SCHEDULE 4

HIGHWAYS

PART 3

CONSTRUCTION AND MAINTENANCE OF HIGHWAYS

Maintenance

- 18 Where the nominated undertaker is responsible for maintaining a bridge carrying either of the following over a railway—
- (a) a new highway constructed under this Act, or
 - (b) a highway altered under this Act,
- the nominated undertaker may, by agreement with the persons having the charge, management or control of the highway, delegate to them the function of maintaining the bridge.

Changes to legislation:

There are currently no known outstanding effects for the High Speed Rail (West Midlands - Crewe) Act 2021, Paragraph 18.
