### HEAT NETWORKS REGULATION

#### PART 5

##### INSTALLATION AND MAINTENANCE LICENCES

###### *Review and revocation of installation and maintenance licences*

- 36 (1) The regulations may provide—
- (a) for the revocation of an installation and maintenance licence by the Regulator;
  - (b) for an installation and maintenance licence to cease to have effect in circumstances specified in or determined under the licence.
- (2) Regulations made by virtue of sub-paragraph (1)(a) may, in particular, provide for the procedure to be followed by the Regulator when it proposes to revoke the licence.
