PART II
—cont.

- (a) as specifies defects by reason of which a house is to be deemed for the purposes of section nine of this Act not to be in all respects fit for human habitation, or
- (b) as regulates the matters to be taken into consideration on an appeal under this Part of this Act in respect of a notice requiring the execution of works to remedy any defects so specified,

5.—(1) Notwithstanding anything in any local Act or byelaw in force in any borough or district, it shall not be lawful to erect any back-to-back houses intended to be used as dwellings for the working classes, and any such house shall for the purposes of this Act be deemed to be unfit for human habitation: Prohibition of back-to-back houses.

(2) Subject to the provisions of this Act, in any contract to which this section applies there shall, notwithstanding any stipulation to the contrary, be implied a condition that the house is at the commencement of the tenancy, and an undertaking that the house will be kept by the landlord during the tenancy, fit for human habitation:

Provided that the condition and undertaking aforesaid shall not be implied when a house is let for a term of not less than three years upon the terms that it be put by the lessee into a condition reasonably fit for human habitation, and the lease is not determinable at the option of either party before the expiration of three years.

(3) The landlord, or any person authorised by him in writing, may at reasonable times of the day, on giving twenty-four hours' notice in writing to the tenant or occupier, enter any premises to which this section applies for the purpose of viewing the state and condition thereof.

Application of
foregoing
section to
houses
occupied by
agricultural
workers
otherwise than
as tenants.

7. Notwithstanding any stipulation to the contrary, where under a contract of employment of a workman employed in agriculture the provision of a house or part of a house for his occupation forms part of his remuneration, and the provisions of the last foregoing section are inapplicable by reason only of the house or part of the house not being let to him, there shall be implied as part of the contract of employment the like condition and undertaking as would be implied under those provisions if the house or part of the house were so let, and those provisions shall apply accordingly, with the substitution of "employer" for "landlord", and such other modifications as may be necessary:

Provided that this section shall not affect the obligation of any person other than the employer to repair a house to which this section applies, or any remedy for enforcing any such obligation.

PART II
—cont.

8. Information to be given to tenants of working-class houses.

Unfit premises capable of repair at reasonable cost

9.—(1) Where a local authority, upon consideration of an official representation, or a report from any of their officers, or other information in their possession, are satisfied that any house is unfit for human habitation, they shall, unless they are satisfied that it is not capable at a reasonable expense of being rendered so fit, serve upon the person having control of the house a notice—

Power of local authority to require repair of unfit house.

- (a) requiring him, within such reasonable time, not being less than twenty-one days, as may be specified in the notice, to execute the works specified in the notice, and
- (b) stating that, in the opinion of the authority, those works will render the house fit for human habitation.

(2) In addition to serving a notice under this section on the person having control of the house, the local authority may serve a copy of the notice on any other person having an interest in the house, whether as freeholder, mortgagee, lessee or otherwise.

(3) In this and the three next following sections references to a house include a reference to a hut, tent, caravan or other temporary or moveable form of shelter which is used for human habitation and has been in the same inclosure for a period of two years next before action is taken under this section.

10.—(1) If a notice under the last foregoing section requiring the person having control of a house to execute works is not complied with, then, after the expiration of the time specified in the notice or, if an appeal has been made against the notice and upon that appeal the notice has been confirmed with or without variation, after the expiration of twenty-one days from

Enforcement of notice requiring execution of works.

PART II
—cont.

the final determination of the appeal, or of such longer period as the court in determining the appeal may fix, the local authority may themselves do the work required to be done by the notice, or by the notice as varied by the court, as the case may be.

(2) Where the local authority are about to enter upon a house under the provisions of the foregoing subsection for the purpose of doing any work, they may give to the person having control of the house and, if they think fit, to any other person being an owner of the house, notice in writing of their intention so to do, and if at any time after the expiration of seven days from the service upon him of the notice and whilst any workman or contractor employed by the local authority is carrying out works in the house, any person upon whom the notice was served or any workman employed by him, or by any contractor employed by him, is in the house for the purpose of carrying out any works, the person upon whom the notice was served shall be deemed to be obstructing the local authority in the execution of this Act and liable on summary conviction to a fine not exceeding twenty pounds, unless he proves to the satisfaction of the court before which he is charged that there was urgent necessity to carry out the works in order to obviate danger to occupants of the house.

(3) Any expenses incurred by the local authority under this section, together with interest from the date when a demand for the expenses is served until payment, may, subject as hereinafter provided, be recovered by them, by action or summarily as a civil debt, from the person having control of the house or, if he receives the rent of the house as agent or trustee for some other person, then either from him or from that other person, or in part from him and as to the remainder from that other person:

Provided that, if the person having control of the house proves that he—

- (a) is receiving the rent merely as agent or trustee for some other person; and
- (b) has not, and since the date of the service on him of the demand has not had, in his hands on behalf of that other person sufficient money to discharge the whole demand of the authority;

his liability shall be limited to the total amount of the money which he has, or has had, in his hands as aforesaid.

(4) In all summary proceedings by the local authority for the recovery of any such expenses, the time within which the proceedings may be taken shall be reckoned from the date of the service of the demand or, if an appeal is made against that demand, from the date on which the demand becomes operative.

(5) The local authority may by order declare any such expenses to be payable by weekly or other instalments within a period not exceeding thirty years with interest from the date of the service of the demand until the whole amount is paid, and any such instalments and interest, or any part thereof, may be recovered summarily as a civil debt from any owner or occupier of the house, and, if recovered from an occupier, may be deducted by him from the rent of the house.

(6) Any interest payable under subsection (3) or subsection (5) of this section shall be at such rate as the Minister may, with the approval of the Treasury, from time to time fix for the purposes of either or both of those subsections by order contained in a statutory instrument.

(7) The amount of any expenses and interest thereon due to a local authority under this section shall be a charge on the premises in respect of which the expenses were incurred, and the local authority shall for the purpose of enforcing that charge have all the same powers and remedies under the Law of Property Act, 1925, and otherwise as if they were mortgagees by deed having powers of sale and lease, of accepting surrenders of leases and of appointing a receiver.

(8) The power of appointing a receiver under the last foregoing subsection shall be exercisable at any time after the expiration of one month from the date of the service under subsection (3) of this section of a demand for the expenses charged on the premises.

(9) No action taken under this or the last foregoing section shall prejudice or affect any other powers of the local authority, or any remedy available to the tenant of a house against his landlord, either at common law or otherwise.

11.—(1) Any person aggrieved by—

Right of
appeal.

- (a) a notice under the foregoing provisions of this Part of this Act requiring the execution of works,
- (b) a demand for the recovery of expenses incurred by a local authority in executing works specified in any such notice,
- (c) an order made by a local authority with respect to any such expenses,

may, within twenty-one days of the service of the notice, demand or order, appeal to the county court within the jurisdiction of which the premises to which the notice, demand or order relates are situate, and no proceedings shall be taken by the local authority to enforce any notice, demand or order in relation to which an appeal is brought before the appeal has been finally determined.

PART II
—*cont.*

(2) On an appeal under paragraph (b) or paragraph (c) of the foregoing subsection no question shall be raised which might have been raised on an appeal against the original notice requiring the execution of works.

(3) On an appeal to the county court under this section the judge may make such order either confirming or quashing or varying the notice, demand or order as he thinks fit and where the judge allows an appeal against a notice requiring the execution of works to a house, he shall, if requested by the local authority so to do, include in his judgment a finding whether the house can or cannot be rendered fit for human habitation at a reasonable expense.

Power of local authority to buy house found on appeal not to be capable of repair at reasonable cost.

12.—(1) Where a person has appealed against a notice under this Part of this Act requiring the execution of works to a house, and the judge or court in allowing the appeal has found that the house cannot be rendered fit for human habitation at a reasonable expense, the local authority may purchase that house by agreement or may be authorised by the Minister to purchase it compulsorily; and the First Schedule to this Act shall apply in relation to a compulsory purchase under this section.

(2) The Minister shall not confirm an order for the compulsory purchase of a house under this section unless the order is submitted to the Minister within six months after the determination of the appeal and if any person being an owner or mortgagee of the house undertakes to carry out to the satisfaction of the Minister, within such period as the Minister may fix, the works specified in the notice against which the appeal was brought, the Minister shall not confirm the compulsory purchase order unless that person has failed to fulfil his undertaking.

(3) If the local authority purchase the house compulsorily they shall forthwith execute all such works as were specified in the notice against which the appeal was brought.

(4) The compensation to be paid for a house purchased compulsorily under this section shall be the value, at the time when the valuation is made, of the site as a cleared site available for development in accordance with the requirements of the building byelaws for the time being in force in the district, but the payment of compensation on a compulsory purchase in pursuance of this section shall be without prejudice to the making of such payment, if any, in respect of the compulsory purchase as is authorised by sections thirty and thirty-one of this Act.

Recovery by lessees of proportion of cost of execution of works.

13.—(1) Where any person who incurs expenditure in complying with a notice under the foregoing provisions of this Part of this Act requiring the execution of works or in defraying expenses incurred by a local authority under those provisions in carrying out such works, is a lessee of the house or the agent

of such a lessee, the lessee may recover from the lessor under the lease such part (if any) of that expenditure as may, in default of agreement between the parties, be determined by the county court to be just having regard—

- (a) to the obligations of the lessor and the lessee under the lease with respect to the repair of the house,
- (b) to the length of the unexpired term of the lease,
- (c) to the rent payable under the lease, and
- (d) to all other relevant circumstances.

(2) Where a person from whom any sum is recoverable under the foregoing subsection is himself a lessee of the house, the provisions of that subsection shall apply as if any sum so recoverable from him were expenditure as mentioned in that subsection.

(3) The foregoing provisions of this section shall not apply in relation to any expenditure in respect of which a charging order is in force under this Part of this Act, or in respect of which an application for such an order is for the time being pending.

(4) In this section “lease” includes an under-lease and any tenancy or agreement for a lease, under-lease or tenancy, and the expressions “lessee” and “lessor” shall be construed accordingly.

14.—(1) Where any owner has completed in respect of a house any works required to be executed by a notice of a local authority under this Part of this Act, he may apply to the local authority for a charging order.

Charging

favour of

executing
works.

(2) An applicant for a charging order under this section shall produce to the local authority the certificate of their surveyor or engineer that the works have been executed to his satisfaction, and accounts of and vouchers for the expenses of the works; and the local authority, when satisfied that the owner has duly executed the required works, and of the amount of the expenses, and of the costs properly incurred in obtaining the charging order, shall make an order accordingly charging on the house an annuity to repay the amount.

(3) The annuity charged shall be a sum of six pounds for every one hundred pounds of the said amount and so in proportion for any less sum, and shall commence from the date of the order, and be payable for a term of thirty years to the owner named in the order, his executors, administrators, or assigns.

(4) Copies of the charging order and of the certificate of the surveyor or engineer, and of the accounts as passed by the local

PART II
—cont.

authority, certified to be true copies by the clerk to the authority, shall within six months after the date of the order be deposited with the clerk of the peace of the county in which the house is situate, and be by him filed and recorded.

(5) Any person aggrieved by a charging order made by a local authority under this section may appeal to Quarter Sessions against the order by a notice of appeal given within one month after notice of the charging order has been served upon him, and where a notice of appeal is so given, no proceedings shall be taken under the order until the appeal is determined or ceases to be prosecuted.

(6) Section thirty-one of the Summary Jurisdiction Act, 1879, and section eighty-four of the Magistrates' Courts Act, 1952 (which relate to appeals from courts of summary jurisdiction to courts of quarter sessions), shall apply in relation to an appeal under this section with the necessary modifications as if the charging order were an order of a magistrates' court.

(7) A court of quarter sessions to which an appeal is brought under this section shall, at the request of either party to the appeal, state the facts in the form of a special case for the opinion of the High Court.

Form, effect,
etc., of
charging
orders.

15.—(1) Every charge created by a charging order under this Part of this Act shall be in such form as the Minister may prescribe, and shall be a charge on the premises specified in the order having priority over all existing and future estates, interests and incumbrances, with the exception of—

- (a) tithe commutation rent charge, and
- (b) any charge on the premises created or arising under any provision of the Public Health Act, 1875, the Public Health Act, 1936, or the Public Health (London) Act, 1936, or under any provision in any local Act authorising a charge for recovery of expenses incurred by a local authority ; and
- (c) any charge created under any Act authorising advances of public money ;

and where more charges than one are charged under this Part of this Act on any premises such charges shall, as between themselves, take order according to their respective dates.

(2) A charging order shall be conclusive evidence that all notices, acts, and proceedings by this Part of this Act directed with reference to, or consequent on, the obtaining of such an order or the making of such a charge, have been duly served, done, and taken, and that the charge has been duly created, and is a valid charge on the premises declared to be subject thereto.

(3) Every annuity charged by any such charging order may be recovered by the person for the time being entitled to it by the same means and in the like manner in all respects as if it were a rentcharge granted by deed out of the premises by the owner thereof.

(4) The benefit of any such charge may be from time to time transferred in like manner as a mortgage or rentcharge may be transferred; and any such transfer may be in such form as the Minister may prescribe.

(5) Any owner of, or other person interested in, premises on which an annuity has been charged by any such charging order shall at any time be at liberty to redeem the annuity on payment to the person entitled to the annuity of such sum as may be agreed upon, or in default of agreement determined by the Minister.

(6) Nothing in this section with respect to the priority or validity of charges thereunder shall be construed as affecting the application to any such charge of the provisions of the Land Charges Act, 1925, as amended by any subsequent enactment, or of the Yorkshire Registries Act, 1884, as so amended, and for the purposes of the last mentioned Act, every charging order under this Part of this Act which relates to a house in Yorkshire shall be registered in the manner in which a charge made by deed by the absolute owner of the premises would at the date of the order be required to be registered.

Unfit premises beyond repair at reasonable cost

16.—(1) Where a local authority, on consideration of an official representation, or a report from any of their officers, or other information in their possession, are satisfied that any house—

(a) is unfit for human habitation, and

(b) is not capable at a reasonable expense of being rendered so fit,

Power of local authority to accept undertaking as to reconstruction or use of unfit house.

they shall serve upon the person having control of the house, upon any other person who is an owner thereof, and, so far as it is reasonably practicable to ascertain such persons, upon every mortgagee thereof, notice of the time (being some time not less than twenty-one days after the service of the notice) and place at which the condition of the house and any offer with respect to the carrying out of works, or the future user of the house, which he may wish to submit will be considered by them.

(2) Every person upon whom such a notice is served under subsection (1) of this section shall be entitled to be heard when the matter is so taken into consideration.

PART II
—cont.

(3) A person upon whom such a notice is served under subsection (1) of this section shall, if he intends to submit an offer with respect to the carrying out of works,—

- (a) within twenty-one days from the date of the service of the notice upon him, serve upon the authority notice in writing of his intention to make such an offer, and
- (b) within such reasonable period as the authority may allow, submit to them a list of the works which he offers to carry out.

(4) The local authority may if, after consultation with any owner or mortgagee, they think fit so to do, accept an undertaking from him, either that he will within a specified period carry out such works as will in the opinion of the authority render the house fit for human habitation, or that it shall not be used for human habitation until the authority, on being satisfied that it has been rendered fit for that purpose, cancel the undertaking.

(5) Nothing in the Rent Acts shall prevent possession being obtained of any premises by any owner thereof in a case where an undertaking has been given under this section that those premises shall not be used for human habitation.

(6) Any person who knowing that an undertaking has been given under this section that any premises shall not be used for certain purposes specified in the undertaking, uses those premises in contravention of the undertaking, or permits them to be so used, shall on summary conviction be liable to a fine not exceeding twenty pounds and to a further fine of five pounds for every day, or part of a day, on which he so uses them, or permits them to be so used, after conviction.

(7) In this section references to a house include references to a hut, tent, caravan or other temporary or moveable form of shelter which is used for human habitation and has been in the same inclosure for a period of two years next before action is taken under this Part of this Act.

Duty of local authority to make demolition or closing order or to purchase house where no undertaking is accepted.

17.—(1) If no such undertaking as is mentioned in the last foregoing section is accepted by the local authority, or if, in a case where they have accepted such an undertaking,—

- (a) any work to which the undertaking relates is not carried out within the specified period, or
- (b) the premises are at any time used in contravention of the terms of the undertaking,

then, subject to the provisions of this section, the local authority shall forthwith make a demolition order for the demolition of the premises to which the notice given under the last foregoing section relates:

Provided that if in the case of any house the local authority consider it inexpedient to make a demolition order having regard to the effect of the demolition of that house upon any other house or building, they may make a closing order as respects that house instead of a demolition order.

(2) Where a local authority would under the foregoing subsection be required to make a demolition or closing order in respect of a house they may, if it appears to them that the house is or can be rendered capable of providing accommodation which is adequate for the time being, purchase the house instead of making a demolition or closing order.

(3) If in the case of any house—

- (a) a building preservation order under section twenty-nine of the Town and Country Planning Act, 1947, is in force as respects that house, or
- (b) the house is included in a list compiled or approved under section thirty of that Act by the Minister, or
- (c) a notice is in force given by the Minister to the local authority and stating that the architectural or historic interest of the house is sufficient to render it inexpedient that the house should be demolished pending determination of the question whether or not it should be made the subject of such a building preservation order as aforesaid or included in such a list as aforesaid,

subsection (2) of this section shall not apply and the order to be made under subsection (1) of this section shall be a closing order and not a demolition order.

18.—(1) A local authority may under the foregoing provisions of this Part of this Act take the like proceedings in relation to—

- (a) any part of a building which is used, or is suitable for use, as a dwelling, or
- (b) any underground room which is deemed for the purposes of this section to be unfit for human habitation,

as they are empowered to take in relation to a house subject, however, to this qualification that in circumstances in which, in the case of a house, they would have taken action under the last foregoing section (whether by making a demolition or closing order or by purchasing the house) they shall make a closing order as respects the part of the building or, as the case may be, as respects the room.

(2) Subject to the provisions of section four of this Act as to the circumstances under which a house is to be deemed unfit for human habitation, a room the surface of the floor of which is more than three feet below the surface of the part of the street adjoining or nearest to the room, or more than three feet

PART II
—*cont.*

below the surface of any ground within nine feet of the room, shall for the purposes of this section be deemed to be unfit for human habitation, if either—

- (a) the average height of the room from floor to ceiling is not at least seven feet, or
- (b) the room does not comply with such regulations as the local authority with the consent of the Minister may prescribe for securing the proper ventilation and lighting of such rooms, and the protection thereof against dampness, effluvia or exhalation:

Provided that, if the local authority, after being required to do so by the Minister, fail to make regulations, or such regulations as the Minister approves, the Minister may himself by statutory instrument make regulations which shall have effect as if they had been made by the local authority with the consent of the Minister.

Service of
notice of
demolition or
closing order
or intention
to purchase.

19. Where a local authority—

- (a) have made a demolition or closing order under either of the two last foregoing sections, or
- (b) have determined to purchase a house under the former of those sections,

they shall serve a copy of the order or, as the case may be, a notice of their determination to purchase the house on every person on whom they would be required under subsection (1) of section sixteen of this Act to serve a notice issued by them under that subsection.

Right of appeal
against
demolition
order, etc.

20.—(1) Any person aggrieved by—

- (a) a demolition or closing order made under this Part of this Act, or
- (b) a notice of the determination of a local authority to purchase a house served under the last foregoing section,

may, within twenty-one days after the date of the service of the order or notice, appeal to the county court within the jurisdiction of which the premises to which the order or notice relates are situate, and no proceedings shall be taken by the local authority to enforce any order or notice in relation to which an appeal is brought before the appeal has been finally determined.

(2) No appeal shall lie under this section at the instance of a person who is in occupation of the premises to which the order or notice relates under a lease or agreement of which the unexpired term does not exceed three years.

(3) On an appeal to the county court under this section the judge may make such order either confirming or quashing or varying the order or notice as he thinks fit and may, if he thinks fit, accept from an appellant any such undertaking as might have been accepted by the local authority, and any undertaking so accepted by the judge shall have the like effect as if it had been given to and accepted by the local authority under this Part of this Act:

PART II
—cont.

Provided that the judge shall not accept from an appellant upon whom such a notice as is mentioned in subsection (1) of section sixteen of this Act was served an undertaking to carry out any works unless the appellant complied with the requirements of subsection (3) of that section.

21. A demolition order made under this Part of this Act with respect to any premises shall require—

Content of
demolition
order.

- (a) that the premises shall be vacated within a period to be specified in the order, not being less than twenty-eight days from the date on which the order becomes operative, and
- (b) that the premises shall be demolished within six weeks after the expiration of that period, or, if the premises are not vacated before the expiration of that period, within six weeks after the date on which they are vacated, or in either case within such longer period as in the circumstances the local authority deem it reasonable to specify.

22.—(1) Where a demolition order under this Part of this Act has become operative, the local authority shall serve on the occupier of any building, or any part of any building, to which the order relates a notice—

Demolition
orders:
recovery of
possession of
building to be
demolished.

- (a) stating the effect of the order, and
- (b) specifying the date by which the order requires the building to be vacated, and
- (c) requiring him to quit the building before the said date or before the expiration of twenty-eight days from the service of the notice, whichever may be the later.

(2) If at any time after the date on which the notice requires the building to be vacated any person is in occupation of the building, or of any part thereof, the local authority or any owner of the building may make complaint to a magistrates' court and thereupon the court shall by its warrant in the form set out in the Schedule to the Small Tenements Recovery Act, 1838, or in a form to the like effect, order vacant possession of the building, or of the part thereof, to be given to the complainant within such period not being less than two weeks nor more than four weeks as the court may determine.

(2) Subject to the next following subsection, the local authority may include in any clearance order made by them and applying to the house a provision that the demolition of the house in pursuance of the order is to be postponed until the authority determine that the house is no longer required for use for housing purposes; and if such a provision is included, the order shall not fix a period for the vacation of the house as required by subsection (1) of the last foregoing section.

(3) A local authority shall not include in a clearance order such a provision as is mentioned in the last foregoing subsection unless they have acquired, or are satisfied that by the time the clearance order becomes operative they will have acquired, such rights under a tenancy of the house as will enable them to retain the house for use for housing purposes until they determine that it is no longer required for such use and to deal with it in all respects as if it were a house on land in a clearance area belonging to them.

(4) In relation to a house to which a clearance order applies with such a provision as is mentioned in subsection (2) of this section—

PART III
—cont.

(a) subsection (3) of section forty-four of this Act shall have effect with the substitution for the period therein referred to of such a period not less than six weeks as may, in a notice served by the local authority on the owner or owners of the house as soon as they determine that the house is no longer required for use for housing purposes, be specified as the period within which the authority require the house to be demolished ; and

(b) the last foregoing section shall not apply until the local authority determine that the house is no longer required for such use as aforesaid and shall then have effect with the substitution for references to the date by which the order requires the house to be vacated of references to the date of the authority's notice under the foregoing paragraph.

(5) In respect of any houses retained by a local authority under this section for temporary use for housing purposes, the authority shall have the like powers as they have in respect of houses provided under Part V of this Act, and section six of this Act shall not apply to a contract for the letting by a local authority of any such house.

Treatment of
land acquired
by local
authority.

(a) they shall demolish every building thereon before the expiration of six weeks from the date on which it is vacated, or before the expiration of such longer period as in the circumstances they deem reasonable, and thereafter may sell or let the land subject to such restrictions and conditions, if any, as they think fit, or may, subject to the approval of the Minister, and subject to the like restrictions as are contained in section one hundred and sixty-three of the Local Government Act, 1933, with respect to the appropriation of land by local authorities under that section, appropriate the land for any purpose for which they are authorised to acquire land ; or

PART III
—cont.

- (b) they shall, so soon as may be, sell or let the land subject to a condition that the buildings thereon shall be demolished forthwith and subject to such restrictions and other conditions, if any, as they think fit:

(2) Where the demolition of any houses in a clearance area is postponed under the foregoing subsection, the local authority may also postpone the taking of any proceedings under section forty-three of this Act in respect of any buildings (other than houses) within that area; and the provisions of subsection (4) of that section as to the time within which compulsory purchase orders may be submitted shall not apply to the purchase of any land in the area, other than houses, or to the purchase of any land surrounded by or adjoining the area.

- (a) it is required for the support of a house which is so retained, or
- (b) there is some other special reason why it should not be demolished for the time being, and the reason is connected with the exercise of the authority's powers under subsection (1) of this section in relation to the clearance area,

then, notwithstanding anything in the foregoing provisions of this Part of this Act the authority may retain the house for the time being and shall not be required to demolish it so long as, in the case mentioned in paragraph (a) of this subsection, it is required for the purpose therein referred to, or, in any other case, the said powers are being exercised by the authority in relation to that area.

49. A local authority may include in a clearance area any land belonging to them which they might have included in such an area if it had not belonged to them, and where any land of the authority is included in a clearance area or, being land surrounded by or adjoining a clearance area, might have been purchased by the authority under subsection (2) of section forty-three of this Act had it not previously been acquired by them, the provisions of this Act shall apply in relation to that land as if it had been purchased by the authority as being land comprised in the clearance area or, as the case may be, as being land surrounded by or adjoining the clearance area:

- (a) in a case where the order has not been confirmed, authorise the authority to submit, forthwith and without any previous publication or service, a clearance order with respect to the buildings, and upon their so doing may modify the compulsory purchase order by excluding the land therefrom and confirm the clearance order without causing an inquiry or hearing to be held ; or
- (b) in a case where the compulsory purchase order has been confirmed but the land has not become vested in the authority, authorise them to discontinue proceedings for the purchase of the land on their being satisfied that such covenants have been or will be entered into by all necessary parties as may be requisite for securing that the buildings shall be demolished in like manner, and the land become subject to the like restrictions and conditions, as if the authority had dealt with the land in accordance with the provisions of section forty-seven of this Act.

Duty of local authority to secure re-development.

- (a) that the area contains fifty or more working-class houses ;
- (b) that at least one-third of the working-class houses in the area are overcrowded, or unfit for human habitation and not capable at a reasonable expense of being rendered so fit, or so arranged as to be congested ;
- (c) that the industrial and social conditions of their district are such that the area should be used to a substantial extent for housing the working classes ; and
- (d) that it is expedient in connection with the provision of housing accommodation for the working classes that the area should be re-developed as a whole ;

it shall be the duty of the local authority to cause the area to be defined on a map, and to pass a resolution declaring the area so defined to be a proposed re-development area.

(2) As soon as may be after a local authority have passed a resolution under the foregoing subsection, they shall send a copy of the resolution and of the map to the Minister, and shall publish in one or more local newspapers circulating in their district a notice stating that the resolution has been passed and naming a place within their district where a copy of the resolution and of the map may be inspected.

(3) In so far as suitable accommodation is not available for persons who will be displaced from working-class houses in the carrying out of re-development in accordance with a re-development plan, it shall be the duty of the local authority to provide, or to secure the provision of, such accommodation in advance of the displacements from time to time becoming necessary as the re-development proceeds.

(2) In the preparation of the plan the local authority shall have regard to the provisions of any development plan within the meaning of the Town and Country Planning Act, 1947, relating to the defined area or land in the neighbourhood thereof.

(3) Before submitting the plan to the Minister the local authority shall—

- (a) publish in one or more local newspapers circulating in their district a notice stating that the plan has been prepared and is about to be submitted to the Minister, naming a place within their district where the plan may be inspected, and specifying the time within which, and the manner in which, objections can be made; and
- (b) serve a notice to the like effect on every owner, lessee and occupier (except tenants for a month or any period less than a month) of land in the defined area and on all statutory undertakers owning apparatus in that area.

For the purposes of this subsection an occupier being a statutory tenant within the meaning of Part II of the Housing Repairs and Rents Act, 1954, shall be deemed to be a tenant for a period less than a month.

(4) If no objection is duly made by any of the persons upon whom notices are required to be served, or if all objections so made are withdrawn, the Minister may, if he thinks fit, approve the plan, either without modification or with such modifications as he thinks fit (including, if he thinks fit, the alteration of the defined area so as to exclude land therefrom, but not so as to add land thereto), but in any other case he shall, before approving the plan, cause a public local inquiry to be held and shall consider any objection not withdrawn and the report of the person who held the inquiry, and may thereafter approve the plan with or without any such modifications as aforesaid.

(5) On receipt of notice of the Minister's approval the local authority shall publish in one or more local newspapers circulating in their district a notice stating that the re-development plan has been approved and naming a place within their district where a copy thereof may be inspected, and shall serve a like notice on every person who, having given notice to the Minister of his objection to the plan, appeared at the public local inquiry in support of his objection.

(6) Where, after a re-development plan has been approved, it appears to the local authority that any land in the re-development area (that is to say the defined area or so much thereof as is comprised in the plan as approved) ought to be re-developed or used otherwise than as indicated in the plan, the authority shall prepare and submit to the Minister a new plan as respects that land, and the provisions of this section with respect to publication, service of notices and approval by the Minister shall have effect in relation to the new plan, with the substitution of references to the new plan and to the land comprised therein for references to the re-development plan and to the defined area.

(7) The provisions of the Fourth Schedule to this Act shall have effect with respect to the validity and date of operation of the Minister's approval of a re-development plan or of a new plan.

(8) In the following provisions of this Act references to re-development or use in accordance with a re-development plan shall be construed as references to re-development or use in accordance with a re-development plan approved under this section or, in the case of land comprised in a new plan approved under this section, in accordance with the new plan.

57.—(1) When the Minister's approval of a re-development plan has become operative, the local authority may with the approval of the Minister purchase by agreement, or may be authorised by means of an order made and submitted to the Minister and confirmed by him in accordance with Parts I and II of the Third Schedule to this Act to purchase compulsorily,—

- (b) in the case of other land in the re-development area, two years from that date;

or, in either case, such extended period as the Minister may, on the application of the local authority, allow in respect of any land.

(3) Where a local authority submit to the Minister an order for the compulsory purchase under this section of land which comprises or consists of a house which in their opinion is unfit for human habitation and not capable at reasonable expense of being rendered so fit, the order as submitted shall be in a form prescribed for the purpose of indicating that the house is in that condition, and, if the Minister is of opinion that the house is properly so indicated, the order as confirmed may authorise the authority to purchase the house as being in that condition.

(4) The provisions of the Fourth Schedule to this Act shall have effect with respect to the validity and date of operation of a compulsory purchase order made under this section.

(5) Nothing in this section shall authorise the compulsory acquisition of any land which is the property of a local authority or is the property of statutory undertakers, having been acquired by them for the purposes of their undertaking, and the obligations imposed on the local authority by subsection (2) of this section shall not apply with respect to any such land.

(6) Land purchased by a local authority under this section for the provision of houses for the working classes shall be deemed to have been acquired by them under Part V of this Act.

(8) When the Minister's approval of a re-development plan has become operative and the plan comprises any land of the local authority, the provisions of this Act shall apply in relation to that land as if it had been land in the re-development area purchased by the authority under this section.

(9) Nothing in the Rent Acts shall prevent possession being obtained of any house possession of which is required for the purpose of enabling re-development in accordance with a re-development plan to be proceeded with.

(2) As soon as may be after receipt of such a list and request as aforesaid the local authority shall take the list into consideration and shall inform the owner whether they are of opinion as aforesaid or not, and in a case where they are of that opinion, shall furnish him with a list of the additional works (if any) appearing to them to be required.

(2) If no such offer as is mentioned in the foregoing subsection is made before the expiration of the said period, the owner or owners of the building shall carry out the demolition provided for by the order before the expiration of six weeks from the last day of that period, or, if the building, or such part thereof as is required to be vacated, is not vacated until after that day, before the expiration of six weeks from the day on which it is vacated or, in either case, before the expiration of such longer period as in the circumstances the local authority deem reasonable, and if the demolition is not so carried out the local authority shall enter and carry out the demolition and sell the materials rendered available thereby.

(3) The provisions of subsections (2) to (5) of section twenty-three of this Act shall apply in relation to any expenses incurred by a local authority under the last foregoing subsection and to any surplus remaining in the hands of the authority, as they apply in relation to any expenses or surplus in a case where a house is demolished in pursuance of a demolition order made under Part II of this Act, with the substitution of references to the building demolished under this section for references to the premises demolished under the said section twenty-three.

(4) Where the demolition of a building is carried out under subsection (2) of this section, either by the owner or owners thereof or by the local authority, compensation shall be paid by the authority to the owner or owners in respect of loss arising from the demolition, and that compensation shall, notwithstanding that no land is acquired compulsorily by the local authority, be assessed in accordance with the Acquisition of Land (Assessment of Compensation) Act, 1919, subject to observance of the rules set out in Part III of the Third Schedule to this Act except that paragraphs (2) to (6) of section two of the said Act of 1919 shall not apply and that paragraph (1) of the said section two shall have effect with the substitution of a reference to demolition for the reference to acquisition.

General provisions

76. If it appears to a local authority that occasion has arisen for a report on overcrowding in their district, or any part thereof, in addition to the report made by them under subsection (1) of section fifty-seven of the Housing Act, 1936, before the commencement of this Act, or the Minister so directs, it shall be the duty of the authority to cause a further inspection to be made and to prepare and submit a report showing the result of the inspection and the number of new houses required in order to abate overcrowding in the district or the part of the district and, unless they are satisfied that the required number of new houses will be otherwise provided, to prepare and submit to the Minister proposals for the provision thereof. Where the Minister gives a direction under this section he may, after consultation with the local authority, fix dates before which the performance of the said duties is to be completed.

Duty of local
authority to
inspect and to
make reports
and proposals
as to over-
crowding.

77.—(1) A dwelling-house shall be deemed for the purposes of this Act to be overcrowded at any time when the number of persons sleeping in the house either—

Definition of

- (a) is such that any two of those persons, being persons ten years old or more of opposite sexes and not being persons living together as husband and wife, must sleep in the same room; or
- (b) is, in relation to the number and floor area of the rooms of which the house consists, in excess of the permitted number of persons as defined in the Sixth Schedule to this Act.

PART IV
—cont.

(2) In determining for the purposes of this section the number of persons sleeping in a house, no account shall be taken of a child under one year old, and a child who has attained one year and is under ten years old shall be reckoned as one-half of a unit.

Offences in
relation to
overcrowding.

78.—(1) Subject to the provisions of this Part of this Act, if the occupier or the landlord of a dwelling-house causes or permits it to be overcrowded, he shall be guilty of an offence and shall be liable on summary conviction to a fine not exceeding five pounds and to a further fine not exceeding two pounds in respect of every day subsequent to the day on which he is convicted on which the offence continues.

(2) The occupier of a dwelling-house which was occupied on the appointed day shall not be guilty of an offence under this section in respect of the overcrowding thereof so long as all the persons sleeping in the house are persons who were living there on the appointed day and have thereafter lived there continuously, or children born after that day of any of those persons, unless—

- (a) suitable alternative accommodation is offered to the occupier and he fails to accept it ; or
- (b) suitable alternative accommodation is offered to some person living in the house who is not a member of the occupier's family and whose removal is reasonably practicable in all the circumstances, and the occupier fails to require his removal.

(3) Where a dwelling-house which would not otherwise be overcrowded becomes overcrowded by reason of a child attaining one of the ages referred to in the last foregoing section, then, if the occupier applies to the local authority for suitable alternative accommodation or has so applied before the date when the child attains that age, he shall not be guilty of an offence under this section in respect of the overcrowding of the house after the date of his application, so long as all the persons sleeping in the house are persons who were living there on the date when the child attained that age and thereafter continuously live there, or children born after that date of any of those persons, unless—

- (a) suitable alternative accommodation is offered to the occupier on or after the date when the child attains that age, or, if he has applied before that date, is offered at any time after the application, and he fails to accept it ; or
- (b) the removal from the house of some person not a member of the occupier's family is on that date or thereafter becomes reasonably practicable having regard

to all the circumstances (including the availability of suitable alternative accommodation for that person), and the occupier fails to require his removal.

PART IV
—cont.

(4) Where the persons sleeping in an overcrowded house include a member of the occupier's family who does not live there but is sleeping there temporarily, the occupier shall not be guilty of an offence under this section in respect of the overcrowding of the house unless the circumstances are such that he would be so guilty if that member of his family were not sleeping in the house.

(5) The landlord of an overcrowded house shall be deemed to cause or permit it to be overcrowded—

(a) if, after notice in writing that it is overcrowded in such circumstances as to render the occupier thereof guilty of an offence has been served upon the landlord or his agent by the local authority, the landlord fails to take such steps as it is reasonably open to him to take for securing the abatement of the overcrowding, including if necessary legal proceedings for possession of the house ; or

(b) if, when letting the house the landlord, or any person effecting the letting on the landlord's behalf, had reasonable cause to believe that it would become overcrowded in such circumstances as to render the proposed occupier thereof guilty of an offence, or failed to make inquiries of the proposed occupier as to the number, age and sex of persons who would be allowed to sleep in the house ;

and not otherwise.

79.—(1) Where, on the representation of the local authority and after consultation with the Central Housing Advisory Committee constituted under section one hundred and forty-three of this Act, the Minister is satisfied that dwelling-houses consisting of few rooms, or comprising rooms of exceptional floor area, constitute so large a proportion of the housing accommodation in the district of the authority, or in any part thereof, that the application of the provisions of the Sixth Schedule to this Act throughout the district, or that part thereof, immediately after the appointed day would be impracticable, he may by order direct that, in relation to those houses or to such of them as are of a specified type, the said provisions shall, during such period, not exceeding three years from the coming into operation of the order, as may be specified therein and any extension of that period which the Minister may allow, have effect subject to such modifications for increasing the permitted number of persons as may be specified therein, and the order may specify different modifications in relation to different types of houses.

exceptional
conditions.

PART IV
—cont.

(2) After consultation with the said Committee and the local authority, the Minister may by order revoke any such order as aforesaid, or vary the provisions of any such order either as respects the modifications specified therein or as respects the houses to which the modifications apply or as respects both.

(3) The power of making orders under this section shall be exercisable by statutory instrument.

Power of local authority to authorise the temporary use of a house by persons in excess of the permitted number.

80.—(1) Where it appears to the local authority, having regard to the existence of exceptional circumstances, to be expedient so to do, they may, on the application of the occupier or intending occupier of a dwelling-house in their district, grant him a licence authorising him to permit such number of persons in excess of the permitted number as may be specified in the licence to sleep in the house.

(2) A licence granted under this section shall be in the prescribed form and may be granted either unconditionally or subject to any conditions specified therein.

(3) A licence granted under this section shall, unless previously revoked, continue in force for such period (not exceeding twelve months) as may be specified therein, but may be revoked by the local authority at their discretion by means of a notice in writing served upon the occupier and specifying a period (not being less than one month from the date of the service of the notice) at the expiration of which the licence is to cease to be in force.

(4) A copy of any licence granted under this section, and of any notice served thereunder, shall be served by the local authority on the landlord, if any, of the dwelling-house to which it relates within seven days after the issue of the licence or the service of the notice on the occupier, as the case may be.

(5) The occupier of a dwelling-house shall not be guilty of an offence under section seventy-eight of this Act by reason of anything done by him under the authority of, and in accordance with any conditions specified in, a licence in force under this section.

(6) A local authority may take into consideration a seasonal increase of population in their district as an exceptional circumstance to which regard is to be had for the purposes of this section.

Entries in rent books, information and certificates with respect to the permitted number.

81.—(1) Every rent book or similar document used in relation to a dwelling-house by or on behalf of the landlord thereof shall contain a summary in the prescribed form of the provisions of sections seventy-seven, seventy-eight and eighty of this Act and a statement of the permitted number of persons

in relation to the house, and if any such book or document not containing such summary and statement as aforesaid is used by or on behalf of the landlord he shall be liable on summary conviction to a fine not exceeding ten pounds.

An occupier of a dwelling-house who is required by an officer of the local authority duly authorised in that behalf to produce for inspection by the authority any rent book or similar document which is being used in relation to the house and is in the custody of the occupier or under his control shall, on being so required as aforesaid or within seven days thereafter, produce any such book or document to the officer or at the offices of the authority, and if he fails so to do he shall be liable on summary conviction to a fine not exceeding two pounds.

(2) It shall be the duty of the local authority, upon the application of the landlord, or of the occupier, of a dwelling-house, to inform the applicant in writing of the number of persons constituting the permitted number in relation to the house, and a statement inserted in a rent book or similar document under the foregoing subsection shall be deemed to be a sufficient and correct statement if it agrees with information given under this subsection.

(3) The Minister may prescribe the manner in which the floor area of a room is to be ascertained for the purposes of the Sixth Schedule to this Act, and the regulations may provide for the exclusion from computation, or for the bringing into computation at a reduced figure, of floor space in any part of a room which is of less than a specified height not exceeding eight feet.

(4) A certificate of the local authority stating the number and floor areas of the rooms in a dwelling-house, and that the floor areas thereof have been ascertained in the prescribed manner, shall, for the purposes of any legal proceedings, be prima facie evidence of the facts stated therein.

82. The local authority shall have power to publish information for the assistance of landlords and occupiers of dwelling-houses as to their rights and duties under the provisions of this Part of this Act relating to overcrowding and as to the enforcement thereof. Information as to rights and duties as respects overcrowding.

83. Where it comes to the knowledge of the landlord of a dwelling-house or of his agent that it is overcrowded then, unless notice thereof has already been given to the local authority, the landlord or his agent, as the case may be, shall within seven days after that fact first comes to his knowledge give notice thereof to them, and if he fails so to do he shall be liable on summary conviction to a fine not exceeding two pounds: Duty of landlord to inform local authority of overcrowding.

PART IV
—cont.

Provided that this section shall not apply to overcrowding which existed on the appointed day, or has been notified to the landlord or to his agent by the local authority, or is constituted by the use of the house for sleeping by such number of persons as the occupier is authorised to permit to sleep there by a licence in force under this Part of this Act.

**Right of

84. Where a dwelling-house is overcrowded in such circumstances as to render the occupier thereof guilty of an offence, nothing in the Rent Acts shall prevent the landlord from obtaining possession of the house.

**Enforcement
of Part IV.**

85.—(1) It shall be the duty of the local authority to enforce the foregoing provisions of this Part of this Act as respects dwelling-houses in their district, and a prosecution for an offence against the said provisions shall not be instituted otherwise than by the local authority:

Provided that such a prosecution may be instituted against the local authority themselves by another person with the consent of the Attorney-General.

(2) The local authority may serve upon the occupier of a dwelling-house which is overcrowded in such circumstances as to render him guilty of an offence notice in writing requiring him to abate the overcrowding before the expiration of fourteen days from the date of the service of the notice, and, if at any time within three months from the expiration of that period the house is in the occupation of the person upon whom the notice was served or of a member of his family and is overcrowded in such circumstances as to render the occupier guilty of an offence, the local authority may make complaint to a magistrates' court and thereupon the court shall, by its warrant in the form set out in the Schedule to the Small Tenements Recovery Act, 1838, or in a form to the like effect, order vacant possession of the dwelling-house to be given to the landlord within such period, not being less than fourteen nor more than twenty-eight days, as they may determine.

Any expenses incurred by the local authority under this subsection in securing the giving of possession of a dwelling-house to the landlord may be recovered by them from him summarily as a civil debt.

(3) For the purpose of enabling them to discharge their duties under the foregoing provisions of this Part of this Act, the local authority may serve notice on the occupier of a dwelling-house requiring him to furnish them within fourteen days with a statement in writing of the number, ages and sexes of the persons

sleeping in the house, and, if the occupier makes default in complying with the requirement or furnishes a statement which to his knowledge is false in any material particular, he shall be liable on summary conviction to a fine not exceeding two pounds.

- (b) in the case of a house vacated in pursuance of a demolition order, closing order or clearance order, discharging or modifying the terms of the mortgage, charge or agreement,

and in either case either unconditionally or subject to such terms and conditions, including conditions with respect to the payment of money, as the court may think just and equitable to impose.

(2) In determining in any case what order, if any, to make under this paragraph, the court shall have regard to all the circumstances of the case, and in particular in the case of a mortgage or charge—

- (a) to whether the mortgagee or person entitled to the benefit of the charge acted reasonably in advancing the principal sum on the terms of the mortgage or charge, and

- (b) to the extent to which the house may have become unfit for human habitation owing to any default on the part of the mortgagor or person entitled to the interest charged in carrying out any obligation under the terms of the mortgage or charge with respect to the repair of the house,

or, in the case of an agreement to purchase by instalments, to how far the amount already paid by way of principal, or, where the house has been purchased compulsorily, the aggregate of that amount and so much, if any, of the compensation in respect of the compulsory purchase as falls to be paid to the vendor, represents an adequate price for the purchase; and for the purposes of paragraph (a) of this sub-paragraph the mortgagee or person entitled to the benefit of the charge shall be deemed to have acted unreasonably if, at the time when the mortgage or charge was made, he knew or ought to have known that in all the circumstances of the case the terms of the mortgage or charge did not afford sufficient security for the principal sum advanced.

Business premises

6.—(1) This paragraph shall have effect where on or after the thirteenth day of December, nineteen hundred and fifty-five, a house has been purchased at site value in pursuance of a compulsory purchase order made by virtue of Part II or Part III of this Act or vacated in pursuance of—

- (a) a demolition order under Part II of this Act, or
(b) a clearance order.

(2) If at the date of the making of the order the house was occupied wholly or partly for the purposes of a business and the person entitled to the receipts of the business held an interest in the house, the local authority by whom the order was made shall make in respect of that interest a payment of the amount hereinafter specified:

Provided that no payment shall be made under this paragraph in respect of any interest in a house unless the house was occupied wholly or partly for business purposes, and a person entitled to the receipts of a business carried on wholly or partly therein held an interest in the house, either on the thirteenth day of December, nineteen hundred and fifty-five, or at all times during the ten years preceding the date of the making of the order.

(3) The amount of the payment shall be the full compulsory purchase value of the interest less the compensation which was or would have been payable in respect of the interest in connection with the compulsory purchase of the house at site value:

Provided that any amount which would otherwise be payable shall be reduced by so much, if any, of that amount as may reasonably be attributed to any part of the house not occupied at the date of the making of the order for the purposes of the business.

(4) Any question arising under the proviso to the last foregoing sub-paragraph as to the purposes for which any part of a house was occupied shall be determined by the Minister, and subject thereto the amount of any payment in respect of an interest under this section shall be determined (in default of agreement), and any such

2ND SCH.
—cont.

payment shall be dealt with, as if it were compensation payable in respect of a compulsory purchase of the interest under Part III of this Act.

(5) In this paragraph “business”, in relation to the purposes for which a house was occupied, does not include the letting of accommodation in that house, whether with or without service.

Interpretation

7.—(1) For the purposes of this Part of this Schedule, a house which might have been the subject of a demolition order but which has, without the making of such an order, been vacated and demolished in pursuance of an undertaking for its demolition given to the local authority shall be deemed to have been vacated in pursuance of a demolition order made and served at the date when the undertaking was given.

(2) In this Part of this Schedule, except where the context otherwise requires,—

“compensation”, in relation to compulsory purchase, means the compensation payable in respect thereof apart from any payment under section thirty-one or thirty-five of the Town and Country Planning Act, 1954,

“full compulsory purchase value”, in relation to any interest in a house, means the compensation payable in respect of the compulsory purchase of that interest if that compensation fell to be assessed in accordance with subsections (1) and (4) of section fifty-nine of this Act and paragraph 2 of Part III of the Third Schedule to this Act had not been passed and, in the case of a house subject to a clearance order, demolition order or closing order, if the making of that order were a service of the notice to treat,

“house” includes any building constructed or adapted wholly or partly as, or for the purposes of, a dwelling,

“interest” in a house does not include the interest of a tenant for a year or any less period than a year or of a tenant whose sole right to possession is under the Rent Acts,

“site value”, in relation to the compulsory purchase of a house, means compensation in respect thereof assessed in accordance with the provisions of subsection (2) or (3) of section fifty-nine of this Act (or under the corresponding provisions applicable to any compulsory purchase under Part II of this Act).

(3) In this Part of this Schedule references to a demolition order do not include such an order in respect of a house already subject to a closing order so far as it affects any part of the house in relation to which a payment under section thirty of this Act or under this Schedule has fallen to be made in respect of the closing order.

COMPULSORY PURCHASE OF LAND UNDER PART III

PART I

PROCEDURE FOR AUTHORISING COMPULSORY PURCHASES

General

1.—(1) A compulsory purchase order under Part III of this Act shall be in the prescribed form and shall describe by reference to a map the land to which it applies.

(2) If the order is made under section forty-three of this Act it shall show in the prescribed manner—

- (a) what parts, if any, of the land to be purchased compulsorily are outside the clearance area, and
- (b) what buildings, if any, to be purchased compulsorily are included in the clearance area only on the ground that by reason of their bad arrangement in relation to other buildings, or the narrowness or bad arrangement of the streets, they are dangerous or injurious to the health of the inhabitants of the area.

2.—(1) Before submitting the order to the Minister the local authority shall—

- (a) publish in one or more newspapers circulating within their district a notice in the prescribed form stating the fact of such an order having been made and describing the area comprised therein and naming a place where a copy of the order and of the map referred to therein may be seen at all reasonable hours; and
- (b) serve on every owner, lessee and occupier (except tenants for a month or a less period than a month) of any land to which the order relates and, so far as it is reasonably practicable to ascertain such persons, on every mortgagee of any land to which the order relates, a notice in the prescribed form stating the effect of the order and that it is about to be submitted to the Minister for confirmation and specifying the time within and the manner in which objections thereto can be made:

Provided that in the case of an order under section fifty-seven of this Act the notice need not be served on a mortgagee of any land unless it is land comprising or consisting of a house indicated in the order as being unfit for human habitation and not capable at reasonable expense of being rendered so fit.

(2) A notice which under this paragraph is to be served on an owner, lessee or occupier may be served by addressing it to him by the description of "owner" or "lessee" or "occupier" of the land (describing it) to which it relates and by delivering it to some person on the premises or, if there is no person on the premises to whom it may be delivered, by fixing it, or a copy of it, to some conspicuous part of the premises.

The provisions of this subsection shall be without prejudice to the service of a notice in a manner authorised by section one hundred and sixty-nine of this Act.

3RD SCH.
—cont.

(3) For the purposes of this paragraph an occupier being a statutory tenant within the meaning of Part II of the Housing Repairs and Rents Act, 1954, shall be deemed to be a tenant for a period less than a month.

Procedure for orders for the compulsory purchase of land within, surrounded by or adjoining a clearance area

3.—(1) The provisions of this paragraph shall have effect with respect to any order made under section forty-three or section fifty-one of this Act.

(2) If no objection is duly made by any of the persons on whom notices are required to be served, or if all objections so made are withdrawn, then, subject to the provisions of this Part of this Schedule, the Minister may, if he thinks fit, confirm the order with or without modification.

(3) If any objection duly made is not withdrawn, the Minister shall, before confirming the order, either cause a public local inquiry to be held or afford to any person by whom an objection has been duly made as aforesaid and not withdrawn an opportunity of appearing before and being heard by a person appointed by the Minister for the purpose, and, after considering any objection not withdrawn and the report of the person who held the inquiry or of the person appointed as aforesaid, may, subject to the provisions of this Part of this Schedule, confirm the order with or without modification.

(4) Where any objection not withdrawn has been made on the ground that a building included in the order is not unfit for human habitation the public local inquiry or hearing shall not be held earlier than the expiration of fourteen days after it has been shown to the satisfaction of the Minister that the local authority have served upon the objector a notice in writing stating what facts they allege as their principal grounds for being satisfied that the building is so unfit.

(5) A person who objects to the order on the grounds that a building included therein, being a building in which he is interested, is not unfit for human habitation and who appears at the public local inquiry or hearing in support of his objection shall, if the building is included in the order as confirmed as being unfit for human habitation, be entitled, on making a request in writing, to be furnished by the Minister with a statement in writing of his reasons for deciding that the building is so unfit.

(6) Notwithstanding anything in the foregoing provisions of this paragraph, the Minister may require any person who has made an objection to state in writing the grounds thereof and may disregard the objection for the purposes of this paragraph if he is satisfied that the objection relates exclusively to matters which can be dealt with by the tribunal by whom the compensation is to be assessed.

3RD SCH.
—cont.

4.—(1) An order as confirmed by the Minister under the last foregoing paragraph shall not authorise the local authority to purchase any land which the order would not have authorised them to purchase if it had been confirmed without modification.

(2) An order under section forty-three of this Act shall not, as confirmed under the last foregoing paragraph,—

- (a) authorise the local authority to purchase as being land comprised in a clearance area any land shown in the order as submitted as being outside that area ; or
- (b) authorise the local authority to purchase compulsorily any building on less favourable terms with respect to compensation than the terms on which the order would have authorised them to purchase the building if the order had been confirmed without modification.

(3) If the Minister is of opinion that any land included by the local authority in a clearance area should not have been so included, he shall in confirming an order made under section forty-three of this Act modify it so as to exclude that land for all purposes from the clearance area, but if in any such case he is of opinion that the land may properly be purchased by the authority under subsection (2) of that section, he shall further modify the order so as to authorise the local authority to purchase that land under that subsection and not as being land comprised in a clearance area.

(4) The Minister may confirm an order made in connection with a clearance area notwithstanding that the effect of the modifications made by him in excluding any building from the clearance area is to sever that area into two or more separate and distinct areas, and in any such case the provisions of this Act relating to the effect of the order when confirmed and to the proceedings to be taken subsequent to the confirmation thereof shall apply as if those areas formed one clearance area.

Procedure for orders for compulsory purchase of land for purposes of re-development

5.—(1) The provisions of this paragraph shall have effect with respect to any order under section fifty-seven of this Act.

(2) If any objection is duly made in writing by any of the persons on whom notices are required to be served, stating as the ground thereof either—

- (a) that any house indicated in the order as being unfit for human habitation and not capable at reasonable expense of being rendered so fit ought not to have been so indicated ; or
- (b) in the case of land in the re-development area, that the objector is prepared to enter into arrangements for the carrying out of re-development, or for securing the use of the land, in accordance with the re-development plan ; or

3RD SCH.
—cont.

- (c) in the case of land outside the re-development area, any matter not being a matter which in the opinion of the Minister can be dealt with by the tribunal by whom the compensation is to be assessed ;

the Minister shall, unless the objection is withdrawn, cause a public local inquiry to be held with respect thereto and shall consider any objection not withdrawn and the report of the person who held the inquiry, and may then, subject to the provisions of this Schedule, confirm the order either with or without modification, and in any other case the Minister may, subject as aforesaid, confirm the order with or without modification and either after, or without, causing a public local inquiry to be held.

(3) Where any objection not withdrawn has been made on the ground that a building included in the order is not unfit for human habitation the public local inquiry shall not be held earlier than the expiration of fourteen days after it has been shown to the satisfaction of the Minister that the local authority have served upon the objector a notice in writing stating what facts they allege as their principal grounds for being satisfied that the building is so unfit.

(4) A person who objects to the order on the grounds that a building included therein, being a building in which he is interested, is not unfit for human habitation and who appears at the public local inquiry in support of his objection shall, if the building is included in the order as confirmed as being unfit for human habitation, be entitled, on making a request in writing, to be furnished by the Minister with a statement in writing of his reasons for deciding that the building is so unfit.

6. An order as confirmed by the Minister under the last foregoing paragraph shall not authorise the local authority to purchase any land which the order would not have authorised them so to purchase if it had been confirmed without modification, or to purchase, as being a house unfit for human habitation, and not capable at reasonable expense of being rendered so fit, any house not indicated in the order as submitted as being in that condition.

PART II

INCORPORATION OF ENACTMENTS

7.—(1) A compulsory purchase order under Part III of this Act shall incorporate, subject to the modifications hereinafter mentioned and any necessary adaptations,—

- (a) the Lands Clauses Acts ;
- (b) the Acquisition of Land (Assessment of Compensation) Act, 1919 ; and
- (c) section seventy-seven of the Railways Clauses Consolidation Act, 1845, and sections seventy-eight to eighty-five of that Act as originally enacted and not as amended for certain purposes by section fifteen of the Mines (Working Facilities and Support) Act, 1923.

3RD SCH.
—cont.

(2) In construing for the purposes of this Schedule or any order made thereunder any enactment incorporated in the order, this Act, together with the order, shall be deemed to be the special Act, and the local authority shall be deemed to be the promoters of the undertaking.

8.—(1) The modifications subject to which the Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, shall be incorporated in the order are set out in this paragraph.

(2) The compensation shall be assessed in accordance with such of the provisions of section fifty-nine of this Act as are applicable to the particular case.

(3) The following sections of the Lands Clauses Consolidation Act, 1845, shall be excepted from incorporation as aforesaid, that is to say,—

- (a) sections one hundred and twenty-seven to one hundred and thirty-two (which relate to the sale of superfluous land);
- (b) section one hundred and thirty-three (which relates to promoters making good deficiencies in rates).

(4) In the case of an order under section forty-three or section fifty-one of this Act, the tribunal by whom the compensation is to be assessed may, notwithstanding anything in section ninety-two of the Lands Clauses Consolidation Act, 1845, determine that such part of any house, building or manufactory as is proposed to be taken by the local authority can be taken without material damage to the house, building or manufactory and, if they so determine, may award compensation in respect of the severance of the part so proposed to be taken in addition to the value of that part.

Where they so determine, the party interested shall be required to sell and convey to the local authority that part of the house, building or manufactory.

(5) The tribunal shall not take into account any building erected or any improvement or alteration made or any interest in land created after the date on which notice of the order having been made is published in accordance with the provisions of this Schedule if, in the opinion of the tribunal, the erection of the building or the making of the improvement or alteration or the creation of the interest in respect of which a claim is made was not reasonably necessary and was carried out with a view to obtaining or increasing compensation.

(6) Where any land to which an order relates is glebe land or other land belonging to an ecclesiastical benefice, the order shall provide that sums agreed upon or awarded for the purchase of the land, or to be paid by way of compensation for damage to be sustained by the owner by reason of severance or injury affecting the land, shall not be paid as directed by the Lands Clauses Acts, but shall be paid to the Church Commissioners to be applied by them as

3RD SCH.
—cont.

money paid to them upon a sale, under the provisions of the Ecclesiastical Leasing Acts, of land belonging to a benefice.

(7) Any compensation payable in pursuance of this Act by a local authority in respect of any lands, estate or interest of another local authority which would, but for this paragraph, be paid into court in manner provided by the Lands Clauses Acts may, if the Minister consents, instead of being paid into court, be paid and applied as the Minister may determine and a decision of the Minister under this paragraph shall be final and conclusive.

(8) All notices required to be served by the local authority may, notwithstanding anything in section nineteen of the Lands Clauses Consolidation Act, 1845, be served and addressed in the manner specified in this Schedule or in section one hundred and sixty-nine of this Act in relation to notices required to be served by or under this Act.

9. Where a local authority have been authorised by an order confirmed under this Schedule to purchase any land compulsorily, then, at any time after serving notice to treat and after giving to the owner and occupier of the land not less than fourteen days notice, they may enter on and take possession of the land, or such part thereof as is specified in the notice, without previous consent or compliance with sections eighty-four to ninety of the Lands Clauses Consolidation Act, 1845, but subject to payment of the like compensation for the land of which possession is taken, and interest on the compensation awarded, as would have been payable if those provisions had been complied with.

10. Where a local authority are authorised to purchase compulsorily any house to be used for housing purposes under section forty-eight of this Act, and have acquired the right to enter on and take possession of the house by virtue of having served a notice under the last foregoing paragraph, the authority may, instead of exercising that right by taking actual possession of the house, proceed by serving notice on any person then in occupation of the house or any part thereof authorising him to continue in occupation upon terms specified in the notice, or on such other terms as may be agreed; and accordingly, where the authority proceed in the manner authorised by this paragraph—

(a) the like consequences shall then ensue, with respect to the determination of the rights and liabilities of any person arising out of any interest of his in the house or any part thereof, as would have ensued if the authority had taken actual possession on the date of the notice, and the authority may deal with the premises in all respects as if they had done so; and

(b) for the purposes of section one hundred and twenty-one of the Lands Clauses Consolidation Act, 1845 (which provides for payment of compensation to persons entitled to possession under short tenancies who are required to give up possession), any person who by virtue of this paragraph

ceases to be entitled to receive rent in respect of any premises shall be deemed to have been required to give up possession thereof.

RULES AS TO THE ASSESSMENT OF COMPENSATION WHERE LAND PURCHASED OTHERWISE THAN AT SITE VALUE

1. If the tribunal by whom the compensation is to be assessed are satisfied with respect to any premises that the rental thereof was enhanced by reason of their being used for illegal purposes, or being overcrowded within the meaning of Part IV of this Act, the compensation shall, so far as it is based on rental, be based on the rental which would have been obtainable if the premises were occupied for legal purposes, and were not so overcrowded.

2. If the tribunal are satisfied that any premises are in a state of defective sanitation, or are not in reasonably good repair, the compensation shall be the estimated value of the premises if put into a sanitary condition, or reasonably good repair, less the estimated expense of putting them into such condition or repair.

3. The local authority may tender evidence as to the matters aforesaid, notwithstanding that they have not taken any steps with a view to remedying the defects or evils disclosed by the evidence, but before tendering evidence as to sanitation or repair, the authority shall furnish to the tribunal and to the claimant a statement in writing of the respects in which the premises are alleged to be so defective.

4. The tribunal shall have regard to and make an allowance in respect of any increased value which, in their opinion, will be given to other premises of the same owner—

(b) in any other case by the demolition by the local authority of any buildings.

5. In assessing compensation for premises purchased under section fifty-seven of this Act, the tribunal may take into account and embody in their award any undertaking given by the local authority with respect to the time within which, and the manner in which, the re-development or any part thereof is to be carried out, and the terms of any undertaking so embodied in the award shall be binding on and enforceable against the authority.

6. The tribunal shall embody in their award a statement showing separately whether compensation has been reduced by reference to the use of the premises for illegal purposes, to overcrowding, to the considerations mentioned in paragraph 2 of this Part of this Schedule and to the considerations mentioned in paragraph 4 thereof, and the amount, if any, by which compensation has been reduced by reference to each of those matters.

For the purpose of determining for the purposes of this Schedule, the number of persons by whom any dwellings are occupied, any occupation on or after the fifteenth day of December next before the passing of the enabling Act, or, in the case of land acquired compulsorily under a general Act without the authority of an order, next before the date of the application to the Minister under this Schedule, for his approval of or decision with respect to a housing scheme, shall be taken into consideration.

2. The housing scheme shall make provision for the accommodation of such number of persons as is, in the opinion of the Minister,

taking into account all the circumstances, required, but that number shall not exceed the aggregate number of persons displaced; and in calculating that number the Minister shall take into consideration not only the persons who are occupying the dwellings which the undertakers have power to take, but also any persons who, in the opinion of the Minister, have been displaced within the previous five years in view of the acquisition of land by the undertakers.

3.—(1) Provision may be made by the housing scheme for giving undertakers who are a local authority, or who have not sufficient powers for the purpose, power for the purpose of the scheme to appropriate land or to acquire land, either by agreement or compulsorily under the authority of a Provisional Order, and for giving any local authority power to erect dwellings on land so appropriated or acquired by them, and to sell or dispose of any such dwellings, and to raise money for the purpose of the scheme as for the purposes of Part V of this Act, and for regulating the application of any money arising from the sale or disposal of the dwellings; and any provisions so made shall have effect as if they had been enacted in an Act of Parliament.

(2) For the purposes of the Acquisition of Land (Authorisation Procedure) Act, 1946, this paragraph shall be deemed to have been in force immediately before the commencement of that Act, and for the purposes of subsection (3) of section eight of the Statutory Orders (Special Procedure) Act, 1945, this paragraph shall be deemed to be an enactment passed before that Act.

4. The housing scheme shall provide that any land acquired under the scheme shall, for a period of twenty-five years from the date of the scheme, be appropriated for the purpose of dwellings, except so far as the Minister may dispense with such appropriation; and every conveyance, demise, or lease of any such land shall be endorsed with notice of this provision, and the Minister may require the insertion in the scheme of any provision with respect to the standards of the houses that are to be erected under the scheme, or any conditions to be complied with as to the mode in which the houses are to be erected.

5. If the Minister does not hold a local inquiry with reference to a housing scheme, he shall, before approving the scheme, send a copy of the draft scheme to every local authority, and shall consider any representation by any such authority made within the time fixed by him.

6. The Minister may, as a condition of his approval of a housing scheme, require that the new dwellings under the scheme, or some part of them, shall be completed and fit for occupation before possession is taken of any dwellings under the enabling Act.

7. Before approving any scheme the Minister may, if he thinks fit, require the undertakers to give such security as the Minister considers proper for carrying the scheme into effect.

8. If the undertakers enter on any dwellings in contravention of the provisions of this Schedule, or of any conditions of approval of the housing scheme made by the Minister, they shall be liable to a penalty not exceeding five hundred pounds in respect of every such dwelling.

Any such penalty shall be recoverable by the Minister by action in the High Court, and shall be carried to and form part of the Consolidated Fund.

9TH SCH.
—cont.

9. If the undertakers fail to carry out any provision of the housing scheme, the Minister may make such order as he may think necessary or proper for the purpose of compelling them to carry out that provision, and any such order may be enforced by order of mandamus.

10. The Minister may, on the application of the undertakers, modify any housing scheme which has been approved by him under this Schedule, and any modifications so made shall take effect as part of the scheme.

11. For the purposes of this Schedule—
