- (2) If a teacher appointed to give in an aided school religious instruction, other than instruction in accordance with an agreed syllabus, fails to give such instruction efficiently and suitably, he may be dismissed on that ground by the managers or governors of the school without the consent of the local education authority.
- (3) Where the special agreement made with respect to any special agreement school provides for the employment of reserved teachers, the local education authority shall, when they propose to appoint any person to be such a teacher in the school, consult the foundation managers or foundation governors of the school, and unless the said managers or governors are satisfied as to that person's fitness and competence to give such religious instruction as aforesaid, the authority shall not appoint that person to be such a teacher.
- (4) If the foundation managers or foundation governors of a special agreement school are of opinion that any such reserved teacher as aforesaid has failed to give, efficiently and suitably, such religious instruction as he was appointed to give, they may require the authority to dismiss him from employment as a reserved teacher in the school.

33 Education of pupils requiring special educational treatment.

- (1) The Minister shall make regulations defining the several categories of pupils requiring special educational treatment and making provision as to the special methods appropriate for the education of pupils of each category.
- (2) The arrangements made by a local education authority for the special educational treatment of pupils of any such category shall, so far as is practicable, provide for the education of pupils in whose case the disability is serious in special schools appropriate for that category, but where that is impracticable, or where the disability is not serious, the arrangements may provide for the giving of such education in any school maintained or assisted by the local education authority.
- (3) The Minister may by regulations make provision as to the requirements to be complied with by any school as a condition of approval of the school as a special school, and as to the withdrawal of approval from any school which fails to comply with requirements so prescribed, and, notwithstanding that the provisions of this Act requiring local education authorities to have regard to the need for securing that primary and secondary education are provided in separate schools do not apply with respect to special schools, such regulations may impose requirements as to the organisation of any special school as a primary school or as a secondary school.

- (1) It shall be the duty of every local education authority to ascertain what children in their area require special educational treatment; and for the purpose of fulfilling that duty any officer of a local education authority authorised in that behalf by the authority may by notice in writing served upon the parent of any child who has attained the age of two years require him to submit the child for examination by a medical officer of the authority for advice as to whether the child is suffering from any disability of mind or body and as to the nature and extent of any such disability; and if a parent upon whom such a notice is served fails without reasonable excuse to comply with the requirements thereof, he shall be liable on summary conviction to a fine not exceeding five pounds.
- (2) If the parent of any child who has attained the age of two years requests the local education authority for the area to cause the child to be so medically examined as aforesaid, the authority shall comply with the request unless in their opinion the request is unreasonable.
- (3) Before any child is so medically examined as aforesaid the authority shall cause notice to be given to the parent of the time and place at which the examination will be held, and the parent shall be entitled to be present at the examination if he so desires.

- (6) Any certificate issued under the last foregoing subsection may be cancelled by the Minister or by a medical officer of the local education authority; and upon the cancellation of such a certificate the local education authority shall cease to provide special educational treatment for the child with respect to whom the certificate was issued and shall notify the parent accordingly.

35 Compulsory school age.

In this Act the expression " compulsory school age " means any age between five years and fifteen years, and accordingly a person shall be deemed to be of compulsory school age if he has attained the age of five years and has not attained the age of fifteen years and a person shall be deemed to be over compulsory school age as soon as he has attained the age of fifteen years:

Provided that, as soon as the Minister is satisfied that it has become practicable to raise to sixteen the upper limit of the compulsory school age, he shall lay before Parliament the draft of an Order in Council directing that the foregoing provisions of this section shall have effect as if for references therein to the age of fifteen years there were substituted references to the age of sixteen years ; and unless either House of Parliament, within the period of forty days beginning with the day on which any such draft as aforesaid is laid before it, resolves that the draft be not presented to His Majesty, His Majesty may by Order in Council direct accordingly.

In reckoning any such period of forty days, no account shall be taken of any time during which Parliament is dissolved or prorogued or during which both Houses are adjourned for more than four days.

36 Duty of parents to secure the education of their children.

It shall be the duty of the parent of every child of compulsory school age to cause him to receive efficient full-time education suitable to his age, ability, and aptitude, either by regular attendance at school or otherwise.

37 School attendance orders.

- (1) If it appears to a local education authority that the parent of any child of compulsory school age in their area is failing to perform the duty imposed on him by the last foregoing section, it shall be the duty of the authority to serve upon the parent a notice requiring him, within such time as may be specified in the notice not being less than fourteen days from the service thereof, to satisfy the authority that the child is receiving efficient full-time education suitable to his age, ability, and aptitude either by regular attendance at school or otherwise.
- (2) If, after such a notice has been served upon a parent by a local education authority, the parent fails to satisfy the authority in accordance with the requirements of the notice that the child to whom the notice relates is receiving efficient full-time education suitable to his age, ability, and aptitude, then, if in the opinion of the authority it is expedient that he should attend school, the authority shall serve upon the parent an order in the prescribed form (hereinafter referred to as a " school attendance order ") requiring him to cause the child to become a registered pupil at a school named in the order :

Provided that before serving such an order upon a parent the authority shall, where practicable, afford him an opportunity of selecting the school to be named in the order, and if a school is selected by him, that school shall, unless the Minister otherwise directs, be the school named in the order.

- (3) If the local education authority are of opinion that the school selected by the parent as the school to be named in a school attendance order is unsuitable to the age, ability or aptitude of the child with respect to whom the order is to be made, or that the attendance of the child at the school so selected would involve unreasonable expense to the authority, the authority may, after giving to the parent notice of their intention to do so, apply to the Minister for a direction determining what school is to be named in the order.
- (4) If at any time while a school attendance order is in force with respect to any child the parent of the child makes application to the local education authority by whom the order was made requesting that another school be substituted for that named in the order, or requesting that the order be revoked on the ground that arrangements have been made for the child to receive efficient full-time education suitable to his age, ability, and aptitude otherwise than at school, the authority shall amend or revoke the order in compliance with the request unless they are of opinion that the proposed change of school is unreasonable or inexpedient in the interests of the child, or that no satisfactory arrangements have been made for the education of the child otherwise than at school, as the case may be; and if a parent is aggrieved by a refusal of the authority to comply with any such request, he may refer the question to the Minister, who shall give such direction thereon as he thinks fit.
- (5) If any person upon whom a school attendance order is served fails to comply with the requirements of the order, he shall be guilty of an offence against this section unless he proves that he is causing the child to receive efficient full-time education suitable to his age, ability, and aptitude otherwise than at school.
- (6) If in proceedings against any person for a failure to comply with a school attendance order that person is acquitted, the court may direct that the school attendance order shall cease to be in force, but without prejudice to the duty of the local education authority to take further action under this section if at any time the authority are of opinion that having regard to any change of circumstances it is expedient so to do.
- (7) Save as provided by the last foregoing subsection, a school attendance order made with respect to any child shall, subject to any amendment thereof which may be made by the local education authority, continue in force so long as he is of compulsory school age unless revoked by that authority.

38 Additional provisions as to compulsory attendance at special schools.

- (1) While the upper limit of the compulsory school age is, in relation to other children, less than sixteen, a person who is a registered pupil at a special school shall nevertheless be deemed to be of compulsory school age until he attains the age of sixteen years and shall not be deemed to be over compulsory school age until he has attained that age.
- (2) A child who has under arrangements made by a local education authority become a registered pupil at a special school shall not be withdrawn from the school without the consent of that authority ; but if the parent of any such child is aggrieved by a refusal of the authority to comply with an application made by the parent requesting such consent, he may refer the question to the Minister, who shall give such direction thereon as he thinks fit.
- (3) No direction given by the Minister under the last foregoing subsection or under subsection (3) or subsection (4) of the last foregoing section shall be such as to require a pupil to be a registered pupil at a special school unless either the parent consents to

denomination, and that it is desirable for the purpose of enabling that denomination to participate more effectively in the administration of the statutory system of public education that a scheme should be made under the Endowed Schools Acts, 1869 to 1908, in relation to that endowment, but that there is no power to make a scheme under those Acts in relation thereto, or that the power to make such a scheme is subject to such conditions that it cannot in practice be exercised, he may by order direct that the provisions of those Acts shall have effect in relation to the endowment subject to such modifications, if any, as appear to him to be necessary for the purpose of securing that a scheme may be made in relation to the endowment thereunder.

- (2) Where it appears to the Minister to be desirable that a scheme made under the Endowed Schools Acts, 1869 to 1908, in relation to any educational endowment should make provision for the sale of any land forming part of the endowment and the application of the proceeds of sale in accordance with the provisions of the scheme, but that such provision cannot be made by reason of the third proviso to section two of the School Sites Act, 1841 (which provides that if any land granted in accordance with the provisions of that section ceases to be used for the purposes mentioned in that Act, the land shall revert to the grantor), he may by order direct that the said proviso shall not have effect in relation to the land:

Provided that no such direction shall be given in relation to any land unless the Minister is satisfied either—

- (a) that the person to whom the land would revert in accordance with the said proviso cannot after due enquiry be found; or
 - (b) that, if that person can be found, he has consented to relinquish his rights in relation to the land under the said proviso, and that, if he has consented so to do in consideration of the payment of a sum of money to him, adequate provision can be made for the payment to him of that sum out of the proceeds of sale of the land.
- (3) A scheme made under the Endowed Schools Acts, 1869 to 1908, in relation to any educational endowment may, where the endowment includes land in respect of which an order has been made under the last foregoing subsection, make provision for the payment out of the proceeds of sale of the land of any sum which is payable to any person in consideration of the relinquishment of his rights in relation to the land under the said proviso.
- (4) Sections thirty-four, thirty-five and thirty-six of the Endowed Schools Act, 1869 (which relate to the period during which objections or suggestions may be made with respect to draft schemes published under that Act), and section thirty-nine of that Act and section thirteen of the Endowed Schools Act, 1873 (which relate to the period within which petitions may be presented to His Majesty in Council against schemes approved under the said Act of 1869) shall have effect as if for the references therein to two months there were substituted references to one month ; and the Endowed Schools Acts, 1869 to 1908, shall be construed accordingly.
- (5) In this section, the expression " educational endowment " has the meaning assigned to it by section five of the Endowed Schools Act, 1869.

impose restrictions upon assurances of land and personal estate to corporations and to charitable uses) shall not have effect with respect to any assurance of land or of personal estate to be laid out in the purchase of land if the land or the income thereof is to be used for educational purposes.

- (2) Every assurance of land or of personal estate to be laid out in the purchase of land, including every assurance of land to any local education authority, shall, if the land or the income thereof is to be used for educational purposes, be void unless the assurance or a copy thereof is sent to the Minister within six months after the date upon which the assurance takes effect:

Provided that the Minister may, either before or after the expiration thereof, extend the said period of six months in any particular case, and if the assurance or a copy thereof is sent to the Minister within the extended period, the assurance shall not be void or shall be deemed not to have been avoided, as the case may be.

- (3) The Minister shall cause to be kept a record of every assurance which, or a copy of which, is sent to him in compliance with the provisions of this section.
- (4) In this section, the expression " assurance" has the meaning assigned to it by section ten of the Mortmain and Charitable Uses Act, 1888.

References in any regulations made under this subsection to either of those Ministers shall, unless the context otherwise requires, be construed as references to the Minister by whom functions are for the time being exercisable under this subsection, and any such regulations may be varied or revoked by that Minister.

- (3) Any regulations made by the Minister or the Minister of Health under this section may make provision whereby the making of payments by him in pursuance thereof is dependent upon the fulfilment of such conditions as may be determined by or in accordance with the regulations, and may also make provision for requiring local education authorities and other persons to whom payments have been made in pursuance thereof to comply with such requirements as may be so determined.
- (4) Where the Minister is satisfied that the persons responsible for the management of any school or other educational institution are, by reason of the provisions of any trust deed or other instrument relating to the management of the school or institution, unable to fulfil any condition or comply with any requirement imposed by regulations made under this section, he may, after consultation with them, by order make such modifications of the said provisions as may be necessary for the purpose of enabling them to fulfil that condition or comply with that requirement; and any such trust deed or other instrument shall, during such period as may be specified in the order, have effect subject to any modifications so made.
- (5) Nothing in this section shall affect any grants in aid of university education payable out of moneys provided by Parliament otherwise than in accordance with the provisions of this Act.

- (1) Subject to the provisions of this section, the Minister shall pay to the local education authority for every area in Wales and Monmouthshire a special annual grant in respect of any school which is maintained or assisted by the authority, being a school in respect of which grants were payable immediately before the date of the commencement of Part II of this Act under section nine of the Welsh Intermediate Education Act, 1889.
- (2) The grants to be so paid shall be of such amounts as may from time to time be determined by regulations made by the Minister, so, however, that the total sum payable for any financial year under the provisions of this section in respect of the schools situated within the area of any county or county borough shall not exceed the maximum amount which was payable in respect of those schools under the provisions of the said section nine for the year ending with the thirty-first day of March nineteen hundred and twenty-nine.

Status: This is the original version (as it was originally enacted).

- (3) The regulations made for the purposes of this section shall make provision whereby the grant payable thereunder in respect of a school for any year shall be withheld, or reduced by such amount as may be determined in accordance with the regulations, unless the Minister is satisfied, after such inspection and report as may be so determined, that the school complies with such standards of efficiency as may be specified in the regulations.
- (4) As from such date as the Minister may by order appoint—
- (a) no further sums shall become payable out of any county fund or out of the general rate fund of any county borough under the provisions of any scheme made under the Welsh Intermediate Education Act, 1889 ;
 - (b) the provisions of any such scheme, so far as they relate to the payment to the Central Welsh Board of sums calculated by reference to the product of a rate, and section forty-two of the Education Act, 1918, shall cease to have effect; and
 - (c) the council of every county and county borough in Wales and Monmouthshire shall make to the Central Welsh Board an annual payment calculated by reference to a percentage of the product of a rate of one halfpenny in the pound in that county or county borough for the year ending with the thirty-first day of March nineteen hundred and twenty-nine ; and the times at which the said payments are to be made and the percentages by reference to which they are to be calculated shall be such as may be determined by the Central Welsh Board for each year in respect of which they fall to be made, so, however, that the percentage so determined in respect of each year shall be a uniform percentage for all the councils by which the payments are to be made, and the percentage so determined in respect of any year shall not exceed twenty-two and one half per cent.
- (5) Nothing in this section shall prevent the payment of grants to any local education authority in accordance with any other provision of this Act.

102 Maintenance contributions payable by the Minister in respect of aided schools and special agreement schools.

The Minister shall pay to the managers or governors of every aided school and of every special agreement school maintenance contributions equal to one half of any sums expended by them in carrying out their obligations under paragraph (a) of subsection (3) of section fifteen of this Act in respect of alterations to the school buildings and repairs, to the school premises :

Provided that no maintenance contribution shall be payable under this section in respect of any expenditure incurred by the managers or governors of a special agreement school in the execution of repairs or alterations for the execution of which provision is made by the special agreement relating to the school.

- (1) Where the Minister by an order made under section sixteen of this Act authorises the transfer of any voluntary school to a new site or directs that a voluntary school or schools proposed to be established shall be established in substitution for a school or

schools to be discontinued, then, if the school to be transferred or any school to be established in pursuance of the order is to be maintained as an aided school or a special agreement school, the Minister may pay to the managers or governors of the school in respect of any sums expended by them in the construction of the school a grant not exceeding one-half thereof:

Provided that no grant shall be payable under this section to the managers or governors of a special agreement school in respect of any sums expended by them in the execution of proposals to which the special agreement for the school relates.

- (2) For the purposes of this section, any sum expended for the purpose of providing a site for a school shall be deemed to be expended in the construction of the school.
- (3) Without prejudice to the general discretion of the Minister as to the making of any grant under this section and as to the amount of any such grant, the Minister shall, in determining the amount of any such grant, take into account any sums which may accrue to the managers governors or trustees of the school in respect of the disposal of the site from which the school is to be transferred, or of the sites of the discontinued schools, as the case may be.

104 Power of the Minister to make grants in respect of aided schools and special agreement schools established for the accommodation of displaced pupils.

- (1) Where the Minister has approved proposals submitted to him under subsection (2) of section thirteen of this Act that any school proposed to be established should be maintained by a local education authority as a voluntary school and has directed that the proposed school shall be an aided school or a special agreement school, then, if the Minister is satisfied that although the proposed school will not be in substitution for one or more discontinued schools, yet the establishment thereof is wholly or partially due to the need of providing education for a substantial number of displaced pupils, he may by order certify as expenses attributable to the provision of education for displaced pupils so much of the amount expended in the construction of the school as is in his opinion so attributable, and may pay to the managers or governors of the school a grant not exceeding one half of the expenses so certified:

Provided that no grant shall be payable under this section to the managers or governors of a special agreement school in respect of any sums expended by them in the execution of proposals to which the special agreement for the school relates.

- (2) For the purposes of this section—
 - (a) the expression "displaced pupils" means, in relation to any such proposed school as aforesaid, pupils for whom education would, in the opinion of the Minister, have been provided in some other aided school or special agreement school if that school had not ceased to be available for them in consequence of its having ceased to be used for providing both primary and secondary education or in consequence of a substantial reduction in the number of pupils for whom education is to be provided in it; and
 - (b) any sum expended for the purpose of providing a site for a school shall be deemed to be expended in the construction of the school.

Status: This is the original version (as it was originally enacted).

105 Power of the Minister to make loans to aided schools and special agreement schools in respect of initial expenditure.

- (1) If upon the application of the managers or governors of any aided school or special agreement school the Minister is satisfied after consultation with persons representing them that their share of any initial expenses required in connection with the school premises will involve capital expenditure which, in his opinion having regard to all the circumstances of the case, ought properly to be met by borrowing, he may make to the managers or governors of the school for the purpose of helping them to meet that expenditure, a loan of such amount at such rate of interest and otherwise on such terms and conditions as may be specified in an agreement made between him and them with the consent of the Treasury.
- (2) For the purposes of this section, the expression " initial expenses " means in relation to any school premises—

 - (b) expenses to be incurred in pursuance of any special agreement;
 - (c) expenses to be incurred in the construction of any school which, by virtue of an order made under section sixteen of this Act, is deemed not to be a newly established school or is deemed to be in substitution for any discontinued school or schools ;
 - (d) expenses certified by the Minister under the last foregoing section as being attributable to the provision of education for displaced pupils;
- and the managers' or governors' share of any such initial expenses shall be taken to be so much thereof as remains to be borne by them after taking into account the amount of any maintenance contribution, grant under a special agreement, or grant under either of the last two foregoing sections, as may be paid or payable in respect of those expenses.
- (3) If upon an application being made to him under subsection (2) of section fifteen of this Act for an order directing that a school shall be an aided school or a special agreement school it appears to the Minister that the area served by the school will not be also served by any county school or controlled school, then, unless he is satisfied that the managers or governors of the school will be able to defray the expenses which would fall to be borne by them under paragraph (a) of subsection (3) of that section without the assistance of a loan under this section, the Minister shall consult such persons or bodies of persons as appear to him to be representative of any religious denomination which, in his opinion having regard to the circumstances of the area, is likely to be concerned ; and, unless after such consultation he is satisfied that the holding of a local inquiry is unnecessary, shall cause such inquiry to be held before determining the application.

106 Contributions between local education authorities.

- (1) Where a local education authority provide in any school maintained by the authority for the primary or secondary education of any child or young person who belongs to the area of some other local education authority, then, if a claim therefor is made within the prescribed period, they shall, subject as hereinafter provided, be entitled to recover from that authority such contributions as may be determined by agreement between the authorities concerned, or in default of such agreement by the Minister, to be equal to the cost of providing for the education :

Provided that if in the case of any child or young person the Minister is satisfied that there was no sufficient reason why the education provided for him should not have been provided by the authority for the area to which he belongs, the Minister may, on the application of that authority, direct that no contribution shall be recoverable in respect thereof under this subsection.

- (2) For the purposes of this section, a child or young person shall be deemed to belong to the area in which his guardian resides :

Provided that—

- (a) if the guardian of the child or young person cannot be found or his guardian has no place of residence in England or Wales, the child or young person shall be deemed to belong to the area of the local education authority in whose area he was born ; and
- (b) where immediately before the date of the commencement of Part II of this Act a former authority had been required under the Education (Institution Children) Act, 1923, to make payments to another former authority in respect of any child and were liable to make such payments, then, so long as the first-mentioned former authority would have remained so liable if that Act had not been repealed, the child shall be deemed to belong to the area of the local education authority responsible for the liabilities of the first-mentioned former authority.
- (3) If it is impracticable to determine under the provisions of the last foregoing subsection to what area a child or young person belongs, either because his place of birth was not in England or Wales or cannot be ascertained or for any other reason, he shall be treated as belonging to such area as may be determined by agreement between the local education authorities concerned, or in default of such agreement, by the Minister.

- (2) The Minister shall, in exercise of the power conferred by the last foregoing subsection, constitute any joint education boards and secure the constitution of any education committees and sub-committees and of any divisional executives which are, in his opinion, essential for the initial operation of the said Part II.
- (3) If the Minister is satisfied that it is necessary to make an order under this subsection by reason of time being required after the commencement of the said Part II for enabling adequate provision to be made for a supply of teachers or of school accommodation sufficient to meet the needs of children between the ages of fourteen and fifteen years, he may by order direct that, while the order remains in force, section thirty-five of this Act shall have effect as if for references therein to fifteen there were substituted references to fourteen and section forty-three of this Act shall have effect as if for the reference therein to the date of the commencement of the said Part II there were substituted a reference to the date of the expiry of the order:

110 Power of Minister to adjust variations of rates consequent upon commencement of Part II.

If it appears to the Minister that the transfer by this Act to the local education authority for any county of functions formerly exercisable by the council of any county district is likely to bring about in the county excessive variations in the incidence of rates during the period immediately following the commencement of Part II of this Act, he shall, if application is made to him in that behalf either by the local education authority or by any such council, cause an investigation to be made in accordance with the provisions of Part I of the Seventh Schedule to this Act, and, subject to the provisions of Part II of that Schedule, may make an order for the county under the powers thereby conferred.

Any order made or directions given by the Minister, the Minister of Health, or a local education authority under the provisions of this Act may be varied or revoked by a further order or further directions made or given by the Minister, the Minister of Health, or that authority, as the case may be :

Provided that where the power to make or give any such order or directions is exercisable only upon the application or with the consent of any person or body of persons, or after consultation with any person or body of persons, or otherwise subject to any conditions, no order or directions made or given thereunder shall be varied or revoked except upon the like application, with the like consent, after the like consultation, or subject to the like conditions, as the case may be.

112 Regulations to be laid before Parliament.

All regulations made under this Act shall be laid before Parliament as soon as may be after they are made, and if either House of Parliament, within the period of forty days beginning with the day on which any such regulations are laid before it, resolves that the regulations be annulled, the regulations shall cease to have effect, but without prejudice to anything previously done thereunder or to the making of any new regulations.

In reckoning any such period of forty days, no account shall be taken of any time during which Parliament is dissolved or prorogued or during which both Houses are adjourned for more than four days.

113 Notices.

Any notice required or authorised by this Act to be served upon any person may be served by delivering it to that person, or by leaving it at his usual or last known place of residence, or by sending it in a pre-paid letter addressed to him at that place.
