“SCHEDULE 9ZA

Section 40A(1)

VAT ON ACQUISITIONS IN NORTHERN IRELAND FROM MEMBER STATES

PART 1

CHARGE TO VAT FOR ACQUISITIONS IN NORTHERN IRELAND FROM MEMBER STATES

Charge to VAT

- 1 (1) VAT is charged, in accordance with this Schedule, on the acquisition in Northern Ireland of goods from a member State—
 - (a) by reference to the value of the acquisition as determined under Part 2 of this Schedule, and
 - (b) subject to paragraph 16, at the rate of VAT for the time being in force under section 2.
- (2) VAT charged on the acquisition of goods in Northern Ireland from a member State is a liability of the person who acquires the goods and (subject to provisions about accounting and payment) becomes due at the time of acquisition.
- (3) VAT charged on the acquisition of goods in Northern Ireland from a member State in accordance with this Schedule is referred to in this Schedule as “NI acquisition VAT”.
- (4) References to VAT (without more) in this Act include NI acquisition VAT.

Status: This is the original version (as it was originally enacted).

- (5) The Commissioners may by regulations make provision about (including provision modifying) the application of provision that applies to value added tax made by or under any enactment (including provision made by or under this Act) to NI acquisition VAT or to goods acquired in Northern Ireland from a member State.

Scope of NI acquisition VAT

- 2 (1) NI acquisition VAT is charged on any acquisition from a member State of any goods where—
- (a) the acquisition is a taxable acquisition,
 - (b) it takes place in Northern Ireland,
 - (c) it is not in pursuance of a taxable supply (see section 4(2)), and
 - (d) the person who makes it is a taxable person or the goods acquired are subject to a duty of excise or consist in a new means of transport.
- (2) In this Act, a “taxable acquisition” means an acquisition of goods from a member State that—
- (a) is not an exempt acquisition (see paragraph 17(5)), and
 - (b) falls within sub-paragraph (3) or is an acquisition of goods consisting in a new means of transport.
- (3) An acquisition of goods from a member State falls within this sub-paragraph if—
- (a) the goods are acquired in the course or furtherance of—
 - (i) any business carried on by any person, or
 - (ii) any activities carried on otherwise than by way of business by any body corporate or by any club, association, organisation or other unincorporated body,
 - (b) it is the person who carries on that business or those activities who acquires the goods, and
 - (c) the supplier—
 - (i) is taxable in a member State at the time of the transaction in pursuance of which the goods are acquired, and
 - (ii) in participating in that transaction, acts in the course or furtherance of a business carried on by the supplier.

Meaning of acquisition of goods from a member State

- 3 (1) References in this Act to the acquisition of goods from a member State are to an acquisition of goods in pursuance of a transaction that—
- (a) is a supply of goods (including anything treated for the purposes of this Act as a supply of goods), and
 - (b) involves the removal of the goods from a member State (whether by or under the direction of the supplier, the person who acquires the goods or any other person),
- and references in this Act, in relation to such an acquisition, to the supplier are to be construed accordingly.

Status: This is the original version (as it was originally enacted).

- (2) Where the person with the property in any goods does not change in consequence of anything which is treated for the purposes of this Act as a supply of goods, that supply is to be treated for the purposes of this Act as a transaction in pursuance of which there is an acquisition by the person making the supply.
- (3) The Treasury may by regulations make provision about the circumstances in which an acquisition of goods is not to be treated as an acquisition of goods from a member State.

Time of acquisition

- 4 (1) For the purposes of this Act, the normal rule for determining the time that goods were acquired from a member State is that they are treated as being acquired on the earlier of—
 - (a) the 15th day of the month after the month in which the first removal of the goods occurs, and
 - (b) the day a relevant invoice is issued in respect of the transaction in pursuance of which the goods were acquired.
- (2) But—
 - (a) different rules apply to acquisitions to which Part 4 of Schedule 9ZB applies (warehouses), and
 - (b) the Commissioners may by regulations provide for different rules to apply in any case described in those regulations.
- (3) Regulations under sub-paragraph (2)(b) may include provision treating an acquisition as a series of acquisitions taking place at different times.
- (4) In sub-paragraph (1) “relevant invoice” means an invoice of a description prescribed by regulations made by the Commissioners.
- (5) For the purposes of this Act “first removal”, in relation to goods acquired, means the first removal of the goods in the course of the transaction in pursuance of which they are acquired.

Place of acquisition

- 5 (1) For the purposes of this Act, the normal rule for determining whether goods are acquired in Northern Ireland is that they are treated as being acquired in Northern Ireland if—
 - (a) they are acquired in pursuance of a transaction which involves their removal from a member State to Northern Ireland and which does not involve their removal from Northern Ireland, or
 - (b) they are acquired by a person who, for the purposes of their acquisition, makes use of a number assigned to the person for the purposes of VAT in the United Kingdom along with an NI VAT identifier (see paragraph 7).
- (2) But—
 - (a) goods are not treated as being acquired in Northern Ireland by virtue of sub-paragraph (1)(b) where it is established in

Status: This is the original version (as it was originally enacted).

accordance with regulations made by the Commissioners that VAT—

- (i) has been paid in a member State on the acquisition of those goods, and
 - (ii) fell to be paid by virtue of provisions of the law of that member State corresponding, in relation to that member State, to the provision made by sub-paragraph (1)(a), and
- (b) different rules apply to acquisitions to which paragraph 16 or 17 of Schedule 9ZB applies.
- (3) If an acquisition of goods is not treated, for the purposes of this Act, as taking place in Northern Ireland it is treated for those purposes as an acquisition taking place outside Northern Ireland.
- (4) The Commissioners may by regulations make provision—
- (a) about the circumstances in which a person is to be treated as having made use of a number assigned to the person for the purposes of VAT in the United Kingdom along with an NI VAT identifier for the purposes of the acquisition of any goods, and
 - (b) for the refund, in prescribed circumstances, of NI acquisition VAT paid on acquisitions of goods in relation to which the conditions in sub-paragraph (2)(a)(i) and (ii) are met.

Acquisitions from persons belonging in member States

- 6 (1) Sub-paragraph (2) applies where—
- (a) a person (“the original supplier”) makes a supply of goods to a person who belongs in a member State (“the intermediate supplier”),
 - (b) that supply involves the removal of the goods from a member State and their removal to Northern Ireland but does not involve the removal of the goods from Northern Ireland,
 - (c) both that supply and the removal of the goods to Northern Ireland are for the purposes of the making of a supply by the intermediate supplier to another person (“the customer”) who is registered under this Act,
 - (d) neither of those supplies involves the removal of the goods from a member State in which the intermediate supplier is taxable at the time of the removal without also involving the previous removal of the goods to that member State, and
 - (e) there would be a taxable acquisition by the customer if the supply to the customer involved the removal of goods from a member State to Northern Ireland.
- (2) Where this sub-paragraph applies—
- (a) the supply by the original supplier to the intermediate supplier is ignored for the purposes of this Act, and
 - (b) the supply by the intermediate supplier to the customer is treated for the purposes of this Act, other than for the purposes of Part 8 of this Schedule, as if it did involve the removal of the goods from a member State to Northern Ireland.

- (3) For the purposes of this Act, other than for the purposes of Part 8 of this Schedule, a supply of goods is treated as involving their removal from a member State to Northern Ireland, and is treated as not being a taxable supply if—
- (a) the supply is made by a person belonging in a member State to a person who is registered under this Act,
 - (b) the supply involves the installation or assembly of the goods at a place in Northern Ireland to which they are removed, and
 - (c) were the supply to be treated as described in the words before paragraph (a), there would be a taxable acquisition by the registered person.
- (4) But neither sub-paragraph (2) nor sub-paragraph (3) applies in relation to a supply unless—
- (a) in the case of sub-paragraph (2), the intermediate supplier, or
 - (b) in the case of sub-paragraph (3), the person making the supply, complies with such requirements to provide information to the Commissioners or to the person supplied as may be specified in regulations made by the Commissioners.
- (5) The requirements to provide information that may be specified in regulations include—
- (a) requirements to provide documents (for example, invoices);
 - (b) requirements to provide information or documents before a supply is made (as well as after);
 - (c) requirements as to the content and form of information or documents to be provided;
 - (d) requirements as to the manner in which information or documents are to be provided.
- (6) Where a taxable acquisition is treated as having been made by virtue of this paragraph, that acquisition is treated as taking place at the time referred to in paragraph 4(1)(b) (day on which invoice issued).
- (7) For the purposes of this paragraph a person belongs in a member State if—
- (a) the person is taxable in a member State,
 - (b) the person does not have any business establishment or other fixed establishment in Northern Ireland,
 - (c) the person's usual place of residence is not in Northern Ireland,
 - (d) the person is not identified for the purposes of VAT in Northern Ireland and is not required, as a result of regulations under paragraph 7, to make a request to be so identified, and
 - (e) the person does not have a VAT representative who is identified for the purposes of VAT in Northern Ireland in connection with acting on the person's behalf, and is not for the time being required to appoint one who would be identified for those purposes.
- (8) In determining, for the purposes of sub-paragraph (7)(d), whether a person is required to be registered under this Act, ignore any supplies

Status: This is the original version (as it was originally enacted).

made by the person that would be ignored for the purposes of this Act if the person belonged in a member State and complied with the information requirements that would apply by virtue of sub-paragraph (4).

(9) Where—

- (a) any goods are acquired from a member State in a case which corresponds, in relation to another member State, to the case described in sub-paragraph (1) in relation to Northern Ireland, and
- (b) the person who acquires the goods is registered under this Act, is identified for the purposes of VAT in Northern Ireland and would be the intermediate supplier in relation to that corresponding case,

the supply to that person of those goods and the supply by that person of those goods to the person who would be the customer in that corresponding case are to be ignored for the purposes of this Act.

- (10) References in this paragraph to a person being taxable in a member State do not include references to a person who is so taxable by virtue only of provisions of the law of that member State corresponding to the provisions of this Act by virtue of which a person who is not registered under this Act is a taxable person if the person is required to be so registered.

Identification of persons for the purposes of VAT in Northern Ireland

- 7 (1) The Commissioners may by regulations make provision for the identification of persons for the purposes of VAT in Northern Ireland.
- (2) In this Act “identified for the purposes of VAT in Northern Ireland” means identified in accordance with regulations under this paragraph.
- (3) A person may only be identified for the purposes of VAT in Northern Ireland if—
- (a) the person is registered under this Act, or
 - (b) the person acts on behalf of a person in relation to VAT in Northern Ireland as a VAT representative.
- (4) Regulations may make provision—
- (a) about the circumstances in which a person may request to be identified for the purposes of VAT in Northern Ireland;
 - (b) for a person to be required to request to be identified for the purposes of Northern Ireland VAT;
 - (c) about the circumstances in which the Commissioners may determine that a person is identified for the purposes of VAT in Northern Ireland otherwise than at the person’s request;
 - (d) requiring a person to notify the Commissioners of such matters as may be specified for the purpose of allowing the Commissioners to ascertain whether a person should be identified for the purposes VAT in Northern Ireland;
 - (e) about the circumstances in which a person is to be treated, for such purposes as may be specified, as if they were identified for

Status: This is the original version (as it was originally enacted).

the purposes of VAT in Northern Ireland (and which may include circumstances where the person is neither registered under this Act nor acting as a VAT representative);

- (f) about the circumstances in which a person ceases to be identified for the purposes of VAT in Northern Ireland.

(5) Regulations may also make provision—

- (a) about a specified means of communicating the fact of a person’s identification for the purposes of VAT in Northern Ireland (and that means is referred to in this Act as an “NI VAT identifier”);
- (b) about the circumstances in which a person may use, or is required to use, an NI VAT identifier (for example, in connection with the making of a transaction or return).

(6) In this paragraph “specified” means specified in regulations.

PART 2

VALUATION OF ACQUISITIONS

Valuation of acquisitions from member States

- 8 (1) For the purposes of this Act the value of any acquisition of goods from a member State is taken to be the value of the transaction in pursuance of which they are acquired.
- (2) Where goods are acquired from a member State otherwise than in pursuance of a taxable supply, the value of the transaction in pursuance of which they are acquired is to be determined for the purposes of sub-paragraph (1) in accordance with this Part, and for those purposes—
- (a) sub-paragraphs (3) to (5) have effect subject to paragraphs 9 to 13, and
- (b) section 19 and Schedule 6 do not apply in relation to the transaction.
- (3) If the transaction is for a consideration in money, its value is taken to be such amount as is equal to the consideration.
- (4) If the transaction is for a consideration not consisting or not wholly consisting of money, its value is taken to be such amount in money as is equivalent to the consideration.
- (5) Where a transaction in pursuance of which goods are acquired from a member State is not the only matter to which a consideration in money relates, the transaction is deemed to be for such part of the consideration as is properly attributable to it.

Transactions below market value

- 9 (1) Where, in the case of the acquisition of any goods from a member State—
- (a) the relevant transaction (see paragraph 13) is for a consideration in money,

Status: This is the original version (as it was originally enacted).

- (b) the value of the relevant transaction is (apart from this paragraph) less than the transaction's open market value,
- (c) the supplier and the person who acquires the goods are connected, and
- (d) that person is not entitled under sections 25 and 26 to credit for all the VAT on the acquisition,

the Commissioners may direct that the value of the relevant transaction is taken to be its open market value.

- (2) A direction under this paragraph must be given—
 - (a) by notice in writing to the person by whom the acquisition in question is made, and
 - (b) within the period of 3 years commencing with the relevant time (see paragraph 13).
- (3) A direction given to a person under this paragraph in respect of a transaction may include a direction that the value of any transaction—
 - (a) in pursuance of which goods are acquired by the person from a member State after the giving of the notice, or after such later date as may be specified in the notice, and
 - (b) as to which the conditions in paragraphs (a) to (d) of subparagraph (1) are satisfied,
 is to be taken to be its open market value.
- (4) For the purposes of this paragraph, the open market value of a transaction in pursuance of which goods are acquired from a member State is to be taken to be the amount which would fall to be taken as its value under paragraph 8(3) if it were for such consideration in money as would be payable by a person standing in no such relationship with any person as would affect that consideration.
- (5) Section 1122 of the Corporation Tax Act 2010 (“connected” persons) applies for the purpose of determining whether a person is connected with another for the purposes of this paragraph.
- (6) A direction under this paragraph may be varied or withdrawn by the Commissioners by a further direction given by notice in writing.

Value where goods subject to excise duty etc

- 10 (1) This paragraph applies, in such cases as the Commissioners may by regulations prescribe, to an acquisition—
 - (a) of goods acquired in Northern Ireland from a member State,
 - (b) where those goods are charged with a relevant duty, and
 - (c) that is not an acquisition that is treated, by virtue of paragraph 16(7) of Schedule 9ZB, as taking place before the time which is the duty point (within the meaning given by paragraph 16(11) of that Schedule).
- (2) The value of the relevant transaction in relation to an acquisition to which this paragraph applies is the sum of the value of that transaction (apart from this paragraph) and the total amount of relevant duty charged that is not already reflected in the value of that transaction.

- (3) In this paragraph “relevant duty” in relation to an acquisition means—
- (a) a duty of excise charged in connection with the removal of goods to Northern Ireland;
 - (b) any EU customs duty or agricultural levy of the European Union charged on that removal in accordance with any provision for the time being having effect for transitional purposes in connection with the accession of any State to the European Union.

Transfer or disposal for no consideration

- 11 (1) Where goods are acquired from a member State in pursuance of anything which is treated as a supply for the purposes of this Act as a result of paragraph 5(1) of Schedule 4 or paragraph 30 of Schedule 9ZB and there is no consideration, sub-paragraph (3) applies for determining the value of the relevant transaction.
- (2) Sub-paragraph (3) also applies for determining the value of the relevant transaction in the case of an acquisition by a supplier that is deemed to take place as a result of paragraph 60(2)(c) or 61(2)(c).
- (3) The value of the relevant transaction is taken to be—
- (a) such consideration in money as would be payable by the supplier if the supplier were, at the time of the acquisition, to purchase goods identical in every respect (including age and condition) to the goods concerned,
 - (b) where the value cannot be ascertained in accordance with paragraph (a), such consideration in money as would be payable by the supplier if the supplier were, at that time, to purchase goods similar to, and of the same age and condition as, the goods concerned, or
 - (c) where the value cannot be ascertained in accordance with paragraph (a) or (b), the cost of producing the goods concerned if they were produced at that time.
- (4) For the purposes of sub-paragraph (3), the amount of consideration in money that would be payable by any person if the person were to purchase any goods is taken to be the amount that would be so payable after the deduction of any amount included in the purchase price in respect of VAT on the supply of the goods to that person.

Foreign currency transactions

- 12 (1) Subject to the following provisions of this paragraph, where—
- (a) goods are acquired from a member State, and
 - (b) any sum relevant for determining the value of the relevant transaction is expressed in a currency other than sterling,
- then, for the purpose of valuing the relevant transaction, that sum is to be converted into sterling at the market rate which, on the relevant day, would apply in the United Kingdom to a purchase with sterling of that sum in the currency in question by the person making the acquisition.

Status: This is the original version (as it was originally enacted).

- (2) Where the Commissioners have published a notice which, for the purposes of this paragraph, specifies—
- (a) rates of exchange, or
 - (b) methods of determining rates of exchange,
- a rate specified in or determined in accordance with the notice, as for the time being in force, applies (instead of the rate for which sub-paragraph (1) provides) in the case of any transaction in pursuance of which goods are acquired by a person who opts, in such manner as may be allowed by the Commissioners, for the use of that rate in relation to that transaction.
- (3) An option for the purposes of sub-paragraph (2) for the use of a particular rate or method of determining a rate—
- (a) may not be exercised by any person except in relation to all such transactions in pursuance of which goods are acquired by the person from a member State as are of a particular description or after a particular date, and
 - (b) may not be withdrawn or varied except with the consent of the Commissioners and in such manner as they may require.
- (4) In specifying a method of determining a rate of exchange, a notice published by the Commissioners under sub-paragraph (2) may allow a person to apply to the Commissioners for the use, for the purpose of valuing some or all of the transactions in pursuance of which goods are acquired by the person from a member State, of a rate of exchange which is different from any which would otherwise apply.
- (5) On an application made in accordance with provision contained in a notice under sub-paragraph (4), the Commissioners may authorise the use with respect to the applicant of such a rate of exchange, in such circumstances, in relation to such transactions and subject to such conditions as they think fit.
- (6) A notice published by the Commissioners for the purposes of this paragraph may be withdrawn or varied by a subsequent notice published by the Commissioners.
- (7) Where goods are acquired from a member State, the appropriate rate of exchange is to be determined for the purpose of valuing the relevant transaction by reference to the relevant time; and, accordingly, the day on which that time falls is the relevant day for the purposes of sub-paragraph (1).

Meaning of “relevant transaction” and “relevant time”

- 13 In this Part of this Schedule—
- “relevant transaction”, in relation to any acquisition of goods from a member State, means the transaction in pursuance of which the goods are acquired;
- “the relevant time”, in relation to any such acquisition, means—

Status: This is the original version (as it was originally enacted).

- (a) if the person by whom the goods are acquired is not a taxable person and the time of acquisition does not fall to be determined in accordance with regulations made under paragraph 4(2)(b), the time of the first removal of the goods (see paragraph 4(5)), and
- (b) in any other case, the time of acquisition.

PART 3

PAYMENT OF NI ACQUISITION VAT BY TAXABLE PERSONS

Input tax and output tax

- 14 (1) NI acquisition VAT is input tax in relation to the taxable person acquiring the goods in question if the goods are used or are to be used for the purpose of any business carried on or to be carried on by the person.
- (2) NI acquisition VAT is output tax in relation to the taxable person acquiring the goods in question (including VAT which is also to be counted as input tax by virtue of sub-paragraph (1)).
- (3) Subsections (5) to (6A) of section 24 (input tax and output tax) apply to NI acquisition VAT as they apply to VAT on the supply or importation of goods.

Payment of NI acquisition VAT

- 15 (1) A taxable person must account for and pay NI acquisition VAT by reference to prescribed accounting periods (see section 25(1)).
- (2) Subsections (2) to (6) of section 25 (payment by reference to accounting period and credit for input tax against output tax) contain provision relevant to the payment of NI acquisition VAT.
- (3) Subsection (7) of that section (power to make order excluding credit for VAT paid) applies to acquisitions in Northern Ireland from a member State as it applies to the supply of goods.
- (4) Section 26(1) has effect as if the reference to “input tax on supplies and importations” included input tax on acquisitions in Northern Ireland from a member State.
- (5) That section and sections 26A to 28 contain further provision relevant to the payment of NI acquisition VAT.

PART 4

RELIEFS ETC

Reduced rate

- 16 (1) NI acquisition VAT is charged at the rate of 5% (instead of at the rate provided by section 2) if—
- (a) the acquisition in question is of goods the supply of which would be a supply of a description for the time being specified in Schedule 7A (charge at reduced rate), or
 - (b) the acquisition in question is of a description for the time being specified in regulations made by the Treasury for the purposes of this paragraph.
- (2) Regulations under this paragraph may provide that sub-paragraph (1)(a) does not apply to a description of a supply specified in Schedule 7A that is specified in those regulations.
- (3) The power to specify a description of an acquisition conferred by sub-paragraph (1)(b) may be exercised so as to describe an acquisition of goods by reference to matters unrelated to the characteristics of the goods.

Zero-rating and exempt acquisitions

- 17 (1) Section 30(3) (zero-rating) applies to an acquisition of goods in Northern Ireland from a member State as it would apply to an importation of those goods.
- (2) The Treasury may by regulations provide—
- (a) that sub-paragraph (1) does not apply to an acquisition of goods specified or described in the regulations;
 - (b) that no NI acquisition VAT is chargeable on an acquisition of goods specified or described in the regulations.
- (3) The Commissioners may by regulations provide for the zero-rating of supplies of goods, or of such goods as may be specified in the regulations, in cases where—
- (a) the supply in question involves both the removal of the goods from Northern Ireland and their acquisition in a member State by a person who is liable for VAT on the acquisition in accordance with provisions of the law of that member State corresponding, in relation to that member State, to the provisions of paragraph 2, and
 - (b) such other conditions, if any, as may be specified in the regulations or the Commissioners may impose are fulfilled.
- (4) Section 30(10) applies to a supply of goods that has been zero-rated in pursuance of regulations made under sub-paragraph (3) as it applies to

Status: This is the original version (as it was originally enacted).

a supply of goods that has been zero-rated in pursuance of regulations made under section 30(8) or (9).

- (5) An acquisition of goods from a member State is an exempt acquisition if the goods are acquired in pursuance of an exempt supply (see section 31).

Refunds and reliefs

- 18 (1) Sections 33 to 33C, 33E and 34 apply to an acquisition of goods from a member State as they apply to a supply of those goods.
- (2) The Treasury may by order make provision for relieving from NI acquisition VAT if, or to the extent that, relief from VAT would be given by an order under section 37 (relief from VAT on importation) if the acquisition in question were an importation.
- (3) An order under sub-paragraph (2) may provide for relief to be subject to such conditions as appear to the Treasury to be necessary or expedient, which may include conditions—
- (a) prohibiting or restricting the disposal of or dealing with the goods concerned;
 - (b) framed by reference to the conditions to which, by virtue of any order under section 37 in force at the time of the acquisition, relief under such an order would be subject in the case of an importation of the goods concerned.
- (4) Where relief from NI acquisition VAT given by an order under this paragraph was subject to a condition that has been breached or not complied with, the VAT becomes payable at the time of the breach or, as the case may be, at the latest time allowed for compliance.
- (5) Section 38 has effect as if after “by him” there were inserted “or on the acquisition of goods by that person from member States”.

Refunds in relation to new means of transport supplied to member States

- 19 (1) Where a person who is not a taxable person makes such a supply of goods consisting in a new means of transport that involves the removal of the goods to a member State from Northern Ireland, the Commissioners must, on a claim made in that behalf, refund to that person, as the case may be—
- (a) the amount of any VAT on the supply of that means of transport to that person, or
 - (b) the amount of any VAT paid by that person on the acquisition of that means of transport from a member State or on its importation into the United Kingdom as a result of its entry into Northern Ireland.
- (2) But the amount of VAT that is to be refunded under this paragraph is not to exceed the amount that would have been payable on the supply involving the removal if it had been a taxable supply by a taxable person and had not been zero-rated.

Status: This is the original version (as it was originally enacted).

- (3) A claim for refund of VAT under this paragraph must—
- (a) be made within such time and in such form and manner as may be specified in regulations made by the Commissioners,
 - (b) contain such information as may be specified in those regulations, and
 - (c) be accompanied by such documents as may be specified in those regulations.

- (2) Section 47 (agents) has effect as if—

- (3) A person is treated as having become liable to be registered under this Part of this Schedule at any time when the person would have become so liable under the preceding provisions of this paragraph but for any registration which is subsequently cancelled under paragraph 43(2) or 53(5) of this Schedule, paragraph 13(3) of Schedule 1, paragraph 11 of Schedule 1A or paragraph 6(2) of Schedule 3A.
- (4) A person does not cease to be liable to be registered under this Part of this Schedule except in accordance with paragraph 39.
- (5) In determining the value of any person's relevant acquisitions for the purposes of this paragraph, so much of the consideration for any acquisition as represents any liability of the supplier, under the law of a member State, for VAT on the transaction in pursuance of which the acquisition is made, is to be disregarded.
- (6) In determining the value of a person's acquisitions for the purposes of sub-paragraph (1) or (2), acquisitions to which paragraph 19(6) of Schedule 9ZB (last acquisition or supply of goods before removal from Northern Ireland fiscal warehousing) applies are to be disregarded.

- (3) For the purposes of this paragraph a person ceases to be registrable under this Act where—
- (a) the person ceases to be a person who would be liable or entitled to be registered under this Act if the person's registration and any enactment preventing a person from being liable to be registered under different provisions at the same time were disregarded, or
 - (b) in the case of a person who (having been registered under paragraph 41(2)) has not been such a person during the period of the person's registration, the person ceases to have any intention of making relevant acquisitions.

Cancellation of registration

- 43 (1) Where a person registered under this Part of this Schedule satisfies the Commissioners that the person is not liable to be so registered, the Commissioners must, if the person so requests, cancel that registration with effect from the day on which the request is made or from such later date as may be agreed between the Commissioners and the person.
- (2) Where the Commissioners are satisfied that a person registered under this Part of this Schedule has ceased since the person's registration to be registrable under this Part of this Schedule, they may cancel that registration with effect from the day on which the person so ceased or from such later date as may be agreed between the Commissioners and the person.
- (3) Where the Commissioners are satisfied that a person who has been registered under paragraph 41(2) and is not for the time being liable to be registered under this Part of this Schedule—

- (5) Where the Commissioners are satisfied that, on the day on which a person was registered under this Part of this Schedule, the person—
- (a) was not registrable under this Part of this Schedule, and

- (9) For the purposes of this paragraph, a person is registrable under this Part of this Schedule at any time when the person is liable to be registered under this Part of this Schedule or is a person who makes relevant acquisitions.

Exemption from registration

- 44 (1) Where a person who makes or intends to make relevant acquisitions satisfies the Commissioners that any such acquisition would be an acquisition in pursuance of a transaction which would be zero-rated if it were a taxable supply by a taxable person, the Commissioners may, if the person so requests and the Commissioners think fit, exempt the person from registration under this Part of this Schedule until it appears to the Commissioners that the request should no longer be acted upon or is withdrawn.
- (2) Where a person who is exempted under this paragraph from registration under this Part of this Schedule makes any relevant acquisition in pursuance of any transaction which would, if it were a taxable supply by

- (2) Accordingly, no charge to VAT occurs on the importation of Union goods into the United Kingdom as a result of their entry into Northern Ireland (but see paragraph 1 of Schedule 9ZA, which imposes a charge to VAT on the acquisition of goods in Northern Ireland from a member State).
- (3) VAT on the importation of any other goods imported into the United Kingdom as a result of their entry into Northern Ireland is to be charged and payable as if it were relevant NI import duty (instead of as provided under section 1(4)).
- (4) Sub-paragraph (3) is to be taken as applying, in relation to any VAT chargeable on the importation of such goods—
 - (a) any provision of Union customs legislation that is relevant to the charging of relevant NI import duty, and
 - (b) any provision made by or under Part 1 of TCTA 2018 that is relevant to the charging of that duty.
- (5) Section 15 (meaning of “importation of goods” into the United Kingdom) applies to the importation of such goods as if—
 - (a) any reference to import duty were to relevant NI import duty;
 - (b) the references in subsections (2) and (3) to a Customs, storage, transit or inward processing procedure were to a procedure corresponding to such a procedure under Union customs legislation, and
 - (c) the reference in subsection (3)(b) to section 5(1) of, or paragraph 1(5) or 3(4) of Schedule 1 to, that Act included any provision (including any provision of Union customs legislation) corresponding to those provisions that may apply to those goods.
- (6) In section 16 (application of customs enactments)—
 - (a) subsection (1) applies to the importation of such goods as if the reference to “other enactments for the time being having effect generally in relation to duties of customs and excise charged by

Status: This is the original version (as it was originally enacted).

reference to the importation of goods into the United Kingdom” included any provision of Union customs legislation that applies in relation to relevant NI import duty, and

- (b) subsections (3) and (4) apply to sub-paragraph (4) of this paragraph as they apply to subsection (2) of that section.

(7) The Commissioners may by regulations—

- (a) supplement or modify any provision made by provision that applies to value added tax made by or under any enactment (including provision made by or under this Act or TCTA 2018) so far as it applies to VAT charged on the importation of goods into the United Kingdom as a result of their entry into Northern Ireland;
- (b) supplement or modify any provision of Union customs legislation so far as it applies to VAT charged on such an importation.

(8) In this Schedule—

“relevant NI import duty” means duty charged under section 30A(3) of TCTA 2018 (importation of goods: Northern Ireland), and in relation to goods of a description specified in regulations under section 30B(1) of that Act, means that duty as it would be charged if that description were not specified;

“Union customs legislation” means provisions contained in “customs legislation” within the meaning of [Regulation \(EU\) No 952/2013](#) of the European Parliament and of the Council of 9 October 2013 laying down the Union Customs Code (see Article 5(2) of that Regulation), so far as they apply by virtue of section 7A of the European Union (Withdrawal) Act 2018);

“Union goods” has the meaning it has in that Regulation.

Valuation of imports

- 2 (1) For the purposes of this Act, the value of goods imported into the United Kingdom as a result of their entry into Northern Ireland is their value as if determined for the purposes of relevant NI import duty, whether or not the goods are subject to that duty.
- (2) Accordingly, section 21(1) (value of imported goods) does not apply in relation to such goods.
- (3) Subsections (2) to (7) of section 21 apply in relation to such goods (and sub-paragraph (1) is subject to those subsections) as if—
- (a) the reference in subsection (2) to the rules mentioned in subsection (1) of that section were to the rules mentioned in sub-paragraph (1);
- (b) in subsection (2)(c), after “United Kingdom” there were inserted “or a member State”;
- (c) the reference in subsection (2A) to the temporary admission procedure under Part 1 of TCTA 2018 were to the procedure that corresponds to that procedure under Union customs legislation.

PART 2

MOVEMENTS BETWEEN NORTHERN IRELAND AND GREAT BRITAIN

Movements between Northern Ireland and Great Britain

- 3 (1) A supply of goods that involves the removal of goods from Northern Ireland to Great Britain or vice versa is zero-rated (see section 30(1)) if such other conditions, if any, as may be specified in regulations or imposed by the Commissioners are fulfilled.
- (2) Where goods are removed from Northern Ireland to Great Britain, VAT is charged on the entry of those goods into Great Britain as if those goods had been imported into the United Kingdom.
- (3) Accordingly, any provision made by or under any enactment—
- (a) that is relevant to the charging of VAT on the importation of goods applies in relation to VAT charged as a result of sub-paragraph (2);
 - (b) that applies to an importation of goods for the purpose of value added tax applies to such a removal (and references in any such provision to imported goods are to be read as including goods that have been so removed).
- (4) Where goods are removed from Great Britain to Northern Ireland, VAT is charged on the entry of those goods into Northern Ireland as if those goods had been imported into the United Kingdom as a result of their entry (from a place outside the United Kingdom) into Northern Ireland.
- (5) Accordingly, any provision made by or under any enactment—
- (a) that is relevant to the charging of VAT on the importation of goods applies (as modified by or under Part 1 of this Schedule) in relation to VAT charged as a result of sub-paragraph (4);
 - (b) that applies to an importation of goods for the purposes of VAT applies (as modified by or under that Part) to such a removal (and references in this Act to imported goods are to be read as including goods that have been so removed).
- (6) Sub-paragraphs (3) and (5)—
- (a) do not apply so far as the context otherwise requires, and
 - (b) are subject to the other provisions of this Part of this Schedule.
- (7) The Treasury may by regulations—
- (a) supplement or modify any provision that applies to value added tax made by or under any enactment (including provision made by or under this Act or TCTA 2018) so far as it applies to VAT charged as a result of sub-paragraph (2) or (4);
 - (b) supplement or modify any provision of Union customs legislation so far as it applies to VAT charged as a result of sub-paragraph (4).

Status: This is the original version (as it was originally enacted).

Liability for VAT on movements between Great Britain and Northern Ireland

- 4 (1) This paragraph applies to a removal of goods from Northern Ireland to Great Britain or vice versa, instead of section 15 (general provision relating to imported goods).
- (2) Goods are treated as imported—
- (a) in the case of goods removed from Northern Ireland to Great Britain, when a liability to pay duty under section 30C of TCTA 2018 (duty on potentially imported goods) in respect of those goods is, or on the relevant assumptions would be, incurred, and
 - (b) in the case of goods removed from Great Britain to Northern Ireland, when a liability to pay duty under section 40A of TCTA 2018 (duty on certain goods removed to Northern Ireland) in respect of those goods is, or on the relevant assumptions would be, incurred.
- (3) Where the removal is made in the course of a taxable supply made by a taxable person, the taxable person is the person who is treated as having imported the goods.
- (4) Otherwise, each person who—
- (a) in the case of goods removed from Northern Ireland to Great Britain, is, or on the relevant assumptions would be, liable to pay duty under section 30C of TCTA 2018 in respect of those goods, or
 - (b) in the case of goods removed from Great Britain to Northern Ireland, is, or on the relevant assumptions would be, liable to pay duty under section 40A of TCTA 2018 in respect of those goods,
- is a person who is treated as having imported the goods.
- (5) For the purposes of this paragraph “the relevant assumptions” are—
- (a) in the case of goods removed from Northern Ireland to Great Britain, an assumption that duty under section 30C of TCTA 2018 is chargeable in respect of those goods,
 - (b) in the case of goods removed from Great Britain to Northern Ireland, an assumption that duty under section 40A of TCTA 2018 is chargeable in respect of those goods,
 - (c) in a case where there is no obligation to present the goods to customs on their arrival in the part of the United Kingdom to which they are removed, an assumption that there is such an obligation,
 - (d) an assumption that a liability to duty at a nil rate is replaced by a liability to duty at a higher rate, and
 - (e) an assumption that no relief from duty is available.
- (6) The Commissioners may by regulations make provision—
- (a) for any other person to be treated as importing the goods (instead of, or as well as, any person treated as importing the goods as a result of sub-paragraph (3) or (4));

- (b) about (including provision modifying) the application, in relation to such a person, of any provision made by or under any enactment that has effect for the purposes of, or in connection with the enforcement of, any obligation to account for and pay VAT;
 - (c) for requiring any relevant person liable to VAT as a result of provision made by or under this paragraph to give to the Commissioners such notification of the removal of goods in question, and for such VAT to be paid, in such form or manner as may be specified in the regulations or by the Commissioners in accordance with the regulations.
- (7) A person is “relevant” for the purposes of sub-paragraph (6)(c) if the person was not a taxable person at the time they became liable to the VAT in question.
- (8) If two or more persons are treated as having imported goods those persons are jointly and severally liable to any VAT that is payable on the removal that is treated as an importation as a result of paragraph 3.
- (9) The preceding provisions of this paragraph, and any provision made under sub-paragraph (6)(a), are to be ignored in reading any reference to importation or to an importer in anything applied for the purposes of this Act by section 16(1) or (2).
- (10) But sub-paragraph (9) does not apply so far as the context otherwise requires or provision to the contrary is contained in regulations under section 16(3).

Valuation of goods removed from Northern Ireland to Great Britain

- 5 (1) This paragraph applies where goods are removed from Northern Ireland to Great Britain and—
- (a) the removal is in the course of a supply, or
 - (b) the last supply of those goods before their removal is zero-rated as a result of that removal.
- (2) Where this paragraph applies—
- (a) section 21 (value of imported goods) does not apply for the purpose of determining the value of those goods, and
 - (b) the value of those goods is to be treated as—
 - (i) in a case falling within sub-paragraph (1)(a), the value of the supply in accordance with section 19 and Schedule 6 (value of supply of goods), and
 - (ii) in a case falling within sub-paragraph (1)(b), the value of the last supply of those goods before their removal as determined in accordance with that section and that Schedule.

Relief for qualifying Northern Ireland goods

- 6 (1) No VAT is to be charged on the removal of qualifying Northern Ireland goods from Northern Ireland to Great Britain as a result of

Status: This is the original version (as it was originally enacted).

paragraph 3(2) unless the removal is made in the course of a taxable supply made by a taxable person.

- (2) But the relief provided by sub-paragraph (1) does not apply to a removal of qualifying goods from Northern Ireland to Great Britain if the last supply of those goods before their removal is zero-rated as a result of that removal.
- (3) Any VAT that is chargeable as a result of sub-paragraph (2) becomes chargeable from the later of—
 - (a) the time when the goods were treated as having been imported as a result of the removal, and
 - (b) the time at which that last supply becomes zero-rated.
- (4) In this paragraph “qualifying Northern Ireland goods” has the meaning it has in the European Union (Withdrawal) Act 2018 (see section 8C(6) of that Act).

Zero-rating of supplies made before declaration on removal

- 7 Item 1 of Group 13 of Schedule 8 (zero-rating)—
 - (a) applies to a supply of goods which are removed from Great Britain to Northern Ireland as if the reference to a Customs declaration were to such a declaration made for the purposes of Union customs legislation (rather than under Part 1 of TCTA 2018);
 - (b) does not apply to goods which are removed from Northern Ireland to Great Britain where no Customs declaration under Part 1 of TCTA 2018 is required to be made in respect of the removal of the goods.

- 12 (1) Where a supply of goods has been zero-rated under paragraph 3(1), or as a result of regulations under section 30(8), on the basis that the goods have been or are to be removed from Northern Ireland to Great Britain, section 30(10) (forfeiture of goods found in the United Kingdom) applies in relation to that supply as if any reference to the United Kingdom were to Northern Ireland.
- (2) Where a supply of goods has been zero-rated under paragraph 3(1), or as a result of regulations under section 30(8), on the basis that the goods have been or are to be removed from Great Britain to Northern Ireland, section 30(10) applies in relation to that supply as if any reference to the United Kingdom were to Great Britain.

Northern Ireland fiscal warehouses

- 17 (1) The Commissioners may, if it appears to them proper, upon application approve any registered person as a Northern Ireland fiscal warehousekeeper, and such approval is subject to such conditions as the Commissioners impose.

Conversion of relevant fiscal warehouses etc

- 18 (1) Sub-paragraph (2) applies to any place in Northern Ireland that was a fiscal warehouse immediately before the coming into force of paragraph 17.
- (2) On the coming into force of that paragraph, a place to which this sub-paragraph applies becomes a Northern Ireland fiscal warehouse (and may cease to be in accordance with that paragraph).
