- 2 The holders of any securities to which this Part of this Schedule applies shall, by virtue of this Act, become instead on the vesting date the holders of the amount of British Electricity Stock to which they are entitled, and all securities to which this Part of this Schedule applies shall, by virtue of this Act, be extinguished on the vesting date.
- 3 The interest on the said stock shall begin to accrue as from the vesting date.
- 4 The regulations to be made under Part III of this Act by the Minister with the approval of the Treasury for prescribing the terms on which and the provisions in accordance with which British Electricity Stock is to be issued, transferred, dealt with and redeemed, shall include provisions whereby any stock or share certificate or other similar document in force immediately before the vesting date in relation to any securities to which this Part of this Schedule applies shall be treated as applicable to any British Electricity Stock created and issued by way of compensation in respect of those securities until the corresponding document is issued with respect to that stock.
- 5 Where the holder of any securities becomes, under this Part of this Schedule, instead the holder of British Electricity Stock, he shall hold that stock in the same right and on the same trusts and subject to the same powers', privileges, charges, restraints and liabilities as those in, on or subject to which he held those securities, and any provision of any deed, will, disposition or other instrument, and any statutory provision as to what is to be done by the holder of the securities or the redemption moneys thereof, shall, with any necessary modifications, have effect in relation to the said stock- as it would have had effect in relation to the securities if they had not been extinguished:

Provisions applicable to other securities.

- 1 (1) The provisions of this Part of this Schedule shall apply to such of the securities in respect of which compensation is payable under Part II of this Act as are not securities to which Part I of this Schedule applies.
- (2) In this Part of this Schedule, the expression " the conversion date " means, in relation to any securities, such date as may be specified in relation thereto by order of the Minister, being a date as soon, as conveniently may be after the compensation payable in respect of those securities has been determined.
- 2 During the period beginning with the vesting date and ending immediately before the conversion date, the securities to which this Part of this Schedule applies shall, notwithstanding the dissolution of the bodies to whom Part II of this Act applies, continue to exist and may be transferred, and the Central Authority shall keep the registers or other records of the holders of those securities, but the only rights which shall attach to those securities shall be—

Status: This is the original version (as it was originally enacted).

- (2) If the amounts paid by the Central Authority under this paragraph in respect of any securities are equal to or greater than the amount of interest which is found to have accrued, for the period beginning with the vesting date and ending immediately before the conversion date, on the British Electricity Stock created and issued as aforesaid in satisfaction of compensation payable in respect of those securities, the interest so found to have accrued shall be treated as discharged.
- (3) If the amount paid as aforesaid in respect of any securities is less than the amount found to have accrued as aforesaid on the British Electricity Stock created and issued as aforesaid in satisfaction of compensation payable in respect of those securities, the amount so found to have accrued shall be treated as discharged to the extent of the amount so paid and the balance shall be added to and treated as part of the interest (being interest accruing on and after the conversion date), which first falls to be paid after the conversion date on that stock.
- (4) Any amount payable under sub-paragraph (1) of this paragraph which has not been paid by reason that it has not been possible to discover the person entitled thereto or that the title thereto has not been established or that a cheque or warrant issued for the purpose of making payment thereof has not been encashed shall, for the purposes of sub-paragraphs (2) and (3) of this paragraph (but not for any other purposes) be treated as paid.
