- (3) Before any child is so medically examined as aforesaid the authority shall cause notice to be given to the parent of the time and place at which the examination will be held, and the parent shall be entitled to be present at the examination if he so desires.

Provided that a local education authority shall not require the issue of such a certificate in respect of any child unless the certificate is, in their opinion, necessary for the purpose of securing the attendance of the child at a special school in accordance with the provisions of this Act relating to compulsory attendance at primary and secondary schools.

- (6) Any certificate issued under the last foregoing subsection may be cancelled by the Minister or by a medical officer of the local education authority; and upon the cancellation of such a certificate the local education authority shall cease to provide special educational treatment for the child with respect to whom the certificate was issued and shall notify the parent accordingly.
