

Human Tissue Act 1961

1961 CHAPTER 54

3 Cremation of bodies after anatomical examination.

The provision to be made and the certificate to be transmitted under section thirteen of the Anatomy Act, 1832, in respect of a body removed for anatomical examination may, instead of being provision for and a certificate of burial, as mentioned in that section, be provision for the cremation of the body in accordance with the Cremation Acts, 1902 and 1952, and a certificate of the cremation.
