company on the day of the disposal.
- (4) For the purposes of this paragraph a disposal of a right or interest in a company is linked with a disposal of a right or interest in another company if—
- (a) the disposals are made under the same arrangements,
 - (b) the disposals are made by the same person or by persons connected with each other,

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

 - (d) in the case of each disposal, the person making the disposal is connected with the company in which the right or interest is disposed of.
- (5) For the purposes of this paragraph, the question whether or not a person is connected with another is to be determined immediately before the arrangements are entered into.
- (6) Section 286 (connected persons: interpretation) has effect for the purposes of this paragraph as if, in subsection (4), the words “Except in relation to acquisitions or disposals of partnership assets pursuant to bona fide commercial arrangements,” were omitted.

- 7 For the purposes of this Part of this Schedule “interest in UK land” has the meaning given by section 1C.

PART 3

WHETHER PERSON HAS SUBSTANTIAL INDIRECT INTEREST IN UK LAND

Basic rule

- 8 (1) If—
- (a) a person disposes of an asset consisting of a right or an interest in a company, and
 - (b) the asset derives at least 75% of its value from UK land,
- the person has a substantial indirect interest in UK land if, at any time in the period of 2 years ending with the time of the disposal, the person has a 25% investment in the company.
- (2) But a person is not to be regarded as having a 25% investment in the company at times falling in the person's qualifying ownership period if, having regard to the length of that period, the times (taken as whole) constitute an insignificant proportion of that period.
- (3) The “person's qualifying ownership period” means the period throughout which the person has held an asset consisting of a right or an interest in the company, but excluding times that fall before the beginning of the 2 year period mentioned in sub-paragraph (1).

Meaning of “25% investment”

- 9 (1) A person (“P”) has a 25% investment in a company (“C”) if—
- (a) P possesses or is entitled to acquire 25% or more of the voting power in C,
 - (b) in the event of a disposal of the whole of the equity in C, P would receive 25% or more of the proceeds,

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (c) in the event that the income in respect of the equity in C were distributed among the equity holders in C, P would receive 25% or more of the amount so distributed, or
 - (d) in the event of a winding-up of C or in any other circumstances, P would receive 25% or more of C's assets which would then be available for distribution among the equity holders in C in respect of the equity in C.
- (2) In this paragraph references to the equity in C are to—
 - (a) the shares in C other than restricted preference shares, or
 - (b) loans to C other than normal commercial loans.
- (3) For this purpose “shares in C” includes—
 - (a) stock, and
 - (b) any other interests of members in C.
- (4) For the purposes of this paragraph a person is an equity holder in C if the person possesses any of the equity in C.
- (5) For the purposes of this paragraph—
 - “normal commercial loan” means a loan which is a normal commercial loan for the purposes of section 158(1)(b) or 159(4)(b) of CTA 2010, and
 - “restricted preference shares” means shares which are restricted preference shares for the purposes of section 160 of CTA 2010.
- (6) In a case where C is a company which does not have share capital, in applying for the purposes of this paragraph the definitions of “normal commercial loan” and “restricted preference shares”—
 - (a) sections 160(2) to (7) and 161 to 164 of CTA 2010, and
 - (b) any other relevant provisions of that Act,have effect with the necessary modifications.

 - (a) the direct or indirect receipt of the proceeds, amount or assets, and
 - (b) the direct or indirect application of the proceeds, amount or assets for the person's benefit,and it does not matter whether the receipt or application is at the time of the disposal, distribution, winding-up or other circumstances or at a later time.
- (8) If—
 - (a) there is a direct receipt or direct application of any proceeds, amount or assets by or for the benefit of a person (“A”), and
 - (b) another person (“B”) directly or indirectly owns a percentage of the equity in A,there is, for the purposes of sub-paragraph (7), an indirect receipt or indirect application of that percentage of the proceeds, amount or assets by or for the benefit of B.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (9) For this purpose the percentage of the equity in A directly or indirectly owned by B is to be determined by applying the rules in sections 1155 to 1157 of CTA 2010 with such modifications (if any) as may be necessary.
- (10) Sub-paragraph (7) is not to result in a person being regarded as having a 25% investment in another person merely as a result of their being parties to a normal commercial loan.
- (11) Any reference in this paragraph, in the case of a person who is a member of a partnership, to the proceeds, amount or assets of the person includes the person's share of the proceeds, amount or assets of the partnership (apportioning those things between the partners on a just and reasonable basis).

Attribution of rights and interests

- 10 (1) In determining for the purposes of paragraph 9 the investment that a person (“P”) has in a company, P is to be taken to have all of the rights and interests of any person connected with P.
- (2) A person is not to be regarded as connected with another person for the purposes of this paragraph merely as a result of their being parties to a loan that is a normal commercial loan for the purposes of paragraph 9.
- (3) Section 286 (connected persons: interpretation) has effect for the purposes of this paragraph—
 - (a) as if, in subsection (2), for the words from “, or is a relative” to the end there were substituted “ or is a lineal ancestor or lineal descendant of the individual or of the individual's spouse or civil partner ”, and
 - (b) as if subsections (4) and (8) were omitted.

- (2) The tax advantage is to be counteracted by the making of such adjustments as are just and reasonable.
- (3) The adjustments may be made (whether by an officer of Revenue and Customs or the person) by way of an assessment, the modification of an assessment, amendment or disallowance of a claim, or otherwise.
- (4) The counteraction has effect in a treaty shopping case regardless of section 6(1) of TIOPA 2010.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

 - (b) the works have been carried out in accordance with the permission or consent.
 - (3) In this paragraph “the works period” means—
 - (a) the period when the works were in progress, and

 - (b) anything else was being done in contravention of a condition or requirement attached to a planning permission or development consent relating to the building,
- the works period does not include that time.
- (5) If sub-paragraph (1) would have applied but for the fact that, at the completion of the disposal, the works are not qualifying works, the works are regarded as not affecting the building's suitability for use as a dwelling at any time before the disposal.

Introductory

- 1 (1) This Schedule provides for the application of section 1K (in some cases with modifications) in relation to the trustees of a settlement for a tax year.

 - (b) a settlement is a qualifying UK settlement.
- (3) For the definitions of those expressions, see paragraphs 3 and 7 respectively.
- (4) In this Schedule any reference to the application of section 1K in relation to an individual for a tax year is to its application in relation to an individual who is resident and domiciled in the United Kingdom for the year.

 - (b) if any income arising from any of the property is applied for the benefit of a beneficiary, it is applied for the disabled person's benefit.

- 5 (1) This paragraph applies if settlement is not a settlement for the benefit of a disabled person for a tax year.

 - (b) the amount resulting from dividing half of an individual's amount for that year by the number of settlements in the group,
- whichever is the greater.
- (4) In this paragraph “an individual's amount”, in relation to a tax year, means the annual exempt amount applying to an individual for the year under section 1K.
- (5) For the purposes of this paragraph all qualifying UK settlements in relation to which the same person is the settlor constitute a group.
- (6) If—
- (a) two or more persons are settlors in relation to a settlement, and
 - (b) a settlement is consequently comprised in two or more groups comprising different numbers of settlement,
- sub-paragraphs (2)(b) and (3)(b) have effect by reference to the largest group.

- (a) applies if the trustees of a settlement (“the principal settlement”) have made an election under paragraph 1 of Schedule 4ZA the effect of which is that one or more other settlements (“sub-fund settlements”) are treated as created, and
 - (b) provides for the annual exempt for the trustees of each of the affected settlements to be determined by reference to the assumed annual amount.
- (2) For this purposes of this paragraph—

- (9) This paragraph is subject to paragraph 7 (collective investment vehicles expected to have no more than 40% investments in UK land).
- 7 (1) This paragraph applies to a disposal which would otherwise have an appropriate connection to a collective investment vehicle as a result of paragraph 6(3), (5) or (6).

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (2) A disposal does not have an appropriate connection to a collective investment vehicle if, at the time of the disposal, the vehicle mentioned in paragraph 6(3)(a) or (5) or (6), or each of the vehicles mentioned in paragraph 6(3)(b), meets—
 - (a) the non-UK real estate condition, and
 - (b) the genuine diversity of ownership condition or, if the vehicle is a company, the non-close condition.
- (3) If—
 - (a) a disposal is made as mentioned in paragraph 6(6), and
 - (b) the vehicle mentioned there is constituted by two or more persons carrying on a trade or business in partnership,
 the condition in sub-paragraph (2)(b) is taken to be met if the company mentioned in paragraph 6(6) meets the non-close condition.
- (4) A vehicle meets the non-UK real estate condition at any time if, by reference to the prospectus for the vehicle as the prospectus has effect at that time, no more than 40% of the expected market value of the vehicle's investments is intended to derive from investments consisting of—
 - (a) interests in UK land, or
 - (b) rights or interests in companies which are UK property rich.
- (5) A vehicle meets the genuine diversity of ownership condition at any time if, at that time—
 - (a) it meets conditions A to C of regulation 75 of the Offshore Funds (Tax) Regulations 2009, or
 - (b) it meets the condition in regulation 75(5) of those Regulations,
 and those Regulations apply for the purposes of this sub-paragraph as if any collective investment vehicle which is not an offshore fund were regarded as an offshore fund.
- (6) A company meets the non-close condition at any time if, at that time, it—
 - (a) is not a close company, or
 - (b) is a close company but only because it has a qualifying investor as a direct or indirect participator.
- (7) Paragraph 46 (meaning of “close company”, “qualifying investor” and “direct or indirect participator”) applies for the purposes of sub-paragraph (6).

PART 3

ELECTION FOR TRANSPARENCY

Election for collective investment vehicle to be treated as partnership

- 8 (1) This paragraph applies to an offshore collective investment vehicle—
 - (a) which is UK property rich, and

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) which is transparent for income tax purposes otherwise than as a result of being constituted by two or more persons carrying on a trade or business in partnership.
- (2) The manager of the vehicle may make an election for the vehicle to be treated for the purposes of—
 - (a) this Act, and
 - (b) the Management Act, and any other provision of the Corporation Tax Acts, so far as relating to the taxation of chargeable gains,as if, in relation to all times on and after its constitution, it were to be regarded as a partnership.
- (3) Accordingly, as a result of sub-paragraph (2)(b), it follows that, in applying rules such as section 1154 of CTA 2010 (meaning of “75% subsidiary” etc) for the purposes of Part 12 of that Act (Real Estate Investment Trusts) so far as relating to the taxation of chargeable gains, the vehicle is to be regarded as a partnership.
- (4) In the case of section 12AA of the Management Act as it applies as a result of sub-paragraph (2), a notice under subsection (2) or (3) of that section may be given to the manager of the vehicle.
- (5) The election has effect whether or not the vehicle would, but for the making of the election, be regarded as a person chargeable to capital gains tax or corporation tax on chargeable gains.
- (6) For the purposes of this paragraph whether or not an offshore collective investment vehicle is regarded as being UK property rich may be determined by reference to the prospectus for the vehicle on the assumption that investments are made by the vehicle in accordance with the prospectus.
- (7) For the purposes of this paragraph a collective investment vehicle is “transparent for income tax purposes” if, on the assumption that there are participants who are individuals resident in the United Kingdom, any sums which form part of the income of the vehicle—
 - (a) would be chargeable to income tax on those assumed participants under a provision specified in section 830(2) of ITTOIA 2005 in respect of such of those sums as would be referable to their interests, or
 - (b) if any of that income is derived from assets within the United Kingdom, would be so chargeable had the assets been outside the United Kingdom.
- (8) If an election is made under this paragraph in relation to a collective investment vehicle—
 - (a) section 99 (application of Act to unit trust schemes) does not apply in relation to the vehicle, and
 - (b) section 103D (tax transparent funds) does not apply in relation to the vehicle.

Further provision about election

- 9 (1) An election under paragraph 8 in relation to an offshore collective investment vehicle—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (a) has effect only if the participants in the vehicle at the time at which it is made have consented to the making of the election,
 - (b) must be made by notice given to an officer of Revenue and Customs, and
 - (c) must be made before the end of the period of 12 months beginning with the relevant acquisition date.
- (2) For this purpose “the relevant acquisition date” means the earliest date on which—
- (a) an interest in UK land, or
 - (b) a right or interest in a company that is UK property rich,
- forms part of the property that is the subject of or held by the vehicle.
- (3) An election under paragraph 8 is irrevocable.

Units in CIVs held by life insurance companies

- 10 (1) This paragraph applies if an election under paragraph 8 has effect in relation to an offshore collective investment vehicle.
- (2) The election is treated as having no effect for the purposes of this Act in relation to any units in the vehicle which are held by an insurance company for the purposes of its long-term business.

Relationship to re-basing rules under Schedule 4AA for non-UK residents

- 11 (1) This paragraph applies if—
- (a) an election under paragraph 8 has effect in relation to an offshore collective investment vehicle, and
 - (b) as a result of the election, Part 3 or 4 of Schedule 4AA would (but for this paragraph) apply in relation to a disposal made by a participant in the vehicle.
- (2) The disposal is to be regarded for the purposes of Schedule 4AA as if it were one to which Part 2 of that Schedule applies.

PART 4

EXEMPTION

Exemption for qualifying offshore CIV that is UK property rich etc

- 12 (1) An election may be made for a collective investment vehicle, or a company which is not a collective investment vehicle, to be exempt from corporation tax on chargeable gains accruing to it on—

 - (c) the vehicle is UK property rich,
 - (d) the vehicle meets all of the qualifying conditions set out in paragraph 13, and
 - (e) if the vehicle is an AIF, it would also meet the definition of a collective investment vehicle for another reason.

 - (b) the appropriate entity is UK property rich, and
 - (c) the company meets all of the qualifying conditions set out in paragraph 13,and it does not matter where the company is resident.
- (4) In sub-paragraph (3)(b) the “appropriate entity” means—

 - (b) in a case where the collective investment scheme is constituted by a CoACS, the CoACS.
- (5) If an election is made under this paragraph in respect of a collective investment vehicle—
 - (a) the vehicle is referred to in this Part of this Schedule as “a qualifying fund”, and
 - (b) any reference in this Part of this Schedule to a qualifying fund, in relation to any time after the election is made (including any time after the election ceases to have effect), is to be read as a reference to the arrangements, undertaking or company which met the definition of collective investment vehicle when the election was made.
- (6) If an election is made under this paragraph in respect of a company which is not a collective investment vehicle—
 - (a) the company is referred to in this Part of this Schedule as “a qualifying company”, and

- (7) Section 103D (application of Act to tax transparent funds) does not apply for the purpose of determining whether sub-paragraph (3)(a) applies.
- (8) In this paragraph—
 - “AIF” has the meaning given by regulation 3 of the Alternative Investment Fund Managers Regulations 2013, and

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

“CoACS” means an authorised contractual scheme which is a co-ownership scheme.

Qualifying conditions and information provided to HMRC

- 13 (1) For the purposes of paragraph 12(2), a collective investment vehicle meets the qualifying conditions in this paragraph at any time if, at that time—
- (a) it is a collective investment scheme and it meets the genuine diversity of ownership condition,
 - (b) it is a company (otherwise than as a result of paragraph 4) and it meets the recognised stock exchange condition and the non-close condition, or
 - (c) it is a collective investment vehicle (of any kind) and it meets the UK tax condition and the non-close condition.
- (2) For the purposes of paragraph 12(3), a company which is not a collective investment vehicle meets the qualifying conditions in this paragraph at any time if, at that time, either—
- (a) the company meets the UK tax condition and the non-close condition, or
 - (b) the collective investment scheme which wholly (or almost wholly) owns the company meets the genuine diversity of ownership condition.
- (3) For the purposes of this paragraph a collective investment scheme meets the genuine diversity of ownership condition at any time if, at that time—
- (a) it meets conditions A to C of regulation 75 of the Offshore Funds (Tax) Regulations 2009, or
 - (b) it meets the condition in regulation 75(5) of those Regulations, and those Regulations apply for the purposes of this sub-paragraph as if any collective investment scheme which is not an offshore fund were regarded as an offshore fund.
- (4) For the purposes of this paragraph a company meets the recognised stock exchange condition at any time if, at that time—
- (a) it has ordinary share capital, and
 - (b) the shares forming part of its ordinary share capital are regularly traded on a recognised stock exchange.
- (5) For the purposes of this paragraph a company meets the non-close condition at any time if, at that time, it—
- (a) is not a close company, or
 - (b) is a close company but only because it has a qualifying investor as a direct or indirect participator.
- (6) Paragraph 46 (meaning of “close company”, “qualifying investor” and “direct or indirect participator”) applies for the purposes of sub-paragraph (5).
- (7) For the purposes of this paragraph a company meets the UK tax condition at any time if, on the assumption that all of the shares in it were disposed of for their market value at that time, the person making the election reasonably considers at that time that, as a result solely of double taxation arrangements,

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

no more than 25% of the total proceeds would fall to be left out of account for the purposes of this Act.

- 14 (1) An election under paragraph 12 has effect only if it is accompanied by information of such description as may be specified by an officer of Revenue and Customs about disposals made by participants in the relevant fund at any time in—
- (a) the period of two years ending with the day before the day on which the election is made, or
 - (b) if shorter, the period beginning with the constitution of the relevant fund and ending with the day before the day on which the election is made.
- (2) Information is not required by sub-paragraph (1) to accompany the election so far as—
- (a) it has already been provided to an officer of Revenue and Customs in a form and manner, and at times, specified by an officer of Revenue and Customs, and
 - (b) the election sets out those occasions on which the information has been so provided.
- 15 (1) An election under paragraph 12 has effect subject to such conditions as to the provision of information or documents to an officer of Revenue and Customs as may be specified by an officer of Revenue and Customs.
- (2) The information or documents must be provided to an officer of Revenue and Customs in respect of every period of account of the relevant fund which ends at a time when the election has effect.
- (3) The information or documents must be provided to an officer of Revenue and Customs within the period of 12 months from the end of the period of account.
- (4) The conditions as to the provision of information or documents may include—
- (a) conditions relating to the participants in the relevant fund, and
 - (b) conditions requiring information or documents in respect of the operation of any provision of this Schedule (or any provision of this Act relevant to this Schedule).
- (5) In the case of an election under paragraph 12—
- (a) a designated HMRC officer may revoke the election if, in the officer's opinion, there has been, without reasonable excuse, a breach of any provision made by or under this paragraph, but
 - (b) an officer of Revenue and Customs (whether or not designated) may waive a breach of any provision made by or under this paragraph if, in the officer's opinion, there is no reasonable excuse for the breach but, having regard to all the circumstances, the breach is nonetheless insignificant.
- (6) The circumstances to which the officer may have regard in determining whether a breach is insignificant include the number and seriousness of previous breaches.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (7) In this paragraph “period of account”, in relation to the relevant fund, means any period for which accounts of the relevant fund are drawn up.
- (8) If the period of account would otherwise be longer than 12 months, the period of account is to be treated for the purposes of this paragraph as split into more than one period of account, and—
 - (a) the first deemed period of account is to be 12 months long, and
 - (b) any subsequent deemed period of account is to start when the previous deemed period of account ends and is to end 12 months later or, if earlier, when the actual period of account ends.

*Exemption for direct or indirect disposals
of UK land by persons in which fund invests*

- 16 (1) This paragraph applies if—
- (a) an election under paragraph 12 has been made in respect of a qualifying fund or qualifying company (“Q”),
 - (b) Q is UK property rich by reference (wholly or partly) to particular interests in UK land (“the relevant UK property”), and
 - (c) a person other than Q makes a disposal at a time when the election has effect.
- (2) If—
- (a) the disposal is a direct disposal of any of the relevant UK property by a person, and
 - (b) immediately before the disposal, Q has a 40% investment in the person,
- the appropriate proportion of any gain accruing to the person on the disposal is not a chargeable gain.
- (3) If the disposal is an indirect disposal of UK land in a case where—
- (a) the interests in UK land in question consist of or include any of the relevant UK property, and
 - (b) immediately before the disposal, Q has a 40% investment in the company in question,
- the appropriate proportion of any gain accruing to the person on the disposal is not a chargeable gain.
- (4) For the purposes of this paragraph the “appropriate proportion” means the proportion that so much of the consideration for the disposal as forms part (directly or indirectly) of the assets of Q bears to the total consideration for the disposal.
- (5) For the purposes of this paragraph a person has a 40% investment in a company if, applying the rule in paragraph 9 (but without regard to paragraph 10) of Schedule 1A as if references to 25% were references to 40%, the person would be regarded as having a 40% investment in the company immediately before the disposal.
- (6) In this paragraph—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

“the interests in UK land in question” means the interests in UK land taken into account in determining whether the disposal is an indirect disposal of UK land, and

“the company in question”, in relation to a disposal of a right or interest in a company by the person, means that company.

- (7) If an officer of Revenue and Customs considers that the operation of this paragraph would otherwise result in the total proportion of a gain that is not a chargeable gain exceeding the whole of the gain, the officer may make such adjustments to the appropriate proportion of a gain accruing to any person as the officer considers just and reasonable to prevent that result.

Making of election and period for which it has effect

- 17 (1) An election under paragraph 12—
- (a) must be made by the relevant fund manager, and
 - (b) must be made by notice given to an officer of Revenue and Customs.
- (2) An election under paragraph 12 must specify the day from which it is to have effect.
- (3) The election has effect in relation to disposals on or after the day specified in the election.
- (4) A day may be specified in the election even if it falls before the day on which the election is made.
- (5) But a day that falls more than 12 months before the day on which the election is made may be specified only if an officer of Revenue and Customs consents.
- (6) For this purpose—
- (a) consent may be given generally (for example, by describing, in a notice published by an officer of Revenue and Customs, cases in which consent is deemed to be given), or
 - (b) consent may be given in relation to particular cases.

Revocation of election

- 18 (1) In addition to the case set out in paragraph 15(5)(a), a designated HMRC officer may revoke an election under paragraph 12 if, in order to safeguard the public revenue, the officer considers it is appropriate to revoke the election.
- (2) In the case of an election under paragraph 12 which is revoked by a designated HMRC officer (whether under this paragraph or paragraph 15), the revocation must be made by notice given by a designated HMRC officer to the relevant fund manager.
- (3) The relevant fund manager may revoke an election under paragraph 12 by giving notice of the revocation to an officer of Revenue and Customs.
- (4) A notice of revocation of an election under paragraph 12 must specify the day from which the election is to cease to have effect.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (5) The election ceases to have effect in relation to disposals made on or after the day specified in the notice of revocation.
 - (6) The relevant fund manager may specify a day in a notice of revocation even if the day falls before the day on which the notice is given but only if an officer of Revenue and Customs consent.
 - (7) For this purpose—
 - (a) consent may be given generally (for example, by describing, in a notice published by an officer of Revenue and Customs, cases in which consent is deemed to be given), or
 - (b) consent may be given in relation to particular cases.
- 19 (1) A notice of revocation given by a designated HMRC officer under paragraph 15 or 18 must state the grounds for revoking the election under paragraph 12.
- (2) The relevant fund manager may bring an appeal against the revocation of the election.
 - (3) The appeal must be made by notice given to the designated HMRC officer during the period of 30 days beginning with the day on which the notice of revocation is given.
 - (4) In the case of an appeal which is notified to the tribunal (see Part 5 of the Management Act), the tribunal must not allow the appeal unless it considers that a designated HMRC officer could not reasonably have been satisfied that there were grounds for revoking the election.

Qualifying fund or company ceasing to meet applicable exemption conditions

- 20 (1) This paragraph applies if—
- (a) an election under paragraph 12 has been made at any time in respect of a qualifying fund or qualifying company, and
 - (b) at any subsequent time, the qualifying fund or qualifying company ceases to meet the applicable exemption conditions.
- (2) The election ceases to have effect from that subsequent time in relation to disposals made at or after that time.
- (3) This paragraph needs to be read with—
- (a) paragraph 27 (temporary period of no more than 30 days during which certain of applicable exemption conditions not met),
 - (b) paragraph 28 (temporary period of no more than 9 months during which applicable exemption conditions not met), and
 - (c) paragraph 30 (steps taken by relevant fund manager to wind up relevant fund).

Deemed disposal: payments not otherwise taxable where value derived from direct or indirect disposals of UK land

- 21 (1) This paragraph applies if—
- (a) an election under paragraph 12 that has been made in respect of a qualifying fund or qualifying company has effect at any time,

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) a participant in the relevant fund is entitled to receive an amount at that time (“the relevant time”) which represents, in substance, value derived (directly or indirectly) from a direct disposal of UK land or from the UK land component of an indirect disposal of UK land, and
 - (c) the amount is regarded as being of a revenue nature and does not fall to be taken into account for the purposes of income tax or corporation tax on income.
- (2) In the case of an election made in respect of a qualifying fund, the participant in the relevant fund is deemed for the purposes of this Act—
 - (a) to have sold its units in the relevant fund immediately before the relevant time at their market value immediately before that time, and
 - (b) to have reacquired those units immediately after the relevant time at their market value immediately after that time.
- (3) In the case of an election made in respect of a qualifying company, the participant in the relevant fund is deemed for the purposes of this Act—
 - (a) to have sold its rights and interests in the company immediately before the relevant time at their market value immediately before that time, and
 - (b) to have reacquired those rights and interests immediately after the relevant time at their market value immediately after that time.
- (4) In this paragraph “the UK land component” of an indirect disposal of UK land means the interests in UK land taken into account in determining whether the disposal is an indirect disposal of UK land.

Deemed disposal if election ceases to have effect

- 22 (1) This paragraph applies if at any time an election which has been made under paragraph 12 in respect of a qualifying fund or qualifying company ceases to have effect.
- (2) In the case of an election made in respect of a qualifying fund, each participant in the relevant fund is deemed for the purposes of this Act—
 - (a) to have sold its units in the relevant fund immediately before that time, and
 - (b) to have immediately reacquired those rights and interests, at their market value immediately before that time.
 - (3) In the case of an election made in respect of a qualifying company, each participant in the relevant fund is deemed for the purposes of this Act—
 - (a) to have sold its rights and interests in the company immediately before that time, and
 - (b) to have immediately reacquired those rights and interests, at their market value immediately before that time.

Gains accruing on disposals under paragraph 21 or 22

- 23 (1) This paragraph applies if a disposal of an asset is deemed to have been made by a person at any time under—
- (a) paragraph 21, or

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) paragraph 22 but only as a result of paragraph 20 (qualifying fund or qualifying company ceasing to meet the applicable exemption conditions).
- (2) Any gain (“the deemed gain”) accruing to the person on the disposal is treated as accruing to the person in accordance with the rules set out in the remainder of this paragraph.
- (3) If, at the time of the deemed disposal or a subsequent time—
 - (a) the person actually disposes of a unit in the relevant fund, or
 - (b) the person receives an amount of a kind mentioned in paragraph 21(1),
 the appropriate portion of the deemed gain is treated as accruing to the person at the time of the actual disposal or the time of the receipt.
- (4) For this purpose “the appropriate portion” means the proportion which—
 - (a) the consideration for the actual disposal, or
 - (b) the amount of the receipt,
 bears to the amount of the deemed gain.
- (5) If some of the deemed gain has accrued on one or more previous occasions, the appropriate portion is restricted so that, when added to the appropriate portion or portions on the previous occasion or occasions, it does not exceed 100%.
- (6) In determining the appropriate proportion, so much (if any) of the consideration for the actual disposal or the amount of the receipt as exceeds the amount of the deemed gain is to be ignored.
- (7) In the case of a disposal under paragraph 21, the remainder of the deemed gain is treated as accruing to the person (unless the whole amount has already accrued) when the relevant fund is wound up.
- (8) In the case of a disposal under paragraph 22, the remainder of the deemed gain is treated as accruing to the person (unless the whole amount has already accrued) at—
 - (a) the end of the period of three years beginning with the time of the deemed disposal, or
 - (b) if earlier, when the relevant fund is wound up.

Relief for expenses in the case of deemed disposals under paragraph 21 or 22

- 24 (1) This paragraph applies if a disposal is deemed to have been made by a person as a result of paragraph 21 or 22.
- (2) The person is treated for the purposes of section 38(1)(c) as having incurred incidental costs of making the deemed disposal equal to the notional costs.
 - (3) The reference here to the notional costs is to the incidental costs —
 - (a) which the person would reasonably have expected to have incurred if the deemed sale under paragraph 21 or 22 had been an actual sale, and
 - (b) which would have been allowable under section 38(1)(c) if there had been an actual sale.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

*Notification to participants in relation to
deemed disposals under paragraph 21 or 22*

- 25 (1) This paragraph applies if—
- (a) a disposal is deemed to have been made by a person under paragraph 21,
 - (b) a disposal is deemed to have been made by a person under paragraph 22 as a result of the revocation of an election, or
 - (c) an amount is treated as accruing to a person under paragraph 23(7) or (8).
- (2) The relevant fund manager must notify the person of the matters mentioned in sub-paragraph (1)(a), (b) or (c).
- (3) The notification—
- (a) must be in writing, and
 - (b) must be given within the period of 30 days beginning with the relevant time.
- (4) If this paragraph applies as result of sub-paragraph (1)(a) or (b), “the relevant time” means the time at which the deemed disposal is made.
- (5) If this paragraph applies as result of sub-paragraph (1)(c), “the relevant time” is the time at which the amount is treated as accruing.
- 26 (1) A person who fails to comply with paragraph 25 is liable to a penalty not exceeding £3,000.
- (2) If—
- (a) there is a failure to comply with that paragraph, and
 - (b) there are two or more persons who are the relevant fund managers each of whom is subject to the duty to notify under that paragraph,
- the total amount of the penalties to which those managers (taken together) are liable is not to exceed £3,000.
- (3) If a person becomes liable to a penalty under this paragraph, an officer of Revenue and Customs must—
- (a) assess the penalty, and
 - (b) notify the person.
- (4) The assessment must be made within the period of 12 months beginning with the day on which an officer of Revenue and Customs first becomes aware that the person has failed to comply with paragraph 25.
- (5) A person may, by notice, appeal against a decision of an officer of Revenue and Customs that a penalty is payable under this paragraph.
- (6) Notice of appeal under this paragraph must specify the grounds of appeal.
- (7) Notice of appeal under this paragraph must be given—
- (a) within 30 days after the penalty was notified to the person,
 - (b) to the officer of Revenue and Customs who notified the person.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (8) A penalty under this paragraph must be paid before the end of the period of 30 days beginning with—
- (a) the day on which the person was notified of the penalty, or
 - (b) if notice of appeal against the penalty is given, the day on which the appeal is finally determined or withdrawn.

Temporary period during which applicable exemption conditions not met

- 27 (1) This paragraph applies if—
- (a) an election under paragraph 12 has been made in respect of a qualifying fund or qualifying company (“Q”),
 - (b) Q ceases at any time (“the relevant time”) to meet the applicable exemption conditions otherwise than as a result of the vehicle or appropriate entity ceasing to be UK property rich (see paragraph 12(2)(c) or (3)(b)),
 - (c) the election would (but for this paragraph) have, accordingly, ceased to have had effect under paragraph 20 from the relevant time,
 - (d) the relevant fund manager expects Q to meet the applicable exemption conditions within 30 days, and
 - (e) Q does meets those conditions within 30 days.
- (2) The failure by Q to meet the applicable exemption conditions is to be ignored for the purposes of this Part of this Schedule.
- (3) In this paragraph any reference to Q meeting the applicable exemption conditions within 30 days is to Q meeting those conditions before the end of the period of 30 days beginning with the day on which the relevant time falls.
- (4) This paragraph does not apply on more than four occasions in any period of 12 months.
- 28 (1) This paragraph applies if—
- (a) an election under paragraph 12 has been made in respect of a qualifying fund or qualifying company,
 - (b) but for this paragraph, the election would, as a result of paragraph 20, have ceased to have effect from a particular time for all purposes of this Part of this Schedule (“the relevant time”),
 - (c) the relevant fund manager expects the failure to meet the applicable exemption conditions to last for a temporary period, and
 - (d) at the end of the temporary period, the qualifying fund or qualifying company does meet those conditions.
- (2) It is to be assumed that, for the purposes of any provision of this Part of this Schedule other than paragraph 22, the qualifying fund or qualifying company continues to meet the applicable exemption conditions during the temporary period.
- (3) Accordingly—
- (a) a deemed disposal occurs under paragraph 22 by reference to the failure to meet the applicable exemption conditions, but
 - (b) subject to that, the election continues to have effect during the temporary period.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (2) It is to be assumed that, for the purposes of any provision of this Part of this Schedule other than paragraph 22, the qualifying fund or qualifying company continues to meet the applicable exemption conditions until the relevant fund is wound up.

 - (a) that C had sold the asset at the relevant time, and
 - (b) that the total consideration for that sale was such that it results in a gain of £100 accruing to C.
- (5) For the purposes of this paragraph, an asset is a “qualifying asset” if, throughout the period of one year ending with the day on which the disposal of the asset is made, the asset has been held by C or any other company covered by the election or by Q.
- (6) In this paragraph “the relevant time” means the time immediately before the disposal of all the rights and interests in C.

- (4) For the purposes of sub-paragraph (3) an asset held by a company at the relevant time has been “covered by the election for 12 months” if, assuming the asset were disposed of at the relevant time, the disposal would have been one to which paragraph 16 applied by reference to the election.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (5) For the purposes of sub-paragraph (3) “the appropriate proportion” of an asset is equal to whatever would be, for the purposes of paragraph 16, the appropriate portion of any gain if it is assumed—

 - (b) that the total consideration for that sale was such that it results in a gain of £100 accruing to it.
- (6) For the purposes of this paragraph the election ceases to have effect in “disqualifying circumstances” if—
 - (a) it ceases to have effect as a result of a notice of revocation under paragraph 15(5)(a) in a case where a designated officer of Revenue and Customs is of the opinion that there have been at least three serious breaches of provision made by or under paragraph 15 during the period for which the election has had effect, or

- (2) The ownership of the qualifying institutional investors in the investing company is to be ignored for the purpose of applying the exemption conferred by paragraph 3A of Schedule 7AC so far as the ownership is through Q.
 - (3) In this paragraph “qualifying institutional investors” has the same meaning as in Schedule 7AC.
 - (4) Paragraph 3B of Schedule 7AC (meaning of “ownership”) applies for the purposes of this paragraph as it applies for the purposes of paragraph 3A of that Schedule.

Relationship between rules in this Part and REIT rules in Part 12 of CTA 2010

35 (1) Nothing in this Part of this Schedule is to exempt so much of any qualifying REIT gain as accrues on a disposal made by a company which is, or is a member of, a UK REIT.

- (2) The amount of the gain accruing to the JV company which is not a chargeable gain as a result of the operation, by reference to the election, of the rules in this Part of this Schedule—
 - (a) is found by first taking the two steps mentioned below (which require the application of each of the exemption rules without regard to the other), and
 - (b) once those two steps are taken, is so much of the amount found by the first step as exceeds the amount found by the second step.
- (3) The first step is, ignoring the effect of Part 12 of CTA 2010, to apply the rules in this Part of this Schedule that operate by reference to the election to identify the amount of the gain which (but for this paragraph) would not be chargeable.
- (4) The second step is, ignoring the effect of this Part of this Schedule, to apply the rules in Part 12 of CTA 2010 that operate in relation to the group UK REIT to identify the amount of the gain accruing to the JV company which falls to be exempted as mentioned in sub-paragraph (1)(b).
- (5) In the case of a disposal, a company is “covered by an election made under paragraph 12” for the purposes of this paragraph if the disposal is one to which paragraph 16 applies where the election concerned is the one referred to in this paragraph.
- (6) In this paragraph “group UK REIT” has the same meaning as in Part 12 of CTA 2010.

- (a) a person disposes of a right or interest in a company on which a gain or loss accrues, and
 - (b) proportions of the gain or loss are not chargeable or allowable as a result of the operation of any relevant exemption provision,
- each relevant exemption provision is to work separately (without regard to the other) in relation to each proportion of the gain or loss to which the relevant exemption provision applies.
- (2) Accordingly—
- (a) each relevant exemption provision is to operate by reference to the whole of the gain or loss (ignoring the effect of the other relevant exemption provision), and

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) the total proportion of the gain or loss which is not chargeable or allowable is the total of the proportions separately found (but not so as to exceed the whole amount of the gain or loss).

- (a) the date on which the person has delivered to an officer of Revenue and Customs the person's ordinary tax return containing a self-assessment that takes account of the disposal, or
 - (b) the date on or before which the person has (by notice) been required to deliver to an officer of Revenue and Customs the person's ordinary tax return for the tax year concerned.
- (2) For the purposes of sub-paragraph (1)(a), a self-assessment does not take account of the disposal if the amount of capital gains tax that is self-assessed is less than the amount that would be payable under paragraph 6 if the person were required to make and deliver a return under this Schedule in respect of the disposal.

Obligation to make a payment on account of capital gains tax

- 6 (1) This paragraph applies if—
- (a) a person is required to make a return under this Schedule in respect of any disposal, and
 - (b) as at the filing date for the return, an amount of capital gains tax is notionally chargeable on the person (as determined in accordance with paragraph 7).
- (2) The person is liable to pay that amount on account of the person's liability to capital gains tax for the tax year concerned so far as that amount has not already become payable as a result of any previous return under this Schedule in respect of a disposal in that period.
- (3) The amount is payable on the filing date for the return.
- (4) For cases where there are repayments of amounts previously paid on account of capital gains tax, see paragraphs 8 and 9.

Calculation of an amount of capital gains tax notionally chargeable

- 7 (1) This paragraph applies for determining the amount of capital gains tax (if any) which is notionally chargeable on a person as at the filing date for a return.
- (2) The amount of capital gains tax notionally chargeable on the person as at that date is the amount of that tax for which the person would be liable for the tax year concerned, ignoring, for this purpose, the following disposals—
- (a) disposals which have a completion date later than the completion date of the disposal in respect of which the return is made (but see sub-paragraph (3)), and
 - (b) disposals on which gains accrue but which are not disposals to which this Schedule applies.
- (3) A disposal on which a loss accrues is not to be ignored under sub-paragraph (2)(a) if the time at which the disposal is made (as determined under section 28 of TCGA 1992) falls on or before the completion date of the disposal in respect of which the return is made.
- [^{F2}(3A) In the case of a disposal to which this Schedule applies as a result of paragraph 1(1)(b) where a proportion of the chargeable gain accruing on the disposal is not a residential property gain, ignore that proportion for the purposes of this paragraph.]

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (4) For provision relevant to the operation of this paragraph, see paragraphs 14 and 15 (making of assumptions, reasonable estimates etc).

Textual Amendments

F2 [Sch. 2 para. 7\(3A\)](#) inserted (with effect in accordance with s. 23(4) of the amending Act) by [Finance Act 2022 \(c. 3\), s. 23\(3\)](#)

Repayments of amounts previously paid on account of capital gains tax

- 8 (1) This paragraph applies if—
- (a) a person makes and delivers a return under this Schedule in respect of a disposal,
 - (b) the person has previously paid amounts on account of the person's liability to capital gains tax for the tax year concerned, and
 - (c) the amounts exceed the amount of capital gains tax notionally chargeable on the person as at the filing date for the return.
- (2) The excess is repayable to the person on the filing date for the return.
- (3) In determining the total amount of payments that have, at any time, been made on account of a person's liability to capital gains tax for a tax year, account must be taken of amounts already repaid under this paragraph.
- 9 (1) If—
- (a) a person makes a disposal on which an allowable loss accrues, and
 - (b) had a gain accrued instead, the disposal would have been one to which this Schedule applies as a result of paragraph 1(1)(b),
- the person may make and deliver a return under this Schedule in respect of the disposal for the purpose of securing the application of paragraph 8.
- (2) Accordingly, the disposal is treated for that purpose as if it were a disposal to which this Schedule applies.
- (3) This paragraph does not apply in respect of a disposal if the filing date for the return which the person would otherwise be entitled to make and deliver falls on or after the date mentioned in paragraph 5(1)(a) or (b).

Collective investment schemes to which Sch.5AAA to TCGA 1992 applies

- 10 (1) A person is not required to make or deliver a return under this Schedule in respect of a disposal if—
- (a) the disposal has an appropriate connection to a collective investment scheme for the purposes of paragraph 6 of Schedule 5AAA to TCGA 1992, and
 - (b) the person would not be liable under paragraph 6 of this Schedule to pay an amount on account of the person's liability to capital gains tax for the tax year concerned.
- (2) In determining whether sub-paragraph (1)(b) applies, it is to be assumed that the person is required to make a return under this Schedule in respect of the disposal.
- 11 (1) This paragraph applies if—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (a) an election under paragraph 8 of Schedule 5AAA to TCGA 1992 (election for CIS to be treated as partnership for purposes of Act) has effect in respect of an offshore collective investment scheme (within the meaning of that Schedule),
 - (b) a disposal is made of property that is the subject of the scheme,
 - (c) the disposal is made before the day on which this election is made, and
 - (d) a person is required to make a return under this Schedule in respect of the disposal.
 - (2) The disposal is treated for the purposes of this Part of this Schedule as if it completed on the day on which the election is made.
- 12 (1) This paragraph applies if—
- (a) a disposal is deemed to have been made by a person as a result of paragraph 21 or 22 of Schedule 5AAA to TCGA 1992 (qualifying offshore CIS etc), and
 - (b) the person is required to make a return under this Schedule in respect of the disposal.
- (2) If the disposal is one to which paragraph 23 of that Schedule applies (gains treated as accruing when value received)—
- (a) a disposal to which this Schedule applies is treated as being made by the person on each occasion on which any part of the gain is treated as accruing to the person under that paragraph, and
 - (b) the time at which that disposal is treated as completing is the time at which the part of the gain is treated as so accruing to the person or, if later, the time at which the required notification is given to the person.
- (3) If the disposal is not one to which paragraph 23 of Schedule 5AAA to TCGA 1992 applies, it is treated for the purposes of this Part of this Schedule as if it completed on the day on which the required notification is given to the person.
- (4) In this paragraph “the required notification” means notification under paragraph 25 of Schedule 5AAA to TCGA 1992 in relation to the disposal deemed to have been made as a result of paragraph 21 or 22 of that Schedule.
- (5) In determining for the purposes of sub-paragraph (1)(b) whether a person is required to make a return under this Schedule in respect of the disposal the effect of paragraphs 4, 5 and 10 is ignored.

Effect of s.144(2) or 144A(2)(b) of TCGA 1992 when asset sold on exercise of option

- 13 (1) This paragraph applies if—
- (a) an option is granted binding the grantor to sell an asset and the grant of the option is a disposal to which this Schedule applies, and
 - (b) the option is then exercised so that, as a result of section 144(2) or 144A(2)(b) of TCGA 1992, the grant of the option is treated as the same transaction as the sale.
- (2) Despite section 144(2) or 144A(2)(b) of TCGA 1992, the grantor remains subject to the obligations under this Schedule in relation to the grant of the option.
- (3) In this paragraph references to sale are to be read in accordance with section 144(6) of TCGA 1992.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

Making of assumptions, reasonable estimates etc

- 14 (1) If, in determining whether a disposal is one to which this Schedule applies—
- (a) a question arises as to whether a provision of TCGA 1992 applies, and
 - (b) the determination of the question requires account to be taken of times after the completion of the disposal,
- it is to be assumed that the provision does apply if, at the time of the completion of the disposal, it is reasonable to expect that it will apply.
- (2) For the purposes of this Schedule it is to be assumed that a person has made a claim or election or given a notice if, at the time of the completion of the disposal in respect of which a return is required to be made under this Schedule, it is reasonable to expect that one will be made or given.
- (3) Nothing in sub-paragraph (2) is to be read as affecting—
- (a) any requirement imposed by or under any Act for a claim, election or notice to be made or given in a particular way or by a particular time, or
 - (b) any other provision made by or under any Act that is concerned with the making or giving of the claim, election or notice.
- (4) If—
- (a) a person is required to make and deliver a return under this Schedule, and
 - (b) having regard to the person's knowledge and all other relevant circumstances, it is reasonable to make an estimate of a qualifying matter,
- the person may make a reasonable estimate of that matter in the return.
- (5) For this purpose “qualifying matter” means—
- (a) anything that is relevant to the application of section 11 of TCGA 1992,
 - (b) the value of anything, or
 - (c) the value of amounts to be apportioned to anything.
- 15 (1) This paragraph applies if a person is required to make and deliver a return under this Schedule in respect of a disposal and, at any time after the completion of the disposal—
- (a) it becomes reasonable to expect that, by reference to the person's residence, a provision of TCGA 1992 will apply,
 - (b) it becomes reasonable to conclude that a provision of TCGA 1992 conferring a relief applies in relation to the disposal,
 - (c) matters relevant to the application of section 11 of TCGA 1992 become known, or it becomes reasonable to make a different estimate of those matters, where an estimate of those matters was used in the return, or
 - (d) the value of anything, or of any amount to be apportioned to anything, becomes known where an estimate was used in the return.
- (2) The person may (but need not) assume, for the purposes of this Schedule—
- (a) that there is an additional disposal to which this Schedule applies,
 - (b) that the additional disposal completed at the later time by reference to which this paragraph applies, and
 - (c) that the additional disposal is in all other respects a replication of the actual disposal.
- (3) In determining the amount of capital gains tax notionally chargeable as at the filing date for a return in respect of the additional disposal, the actual disposal is ignored.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

Contents of return

- 16 A return under this Schedule—
- (a) must contain information of a description specified by an officer of Revenue and Customs (and different descriptions of information may be specified for different cases), and
 - (b) must include a declaration by the person making it that the return is, to the best of the person's knowledge, correct and complete.

Interpretation

- 17 (1) In this Part of this Schedule—
- “the filing date”, in relation to a return in respect of a disposal, means the date on or before which the return in respect of the disposal must be delivered to an officer of Revenue and Customs,
 - “lease” has the meaning given by paragraph 10 of Schedule 8 to TCGA 1992,
 - “ordinary tax return” means a return under section 8 or 8A of TMA 1970,
 - “pension scheme investments” means investments held for the purposes of a registered pension scheme or an overseas pension scheme (and expressions used in this definition have the same meaning as they have in section 271(1A) of TCGA 1992),
 - “premium” has the meaning given by paragraph 10 of Schedule 8 to TCGA 1992,
 - “residential property gain” has the meaning given by Schedule 1B to TCGA 1992, and
 - “the tax year concerned”, in relation to a disposal, means the tax year in which the disposal is made.
- (2) In this Part of this Schedule the “completion” of a disposal is regarded as occurring—
- (a) at the time of the disposal, or
 - (b) if the disposal is under a contract which is completed by a conveyance, transfer or other instrument later than the time of the disposal, at the time when the instrument takes effect.
- (3) This Part of this Schedule has effect as if it were included in TCGA 1992.

PART 2

NOTIFICATION OF CHARGEABLE AMOUNTS, AMENDMENTS OF RETURNS, ENQUIRIES ETC

Requirement to notify HMRC of amounts chargeable to tax

- 18 (1) A person is not required to give a notice under section 7 of TMA 1970 merely by reference to a chargeable gain accruing on a disposal if—
- (a) the person delivers a return under this Schedule in respect of the disposal, and
 - (b) the return is delivered before the end of the notification period within the meaning of that section.
- (2) But sub-paragraph (1) does not apply if the amount of capital gains tax notionally chargeable on the person as at the filing date for the return (as determined in

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

accordance with paragraph 7) is less than the amount of capital gains tax for which the person is liable for the tax year concerned.

Amendments of returns

- 19 (1) The amendment provisions applicable to ordinary tax returns apply in relation to returns made by a person under this Schedule as they apply in relation to ordinary tax returns, but subject to the following limitations or other modifications.
- (2) An amendment is permitted only so far as the return under this Schedule could, when originally delivered, have included the amendment by reference to things already done.
- (3) A person may not make an amendment of a return under this Schedule in respect of a disposal at any time on or after—
- (a) the date on which the person has delivered to an officer of Revenue and Customs the person's ordinary tax return containing a self-assessment that takes account of the disposal, or
 - (b) the date on or before which the person has (by notice) been required to deliver to an officer of Revenue and Customs the person's ordinary tax return for the tax year concerned.
- (4) If a person is not required to deliver an ordinary tax return for the tax year concerned, the person may not make an amendment of a return under this Schedule more than 12 months after the last day for delivery of an ordinary tax return.
- (5) For the purposes of this paragraph “the amendment provisions applicable to ordinary tax returns” means sections 9ZA and 9ZB of TMA 1970.

Enquiries

- 20 (1) The enquiry provisions apply in relation to returns made by a person under this Schedule as they apply in relation to ordinary tax returns, but subject as follows.
- (2) If the person is required to deliver an ordinary tax return for the tax year concerned, the time allowed for giving a notice of enquiry into a return under this Schedule is the same as that allowed for giving a notice of enquiry into the ordinary tax return.
- (3) If the person is not required to deliver an ordinary tax return for the tax year concerned, the time allowed for giving a notice of enquiry into a return under this Schedule is determined on the assumption that the person was required to deliver an ordinary tax return for that year and that it was delivered at the later of—
- (a) the last day for delivery of an ordinary tax return, and
 - (b) the day on which the return under this Schedule was delivered.
- (4) If there is an enquiry into a return under this Schedule—
- (a) nothing in paragraph 8 requires any repayment to be made before the day on which the enquiry is completed, but
 - (b) the officer of Revenue and Customs concerned may, at any time before that day, make the repayment, on a provisional basis, to such extent as the officer thinks fit.
- (5) If—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (a) a notice of enquiry (“the main enquiry notice”) is given at any time into an ordinary tax return for a tax year, and
- (b) a notice of enquiry into a return under this Schedule has not been given, on or before that time, in respect of a disposal to which this Schedule applies which is made in that tax year,

the main enquiry notice is also taken to constitute a notice of enquiry into the return under this Schedule in respect of the disposal.

(6) If—

- (a) a final closure notice (“the main closure notice”) is given at any time which completes an enquiry into an ordinary tax return for a tax year, and
- (b) a final closure notice of an enquiry into a return under this Schedule has not been given, on or before that time, in respect of a disposal to which this Schedule applies which is made in that period,

the main closure notice is also taken to constitute a final closure notice of the enquiry into the return under this Schedule in respect of the disposal.

(7) For the purposes of this paragraph “the enquiry provisions” means sections 9A and 28A of TMA 1970 and the other provisions of that Act so far as they relate to those sections.

(8) Nothing in this paragraph is to be read as affecting the operation of the enquiry provisions in relation to ordinary tax returns.

Amendments of returns during enquiry etc

- 21 (1) For other provisions which, as a result of paragraph 19 and 20, are relevant to returns made by a person under this Schedule, see sections 9B and 9C of TMA 1970.
- (2) In the case of Schedule 3ZA to TMA 1970 (date by which payment to be made after amendment or correction of self-assessment)—
- (a) paragraph 1(2) of that Schedule has effect as if the reference to section 59B(3) and (4) of TMA 1970 included a reference to paragraph 7 of this Schedule, and
 - (b) the other provisions of that Schedule have effect in accordance with the provision made elsewhere by this Part of this Schedule (see, in particular, paragraph 24(3)).
- (3) For provisions of that Schedule relevant to returns made by a person under this Schedule, see—
- (a) paragraph 2 (amendment of return by taxpayer),
 - (b) paragraph 3 (correction of return by HMRC),
 - (c) paragraph 4 (jeopardy amendment by HMRC), and
 - (d) paragraph 5 (amendment of return by closure notice).

Revenue determinations

- 22 (1) The Revenue determination provision applicable to ordinary tax returns applies in relation to returns made by a person under this Schedule as it applies in relation to ordinary tax returns, but subject to the following modifications.
- (2) The modifications are that—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (a) any reference to being given a notice is to be read as a reference to being required to deliver a return under this Schedule,
 - (b) any reference to the filing date is to be read as a reference to the filing date within the meaning of this Part of this Schedule (but see paragraph (e)),
 - (c) any reference to the amounts to be determined is to be read as a reference to the amount of capital gains tax which is notionally chargeable on a person as at the filing date for a return under this Schedule,
 - (d) any reference in any enactment to the purposes for which a determination is to have effect is to be ignored, and
 - (e) the determination may not be made after the end of the period of 3 years beginning with the last day for delivery of an ordinary tax return.
- (3) If—
- (a) a determination is made as a result of this paragraph, but
 - (b) it is then superseded by a return made under this Schedule,
- any amount which, as a result of the supersession, is payable or repayable under paragraph 6 or 8 is to be payable or repayable on the filing date for the return.
- (4) For the purposes of this paragraph “the Revenue determination provision” means section 28C of TMA 1970.

Discovery assessments

- 23
- (1) A return made by a person under this Schedule is treated for the purposes of the discovery provisions as if it were an assessment required to be included as part of the person's ordinary tax return (whether or not the person is actually required to deliver an ordinary tax return).
 - (2) References in the discovery provisions to an ordinary tax return for a tax year include a return under this Schedule made in respect of a disposal for the tax year concerned.
 - (3) For the purposes of this paragraph “the discovery provisions” means section 29 of TMA 1970 and the other provisions of that Act relating to that section.

Interpretation

- 24
- (1) Expressions have the same meaning in this Part of this Schedule as they have in Part 1 of this Schedule (see paragraph 17).
 - (2) For the purposes of this Part of this Schedule any reference to the last day for delivery of an ordinary tax return is to 31 January in the tax year following the tax year concerned.
 - (3) A return made by a person under this Schedule is to be treated for the purposes of any provision made by or under TMA 1970 as if it contained a self-assessment of an amount of capital gains tax.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (2) Sub-paragraph (1) applies in particular to—
- (a) sales, contracts and other transactions made otherwise than for full consideration or for more than full consideration,
 - (b) any method by which any property or right, or the control of any property or right, is transferred or transmitted by assigning—
 - (i) share capital or other rights in a company,
 - (ii) rights in a partnership, or
 - (iii) an interest in settled property,
 - (c) the creation of an option affecting the disposition of any property or right and the giving of consideration for granting it,

 - (e) the creation of an embargo affecting such a disposition and the giving of consideration for releasing it, and
 - (f) the disposal of any property or right on the winding up, dissolution or termination of a company, partnership or trust.
- (3) Value may be traced through any number of individuals, companies, partnerships, trusts and other entities or arrangements.
- (4) The property held by a company, partnership, trust or other entity or under any arrangements must be attributed to the shareholders, partners or members, beneficiaries or other participants at each stage on a just and reasonable basis.

The enjoyment conditions

- 4 (1) The enjoyment conditions are met in relation to a related individual if—
- (a) it is reasonable to conclude that some or all of the value transferred as a result of the material provision relates to something done by, or any property or purported right of, the individual, and
 - (b) either of the conditions in sub-paragraph (2) is met.
- (2) The conditions are that—
- (a) under the arrangements—
 - (i) the value transferred, or part of it, is so dealt with by any person as to be calculated at some time to enure for the benefit of the individual,
 - (ii) the value transferred, or part of it, operates to increase the value of any assets which the individual holds or are held for the benefit of the individual,
 - (iii) the individual receives or is entitled to receive any benefit provided or to be provided out of the value transferred or part of it,
 - (iv) the individual may become entitled to the beneficial enjoyment of the value transferred, or part of it, if one or more powers are exercised or successively exercised (and for those purposes it does not matter who may exercise the powers or whether they are exercisable with or without the consent of another person), or
 - (v) the individual (whether acting alone or together with any other person) is able in any manner to control directly or indirectly the application of the value transferred or part of it, or
 - (b) it is reasonable to conclude that the individual (whether acting alone or with any other person) procured the transfer of value from the resident party to the overseas party in such a way as to avoid the conditions in paragraph (a) being met.
- (3) In determining whether the conditions in sub-paragraph (2)(a) are met in relation to an individual and the value transferred as a result of the material provision, all benefits which may at any time accrue to a person as a result of the value being transferred must be taken into account, irrespective of—
- (a) the nature or form of the benefits, or
 - (b) whether the person has legal or equitable rights in respect of the benefits.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (4) For the purposes of sub-paragraphs (2) and (3), references to an individual include a reference to any person connected with that individual and, for the purposes of this paragraph, section 993 of ITA 2007 (meaning of “connected”) has effect but as if—
- (a) subsection (4) of that section were omitted, and
 - (b) members of a partnership in which the individual is also a member were not “associates” of the individual for the purposes of sections 450 and 451 of CTA 2010 (“control”).
- (5) For the purposes of sub-paragraph (4), an individual is treated as connected with a person or entity if—
- (a) the individual or a person connected with the individual (whether acting alone or with any other person)—
 - (i) is able to secure that the person or entity acts in accordance with the wishes of the individual or any person connected with the individual,
 - (ii) is able to acquire rights which would enable the individual or any person connected with the individual to secure that the person or entity acts in accordance with the wishes of the individual or any person connected with the individual, or
 - (iii) is able to exercise significant influence over the person or entity (whether or not as a result of a legal entitlement of the individual or any person connected with the individual), or
 - (b) the person or entity can reasonably be expected to act, or typically acts, in accordance with the wishes of the individual or a person connected with the individual.

Tax mismatch

- 5 (1) The material provision results in a tax mismatch for a tax period of the resident party if—
- (a) in that period, in relation to a relevant tax, it results in one or both of—
 - (i) an increase in the expenses of the resident party for which a deduction is taken into account in calculating the amount of the relevant tax payable by the resident party, or
 - (ii) a reduction in the income of the resident party which would otherwise have been taken into account in calculating the amount of the relevant tax payable by the resident party,
 - (b) it is reasonable to conclude that—
 - (i) the resulting reduction in the amount of the relevant tax which is payable by the resident party exceeds the resulting increase in relevant taxes payable by the overseas party for the period corresponding to the tax period, and
 - (ii) the overseas party does not meet the 80% payment test, and
 - (c) the results described in paragraphs (a) and (b)(i) are not exempted by sub-paragraph (5).
- (2) In this Schedule references to “the tax reduction” are to the amount of the excess mentioned in sub-paragraph (1)(b)(i).
- (3) It does not matter whether the tax reduction results from the application of different rates of tax, the operation of a relief, the exclusion of any amount from a charge to tax, or otherwise.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (4) “The 80% payment test” is met by the overseas party if the resulting increase in relevant taxes paid by that party as mentioned in sub-paragraph (1)(b)(i) is at least 80% of the amount of the resulting reduction in the amount of the relevant tax payable by the resident party.
- (5) The results described in sub-paragraph (1)(a) and (b)(i) are exempted if they arise solely by reason of—
- (a) contributions paid by an employer under a registered pension scheme, or overseas pension scheme, in respect of any individual,
 - (b) a payment to a charity,
 - (c) a payment to a person who, on the ground of sovereign immunity, cannot be liable for any relevant tax, or
 - (d) a payment to an offshore fund or authorised investment fund—
 - (i) which meets the genuine diversity of ownership condition (whether or not a clearance has been given to that effect), or
 - (ii) at least 75% of the investors in which are, throughout the accounting period, registered pension schemes, overseas pension schemes, charities or persons who cannot be liable for any relevant tax on the ground of sovereign immunity.
- (6) In this paragraph and paragraph 6, where the overseas party does not have an actual period for the purposes of relevant taxes which coincides with the tax period of the resident party—
- (a) references to the corresponding period of the overseas party in relation to that tax period are to a notional period of that party for the purposes of relevant taxes that would coincide with that tax period, and
 - (b) such apportionments as are just and reasonable are to be made to determine the income or tax liability of that party for that corresponding period.
- (7) In this paragraph—
- “relevant tax” means—
- (a) income tax,
 - (b) corporation tax on income,
 - (c) a sum chargeable under section 269DA of CTA 2010 (surcharge on banking companies) as if it were an amount of corporation tax,
 - (d) a sum chargeable under section 330(1) of CTA 2010 (supplementary charge in respect of ring fence trades as if it were an amount of corporation tax), or
 - (e) any non-UK tax on income, and
- “tax period”, in relation to a resident party, means—
- (a) a tax year, or
 - (b) if the resident party is a company, an accounting period of that party.

Tax mismatch: resulting reduction and resulting increase

- 6 (1) For the purposes of paragraph 5, the resulting reduction in the resident party's liability to a relevant tax for a tax period is—

$$A \times TR$$

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

where—

A is the sum of—

- (a) if there are expenses within paragraph 5(1)(a)(i), the lower of the amount of expenses and the amount of the deduction mentioned in that provision, and
- (b) any reduction in income mentioned in paragraph 5(1)(a)(ii), and

TR is the rate at which, assuming the resident party has profits equal to A chargeable to the relevant tax for the tax period, those profits would be chargeable to that tax.

For this purpose, the rate at which those profits would be chargeable to that tax for that period is the highest rate at which that tax would be chargeable for that period if those profits were added to the resident party's total income.

- (2) For the purposes of paragraph 5(1)(b) and (4), the resulting increase in relevant taxes payable by the overseas party for the period corresponding to the tax period is any increase in the total amount of relevant taxes that would fall to be paid by that party (and not refunded) assuming that—
 - (a) the overseas party's income for that period, in consequence of the material provision were an amount equal to A,
 - (b) account were taken of any deduction or relief (other than any qualifying deduction or qualifying loss relief) taken into account by the overseas party in determining that party's actual liability to any relevant taxes in consequence of the material provision, and
 - (c) all further reasonable steps were taken—
 - (i) under the law of any part of the United Kingdom or any country or territory outside the United Kingdom, and
 - (ii) under double taxation arrangements made in relation to any country or territory,to minimise the amount of tax which would fall to be paid by the overseas party in the country or territory in question (other than steps to secure the benefit of any qualifying deduction or qualifying loss relief).
- (3) The steps mentioned in sub-paragraph (2)(c) include—
 - (a) claiming, or otherwise securing the benefit of, reliefs, deductions, reductions or allowances, and
 - (b) making elections for tax purposes.
- (4) For the purposes of this paragraph, any withholding tax which falls to be paid on payments made to the overseas party is (unless it is refunded) to be treated as tax which falls to be paid by that party (and not the person making the payment).
- (5) For the purposes of this paragraph, an amount of tax payable by the overseas party is refunded if and to the extent that—
 - (a) any repayment of tax, or any payment in respect of a credit for tax, is made to any person, and
 - (b) that repayment or payment is directly or indirectly in respect of the whole or part of the amount of tax payable by the overseas party,but an amount refunded is to be ignored if and to the extent that it results from qualifying loss relief obtained by that party.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

(6) Where some or all of the overseas party's income is treated for the purposes of a relevant tax charged under the law of a country or territory outside the United Kingdom as the income of a person or persons other than the overseas party, in paragraph 5 and this paragraph—

- (a) references to that party's liability to any tax (however expressed) include a reference to the liabilities of that person or those persons to the relevant tax,
- (b) references to any tax being payable by that party (however expressed) include a reference to the relevant tax being payable by that person or those persons, and
- (c) references to loss relief obtained by that party include a reference to loss relief obtained by that person or those persons,

and sub-paragraph (4) applies to that person or any of those persons as it applies to that party.

(7) In this paragraph—

“qualifying deduction” means a deduction which—

- (a) is made in respect of actual expenditure of the overseas party,
- (b) does not arise directly from the arrangements,
- (c) is of a kind for which the resident party would have obtained a deduction in calculating that party's liability to any income tax or corporation tax had that party incurred the expenditure in respect of which the deduction is given, and
- (d) does not exceed the amount of the deduction that the resident party would have so obtained,

“qualifying loss relief” means any means by which a loss might be used for tax purposes to reduce the amount in respect of which the overseas party is liable to tax on the profits of a business, and

“relevant tax” has the same meaning as in paragraph 5.

Adjustments required to be made in relation to arrangements

7 (1) Adjustments must be made so as to counteract the tax advantages that would (ignoring this Schedule) arise from profit fragmentation arrangements.

(2) The adjustments—

- (a) must relate to the expenses, income, profits or losses of the resident party for the tax period in which value is transferred as a result of the material provision,
- (b) must be based on what the value transferred would have been if it had resulted from a provision made or imposed as between independent parties acting at arm's length, and
- (c) must be just and reasonable.

(3) References in this paragraph to “the resident party” are references to the resident party at the time at which the material provision is made or imposed.

Double taxation

8 (1) This paragraph applies where—

- (a) the resident party has paid a relevant tax by virtue of the application of paragraph 7,

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) at any time, the resident party or another person pays—
 - (i) a further amount of the relevant tax, or
 - (ii) an amount of non-UK tax corresponding to the relevant tax, and
 - (c) the result is a double payment of tax calculated by reference to the same income or profits.
- (2) In order to avoid the double payment of tax, the resident party may make a claim in writing for one or more consequential adjustments to be made in respect of the tax paid mentioned in sub-paragraph (1)(a).
- (3) On a claim under this paragraph an officer of Revenue and Customs must make such of the consequential adjustments claimed (if any) as are just and reasonable.
- (4) The amount of any consequential adjustments must not exceed the lesser of—
- (a) the tax paid by the resident party as mentioned in sub-paragraph (1)(a), and
 - (b) the tax paid as mentioned in sub-paragraph (1)(b).
- (5) Consequential adjustments may be made—
- (a) in respect of any tax period,
 - (b) by way of an assessment, the modification of an assessment, the amendment of a claim or otherwise, and
 - (c) despite any time limit imposed by or under any enactment.

Reimbursement payments ignored for tax purposes

- 9 In calculating income, profits or losses for any tax purposes, no account is to be taken of any amount which is paid (directly or indirectly) by a person for the purposes of meeting or reimbursing the cost of tax charged on the resident party by virtue of the application of paragraph 7.

Treatment of a person who is a member of a partnership

- 10 (1) This paragraph applies where a person is a member of a partnership.
- (2) Any references in this Schedule to the expenses, income, profits or losses of, or to the adjustment of the expenses, income, profits or losses of, the person includes a reference to the person's share of the expenses, income, profits or losses of, or adjustment of the expenses, income, profits or losses of, the partnership.
- (3) For this purpose “the person's share” of an amount is determined by apportioning the amount between the members of the partnership on a just and reasonable basis.

 - (b) the profits of any such accounting period that are mentioned in subparagraph (4) are to be reduced by the unrelieved amount (so far as that amount cannot be used under this paragraph to reduce the profits of an earlier period).
- (4) The profits are—

“CHAPTER 15A

DEBITS IN RESPECT OF GOODWILL AND CERTAIN OTHER ASSETS

Introduction

879A Introduction

- (1) This Chapter contains special rules about the debits to be brought into account by a company for tax purposes in respect of relevant assets.
- (2) In this Chapter “relevant asset” means—
 - (a) goodwill in a business or part of a business,
 - (b) an intangible fixed asset that consists of information which relates to customers or potential customers of a business or part of a business,
 - (c) an intangible fixed asset that consists of a relationship (whether contractual or not) between a person carrying on a business and one or more customers of that business or part of that business,
 - (d) an unregistered trade mark or other sign used in the course of a business or part of a business, or
 - (e) a licence or other right in respect of an asset within any of paragraphs (a) to (d).

Requirement to write down at a fixed rate

879B Requirement to write down at a fixed rate

- (1) This section applies if a company acquires or creates a relevant asset on or after 1 April 2019.
- (2) The company is to be treated as having made an election under section 730 to write down the cost of the asset for tax purposes at a fixed rate.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (3) In its application in relation to the asset, section 731 (writing down at fixed rate: calculation) has effect as if in subsection (1)(a) for “4%” there was substituted “ 6.5% ”.
- (4) The Treasury may by regulations amend subsection (3) so as to alter the percentage substituted for 4%.

Restrictions on debits: pre-FA 2019 relevant assets

879C Restrictions on debits: pre-FA 2019 relevant assets

- (1) This section applies in respect of a relevant asset of a company if it is a pre-FA 2019 relevant asset.
- (2) No debits in respect of the asset are to be brought into account by the company for tax purposes under Chapter 3 (debts in respect of intangible fixed assets) or Chapter 15 (adjustments on change of accounting policy).
- (3) Any debit in respect of the asset that is brought into account by the company for tax purposes under Chapter 4 (realisation of intangible fixed assets) is treated for the purposes of Chapter 6 as a non-trading debit.
- (4) Sections 879D to 879H set out the cases in which a relevant asset of a company is a pre-FA 2019 relevant asset for the purposes of this Chapter.

879D Pre-FA 2019 relevant asset: the first case

For the purposes of this Chapter a relevant asset of a company is a pre-FA 2019 relevant asset if—

- (a) the company acquired or created the asset during the period beginning with 8 July 2015 and ending with 31 March 2019, and
- (b) the asset was a chargeable intangible asset in relation to the company at any time during the period beginning with 29 October 2018 and ending with 31 March 2019.

879E Pre-FA 2019 relevant asset: the second case

- (1) For the purposes of this Chapter a relevant asset of a company (“C”) is a pre-FA 2019 relevant asset if—
 - (a) another company acquired or created the asset during the period beginning with 8 July 2015 and ending with 31 March 2019,
 - (b) it was a chargeable intangible asset in relation to that other company at any time during the period beginning with 29 October 2018 and ending with 31 March 2019, and
 - (c) C acquired the asset on or after 1 April 2019 otherwise than in case A or case B from a person who was a related party in relation to C.
- (2) Case A is where—
 - (a) C acquired the asset from a company that was within the charge to corporation tax at the time of the acquisition, and
 - (b) the asset was not a pre-FA 2019 relevant asset in the hands of that company immediately before the acquisition.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (3) Case B is where C acquired the asset from a person (“the intermediary”) who acquired the asset on or after 1 April 2019 from a third person—
 - (a) who was not at the time of the intermediary's acquisition a related party in relation—
 - (i) to the intermediary, or
 - (ii) if the intermediary was not a company, to a company in relation to which the intermediary was a related party, and
 - (b) who is not, at the time of the acquisition by C, a related party in relation to C.
- (4) References in this section to one person being (or not being) a related party in relation to another person are to be read as including references to the participation condition being met (or, as the case may be not being met) as between those persons.
- (5) References in subsection (4) to a person include a firm in a case where, for section 1259 purposes, references in this section to a company are read as references to the firm.
- (6) In subsection (5) “section 1259 purposes” means the purposes of determining under section 1259 the amount of profits or losses to be allocated to a partner in a firm.
- (7) Section 148 of TIOPA 2010 (when the participation condition is met) applies for the purposes of subsection (4) as it applies for the purpose of section 147(1)(b) of TIOPA 2010.

879F Pre-FA 2019 relevant asset: the third case

- (1) For the purposes of this Chapter a relevant asset of a company (“C”) is a pre-FA 2019 relevant asset if—
 - (a) the relevant asset was created on or after 29 October 2018,
 - (b) C acquired the relevant asset on or after 1 April 2019 from a person (“the transferor”) who was a related party in relation to C at the time of the acquisition,
 - (c) the value of the relevant asset derives in whole or in part from another asset (“the other asset”), and
 - (d) the other asset meets the preserved status condition (see section 879G).
- (2) But if only part of the value of the relevant asset derives from the other asset—
 - (a) the relevant asset is to be treated for the purposes of this Chapter as if it were two separate assets—
 - (i) one representing the part of the value of the relevant asset that does so derive, and
 - (ii) the other representing the part of the value of the relevant asset that does not so derive, and
 - (b) subsection (1) applies only in relation to the separate asset representing the part of the value of the relevant asset that does so derive.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (3) For the purposes of this section the cases in which the value of a relevant asset may be derived from another asset include any case where—
 - (a) assets have been merged or divided,
 - (b) assets have changed their nature, or
 - (c) rights or interests in or over assets have been created or extinguished.
- (4) Section 879G supplements this section.

879G The preserved status condition etc

- (1) For the purposes of section 879F the other asset meets the preserved status condition if subsection (2) or (3) applies.
- (2) This subsection applies if the other asset—
 - (a) was acquired or created by a company during the period beginning with 8 July 2015 and ending with 31 March 2019, and
 - (b) was a chargeable intangible asset in the hands of that company at any time during the period beginning with 29 October 2018 and ending with 31 March 2019 when—
 - (i) that company and C were related parties, or
 - (ii) that company and the transferor were related parties.
- (3) This subsection applies if the other asset was a pre-FA 2019 relevant asset in the hands of a company at any time during the period beginning with 1 April 2019 and ending with the acquisition mentioned in section 879F(1)(b) when—
 - (a) that company and C were related parties, or
 - (b) that company and the transferor were related parties.
- (4) It does not matter for the purposes of section 879F(1)(a) who created the relevant asset.
- (5) Any apportionment necessary for the purposes of section 879F(2) must be made on a just and reasonable basis.
- (6) Section 879E(4) to (7) applies for the purposes of section 879F and this section.
- (7) Expressions used in this section have the same meaning as in section 879F.

879H Pre-FA 2019 relevant asset: the fourth case

- (1) For the purposes of this Chapter a relevant asset of a company is a pre-FA 2019 relevant asset if—
 - (a) the company acquired the asset on or after 1 April 2019 directly or indirectly in consequence of, or otherwise in connection with, a disposal of a relevant asset by another person, and
 - (b) the asset disposed of would have been a pre-FA 2019 relevant asset in the hands of the company had the person transferred it to the company at the time of the disposal.
- (2) For the purposes of this section it does not matter whether—
 - (a) the asset disposed of is the same asset as the acquired asset,

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) the acquired asset is acquired at the time of the disposal, or
- (c) the acquired asset is acquired by merging assets or otherwise.

Restrictions on debits: no business or no qualifying IP assets acquired

879I Restrictions on debits: no business or no qualifying IP assets acquired

- (1) This section applies in respect of a relevant asset of a company if the company acquires the asset on or after 1 April 2019 otherwise than as part of the acquisition of a business.
- (2) This section also applies in respect of a relevant asset of a company if—
 - (a) the company acquires the asset on or after 1 April 2019 as part of the acquisition of a business, and
 - (b) the company does not acquire any qualifying IP assets as part of the acquisition of the business for use on a continuing basis in the course of the business.
- (3) No debits in respect of the asset are to be brought into account by the company for tax purposes under Chapter 3 (debts in respect of intangible fixed assets) or Chapter 15 (adjustments on change of accounting policy).
- (4) Any debit in respect of the asset that is brought into account by the company for tax purposes under Chapter 4 (realisation of intangible fixed assets) is treated for the purposes of Chapter 6 as a non-trading debit.

879J Meaning of qualifying IP asset

- (1) In section 879I “qualifying IP asset”, in relation to a company, means an intangible fixed asset that meets the following two conditions.
- (2) The first condition is that the asset is—
 - (a) a patent, registered design, copyright or design right, plant breeders' right, or right under section 7 of the Plant Varieties Act 1997,
 - (b) a right under the law of a country or territory outside the United Kingdom corresponding or similar to a right within paragraph (a), or
 - (c) a licence or other right in respect of anything within paragraph (a) or (b).
- (3) The second condition is that in the hands of the company the asset—
 - (a) is not to any extent excluded from this Part by Chapter 10, and
 - (b) is not a pre-FA 2002 asset (see section 881).
- (4) The reference in subsection (2)(c) to a licence or other right does not include a licence or other right that permits the use of computer software but does not permit its manufacture, adaptation or supply.
- (5) The Treasury may by regulations amend the meaning of qualifying IP asset for the purposes of this Chapter.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

Restrictions on debits: acquisition from individual or firm

879K Restrictions on debits: acquisition from individual or firm

- (1) This section applies in respect of a relevant asset of a company if—
 - (a) the company acquires the asset on or after 1 April 2019 directly or indirectly from an individual or firm (“the transferor”),
 - (b) the related party condition is met, and
 - (c) the third party acquisition condition is not met.
- (2) The related party condition is met if—
 - (a) in a case where the transferor is an individual, the transferor is a related party in relation to the company at the time of the acquisition;
 - (b) in a case where the transferor is a firm, any individual who is a member of the transferor is a related party in relation to the company at that time.
- (3) The third party acquisition condition is met if—
 - (a) in a case where the relevant asset is goodwill—
 - (i) the transferor acquired all or part of the relevant business in one or more third party acquisitions as part of which the transferor acquired goodwill, and
 - (ii) the relevant asset is acquired by the company as part of an acquisition of all the relevant business;
 - (b) in a case where the relevant asset is not goodwill—
 - (i) the transferor acquired the relevant asset in a third party acquisition, and
 - (ii) the relevant asset is acquired by the company as part of an acquisition of all the relevant business.
- (4) No debits in respect of the asset are to be brought into account by the company for tax purposes under Chapter 3 (debts in respect of intangible fixed assets) or Chapter 15 (adjustments on change of accounting policy).
- (5) Any debit in respect of the asset that is brought into account by the company for tax purposes under Chapter 4 (realisation of intangible fixed assets) is treated for the purposes of Chapter 6 as a non-trading debit.

879L Meaning of relevant business and third party acquisition

- (1) This section applies for the purposes of section 879K(3).
- (2) “Relevant business” means—
 - (a) in a case where the relevant asset is within paragraph (e) of subsection (2) of section 879A, the business or (as the case may be) the part of the business mentioned in the paragraph of that subsection within which the licensed asset falls, and
 - (b) in any other case, the business or (as the case may be) the part of the business mentioned in the paragraph of that subsection within which the relevant asset falls.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (3) The transferor acquires something in a “third party acquisition” if—
- (a) the transferor acquires it from a company (“C”) and, at the time of that acquisition—
 - (i) if the transferor is an individual, the transferor is not a related party in relation to C, or
 - (ii) if the transferor is a firm, no individual who is a member of the transferor is a related party in relation to C, or
 - (b) the transferor acquires it from a person (“P”) who is not a company and, at the time of that acquisition—
 - (i) if the transferor is an individual, P is not connected with the transferor, or
 - (ii) if the transferor is a firm, no individual who is a member of the transferor is connected with P.
- (4) But an acquisition is not a “third party acquisition” if—
- (a) its main purpose, or one of its main purposes, is for any person to obtain a tax advantage (within the meaning of section 1139 of CTA 2010), or
 - (b) it occurs during the period beginning with 8 July 2015 and ending with 31 March 2019.
- (5) In this section “connected” has the same meaning as in Chapter 12 (see section 842).

Partial restrictions on debits

879M When the partial restrictions apply: qualifying IP assets

- (1) Section 879O (the partial restrictions on debits) applies in respect of a relevant asset (“the asset concerned”) of a company if—
- (a) the company acquires the asset concerned on or after 1 April 2019 as part of the acquisition of a business,
 - (b) the company also acquires qualifying IP assets as part of the acquisition of the business for use on a continuing basis in the course of the business, and
 - (c) the amount in subsection (3) is less than 1.
- (2) But section 879O does not apply in respect of the asset concerned if either of the following sections applies in respect of it—
- (a) section 879C (restrictions on debits: pre-FA 2019 relevant assets);
 - (b) section 879K (restrictions on debits: acquisition from individual or firm).
- (3) The amount is—

$$\frac{A \times N}{B}$$

where—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

A is the expenditure incurred by the company for or in connection with the acquisition of the qualifying IP assets mentioned in subsection (1)(b),

B is the expenditure incurred by the company for or in connection with the acquisition of the asset concerned and any other relevant assets acquired with the business, and

N is 6.

(4) The Treasury may by regulations amend the meaning of N.

(5) In this section—

“expenditure” means expenditure that is—

- (a) capitalised for accounting purposes, or
- (b) recognised in determining the profit or loss of the company concerned without being capitalised for accounting purposes,

subject to any adjustments under this Part or Part 4 of TIOPA 2010;

“qualifying IP asset” has the same meaning as in section 879I (see section 879J).

879N When the partial restrictions apply: acquisition from individual or firm

(1) Section 879O (the partial restrictions on debits) also applies in respect of a relevant asset of a company if—

- (a) the company acquires the asset on or after 1 April 2019 directly or indirectly from an individual or firm (“the transferor”),
- (b) the related party condition is met,
- (c) the third party acquisition condition is met, and
- (d) the amount in subsection (6) is less than 1.

(2) But section 879O does not apply in respect of the relevant asset if either of the following sections applies in respect of it—

- (a) section 879C (restrictions on debits: pre-FA 2019 relevant assets);
- (b) section 879I (restrictions on debits: no business or no qualifying IP assets acquired).

(3) The related party condition is met if—

- (a) in a case where the transferor is an individual, the transferor is a related party in relation to the company at the time of the acquisition;
- (b) in a case where the transferor is a firm, any individual who is a member of the transferor is a related party in relation to the company at that time.

(4) The third party acquisition condition is met if—

- (a) in a case where the relevant asset is goodwill—
 - (i) the transferor acquired all or part of the relevant business in one or more third party acquisitions as part of which the transferor acquired goodwill, and
 - (ii) the relevant asset is acquired by the company as part of an acquisition of all the relevant business;

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) in a case where the relevant asset is not goodwill—
 - (i) the transferor acquired the relevant asset in a third party acquisition, and
 - (ii) the relevant asset is acquired by the company as part of an acquisition of all the relevant business.
- (5) Section 879L (meaning of relevant business and third party acquisition) applies for the purposes of this section.
- (6) The amount is—

$$\frac{A}{B}$$

where—

A is the relevant accounting value of third party acquisitions (see subsections (7) to (9)), and

B is the expenditure incurred by the company for or in connection with the acquisition of the relevant asset that is—

- (a) capitalised by the company for accounting purposes, or
- (b) recognised in determining the company's profit or loss without being capitalised for accounting purposes,

subject to any adjustments under this Part or Part 4 of TIOPA 2010.

- (7) In a case in which the relevant asset is goodwill, the relevant accounting value of third party acquisitions is the notional accounting value of the goodwill mentioned in subsection (4)(a)(i) (“the previously acquired goodwill”).
- (8) In a case in which the relevant asset is not goodwill, the relevant accounting value of third party acquisitions is the notional accounting value of the relevant asset.
- (9) The “notional accounting value” of the previously acquired goodwill, or the relevant asset, is what its accounting value would have been in GAAP-compliant accounts drawn up by the transferor—
 - (a) immediately before the relevant asset was acquired by the company, and
 - (b) on the basis that the relevant business was a going concern.

879O The partial restrictions on debits

- (1) Where this section applies in respect of a relevant asset of a company, the following restrictions have effect.
- (2) If a debit in respect of the relevant asset is to be brought into account by the company for tax purposes under a provision of Chapter 3 (debts in respect of intangible fixed assets) or Chapter 15 (adjustments on change of accounting policy), the amount of that debit is—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

$$D \times RA$$

where—

D is the amount of the debit that would be brought into account disregarding this section (and, accordingly, for the purposes of any calculation of the tax written-down value of the relevant asset needed to determine D, this section's effect in relation to any debits previously brought into account is to be disregarded), and

RA is the relevant amount (see subsection (6)).

- (3) If, but for this section, a debit in respect of any of the relevant assets would be brought into account by the company for tax purposes under a provision of Chapter 4 (realisation of intangible fixed assets), the following two debits are to be brought into account under that provision instead—
- (a) a debit determined in accordance with subsection (4), and
 - (b) a debit determined in accordance with subsection (5), which is to be treated for the purposes of Chapter 6 as a non-trading debit (“the non-trading debit”).
- (4) The amount of the debit determined in accordance with this subsection is—

$$D \times RA$$

where—

D is the amount of the debit that would be brought into account under Chapter 4 disregarding this section (and, accordingly, for the purposes of any calculation of the tax written down value of the relevant asset needed to determine D, this section's effect in relation to any debits previously brought into account is to be disregarded), and

RA is the relevant amount (see subsection (6)).

- (5) The amount of the non-trading debit is—

$$D - TD$$

where—

D is the amount of the debit that would be brought into account under Chapter 4 disregarding this section (but, for the purposes of any calculation of the tax written-down value of the relevant asset needed to determine D, this section's effect in relation to any debits previously brought into account is not to be disregarded), and

TD is the amount of the debit determined in accordance with subsection (4).

- (6) In this section the “relevant amount” means—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (a) in a case where this section applies in respect of the relevant asset by reason only of section 879M, the amount in subsection (3) of that section;
- (b) in a case where this section applies in respect of the relevant asset by reason only of section 879N, the amount in subsection (6) of that section;
- (c) in a case where this section applies in respect of the relevant asset by reason of both section 879M and 879N, the amount found by multiplying the amount in subsection (3) of section 879M by the amount in subsection (6) of section 879N.

Supplementary

879P Date of acquisition of relevant asset

- (1) A company that acquires a relevant asset in pursuance of an unconditional obligation under a contract is to be treated for the purposes of this Chapter as having acquired the asset on the date on which the company became subject to that obligation or (if later) the date on which that obligation became unconditional.
 - (2) An obligation is unconditional if it may not be varied or extinguished by the exercise of a right (whether under contract or otherwise)."
- 7 (1) The amendments made by this Schedule have effect in relation to accounting periods beginning on or after 1 April 2019.
- (2) For the purposes of sub-paragraph (1), an accounting period beginning before, and ending on or after, 1 April 2019 is to be treated as if so much of the accounting period as falls before that date, and so much of the accounting period as falls on or after that date, were separate accounting periods.

PART 3

CHANGES TO ACCOUNTING STANDARDS AND TAX ADJUSTMENTS

Repeal of section 53 of FA 2011

- 11 (1) In FA 2011, omit section 53 (leases and changes to accounting standards).

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (2) The amendment made by this paragraph has effect in relation to periods of account beginning on or after 1 January 2019.

Transitional provisions following repeal of section 53 of FA 2011: introductory

- 12 (1) This paragraph and paragraphs 13 to 17 modify the effect of the change of basis provisions in relation to periods of account of a lessee beginning on or after 1 January 2019 if the lease is one—
 - (a) in respect of which, under generally accepted accounting practice, a right-of-use asset falls (or would fall) to be recognised for accounting purposes in the accounts of the lessee for any period of account (whether beginning before or on or after that date), and
 - (b) which would not fall to be treated in those accounts as a finance lease if the lessee were required under generally accepted accounting practice to determine whether the lease would fall to be treated in those accounts as a finance lease.
- (2) In this Part of this Schedule, “the change of basis provisions” means—
 - (a) Chapter 17 of Part 2 and Chapter 7 of Part 3 of ITTOIA 2005 (adjustment income), and
 - (b) Chapter 14 of Part 3 and sections 261 and 262 of CTA 2009 (adjustment on change of basis).

Cases where asset first recognised for period of account beginning on or after 1 January 2019

- 13 ^{F10}(1) This paragraph applies if the first period of account for which the right-of-use asset falls (or would fall) to be recognised for accounting purposes in the accounts of the lessee begins on or after 1 January 2019 (referred to in the following provisions of this paragraph as “the first period of account”).]
- (2) Any adjustment income or adjustment expense, or any receipt or expense, treated by any of the change of basis provisions as arising in consequence of a change of accounting policy that results in the right-of-use asset being first recognised for accounting purposes is to be treated as arising over a period (“the spreading period”) determined in accordance with the following steps—
 - Step 1* Find for each lease the amount by which the credits exceed the debits (or vice-versa). For this purpose, the credits and the debits are the amounts which, under generally accepted accounting practice—
 - (a) are taken to equity as adjustments in the accounts of the lessee for the first period of account, and
 - (b) are in consequence of the change of accounting policy that results in the right-of-use asset being first recognised for accounting purposes in those accounts.
 - Step 2* Calculate for each lease the percentage (“the relevant percentage”) that—
 - (a) the amount found under Step 1 for the lease bears to

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) the total of all amounts found under Step 1 (treating such amounts as positive amounts).

Step 3 Find for each lease the period which results from applying the relevant percentage to the term of the lease that remains unexpired as at the date on which the first period of account begins. For this purpose, the term of a lease is to be determined in accordance with generally accepted accounting practice as it applies for the first period of account.

Step 4 Calculate the sum of all periods found under Step 3.

Step 5 The spreading period is the period equal to the sum calculated under Step 4 beginning with the day on which the first period of account begins.

- (3) An amount to be treated as arising in any period falling wholly or partly in the spreading period is to be determined in proportion to the number of days of the period falling within the spreading period.
- (4) This paragraph is subject to paragraphs 15 and 16 (transfers of leases and cessation of activities).

Textual Amendments

F11 Sch. 14 para. 14 substituted (retrospectively) by [Finance Act 2020 \(c. 14\), s. 35\(3\)\(4\)](#)

Certain cases where there is a transfer of a lease

- 15 (1) This paragraph applies if—
- (a) before the whole of an amount has been treated by paragraph 13 as arising to the lessee, there is a transfer of a lease or part of a lease from the lessee to another person,
 - (b) the transferee is connected to the lessee,
 - (c) immediately after the transfer, the transferee carries on activities the profits of which are chargeable to income tax or corporation tax, and

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (d) the transfer is not one where it is reasonable to suppose that the transfer is, or arrangements of which the transfer is part are, designed to avoid tax.
- (2) The amount is to continue to be dealt with in accordance with paragraph 13 but is to be treated as arising to the transferee over so much of the spreading period as falls on or after the date on which the transfer takes place.
- (3) If, following the transfer, it is necessary to apportion between more than one person an amount treated by paragraph 13 or this paragraph as arising, the apportionment is to be made on a just and reasonable basis.
- (4) In this paragraph—
 - “connected” is to be read in accordance with sections 993 and 994 of ITA 2007 and sections 1122 and 1123 of CTA 2010, and
 - “the spreading period” has the same meaning as in paragraph 13.

Cases where lessee permanently ceases to carry on activities

- 16 (1) Sub-paragraph (2) applies if—
 - (a) before the whole of an amount has been treated by paragraph 13 as arising, the lessee permanently ceases to carry on activities the profits of which are chargeable to income tax or corporation tax, and
 - (b) the whole of the amount so far as not treated by paragraph 13 as arising is not treated by paragraph 15(2) as arising to a transferee.
- (2) The amount so far as not otherwise treated as arising—
 - (a) is to be treated as arising to the lessee, and
 - (b) is to be brought into account in calculating the profits of the lessee, immediately before the cessation.

Application of paragraphs 12 to 16 to lease portfolios

- 17 (1) This paragraph applies if a lessee, in accordance with generally accepted accounting practice, prepares accounts by reference to a portfolio of leases having similar characteristics rather than by reference to the individual leases.
- (2) Paragraphs 12 to 14 and 16 apply to the portfolio (subject to any necessary modifications) in the same way as they apply to a lease.
- (3) If there is a transfer of the portfolio (or an individual lease within the portfolio), paragraph 15 applies to the transfer (subject to any necessary modifications) in the same way as it applies to the transfer of a lease.

Corporate interest restriction: changes of accounting policy

- 18 (1) In section 426 of TIOPA 2010 (changes of accounting policy), in subsection (3), after paragraph (e) insert—
 - “(f) paragraphs 12 to 17 of Schedule 14 to FA 2019 (transitional provision following the repeal of section 53 of FA 2011) so far as they have effect in relation to adjustments under Chapter 14 of Part 3 of CTA 2009 or sections 261 and 262 of that Act.”

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (2) The amendment made by this paragraph has effect in relation to periods of account of a worldwide group (within the meaning given by section 480 of TIOPA 2010) beginning on or after 1 January 2019.

Corporate interest restriction: treatment of certain adjustments

- 19 (1) Sub-paragraph (2) applies if—
- (a) an amount is brought into account for corporation tax purposes for a period of account beginning on or after 1 January 2019 as a receipt or expense treated by any of the change of accounting policy provisions as arising to a company which is a lessee,
 - (b) the receipt or expense is treated as arising to the company in consequence of a change of accounting policy relating to a lease in respect of which the company is the lessee,
 - (c) under the old accounting policy, the lease fell to be treated as a finance lease in the accounts of the company, and
 - (d) under the new accounting policy, the lease would fall to be treated as a right-of-use lease in those accounts but for—
 - (i) the short term of the lease, or
 - (ii) the low value of the leased asset.
- (2) For the purposes of Part 10 of TIOPA 2010 (corporate interest restriction)—
- (a) if the amount is brought into account as an expense, “tax-interest expense amount” (see section 382 of that Act) does not include that amount;
 - (b) if the amount is brought into account as a receipt, “tax-interest income amount” (see section 385 of that Act) does not include that amount.
- (3) This paragraph has effect in relation to adjustments to which the financial statements of a worldwide group are treated by section 426 of TIOPA 2010 (changes in accounting policy) as subject in the same way as it has effect in relation to adjustments made under the change of accounting policy provisions by a company and accordingly—
- (a) if the amount is brought into account as an expense, “relevant expense amount” (see section 411(1) of that Act) does not include that amount;
 - (b) if the amount is brought into account as a receipt, “relevant income amount” (see section 411(2) of that Act) does not include that amount.
- (4) In this paragraph—
- “the change of accounting policy provisions” means Chapter 14 of Part 3 and sections 261 and 262 of CTA 2009 (adjustment on change of basis), and
 - “right-of-use lease” has the meaning given by section 494 of TIOPA 2010 (other interpretation).

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

SCHEDULE 15

Section 37

OIL ACTIVITIES: TRANSFERABLE TAX HISTORY

PART 1

ELECTION TO TRANSFER TAX HISTORY

Entitlement to make a TTH election

- 1 This Schedule applies if, on or after 1 November 2018, the OGA gives consent for a company (the “seller”) to sell an interest in a UK oil licence to another company (the “purchaser”).
- 2 (1) On or after the licence transfer date, the seller and purchaser may jointly make a TTH election in respect of an interest (“the TTH asset”) in a transferred oil field (the “TTH oil field”).
- (2) A “TTH election” is an election for—
 - (a) an amount of the seller's ring fence profits (the “total TTH amount”) to be treated, in accordance with the provisions of this Schedule, as if it were an amount of the purchaser's profits (instead of the seller's profits), and
 - (b) a corresponding amount of the seller's adjusted ring fence profits to be so treated for the purpose of Chapter 6 of Part 8 of CTA 2010 (supplementary charge).

PART 2

THE TOTAL TTH AMOUNT

The total TTH amount

- 3 (1) The total TTH amount may comprise—
 - (a) an amount representing the seller's eligible ring fence profits for the reference accounting period, and
 - (b) amounts representing the seller's eligible ring fence profits for so many of the preceding accounting periods ending on or after 17 April 2002 as the seller and purchaser may determine.
- (2) Sub-paragraph (1) is subject to—
 - (a) paragraph 4 (limits on total TTH amount),
 - (b) paragraph 11 (consecutive accounting periods), and
 - (c) paragraph 12 (the transferred profits amount for an accounting period).
- (3) See—
 - (a) paragraph 13 for the meaning of “eligible ring fence profits”, and
 - (b) paragraph 102 for the meaning of “reference accounting period” in relation to the seller.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

Limits on total TTH amount

- 4 The total TTH amount must not exceed the lower of—
- (a) the uplifted decommissioning costs estimate in relation to the TTH asset, and
 - (b) the total amount of the seller's eligible ring fence profits for the period—
 - (i) beginning with 17 April 2002, and
 - (ii) ending at the end of the reference accounting period.

The “uplifted decommissioning costs estimate”

- 5 To determine the “uplifted decommissioning costs estimate” in relation to the TTH asset—
- (a) determine the transferred proportion of the net cost amount (see paragraphs 6 and 7),
 - (b) allocate the relevant proportion of the amount determined under paragraph (a) to the TTH asset (see paragraph 8),
 - (c) adjust the allocated amount in accordance with paragraph 9, and
 - (d) double the adjusted amount.
- 6 (1) The “net cost amount” is the appropriate DSA estimate of the decommissioning costs for the TTH oil field.
- (2) A “DSA estimate” is an estimate approved for the purposes of a qualifying decommissioning security agreement.
- (3) If there is only one qualifying decommissioning security agreement relating to the TTH oil field, the “appropriate DSA estimate” is the most recent DSA estimate approved for the purposes of that agreement within the relevant period.
- (4) If there is more than one qualifying decommissioning security agreement relating to the TTH oil field, the “appropriate DSA estimate” is the lowest of the DSA estimates approved for the purposes of any of those agreements within the relevant period.
- (5) For the purposes of sub-paragraphs (3) and (4), the “relevant period” is the period of 12 months ending with—
- (a) the date on which the TTH election is made, or
 - (b) in a case where the hive down condition (see paragraph 56(5)) is met, the date on which the seller and the purchaser cease to be associated with one another.
- 7 The “transferred proportion” of the net cost amount is the proportion of the decommissioning costs for the TTH oil field that, under the qualifying decommissioning security agreement for the purposes of which the appropriate DSA estimate is approved, is allocated to—
- (a) the seller, in the case of an agreement entered into before the sale of the interest in the UK oil licence concerned, or
 - (b) the purchaser, in the case of an agreement entered into on or after that date.
- 8 In paragraph 5(b), the “relevant proportion” means—
- (a) the proportion that the interest in the TTH oil field which is the TTH asset bears to—
 - (i) the seller's other interests in the TTH oil field, if paragraph 7(a) applies, or

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (ii) the purchaser's other interests in the TTH oil field, if paragraph 7(b) applies, or
 - (b) if the proportion cannot reasonably be determined in accordance with paragraph (a), such other proportion determined on a just and reasonable basis.
- 9 (1) To adjust the allocated amount for the purposes of paragraph 5(c)—
 - (a) disregard the adjustments listed in sub-paragraph (2) made, for the purposes of calculating the net cost amount, in accordance with the terms of the decommissioning security agreement, and
 - (b) if, in making that calculation in accordance with those terms, the relevant proportion of the estimate of the decommissioning costs is increased by an amount to take account of inflation, disregard the amount (if any) by which the increase exceeds the standard inflation adjustment amount.
- (2) The adjustments to be disregarded are—
 - (a) any discount applied by reference to the period of time expected to elapse before the decommissioning costs are payable in relation to the TTH oil field, and
 - (b) any adjustment made for the purposes of taking account of the risk that the decommissioning costs for the TTH oil field will exceed the estimate of those costs.
- (3) The “standard inflation adjustment amount” means the amount (if any) by which the relevant proportion of the estimate of the decommissioning costs for the TTH oil field would be increased if an adjustment for the purposes of taking account of inflation were made on the basis specified by Her Majesty's Revenue and Customs for the purposes of this paragraph.
- 10 (1) A “decommissioning security agreement” is an agreement entered into for the purpose of—
 - (a) determining the costs of decommissioning an oil field, and
 - (b) providing security for—
 - (i) the performance of obligations under an abandonment programme for the purposes of section 38A of the Petroleum Act 1998 (whether or not such a programme has been approved at the time the agreement is entered into), or
 - (ii) the costs of decommissioning plant or machinery which is, or forms part of, a relevant onshore installation.
- (2) A decommissioning security agreement is “qualifying” for the purposes of this Schedule if—
 - (a) the seller is a party to the agreement,
 - (b) at least one of the parties is not associated with the seller, and
 - (c) the estimate approved for the purposes of the agreement is a reasonable estimate of the decommissioning costs for the oil field.
- (3) In a case where the corporate restructuring condition (see paragraph 56(2)) is met, sub-paragraph (2)(a) has effect as if the reference to the seller were a reference to a party to the third party election (as defined in that paragraph).
- (4) In sub-paragraph (1)—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

“abandonment programme” has the meaning given by section 29 of the Petroleum Act 1998, and

“relevant onshore installation” has the same meaning as in section 163 of CAA 2001 (see subsection (3C) of that section).

- (5) See paragraph 98 of this Schedule and section 271 of CTA 2010 for further provision about the meaning of “associated companies”.

Consecutive accounting periods

- 11 (1) The total TTH amount may not include an amount representing the eligible ring fence profits for a particular accounting period (other than the reference accounting period) unless it also includes an amount representing the eligible ring fence profits for the next following qualifying accounting period.
- (2) An accounting period is “qualifying” for the purposes of this Schedule if the seller has eligible ring fence profits for that period.

The transferred profits amount

- 12 (1) The transferred profits amount for an accounting period, other than the earliest period, must be an amount equal to the amount of the seller's eligible ring fence profits for the period.
- (2) The transferred profits amount for the earliest period must be an amount equal to the amount of the seller's eligible ring fence profits for that period, so far as that amount does not exceed the TTH balance for the earliest period.
- (3) The “TTH balance” for the earliest period is an amount equal to—
- (a) the total TTH amount, less
 - (b) the transferred profits amounts for each later accounting period.
- (4) In this paragraph, “earliest period” means the earliest accounting period for which there is a transferred profits amount.

“Eligible ring fence profits”

- 13 Ring fence profits of an accounting period are “eligible” for the purposes of a TTH election if, as at the date the TTH election is made—
- (a) corporation tax is charged on the profits of that period at the main ring fence profits rate,
 - (b) neither section 279B nor section 279C of CTA 2010 (marginal relief) applies in relation to the seller in that period,
 - (c) the seller's liability to corporation tax in respect of the profits has been discharged in full, and
 - (d) the total TTH amount for any other TTH election made by the seller (whether made with the purchaser or with another person) does not include an amount representing those profits.
- 14 In determining, for the purposes of this Schedule, the amount of the seller's eligible ring fence profits for an accounting period that falls partly before 17 April 2002, the amount of the seller's eligible ring fence profits for that period is to be reduced by the proportion which the part of the accounting period falling before that date bears to the whole of the accounting period.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

PART 3

EFFECT OF A TTH ELECTION ON THE SELLER

Application of this Part

- 15 This Part applies if—
- (a) the seller and the purchaser have jointly made a TTH election in respect of the TTH asset, and
 - (b) the TTH election has been approved by an officer of Revenue and Customs (see paragraphs 61 and 62).

Effect of a TTH election: corporation tax

- 16 (1) Sub-paragraphs (2) and (3) apply if the seller makes a loss in a trade in an accounting period.
- (2) For the purposes of section 37(3)(b) of CTA 2010 (including for the purposes of that provision as it has effect under the other trade loss relief provisions), the seller's total profits of a pre-transfer accounting period are treated as being—
- (a) the seller's total profits for that period, less
 - (b) the transferred profits amount for that period.
- (3) For the purposes of section 42 of CTA 2010, the seller's profits of a ring fence trade of a pre-transfer accounting period are treated as being—
- (a) the seller's ring fence profits for that period, less
 - (b) the transferred profits amount for that period.
- 17 The transferred profits amount for an accounting period is to be disregarded for the purposes of the application of any provision of the Corporation Tax Acts by reference to which the seller would (apart from this paragraph) be entitled to relief from, or a repayment of, corporation tax.
- 18 (1) Paragraphs 16 and 17 are subject to this paragraph.
- (2) If, on or after the licence transfer date, the seller's eligible ring fence profits for a pre-transfer accounting period are reduced to an amount which is lower than the transferred profits amount for that period—
- (a) the seller is treated as incurring a loss in a ring fence trade, of an amount equal to the difference, for the accounting period, and
 - (b) paragraph 17 does not apply to the difference.

Effect of a TTH election: supplementary charge

- 19 Paragraphs 20 and 21 apply in relation to an accounting period for which there is a transferred profits amount.
- 20 (1) The transferred adjusted ring fence profits amount for the accounting period is to be disregarded for the purposes of any provision of the Corporation Tax Acts by reference to which the seller would (apart from this paragraph) be entitled to a repayment of supplementary charge.
- (2) The “transferred adjusted ring fence profits amount” is—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (a) in the case of an accounting period other than the earliest period, the amount of the seller's eligible adjusted ring fence profits for the period;
 - (b) in the case of the earliest period, an amount equal to the transferred proportion of the seller's eligible adjusted ring fence profits for the period.
- 21 (1) For the purposes of the application of any provision of Part 4 or Part 8 of CTA 2010 in relation to the seller—
 - (a) the amount of each ARFP component, or (in the case of the earliest period) an amount equal to the transferred proportion of each ARFP component, for the accounting period is to be disregarded, and
 - (b) in the case of the earliest period, references in those provisions to an ARFP component for the accounting period are to be treated as references to the retained proportion of that ARFP component for the period.
- (2) “ARFP component”, in relation to an accounting period, means—
 - (a) the financing costs for the period that are left out of account for the purposes of the assumption mentioned in section 330(3) of CTA 2010, and
 - (b) the amount of any reduction of the seller's adjusted ring fence profits by reference to the cumulative total amount of activated allowance for the period under any of the following provisions of CTA 2010—
 - (i) section 332E (investment allowance),
 - (ii) section 356D (onshore allowance), and
 - (iii) section 356JG (cluster area allowance).
- (3) See paragraph 17 for provision about disregarding the transferred profits amount for an accounting period.
- (4) Sub-paragraph (1) does not apply in relation to the application of any provision for the purposes of determining the seller's eligible adjusted ring fence profits for an accounting period for the purposes of this Schedule.
- 22 (1) For the purposes of paragraphs 20(2) and 21(1)—
 - (a) “earliest period” has the meaning given by paragraph 12(4),
 - (b) the “transferred proportion” is the same as the proportion that the transferred profits amount for the accounting period bears to the seller's ring fence profits amount for the period, and
 - (c) the “retained proportion” is the same as the proportion that the retained profits amount for the accounting period bears to the seller's ring fence profits amount for the period.
- (2) In sub-paragraph (1)(c), “retained profits amount” means the amount of the difference between the amount of the seller's ring fence profits for the earliest period and the transferred profits amount for that period.
- (3) For the purposes of this Schedule, adjusted ring fence profits of an accounting period are “eligible” if—
 - (a) an amount is charged on the profits under section 330(1) of CTA 2010 (supplementary charge in respect of ring fence trades), and
 - (b) as at the TTH election is made, the seller's liability to tax under that section in respect of the adjusted ring fence profits has been discharged in full.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

PART 4

EFFECT OF A TTH ELECTION ON THE PURCHASER

Application of this Part

- 23 This Part applies if—
- (a) the seller and the purchaser have jointly made a TTH election in respect of the TTH asset,
 - (b) the TTH election has been approved by an officer of Revenue and Customs (see paragraphs 61 and 62),
 - (c) the winning of oil from the TTH oil field has permanently ceased, and
 - (d) in a post-acquisition accounting period (the “loss period”)—
 - (i) the purchaser makes a loss in a ring fence trade,
 - (ii) the loss is a decommissioning loss, and
 - (iii) the purchaser holds, for the loss period, an activated TTH amount (see Parts 5 and 6).
- 24 In paragraph 23(d)(ii), “decommissioning loss” means a loss in respect of which—
- (a) a claim for relief under section 37 of CTA 2010 is made by the purchaser by virtue of section 39 or 40 of that Act (relief for trade losses: terminal losses and ring fence trades), or
 - (b) relief is given under section 42 of CTA 2010 (ring fence trades: further extension of period for relief).

Effect of trade loss relief provisions

- 25 (1) The total activated TTH amount held by the purchaser for the loss period is to be applied in accordance with sub-paragraph (2)(b) or (3)(b).
- (2) The purchaser's total profits of a pre-acquisition accounting period are to be treated, for the purposes of section 37(3)(b) of CTA 2010 (including for the purposes of that provision as it has effect under the other trade loss relief provisions) as being the total of—
- (a) the amount of the purchaser's total profits for that period, and
 - (b) if and so far as the loss in respect of which relief is claimed exceeds the amount mentioned in paragraph (a), the activated transferred profits amount for that period.
- (3) The purchaser's profits of a ring fence trade of a pre-acquisition accounting period are to be treated for the purposes of section 42 of CTA 2010, as being the total of—
- (a) the purchaser's profits of a ring fence trade for that period, and
 - (b) if and so far as the loss in respect of which relief is claimed exceeds the amount mentioned in paragraph (a), the activated transferred profits amount for that period.
- (4) The “activated transferred profits amount” for a pre-acquisition accounting period means the amount allocated to the period under paragraph 44 for the purposes of the application of this paragraph in relation to the loss period.
- (5) See paragraphs 38 to 42 for provision about the “total activated TTH amount”.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

Repayment of supplementary charge

- 26 (1) This paragraph applies where, in respect of a loss period, an activated transferred profits amount for a pre-acquisition accounting period is to be applied in accordance with paragraph 25(2)(b) or (3)(b).
- (2) A repayment of tax to be determined as if—
- (a) an amount had been charged under section 330(1) of CTA 2010 in respect of the activated ARFP amount for the pre-acquisition accounting period,
 - (b) that amount had been charged on, and paid by, the purchaser (instead of the seller), and
 - (c) the transferred adjusted ring fence profits amount for the pre-acquisition accounting period were recalculated in accordance with paragraph 50.
- (3) See paragraph 53 for provision about the “activated ARFP amount”.
- 27 (1) In this Schedule, references to the transferred adjusted ring fence profits amount for a pre-acquisition accounting period of the purchaser are references to—
- (a) the transferred adjusted ring fence profits amount (see paragraph 20(2)) for the accounting period of the seller which coincides with the pre-acquisition accounting period of the purchaser, or
 - (b) if there is no coinciding accounting period of the seller, the overlapping proportion of the transferred adjusted ring fence profits amount for each accounting period of the seller that overlaps with the pre-acquisition accounting period of the purchaser.
- (2) The overlapping proportion, in relation to an accounting period of the seller, is the same as the proportion that the part of the seller's accounting period that overlaps with the pre-acquisition accounting period of the purchaser bears to the whole of the seller's accounting period.

Supplementary provision: repayment and enquiries

- 28 For the purposes of section 59D(2) of TMA 1970 (repayment of excess corporation tax), the following amounts paid by the seller are treated as having been paid by the purchaser—
- (a) the amount of corporation tax in respect of an activated transferred profits amount, for a pre-acquisition accounting period, that is applied in accordance with 25(2)(b) or (3)(b), and
 - (b) the amount of supplementary charge in respect of the transferred adjusted ring fence profits amount for that accounting period.
- 29 (1) An enquiry under Part 4 of Schedule 18 to FA 1998 into a tax return for the accounting period in which the claim under section 37 of CTA 2010 in respect of a decommissioning loss in a loss period is made (see paragraphs 23 and 24), or an enquiry into the claim under Schedule 1A to TMA 1970, extends to—
- (a) the decommissioning expenditure amount attributable to the TTH oil field for any accounting period,
 - (b) the tracked profit or loss amount attributable to the TTH asset for any accounting period, and
 - (c) whether a TTH activation event has occurred in relation to the TTH asset.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (2) See Part 5 for provision about “the decommissioning expenditure amount” and a TTH activation event, and paragraphs 64 and 65 for provision about the “tracked profit and loss amount”.

PART 5

TTH ACTIVATION

TTH activation event

- 30 (1) A TTH activation event occurs in relation to the TTH asset if—
- (a) the winning of oil from the TTH oil field has permanently ceased, and
 - (b) at the end of a post-acquisition accounting period of the purchaser, the total decommissioning expenditure amount exceeds the total net profits amount.
- (2) The “total decommissioning expenditure amount” is the relevant proportion of the total of the decommissioning expenditure amounts (see paragraph 31) attributable to the TTH oil field, in respect of which an allowance or allocation is made to the purchaser, for—
- (a) the period mentioned in sub-paragraph (1)(b), and
 - (b) each preceding accounting period which is a post-acquisition accounting period.
- (3) The “total net profits amount” is the aggregate of the tracked profit or loss amounts (see paragraphs 64 and 65) attributable to the TTH asset for—
- (a) the period mentioned in sub-paragraph (1)(b), and
 - (b) each preceding accounting period which is a post-acquisition accounting period.
- (4) But if the aggregate of the tracked profit or loss amounts attributable to the TTH asset for the periods mentioned in sub-paragraph (3)(a) and (b) is a negative amount, the total net profits amount is nil.
- (5) In this paragraph, “the relevant proportion” means the proportion that the interest in the TTH oil field which is the TTH asset bears to the purchaser's other interests in the TTH oil field or, if the proportion cannot reasonably be determined on that basis, such other proportion determined on a just and reasonable basis.

Decommissioning expenditure amount

- 31 The “decommissioning expenditure amount” attributable to the TTH oil field for an accounting period, is the total of each of the following amounts attributable to the field for the post-acquisition accounting period—
- (a) the special allowance amount,
 - (b) the post-cessation expenditure amount, and
 - (c) the restoration expenditure amount.
- 32 (1) The “special allowance amount” for an accounting period is the amount of a special allowance made under section 164 of CAA 2001 (general decommissioning expenditure incurred before cessation of ring fence trade) for that period.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (2) A special allowance amount is attributable to the TTH oil field so far as the expenditure in respect of which the allowance is made is expenditure incurred on decommissioning plant or machinery brought into use for the purposes of oil-related activities carried on wholly or partly in direct connection with the field.
- 33 (1) The “post-cessation expenditure amount” for an accounting period is the amount that, under section 165(3)(a) of CAA 2001 (general decommissioning expenditure after ceasing ring fence trade), is allocated to the appropriate pool for that period.
- (2) A post-cessation expenditure amount is attributable to the TTH oil field so far as the general decommissioning expenditure in respect of which the amount is allocated is expenditure incurred on decommissioning plant or machinery brought into use for the purposes of oil-related activities carried on wholly or partly in direct connection with the field.
- 34 (1) The “restoration expenditure amount” for an accounting period is the amount that is treated as qualifying expenditure under section 416ZA of CAA 2001 (ring fence trades: expenditure on site restoration) for that period.
- (2) A restoration expenditure amount is attributable to the TTH oil field if the qualifying expenditure is incurred in relation to the field.
- 35 For the purposes of paragraphs 32(2), 33(2) and 34(2), expenditure for an accounting period is to be apportioned between the TTH oil field and other oil fields (or parts of oil fields) on a just and reasonable basis.

PART 6

ALLOCATION OF ACTIVATED TTH AMOUNT

Application of this Part

- 36 This Part of this Schedule applies if a TTH activation event occurs in relation to the TTH asset.
- 37 In this Schedule—
- (a) “first activation period” means the first post-acquisition accounting period of the purchaser in which a TTH activation event occurs, and
 - (b) “post-activation period” means a subsequent accounting period of the purchaser.

“Total activated TTH amount”

- 38 The “total activated TTH amount” held by the purchaser for a loss period which is the first activation period is the lower of—
- (a) the amount by which, at the end of that period, the total decommissioning expenditure amount exceeds the total net profits amount (see paragraph 30), and
 - (b) the total TTH amount.
- 39 The “total activated TTH amount” held by the purchaser for a loss period which is a post-activation period is the lower of—
- (a) the adjusted activated TTH amount (see paragraphs 40 to 42), and

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) the closing balance of the total TTH amount for the immediately preceding accounting period (see paragraph 49).
- 40 (1) This paragraph applies if, in relation to a post-activation period—
 - (a) the relevant proportion of the decommissioning expenditure amount attributable to the TTH oil field for that period, exceeds
 - (b) the tracked profit or loss amount attributable to the TTH asset for that period.
- (2) The “additional activated TTH amount” for the post-activation period is an amount equal to the excess.
- (3) For the purposes of paragraph 39, the adjusted activated TTH amount is the total of—
 - (a) the closing balance of activated TTH for the immediately preceding accounting period, and
 - (b) the additional activated TTH amount for the post-activation period.
- (4) In this paragraph and in paragraph 41, “relevant proportion” has the same meaning as in paragraph 30(5).
- 41 (1) This paragraph applies if, in relation to a post-activation period—
 - (a) the tracked profit or loss amount attributable to the TTH asset for that period, exceeds
 - (b) the relevant proportion of the decommissioning expenditure amount attributable to the TTH oil field for that period.
- (2) The “TTH reduction amount” for the post-activation period is an amount equal to the excess.
- (3) If the TTH reduction amount is less than the closing balance amount, the adjusted activated TTH amount for the purposes of paragraph 39 is an amount equal to the difference.
- (4) If the TTH reduction amount is equal to, or greater than, the closing balance amount, the adjusted activated TTH amount for the purposes of paragraph 39 is nil.
- (5) In this paragraph, references to the “closing balance amount” are references to the closing balance of activated TTH for the accounting period immediately preceding the post-activation period.
- 42 If neither paragraph 40 nor paragraph 41 applies in relation to a post-activation period, the “adjusted activated TTH amount” for the purposes of paragraph 39 is—
 - (a) an amount equal to the closing balance of activated TTH for the immediately preceding accounting period, if it is greater than nil, or
 - (b) nil, if the closing balance of activated TTH for the immediately preceding accounting period is nil or a negative amount.

Allocation of activated TTH to an accounting period

- 43 Paragraph 44 applies for the purposes of paragraph 25 (effect of trade loss relief provisions in relation to the purchaser).
- 44 The total activated TTH amount for a loss period is to be allocated, for the purposes of the application of paragraph 25 in relation to that loss period, to pre-acquisition accounting periods of the purchaser as follows—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

Step 1 Take the most recent pre-acquisition accounting period for which there is an unused transferred profits amount which is greater than nil.

Step 2 Allocate to that pre-acquisition accounting period an amount equal to the lower of—

- (a) the unused transferred profits amount, and
- (b) the total activated TTH amount held by the purchaser for the loss period.

Step 3 Allocate to the next most recent pre-acquisition accounting period an amount equal to the lower of—

- (a) the transferred profits amount for that period, and
- (b) the available activated TTH amount for the loss period.

Step 4 Repeat Step 3 (taking later pre-acquisition accounting periods before earlier ones) until the amount given by paragraph (a) or (b) is nil.

Transferred profits amount for a pre-acquisition accounting period

- 45 (1) In this Schedule, references to the transferred profits amount for a pre-acquisition accounting period of the purchaser are references to—
- (a) the transferred profits amount for the accounting period of the seller which coincides with the pre-acquisition accounting period of the purchaser, or
 - (b) if there is no coinciding accounting period of the seller, the overlapping proportion of the transferred profits amount for each accounting period of the seller that overlaps with the pre-acquisition accounting period of the purchaser.
- (2) The overlapping proportion, in relation to an accounting period of the seller, is the same as the proportion that the part of the seller's accounting period that overlaps with the pre-acquisition accounting period of the purchaser bears to the whole of the seller's accounting period.

“Unused transferred profits amount”

- 46 (1) This paragraph applies for the purposes of Steps 1 and 2 of paragraph 44.
- (2) If the loss period is the first activation period, the reference to the “unused transferred profits amount” for a pre-acquisition accounting period is a reference to the transferred profits amount for that period.
- (3) If the loss period is a post-activation period, the reference to the “unused transferred profits amount” for a pre-acquisition accounting period is a reference to the amount equal to—
- (a) the transferred profits amount for the pre-acquisition accounting period, less
 - (b) the total of the amounts applied for the pre-acquisition accounting period in accordance with paragraph 25, for the purposes of the application of that paragraph in relation to the first activation period or an earlier post-activation period.

“Available activated TTH amount”

- 47 (1) This paragraph applies for the purposes of allocating an amount to a pre-acquisition accounting period under Step 3 of paragraph 44.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (2) The “available activated TTH amount” held by the purchaser for the loss period, is an amount equal to—
- (a) the total activated TTH amount for the period, less
 - (b) the total of the activated transferred profits amounts allocated under paragraph 44 to later pre-acquisition accounting periods.
- (3) In sub-paragraph (2)(b) the reference to “later pre-acquisition accounting periods” is a reference to pre-acquisition accounting periods that begin after the period mentioned in sub-paragraph (1).

“Closing balance of activated TTH”

- 48 (1) The closing balance of activated TTH for the first activation period, or a post-activation period in relation to which paragraph 40, 41(3) or 42 applies, the closing balance of activated TTH for the period is—
- (a) the total activated TTH amount held by the purchaser for that period, less
 - (b) the amount applied in accordance with paragraph 25 for that period.
- (2) If paragraph 41(4) applies in relation to a post-activation period, the closing balance of activated TTH for the period is the negative amount determined by deducting—
- (a) the TTH reduction amount for that period, from
 - (b) the closing balance of activated TTH for the immediately preceding accounting period.

“Closing balance of the total TTH amount”

- 49 The closing balance of the total TTH amount for an accounting period is—
- (a) the total TTH amount, less
 - (b) the total of the amounts (if any) applied in accordance with paragraph 25 for that accounting period and earlier accounting periods.

PART 7

- 50 (1) This paragraph applies for the purposes of recalculating the transferred adjusted ring fence profits amount for the pre-acquisition accounting period mentioned in paragraph 26(1) (for the purposes of paragraph 26(2)(c)).
- (2) The recalculated transferred adjusted ring fence profits amount for the period is the aggregate of—
- (a) the reduced ARFP amount for the pre-acquisition period (see paragraphs 51 and 52), and
 - (b) the adjusted finance cost amount for the loss period mentioned in paragraph 26(1) (see paragraph 55).
- (3) But if the amount given by taking the steps in sub-paragraph (2) is a negative amount, the recalculated transferred adjusted ring fence profits amount is nil.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

“Reduced ARFP amount”

- 51 (1) To determine the “reduced ARFP amount” for a pre-acquisition accounting period—

 - (b) a corresponding repayment is determined under paragraph 26(2) (an “earlier repayment”).
- (4) The amount of the transferred adjusted ring fence profits for the pre-acquisition accounting period is treated, for the purposes of sub-paragraph (1), as being reduced by an amount equal to the total of the activated ARFP amounts for that period for the purposes of each earlier repayment.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

Approval notice

- 61 An officer of Revenue and Customs may approve the TTH election by giving notice in writing (an “approval notice”) to the seller and the purchaser.

Deemed approval

- 62 (1) If no approval notice or enquiry notice is given, in respect of the TTH election, before the end of the period mentioned in paragraph 5(2) of Schedule 1A to TMA 1970 (time limit for opening an enquiry), the election is deemed to have been approved by an officer of Revenue and Customs at the end of that period.
- (2) In sub-paragraph (1), the reference to an “enquiry notice” is a reference to a notice under paragraph 5(1) of Schedule 1A to TMA 1970 (intention to enquire into a claim or election).

Profit tracking requirements

- 64 (1) The purchaser complies with the profit tracking requirements in relation to an accounting period if the purchaser's company tax return for the period is accompanied by a statement of the tracked profit or loss amount for the period.
- (2) The “tracked profit or loss amount” for an accounting period is the amount of profit or loss that is attributable to the TTH asset, excluding the relevant proportion of

- (3) In sub-paragraph 64(2), “relevant proportion” has the same meaning as in paragraph 30 (see paragraph 30(5)).
- 65 (1) For the purposes of determining the tracked profit or loss amount for an accounting period—
- (a) just and reasonable apportionments are to be made of the receipts, expenses, assets and liabilities of—
 - (i) the purchaser, and
 - (ii) any other company that is associated with the purchaser and has an interest in the TTH asset (including an interest in a share in the oil won and saved in the TTH oil field), and
 - (b) for the purposes of paragraph (a), an officer of Revenue and Customs may require that financing costs for an accounting period are to be apportioned on such basis as the officer may reasonably specify before the beginning of that period.
- (2) In this paragraph “financing costs” has the meaning it has for the purposes of section 330 of CTA 2010 (see section 331 of that Act).

Senior tracking officers

- 66 (1) The purchaser's senior tracking officer must—
- (a) take reasonable steps to ensure that the tracked profit and loss amount attributable to a TTH asset for each tracking period is determined in accordance with paragraph 65, and
 - (b) provide the Commissioners for Her Majesty's Revenue and Customs with a certificate as to compliance with paragraph (a).
- (2) For each tracking period, the purchaser must notify the Commissioners for Revenue and Customs of the name of each person who was its senior tracking officer at any time during the period.
- (3) The certificate under sub-paragraph (1)(b), and the notice under sub-paragraph (2), must be given—
- (a) in the form and manner specified by an officer of Revenue and Customs, and

- 68 (1) The senior tracking officer is liable to a penalty of £5,000 if the officer, without reasonable excuse—
- (a) fails to comply with paragraph 66(1)(a) at any time in a tracking period, or
 - (b) fails to provide a certificate in accordance with paragraph 66(1)(b) and (3).
- (2) The senior tracking officer is not liable to more than one penalty under paragraph 68(1)(a) in respect of the TTH asset and the same tracking period.
- (3) If the purchaser, without reasonable excuse, fails to give a notice in accordance with paragraph 66(2) and (3), the purchaser is liable to a penalty of £5,000.
- (4) If (but for this sub-paragraph) more than one person would be liable for a penalty under sub-paragraph 68(1)(a) or (b) in respect of the TTH asset and a tracking period, only the person who became the senior tracking officer latest in the tracking period is liable to such a penalty.
- 69 (1) Where a senior tracking officer, or the purchaser, becomes liable for a penalty under paragraph 68—
- (a) Her Majesty's Revenue and Customs may assess the penalty, and
 - (b) if they do so, they must notify the person liable for the penalty.
- (2) An assessment of a penalty under this Part for a failure in respect of a tracking period may not be made—
- (a) more than 6 months after the failure first comes to the attention of an officer of Revenue and Customs, or
 - (b) more than 6 years after the filing date for the purchaser's tax return for the tracking period (see paragraph 14 of Schedule 18 to FA 1998).
- (3) See paragraph 94 for provision about appeals against a penalty under paragraph 68.
- 70 (1) A penalty under paragraph 68 must be paid—
- (a) before the end of the period of 30 days beginning with the date on which the notification under paragraph 69 was issued, or
 - (b) if a notice of appeal against the penalty is given, before the end of the period of 30 days beginning with the date on which the appeal is determined or withdrawn.
- (2) A penalty under this Schedule may be enforced as if it were income tax charged in an assessment and due and payable or, in the case of the purchaser, corporation tax charged in an assessment and due and payable.

PART 10

TTH ELECTIONS: EFFECTIVE DATE AND WITHDRAWAL

Effective date of a TTH election

- 71 (1) A TTH election in respect of a TTH asset—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (b) continues to have effect indefinitely in relation to seller, and
 - (c) continues to have effect in relation to the purchaser unless it is withdrawn in accordance with the provisions of this Schedule.
- (2) References in this Schedule to the “effective date of a TTH election” are to be construed in accordance with sub-paragraph (1)(a).

Withdrawal of a TTH election by an officer of Revenue and Customs

- 72 (1) A TTH election ceases to have effect in relation to the purchaser if—
- (a) the purchaser, without reasonable excuse, persistently fails to comply with either of the conditions mentioned in paragraph 63, and
 - (b) an officer of Revenue and Customs gives notice to the purchaser of the withdrawal of the election.
- (2) If notice is given under sub-paragraph (1), the TTH election ceases to have effect in relation to the purchaser for the accounting period in which the notice is given and each subsequent accounting period.
- (3) A notice given under sub-paragraph (1) does not affect any relief given by reference to paragraph 25 or 26 for a loss period ending before the notice is given.
- (4) See paragraph 94 for provision about appeals against a decision to withdraw an election under this paragraph.

PART 11

TTH ELECTIONS: INACCURACIES

Penalties for errors

- 73 If a document provided for the purposes of making a TTH election contains an inaccuracy which is, or results in, an overstatement of the total TTH amount, Schedule 24 to FA 2007 has effect as if—
- (a) the seller (and not the purchaser) is treated as giving the document to Her Majesty's Revenue and Customs,
 - (b) the inaccuracy is treated (so far as would not otherwise be the case) as leading to a false or inflated claim to repayment of tax, and
 - (c) “the potential lost revenue” in respect of the inaccuracy is an amount equal to 10% of the amount by which the total TTH amount is overstated.

Amendment of TTH election: amounts discovered to be incorrect

- 74 (1) This paragraph applies if an officer of Revenue and Customs discovers that a TTH election incorrectly states an amount that affects, or may affect—
- (a) the amount which may be applied in accordance with paragraph 25 (effect of trade loss relief provisions), or
 - (b) the amount of a repayment determined by reference to paragraph 26 (supplementary charge: repayment of tax).
- (2) The officer—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (a) may amend the TTH election to correct that amount, subject to paragraph 75, and
 - (b) must give notice to the purchaser of an amendment under paragraph (a).
- (3) But the power to amend the TTH election under this paragraph may only be exercised if, at the time the election was approved (see paragraphs 61 and 62), an officer of Revenue and Customs could not have been reasonably expected, on the basis of the information made available to the officer before that time, to be aware that the amount stated was incorrect.
- (4) An amendment under this paragraph may not be made more than 12 months after information that, in the opinion of an officer of Revenue and Customs, justifies the correction of the TTH election, comes to the officer's attention.
- (5) An amendment under this paragraph is to be ignored for the purposes of the application of Part 3 of this Schedule (effect of a TTH election on the seller).
- (6) If, on or after the licence transfer date, the seller's total profits for a pre-transfer accounting period are reduced, the statement of the total profits (or a statement of an amount determined by reference to the total profits) is not to be regarded as incorrect for the purposes of this paragraph (but see paragraph 18).
- (7) See paragraph 94 for provision about appeals against a decision under this paragraph.
- 75 (1) This paragraph applies if, before the correction under paragraph 74 is made, an activated transferred profits amount for a pre-acquisition accounting period has been applied in accordance with paragraph 25(2)(b) or (3)(b).
- (2) An amendment made under paragraph 74(2) may not—
- (a) reduce the transferred profits amount for that pre-acquisition accounting period to an amount which is less than the amount that has been applied, in respect of loss periods ending before the determination is made, in accordance with paragraph 25 for the pre-acquisition accounting period, or
 - (b) reduce the total TTH amount to an amount which is less than the total of the amounts that have been applied in accordance with paragraph 25 in respect of loss periods ending before the determination is made.

PART 12

CHARGEABLE GAINS

Transferred tax history is not to be regarded as an asset

- 76 Where the seller and the purchaser jointly make a TTH election in respect of the TTH asset, the transfer of tax history is not to be treated as—
- (a) the disposal or acquisition of an asset for the purposes of TCGA 1992, or
 - (b) the disposal or acquisition of an intangible fixed asset for the purposes of Part 8 of CTA 2009.

- (b) computing the disposal value of the licence interest, on its disposal, for the purposes of Part 5 of CAA 2001 (mineral extraction allowances).

Market value of the licence interest: value of transferred tax history to be taken into account

- 78 Any value attributable to the transfer of tax history is to be taken into account in determining the market value of the licence interest for the purposes of—
- (a) section 17 of TCGA 1992 (disposals and acquisitions treated as being made at market value);
 - (b) Part 5 of CAA 2001, if the disposal value of the licence interest for the purposes of that Part is the market value of the licence interest at the time of that disposal (see section 423 of CAA 2001).

Licence swaps: references to disposal include references to transfer of tax history

- 79 For the purposes of the application of sections 195A to 196 of TCGA 1992 (oil licence swaps) in relation to the disposal of the licence interest by the seller to the purchaser, references in those sections to the disposal are treated as including references to the transfer of tax history.

Interpretation of this Part

- 80 (1) References in this Part to “the transfer of tax history” are references to—
- (a) the seller, in consequence of the TTH election, ceasing to be entitled to take the transferred profits for an accounting period into account for certain corporation tax purposes in the circumstances specified in Part 3 of this Schedule, and
 - (b) the purchaser, in consequence of the TTH election, acquiring an entitlement, in the circumstances specified in Part 4 of this Schedule, to apply an amount of the transferred profits for the purposes of the trade loss relief provisions and to a corresponding repayment of supplementary charge.
- (2) References in this Part to “the licence interest” are references to the interest in a UK oil licence referred to in paragraph 1.

PART 13

ONWARD SALE

Application of paragraphs 83 to 90

- 81 This Part applies if—
- (a) the purchaser (referred to in this Part as “the first purchaser”) and the seller jointly make a TTH election (the “first TTH election”) in respect of an interest (the “first TTH asset”) in the TTH oil field,
 - (b) the first purchaser subsequently sells to another company (“the second purchaser”) an interest in a UK oil licence which applies to the area which includes the TTH oil field, and

- (c) the first purchaser and the second purchaser jointly make a TTH election (the “subsequent TTH election”) in respect of an interest (the “subsequent TTH asset”) in the TTH oil field.
- 82 (1) Sub-paragraph (2) applies if—
- (a) the first purchaser has an interest in the UK oil licence referred to in paragraph 1, in addition to the interest in that licence acquired from the seller, and
 - (b) the UK oil licence referred to in paragraph 81(b) is the same UK oil licence referred to in paragraph 1.
- (2) Interests in the licence acquired later by the first purchaser are treated, for the purposes of this Part, as being transferred to the second purchaser before interests in the licence acquired earlier by the first purchaser.

Original TTH amount treated as eligible ring fence profits

- 83 (1) This Schedule applies, for the purposes of the subsequent TTH election, as if the original TTH amount for all relevant accounting periods were an amount of the first purchaser's eligible ring fence profits for that period.
- (2) Sub-paragraph (1) is subject to paragraphs 85 to 88.
- (3) In this Part of this Schedule, “relevant accounting period” means a pre-acquisition accounting period of the first purchaser for which there is, immediately before the effective date of the subsequent TTH election, an unused transferred profits amount.
- (4) In this Part of this Schedule, references to the “original TTH amount” mean, in relation to a relevant accounting period—
- (a) the unused transferred profits amount for that period, or
 - (b) if the first TTH asset is not the same as the subsequent TTH asset, the relevant proportion of that amount for that period.
- (5) For the purposes of sub-paragraph (4)(b), the “relevant proportion” is the proportion that the subsequent TTH asset bears to the first TTH asset or, if the proportion cannot reasonably be determined on that basis, such other proportion determined on a just and reasonable basis.
- (6) In this paragraph, references to the unused transferred profits amount for an accounting period are references to—
- (a) the transferred profits amount, in relation to the first TTH election, for that period, less
 - (b) the total of the amounts applied for that period in accordance with paragraph 25, for the purposes of the application of that paragraph in relation to a loss period of the first purchaser.
- 84 The original TTH amount for each relevant accounting period ceases to be treated, for the purposes of the first TTH election, as a transferred profits amount for that period in relation to the first purchaser.

Original TTH amount transferred before eligible ring fence profits (subject to opt-out)

- 85 (1) Paragraphs 86 and 87 apply in relation to the subsequent TTH election, subject to sub-paragraph (2).

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (2) The first purchaser and the second purchaser may elect, at the time the TTH election is made, that neither paragraph 86 nor paragraph 87 applies in relation to the subsequent TTH election.
- 86 (1) The total TTH amount may not include an amount representing the first purchaser's eligible ring fence profits for an accounting period unless it also includes an amount representing, in respect of each relevant accounting period, the original TTH amount for that period.
- (2) Paragraph 11 (consecutive accounting periods) does not apply in relation to an amount representing an original TTH amount for a relevant accounting period (but see sub-paragraph (3)).
- (3) The total TTH amount may not include an amount representing the original TTH amount for a particular accounting period unless it also includes an amount representing the original TTH amount for the next following relevant accounting period.
- (4) If the original TTH amount exceeds the total TTH amount, the transferred profits amount for the earliest relevant accounting period must be an amount equal to—
- (a) the total TTH amount, less
 - (b) the transferred profits amount for later relevant accounting periods.
- (5) For the purposes of paragraph 12 (the transferred profits amount)—
- (a) references to the “earliest period” are to be treated as references to the earliest accounting period for which there is a transferred profits amount by reason of the first purchaser's eligible ring fence profits for that period (and not by reason of an original TTH amount for that period), and
 - (b) the reference in sub-paragraph (2) to the TTH balance for the earliest period is to be treated as a reference to the TTH balance less the transferred profits amounts for each relevant accounting period.
- 87 In the application of this Schedule for the purposes of the subsequent TTH election—
- (a) in sub-paragraph (2) of paragraph 30 (TTH activation event), the reference to an allowance or allocation made to the purchaser includes a reference to the relevant proportion (within the meaning of paragraph 83(5)) of an allowance or allocation made to the first purchaser;
 - (b) in paragraph 30(2)(b) and (3)(b), and in paragraph 31 (decommissioning expenditure amount), references to a post-acquisition accounting period of the purchaser include references to a post-acquisition accounting period of the first purchaser;
 - (c) in paragraph 30(3) as it applies in relation to post-acquisition accounting periods of the first purchaser, the reference to amounts attributable to the TTH asset is to be treated as a reference to the relevant proportion (within the meaning of paragraph 83(5)) of those amounts;
 - (d) in paragraph 30(5) as it applies for the purposes of determining the total decommissioning expenditure amount in relation to a post-acquisition accounting period of the first purchaser, the reference to the purchaser is to be treated as a reference to the first purchaser;
 - (e) references in this Schedule to a pre-acquisition accounting period of the purchaser include references to a pre-acquisition accounting period of the first purchaser;

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (f) references in paragraphs 83 to 86 and 89 to an amount of the first purchaser's eligible ring fence profits do not include references to an original TTH amount.

Opt-out under paragraph 85(2): further provision about the application of this Schedule

- 88 (1) This paragraph applies if—
- (a) the first purchaser and the second purchaser make an election under paragraph 85(2) (disapplication of paragraphs 86 and 87), and
 - (b) in relation to the subsequent TTH election, the total TTH amount exceeds the total amount of the first purchaser's eligible ring fence profits for—
 - (i) the accounting period which is, at the licence transfer date in relation to the subsequent TTH election, the first purchaser's most recent qualifying accounting period in respect of which the amendment period has ended, and
 - (ii) each earlier accounting period which is, in relation to the first TTH election, a post-acquisition accounting period of the first purchaser.
- (2) In the application of this Schedule for the purposes of the subsequent TTH election—
- (a) in sub-paragraph (2) of paragraph 30 (TTH activation event), the reference to an allowance or allocation made to the purchaser includes a reference to the relevant proportion (within the meaning of paragraph 83(5)) of an allowance or allocation made to the first purchaser;
 - (b) in paragraph 30(2)(b) and (3)(b), and in paragraph 31 (decommissioning expenditure amount), references to a post-acquisition accounting period of the purchaser include references to the accounting periods of the first purchaser mentioned in sub-paragraph (1)(b)(i) and (ii);
 - (c) in paragraph 30(3) as it applies in relation to the accounting periods of the first purchaser mentioned in sub-paragraph (1)(b)(i) and (ii), the reference to amounts attributable to the TTH asset is to be treated as a reference to the relevant proportion (within the meaning of paragraph 83(5)) of those amounts;
 - (d) in paragraph 30(5) as it applies for the purposes of determining the total decommissioning expenditure amount in relation to an accounting period of the first purchaser mentioned in sub-paragraph (1)(b)(i) or (ii), the reference to the purchaser is to be treated as a reference to the first purchaser;
 - (e) in paragraph 83 and in sub-paragraph (1)(b) of this paragraph, references to an amount of the first purchaser's eligible ring fence profits do not include references to an original TTH amount.

Supplementary charge: treatment of transferred adjusted ring fence profits

- 89 (1) The provisions of this Schedule apply, for the purposes of the subsequent TTH election, as if—
- (a) the transferred adjusted ring fence profits amount for each relevant accounting period, or
 - (b) if the first TTH asset is not the same as the subsequent TTH asset, the relevant proportion of that amount for that period,
- were an amount of the first purchaser's eligible adjusted ring fence profits for that period.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (2) For the purposes of sub-paragraph (1)(b), “the relevant proportion” means the proportion that the subsequent TTH asset bears to the first TTH asset or, if the proportion cannot reasonably be determined on that basis, such other proportion determined on a just and reasonable basis.

Tracking

- 90 (1) This paragraph applies if, after the effective date of the subsequent TTH election, the first purchaser continues to be liable for the decommissioning costs, or for a proportion of the decommissioning costs, for the subsequent TTH asset.
- (2) In the application of this Schedule for the purposes of the subsequent TTH election, references to the “purchaser” in paragraph 65 are to be treated, in respect of the period beginning with the effective date of the subsequent TTH election, as including references to the second purchaser.

Sale by the second purchaser or subsequent sale

- 91 In the case of a sale by the second purchaser, or a subsequent sale, of an interest within paragraph 81(c) in respect of which the parties make a TTH election—
- (a) references in paragraph 86 to the original TTH amount are references to the original TTH amount in relation to each election,
 - (b) amounts in relation to earlier elections are to be applied for the purposes of paragraph 86(1) and (3) before amounts in relation to later elections,

“CHAPTER 3A

ENTREPRENEURS' RELIEF WHERE COMPANY
CEASES TO BE INDIVIDUAL'S PERSONAL COMPANY

Overview of Chapter

- 169SB This Chapter makes provision about an individual claiming entrepreneurs' relief in certain cases where relief would otherwise become unavailable because of a company ceasing to be the individual's personal company.

Election by individual where company ceases to be personal company

- 169S(1) If the following conditions are met, an individual may elect for this section to have effect.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (2) The first condition is that, as a result of a relevant share issue, the company ceases to be the individual's personal company.
- (3) The second condition is that—
 - (a) if, immediately before the relevant share issue, the individual had made a disposal at their relevant value of all assets consisting of shares in or securities of the company, the disposal would have been a material disposal of business assets, and
 - (b) if a claim for entrepreneurs' relief had been made in respect of that disposal, a chargeable gain would have been treated by section 169N(2) as accruing to the individual.
- (4) Where this section has effect, the individual is to be treated for the purposes of this Act—
 - (a) as having made a disposal immediately before the relevant share issue of all assets consisting of shares in or securities of the company, and
 - (b) immediately after that event, as having reacquired those assets, at their relevant value.
- (5) In this section—
 - “material disposal of business assets” and “personal company” have the same meanings as in Chapter 3 (see section 169S),
 - “relevant share issue” means an issue of shares by the company where—
 - (a) the shares are issued by the company for consideration consisting wholly of cash, and
 - (b) the shares are subscribed, and issued, for genuine commercial reasons and not as part of arrangements the main purpose, or one of the main purposes, of which is to secure a tax advantage to any person, and
 - “relevant value” means—
 - (a) in relation to an asset consisting of shares, an amount equal to the consideration that would be apportioned to the asset if, immediately before the relevant share issue, the whole of the issued share capital of the company were sold for a consideration equal to its market value at that time, or
 - (b) in relation to any other asset, its market value at the time of the relevant share issue.
- (6) For the purposes of the definition of “relevant share issue” in subsection (5)
—
 - “arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable), and
 - “tax advantage” means—
 - (a) relief or increased relief from tax,
 - (b) repayment or increased repayment of tax,
 - (c) the avoidance or reduction of a charge to tax or an assessment to tax, or

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

(d) the avoidance of a possible assessment to tax,

and for the purposes of this definition “tax” means capital gains tax, corporation tax or income tax.

(7) In this Chapter—

- (a) references to “the notional disposal” are references to the disposal mentioned in subsection (4)(a),
- (b) references to “the notional gain” are references to the chargeable gain mentioned in subsection (3)(b), and
- (c) references to shares in or securities of a company include references to interests in such shares or securities.

Supplementary election to defer gains until subsequent disposal

169SD) An individual who makes an election under section 169SC may also elect that, for the purposes of this Act—

- (a) no chargeable gain or allowable loss is to be treated as accruing to the individual on the notional disposal, but
- (b) a chargeable gain calculated in accordance with this section is to be treated as accruing to the individual on any subsequent disposal by the individual of one or more assets consisting of shares in or securities of the company (in addition to any gain or loss that actually accrues on that disposal).

(2) The chargeable gain treated as accruing to the individual on a subsequent disposal is the amount resulting from the following steps—

Step 1 Attribute the notional gain to each of the classes of shares in or securities of the company which are the subject of the notional disposal. The attribution must be made, in relation to each class, by reference to the proportion that—

- (a) the relevant gains (see section 169N(5)) accruing on the notional disposal in respect of shares or securities within each class bears to
- (b) the total amount of relevant gains accruing on the notional disposal.

Step 3 The amount resulting from these steps is—

 - (b) the whole or a corresponding part of the chargeable gain mentioned in paragraph (a) is to be treated as accruing on the subsequent disposal of the whole or part of the new asset (in addition to any gain or loss that actually accrues on that disposal and any chargeable gain treated by section 116(10)(b) as accruing on that disposal), and
 - (c) on that subsequent disposal, section 115 (exemptions for gilt-edged securities and qualifying corporate bonds) has effect only in relation to any gain that actually accrues and not in relation to any gain which is treated as accruing by virtue of paragraph (b).

- (2) If a gain is treated by section 169SD(1)(b) as accruing on a subsequent disposal of the new holding and it is necessary to apportion the gain between shares or securities forming part of that new holding, the apportionment must be made in the same proportions as those in which the costs of acquisition of the original shares fall to be apportioned under the provisions of that Chapter.
- (3) If subsection (3) of section 128 (consideration given or received by holder) has effect in relation to an individual, the individual is treated for the purposes of section 169SD as making the disposal of the interest in the original shares mentioned in that subsection.
- (4) In this section “the new holding” and “the original shares” have the same meanings as in sections 127 to 130 (see section 126).

 - (5) In relation to the claim for entrepreneurs' relief in respect of the chargeable gain, the company is to be treated for the purposes of condition A in section 169I(6) as if it were, throughout the period of 2 years ending with the date of the subsequent disposal, the individual's personal company.”

“Hybrid capital instruments

Amounts payable in respect of hybrid capital instruments

420A(1) This section applies if a loan relationship is a hybrid capital instrument for an accounting period of the debtor.

- (2) The Corporation Tax Acts have effect in relation to any person in respect of times in the accounting period as if any qualifying amount payable in respect of the hybrid capital instrument were not a distribution.
- (3) An amount is a “qualifying amount” so far as it would not be regarded as a distribution if it is assumed that any provision made by the loan relationship under which the debtor is entitled to defer or cancel a payment of interest under the loan relationship had not been made.
- (4) This section also needs to be read together with section 1015(1A) of CTA 2010 (which prevents hybrid capital instruments from being “special securities” as a result of being equity notes).”

- 3 (1) After section 475B of CTA 2009 insert—

“Meaning of “hybrid capital instrument”

475C Meaning of “hybrid capital instrument”

- (1) For the purposes of this Part, a loan relationship is a “hybrid capital instrument” for an accounting period of the debtor if—

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (a) the loan relationship makes provision under which the debtor is entitled to defer or cancel a payment of interest under the loan relationship,
 - (b) the loan relationship has no other significant equity features, and
 - (c) the debtor has made an election in respect of the loan relationship which has effect for the period.
- (2) For the purposes of this section a loan relationship “has no other significant equity features” if under the loan relationship—
 - (a) there are neither voting rights in the debtor (ignoring insignificant voting rights in the debtor) nor a right to exercise a dominant influence over the debtor,
 - (b) any provision for altering the amount of the debt is limited to write-down or conversion events in qualifying cases, and
 - (c) any provision for the creditor to receive anything other than interest or repayment of the debt is limited to conversion events in qualifying cases.
- (3) For the purposes of subsection (2)(a)—
 - (a) the loan relationship makes provision for “insignificant voting rights in the debtor” if (and only if) the voting rights of any creditor under the loan relationship are limited to one vote exercisable in relation to matters generally affecting the debtor without conferring any special advantage or other right on the creditor, and
 - (b) “a right to exercise a dominant influence over the debtor” means a right to give directions with respect to the debtor's operating and financial policies with which it is obliged to comply (whether or not they are for the debtor's benefit).
- (4) For the purposes of subsection (2)(b) a “write-down event” means—
 - (a) a permanent release of some or all of the debt, or
 - (b) a reduction in the amount of the debt (including to nil) in a case where provision is made for the reduction to be temporary (whether on the meeting of conditions or the exercise of a right or otherwise).
- (5) For the purposes of subsection (2) a “conversion event” means—
 - (a) the conversion of the loan relationship into shares forming part of the debtor's ordinary share capital, or
 - (b) the conversion of the loan relationship into shares forming part of the ordinary share capital of [^{F12}a company (“C”) which, after the conversion, has control of the debtor or would have control of the debtor if C were taken to have all the rights and interests in the debtor of any company connected with C].
- ^{F13} ...
- (6) For the purposes of subsection (2), a loan relationship makes provision for a qualifying case if—
 - (a) the provision applies only in the event that there is a material risk of the debtor becoming unable to pay its debts as they fall due,
 - (b) the provision applies only in the event that the value of the debtor's assets is less than the amount of its liabilities, taking into account contingent and prospective liabilities, or

Changes to legislation: There are currently no known outstanding effects for the Finance Act 2019. (See end of Document for details)

- (c) the provision is included in the loan relationship solely because of a need to comply with a regulatory or other legal requirement, and, in each case, the provision in question does not include a right exercisable by the creditor.
- (7) Provision is not to be regarded as failing to meet the condition in subsection (2)(b) merely because, in the case of a write-down event mentioned in subsection (4)(b), it provides for a subsequent increase in the amount of the debt (but not above the original amount).
- (8) An election under this section—
 - (a) is irrevocable,
 - ^{F14}(b) must be made before the end of the period of 6 months beginning with—
 - (i) the day on which the company becomes a party to the loan relationship, or
 - (ii) if (after becoming a party to the loan relationship) the loan relationship is amended so as to meet the conditions in subsection (1)(a) and (b), the first day of the company’s next accounting period, and
 - (c) has effect for the accounting period in which the day mentioned in paragraph (b)(i) or (ii) falls and for subsequent accounting periods.]
- (9) But an election under this section has no effect if—
 - (a) the company is a party to the loan relationship directly or indirectly in consequence of, or otherwise in connection with, any arrangements (within the meaning of section 455C(2)), and
 - (b) the main purpose of, or one of the main purposes of, the arrangements is to secure a tax advantage for the company or any other person.”
- (2) In a case where a company became a party to a loan relationship before 1 January 2019, section 475C(8)(b) of CTA 2009 has effect as if the election were required to be made on or before 30 September 2019.
