- (3) When making Part 9C rules, the FCA must consider, and consult the Treasury about, the likely effect of the rules on relevant equivalence decisions.
- (4) For the purpose of this section, an equivalence decision is “relevant” if the Treasury have, by notice in writing, informed the FCA that it is relevant for that purpose.
- (5) In this section –

“equivalence decision” means a decision as to whether the law and practice of one country or territory is equivalent to the law and practice of another country or territory, either generally or as it relates to a particular matter;

“territory” includes the European Union and any other international organisation or authority comprising countries or territories.

- (6) This section is subject to section 143I.

143H Explanation to accompany consultation on rules

- (as well as being accompanied by the information listed in section 138I(2)).
- (2) If the FCA makes the proposed Part 9C rules, it must publish –
- (a) a summary of the purpose of the proposed rules, and

 - (b) in order to act in accordance with a recommendation made by that Committee under section 9Q of that Act (recommendations about the exercise of the FCA’s functions).
- (2) Section 143H does not apply in relation to Part 9C rules if the FCA considers that the delay involved in complying with that section would be prejudicial to the interests of consumers (as defined in section 425A).
- (3) If the FCA proposes Part 9C rules that change existing Part 9C rules and the changes consist of or include changes which, in the FCA’s opinion, are not material –
- (a) the explanations described in section 143H(1) are not required in relation to the rules to the extent that they make those changes, but
 - (b) the draft of the rules must be accompanied by a statement of the FCA’s opinion.
- (4) If the FCA makes Part 9C rules that change existing Part 9C rules and the changes consist of or include changes which, in the FCA’s opinion, are not material –

- (a) the summary and explanations described in section 143H(2) are not required in relation to the rules to the extent that they make those changes, but
 - (b) the FCA must publish a statement of its opinion.
- (5) For the purposes of this section, whether a change to Part 9C rules is material is to be determined by the FCA by reference to, among other things, the risks specified in or under section 143C(2) or 143D(2) and the matters specified in or under section 143G(1).

Requirement to have UK parent undertaking

143J Requirement to have UK parent undertaking

- (1) This section applies where –
- (a) two or more FCA investment firms are subsidiary undertakings of the same parent undertaking,
 - (b) the parent undertaking’s head office is in a country or territory outside the United Kingdom, and
 - (c) in the FCA’s opinion, the law and practice in the other country or territory does not impose requirements on the parent undertaking which have equivalent effect to requirements imposed by Part 9C rules.
- (2) Where this section applies, the FCA may exercise its power under section 55L(3) to impose a requirement on the FCA investment firms to secure that a parent undertaking with its head office in the United Kingdom is established.

Imposition of requirements on non-authorised parent undertakings

143K Imposition of requirements on non-authorised parent undertakings

 - (b) so as to require the parent undertaking to refrain from taking specified action.
- (6) A requirement may be imposed by reference to the parent undertaking's relationship with –
 - (a) its group, or
 - (b) other members of its group.
- (7) A requirement may refer to the past conduct of the parent undertaking (for example, by requiring the parent undertaking to review or take remedial action in respect of past conduct).
- (8) A requirement may be expressed to expire at the end of a specified period, but the imposition of a requirement that expires at the end of a specified period does not affect the FCA's power to impose a new requirement.
- (9) A requirement ceases to be in force if the person on whom it is imposed ceases to be a non-authorised parent undertaking of an FCA investment firm.
- (10) For the purposes of a provision of this section which refers to the FCA's operational objectives, in relation to the exercise of a power in relation to a particular parent undertaking, it does not matter whether there is a relationship between the parent undertaking and the persons whose interests will be protected by the exercise of the power.

 - (b) if the institution complies with such an instruction, it is liable to pay to the FCA an amount equal to the amount transferred from, or otherwise paid out of, N's account in contravention of the requirement.
- (4) If the FCA imposes a requirement described in subsection (1)(b), no assets held by a person as trustee in accordance with the requirement may, while the requirement is in force, be released or dealt with except with the consent of the FCA.

Making CRR rules

144C Matters to consider when making CRR rules

- (1) When making CRR rules, the PRA must, among other things, have regard to—

 - (b) the likely effect of the rules on the relative standing of the United Kingdom as a place for internationally active credit institutions and investment firms to be based or to carry on activities,
 - (c) the likely effect of the rules on the ability of CRR firms to continue to provide finance to businesses and consumers in the United Kingdom on a sustainable basis in the medium and long term,
 - (d) the target in section 1 of the Climate Change Act 2008 (carbon target for 2050), and
 - (e) any other matter specified by the Treasury by regulations.
- (2) For the purposes of subsection (1)(b), the PRA must consider the United Kingdom’s standing in relation to the other countries and territories in which, in its opinion, internationally active credit institutions and investment firms are most likely to choose to be based or carry on activities.
- (3) When making CRR rules, the PRA must consider, and consult the Treasury about, the likely effect of the rules on relevant equivalence decisions.

- (2) If the PRA makes the proposed CRR rules, it must publish –
 - (a) a summary of the purpose of the proposed rules, and
 - (b) an explanation complying with subsection (1),
(as well as the information required by section 138J(4) and (5)).
- (3) This section is subject to section 144E.

144E Exceptions from sections 144C and 144D etc

 - (a) in order to comply with a direction given by the Financial Policy Committee of the Bank of England under section 9H of the Bank of England Act 1998 (directions requiring macro-prudential measures), or
 - (b) in order to act in accordance with a recommendation made by that Committee under section 9Q of that Act (recommendations about the exercise of the PRA’s functions).

- (a) the PRA, in a case where the approved activities to which the notification relates consist of or include PRA-regulated activities, and
 - (b) the FCA, in any other case.

Gibraltar regulator’s initiative: notifying the UK regulator

- 46 A notification must—
- (a) state the requirement to be imposed or the desired variation or cancellation (as appropriate),

- (3) If, before the end of the period described in sub-paragraph (2), the appropriate UK regulator gives the Gibraltar-based person a confirmation notice in respect of a requirement specified in the notification, then the period for considering the notification as it relates to the requirement ends when the notice is given.
- (4) A “confirmation notice” is a written notice confirming that the requirement is imposed, varied or cancelled as requested in the notification.

- (5) The PRA may reject a notification, so far as it relates to a requirement, if it appears to the PRA that it is desirable to do so in order to advance one or more of its objectives.
- (6) The rejection of a notification does not prevent the Gibraltar regulator from giving a further notification in respect of the same requirement.

 - (c) if no date is specified in the notice, when the matter to which the notice relates is no longer open to review.

- (2) The imposition or variation of a requirement under paragraph 49 may be expressed to take effect immediately, or on a specified date, only if the UK regulator reasonably considers that it is necessary for the imposition or variation of the requirement to take effect immediately or on that date, having regard to the own-initiative condition on which it is relying for the purposes of paragraph 49(1).
- (3) If a UK regulator –
 - (a) proposes to exercise the power under paragraph 49 to impose a requirement on a Gibraltar-based person, or vary a requirement imposed on a Gibraltar-based person, or
 - (b) exercises that power so as to impose a requirement on a Gibraltar-based person, or vary a requirement imposed on a Gibraltar-based person, with immediate effect,it must give the person a written notice.

- (11) For the purposes of sub-paragraph (1)(c), whether a matter is open to review is to be determined in accordance with section 391(8).

Assets requirements

- 53 (1) This paragraph makes provision about a requirement imposed on a Gibraltar-based person ("G") by a UK regulator under this Part of this Schedule—
 - (a) prohibiting the disposal of, or other dealing with, any of G's assets (whether in the United Kingdom, Gibraltar or elsewhere) or restricting such disposals or dealings, or
 - (b) requiring that some or all of G's assets, or some or all assets belonging to consumers (as defined in section 1G) but held by G or to G's order, must be transferred to and held by a trustee approved by the UK regulator.
- (2) If a UK regulator—
 - (a) imposes a requirement described in sub-paragraph (1)(a), and
 - (b) gives notice of the requirement to an institution with whom G keeps an account,the notice has the effects set out in sub-paragraph (3).
- (3) Those effects are that—
 - (a) the institution does not act in breach of a contract with G if, having been instructed by G (or on G's behalf) to transfer a sum or otherwise make a payment out of G's account, it refuses to do so in the reasonably held belief that complying with the instruction would be incompatible with the requirement, and
 - (b) if the institution complies with such an instruction, it is liable to pay to the UK regulator an amount equal to the amount transferred from, or otherwise paid out of, G's account in contravention of the requirement.

- (4) If a UK regulator imposes a requirement described in sub-paragraph (1)(b), no assets held by a person as trustee in accordance with the requirement may, while the requirement is in force, be released or dealt with except with the consent of the UK regulator.
- (5) If, while a requirement described in sub-paragraph (1)(b) is in force, G creates a charge over any assets of G held in accordance with the requirement, the charge is (to the extent that it confers security over the assets) void against the liquidator and G's creditors.
- (6) Assets held by a person as trustee are to be taken to be held by the trustee in accordance with a requirement mentioned in sub-paragraph (1)(b) only if—
 - (a) G has given the trustee a written notice that those assets are to be held by the trustee in accordance with the requirement, or
 - (b) they are assets into which assets to which paragraph (a) applies have been transposed by the trustee on the instruction of G.
- (7) A person who contravenes sub-paragraph (4) commits an offence and is liable—
 - (a) on summary conviction in England and Wales, to a fine;
 - (b) on summary conviction in Scotland or Northern Ireland, to a fine not exceeding level 5 on the standard scale.
- (8) In this paragraph, references to imposing a requirement (however expressed) include imposing a requirement by varying an existing requirement.
- (9) In this paragraph, “charge” includes a mortgage (or, in Scotland, a security over property).
- (10) Sub-paragraphs (4) and (6) do not affect any equitable interest or remedy in favour of a person who is a beneficiary of a trust as a result of a requirement described in sub-paragraph (1)(b).

Further provision about requirements

- 54
- (1) A requirement imposed on a Gibraltar-based person under this Part of this Schedule may, among other things, be imposed so as to require the person—

- (4) A requirement imposed under this Part of this Schedule may be expressed to expire at the end of a specified period (but the imposition of such a requirement does not affect the UK regulator’s powers to impose a new requirement).
- (5) A requirement imposed on a Gibraltar-based person under this Part of this Schedule may refer to the past conduct of the person (for example, by requiring the person concerned to review or take remedial action in respect of past conduct).

- 55 (1) Contravention of a requirement imposed under this Part of this Schedule does not—
- (a) make a person guilty of an offence,
 - (b) make a transaction void or unenforceable, or
 - (c) give rise to a right of action for breach of statutory duty, subject to sub-paragraph (2).
- (2) A contravention of a requirement imposed under this Part of this Schedule is actionable at the suit of a person who suffers loss as a result of the contravention where—
- (a) the action would be brought at the suit of a private person, or
 - (b) the conditions in sub-paragraph (3) are met,
- subject to the defences and other incidents applying to actions for breach of statutory duty.
- (3) The conditions mentioned in sub-paragraph (2)(b) are that—
- (a) the action would be brought by a person acting in a fiduciary or representative capacity on behalf of a private person, and
 - (b) any remedy would be exclusively for the benefit of that private person and could not be obtained through an action brought otherwise than at the suit of the person acting in a fiduciary or representative capacity.
- (4) Sub-paragraph (2) does not apply where the requirement contravened is a requirement to have or maintain financial resources.
- (5) In this paragraph, “private person” has such meaning as may be prescribed.
