- (4) The purpose of the investigations does not include assessing or determining—
- (a) blame,
  - (b) civil or criminal liability, or
  - (c) whether action needs to be taken in respect of an individual by a regulatory body.

  - (b) may be varied or revoked by subsequent directions;
  - (c) may provide for a person to exercise a discretion in dealing with any matter.
- (5) Once the HSSIB has begun an investigation into a qualifying incident, it must, in such manner as it thinks appropriate, publish a statement which—
- (a) reports that it has begun the investigation,
  - (b) contains a brief description of the incident, and
  - (c) sets out, in general terms, the issues that the HSSIB expects to consider in the investigation.
- (6) The HSSIB may give advance notice of a statement under subsection (5) to any person the HSSIB considers may be affected by the investigation.
- (7) Where the HSSIB discontinues an investigation, it must, in such manner as it thinks appropriate, publish a statement which—
- (a) reports that it has discontinued the investigation, and
  - (b) gives its reasons for doing so.

*Changes to legislation: There are currently no known outstanding effects for the Health and Care Act 2022, PART 4. (See end of Document for details)*

- (8) Where the HSSIB determines not to investigate a qualifying incident, it may give notice of its determination to any person the HSSIB considers to have an interest in the determination.
- (9) Notice under subsection (8) may include—
  - (a) a brief description of the incident, and
  - (b) the HSSIB’s reasons for not investigating it.

- (3) The final report must focus on ascertaining risks to the safety of patients and any recommendations as to the action to be taken by any person must focus on addressing those risks (rather than on the activities of individuals involved in the incident).

  - (b) any adverse impact on securing the improvement of the safety of health care services provided to patients in England.
- (6) The final report may not, without their consent, include the name of any individual—
