

Finance (No. 2) Act 2023

2023 CHAPTER 30

PART 3

MULTINATIONAL TOP-UP TAX

CHAPTER 8

FURTHER ADJUSTMENTS

Restructuring of groups

208 Member joining or leaving multinational group

- (1) **Subsection (2)** applies to an entity where, in an accounting period (“the transfer period”) of a multinational group, the entity—
 - (a) becomes a member of that multinational group (including, where it was previously a member of a different group, as a result of it becoming the ultimate parent of a new group), or
 - (b) ceases to be a member of that multinational group.
- (2) The entity is to be treated as a member of that group for the whole of the transfer period (whether or not that results in it being treated as a member of two or more groups) if any portion of its assets, liabilities, income, expenses or cash flows are included on a line-by-line basis in the consolidated financial statements of the ultimate parent for that period.
- (3) But in applying **this Part** in relation to the entity as a member of the multinational group it has become or ceased to be a member of, only its profits, covered taxes and (where applicable) eligible payroll costs that are taken into account in the consolidated financial statements of the ultimate parent are to be taken account of.
- (4) Any purchase accounting consolidation adjustments arising from the transfer of the ownership interests resulting in an entity becoming a member of a multinational group

are to be ignored in determining the adjusted profits and covered tax balance of that entity as a member of that group in the transfer period and in subsequent accounting periods.

- (5) When (where applicable) determining the eligible tangible asset amount of an entity that becomes a member of a multinational group as a member of that group in the transfer period, adjust that amount by multiplying it by the amount given by dividing the number of days in the post-transfer period by the number of days in the transfer period.
- (6) For the purposes of [subsection \(5\)](#) the “post-transfer period” means the period beginning with the day on which the member became or (as the case may be) ceased to be a member of a multinational group and ending with the last day of the transfer period.
- (7) When (where applicable) determining the eligible tangible asset amount of an entity that ceased to be a member of a multinational group as a member of that group in the transfer period, adjust that amount by multiplying it by the amount given by dividing the number of days in the pre-transfer period by the number of days in the transfer period.
- (8) For the purposes of [subsection \(7\)](#) the “pre-transfer period” means the period beginning with the commencement of the transfer period and ending with the day before the day on which the ownership interests were transferred.
- (9) [Subsections \(10\) and \(11\)](#) apply where an entity that becomes a member of a multinational group (“group A”) as a result of a transfer of direct or indirect ownership interests in it was a member of another multinational group immediately before the transfer (“group B”).
- (10) The amount of deferred tax assets and tax liabilities (which for these purposes does not include a special loss deferred tax asset) of the entity that existed immediately before the transfer to be taken into account in relation to that entity as a member of group A is the amount that would have been taken into account had group A had a controlling interest in the entity at the time the assets and liabilities arose.
- (11) Where a deferred tax liability of the entity was included in the total deferred tax adjustment amount for that member in group B—
 - (a) that deferred tax liability is to be deemed to have reversed without the need to reflect the reversal in any calculation made for the purposes of [this Part](#) in relation to group B, and
 - (b) the deferred tax liability is to be treated as arising in the transfer period for the purpose of determining the total deferred tax adjustment amount for the member in group A,
 - (c) any resulting reduction in the covered tax balance of the entity as a member of group A (see [sections 182 and 184](#)) is only to have effect in the accounting period in which the deferred tax liability is recaptured.
