  - (4) After paragraph (1) insert—

“(1A) A ballot paper must not be delivered to a voter unless the voter produces a specified document to the presiding officer or a clerk.

---

*Status: This is the original version (as it was originally enacted).*

---

(1B) The presiding officer or clerk must arrange for the voter to produce any document in a private area of the polling station if the voter so requests, and, in such a case, must ensure that no other persons witness the production except as permitted by the voter.

(1C) Paragraph (1D) applies in relation to a voter where—

- (a) the voter produces a specified document to a clerk and the clerk decides that the document raises a reasonable doubt as to whether the voter is the elector or proxy that the voter claims to be, or

- (b) the voter produces a document to the officer that the officer reasonably suspects to be a forged document.

See rule 40ZB (procedure where ballot paper is refused under this paragraph).

(1F) But there is an exception from paragraph (1E) for cases within subparagraph (a) of that paragraph where—

- (a) a discrepancy between the name of the holder of a specified document and the name of the elector or proxy that the voter claims to be is resolved to the presiding officer's satisfaction at the time of the application by the voter producing further proof of identity, and
- (b) the presiding officer has no other reason (arising from any document produced by the voter) to doubt that the voter is the elector or proxy that the voter claims to be.

(1G) The refusal to deliver a ballot paper to a voter under paragraph (1E) does not prevent the voter making a further application under paragraph (1), and paragraphs (1A) to (1F) apply on any further application.

(1H) In this rule a “specified document”, except in the case of a voter with an anonymous entry in the register of electors (as to which see paragraph (1K)), means any of the following documents (in whatever form issued to the holder) that contain a photograph of the holder—
